Investor Presentation

Quarter Ended September 30,2025

October 18,2025

By attending the meeting / telephonic call where this presentation is made, or by reading the presentation materials, you agree to be bound by the following limitations:

The information in this presentation has been prepared by RBL Bank Limited (the "Company") for use in presentations by the Company at analyst and investor meetings and does not constitute a recommendation regarding the securities of the Company. No representation or warranty, express or implied, is made as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the information, or opinions contained herein. Neither the Company nor any of its advisors or representatives shall have any responsibility or liability whatsoever (for negligence or otherwise) for any loss howsoever arising from any use of this presentation or its contents or otherwise arising in connection with this presentation. The information set out herein may be subject to updating, completion, revision, verification and amendment and such information may change materially. Neither the Company nor any of its advisors or representatives is under any obligation to update or keep current the information contained herein. The information communicated in this presentation contains certain statements that are or may be forward looking. These statements typically contain words such as "will", "expects" and "anticipates" and words of similar import. By their nature forward looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. Any investment in securities issued by the Company will also involve certain risks. There may be additional material risks that are currently not considered to be material or of which the Company and its advisors or representatives are unaware. Against the background of these uncertainties, readers should not unduly rely on these forward-looking statements. The Company, its advisors and representatives assume no responsibility to update forward-looking statements or to adapt them to future events or developments.

This presentation has been prepared for informational purposes only. This presentation does not constitute a prospectus under the (Indian) Companies Act, 1956 and will not be registered with any registrar of companies. Furthermore, this presentation is not and should not be construed as an offer or a solicitation of an offer to buy securities for sale in the India. This presentation and the information contained herein does not constitute or form part of any offer for sale or subscription of or solicitation or invitation of any offer to buy or subscribe for any securities of the Company, nor should it or any part of it form the basis of, or be relied on in connection with, any contract or commitment whatsoever. The securities of the Company have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the "Securities Act"), and may not be offered, sold or delivered within the United States or to U.S. persons absent from registration under or an applicable exemption from the registration requirements of the United States securities laws. This presentation and the information contained herein is being furnished to you solely for your information and may not be reproduced or redistributed to any other person, in whole or in part. In particular, neither the information contained in this presentation, nor any copy hereof may be, directly or indirectly, taken or transmitted into or distributed in the U.S., Canada, Australia, Japan or any other jurisdiction which prohibits the same except in compliance with applicable securities laws. Any failure to comply with this restriction may constitute a violation of the United States or other national securities laws. No money, securities or other consideration is being solicited, and, if sent in response to this presentation or the information contained herein, will not be accepted.

All figures in the presentation are in Rs. Crore

ESG

Sustainability continues to be at the core of what we do and make it an integral part of our business practices, including Risk Management practices

Policy stipulation for managing Bank's own E&S footprint, and impact of lending as per IFC Performance Standards

CDP Climate Change 2024, Bank has received a 'C', in line with the Global and regional average scores

Climate risk management: Thresholds are defined to contain exposure to "high carbon emitting" industries (wef July 2023)

Voluntary target and plan to achieve Carbon Neutrality (within own operations) by adopting Coal Policy to cap financing in coal based thermal power generation to reduce to zero by FY 2034

The overall women representation in the bank is at 26.37% as on 30th September 2025

Financial literacy:

- Bank runs financial literacy program with NGO partners
- The program creates awareness on savings, budgeting, safety, responsible borrowings etc.
- 100% of the beneficiaries under this program are women residing in rural locations

1

Sustainable Finance & financial inclusion products

- Strong micro banking portfolio aimed at hitherto unbanked women
- Financial literacy activities to empower women with financial knowledge
- Funding Sustainable Agricultural Practices and Business

2

Corporate Social Responsibility

- Asia Money recognized RBL as India's best bank for CSR 2023
- Bank has funded overall 6 projects in FY25 across 3 thematic areas, namely **Health, Education and Livelihoods Opportunities (H.E.L.O. acronym)**
- The bank has also taken up "Project Vaneekaran" for tree plantation and planted 8000 saplings in a vastly accessed community place. The initiative covers developing dense Miyawaki urban forestation, medicinal and pollination plants to cater to biodiversity objectives.

UPI new features enablement – GFF2025

Bank has launched 4 new UPI features, during Global Fintech Festival 2025

- 1 **OS-native Biometric Authentication for UPI Transactions**
Enable biometric authentication for UPI payments to eliminate PIN entry and boost adoption.
- 2 **IoT Payments**
Enable UPI-linked secondary devices (e.g., smart watch, smart glasses) for payments via users' primary UPI app without entering UPI PIN.
- 3 **UIDAI Face Authentication for UPI PIN Reset**
Replacing Aadhaar OTP with issuer Bank OTP, post UIDAI face auth.
- 4 **SLM Chatbot**
Chatbot managed by NPCI, to resolve UPI grievances, manage mandates, and FAQs, hosted on bank's website or app.

RBL Bank Humsafar Prepaid Card – GFF2025

RBL Bank Humsafar

- ✓ Excited to announce the launch of RBL Bank Humsafar during GFF-a prepaid card designed for all-day payment buddy!
- ✓ Humsafar is more than just a card – it's your trusted companion for every payment, whether it's travel, food, fuel, or daily expenses.
- ✓ Powered with NCMC (National Common Mobility Card) magic, it brings true convenience by enabling seamless payments across transit, retail, and digital platforms – all through one single card.

Insignia Preferred Banking Business

The new proposition brings innovative technology driven solutions offering a blend of services and expertise customized exclusively for SMEs.

QR on the back of Transit Prepaid Cards – GFF2025

QR on back of Card
RBL Bank is the 1st private sector bank to launch

- ✓ Excited to introduce a first-of-its-kind solution that enables prepaid card customers to instantly load their cards by simply scanning the personalized QR code printed on the card.
- ✓ This feature eliminates the need for metro commuters to stand in queues or manually enter card details and all prepaid card customers to load the card with just a scan— offering a faster, simpler, and smarter top-up experience

IMPS Simplified flow

IMPS Simplified Flow

What is it?

IMPS transactions simplified

Customer can transfer money to mobile number and money credited into the account attached to the mobile number

Live on RIB

RBL Bank is live for IMPS simplified flow on Retail Internet Banking

Key Features

Payments to mobile number

Direct payments to the mobile numbers of beneficiary through IMPS

Beneficiary name fetch

Beneficiary name fetch using mobile number, eliminating the need to enter account number and IFSC.

Key Digital enablement initiatives over the last quarter...

Distinctive Capabilities		Digital/DIY Journeys across liability and asset portfolios, WhatsApp banking	
 6th Rank in the industry with 10% market share in processing IMPS transactions as remitter.	5th Largest Bank in the industry in FIR (RDA) through IMPS.	~6.2K Loan applications sourced using Account aggregator (AA) support in Q2	 RBL MoBank is now RBL MyBank a Single Unified Mobile App that offers a best-in-class experience to every retail customer.
~25% Market Share in POS Terminals Through Aggregator partnership model with 60% active base .	~18K Monthly Digital Account Opening	RBL Suvidha App - for MFI customers has crossed 2.8 lac registrations in less than 9 months of launch. 	 Revolutionizing Credit Card Issuance: RBL Bank's Account Aggregator-Integrated Income Journey
 BBPS Collection made live for MFI Digital collection increased from 0.1% to >8% in past two months. ~50 Cr. collected (2L payments) via. BBPS	A new Journey Created Next+ - a new variant of corporate salary. Key Benefits : - Sourcing premium customers through DIY. - Expanding reach by onboarding new corporates.	Enabled Digital Journey for NR A/c - allowing NR customers to open Savings account with RBL	WhatsApp Bank  Retail Assets Customers can now download their Statement of Account and Interest Certificate directly through WhatsApp!

Key Enablement...

Multi-pronged delivery leveraging our partnership base in the following areas

Acquiring services to Payment Aggregators

- Established a **strategic partnership with CAMSPAY** to onboard them as a new payment aggregator for acquiring settlement services.
- Onboarded Payment Aggregator **Open Financial** on the RBL merchant acquiring platform enabling acquiring settlement services and PA Escrow.
- Onboarded **BharatPe** for UPI Acquiring services through the bank's switching infrastructure.

Remittance services to Exchange Houses

- Successfully went **live in RDA with Panda Remit**, a Singapore based exchange house.

Channel Enhancements

- CBTD Bulk Tax Upload feature** in now live on our Corporate Internet Banking (CIB) channel.
- Development of the DIY Journeys has been transitioned in-house**, with the backend database successfully migrated from Google Cloud Platform (GCP) to Oracle

New Innovations

- Integrated with the Unified Lending Interface (ULI)** to enable Digital Land Records Services (LRS)

Curated & Expansive Digital Interface
