## From the Executive Chairman's Desk

Executive Chairman - Mr. C. S. Nopany

**Commenting on the results, Mr. C.S. Nopany, Executive Chairman, Sutlej Textiles and Industries Limited said:**

“The Global Economy, after a tough couple of quarters is now seeing moderating inflation and steady growth, which is likely to help consumption as discretionary income should start increasing. With the greater-than-expected resilience in the United States and several large emerging market and developing economies, we are seeing some green shoots of recovery. The Indian growth story continues to gather momentum and we are likely to see growth in the domestic market as well.

With a strong foundation and an agile organisation that has its ears firmly on the ground, we remain focused on adapting to the changing dynamics of our markets and customer needs. We are encouraged by the changing trend and are hopeful of being able to deliver better performance in the forthcoming quarters.”
