4. Historical Matters

(a) Additional Inquiry and other regulatory matters

As disclosed in each of the annual financial statements commencing from year ended March 31, 2014, upon completion in April 2015 of an inquiry into past improper transactions ('Initial Inquiry') which identified references to certain additional parties and certain additional matters, the then MD & CEO, pursuant to the direction of the Board of Directors, carried out an additional inquiry into past improper transactions ('Additional Inquiry') which was completed in July 2016. The Additional Inquiry prima facie identified transactions indicating actual and potential diversion of funds from the Company and its Indian and overseas subsidiaries to, in most cases, Indian and overseas entities that appeared to be affiliated or associated with the Company's former non-executive chairman, Dr. Vijay Mallya, and other potentially improper transactions. All amounts identified in the Additional Inquiry have been provided for or expensed in the financial statements of the Company or its subsidiaries in the respective prior periods. The Company has filed recovery suits against relevant parties and individuals identified pursuant to the Additional Inquiry. Additionally, the Company has also filed a suit for recovery of excess managerial remuneration amounting to ₹ 13 crores paid to the former Executive Director and CFO (ED & CFO) for the year ended March 31, 2015. The receivable recorded for excess managerial remuneration has been fully provided for.

As disclosed in each of the annual financial statements commencing from the year ended March 31, 2014, in relation to the above-mentioned Initial Inquiry and Additional Inquiry and the matters arising out of the settlement agreement dated February 25, 2016 entered into by the Company with Dr. Vijay Mallya pursuant to which, inter alia, the Company and Dr. Vijay Mallya agreed a mutual release in relation to matters arising out of the Initial Inquiry ('Agreement'), the Company received letters and notices from the Securities Exchange Board of India ('SEBI') during the year ended March 31, 2016 to which the Company has responded. There has been no further communication with SEBI on these matters since the Company's response in October 2017.

As disclosed in each of the annual financial statements commencing from the year ended March 31, 2016, in connection with the investigations carried out by the Directorate of Enforcement ('ED') under the Foreign Exchange Management Act, 1999 and Prevention of Money Laundering Act, 2002, the Company received letters and notices from ED during the year ended March 31, 2016, to which the Company responded. During the year ended March 31, 2022, the Company received a notice from the ED requesting for information, which the Company has provided. The Company has also received queries from its authorized dealer (AD) banks, based on queries from the Reserve Bank of India ('RBI'), with regard to remittances made in the prior years by the Company to its overseas subsidiaries, past acquisitions and Annual Performance Reports ('APR') for prior years, to which the Company has responded or is in process of filing the required forms.

As disclosed in each of the annual financial statements commencing from the year ended March 31, 2019, with the objective of divesting its non-core assets, the Company reviewed its subsidiaries' operations, obligations, and compliances, and recommended a plan for rationalization through sale, liquidation or merger ("Rationalization Process"). After receiving approval from the Board, the Company has been taking steps to implement this plan. The Rationalization Process for the existing subsidiaries is subject to regulatory and other approvals (in India and overseas). If any historical non-compliances are established during the Rationalization Process, the Company will consult with its legal advisors, and address any such issues including, if necessary, considering filing appropriate compounding applications with the relevant authorities. At this stage, it is not possible for the management to estimate the financial impact on the Company, if any, arising out of potential non-compliances with applicable laws, if established.

United Spirits Limited

Notes to the Standalone and Consolidated Statements of Financial Results for the quarter ended June 30, 2025 – Contd.

(b) Preparation of financial statements of subsidiaries on liquidation basis

Consequent to the Rationalisation Process, the financial information of the following subsidiaries included in the consolidated financial results have been prepared on a liquidation basis (i.e. "break up" basis) i.e. (i) USL Holdings Limited, (ii) USL Holdings (UK) Limited, (iii) United Spirits (UK) Limited, (iv) United Spirits (Great Britain) Limited, (v) McDowell & Co. (Scotland) Limited, (vi) Shaw Wallace Overseas Limited and (vii) Asian Opportunities and Investments Limited. Accordingly, assets and liabilities of such subsidiaries have been recognized at their fair values that approximate their carrying values at June 30, 2025. Such remeasurements did not have any material impact on the consolidated financial results.

(c) Loan to United Breweries (Holdings) Limited ('UBHL')

As disclosed in each of the annual financial statements commencing from year ended March 31, 2015, the Company had pre-existing loans/ deposits/ advances/ accrued interest that were due to the Company and its subsidiaries from UBHL and its subsidiaries aggregating to ₹ 1,337 crores and that were consolidated into, and recorded as, an unsecured loan through an agreement entered into between the Company and UBHL on July 3, 2013 ('Loan Agreement'). UBHL defaulted on its obligations to pay any amounts under the Loan Agreement. The Company had made provision in prior financial years for the entire principal amount due of ₹ 1,337 crores, and for the accrued interest of ₹ 85 crores up to March 31, 2014. The Company has not recognised interest income on said loan after March 31, 2014 which cumulatively amounts to ₹ 1,372 crores up to June 30, 2025. The Company has cumulatively offset ₹ 206 crores payable to UBHL arising under a trademark license agreement against the receivables under the loan.

Since UBHL had defaulted on its obligations under the Loan Agreement, the Company sought redressal of disputes and claims through arbitration under the terms of the Loan Agreement. In April 2018, the arbitral tribunal passed a final award against the Company. The reasons for this adverse award were disputed by the Company, and the Company obtained leave from the High Court of Karnataka to challenge this arbitral award. In July 2018, the Company filed a petition challenging the said award before the Jurisdictional Court in Bangalore (the "Court"). The Court issued notice pursuant thereto to the Official Liquidator (OL). The Company filed its claim with the OL. By its judgment dated March 3, 2025, the Court dismissed the Company's challenge to the arbitral award. The Company is challenging the judgment before the High Court of Karnataka.

Notwithstanding the judgement of the Court and the arbitral award, based on management assessment supported by an external legal opinion, the Company has offset payable to UBHL under the trademark license agreement against the balance of loan receivable from UBHL. During the quarter ended June 30, 2023, the OL filed an application before the High Court of Karnataka, seeking avoidance of setoff by the Company of the above license fee payments and recovery of the entire license fee payable under trademark license agreement with interest. The Company is contesting the application filed by the OL and filed its statement of objections during the quarter ended September 30, 2023. The OL subsequently filed its rejoinder during the quarter ended March 31, 2024. Based on the Management assessment supported by external legal opinions, the Company continues to believe that it has a good case on merits.

The Official Liquidator (UBHL) filed another claim before the High Court of Karnataka, purportedly as loans and advances repayable to UBHL by the Company, without substantiating the basis of such a claim. USL has denied this purported debt and is contesting this claim. The Company believes it has a good case on merits.

United Spirits Limited

Notes to the Standalone and Consolidated Statements of Financial Results for the quarter ended June 30, 2025 – Contd.

(d) Dispute with IDBI Bank Limited

As disclosed in each of the annual financial statements commencing from year ended March 31, 2015, during the year ended March 31, 2014, the Company prepaid a term loan taken from IDBI Bank Limited (the "bank") in earlier years which was secured by certain property, plant and equipment and brands of the Company as well as by a pledge of certain shares of the Company held by the USL Benefit Trust (of which the Company is the sole beneficiary). The bank disputed the prepayment, following which the Company filed a writ petition ("WP") in November 2013 before the Hon'ble High Court of Karnataka ('High Court') challenging the actions of the bank. In February 2016, following the original maturity date of the loan, the Company received a notice from the bank seeking to recall the loan and demanding a sum of ₹ 46 crores on account of outstanding principal, accrued interest and other amounts as also further interest till the settlement date as per the security documents. The Company challenged this notice in the pending writ proceedings during which the High Court directed that, subject to the Company depositing ₹ 46 crores with the bank in a suspense account, the bank should not deal with any of the secured assets including the shares until disposal of the writ petition. The Company deposited the full amount, and the bank was restrained from dealing with any of the secured assets.

In June 2019, a single judge bench of the High Court dismissed the Company's writ petition, amongst other reasons, on the basis that the matter involved an issue of breach of contract by the Company and was therefore not maintainable in exercise of the court's writ jurisdiction. The Company filed an appeal against this order before a division bench of the High Court, which was admitted and interim protection on the secured assets was reinstated. The writ appeal is pending.

Based on management assessment supported by external legal opinions, the Company continues to believe that it has a strong case on merits and therefore continues to believe that the aforesaid amount of ₹ 46 crores remains recoverable from the bank.

In a separate proceeding before the Debt Recovery Tribunal (DRT), Bengaluru, initiated by a consortium of banks (including the bank) for recovery of loans advanced by the consortium of banks to Kingfisher Airlines Limited (KAL), the bank filed an application for attachment of the pledged shares belonging to USL Benefit Trust. DRT dismissed the said application of the bank and the bank filed an appeal against this order before the Debt Recovery Appellate Tribunal ('DRAT'), Chennai in September 2017. The bank's appeal is pending for final hearing by the DRAT.

5. During the quarter ended December 31, 2023, the Company received a claim from one of its institutional customers, amounting to ₹ 365 crores inclusive of penalty. The claim pertains to a historical matter regarding differential trade terms and was disclosed in the annual financial statements for the years ended March 31, 2017, March 31, 2018, March 31, 2021 and March 31, 2022. The impact of the settlement was accounted for and disclosed in the financial statements for the earlier years. Management's assessment is that the claim from the customer is unreasoned, arbitrary in nature and is in violation of the principles of natural justice. Management is of the view that the matter was resolved and settled in full in the prior years. Management has therefore not acknowledged the claim from the customer and has chosen to litigate as per the legal remedies available. The Company filed petitions under the Arbitration and Conciliation Act, seeking appointment of an arbitrator, and interim relief against withholding payments. By its order dated August 12, 2024, the Bombay High Court appointed a Sole Arbitrator to decide on the dispute and transferred the Company's pending petition for interim relief to be decided by the Arbitrator and is reserved for orders. The parties have filed their respective pleadings, and the arbitration is in progress. Management, supported by external legal opinion, believes that it has a good case on merits with a high probability of success in realising the withheld payments. Management has also determined that the receivable from the customer as at June 30, 2025 is good and recoverable.

United Spirits Limited

Notes to the Standalone and Consolidated Statements of Financial Results for the quarter ended June 30, 2025 – Contd.

6. Acquisition of Nao Spirits

On June 26, 2025, the Company purchased 34,291 equity shares of NAO from existing shareholders, through a step acquisition. The transaction was executed for a consideration of ₹49 crores. Management is in the process of completing the Purchase Price Allocation. The Company has further infused ₹56 crores through a combination of equity and compulsorily convertible preference shares (CCPS) to support future growth initiatives of NAO. Subsequent to the acquisition and capital infusion, the Company holds 97% of the paid-up share capital in NAO and has a written option to buy the remaining equity interest.

7. Exceptional Items

During the quarter ended June 30, 2025, the Company has recognised an amount of ₹ 11 crores as employee severance cost which has been presented as an exceptional item in the standalone and consolidated financial results. Additionally, RSCPL has recognized an amount of ₹3 crores as financial assistance provided to deceased RCB fans due to stampede incident which is presented as an exceptional item in the consolidated financial results.

8. Subsequent to the quarter ended June 30, 2025, the Company was informed by Diageo Scotland Limited (DSL), a fellow subsidiary, about unintended omissions in its costing and invoicing process leading to a shortfall in the price charged for certain supplies of bulk spirits made during the period from October 2019 to July 2025. DSL has confirmed that such shortfall will not be charged to the Company. Based on opinion from legal experts, management has assessed its accounting position and has recognized a liability for additional customs duty and interest thereon for goods already cleared for home consumption from customs warehouse/ free trade warehousing zone, amounting to ₹113 crores at June 30, 2025. DSL has provided the Company with a covenant to fully pay the additional customs duty and the interest thereon. As DSL has provided the Company with a covenant to pay, the said matter does not have financial impact on the Company. The liability for additional customs duty and interest thereon have been presented under Cost of Materials Consumed and Finance Costs, net off reimbursement from DSL in the standalone and consolidated financial results for the quarter ended June 30, 2025. The Company, voluntarily, has deposited the amount along with an appropriate disclosure to the Customs authorities and subsequently, received the reimbursement from DSL of the same amount. The above matter was also disclosed pursuant to regulation 30 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, to stock exchanges on July 28, 2025.
9. During the financial year ended March 31, 2019, the Company voluntarily disclosed instances of intermediary and bottling losses surpassing the allowable excise limits at its Maharashtra facilities. Following this disclosure, the Company received demand notices related to excess wastage from April 2019 to July 2020. The Company had contested these charges in the Bombay High Court, which led to the appointment of an external expert to study the technical aspects of maturation loss. During the quarter ended June 30, 2025, the external expert has completed its assessment and has issued its final report. The said report has been submitted by the Company to the Commissioner (Appeals). While final adjudication remains pending before the Commissioner (Appeals) and subsequently the Hon'ble Bombay High Court, the Management has evaluated the report and considered opinion obtained from a legal expert. Consequently, management has recognised the related provision for excise duty and interest under cost of materials consumed and finance costs respectively.
10. Officials of Royal Challengers Sports Private Limited (RCSPL), a 100% subsidiary of the Company, have been summoned for inquiries being conducted consequent to the stampede which happened during a celebration event on June 4, 2025, after RCB won its maiden IPL title. The stampede resulted in some casualties and injuries to the fans who had gathered. The ongoing enquiries include a judicial inquiry, a Criminal Investigation Department (CID) inquiry and a magisterial inquiry. The Karnataka High Court also took suo-moto cognisance of the incident and sought a detailed status report from the Advocate General. Management has been co-operating with the officials in the said enquiries and investigations. RCSPL and its officials have filed petitions before the Courts, including a petition seeking to quash the FIRs. The High Court has stayed investigation in two FIRs. Investigation continues in relation to the third FIR by the CID, Bengaluru. Based on expert's opinion, RCSPL management does not foresee any financial implication and believes that it has good case on merits.

Review Report

To
The Board of Directors
United Spirits Limited

Bengaluru

1. We have reviewed the consolidated unaudited financial results of United Spirits Limited (the "Holding Company"), its subsidiaries and trust controlled by it (together referred to as the "Group"), and its share of the net loss after tax and total comprehensive income of its joint ventures (refer Note 2 to the Consolidated Financial Results) for the quarter ended June 30, 2025 which are included in the accompanying 'Unaudited Consolidated Statement of Financial Results for the quarter ended June 30, 2025' together with the notes thereon (hereinafter referred to as the "Consolidated Financial Results"). The Consolidated Financial Results is being submitted by the Holding Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations, 2015"), which has been digitally signed by us for identification purposes.
2. This Consolidated Financial Results, which is the responsibility of the Holding Company's Management and has been approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Consolidated Financial Results based on our review.
3. We conducted our review of the Consolidated Financial Results in accordance with the Standard on Review Engagements ('SRE') 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Consolidated Financial Results is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the Listing Regulations, 2015, as amended, to the extent applicable.

6. Based on our review conducted and procedures performed as stated in paragraphs 3 and 4 above, nothing has come to our attention that causes us to believe that the accompanying Consolidated Financial Results has not been prepared in all material respects in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India and has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
7. We draw your attention to the following matters:
- a) As explained in Note 4(a) to the Consolidated Financial Results which explains the uncertainties post completion of the Initial Inquiry, which identified references to certain Additional Parties and certain Additional Matters, the then MD and CEO of the Holding Company, pursuant to the direction of the Board of Directors of the Holding Company, had carried out an Additional Inquiry that revealed transactions indicating actual and potential diversion of funds from the Holding Company and its Indian and overseas subsidiaries to, in most cases, Indian and overseas entities that appear to be affiliated or associated with the Holding Company's erstwhile non-executive Chairman and other potentially improper transactions. Post completion of Additional Inquiry certain regulatory notices and communications were received from Securities and Exchange Board of India, Directorate of Enforcement and Authorised Dealer ('AD') banks to which the Holding Company has responded or is in the process of filing certain forms with the AD. Subsequently, the Holding Company commenced the rationalization process for divestment/ liquidation/ merger of certain overseas subsidiaries including step down subsidiaries and completion of the above rationalization process is subject to regulatory approvals in India and overseas.

Price Waterhouse & Co Chartered Accountants LLP

The Holding Company has filed suits for recovery of certain amounts against relevant parties and individuals identified in the Additional Inquiry, including excess managerial remuneration paid to the former Executive Director and CFO which have been fully provided for or recognised as expense in prior years. The management is currently unable to estimate the financial impact on the Holding Company, if any, arising out of potential non compliances with applicable laws as above.

- b) As explained in Note 4(d) to the Consolidated Financial Results, which describes the uncertainty relating to the final outcome of litigations with a bank ("the bank") that continues to retain the pledge of certain assets of the Holding Company and of the Holding Company's shares held by USL Benefit Trust (of which the Holding Company is the sole beneficiary) despite the Holding Company prepaying the term loan to that bank along with the prepayment penalty and further depositing an additional sum of INR 46 crores demanded by the bank and as directed by the High Court of Karnataka (the "Court"). Based on management assessment supported by external legal opinions, the Holding Company has disclosed the aforesaid amount of INR 46 crores under 'Other Non-current financial assets' as recoverable from the bank pending the final outcome of the litigation. In a separate proceeding before the Debt Recovery Appellate Tribunal, the bank's appeal against the judgement awarded by Debt Recovery Tribunal in favor of the Holding Company in respect of attachment of the aforesaid pledged shares for recovery of the loans advanced by the bank to Kingfisher Airlines Limited is pending disposal.
8. The consolidated Financial Results include the financial information of 9 subsidiaries and a trust controlled by the Group which have not been reviewed by their auditors, whose interim financial information reflect total revenue of INR 0 crore, total net loss after tax of INR (2 crores) and total comprehensive income of INR (2 crores) for the quarter ended June 30, 2025 as considered in the Consolidated Financial Results. The consolidated Financial results also include the Group's share of total net loss after tax of INR (6 crores) and total comprehensive income of INR (6 crores) for the quarter ended June 30, 2025, as considered in the Consolidated Financial Results, in respect of joint ventures, based on their financial information which has not been reviewed by their auditors. According to the information and explanations given to us by the Management, these financial information are not material to the Group.

Our conclusion on the Consolidated Financial Results is not modified in respect of the above matters described in paragraphs 7 and 8 above.
