9. The Competition Commission of India (CCI), vide its order dated August 31, 2016, had imposed a penalty of ₹ 1,147.59 Crore on the Company on grounds of alleged cartelisation. On Company's appeal, the Competition Appellate Tribunal (COMPAT), subsequently merged with National Company Law Appellate Tribunal (NCLAT), vide its interim Order dated November 7, 2016, had granted stay against the CCI's Order with the condition to deposit 10% of the penalty amount through lien on deposit of such amount in bank, which was deposited by the Company and further in case the appeal is dismissed, interest at 12% p.a. would be payable on the penal amount from the date of the CCI order. NCLAT, vide its Order dated July 25, 2018, dismissed the Company's appeal, and upheld the CCI's order. Against this, the Company appealed before the Hon'ble Supreme Court, which, by its Order dated October 05, 2018, had admitted the appeal and directed to continue the Interim order passed by the NCLAT dated November 7, 2016. The matter was previously scheduled for hearing on October 8, 2025 in the weekly list of Supreme Court though the same did not come up for hearing and next date will be notified in due course of time.

In a separate matter, pursuant to a reference filed by the Government of Haryana, the CCI by its Order dated January 19, 2017, had imposed a penalty of ₹ 35.32 Crore on the Company on grounds of alleged collusive bidding. On Company's appeal, COMPAT had stayed the operation of the CCI's Order. The matter was listed before the NCLAT on August 11, 2025, however the same was adjourned and now fixed for hearing from November 25, 2025 to November 27, 2025.

Based on the advice of external legal counsel, the Company believes it has a strong case on merits for successful appeal in both the aforesaid matters. Accordingly, no provision (including interest) is recognised in the books by the Company.

10. Employee benefits expenses are net of costs allocated to / from the Company's Holding Company and subsidiaries based on cost sharing arrangements between the Companies.

11. The Company has reclassified the certain sales promotion expenses as other expenses and Trade payables from earlier classification as netted off from Revenue from Operations and Other current liabilities respectively, considering the nature of such expenses. This reclassification has been given effect from the quarter ended June 30, 2025, and accordingly figures for the quarter and half year ended September 30, 2024, and year ended March 31, 2025 presented in standalone financial results have been accordingly regrouped. This reclassification is not material and does not have any impact on Company's standalone financial results.
12. In respect of captive limestone mining lease operations for manufacturing of cement plant in Wadi, Karnataka, the Company has ongoing dispute with Department of Mines & Geology (DMG), Karnataka, over the basis of royalty calculation since earlier years.

The Company has made various representation in the matter including Revisional Authority (RA) and in previous year, it also approached Hon'ble High Court of Karnataka to ensure continuing mining for manufacturing operations of Wadi Plant on provisional deposit of ₹ 125 Crore against the demand of DMG.

The dispute also led to delay in executing and concluding the supplementary lease deed with government authorities. As at quarter ended September 30, 2025, the Hon'ble Revisionary Authority has held that the State Government could not have adopted the notional limestone consumption factor of 1:1.42 for computation of royalty payable in absence of any dispute regarding the weighment mechanism and has remanded the matter back to the State Government and the matter relating to the show cause for not entering into supplementary lease agreement is pending before Hon'ble High Court of Karnataka. Basis the independent legal opinion, Management believes that the Company has a strong case on merits, and no provision is considered necessary in the matter in the financial results as at September 30, 2025.

13. The Company is mainly engaged in the business of cement (incl. intermediary products) and Ready Mix Concrete. As per para 4 of Ind AS 108 "Operating Segments", if a single financial report contains both consolidated financial statements and the separate financial statements of the Parent Company, segment information is required only in consolidated financial statements. Thus, the information related to disclosure of operating segments required under Ind AS 108 "Operating Segments", is given in Consolidated Financial results.

Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

**Review Report to
The Board of Directors
ACC Limited**

1. We have reviewed the accompanying statement of unaudited standalone financial results of ACC Limited (the "Company") for the quarter ended September 30, 2025, and year to date from April 01, 2025 to September 30, 2025 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. The Company's Management is responsible for the preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Statement has been approved by the Company's Board of Directors. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. We draw attention to Note 9 of the accompanying Statement which describes the uncertainty related to the outcome of ongoing litigation with the Competition Commission of India. Our conclusion is not modified in respect of this matter.

Basis such assessment, the Management has identified significant carrying value of property, plant and equipment and right of use assets (tangible assets) of non-operational clinker manufacturing units at Wadi-1, Bargarh and Chaibasa, being impaired, based on unviable future business prospects and economic viability due to higher cost of manufacturing, shortage of raw material etc. The Holding Company has carried out a review of the recoverable amount of the tangible assets used in the clinker manufacturing facility at the abovementioned three plants. The recoverable amount from such tangible assets is assessed to be lower than its carrying amount and consequently an impairment loss of ₹ 207.28 Crore was recognised and disclosed as an exceptional item in the consolidated financial results for the year ended March 31, 2025.

6. The Holding Company had entered into a Memorandum of Understanding ("MoU") with Camrose Realtors Private Limited, a related party to sell its surplus land at Thane on "As is where is basis" (Held For Sale) on April 9, 2024 for a consideration of ₹ 385 Crore subject to fulfillment of certain conditions precedent including regulatory approvals. The resultant net gain on disposal of Property, Plant and Equipment of ₹ 369.01 Crore has been disclosed as an exceptional item in the consolidated financial results for the year ended March 31, 2025.

7. During the quarter ended September 30, 2025, the Holding Company has re-assessed its tax positions in respect of certain tax liabilities and provisions, based on favorable High Court decisions in similar matters for which provisions were carried in the books from the earlier years. Management has assessed that in view of such favorable orders, certain provisions are no longer required / to be carried in the books and accordingly, during quarter ended September 30, 2025, has reversed an amount of ₹ 658.42 Crore (₹ 12.36 Crore in March 31, 2025) in the books and disclosed under tax adjustment / (write back) relating to earlier periods (net).

Income from such Government incentive / grants including tax credits / refunds has been disclosed separately in these consolidated financial results as "Government Grants including duty credits/refunds". This separate disclosure has been given effect from the quarter ended December 31, 2024, and thus amounts of comparative quarter and half year ended September 30, 2024 presented in these consolidated financial results have been accordingly regrouped/reclassified.

Further, the Holding Company was eligible for incentive in the form of exemption of Excise duty on captive consumption of clinker for the period from May 2005 to February 2013 as per notification no. 67/95-CE dated March 16, 1995. The excise authorities, Shimla had denied the above exemption to the Holding Company and accordingly the Holding Company paid the aforesaid duty and expensed the duty amount in the respective earlier financial years. During the quarter ended December 31, 2024, the Holding Company received an order from the Office of The Deputy Commissioner - Central Goods and Service Tax, Mandi Division dated December 26, 2024 allowing refund of amount paid against exemption of excise duty on captive consumption of clinker by the Holding Company pertaining to Gagal unit amounting to ₹ 636.86 Crore. The allocation of the said coal block stand cancelled pursuant to the judgment of Supreme Court dated August 25, 2014 read with its order dated September 24, 2014.

Due to cancellation of above mentioned coal block by Supreme Court, there was pending contractual dispute between JMS and AMRL since FY 2014-15 which was referred to Arbitrator appointed by Bombay High Court for settlement. During the course of the pending arbitral proceedings before the Arbitrator, JMS and AMRL have amicably decided to settle all the claims for a sum of ₹ 35 Crore vide Consent Terms dated September 18, 2024 which was been filed and settled before Honorable Arbitrator on October 11, 2024. The transaction amount included in comparative period results, including year ended March 31, 2025, has been disclosed as an exceptional item in these Consolidated Financial Results.

10. The Competition Commission of India (CCI), vide its order dated August 31, 2016, had imposed a penalty of ₹ 1,147.59 Crore on the Holding Company on grounds of alleged cartelisation. NCLAT, vide its Order dated July 25, 2018, dismissed the Holding Company's appeal, and upheld the CCI's order. Against this, the Holding Company appealed before the Hon'ble Supreme Court, which, by its Order dated October 05, 2018, had admitted the appeal and directed to continue the Interim order passed by the NCLAT dated November 7, 2016. The matter was fixed for hearing before the Hon'ble Supreme Court on November 27, 2024. The matter was previously scheduled for hearing on October 8, 2025 in the weekly list of Supreme Court though the same did not come up for hearing and next date will be notified in due course of time.

In a separate matter, pursuant to a reference filed by the Government of Haryana, the CCI by its Order dated January 19, 2017, had imposed a penalty of ₹ 35.32 Crore on the Holding Company on grounds of alleged collusive bidding. On Holding Company's appeal, COMPAT had stayed the operation of the CCI's Order. The matter was listed before the NCLAT on August 11, 2025, however the same was adjourned and now fixed for hearing from November 25, 2025 to November 27, 2025.

Based on the advice of external legal counsel, the Holding Company believes it has a strong case on merits for successful appeal in both the aforesaid matters. Accordingly, no provision (including interest) is recognised in the books by the Holding Company.

This reclassification is not material and does not have any impact on Group's consolidated financial results.

13. In respect of captive limestone mining lease operations for manufacturing of cement plant in Wadi, Karnataka, the Company has ongoing dispute with Department of Mines & Geology (DMG), Karnataka, over the basis of royalty calculation since earlier years.

The Company has made various representation in the matter including Revisional Authority (RA) and in previous year, it also approached Hon'ble High Court of Karnataka to ensure continuing mining for manufacturing operations of Wadi Plant on provisional deposit of ₹ 125 Crore against the demand of DMG.

The dispute also led to delay in executing and concluding the supplementary lease deed with government authorities. As at quarter ended September 30, 2025, the Hon'ble Revisionary Authority has held that the State Government could not have adopted the notional limestone consumption factor of 1:1.42 for computation of royalty payable in absence of any dispute regarding the weighment mechanism and has remanded the matter back to the State Government and the matter relating to the show cause for not entering into entering supplementary lease agreement is pending before Hon'ble High Court of Karnataka. Basis the independent legal opinion, Management believes that the Company has a strong case on merits, and no provision is considered necessary in the matter in the financial results as at September 30, 2025.

14. The Group is mainly engaged in the business of cement, (incl. intermediary products) ancillary service thereof and Ready Mix Concrete.
