Independent Auditor's Review Report on the Quarterly Unaudited Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended**Review Report to
The Board of Directors
Colgate-Palmolive (India) Limited**

1. We have reviewed the accompanying statement of unaudited financial results of Colgate-Palmolive (India) Limited (the "Company") for the quarter ended June 30, 2025 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. The Company's Management is responsible for the preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Statement has been approved by the Company's Board of Directors. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

NEWS RELEASE

Announcement of Results for the Quarter Ended June 30, 2025

Q1 FY26 Net Sales down by 4.4%

- *Challenging quarter; cycling double digit growth base*
- *Maintained investment behind brands in line with strategy*
- *Innovation continues; launch of two new formats*

Mumbai, 22 July 2025: Colgate-Palmolive (India) Limited announced its financial results for the first quarter ended June 2025.

Results: Colgate-Palmolive (India) Limited reported net sales of Rs. 1,421 Crore for the Quarter ended June 30, 2025, as compared to Rs. 1,486 Crore for the same period last year. Net profit after tax for the quarter stood at Rs. 321 Crore as compared to Rs. 364 Crore for the same period last year.

Ms. Prabha Narasimhan, Managing Director & CEO of Colgate-Palmolive (India) Limited, said,

“Our Q1 results reflect persistent headwinds from tough operating conditions on account of subdued urban demand and elevated competition intensity. The current quarter performance is also influenced by cycling a high base from the previous year; Net Sales grew at 12% CAGR in the base year same period (Q1 FY23-Q1 FY25). We continued to work towards execution of our strategic priorities. We have made good strides in category premiumization, with our premium portfolio delivering strong revenue growth. We also prioritized brand investment, leveraging our healthy profit margins. We expect to navigate the current challenges and anticipate a gradual recovery in the back half of the year.”

Doubling down on innovation this quarter, we introduced two new innovative formats under our Kids and Mouthwash portfolios. For children aged 3-6, we launched Colgate Kids Squeezy Toothpaste in Strawberry and Watermelon flavors. Its easy-to-squeeze bottle and fun grip are ideal for small hands. We also launched MaxFresh Mouthwash Sachet Stick in Fresh Tea Flavor, catering to on-the-go freshness needs.

Additionally, to further discussions on oral health, Colgate hosted the Oral Health Movement Summit in June 2025. Shri JP Nadda, Honorable Union Minister of Health and Family Welfare, Government of India, attended and spoke about the importance of oral health. He unveiled

‘India’s Oral Health Report,’ a publication summarizing on-the-ground work and nationwide data from dental screenings, offering actionable insights.

In this quarter, the Company also released its fourth Environmental, Social, and Governance (ESG) Report along with the Annual Report for FY 2024-25. The report can be accessed on the company’s Investor website (www.colgateinvestors.co.in).
