NOTES:

1. An Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 relating to Businesses under Item No. 4 to 8 of the accompanying Notice, to be transacted at the 37th Annual General Meeting (AGM), is annexed hereto and forms part of this notice.

2. **A MEMBER ENTITLED TO ATTEND AND VOTE AT THE AGM IS ENTITLED TO APPOINT A PROXY/PROXIES TO ATTEND AND VOTE ON A POLL INSTEAD OF HIMSELF/HERSELF AND THE PROXY/PROXIES NEED NOT BE A MEMBER OF THE COMPANY.**

The instrument appointing the proxy (Proxy Form), in order to be effective, must be lodged/deposited, duly completed and signed, at the Registered Office of the Company not less than (48) Forty-Eight Hours before the commencement of the AGM. Proxies submitted on behalf of the companies, societies etc., must be supported by an appropriate resolution/authority, as applicable.

Pursuant to the provisions of Section 105 of the Companies Act, 2013, a person can act as proxy on behalf of members not exceeding fifty (50) and holding in the aggregate not more than 10% (Ten Percent) of the total share capital of the Company carrying voting rights. A member holding more than 10% (Ten Percent) of the total share capital of the Company carrying voting rights may appoint a single person as proxy, who shall not act as a proxy for any other person or shareholder. The appointment of proxy shall be in the Form No. MGT-11, which is annexed herewith.

During the period beginning 24 hours before the time fixed for the commencement of the meeting and ending with the conclusion of meeting, a member would be entitled to inspect the proxies lodged during the business hours of the Company, provided that not less than three days' notice in writing is given to the Company.

3. Corporate Members intending to send their authorized representatives to attend the AGM pursuant to section 113 of the Companies Act, 2013 are requested to submit a Certified True Copy of the Board Resolution/Power of Attorney together with their respective specimen signatures authorizing their representative(s) to attend and vote on their behalf at the AGM or through email at manojpahwa@anantrajlimited.com.
4. SEBI vide its Circular dated November 03, 2021 has made it mandatory for the shareholders holding shares in physical form to furnish PAN, KYC details and Nomination viz Forms ISR-1, ISR-2, ISR-3, SH-13, SH-14. A copy of such forms can be downloaded from the website of the Company at www.anantrajlimited.com. In case of failure to provide required documents and details as per the aforesaid Circular, all folios of such shareholders shall be frozen on or after April 01, 2023 by the RTA. Further, such frozen securities shall be referred by the RTA or the Company to the administering authority under the Benami Transactions (Prohibitions) Act, 1988 and/or Prevention of Money Laundering Act, 2002, if they continue to remain frozen as of December 31, 2025.

In compliance with the above stated Circular, the Company has sent individual communication to its shareholders holding shares in the physical form requesting them to update their PAN, KYC details and Nomination. In order to avoid freezing of folios, such members are requested to furnish details in the prescribed form as mentioned in the aforesaid SEBI circular along with the supporting documents, wherever required, to our RTA, Alankit Assignments Limited, for immediate action.

In case of any query/assistance, members are requested to contact our RTA, Alankit Assignments Limited, at Alankit House, 4E/2, Jhandewalan Extension, New Delhi-110055 (Phone No. 011-42541955; Email: rta@alankit.com)

5. On and from April 1, 2019, requests for effecting transfer of securities shall not be processed unless the securities are held in the dematerialised form. In addition to that, as per the recent amendments to SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 effective from January 24, 2022 and SEBI's Circular SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/8 dated January 25, 2022, it has been mandated that listed companies shall henceforth issue the securities in dematerialized form only while processing the service requests for (a) issue of duplicate securities certificate; (b) claim from Unclaimed Suspense Account; (c) Renewal/Exchange of securities certificate; (d) Endorsement; (e) Sub-division/Splitting of securities certificate; (f) Consolidation of securities certificates/folios; (h) Transmission, and (i) Transposition.

Accordingly, members are requested to make services request by submitting a duly filed and signed form ISR-4. A copy of such form can be downloaded from the website of the Company at www.anantrajlimited.com

In accordance with the said Circular, our RTA shall verify and process the service requests and thereafter issue a 'Letter of confirmation' in lieu of physical securities certificate(s), to the securities holder/claimant. Such 'Letter of Confirmation' shall be valid for a period of 120 days from the date of its issuance, within which the securities holder/claimant shall make a request to the Depository Participant for dematerializing the said securities.

6. Pursuant to the changes introduced by the Finance Act, 2020 w.e.f. April 1, 2020, the Company would be required to deduct tax at source (TDS) at the prescribed rates on the dividend paid to its shareholders. The TDS rate would vary depending on the residential status of the shareholder and the documents submitted by them and accepted by the Company. For the prescribed rates for various categories, the shareholders are requested to refer the Finance Act, 2020 and amendments thereof. Some of the major features of the latest tax provisions on dividend distribution are stated as hereunder for a quick reference.

For Resident Shareholders, tax shall be deducted at source under section 194 of the Income tax Act, 1961 at 10% on the amount of Dividend declared and paid by the Company during financial year 2022-23 provided PAN is provided by the shareholder. If PAN is not submitted, TDS would be deducted @20% as per Section 206AA of the Income Tax Act, 1961.

However, no TDS shall be deducted on the Dividend Payable to a resident individual if the total dividend to be received by them during financial year 2022-23 does not exceed Rs. 5000/- Please note that this includes the future dividends, if any, which may be declared by the Board in the financial year 2022-23.

In cases where the shareholder provides Form 15G (applicable to any person other a Company or a Firm)/ Form 15 H (applicable to an Individual above the age of 60 years), provided that the eligibility conditions are being met, no tax at source shall be deducted.

Apart from the above, since the TDS/Withholding rates are different for resident and non-resident shareholders, members are requested to confirm their residential status as per the provisions of the Income Tax Act, 1961, by email at rta@alankit.com with carbon copy to manojpahwa@anantrajilimited.com

In view of above provisions, the shareholders are requested to update their PAN with the Company/R&T Agent (in case shares held in physical mode) and with the depositories (in case shares held in demat mode). A Resident Individual shareholder with PAN and who is not liable to pay income tax can submit a yearly declaration in Form No. 15G/15H as aforesaid, to avail the benefits to non-deduction of tax at source, by sending email to manojpahwa@anantrajilimited.com/rta@alankit.com upto 5:00 p.m. on June 21, 2022.

Non-resident shareholders can avail beneficial rates under tax treaty between India and their country of residence, subject to providing necessary document i.e. No Permanent Establishment and Beneficial Ownership Declaration, Tax Residency Certificate, Form 10F, any other document which may be required to avail the tax treaty benefits under the provisions of Income Tax Act, 1961 by sending an email to manojpahwa@anantrajilimited.com/rta@alankit.com upto 5:00 p.m. on **July 4, 2022**.

7. In case of joint holders attending the meeting, only such joint holder who is higher in the order of their names as mentioned in the register of members will be entitled to vote.
8. In terms of Section 72 of the Companies Act, 2013, a member of the Company may nominate a person on whom the shares held by him/her shall vest in the event of his/her death. Members desirous of availing this facility may submit nomination in prescribed Form SH-13 (available on the website of the Company i.e. www.anantrajilimited.com) to the Company/RTA in case shares are held in physical form and to their respective depository participant, if held in electronic form.
9. Pursuant to the provisions of section 91 of the Companies Act, 2013, the Register of Members and Share Transfer Books of the Company shall remain closed during the book closure period **i.e. from Tuesday, July 5, 2022 to Monday, July 11, 2022 (both days inclusive)**.
10. (a) This Notice is being sent to all the members whose name appears as on **June 3, 2022** in the Register of Members or beneficial owner as received from M/s Alankit Assignments Limited, the Registrar and Transfer Agent of the Company or the Depositories, respectively.
(b) The voting rights of shareholders shall be in proportion to their shares of the paid up equity share capital of the Company as on the closing time of **Monday, July 4, 2022, being the cut-off date**. Members are eligible to cast vote electronically only if they are holding shares as on that date. A person who is not a member as on the cut-off date shall treat this notice for information purpose only. All the members as on the cut-off date as well as date of AGM shall have right to attend the AGM.
11. The dividend as recommended by the Board of Directors, if declared at the Annual General Meeting will be paid to those members whose name appears as:
 - a) Beneficial Owners as at the end of business hours on **Monday, July 4, 2022** on the lists of Beneficial Owners to be furnished by National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) in respect of the shares held in electronic form; and
 - b) Members in the Register of Members of the Company after giving effect to valid transmission and transposition requests lodged with the Company on or before the closing hours on **Monday, July 4, 2022**.
The dividend on Equity Shares, if declared at the Annual General Meeting, shall be paid on and after **Saturday, July 16, 2022** and within a period of 30 days from the date of Annual General Meeting.

12. To prevent fraudulent transactions, the shareholders are advised to exercise due diligence and notify the Company of any change in address or demise of any shareholder as soon as possible. Shareholders are also advised to not leave their Demat account(s) dormant for a long time. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified from time to time.

13. Pursuant to the provisions of Section 124 of the Companies Act, 2013 ('the Act') read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ('IEPF Rules'), (including any statutory modification(s) / re-enactment(s) / amendment(s) thereof, for the time being in force), the dividend which remains unpaid / unclaimed for a period of seven years from the date of transfer to the unpaid / unclaimed dividend account of the Company is required to be transferred to the Investor Education and

Protection Fund (IEPF) established by the Central Government. As per the IEPF Rules, the corresponding shares in respect of which dividend has not been paid or claimed by the Members for seven (7) consecutive years or more shall also be transferred to the dematerialized account created by the IEPF authority. The Company had, accordingly transferred a sum of Rs. 4,18,511 (Rupees Four Lakh Eighteen Thousand Five Hundred Eleven only) in the unpaid/unclaimed dividend for the year 2013-2014 to the Investor Education and Protection Fund ('IEPF') established by the Central Government.

Further, in compliance with the provisions laid down in IEPF Rules, the Company had sent individual notices and also advertised in the newspapers seeking action from the Members who have not claimed their dividends for seven (7) consecutive years or more. Accordingly, the Company has transferred all corresponding shares on which dividend remained unclaimed for a period of seven (7) years from 2013-14, to the Demat Account of the IEPF. It may please be noted that no claim shall lie against the Company in respect of share(s) transferred to IEPF pursuant to the said Rules.

Members who have not yet encashed their dividend warrant for the financial year ended March 31, 2015 and for any subsequent financial year are requested to make their claim on or before September 30, 2022 without any delay, to avoid transfer of the dividend / shares to the fund / IEPF authority.

Details of unclaimed dividend in respect of the financial year ended March 31, 2015 are available on the Company's website www.anantrajlimited.com.

Members/claimants whose shares, unclaimed dividends, have been transferred to the IEPF Demat account of the fund, as the case may be, may claim the shares or apply for refund by making an application to IEPF Authority through Web Form IEPF-5. Further details of the same are available on [http: www.iepf.gov.in](http://www.iepf.gov.in).

The statement containing details of Name, Address, Folio number, Demat Account No. and number of shares due for transfer to IEPF demat account is made available on our website www.anantrajlimited.com.

The shareholders are encouraged to verify their records and claim their dividends of the preceding seven years, if not claimed.

14. Member(s) holding shares in physical form are requested to notify the Company at its head office or Company's Registrar and Transfer Agent (RTA), M/s Alankit Assignments Limited at its office at Alankit House, 4E/2, Jhandewalan Extension, New Delhi-110055; phone 011-42541955 and Email Id: rta@alankit.com of any change in their addresses/Bank Mandates, National Electronic Clearing Service (NECS), Electronic Clearing Service (ECS), nominations, power of attorney, contact numbers and e-mail ids.
15. Members holding shares in electronic form are requested to intimate all changes pertaining to their bank mandates, National Electronic Clearing Service (NECS), Electronic Clearing Service (ECS), nominations, power of attorney, contact numbers, change in address and e-mail addresses to their respective Depository Participants with whom they are maintaining their demat accounts. Changes intimated to the Depository Participants will be automatically reflected in the Company's record which will help the Company and RTA to provide efficient and better services.
16. Members are hereby informed that Securities and Exchange Board of India (SEBI) has made it mandatory for all the listed companies to make cash payments through electronic payment mode to the investors. Members holding shares in electronic form are hereby informed that bank particulars registered against their respective depository accounts will be used by the Company for payment of dividend(s). The Company or its Registrar and Share Transfer Agent cannot act on any request received directly from the members holding shares in electronic form for any change of bank particulars or bank mandates. Such changes are to be advised only to the respective depository participant of the Members. It is further directed that in case electronic payment is rejected or returned, the Company shall mandatorily print the bank account details of the investor on payment instrument. Members are requested to provide their updated bank account particulars allotted after implementation of CBS to enable the Company to electronically credit dividend directly in their respective bank accounts. India's real estate sector is all revived, resurgent and brimming with new opportunities.

Post a few years of challenges, a confluence of positive developments including favourable economic outlook, rising aspirations, huge unhoused population and low home loan rates is unfolding a growth story unlike before. The boom in e-commerce and supply chain as well as explosion in data consumption and cloud adoption are adding to the growth juggernaut by opening new opportunities in Data Centers (DCs) and Warehousing.

At Anant Raj, we are more than ever focussed and have planned our growth levers to remain at the forefront of these opportunities. We are rapidly deleveraging our balance sheet and restructuring capital to secure long-term financial stability. We have entered into strategic partnerships to rapidly develop and monetise our large landholding but in a capex-light manner. We have entered and created strategic roadmap in newer areas of affordable housing, DCs and warehousing, where we see growth.

Our faith in self stems from our end-to-end capabilities, a track record of developing over 20 million sq. ft. (msf) of diverse real estate projects which make us the most trusted real estate brands in National Capital Region (NCR). From home buyers to hotel operators and from state governments to supply partners, we stand apart as the preferred partner of choice.

With our steadfast focus on reinforcing our business model and unwavering faith in ourselves, we are confident of delivering. We are confident of capturing the growth opportunities that lie ahead to shape a better and more value accretive future for all stakeholders.

BUSINESS STRENGTHS

NCR focus and expertise

We work exclusively and have maintained an unflinching focus in the NCR region. Profound understanding of the market coupled with a robust supply chain and availability of highly skilled workers makes us a preferred player in the region.

Large, premium and low-cost landbank

We possess one of the biggest, fully-paid, and ready-to-develop landbanks in NCR acquired at low-cost. They offer the advantage of immediately commencing any form of real estate development including high-end residential homes and affordable housing to exclusive hospitality projects. Given our impeccable reputation along with its strategic location, these landbanks have immense realisation potential.

Diverse capabilities and revenue streams

We have development expertise across residential, commercial, retail, hospitality, and social infrastructure. It gives the advantage of steady cash flows through lease and rental income and property sales as well as the advantage of capital appreciation.

MANAGEMENT'S MESSAGE

Founder Chairman

“FY 2021-22 HAS BEEN AN EXTRAORDINARY YEAR AFTER THE INITIAL DISRUPTIONS DUE TO COVID. THERE HAS BEEN IMMENSE POSITIVITY AND EUPHORIA EVER SINCE”

Dear Shareholders,

Wish you well.

With the blessings of Lala Anant Ram Sarin and Smt. Raj Kumari Sarin, we are delighted to present our FY 2021-22 annual report.

FY 2021-22 has been an extraordinary year after the initial disruptions due to COVID. There has been immense positivity and euphoria ever since.

The Indian economy in every sense exhibited its strong fundamentals and its growing status in the world. A lot of credit goes to the Indian Government for the incredible work in keeping the Indian economy buoyant alongside effectively handling the social crisis associated with COVID-19. Rapid inoculation of majority of India's eligible population along with sustained fiscal and policy

interventions improved consumer and market sentiments. Adequate measures were undertaken which drove ease of doing business. Interestingly, the government's focus on making India self-reliant and addressing pressing issues like climate change and energy security have opened many new opportunities.

Together, these efforts have propelled economic engine, resulting in a solid 8.7% GDP growth in FY 2021-22 and has a stage for multiple years of accelerated growth towards the USD 5 trillion GDP goal.

The impact of economic revitalisation was broad-based and evident across all sectors including real estate. The year saw positive momentum in both construction and transacting activities. While the residential segment was up since the last year, the current fiscal saw the commercial segment bustling as companies started returning to office and economic activities picked.

Amidst this positivity, an interesting trend is also shaping India's construction landscape. The country's accelerated focus on digitalisation and manufacturing self-reliance has unleashed mega opportunities for world-class Data Centers and Warehouses. Additionally, the strong intent to address climate change has also created demand for Green buildings.

Rejuvenating to resurge

We strongly believe that Anant Raj is well-positioned to play a catalyst role in the new real estate boom, especially in the NCR where we operate. Few developments will make this happen. One, we have already extended our capabilities beyond residential, office, commercial and hospitality segments to Data Centers and Warehouses where we are actively pursuing alliances to scale competencies.

Two, the NCR real estate market has witnessed consolidation and only a handful major players are now operational. Anant Raj with its brand reputation and possessing one of the largest fully-paid and ready-to-develop landbanks is set to grow.

Three, we have significantly reduced our debt, restructured capital and have adopted a capex-light, partnership model. With partners investing in project development, we would be able to rapidly monetise our landbank and scale growth all the while ensuring balance sheet integrity. We are happy to announce that our debts have reduced by ₹ 356.72 Crore i.e. from ₹ 1,515.93 Crore on 31.03.2021 to ₹ 1,159.21 Crore on 31.03.2022.

Delivering stable and sustainable performance

Patience and perseverance are traits often underrated. Yet, at Anant Raj, we have used them rightly. We patiently waited for the markets to improve and persevered to improve our fundamentals. This helped us bounce back. Our total income for FY 2021-22 increased by 45.83% to ₹ 401.78 Crore. The growth was driven by increased transactions across both residential and commercial segments through the year. EBITDA grew by 49.94% to ₹ 104.73 Crore. PAT growth was much sharper at 177.78% to ₹ 55.89 Crore, reflecting the impact of our capex-light and low-debt model.

Though, we are yet to reach back to our historic highs, we are confident that our focussed strategic intent will enable us to surpass those levels.

Coming to the operational performance, this year we saw positivity across all segments. In the residential segment, construction activity was at full swing at the Independent Floors project. 1st Phase is nearing completion and 2nd Phase construction has commenced. Our affordable housing projects of Aashray

II in Tirupati, Andhra Pradesh involving 2,000 units will soon be launched. Additionally, we have got approval for Deen Dayal Jan Awas Yojana for 20.14 acres of land in Anant Raj Estate which will help us to cater the strong demand for plots and Group Housing Project for 5.43 acres of land to help us cater the demand for flats. Birla Navya project, which is being developed through a JV with Birla Estates at our iconic Anant Raj Estate Township, has been completely sold for Phase I comprising 300 Independent Floors. Phase II is being launched soon.

In the commercial segment, we saw the momentum returning. With companies beginning to return back to offices, we expect occupancy to increase in our Grade A ready-to-occupy properties which are amongst the best in Delhi and NCR.

In the hospitality segment, we have finalised plans and intend to soon commence the additional space construction at our existing Stellar and Bel-la Monde properties following increase FAR rules. We got approval for development of 80% area for Service Apartments and remaining for commercial and retail.

Ready for the next big

As we have mentioned earlier, Data Center (DC) and Warehousing are going to be two mega opportunities, and at Anant Raj, we have created a long-term roadmap to participate in them in a big way.

Just consider the rapid pace at which cloud adoption, smartphone penetration and internet consumption is growing, it is expected India would need to double its third-party DC capacity by FY 2025-26 from FY 2020-21 levels. This means 1 GW IT load third-party capacity needs to be added. This is immense given DC on an average generate rentals of nearly ₹ 8,000 per KW per month.

Our plan is to build Tier III and Tier IV Data Center of 300 MW IT load at our IT parks. Our ARL Tech Park, Manesar have received TIA-942 Tier 3 certificate for 21 MW and has commenced work for the initial 3 MW. In FY 2022-23, we intend to start development work of another 5 MW capacity.

We also intend to soon commence construction work for developing world-class warehouses. We already have 83.42 acres of land parcels in possession located in strategic areas of Delhi and Haryana, which will be developed over the next five years. It will enable us to cater the demand spurt from e-commerce, food and bio-pharmaceuticals sector for cold chain network.

Closing comments

As one of NCR's leading real estate developers having immense expertise and holding a large landbank, we are optimistic of the immense growth that lies ahead. We are sure that with the continued trust of buyers and support of our people, we will deliver.

Warm regards,

Amit Sarin

Managing Director

PROGRESSING TOWARDS CAPEX-LIGHT AND LOW-DEBT BUSINESS

In a capital-intensive sector, business growth and financial stability is defined by the ability to rapidly monetise assets without stressing balance sheet.

At Anant Raj, we stand apart in the industry for having developed the capability of expediting project executions on our huge land bank without deploying large amount of capital. This has enabled us to enhance capital efficiency and achieve predictability into our execution, strengthening our viability to participate in larger growth opportunities. Our sustained focus on deleveraging and improving cashflows are further improving our competitive moat and positioning us to deliver greater value to stakeholders.

10

ANNUAL REPORT 2021-22

Progressing with a Capex-light Model

We have huge, fully-paid, and ready-to-develop landbanks. However, with slower pace of execution due to funds crunch, cash conversion cycle was high and mostly landbanks remained idle. We adopted a partnership-driven, capex-light development model to secure project funding for execution. Accordingly, strategic partnerships were entered with Birla Estates and Adani Group to develop large residential projects. This is enabling us to monetise our landbanks, and thus kickstarting a cycle of cashflows and also ensuring higher return on investment as we save on development cost.

Sustained Focus on Debt Reduction

We have maintained sharp focus on reducing our overall debt by effectively channelling cash flows to discharge debts. Over the last one year, we have paid off debts amounting to ₹ 356.72 Crore, thereby reducing debt levels by 23%.

Restructuring Capital and Lowering Debt Cost

Major debt reduction done during the year from ₹ 1,515.93 Crore to ₹ 1,159.21 Crore.

A REVITALISED AND STRONGER ANANT RAJ

With sustained efforts to reduce debt and monetise assets, Anant Raj is today much stronger and more stable. We have adequate funds to participate in incremental industry opportunities. Lower interest burden will enable us to generate higher profitability and strengthen net worth.

ANANT RAJ ESTATE FLOORS

REINFORCING EXECUTION TO MONETISE RESIDENTIAL ASSETS

The housing demand has been rapidly growing since the last two years, surpassing the deliveries. Factors such as lower interest rates, stable prices, and government incentives are further strengthening demand. At Anant Raj, we are reinforcing our quality and execution expertise alongside maintaining unwavering focus to ensure rapid and successful project deliveries. This will enable us to cater to the demand of prospective homebuyers, capture market share and take the organisation to greater heights.

Taking the iconic Township “Anant Raj Estate” to the next level

“Anant Raj Estate” at Sector 63A, Gurugram, Haryana is our flagship project comprising Luxury Villas, Plots, Flats, and Commercial and Office Complexes spread across an area of 175 acres. **The Ongoing Projects have a real estate development potential of approx 7 million sq. ft with an estimated revenue potential of ₹ 6,000 Crore.**

Known for numerous sports grounds, commercial centers, schools, and hospitals in the vicinity, Sector 63A is one of the most demanded and premium locations in NCR. It encompasses a master-designed community, open wide green spaces, and unique and brilliant architecture with a wide range of amenities. With revival in real estate, our focus is on accelerated execution of our projects to unleash its potential.

Group Housing Project

The Company is in advanced stage of commencing another residential Group Housing in Sector 80, M-ID, Manesar, Gurugram which was taken through auction from Bank. Total developable area of about 1 mn. sq.ft.

Unlocking Value of Existing Landbank

We have vacant land parcels at our township in vicinity of Golf Course Extension Road having necessary permissions. We have initiated process to develop such land for Residential plotted and Group Housing Projects to meet the residential demand and generate cash flows for following years.

Deepening presence in affordable housing

Affordable Housing is another important focus area of the government to fulfil the homeownership aspirations of millions of Indians. Favourable policies and lower mortgage rates along with growing housing demand coming from rising urbanisation, increase in working population and higher income levels are likely to drive growth of the sector.

We have a successful track record in this segment of delivering a 2,600-unit project in an industrial colony in Neemrana, Rajasthan. Having been one of the pioneers and possessing necessary expertise, we have embarked upon developing another marquee affordable housing project namely Anant Raj Aashray II at Tirupati, Andhra Pradesh.

Anant Raj Aashray II, Tirupati, Andhra Pradesh (Artistic Image)

Developing 2,000 affordable homes across 10.14 acres in APIIC's (Andhra Pradesh Industrial Infrastructure Corporation) industrial colony at Tirupati. Plan to launch in Q2 of FY23.

STRIDING AHEAD ON THE DATA CENTER OPPORTUNITY

Demand for high quality third-party DC is rapidly growing in India driven by the rising internet consumption and video streaming, cloud adoption, exploding digital economy and remote working which are spurting data generation. This has been further accentuated by the Government's Personal Data Protection Bill 2019, which necessitates securely storing data.

Anant Raj leading ahead with early mover advantage

We have three Tech Parks at Rai, Manesar, and Panchkula in Haryana with the necessary infrastructure and permits for developing DCs. We plan to effectively utilise existing building space to develop Tier III and Tier IV DCs with 150 MW IT Load with minor modifications. Another 150 MW IT Load is planned to be developed on 20 acres of greenfield (having all statutory clearances) available in the existing IT Parks. We are also looking at entering strategic alliances with international partners having strong expertise and technical know-how.

In FY 2021-22, we have successfully received TIA-942 Tier 3 Certificate for development of 21 MW DC at Manesar IT Park. Setup work for 3 MW Load has already commenced.

BUILDING COMPETENCIES TO DEVELOP WORLD-CLASS, BUILT-TO-SUIT WAREHOUSES

The Indian warehousing sector is gaining prominence led by the e-commerce boom, growing need for cold chain network from the food and bio-pharmaceuticals sector, and boost to domestic manufacturing. Positive government policies, infrastructure status to the sector, international trade environment, and the potential of India to become a manufacturing hub further enhances prospects.

Anant Raj's Strategy

With our huge, ready-to-develop land parcels within NCR along with strong execution capabilities, we are well-positioned to cater to the demand spurt in the warehousing sector. This will help generate steady cashflows through rentals. We intend to develop large, built-to-suit warehouses which can be customised to meet all the operational requirements by way of tie-ups with international partners.

2. OPERATIONS REVIEW AND THE STATE OF COMPANY'S AFFAIRS

A. Operational and Financial Overview

The Company, its subsidiaries and associates are primarily engaged in the business of Construction and Development of Residential, Commercial, Hospitality, Affordable Housing, IT Parks and Data Centers.

The prime focus of the Company has always been executing and ensuring timely completion and deliveries of all its projects being developed.

The Company, during the year under review, has posted Standalone Net Profit after tax of ₹ 5588.67 lakhs as compared to ₹ 2011.43 lakhs during the previous year.

The Company, during the year under review, has posted Consolidated Net Profit after tax of ₹ 5488.73 lakhs as compared to ₹ 1064.64 lakhs during the previous year.

Rental and Services Receipts

The consolidated Rental and Services receipts of the Company, during the period under review were ₹ 1973.77 lakhs as compared to ₹ 1454.28 lakhs during the previous year.

B. Future prospects and outlook of the Company

Between adapting to the pandemic's norms, industry woes and government policies, the Indian real estate players foresee a robust demand for properties in 2022 and in near future. With the steady performance and quick revival, the real estate sector regained the buyer's and investor's trust and further picked up the growth momentum.

Real estate experts have seen 2021 as a period of rapid transformation & growth. Developers too have invested in technology and digital channels to reach out to consumers in a more efficient way. The Company is no exception and reached out to the consumers in every way possible, which is shown by the results.

As we move into the new financial year, the experts read the tea leaves and predict another optimistic year for the real estate sector. According to the Knight Frank report titled 'Real Estate Outlook 2022', India's realty sector is showing signs of healthy growth in 2022.

India's real estate sector saw over 1,700 acres of land deals in the top 7 cities in one year. Foreign investments in the commercial real estate sector were at US\$ 10.3 billion from 2017-21. As per ICRA estimates, Indian firms are expected to raise > ₹ 3.5 trillion (US\$ 48 billion) through infrastructure and real estate investment trusts in 2022, as compared with raised funds worth US\$ 29 billion to date.

The residential sector had an unprecedented year of growth with sales rising by 51% YoY at 232,903 units across the top eight cities of the country. New home launches also saw a significant rise of 58% YoY with the addition of 232,382 units in 2021. Low interest rates, improving affordability, high savings, and a resurging interest in homeownership due to space constraints imposed by the pandemic have been the primary drivers of the revival in demand.

With the positive estimates for the real estate sector, the Company is also poised to grow at a much higher altitude due to presence in diversified asset class.

Impact of COVID-19

India's Economy suffered a major setback during the first and the second wave of the Covid-19 pandemic but now it is showing signs of steady recovery.

During the pandemic, the Real estate sector was hampered in a big way. Now with the cases going down, the vaccination drives picking up, people returning to offices, preferring to have a house in organised societies/ townships and organisations adapting to hybrid working models, the Real-estate sub-sectors are expected to post a healthy growth.

The real estate market will continue to move in a fast direction amid pent-up demand & preference of houses in organised societies/ colonies. Interest rates also have a major impact on the current boom. During these uncertain times, homebuyers are scouting for projects that are spacious, deploy sustainable materials and are giving preference to self-sustaining societies.

As per latest report from CREDAI, home prices in Delhi NCR have increased by 43% since the beginning of the pandemic in 2020, and year on year, the prices in Delhi NCR increased by about 11% as compared to last year.

OPERATIONS

The Company has always worked with focus on the execution and delivery, so as to smoothen the process of moving in by prospective buyers. As a result, "Anant Raj Estate", Company's flagship residential township in Sector 63A, near Golf Course Extension Road, Gurugram, is witnessing increase in demand mainly due to shift in thought process where customers prefer ready to move in flats/floors/villas/ developed plots in well planned societies and integrated townships. Haryana Government has allowed higher FAR resulting in extra Floor space in each residential building. This has made the flats more affordable.

The Company has fully paid additional land parcels adjoining to Anant Raj Estate in Sector 63A, Gurugram Haryana, on which it has applied for two licenses to develop the residential projects i.e. Deen Dayal Jan Awas Yojna on 20.14 acres of land and Group Housing Project on 5.43 acres of land. The initial approvals for these two projects has already been received and company is planning to start monetization of these land parcels in Q1 of the FY-23 for Deen Dayal Jan Awas Yojna and in Q4 of the FY-23 for Group Housing Project.

Govt. of India's insistence for placing Data of Banks/ Companies/Government offices in Data Centers located in India has resulted into spurt in demand for Data Centers in India and this has come as a boon to the Company because the Company has 5.50 million sq. ft. of ready space in the buildings already constructed and the available space will be converted in to Data Centers. These buildings require enhancing of security cover and installing power back-ups besides strengthening of the structure to convert the ready buildings into Data Centers. Initially, the Company has commenced the development of Phase-1 Hyper-Scale Data Center at its ready IT building at IMT, Manesar, Gurugram, Haryana through its wholly owned subsidiary Anant Raj Cloud Pvt. Ltd.

The Company's Wholly Owned Subsidiary, Anant Raj Cloud Pvt. Ltd., has already received TIA-942 Rated 3 Certificate from the Telecommunications Industry Association (TIA). Anant Raj Cloud Pvt. Ltd. will execute the O&M of the Data Center. Our Project is third project and the largest in North India to have this Certificate.

Affordable housing is another segment of the company which is a growing market. After successfully completing and delivering 2,600 affordable units in Neemrana, Rajasthan (Anant Raj Aashray), under affordable housing,

the Company has commenced its second project "Anant Raj Aashray II" in Tirupati, Andhra Pradesh for construction & Development of approx. 2,000 affordable units. The company is also in process to commence another Housing project in Sector 36A, Gurugram jointly with Adani Realty.

The Company also holds prime land in Delhi and these land parcels are poised for massive expansions due to recent changes in development norms for residential and commercial spaces in coming year.

A segment wise operational brief is given below:

a) Residential:

The Company's primary focus is on the development of the Company's prime integrated residential and commercial development project viz. Anant Raj Estate at Sector 63A, in South Gurugram. Total land owned by the Company is approximately 175 acres in Sector 63A with a development potential of 7 million sq. ft. The Company has planned to acquire additional land in Sector 63A, Gurugram, to expand the existing township in coming times.

The project is titled as "Anant Raj Estate" and it comprises construction and development of luxury Villas, Plots, Residential flats, Independent floors and a Commercial complex. The Company is receiving positive response from prospective buyers. This project alone is expected to add total value of ₹ 6,000 crores to the Company's total revenues which includes revenues from Joint Venture with Birla Estates Private Limited. Anant Raj Estate is one of the ambitious project of the Company, which has received one of the fastest partial completion certificates for around 70% of the total area. The Company recently got approval for development of another residential colony under Deen Dayal Jan Awas Yojna (DDJAY) on 20.14 acres of fully paid & owned land. This new ambitious project will add more than ₹ 750 crores of inventory in the form of residential & commercial plots. These plots are small in size & affordable for mid segment buyers and are in great demand. The Company is expecting to monetize this inventory in next 18 months to 24 months.

The Company has also got approval for development of Group Housing project on approx. 5.43 acres of land at Sector 63A Gurugram, Haryana in addition to company's entitlement to get Floor Index Ratio (FAR) of approx. 1 million sq. ft. on land being part of the planned roads of Sector 63A, Gurugram. The Group Housing Project will be having approx. 1.00 million sq. ft. of saleable area and it is proposed to launch

GH Project in Q4 of FY 23. The Company is expecting revenues of more than ₹ 1,500 crores from this project within a span of four years.

- **JOINT VENTURE WITH BIRLA ESTATES PRIVATE LIMITED**

The Company has formed a joint venture LLP called "Avarna Projects LLP" (JV) (50:50 Limited Liability Partnership) with Birla Estates Private Limited for the development of a residential complex at Sector 63A Gurugram, Haryana. The project envisages development of 764 luxury floors built on 191 plots, in part of our integrated township Anantraj Estate, Sector-63A, Gurugram. The expected revenues of LLP would be ₹ 2,350 crores over a period of 3 years. Tremendous response has been received and 100% of the inventory of 1st phase has been sold out, amounting to ₹ 624.00 crores. Phase II of Project "Navaya" will be launched in Q1 of FY 23 for which RERA registration is already obtained.

- **Affordable Housing Projects**

Anant Raj is one of the pioneers in delivering affordable homes, which is in line with Hon'ble Prime Minister's vision of "Housing for all".

The Company on account of its expertise in affordable homes has recently bagged a project from APIIC (Andhra Pradesh Industrial Infrastructure Corporation) to develop & construct 2,000 affordable homes in the holy city of Tirupati (Andhra Pradesh). The project is spread over an area of 10.14 acres in an industrial colony developed by APIIC. The Construction of project will commence in Q1 of FY2022-23, with a completion target by FY2025-26. The company plans to develop 2BHK units with a targeted sale price of ₹ 12-15 lakhs only per unit.

In the past, the Company has successfully delivered 2600 affordable homes in the State of Rajasthan in an industrial colony developed by RIICO (Rajasthan State Industrial Development and Investment Corporation) in Neemrana, Rajasthan.

- b) **Commercial**

- (i) **IT Park, Manesar, Gurugram**

The Company has completed its IT Park situated at Manesar, Haryana which is operational and generating revenues. This location being nearer to Gurugram, is coming up as a major Silicon hub. Proposed connectivity to Manesar by Metro rail services will make it into one of the prominent locations. UID and NXTRA (Airtel Data Center) Data Centers have already come up in the vicinity of our IT Park.

Total developed area is around 1.8 million square feet on 10 acres of land area against which **leasable area is 1.2 million sq. feet** including 40,000 sq. feet of retail space. The Company has all the necessary approvals such as Environment Clearance, Fire Certificate, CC and other HSIIDC regulatory approvals for the building. Based on this, TIA approval for Rated 3 has been obtained for setting up a 21 MW Data Center at the facility.

The Company has already commenced work for setting up of the Data Center and 3 MW is poised to be operational within Q2 of FY 2022-23 out of proposed Data Center of 21 MW capacity, expandable upto 50 MW. The projected annual rental revenue will be more than ₹ 200 crores at capacity of 21 MW. The Company is also planning to get a MeitY empanelment (accreditation) and get listed in a Government Cloud Services Directory.

(ii) **IT Park, Panchkula, Haryana**

The Company is developing an IT Park with space of 1.6 million sq. feet on land area of 9.23 acres through its subsidiary Company, Rolling Construction Private Limited. As against this, **leasable area would be around 1.1 million square feet**. In Phase-I, the company has developed & constructed an area of 6 lakhs sq. feet, which is leased to reputed commercial clients including first Call Center of Amazon in North India.

Now, to achieve maximum benefit from the available space in the building, the Company has plans to develop Tier III Data Center by providing security support, power back-up and strengthening of the structure. Besides this, additional 5.25 acres of land is available for development into a green field project with FSI of 0.6 million sq. feet for a Data Center having 40 MW capacity.

(iii) **IT SEZ RAI, Sonapat, Haryana**

Total developable area in Rai building is 5.10 million sq. feet on 25 acres of the land allotted to it by HSIIDC (Haryana State Industrial and Infrastructure Development Corporation).

The Company has completed construction & development of phase-1 of IT SEZ Project comprising 2.1 million square feet, against which **1.4 million sq. feet is leasable**. The Company is also planning to develop a Tier III Data Center in existing building and a Tier IV Data Center with 100 MW Load capacity on 15 acres of land as a

green field project. Power supply from two grids is available presently to cater the additional power requirement of the data Center.

(iv) **Office Building**

The Company, through its associate Company has developed an Office Building at Sector 44, Gurugram, Haryana. Total developed area on 8,400 sq. mts. land is 2,10,000 sq. ft. The building is fully leased out to various tenants.

c) **Warehousing Project**

The Company is planning to develop fully paid free hold land parcels in Delhi & Haryana, as Warehousing projects, within a span of five years. The development of Warehousing projects will be based on international standards and modern age requirement.

d) **Hospitality**

The Company is conscious of the increasing demand for Hospitality and Convention facilities in the National Capital and has decided to develop sizeable portfolio of its Hotel and Hospitality land parcels in New Delhi. The Company intends to develop these Projects for mixed land use development to provide to the community Hotel, Hospitality, Convention and Commercial facilities at multiple locations in New Delhi. The Company's hotel projects are situated in premium Hospitality, Banquet and Convention districts of New Delhi admeasuring individually from 5 to 7.5 acres. Some of these projects such as Hotel Stellar, Hotel Bel-LA monde are presently being operated by Third party operators on long term leases.

As per the current policy guidelines, developable area has been enhanced for these properties by almost 10 times. The Company has proposed to transfer these destinations into socio-economic hubs with a variety of development in diverse areas by availing additional developable area allowed by the concerned authorities.

3. **IND AS STANDARDS**

The Company had adopted IND AS with effect from 1st April, 2016 pursuant to a notification dated February 15, 2015 under section 133 of the Companies Act, 2013 (hereinafter referred to as "Act") issued by the Ministry of Corporate Affairs, notifying the Companies (Indian Accounting Standard) Rules, 2015. The Company has published Audited Financials based on IND AS for the financial year ended March 31, 2022 along with comparable financials for the year ended March 31, 2021.

FORM NO. MR 3 Secretarial Audit Report

For the financial year ended March 31, 2022

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
ANANT RAJ LIMITED
Plot No. CP-1, Sector-8
IMT Manesar, Gurugram
Haryana-122051

I was appointed by the Board of Directors of Anant Raj Limited (hereinafter called the Company) to conduct Secretarial Audit for the financial year ended March 31, 2022.

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by the Company. Secretarial Audit was conducted in a manner that provided me with a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing my opinion thereon.

Management's Responsibility for Secretarial Compliances

The Company's management is responsible for preparation and maintenance of secretarial records and for devising proper systems to ensure compliance with the provisions of applicable laws and regulations.

Based on my verification of the Anant Raj Limited ("the Company") books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2022 ("Audit Period") complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

Opinion

I have examined the books, papers, minute books, forms and returns filed and other statutory records maintained by the Company for the financial year ended on March 31, 2022 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

SECTION E: PRINCIPLE-WISE PERFORMANCE

Principle 1: Businesses should conduct and govern themselves with Ethics, Transparency and Accountability

1. Does the policy relating to ethics, bribery and corruption cover only the company? Yes/ No. Does it extend to the Group/Joint Ventures/ Suppliers/Contractors/NGOs /Others?

Good governance is the common underlying principle for all successful organizations. To ensure transparent communication and ethical conduct at all levels of the value chain, the Company has a dedicated Code, which is applicable to all its employees, subsidiaries and joint ventures. The Company also encourages its business partners to follow the code.

2. How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management? If so, provide details thereof, in about 50 words or so.

The Company has a dedicated mail id through which the stakeholders may address their queries/complaints. The Secretarial Department caters to the needs of the investors. A summary of the complaints received and resolved during the year is provided in a separate section of the Corporate Governance Report attached to the Directors Report. As at the end of the financial year there were no queries pending which needed to be addressed.

Principle 2: Business should provide goods and services that are safe and contribute to sustainability throughout their life cycle

- c. Data Centers

2. For each such product, provide the following details in respect of resource use (energy, water, raw material etc.) per unit of product(optional):

(a) Reduction during sourcing/production/ distribution achieved since the previous year throughout the value chain?

For the 'products'; in order to conserve water resources, usage of ground water and potable water from corporation supply has been stopped for construction activities in Gurugram. Alternatively, treated STP water is being sourced.

(b) Reduction during usage by consumers (energy, water) has been achieved since the previous year?

It is difficult to quantify the exact quantity in terms of reduction achieved in energy and water by the consumers. However, there are STPs installed in all our project locations and the STP water is used for landscaping, flushing and cooling in DG sets, thus reducing the use of fresh water. With respect to energy, various initiatives and use of high efficiency equipment for lighting (LED fixtures), electrical and Heating, Ventilation and Air Conditioning (HVAC) systems have resulted in huge savings. For Glazing, Double Glazed Units are used which reduce the HVAC load and electricity consumption further. As a responsible organization, Solar Photovoltaic systems have and are being installed on rooftops to meet the renewable energy requirements.

3. Does the Company have procedures in place for sustainable sourcing (including transportation)?

Management Discussion and Analysis

ECONOMY OVERVIEW

GLOBAL ECONOMY

The global economy was seen recovering in 2021 after the high market volatility and deep recession in 2020. This comes just as the threat from the Omicron variant appeared to be fading, with major economies of the world moving past the acute phase of the pandemic. At the end of 2021, inflation in several regions surged to multi-decadal highs. A key driver of inflation across the world has been the rapid surge in energy, food, and commodity prices. The risk of newer variants in China has led to mobility restrictions and localised lockdowns, which has slowed private consumption. Central banks across the world have started tightening their stances and others are expected to follow in response to domestic macroeconomic conditions, including rising inflationary pressures. After a strong rebound in 2021, the economic indicators suggest that global activity has slowed owing to the Russia-Ukraine war. Global growth is projected to decline from 6.1% in 2021 to 3.6% in 2022 and 2023.

INDIAN ECONOMY

The Indian economy was well on its recovery path following the second wave of the COVID-19 pandemic, with both industry and service sectors showing steady development. However, the emergence of newer variants of COVID, supply-chain disruptions, and, more lately, inflation has been posing fresh challenges to economic development. India's Gross Domestic Product (GDP) has grown by 8.7% in FY 2021-22, and growth is expected at 8.2% in FY 2022-23. The government expanded infrastructure spending in order to restore medium-term demand thereby assisting in overall economic growth. On the strength of several efforts

on the fronts like promoting technology-enabled development, energy transition, and climate action taken by the government in the Union Budget 2022-23, the Indian economy is prepared to grow at the fastest rate among the league of large nations. However, supply-side bottlenecks persist with rising international crude oil prices and growing raw material costs. On the monetary side, the Reserve Bank of India (RBI) increased the key repo rate by 40 basis points (bps) to 4.40% to trigger economic growth amidst rising inflation. The availability of budgetary space to ramp up capital spending, advantages from supply-side reforms, and continued export growth will stimulate growth in FY 2022-23.

INDUSTRY OVERVIEW

INDIAN REAL ESTATE SECTOR

The real estate industry contributes a major share to the country's GDP as well as is the highest employment generator after the agriculture sector. India's real estate sector, specifically the residential segment, has shown a quick recovery from the pandemic-induced crisis. A number of factors like low interest rates, fall in house prices, and state governments' stimulus has supported the housing market revival in 2021. During the pandemic, people felt the need for bigger and better houses. As a result, despite the uncertain times, households chose to channelise their savings to create a real estate asset. Once the unlocking process was initiated, both the residential and office markets started showing promising signs of revival. With the impact of the second and third waves of the pandemic receding, an improving business environment, increased understanding of the pandemic and focus on vaccinations supported the recovery in the real estate market.

Government reforms for India's real estate sector

- Tax deductions on interest on housing loans up to ₹ 1.5 Lakh and tax holidays for affordable housing developments have been announced for the housing sector.
- Income tax relief measures for real estate developers and homebuyers for primary purchase/sale of residential units of value up to ₹ 2 Crore from November 12, 2020 to June 30, 2021 were included in the Atmanirbhar Bharat 3.0 package announced in November 2020.
- The Union Cabinet has approved the establishment of a ₹ 25,000 Crore (USD 3.58 billion) alternative investment fund (AIF) to revive about 1,600 stalled housing projects across the country. By 2025, the Government of India's 'Housing for All' initiative is estimated to bring about USD 1.3 trillion in housing investment.

- The government has established an Affordable Housing Fund (AHF) at the National Housing Bank (NHB) with an initial corpus of ₹ 10,000 Crore (USD 1.43 billion) to use priority sector lending shortfalls of banks and financial institutions for HFC microfinance.
- Allocation of ₹ 48,000 Crore under Pradhan Mantri Awas Yojana (PMAY) for urban and rural houses in FY 2022-23.

Key industry trends

INDIAN RESIDENTIAL REAL ESTATE MARKET

While the operational hurdles triggered by the first and second waves of the pandemic had caused sales volumes to falter during 2020 and the first half of 2021, the Omicron variant in Q1 2022 had little impact on the residential market which achieved record sales and launch volumes during the period. The pandemic had imposed severe restrictions on human mobility and people were compelled to stay indoors for a significant part of the past two years.

The residential sector had an unprecedented year of growth with sales rising by 51% YoY at 232,903 units across the top eight cities of the country. New home launches also saw a significant rise of 58% YoY with the addition of 232,382 units in 2021. Low interest rates, improving affordability, high savings, and a resurging interest in homeownership due to space constraints imposed by the pandemic have been the primary drivers of the revival in demand.

All-India Residential Market

Particulars	2021	2021 Change (YoY)	H2 2021	H2 2021 Change (YoY)	Q1 2022
Launches (housing units)	232,382	58%	129,144	50%	78,627
Sales (housing units)	232,903	51%	133,487	41%	78,171

(Source: Knight Frank Report)

The industry continues to consolidate with residential developments steadily shifting into the hands of stronger developers who have been able to weather the economic storm caused by the pandemic. Sentiments remain strong and should continue to aid market volumes in the near term. Low interest rates, healthy affordability levels, and a waning pandemic with lower risk of further disruptions have created a favourable environment for the homebuyer who has rediscovered the need for new and better housing. While buyer preferences were skewed towards ready inventory, established developers with a robust execution record are increasingly finding a market for their under-construction inventory.

NCR (NATIONAL CAPITAL REGION) RESIDENTIAL REAL ESTATE

In 2021, National Capital Region’s (NCR) residential market witnessed huge pent-up demand being unleashed into the residential market. The trend of end-user appetite for bigger homes continued in 2021 as buyers took advantage of a low mortgage regime to buy homes. The pandemic has also made people realise that prices have bottomed out, hence they did not postpone their home buying decisions. The devastating second wave of COVID-19 in the first half of the year further reaffirmed the importance of homeownership from a safety and security perspective.

Led by the demand surge, 35,073 units were sold in NCR’s primary market. Residential sales recorded a 65% YoY growth compared to 2020. Strong economic recovery and resilience in the real estate sector in the second half of 2021 supported the growth momentum. Compared to 2020, when new unit launches had nosedived, 2021 saw increased activity on this front. The year saw 20,585 new units being launched in NCR. Whilst new launches are yet to match the pre-pandemic levels, return of high sales volume during 2021 and Q1 2022 has reinstated developer confidence to launch new products to meet different requirements of end-users. Developing sectors of New Gurugram, Noida, and Greater Noida remained the preferred locations for new launches during the year.

NCR Residential Market Performance

Particulars	2021	2021 Change (YoY)	H2 2021	H2 2021 Change (YoY)	Q1 2022
Launches (housing units)	20,585	110%	17,642	110%	12,880
Sales (housing units)	35,073	65%	23,599	49%	15,019

INDIAN COMMERCIAL REAL ESTATE MARKET

2021 began on a positive note with the first quarter of the year showing encouraging signs of recovery and growth, but the intense second wave of the pandemic curtailed market traction in Q2 2021. However, improving economic fundamentals and business environment coupled with a better understanding of the pandemic encouraged corporate India to gradually return to office in the second half of the year. 2.4 mn sq m (25.9 mn sq ft) of office space was transacted during H2 2021. Six of the eight markets saw transaction volumes grow in YoY terms during H2 2021. The share of transactions in the co-working/managed workspace sector was the highest amongst all sectors as the need for flexibility and a hybrid working environment has been a growing phenomenon.

With labour shortages and other supply chain bottlenecks having been overcome to a large extent in H2 2021, office completions also picked up significantly with 2.2 mn sq m (23.7 mn sq ft) getting delivered during the period.

NCR COMMERCIAL REAL ESTATE

2021 has been the year of resilience and resurgence for NCR's office market. The annual transaction volume of 0.6 mn sq m (6.4 mn sq ft) not only surpassed the low recorded in 2020 but brought leasing volume back to near pre-pandemic levels. In H2 2021, occupiers steered ahead cautiously with managing office space footprint amidst the pandemic. Going forward, bulk hiring by companies in some sectors such as Information Technology will influence demand for large-format quality spaces while office space demand from a diverse pool of sectors will continue to prevail. NCR witnessed completion of 0.5 mn sq m (5.1 mn sq ft) of office spaces, a 76% YoY growth over 2020. Due to the first wave of the pandemic and lockdown in early 2020, many office

buildings in NCR remained physically complete but awaited the occupancy certificate (OC).

Of the total office spaces transacted in H2 2021, Gurugram comprised a 64% share. This was followed by Noida (27%) and Secondary Business District of Delhi (SBD Delhi) at 7%, Central Business District of Delhi (CBD Delhi) at 1% and Faridabad at 1%. Gurugram re-emerged as NCR's market leader for office space consumption garnering the highest percentage share in leasing volume. Gurugram, along with Noida, remain preferred destinations for occupiers with well-developed micro-markets and infrastructure development.

INDIAN DATA CENTER INDUSTRY

India is witnessing robust growth in the Data Center (DC) market, driven by an unprecedented surge in virtualisation, cloud computing, and public data generation. India is the second-fastest-growing digital economy in the world. Demand momentum that had picked up during 2020 has gained pace, with an estimated absorption of 116 MW during 2021, making a 14% YoY growth. Cloud, DC, and telecom players are seen adopting various strategies to capture a pie of India's digital growth. DC operators are acquiring land parcels at key DC hubs to provide scalable options for cloud players.

The imminent rollout of 5G, ever-rising digital usage, and increasing footprint of global DC operators and cloud players would usher in another high growth year for the Indian DC sector in 2022. According to industry estimates, the average data consumption will rise by over three times to 50 gigabytes (GB) per month by 2027. Resultantly, the Indian DC industry is expected to add a capacity of 804 MW during 2022-24. This huge capacity addition would entail demand for 9.7 million sq. ft. of real estate space with an estimated investment outlay of USD 5.5 billion in setting up data center facilities.

Key Growth Drivers of the Industry

- Growing internet penetration and data usage:** Internet penetration in India witnessed a significant increase in 2020 with the number of active users growing threefold over 2015, and this is expected to cross 1 billion by 2025. This has led to an increase in the amount of data generated and consumed. Indians consumed the highest amount

of data per month at 12GB in 2019, globally, which is expected to double over the next five years, thus driving the demand for data centers.

- **Cloud adoption and data localisation:** According to NASSCOM, India's public cloud services is expected to reach USD 5 billion by 2023. Growing internet penetration, increasing adoption of cloud, rising use of big data analytics and IoT, and increased thrust on data localisation are driving the demand for DCs. The COVID-19 pandemic has further accelerated the market growth as the demand for data traffic, cloud, and digital technologies is seen increasing with more businesses moving online.
- **Favourable government policies:** The government has released a comprehensive Data Center policy enabling the private sector to establish data center parks in the country. Objectives of the policy include providing incentives and ease the approval process for data center industry; setting up data center SEZs; promoting R&D and indigenous technology development, among others. Many state governments are already offering several incentive schemes for setting up data center parks in their states.

Key Growth Drivers of the Indian Warehousing Industry

- Growing demand for cold chain, pharmaceutical warehouses as well as growth in e-commerce and 3PL sector, and organised retail are likely to drive warehousing demand.
- The government's announcement of infrastructural status to logistics sector will result in increased investments in warehousing domain.

- Government's push towards manufacturing in India and the launch of GST have driven institutional investment in warehousing.
- India's growing prominence as a manufacturing destination due to global supply chain constraints and several companies moving their manufacturing facilities out of China will benefit logistics and warehousing segment.

Competitive Strengths

- Large premium land bank:** The Company holds one of the largest land banks at premium and strategic locations in and around NCR. Acquired at low-cost, these fully paid and ready-to-develop land banks offer the advantage of commencing any form of real estate development. Being located in prime locations, these land banks have high realisation potential. The possession of the land bank has facilitated the Company to significantly reduce its capex and majorly focus on working capital requirements and project execution costs.
- Diverse portfolio:** The Company has a well-diversified portfolio spread across residential, commercial, IT/logistics,

Data Center, Warehousing, hospitality, townships, and malls. Portfolio diversification helps in steady cash flow generation through lease and rental income and property sales along with the advantage of capital appreciation.

- Robust execution capabilities:** The Company has established a strong brand reputation over five decades with an enviable track record. The Company has developed robust expertise in the NCR region to assist the entire value chain from land procurement to asset maintenance. The Company's execution capability is further supported by a skilled in-house construction team of engineers, architects, designers, and other associated employees and modern and sophisticated technologies.

Business Strategies

- Developing world-class Data Centers (DC):** Increasing data generation and huge requirement for local storage is creating massive opportunities for data storage in India. The Company aims to develop world-class facilities that provide cost-effective data storage, with added advantage of zero maintenance, high-end protection, and risk management. The Company plans to utilise its existing building space to develop Tier III and Tier IV Data Centers (DCs). The Company is also looking at a strategic alliance with an international partner having strong expertise and technical know-how in developing data centers. The Company proposes to develop the Data Center up to 300 MW on the existing land and building.
- Modern and integrated warehousing:** India is emerging as an attractive manufacturing and warehousing destination due to demand for high-quality warehousing and cold chain space with significant growth in e-commerce, global supply chain and logistical constraints along with favourable government policies. The Company is well-positioned to capitalise on growing warehousing rental opportunity due to its experience of developing a large warehouse and having a fully-paid freehold land in Delhi and Haryana in proximity to major trade corridors.
- Strategic alliances and partnerships:** The Company focusses on entering into strategic partnerships for developing prestigious projects on its land bank to further drive income growth. It has entered a 50:50 joint venture agreement (JV) named as Avarna Projects LLP with Birla Estates Private Limited for developing 764 independent luxury floors built across 191 plots in its sector 63 A Township. The project is expected to generate ₹ 2,350 Crore in revenues. The Company has also entered a JV with Adani Group to develop a Housing project in Sector 36 A, Gurugram.
- Focus on the affordable housing segment:** The Company, with its vast expertise, has been one of the pioneers in delivering affordable houses aligned with the government's vision of "Housing for all". It has successfully delivered a 2,600 units affordable housing project in an industrial colony in Neemrana, Rajasthan. Further, the Company has also secured a project from APIIC (Andhra Pradesh Industrial Infrastructure Corporation) to develop 2,000 affordable homes in the divine city of Tirupati, Andhra Pradesh.
- Focus on Development of Township Projects:** The Company focusses on development of its largest project in Sector 63A, Gurugram over 175 acres. The project is located in the most premium area of Gurugram and most expensive real estate market. The Company has recently got additional approval for two more projects in townships and has planned to add more lands to the townships due to high traction and saleability.

OUTLOOK

After two years of severe disruptions to lives and livelihoods, 2022 began with the hope that the worst of the pandemic is over and that growth of the real estate sector will resume. A slew of indications point to the economic recovery, including rebound in employment, higher wage growth, recovery in consumer confidence, increased vaccination availability, etc. Meanwhile, property prices in major cities are projected to rise in the near future as realtors pass on the impact of rising labour and material costs, as well as improved demand-supply dynamics.

A combination of increasing income levels over the past decade and lower mortgage rates have boosted house affordability significantly. Demand for commercial and retail office space is expected to rise as the pandemic has led to deferment of leasing decisions and employees return back to their offices. Growing usage of smart devices, coupled with increasing amounts of data consumption has led to a surge in data storage requirements in India, thereby strengthening the role of data centers. Due to a greater internet penetration across India, e-commerce companies are also betting big on growth on City Center Warehousing, which are becoming the biggest growth driver of warehousing space in India.

Well-documented policies, guidelines, and procedures are put in place for monitoring business and operational performance and ensuring safeguarding of assets and proper reporting of financial transactions. Periodic audits are conducted by an independent internal audit firm hired by the Company to ensure the adequacy of internal control systems and compliance with laws and regulations. The Company's robust MIS system assists in rigorous monitoring of data to confirm that all major expenses are within the budgeted limits.

RISKS AND MITIGATION

Economic Risk: Economic slowdown, geopolitical tensions, rising interest rates and inflation, and adverse market developments may cause demand fluctuations in the real estate market. Due to the COVID-19 crisis, both World output and India's GDP dropped dramatically. Even though the economy is predicted to improve in the future in both India and the rest of the world, the epidemic continues to create uncertainty and obstacles. These can have a direct impact on the real estate sector and, as a result, on the Company's performance.

Mitigation: The Company has diversified its business portfolio through presence across all major real estate segments. The Company has further entered into Data Center and Warehousing segments and focusses on affordable housing segment, where demand is less volatile. The Company's key strengths of its people, processes, and technology optimise business performance and lead to higher sustainable growth.

Liquidity Risk: Huge capital requirements in the real estate sector may hamper smooth continuity of business and pose financial risks for the Company.

Mitigation: The Company's massive investment in the land bank forms a major part of the project cost. The Company has fully paid, ready for development land bank at its disposal which was acquired at low cost. This ensures that it is now required to incur only the project development cost. The current market value of the land bank is significantly higher than Capital Investment. In addition, lease and rental income from commercial properties meet the working capital requirements. The Company has also adopted the strategy of partnership model of project development which ensures development cost split and lower capital commitment for the Company.

Execution Risk: The real estate industry is heavily regulated and requires huge approvals and compliances. Consequently, any delay in regulatory approval, clearances, and labour unavailability may lead to cost and time overruns and delay project launches.

Mitigation: The Company considers efficient and timely execution of projects as its key strategic and operational priority. With quality management, the Company has proven track record to deliver projects in a timely manner ensuring high customer satisfaction.

Input Risk: High cost of raw materials and labour issues may raise construction prices and impact the Company's margins and profitability.

Mitigation: The Company has long-term healthy relationships with major suppliers for timely supply of quality raw materials at competitive prices.

Secondly, the Company is doing large residential township and have pool of ready assets which will generate the rental yields. Hence, the Company don't perceive major risk because of the same. However, the Company have enough margin to absorb the short term increase in input prices.

Quality Risk: Failure of the Company to maintain high-quality standards may damage its reputation and lead to inventory pile-up.

Mitigation: The Company is committed towards deploying best-in-class quality control processes and systems to achieve maximum customer satisfaction. The Company is well known for the highest quality and timely delivery of projects. It has an efficient and skilled team of engineers, architects, designers, and other associated employees along with a strong IT platform. It continues to strengthen its quality system and invest in cutting-edge technologies to improve operational efficiencies.

CAUTIONARY STATEMENT

The Management Discussion and Analysis contains statements for describing the Company's objectives, projections, estimates, expectation or predictions. These statements are 'forward-looking' in nature and are within the meaning of applicable securities laws and regulations. The Company has undertaken various assessments and analysis to make assumptions on future expectations on business development. However, various risks and unknown factors could cause differences in the actual developments from our expectations. Important factors that could make a difference to the Company's operations include macro-economic developments in the country and improvement in the state of capital markets, changes in the Governmental regulations, taxes, laws and other statutes and other incidental factors. The Company undertakes no obligation to publicly revise any forward-looking statements to reflect future/likely events or circumstances.

Independent Auditor's Report

To the Members of Anant Raj Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Anant Raj Limited ("the Company"), which comprises the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended (Ind AS) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its profit, other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) as specified under section 143 (10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' (CoE) issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's CoE. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Emphasis of matter

We draw attention to Note 47 to the standalone financial statements for the financial year ended March 31, 2022, with regard to management's evaluation of uncertainty due to outbreak of Covid-19 and its impact on future operations of the Company. Our opinion is not modified in respect this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone

financial statements for the financial year ended March 31, 2022. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholders' Information (Annual Report), but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

Based on the work we have performed, if we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operative effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up

to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the financial year ended March 31, 2022 and is therefore the key audit matters. We describe this matter in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure-'A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, based on our audit report we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

- (c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss including Other Comprehensive Income, the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows dealt with by this Report are in agreement with the books of account;
- (d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended;
- (e) On the basis of the written representations received from the directors as on March 31, 2022, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022, from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the managerial remuneration for the year ended March 31, 2022, has been paid/provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V of the Act.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements-Refer Note No. 28, and 37 to the standalone financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. a) The Management has represented that, to the best of its knowledge and belief, no funds have

been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities (Intermediaries), with the understanding, whether recorded in writing or otherwise, that, the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- b) The Management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person or entity, including foreign entity (Funding Parties), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b), contain any material misstatement.
- v. a) The dividend proposed in the previous year, declared and paid by the Company during the year is in accordance with Section 123 of the Act, as applicable.
- b) The Board of Directors of the Company have proposed dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with section 123 of the Act, as applicable.

(Referred to in paragraph under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Anant Raj Limited of even date)

i. In respect of the Company's Property, Plant and Equipment:

- (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.

The Company does not have any intangible assets.

- (b) The Company has a program of verification to cover all the items of property, plant and equipment in a phased manner which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, property, plant and equipment were physically verified by the management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.

- (c) According to the information and explanations given to us and as per the records examined by us, we report that the title deeds, comprising all the immovable properties are held in the name of the Company.

In respect of immovable properties that have been taken on lease, the lease agreements are in the name of the Company except one lease agreement which is not registered in the name of the Company.

- (d) The Company has not revalued any of its property, plant and equipment (including Right of Use assets) during the year ended March 31, 2022.

- (e) According to the information and explanations given to us, there are no proceedings initiated during the year or pending against the Company as at March 31, 2022, for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) and rules made thereunder.

- ii. (a) The inventory includes land, buildings, construction, work in progress, construction and development material, development rights, spares which were physically verified by the management at reasonable intervals during the year. The discrepancies noticed on physical verification of inventory as compared to book records were not material and have been properly dealt with in the books of account.

- (b) The Company has been sanctioned working capital limits in excess of ₹ 5 crores, in aggregate, from Banks during the year on the basis of security of current assets of the Company. The quarterly returns/statements filed by the Company with such banks are in agreement with the books of account of the Company.

- iii. The Company has granted loans, made investments, provided guarantee(s) or security(ies) to companies, firms, limited liability partnerships, and granted unsecured loans to its subsidiaries and associates, covered in the register maintained under section 189 of the Act, in respect of which:

- (a) During the year, the Company has provided loans to and made investments in companies, firms, limited liability partnerships or any other parties during the year, in respect of which:

Particulars	Loans (₹)	Investments (₹)
Aggregate amount granted/ provided/ invested during the year	13,482.43 lakhs	20,45.78 lakhs
Amount outstanding as at the year end		
- Subsidiaries	3,36,27.60 lakhs	56,05.17 lakhs
- Associates	28,15.48 lakhs	1,84,14.69 lakhs
- LLPs (Associates)	1,70,51.21 lakhs	20,38.27 lakhs

The Company has not provided any guarantee or security to companies, firms, limited liability partnerships or other parties during the year.

- (b) In our opinion, the terms and conditions of the grant of such loans to companies, firms, limited liability partnerships or other parties provided during the year are, prima facie, not prejudicial to the Company's interest.

- (c) The schedule of repayment of principal and payment of interest has been stipulated and repayment or receipts of principal amounts and interest have been regular as per stipulations.

- f. According to the information and explanations given to us and procedures performed by us, we report that the Company has raised loans during the year on the pledge of securities held in the subsidiaries as per detail below.
- c. According to the records of the Company examined by us and as per the information and explanations given to us, the term loans were applied for the purpose for which the loans were obtained.
- d. On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- e. On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures during the year.

Nature of loan taken	Name of lender	Amount of loan (₹)	Relation	Detail of security pledged
Non convertible debentures	Alternative Investment Fund -Touchstone Trust Scheme	47,500 lakhs	Subsidiaries	Pledged 100% equity shares of 7 (seven) subsidiaries and 95% equity shares of 1 (one) subsidiary

Further, the Company has not defaulted in repayment of such loans raised.

as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014, with the Central Government.

- x. a. The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Hence, the requirement to report on clause 3 (x) (a) of the Order is not applicable to the Company.
- b. The Company has issued and allotted fully convertible warrants on preferential basis to 'Promoter and Promoter Group' and 'Non-Promoter' in accordance with provisions the Act read with relevant rules made thereunder and the guidelines, rules and regulations of the Securities and Exchanges Board of India, as amended including SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018.
- The Company has not made any preferential allotment or private placement of fully or partially or optionally convertible debentures during the year under audit.
- xi. a. To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or any fraud on the Company has been noticed or reported during the year.
- b. According to the information and explanations given to us, no report under section 143(12) of the Act has been filed by secretarial auditor or by us in Form ADT-4
- c. According to the information and explanations given to us, there are no whistle blower complaints received by the Company during the year.
- xii. The Company is not a nidhi company as per the provisions of the Act. Therefore, the requirement to report on clauses 3(xii) (a), (b) and (c) of the Order is not applicable to the Company.
- xiii. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the Ind AS financial statements as required by the applicable accounting standards.
- xiv. a. In our opinion, the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- b. We have considered the internal audit reports of the Company issued till the date of the audit report, for the period under audit.
- xv. In our opinion, the Company has not entered into any non-cash transactions with its directors or persons connected with its

directors and hence, requirement to report on clause 3(xv) of the Order is not applicable to the Company.

- xvi. a. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi) (a), (b) and (c) of the Order is not applicable.

- xviii. There has been no resignation by the statutory auditors during the year and accordingly, requirement to report on clause 3(xviii) of the Order is not applicable to the Company.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its

liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- xx. a. There are no unspent amounts towards Corporate Social Responsibility (CSR) or other than ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Act in compliance with second proviso to sub-section 135 of the said Act. Accordingly, reporting under clause 3(xx) (a) is not applicable for the year.
- b. There are no unspent amounts in respect of ongoing projects that are required to be transferred to a special account in compliance of provision of Section 135(6) of the Act.

Annexure “B” to the Independent Auditor’s Report

(Referred to in paragraph (f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Anant Raj Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Anant Raj Limited (“the Company”) as of March 31, 2022, in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards on auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on

the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Nature and purpose of Reserves

Capital Reserve

Capital reserve represents amount transferred from the transferor companies pursuant to various schemes of amalgamations and demerger. It is utilised in accordance with the provisions of Companies Act, 2013.

General Reserve

Under the erstwhile Indian Companies Act, 1956, a general reserve was created through an annual transfer of net profit at a specified percentage in accordance with applicable regulations. Consequent to introduction of Companies Act, 2013, the requirement of mandatory transfer of a specified percentage of the net profit to general reserve has been withdrawn though the Company may transfer such percentage of its profits for the financial year as it may consider appropriate. Declaration of dividend out of such reserve shall not be made except in accordance with rules prescribed in this behalf under the Companies Act, 2013.

Securities Premium Reserve

Securities premium reserve is created due to premium on issue of shares. These reserves shall be utilised in accordance with the provisions of the Companies Act, 2013.

Retained Earnings

Retained earnings are the profits and gains that the Company has earned till date, less any transfers to generate reserve, dividends or other distributions paid to shareholders. It also includes remeasurement gains and losses on defined benefit plans recognised in other comprehensive income (net of taxes).

Share warrants

Share warrant is a warrant option issued by the Company that gives the warrant holder a right to subscribe equity shares at a pre determined price on or after a pre determined time period.

Notes forming part of the standalone financial statements

1 Company overview

The Company is a public Company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The Company has its primary listings on the BSE Limited and National Stock Exchange of India Limited.

The Company is primarily engaged in development and construction of information and technology parks, data centers, hospitality projects, special economic zones, office complexes, shopping malls and residential projects primarily in the State of Delhi, Haryana, Rajasthan and the National Capital Region.

The Board of Directors approved the standalone financial statements for the year ended March 31, 2022, on May 14, 2022.

2 Significant Accounting policies

(a) Basis of preparation and presentation of financial statements

These standalone financial statements are prepared in accordance with Indian Accounting Standard (Ind AS), under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ('the Act') and guidelines issued by the Securities and Exchange Board of India (SEBI). The standalone financial statements have been prepared on a going concern basis in accordance with accounting principles generally accepted in India. The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, and relevant amendment rules issued there after.

Accounting policies have been consistently applied except where a newly issued Accounting Standard is initially adopted or a revision to an existing Accounting Standard requires a change in the Accounting policies hitherto in use.

The standalone Balance Sheet, the Statement of Changes in Equity, the Statement of Profit and Loss and disclosures are presented in the format prescribed under Division II of Schedule III of the Act, as amended from time to time that are required to comply with Ind AS. The Statement of Cash Flows has been presented as per the requirements of Ind AS 7 'Statement of Cash Flows'.

The standalone financial statements are presented in Indian Rupees, which is also its functional currency.

All amounts have been rounded off to the nearest ₹ lakh, unless otherwise indicated.

(b) Use of estimates

The preparation of standalone financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed in Note C. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the standalone financial statements.

Estimation of uncertainties relating to pandemic from COVID-19

The Company has considered the possible effects that may result from the pandemic, COVID-19, in the preparation of these standalone financial statements including the recoverability of carrying amounts of financial and non financial assets. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company has, at the date of approval of these financial statements, used internal and external sources of information including credit reports and related information and economic forecasts and expects that the carrying amount of these assets will be recovered. The impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of these standalone financial statements.

(c) Critical accounting estimates

(i) Revenue recognition

The Company's contracts with customers include promises to transfer multiple products and services to a customer. Revenues from customer contracts are considered for recognition and measurement

Notes forming part of the standalone financial statements

when the contract has been approved, in writing, by the parties to the contract, the parties to contract are committed to perform their respective obligations under the contract, and the contract is legally enforceable. The Company assesses the services promised in a contract and identifies distinct performance obligations in the contract. Identification of distinct performance obligations to determine the deliverables and the ability of the customer to benefit independently from such deliverables, and allocation of transaction price to these distinct performance obligations involves significant judgement.

The Company uses the percentage-of-completion method in accounting for other fixed-price contracts. Use of the percentage-of-completion method requires the Company to determine the actual efforts or costs expended to date as a proportion of the estimated expended have been used to measure progress towards completion total efforts or costs to be incurred. Efforts or costs as there is a direct relationship between input and productivity. The estimation of total efforts or costs involves significant judgement and is assessed throughout the period of the contract to reflect any changes based on the latest available information.

(ii) Allowance for credit losses on receivables and unbilled revenue

The Company determines the allowance for credit losses based on historical loss experience adjusted to reflect current and estimated future economic conditions. The Company considered current and anticipated future economic conditions relating to industries the Company deals with. In calculating expected credit loss, the Company has also considered credit reports and other related credit information for its customers to estimate the probability of default in future and has taken into account estimates of possible effect from the pandemic relating to COVID-19.

(d) Property, plant and equipment

Property, plant and equipment are stated at their cost of acquisition/construction, net of accumulated depreciation and impairment losses, if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by management.

Capital work-in-progress represents expenditure incurred in respect of capital projects which are carried at cost. Cost includes land, related acquisition expenses, development and construction costs, borrowing costs and other direct expenditure.

Advances paid towards acquisition of property, plant and equipment outstanding at each Balance Sheet date are disclosed as Capital Advances under 'Other Non-Current Assets' and cost of fixed assets not yet ready for their intended use as at the reporting date are disclosed under 'Capital Work in Progress'. Subsequent expenditures relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in the Statement of Profit and Loss when incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss. Assets to be disposed off are reported at the lower of the carrying value or the fair value less cost to sell.

Depreciation on fixed assets is charged in accordance with estimate of useful life of the assets on written down value method, at rates specified in Schedule II of the Act. Depreciation on assets purchased/sold during a period is proportionately charged.

Depreciation methods, useful lives and residual values are reviewed periodically, including at each financial year end.

(e) Investment property

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably.

Notes forming part of the standalone financial statements

The Company discloses the fair value of investment properties in notes to the financial statements. Fair values are determined based on annual evaluation performed by the management.

Investment properties are derecognized either when they have been disposed off or when they have been permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between net disposal proceeds and the carrying amount of the asset is recognised in the Statement of Profit and Loss in the period of derecognition.

(f) Financial instruments

(i) Initial recognition

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, that are not at fair value through profit or loss, are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

(ii) Subsequent measurement

Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Investments in equity instruments of subsidiaries, joint ventures and associates

Investments in subsidiaries, joint ventures and associates are stated at cost less provision for impairment losses, if any. Investments are tested for impairment whenever an event or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the carrying amount of investments exceeds its recoverable amount. If, in a subsequent

period, recoverable amount equals or exceeds the carrying amount, the impairment loss recognised is reversed accordingly.

Investments in equity instruments of subsidiaries, joint ventures and associates are accounted for at cost in accordance with Ind AS-27 'Separate Financial Instruments'.

(iii) Financial liabilities

Financial liabilities are carried at amortized cost using the effective interest method, except for contingent consideration recognized in a business combination which is measured at fair value through profit or loss. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

(iv) Derecognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition in accordance with Ind AS 109 "Financial Instruments" issued by the Ministry of Corporate Affairs, Government of India. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

(g) Impairment

(i) Financial assets

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in profit or loss.

Notes forming part of the standalone financial statements

(ii) Non-financial assets

Property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the Statement of Profit and Loss, if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

(h) Provisions and contingent liabilities

Provisions

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there

is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognise a contingent liability but discloses its existence in the financial statements. Contingent assets are neither recognised nor disclosed in the financial statements.

(i) Inventories

Real Estate: Lower of cost or net market value; Cost includes cost of acquisition and other related expenses incurred in bringing the inventories to their present location and condition. Net market value is the estimated selling price in the ordinary course of business.

Constructed/Under Construction Properties: Lower of cost or net realisable value. Cost includes the cost of land, internal development cost, external development charges, construction costs, overheads, borrowing costs and development/ construction material.

Development Rights: At cost of acquisition, including cost of acquiring rights of any interested party. Development rights are considered to have been acquired on execution of a Development Agreement upon vesting of irrevocable rights in the Company to construct, market, and sell the development over land and realize and retain the economic and other benefits.

(j) Unbilled receivables

Unbilled receivables represent revenue recognized based on Percentage of Completion of Construction Method [Para (k) below], to the extent the work completed exceeds billed receivables.

(k) Revenue recognition

(i) Revenue from contracts from customers

Pursuant to the application of Ind AS-115, the Company has applied following accounting policy for revenue recognition:

The Company satisfies a performance obligation and recognises revenue over time, if one of the following criteria is met:

- (a) The customer simultaneously receives and consumes the benefits provided by the Company's performance as the entity performs; or
- (b) The Company's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or

Notes forming part of the standalone financial statements

- (c) The Company's performance does not create an asset with an alternative use to the Company and the entity has an enforceable right to payment for performance completed to date.

For performance obligations, where one of the above conditions are not met, revenue is recognised at the point in time at which the performance obligation is satisfied.

Revenue is recognised either at point of time and over a period to time based on various conditions as included in the contracts with customers.

(ii) Others

- (a) Revenues from sale of investment properties and assets to the extent of sale consideration reduced by the respective costs thereof in each case, being value inclusive of cost of acquisition, and construction and development cost thereof.
- (b) Forfeiture due to non fulfilment of obligations by counter parties is accounted as Revenue on unconditional appropriation.
- (c) Revenues from rentals are recognised on accrual basis in accordance with terms of agreements executed with respective tenants.
- (d) Service receipts and interest from customers is accounted for on accrual basis.
- (e) Divided income is recognised when the shareholder or unit holder's right to receive payment is established, which is generally when shareholder approve the dividend.
- (f) Share of profit/loss from firm in which the Company is a partner is accounted for in the financial year ending on the date of the Balance Sheet.
- (g) Interest income is recognized using effective interest method.
- (h) Interest on arrears of allotment money is accounted in the year of receipt.

- (iii) Revenue from fixed-price, fixed-time frame contracts, where the performance obligations are satisfied over time and where there is no uncertainty as to measurement or collectability of consideration, is recognized as per the percentage-of-completion method. When there is uncertainty as to measurement or ultimate collectability, revenue recognition is postponed until such uncertainty is resolved. Efforts or costs expended have been used to measure progress towards completion as there is a direct relationship between input and productivity. Maintenance revenue is recognized rateably over the term of the underlying maintenance arrangement.

(l) Claims

Claims lodged by and lodged against the Company are accounted in the year of payment or settlement thereof.

(m) Borrowing costs

Borrowing costs directly attributable to the acquisition and/or construction/production of qualifying assets which are assets that necessarily take a substantial period of time to get ready for their intended use, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use. All other borrowing costs are charged to Statement of Profit and Loss as incurred. Borrowing consist of interest and other costs that the Company incurs in connection with the borrowings of funds.

(n) Employee benefits

- (i) Benefits such as salaries, wages and short term compensations etc. and the expected cost of ex-gratia is recognized in the period in which the employee renders the related service.
- (ii) The Company's Gratuity and Leave encashment schemes are defined benefit plans. The Company provides for gratuity covering eligible employees on the basis of actuarial valuation as carried out by an independent actuary using the Projected Unit Credit method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of

Notes forming part of the standalone financial statements

obligation under defined benefit plans is based on the market yields on Government securities as at the Balance Sheet date.

- (iii) The liability is un-funded. Actuarial gains and losses arising through re-measurement of net defined benefit liability/(assets) are recognised in 'Other Comprehensive Income.'

The employees of the Company are entitled to compensated absences as per the policy of the Company. The Company recognises the charge to the Statement of Profit and Loss and corresponding liability on account of such non-vesting accumulated leave entitlement based on a valuation by an independent actuary. The cost of providing compensated absences are determined using the projected unit credit method. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in Statement of Profit and Loss.

- (iv) Contributions payable by the Company to the concerned government authorities in respect of provident fund, family pension fund and employees state insurance are defined contribution plans. The contributions are recognized as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service. The Company does not have any further obligation in this respect, beyond such contribution. Other employee benefits are accounted for on accrual basis.

(o) Foreign currency translation

On initial recognition, all foreign currency transactions are translated in to the functional currency using the exchange rates prevailing on the date of the transaction. As at the reporting date, foreign currency monetary assets and liabilities are translated at the exchange rate prevailing on the Balance Sheet date and the exchange gains or losses are recognised in the Standalone Statement of Profit and Loss.

(p) Income taxes

Income tax expense comprises current and deferred tax. It is recognised in Statement of Profit and Loss except to the extent that it relates to items recognised directly in equity or in other comprehensive income.

Income tax expense comprises current and deferred income tax. Income tax expense is recognized in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in 'Other Comprehensive Income'. Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred tax is recorded on temporary differences between the tax bases of assets and liabilities and their carrying amounts, at the rates that have been enacted or substantively enacted at the reporting date. The ultimate realization of deferred tax assets is dependent upon the generation of future taxable profits during the periods in which those temporary differences and tax loss carry-forwards become deductible. The Company considers expected reversal of deferred tax liabilities and projected future taxable income in making this assessment. The amount of deferred tax assets considered realisable, however, could reduce in the near term if estimates of future taxable income during the carry-forward period are reduced.

(q) Cash and cash equivalents

Cash and cash equivalents comprise cash at bank, cash in hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. Short-term deposits are made for varying periods of between one day and three months, depending on the immediate cash requirements of the Company, and earn interest at the respective short-term deposit rates.

(r) Cash flow statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the

Notes forming part of the standalone financial statements

Company are segregated. The Company considers all highly liquid investments that are readily convertible to known amounts of cash to be cash equivalents.

(s) Dividends

Dividend on equity shares are recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors.

(t) Earnings per share

Basic earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

(u) Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing

whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease. The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

(v) Segment reporting

Operating segments are reported in the manner consistent with the internal reporting provided to the chief operating decision maker (CODM). The Managing Director of the Company has been identified as CODM and he is responsible for allocating the resources, assess the financial performance and position of the Company and makes strategic decisions.

The Company has identified one reportable segment "Real Estate" based on the information reviewed by the CODM. Refer Note no. 48 for the Segment information presented."

(w) Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalents unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;

Notes forming part of the standalone financial statements

- (c) It is due to be settled within twelve months after the reporting period; or
- (d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

x) Goods and service tax paid on acquiring of assets or on incurring expenses

Expenses and assets are recognised net of the goods and service tax paid, except when the tax incurred on a purchases of assets or services is not recoverable from the tax authority, in which case, tax paid is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable. The net amount of tax recoverable from, or payable to, the tax authority is included as part of receivables or payables, respectively, in the balance sheet.

y) Recent Pronouncements

On March 23, 2022, the Ministry of Corporate Affairs ("MCA") notified new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time as below:

Ind AS 16- Property, plant and equipment:

The amendment clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant and equipment. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022. The Company has evaluated the amendment and there is no impact on its financial statements.

Ind AS 37- Provisions, Contingent liabilities and Contingent assets:

The amendment specifies that the 'cost of fulfilling' a contract comprises the 'costs that related directly to the contract'. Costs that related directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of depreciation charge for an item of property, plant and equipment used in fulfilling the contract). The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022, although early adoption is permitted.

The amendments are extensive and the Company will evaluate the same to give effect to them as required by law.

- (b) Right, preference and restrictions attached to shares

The Company has only one class of equity shares having a par value of ₹ 2 each. Each shareholder is eligible for one vote per share held and carry a right of dividend. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting, except in case of interim dividend.

In the event of liquidation, the equity shareholders are eligible to receive the remaining assets of the Company after distribution of all preferential amounts, in proportion to their shareholding.

Notes forming part of the standalone financial statements

(c) Dividend

The final dividend on shares is recorded as a liability on the date of approval by the shareholders and interim dividend is recorded as a liability on the date of declaration by the Company's Board of Directors. Income tax consequences of dividends on financial instruments classified as equity will be recognized according to where the entity originally recognized those past transactions or events that generated distributable profits.

The Company declares and pays dividends in Indian rupees. The Finance Act 2020, has repealed the Dividend Distribution Tax (DDT). Companies are now required to pay/distribute dividend after deducting applicable taxes. The remittance of dividends outside India is also subject to withholding tax at applicable rates.

The Board of Directors in their meeting on May 14, 2022, recommended a final dividend of ₹ 0.12 per equity share (i.e. 6% on ₹ 2/- fully paid up share) for the financial year ended March 31, 2022. This payment is subject to the approval of shareholders in the ensuing Annual General Meeting of the Company and if approved would result in a net cash outflow of approximately ₹ 3.54 crores.

Total capital	261,142.81	246,816.13
Capital and net debt	396,562.93	421,364.43
Gearing ratio (Net debt/Capital and Net debt)	34.15%	41.42%

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.

50 Fair value measurements

The Company uses the following hierarchy for determining and/or disclosing the fair value of financial instruments by valuation techniques:

The following is the basis of categorising the financial instruments measured at fair value into Level 1 to Level 3:

- i) Level 1: This level includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities.
- ii) Level 2: This level includes financial assets and liabilities, measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).
- iii) Level 3: This level includes financial assets and liabilities measured using inputs that are not based on observable market data (unobservable inputs).

Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

Trade receivables, cash and cash equivalents, other bank balances, loans, other current financial assets, trade payables and other current financial liabilities: Approximate their carrying amounts largely due to short-term maturities of these instruments.

Management uses its best judgment in estimating the fair value of its financial instruments. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments, the fair value estimates presented above are not necessarily indicative of all the amounts that the Company could have realized or paid in sale transactions as of respective dates. As such, the fair value of the financial instruments subsequent to the respective reporting dates may be different from the amounts reported at each year end.

51 Financial risk management objectives

The Company's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance and support Company's operations. The Company's principal financial assets include inventory, trade and other receivables, cash and cash equivalents and land advances that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's senior management provides assurance that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below:

(a) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and other price risk, such as equity price risk and commodity/ real-estate risk. Financial instruments affected by market risk include loans and borrowings.

(b) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including refundable joint development deposits, security deposits, loans to employees and other financial instruments. To manage this, the Company periodically assesses financial reliability of customers and other counter parties, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of financial assets.

Trade receivables

- (i) Receivables resulting from sale of properties: Customer credit risk is managed by requiring customers to pay advances before transfer of ownership, therefore, substantially eliminating the Company's credit risk in this respect.

Notes forming part of the standalone financial statements

(ii) Receivables resulting from other than sale of properties: Credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored. The impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogeneous groups and assessed for impairment collectively.

(c) Financial Instrument and cash deposits

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, the Company's treasury maintains flexibility in funding by maintaining availability under committed credit lines. The management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows.

52 The Code on Social Security, 2020, (Code) relating to employees benefits during employment and post-employment benefits received President assent in September, 2020. The Code has been published in the Gazette of India. However, the data on which the Code will come into effect has not been notified and the final rules/interpretation have not yet been issued. The Company will assess the impact of the Code when it comes into effect and will record any related impact in the period the Code becomes effective.

Independent Auditor's Report

To the Members of Anant Raj Limited

Report on the Audit of Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Anant Raj Limited (hereinafter referred to as the 'Holding Company') and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), its associates and jointly controlled entities, which comprise the Consolidated Balance Sheet as at March 31, 2022, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information prepared based on the relevant records (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of other auditors on separate financial statements of such subsidiaries, associates and jointly controlled entities as were audited by the other auditors referred to in the Other Matters section below, the aforesaid consolidated financial statements, give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended (Ind AS) and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group, its associates and its jointly controlled entities as at March 31, 2022, and their consolidated profit, their consolidated other comprehensive income, their consolidated changes in equity and their consolidated cash flows for the year ended on that date

Basis for Opinion

We conducted our audit of consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143 (10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Financial Statements' section of our report. We are independent of the Group, its associates and its jointly controlled entities in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in terms of Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) and the relevant provisions of the Act and Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with

these requirements. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters section below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Emphasis of matter

We draw attention to Note 43 to the consolidated financial statements for the financial year ended March 31, 2022, with regard to management's evaluation of uncertainty due to outbreak of Covid-19 and its impact on future operations of the Company. Our opinion is not modified in respect this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the financial year ended March 31, 2022. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information (Annual Report), but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed and based on the work done/ audit report of other auditors, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

The respective Board of Directors of the companies/entities included in the Group and of its associates and jointly controlled entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intend to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities is responsible for overseeing the financial reporting process of each company.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material

misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding company has adequate internal financial controls system in place with reference to financial statements and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and of its associates and its jointly controlled entity to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and of its associates and jointly controlled entities to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated Financial Statements, including the disclosures, and whether the consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Obtain sufficient appropriate audit evidence regarding the financial information of its associates and jointly controlled entities to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial statements of such entities or business activities included in the financial consolidated financial statements of which we are the independent auditors. For the other entities or business activities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in para (b) of the section titled 'Other Matters' in this audit report.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the financial year ended March 31, 2022 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

Other Matters

Annexure “B” to the Independent Auditor’s Report

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of the section 143 of the Companies Act, 2013 (“the Act)

Opinion

In conjunction with our audit of the consolidated financial statements of Anant Raj Ltd. (hereinafter referred to as “the Holding Company”) as of and for the year ended March 31, 2022, we have audited the internal financial controls with reference to consolidated financial statements of the Holding Company and such companies incorporated in India under the Act which are its subsidiary companies, its associate companies and its jointly controlled entity, as of that date.

In our opinion, the Holding Company and such companies incorporated in India which are its subsidiary companies, its associate companies and jointly controlled entity, have, in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls were operating effectively as at March 31, 2022, based on the internal financial controls with reference to consolidated financial statements criteria established by such companies considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “Guidance Note”).

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Company, its subsidiary companies, its associate companies and its jointly controlled entity are responsible for establishing and maintaining internal financial controls with reference to consolidated financial statements based on the criteria established by the respective company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements based

on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to consolidated financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of the internal controls based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the relevant subsidiary companies, associate companies and jointly controlled entity in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A Company’s internal financial controls with reference to consolidated financial statements are a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial controls with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding

prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial controls with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matters

Our aforesaid report under Section 143(3) (i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to 37 (Thirty Seven) subsidiary companies, 1 (One) Jointly Controlled Entity and 4 (Four) associate companies, which are companies

incorporated in India, is based solely on the corresponding reports of the auditors of such companies incorporated in India.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company and its subsidiary companies, associate companies and jointly controlled entity, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Nature and purpose of Reserves

Capital Reserve

Capital reserve represents amount transferred from the transferor companies pursuant to various schemes of amalgamations and demerger. It is utilised in accordance with the provisions of Companies Act, 2013.

General Reserve

Under the erstwhile Indian Companies Act, 1956, a general reserve was created through an annual transfer of net profit at a specified percentage in accordance with applicable regulations. Consequent to introduction of Companies Act, 2013, the requirement of mandatory transfer of a specified percentage of the net profit to general reserve has been withdrawn though the Company may transfer such percentage of its profits for the financial year as it may consider appropriate. Declaration of dividend out of such reserve shall not be made except in accordance with rules prescribed in this behalf under the Companies Act, 2013.

Securities Premium Reserve

Securities premium reserve is created due to premium on issue of shares. These reserves shall be utilised in accordance with the provisions of the Companies Act, 2013.

Retained Earnings

Retained earnings are the profits and gains that the Company has earned till date, less any transfers to generate reserve, dividends or other distributions paid to shareholders. It also includes remeasurement gains and losses on defined benefit plans recognised in other comprehensive income (net of taxes).

Share warrants

Share warrant is a warrant option issued by the Company that gives the warrant holder a right to subscribe equity shares at a pre determined price on or after a pre determined time period.

(a) Basis of preparation and presentation of financial statements

The financial statements of the subsidiaries, associates and jointly controlled entities used in the consolidation are upto the same reporting date as that of the Company i.e. March 31, 2022.

These consolidated financial statements (CFS) of the Company are prepared in accordance with the Indian Accounting Standards (Ind AS), under historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 (Act), (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The consolidated financial statements have been prepared on a going concern basis in accordance with accounting principles generally accepted in India. The Ind AS are prescribed under section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, and relevant amendment rules issued thereunder.

Accounting policies have been consistently applied except where a newly issued Accounting Standard is initially adopted or a revision to an existing Accounting Standard requires a change in the Accounting policies hitherto in use.

The consolidated Balance Sheet, the Statement of Changes in Equity, the Statement of Profit and Loss and disclosures are presented in the format prescribed under Division III of Schedule III of the

Act, as amended from time to time that are required to comply with Ind AS. The Statement of Cash Flows has been presented as per the requirements of Ind AS 7 'Statement of Cash Flows'.

The consolidated financial statements are presented in Indian Rupees, which is also its functional currency. All amounts have been rounded off to the nearest ₹ lakh, unless otherwise indicated.

(b) Basis of consolidation

The CFS comprise the financial statements of the Company and its subsidiaries as at March 31, 2022. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if and only if the Group has:

- (i) Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee).
- (ii) Exposure, or rights, to variable returns from its involvement with the investee, and
- (iii) The ability to use its power over the investee to affect its returns

Generally, there is a presumption that a majority of voting rights result in control. To support this presumption and when the Group has less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

- (i) The contractual arrangement with the other vote holders of the investee.
- (ii) Rights arising from other contractual arrangements.
- (iii) The Group's voting rights and potential voting rights.
- (iv) The size of the group's holding of voting rights relative to the size and dispersion of the holdings of the other voting rights holders.

The Group re-assesses whether or not it controls an investee, if facts and circumstances, indicate that there

Notes forming part of the consolidated financial statements

are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the CFS from the date the Group gains control until the date the Group ceases to control the subsidiary.

CFS are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the group uses accounting policies other than those adopted in the CFS for like transactions and events in similar circumstances, appropriate adjustments are made to that group member's financial statements in preparing the CFS to ensure conformity with the group's accounting policies. The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent company, i.e., year ended on March 31. When end of the reporting period of the parent is different from that of a subsidiary, the subsidiary prepares, for consolidation purposes, additional financial information as of the same date as the financial statements of the parent to enable the parent to consolidate the financial information of the subsidiary, unless it is impracticable to do so.

- (i) Combine like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognised in the CFS at the acquisition date.
- (ii) Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary.
- (iii) Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the group (profits or losses resulting from intragroup transactions that are recognised in assets, such as inventory and fixed assets, are eliminated in full). Intragroup losses may indicate an impairment that requires recognition in the CFS. Ind AS12 'Income Taxes' applies to temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions.
- (iv) Profit or loss and each component of 'Other Comprehensive Income' (OCI) are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if, this results in the non-controlling interests having a deficit balance. When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the Group's accounting policies. All intra-group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.
- (v) The Company consolidates the entities which it owns or controls. The CFS of the Company, its controlled subsidiaries are disclosed in Note No. 34. Control exists when the parent has power over the entity, is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the investee's returns. Subsidiaries are consolidated from the date control commences until the date control ceases.
- (vi) The financial statements of the Group companies are consolidated on a line-by-line basis and intra-group balances and transaction including unrealized gain/ loss from such transaction are eliminated upon consolidation. These financial statements are prepared by applying uniform accounting policies in use at the Group. Non-controlling interests which represent part of the net profit or loss and net asset of subsidiaries that are not, directly or indirectly, owned or controlled by the company, are excluded.
- (vii) Associates are entities over which the Group has significant influence but not control. Investment in associates are accounted for using the equity method of accounting. The investment is initially recognized at cost, and the carrying amount is increased or decreased to recognize the investor's share of profit or loss of the investee after the acquisition date. The Group's investment in associates includes goodwill identified on acquisition.

(c) Use of estimates

The preparation of the CFS in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the CFS and reported amounts of revenues and expenses during the period. Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these CFS have been disclosed in Note 'D'. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the CFS in the period in which changes are made and, if material, their effects are disclosed in the notes to the CFS.

Estimation of uncertainties relating to pandemic from COVID-19

The Group has considered the possible effects that may result from the pandemic relating to COVID-19 in the preparation of these consolidated financial statements including the recoverability of carrying amounts of financial and non financial assets. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the group has, at the date of approval of these financial statements, used internal and external sources of information including credit reports and related information and economic forecasts and expects that the carrying amount of these assets will be recovered. The impact of COVID-19 on the Group's financial statements may differ from that estimated as at the date of approval of these consolidated financial statements.

(d) Critical accounting estimates

(i) Revenue recognition

The Group's contracts with customers include promises to transfer multiple products and services to a customer. Revenues from customer contracts are considered for recognition and measurement when the contract has been approved, in writing, by the parties to the contract, the parties to contract are committed to perform their respective obligations under the contract, and the contract is legally enforceable. The Group

assesses the services promised in a contract and identifies distinct performance obligations in the contract. Identification of distinct performance obligations to determine the deliverables and the ability of the customer to benefit independently from such deliverables, and allocation of transaction price to these distinct performance obligations involves significant judgement.

The Group uses the percentage-of-completion method in accounting for other fixed-price contracts. Use of the percentage-of-completion method requires the Group to determine the actual efforts or costs expended to date as a proportion of the estimated expended have been used to measure progress towards completion total efforts or costs to be incurred. Efforts or costs as there is a direct relationship between input and productivity. The estimation of total efforts or costs involves significant judgement and is assessed throughout the period of the contract to reflect any changes based on the latest available information.

(ii) Allowance for credit losses on receivables and unbilled revenue

The Group determines the allowance for credit losses based on historical loss experience adjusted to reflect current and estimated future economic conditions. The Group considered current and anticipated future economic conditions relating to industries the Group deals with. In calculating expected credit loss, the Group has also considered credit reports and other related credit information for its customers to estimate the probability of default in future and has taken into account estimates of possible effect from the pandemic relating to COVID-19.

(e) Property, plant and equipment

Property, plant and equipment are stated at their cost of acquisition/construction, net of accumulated depreciation and impairment losses, if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by management. Capital work-in-progress represents expenditure incurred in respect of capital projects which are carried at cost. Cost includes land, related acquisition expenses, development and construction costs, borrowing costs and other direct expenditure.

Notes forming part of the consolidated financial statements

Advances paid towards acquisition of property, plant and equipment outstanding at each Balance Sheet date are disclosed as Capital Advances under 'Other Non-Current Assets' and cost of fixed assets not yet ready for their intended use as at the reporting date are disclosed under 'Capital Work in Progress'. Subsequent expenditures relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Group and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in the Statement of Profit and Loss when incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss. Assets to be disposed off are reported at the lower of the carrying value or the fair value less cost to sell.

Depreciation on fixed assets is charged in accordance with estimate of useful life of the assets on written down value method, at rates specified in Schedule II of the Act. Depreciation on assets purchased/sold during a period is proportionately charged.

Depreciation methods, useful lives and residual values are reviewed periodically, including at each financial year end.

(f) Investment property

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably.

The Group discloses the fair value of investment properties in notes to the consolidated financial statements. Fair values are determined based on annual evaluation performed by the management.

Investment properties are derecognized either when they have been disposed off or when they have been permanently withdrawn from use and no future

economic benefit is expected from their disposal. The difference between net disposal proceeds and the carrying amount of the asset is recognised in the Statement of Profit and Loss in the period of derecognition.

(g) Financial instruments

(i) Initial recognition

The Group recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, that are not at fair value through profit or loss, are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

(ii) Subsequent measurement

Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Investments in equity instruments of subsidiaries, joint ventures and associates

Investments in subsidiaries, are stated at cost less provision for impairment losses, if any. Investments are tested for impairment whenever an event or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the carrying amount of investments exceeds its recoverable amount. If, in a subsequent period, recoverable amount equals or exceeds the carrying amount, the impairment loss recognised is reversed accordingly.

Investments in equity instruments of subsidiaries, joint ventures and associates are accounted for

Notes forming part of the consolidated financial statements

at cost in accordance with Ind AS-27 'Separate Financial Instruments'.

(iii) Financial liabilities

Financial liabilities are carried at amortized cost using the effective interest method, except for contingent consideration recognized in a business combination which is measured at fair value through profit or loss. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

(iv) Derecognition of financial instruments

The Group derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition in accordance with Ind AS 109 "Financial Instruments" issued by the Ministry of Corporate Affairs, Government of India. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

(h) Impairment

(i) Financial assets

The Group recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in profit or loss.

(ii) Non-financial assets

Property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose

of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the Statement of Profit and Loss, if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

(i) Provisions and contingent liabilities

Provisions

A provision is recognized if, as a result of a past event, it has a present legal or constructive obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Group does not recognise a contingent liability but discloses its existence in the financial statements. Contingent assets are neither recognised nor disclosed in the financial statements.

Notes forming part of the consolidated financial statements

(j) Inventories

Real Estate: Lower of cost or net market value; Cost includes cost of acquisition and other related expenses incurred in bringing the inventories to their present location and condition. Net market value is the estimated selling price in the ordinary course of business.

Constructed/Under Construction Properties: Lower of cost or net realisable value. Cost includes the cost of land, internal development cost, external development charges, construction costs, overheads, borrowing costs and development/ construction material.

Development Rights: At cost of acquisition, including cost of acquiring rights of any interested party. Development rights are considered to have been acquired on execution of a Development Agreement upon vesting of irrevocable rights in the Company to construct, market, and sell the development over land and realize and retain the economic and other benefits.

(k) Unbilled receivables

Unbilled receivables represent revenue recognized based on Percentage of Completion of Construction Method [Para (l) below], to the extent the work completed exceeds billed receivables.

(l) Revenue recognition

(i) Revenue from contracts from customers

Pursuant to the application of Ind AS-115, the Company has applied following accounting policy for revenue recognition:

The Company satisfies a performance obligation and recognises revenue over time, if one of the following criteria is met:

- (a) The customer simultaneously receives and consumes the benefits provided by the Company's performance as the entity performs; or
- (b) The Company's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
- (c) The Company's performance does not create an asset with an alternative use to the Company and the entity has an enforceable right to payment for performance completed to date.

For performance obligations, where one of the above conditions are not met, revenue is recognised at the point in time at which the performance obligation is satisfied.

Revenue is recognised either at point of time and over a period to time based on various conditions as included in the contracts with customers.

(ii) Others

- (a) Revenues from sale of investment properties and assets to the extent of sale consideration reduced by the respective costs thereof in each case, being value inclusive of cost of acquisition, and construction and development cost thereof.
- (b) Forfeiture due to non fulfilment of obligations by counter parties is accounted as Revenue on unconditional appropriation.
- (c) Revenues from rentals are recognised on accrual basis in accordance with terms of agreements executed with respective tenants.
- (d) Service receipts and interest from customers is accounted for on accrual basis.
- (e) Divided income is recognised when the shareholder or unit holder's right to receive payment is established, which is generally when shareholder approve the dividend.
- (f) Share of profit/loss from firm in which the Company is a partner is accounted for in the financial year ending on the date of the Balance Sheet.
- (g) Interest income is recognized using effective interest method.
- (h) Interest on arrears of allotment money is accounted in the year of receipt.

(iii) Revenue from fixed-price, fixed-time frame contracts, where the performance obligations are satisfied over time and where there is no uncertainty as to measurement or collectability of consideration, is recognized as per the percentage-of-completion method. When there is uncertainty as to measurement or ultimate collectability, revenue recognition

Notes forming part of the consolidated financial statements

is postponed until such uncertainty is resolved. Efforts or costs expended have been used to measure progress towards completion as there is a direct relationship between input and productivity. Maintenance revenue is recognized rateably over the term of the underlying maintenance arrangement.

(m) Claims

Claims lodged by and lodged against are accounted in the year of payment or settlement thereof..

(n) Borrowing costs

Borrowing costs directly attributable to the acquisition and/or construction/production of qualifying assets which are assets that necessarily take a substantial period of time to get ready for their intended use, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use. All other borrowing costs are charged to Statement of Profit and Loss as incurred. Borrowing consist of interest and other costs that is incurred in connection with the borrowings of funds.

(o) Employee benefits

- (i) Benefits such as salaries, wages and short term compensations etc. and the expected cost of ex-gratia is recognized in the period in which the employee renders the related service.
- (ii) The Gratuity and Leave encashment schemes are defined benefit plans. Gratuity is provided by covering eligible employees on the basis of actuarial valuation as carried out by an independent actuary using the Projected Unit Credit method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of obligation under defined benefit plans is based on the market yields on Government securities as at the Balance Sheet date.
- (iii) The liability is un-funded. Actuarial gains and losses arising through re-measurement of net defined benefit liability/(assets) are recognised in 'Other Comprehensive Income'.

The employees of the Company are entitled to compensated absences as per the policy of the Company. The Company recognises the charge to the Statement of Profit and Loss and corresponding liability on account of such non-vesting accumulated leave entitlement based on a valuation by an independent actuary. The cost of providing compensated absences are determined using the projected unit credit method. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in Statement of Profit and Loss.

- (iv) Contributions payable to the concerned government authorities in respect of provident fund, family pension fund and employees state insurance are defined contribution plans. The contributions are recognized as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service. There is no further obligation in this respect, beyond such contribution. Other employee benefits are accounted for on accrual basis.

(p) Foreign currency translation

On initial recognition, all foreign currency transactions are translated in to the functional currency using the exchange rates prevailing on the date of the transaction. As at the reporting date, foreign currency monetary assets and liabilities are translated at the exchange rate prevailing on the Balance Sheet date and the exchange gains or losses are recognised in the Consolidated Statement of Profit and Loss.

(q) Cash and cash equivalents

Cash and cash equivalents comprise cash at bank, cash in hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. Short-term deposits are made for varying periods of between one day and three months, depending on the immediate cash requirements, and earn interest at the respective short-term deposit rates.

(r) Cash flow statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or

Notes forming part of the consolidated financial statements

payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities are segregated. All highly liquid investments are considered that are readily convertible to known amounts of cash to be cash equivalents.

(s) Dividends

Dividend on equity shares are recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors.

(t) Income taxes

Income tax expense comprises current and deferred tax. It is recognised in Statement of Profit and Loss except to the extent that it relates to items recognised directly in equity or in other comprehensive income.

Income tax expense comprises current and deferred income tax. Income tax expense is recognized in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in 'Other Comprehensive Income'. Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred tax is recorded on temporary differences between the tax bases of assets and liabilities and their carrying amounts, at the rates that have been enacted or substantively enacted at the reporting date. The ultimate realization of deferred tax assets is dependent upon the generation of future taxable profits during the periods in which those temporary differences and tax loss carry-forwards become deductible. The Company considers expected reversal of deferred tax liabilities and projected future taxable income in making this assessment. The amount of deferred tax assets considered realisable, however, could reduce in the near term if estimates of future taxable income during the carry-forward period are reduced.

(u) Earnings per share

Basic earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Group by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Group by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

(v) Leases

The Group evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Group uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Group determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Group revises the lease term if there is a change in the non-cancellable period of a lease. The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

Notes forming part of the consolidated financial statements

(w) Segment reporting

Operating segments are reported in the manner consistent with the internal reporting provided to the chief operating decision maker (CODM). The Managing Director of the Company has been identified as CODM and he is responsible for allocating the resources, assess the financial performance and position of the Company and makes strategic decisions. The Company has identified one reportable segment "Real Estate" based on the information reviewed by the CODM. Refer Note no. 45 for the Segment information presented.

(x) Current versus non-current classification

The assets and liabilities are presented in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalents unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

(y) Goods and service tax paid on acquiring of assets or on incurring expenses

Expenses and assets are recognised net of the goods and service tax paid, except when the tax incurred on a purchases of assets or services is not recoverable from the tax authority, in which case, tax paid is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable. The net amount of tax recoverable from, or payable to, the tax authority is included as part of receivables or payables, respectively, in the balance sheet.

(z) Recent Pronouncements

On March 23, 2022, the Ministry of Corporate Affairs ("MCA") notified new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time as below:

Ind AS 16- Property, plant and equipment:

The amendment clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant and equipment. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022. The Company has evaluated the amendment and there is no impact on its financial statements.

Ind AS 37- Provisions, Contingent liabilities and Contingent assets:

The amendment specifies that the 'cost of fulfilling' a contract comprises the 'costs that related directly to the contract'. Costs that related directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of depreciation charge for an item of property, plant and equipment used in fulfilling the contract). The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022, although early adoption is permitted.

The amendments are extensive and the Group will evaluate the same to give effect to them as required by law.

(b) Right, preference and restrictions attached to shares

The Company has only one class of equity shares having a par value of ₹ 2 each. Each shareholder is eligible for one vote per share held and carry a right of dividend. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting, except in case of interim dividend.

In the event of liquidation, the equity shareholders are eligible to receive the remaining assets of the Company after distribution of all preferential amounts, in proportion to their shareholding.

(c) Dividend

The final dividend on shares is recorded as a liability on the date of approval by the shareholders and interim dividend is recorded as a liability on the date of declaration by the Company's Board of Directors. Income tax consequences of dividends on financial instruments classified as equity will be recognized according to where the entity originally recognized those past transactions or events that generated distributable profits.

The Company declares and pays dividends in Indian rupees. The Finance Act 2020, has repealed the Dividend Distribution Tax (DDT). Companies are now required to pay/distribute dividend after deducting applicable taxes. The remittance of dividends outside India is also subject to withholding tax at applicable rates.

The Board of Directors in their meeting on May 14, 2022, recommended a final dividend of ₹ 0.12 per equity share (i.e. 6% on ₹ 2/- fully paid up share) for the financial year ended March 31, 2022. This payment is subject to the approval of shareholders in the ensuing Annual General Meeting of the Company and if approved would result in a net cash outflow of approximately ₹ 3.54 crores.

Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company includes within net debt, interest bearing loans and borrowings, trade and other payables, less cash and cash equivalents.

Particulars	(₹ in Lakhs)	
	March 31, 2022	March 31, 2021
Borrowings (long-term and short-term, including current maturities of long term borrowings)	129,296.33	166,292.40
Trade payables (Note 18)	596.94	693.02
Other payables (Note 19 & 20)	21,357.00	27,533.98
Less: Cash and cash equivalents (Note no. 10 & 11)	(3,081.66)	(3,736.13)
Net debt	148,168.61	190,783.27
Equity share capital	5,901.93	5,901.93
Other equity	258,008.09	244,048.76
Total capital	263,910.02	249,950.69
Capital and net debt	412,078.63	440,733.96
Gearing ratio (Net debt/Capital and Net debt)	35.96%	43.29%

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.

47 Fair value measurements

The Company uses the following hierarchy for determining and/or disclosing the fair value of financial instruments by valuation techniques:

The following is the basis of categorising the financial instruments measured at fair value into Level 1 to Level 3:

- Level 1: This level includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: This level includes financial assets and liabilities, measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).
- Level 3: This level includes financial assets and liabilities measured using inputs that are not based on observable market data (unobservable inputs).

Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

Trade receivables, cash and cash equivalents, other bank balances, loans, other current financial assets, trade payables and other current financial liabilities: Approximate their carrying amounts largely due to short-term maturities of these instruments.

Management uses its best judgment in estimating the fair value of its financial instruments. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments, the fair value estimates presented above are not necessarily indicative of all the amounts that the Company could have realized or paid in sale transactions as of respective dates. As such, the fair value of the financial instruments subsequent to the respective reporting dates may be different from the amounts reported at each year end.

48 Financial risk management objectives

The Company's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance and support Company's operations. The Company's principal financial assets include inventory, trade and other receivables, cash and cash equivalents and land advances that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's senior management provides assurance that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below:

(a) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and other price risk, such as equity price risk and commodity/ real-estate risk. Financial instruments affected by market risk include loans and borrowings.

(b) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including refundable joint development deposits, security deposits, loans to employees and other financial instruments. To manage this, the Company periodically assesses financial reliability of customers and other counter parties, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of financial assets.

Trade receivables

- (i) Receivables resulting from sale of properties: Customer credit risk is managed by requiring customers to pay advances before transfer of ownership, therefore, substantially eliminating the Company's credit risk in this respect.
- (ii) Receivables resulting from other than sale of properties: Credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored. The impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogeneous groups and assessed for impairment collectively. In addition, a large number of minor receivables are grouped into homogeneous groups and assessed for impairment collectively.

(c) Financial Instrument and cash deposits

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, the Company's treasury maintains flexibility in funding by maintaining availability under committed credit lines. The management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows.

- 49 The Code on Social Security, 2020, (Code) relating to employees benefits during employment and post-employment benefits received President assent in September, 2020. The Code has been published in the Gazette of India. However, the data on which the Code will come into effect has not been notified and the final rules/interpretation have not yet been issued. The Company will assess the impact of the Code when it comes into effect and will record any related impact in the period the Code becomes effective.
