ESG delivering sustainable long-term value to stakeholders

Prioritising responsible business practices

DEFINING A BETTER TOMORROW

Environment

We are committed to sustaining our environment by responsibly maintaining and optimising our assets regularly. Our key initiatives would lead our business operations to run smoothly and create a friendly environment for all.

Green Infrastructure And Energy Efficiency

- Head office operates from a Platinum-certified Green Building, constructed with recycled materials and fitted with energy-efficient infrastructure.
- As part of our 'Go Green' initiative, we procured renewable energy from the Maharashtra State Electricity Board to power our corporate office.
- To further reduce energy consumption, we implemented efficiency upgrades across our office network. These include LED lighting, retrofitted appliances, and the modernisation of older systems.

Responsible Disposal And E-waste Management

- In our offices, we are replacing paper cups with rice husk alternatives and using recyclable paper rolls to promote sustainability.

Social

We are committed to investing proactively in our workforce and fostering positive relationships with external stakeholders, including customers, lenders, vendors, and communities. Our social commitment is centred on prioritising people and building lasting partnerships for mutual benefit.

Expanding Access To Healthcare

- In partnership with Grant Medical Foundation, we provided medical equipment to increase accessibility and availability to health care facilities for the underprivileged.

Unlocking Opportunity Through Sport

- Engaged with Sindola Sports India Foundation, the agency which is creating an integrated Cricket, Tennis focused facility for sports man and women from the underprivileged class. PFL has funded to the agency as a CSR contribution

Governance

We are committed to strong governance that encompasses all of our business drivers, including strategic depth, code of conduct, board membership, risk management, and guiding principles.

- Ensuring compliance with regulatory changes
- Maintaining the governance standards
- Emphasis on financial integrity, ethical conduct, transparency, and trust
- Prioritise integrity and take immediate action to address any actions that compromise an individual's integrity
- Developed clear policy guidelines for handling incidents involving directors, employees, channel partners, customers, and service providers accused of fraudulent activities or integrity violations
