Subject: Investor Presentation – Q3 & M9 FY24.

Dear Sir,

Please find enclosed herewith Investor Presentation on the Financial Results of the Company for the quarter and nine months ended 31st December 2023. This presentation is being submitted in compliance with Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

This presentation is also made available on the Company's website www.iolcp.com

Thanking You,

Yours faithfully, For IOL Chemicals and Pharmaceuticals Limited

Abhay Raj Singh Sr. Vice President & Company Secretary

IOL Chemicals and Pharmaceuticals Limited Q3 & 9M FY24 Investor Presentation February 2024

IOL Chemicals And Pharmaceuticals Limited

This presentation has been prepared by IOL Chemicals & Pharmaceuticals Limited (the "Companies", IOL) solely for information purposes and does not constitute any offer, recommendation or invitation to purchase or subscribe for any securities, and shall not form the basis or be relied on in connection with any contract or binding commitment what so ever. No offering of securities of the companies will be made except by means of a statutory offering document containing detailed information about the Companies.

This Presentation has been prepared by the Companies based on information and data which the Companies considers reliable, but the Companies makes no representation or warranty, express or implied, whatsoever, and no reliance shall be placed on, the truth, accuracy, completeness, fairness and reasonableness of the contents of this Presentation. This Presentation may not be all inclusive and may not contain all of the information that you may consider material. Any liability in respect of the contents of, or any omission from, this Presentation is expressly excluded.

Certain matters discussed in this Presentation may contain statements regarding the companies market opportunity and business prospects that are individually and collectively forward-looking statements. Such forward-looking statements are not guarantees of future performance and are subject to known and unknown risks, uncertainties and assumptions that are difficult to predict. These risks and uncertainties include, but are not limited to, the performance of the Indian economy and of the economies of various international markets, the performance of the industry in India and world-wide, competition, the companies ability to successfully implement its strategy, the companies future levels of growth and expansion, technological implementation, changes and advancements, changes in revenue, income or cash flows, the companies market preferences and its exposure to market risks, as well as other risks. The companies actual results, levels of activity, performance or achievements could differ materially and adversely from results expressed in or implied by this Presentation. The companies assumes no obligation to update any forward-looking information contained in this Presentation. Any forward-looking statements and projections made by third parties included in this Presentation are not adopted by the companies and the companies is not responsible for such third party statements and projections.

COMPANY OVERVIEW

The Journey

IOL Chemicals And Pharmaceuticals Limited

Core management team

Varinder Gupta (Managing Director)

 Wide and rich experience of more than 35 years in the chemical & fertilizer industry and along with a comprehensive approach and strong Pharma API industry oversight has paved a way for innovation and excellence

Abhiraj Gupta (Executive Director*)

• Possesses requisite qualification and experience in the Company's business. He oversees the nonibuprofen API and chemical business, R&D, regulatory, digital marketing, and strategic decisions. The non-ibuprofen API business is doing good and meeting its targets under his leadership.

Vikas Vij (Chief Executive Officer*)

- Dynamic career spanning over 30 years showing year-on-year success in achieving profitability and business growth for various companies like Sun Pharma, Ranbaxy, Cipla leading API segment and Access Business Unit among others
- Has handled leadership roles across Pharma Value chain and Speciality Chemicals and achieved multi-million dollar sales target

 Academically equipped with knowledge and possesses organizational capacity. He has worked in strategic department of the Company and played a main role in guiding Chemical and Pharmaceutical business of the company. He has been vital to the functioning of the company over the last 7 years

Kushal Kumar Rana (Director - Works)

- Bachelor's in Chemistry, Physics, Math and Master's degree in Chemistry
- Over 30 years in the pharmaceutical industry in companies like Morepen Laboratories, Chemiplast Industries
- His expertise lies in looking after quality assurance, quality control & corporate regulatory affairs

Board of Directors

Rajender Mohan Malla

(Chairman and Independent Director)

- With four decades of experience held top and significant decision-making positions in Banks, Financial Institutions & NBFCs
- In his most recent executive roles, he was MD & CEO of PTC India Financial Services Limited (PFS), and prior to that CMD of IDBI

Dr. Sandhya Mehta

(Independent Director)

- Dr. Sandhya is working as the principal of Guru Nanak Institute of Management & technology, Ludhiana and has vast 22 year experience to her credit
- She has published seven books in addition to numerous papers published in reputed National & international Journals

Harpal Singh (Independent Director)

- Over 35 year's experience of banking and financial services
- Most recently he was General Manager of Punjab National Bank and headed entire operations of bank in State of Punjab from 2010 to 2015

Sharad Tyagi (Independent Director)

Product application across various therapeutic areas

IOL Chemicals And Pharmaceuticals Limited

IOLCP first commenced manufacturing Ethyl Acetate in 1996, with a starting capacity of 3000 TPA Today, the Company has grown this business to become the largest single location plant in India, with a production capacity of 1,00,000 TPA

- Commenced plant for Acetic Anhydride, which shall be used for captive consumption as well as merchant sale
- India's second largest manufacturer for Iso Butyl Benzene (IBB) with ~30% global share
- Received REACH Certificate for ethyl acetate and is exported to over 40 countries worldwide
- Asia's first continuous dual technology (green chemistry) plant for MCA and Acetyl Chloride

Manufacturing facilities

API manufactured in batch manner and intermediates & Specialty chemicals in continuous product delivery manner based on DCS technology

Manufacturing facilities involves -Reactions, Filteration, Centrifugation, Drying, Blending & Sieving, Micronization operation Dedicated and multiproduct blocks involved in manufacturing of APIs

Four stage treatment zero discharge ETP, solvent recovery plants & EHS cell as a part of the facility

Research & Development

Facility is coupled with ISO class-8 HVAC system, PSA Nitrogen & Purified water along with 127 MTPH steam generation capacity with multiple boilers

Dedicated decentralized utilities from -20 to 275 deg.C temp and dedicated co-generation plant of 17MW

110 Highly skilled members

Working on generic molecules with latest equipment & techniques for process development

DSIR approved facility for research & development

In-house development of multi step products

- Our targets include a reduction in Scope-01 emissions by 45.21% and 100% reduction in Scope-02 emissions by 2035, based on the baseline emissions of FY 2021-22

INDUSTRY OVERVIEW

Pharmaceuticals - Emerging strongly out of pandemic

Indian API Market

- Active Pharmaceutical Ingredient is a crucial segment of the pharma industry, contributing to around 35% of the market
- India is the 3rd largest producer of API accounting for an 8% share of the Global API Industry.
- About 500+ different APIs are manufactured in India, and it contributes 57% of APIs to prequalified list of the WHO.
- India imported US \$4.4 billion worth of API's constituting ~56% of total Pharma Imports in FY23.
- Substantial reliance on China which in both value and volume terms constituted 71% and 75% respectively of total API imports in FY23 by India is a concern

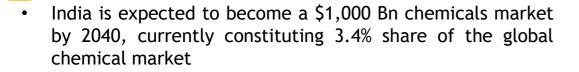

World Pharmaceutical Industry

Specialty Chemicals - an era of sustained robust growth

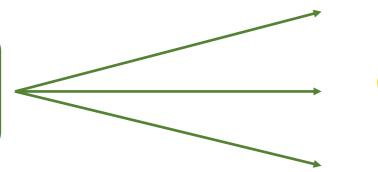

2040

Billion

- Specialty Chemical account for 20% of the global chemical industry's US\$4 trillion. Specialty chemicals constitute 22% of chemical market in India.
- India's market share in Specialty Chemical to increase at a CAGR of 12% to US\$ 64 billion by 2025. Specialty chemical market in India would grow faster than China, increasing its market share to 6% by 2026 from 3-4% in fiscal 2021
- The growth in Specialty segment will be driven by a healthy demand in export/enduser industries
- India has cost advantage in production of Iso-Butyl Benzene (IBB) compared to China (15% lower) and Germany (35% lower) commanding two-third of the global market

Factors driving growth of specialty chemicals in India

Year Chemical Specialty Chemicals Growth 2021 US\$170-180 Billion US\$32 Billion 9-10% 2040 US\$ 850-1000 US\$140-190 11.5% (2021-27)
