Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To
The Board of Directors
JINDAL STEEL & POWER LIMITED

1. We have reviewed the accompanying statement of unaudited standalone financial results of JINDAL STEEL & POWER LIMITED ('the Company') for the quarter ended September 30, 2023 and year to date from April 1, 2023 to September 30, 2023 ("the Statement"), attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended ("the Listing Regulations").
2. The Company's Management is responsible for the preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 (Ind AS-34), "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 read with Rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Statement has been approved by the Company's Board of Directors. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE 2410) "Review of Interim financial information performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in all material respects in accordance with the applicable Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other recognised accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. **Emphasis of matters**

Attention is drawn to:

As stated in the Note No. 2(a) of accompanying statement, the Auditors of Jindal Steel & Power (Mauritius) Limited (JSPML) in their audit report on financial statements/ information for the year ended

March 31, 2023, have drawn attention on inherent uncertainty regarding "Going Concern Issue" basis and as on September 30, 2023 the accumulated losses and negative net worth of wholly owned subsidiary, JSPML is of Rs. 3,320.63 crores and Rs. 1,927.93 crores respectively (Note No. 2(b) of accompanying statement). As stated in the said note, during the quarter ended June 30, 2023 based on the opinion of experts and considering the present market conditions an amount of Rs. 7,776.51 crores of loan / outstanding amount has been written off out of carry over provision made in earlier year.

Our conclusion is not modified in respect of above matter.

Mr. Bimlendra Jha, Managing Director

"We are happy to see our coal mines finally starting. Shipments from Gare Palma IV/6 are already being received at Raigarh. Our quarterly results are significantly up year on year with sales volumes sustained in a traditionally weak quarter. We expect the demand to be robust in the second half of the current fiscal as India continues to march to a different drumbeat." said Mr. Bimlendra Jha, Managing Director, Jindal Steel & Power, in a statement.
