INVESTOR UPDATE | Q2 FY26

16th October, 2025

- ✓ Chairman's Message
- ✓ Financial Performance – Q2 FY26
- ✓ Subsidiaries
- ✓ Income Statement
- ✓ Shareholding Pattern

*The Company has disclosed the plywood operations (Kajaria Plywood Pvt. Ltd.) separately as discontinued business but for ease of comparison, we have included the same in this presentation.

Our consolidated revenue for the quarter stood at Rs. 1186.56 crores, indicating a minimalistic growth compared to the corresponding period last year mainly due to soft market and absence of ply sales due to closer of this division.

However, the margins continued to improve further in Q2 FY26 to 17.94% as compared to 13.47% in Q2 FY25.

With Kajaria 2.0, we enter a new chapter of bold transformation, fresh thinking, and renewed energy — led by both Chetan and Rishi who have been recently elevated as Vice Chairman and Managing Director respectively. I am confident that Kajaria's future rests in capable and visionary hands.
