 **hauraton**

- Prince Hauraton - An innovative range of drainage systems developed with German technology
- Hauraton is one of the world leaders in supplying effective drainage systems for over 65 years
- The products find application across civil constructions (car parks, airports, container terminals, petrol stations), landscapes (private & public areas, terraces, gardens, squares & parks, railway platforms) and sports facilities (sports fields, stadiums, racetracks)

A strong platform, complementary to Prince's growth plans in the high growth Indian bathware market

Signed an Asset Purchase Agreement with Klaus Waren Fixtures Pvt Ltd., for the acquisition and assignment of identified assets for Rs. 55 crores in March 2024

## Acquisition presents strong synergies and advantages:

Direct access to an iconic brand along with state-of-the-art facility

Increase in presence in the plumbing and bathing segments, enables Prince to increase its participation and contribution to the high growth real estate

Access to distribution channel in major markets across India

Presents opportunity to build greater depth for Prince's bathware segment and leverage Aquel's iconic brand equity

# Participation in B2B trade exhibitions and Plumbing Associations

- ❖ Prince Pipes used transit media as a high-impact brand salience engine by advertising across Vande Bharat, Shatabdi, Metro trains, buses, and TARMAC coaches. considering the tourist footfall, we have also chosen UNESCO Heritage Darjeeling toy train for our brand presence to ensure top-of-mind recall among business travellers.
- As we target a blend of rural and urban customers, namely architects, builders, plumbers, and channel partners, Prince Pipes projects a versatile range and quality, reliability, across all verticals of pipes water tanks, and bathware, strengthening 40 years legacy
- It supports elevated **brand desire recognition** (Top-2 desired pipes brand in TRA Research 2024) across our potential audience.
