1 The Bank operates in four segments viz., Treasury, Retail, Corporate / Wholesale and Other Banking Operations. These segments have been identified in line with AS-17 on segment reporting issued by the Institute of Chartered Accountants of India (ICAI) after considering the nature and risk profile of the products and services, the target customer profiles, the organizational structure and the internal reporting system of the bank. The bank has disclosed the business segment as primary segment. The revenue and other parameters of foreign branches for the period are within the threshold limits stipulated as per AS-17 and hence the bank has only one reportable segment.

The Bank has disclosed 'Digital Banking' as a sub-segment of the Retail Banking segment as required by RBI guidelines. Segment wise income and expenditure which are not directly allocable have been allocated to the reportable segments based on assumptions as considered appropriate by the management.

4 Segment Liabilities and Segment Capital are distributed in the ratio of their respective Segment Assets.

5 Figure of previous year/period have been regrouped/reclassified wherever necessary.
