“Jai Balaji Industries Ltd. is a fully integrated steel company with focus on specialized products like Ductile Iron Pipes and Ferro Alloys. Company faced tough challenges in last 6-7years which are now resolved with the commitment, hard work, faith and resilience of the management, business associates and stakeholders. Jai Balaji 2.0 aims to transition into a high margin business, and we plan to achieve the same by lowest cost capex for capacity enhancement, economies of scale, operational efficiencies and focusing on specialized products.
