Explanatory Statement Pursuant to Section 102(1) of the Companies Act, 2013 ("the Act")

Item No. 4 – Approval for Continued Holding of Office by Dr. K. Venkatachalam (Non-Executive Director) under Regulation 17(1A) and proviso thereto of SEBI (LODR) Regulations, 2015

Dr. K. Venkatachalam was appointed as a Non-Executive Director, liable to retire by rotation, by the shareholders at the 36th Annual General Meeting of the Company held on 27th September 2024, with effect from 28th September 2024. He is subject to retirement by rotation in accordance with the provisions of Section 152(6) of the Companies Act, 2013.

Dr. K. Venkatachalam (Date of Birth: 14th July 1952) who will be attaining the age of 75 years on 14th July 2027. In accordance with Regulation 17(1A) and proviso thereto of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the continuation of a Non-Executive Director upon attaining and beyond the age of 75 years requires approval of shareholders by way of a Special Resolution, which may be obtained at any time prior to the director attaining the said age.

Dr. K. Venkatachalam is an eminent expert in labour laws and electricity matters, particularly in the area of renewable energy. Considering that the Company operates in a labour-intensive and energy-intensive industry, his expertise and continued guidance are critical for ensuring compliance and effective management. His in-depth legal knowledge also plays a significant role in supporting the Company's broader corporate governance and legal framework.

The Board of Directors considers that the continued association of Dr. K. Venkatachalam would be of significant value to the Company and recommends the passing of the Special Resolution for his continued holding of office as a Non-Executive Director, liable to retire by rotation, in compliance with Regulation 17(1A) and proviso thereto of the SEBI (LODR) Regulations, 2015.

Interest of Directors and KMP:

Except Dr. K. Venkatachalam, none of the Directors, Key Managerial Personnel or their relatives is, in any way, concerned or interested, in the resolution.

Your Directors recommend the resolution for your approval.

Item No. 6 - Amendment of Article 69(a) of the Articles of Association to Increase the Maximum Number of Directors to Fifteen

The existing Article 69(a) of the Articles of Association of the Company provides that the Board shall consist of not more than nine directors.

In view of the Company's growing operations and the need for broader expertise and diversity in the Board's composition, it is proposed to amend Article 69(a) of the Articles of Association to allow the Board to consist of not more than fifteen directors, in line with the provisions of Section 149(1) of the Companies Act, 2013, which permits a company to have up to fifteen directors without the need for special approval.

The proposed amendment will enable the Company to induct additional directors with varied experience and skills, thereby strengthening the overall governance framework.

In terms of Section 14 of the Companies Act, 2013, any alteration to the Articles of Association of the Company requires the approval of the shareholders by way of a Special Resolution.

A copy of the existing and proposed Article is available for inspection at the registered office of the Company during business hours on all working days up to the date of the Annual General Meeting.

Interest of Directors and KMP:

None of the Directors or Key Managerial Personnel or their relatives is, in any way, concerned or interested, in the resolution.

Your Directors recommend the resolution for your approval.

Item No. 7 - Approval for Voluntary Delisting of Equity Shares from BSE Limited (BSE)

The shares of the Company are presently listed both in NSE and BSE stock exchanges. It is felt that listing with two stock exchanges involves additional cost to the company and it would be prudent to delist from any one of the stock exchanges and in view of this the company has proposed to delist from BSE, while continue to have the listing with NSE. The company has duly paid all the listing fees to BSE and there is no outstanding in this regard.

Regulation 6 of the SEBI (Delisting of Equity Shares) Regulations, 2021, permits the Company to voluntarily delist its equity shares from any one of the stock exchanges, while continue to remain listed in a stock exchange which has nationwide trading terminals. As the company continuous to have its shares listed in NSE satisfy the requirement of SEBI Regulations.

Interest of Directors and KMP:

None of the Directors or Key Managerial Personnel or their relatives is, in any way, concerned or interested, in the resolution.

Your Directors recommend the resolution for your approval.

Item No. 8 - Remuneration for Cost Auditor

The Board, on the recommendation of the Audit Committee, has approved the appointment and remuneration of the Cost Auditor to conduct the audit of the cost records of the Company for the Financial Year ending 31st March, 2026 on remuneration as set out in the table below:

Cost Auditor	Product	Audit Fees Rs.
M/s. Sakthivel & Co, Tirupur	Textiles	Rs.75,000/-

In terms of the provisions of Section 148(3) of the Companies Act, 2013 read with Rule 14(a)(ii) of the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditor is required to be ratified by the Members of the Company. Accordingly, consent of the Members is sought to ratify the remuneration payable to the Cost Auditors.

Interest of Directors and KMP:

None of the Directors, Key Managerial Personnel of the Company and their relatives is/are concerned or interested in the resolution.

Your Directors recommend the resolution for your approval.

Additional information on Directors recommended for re-appointment pursuant to Regulation 36(3) of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 and Clause 1.2.5 of the Secretarial Standards-2.

PERFORMANCE AND STATE OF AFFAIRS

Company Overview and Operational Highlights

The Company is engaged in the manufacture of cotton yarn and knitted fabrics (i.e) core textile products that serve as essential inputs to the global apparel and textile industry. Our primary raw material, raw cotton, is an agricultural commodity that is both abundantly available and sustainably sourced, domestically and through imports. Given the nature of our inputs and manufacturing processes, our operations present minimal environmental or social risk.

Importantly, the production of cotton yarn and knitted fabrics is a non water intensive process, significantly reducing our ecological footprint. Subsequent processing by downstream users also would require minimum resources depending upon the production activities carried out by the customer, further reinforcing the sustainable nature of our value chain.

Our manufacturing activities fall under the 'Orange' category, as classified by the Tamil Nadu Pollution Control Board, indicating moderate environmental impact. To under score our commitment to sustainable practices, we have obtained several globally recognized certifications, including:

AMBIKA COTTON MILLS LIMITED

DIRECTORS' REPORT (Contd...)

- Global Organic Textile Standard (GOTS)
- Better Cotton Platform
- U.S. Cotton Trust Protocol (USCTP)
- OEKO-TEX (Fabric, Recycled Polyester Cotton, Yarn)
- Recycled Claim Standard V2.0 (RCS)
- Cotton Made in Africa (CMIA)
- Forest Stewardship Council (FSC)
- Global Recycled Standard V4.0 (GRS)
- Organic Content Standard V3.0 (OCS)
- Regenagri Content Standard
- Sedex

The Company continues to implement initiatives that enhance operational efficiency and resource optimization. Our strategic priorities remain firmly aligned with customer satisfaction, high quality production which serves as a base for attracting niche customers who are aligned with our principles.

RAW MATERIAL SOURCING AND CUSTOMER RELATIONS

The Company sources high quality raw cotton from reputed suppliers across India, USA , Australia , Africa and Egypt ensuring consistency in the quality of our end products. We have earned a strong reputation in the industry for our ethical procurement practices and our steadfast adherence to contract terms and this facilitates us to accept customer's tailormade requests for product and delivery schedule with utmost ease , fostering long- standing relationships with clients across geographies.

Owing to our meticulous raw material selection process and proprietary in-house technology, we are able to deliver products which offer a low fall rate in the hands of the downstream garment manufacturers. This quality advantage enhances our customer's production efficiency fostering long term business relationships with our Company.

BRAND ENGAGEMENT AND TRACEABILITY INITIATIVES

In response to the growing industry emphasis on traceability, particularly among global brands, the Company has witnessed increased direct engagement from end customers. Leading brands are now extending their sourcing traceability up to the spinner level. In alignment with this trend, the Company is proud to have been approved as a certified spinner by reputed international brands during the year. Furthermore, we are in advanced discussions to sign Memorandums of Understanding (MoUs) for future order commitments, further strengthening our position in the premium textile supply chain.

BUSINESS PERFORMANCE AND MARKET DYNAMICS

Despite prevailing geopolitical uncertainties and fluctuating global demand, the Company sustained a stable performance, underpinned by:

- Continued innovation in product development
- Consistent adherence to quality standards
- Timely fulfilment of committed orders

While the Company continues to uphold exceptional quality standards across its product range, the actual growth achieved during the year fell short of internal projections. This was primarily due to ongoing geopolitical disruptions and global market uncertainties, which impacted demand patterns and supply chain dynamics across key regions.

AMBIKA COTTON MILLS LIMITED

DIRECTORS' REPORT (Contd...)

RENEWABLE ENERGY INITIATIVES

As part of our enduring commitment to sustainability, the Company has made substantial investments in renewable energy infrastructure, comprising Wind power installations with a capacity of 27.4 MW and Rooftop solar installations totalling 8.33 MW.

Together, the Company's renewable energy currently meet approximately 82- 84 % of its total energy requirements. By maximizing the captive use of clean energy, the Company actively contributes to the Clean Development Mechanism (CDM) and supports broader efforts toward global climate change mitigation.

During the financial year, rooftop solar installations generated 8,673,734 kWh, while wind energy exported to the grid totalled 41,010,872.05 kWh. As a result of these renewable energy initiatives, the Company successfully reduced CO₂ emissions by an estimated 35,723.23 tonnes, underscoring its commitment to environmental sustainability.

FINANCIAL HIGHLIGHTS

Particulars	FY 2024-25	FY 2023-24	Change in
	(Rs. in Lakhs)	(Rs. in Lakhs)	(%)
Total Revenue	72,857.81	84,621.31	- 13.90%
Gross Profit	11,362.83	11,294.98	+ 0.60%

While total revenue saw a year on year decline of 13.90%, the Company recorded a modest 0.60% increase in gross profit, marking a notable recovery from the 38.04% decline recorded in the previous fiscal year. This improvement is a direct result of enhanced operational efficiency and cost control measures.

EXPORT PERFORMANCE

Export turnover during the year stood at Rs.49,545.39 Lakhs, as against Rs.59,330.84 Lakhs in the previous year – reflecting a marginal decline of 0.16%, as compared to 0.79% in FY 2023-24. Exports accounted for 72.43% of total turnover, slightly lower than 74.02% in the prior year, reinforcing the Company's strong global market presence.

CAPITAL INVESTMENT AND EXPANSION

In FY 2024-25 the Company invested Rs.2609.78 Lakhs from internal accruals towards enhancing its capacity and infrastructure. The investment was allocated as follows:

- Plant and Machinery: Rs.1635.86 Lakhs
- Factory Building: Rs.518.75 Lakhs
- Capital Work in Progress: Rs.455.17 Lakhs

In addition, the Company is currently executing a project involving the installation of 6048 spindles along with integrated solar power capacity. The estimated project cost of Rs.40.00 Crores is fully funded through internal accruals. The project, expected to be commissioned by September 2025, will specialize in the production of specialty yarns, thereby diversifying our product offering and enhancing value addition as per the changing market scenario.

FINANCIAL STABILITY

The Company remains debt free, with no long term liabilities on its balance sheet. A robust cash position and prudent financial management ensure the availability of adequate liquidity to support both current operations and planned future expansions.

AMBIKA COTTON MILLS LIMITED

B. MANAGEMENT DISCUSSION AND ANALYSIS

1. Industry Structure & Developments

India's textiles is made up of Diverse nature coupled with rich cultural heritage. India's textiles sector is one of the oldest industries in Indian economy and one of the largest contributors to India's exports. The textile industry has two broad segments. First, the unorganised sector consists of handloom, handicrafts and sericulture, which are operated on a small scale and through traditional tools and methods. The second is the organised sector consisting of spinning, apparel and garments segment which apply modern machinery and techniques such as economies of scale. The Indian textiles industry is extremely varied, with the hand-spun and hand woven textiles sectors at one end of the spectrum, while the capital intensive sophisticated mills sector at the other end of the spectrum.

The de centralised power looms/ hosiery and knitting sector form the largest component of the textiles sector. The close linkage of the textile industry to agriculture (for raw materials such as cotton) and the ancient culture and traditions of the country in terms of textiles make the Indian textiles sector unique in comparison to the industries of other countries. The Indian textile industry has the capacity to produce a wide variety of products suitable to different market segments, both within India and across the world. The textiles industry is also labour intensive and employs large number of persons.

The fundamental strength of the textile industry in India is its strong production base of wide range of fibre/ yarns from natural fibres like cotton, jute, silk and wool to synthetic / man-made fibres like polyester, viscose, nylon and acrylic.

AMBIKA COTTON MILLS LIMITED

ADDITIONAL DISCLOSURES PURSUANT TO REGULATIONS (Contd...)

Our country's connection with the textile sector dates back centuries. Every State in India has some unique textiles to offer. For instance, if the hand-painted cotton textile, Kalamkari is native to Andhra Pradesh, Ilkalsarees are Karnataka's indigenous textile. While Odisha is home to Sambalpuri fabric, Phulkari's are the pride of Punjab's culture. The vibrant, world-renowned Indian textiles have captivated several fabric connoisseurs and are highly valued globally. In human history, the importance of textiles cannot be sidelined, as they have changed social scenarios.

Evidence that inhabitants in the Harappan civilization were deft at spinning and weaving has been uncovered. William Lee created the stocking frame, the first hand-operated weft knitting machine, The textile evolution took a stride forward during the mediaeval age with William Lee's creation, the stocking frame. It was the first hand-operated weft knitting machine.

It was in the early nineteenth century that the textile industry started to gain momentum. This era saw the establishment of the first textile mill at fort Gloster, Kolkata in 1818 and in 1854 a cotton textile mill in Bombay. In 1861, the textile industry expanded its horizons to include Ahmedabad. In the second half of the nineteenth century, the cotton textile industry saw rapid progress.

The real technology-enabled revolution started to unfold in the industrial age. One such machine that was a game changer in the textile industry was the water frame, invented by the doyen of the textile segment, Sir Richard Arkwright. This invention facilitated faster spinning of cotton yarn. In addition to cotton, Indian silks were exported along the Silk Road in China and later on to western nations, making them another significant export of the ancient Indian textile industry. The British Empire colonised India for various reasons, but one of the main ones was the country's cheap, high-quality cotton.

The Indian textile industry has been ever-growing and is immensely influenced by tradition and aesthetics. A great stimulus for the Indian textile and cotton industries stemmed from the two world wars and the Swadeshi movement in India. Indian handlooms, spinning, and weaving techniques have been celebrated for centuries. Also, it has gradually and steadily created a niche for itself in home textile products in domestic and international markets.

During the Swaraj movement, Mahatma Gandhi encouraged people to use a spinning wheel, to make their own cloth. Khadi became a symbol of independence and self-sufficiency. As the Swaraj movement gained traction, the British Empire lost its hold on the textile industry. This remarkable event changed the entire course of our Indian textiles, leading to a complete reorganisation of the industry.

2. Market Size

The Indian textile industry is set for strong growth, buoyed by both strong domestic consumption as well as export demand. The sector is expected to outperform. Urbanization is expected to support higher growth due to change in fashion and trends. This is amplified by opening of exclusive stores by the leading brands across the country. India is among the top apparel and textile exporting countries in the world.

For textile industry, the proposed hike in FDI limit in multi-brand retail will bring in more players, thereby providing more options to consumers. It will also bring in greater investments along the entire value chain – from agricultural production to final manufacture of goods. With global retail brands assured of a domestic foothold, outsourcing will also rise significantly.

3. Opportunities & Threats

Cotton yarn accounts for the largest share in total yarn production; India's growing population has been a key driver of textile consumption growth in the country. It has been complemented by a young population which is growing and at the same time is exposed to changing tastes and fashion. Rising income has been a key determinant of domestic demand for the sector; with income rising in the rural economy as well, the upward push on demand from the income side is set to continue.

ADDITIONAL DISCLOSURES PURSUANT TO REGULATIONS (Contd...)

Complementing this factor is rising female workforce participation in the Country. With consumerism and disposable income on the rise, the retail sector is set to experience a rapid growth. The organized apparel segment is expected to grow at a compound annual growth rate of more than 13% over a ten year period.

According to the new draft of the National Textile Policy, the Government is planning to attract foreign investments thereby creating substantial employment opportunities.

Tech-enabled solutions will empower us to become the world's new textile and apparel production hub. Solutions that are scalable and also ecologically viable are imperative for the Indian textile industry. Changes in supply chain management, innovative fibres, smart farming to amplify natural fibre farming, and recycled yarn productions are some of the aspects that will help build core competencies of the textile industry. The Government of India is in the process of finalizing Free Trade Agreements (FTAs) which would help overall growth of the industry in the long-term.

4. Product wise Performance

Product wise performance in terms of Production and Sales quantities are given below.

Particulars	FY 2024-25 Qty (In Lakh Kgs)		FY 2023-24 Qty (In Lakh Kgs)	
	Production	Sales	Production	Sales
Cotton Yarn	151.74	89.42	165.74	121.67
Cotton Yarn for captive consumption(for knitting)	46.10	-	48.54	-
Cotton Fabrics (Knitted)	59.37	59.46	62.00	61.11
Waste Cotton	63.89	60.66	74.46	72.25
Wind units for captive consumption	422.40 Lakh units		453.54 Lakh units	

5. Outlook.

The Company, on account of manufacturing speciality cotton yarn, continues to have good demand and has created specific markets for its products. Further the Company's wider range of products in its knitting segment has established the newer markets in knitting segment. This ensures more sustained profitable operations. The company continues to strengthen its production base by modernization and adding balancing equipments and improvising production process. The Company installed 27.4 MW wind power capacity and Roof Top Solar capacity 8.33 MW, for captive consumption. In aggregate 82% of power requirement of spinning and knitting segment is met through renewable energy. The installed EHT line (110 KVA Sub-Station) ensures smooth flow of quality power. New Stenter plant is established for knitting division to heat process the fabrics. These measures will strengthen and support the operations of the company.

6. Risks and Concerns

- (i) Positive economic environment
- (ii) Government policies.
- (iii) Evacuation of 100% Wind energy generated to State Grid and favourable wind season.
- (iv) Stability in Raw cotton prices
- (v) Logistics of transport of imported raw materials
- (vi) Increase in Cost of Interest in the recent periods.
- (vii) Demand Slowdown consequent to geopolitical risks

INDEPENDENT AUDITOR'S REPORT

INDEPENDENT AUDITOR'S REPORT

To the Members of Ambika Cotton Mills Limited

Report on the Financial Statements

Opinion

We have audited the Financial Statements of Ambika Cotton Mills Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and Statement of Cash Flows for the year then ended and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2025, the Profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The Company has uncertain tax positions on matters under dispute which involve significant judgment to determine the possible outcome of these disputes. Refer Note 30.1 to the Financial statements.	• Obtained details of completed tax assessments and demands as on March 31, 2025 from the management. • Obtained an understanding of key uncertain tax positions. • Discussed with appropriate senior management and assessed management's estimate of the possible outcome of the disputed cases.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility and Sustainability Report, Corporate Governance and Shareholder's Information, but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

AMBIKA COTTON MILLS LIMITED

INDEPENDENT AUDITOR'S REPORT (Contd...)

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(I) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

AMBIKA COTTON MILLS LIMITED

INDEPENDENT AUDITOR'S REPORT (Contd...)

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid Financial Statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on 31st March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure "A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
- h) In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act and is within the limit specified under the said section.
- i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements - Refer Note. 30.1 to the financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

AMBIKA COTTON MILLS LIMITED

INDEPENDENT AUDITOR'S REPORT (Contd...)

- iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. As stated in Note 30.2 to the Financial Statements
- a. The final dividend proposed in the previous year, declared and paid by the Company during the year is in accordance with Section 123 of the Act, as applicable.
- b. The Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with section 123 of the Act, as applicable.
- vi. The reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is applicable from 1st April, 2023. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account, which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with and the audit trail has been preserved by the company as per the statutory requirements for record retention.
2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure "B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in Paragraph 1(f) of Report on Other Legal and Regulatory Requirements)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Ambika Cotton Mills Limited ("the Company") as of March 31, 2025 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining Internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles

AMBIKA COTTON MILLS LIMITED

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT (Contd...)

A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in Paragraph 2 of Report on Other Legal and Regulatory Requirements)

According to the information and explanations sought by us and given by the Company and the books and records examined by us during the course of our Audit and to the best of our knowledge and belief we report the following:

- i) In respect of the Company's Property, Plant and Equipment and Intangible Assets:
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
 - (b) The Property, Plant and Equipment have been physically verified in a phased periodical manner, by the management, which in our opinion is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies have been noticed on such physical verification.
 - (c) The title deeds of all the immovable properties of land and building which are freehold are held in the name of the company as at the Balance Sheet date.
 - (d) The company has not revalued any of the Property, Plant and Equipment during the Year.
 - (e) No proceedings have been initiated during the year or are pending against the Company as at 31st March, 2025, for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii.
 - (a) The physical verification of inventory has been conducted by the management at reasonable intervals. The Company has maintained proper record of inventory and no material discrepancies were noticed on the physical verification of inventories as compared to the book records..
 - (b) The Company has been sanctioned working capital limits in excess of Rs.5 Crores during the year from banks on the basis of security of current assets. The quarterly returns filed by the company with banks are in agreement with the books of account of the company.
- iii. The Company has not made Investment in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register maintained under section 189 of the Act.
- iv. The Company has not advanced any loans to its directors or any other person in whom the directors are interested or made any investments or given any guarantee or provided any security in connection with any loan taken by the directors or such other person as contemplated under section 185 of the Act.
- v. The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.
- vi. The Central Government has prescribed the maintenance of cost records under section 148(1) of the Act. We have broadly reviewed the accounts and records of the company in this connection and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. We have not, however carried out a detailed examination of the cost records with a view to determine whether they are accurate or complete

AMBIKA COTTON MILLS LIMITED

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT (Contd...)

- xii. The Company is not a Nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- xiii. In our opinion the transactions with the related parties are in compliance with sections 177 and 188 of the Act and details of such transactions have been disclosed in the Ind AS financial statements as required by the applicable accounting standards.
- xiv. (a) The company has an internal audit system commensurate with the size and nature of its business.
(b) We have considered the reports of the Internal Auditors for the period under audit, to the extent the same has a bearing on the Financial Statements.
- xv. In our opinion, during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. (a) The company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934.
(b) The company has not conducted any Non-Banking Financial or Housing Finance activities.
(c) The company is not a Core-Investment-Company (CIC) as defined in the regulations made by the Reserve Bank of India.
- xvii. The company has not incurred cash loss during the financial year and in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.

We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. (a) There are no unspent amounts towards Corporate Social Responsibility (CSR) specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of Section 135 of the said Act.
(b) The Company does not have any ongoing projects as at the end of the previous financial year.

The financial statements have been prepared in accordance with IND AS notified under Section. 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) (IndAS) Rules 2015 and other relevant provisions of the Act.

2.2. Basis of preparation and presentation

These financial statements are prepared in accordance with Indian Accounting Standards (IndAS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013(' Act')(to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI).

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or liability, the company takes into account the characteristics of the asset or liability at the measurement date. In addition, for financial reporting purposes, fair value measurements are categorised into:

Level 1 (unadjusted quoted prices in active markets for identical assets or liabilities that the entity can access at the measurement date);

Level 2 (inputs other than quoted prices included within Level 1) that are observable for the asset or liability, either directly or indirectly;

Level 3 (unobservable inputs for the asset or liability). Fair value in respect of equity financial instruments are the quoted prices of those instruments in the stock exchanges at the measurement date.

a) Current and Non-Current Classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle,
- It is held primarily for the purpose of trading,
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH 2025

b) Functional and Presentation Currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates ("the functional currency"). Indian rupee is the functional currency of the Company.

The financial statements are presented in Indian Rupees (₹) which is the Company's presentation currency. All financial information presented in Indian Rupees has been rounded up to the nearest Lakhs except where otherwise indicated

c) Use of Estimates

The preparation of standalone financial statements in conformity with Ind AS requires the management to make estimates and judgements that affect the reported amounts of assets, liabilities, revenue, expenses and other comprehensive income (OCI) that are reported and disclosed in the financial statements and accompanying notes. These estimates are based on the management's best knowledge of current events, historical experience, actions that the Company may undertake in the future and on various other assumptions that are believed to be reasonable under the circumstances. Actual results could differ from those estimates. Changes in estimates are reflected in the standalone financial statements in the year in which the changes are made. Significant estimates and assumptions are used for, but not limited to,

- a) Estimation of useful life of Property, Plant and Equipment
- b) Estimation of useful life of Intangible Assets
- c) Provisions and Contingent Liabilities
- d) Recognition of deferred taxes
- e) Key actuarial assumptions for measurement of future obligations under employee benefit plans

d) Recent accounting pronouncements

Companies Act (Indian Accounting Standards) Amendment Rules, 2024

The Ministry of Corporate Affairs (MCA) has notified the Companies Act (Indian Accounting Standards) Amendment Rules, 2024 vide notification dated August 12, 2024 notified Ind AS 117 "Insurance Contracts", which are effective for reporting periods on or after April 1, 2024, and it supersedes Ind AS 104 "Insurance Contracts". The company is not engaged in insurance contracts. Hence, the amendment does not have any impact on the financial statements.

Additionally, the notification introduced amendments to Ind AS 101 (First-time Adoption of Indian Accounting Standards), Ind AS 103 (Business Combination), Ind AS 105 (Non-Current Assets Held for Sales and Discontinued Operations), Ind AS 107 (Financial Instruments: Disclosures), Ind AS 109 (Financial Instruments), Ind AS 115 (Revenue from Contracts with Customers), Ind AS 116 (Leases). The amendments were primarily focused on ensuring consistency with Ind AS 117. The amendments also provided for enhanced disclosure requirements under Ind AS 107 (Financial Instruments: Disclosures) and Ind AS 116 (Leases) to provide greater transparency regarding financial instruments linked to Insurance Contracts and lease transactions. The amendments do not have any material impact on the company's financial statements.

Companies Act (Indian Accounting Standards) Second Amendment Rules, 2024

The Ministry of Corporate Affairs (MCA) has notified the Companies Act (Indian Accounting Standards) Second Amendment Rules, 2024, with effect from September 9, 2024.

Ind AS 116 – Leases (Amendments applicable with effect from April 1, 2024)

The amendments in the standard address the measurement of lease liability in a sale and leaseback transaction. The seller-lessee shall determine the lease payments or the 'revised lease payments' in a way that they do not recognize any amount of gain or loss that relates to the right of use retained by the seller-lessee.

The company is not engaged in any sale and leaseback transactions during the year. Hence, the amendment does not have any impact on the financial statements. Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. During the year ended March 31, 2025, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

2.3. Property, Plant and Equipment

Property, plant and equipment are carried at cost of acquisition including any attributable cost of bringing the assets to its working condition for its intended use and net of Cenvat / GST or any other claim receivable less accumulated depreciation and impairment losses, if any.

AMBIKA COTTON MILLS LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH 2025

The depreciation charge is based on useful life and the expected residual value at the end of its life and are determined by management at the time the asset is acquired and reviewed periodically, including at each financial year end with the effect of any changes in estimate accounted for on a prospective basis. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

Depreciation is recognised using the straight-line method.

Estimated useful lives of the tangible assets are as follows:	
Buildings	30 - 40 Years
Plant and Equipment	18.94 Years
Wind Mills & Solar	13.33 Years
Furniture & fixtures	3 Years
Vehicles	8 years
Office Equipments	3 Years

An item of property, plant and equipment is de recognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the profit or loss.

For transition to IND AS, the company has elected to continue with the carrying value of all of its property, plant and equipment recognised as of 1st April 2016 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

2.4. Intangible Assets

Intangible assets are carried at cost less accumulated amortisation. Amortisation is recognised on a straight line basis over their estimated useful lives.

Estimated useful lives of the intangible assets are as follows:	
Technical Know how	4 years

For transition to IND AS, the company has elected to continue with the carrying value of Zero of its intangible assets viz Technical know which was fully amortised as of 1st April 2016 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

2.5. Impairment of assets

A tangible or intangible asset is treated as impaired when the carrying amount of the asset exceeds its estimated recoverable value. Carrying amounts of tangible or intangible assets are reviewed at each balance sheet date to determine indications of impairment, if any, of those assets. If any such indication exists, the recoverable amount of the asset is estimated and an impairment loss equal to the excess of the carrying amount over its recoverable value is recognised as an impairment loss. The impairment loss, if any, recognised in prior accounting period is reversed if there is a change in estimate of recoverable amount.

2.6 Financial Instruments

Financial assets and financial liabilities constitute Financial Instruments and are recognised only when the company becomes party to the contractual provisions of the instrument.

On initial recognition , (i) financial assets are classified either at amortised cost or fair value through other comprehensive income (OCI) or fair value through profit or loss (FVTPL) and (ii) financial liabilities either at amortised cost or fair value through profit or loss (FVTPL)

On initial recognition, a financial asset or a financial liability is measured at its fair value. In the case of a financial asset or liability which is not categorised at FVTPL , the financial asset or liability will be measured at its fair value plus/minus transaction cost that are directly contributed to the acquisition or issue of the financial asset or financial liability.

The financial assets and liabilities are carried at FVTPL and there are no financial assets and liabilities falling under other categories.

The equity instruments are categorised at FVTPL and are measured at the end of each reporting period.

In the case of derivatives, the contractual rights and obligations are recognised as assets or liabilities in the balance sheet.

The financial assets are derecognised when the contractual rights to the cash flows from the asset expires.

The financial liabilities are derecognised when the obligations are discharged.

AMBIKA COTTON MILLS LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH 2025

2.7 Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the entity are recognised at the proceeds received, net of direct issue costs.

Repurchase of the company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in profit or loss on the purchase, sale, issue or cancellation of the company's own equity instruments.

2.8 Valuation of Inventories

Inventories are valued at lower of cost and net realisable value after providing for obsolescence and other losses, where considered necessary. The costs of inventories are ascertained on weighted average method. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

2.9 Foreign Currency transactions

Foreign currency transactions are recorded at the exchange rates prevailing at the date of the transaction.

Foreign currency monetary items at the balance sheet date are reported using the closing rate.

Exchange differences arising on the settlement of monetary items or on reporting of monetary items at rates different from those at which they were initially recorded during the year or reported in previous financial statements are recognized as income or expense in the year in which they arise.

Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

2.10 Recognition of revenue

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of returns. The company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity.

Dividend income from investments is recognised when the right to receive payment is established

Interest income is recognized on time proportionate basis with reference to the principal outstanding and at the effective interest rate applicable.

Export incentives are recognised when the right to receive payment/credit is established and no significant uncertainty as to measurability or collectability exists.

2.11 Borrowing Cost

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

2.12 Date of recording of Final Dividend declared by the Company as a liability

Final dividend on shares are recorded as a liability on the date of approval by the shareholders at the annual general meeting and interim dividend are recorded as a liability on the date of declaration by the Company's Board of Directors.

2.13 Earnings per share:

Basic Earnings per share is calculated by dividing the Net Profit after tax attributable to the equity shareholders by the weighted average number of Equity Shares outstanding during the year.

2.14 Employee Benefits:

Employee benefits consist of provident fund and gratuity. The company's contribution to provident fund is considered as defined contribution plan and charged as an expense based on the amount of contribution required to be made. For defined benefit plan the company contributes to group gratuity scheme formulated by Life Insurance Corporation of India as demanded by the said corporation to discharge its liability on account of employee post employment benefits.

AMBIKA COTTON MILLS LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH 2025

2.15. Taxes on Income

Income tax expense comprises current and deferred income tax.

Current tax

Current income tax for current and prior periods is recognised at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting date.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities. Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income, in which case, the current and deferred tax are also recognised in other comprehensive income.

2.16 Provisions, contingent liabilities and contingent assets

Provision is recognized when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. Disclosure for contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. No provision is recognized or disclosure for contingent liability is made when there is possible obligation or a present obligation and the likelihood of outflow of resources is remote. Contingent Asset is neither recognized nor disclosed in the financial statements.

2.17 Cash Flow statement and Cash and Cash equivalents

Cash Flows are reported using the Indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expense associated with investing or financing cash flows. Cash and cash equivalents include cash on hand and balances with banks in current accounts with necessary disclosure of cash and cash equivalent balances that are not available for use by the company.

3. Critical accounting judgements and key sources of estimation uncertainty

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed in note. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Information about such estimates and judgments are included in the relevant notes together with the basis of calculation for relevant line item in the financial statements. Estimates and judgments are based on historical experience and other factors, including expectations of future events that may have a financial impact on the company and that are believed to be reasonable under the circumstances

FOREIGN CURRENCY SENSITIVITY ANALYSIS (USD)	31-03-2025	31-03-2024
Foreign Currency sensitivity analysis (USD)		
Impact on profit : 5% increase in currency rate	-668.21	-605.49
Impact on profit : 5% decrease in currency rate	668.21	605.49

Interest Rate Risk: The Company's working capital borrowings are short term in nature and hence any fluctuation in market interest rates would not impact the profitability of the Company in terms of debt servicing and liquidating of such borrowings.

Price Risk: The price risk arises on account of holding marketable financial assets. The company's equity investments forms insignificant portion and hence any price fluctuation would not have any impact over the financial position of the company.

Credit Risk : Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The credit risk in trade receivables is managed by selling goods to specific orders and reputed customers . Exports are made against irrevocable letter of credits .

Domestic sales are largely against advance payments. However certain exceptions are made in specific cases .There are no other financial assets carrying credit risk.

Liquidity Risk: Liquidity risk refers to the risk that the company cannot meet its financial obligations. The Company carries substantial current assets to pay off short term obligations arising from working capital bank borrowings , trade payables and other related liabilities .

Capital Management: The company manages its capital to ensure that it will continue to operate as a going concern while maximising the return to stakeholders. The core focus is to safeguard and maintain the company's financial stability and independence. The fund requirements of the company are generally met through internal accruals. The working capital borrowings are meant for augmenting current assets. Substantial capital assets and current assets are built and maintained
