Earnings Presentation

8th August 2025

INFIBEAM AVENUES

A GLOBAL FINTECH COMPANY

Q1 FY26

This presentation contains certain words and statements concerning Infibeam Avenues Limited (“the Company”) and its prospects, and other statements relating to the Company’s expected financial position, business strategy, the future development of the Company’s operations and the general economy in India & global markets, are forward looking statements. Such statements involve known and unknown risks, uncertainties and other factors, which may cause actual results, performance or achievements of the Company, or industry results, to differ materially from those expressed or implied by such forward-looking statements. Such forward-looking statements are based on numerous assumptions regarding the Company’s present and future business strategies and the environment in which the Company will operate in the future.

Actual results could differ materially for a variety of reasons, including fluctuations in foreign exchange rates, changes in global economic conditions and consumer spending, world events, the rate of growth of the Internet and online commerce, the amount that Infibeam invests in new business opportunities and the timing of those investments, the mix of products sold to customers, the mix of net sales derived from products as compared with services, the extent to which we owe taxes, competition, management of growth, potential fluctuations in operating results, international growth and expansion, the outcomes of legal proceedings and claims, risks of inventory management, seasonality, the degree to which the Company enters into, maintains, and develops commercial agreements, acquisitions and investment of strategic transactions, payments risks, and risks of warehouse and logistics productivity.

The other important factors that could cause actual results, performance or achievements to differ materially from such forward-looking statements include, among others, changes in government policies or regulations of India and, in particular, changes relating to the administration of the Company’s industry, and changes in general economic, business and credit conditions in India. The information contained in this presentation is only current as of its date and has not been independently verified. No express or implied representation or warranty is made as to, and no reliance should be placed on, the accuracy, fairness or completeness of the information presented or contained in this presentation. None of the Company or any of its affiliates, advisers or representatives accepts any liability whatsoever for any loss howsoever arising from any information presented or contained in this presentation. Please note that the past performance of the Company is not, and should not be considered as, indicative of future results. Furthermore, no person is authorized to give any information or make any representation which is not contained in, or is inconsistent with, this presentation.

Any such extraneous or inconsistent information or representation, if given or made, should not be relied upon as having been authorized by or on behalf of the Company. The Company may alter, modify or otherwise change in any manner the contents of this presentation, without obligation to notify any person of such revision or changes. Persons should consult their own financial or tax adviser if in doubt about the treatment of the transaction for themselves. Certain financial and operational figures and related statements provided in this presentation including certain quarterly information in relation to subsidiaries of the Company are management representations based on internal financial information system of the Company and subsidiaries of the Company.

FINANCIAL PERFORMANCE AND OUTLOOK

Pioneering a New Era : India's First
Listed Fintech Company

**EARNINGS
PRESENTATION**

01

Announced Global Agentic AI Marketplace: Launched plans for a first-of-its-kind Agentic AI marketplace in Mumbai enabling developers, enterprises, and individuals to build, buy, sell, and operate AI agents as functional digital co-workers.

02

Strengthened AI Infrastructure: Advanced the company's entry into AI-driven data centers with a roadmap to set up 12 small-city facilities (1–2 MW each) to power AI adoption at scale.

03

Strategic Capital Infusion: Announced INR 700 crores Rights Issue to accelerate AI initiatives and business expansion, driving positive market response and stock re-rating.

04

Expanded UPI Business: Prepared for the launch of RediffPay, positioning the company to enter the UPI payments app space while reinforcing leadership in digital payment policy discussions.

05

AI Collaborations & Ecosystem Play: Advanced MoUs with IISc Bengaluru and other institutions to build secure AI solutions for businesses and governments.

06

Expanded UPI & Payments Strategy: Progress on the launch of RediffPay, positioning Infibeam for entry into the UPI apps market while reinforcing digital payment leadership.

07

Multi-Platform Business Model Now Fully Operational - With Infibeam and Rediff now operating as two distinct yet synergistic business verticals, we have activated a **multi-platform model** that allows us to sharpen focus, unlock vertical-specific growth, and align capital allocation with market opportunity. This structure is designed for scalability, governance clarity, and long-term shareholder value creation.

08

Rediff's Run-Rate Revenue Milestone - Rediff's current business momentum positions it to cross **INR 300 crore in annualised run-rate revenue**. This growth is being driven by rising enterprise adoption across RediffOne including Ecommerce SaaS, and our upcoming media verticals.

09

Rediff TV – New AI-led Media Venture - We have entered the digital media space with **Rediff TV**, an AI-native content platform that enables creation, curation, and monetisation at scale. Powered by built-in AdTech, Rediff TV is designed to become a high-growth vertical at the intersection of content, technology, and commerce.

10

AI Use Cases in Fintech via Phronetic.ai - With **Phronetic.ai**, we're now building applied AI models to power real-world fintech use cases from adaptive fraud detection to intelligent transaction routing and personalised user experiences.

Q1 FY26 Performance At A Glance

Profitable Growth and Healthy Returns

¹ Total TPV from; CCAvenue (India + International incl. non-MDR payment options) + BillAvenue (Bill Payments) + Go Payments + Platform GMV; ² Net Revenue = Gross Revenue - Operating Expenses (Optg exp = Payment processing charges and direct expenses related to Platforms business); ³ Adjusted or excluding the impact from MTM and or FV gain / (loss); ⁴ Margins are calculated as a percentage of Net Revenue; * No GeM Platform revenue included during the quarter. ; # Figures are restated to take into account the impact of Scheme of Arrangement
