Capital Small Finance Bank Limited

Investor Presentation – Q2 & H1FY26

This presentation and the accompanying slides (the “Presentation”), which have been prepared by **Capital Small Finance Bank Limited (the “Company”)**, have been prepared solely for information purposes and do not constitute any offer, recommendation or invitation to purchase or subscribe for any securities, and shall not form the basis or be relied on in connection with any contract or binding commitment whatsoever. No offering of securities of the Company will be made except by means of a statutory offering document containing detailed information about the Company.

This Presentation has been prepared by the Company based on information and data which the Company considers reliable, but the Company makes no representation or warranty, express or implied, whatsoever, and no reliance shall be placed on, the truth, accuracy, completeness, fairness and reasonableness of the contents of this Presentation. This Presentation may not be all inclusive and may not contain all of the information that you may consider material. Any liability in respect of the contents of, or any omission from, this Presentation is expressly excluded.

This presentation contains certain forward-looking statements concerning the Company’s future business prospects and business profitability, which are subject to a number of risks and uncertainties and the actual results could materially differ from those in such forward looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in earnings, our ability to manage growth, competition (both domestic and international), economic growth in India and abroad, ability to attract and retain highly skilled professionals, time and cost over runs on contracts, our ability to manage government policies and actions regulations, interest and other fiscal costs generally prevailing in the economy. The Company does not undertake to make any announcement in case any of these forward-looking statements become materially incorrect in future or update any forward-looking statements made from time to time by or on behalf of the Company.

Differentiated Bank Focused on Middle Income Segment

Capital Small Finance Bank

As we embrace the 10th year of our current journey as SFB, we build on a legacy of over two decades (including as LAB)—rooted in trust, fueled by passion, driven by growth, and empowered by enduring, inclusive partnerships

Industry Leading Asset Quality

Asset Quality (%)

- Focus on secured products with strong underwriting capabilities resulting in one of the lowest NPAs
- Being PRIMARY BANKER, better visibility of borrowers' cash flow: follow conservative LTV approach
- Emphasis on collection and resolutions even for sticky loans – close to ZERO write-offs and NIL NPA sell-off
- Despite challenging operating environment marked by natural calamity (flood situation) effecting northern parts of country, asset quality improved marginally during the quarter

Credit Cost²

SMA 1 & 2 (%)

One of the most secured Asset Portfolio in the Lending Industry

Liability Portfolio

Retail Focused Liability Franchise with High Share of CASA

- The Bank was consciously calibrated deposit growth owing to low CD ratio and high leverage ratios. Ability to quickly ramp up deposit mobilization.
- Post rate cuts in the begin of the year, Bank has accelerated deposit mobilisation and grew deposit by 12% in H1FY26
- Focus on granular & retail centric deposits, with negligible Bulk deposits
- CASA ratio remained healthy at 33.9% (average CASA 34.8% for Q2FY26). the decline is temporarily and attributed to immediate cash requirement arising due flood situation (interest on saving bank accounts is 3.25%)

Funding Mix – Positively skewed towards Deposits

- Effectively managed yields and interest spread across interest rate cycles;
- Going forward, targeting NIM expansion supported by decline in deposit cost on repricing, coupled with accelerating the CD ratio
- Benefit of operating leverage with continuous increase in proportion of matured branches, steady NIMs and low credit cost leads to strong growth in profitability.
