Notes:

1. Ministry of Corporate Affairs Circular Ref. Nos: 20/2020 dated May 5, 2020, 2/2022 dated May 5, 2022 and SEBI Circular No: SEBI/HO/CFD/CMD1/ CIR/P/2020/79 dated May 12, 2020, SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January 15, 2021, SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated May, 2022, SEBI/HO/CFD/PoD-2/P/CIR/2023/4 dated January 5, 2023 and SEBI/HO/CFD/PoD-2/P/CIR/2023/167 dated October 7, 2023 permitted the holding of Annual General Meeting through VC/OAVM without the physical presence of the members at the common Venue. In compliance with these MCA Circulars and the relevant provisions of the Companies Act, 2013 and the SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015 the Annual General Meeting of the members of the Company is being held through VC/OAVM.
2. Pursuant to the provisions of the Companies Act, 2013, a Member entitled to attend and vote at the Annual General Meeting is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC/OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the Annual General Meeting and hence the Proxy Form and Attendance Slip are not annexed to the Notice.
3. Institutional/Corporate Shareholders (i.e. other than individuals/HUF, NRI, etc) are required to send a scanned copy (PDF/JPEG Format) of its Board Resolution or governing body Resolution/Authorisation etc., authorising its representative to attend the Annual General Meeting through VC/OAVM on its behalf and to vote through remote e-voting. The said Resolution/Authorization shall be sent to the Scrutinizer by email through their registered email address to sharpcs1@gmail.com with copies marked to the Company at shares@bannarimills.com and to its RTA at coimbatore@in.mpms.mufig.com.
4. The name of the RTA changed from "Link Intime India Private Limited" to "MUFG Intime India Private Limited" w.e.f. 31.12.2024.
5. Members are requested to submit the questions in advance on the e-mail address shares@bannarimills.com.
6. As per MCA General Circular No. 20/2020 dated May 5, 2020 and 2/2022 dated May 5, 2022 and SEBI Circular No. SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated May 13, 2022, dispatching of physical copies of the financial statements (including Board's Report, Auditor's Report or other documents required to be attached therewith), such statements shall be sent only by e-mail to the members and hence sending of Annual Report by physical mode has been dispensed with.
7. The members attending the meeting through VC/OAVM shall be reckoned for the purpose of Quorum as stipulated under Section 103 of the Companies Act, 2013.
8. All the resolutions will be passed through the facility of e-voting system only.
9. The Explanatory Statement pursuant to Section 102 of the Companies Act, 2013, which sets out details in respect of items 3 & 4 of the Agenda forms part of this document.
10. The register of members and the share Transfer books of the company will remain closed from 15.07.2025 to 21.07.2025 (both days are inclusive).
11. Previous year figures are given in brackets for the purpose of comparison.
12. Relevant documents referred to in the accompanying Notice and the Explanatory Statement shall be open for inspection through electronic mode only.
13. In compliance with the provisions of Section 108 of the Act, read with Rule 20 of the Companies (Management and Administration) Rules, 2014, and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 the Company is pleased to offer the facility of voting through electronic means, as an alternate, to all its Members to enable them to cast their votes electronically.

14. The voting through electronic means will commence on 18.07.2025 at 10.00 A.M and will end on 20.07.2025 at 5.00 P.M. The Members will not be able to cast their vote electronically beyond the date and time mentioned above and the e-voting system shall be disabled for voting thereafter. The persons those who are holding shares as on the cut-off date of 14.07.2025 are only eligible to cast their e-voting.

15. Registration of email ID and Bank Account details:

In case the shareholder's email ID is already registered with the Company/its Registrar & Share Transfer Agent "RTA"/Depositories, log in details for e-voting are being sent on the registered email address.

In case the shareholder has not registered his/her/their email address with the Company/its RTA/Depositories and or not updated the Bank Account mandate the following instructions to be followed:

i) Shareholders holding shares in physical mode are requested to communicate their change of postal address (enclose copy of Aadhar Card), e-mail address if any, self-attested copy of PAN Card and bank account details (enclose cancelled Cheque leaf) quoting their folio nos. to the Registrar and Share Transfer Agents M/s. MUFG Intime India Private Limited, Surya, 35 Mayflower Avenue, Behind Senthil Nagar, Sowripalayam Road, Coimbatore - 641 028.

ii) In the case of Shares held in Demat mode:

The shareholder may please contact the Depository Participant ("DP") and register the e-mail address and bank account details in the demat account as per the process followed and advised by the DP.

16. The Notice of the Annual General Meeting along with the Annual Report for the financial year 2024-25 is being sent only by electronic mode to those Members whose email addresses are registered with the Company/RTA/Depositories in accordance with the aforesaid MCA Circulars and circular issued by SEBI dated May 12, 2020. Further a letter providing the weblink including the exact path where the complete details of the Annual Report is available will be sent to the shareholders who have not registered their e-mail address. Members may note that the Notice of Annual General Meeting and Annual Report for the financial year 2024-25 will also be available on the Company's website www.bannarimills.com; websites of the Stock Exchanges i.e. National Stock Exchange of India Ltd and BSE Limited at www.nseindia.com and www.bseindia.com respectively. Members can attend and participate in the Annual General Meeting through VC/OAVM facility only.

17. Members attending the meeting through VC/OAVM shall be counted for the purposes of reckoning the quorum under Section 103 of the Companies Act, 2013.

18. The Company has appointed Sri R Dhanasekaran, Practicing Company Secretary, to act as the Scrutinizer for conducting the voting process in a fair and transparent manner.

19. Instructions for e-voting and joining the Annual General Meeting are as follows:

B. PAN:

Enter your 10-digit Permanent Account Number (PAN)

(Shareholders who have not updated their PAN with the Depository Participant (DP)/ Company shall use the sequence number provided to you, if applicable.

C. Mobile No: Enter your Mobile No.

D. Email ID: Enter your email Id as recorded with your DP/ Company.

- c) Click "Go to Meeting"

You are now registered for InstaMeet, and your attendance is marked for the meeting.

Instructions for shareholders to Speak during the General Meeting through InstaMeet:

- a) Shareholders who would like to speak during the meeting must register their request with the company.
- b) Shareholders will get confirmation on first cum first basis depending upon the provision made by the company.
- c) Shareholders will receive "speaking serial number" once they mark attendance for the meeting. Please remember speaking serial number and start your conversation with panellist by switching on video mode and audio of your device.

- d) Other shareholder who has not registered as "Speaker Shareholder" may still ask questions to the panellist via active chat-board during the meeting.

*Shareholders are requested to speak only when moderator of the meeting/ management will announce the name and serial number for speaking.

Instructions for Shareholders to Vote during the General Meeting through InstaMeet:

Once the electronic voting is activated during the meeting, shareholders who have not exercised their vote through the remote e-voting can cast the vote as under:

- a) On the Shareholders VC page, click on the link for e-Voting "Cast your vote"
- b) Enter your 16-digit Demat Account No. / Folio No. and OTP (received on the registered mobile number/ registered email Id) received during registration for InstaMEET
- c) Click on 'Submit'.
- d) After successful login, you will see "Resolution Description" and against the same the option "Favour/ Against" for voting.
- e) Cast your vote by selecting appropriate option i.e. "Favour/Against" as desired. Enter the number of shares (which represents no. of votes) as on the cut-off date under 'Favour/Against'.
- f) After selecting the appropriate option i.e. Favour/Against as desired and you have decided to vote, click on "Save". A confirmation box will be displayed. If you wish to confirm your vote, click on "Confirm", else to change your vote, click on "Back" and accordingly modify your vote. Once you confirm your vote on the resolution, you will not be allowed to modify or change your vote subsequently.

Note:

Shareholders/ Members, who will be present in the General Meeting through InstaMeet facility and have not casted their vote on the Resolutions through remote e-Voting and are otherwise not barred from doing so, shall be eligible to vote through e-Voting facility during the meeting.

Shareholders/ Members who have voted through Remote e-Voting prior to the General Meeting will be eligible to attend/ participate in the General Meeting through InstaMeet. However, they will not be eligible to vote again during the meeting.

Shareholders/ Members are encouraged to join the Meeting through Tablets/ Laptops connected through broadband for better experience.

Shareholders/ Members are required to use Internet with a good speed (preferably 2 MBPS download stream) to avoid any disturbance during the meeting.

Please note that Shareholders/ Members connecting from Mobile Devices or Tablets or through Laptops connecting via Mobile Hotspot may experience Audio/Visual loss due to fluctuation in their network. It is therefore recommended to use stable Wi-Fi or LAN connection to mitigate any kind of aforesaid glitches.

Helpdesk:

Shareholders facing any technical issue in login may contact INSTAMEET helpdesk by sending a request at instameet@in.mpms.mufl.com or contact on: - Tel: 022 - 4918 6000 / 4918 6175.

Add: Other Comprehensive Income	13.38	42.30
Total Comprehensive Income	3699.43	(2581.13)

DIVIDEND

Your Directors have not recommended any dividend for the year 2024-25.

REVIEW OF OPERATIONS

There has been a gradual improvement in the performance of the Company as can be seen from Net Profit/(loss) after Tax from continuing operations which stands @ (Rs.117.78 lakhs) as compared to (Rs.2063.26 lakhs) in the previous year. This can be attributed to improvement in operating efficiency coupled with better demand for Textile & Clothing products.

The Company has considered the assets of the Garment and Processing (R-44 site at SIPCOT, Perundurai) divisions as discontinued operations and classified as assets held for sale/discontinued operations. There is no change in the nature of business during the financial year and until the date of this report.

Unit wise performance of the company :

Spinning Units

During the year under review, the Spinning Units produced 21343.10 tonnes (21503.01 tonnes) and sold 17027.83 tonnes (19349.41 tonnes) of Yarn.

The sales include 135.99 tonnes (291.55 tonnes) by way of export. The total yarn sales amounted to Rs.49204.58 lakhs (Rs.52679.62 lakhs) of which export sales amounted to Rs.402.25 lakhs (Rs.817.63 lakhs). The reduction in export sales is due to weak overseas demand as well as unremunerative prices for cotton yarn during the year.

The Spinning Units produced 7736.36 tonnes (7966.21 tonnes) of saleable waste cotton and sold 8344.36 tonnes (6983.32 tonnes) and the total waste cotton sales of this division amounted to Rs.6799.44 lakhs (Rs.6491.27 lakhs).

Weaving Unit

The Weaving Unit specializes in manufacturing wider-width cotton grey woven fabric. During the year under review, 130.18 lakh metres (127.40 lakh metres) of fabric were produced and 107.91 lakh metres (127.82 lakh metres) of fabric were sold.

The sales include 19.55 lakh metres (32.69 lakh metres) by way of export. The total fabric sales amounted to Rs.10425.73 lakhs (Rs.9130.54 lakhs) of which export sales amounted to Rs.1506.11 lakhs (Rs.2788.59 lakhs).

Home Textile Unit

During the year under review, the Home Textile Unit produced 40.60 lakh pieces (25.22 lakh Pieces) of made ups and sold 34.91 lakh pieces (32.50 lakh pieces) and made fabric sales of 9.02 lakh metres (6.03 lakh metres)

The total sales of this unit amounted to Rs.5383.93 lakhs (Rs.4109.22 lakhs) which includes fabric sales amounting to Rs.1601.90 lakhs (Rs.434.82 lakhs).

Knitting Unit

During the year under review, 2239.38 tonnes (4222.34 tonnes) of Knitted fabric were produced and 2085.65 tonnes (3723.52 tonnes) were sold. The total sales of this unit amounted to Rs.6110.89 lakhs (Rs.10835.28 lakhs) of which export sales amounted to Rs.496.13 lakhs (Rs.1595.58 lakhs).

Processing Unit

During the year under review, 2225.45 tonnes (1918.31 tonnes) of fabric were processed on job work basis and 1184.56 tonnes (1075.91 tonnes) of fabric were produced and 1085.47 tonnes (1368.06 tonnes) of fabric were sold. The total fabric sales of this division amounted to Rs.5582.09 lakhs (Rs.5202.28 lakhs).

Wind Mills

The company has 4 windmills of 1250 KW each totaling 5 MW in Radhapuram Taluk, Tirunelveli District, Tamilnadu, 23 windmills, each of 800 KW capacity totaling 18.40 MW capacity in Dharapuram Taluk, Tirupur District and Palani Taluk, Dindigul District, Tamilnadu. The total installed capacity of Windmills is 23.40 MW and the whole of the wind power generated is captively consumed by the Spinning Units and Weaving Unit.

The windmills produced 322.14 Lakh units of power as against 371.91 Lakh units produced in the last year.

SALE OF SUBSIDIARY AND GARMENTS UNIT etc.

The Board of Directors of the Company at their meeting held on 4th December 2023 approved the MOU for sale of its entire shareholding In its Subsidiary Company, M/s Young Brand Apparel Private Limited (YBAPL) and for the sale of its Garment unit at Palladam and Land & Building at R-44 site in SIPCOT, Perundurai to M/s S P Apparels Limited. The transaction relating to sale of stake in M/s YBAPL has been completed in full in June'2024. In terms of Ind AS 105, the operations of the above units were treated as discontinued operations and accounted accordingly.

PROSPECTS FOR THE FINANCIAL YEAR 2025 - 26

The textile and apparel industry is facing challenges with regard to pricing and hence there is stress on operational Profitability. The export demand is weak on account of factors caused by Geo political tensions. The domestic demand looks promising but pricing concerns remain. Overall the prospects for the current year depends on improvement in prices and the Company's focus on value added product mix is expected to achieve better performance.

EVENTS SUBSEQUENT TO THE DATE OF FINANCIAL STATEMENTS

There are no material changes and commitments affecting the Financial position of the Company, subsequent to the end of the Financial Year.

There are no proceedings pending under the Insolvency and Bankruptcy Code, 2016. There was no instance of one-time settlement with any Bank or Financial Institution.

PUBLIC DEPOSITS

The Company has no public deposits outstanding at the beginning of the year and, the Company has not accepted any deposits within the meaning of Section 73 to 76 of the Companies Act, 2013 and the Companies (Acceptance of Deposits) Rules, 2014 during the year under review.

SHARE CAPITAL

During the year, there is no change in Share Capital of the Company.

PREFERENTIAL ISSUE

The Company, during the year has issued and allotted 42,25,806 Share Warrants aggregating to Rs.26.20 crores to Promoters and other Investors who have paid 25% of the issue size amounting to Rs.6.55 crores and the balance has to be subscribed within 18 months from the date of allotment.

ANNEXURE - I
FORM NO. MR-3
SECRETARIAL AUDIT REPORT
(FOR THE FINANCIAL YEAR ENDED 31st MARCH, 2025)

(Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014)

To

The Members
Bannari Amman Spinning Mills Limited
(CIN: L17111TZ1989PLC002476)
252, Mettupalayam Road,
Coimbatore - 641043.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Bannari Amman Spinning Mills Limited (hereinafter called the "Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing my opinion thereon.

Based on my verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2025, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by Bannari Amman Spinning Mills Limited ("the Company") for the financial year ended on 31st March 2025) ('Audit Period') according to the provisions of:

- I. The Companies Act, 2013 (the Act) and the Rules made thereunder and applicable provisions of the Companies Act 1956;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made thereunder;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv. Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') to the extent applicable to the Company;
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - d. The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014; (Not applicable to the company during the Audit Period)
 - e. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; (Not applicable to the company during the Audit Period)

- f. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - g. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 (Not applicable to the Company during the Audit Period); and
 - h. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 (Not applicable to the Company during the Audit Period);
- vi. The following other laws specifically applicable to the company:
- a. Textile Committee Act, 1963
 - b. Textiles (Development and Regulation) order, 2001
 - c. Textiles (Consumer Protection) Regulation, 1985

I have also examined compliance with the applicable clauses of the following:

- i) Secretarial Standards issued by The Institute of Company Secretaries of India.
- ii) The Listing Agreements entered into by the Company with the BSE Limited, National Stock Exchange of India Limited and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

I report that, during the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, Listing Agreements etc., mentioned above.

I further report that, based on the information provided by the Company, its officers and authorised representatives during the conduct of the audit, and also on the review of periodical compliance reports by respective department heads / company secretary / CFO taken on record by the Board of Directors of the Company, in my opinion, adequate systems and process and control mechanism exist in the Company to monitor and ensure compliance with applicable financial / general laws like, direct and indirect tax laws, labour laws, and environmental laws.

I further report that, the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors, and Independent Directors. During the year under review, the company has appointed Independent directors and non-Independent Director, and the change in the composition of the Board of Directors that took place during the period under review was carried out in compliance with the provisions of the Act,

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.

I further report that, there are adequate systems and processes in the company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations, and guidelines.

I further report that, during the audit period:

The company has not taken any events / actions having a major bearing on the company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.

ANNEXURE IV

**CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION,
FOREIGN EXCHANGE EARNINGS AND OUTGO**

The information under section 134(3)(m) of the Companies Act, 2013 read with rule 8 (3) of the Companies (Accounts) Rules, 2014 for the year ended 31st March, 2025 is given here below, and forms part of the Director's Report.

A. CONSERVATION OF ENERGY

- i) The steps taken or impact on conversation of energy;

Various measures have been implemented based on the recommendations of the external agency engaged to undertake study and suggest measures for conservation of energy in the Spinning divisions. The investments are planned in a phased manner. As a result of the measures taken, the Spinning units have saved about 3320 units of power per day. Further steps will be taken to conserve energy.

- ii) The steps taken by the company for utilising alternate source of energy;

During the year under review the company utilized wind power of 322.14 Lakh units by way of captive consumption. The Company has also invested in Solar Power Generating Company for supply Power to the Company's manufacturing units and during the year 165.10 lakh units of solar power generated from the facility has been consumed by the Company thereby contributing to green energy empowerment. Apart from this, the Company is purchasing solar and wind power from private players and during the year 96.83 lakh units of such power has been purchased and consumed and hence reducing dependence on fossil fuel.

- iii) The capital investment on energy conversation equipments; - Nil

B. TECHNOLOGY ABSORPTION

1. The efforts made towards technology absorption; - Nil
2. The benefits derived like product improvement, cost reduction, product development or import substitution; - Nil
3. In case of imported technology (imported during the last three years reckoned from the beginning of the financial year); - Nil
4. The expenditure incurred on Research and Development; - Nil

C. FOREIGN EXCHANGE EARNINGS AND OUTGO

During the year under review foreign exchange earnings were Rs.6,586.86 Lakhs (Rs.7804.19 Lakhs). Foreign exchange outgo was Rs.4302.98 Lakhs (Rs.143.66 Lakhs).

MANAGEMENT DISCUSSION AND ANALYSIS

COMPANY'S BUSINESS

The Company's principal line of business is manufacturing and marketing of Cotton Yarn, Woven and Knitted fabrics, Home Textiles, Knitted Garments and Processing of fabrics. The Company has two spinning units near Dindigul, Tamilnadu with an installed capacity of 145440 spindles, Weaving and Home Textiles units at Karanampettai near Palladam with an installed capacity of 153 looms, Processing unit at SIPCOT, Perundurai with an installed capacity to process 5400 tonnes of fabric per annum, Knitting unit near Dindigul with installed capacity to produce 5200 tonnes of knitted fabric per annum and 27 Windmills with an installed capacity of 23.40 MW green power which is entirely used for captive consumption.

INDUSTRY STRUCTURE AND DEVELOPMENTS

India's textiles sector is one of the oldest industries in the Indian economy, dating back to several centuries. The industry is extremely varied, with hand-spun and hand-woven textiles sectors at one end of the spectrum, with the capital-intensive sophisticated mills sector at the other end. The fundamental strength of the textile industry in India is its strong production base of a wide range of fibre/yarns from natural fibres like cotton, jute, silk, and wool, to synthetic/man-made fibres like polyester, viscose, nylon and acrylic.

The decentralised power looms / hosiery and knitting sector form the largest component of the textiles sector. The close linkage of textiles industry to agriculture (for raw materials such as cotton) and the ancient culture and traditions of the country in terms of textiles makes it unique in comparison to other industries in the country. India's textiles industry has a capacity to produce a wide variety of products suitable for different market segments, both within India and across the world.

According to Crisil Ratings, the organised retail apparel sector is projected to achieve revenue growth of 8-10% in FY25, driven by few positive factors.

The market for Indian textiles and apparel is projected to grow at a 10% CAGR to reach US\$ 350 billion by 2030. Moreover, India is the world's 3rd largest exporter of Textiles and Apparel. India ranks among the top five global exporters in several textile categories, with exports expected to reach US\$100 billion.

The textiles and apparel industry contributes 2.3% to the country's GDP, 13% to industrial production and 12% to exports. The textile industry in India is predicted to double its contribution to the GDP, rising from 2.3% to approximately 5% by the end of this decade.

OPPORTUNITIES

Increasing Global Demand for Textiles India is positioned as a leading supplier of textiles globally. The industry is expected to see significant growth in exports, driven by increasing demand in key markets such as the United States, Europe, and the Middle East. India's textile exports are projected to reach \$45 billion by 2025, up from the \$38 billion mark in 2020. This growth is driven by India's competitive manufacturing costs, skilled labor force, and the push to strengthen its export-friendly policies.

As the world moves toward sustainability, the Indian textile industry is embracing eco-friendly manufacturing practices. Sustainable textiles, organic fibers, and eco-friendly dyes are expected to become standard by 2025. The rise of sustainable brands and an increase in consumer awareness around eco-conscious products are prompting Indian manufacturers to adopt green technologies. Moreover, India is focusing on circular economy principles, recycling, and waste reduction in textile production.

Technological Advancements and Automation Technological innovations are revolutionizing the Indian textile industry. Automation, AI, and IoT (Internet of Things) are streamlining production processes, improving efficiency, and reducing costs. By 2025, we can expect more widespread adoption of technologies like smart textiles, digital printing, and automated stitching machines. The implementation of data analytics for real-time decision-making will also play a crucial role in optimizing supply chains and improving product quality.

OUTLOOK

The future of the Indian textiles industry looks promising, buoyed by strong domestic consumption as well as export demand. India is working on various major initiatives to boost its technical textile industry. The Indian government is playing a pivotal role in transforming the textile sector through various schemes such as the Production Linked Incentive (PLI) Scheme for Textiles and the National Textile Policy. These initiatives aim to boost manufacturing, exports, and job creation.

With consumerism and disposable income on the rise, the retail sector has experienced a rapid growth in the past decade with the entry of several international players like Marks & Spencer, Guess and Next into the Indian market. The growth in textiles will be driven by growing household income, increasing population, and increasing demand by sectors like housing, hospitality, healthcare, etc.

RISKS AND CONCERNS

Availability of Cotton, the main raw material for manufacture of Cotton Yarn, is subject to the vagaries of nature and the prices also fluctuate wildly based on supply/demand in the World market and Government policy on export of Cotton. Equally high is the cost of man made fibres which impact the Profitability. There are challenges related to Infrastructure and logistics. Environmental concern is also one of the factors which will have a bearing on the Textile industry performance.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The Company has adequate internal control procedures and systems commensurate with its size and nature of its business for purchase of raw materials, plant and machinery, components and other items and sale of goods. The checks and controls are reviewed by the Audit Committee for improvement in each of these areas on a periodical basis. The internal control systems are improved and modified continuously to meet with changes in business conditions, statutory and accounting requirements.

**FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE**

The financial performance of the Company has been discussed at length in Director's Report to the Members.

SIGNIFICANT CHANGES IN KEY FINANCIAL RATIOS FOR THE FINANCIAL YEAR 2024-25 AND 2023-24.

S.No.	Ratios	31.3.2025	31.3.2024
1	Debtors Turnover	5.46	5.46
2	Inventory Turnover	2.95	2.92
3	Interest coverage	1.87	0.74
4	Current Ratio	1.13	1.05
5	Debt Equity Ratio	1.11	1.34
6	Operating Profit margin	9.93%	1.61%
7	Net Profit margin	4.14%	(2.73%)

DETAILS OF ANY CHANGE IN RETURN ON NETWORTH AS COMPARED TO IMMEDIATELY PREVIOUS FINANCIAL YEAR ALONG WITH A DETAILED EXPLANATION THEREOF

Return on Networth 31.3.2025 - 8.47%

Return on Networth 31.3.2024 - (6.90%)

The RONW has turned positive during FY 25 as the operating performance of the Company has improved as compared to previous year.

MEDIUM TERM AND LONG TERM STRATEGIES

The Company currently manufactures Cotton yarn, Polyester & Cotton blended yarn, Knitted fabric, Grey and bleached woven fabric, made ups and Processed knit fabric. The medium and long term strategies that will be initiated by the Company are discussed below.

Cotton Yarn :

As part of product diversification, the Spinning units have started manufacturing finer counts viz.80s, 100s used in value added applications and also new product mixes produced out of imported cotton for quality sensitive consumers. Production of Polyester and cotton blended yarn commenced during the year.

Knitted fabric :

Knitted fabric production is against orders and emphasis will be on producing value added fabric (Lycra).

Woven fabric :

Production of fabric is generally against orders. A portion of fabric produced is transferred to Home Textile division for manufacture of value added products. Efforts are underway to identify new markets.

Home Textiles :

The main products are bleached fabric and madeups like bed linen products meant mainly for exports. Home textiles is one of the focus areas for the Company and efforts are underway to increase the share of Home Textiles products.

Processed Knitted fabric :

The processing division produces dyed fabric for Hosiery segment applications and the production is against orders. Surplus capacity is utilized for job work order.

(Disclosure with limits set by competitive position, medium term and long term strategies as approved by Board of Directors)

CERTIFICATE ON CORPORATE GOVERNANCE

To
The Members of
Bannari Amman Spinning Mills Limited
(CIN: L17111TZ1989PLC002476)

I have examined the compliance of conditions of Corporate Governance by M/s. Bannari Amman Spinning Mills Limited ('the company'), for the year ended on 31st March, 2025 as stipulated in Regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and paras C and D of Schedule V of the Securities Exchange Board of India (SEBI) Listing Obligations and Disclosure Requirements (LODR) Regulations, 2015.

The compliance of conditions of Corporate Governance is the responsibility of the Management. My examination was limited to a review of the procedures and implementation thereof adopted by the Company for ensuring the compliance with the conditions of the Corporate Governance as stipulated in the said Listing Regulations. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In my opinion and to the best of my information and according to the explanations given to me and based on the representations made by the Directors and the Management, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in the Securities Exchange Board of India (SEBI) Listing Obligations and Disclosure Requirements (LODR) Regulations, 2015 during the year ended 31st March, 2025.

I further state that such compliance is neither an assurance as to future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

INDEPENDENT AUDITOR'S REPORT

To The Members of Bannari Amman Spinning Mills Limited Report on the Audit of the Standalone Financial Statements

Opinion

1. We have audited the accompanying Standalone Financial Statements of Bannari Amman Spinning Mills Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2025, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended on that date and notes to the Standalone financial statements, including a summary of material accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its profit including other comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone financial statements of the current period. These matters were addressed in the context of our audit of the Standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Description of Key Audit Matter

Inventory of Raw Material, Work-in-Progress and Finished Goods as at the year ended March 31, 2025

We draw attention to Note no 50 on Valuation of Inventories in Standalone Financial Statements of the Company read with the Accounting Policy No. 2.3.

The inventory of Raw Material, Work-in-progress and Finished Goods are valued at the lower of cost and net realizable value. With respect to Work-in-progress and Finished Goods, cost include weighted average of cost of inputs, conversion costs and appropriate share of overheads incurred in bringing Work-in-progress and Finished Goods to their present location and condition. The Company is an integrated textile manufacturer and the inventory primarily comprises of diversified range and quality of yarn, fabric and garments, and its valuation depends on the quality of the item as per the specification received from the customers, and its stage of manufacturing, quality and date of purchase of the raw material and other inputs, and efficiency of the manufacturing facility. The Company is running a composite textile mill and fairly estimating the valuation of such stock is highly complex process which involves significant level of subjectivity, judgment and estimation. The Company maintains its inventory levels based on forecast demand and expected future selling prices. Considering that the Company is having substantial inventory, the carrying value of which is material in the context of total assets of the Company and the valuation thereof involves significant level of subjectivity, judgment and estimation, as detailed above, the same has been considered as Key Audit Matter by us during our audit.

Description of Auditors' Response

Audit Procedure included, but not limited to the following:

- Assessing the appropriateness of the accounting policy for inventories with relevant accounting standards.
- Obtaining an understanding of the Company's process of valuation of the stock, which is done through the computer software.
- Evaluating the design and implementation of the Company's key internal financial controls over valuation of inventories and testing the operating effectiveness of such controls for selected samples.
- Performing substantive procedures to test the reasonableness of the cost allocation methods and basis for allocation of various conversion costs including the direct and indirect cost.
- Evaluating the process of ascertaining the realizable value of the inventory by comparing the actual sales of the same type of the material and its realisation etc.
- Comparing the inventory valuation process of the Company with the industry practices and norms.

Based on the above procedures performed, the determination of Inventory valuation of Raw Material, Work-in-progress and Finished Goods as at the reporting date is considered to be reasonable.

Information Other than the Financial Statements and Auditor's Report thereon

5. The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the Standalone financial statements, Consolidated financial statements and our auditor's report thereon.
6. Our opinion on the Standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
7. In connection with our audit of the Standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. Based on the work we have performed on other information, if we conclude that there is a material misstatement, if any, of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of the Management and those Charged with Governance for the Standalone Financial Statements

8. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
9. In preparing the Standalone Financial Statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

10. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

11. Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.
12. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- a) Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - b) Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(l) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- e) Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 13. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- 14. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- 15. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 16. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
- 17. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid Standalone Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standard) Rules, 2015 as amended.

- e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in **"Annexure B"**.
- g) With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company has disclosed the impact of pending litigations on its financial position in its Standalone financial statements - Refer note no: 38 to the Standalone financial statements.
 - ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii) There has been no delay in transferring amounts required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv)
 - a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries") with the understanding, whether recorded in writing or otherwise, that the Intermediary shall whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf

of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

- c) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under subclause (i) and (ii) of Rule 11 (e), as provided under (a) and (b) above, contain any material mis-statement
- v) The company has not declared or paid any dividend during the year.
- vi) a) Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility. The audit trail function has operated throughout the year for all relevant transactions recorded in the software. During the course of our audit we did not come across any instance of audit trail feature being tampered with.
b) Further, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

**ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT**

Referred to in paragraph 16 of the Independent Auditor's Report of even date to the members of **Bannari Amman Spinning Mills Limited** on the Standalone financial statements for the year ended March 31, 2025.

- i. a) A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.
B) The Company does not hold any intangible assets and hence reporting under this clause is not applicable.
- b) The Company has physically verified property, plant and equipment in regular intervals during the year and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its property, plant and equipment.
- c) In our opinion and according to the information and explanations given to us and on the basis of examination of the records of the company, the title deeds of immovable properties are held in the name of the company. In respect of immovable properties taken on lease and disclosed as right-of-use assets in the Standalone financial statements, the lease agreements are in the name of the company.
- d) The Company has not revalued any of its property, plant and equipment (including right of use assets) during the year.
- e) According to the information and explanations given to us, no proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- ii. a) The inventory has been physically verified by the management at reasonable intervals during the year. In our opinion, the coverage and procedure of such verification by management is appropriate. No discrepancies of 10% or more in the aggregate for each class of inventory were noticed as compared to book records.
- b) In our opinion and according to the information and explanations given to us and on the basis of our examination of the books of account, the Company has been sanctioned, during the year, working capital limits in excess of five crore rupees, in aggregate, from banks on the basis of security of current assets. The Quarterly Returns or Statements filed by the company with the banks are in agreement with the books of accounts of the company.
- iii. In our opinion and according to the information and explanations given to us and on the basis of our examination of the books of account, except for the investment made, the Company has not provided any guarantee or security or granted any loans or advances in the nature of loans during the year.

Reporting under sub-clause a of clause (iii) are as follows;

(Amount Rs. in lakhs)

a)

Particulars	Guarantees	Loans
Aggregate amount granted / provided during the year		
- Subsidiaries	Nil	Nil
- Others	Nil	Nil
Balance outstanding as at balance sheet date in respect of loans/guarantees provided		
- Subsidiaries	Nil	550.00
- Others	Nil	Nil

- b) In our opinion and according to the information and explanations given to us, the investments made, loans granted and their terms and conditions are not prejudicial to the interests of the Company.
- c) In respect of the loans provided by the company, the schedule of repayment of principal has been stipulated and the repayments or receipts are yet to commence as per stipulations.
- d) As per explanations provided to us and based on audit procedures conducted, there is no amount overdue as at the Balance sheet date.
- e) As per explanations provided to us and based on the examination of records, the company has not granted any loans/advances to its subsidiary during the year.
- f) The company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment to promoters, related parties as defined in Clause (76) of Section 2 of the Companies Act, 2013.
- iv. In our opinion and according to the information and the explanations given to us, the Company has not granted any loans or provided any guarantees or securities to the parties covered under the section 185 of the Act. The Company has complied with the provisions of section 186 of the Act in respect of investments made or loans provided.
- v. According to the information and explanations given to us, the Company has not accepted any deposits or amounts which are deemed to be deposits within the meaning of provisions of sections 73 to 76 or any other relevant provisions of the Act and the Rules framed thereunder. Accordingly, reporting under paragraph 3(v) is not applicable to the Company.
- vi. As per the information and explanations given by the management, maintenance of cost records has been specified by the Central Government under sub-section (1) of Section 148 of the Act. We have broadly reviewed the books of accounts maintained by the Company pursuant to the Rules made and we are of the opinion that prima facie, the prescribed accounts and records have been made and maintained by the company.
- vii. a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company is regular in depositing undisputed statutory dues

including Provident Fund, Employee's State Insurance, Income tax, Goods and Service Tax, duty of customs, cess and any other material statutory dues, as applicable.

There are no undisputed Statutory dues in respect of Provident Fund, Employee's State Insurance, Income tax, Goods and Service Tax, duty of customs, cess and any other statutory dues outstanding as at 31.03.2025 for a period of more than 6 months from the date they became payable.

- b) According to the information and explanations given to us, the details of statutory dues referred in sub-clause (a) which have not been deposited as on March 31, 2025 on account of disputed dues are given below:

S. No.	Name of the Statute	Nature of Dues	Amount	Period to which demand relates	Forum where dispute is pending	Remarks
2	Tamil Nadu Tax on Consumption or Sale of Electricity Act, 2003	TANGEDCO Dues	864.69	August 2011 to March 2024	Supreme Court of India	—
			80.61	September 2012 to May 2015	Madras High Court	
			783.41	September 2013 to March 2024		
			86.09	December 2014 to March 2017		

- viii. According to the information and explanations given to us and on the basis of our examination of the books of account, there were no transactions relating to previously unrecorded income that were surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix. a) According to the information and explanations given to us, the Company has not made any default in repayment of dues to banks, financial institutions and other lenders during the year.
- b) To the best of our knowledge and belief and according to the information and explanations given to us, the company has not been declared wilful defaulter by any bank or financial institutions or any other lender.
- c) According to the information and explanations given to us, the company has not availed any term loans during the year.
- d) According to the information and explanations given to us and based on our overall examination of Standalone Financial Statements of the Company, the funds raised on short term basis by the company during the year have not been utilized for long term purposes.
- e) The company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries and hence, reporting under clause(ix)(e) of the Order is not applicable.
- f) The company has not raised loans during the year on the pledge of securities held in its subsidiaries and hence, reporting under clause(ix)(f) of the Order is not applicable.

- x. a) The Company has not raised any money by way of Initial Public Offer or further public offer (including Debt instruments) during the year.
- b) According to the information and explanation given to us and based on our examination of the records of the Company, the Company has made preferential allotment of convertible equity share warrants during the year and the requirements of section 42 and section 62 of the Companies Act, 2013, have been complied with. The Company has utilised funds raised by way of preferential allotment of said equity share warrants for the purpose for which the funds were raised.
- xi. a) According to the information and explanations given to us, no fraud by the Company or any fraud on the Company has been noticed or reported during the year. Accordingly, reporting under clause 3(xi)(a) of the Order is not applicable to the company.
- b) According to the information and explanations given to us, no report under Section 143(12) of the Companies Act has been filed in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules 2014 with the Central Government during the year and up to the date of this report. Accordingly, reporting under clause 3(xi)(b) of the Order is not applicable to the company.
- c) As represented to us by the Management, there are no whistle blower complaints received by the Company during the year. Accordingly, reporting under clause 3(xi) (c) of the Order is not applicable to the company.
- xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, reporting under paragraph 3(xii) of the Order is not applicable.
- xiii. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the Note no 42 to the Standalone financial statements as required by the applicable Indian Accounting Standards.
- xiv. a) In our opinion, the company has an internal audit system commensurate with the size and nature of its business.
- b) The Reports of the Internal Auditors of the Company issued till the date of the audit report for the period under audit were considered by us.
- xv. According to the information and explanations given to us, in our opinion during the year, the Company has not entered into any non-cash transactions with the directors or persons connected with the directors and hence provisions of Section 192 of the Act are not applicable to the Company.
- xvi. a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the paragraph 3(xvi) (a) of the Order is not applicable.

- b) The Company has not conducted any Non-Banking Financial or Housing Finance activities without a valid certificate of registration (CoR) from Reserve Bank of India as per Reserve Bank of India Act, 1934. Accordingly, the paragraph 3(xvi) (b) of the Order is not applicable.
 - c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the paragraph 3(xvi) (c) of the Order is not applicable.
 - d) There is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016). Accordingly, the paragraph 3(xvi) (d) of the Order is not applicable.
- xvii. The Company has not incurred cash losses during the financial year however, it had incurred a cash loss of Rs. 683.20 lakhs during the immediately preceding financial year.
- xviii. There has been no resignation of the Statutory Auditors during the year and accordingly this clause is not applicable.
- xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans, we are of the opinion that no material uncertainty exists as on the date of the audit report and that the company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
- xx. a) According to the information and explanations given to us and based on our examination of the records, the company is not required to spend any amount in accordance with section 135 of the Act. Hence reporting under paragraph 3(xx)(a) is not applicable.
- b) The Company does not have any ongoing projects and there are no unspent amounts pursuant to ongoing projects that are required to be transferred to a special account in compliance of provision of section 135(6) of the Act.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 17(f) of the Independent Auditor's Report of even date to the members of Bannari Amman Spinning Mills Limited on the Standalone financial statements for the year ended March 31, 2025.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of

Section 143 of the Companies Act, 2013 ("the Act")

1. We have audited the internal financial controls over financial reporting of Bannari Amman Spinning Mills Limited ("the Company") as of March 31, 2025 in conjunction with our audit of the Standalone financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Standalone financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:
- a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
 - b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorization of management and directors of the company; and
 - c) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

The Company was incorporated on 10th July 1989 and issued shares to the public in the year 2006. The registered office of the company is situated at 252, Mettupalayam Road, Coimbatore-641043.</p>
2.	<p>Material accounting policies</p> <p>This note provides a list of the material accounting policies adopted in the preparation of these standalone financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.</p>
2.1	<p>Basis of accounting and preparation of financial statements</p> <p>i) Compliance with Ind AS</p> <p>The Standalone Financial Statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act as amended from time to time.</p> <p>ii) Historical cost convention</p> <p>The standalone financial statements have been prepared on a historical cost basis, except for the following:</p> <ul style="list-style-type: none"> a) Certain property, plant and equipment, financial assets and liabilities that are measured at fair value b) Defined benefit plans – plan assets measured at fair value c) Assets held for sale – measured at at the lower of their carrying amount and the fair value less cost to sell. <p>iii) Functional and presentation currency</p> <p>The standalone financial statements are presented in the Company's functional and presentation currency, Indian rupee (Rs.), rounded off to the nearest rupees in lakhs.</p> <p>iv) Current/Non-Current Classification:</p> <p>The Company has classified all the assets and liabilities as current and non-current based on the normal operating cycle of the Company and other criteria as set out in the Schedule III of Companies Act, 2013. Based on the nature of products / activities of the Company and the normal time between acquisition of assets/inventories for processing and their realisation in</p>

Notes to the standalone financial statements for the year ended March 31, 2025

Note No.	Particulars
	<p>cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current. Deferred tax assets and liabilities are classified as non-current assets and liabilities.</p> <p>v) Rounding of Amounts :</p> <p>All the financial information included in the standalone financial statements have been rounded off to the nearest rupees in lakhs and two decimals thereof as per the requirement of schedule III to the Companies Act, 2013 under stated otherwise.</p> <p>2.2 Use of estimates and judgement</p> <p>In the preparation of the Standalone Financial Statements, management of the Company are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.</p> <p>The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.</p> <p>The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period that may have a risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.</p> <p>a) Impairment of investments in subsidiaries</p> <p>The Company reviews its carrying value of investments in subsidiaries at cost, annually, or more frequently when there is an indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for.</p> <p>b) Useful lives of property, plant and equipment</p> <p>The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This assessment may result in change in the depreciation expense in future periods. Useful life in years : Factory building - 30, Building (non factory) - 60, Plant and machinery (main) - 30, Plant and machinery (others) - 15, Office equipments - 5, Furniture & fittings - 10, Vehicles - 8.</p> <p>c) Deferred tax assets</p> <p>The carrying amount of deferred tax asset is reviewed at each reporting period and is reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.</p>

Notes to the standalone financial statements for the year ended March 31, 2024

Note No.	Particulars
	<p>d) Employee benefits</p> <p>The cost of post-employment benefits are determined using actuarial valuations. The actuarial valuation involves making assumptions about discount rates, expected rates of return on assets, future salary increases, mortality rates and future pension increases. Due to the long-term nature of these plans, such estimates are subject to significant uncertainty.</p> <p>e) Inventories</p> <p>Management has carefully estimated the net realizable values of inventories, taking into account the most reliable evidence available at each reporting date. The future realization of these inventories may be affected by market - driven changes.</p>
2.3	<p>Inventories</p> <p>Inventories are valued at lower of cost and net realisable value including necessary provision for obsolescence. The cost of inventories shall comprise all costs of purchase , conversion and other costs incurred in bringing the inventories to their present location and condition. Cost of raw materials, packing materials, stores and spares and consumables are valued at first-in-first-out/ specific identification method. Value of finished goods and work-in-progress are determined on weighted average basis and include appropriate share of overheads.</p> <p>Net realisable value is the estimated selling price in the ordinary course of business, less the estimated cost of completion and selling expenses. The net realisable value of work-in-progress is determined with reference to the selling prices of related finished products. Raw materials, stores and spares, packing and others held for use in the production of finished goods are not written down below except in cases where material prices have declined and it is estimated that the cost of the finished goods will exceed their net realizable value.</p>
2.4	<p>Cash flow statement</p> <p>Cash flows are reported using the indirect method, whereby profit / (loss) before tax is adjusted for the effects of tax expenses , transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.</p>
2.5	<p>Taxes on income</p> <p>a) Current tax</p> <p>The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit / (loss) before tax' as reported in the Standalone Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantially enacted and are applicable as at the end of the reporting</p>

Notes to the standalone financial statements for the year ended March 31, 2025

Note No.	Particulars
	<p>period. In the absence of adequate taxable profits, the Company is required to pay Minimum Alternate Tax (MAT) on the book profits, as adjusted for certain provisions.</p> <p>Current tax assets and tax liabilities are offset where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.</p> <p>b) Deferred tax</p> <p>Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the standalone financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.</p> <p>MAT paid in accordance with the tax laws, if any, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal tax. Accordingly, MAT is recognised as a deferred tax asset in the Balance sheet when it is highly probable that future economic benefit associated with it will flow to the Company.</p> <p>The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow the benefit of part or all of that deferred tax asset to be utilised.</p> <p>Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. When different tax rates apply to different levels of taxable income, deferred tax assets and liabilities are measured using the average rates that are expected to apply to the taxable profit (tax loss) of the periods in which the temporary differences are expected to reverse.</p> <p>Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.</p> <p>c) Current and deferred tax for the year</p> <p>Current and deferred tax are recognised in the Standalone Statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or</p>

Notes to the standalone financial statements for the year ended March 31, 2025

Note No.	Particulars
	<p>directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.</p>
2.6	<p>a) Property, plant and equipment</p> <p>The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning. Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are charged to the Statement of Profit and Loss in the period in which the costs are incurred. Major shut-down and overhaul expenditure is capitalised as the activities undertaken improves the economic benefits expected to arise from the asset.</p> <p>An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in Statement of Profit and Loss.</p> <p>Property, plant and equipment except freehold land held for use in the production, supply or administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses, if any.</p> <p>Freehold land and leasehold land where the lease is convertible to freehold land under lease agreements at future dates at no additional cost, are not depreciated.</p> <p>Advances given towards acquisition of property, plant and equipment outstanding at each balance sheet date are disclosed as capital advance under other non-current assets.</p> <p>b) Capital work-in-progress</p> <p>Projects under which assets are not ready for their intended use and other capital work-in-progress are carried at cost, comprising direct cost and related incidental expenses.</p> <p>c) Depreciation and Amortisation</p> <p>Depreciation commences when the assets are ready for their intended use. Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation is recognized so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 on a systematic basis except in respect of the following assets which are considered</p>

Notes to the standalone financial statements for the year ended March 31, 2025

Note No.	Particulars
	<p>based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc., Depreciation is provided pro-rata from the date of Capitalisation.</p> <p>Plant and Machinery - 25 to 30 years Windmill - 30 years Factory Building - 30-60 years</p> <p>The Company reviews the residual values, useful lives and depreciation method annually and, if expectations differ from previous estimates, the change is accounted for as a change in accounting estimate on a prospective basis.</p>
2.7	<p>Leases</p> <p>The Company's lease asset classes primarily consist of leases for land and buildings. The Company assesses whether a contract contains a lease, at the inception of a contract . A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a time in exchange for a consideration.</p> <p>The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.</p> <p>The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the ROU asset or the end of the lease term. The estimated useful lives of ROU assets are determined on the same basis as those of property and equipment. In addition, the ROU asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.</p> <p>The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the Company's incremental borrowing rate. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.</p> <p>The Company has elected not to recognise ROU assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The Company</p>

Notes to the standalone financial statements for the year ended March 31, 2025

Note No.	Particulars
	recognises the lease payments relating to those leases as an expense on a straight-line basis over the lease term.
2.8	Revenue recognition
	i) Sale of goods
	Revenue from sale of goods is recognised when the performance obligations are satisfied and the control of the product is transferred, being when the goods are delivered as per the relevant terms of the contract at which point in time the Company has a right to payment for the asset, customer has legal title of the asset, customer bears significant risk and rewards of ownership and the customer has accepted the asset or the Company has objective evidence that all criteria for acceptance have been satisfied. Payment for the sale is made as per the credit terms in the agreements with the customers. The credit period is generally short term, thus there is no significant financing component. Revenue from the sale of goods is measured at the transaction price of the consideration received or receivable which includes fixed, variable or both amounts , (excluding amounts collected on behalf of third parties) net of returns and allowances, trade discounts and volume rebates."
	ii) Time and material
	Revenue from time and material contracts are recognised as and when services are rendered to the customer. These are based on the efforts spent and rates agreed with the customer. Revenue from the end of the last invoicing to the reporting date is recognised as unbilled revenue.
	iii) Dividend and interest income
	Dividend income from investments is recognised when the shareholder's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably). Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.
	iv) Other operating revenue
	Income incidental to exports such as duty drawback, Merchandise Exports from India Scheme (MEIS), income from import entitlement and premium on sale of such entitlement are recognised on accrual basis in the year of exports based on eligibility when there is a reasonable probability of collection.

Notes to the standalone financial statements for the year ended March 31, 2025

Note No.	Particulars
	<p>v) Insurance claims</p> <p>Insurance claims are accounted for on the basis of claims admitted/ expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection.</p> <p>2.9 Employee benefits</p> <p>Employee benefits include Provident Fund, Employee State Insurance, Gratuity Fund and Compensated Absences.</p> <p>a. Retirement benefit costs and termination benefits</p> <p>Payments to defined contribution Retirement Benefit Plans are recognised as an expense when employees have rendered service entitling them to the contributions.</p> <p>For defined benefit Retirement Benefit Plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), are reflected in the Standalone balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognised in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset.</p> <p>b. Defined benefit costs are categorised as follows</p> <ul style="list-style-type: none"> -service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements); -net interest expense or income; and -remeasurement <p>For defined benefit plan, in the form of gratuity fund, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each Balance Sheet date. Actuarial gains and losses are recognised in the other comprehensive income. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the scheme. The gratuity fund is maintained with Life Insurance Corporation of India.</p>

Notes to the standalone financial statements for the year ended March 31, 2025

Note No.	Particulars
	<p>The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expenses'. Curtailment gains and losses are accounted for as past service costs.</p> <p>The retirement benefit obligation recognised in the balance sheet represents the actual deficit or surplus in the Company's defined benefit plan. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.</p> <p>A liability for a termination benefit is recognised at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognises any related restructuring costs.</p> <p>c. Short-term and other long term employee benefits</p> <p>A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.</p> <p>Liabilities recognised in respect of short term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.</p> <p>Liabilities recognised in respect of other long term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date.</p>
2.10	<p>Foreign currency transactions and translations</p> <p>Transactions in foreign currency are translated into the respective functional currencies using the exchange rates prevailing at the dates of the respective transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at the exchange rates prevailing at reporting date of monetary assets and liabilities denominated in foreign currencies are recognized in the statement of profit and loss and reported within foreign exchange gains/ (losses).</p> <p>Non-monetary assets and liabilities measured in terms of historical cost in foreign currencies are not retranslated. Foreign currency gains and losses are reported on a net basis.</p>
2.11	<p>Borrowing cost</p> <p>Borrowing cost includes interest, amortisation of ancillary cost incurred in connection with the arrangement of borrowings and the exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. General and specific borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready</p>

Notes to the standalone financial statements for the year ended March 31, 2025

Note No.	Particulars
	<p>for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.</p> <p>Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. All other borrowing costs are recognised in Statement of Profit and Loss in the period in which they are incurred.</p>
2.12	<p>Earnings per share</p> <p>Basic earnings per share is computed by dividing the net profit after tax and before other comprehensive income attributable to ordinary equity shareholders, by the weighted average number of equity shares outstanding during the period, adjusted for rights issue of equity shares during the period.</p> <p>Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.</p> <p>Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.</p>
2.13	<p>Provisions and contingencies</p> <p>A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.</p> <p>A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is probable that an outflow of resources will not be required to settle the obligation. However, if the possibility</p>

Notes to the standalone financial statements for the year ended March 31, 2025

Note No.	Particulars
	<p>of outflow of resources, arising out of present obligation, is remote, it is not even disclosed as contingent liability.</p> <p>The Company does not recognize a contingent liability but discloses its existence in the notes to financial statements. A contingent asset is not recognized in financial statements, however, the same is disclosed where an inflow of economic benefit is probable.</p> <p>2.14 Financial instruments</p> <p>A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognised when an entity becomes a party to the contractual provisions of the instrument. All financial instruments are recognised initially at fair value. Transaction costs that are attributable to the acquisition of the financial asset (other than financial assets recorded at fair value through profit or loss) are included in the transaction value of the financial assets. Purchase or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trade) are recognised on trade date. While, financial liabilities like loans and borrowings and payables are recognised net of directly attributable transaction costs.</p> <p>a) Non-derivative financial assets</p> <p>i) Financial assets at amortised cost</p> <p>A financial asset shall be measured at amortised cost if both of the following conditions are met:</p> <ul style="list-style-type: none"> a) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and b) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding. <p>They are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. Financial assets are measured initially at fair value plus transaction costs and subsequently carried at amortized cost using the effective interest method, less any impairment loss.</p> <p>The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or where appropriate, a shorter period, to the gross carrying amount on initial recognition.</p>

Notes to the standalone financial statements for the year ended March 31, 2025

Note No.	Particulars
	<p>Financial assets at amortised cost are represented by trade receivables, security deposits, cash and cash equivalents, employee and other advances and eligible current and non-current assets.</p> <p>Income is recognised on an effective interest basis for debt instruments other than those financial assets classified as at FVTPL. Interest income is recognised in profit or loss and is included in the "Other Income" line item.</p> <p>ii) Equity instruments at FVTOCI</p> <p>All equity instruments except Investments in subsidiaries are measured at fair value. Equity instruments held for trading is classified as FVTPL. For all other equity instruments, the Company may make an irrevocable election to present subsequent changes in the fair value in OCI. The Company makes such election on an instrument-by-instrument basis.</p> <p>If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividend are recognised in OCI which is not subsequently reclassified to statement of profit and loss.</p> <p>iii) Financial assets at FVTPL</p> <p>FVTPL is a residual category for financial assets. Any financial asset which does not meet the criteria for categorization as at amortised cost or as FVTOCI, is classified as FVTPL.</p> <p>In addition, the Company may elect to designate the financial asset, which otherwise meets amortised cost or FVOCI criteria, as FVTPL if doing so eliminates or significantly reduces a measurement or recognition inconsistency.</p> <p>Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any dividend or interest earned on the financial asset and is included in the 'Other income' line item. Dividend on financial assets at FVTPL is recognised when the Company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.</p> <p>iv) Derecognition of financial assets</p> <p>The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for</p>

Notes to the standalone financial statements for the year ended March 31, 2025

Note No.	Particulars
	<p>amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.</p> <p>On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset.</p> <p>On derecognition of a financial asset other than in its entirety (e.g. when the Company retains an option to repurchase part of a transferred asset), the Company allocates the previous carrying amount of the financial asset between the part it continues to recognise under continuing involvement, and the part it no longer recognises on the basis of the relative fair values of those parts on the date of the transfer. The difference between the carrying amount allocated to the part that is no longer recognised and the sum of the consideration received for the part no longer recognised and any cumulative gain or loss allocated to it that had been recognised in other comprehensive income is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset. A cumulative gain or loss that had been recognised in other comprehensive income is allocated between the part that continues to be recognised and the part that is no longer recognised on the basis of the relative fair values of those parts.</p> <p>b) Non-derivative financial liabilities</p> <p>i) Financial liabilities at amortised cost</p> <p>Financial liabilities at amortised cost represented by borrowings, trade and other payables. Borrowings are initially recognized at net of transaction costs incurred subsequently carried at amortized cost using the effective interest rate method and all other financial liabilities are recognised at the transaction value.</p> <p>ii) Financial liabilities at FVTPL</p> <p>Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any interest paid on the financial liability and is included in the 'Finance costs' line item. The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or they expire. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in Statement of Profit and Loss.</p> <p>For financial liabilities that are denominated in a foreign currency and are measured at amortised cost at the end of each reporting period, the foreign exchange gains and</p>

Notes to the standalone financial statements for the year ended March 31, 2025

Note No.	Particulars
	<p>losses are determined based on the amortised cost of the instruments and are recognised in the statement of profit and loss. The fair value of financial liabilities denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of the reporting period. For financial liabilities that are measured as at FVTPL, the foreign exchange component forms part of the fair value gains or losses and is recognised in statement of profit or loss.</p> <p>iii) Derecognition of non-derivative financial liabilities</p> <p>The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.</p> <p>2.15 Fair Value Measurement</p> <p>Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:</p> <ul style="list-style-type: none"> i) In the principal market for the asset or liability, or ii) In the absence of a principal market, in the most advantageous market for the asset or liability. <p>The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use."</p> <p>The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:"</p>

Notes to the standalone financial statements for the year ended March 31, 2025

Note No.	Particulars
	<p>i) Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities.</p> <p>ii) Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.</p> <p>iii) Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.</p> <p>For assets and liabilities that are recognised in the standalone financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.</p> <p>For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above. When the fair values of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques, including the discounted cash flow model, which involve various judgements and assumptions.</p> <p>At initial recognition, the Company measures a financial asset, except trade receivable at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Trade receivables are initially measured at transaction price. Transaction costs of financial assets carried at fair value through profit or loss are expensed in the statement of Profit and Loss.</p> <p>For the purpose of subsequent measurement, financial instruments of the Company are classified in the following categories: non-derivative financial assets comprising amortised cost, equity instruments at FVTOCI or fair value through profit and loss account (FVTPL) and financial liabilities at amortised cost or FVTPL.</p> <p>The classification of financial instruments depends on the objective of the business model for which it is held. Management determines the classification of its financial instruments at initial recognition.</p>
2.16	<p>Impairment</p> <p>a) Financial Assets</p> <p>In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss. The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivable. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial</p>

Notes to the standalone financial statements for the year ended March 31, 2025

Note No.	Particulars
	<p>recognition.</p> <p>Lifetime ECLs are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12-months after the reporting date.</p> <p>ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider :</p> <ul style="list-style-type: none"> i) All contractual terms of the financial instrument (including prepayment, extension etc.) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument. ii) Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms. <p>As practical expedient, the Company uses a provision matrix to determine impairment loss on portfolio of its trade receivable. The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward-looking estimates. At every reporting date, the historically observed default rates are updated and changes in forward-looking estimates are analysed.</p> <p>ECL impairment loss allowance (or reversal) recognised during the year is recognised as income/expense in the statement of profit and loss. The balance sheet presentation for various financial instruments is described below:</p> <p>Financial assets measured at amortised cost, contractual revenue receivable: ECL is presented as an allowance, i.e. as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write off criteria, the Company does not reduce impairment allowance from the gross carrying amount.</p> <p>b) Non-financial assets</p> <p>The Company assesses at each reporting date whether there is any objective evidence that a non financial asset or a group of non financial assets is impaired. If any such indication exists, the Company estimates the amount of impairment loss.</p> <p>An impairment loss is calculated as the difference between an asset's carrying amount and recoverable amount. Losses are recognised in profit or loss and reflected in an allowance account. When the Company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the</p>

Notes to the standalone financial statements for the year ended March 31, 2025

Note No.	Particulars
	<p>impairment was recognised, then the previously recognised impairment loss is reversed through profit or loss.</p> <p>The recoverable amount of an asset or cash-generating unit (as defined below) is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the "cash-generating unit").</p>
2.17	<p>Segment reporting</p> <p>The Managing Director of the Company has been identified as the Chief Operating Decision maker. The Company's operations relate to only one business segment, viz., Textiles and thus it has only one reportable business segment. The geographical segment information as required by Ind AS 108 - Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision maker for the purpose of making decisions about allocating resources and assessing its performance.</p>
2.18	<p>Non-Current Assets held for sale and Discontinued Operations</p> <p>a. Non-Current Assets held for sale</p> <p>The Company classifies non-current assets as held for sale if their carrying amounts will be recovered principally through a sale rather than through continuous use of the assets and actions required to complete such sale indicate that it is unlikely that significant changes to the plan to sell will be made or that the decision to sell will be withdrawn. Also, such assets are classified as held for sale only if the management expects to complete the sale within one year from the date of classification. Non-current assets classified as held for sale are presented separately from the other assets in the balance sheet.</p> <p>Non-current assets classified as held for sale are measured at the lower of their carrying amount and fair value less cost to sell. Non-current assets are not depreciated or amortized while they are classified as held for sale.</p> <p>b. Discontinued Operations</p> <p>Discontinued operations are excluded from the results of continuing operations and are presented as a single amount as profit or loss after tax from discontinued operations in the statement of profit and loss. The Company re-presents the aforesaid disclosures in respect of discontinued operations for all prior periods presented in the financial statements so that the disclosures relate to all operations that have been discontinued by the end of the reporting period for the latest period presented. All other notes to the financial statements mainly include amounts for continuing operations, unless otherwise mentioned.</p>

Notes to the standalone financial statements for the year ended March 31, 2025

Note No.	Particulars
2.19	<p>Government grants</p> <p>Grants from the government are recognised when there is reasonable assurance that:(i) the Company will comply with the conditions attached to them; and(ii) the grant will be received."</p> <p>Government grants related to revenue are recognised on a systematic basis in the statement of profit and loss over the periods necessary to match them with the related costs which they are intended to compensate. Such grants are deducted in reporting the related expense. When the grant relates to an asset, it is recognized as income over the expected useful life of the asset.</p> <p>Where the Company receives non-monetary grants, the asset is accounted for on the basis of its acquisition cost. In case a non-monetary asset is given free of cost it is recognised at a fair value. When loan or similar assistance are provided by government or related institutions, with an interest rate below the current applicable market rate, the effect of this favourable interest is recognized as government rate. The loan or assistance is initially recognized and measured at fair value and the government grant is measured as the difference between the initial carrying value of the loan and the proceeds received.</p> <p>Government Grant is recognised in the Standalone Statement of Profit and Loss Account either as Other Operating Revenue or Other Income or adjusted against the expenses depending upon the nature of the grant.</p>
2.20	<p>Events after Reporting date</p> <p>Where events occurring after the Balance Sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the standalone financial statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed.</p>
2.21	<p>Recent Pronouncements</p> <p>Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.</p> <p>The Ministry of Corporate Affairs issued the amendments to the Companies (Indian Accounting Standards) Amendment Rules in August 2024 in which MCA has notified Ind AS 117 - Insurance Contracts and amendments to Ind AS 116 - Leases, relating to sale and lease back transactions, applicable from April 1, 2024.</p> <p>On May 9, 2025, MCA notifies the amendments to Ind AS 21 - Effects of Changes in Foreign Exchange Rates. These amendments aim to provide clearer guidance on assessing currency exchangeability and estimating exchange rates when currencies are not readily exchangeable. The amendments are effective for annual periods beginning on or after April 1, 2025.</p> <p>The Company has evaluated and assessed that the amendments does not have any material impact on the Financial Statements of the Company.</p>

The Company has not traded or invested in Crypto currency or Virtual currency during the financial year.

Notes to the standalone financial statements for the year ended March 31, 2025

38 Contingent liabilities and commitments (to the extent not provided for)

(Rs. in Lakhs)

Particulars	As at March 31, 2025	As at March 31, 2024
I) Contingent liabilities:		
A) Claims against the Company not acknowledged as debts:-		
a) TANGEDCO demands, pending in appeal	1,814.80	1,505.18
b) Income tax demands (already adjusted against refund)	-	5.12
B) Contingent Liabilities On Account Of Guarantees :-		
a) Guarantee issued in favour of supplier	112.46	112.46
II. Commitments		
Estimated amount of contracts remaining to be executed on capital account and not provided for :		
a. Tangible Assets	1,823.32	1,429.67

39 Disclosure under the Micro, Small and Medium Enterprises Development Act, 2006

Particulars	As at March 31, 2025	As at March 31, 2024
i) Principal amount and the interest due thereon remaining unpaid to each supplier at the end of the period		
- Principal amount due to micro and small enterprise	940.76	2,652.90
- Interest due to micro and small enterprise	-	-
ii) Interest paid by the Company in terms of Section 16 of the Micro, Small and Medium Enterprises Development Act, 2006, along-with the amount of the payment made to the supplier beyond the appointed day during the period	-	-
iii) Interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the period) but without adding interest specified under the Micro, Small and Medium Enterprises Act, 2006	-	-
iv) Interest accrued and remaining unpaid at the end of the period	-	-
v) Interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprises	-	-

Dues to micro and small enterprises have been determined to the extent such parties have been identified on the basis of information collected by the Management. This has been relied upon by the auditors.

Notes to the standalone financial statements for the year ended March 31, 2025

40 Employee benefit plans

A. Defined contribution plans - provident fund and employee state insurance

The Company makes Provident Fund and Employee state insurance scheme contributions to defined contribution plans for qualifying employees. Under the Schemes, the Company is required to contribute a specified percentage of the payroll costs to fund the benefits. The Company recognised the following contributions in the Statement of profit and loss :

(Rs. in Lakhs)

Particulars	For the year ended March 31, 2025	For the year ended March 31, 2024
Provident fund	545.39	466.02
Employee state insurance	93.36	121.08

B. Defined benefit plan - gratuity

In accordance with applicable Indian laws, the Company provides for gratuity, a defined benefit retirement plan (Gratuity plan). The Gratuity plan provides a lump sum payment to vested employees, at retirement or termination of employment, an amount based on the respective employee's last drawn eligible salary and the years of employment with the Company. The Company provides the gratuity benefit through annual contributions to a fund managed by the Insurer included as part of 'Contribution to provident and other funds in Note 31 Employee benefits expense. Under this plan, the settlement obligation remains with the Company.

Description of Risk Exposures

Valuations are performed on certain basic set of pre-determined assumptions and other regulatory framework which may vary over time. Thus, the Company is exposed to various risks in providing the above gratuity benefit which are as follows:

- Interest Rate Risk:** The plan exposes the Company to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability (as shown in financial statements).
- Investment Risk:** The probability or likelihood of occurrence of losses relative to the expected return on any particular investment.
- Salary Escalation Risk:** The present value of the defined benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.
- Demographic Risk:** The Company has used certain mortality and attrition assumptions in valuation of the liability. The Company is exposed to the risk of actual experience turning out to be worse compared to the assumption.
- Liquidity Risk:** This is the risk that the Company is not able to meet the short-term gratuity payouts. This may arise due to non-availability of enough cash/cash equivalent to meet the liabilities or holding of illiquid assets not being sold in time.

In respect of the plan in India, the most recent actuarial valuation of the plan assets and the present value of the defined benefit obligation were carried out as at March 31, 2025 by Mr. N.Srinivasan, Fellow of the Institute of Actuaries of India. The present value of the defined benefit obligation, and the related current service cost and past service cost, were measured using the projected unit credit method.

Notes to the standalone financial statements for the year ended March 31, 2025

The following table sets out the funded status of the gratuity scheme:

(Rs. in Lakhs)

Particulars	For the year ended March 31, 2025	For the year ended March 31, 2024
Components of employer expense		
Current service cost	86.69	84.13
Interest cost	44.72	48.29
Expected return on plan assets	(59.62)	(59.22)
Recognised in statement of profit and loss	71.79	73.20
Re-measurement - actuarial (gain)/loss recognised in OCI	(15.41)	(66.55)
Total expense recognised in the Statement of total comprehensive income	56.38	6.65
Other Comprehensive Income (OCI)		
Actuarial (gain)/loss due to DBO experience	(44.43)	(90.14)
Actuarial (gain)/loss due to DBO assumption changes	20.21	16.27
Actuarial (gain)/loss arising during period	(24.22)	(73.87)
Actual return on plan assets (greater)/less interest on plan assets	8.81	7.32
Actuarial (gains)/losses recognized in OCI	(15.41)	(66.55)
Defined benefit cost		
Service cost	86.69	84.13
Net interest on net defined benefit liability / (asset)	(14.90)	(10.93)
Actuarial (gains)/losses recognized in OCI	(15.41)	(66.55)
Defined benefit cost	56.38	6.65
Change in defined benefit obligation (DBO) during the year		
Present value of DBO at beginning of the year	652.76	684.55
Current service cost	86.69	84.13
Interest cost	44.72	48.29
Actuarial (gains)/losses	(24.22)	(73.87)
Benefits paid	(68.48)	(90.34)

Actual contribution and benefit payments for year		
Actual benefit payments	68.48	90.34
Actual contributions	44.09	91.43
Change in fair value of assets during the year		
Plan assets at beginning of the year	836.79	783.79
Expected return on plan assets	59.62	59.22
Actual company contributions	44.09	91.43
Actuarial gain / (loss)	(8.81)	(7.32)
Benefits paid	(68.48)	(90.34)
Plan assets at the end of the year	863.21	836.79
Actual return on plan assets	50.81	51.90
Current and Non-Current Asset / Liability portion		
Current Asset / (Liability)	171.74	184.03
Net asset / (liability) recognised in the Balance Sheet :		
Present value of defined benefit obligation	(691.47)	(652.76)

Notes to the standalone financial statements for the year ended March 31, 2025

The following table sets out the funded status of the gratuity scheme (Contd...)

(Rs. in Lakhs)

Particulars	For the year ended March 31, 2025	For the year ended March 31, 2024
Fair value of plan assets	863.21	836.79
Funded status (Surplus / (Deficit))	171.74	184.03
Net asset / (liability) recognised in the Balance Sheet	171.74	184.03
Composition of the plan assets is as follows:		
Government securities	-	-
Debentures and bonds	-	-
Fixed deposits	-	-
Insurer managed funds*	100%	100%
Total	863.21	836.79

* Funds are managed by Life Insurance Corporation of India and composition of the fund as at the balance sheet date was not provided by the insurer.

Particulars	For the year ended March 31, 2025	For the year ended March 31, 2024
Actuarial assumptions		
Discount rate	6.85%	7.23%
Expected return on plan assets	7.23%	7.55%
Retirement age	58	58
Mortality rate	Indian Assured Lives Mortality (2012-14) Ultimate	Indian Assured Lives Mortality (2012-14) Ultimate
Attrition rate	5.00%	5.00%
Salary escalation	5.00%	5.00%

The discount rate is based on the prevailing market yields of Government of India securities as at the Balance Sheet date for the estimated term of the obligations.

Sensitivity Analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below:

(Rs. in Lakhs)

Gratuity Plan	As at March 31, 2025	As at March 31, 2024
Estimate value of obligation if discount rate is taken 1% higher	645.53	608.91
Estimate value of obligation if discount rate is taken 1% lower	744.69	703.62
Estimate value of obligation if salary growth rate is taken 1% higher	743.49	702.55
Estimate value of obligation if salary growth rate is taken 1% lower	645.85	609.18
Estimate value of obligation if attrition rate is taken 1% higher	694.76	657.59
Estimate value of obligation if attrition rate is taken 1% lower	687.58	647.10

Notes to the standalone financial statements for the year ended March 31, 2025

These sensitivities have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in market conditions at the accounting date. There have been no changes from the previous periods in the methods and assumptions used in preparing the sensitivity analysis.

Maturity profile of defined benefit obligation:

(Rs. in Lakhs)

Maturity profile, if it ensues	As at March 31, 2025	As at March 31, 2024
1 Year	39.60	56.68
2 Year	36.66	33.39
3 Year	40.81	32.56
4 Year	48.35	34.34
5 Year	38.70	40.20
6-10 years	143.55	135.82
Above 10 Years	343.80	319.76

Asset Liability Matching Strategies

The Company has purchased insurance policy, which is basically a year-on-year cash accumulation plan in which the interest rate is declared on yearly basis and is guaranteed for a period of one year. The insurance Company, as part of the policy rules, makes payment of all gratuity liability occurring during the year (subject to sufficiency of funds under the policy). The policy, thus, mitigates the liquidity risk. However, being a cash accumulation plan, the duration of assets is shorter compared to the duration of liabilities. Thus, the Company is exposed to movement in interest rate (in particular, the significant fall in interest rates, which should result in a increase in liability without corresponding increase in the asset).

Experience Adjustments:

(Rs. in Lakhs)

Particulars	As at March 31, 2025	As at March 31, 2024	As at March 31, 2023	As at March 31, 2022	As at March 31, 2021
1. Defined Benefit Obligation	691.47	652.76	684.55	606.62	461.59
2. Fair value of plan assets	863.21	836.79	783.79	616.80	617.20
3. Surplus/(Deficit)	171.74	184.03	99.24	10.18	155.61
4. Experience adjustment on plan liabilities ((Gain)/Loss)	(44.43)	(90.13)	(31.31)	81.85	(69.48)
5. Experience adjustment on plan assets (Gain/(Loss))	(8.81)	(7.32)	69.55	(6.74)	(2.48)

41 Segment Reporting

a) Primary business segment information

The Company's operations relate to only one business segment, viz., Textiles. Accordingly, this is the only reportable business segment.

Notes to the standalone financial statements for the year ended March 31, 2025

b) Secondary geographic segment information

(Rs. in Lakhs)

Geographic Segment	For the year ended March 31, 2025	For the year ended March 31, 2024
Revenue from Continuing Operations		
Outside India	6,811.57	7,946.69
India	81,924.29	84,405.19
Revenue from Discontinued Operations		
Outside India	164.70	2,654.99
India	164.33	1,101.99
Total	89,064.89	96,108.86

All non-current assets of the Company are located in India.

c) There is no single external customer from whom Revenue from transactions exceed 10 % of the Company's total revenue.

Other financial liabilities	168.22	187.74	-	-
Total liabilities	52,044.68	60,828.03	-	-

The management assessed that fair value of cash and short-term deposits, trade receivables, trade payables and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

- i) Long-term fixed-rate receivables/borrowings are evaluated by the Company based on parameters such as interest rates, specific country risk factors, individual creditworthiness of the customer and the risk characteristics of the financed project. Based on this evaluation, allowances are taken into account for the expected losses of these receivables.
- ii) Fair values of the Company's interest-bearing borrowings and loans are determined by using DCF method using discount rate that reflects the issuer's borrowing rate as at the end of the reporting period. The own non-performance risk as at March 31, 2025 was assessed to be insignificant.

48 Fair value hierarchy

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

The following table presents the fair value measurement hierarchy of financial assets and liabilities measured at fair value on recurring basis as at March 31, 2025 and March 31, 2024:

(Rs. in Lakhs)

Particulars	Total	Fair value measurement using		
		Level - 1	Level - 2	Level - 3
Financial assets measured at fair value:

Investment in equity instruments (quoted)				
As at March 31, 2025	9.20	9.20	-	-
As at March 31, 2024	5.85	5.85	-	-

There have been no transfers among Level 1, Level 2 and Level 3 during the year.

Notes to the standalone financial statements for the year ended March 31, 2025

49 Financial risk management

The Company's principal financial liabilities, comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the company's operations and to provide guarantees to support its operations. The Company's principal financial assets include loans, trade and other receivables, and cash and short-term deposits that derive directly from its operations.

The Company's activities expose it to a variety of financial risks: credit risk, liquidity risk, foreign currency risk and interest rate risk. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The primary market risk to the company is foreign exchange risk. The Company uses foreign currency borrowings to mitigate foreign exchange related risk exposures.

The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below:

1) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investment securities. Credit risk arises from cash held with banks and financial institutions, as well as credit exposure to clients, including outstanding accounts receivable. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

2) Trade and other receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also has an influence on credit risk assessment.

The following table gives details in respect of percentage of revenues generated from top customer and top 5 customers:

(Rs. in Lakhs)

Particulars	For the year ended March 31, 2025	For the year ended March 31, 2024
Revenue from top customer	4,857.29	3,468.05
Revenue from top 5 customers	11,058.23	12,850.17

3) Investments

The Company limits its exposure to credit risk by generally investing in liquid securities and only with counterparties that have a good credit rating. The company does not expect any losses from non-performance by these counter-parties, and does not have any significant concentration of exposures to specific industry sectors.

4) Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk through credit limits with banks.

The Company's corporate treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management.

Notes to the standalone financial statements for the year ended March 31, 2025

The working capital position of the Company is given below :

(Rs. in Lakhs)

Particulars	As at March 31, 2025	As at March 31, 2024
Cash and cash equivalents	320.71	787.36
Other Bank balances	240.06	11.23
Total	560.77	798.59

The table below provides details regarding the contractual maturities of significant financial liabilities as at March 31, 2025 and March 31, 2024.

(Rs. in Lakhs)

Particulars	As at	Less than 1 year	1-2 years	2 years and above
Borrowings	March 31, 2025	32,379.17	7,123.31	7,162.80
	March 31, 2024	28,733.16	6,919.07	14,983.60
Trade payables	March 31, 2025	5,150.78	-	-
	March 31, 2024	9,935.03	-	-
Lease liabilities	March 31, 2025	32.95	22.79	4.66
	March 31, 2024	12.82	45.08	11.53
Other financial liabilities	March 31, 2025	168.22	-	-
	March 31, 2024	187.74	-	-

5) Foreign currency risk

The Company's exchange risk arises from its foreign operations, foreign currency revenues and expenses, (primarily in U.S. dollars, British pound sterling and Euros) and foreign currency borrowings (primarily in U.S. dollars, British pound sterling and Euros). A significant portion of the Company's revenues are in these foreign currencies, while a significant portion of its costs are in Indian rupees. As a result, if the value of the Indian rupee appreciates relative to these foreign currencies, the Company's revenues measured in rupees may decrease. The exchange rate between the Indian rupee and these foreign currencies has changed substantially in recent periods and may continue to fluctuate substantially in the future. The Company's management meets on a periodic basis to formulate the strategy for foreign currency risk management.

Consequently, the management of the Company believes that the borrowings in foreign currency and its assets in foreign currency shall mitigate the foreign currency risk mutually to some extent.

Notes to the standalone financial statements for the year ended March 31, 2025

The following table presents foreign currency risk from non-derivative financial instruments as of March 31, 2025 and March 31, 2024 :

(Rs. in Lakhs)

Particulars	As at	US\$	Euro	Pound/Sterling	Total
Assets					
Trade receivables*	March 31, 2025	644.82	1,521.09	38.02	2,203.93
	March 31, 2024	667.87	1,738.12	36.15	2,442.15
Cash and cash equivalents	March 31, 2025	-	-	-	-
	March 31, 2024	-	-	-	-
Liabilities					
Trade payable	March 31, 2025	-	-	-	-
	March 31, 2024	-	-	-	-
Borrowings	March 31, 2025	-	-	-	-
	March 31, 2024	-	-	-	-
Net assets / (liabilities)	March 31, 2025	644.82	1,521.09	38.02	2,203.93
	March 31, 2024	667.87	1,738.12	36.15	2,442.15

* Trade receivables excluding allowance for doubtful trade receivables.

Foreign currency sensitivity analysis

The following table details the Company's sensitivity to a 5% increase and decrease in INR against all foreign currencies dealt by the Company. 5% is the sensitivity rate used when reporting foreign currency risk internally to key management personnel and represents management's assessment of the reasonably possible change in foreign exchange rates. The sensitivity analysis includes only outstanding foreign currency denominated monetary items and adjusts their translation at the period end for a 5% change in foreign currency rates. A positive number below indicates an increase in profit or equity where the INR strengthens 5% against the relevant currency. For a 5% weakening of the INR against the relevant currency, there would be a comparable impact on the profit or equity, and the balances below would be negative.

(Rs. in Lakhs)

Particulars	For the year ended March 31, 2025	For the year ended March 31, 2024
Impact on profit or (loss) for the year on account of rupee appreciation by 5%	72.76	87.76

For a 5% weakening of the INR against the relevant currency, there would be equivalent amount of impact on the profit / (loss) as mentioned in the above table.

6) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates and investments.

Notes to the standalone financial statements for the year ended March 31, 2025

Interest rate sensitivity analysis

If interest rates had been 1% higher and all other variables were held constant, the company's profit / (loss) for the year ended would have impacted in the following manner:

(Rs. in Lakhs)

Particulars	For the year ended March 31, 2025	For the year ended March 31, 2024
Increase / (decrease) in the profit / (loss) for the year	(435.74)	(467.50)

If interest rates were 1% lower, the company's profit would have increased by the equivalent amount as shown in the above table.

7) Capital management

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. The Company monitors the return on capital. The Company's objective when managing capital is to maintain an optimal structure so as to maximize shareholder value.

The capital structure is as follows :

Particulars	As at March 31, 2025	As at March 31, 2024
Total equity attributable to the equity share holders of the company	42,129.99	37,836.68
As percentage of total capital	47%	43%
Current borrowings	32,379.17	28,733.16
Non-current borrowings	14,286.11	21,902.67
Total borrowings	46,665.28	50,635.83
As a percentage of total capital	53%	57%
Total capital (borrowings and equity)	88,795.27	88,472.51

50 Valuation of Inventories :

Inventories of raw materials are valued at lower of cost and net realisable value. The cost of inventories shall comprise all costs of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost of raw materials, packing materials, stores and spares and consumables are valued at first-in-first-out/ specific identification method. The inventory of Finished Goods and Work-in-progress are valued at the lower of cost and net realizable value, and cost include weighted average of cost of inputs, conversion costs and appropriate share of overheads incurred in bringing Finished Goods and Work-in-progress, to their present location and condition. This inventory comprises of diversified range and quality of yarn and cloth / fabrics, and its valuation depends on the quality of the item as per the specification received from the customers, and its stage of manufacturing, quality and date of purchase of the raw material and other inputs, and efficiency of the manufacturing facility. The Company is running a composite textile mill and fairly estimating the valuation of such stock is highly complex process which involves significant level of subjectivity, judgment and estimation.

Notes to the standalone financial statements for the year ended March 31, 2025

51 Additional Regulatory Information :

i) Title Deeds of Immovable Properties not held in the name of the company.

The title deeds of all the immovable properties are held in the name of the company.

ii) Revaluation of Property, Plant and Equipment

The Company has not revalued its Property, Plant and Equipment during the year.

iii) Loans and advances granted to Promoters, Directors, KMPs and related parties

The following disclosures are made in respect of loans and advances in the nature of loans granted to promoters, directors, KMP's and the related parties (as defined under Companies Act, 2013) either severally or jointly with any other person, that are:

a) Repayable on demand

Type of Borrower	31.03.2025		31.03.2024	
	Amount of loan or advance in the nature of loan outstanding	Percentage to the total Loans and Advances in the nature of loans	Amount of loan or advance in the nature of loan outstanding	Percentage to the total Loans and Advances in the nature of loans
Related Parties	550.00	100%	550.00	100%

iv) Details of Benami Property

The Company does not hold any benami property. Hence, no proceedings have been initiated or pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and the rules made thereunder.

v) Reconciliation of Statement of Current Assets filed by the Company with banks for Working Capital facilities availed by the Company:

During the period under consideration, the Company has borrowings from banks on the basis of security of Current Assets and the Quarterly Statements of Current Assets filed by the Company with the banks are in agreement with the books of accounts for all the quarters of the year.

vi) Wilful Defaulter

The Company is not declared as a wilful defaulter by any bank or financial Institution or other lender.

vii) Undisclosed income

The Company has no such transaction which is not recorded in the books of accounts that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income Tax Act, 1961).

viii) Relationship with Struck off Companies

The Company did not have any transactions with companies struck off under section 248 of the Companies Act, 2013 or section 560 of Companies Act, 1956 during the year ended March 31, 2025.

Notes to the standalone financial statements for the year ended March 31, 2025
ix) Registration of Charges or Satisfaction with Registrar Of Companies

The Company does not have any charges or satisfactions yet to be registered with Registrar of Companies beyond the statutory period.

x) Layers of companies

The Company has complied with the number of layers prescribed under clause (87) of section 2 of the Act read with Companies (Restriction on number of Layers) Rules, 2017.

xi) Approved scheme(s) of arrangements

During the year, there is no approved scheme of arrangements.

xii) Utilisation of Borrowed Funds and Share Premium

- A) The Company has not advanced or loaned to or invested (either from borrowed funds or share premium or any other sources or kind of funds) in any other person(s) or entity(ies), including foreign entities ("intermediaries"), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- B) The company has not received any funds from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

52. Reconciliation of change in liabilities arising from financing activities

(Rs. in Lakhs)

Net Cash Flow from /(used in) in Financing activities	-	-
Net Increase/(Decrease) in Cash and Cash Equivalents	6,496.87	742.53

g. The sale of Garment and Processing division could not be completed before the year ended March 31, 2025 on account of pending clearance from lenders and hence the Assets are continued as Held-for-sale and the profit or loss from the said divisions disclosed as Profit or loss from discontinued operations for all the periods presented in this financial statement.

55. To provide more reliable and relevant information about the effect of certain items in the Balance Sheet and Statement of Profit and Loss, the Company has changed the classification of certain items. Previous year figures have been re-grouped or reclassified, to confirm to such current year's grouping / classifications. There is no impact on Equity or Net Loss due to these regrouping / reclassifications.

INDEPENDENT AUDITOR'S REPORT

To The Members of Bannari Amman Spinning Mills Limited
Report on the Audit of the Consolidated Financial Statements

Opinion

1. We have audited the accompanying Consolidated Financial Statements of Bannari Amman Spinning Mills Limited ("the Holding Company") and its subsidiary, Bannari Infotech Private Limited (Formerly known as Bannari Amman Infinite Trendz Private Limited) the Holding Company and its subsidiary together referred to as "the Group", which comprise the Consolidated Balance Sheet as at March 31, 2025, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended on that date and notes to the Consolidated Financial Statements, including a summary of material accounting policies and other explanatory information ("hereinafter referred to as the Consolidated Financial Statements").
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Holding Company and its subsidiary as at 31st March 2025, the consolidated profit including other comprehensive income, the consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Consolidated financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated financial statements of the current period. These matters were

addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Description of Key Audit Matter

Inventory of Raw Material, Work-in-Progress and Finished Goods

We draw attention to Note no 49 on Valuation of Inventories in Consolidated Financial Statements of the Company read with the Accounting Policy No. 2.3.

The inventory of Raw Material, Work-in-progress and Finished Goods are valued at the lower of cost and net realizable value. With respect to Work-in-progress and Finished Goods, cost include weighted average of cost of inputs, conversion costs and appropriate share of overheads incurred in bringing Work-in-progress and Finished Goods to their present location and condition. The Holding Company is an integrated textile manufacturer and the inventory primarily comprises of diversified range and quality of yarn, fabric and garments, and its valuation depends on the quality of the item as per the specification received from the customers, and its stage of manufacturing, quality and date of purchase of the raw material and other inputs, and efficiency of the manufacturing facility. The Holding Company is running a composite textile mill and fairly estimating the valuation of such stock is highly complex process which involves significant level of subjectivity, judgment and estimation. The Holding Company maintains its inventory levels based on forecast demand and expected future selling prices. Considering that the Holding Company is having substantial inventory, the carrying value of which is material in the context of total assets of the Holding Company and the valuation thereof involves significant level of subjectivity, judgment and estimation, as detailed above, the same has been considered as Key Audit Matter by us during our audit.

Description of Auditors' Response

Audit Procedure included, but not limited to the following:

- ❖ Assessing the appropriateness of the accounting policy for inventories with relevant accounting standards.
- ❖ Obtaining an understanding of the Holding Company's process of valuation of the stock, which is done through the computer software.
- ❖ Evaluating the design and implementation of the Holding Company's key internal financial controls over valuation of inventories and testing the operating effectiveness of such controls for selected samples.
- ❖ Performing substantive procedures to test the reasonableness of the cost allocation methods and basis for allocation of various conversion costs including the direct and indirect cost.
- ❖ Evaluating the process of ascertaining the realizable value of the inventory by comparing the actual sales of the same type of the material and its realisation etc.
- ❖ Comparing the inventory valuation process of the Holding Company with the industry practices and norms.
- ❖ Based on the above procedures performed, the determination of Inventory valuation of Raw Material, Work-in-progress and Finished Goods as at the reporting date is considered to be reasonable.

Information Other than the Financial Statements and Auditor's Report thereon

5. The Holding Company's Board of Directors is responsible for the other information. The other information comprises the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated Financial Statements, Standalone Financial Statements and our Auditor's Report thereon.
6. Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.
7. In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information of subsidiary and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.
8. Based on the work we have performed on other information, if we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Management and those Charged with Governance for the Consolidated Financial Statements

9. The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the Consolidated Financial Position, Consolidated Financial Performance (including other comprehensive income), Consolidated Changes in Equity and Consolidated Cash Flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Holding Company, as aforesaid.

10. In preparing the Consolidated Financial Statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the

going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

11. The respective Board of Directors of companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

12. Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.
13. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - a) Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - b) Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- e) Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - f) Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial statements of such entities included in the Consolidated Financial statements of which we are the independent auditors. For the other entities included in Consolidated Financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
14. We communicate with those charged with governance of the Holding Company and such other entities included in the Consolidated Financial Statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
15. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
16. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

17. We did not audit the financial statements/financial information of one subsidiary namely Bannari Infotech Private Limited (Formerly known as Bannari Amman Infinite Trendz Private Limited) whose financial statements/financial information reflect the total assets of Rs. 307.87 Lakhs as at March 31, 2025, Nil total revenues and net cash outflows of Rs. 1.36 lakhs for the year ended on that date, as considered in the Consolidated Financial Statements. These financial statements have been audited by other auditor whose reports have been furnished to us by the Management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary and our report in terms of sub-section (3) of Section 143 of the Act including report on other information in so far as it relates to the aforesaid subsidiary, is based solely on the report of such other auditor.

18. Our opinion on the Consolidated Financial Statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditor on the financial statements of the subsidiary company.

Report on Other Legal and Regulatory Requirements

19. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
20. As required by Section 143(3) of the Act, we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.
 - b) In our opinion, proper books of account as required by law relating to the preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books and the reports of the other auditor.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements.
 - d) In our opinion, the aforesaid Consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standard) Rules, 2015 as amended.
 - e) On the basis of the written representations received from the directors of the entities included in the Consolidated financial statements, as on March 31, 2025, audited by us taken on record by the respective Board of Directors and the reports of the other auditors of the subsidiary company, none of the directors of the Group companies are disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Group with reference to these Consolidated Financial Statements of the company and its subsidiary and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Group's internal financial controls over financial reporting.
 - g) With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Holding Company to its directors during the year is in accordance with the provisions of Section 197 of the Act and the provisions of Section 197 of the Act is not applicable to the other subsidiary.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i) The Consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group - Refer Note No.39 to the Consolidated Financial Statements;
 - ii) The Holding Company and its subsidiary did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii) There has been no delay in transferring amounts required to be transferred to the Investor Education and Protection Fund by the Holding Company and there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the subsidiary.
- iv) a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or its subsidiary to or in any other persons or entities, including foreign entities ("Intermediaries") with the understanding, whether recorded in writing or otherwise, that the Intermediary shall whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Holding Company or its subsidiary or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Holding Company or its subsidiary from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or its subsidiary shall whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- c) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under subclause (i) and (ii) of Rule 11 (e), as provided under (a) and (b) above, contain any material mis-statement.

- v) The Holding company has not declared or paid any dividend during the year.

According to the information and explanations given to us, and based on the reports issued by other auditor of the subsidiary company, no dividend has been declared or paid during the year by the subsidiary company.

- vi) a) Based on our examination which included test checks, the Holding Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility. The audit trail function has operated throughout the year for all relevant transactions recorded in the software. During the course of our audit we did not come across any instance of audit trail feature being tampered with. Further, the audit trail has been preserved by the Company as per the statutory requirements for record retention.
- b) According to the information and explanations given to us, and based on the reports issued by other auditor of the subsidiary company the feature of recording audit trail (edit log) facility of the accounting software has been enabled throughout the year for all relevant transactions recorded in the software, at any instance the audit trail feature has not been tampered with and the audit trail has been preserved by the subsidiary as per the statutory requirements for record retention.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 20(f) of the Independent Auditor's Report of even date to the members of Bannari Amman Spinning Mills Limited on the Consolidated Financial Statements for the year ended March 31, 2025

Report on the Internal Financial Controls with reference to Consolidated Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. We have audited the internal financial controls over financial reporting of Bannari Amman Spinning Mills Limited ("the Holding Company") and its subsidiaries of March 31, 2024 in conjunction with our audit of the Consolidated Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The respective Board of directors of the Holding Company and its subsidiary are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Internal Financial Controls over Financial Reporting with reference to Consolidated Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists,

and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting with reference to Consolidated Financial Statements

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:
 - a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
 - b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorization of management and directors of the company; and
 - c) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Consolidated financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting with reference to Consolidated Financial Statements

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, to the best of our information and according to the explanations given to us, the Holding Company and its subsidiary have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Holding Company and its subsidiary considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Other Matters

9. Our report under section 143(3)(l) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting with reference to these Consolidated Financial Statements of the Group, in so far as it relates to one subsidiary, is based on the corresponding reports of the auditor of such subsidiary company.

Notes to the consolidated financial statements for the year ended March 31, 2025

Note No.	Particulars
1.	<p>Corporate Information</p> <p>Bannari Amman Spinning Mills Limited (the "Company" / "Holding Company") is a public limited company situated at 252, Mettupalayam Road, Coimbatore - 641 043. The company has investment in subsidiaries namely, Young Brand Apparel Private Limited, Bannari Amman Infinite Trendz Private Limited and Young Brand Global Private Limited (Subsidiary of Young Brand Apparel Private Limited) (the Holding Company and its subsidiaries collectively called as "the Group"). The Group is engaged in the manufacture of cotton yarn, knitted & woven fabrics, processing of fabrics, finished garments, home textiles and wind power generation.</p>
2.	<p>Material Accounting Policies</p> <p>This note provides a list of the material accounting policies adopted in the preparation of the Consolidated Financial Statements. These policies have been consistently applied to all the years presented, unless otherwise stated.</p>
2.1	<p>a) Basis of accounting and preparation of Consolidated financial statements</p> <p>i) Compliance with Ind AS</p> <p>"These Consolidated Financial Statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act as amended from time to time.</p> <p>ii) Historical cost convention</p> <p>The Consolidated Financial Statements have been prepared on a historical cost basis, except for the following:</p> <ul style="list-style-type: none"> a) Certain property, plant and equipment, financial assets and liabilities that are measured at fair value b) Defined benefit plans – plan assets measured at fair value c) Assets held for sale – measured at at the lower of their carrying amount and the fair value less cost to sell. <p>iii) Functional and presentation currency</p> <p>The consolidated financial statements are presented in the Group's functional and presentation currency, Indian rupee (Rs.), rounded off to the nearest rupees in lakhs.</p> <p>iv) Current/Non-Current Classification:</p> <p>The Group has classified all the assets and liabilities as current and non-current based on the normal operating cycle of the Group and other criteria as set out in the Schedule III of Companies Act, 2013. 'Based on the nature of products / activities of the Group and the normal time between acquisition of assets/inventories for processing and their realisation in</p>

Notes to the consolidated financial statements for the year ended March 31, 2025

Note No.	Particulars												
	<p>cash or cash equivalents, the Group has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current. Deferred tax assets and liabilities are classified as non-current assets and liabilities.</p> <p>v) Rounding of amounts</p> <p>All the financial informations included in the standalone financial statements have been rounded off to the nearest rupees in lakhs and two decimals thereof, as per the requirement of Schedule III to Companies Act, 2013 unless stated otherwise.</p> <p>b) Principles of consolidation and equity accounting</p> <p>1) Subsidiaries</p> <p>Subsidiaries are all entities over which the group has control. The group controls an entity when the group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the group. They are deconsolidated from the date that control ceases.</p> <p>The acquisition method of accounting is used to account for business combinations by the group.</p> <p>The group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the group.</p> <p>Non-controlling interests in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and balance sheet respectively.</p> <p>The consolidated financial statements of the Group include subsidiaries / joint ventures which are incorporated in India in the table below:</p>												
	<table><tr><th>Name of the entity</th><th>As at March 31, 2025</th><th>As at March 31, 2024</th></tr><tr><td>Young Brand Apparel Private Limited</td><td>51.33%</td><td>51.33%</td></tr><tr><td>Young Brand Global Private Limited (Subsidiary of Young Brand Apparel Private Limited)</td><td>51.33%</td><td>51.33%</td></tr><tr><td>Bannari Amman Infinite Trendz Private Limited</td><td>100.00%</td><td>100.00%</td></tr></table>	Name of the entity	As at March 31, 2025	As at March 31, 2024	Young Brand Apparel Private Limited	51.33%	51.33%	Young Brand Global Private Limited (Subsidiary of Young Brand Apparel Private Limited)	51.33%	51.33%	Bannari Amman Infinite Trendz Private Limited	100.00%	100.00%

Young Brand Global Private Limited (Subsidiary of Young Brand Apparel Private Limited)	51.33%	51.33%											
Bannari Amman Infinite Trendz Private Limited	100.00%	100.00%											

**Notes to the consolidated financial statements for the year ended March 31, 2025**

Note No.	Particulars
	<p>The Holding Company had sold entire shares held in the erstwhile subsidiary, Young Brand Apparel Private Limited and accordingly, the consolidated financial statements does not include financial results of erstwhile subsidiary company, Young Brand Apparel Private Limited and its wholly owned subsidiary, Young Brand Global Private Limited for the year ended 31.3.2025.</p>
2.2	<p>Use of estimates</p> <p>In the preparation of these Consolidated Financial Statements, management of the Holding Company are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.</p> <p>The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.</p> <p>The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period that may have a risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.</p> <p>a) Useful lives of property, plant and equipment</p> <p>The Group reviews the useful life of property, plant and equipment at the end of each reporting period. This assessment may result in change in the depreciation expense in future periods. Useful life in years for the Holding Company: Factory building - 30, Building (non factory) - 60, Plant and machinery (main) - 30, Plant and machinery (others) - 15, Office equipments - 5, Furniture & fittings - 10, Vehicles - 8.</p> <p>b) Deferred tax assets</p> <p>The carrying amount of deferred tax asset is reviewed at each reporting period and is reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.</p> <p>c) Employee benefits</p> <p>The cost of post employment benefits are determined using actuarial valuations. The actuarial valuation involves making assumptions about discount rates, expected rates of return on assets, future salary increases, mortality rates and future pension increases. Due to the long-term nature of these plans, such estimates are subject to significant uncertainty.</p>

Notes to the consolidated financial statements for the year ended March 31, 2025

Note No.	Particulars
	<p>d) Inventories</p> <p>Management has carefully estimated the net realizable values of inventories, taking into account the most reliable evidence available at each reporting date. The future realization of these inventories may be affected by market-driven changes .</p>
2.3	<p>Inventories</p> <p>Inventories are valued at lower of cost and net realisable value including necessary provision for obsolescence. The cost of inventories shall comprise all costs of purchase , conversion and other costs incurred in bringing the inventories to their present location and condition. Cost of raw materials, packing materials, stores and spares and consumables are valued at first-in-first-out/ specific identification method. Value of finished goods and work-in-progress are determined on weighted average basis and include appropriate share of overheads.</p> <p>Net realisable value is the estimated selling price in the ordinary course of business, less the estimated cost of completion and selling expenses. The net realisable value of work-in-progress is determined with reference to the selling prices of related finished products. Raw materials, stores and spares, packing and others held for use in the production of finished goods are not written down below except in cases where material prices have declined and it is estimated that the cost of the finished goods will exceed their net realizable value.</p>
2.4	<p>Cash flow statement</p> <p>Cash flows are reported using the indirect method, whereby profit / (loss) before tax is adjusted for the effects of tax expenses , transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Group are segregated based on the available information.</p>
2.5	<p>Taxes on income</p> <p>a) Current tax</p> <p>The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit / (loss) before tax' as reported in the Consolidated Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Group's current tax is calculated using tax rates that have been enacted or substantially enacted and are applicable as at the end of the reporting period. In the absence of adequate taxable profits, the Group is required to pay Minimum Alternate Tax (MAT) on the book profits, as adjusted for certain provisions.</p> <p>b) Deferred tax</p> <p>Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the consolidated financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all</p>

Notes to the consolidated financial statements for the year ended March 31, 2025

Note No.	Particulars
	<p>taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.</p> <p>MAT paid in accordance with the tax laws, if any, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Group will pay normal tax. Accordingly, MAT is recognised as a deferred tax asset in the Balance sheet when it is highly probable that future economic benefit associated with it will flow to the Group.</p> <p>The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow the benefit of part or all of that deferred tax asset to be utilised.</p> <p>Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. When different tax rates apply to different levels of taxable income, deferred tax assets and liabilities are measured using the average rates that are expected to apply to the taxable profit (tax loss) of the periods in which the temporary differences are expected to reverse.</p> <p>Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.</p> <p>The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the group expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.</p> <p>c) Current and deferred tax for the year</p> <p>Current and deferred tax are recognised in the Consolidated Statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.</p> <p>2.6 a) Property, plant and equipment</p> <p>The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and</p>

Notes to the consolidated financial statements for the year ended March 31, 2025

Note No.	Particulars
	<p>any expected costs of decommissioning. Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are charged to the Consolidated Statement of Profit and Loss in the period in which the costs are incurred. Major shut-down and overhaul expenditure is capitalised as the activities undertaken improves the economic benefits expected to arise from the asset.</p> <p>An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in Consolidated Statement of Profit and Loss.</p> <p>Property, plant and equipment except freehold land held for use in the production, supply or administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses, if any.</p> <p>Freehold land and leasehold land where the lease is convertible to freehold land under lease agreements at future dates at no additional cost, are not depreciated.</p> <p>Advances given towards acquisition of property, plant and equipment outstanding at each balance sheet date are disclosed as capital advance under other non-current assets.</p> <p>Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets. However, when there is no reasonable certainty that ownership will be obtained by the end of the lease term, assets are depreciated over the shorter of the lease term and their useful lives.</p> <p>b) Capital work-in-progress</p> <p>Projects under which assets are not ready for their intended use and other capital work-in-progress are carried at cost, comprising direct cost and related incidental expenses.</p> <p>c) Depreciation and Amortisation</p> <p>Depreciation commences when the assets are ready for their intended use. Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation is recognized so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 on a systematic basis except in respect of the following assets which are considered based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc., Depreciation is provided pro-rata from the date of Capitalisation.</p> <p>Plant and Machinery - 25 to 30 years</p>

Notes to the consolidated financial statements for the year ended March 31, 2025

Note No.	Particulars
2.7	<p data-bbox="280 410 509 442">Windmill - 30 years</p> <p data-bbox="280 453 643 485">Factory Building - 30-60 years</p> <p data-bbox="243 497 1463 604">The Group reviews the residual values, useful lives and depreciation method annually and, if expectations differ from previous estimates, the change is accounted for as a change in accounting estimate on a prospective basis.</p> <p data-bbox="243 619 1463 687">The Intangible Assets which are acquired from others are recognised at cost including interest capitalisation. Intangible Assets will be amortised over benefit period from the date put to use.</p> <p data-bbox="243 727 331 757">Leases</p> <p data-bbox="243 785 1463 929">The Group's lease asset classes primarily consist of leases for land and buildings. The Group assesses whether a contract contains a lease, at the inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a time in exchange for a consideration.</p> <p data-bbox="243 955 1463 1174">The Group recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.</p> <p data-bbox="243 1200 1463 1383">The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the ROU asset or the end of the lease term. The estimated useful lives of ROU assets are determined on the same basis as those of property and equipment. In addition, the ROU asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.</p> <p data-bbox="243 1408 1463 1704">The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the Group's incremental borrowing rate. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Group's estimate of the amount expected to be payable under a residual value guarantee, or if the Group changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.</p> <p data-bbox="243 1730 1463 1836">The Group has elected not to recognise ROU assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The Group recognises the lease payments relating to those leases as an expense on a straight-line basis over the lease term.</p>

Notes to the consolidated financial statements for the year ended March 31, 2025

Note No.	Particulars
2.8	<p>Revenue recognition</p> <p>i) Sale of goods</p> <p>Revenue from sale of goods is recognised when the performance obligations are satisfied and the control of the product is transferred, being when the goods are delivered as per the relevant terms of the contract at which point in time the Group has a right to payment for the asset, customer has legal title of the asset, customer bears significant risk and rewards of ownership and the customer has accepted the asset or the Group has objective evidence that all criteria for acceptance have been satisfied. Payment for the sale is made as per the credit terms in the agreements with the customers. The credit period is generally short term, thus there is no significant financing component. Revenue from the sale of goods is measured at the transaction price of the consideration received or receivable which includes fixed, variable or both amounts, (excluding amounts collected on behalf of third parties) net of returns and allowances, trade discounts and volume rebates.</p> <p>ii) Time and material</p> <p>Revenue from time and material contracts are recognised as and when services are rendered to the customer. These are based on the efforts spent and rates agreed with the customer. Revenue from the end of the last invoicing to the reporting date is recognised as unbilled revenue.</p> <p>iii) Dividend and interest income</p> <p>Dividend income from investments is recognised when the shareholder's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably). Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.</p> <p>iv) Other operating revenue</p> <p>Income incidental to exports such as duty drawback, Merchandise Exports from India Scheme (MEIS), income from import entitlement and premium on sale of such entitlement are recognised on accrual basis in the year of exports based on eligibility when there is a reasonable probability of collection.</p> <p>v) Insurance claims</p> <p>Insurance claims are accounted for on the basis of claims admitted/ expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection.</p>

Notes to the consolidated financial statements for the year ended March 31, 2025

Note No.	Particulars
2.9	<p>Employee benefits</p> <p>Employee benefits include provident fund, employee state insurance, gratuity fund and compensated absences.</p> <p>a) Retirement benefit costs and termination benefits</p> <p>Payments to defined contribution Retirement Benefit Plans are recognised as an expense when employees have rendered service entitling them to the contributions.</p> <p>For defined benefit Retirement Benefit Plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), are reflected in the Consolidated Balance Sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognised in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset.</p> <p>b) Defined benefit costs are categorised as follows :</p> <ul style="list-style-type: none"> - service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements); - net interest expense or income; and - remeasurement <p>For defined benefit plan, in the form of gratuity fund, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each Balance Sheet date. Actuarial gains and losses are recognised in the Other Comprehensive Income. In the period in which they occur. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the scheme. The gratuity fund is maintained with Life Insurance Corporation of India.</p> <p>The Group presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expenses'. Curtailment gains and losses are accounted for as past service costs.</p> <p>The retirement benefit obligation recognised in the balance sheet represents the actual deficit or surplus in the Group's defined benefit plan. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.</p>

Notes to the consolidated financial statements for the year ended March 31, 2025

Note No.	Particulars
	<p>A liability for a termination benefit is recognised at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognises any related restructuring costs.</p> <p>c) Short-term and other long term employee benefits</p> <p>A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.</p> <p>Liabilities recognised in respect of short term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.</p> <p>Liabilities recognised in respect of other long term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Group in respect of services provided by employees up to the reporting date.</p>
2.10	<p>Foreign currency transactions and translations</p> <p>Transactions in foreign currency are translated into the respective functional currencies using the exchange rates prevailing at the dates of the respective transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at the exchange rates prevailing at reporting date of monetary assets and liabilities denominated in foreign currencies are recognized in the statement of profit and loss and reported within foreign exchange gains/ (losses).</p> <p>Non-monetary assets and liabilities measured in terms of historical cost in foreign currencies are not retranslated. Foreign currency gains and losses are reported on a net basis.</p>
2.11	<p>Borrowings and borrowing cost</p> <p>Borrowing cost includes interest, amortisation of ancillary cost incurred in connection with the arrangement of borrowings and the exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. General and specific borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale</p> <p>Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. All other borrowing costs are recognised in Consolidated Statement of Profit and Loss in the period in which they are incurred.</p>

Notes to the consolidated financial statements for the year ended March 31, 2025

Note No.	Particulars
2.12	<p>Earnings per share</p> <p>Basic earnings per share is computed by dividing the net profit after tax and before other comprehensive income attributable to ordinary equity shareholders, by the weighted average number of equity shares outstanding during the period, adjusted for rights issue of equity shares during the period.</p> <p>Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.</p> <p>Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.</p>
2.13	<p>Provisions and contingencies</p> <p>A provision is recognised when the Group has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.</p> <p>A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Group or a present obligation that is not recognized because it is probable that an outflow of resources will not be required to settle the obligation. However, if the possibility of outflow of resources, arising out of present obligation, is remote, it is not even disclosed as contingent liability.</p> <p>The Company does not recognize a contingent liability but discloses its existence in the notes to financial statements. A contingent asset is not recognized in financial statements, however, the same is disclosed where an inflow of economic benefit is probable.</p>

Notes to the consolidated financial statements for the year ended March 31, 2025

Note No.	Particulars
2.14	<p>Financial instruments</p> <p>A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognised when an entity becomes a party to the contractual provisions of the instrument. All financial instruments are recognised initially at fair value. Transaction costs that are attributable to the acquisition of the financial asset (other than financial assets recorded at fair value through profit or loss) are included in the transaction value of the financial assets. Purchase or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trade) are recognised on trade date. While, financial liabilities like loans and borrowings and payables are recognised net of directly attributable transaction costs.</p> <p>a) Non-derivative financial assets</p> <p>i) Financial assets at amortised cost</p> <p>A financial asset shall be measured at amortised cost if both of the following conditions are met:</p> <ul style="list-style-type: none"> a) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and b) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding. <p>They are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. Financial assets are measured initially at fair value plus transaction costs and subsequently carried at amortized cost using the effective interest method, less any impairment loss.</p> <p>The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or where appropriate, a shorter period, to the gross carrying amount on initial recognition.</p> <p>Financial assets at amortised cost are represented by trade receivables, security deposits, cash and cash equivalents, employee and other advances and eligible current and non-current assets.</p> <p>Income is recognised on an effective interest basis for debt instruments other than those financial assets classified as at FVTPL. Interest income is recognised in profit or loss and is included in the "Other Income" line item.</p>

Notes to the consolidated financial statements for the year ended March 31, 2025

Note No.	Particulars
	<p>ii) Equity instruments at FVTOCI</p> <p>All equity instruments are measured at fair value. Equity instruments held for trading is classified as FVTPL. For all other equity instruments, the Group may make an irrevocable election to present subsequent changes in the fair value in OCI. The Group makes such election on an instrument-by-instrument basis.</p> <p>If the Group decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividend are recognised in OCI which is not subsequently reclassified to statement of profit and loss.</p> <p>iii) Financial assets at FVTPL</p> <p>FVTPL is a residual category for financial assets. Any financial asset which does not meet the criteria for categorization as at amortised cost or as FVTOCI, is classified as FVTPL.</p> <p>In addition, the Group may elect to designate the financial asset, which otherwise meets amortised cost or FVOCI criteria, as FVTPL if doing so eliminates or significantly reduces a measurement or recognition inconsistency.</p> <p>Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any dividend or interest earned on the financial asset and is included in the 'Other income' line item. Dividend on financial assets at FVTPL is recognised when the Group's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.</p> <p>iv) Derecognition of financial assets</p> <p>The Group derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Group neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Group recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Group retains substantially all the risks and rewards of ownership of a transferred financial asset, the Group continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.</p> <p>On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset.</p>

Notes to the consolidated financial statements for the year ended March 31, 2025

Note No.	Particulars
	<p>On derecognition of a financial asset other than in its entirety (e.g. when the Group retains an option to repurchase part of a transferred asset), the Group allocates the previous carrying amount of the financial asset between the part it continues to recognise under continuing involvement, and the part it no longer recognises on the basis of the relative fair values of those parts on the date of the transfer. The difference between the carrying amount allocated to the part that is no longer recognised and the sum of the consideration received for the part no longer recognised and any cumulative gain or loss allocated to it that had been recognised in other comprehensive income is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset. A cumulative gain or loss that had been recognised in other comprehensive income is allocated between the part that continues to be recognised and the part that is no longer recognised on the basis of the relative fair values of those parts.</p> <p>b) Non-derivative financial liabilities</p> <p>i) Financial liabilities at amortised cost</p> <p>Financial liabilities at amortised cost represented by borrowings, trade and other payables. Borrowings are initially recognized at net of transaction costs incurred subsequently carried at amortized cost using the effective interest rate method and all other financial liabilities are recognised at the transaction value.</p> <p>ii) Financial liabilities at FVTPL</p> <p>Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any interest paid on the financial liability and is included in the 'Finance costs' line item. The Group derecognises financial liabilities when, and only when, the Group's obligations are discharged, cancelled or they expire. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in Statement of Profit and Loss.</p> <p>For financial liabilities that are denominated in a foreign currency and are measured at amortised cost at the end of each reporting period, the foreign exchange gains and losses are determined based on the amortised cost of the instruments and are recognised in the statement of profit and loss. The fair value of financial liabilities denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of the reporting period. For financial liabilities that are measured as at FVTPL, the foreign exchange component forms part of the fair value gains or losses and is recognised in statement of profit or loss.</p>

Notes to the consolidated financial statements for the year ended March 31, 2025

Note No.	Particulars
	<p>iii) Derecognition of non-derivative financial liabilities</p> <p>The Group derecognises financial liabilities when, and only when, the Group's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.</p> <p>2.15 Fair Value Measurement</p> <p>Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:</p> <ul style="list-style-type: none"> i) In the principal market for the asset or liability, or ii) In the absence of a principal market, in the most advantageous market for the asset or liability. <p>The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.</p> <p>The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:</p> <ul style="list-style-type: none"> i) Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities. ii) Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable. iii) Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

Notes to the consolidated financial statements for the year ended March 31, 2025

Note No.	Particulars
2.16	<p>For assets and liabilities that are recognised in the consolidated financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.</p> <p>For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above. When the fair values of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques, including the discounted cash flow model, which involve various judgements and assumptions."</p> <p>At initial recognition, the Group measures a financial asset, except trade receivable at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Trade receivables are initially measured at transaction price. Transaction costs of financial assets carried at fair value through profit or loss are expensed in the statement of Profit and Loss.</p> <p>For the purpose of subsequent measurement, financial instruments of the Group are classified in the following categories: non-derivative financial assets comprising amortised cost, equity instruments at FVTOCI or fair value through profit and loss account (FVTPL) and financial liabilities at amortised cost or FVTPL.</p> <p>The classification of financial instruments depends on the objective of the business model for which it is held. Management determines the classification of its financial instruments at initial recognition.</p> <p>Impairment</p> <p>a) Financial Assets</p> <p>In accordance with Ind AS 109, the Group applies expected credit loss (ECL) model for measurement and recognition of impairment loss. The Group follows 'simplified approach' for recognition of impairment loss allowance on trade receivable. The application of simplified approach does not require the Group to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.</p> <p>Lifetime ECLs are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12-months after the reporting date.</p> <p>ECL is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the entity expects to receive</p>

Notes to the consolidated financial statements for the year ended March 31, 2025

Note No.	Particulars
	<p>(i.e. all shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider:</p> <ul style="list-style-type: none"> i) All contractual terms of the financial instrument (including prepayment, extension etc.) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument. ii) Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms. <p>As practical expedient, the Group uses a provision matrix to determine impairment loss on portfolio of its trade receivable. The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward-looking estimates. At every reporting date, the historically observed default rates are updated and changes in forward-looking estimates are analysed.</p> <p>ECL impairment loss allowance (or reversal) recognised during the year is recognised as income/expense in the statement of profit and loss. The balance sheet presentation for various financial instruments is described below:</p> <p>Financial assets measured at amortised cost, contractual revenue receivable: ECL is presented as an allowance, i.e. as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write off criteria, the Group does not reduce impairment allowance from the gross carrying amount.</p> <p>b) Non-financial assets</p> <p>The Group assesses at each reporting date whether there is any objective evidence that a non financial asset or a group of non financial assets is impaired. If any such indication exists, the Group estimates the amount of impairment loss.</p> <p>An impairment loss is calculated as the difference between an asset's carrying amount and recoverable amount. Losses are recognised in profit or loss and reflected in an allowance account. When the Group considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through profit or loss.</p> <p>The recoverable amount of an asset or cash-generating unit (as defined below) is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For</p>

Notes to the consolidated financial statements for the year ended March 31, 2025

Note No.	Particulars
	<p>the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the "cash-generating unit").</p>
2.17	<p>Segment reporting</p> <p>The Managing Director of the Holding Company has been identified as the Chief Operating Decision maker. The Group's operations relate to only one business segment, viz., Textiles and thus it has only one reportable business segment. The geographical segment information as required by Ind AS 108 - Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision maker for the purpose of making decisions about allocating resources and assessing its performance.</p>
2.18	<p>Non-Current Assets held for sale</p> <p>a. Non-Current Assets held for sale</p> <p>The Group classifies non-current assets as held for sale if their carrying amounts will be recovered principally through a sale rather than through continuous use of the assets and actions required to complete such sale indicate that it is unlikely that significant changes to the plan to sell will be made or that the decision to sell will be withdrawn. Also, such assets are classified as held for sale only if the management expects to complete the sale within one year from the date of classification. Non-current assets classified as held for sale are presented separately from the other assets in the balance sheet.</p> <p>Non-current assets classified as held for sale are measured at the lower of their carrying amount and fair value less cost to sell. Non-current assets are not depreciated or amortized while they are classified as held for sale.</p> <p>b. Discontinued Operations</p> <p>Discontinued operations are excluded from the results of continuing operations and are presented as a single amount as profit or loss after tax from discontinued operations in the statement of profit and loss. The Group re-presents the aforesaid disclosures in respect of discontinued operations for all prior periods presented in the financial statements so that the disclosures relate to all operations that have been discontinued by the end of the reporting period for the latest period presented. All other notes to the financial statements mainly include amounts for continuing operations, unless otherwise mentioned.</p>
2.19	<p>Government grants</p> <p>Grants from the government are recognised when there is reasonable assurance that: i) the Group will comply with the conditions attached to them; and (ii) the grant will be received.</p>

Notes to the consolidated financial statements for the year ended March 31, 2025

Note No.	Particulars
	<p>Government grants related to revenue are recognised on a systematic basis in the statement of profit and loss over the periods necessary to match them with the related costs which they are intended to compensate. Such grants are deducted in reporting the related expense. When the grant relates to an asset, it is recognized as income over the expected useful life of the asset.</p> <p>Where the Group receives non-monetary grants, the asset is accounted for on the basis of its acquisition cost. In case a non-monetary asset is given free of cost it is recognised at a fair value. When loan or similar assistance are provided by government or related institutions, with an interest rate below the current applicable market rate, the effect of this favourable interest is recognized as government rate. The loan or assistance is initially recognized and measured at fair value and the government grant is measured as the difference between the initial carrying value of the loan and the proceeds received.</p> <p>Government Grant is recognised in the Consolidated Statement of Profit and Loss Account either as Other Operating Revenue or Other Income or adjusted against the expenses depending upon the nature of the grant.</p>
2.20	<p>Events after Reporting date</p> <p>Where events occurring after the Balance Sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the Consolidated Financial Statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed.</p>
2.21	<p>Recent Pronouncements</p> <p>Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.</p> <p>The Ministry of Corporate Affairs issued the amendments to the Companies (Indian Accounting Standards) Amendment Rules in August 2024 in which MCA has notified Ind AS 117 - Insurance Contracts and amendments to Ind AS 116 - Leases, relating to sale and lease back transactions, applicable from April 1, 2024.</p> <p>On May 9, 2025, MCA notifies the amendments to Ind AS 21 - Effects of Changes in Foreign Exchange Rates. These amendments aim to provide clearer guidance on assessing currency exchangeability and estimating exchange rates when currencies are not readily exchangeable. The amendments are effective for annual periods beginning on or after April 1, 2025.</p> <p>The Company has evaluated and assessed that the amendments does not have any material impact on the Financial Statements of the Company.</p>

Notes :

- Securities premium reserve represents premium received on equity shares issued, which can be utilised only in accordance with the provisions of the Companies Act, 2013 (the Act) for specified purposes.
- General reserve is created from time to time by transferring profits from retained earnings and can be utilised for purposes such as dividend payout, Bonus issue, etc.
- Retained earnings do not contain any amount of revaluation reserve which was transferred to Retained earnings on the transition date, which may not be available for distribution.
- Other comprehensive income represents the cumulative gain/loss arising on remeasurement of defined benefit obligation and fair value changes of financial assets measured at FVTOCI. This would not be reclassified to Statement of Profit and Loss.
- The Company has issued 42,25,806 share warrants to promoters and non-promoters at a price of Rs.62 each which are convertible into equity shares of face value Rs. 5 each within a period of 18 months from the date of allotment. During the year, a part amount representing 25% of the value has been received.

- Principal amount due to micro and small enterprise	940.76	2,350.50
- Interest due on above	-	-
ii) Interest paid by the Group in terms of Section 16 of the Micro, Small and Medium Enterprises Development Act, 2006, along-with the amount of the payment made to the supplier beyond the appointed day during the period	-	-
iii) Interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the period) but without adding interest specified under the Micro, Small and Medium Enterprises Act, 2006	-	-
iv) Interest accrued and remaining unpaid at the end of the period	-	-
v) Interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprises	-	-

Dues to micro and small enterprises have been determined to the extent such parties have been identified on the basis of information collected by the Management. This has been relied upon by the auditors.

39 Contingent liabilities and commitments (to the extent not provided for)

(Rs. in Lakhs)

Particulars	As at March 31, 2025	As at March 31, 2024
I) Contingent liabilities:		
A) Claims against the Company not acknowledged as debts:-		
a) TANGEDCO demands, pending in appeal	1,814.80	1,505.18
b) Income tax demands (already adjusted against refund)	-	5.12
c) Service Tax	-	75.08
d) Town Planning Authority	-	79.60
e) Employee Provident Fund	-	77.91
B) Contingent Liabilities On Account Of Guarantees :-		
a) Guarantees issued to bankers	-	18.74
b) Corporate guarantee given for loans to Bank	-	5,500.00
c) Guarantees issued in favour of Supplier	112.46	112.46
II. Commitments		
Estimated amount of contracts remaining to be executed on capital account and not provided for:		
Tangible Assets	1,823.32	1,429.67

Notes to the consolidated financial statements for the year ended March 31, 2025

40 Employee benefit plans

A. Defined contribution plans - provident fund and employee state insurance

The Group makes Provident Fund and Employee state insurance scheme contributions to defined contribution plans for qualifying employees. Under the Schemes, the Group is required to contribute a specified percentage of the payroll costs to fund the benefits. The Group recognised the following contributions in the Statement of profit and loss:

(Rs. in Lakhs)

Particulars	For the year ended March 31, 2025	For the year ended March 31, 2024
Provident fund	545.43	869.64
Employee state insurance	93.36	239.03

B. Defined benefit plan - gratuity

In accordance with applicable Indian laws, the Holding Company provides for gratuity, a defined benefit retirement plan (Gratuity plan). The Gratuity plan provides a lump sum payment to vested employees, at retirement or termination of employment, an amount based on the respective employee's last drawn eligible salary and the years of employment with the Group. The Holding Company provides the gratuity benefit through annual contributions to a fund managed by the Insurer included as part of 'Contribution to provident and other funds in Note 31 Employee benefits expense. Under this plan, the settlement obligation remains with the Holding Company.

Description of Risk Exposures

Valuations are performed on certain basic set of pre-determined assumptions and other regulatory framework which may vary over time. Thus, the Group is exposed to various risks in providing the above gratuity benefit which are as follows:

- Interest Rate Risk :** The plan exposes the Holding Company to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability (as shown in financial statements).
- Investment Risk :** The probability or likelihood of occurrence of losses relative to the expected return on any particular investment.
- Salary Escalation Risk :** The present value of the defined benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.
- Demographic Risk :** The Holding Company has used certain mortality and attrition assumptions in valuation of the liability. The Holding Company is exposed to the risk of actual experience turning out to be worse compared to the assumption.
- Liquidity Risk :** This is the risk that the Holding Company is not able to meet the short-term gratuity payouts. This may arise due to non-availability of enough cash/cash equivalent to meet the liabilities or holding of illiquid assets not being sold in time.

In respect of the plan in India, the most recent actuarial valuation of the plan assets and the present value of the defined benefit obligation were carried out as at March 31, 2025 by Mr. N. Srinivasan, Fellow of the Institute of Actuaries of India. The present value of the defined benefit obligation, and the related current service cost and past service cost, were measured using the projected unit credit method.

Notes to the consolidated financial statements for the year ended March 31, 2025

The following table sets out the funded status of the gratuity scheme:

(Rs. in Lakhs)

Particulars	For the year ended March 31, 2025	For the year ended March 31, 2024
Components of employer expense		
Current service cost	86.69	153.89
Interest cost	44.72	73.83
Expected return on plan assets	(59.62)	(59.22)
Recognised in statement of profit and loss	71.79	168.50
Re-measurement - actuarial (gain)/loss recognised in OCI	(15.41)	(77.99)
Total expense recognised in the Statement of total comprehensive income	56.38	90.51
Other Comprehensive Income (OCI)		
Actuarial (gain)/loss due to DBO experience	(44.43)	(106.56)

Actuarial (gains)/losses recognized in OCI	(15.41)	(77.99)
Defined benefit cost	56.38	90.51
Change in defined benefit obligation (DBO) during the year		
Present value of DBO at beginning of the year	1,060.78	1,053.39
Current service cost	86.69	153.89
Interest cost	44.72	73.83
Actuarial (gains)/losses	(24.22)	(85.31)
Benefits paid	(68.48)	(135.03)
Less: On account of sale of subsidiary	(408.02)	-
Present value of DBO at the end of the year	691.47	1,060.78
Actual contribution and benefit payments for year		
Actual benefit payments	68.48	135.03
Actual contributions	44.09	91.43
Change in fair value of assets during the year		
Plan assets at beginning of the year	836.79	783.80
Expected return on plan assets	59.62	59.22
Actual company contributions	44.09	91.43
Actuarial gain / (loss)	(8.81)	(7.32)
Benefits paid	(68.48)	(90.34)
Plan assets at the end of the year	863.21	836.79
Actual return on plan assets	50.81	51.90

Notes to the consolidated financial statements for the year ended March 31, 2025

The following table sets out the funded status of the gratuity scheme (Contd...)

(Rs. in Lakhs)

Particulars	For the year ended March 31, 2025	For the year ended March 31, 2024
Current and Non-Current Asset / Liability portion		
Current Asset	171.74	184.03
Liabilities - Discontinued operations	-	(408.02)
Net Asset / (Liability)	171.74	(223.99)
Net asset / (liability) recognised in the Balance Sheet :		
Present value of defined benefit obligation	(691.47)	(1,060.78)
Fair value of plan assets	863.21	836.79
Funded status (Surplus / (Deficit))	171.74	(223.99)
Net asset / (liability) recognised in the Balance Sheet	171.74	(223.99)
Composition of the plan assets is as follows:		
Government securities	-	-
Debentures and bonds	-	-
Fixed deposits	-	-
Insurer managed funds*	100%	100%
Total	863.21	836.79

*Funds are managed by Life Insurance Corporation of India and composition of the fund as at the balance sheet date was not provided by the insurer.

Actuarial assumptions	Holding Company		Subsidiary Company	
	31.3.2025	31.3.2024	31.3.2025	31.3.2024
Discount rate	6.85%	7.23%	-	7.17%
Expected return on plan assets	7.23%	7.55%	-	0.00%
Retirement age	58	58	-	58
Mortality rate	Indian Assured Lives Mortality (2012-14) Ultimate	Indian Assured Lives Mortality (2012-14) Ultimate	-	Indian Assured Lives Mortality (2012-14) Ultimate
Attrition rate	5.00%	5.00%	-	30.00%
Salary escalation	5.00%	5.00%	-	8.00%

The discount rate is based on the prevailing market yields of Government of India securities as at the Balance Sheet date for the estimated term of the obligations.

Notes to the consolidated financial statements for the year ended March 31, 2025

Sensitivity Analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below:

(Rs. in Lakhs)

Gratuity Plan	As at March 31, 2025	As at March 31, 2024
Estimate value of obligation if discount rate is taken 1% higher	645.53	994.72
Estimate value of obligation if discount rate is taken 1% lower	744.69	1,136.57
Estimate value of obligation if salary growth rate is taken 1% higher	743.49	1,133.22
Estimate value of obligation if salary growth rate is taken 1% lower	645.85	996.65
Estimate value of obligation if attrition rate is taken 1% higher	694.76	1,061.61
Estimate value of obligation if attrition rate is taken 1% lower	687.58	1,059.37

These sensitivities have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in market conditions at the accounting date. There have been no changes from the previous periods in the methods and assumptions used in preparing the sensitivity analysis.

Maturity profile of defined benefit obligation:

(Rs. in Lakhs)

Maturity profile, if it ensues	As at March 31, 2025	As at March 31, 2024
1 Year	39.60	128.88
2 Year	36.66	75.44
3 Year	40.81	63.80
4 Year	48.35	56.06
5 Year	38.70	58.05
6-10 years	143.55	206.05
Above 10 Years	343.80	472.50

Asset Liability Matching Strategies

Lease rent relating to continuing operations	27.10	7.90
Lease rent relating to discontinued operations	3.58	73.39

Notes to the consolidated financial statements for the year ended March 31, 2025
46. Financial Instruments

The carrying value and fair value of financial instruments by categories as at March 31, 2025 and March 31, 2024 are as follows:

(Rs. in Lakhs)

Particulars	Carrying value		Fair value	
	As at March 31, 2025	As at March 31, 2024	As at March 31, 2025	As at March 31, 2024
Financial assets				
Amortised cost				
Loans	41.23	40.99	-	-
Trade receivable	15,543.90	22,110.23	-	-
Cash and cash equivalents	321.05	1,190.44	-	-
Other bank balances	240.06	407.46	-	-
Other financial assets	3,460.25	3,046.77	-	-
Investment in government securities	0.03	0.03	-	-
Investments in equity and preference instruments (unquoted)	379.96	438.36	-	-
FVTOCI				
Investment in equity instruments	9.20	5.85	9.20	5.85
Total assets	19,995.68	27,240.13	9.20	5.85
Financial liabilities				
Amortised cost				
Borrowings	46,665.28	56,819.21	-	-
Lease liabilities	60.40	69.43	-	-
Trade payables	5,150.78	11,708.03	-	-
Other financial liabilities	168.22	864.86	-	-
Total liabilities	52,044.68	69,461.53	-	-

The management assessed that fair value of cash and short-term deposits, trade receivables, trade payables and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

Notes to the consolidated financial statements for the year ended March 31, 2025

The following methods and assumptions were used to estimate the fair values:

- i) Long-term fixed-rate receivables/borrowings are evaluated by the Group based on parameters such as interest rates, specific country risk factors, individual creditworthiness of the customer and the risk characteristics of the financed project. Based on this evaluation, allowances are taken into account for the expected losses of these receivables.
- ii) Fair values of the Group's interest-bearing borrowings and loans are determined by using DCF method using discount rate that reflects the issuer's borrowing rate as at the end of the reporting period. The own non-performance risk as at March 31, 2025 was assessed to be insignificant.

47 Fair value hierarchy

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

The following table presents the fair value measurement hierarchy of financial assets and liabilities measured at fair value on recurring basis as at March 31, 2025 and March 31, 2024:

(Rs. in Lakhs)

Particulars	Total	Fair value measurement using		
		Level - 1	Level - 2	Level - 3
Financial assets measured at fair value:				
FVTOCI financial assets designated at fair value: Date of valuation March 31, 2025				
Investment in equity instruments (quoted)				
As at March 31, 2025	9.20	9.20	-	-
As at March 31, 2024	5.85	5.85	-	-

There have been no transfers among Level 1, Level 2 and Level 3 during the year.

48 Financial risk management

The Group's principal financial liabilities, comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Group's operations and to provide guarantees to support its operations. The Group's principal financial assets include loans, trade and other receivables, and cash and short-term deposits that derive directly from its operations.

The Group's activities expose it to a variety of financial risks: credit risk, liquidity risk, foreign currency risk and interest rate risk. The Group's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The primary market risk to the Group is foreign exchange risk. The Group uses foreign currency borrowings to mitigate foreign exchange related risk exposures.

The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below:

1) Credit risk

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Group's receivables from customers and

Notes to the consolidated financial statements for the year ended March 31, 2025

investment securities. Credit risk arises from cash held with banks and financial institutions, as well as credit exposure to clients, including outstanding accounts receivable. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Group assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

2) Trade and other receivables

The Group's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also has an influence on credit risk assessment.

The following table gives details in respect of percentage of revenues generated from top customer and top 5 customers:

(Rs. in Lakhs)

Particulars	For the year ended March 31, 2025	For the year ended March 31, 2024
Revenue from top customer	4,857.29	16,906.81
Revenue from top 5 customers	11,058.23	38,409.00

3) Investments

The Group limits its exposure to credit risk by generally investing in liquid securities and only with counterparties that have a good credit rating. The company does not expect any losses from non-performance by these counter-parties, and does not have any significant concentration of exposures to specific industry sectors.

4) Liquidity risk

Liquidity risk is the risk that the Group will not be able to meet its financial obligations as they become due. The Group manages its liquidity risk through credit limits with banks.

The Group's corporate treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management.

The working capital position of the Group is given below:

(Rs. in Lakhs)

Particulars	As at March 31, 2025	As at March 31, 2024
Cash and cash equivalents	321.05	1,190.44
Other bank balances	240.06	407.46
Total	561.11	1,597.90

The table below provides details regarding the contractual maturities of significant financial liabilities as at March 31, 2025 and March 31, 2024.

Notes to the consolidated financial statements for the year ended March 31, 2025

(Rs. in Lakhs)

Particulars	As at	Less than 1 year	1-2 years	2 years and above
Borrowings	March 31, 2025	32,379.17	7,123.31	7,162.80
	March 31, 2024	32,688.05	7,792.82	16,338.34
Trade payables	March 31, 2025	5,150.78	-	-
	March 31, 2024	11,708.03	-	-
Lease liabilities	March 31, 2025	32.95	22.79	4.66
	March 31, 2024	12.82	45.08	11.53
Other financial liabilities	March 31, 2025	168.22	-	-
	March 31, 2024	864.86	-	-

5) Foreign currency risk

The Group's exchange risk arises from its foreign operations, foreign currency revenues and expenses, (primarily in U.S. dollars, British pound sterling and Euros) and foreign currency borrowings (primarily in U.S. dollars, British pound sterling and Euros). A significant portion of the Group's revenues are in these foreign currencies, while a significant portion of its costs are in Indian rupees. As a result, if the value of the Indian rupee appreciates relative to these foreign currencies, the Company's revenues measured in rupees may decrease. The exchange rate between the Indian rupee and these foreign currencies has changed substantially in recent periods and may continue to fluctuate substantially in the future. The Company's management meets on a periodic basis to formulate the strategy for foreign currency risk management..

Consequently, the management of the Group believes that the borrowings in foreign currency and its assets in foreign currency shall mitigate the foreign currency risk mutually to some extent.

The following table presents foreign currency risk from non-derivative financial instruments as of March 31, 2025 and March 31, 2024:

(Rs. in Lakhs)

Particulars	As at	US\$	Euro	Pound/Sterling	Total
Assets					
Trade receivables*	March 31, 2025	644.82	1,521.09	38.02	2,203.93
	March 31, 2024	1,600.32	1,738.12	36.15	3,374.60
Cash and cash equivalents	March 31, 2025	-	-	-	-
	March 31, 2024	0.87	-	0.03	0.90
Liabilities					
Trade payable	March 31, 2025	-	-	-	-
	March 31, 2024	134.55	-	-	134.55
Borrowings	March 31, 2025	-	-	-	-
	March 31, 2024	-	-	-	-
Net assets/(liabilities)	March 31, 2025	644.82	1,521.09	38.02	2,203.93
	March 31, 2024	1,466.64	1,738.12	36.18	3,240.95

* Trade receivables excluding allowance for doubtful trade receivables.

Notes to the consolidated financial statements for the year ended March 31, 2025

Foreign currency sensitivity analysis

The following table details the Group's sensitivity to a 5% increase and decrease in INR against all foreign currencies dealt by the Group. 5% is the sensitivity rate used when reporting foreign currency risk internally to key management personnel and represents management's assessment of the reasonably possible change in foreign exchange rates. The sensitivity analysis includes only outstanding foreign currency denominated monetary items and adjusts their translation at the period end for a 5% change in foreign currency rates. A positive number below indicates an increase in profit or equity where the INR strengthens 5% against the relevant currency. For a 5% weakening of the INR against the relevant currency, there would be a comparable impact on the profit or equity, and the balances below would be negative.

(Rs. in Lakhs)

Particulars	For the year ended March 31, 2025	For the year ended March 31, 2024
Impact on profit or (loss) for the year on account of rupee appreciation by 5%	72.76	127.70

For a 5% weakening of the INR against the relevant currency, there would be equivalent amount of impact on the profit / (loss) as mentioned in the above table.

6) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group's exposure to the risk of changes in market interest rates relates primarily to the Group's debt obligations with floating interest rates and investments.

Interest rate sensitivity analysis

If interest rates had been 1% higher and all other variables were held constant, the Group's profit / (loss) for the year ended would have impacted in the following manner:

(Rs. in Lakhs)

Particulars	For the year ended March 31, 2025	For the year ended March 31, 2024
Increase / (decrease) in the profit / (loss) for the year	(435.74)	(565.50)

If interest rates were 1% lower, the Group's profit would have increased by the equivalent amount as shown in the above table.

7) Capital management

The Group's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. The Group monitors the return on capital. The Group's objective when managing capital is to maintain an optimal structure so as to maximize shareholder value.

Notes to the consolidated financial statements for the year ended March 31, 2025

The capital structure is as follows :

(Rs. in Lakhs)

Particulars	As at March 31, 2025	As at March 31, 2024
Total equity attributable to the equity share holders of the company	41,354.51	39,289.57
As percentage of total capital	47%	41%
Current borrowings	32,379.17	32,688.05
Non-current borrowings	14,286.11	24,131.16
Total borrowings	46,665.28	56,819.20
As a percentage of total capital	53%	59%
Total capital (borrowings and equity)	88,019.79	96,108.77

49. Valuation of Inventories :

Inventories of raw materials are valued at lower of cost and net realisable value. The cost of inventories shall comprise all costs of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost of raw materials, packing materials, stores and spares and consumables are valued at first-in-first-out/ specific identification method.

The inventory of Finished Goods and Work-in-progress is valued at the lower of cost and net realizable value, and cost include weighted average of cost of inputs, conversion costs and appropriate share of overheads incurred in bringing Finished Goods and Work-in-progress, to their present location and condition. This inventory comprises of diversified range and quality of yarn and cloth / fabrics, and its valuation depends on the quality of the item as per the specification received from the customers, and its stage of manufacturing, quality and date of purchase of the raw material and other inputs, and efficiency of the manufacturing facility. The Holding Company is running a composite textile mill and fairly estimating the valuation of such stock is highly complex process which involves significant level of subjectivity, judgment and estimation.

50 Additional Regulatory Information

i) Title Deeds of Immovable Properties not held in the name of the Group

The title deeds of all the immovable properties are held in the name of the Group.

ii) Revaluation of Property, Plant and Equipment

The Group has not revalued its Property, Plant and Equipment during the year.
