Date: February 06, 2024

The Board of Directors
Welspun Corp Limited,
5th Floor, Welspun House,
Kamala Mills Compound,
Senapati Bapat Marg,
Lower Parel (West),
Mumbai – 400 013

1. We have reviewed the unaudited consolidated financial results of Welspun Corp Limited (the “Parent” including Welspun Corp Employees Welfare Trust), its subsidiaries (the parent and its subsidiaries hereinafter referred to as the “Group”), and its share of the net profit after tax and total comprehensive income of its joint venture and associate companies (refer to paragraph 4 of the report) for the quarter ended December 31, 2023 and the year to date results for the period April 01, 2023 to December 31, 2023, which are included in the accompanying ‘Unaudited Consolidated Financial Results for the Quarter and nine months ended December 31, 2023’ (the “Statement”). The Statement is being submitted by the Parent pursuant to the requirement of Regulation 33 and Regulation 52 read with Regulation 63 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the “Listing Regulations, 2015”), which has been initialled by us for identification purposes.
2. This Statement, which is the responsibility of the Parent’s Management and has been approved by the Parent’s Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 “Interim Financial Reporting” (“Ind AS 34”), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 “Review of Interim Financial Information Performed by the Independent Auditor of the Entity”, issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

- 2 The Group is primarily engaged in the business of manufacture and distribution of steel products and others (including plastic products).
- 3 The aforesaid consolidated financial results of the Group, its joint venture and associates have been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (as amended) (Ind AS) prescribed under Section 133 of the Companies Act, 2013 and other recognized accounting practices and policies to the extent applicable.

- 4 Details of Secured, Redeemable, Non Convertible Debentures are as follows: (INR in Crores)

Particulars	Previous Due Date #		Next Due Date			
	Principal	Interest	Next Instalment	Principal Amount	Interest Date	Interest Amount
6.50% Secured Redeemable Non Convertible Debenture	NA	10.02.2023	February 2024	200.00	10.02.2024	13.00
7.25% Secured Redeemable Non Convertible Debenture	NA	16.02.2023	February 2026	200.00	16.02.2024	14.50

Interest has been paid on the due dates. The Company has redeemed 11.00% Secured Redeemable Non-Convertible Debentures of INR 36 Crores in November 2022.

The listed Secured, Redeemable, Non-Convertible Debentures of the Company aggregating to INR 400 crores (excludes transaction costs as per effective interest rate of INR 0.37 crores) as on December 31, 2023 are secured by first charge ranking pari passu by way of mortgage of certain movable and immovable property, plant and equipment of the Company. The Company has maintained hundred percent security cover sufficient to discharge the principal amount of the said debentures in terms of Regulation 54 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended. The security cover is 1.69 times for total debts and the Credit rating by CRISIL and CARE for Secured Redeemable Non Convertible Debentures issued by the Company is "AA" as on December 31, 2023.

- 5 The Board of Directors, at their meeting held on March 14, 2023, approved the Scheme of Amalgamation ("the Scheme") of Welspun Metalics Limited ("Transferor Company") with the Company. The Company filed a petition with the National Company Law Tribunal, Ahmedabad Bench ("NCLT") for sanction of the Scheme. The NCLT vide its order pronounced on October 27, 2023 (the "Order") sanctioned the Scheme. The Scheme has become effective from the date of the Order. The Appointed Date for the Scheme is April 1, 2022.

The amalgamation has no impact on the consolidated results for the quarter ended December 31, 2022, nine months ended December 31, 2022 and year ended March 31, 2023.

- 6 During the middle of June 2023, the central western parts of India were affected by the tropical cyclone that developed in the Arabian Sea named 'Biparjoy'. The cyclone had significant impact on industries in Kutch and caused widespread damage to infrastructure, including power lines, roads and communication networks.

The impact on Company's assets and inventories as provisionally estimated by the management is amounting to INR 57.31 crores. The Company has appropriately accounted for the above loss in "other expenses". Further, the Company is sufficiently covered by All Risk Insurance Policy and has also received an on-account payment of INR 28.50 crores from the insurance company shown under "other Income". The Company is also covered for the loss of profit due to the shut down of one of its plant. However, on a conservative basis the Company has not recorded any recoverable asset against loss of profit absorbed in the Profit and Loss account of quarter and nine months ended December 31, 2023. The Company is confident that the full loss covered under insurance policy will be recovered from the insurance companies.

- 7 At its meeting held on March 29, 2023, the Board of Directors of the Company took note of approval accorded by the Board of Mahatva Plastic Products Private Limited and Sintex-BAPL Limited and have, inter alia, considered and approved the Scheme of Amalgamation of Mahatva Plastic Products Private Limited ("the Transferor Company") with Sintex-BAPL Limited ("the Transferee Company") and their respective shareholders, by way of merger by absorption pursuant to a scheme of amalgamation under the provision of Sections 230 - 232 of the Companies Act, 2013 and other applicable regulatory requirements.
- 8 The Company in the previous year that ended on March 31, 2023, has changed its rounding off denomination to crores from lakhs in order to make it more useful to users of financial results. Accordingly, the figures of the comparative period have also been changed to give this effect. Further, the said change was in line with Schedule III of the Companies Act, 2013.

- 9 During quarter ended September 30, 2023, WCL's subsidiary, Welspun Mauritius Holdings Limited ("WMHL") has sold 1,104,926 shares of East Pipes Integrated Company for Industry ("EPIC") to Al-Haitam Industrial and Economic Development Company ("Al-Haitam") through a block deal at the prevailing market price for a total consideration of SAR 68.51 million or USD 18.27 million (INR 150.33 crores). The Group has accounted for a gain on sale of EPIC shares of INR 105.17 crores.

WMHL has done a selective buyback of its own shares from minority shareholder (Al-Haitam) (7.44% out of 10.01% held in WMHL) for a value of USD 14.50 million. Pursuant to the buyback, these shares have been extinguished by WMHL; and Welspun Pipes Inc., USA ("WPI") has bought the balance 2.57% shares of WMHL from Al-Haitam for a value of USD 3.77 million. As a result of these transactions, Equity has been debited by INR 129 crores and WCL and WPI now collectively hold 100% of WMHL.

- 10 The financial results of Welspun Corp Employees Welfare Trust have been included in the consolidated financial results of the Company in accordance with the requirements of Ind-AS 102 and Guidance Note on Accounting for Employee Share-based payments.
