Accordingly, Members are requested to make service requests by submitting a duly filled and signed Form ISR – 4. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company or Company's Registrar and Share Transfer Agents, MUFG Intime India Private Limited for assistance in this regard.
13. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the company.
14. Members holding shares under multiple folios in the identical order of names are requested to consolidate their holdings into one folio.
15. In case of joint holders attending the meeting, only such joint holder, who is higher in the order of names, will be entitled to vote at the meeting.
16. Since the AGM will be held through VC / OAVM, the Route Map is not annexed in this Notice.
17. Members seeking any information with regard to the financial statements or any matter to be placed at the AGM are requested to write to the Company on or before **1st August, 2025** through email on **cmrlexim@cmrlindia.com**, which shall be replied to by the Company suitably.
18. The Board of Directors has appointed Mrs. Malathy Narayanankutty, (Membership No. FCS: 12792, C.P. No. 23062), Partner, M/s. MOHANS & Associates, Practicing Company Secretaries, as Scrutinizer to scrutinize e-voting process including remote e-voting in a fair and transparent manner and to ascertain requisite majority.
19. The Scrutinizer shall, immediately after the conclusion of voting at the Annual General Meeting unblock the votes casted through remote e-voting/e-voting during the AGM and submit, not later than 48 hours of conclusion of the AGM, a consolidated Scrutinizer's

Report of the total votes casted in favor or against, if any, to the Chairman of the Company or by a Person authorized by him who shall countersign the same.

20. The Scrutinizer shall submit her Report to the Chairman and the result declared will be placed on the Company's website: **www.cmrlindia.com** and a copy will be forwarded to the BSE Ltd., where the shares of the Company are listed.

INSTRUCTIONS FOR ELECTRONIC VOTING ('e-voting')

1. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA General Circular No. 09/2024 dated September 19, 2024, read with circulars dated September 25, 2023, December 28, 2022, May 05, 2022, December 14, 2021, January 13, 2021, May 05, 2020, April 13, 2020 and April 8, 2020, and the relevant SEBI circulars, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
2. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice.
3. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
4. In compliance with the aforesaid MCA Circulars and SEBI Circular No. SEBI/HO/CFD/CFD-PoD-2/P/CIR/2024/133 dated October 3, 2024, October 7, 2023, January 5, 2023, May 13, 2022, January 15, 2021 and May 12, 2020, Notice of the AGM along with the Annual Report 2024-25 is being sent only through electronic mode to those Members whose e-mail id is registered with the Company/Depository Participants. Members may note that the notice of the Annual General Meeting and the Annual Report 2024-25 will also be available on the website of the Company at **www.cmrlindia.com** and can also be accessed from the website of the Stock Exchange i.e. BSE Limited at **www.bseindia.com**. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. **www.evotingindia.com**.

Steps for e-Voting:

- (i) The remote e- voting period begins at 9:00 A.M on Tuesday, 5th August, 2025 and ends at 5:00 P.M on Thursday, 7th August, 2025. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on Friday, 1st August, 2025 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode CDSL/NSDL is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in Demat mode with CDSL	<ol style="list-style-type: none"> 1) Users who have opted for CDSL Easi / Easiest facility, can login through their existing user id and password. Statement of material facts in terms of Section 102(1) of the Companies Act, 2013**Item No.5**

Mr. Saran S Kartha, a Mechanical Engineering graduate, is associated with the Company since 27th May, 2009 as the Additional Director, as Executive Director with effect from 01st October, 2009 and has been the Joint Managing Director with effect from 07th February, 2012. Shareholders re-appointed Mr. Saran S Kartha as Joint Managing Director for a period of three years effective from 01st October, 2022 to 30th September, 2025 in the AGM held on 01st September, 2022 and re-appointed Dr. S N Sasidharan Kartha as Managing Director for a period of three years effective from 01st April, 2024 and till 31st March, 2027 in the AGM held on 15th September, 2023. Dr Sasidharan Kartha had expressed his desire to step down as Managing Director and Director of the Company effective from 20th May, 2025 due to health issues and submitted his resignation.

The Nomination and Remuneration Committee at its meeting held on 21st May 2025 considered resignation of Dr. S. N. Sasidharan Kartha as Managing Director and Director of the Company. While his continued association will remain beneficial to the Company, duly respecting his decision, the Committee and the Board of Directors in their meeting held on 21st May 2025, accepted his resignation and appointed Mr. Saran S Kartha, Joint Managing Director as the Managing Director of the Company for a period of three years with effect from 21st May 2025. Mr. Saran S. Kartha has already given his consent to act as Managing Director of the Company. Over the last few years, in his role as Joint Managing Director, he has played a vital role in overseeing business strategies including market penetration and development, product development and other management functions of the company and driving the growth of the Company. With his active involvement and guidance, the overall performance and profitability of the Company has improved. His long association with the Company, experience and expertise would immensely benefit the Company in its growth and driving the strategic initiatives.

As per Schedule V to the Companies Act, 2013, the remuneration payable to managerial personnel requires approval of shareholders in general meeting. The Board of Directors of your Company is of the opinion that his appointment as Managing Director will be beneficial to the Company. Accordingly, Board recommends his appointment as Managing Director for a period of 3(Three) years with effect from 21st May 2025 i.e., from 21st May 2025 to 20th May 2028, to the shareholders on such remuneration and conditions set out in the resolution under item No. 5.

Board recommends the resolution for the approval of the members as a Special resolution and the members are requested to approve the special resolution.

The information, as required under the regulation 36 of SEBI (LODR) Regulations, 2015 and Secretarial Standard on General Meetings (SS-2), of Mr. Saran S Kartha is provided in **Annexure I** to the notice.

- III Other information: NIL
- IV The required disclosures are mentioned in the Directors' report/Corporate Governance Report. The terms and conditions of employment are as per the resolution and the rules of the company as applicable to senior management personnel. No separate service contract is entered into.

Additional information is given in **Annexure I**.

Item No.6

Company may appoint any person who has rendered significant or distinguished services to the company or industry to which the company's business relates to or public field as the Chairman Emeritus of the Company. Promoters/past Chairman/ Managing Director/Directors/persons of repute may be appointed as 'Chairman Emeritus'. Presently Articles of Association of the Company do not contain any provision for appointment of a person as 'Chairman Emeritus'.

Hence Board of Directors at its meeting held on 07th July, 2025, has decided to alter the Articles of Association of the Company by inserting provision for appointment of a person as Chairman Emeritus in order to have powers to appoint 'Chairman Emeritus' as and when the Board of Directors deems it fit.

A copy of the altered set of Articles of Association of the Company would be available for inspection for the members at the Registered Office of the Company during the office hours on any working day, except Sundays, between 10.00 a.m to 5.00 p.m up to the conclusion of the Annual General Meeting. The Articles of Association of a Company may be altered by passing a special resolution by members of the Company.

The Board of Directors recommends the Resolution set out at item No.6 of accompanying Notice for the approval of the Members of the Company as Special Resolution.

None of the Directors, Key Managerial Personnel of Company and their relatives are concerned or interested, financially or otherwise in the said resolution

Item No.7

Dr. S.N Sasidharan Kartha is the Chief Promoter and Founder Managing Director of the Company since its inception. He has rendered meritorious services to the Company to build the enterprise on a strong footing through his relentless and dedicated hardwork. As a visionary who had foreseen the future potential for titanium and its products, he set up the factory for producing synthetic rutile three decades back using both indigenous technology and indigenous plant and machinery. With the right market tie up, team work and motivation he has successfully enhanced the plant capacity from 10,000 TPA to 50,000 TPA of synthetic rutile and also streamlined production and marketing of water purifying chemicals like ferric chloride, ferrous chloride and other by-products. Ever since its establishment, CMRL has scaled new heights and achieved several accolades for its extraordinary performance in multiple parameters, which were direct results of the dynamic and visionary leadership of Dr. S N Sasidharan Kartha.

Dr. S. N. Sasidharan Kartha had been serving as the Managing Director since its inception. Due to health issues, he had expressed his desire to step down as Managing Director and Director of the Company and resigned from the post of Managing Director and office of Director with effect from 20th May 2025.

Considering his long association, vast experience, knowledge and wisdom in the business of the Company and to continue to benefit from his rich and valuable experience Board of directors is of the opinion that continued association of Dr. S N Sasidharan Kartha, in an advisory/mentor role would immensely benefit the Company and the Board. Hence based on the recommendation of Nomination and Remuneration Committee and Audit Committee, Board of Directors in their meeting held on 07th July, 2025 appointed Dr. S N Sasidharan Kartha, as the 'Chairman Emeritus' of the Company for a period of 5(five) years with effect from 08th August 2025, on a remuneration/fee of Rs.8,00,000/-(Rupees Eight Lakhs only) per month subject to the enabling provisions of altered Articles of Association and approval of the shareholders in the ensuing Annual General Meeting. As Chairman Emeritus, he will not be a member of the Board, but can be invited to attend the meetings of the Board and Committees and he shall not have any right to vote.

Dr. S N Sasidharan Kartha, being Chief promoter and a relative of Mr. Saran S Kartha, Managing Director, Mr. Anil Ananda Panicker, Executive Director and Mrs. Jaya S Kartha, Non Executive Director in terms of section 2(76) of the Act and his position as 'Chairman Emeritus' shall be considered as holding of office or place of profit, as per the provisions of section 188(1) (f) of the Companies Act, 2013 and Rules made there under. Accordingly, prior approval of the members of the Company is required, where a

relative of Director is appointed to office or place of profit and the remuneration exceeds Rs.2.5 lakhs per month. However, In terms of Regulation 23 of Listing Regulations, the proposed transaction is not a material related party transaction. Therefore, pursuant to the Company's policy on related party transactions and section 188 of the Act, and Rule 15 of the Companies (Meeting of the Board and its powers) Rules, 2014, approval of the members of the Company is being sought for the proposed office or place of profit.

The particulars as required under Rule 15 of the Companies (Meetings of Board and its Powers) Rules, 2014/SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015/SEBI Circular No.SEBI/HO/CFD/CMD1/CIR/P/2021/662 dated November 22, 2021 are as under:

1	Name of the Related Party and its relationship with listed entity	Dr. S N Sasidharan Kartha , Promoter, Chairman Emeritus
2	Name of the director or key managerial personnel who is related, if any;	Mr. Saran S Kartha-Managing Director, Mr. Anil Ananda Panicker-Executive Director, Mrs. Jaya S Kartha-Non-Executive Director
3	Nature of relationship	Mr. Saran S Kartha- Son, Mr. Anil Ananda Panicker-Son-in-law, Mrs. Jaya S Kartha -wife
4	Nature, material terms, monetary value and particulars of the contract or arrangement	Payment of Remuneration to Dr. S N Sasidharan Kartha- Rs.8,00,000/- per month for a period of 5(five years) with effect from 08 th August, 2025 to 07 th August 2030
5	Justification as to why the RPT is in the interest of the listed entity	Dr. S N Sasidharan Kartha has served the Company for more than three decades. He has rendered meritorious services to the Company to build the enterprise on a strong footing through his relentless and dedicated hardwork. In recognition of his long association, vast experience, knowledge and wisdom in the business of the Company and the Company would benefit from his rich and valuable experience and guidance from time to time.
6	Any other information relevant or important for the members to take a decision on the proposed resolution	The appointment and payment of fees will be in the ordinary course of business and at arm's length.

Accordingly, the Board recommends the Ordinary Resolution set forth in item No.7 for the approval of members of the Company.

None of the Directors, except Managing Director Mr. Saran S Kartha, Executive Director Mr. Anil Ananda Panicker and Non Executive Director Mrs. Jaya S Kartha being relatives of the appointee, Key Managerial Personnel of the Company and their relatives is any way concerned or interested, financially or otherwise in passing of this item.

Management Discussion and Analysis

Cochin Minerals and Rutile Limited is a 100 percent Export Oriented Unit in the Mineral Processing sector with manufacturing, marketing and research capabilities. The Company's products and their applications are:

a) Main Product

The main product is Synthetic Rutile, used as raw material for production of Titanium pigment and Titanium sponge/metal. The annual licensed and installed capacity is 50,000 MT.

b) Coproducts

The following are the coproducts.

- i) Ferric Chloride is an effective coagulant for drinking water purification in Desalination plants and for Industrial waste water/sewage treatment. It is also used as an etching agent and in pickling plants.
- ii) Ferrous Chloride is an effective coagulant for waste water treatment in paper and textile processing industries. It is also used in Chromium industries to treat waste water.
- iii) Iron Hydroxide (Cemox) is used in Cement, Steel and Ceramic industries as a substitute for iron ore.
- iv) Recovered TiO_2 is used as a cost-effective substitute for TiO_2 in the Paint industry.
- v) CMRL BF Protector is used as hearth-protecting material in the Blast furnaces.
- vi) CMRL Rutoweld is used as a flux in the Welding Electrode industry.

Raw Materials

The primary raw materials of your Company are Ilmenite and Hydrochloric Acid. The rationale for this project was the indigenous availability of both these items when the factory was setup. Since its establishment, the Company has never engaged in mining operations. Since 2010, the Company consistently relied on purchasing Ilmenite predominantly from abroad. While Hydrochloric Acid is indigenously available, Ilmenite's availability from domestic sources has significantly declined. Hence the Company has relied on imported sources of Ilmenite to produce Synthetic Rutile. Your Company has made all-out efforts to procure a higher quantity of primary raw material, Ilmenite, from various foreign sources and maintain the quality of our product through process adaptation. The efforts to procure more imported Ilmenite will be pursued in the future.

Operational Performance

The operational performance highlights for the year 2024-25 are given below:

	2024-25	2023-24
Gross Revenue (₹ lakhs)	32,741.02	30,328.90
Profit before tax (₹ lakhs)	3,773.97	3,904.36

The Company's gross income for the financial year ended 31st March 2025 increased to ₹.32,741.02 lakhs against Rs.30,328.90 lakhs in the previous financial year, thereby registering an increase of 7.95%.The profit before tax decreased to ₹. 3,773.97 lakhs against ₹.3,904.38 lakhs in the last financial year.

Key Financial Ratios

Particulars	Unit	2024-25	2023-24	Increase/ (Decrease)	Remarks where change is more than 25%
Debtors Turnover	times	11.66	9.53	22.35	-
Inventory Turnover	times	2.27	3.98	(42.96)	Decrease due to in- crease in inventory

Return on Net Worth	%	15.01	5.83	157.46	Increase due to in- crease in Profit after tax

Outlook

During the year 2024-25, turnover of the Company grew by 6% to Rs.319.06 crore against Rs.300.44 crore of the previous year. Despite the drop in selling price of the main product, Synthetic Rutile, higher sales volume of the main product, helped to improve the turnover of the Company. The global market is experiencing oversupply of titanium feedstock and intense competition from competitors. The surplus availability and low price set by the competitors led to the decline in the price of synthetic rutile. But there has not been a proportional price reduction in our primary raw material Ilmenite. In view of the incompatibility in the prices of synthetic rutile and main raw material, ilmenite and due to decrease in ferric chloride sale, the Company is taking steps to maintain the optimum level of production and sales.

Risks, Concerns and Strength

In the present scenario, Company's operations are subject to certain risk factors, primarily related to the pricing of ilmenite, our critical raw material. As we do not engage in mining, we rely on external sources for ilmenite, which poses a challenge. Reduction in price of Synthetic Rutile does not reflect in the pricing of ilmenite and hence results in lower margin. Company is also procuring semi finished product, viz., upgraded beneficiated ilmenite, at a very competitive price.

The domestic supply of ilmenite remains uncertain, necessitating the import of a higher quantity of Ilmenite. Despite these challenges, we are striving to maintain optimal production levels. Our directors actively address the ilmenite shortage by exploring international sources to secure a more stable and sufficient supply. This proactive approach aims to mitigate the risks associated with ilmenite procurement and ensure the continuity of our operations.

The volatility of synthetic rutile market still remains. The Titanium Pigment sector has not yet recovered from the period of market depression, which resulted in decline in both demand and pricing of Synthetic Rutile. Revival of Titanium pigment production in China is crucial for boosting demand for titanium feedstock. The titanium metal and sponge segment is performing well where our premium Synthetic Rutile is primarily utilized. However, an oversupply of titanium feedstock globally has led to lower prices which in turn resulted in significant decline in both demand and pricing of Synthetic Rutile.

The major strength of your Company is that its products follow the highest international standards and are well accepted by reputed international buyers. Your Company has been granted ISO 9001:2015 by the prestigious agency Bureau Veritas, accredited by UKAS London and NABCB India. Your Company has also been awarded ISO 45001 : 2018 for safety by the prestigious agency Bureau Veritas, certified by UKAS London and NABCB India. The Company also got certification from N S F International, an organization designated as a Collaborating Center by the World Health Organization (WHO) for our products, Ferric Chloride and Ferrous Chloride with hydrated Titania catalyst and these products conform to NSF/ANSI standard 60 for drinking water treatment.

A skilled and dedicated work force is another strength of your Company.

Health, Safety and Environment

The Company gives high priority to issues concerning health, safety and the environment.

Health- The Company aims to provide all employees with comprehensive health services covering protective, preventive and curative health care. Apart from being covered by the Employee State Insurance Scheme (ESI), the employees are also entitled to medical reimbursements under the employees' medical beneficiary scheme of the company.

Safety - The Company gives the safety of employees the utmost importance. The protection of persons overrides all other considerations. This vision drives the Company continuously to look for ways to break new barriers in safety management for the benefit of all. There has not been any significant accident since its inception. Safety awareness programs are regularly conducted for the employees.

Environment - The Company aims to maintain a clean and pollution-free environment. Environment impact assessment and qualitative risk analysis are conducted for all new/major expansion or diversification projects and all necessary safeguard measures are incorporated in to the project. The effluent treatment plants, air emission abatement units, waste treatment/disposal facilities etc., are maintained per statutory standards. The Company complies with all pollution control and environmental protection regulations. The Company also undertakes various ecological protection programs such as tree planting, water conservation measures, water purification, energy-saving initiatives, etc.

The Company has also bagged an excellence award for 13 years from the Government of Kerala for implementing Pollution Control measures. The Company's by-product, Ferric Chloride, is widely and successfully used worldwide in water purification and effluent treatment. Another by-product, Cemox helps reduce ecological problems by helping to minimize clay mining and as a supplement to the Iron Ore supply.

Internal Control Systems and Adequacy

Your Company maintains formal internal control systems and procedures, which are continuously and strictly enforced. These have been designed to provide reasonable assurance about reliable financial information, compliance with applicable statutes, safeguarding assets and ensuring adherence to the Company's corporate policies. These systems and procedures, which are routinely tested and certified by your Company's statutory and internal auditors and reviewed by the audit committee, are found to be adequate and effective.

Human Resources

Your Company values human resources as the most significant asset and maintains harmonious industrial relations. The Company provides adequate employee training and undertakes various employee welfare measures.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF COCHIN MINERALS AND RUTILE LIMITED**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Cochin Minerals And Rutile Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and notes to the standalone financial statement including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's Response
1	Valuation of Inventory	Auditor's Response
	<p>Refer to note 9 'Inventories' to the standalone financial statements.</p> <p>The total value of inventory as of March 31, 2025 amounted to Rs.16,647.04 lakhs representing 62.70% of the total assets . Inventories are measured the lower of cost and Net realizable value.</p> <p>Ilmenite and Hydrochloric acid are the main Raw materials for the company. Ilmenite is imported due to short supply locally which is subject to price fluctuation as well as foreign currency risk. We have considered valuation of inventory as the key audit matter due to the significance of the amount of inventory.</p>	<p>We have performed the following principal audit procedures in relation to Inventory valuation:</p> <ul style="list-style-type: none"> • We tested relevant internal controls that the Company uses to ensure proper valuation of inventory. • We evaluated the significant judgments and estimates made by Management in applying Company's accounting policy in relation to the valuation of inventory. • We have verified the stock records and have verified the arithmetical accuracy of valuation records. We were also personally present to observe the physical stock taking at the year end. • We assessed the Company's disclosures in the financial statements in respect of inventory.

Emphasis of Matter

We draw attention to Note 37 of the standalone financial statements, which describes the ongoing investigation initiated by the SFIO which has been challenged by the Company before the Hon'ble High Court of Delhi and is currently pending adjudication.

ED has registered an ECIR against the Company and its officials. The Company has approached the Hon'ble High Court of Kerala challenging the jurisdiction of the ED and the matter is pending adjudication. Our opinion is not modified in respect of these matters.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Management & Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility and Sustainability Report, Corporate Governance Report and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is no material misstatement of this other information & we have nothing to report in this regard.

Responsibility of Management and those charged with governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and board of directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial state-

ments, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system with reference to standalone financial statement in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter

or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- i. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors, as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31st, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of sec.197 (16) of the act, as amended: in our opinion and to the best of our information and according to the explanations given to us: the remuneration paid by the company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. There has been no transfer of amounts to the Investor Education and Protection Fund by the Company during the year.
 - iv. (a) The management has represented that to the best of its knowledge and belief, no funds (which are material either individually or in aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether record-

ed in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The management has represented that, no funds (which are material either individually or in aggregate) have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on such audit procedures that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) above as required by Rule 11 (e) of Companies (Audit & Auditors) Rules, 2014, as amended, contain any material misstatement.

- v. (a) The final dividend proposed in the previous year, declared and paid by the Company during the year is in accordance with Section 123 of the Act, as applicable.
 - (b) The Board of Directors of the company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend declared is in accordance with section 123 of the Act to the extent it applies to declaration of dividend.
 - vi. Based on our examination which included test checks, the company has used accounting software for maintaining its books of account for the financial year ended March 31, 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.
2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Cochin Minerals and Rutile Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **COCHIN MINERALS AND RUTILE LIMITED** (“the Company”) as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management and Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial controls over financial reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013

Auditor’s Responsibility

Our responsibility is to express an opinion on the company’s internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial control over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the company’s financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the company’s internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding their liability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention of timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Fixed Assets are stated at acquisition cost less accumulated depreciation / amortization (except leasehold land) and cumulative impairment.

Technical know-how / license fee relating to plants/facilities are capitalised as part of cost of the underlying asset.

Spare parts are capitalized when they meet the definition of PPE, i.e., when the company intends to use these during more than a period of 12 months.

The acquisition of property, plant and equipment, directly increasing the future economic benefits of any particular existing item of property, plant and equipment, which are necessary for the Company to obtain the future economic benefits from its other assets, are recognized as assets.

- 2.2 Capital stores are valued at cost. Specific provision is made for likely diminution in value, wherever required.

2.3 Intangible Assets

Costs incurred on computer software purchased/developed resulting in future economic benefits, are capitalised as Intangible Asset and amortised over a period of three years beginning from the quarter in which such software is capitalised.

Gains or losses arising from derecognition of an intangible asset are measured

NOTES TO FINANCIAL STATEMENTS

as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit or loss when the asset is derecognised

2.4 Depreciation/Amortization

Cost of tangible fixed assets (net of residual value) is depreciated on written down value (WDV) method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

The Company depreciates components of the main asset that are significant in value and have different useful lives as compared to the main asset separately. The company depreciates general spares over the life of the spare from the date it is available for use. Such depreciation of component capital spares are capitalised through CWIP to the extent that such assets are used in the development of other assets.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

The estimated useful lives of tangible and intangibles are :

Type of asset	Method	Useful lives
Building	WDV	30 years
Plant & Machinery	WDV	8 years
Furniture & Fixtures	WDV	10years
Office Equipments	WDV	5 years
Other Equipments :-		
Computers	WDV	3 years
Software	WDV	3 years
Vehicles& Material Handling Equipments	WDV	8 years
Motorcycles & Scooters	WDV	10 years

3. LEASES

Company does not have any operating or finance leases.

4. IMPAIRMENT OF NON FINANCIAL ASSETS

Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash generating unit's fair value less costs of disposal and its value in use. Impairment is recognised when the carrying amount of an asset exceeds recoverable amount.

5. BORROWING COST

Borrowing costs that are attributable to the acquisition and construction of the

NOTES TO FINANCIAL STATEMENTS

qualifying asset are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue

6. INVENTORIES

- 6.1 Inventories are valued at lower of cost or net realisable value. Specific provision is made in respect of identified obsolete items. For this purpose, the cost of bought-out inventories comprises of the purchase cost of the items, cost of conversion and other costs including manufacturing overheads net of recoverable taxes incurred in bringing them to their respective present location and condition. Cost of finished goods, work in process, raw materials, chemicals, stores spares and packing material, trading and other products are determined on weighted average basis.

7. PROVISIONS, CONTINGENT LIABILITIES & CAPITAL COMMITMENTS

7.1 Provisions

- 7.1.1. Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

- 7.1.2 When the Company expects some or all of a provision to be reimbursed, reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

- 7.1.3 If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

7.1.4 Decommissioning Liability

Decommissioning costs are provided at the present value of expected costs to settle the obligation using estimated cash flows and are recognised as part of the cost of the particular asset. The cash flows are discounted at a current pre-tax rate that reflects the risks specific to the decommissioning liability. The unwinding of the discount is expensed as incurred and recognised in the statement of profit and loss as a finance cost. The estimated future costs of decommissioning are reviewed annually and adjusted as appropriate. Changes in the estimated future costs or in the discount rate applied are added to or deducted from the cost of the asset.

7.2 Contingent Liabilities

- 7.2.1 Show-cause Notices issued by various Government Authorities are not considered as Obligation.

- 7.2.2 When the demand notices are raised against such show cause notices and are disputed by the Company, these are classified as disputed obligations.

NOTES TO FINANCIAL STATEMENTS

7.2.3 The treatment in respect of disputed obligations are as under:

- a) a provision is recognized in respect of present obligations where the outflow of resources is probable;
- b) all other cases are disclosed as contingent liabilities unless the possibility of outflow of resources is remote.

7.3 Capital Commitments

Estimated amount of contracts remaining to be executed on capital account are considered for disclosure.

8. REVENUE RECOGNITION

- 8.1 CMRL is in the business of manufacture of Synthetic Rutile, Ferric Chloride, Ferrous Chloride, Iron Hydroxide (Cemox), Recovered TiO₂, Recovered Upgraded ilmenite and Rutoweld.

Revenue is recognised when control of goods and services are transferred to the customer at an amount that reflects the consideration which the Company expects to be entitled in exchange for those goods or services. Revenue is measured based on the consideration specified in a contract with a customer and excludes amounts collected on behalf of third parties. The Company is the principle in its revenue arrangements since it controls the goods or service before transferring to the customer.

The Company considers whether there are other promises in the contract which are separate performance obligations to which apportion of the transaction price needs to be allocated. In determining the transaction price for the Sale of products, the Company considers the effects of variable consideration, the existence of significant financing components, non cash consideration and consideration payable to the customer, if any.

Revenue from sale of products are recognised at appoint in time, generally upon delivery of products .

Dividend income is recognised when the company's right to receive dividend is established.

Interest income from banks is recognised on time proportionate basis . Interest income from financial assets is recognised on effective interest rate method. Key man insurance is recognised on receipt of amount on maturity of insurance as payment of premium paid is debited to profit and loss account

9. TAXES ON INCOME

- 9.1 Current Income Tax:

Provision for current tax is made as per the provisions of the Income Tax Act, 1961.

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities.

- 9.2 Deferred Tax:

- 9.2.1 Deferred tax is provided using the Balance Sheet method on temporary differences

NOTES TO FINANCIAL STATEMENTS

between the tax base of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting dates.

- 9.2.2 Deferred tax liabilities are recognised for all taxable temporary differences.
- 9.2.3 Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax asset is recognised to the extent it is probable that taxable profit will be available against which deductible temporary differences and carry forward of unused tax differences and unused tax losses can be utilised.
- 9.2.4. Deferred tax assets and liabilities are measured based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.
- 9.2.5 The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred income tax asset to be utilised.
- 9.2.6 Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in OCI or equity)

10. EMPLOYEE BENEFITS

10.1 Short term benefits:

Short term benefits are accounted for in the period during which the services have been rendered.

10.2 Post -employment benefits and other long term employee benefits:

- (i) Defined contribution plans: The costs of the benefits are recognised as expense/ CWIP when the employees have rendered services entitling them to the benefits.
- (ii) Compensated absences: Such costs which are not expected to occur within 12 months are recognised as actuarially determined liability at the present value of the defined benefit obligation at the date of each financial statement.
- (iii) Defined Benefit Plans: The cost of providing benefits are determined using the projected unit credit method of actuarial valuations made at the date of each financial statement..

10.3 Remeasurements

Remeasurements, comprising of Actuarial gains and losses are recognised in Other Comprehensive income in the period in which they occur and are not reclassified to profit and loss in subsequent periods.

Past service costs are recognised in profit or loss on the earlier of:

- ▶ The date of the plan amendment or curtailment, and
- ▶ The date that the Company recognises related restructuring costs

11. CURRENT VERSUS NON CURRENT CLASSIFICATION

- 11.1 The Company presents assets and liabilities in the balance sheet based on current/ non- current classification.

NOTES TO FINANCIAL STATEMENTS

11.2 An asset is treated as current when it is:

- * Expected to be realised or intended to be sold or consumed in normal operating cycle or is held for trading
- * Expected to be realised within twelve months after the reporting period, or
- * Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

All other assets are classified as non- current.

11.2 A Liability is current when:

- * Expected to be realised or intended to be sold or consumed in normal operating cycle or is held for trading
- * It is due to be settled within twelve months after the reporting period, or
- * There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting date.

All other liabilities are classified as non current

12.FINANCIAL INSTRUMENTS:

12.1 Financial Assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- o Financial Assets at amortised cost
- o Debt instruments at fair value through other comprehensive income (FVTOCI)
- o Equity instruments at fair value through other comprehensive income (FVTOCI)
- o Financial assets and derivatives at fair value through profit or loss (FVTPL)

12.1.1 Financial Assets at amortised cost

A financial asset is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and

NOTES TO FINANCIAL STATEMENTS

fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade and other receivables.

12.1.2 Debt instrument at FVTOCI

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the P&L. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to P&L. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

12.1.3 Equity investments at FVTOCI

All equity investments in scope of Ind AS 109 are measured at fair value. The company has made an irrevocable election to present subsequent changes in the fair value in other comprehensive income, excluding dividends. The classification is made on initial recognition/transition and is irrevocable.

There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the company may transfer the cumulative gain or loss within equity.

12.1.4 Debt instruments and derivatives at FVTPL

FVTPL is a residual category. Any financial asset, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

This category also includes derivative financial instruments entered into by the company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109.

In addition, the company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). The company has not designated any debt instrument as at FVTPL.

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

12.1.5 Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the balance sheet) when:

NOTES TO FINANCIAL STATEMENTS

- ▶ The rights to receive cash flows from the asset have expired, or
- ▶ The company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the company has transferred substantially all the risks and rewards of the asset, or (b) the company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the company continues to recognise the transferred asset to the extent of the company's continuing involvement. In that case, the company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the company could be required to repay.

12.1.6 Impairment of financial assets

In accordance with Ind AS 109, the company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance
- b) Financial guarantee contracts which are not measured as at FVTPL
- c) Lease receivables under Ind AS 17

The company follows 'simplified approach' for recognition of impairment loss allowance on Trade receivables that do not contain a significant financing component.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

NOTES TO FINANCIAL STATEMENTS

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider:

- ▶ All contractual terms of the financial instrument (including prepayment extension, call and similar options) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument
- ▶ Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms

As a practical expedient, the Company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit and loss (P&L). The balance sheet presentation for various financial instruments is described below:

- ▶ Financial assets measured as at amortised cost: ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the company does not reduce impairment allowance from the gross carrying amount.
- ▶ Financial guarantee contracts: ECL is presented as a provision in the balance sheet, i.e. as a liability.

Debt instruments measured at FVTOCI: Since financial assets are already reflected at fair value, impairment allowance is not further reduced from its value. Rather, ECL amount is presented as 'accumulated impairment amount' in the OCI

12.2 Financial liabilities

12.2.1 Initial recognition and measurement.

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including financial guarantee contracts.

NOTES TO FINANCIAL STATEMENTS

12.2.2 Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

A. Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109.

Gains or losses on liabilities held for trading are recognised in the profit or loss.

B. Financial liabilities at amortised cost:

Financial liabilities that are not held for trading and are not designated at FVTPL are measured at amortised cost at the end of subsequent accounting periods based on the Effective Interest Rate (EIR) method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

This category generally applies to borrowings. The EIR amortisation has been calculated based on the managements perception of cash outflow which is based on expected progress of the project.

C. Financial guarantee contracts

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

12.2.3 Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

NOTES TO FINANCIAL STATEMENTS

12.2.4 Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the consolidated balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

13. CASH AND CASH EQUIVALENTS

Cash and cash equivalents in the balance sheet comprise cash at banks and in hand and short term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

14. FAIR VALUE MEASUREMENT

14.1 Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date at each balance sheet date in the principal market or most advantageous market assuming that market participants act in their economic interest.

14.2 A fair value measurement of a non financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use using techniques which are appropriate and for which sufficient data is available.

14.3 Fair value hierarchy:

LEVEL 1: Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

LEVEL 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

LEVEL 3: Others including using external valuers as required

2. SIGNIFICANT ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

The preparation of Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and accompanying disclosures and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets and liabilities affected in future periods. The Company continually evaluates these estimates and assumptions based on the most recently available information. Revisions to accounting estimates are recognised prospectively in the statement of profit and loss in the period in which the estimates are revised and in any future periods attached.

3. CONTINGENCIES

The assessment of the existence and potential quantum of contingencies inherently involves the exercise of significant judgement and the use of estimates regarding the outcome of future events.

35. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES:

The financial liabilities of CMRL comprise of loans and borrowings, trade and other payables with the main purpose of financing the Company's activities. The financial assets of CMRL comprise of Investments, receivables, loans and advances and cash and cash equivalents. CMRL is exposed to market risk, credit risk and liquidity risk. This is managed by the Company's management team under guidance of the Board of Directors. This team ensures that the financial risk activities are governed by appropriate policies and procedures and financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

The Board of Directors reviews and agrees policies for managing these risks as summarised below.

- a. **Market Risk** : Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of change in market price and comprises of Interest rate risk, Currency risk and Other risks. Financial instruments affected by market risk includes loans and borrowings, deposits and interest on deposits.
 - (i) **Interest Rate Risk** : Risk that the fair value of future cash flows will fluctuate due to changes in market interest rates and primarily affects the long term debt obligations of the Company which is based on MCLR and reset annually. As per IND AS interest is charged as per Effective Interest Method based on the IRR of the loan.
 - (ii) **Foreign currency risk** : Company has no borrowings in foreign currency.
 - (iii) **Other Risk** : The other risk factors are the unpredictable situation in the availability and price of ilmenite and Hydrochloric acid, the major and critical raw materials of the company.

The demand and volatile nature of prices of Synthetic Rutile and foreign exchange fluctuations also have an impact.

- b. **Credit Risk** : Risk of the counter party not meeting its obligations if a customer or counter party fails to meet its contractual obligations and arises principally from the Company's trade receivables and loans and advances. The carrying amounts of financial instruments represent the maximum exposure.

The Company's exposure to credit risk is influenced mainly by the characteristics of each customer and the geography in which it operates. Credit risk is managed by credit approvals, establishing credit limits and continuously monitoring the credit worthiness of its customers to which the Company grants credit terms in the normal course of its business.

The Company's export sales are backed by letters of credit.

The Company monitors each loans and advance given and makes any provision whenever required.
