Sub: Annual Report of Smruthi Organics Limited for the Financial Year 2022-23 along with the Notice of the 34th Annual General Meeting.

Scrip Code: 540686 MSEI-Symbol: SMRUTHI

Dear Sirs,

In terms of the provisions of Regulation 30 and Regulation 34 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), the Annual Report of Smruthi Organics Limited for the Financial Year 2022-23 ("Annual Report") along with the Notice of the 34th Annual General Meeting ("AGM") is enclosed herewith.

We wish to inform you that the AGM will be held on Saturday, 05th August, 2023 at 12.30 a.m. (IST), through Video Conferencing or Other Audio-Visual Means. The AGM will be held without the physical presence of the Shareholders at a common venue. This is in compliance with the General Circular No. 10/2022 dated December 28, 2022 issued by the Ministry of Corporate Affairs (MCA) and Circular No. SEBI/HO/CFD/PoD-2/P/CIR/2023/4 dated January 5, 2023 issued by the Securities and Exchange Board of India (SEBI) hereinafter collectively referred to as "Circulars" issued by the Securities and Exchange Board of India and relevant provisions of the Companies Act, 2013 and SEBI Listing Regulations. Further, in accordance with the aforesaid MCA Circulars and said SEBI Circulars, the Notice of the AGM along with the Annual Report is being sent only by electronic mode to those Shareholders whose email addresses are registered with the Company/ Depository Participants. The Annual Report together with the Notice of the AGM is being dispatched to the Shareholders today.

Please take the above submission on record.

NOTES

1. Pursuant to the General Circular No. 10/2022 dated December 28, 2022, issued by the Ministry of Corporate Affairs (MCA) and Circular SEBI/HO/CFD/PoD-2/P/CIR/2023/4 dated January 5, 2023 issued by SEBI (hereinafter collectively referred to as "the Circulars"), companies are allowed to hold AGM through VC, without the physical presence of members at a common venue. Hence, in compliance with the Circulars, the AGM of the Company is being held through VC.
2. A member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his / her behalf and the proxy need not be a member of the Company. Since the AGM is being held in accordance with the Circulars through VC, the facility for the appointment of proxies by the members will not be available.
3. Participation of members through VC will be reckoned for the purpose of quorum for the AGM as per Section 103 of the Act.
4. Corporate members intending to authorize their representatives to participate and vote at the meeting are requested to send a certified copy of the Board resolution / authorization letter to the Scrutinizer by email to cs@smruthiorganics.com with a copy marked to rtaclientservice@adroitcorporate.com

5. The register of directors and key managerial personnel (KMP) and their shareholding, maintained under Section 170 of the Act, the register of contracts or arrangements in which the directors are interested maintained under Section 189 of the Act, will be available for electronic inspection without any fee from the date of circulation of this Notice up to the date of AGM, i.e. 05th August, 2023. Members may write to the Company at cs@smruthiorganics.com in that regard, by mentioning "Request for Inspection" in the subject of the e-mail.
6. The Register of Members and share transfer books of the Company will remain closed from Saturday 29th July, 2023 to Saturday 05th August, 2023 (both days inclusive), for the purpose of AGM and Dividend. The Dividend, if declared, will be paid on or before 16th August, 2023, to those Shareholders whose names are registered as such in the Register of Members of the Company as on 28th July, 2023 ("record date") and to be beneficiary holders as per the beneficiary list as on 28th July, 2023 provided by the NSDL and CDSL. Dividend will be paid electronically through various online transfer modes to those members who have updated their bank account details. For members who have not updated their bank account details, dividend warrants / demand drafts / cheques will be sent to their registered addresses. To avoid delay in receiving dividend, members are requested to update their KYC with their depositories (where shares are held in dematerialized mode) and with the Company's Registrar and Transfer Agent (RTA) (where shares are held in physical mode) to receive the dividend directly into their bank account on the payout date.
7. Members may note that the Income-tax Act, 1961, ("the IT Act") as amended by the Finance Act, 2020, mandates that dividend paid or distributed by a company on or after April 1, 2020 shall be taxable in the hands of members. The Company shall therefore be required to deduct tax at source (TDS) at the time of making the payment of final dividend. To enable us to determine the appropriate TDS rate as applicable, members are requested to submit relevant documents, as specified in the below paragraphs, in accordance with the provisions of the IT Act.
8. For resident shareholders, taxes shall be deducted at source under Section 194 of the IT Act as follows:

Members having valid Permanent Account Number (PAN)	10% or as notified by the Government of India (GOI)
Members not having PAN / valid PAN	20% or as notified by the GOI

However, no tax shall be deducted on the dividend payable to resident individual shareholders if the total dividend to be received by them during financial year 2023-24 does not exceed ₹5,000, and also in cases where members provide Form 15G / Form 15H (Form 15H is applicable to resident individual shareholders aged 60 years or more) subject to conditions specified in the IT Act.

9. Resident shareholders may also submit any other document as prescribed under the IT Act to claim a lower / nil withholding of tax. PAN is mandatory for members providing Form 15G / 15H or any other document as mentioned above.

Non-resident shareholders can avail beneficial rates under tax treaty between India and their country of residence, subject to providing necessary documents i.e. no permanent establishment and beneficial ownership declaration. Tax residency certificate, Form 10F, any other documents which may be required to avail the tax treaty benefits by forwarding the above documents by email to info@adroitcorporate.com. The aforesaid declaration and documents need to be submitted by the shareholders on or before 28th July, 2023.

10. Members are requested to address all correspondence, including dividend-related matters, to cs@smruthiorganics.com with a copy marked to rtaclientservice@adroitcorporate.com.
11. Members wishing to claim dividends that remain unclaimed are requested to correspond with the RTA as mentioned above, or with the Company Secretary, at the Company's registered office or at cs@smruthiorganics.com. Members are requested to note that dividends that are not claimed within seven years from the date of transfer to the Company's Unpaid Dividend Account, will be transferred to the Investor Education and Protection Fund (IEPF). Shares on which dividend remains unclaimed for seven consecutive years shall be transferred to the IEPF as per Section 124 of the Act, read with applicable IEPF rules.
12. In compliance with Section 108 of the Act, read with the corresponding rules, Regulation 44 of the LODR Regulations and in terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020, the Company has provided a facility to its members to exercise their votes electronically through the electronic voting (e-voting) facility provided by Central Depository Services (India) Limited (CDSL). Members who have cast their votes by remote e-voting prior to the AGM may participate in the AGM but shall not be entitled to cast their votes again. The manner of voting remotely by members holding shares in dematerialized mode, physical mode and for members who have not registered their email addresses is provided in the 'Instructions for e-voting' section which forms part of this Notice.

Members present in the AGM through VC and who have not cast their vote on the resolutions through remote e-voting and are otherwise not barred from doing so, shall be eligible to vote through the e-voting system during the AGM.

13. In compliance with the Circulars, the Integrated Annual Report 2022-23, the Notice of the 34th AGM, and instructions for e-voting are being sent through electronic mode to those members whose email addresses are registered with the Company / depository participant(s) (DP).
14. We urge members to support our commitment to environmental protection by choosing to receive the Company's communication through email. Members holding shares in demat mode, who have not registered their email addresses are requested to register their email addresses with

their respective DP, and members holding shares in physical mode are requested to update their email addresses with the Company's RTA, Adroit Corporate Services Pvt. Ltd. at rtaclientservice@adroitcorporate.com, to receive copies of the Integrated Annual Report 2022-23 in electronic mode.

15. Members may also note that the Notice of the 34th AGM and the Integrated Annual Report 2022-23 will also be available on the Company's website, <https://smruthiorganics.com/investor-relation/>, websites of the stock exchanges, i.e. BSE and MSEI, at www.bseindia.com and www.msei.com, respectively.
16. Additional information, pursuant to Regulation 36 of the LODR Regulations, in respect of the director seeking reappointment at the AGM, forms part of this Notice.
17. The Board has appointed Mr. H.R. Thakur, Practicing Company Secretary, Mumbai, as the scrutinizer ("Scrutinizer") for conducting the e-voting process in a fair and transparent manner.
18. The Scrutinizer will submit his report to the Chairman of the Company ("the Chairman") or to any other person authorized by the Chairman after the completion of the scrutiny of the e-voting (votes cast during the AGM and votes cast through remote e-voting), not later than 48 (forty eight) hours from the conclusion of the AGM. The result declared along with the Scrutinizer's report shall be communicated to the stock exchanges and RTA, and will also be displayed on the Company's website, <https://smruthiorganics.com/investor-relation/>.
19. Since the AGM will be held through VC in accordance with the Circulars, the route map, proxy form and attendance slip are not attached to this Notice.

INSTRUCTIONS FOR EVOTING

REMOTE E-VOTING INFORMATION

The voting period begins on 02nd Aug 2023 at 9.00 a.m (IST) and ends on 04th Aug 2023 at 5.00 p.m (IST) During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Friday, 28th July, 2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

LOGIN METHOD

INDIVIDUAL SHAREHOLDERS HOLDING SHARES IN DEMAT FORM

Voting through CDSL EASI Portal

1. Individual shareholders holding securities in demat mode, who have opted for CDSL's Easi / Easiest facility, can login through their existing user id and password. Option will be made available to reach e-Voting page without any further authentication. The URLs for users to login to Easi / Easiest are <https://web.cdslindia.com/myeasi/home/login> or www.cdslindia.com and click on Login icon and select New System Myeasi.
2. After successful login the Easi / Easiest user will be able to see the e-Voting Menu. On clicking the e-voting menu, the

user will be able to see his/her holdings along with links of the respective e-Voting service provider i.e. CDSL as per information provided by Issuer / Company. Additionally, we are providing links to e-Voting Service Providers, so that the user can visit the e-Voting service providers' site directly.

3. If the user is not registered for Easi/Easiest, option to register is available at <https://web.cdslindia.com/myeasi/Registration/EasiRegistration>.
4. Alternatively, the user can directly access e-Voting page by providing demat Account Number and PAN from a link in www.cdslindia.com home page. The system will authenticate the user by sending OTP on registered Mobile & Email as recorded in the demat Account. After successful authentication, user will be provided links for the respective ESP where the e-Voting is in progress during or before the AGM.

Voting through NSDL IDeAS Portal

1. Individual shareholders holding securities in demat mode, who are already registered for NSDL IDeAS facility, please visit the e-Services website of NSDL at <https://eservices.nsdl.com> either on a personal computer or on a mobile. Once the home page of e-Services is launched, click on the "Beneficial Owner" icon under "Login" which is available under 'IDeAS' section. A new screen will open. You will have to enter your User ID and Password. After successful authentication, you will be able to see e-Voting services. Click on "Access to e-Voting" under e-Voting services and you will be able to see e-Voting page. Click on company name or e-Voting service provider name and you will be re-directed to e-Voting service provider website for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.
2. If the user is not registered for IDeAS e-Services, option to register is available at <https://eservices.nsdl.com>. Select "Register Online for IDeAS "Portal or click at <https://eservices.nsdl.com/SecureWeb/IdeasDirectReg.jsp>
3. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com> either on a personal computer or on a mobile. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholder/Member' section. A new screen will open.

You will have to enter your User ID (i.e. your sixteen digit demat account number hold with NSDL), Password/OTP and a Verification Code as shown on the screen. After successful authentication, you will be redirected to NSDL Depository site wherein you can see e-Voting page. Click on company name or e-Voting service provider name and you will be redirected to e-Voting service provider website for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.

Voting through Depository Participants

1. Individual shareholders holding securities in demat mode can also login using the login credentials of their demat account through depository participant registered with NSDL/ CDSL for e-Voting facility.

2. After successful login, you will be able to see e-Voting option. Once you click on e-Voting option, you will be redirected to NSDL/CDSL depository site after successful authentication, wherein you can see e-Voting feature.
3. Click on company name or e-Voting service provider name and you will be redirected to e-Voting service provider's website for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.
4. Important note: Members who are unable to retrieve User ID/ Password are advised to use Forget User ID and Forget Password option available at abovementioned website.
5. Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at 022- 23058738 and 22- 23058542-43.
6. Members facing any technical issue in login can contact NSDL helpdesk by sending a request at evoting@nsdl.co.in or call at toll free no.: 1800 1020 990 and 1800 22 44 30
6. After entering these details appropriately, click on "SUBMIT" tab.
7. Shareholders holding shares in physical form will then directly reach the Company selection screen. The details can be used only for e-voting on the resolutions contained in this Notice.
8. Shareholders holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
9. Click on the EVEN for Smruthi Organics Ltd.
10. On the voting page, you will see "RESOLUTION DESCRIPTION" and against the same the option "YES/NO" for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
11. Click on the "RESOLUTIONS FILE LINK" if you wish to view the entire Resolution details.
12. After selecting the resolution, you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.
13. Once you "CONFIRM" your vote on the resolution, you will not be allowed to modify your vote.
14. You can also take a print of the votes cast by clicking on "Click here to print" option on the voting page.
15. If a demat account holder has forgotten the login password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.

INDIVIDUAL SHAREHOLDERS HOLDING SHARES IN PHYSICAL FORM

1. The shareholders other than individual shareholders & shareholders holding shares in physical mode, should log on to the e- voting website www.evotingindia.com. Shareholders can use this website for e- voting and joining virtual meeting.
2. Click on "Shareholders" module and enter your User ID
 - 2.1 For CDSL: 16 digits beneficiary ID
 - 2.2 For NSDL: 8 Character DP ID followed by 8 Digits Client ID
 - 2.3 Shareholders holding shares in physical form should enter folio number registered with the company.
3. Next enter the image verification as displayed and click on login.
4. If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier e-voting of any company, then your existing password should be used.
5. If you are a first-time user follow the steps given below:

5.1 PAN

Enter your 10 digit alpha-numeric PAN issued by Income Tax Department (applicable for both demat shareholders as well as physical shareholders) Shareholders, who have not updated their PAN with the Company / Depository Participant, are requested to use the sequence number sent by Company / RTA or contact Company / RTA.

5.2 Dividend Bank Details or Date of Birth (DOB)

Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login. If both the details are not recorded with the depository or company, please enter the member id / folio number in the Dividend Bank details field.

OBTAINING LOGIN CREDENTIALS FOR E-VOTING

1. Physical Shareholders - please provide necessary details like folio no., name of shareholder, scanned copy of the share certificate (front and back), PAN (self attested Scanned copy of PAN card), AADFIAR (self-attested scanned copy of Aadhar Card) by email to cs@smruthiorganics.com/ rtaclientservice@adroitcorporate.com .
2. Demat Shareholders - please provide demat account details (CDSL-16 digit beneficiary ID or NSDL-16 digit DPID + CLID), Name, client master or copy of consolidated account statement, PAN (self-attested scanned copy of PAN card), AADFIAR (self-attested scanned copy of Aadhar Card) to cs@smruthiorganics.com/ rtaclientservice@adroitcorporate.com .
3. If you have any queries or issues regarding attending AGM & e-Voting from the CDSL e-Voting System, you can write an email to anandt@cdslindia.com, bhushanw@cdslindia.com, bhushanw@cdslindia.com , krunalr@cdslindia.com

4. All grievances connected with the facility for voting by electronic means may be addressed to helpdesk.evoting@cslindia.com or call on 022- 23058542/43.
5. Since the AGM will be held through Video Conferencing or Other Audio Visual Means, route map of venue of the AGM and admission slip is not attached to this Notice.

NON - INDIVIDUAL SHAREHOLDERS AND CUSTODIANS

1. Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodians are required to log on to www.evotingindia.com and register themselves in the "Corporates" module.
2. A scanned copy of the Registration Form bearing the stamp and sign of the entry should be emailed to helpdesk.evoting@cslindia.com.
3. After receiving the login details a Compliance User should be created using the admin login and password. The Compliance User would be able to link the account(s) for which they wish to vote on.
4. The list of accounts linked in the login should be mailed to helpdesk.evoting@cslindia.com and on approval of the accounts they would be able to cast their vote.
5. A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.
6. Alternatively Non Individual shareholders are required to send the relevant Board Resolution/ Authority letter etc. together with attested specimen signature of the duly authorized signatory who are authorized to vote, to the Scrutinizer and to the Company at the email address cs@smruthiorganics.com , if they have voted from individual tab & not uploaded same in the CDSL e-voting system for the scrutinizer to verify the same.

INSTRUCTIONS FOR ATTENDING AGM THROUGH VC / OAVM & E-VOTING DURING MEETING

1. The procedure for attending meeting & e-Voting on the day of the AGM is same as the instructions mentioned earlier for remote e-voting.
2. The link for VC/OAVM to attend meeting will be available where the EVSN of Company will be displayed after successful login.
3. Shareholders who have voted through remote e-voting will be eligible to attend the meeting. However, they will not be eligible to vote at the AGM.

Only those shareholders, who have not casted their vote on the resolutions through remote e-voting and are otherwise not barred from doing so, shall be eligible to vote through e- voting system available during the AGM.

4. If any votes are cast by the shareholders through the e-voting available during the AGM and if the same shareholders have not participated in the meeting through VC/OAVM facility, then the votes cast by such shareholders shall be considered

invalid as the facility of e- voting during the meeting is available only to the shareholders attending the meeting.

5. Further shareholders will be required to allow Camera and use Internet with a good speed to avoid any disturbance during the meeting.
6. Please note that participants connecting from mobile devices or tablets or through laptop connecting via mobile hotspot may experience audio/video loss due to fluctuation in their respective network. It is therefore recommended to use stable Wi-Fi or LAN connection to mitigate any kind of aforesaid glitches.
7. Shareholders who would like to express their views/ask questions during the meeting may register themselves as a speaker by sending their request in advance at least 10 days prior to meeting mentioning their name, demat account number/folio number, email id, mobile number at cs@smruthiorganics.com . The shareholders who do not wish to speak during the AGM but have queries may send their queries in advance 10 days prior to meeting mentioning their name, demat account number/folio number, email id, mobile number at cs@smruthiorganics.com. These queries will be replied to by the company suitably by email.
8. Only the shareholders who have registered themselves as a speaker will be allowed to express their views/ask questions during the meeting.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

ITEM NO 4

The Board, on the recommendation of the Audit Committee, has approved the appointment of and remuneration payable to Shrinivas Diddi & Associates, Cost Accountants for conducting the audit of the cost records of the Company for the financial year ending March 31, 2023 on a Audit Fees of ₹ 55000/- plus service GST as applicable and reimbursement of out of pocket expenses.

In accordance with the provisions of Section 148 of the Act read with the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditors has to be ratified by the shareholders of the Company.

Accordingly, consent of the members is sought for passing an Ordinary Resolution as set out at Item No. 4 of the Notice.

None of the Directors, Key Managerial Personnel of the Company and their relatives are concerned or interested in the resolution.

The Board recommends the Resolution for your approval.

ITEM No 5

Ms Eaga Smruthi, Non Executive Non Independent Director of the Company who holds MS degree in Pharmacy from USA has given her Consent to handle International Marketing activities of the Company particularly in Central and South American Markets which will involve identification, interaction , development and monitoring of customers for company's existing products as also for future introductions as the company may think appropriate. Earlier Ms Eaga Smruthi has worked with the company between July 2011- February 2013 as Business Development Executive and also

in different companies in US for about 5 years. Having based in US , her working as Director for International Marketing shall benefit the company by her exposure.

Considering the time and attention expected to be spent by her, the Board on recommendation of the Nomination and Remuneration Committee subject to approval of members, have approved the payment of remuneration to Ms. Eaga Smruthi- Non-Executive Non Independent Director of the Company of USD 70000 per annum plus allowances, benefits, perquisites, incentives and commission in accordance with the provisions of Section 197, 198 read with Schedule V of the Companies Act, 2013 and all other applicable provision of the Companies Act, 2013.

The Ministry of Corporate Affairs has on March 18, 2021 notified the amendments to Sections 149(9) and 197(3) of the Act by the Companies (Amendment) Act, 2020 to enable Companies faced with no profits or inadequate profits to pay certain fixed remuneration to their Non-Executive Directors ('NEDs') and Independent Directors ('IDs'), in accordance with the provisions of Schedule V to the Act.

To give effect to the amendments made to Sections 149(9) and 197(3), a concurrent amendment was also made to Schedule V to the Act through Notification No. S.O. 1256(E), issued by the Ministry of Corporate Affairs on March 18, 2021. This notification has prescribed the limits of the remuneration payable to NEDs and IDs, in the event of no profits or inadequate profits. Under Item (A) of Section II of Part II of Schedule V to the Act, in the event of no profits or inadequate profits NEDs and IDs can receive remuneration in accordance with the limits prescribed therein, which are based on the 'effective capital' of the Company.

However In case the Company proposes to make payment of remuneration in excess of the limits prescribed under the Schedule V of the Companies Act and where the remuneration paid to a single non-executive director exceeds fifty percent of total remuneration paid to all non executive directors together under regulation 17 (5) (ca) of SEBI LODR Regulations, 2015, the approval of shareholders vide special resolution is required.

Your Company, proposes to make payment of remuneration to Ms Eaga Smruthi, of USD 70000 per annum plus allowances, benefits, perquisites, incentives and commission (as applicable) ("collectively called "remuneration"). The manner and periodicity of payment of remuneration shall be decided by the Managing Director in consultation with the concerned director.

Notwithstanding payment of remuneration and scope of the work assigned to Ms Eaga Smruthi from time to time , her status shall however continue as Non Executive Non Independent Director whose appointment shall be liable to retirement by rotation.

Except the appointee, Mr Eaga Purushotham and Mr. Eaga Swapnil, none of the Directors/ Key Managerial Personnel of the Company and their relatives are concerned or interested in the resolution.

Accordingly, the consent of the members of the Company is being sought for approval of payment of remuneration to Ms Eaga Smruthi.

Disclosure as required under Section II of Part II of Schedule V to the Companies Act, 2013 and the Corresponding Rules, is given hereunder:

MANAGEMENT DISCUSSION AND ANALYSIS

During the year under review, Net Sales & Other Income of the Company was ₹ 14114.83 lakhs as compared to ₹ 13395.48 lakhs in the previous year, registering an increase of 5.4% over the previous year. The net profit for the year eroded to ₹ 413.09 lakhs compared to ₹ 1038.18 lakhs in the previous year.

COMPANY'S PERFORMANCE

The decline in profitability experienced by the Company can be attributed to multitude of factors including increase in the raw material prices owing to global supply chain issues, inflationary pressure arising out of turmoil in energy and commodity markets and finished product price erosion owing to a lower global demand.

Raw material prices increased in line with the increase in global oil and commodity prices, owing to the Russia and Ukraine war. This has directly increased the prices of our inputs. The prices of our top 20 raw material purchased, which account for 90% of total purchases, have experienced a notable increase, ranging from 3% to 53%. Particularly the prices of raw materials sourced from China have risen significantly. Due to China's Zero COVID policy and strict lockdown measures imposed in many industrial regions, factories were forced to shut down or operate at limited capacity. This disruption in production caused a shortage of intermediates, leading to higher prices. The net effect was a 5% increase in raw material cost as a percentage of our sales compared to the previous year. To mitigate these challenges, the company is exploring alternative sourcing options, working on backward integration, negotiating favourable contracts, and implementing cost-saving measures.

The high inflation in US and EU region has created a cost of living crises in several countries. The concurrent high interest rate regimes led to lower demand of pharmaceuticals products globally. Due to the resulting low global demand, a higher supply of API products became available in the domestic market led by domestic and international competitors. This excess supply led to depressed prices in the domestic market. Hence, we were unable to increase our average sale price of our products proportional to the increase in input costs and had to take a hit on profitability.

Lastly, our manpower cost grew above normal rate in the current year, due to our strategy of accessing more regulated markets such as EU, Brazil, South Korea, etc. We have strengthened our quality, regulatory and production teams for the same. This involved hiring additional skilled professionals and allocating more resources. We are pleased to inform that we have obtained approval from Korean FDA for the marketing of our Telmisartan product in the Korean market. This achievement marks a significant milestone for our business, and we are excited to commence commercialization in the FY 2023-24. We firmly believe that by prioritizing regulatory compliance and innovation, we are positioning ourselves for long-term success in a rapidly evolving business landscape.

We have managed our funds prudently in the current year without increasing our debt majorly. The company has invested ₹ 947 lakhs towards capex which is 44.4% greater than previous year. However, due to raw material supply issues, our short term borrowing increased slightly to fund higher inventory. We have used some of the cash generated for distribution of dividend of ₹ 343 lakhs as well.

In FY 2022-23, in line with our targets the company has successfully developed 3 API products. In addition, as part of our backward integration strategy and demand from our customers, our R&D has developed 7 critical intermediates. For FY 2023-24, company shall continue to focus on expanding its product portfolio by developing additional API products. We recognize the importance of maintaining a diverse and comprehensive range of API and intermediates to cater to the varying needs of our customers.

The company has filed 11 Drug Master Files (DMF) covering 5 products in 8 countries globally. Additionally, company will be actively involved in filing several DMF in Europe, Brazil, South Korea and China during FY 2023-24. These filings are essential for complying with regulatory requirements and ensuring the entry of our products in these high value markets.

Finished Dosage Formulations (FDF)

During the year under review, the secondary sales of the FDF division amounted to ₹ 91.98 lakhs, which represents a notable increase compared to the previous year's sales of ₹ 48.11 lakhs. The sales growth stands at 91.19% over the previous year, indicating a positive trend for the division. This increase in sales demonstrates the division's ability to effectively capture market demand and generate revenue. In FY 2023-24 the company is focusing on achieving the breakeven point. To effectively reach the breakeven point, we are focusing on enhancing our sales efforts by expanding our customer base and increasing market penetration. This will not only boost overall sales revenue but also contribute to achieving breakeven sooner.

In FY 2022-23, our company launched two new brands, namely ENERLIN and SOLSITA. Former is a multivitamin and later is anti-diabetes medicine with Sitagliptin as the API. This significant milestone marks our commitment to innovation and expansion in the market. In FY 2023-24, company shall launch new brands as well. This strategic move is aimed at expanding our product portfolio and capturing new market segments. By introducing these innovative brands, we aim to strengthen our position in the market and drive sustainable growth. In addition to its existing geographical presence, FDF division has expanded in some parts of Maharashtra in the current year. The company shall cautiously expand in the rest of Maharashtra in FY 2023 – 24 and adhere to the company's strategy to consolidate its operations in limited geographies until breakeven.

DIRECTORS' REPORT

Dear Members,

Your Directors are pleased to present the 34th Annual Report and the Audited Financial Statements for the financial year ended 31st March, 2023.

1. Financial Highlights

Profit before finance costs and tax	531.62	1475.54
Finance costs	82.25	98.36
Profit Before Tax (PBT)	449.37	1377.18
Tax Expense	36.28	339.00
Profit for the year	413.09	1038.18
Other Comprehensive Income (Net of Tax)	29.86	--
Total Comprehensive Income for the year	442.95	1038.18

2. Operational Performance and State of Company's Affairs

During the year under review, Net Sales & Other Income of the Company was ₹ 14114.83 lakhs as compared to ₹ 13395.48 lakhs in the previous year registering increase of 5.37% over the previous year.

However, the Profit for the year is ₹ 413.09 lakhs compared to ₹ 1038.18 lakhs in the previous year registering a sharp decrease of 60.21% mainly on account of increase in raw material cost, employee cost and other expenditure by about 14.50%, 15.30% and 13.26% respectively which was worsened by drop in realization prices of major products.

A detailed overview has been provided under Management Discussion and Analysis Report.

3. Dividend

Based on the Company's Performance, your Directors recommend a Dividend of ₹ 2/- per equity share (20 %) on equity share capital of 1,14,46,290 equity shares of ₹ 10/- each for the year ended 31st March, 2023 as against ₹ 3/- per equity share (30%) in the previous year. Outgo on account of current dividend shall be ₹ 228.92 lakhs.

4. Transfer to Reserves

During the year under review, the Company has not transferred any amount to the General Reserve.

5. Material changes and commitments, if any, affecting the financial position of the company, having occurred since the end of the Year and till the date of the Report

There have been no material changes and commitments affecting the financial position of the Company which have occurred between the end of the financial year of the Company to which the financial statements relate and the date of this Report.

6. Share Capital

The paid up Equity Share Capital as at 31st March, 2023 stood at ₹ 1144.629 lakhs. During the year under review, the Company did not issue any Equity Shares. Further, the Company has not issued any convertible securities or shares with differential voting rights nor has granted any stock options or sweat equity or warrants. There has been no change in the capital structure of the Company during the year.

7. Human Resource Development (HRD) & Industrial Relations

The Company continues to focus on the development of its human resources to improve its performance and skills. The Company has approximately 308 employees and it is their precious contribution that has primarily resulted in our Company's position in the industry.

The Company aims to create an environment where employees feel valued and appreciated. In addition to training, various employee engagement activities like yoga sessions, motivational lectures, personality development programs and cricket league matches have been organised to inculcate a sense of belonging among employees across all plants.

The Company has adopted a safety first theme across all plants. Visible controls and fool proof systems are being provided to ensure prevention of accidents. Regular communication, periodic reviews of practices and training has also been conducted on a continuous basis to maintain world class safety standards.

The relationship with the workmen and staff remained cordial and harmonious during the year and management received full cooperation from employees at all the units and locations.

8. Management Discussion and Analysis

Please refer to the detailed Management Discussion and Analysis on page no 10.

9. Internal Control Systems

The Company has adequate internal control procedures commensurate with the size of the company and the nature of its business with regard to purchases of inventory, fixed assets and with regard to the sale of goods.

ANNEXURE I TO THE DIRECTORS REPORT

Form No. MR-3

SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR ENDED 31st March, 2023

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

The Members,

Smruthi Organics Ltd

165 A Balaji Bhavan Railway Lines
Solapur MH 413001 IN

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Smruthi Organics Ltd (hereinafter called 'the Company'). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorised representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March 2023, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2023 according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made thereunder;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- iii. The Depositories Act, 1996, the Regulations and Bye-laws framed thereunder;
- iv. Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings (Not applicable to the Company during audit period).
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018(Not applicable to the Company during audit period);

- d. Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021(Not applicable to the Company during audit period);
- e. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 (Not applicable to the Company during audit period);
- f. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client (Not applicable to the Company during the audit period);

ANNEXURE II TO THE DIRECTORS REPORT

Disclosure of particulars with respect to Conservation of Energy, Technology Absorption and Foreign Exchange Earnings and Outgo, as prescribed under Rule 8(3) of the Companies (Accounts) Rules, 2014.

The details of conservation of energy, technology absorption, foreign exchange earnings and outgo are as follows:

A. CONSERVATION OF ENERGY

The company has taken several measures towards energy conservation in FY 2022-2023. Some of the important measures are listed below:

1. Boiler

- a. Existing 4 MT boiler furnace modified to improve the fuel efficiency.
- b. The replacement of the existing Softener Plant Resin with new and improved Resin is a strategic move to address the TDS levels in the boiler water to enhance the overall performance and efficiency of the boiler system which result in fuel savings of 75 MT and cost reduction is ₹ 2,62,000/-

2. MEE plant

- a. One pre-heater in the MEE plant has been replaced with a new one, resulting in an annual steam consumption saving of 24KL, this replacement has also led to a cost saving of ₹ 14,60,000/-

3. Production

- a. Five reactor's jacket has been replaced which result in better cooling efficiency and reducing utility power consumption of 24,000 KWH annually.
- b. Installed 2 Tray Dryers in B block to improve the drying capacity of plant.
- c. Vapour line modified in A block to reduce the distillation time & avoid the solvent loss.
- d. Modifications made to the Brine and RT line in B block has resulted in a considerable reduction in the time cycle required for cooling, leading to enhanced efficiency and time saving advantages.

4. Electrical

- a. Installed about 526 LED lights, which has reduced energy consumption for lighting by 140537 KWH annually and save the cost of Rs. 12,64,833/-
- b. Led light implementation in Production Block – A, B, E & B Column which has reduced 50% energy consumption.
- c. VFD installation in G Block saved the 50% power of rated capacity.

5. Cooling Tower

- a. The replacement of the natural draft cooling tower with an induced draft cooling tower at E Block has resulted in a significant reduction in heat load, evaporation losses, and water consumption.

B. TECHNOLOGY ABSORPTION

1. The Efforts Made Towards Technology Absorption

The Company's R & D Laboratories at Hyderabad and Solapur are recognised by the Department of Scientific & Industrial Research, Government of India. Continuous efforts are made at these centres to develop new products, to improve the quality of products and to make the manufacturing process safe, cost effective and environment friendly. The major achievements from the efforts for technology absorption are:

- a. The company has bought additional equipment GC & HPLC in quality control (QC) which increased overall testing capacity of quality control.
- b. In FY 2022-23 all the necessary customization was successfully completed in our Enterprise Resource Planning (ERP) system. These customizations were aimed at streamlining our business processes and enhancing operational efficiency. The scope of the ERP implementation in FY 2023-24 is to effectively deploy the ERP system across all relevant departments and business units within the organization. The objective is to optimize our operational workflows, improve data accuracy, and enhance decision-making capabilities.

2. The benefits derived like Product Improvement, Cost Reduction, Product Development or Import Substitution:

The company has modified several processes, which have been implemented at the plant level and have delivered lower raw material and manufacturing costs.

3. In Case of Imported Technology (imported during the last three years reckoned from the beginning of the financial year): NIL

4. **Expenditure on Research & Development (R & D):**

REPORT ON CORPORATE GOVERNANCE

Pursuant to Schedule V (C) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, a Report on Corporate Governance is given below:

1. Company's Philosophy on Code of Governance

The Company believes in abiding by the Code of Governance so as to be a responsible corporate citizen and to serve the best interests of all the stakeholders, viz., the employees, shareholders, customers, vendors and the society at large. The Company seeks to achieve this goal by being transparent in its business dealings, by disclosure of all relevant information in an easily understood manner, and by being fair to all stakeholders, by ensuring that the Company's activities are managed by a professionally competent and independent Board of Directors.

2. Board of Directors

a. Composition

The Board of Directors comprises of six Directors as detailed below. (Position as on 31st March, 2023)

Category of Directors	Name of Directors
Promoters Executive	Mr. Eaga Purushotham, Mr. Eaga Swapnil
Promoters Non- Executive	Ms. Eaga Smruthi
Independent Non- Executive	Mr. Jayant Hari Ranade, Dr. K. Ramaswamy, Mr. Kashinath. R. Dhole

Executive and Non-Executive Promoter Directors are related to each other as Father / Daughter / Son.

The Company has an optimum combination of Executive and Non-Executive/Independent Directors which is in conformity with the Companies Act, 2013 and the Listing Regulations. The number of Independent Directors on the Board is in conformity with the requirement of Regulation 17(1)(b) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. None of the Independent Non- Executive Directors have any material pecuniary relationship or transactions with the company. None of the Directors on the Board are members of more than 10 committees or chairman of more than 5 committee as specified in Regulation 17 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 amongst all companies in which they are Directors.

b. Meetings and attendance

Five Board Meetings were held during the Financial Year on the following dates:-

- ❖ 28th May, 2022
- ❖ 06th August, 2022
- ❖ 14th November, 2022
- ❖ 14th December, 2022
- ❖ 09th February, 2023

Details regarding attendance of the Directors at the Board Meetings held during the Financial Year 2022-2023 and at the last Annual General Meeting held on 06th August, 2022 are given below

Sr. No	Name	Designation & DIN	Status	No of Board meetings attended through video conferencing	Attended last AGM through video conferencing
1	Mr. Eaga Purushotham	Chairman & Managing Director DIN-00033583	Executive	Nil	Yes

To

The Members of Smruthi Organics Ltd

I have examined the compliance of conditions of Corporate Governance by Smruthi Organics Ltd - CIN: L24119PN1989PLC052562 ('the Company') for the year ended on 31st March, 2023 as stipulated in Chapter IV of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 pursuant to the Listing Agreements of the said Company with Stock Exchanges ('the Regulations').

The compliance of conditions of Corporate Governance is the responsibility of the Management. My examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In my opinion and to the best of my information and according to the explanations given to me, I certify that the Company has complied with the conditions of Corporate Governance as specified in the Regulations referred above.

I further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

CHIEF EXECUTIVE OFFICER (CEO) & CHIEF FINANCIAL OFFICER (CFO) CERTIFICATION

To,
Board of Directors
Smruthi Organics Limited.

We have reviewed the Financial Statements and the Cash Flow Statement of Smruthi Organics Limited for the year ended 31st March, 2023 and that to the best of our knowledge and belief, we state that;

- (a)
 - (i) these statements do not contain any materially untrue statement or omit any material fact or contain statements that may be misleading;
 - (ii) these statements present a true and fair view of the Company's affairs and are in compliance with current accounting standards, applicable laws and regulations.
- (b) there are, to the best of our knowledge and belief, no transactions entered into by the Company during the year which are fraudulent, illegal or in violation of the Company's code of conduct.
- (c) we accept responsibility for establishing and maintaining internal controls for financial reporting. We have evaluated the effectiveness of internal control systems of the Company pertaining to financial reporting and have disclosed to the Auditors and the Audit Committee, deficiencies in the design or operation of such internal controls, if any, of which we are aware and steps taken or proposed to be taken for rectifying these deficiencies.
- (d) we have indicated to the Auditors and the Audit Committee:
 - (i) significant changes, if any, in the internal control over financial reporting during the year.
 - (ii) significant changes, if any, in accounting policies made during the year and that the same have been disclosed in the notes to the financial statements; and
 - (iii) instances of significant fraud of which we have become aware and the involvement therein, if any, of the management or an employee having a significant role in the Company's internal control system over financial reporting.

Yours faithfully

Eaga Swapnil
Joint Managing Director & CFO

Eaga Purushotham
Managing Director

INDEPENDENT AUDITOR'S REPORT

To the Members of SMRUTHI ORGANICS LIMITED

REPORT ON THE AUDIT OF THE IND AS FINANCIAL STATEMENTS

OPINION

We have audited the accompanying Ind AS financial statements of **SMRUTHI ORGANICS LIMITED** ("the Company"), which comprise the Balance Sheet as at 31 March 2023, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flow for the year ended on that date, and Notes to the Financial Statements, including a Summary of Significant Accounting Policies and Other Explanatory Information (hereinafter referred to as "the Ind AS Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 ("Ind AS"), as amended, and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and **profit** including other comprehensive income, changes in equity and its cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit of the Ind AS Financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS Financial Statements.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

PARTICULARS

INVENTORIES

Inventories of INR 2399 Lakh constitute 36.74% of Current Assets of the Company and 22.71% of the Total Assets of the Company as at March 31, 2023 and therefore determined to be a key audit matter given the relative size of the balance in the financial statements and significant judgement involved in the consideration of factors in determination of valuation of inventory the allocation of overheads. The inventory is lying at factory locations and majorly constitutes of Raw Material, Work in Progress and Finished Goods. The inventory is valued at the lower of cost and net realizable value. These inventories are counted by the Company on a cyclical basis.

HOW THEY WERE ADDRESSED IN OUR AUDIT

Our audit procedures in respect of this matter included:

- Understood management policy and process for verification and valuation of inventory on cyclical basis.
- Attending inventory counts at factory locations during the reporting period, including performing testing of controls and evaluating the results of the counts performed by the management for assessing, obtaining an understanding of the design, implementation and operating effectiveness of management's key internal controls relating to physical verification of inventories and valuation of inventory.
- Compared the cost of the finished goods with the estimated net realizable value and checked if the finished goods were recorded at lower of net realizable value and the cost as on the balance sheet date.
- Sample testing of the methodology followed by the management in allocation of overheads to inventory based on factors / constant identified by the management's judgment and used as basis for allocation of overheads.
- Assessed the adequacy of the relevant disclosure in the notes to the financial statements.
- Our procedures did not identify any material exceptions.

INFORMATION OTHER THAN THE IND AS FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

The Company's management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report and Shareholder's Information but does not include the Ind AS financial statements and our auditors' report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS Financial Statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

MANAGEMENT'S AND BOARD OF DIRECTORS' RESPONSIBILITY FOR THE IND AS FINANCIAL STATEMENTS

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Ind AS Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS Financial Statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

AUDITORS' RESPONSIBILITIES FOR THE AUDIT OF THE IND AS FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report

that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- i. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- iii. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the financial statements made by the Management and Board of Directors.
- iv. Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- v. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatement in the financial statements that, individually or in aggregate, make it probable that the economic decision of reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) Planning the scope of our audit and in evaluating results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditors' Report) Order, 2020 ("the Order") issued by the Central Government in terms of section 143 (11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b. in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c. the Balance Sheet, the Statement of Profit and Loss, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - d. in our opinion, the aforesaid Ind AS Financial Statements comply with the Accounting Standards specified under Section 133 of the Act read with relevant rules issued thereunder;
 - e. on the basis of written representations received from the directors as on 31 March 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2023, from being appointed as a director in terms of Section 164(2) of the Act;
 - f. with respect to the adequacy of the internal financial controls with reference to Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"; Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g. with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position except those disclosed in Note No. 40 and 46(p).
 - ii. The Company did not have any long-term contracts including derivative contracts for which there are any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. In respect of Rule 11(e) of the Companies (Audit and Auditors) Rules, 2014,
 - a. The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b. The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - c. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. The final dividend proposed by the Board of directors for the year ended 31 March 2022 and paid during the current year by the Company is in compliance with section 123 of the Act.

As stated in Note 43 to the financial statements, the Board of Directors of the Company has proposed a final dividend for the year ended 31 March 2023, which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with section 123 of the Act to the extent applicable.

- vi. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable with effect from April 1, 2023 to the company and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023
3. With respect to the matter to be included in Auditors' Report under section 197(16) of the Act:
- i. According to information and explanation given to us and based on our examination of the records of

the Company, the Company has paid Managerial Remuneration in excess of eleven percent of the net profits of the company for current year in pursuance of the special resolution passed by the company in its 33rd annual general meeting and in accordance with the proviso to item (A) in Section II under Part II of Schedule V read with section 197 of Companies Act, 2013.

- ii. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

ANNEXURE A

TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of SMRUTHI ORGANICS LIMITED of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property Plant and Equipment including intangible assets.

Description of the Property	Original Agreement Value	Held in the name of	Whether Promoter, Director or their relative or employee	Property held for number of years
Gat No. 230/2/A/2	75000	Eaga Purushotham	Managing Director	22
Gat No. 230/2/B/2	75000	Eaga Purushotham	Managing Director	22
Gat No. 233/2/B	150000	Eaga Purushotham	Managing Director	22
Gat No. 231/2/B	75000	Eaga Purushotham	Managing Director	22

- (d) The Company has not revalued any of its Property, Plant and intangible assets during the year.
- (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii) (a) According to the information and explanations given to us, the inventories were physically verified during the year by the Management at reasonable intervals and no material discrepancies were notice on such physical verification. Based on the information and explanation provided by the Management and our examination of the methods, procedures and the coverage of physical verification, as followed by the management, we report that these were observed to be appropriate.
- (b) The company has been sanctioned working capital limits in excess of five crore rupees from State Bank of India on the basis of security of current assets. Based on the information and explanation provided by the Management and our examination that has been conducted to determine whether quarterly statements submitted with the bank agree with the books of account we report as under. The differences have been reasoned in Note No 46(j).

- (iii) (a) According to the information and explanations given to us and based on the examination of the Books of Account, during the year the company has not made any investment or financial guarantee or provided any security to any person or entity or provided any advance in nature of loan to any entity. As the company has no subsidiaries, joint venture and associate the requirements under paragraph 3(iii)(a)(A) are not applicable to the company. During the year, the company has provided advance in nature of loan to its employees. The details of such loans to employees given during the year are as under:
- | Particulars | Loans to Employees |
|--|--------------------|
| Aggregate amount granted / provided during the year to Other Parties | 2.25 |
| Balance outstanding as at balance sheet date in respect of Other Parties | 3.79 |
- (b) The company has neither entered into any agreement or arrangement with the employees in respect of loans given nor has it stipulated the schedule of repayment of principal and payment of interest on loans given to employees. Accordingly, we are unable to make specific comment on,
- whether the loans to employees are prejudicial to the interest of the company,
 - the regularity of repayment of principal, payment of interest in respect of such loans,
- the amount of loan overdue more than ninety days and the reasonable steps taken by the management to recover such loans,
- loans granted which have fallen due during the year and have been renewed or extended or fresh loans granted to settle the overdues of existing loans.
- (iv) The company has neither granted any loans nor made investments nor given guarantees nor security in contravention to the provisions of section 185 and 186 of the Act.
- (v) The Company has not accepted any deposits from the public to which the directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Act and Rules framed thereunder are applicable. Accordingly, paragraph 3(v) of the Order is not applicable to the Company.
- (vi) We have broadly reviewed the books of accounts maintained by the company pursuant to the rules made by the central government for the maintenance of cost records under section 148(1) of the companies Act, 2013, and Cost Audit Report made available to us and are of the opinion that prima facie, the specified accounts and records have been made and maintained. We have not, however, made a detailed examination of the same.
- (vii) (a) In our opinion, the Company is regular in depositing with the appropriate authorities undisputed statutory dues including provident fund, employees' state insurance, income tax, sales-tax, goods and service tax,

- cess and other material statutory dues applicable to it. According to information and explanations given to us, no undisputed amounts payable were outstanding, at the year end, for a period of more than six months from the date they became payable except for income tax demand of INR 0.06 Lakhs pertaining to AY 2015-16 as raised by CPC Bangaluru that has been disagreed by the company.
- (b) According to the information and explanations given to us, there are no statutory dues which have not been deposited on account of any dispute.
- (viii) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- (ix) (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.
- (b) The Company has not been declared a willful defaulter by any bank or financial institution or other lender.
- (c) The Company has utilized the money raised by way of terms loans during the year for the purpose for which they were raised.
- (d) On an overall examination of the financial statements of the Company, funds raised on short term basis have, prima facie, not been used during the year for long-term purposes by the Company having further considered the fact that the current ratio of the company is greater than one.
- (e)&(f) The Company does not have subsidiaries, associates or joint ventures during the year and therefore paragraphs 3(ix)(e) and (f) of the Order is not applicable to the Company
- (X) (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- (xi) (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have not come across any instance of fraud by or on the Company, noticed or reported during the year, nor have we been informed of such case by management.
- (b) According to the information and explanations given to us, no report under sub-section (12) of section 143 of the Companies Act has been filed by the us, in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government. Further, no reporting of fraud has been done by the Cost Auditor and Company Secretary.
- (c) According to the information and explanations given to us, there were no whistle-blower complaints received during the year by the company.
- (xii) The Company is not a Nidhi Company and hence, reporting under paragraph 3 (xii) of the Order is not applicable.
- (xiii) In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports issued during the year for period ended 31st December 2022, along with management responses till date, in determining the nature, timing and extent of our audit procedures.
- (xv) In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) (a) The Company is not required to be registered under Section 45- IA of the Reserve Bank of India Act, 1934 (2 of 1934).
- (b) Further, the Company has not conducted any Non-Banking Financial or housing finance activities during the year.
- (c)&(d) In our opinion, the Company is not a Core Investment Company and there is no other core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(c) and (d) of the Order is not applicable.
- (xvii) According to the information and explanation given to us, the company has neither incurred cash losses during the current financial year nor during the immediately preceding financial year and accordingly the requirements of 3(xvii) is not applicable.
- (xviii) The tenure of erstwhile auditors expired on conclusion of 33rd annual general meeting. There were no resignations of the statutory auditors during the year and accordingly the requirements of 3(xviii) is not applicable.
- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial

liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and it should not be construed as a guarantee or assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- (xx) (a) According to the information and explanations given to us and based on the examination of the Books of Account, the company had no unspent amount in relation to 'other than ongoing projects' that was required to be transferred to a Fund specified in Schedule VII to the Companies Act within a period of six months of the expiry of the financial year in compliance with second proviso to sub-section (5) of section 135 of the said Act and accordingly, reporting under paragraphs 3(xx)(a) is not applicable to the Company.

- (b) According to the information and explanations given to us and based on the examination of the Books of Account and reports filed by the company, the company was required to spend on CSR activities during the year under consideration accordingly, the company having an unspent amount under sub section (5) of the section 135 of the Companies Act pursuant to 'ongoing project' has transferred the said unspent amount to the Unspent CSR Account opened with State Bank of India during the current year in compliance with provision of sub section (6) of section 135 of the Companies Act.
- (xxi) The Company is not required to prepare Consolidated Financial Statements and therefore reporting under clause 3(xx) of the Order is not applicable for the year.

ANNEXURE B

TO THE INDEPENDENT AUDITOR'S REPORT

(referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls over Financial Reporting with reference to the aforesaid financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

OPINION

We have audited the internal financial controls with reference to financial statements of **SMRUTHI ORGANICS LIMITED** ("the Company") as of 31st March 2023 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, adequate internal financial controls over financial reporting with reference to financial statements and such internal financial controls over financial reporting were operating effectively as at 31st March 2023, based on the internal financial controls over financial reporting with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence

about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial controls with reference to financial statements include those policies and procedures that –

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES TO STANDALONE FINANCIAL STATEMENT AS ON 31.03.2023

1. Corporate Information

Smruthi Organics Limited, incorporated in the year 1989, is a manufacturer of Active Pharmaceutical Ingredient (API) products in the Anti – Diabetic, Anti – Hypertension and Anti – Infectives Therapeutic categories catering to both the Indian domestic as well as rest of the world (ROW) markets, with clients spanning across Asia, Americas, and Africa. Its shares are listed on Bombay Stock Exchange and Metropolitan Stock Exchange of India Limited.

The company has 2 manufacturing facilities in Solapur, India. The API facility is spread across 22-acre land. The R&D Facility based in Hyderabad, India, works on developing novel synthetic routes for API.

2. Basis of Preparation

a. Statement of compliance

The financial statements of the Company have been prepared in accordance with and comply in all material respects with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 (amended from time to time) notified under Section 133 of Companies Act, 2013, (the 'Act') and other relevant provisions of the Act and presentation requirement of Div II to Schedule III of the Companies Act 2013.

Accordingly, the Company has prepared these Financial Statements which comprise the Balance Sheet as at 31 March, 2023, the Statement of Profit and Loss for the year ended 31 March 2023, the Statement of Cash Flows for the year ended 31 March 2023 and the Statement of Changes in Equity for the year ended as on that date, and accounting policies and other explanatory information (together hereinafter referred to as 'financial statements'). The application of Ind ASs, with additional disclosure when necessary, is presumed to result in financial statements that present a true and fair view.

Details of the Company's accounting policies are included in Note 3. The accounting policies set out below have been applied consistently to the years presented in these financial statements. The financial statements were authorised for issue by the Company's Board of Directors on Saturday, 20th May 2023.

b. Basis of measurement: The financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities as explained below:

- Financial instruments - measured at fair value.
- Plan assets under defined benefit plans – measured at fair value

The accounting policies are applied consistently to all the periods presented in the Financial Statements. All

assets and liabilities have been classified as current or non-current as per the normal operating cycle of the Company and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities

c. Functional and Presentation Currency

In addition, the financial statements are presented in INR which is also the Company's functional currency and all values are rounded to the nearest Lakh (INR 00,000), except when otherwise indicated. Wherever the amount represented '0' (zero) construes value less than Rupees five thousand.

3. Summary of Significant Accounting Policies:

3.1 Use of Estimates, Judgements and Assumptions

The preparation of the financial statements in conformity with Ind AS requires the management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Actual results could differ from those estimates according to the nature of the assumption and other circumstances.

This note provides an overview of the areas where there is a higher degree of judgment or complexity. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimates are revised and future periods are affected.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

The following are areas involving critical estimates and judgments:

Judgements:

- Evaluation of recoverability of deferred tax assets, and estimation of income tax payable (Note No. 20)
- Provisions (Note No. 19)
- Contingencies (Note No. 40)

Estimates:

- Impairment (Note No. 3.8, 3.9 and 3.19)
- Accounting for Defined benefit plans (Note No. 41)
- Useful lives of property, plant and equipment and intangible assets (Note No. 3.7 and 3.8)
- Financial instruments (Note No. 47)
- Fair value of financial instruments (Note No. 47)
- Valuation of inventories (Note No. 9)

3.2 Current versus non-current classification

The company presents assets and liabilities in the Balance Sheet based on current / non-current classification.

An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle.
- Held primarily for the purpose of trading.
- Expected to be realised within twelve months after the reporting period, or
- Cash or Cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

A liability is current when:

- It is expected to be settled in normal operating cycle.
- It is held primarily for the purpose of trading.
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting Period.

All other assets and liabilities are classified as non-current assets and liabilities. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The company has identified twelve months as its operating cycle.

3.3 Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 -Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

At each reporting date, the Management analyses the movements in the values of assets and liabilities which are required to be re-measured or re-assessed as per the company's accounting policies. For this analysis,

the Management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

The Management also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable. On an annual basis, the Management presents the valuation results to the Audit Committee and the Company's independent auditors. This includes a detailed discussion of the major assumptions used in the valuations.

For the purpose of fair value disclosures, the company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above. This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

3.4 Foreign currency translation

Items included in the Financial Statements of the Company are measured using the currency of the primary economic environment in which the Company operates (functional currency). The Financial Statements of the Company are presented in Indian currency INR, which is also the functional currency of the Company.

Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gain/(loss) resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognised in the Statement of Profit and Loss. Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the Statement of Profit and Loss, within finance costs. All other foreign exchange gain/(loss) presented in the Statement of Profit and Loss are on a net basis.

3.5 Revenue recognition

Revenue from contract with customer is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. Revenue is measured at the transaction price of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. The Company has generally concluded that it is the principal in its revenue arrangements because it typically controls the goods or services before transferring them to the customer.

a. Revenue from Sale of Goods:

Revenue from sale of goods is recognised at the point in time when control of the goods is transferred to the customer, generally on dispatch/delivery of the goods or terms as agreed with the customer. The normal credit term is 60 to 90 days from the date of dispatch. In determining the transaction price for the sale of goods, the company considers the effects of variable consideration, the existence of significant financing components, non-cash consideration, and consideration payable to the customer (if any).

b. Interest Income:

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principle outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

c. Export benefits:

Export incentives are recognized as income when the right to receive credit as per the terms of the scheme is established in respect of the exports made and where there is no significant uncertainty regarding the ultimate collection of the relevant export proceeds.

Contract assets

A contract asset is the right to consideration in exchange for goods transferred to the customer. If the Company performs its obligation by transferring goods to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional.

a. Trade receivables

A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Refer to accounting policies of financial assets in (Financial instruments – initial recognition and subsequent measurement.) Refer to accounting policies of financial assets in Financial instruments – initial recognition and subsequent measurement.

Contract liabilities

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company performs under the contract.

3.6 Income Taxes

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

a. Current income tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible.

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date in the countries where the company operates and generates taxable income.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

b. Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences, except:

- When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except:

- When the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction affects neither the accounting profit nor taxable profit or loss.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

c. Minimum alternate tax (MAT)

Minimum alternate tax (MAT) paid as per Indian Income Tax Act, 1961 is in the nature of unused tax credit which can be carried forward and utilised when the Company will pay normal income tax during the specified period. The same is not applicable to the company as it has exercised the option to pay tax under Section 115BAA of The Income Tax Act, 1961.

3.7 Property, Plant and Equipment (PPE)

Property, plant and equipment (PPE) and capital work in progress is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost of acquired property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

The cost of a self-constructed asset comprises the cost of materials and direct labour, any other costs directly attributable to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site where it is located.

Property, plant and equipment that are not ready for intended use as on the date of Balance Sheet are disclosed as 'capital work-in-progress. Items of stores and spares that meet the definition of Property, plant and equipment are capitalized at cost and depreciated over their useful life. Otherwise, such items are classified as inventories.

Depreciation is calculated on written-down value basis over the estimated useful lives of the assets as prescribed under Part C of Schedule II of the Companies Act 2013 except for assets where management believes and based on independent technical evaluation, assets estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used. Leasehold land is amortized over the lease period on a straight-line basis.

The residual values are not more than 5% of the original cost of the item of Property, Plant and Equipment. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate. The depreciation rates charged are over following estimated useful lives:

Asset class	Useful life
Office Equipment	5 Years
Computers	3 Years
Buildings	30 Years
Vehicles	8 Years
Furniture & Fixtures	10 Years
Laboratory Equipment	10 Years
Plant and Machinery and Other Factory Equipment	23 Years*
Research and Development Equipment	23 Years*

*Useful life of Plant and Machinery, Other Factory Equipment and Research and Development Equipment has been estimated by the management supported by technical advice.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognised.

Parts of an item of PPE having different useful lives and significant value and subsequent expenditure on Property, Plant and Equipment arising on account of capital improvement or other factors are accounted for as separate components only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

The Company has elected to continue with the carrying value for all of its property, plant and equipment as recognised in the financial statements on transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition.

3.8 Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses, if any. Cost include acquisition and other incidental cost related to acquiring the intangible asset. Administrative and other general overhead expenses that are specifically attributable to acquisition of intangible assets are allocated and capitalised as a part of the cost of the intangible assets.

The useful lives of intangible assets are assessed as either finite or indefinite. Intangible assets with finite lives are amortized over the useful economic life and assessed

for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. A summary of the policies applied to the Company's intangible assets is as follows:

Asset class	Useful life
Trademarks	5 Years

Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortization period or method, as appropriate, and are treated as changes in accounting estimates.

The amortization expense on intangible assets with finite lives is recognised in the statement of profit and loss. Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognized.

The Company has elected to continue with the carrying value for all of its intangible assets as recognised in the financial statements on transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition.

Research and Development Cost:

Research costs are expensed as incurred. Development expenditures on an individual project are recognised as an intangible asset when the Company can demonstrate:

- The technical feasibility of completing the intangible asset so that the asset will be available for use or sale,
- Its intention to complete and its ability and intention to use or sell the asset
- How the asset will generate future economic benefits
- The availability of resources to complete the asset
- The ability to measure reliably the expenditure during development

Following initial recognition of the development expenditure as an asset, the asset is carried at cost less any accumulated amortization and accumulated impairment losses. Amortisation of the asset begins when development is complete and the asset is available for use. It is amortised over the period of expected future benefit. Amortisation expense is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset. During the period of development, the asset is tested for impairment annually.

Intangible assets under development:

Expenditure incurred on acquisition/development of intangible assets which are not ready for their intended use at balance sheet date are disclosed under intangible assets under development.

3.9 Impairment of Assets

At the end of each reporting year, the Company reviews the carrying amounts of its property, plant and equipment and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. Where a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the Statement of Profit and Loss

3.10 Inventories

Inventories comprise of raw materials, spares and stores, consumables, supplies and loose tools are valued at the lower of the cost or net realizable value after providing for obsolescence and other losses. Cost includes all the charges in bringing the goods to the present location and conditions. Net realizable value is determined based on estimated selling price in the ordinary course of business less the estimated cost of completion and the estimated cost of necessary to make the sale.

Cost of work-in-progress and finished goods comprises direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenditure. Fixed overheads are allocated on the basis of normal operating capacity or more appropriate factor. Cost

of inventories also include all other costs incurred in bringing the inventories to their present location and condition and non-refundable taxes paid. Costs of purchased inventory are determined after deducting rebates and discounts. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale. Costs of inventories are determined on First in First out (FIFO) basis.

3.11 Borrowing costs

Borrowing costs, general or specific, that are directly attributable to the acquisition or construction of qualifying assets is capitalized as part of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to the Statement of Profit and Loss.

The Company determines the amount of borrowing costs eligible for capitalisation as the actual borrowing costs incurred on that borrowing during the year less any interest income earned on temporary investment of specific borrowings pending their expenditure on qualifying assets, to the extent that an entity borrows funds specifically for the purpose of obtaining a qualifying asset. In case if the Company borrows generally and uses the funds for obtaining a qualifying asset, borrowing costs eligible for capitalisation are determined by applying a capitalisation rate to the expenditures on that asset.

3.12 Provision

Provisions are recognised when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Provisions are measured at the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

3.13 Employee benefits:

Employee benefits include salaries, wages, contribution to provident fund, gratuity, leave encashment towards un-availed leave, post-retirement medical benefits and bonus.

Short-terms Employee Benefits:

Employee benefits such as salaries, wages, cost of bonus, ex-gratia and performance linked rewards falling due

wholly within twelve months of rendering the service are classified as short-term employee benefits and are expensed in the period in which the employee renders the related service. The obligations are presented as current liability in the balance sheet if the entity does not have an unconditional right to defer the settlement for atleast 12 months after reporting date.

Post-employment benefits:

- **Defined contribution plan**

The Company's state governed provident fund scheme, employee state insurance scheme and employee pension scheme are defined contribution plans. The contribution paid/payable under the schemes is recognised during the period in which the employee renders the related service.

- **Defined benefit plan**

Defined benefit plans comprising of gratuity are recognized based on the present value of defined benefit obligations which is computed using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. These are accounted either as current employee cost or, included in cost of assets as permitted in para 121 of Ind AS 19.

The Projected Unit Credit method (PUC) is used to assess the plan's present value of obligation (liabilities) and the related current service cost, and where applicable past service cost.

The obligation is measured at the present value of the estimated future cash flows using a discount rate based on the market yield on government securities of a maturity period equivalent to the weighted average maturity profile of the defined benefit obligations at the Balance Sheet date.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss. Re-measurement, comprising actuarial gains and losses, the return on plan assets (excluding amounts included in net interest on the net defined benefit liability or asset) and any change in the effect of asset ceiling (if applicable) is recognised in Other Comprehensive Income and is reflected in Retained earnings and the same is not eligible to be reclassified to Profit or Loss.

Other Long-term employee benefit obligations

Other long-term employee benefit comprises of leave encashment towards un-availed leave and compensated absences, these are recognized in a similar manner based on the present value of defined obligation which

is computed using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. These are accounted either as current employee cost or included in cost of assets as permitted.

Re-measurements of leave encashment towards un-availed leave are recognized in the Statement of profit or loss except those included in cost of assets as permitted in the period in which they occur. Accumulated leave expected to be carried forward beyond 12 months is treated as long term employee benefit for measurement purposes.

3.14 Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the company's cash management.

3.15 Segment information

Operating segments are those components of the business whose operating results are regularly reviewed by the chief operating decision making body in the Company to make decisions for performance assessment and resource allocation.

The reporting of segment information is the same as provided to the management for the purpose of the performance assessment and resource allocation to the segments. The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole. Common allocable costs are allocated to each segment on an appropriate basis.

3.16 Earnings per Share

The Company presents basic and diluted earnings per share ("EPS") data for its ordinary shares.

Basic earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders after tax including gains on fair valuation by the weighted average number of equity shares outstanding during the period.

Diluted earnings per share

Diluted earnings per share is computed by dividing the profit after tax including gains on fair valuation after considering the effect of interest and other financing costs or income (net of attributable taxes) associated

with dilutive potential equity shares by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares including the treasury shares held by the Company to satisfy the exercise of the share options by the employees.

3.17 Events after the reporting period

Events after the reporting period are those events, favourable and unfavourable, that occur between the end of the reporting period and the date when the financial statements are approved by the Board of Directors in case of a company, and, by the corresponding approving authority in case of any other entity for issue. Two types of events can be identified;

- those that provide evidence of conditions that existed at the end of the reporting period (adjusting events after the reporting period); and
- those that are indicative of conditions that arose after the reporting period (non-adjusting events after the reporting period)

3.18 Contingent Liabilities and Contingent assets

A contingent liability is;

- a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or
- a present obligation that is not recognised because, it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognise a contingent liability but discloses its existence in the financial statements.

A contingent asset is not recognised unless it becomes virtually certain that an inflow of economic benefits will arise. When an inflow of economic benefits is probable, contingent assets are disclosed in the financial statements.

Contingent liabilities and contingent assets are reviewed at each balance sheet date.

3.19 Financial instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognised when an entity becomes a party to the contractual provisions of

the instrument. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through Statement of Profit and Loss (FVTPL)) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit and loss are recognised immediately in Statement of Profit and Loss. However, trade receivables that do not contain a significant financing component are measured at transaction price.

I. Financial assets

On initial recognition, a financial asset is classified as measured at:

- amortised cost
- FVOCI - Debt Investment
- FVOCI – Equity Investment or
- FVTPL

Financial assets are not reclassified subsequent to their initial recognition unless the Company changes its business model for managing financial assets, in which case all affected financial assets are reclassified on the first day of the first reporting period following the change in the business model.

a. Subsequent Measurement

i. Financial asset measured at Amortised cost:

Financial assets are subsequently measured at amortised cost, using the EIR method less impairment, if any, if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The amortization of EIR and loss arising from impairment, if any is recognised in the Statement of Profit and Loss

ii. Financial assets measured at Fair Value Through Other Comprehensive Income (FVTOCI)

Financial asset is, except trade receivables and contract assets that are measured at transaction price, measured at FVTOCI if it is held within a business model whose objective is achieved by both, selling

financial assets and collecting contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that represents solely payments of principal and interest on the principal amount outstanding.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognised in the Other Comprehensive Income (OCI). However, the Company recognises interest income, impairment losses & reversals and foreign exchange gain or loss in the Statement of Profit and Loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to Statement of Profit and Loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method

iii. Financial assets measured at Fair Value Through Profit or Loss (FVTPL)

Financial asset which is not classified in any of the above categories are measured at FVTPL. Financial assets are reclassified subsequent to their recognition, if the Company changes its business model for managing those financial assets. Changes in business model are made and applied prospectively from the reclassification date which is the first day of immediately next reporting period following the changes in business model in accordance with principles laid down under Ind AS 109 – Financial Instruments.

iv. Other Equity investment

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'. However, dividend on such equity investments are recognised in Statement of Profit and loss when the Company's right to receive payment is established.

b. Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

The rights to receive cash flows from the asset have expired, or

The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material lay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

c. Impairment of financial assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of Financial Assets other than those measured at Fair Value Through Profit and Loss (FVTPL).

Expected Credit Losses are measured through a loss allowance at an amount equal to:

- The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date), if the credit risk on a financial instrument has not increased significantly; or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument), if the credit risk

on a financial instrument has increased significantly.

For trade receivables the Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward-looking estimates are analysed. Trade Receivables are considered to be good and there are neither been any past instances of default and also management doesn't expect any default in case of Company receivables.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred. Evidence that a financial asset is credit-impaired includes the following observable data:

- significant financial difficulty of the borrower or issuer;
- a breach of contract such as a default or being past due for 90 days or more;
- the restructuring of a loan or advance by the Company on terms that the Company would not consider otherwise;
- it is probable that the borrower will enter bankruptcy or other financial reorganisation; or
- the disappearance of an active market for a security because of financial difficulties

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Company's historical experience and informed credit assessment and including forward-looking information.

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the

Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

Other Financial Assets

Other Financial Assets mainly consists of Advances to employees and Security Deposit. Following are the policy for specific financial assets:-

Type of financial asset	Policy
Security Deposit	Security deposit is in the nature of statutory deposits like electricity, telephone deposits. Since they are kept with Government bodies, there is low risk.
Loans and advances to employee	Loan and advances to employee are considered to be good and there are neither been any past instances of default and also management doesn't expect any default in case of Company receivables.

II. Financial liabilities

a. Subsequent Measurement

Financial liabilities are classified as measured at Amortised cost or 'FVTPL.

Financial Liability - FVTPL

A Financial Liability is classified as at FVTPL if it is classified as held-for-trading or it is a derivative (that does not meet hedge accounting requirements) or it is designated as such on initial recognition

A financial liability is classified as held for trading if:

- it has been incurred principally for the purpose of repurchasing it in the near term; or
- on initial recognition it is part of a portfolio of identified financial instruments that the Company

manages together and has a recent actual pattern of short-term profit-taking; or

- it is a derivative that is not designated and effective as a hedging instrument.

A financial liability other than a financial liability held for trading may be designated as at FVTPL upon initial recognition if:

- such designation eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise
- the financial liability forms part of a group of financial assets or financial liabilities or both, which is managed and its performance is evaluated on a fair value basis, in accordance with the Company's documented risk management or investment strategy, and information about the grouping is provided internally on that basis; or
- it forms part of a contract containing one or more embedded derivatives, and IND AS 109 permits the entire combined contract to be designated as at FVTPL in accordance with IND AS 109

Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on remeasurement recognised in Statement of Profit and Loss. The net gain or loss recognised in Statement of Profit and Loss incorporates any interest paid on the financial liability and is included item in the Statement of Profit and Loss. For liabilities designated as FVTPL, fair value gains/losses attributable to changes in own credit risk are recognised in OCI.

Other financial liabilities:

Other financial liabilities (including borrowings and trade and other payables) are subsequently measured at amortised cost using the effective interest method

b. Derecognition of financial liabilities:

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognised in profit or loss.

III. Offsetting financial instrument

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle financial asset and liability on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

3.20 Recent Accounting Pronouncement

Ministry of Corporate Affairs vide their notification dated March 31st, 2023 has made amendments to the Ind AS which are effective from 1st April 2023. Following are the amendments which may be relevant to the company:

- i. Ind AS 107: Information about measurement basis (or bases) for financial instruments to be disclosed as material accounting policy.
- ii. Ind AS 109: Amendment to paragraph on reassessment of embedded derivative.
- iii. Ind AS 115: Amendments to Appendix 1 which gives there in the major differences, if any, between Indian Accounting Standard (Ind AS) 115 and the corresponding International Financial Reporting Standard (IFRS) 15, Revenue from Contracts with Customers, IFRIC 12, Service Concession Arrangements and SIC 29 Service Concession Arrangements: Disclosures, issued by the International Accounting Standards Board
- iv. Ind AS 1: Disclosure of Material Accounting policy information and similar consequential amendment to Ind AS 34.
- v. Ind AS 1: Disclosure of the judgements, apart from those involving estimations, that management has made in the process of applying the entity's accounting policies and that have the most significant effect on the amounts recognised in the financial statements.
- vi. Ind AS 8: Definition of Accounting Estimate as "Accounting estimates are monetary amounts in financial statements that are subject to measurement uncertainty". Further amendments to paragraphs delineating Changes to Accounting Estimates.
- vii. Ind AS 12: Amendments to taxable temporary difference, initial recognition of asset or liability and Deductible taxable differences.
- viii. Ind AS 12: Deferred tax related to assets and liabilities arising from Single Transaction.

Based on the preliminary assessment, the company does not expect these amendments to have any significant impact on its financial statements.

Total employee benefits obligations	360.54	27.97	388.5	49.03	258.35	307.38

Defined Benefit Plan Gratuity

The Company has a defined benefit gratuity plan in India, governed by the Payment of Gratuity Act, 1972. The gratuity plan entitles an employee, who has rendered at least five years of continuous service, to gratuity payable on termination of his employment at the rate of fifteen days wages for every completed year of service or part thereof in excess of six months, based on the rate of wages last drawn by the employee concerned.

The gratuity plan is administered by a single gratuity fund that is legally separated from the Company. The board of the gratuity fund is required by law to act in the best interests of the plan participants and is responsible for setting certain policies (e.g. investment, contribution and indexation policies) of the fund. The gratuity plan is fully funded by the Company. The funding requirements are based on the gratuity fund's actuarial measurement framework set out in the funding policies of the plan. During the year the company has obtained actuarial valuation for its gratuity benefit plan.

a. Reconciliation of Opening and Closing balances of Defined Benefit Obligation

(Amount in lakhs)

Description	Gratuity as on March 31,	
	2023	2022

Actuarial (Gains)/Losses on Obligations -	(30.38)	00.00
Benefits paid	(10.98)	00.00
Defined Benefit obligation at year end	493.03	00.00

b. Amount recognised in Balance Sheet

Description	Gratuity as on March 31,	
	2023	2022
Fair value of Plan assets	194.75	00.00
Present value of obligation	493.03	00.00
Amount recognised in Balance Sheet	(298.28)	00.00

c. Expenses recognised during the Year:

Description	Gratuity as on March 31,	
	2023	2022
Current Service Cost	25.71	00.00
Net Interest Cost	19.53	00.00
Past Service Cost	-	00.00
Expenses recognised in P & L	45.23	00.00

d. Expenses recognised in Other Comprehensive Income

Description	Gratuity as on March 31,	
	2023	2022
Actuarial (Gains)/Losses on Obligation For the Period	(30.38)	0.00
Return on Plan Assets, Excluding Interest Income	(0.14)	0.00
Past Service Cost	-	0.00
Net (Income)/Expense For the Period Recognized in OCI	(30.53)	0.00

e. Actuarial Assumption

Description	Gratuity as on March 31,	
	2023	2022
Mortality Table (LIC)	IALM(2012-14) ult	IALM(2012-14) ult
Discount rate (p.a.)	6.50%	6.90%
Attrition Rate	-	-
Expected rate of return on plan assets (p.a.)	6.90%	6.90%
Rate of escalation in salary (p.a.)	7.00%	7.00%

f. Sensitivity Analysis – Gratuity

Particulars	2022-23	2021-22
Projected Benefit Obligation on Current Assumptions		
Delta Effect of + 1% Change in Rate of Discounting	478.05	0.00
Delta Effect of - 1% Change in Rate of Discounting	509.80	0.00
Delta Effect of + 1% Change in Rate of Salary Increase	507.22	0.00
Delta Effect of - 1% Change in Rate of Salary Increase	480.09	0.00
Delta Effect of + 1% Change in Rate of Employee Turnovers	493.38	0.00
Delta Effect of - 1% Change in Rate of Employee Turnover	492.65	0.00

Sensitivity analysis indicates the influence of a reasonable change in certain significant assumptions on the outcome of the Present value of obligation (PVO) and aids in understanding the uncertainty of reported amounts. Sensitivity analysis is done by varying one parameter at a time and studying its impact.

g. Fair value of Plan Asset

Particulars	(Amount in lakhs)	
	2022-23	2021-22
Fair Value of plan asset at the beginning of the period	193.23	0.00

Note No. 45 Operating Segment

a. The Company has identified business segments as reportable segments:

- i. Bulk Drugs and Drugs Intermediates (API)
- ii. Formulation

Revenue and expenses directly attributable to segments are reported under each reportable segment. Expenses which are not directly identifiable to each reporting segment have been allocated on the basis of associated revenue of the segment or manpower efforts. All other expenses which are not attributable or allocable to segments have been disclosed as unallocable expenses.

Assets and liabilities that are directly attributable or allocable to segments are disclosed under each reportable segment. All other assets and liabilities are disclosed as unallocable. Property, plant and equipment that are used interchangeably among segments are not allocated to reportable segments.

Segment Assets are measured in the same way as in the financial statements. Investments and Derivatives financial instruments held by the group are not considered to be segment assets, but are managed by the treasury function.

Financial liabilities measured at amortized cost				
Borrowings Note No. 17,21	569.64	282.45	569.64	282.45
Trade payables Note No. 22	2465.57	1106.17	2465.57	1106.17
Other Financial liabilities Note No. 18,23	48.13	33.67	48.13	33.67
Total	3083.34	1422.29	3083.34	1422.29

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes in to account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for share-based payment transactions that are within the scope of Ind AS 102, leasing transactions that are within the scope of Ind AS 116, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurements in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

The management assessed that cash and cash equivalents, other bank balances, trade receivables, trade payables, bank borrowings and other current liabilities are same as their carrying amounts largely due to the short-term maturities of these instruments. The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values:

The fair values of non-current investments FVTOCI financial assets are derived from net asset value attributable to shared held by the company as extracted from the latest available financial statement of the investee company and has been categorized as Level 3 Financial Instrument.

The company has neither entered into any derivative transactions nor hedging transaction nor forward transaction relating to Foreign Current or underlying asset.

Financial risk management objectives and policies

The Company's principal financial liabilities, other than derivatives, comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations and to provide guarantees to support its operations. The Company's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations. The Company also holds FVTOCI investments and has not entered into derivative transaction.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below:

a. Financial risk management

The risk management policies are established to ensure timely identification and evaluation of risks, setting acceptable risk thresholds, identifying and mapping controls against these risks, monitor the risks and their limits, improve risk awareness and transparency. Risk management policies and systems are reviewed regularly to reflect changes in the market conditions and the Company's activities to provide reliable information to the Management and the Board to evaluate the adequacy of the risk management framework in relation to the risk faced by the Company.

The risk management policies aims to mitigate the following risks arising from the financial instruments:

- Market risk
- Credit risk; and
- Liquidity risk

b. Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in the market prices. The Company is exposed in the ordinary course of its business to risks related to changes in

- foreign currency exchange rates,
- commodity prices and
- interest rates

c. Foreign currency risk management

The Company's functional currency is Indian Rupees (INR). The Company undertakes transactions denominated in foreign currencies; consequently, exposure to exchange rate fluctuations arise. Volatility in exchange rates affects the Company's revenue from export markets and the costs of imports, primarily in relation to raw materials. The Company is exposed to exchange rate risk under its trade and debt portfolio.

Adverse movements in the exchange rate between the Rupee and any relevant foreign currency result's in increase in the Company's overall debt position in Rupee terms without the Company having incurred additional debt and favourable movements in the exchange rates will conversely result in reduction in the Company's receivables in foreign currency.

In order to hedge exchange rate risk, the Company has a policy to hedge cash flows up to a specific tenure with its cash inflows. All hedging activities are carried out in accordance with the Company's internal risk management policies, as approved by the Board of Directors, and in accordance with the applicable regulations where the Company operates. The company has not entered into any derivative contracts during the year under consideration.

The carrying amounts of the Company's monetary assets and monetary liabilities at the end of the reporting period are as follows:

Unhedged Currency exposure as at 31 March 2023

Particulars	USD	EURO	INR	Total
Financial Assets	(in lakhs)	(in lakhs)	(in lakhs)	(in lakhs)
Trade Receivable	5.55	1.12	3138.69	25.42
	(In INR 456.68)	(In INR 100.72)		(In INR 3696.09)
Financial Liabilities	(in lakhs)		(in lakhs)	(in lakhs)
Trade Payable	13.09		1391.34	13.09
	(In INR 1074.23)			(In INR 2465.57)

Unhedged Currency exposure as at 31 March 2022

Particulars	USD	EURO	INR	Total
Financial Assets	(in lakhs)		(in lakhs)	(in lakhs)
Trade Receivable	9.12		2157.21	9.12
	(In INR 692.31)			(In INR 2849.52)
Financial Liabilities	(in lakhs)		(in lakhs)	(in lakhs)
Trade Payable	0.53		1065.98	0.53
	(In INR 40.19)			(In INR 1106.17)

d. Commodity price risk:

The Company's revenue is exposed to the market risk of price fluctuations related to the sale of its products. Market forces generally determine prices for the products sold by the Company. These prices may be influenced by factors such as supply and demand, production costs (including the costs of raw material inputs) and global and regional economic conditions and growth. Adverse changes in any of these factors may reduce the revenue that the Company earns from the sale of its products. The Company primarily purchases its raw materials in the open market from third parties. The Company is therefore subject to fluctuations in prices for the purchase of raw material inputs.

The Company aims to sell the products at prevailing market prices. Similarly the Company procures key raw materials based on prevailing market rates as the selling prices and the prices of input raw materials move in the same direction. The company has not entered into any derivative contracts during the year under consideration.

e. Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to interest rate risk because funds are borrowed at both fixed and floating interest rates. The floating interest rates are based on bank rate and are indirectly governed by RBI's monetary policy. The borrowings of the Company are in Indian Rupees. The company has maintained a mix of interest free borrowings, fixed interest rate borrowings and floating rate borrowings.

The following table provides a break-up of the Company's fixed and floating rate borrowings:

(Amount in lakhs)

Particulars	As at March 31, 2023	As at March 31, 2022
Fixed rate borrowings	84.97	0.00
Floating rate borrowings	474.00	197.83
Interest Free Borrowings	10.67	84.63
Total borrowings	569.64	282.46

Upfront fees paid for fixed rate borrowing availed during the year have been capitalized to the cost of PPE being borrowing costs.

f. Credit risk management

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration risks. The Company has adopted a policy of only dealing with creditworthy counterparties and obtaining sufficient collateral, where appropriate, as a means of mitigating the risk of financial loss from defaults

Company's credit risk arises principally from the trade receivables, loans, investments in securities, cash & cash equivalents. Based on the historical data available with the management, the management has not encountered situations wherein the trade receivables have been considered as loss assets or credit has been impaired.

Trade receivables

Customer credit risk is managed centrally by the Company and subject to established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits defined in accordance with the assessment.

Credit risk on receivables is also mitigated by securing the same against letters of credit of reputed nationalised and private sector banks. Trade receivables consist of a large number of customers spread across diverse industries and geographical areas with no significant concentration of credit risk. Only 1 customer during the year (PY 2 customers) account for 10.0% or more of revenue effected during the year under consideration. The outstanding trade receivables are regularly monitored and appropriate action is taken for collection of overdue receivables. The history of trade receivables shows no allowance for bad and doubtful debts. Also refer Note no. 10

Cash and cash equivalents and Other Bank Balances

Credit risks from balances with banks and financial institutions are managed in accordance with the Company policy. Also refer Note no. 11 and 12.

g. Liquidity risk management

Liquidity risk refers to the risk of financial distress or extraordinary high financing costs arising due to shortage of liquid funds in a situation where business conditions unexpectedly deteriorate and requiring financing. The Company requires funds both for short term operational needs as well as for long term capital expenditure growth projects. The Company generates sufficient cash flow for operations, which together with the available cash and cash equivalents and short term investments provide liquidity in the short-term and long-term.

The Company has established an appropriate liquidity risk management framework for the management of the Company's short, medium and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

The following tables detail the Company's remaining contractual maturity for its nonderivative financial liabilities with agreed repayment periods and its non-derivative financial assets. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows.

To the extent that interest flows are floating rate, the undiscounted amount is derived from interest rate curves at the end of the reporting period. The contractual maturity is based on the earliest date on which the Company may be required to pay:

Liquidity exposure as at 31 March 2023

(Amount in lakhs)

Collateral

The Company has hypothecated part of its trade receivables, inventories other bank balances and mortgaged its immovable properties in order to fulfill certain collateral requirements for the banking facilities extended to the Company. There is obligation to return the securities to the Company once these banking facilities are surrendered. (Refer note 9, 10, 17 and 21)

Capital management

For the purpose of the Company's capital management, capital includes issued equity capital, and all other equity reserves attributable to the equity holders. The primary objective of the Company's capital management is to maximise the shareholder value. The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total equity. The Company includes within net debt, interest bearing loans and borrowings, less cash and cash equivalents.

(Amount in lakhs)

Particulars	As at March 31, 2023	As at March 31, 2022
Long term borrowings	58.58	10.67
Short term borrowings	511.06	271.78
Less: Cash and cash equivalent	-58.63	-24.45
Less: Bank balances other than cash and cash equivalents	-116.19	-32.15
Net debt	394.82	225.85
Total equity	6815.69	6716.15
Gearing ratio	5.79%	3.36%

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period. No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March 2023 and 31 March 2022

Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the DCF model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

The accompanying Notes are an integral part of the financial statements as per our audit even date.
