Directors' Report And Management Discussion & Analysis

To the Members

The Directors have pleasure in presenting the 78th Annual Report together with the Audited Financial Statements of the Company for the financial year ended 31st March, 2025.

Scheme of Arrangement

The Scheme of Arrangement ('the Scheme') amongst Umang Dairies Limited ('UDL'), a Subsidiary Company, Panchmahal Properties Limited ('PPL'), a Wholly-owned Subsidiary Company and Bengal & Assam Company Limited ("Transferee Company") and their respective Shareholders and Creditors, pursuant to the provisions of Sections 230 - 232 of the Companies Act, 2013 sanctioned by the Hon'ble Benches of the National Company Law Tribunal, Kolkata and Allahabad vide their respective Orders dated 4th April, 2025 and 1st May, 2025 respectively, has become effective on 17th June, 2025 upon filing of the certified copies of the said orders by the said companies with the respective Registrar of Companies on the said date. The Scheme is operative from 1st April, 2023, the Appointed Date of the said Scheme (hereinafter referred to as the "Scheme"). The impact of the Scheme has been given in the audited Financial Statements of the Company.

In terms of the Scheme:

- (i) Dairy business of UDL together with all its assets (both movable and immovable) subject to the existing encumbrances thereon in favour of banks and financial institutions, if any, liabilities, infrastructures, rights and obligations, statutory /regulatory licenses, properties, benefits and interests therein, relating to Dairy Business has been demerged and transferred to PPL.
- (ii) Subsequent to the implementation of the above part of the Scheme, UDL alongwith its remaining business and all residual assets (both movable and immovable) subject to the existing encumbrances thereon in favour of banks and financial institutions, if any, liabilities, infrastructures, rights and obligations, statutory/regulatory licenses, properties, benefits and interests therein shall merge into BACL and UDL shall be liquidated without being wound-up.
- (iii) Shareholding of BACL in UDL stand cancelled.
- (iv) In consideration of De-merger of Dairy Business and amalgamation of Residual Business of UDL, the Company has allotted 1,07,571 Equity Shares to the Shareholders of UDL after cancellation of 1,21,68,430 Equity Shares held by the Company in UDL as on Record Date i.e. 27th June, 2025, as per the share Exchange ratio/swap ratio provided in the Scheme of Arrangement as detailed hereunder:
 - A. For demerger of Dairy business of UDL into PPL:** 1 equity share of BACL having face value of INR 10 each fully paid up for every 92 equity shares held in UDL having face value of Rs. 5 each fully paid up.
 - B. For amalgamation of residual business of UDL into BACL:** 1 equity share of BACL having face value of INR 10 each fully paid up for every 14,652 equity shares held in UDL having face value of Rs. 5 each fully paid up.

Consequent to allotment of 1,07,571 equity shares, as aforesaid, the Paid-up Equity Share Capital of the Company has been increased to Rs. 11.40 Crores from Rs.11.30 Crores. Application for Listing of the said Shares has been made with BSE Limited.

Core Investment Company

The Company is a Core Investment Company-Non Deposit Taking-Systemically Important (CIC-ND-SI) registered with the Reserve Bank of India (RBI) and has been complying with all the stipulations prescribed by RBI.

Operations & Outlook

The Indian economy continued to remain resilient and outperformed the overall global economy despite geopolitical uncertainty. The above average monsoon was a boost to agricultural activity and drove rural demand. Tax revenue both direct and indirect remained buoyant. Stable inflationary trends, Fiscal stimuli in the budget and change in income tax slab rates are likely to encourage higher consumer spends. Infrastructural spends which slowed down during the general elections are likely to pick up. The Indian economy is likely to continue on its growth journey and expected to grow over 6% during the year under review.

The Company recorded Profit after Tax of Rs. 11,440.19 lacs on standalone basis and Rs. 75,482.77 lacs on consolidated basis for the year. The Company being a Core-Investment Company, holds significant investment in the Group Companies operating in diversified Industrial segments. With the Government thrust on the Infrastructure development, the outlook of Indian Economy remains positive. This augurs well for the Company keeping in mind that the sectors in which your company is invested in - paper/tyre/automotive components/cement to name a few, are performing well and also have a positive outlook.

With the approval of the Board and the Reserve Bank of India, the Company has commenced Trading in various product areas such as Paper & Paper related Products, Tyres, Tubes and related Products, Rubber and Polymer products, Cement and Building Materials along with other value added products, Textile and Yarn products and rendering of Services in the above Products, with effect from the last Quarter of the financial year under review.

Dividend

Your Directors are pleased to recommend a dividend of Rs. 50/- per equity share of Rs. 10 each (500%) on the equity share capital of Rs. 11.40 Crore for the financial year ended 31st March, 2025. The Dividend outgo would be Rs. 57.02 Crores. The Dividend is subject to deduction of tax at source as may be applicable. The Dividend pay-out is in accordance with the Dividend Distribution Policy of the Company.

Appropriations

The amount available for appropriation, including surplus from previous year after adjusting the dividend paid for the financial year 2023-24 is Rs. 50,529.87 Lacs.

The Directors propose this to be appropriated as under:

Transfer to Reserves (As per RBI guidelines)	Rs. 2,288.04 Lacs
Surplus carried to Balance Sheet	Rs. <u>48,241.83</u> Lacs
Total	Rs. <u>50,529.87</u> Lacs

Annual Return

The Annual Return referred to in Section 134 (3)(a) of the Companies Act, 2013 is available on the website of the Company at the link <https://www.bengalassam.com/pdf/Annual%20Return%202023-24.pdf>

Particulars of Loans, Guarantees and Investments

The Company being a Core Investment Company registered with the Reserve Bank of India, Section 186 of the Companies Act, 2013 is not applicable to it. The particulars of loans, guarantees and investments are furnished in the financial statements.

SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2025

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Bengal & Assam Company Limited,
7, Council House Street,
Kolkata, West Bengal – 700001

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Bengal & Assam Company Limited (L67120WB1947PLC221402)** (hereinafter called 'the Company'). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on **31st March, 2025** (Audit Period), complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2025 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018- Not applicable to the Company during the Audit Period;
 - (d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021- Not applicable to the Company during the Audit Period;
 - (e) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021- Not applicable to the Company during the Audit Period;
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding dealing with the clients and Shareholders;
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021- Not applicable to the Company during the Audit Period;
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018- Not applicable to the Company during the Audit Period; and
 - (i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.
- (vi) Management has identified and confirmed the following law as being specifically applicable to the Company and complied with The Reserve Bank of India Act, 1934 in so far as applicable to the Company as 'Core Investment Company' under the category of 'Non-Banking Finance Companies'.

I have also examined compliance with the applicable clauses of the following:

- (i) Mandatory Secretarial Standards 1 and Secretarial Standards 2 issued by The Institute of Company Secretaries of India, and
- (ii) The Listing Agreement entered into by the Company with the Stock Exchange.

During the period under review, the Company has complied with the provisions of the Acts, Rules, Regulations, Guidelines, Standards, etc. as mentioned above.

I further report that, the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review, were carried out in compliance with the provisions of the Act.

Adequate Notice is given to all Directors in advance to schedule the Board Meetings. Agenda and detailed notes on agenda were also sent at least seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items, before the meeting and for meaningful participation at the Meeting.

All decisions at the Board and Committee Meetings are carried out unanimously as recorded in the Minutes of the Meetings of the Board of Directors or Committees thereof, as the case may be.

I further report that, based on review of compliance mechanism established by the Company and on the basis of compliance certificates issued by the Company Executives and taken on record by the Board of Directors and Audit Committee at their meetings, there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that, the Company's Scheme of Arrangement (as reported in the previous year) was fully processed during the audit period and has since been approved/sanctioned by all requisite authorities. The said Scheme shall come into force soon upon one last legal compliance, w.e.f. the Appointed Date i.e. 1st April, 2023, as per the Scheme.

This report is to be read along with the following-

1. Maintenance of secretarial record is the responsibility of the management of the Company. My responsibility is to express an opinion on these secretarial records based on my audit.
2. I have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. I believe that the processes and practices, I followed provide a reasonable basis for my opinion.
3. I have not verified the correctness and appropriateness of financial records and Books of Accounts of the company.
4. Wherever required, I have obtained the Management representation about the compliance of laws, rules and regulations and happening of events etc.
5. The compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of management. My examination was limited to the verification of procedures on test basis.
6. The Secretarial Audit report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

SECTION C: PRINCIPLE WISE PERFORMANCE DISCLOSURE

This section is aimed at helping entities demonstrate their performance in integrating the Principles and Core Elements with key processes and decisions. The information sought is categorized as “Essential” and “Leadership”. While the essential indicators are expected to be disclosed by every entity that is mandated to file this report, the leadership indicators may be voluntarily disclosed by entities which aspire to progress to a higher level in their quest to be socially, environmentally and ethically responsible.

PRINCIPLE 1 : Businesses should conduct and govern themselves with integrity, and in a manner that is Ethical, Transparent and Accountable.

The Company being a Core Investment Company - Non Deposit Taking-Systemically Important (CIC-ND-SI), registered with the Reserve Bank of India (RBI), has framed its business policies in compliance with the regulatory requirements of RBI and SEBI Regulations, and covers its external and internal stakeholders, including group companies, as applicable.

Corporate Governance is an integral part of values, ethics and best business practices followed by the Company. The core values are commitment to excellence and customer satisfaction, maximizing long term shareholders’ value, socially valued enterprise, and caring for people and environment. The Company’s philosophy can be described as observing business practices with the ultimate aim of enhancing long term shareholders’ value and commitment to high standards of business ethics.

The Company has in place a ‘Code of Corporate Ethics and Conduct’ reiterating its commitment to maintain the highest standards in its interface with stakeholders and clearly laying down the core values and corporate ethics to be practiced by its entire management cadre.

The Company’s policy viz. ‘Code of Conduct for Members of the Board and Senior Management’ clearly articulates the principle for adherence to practices of good Corporate Governance and to ensure integrity, honesty and ethical practices are followed. It emphasizes the fiduciary responsibility of the Directors and Senior Management and their accountability towards maximizing Shareholder’s value through good business practices and controls. It is incumbent upon the Directors and Senior Management to ensure highest standards of integrity, trust, fairness and honesty in performance of duties.

Declaration from the Directors and Senior Management affirmation to the Code of Conduct is forming the part of this annual report.

The Company also has in place a ‘Policy on Vigil Mechanism/Whistle Blower Policy’ which provides an enabling platform for the Directors and employees of the Company to report their genuine concerns or grievances relating to actual or suspected fraud, unethical behaviour, violation of the Company’s Code of Conduct or Ethics Policy, and any other event which would adversely affect the interests of the business of the Company.

REVISED INDEPENDENT AUDITOR'S REPORT

The Members of Bengal & Assam Company Limited

Report on the Audit of the Revised Standalone Financial Statements

This Report supersedes our report on standalone financial statements dated May 29, 2025

Opinion

We have audited the accompanying revised standalone financial statements of Bengal & Assam Company Limited ("the Company"), which comprise the Revised Standalone Balance Sheet as at March 31, 2025, the Revised Standalone Statement of Profit and Loss including Other Comprehensive Income, the Revised Standalone Statement of Changes in Equity and the Revised Standalone Statement of Cash Flows for the year then ended and notes to the revised standalone financial statements including a summary of material accounting policies and other explanatory information (hereinafter referred to as "the revised standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid revised standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its profit including other comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the revised standalone financial statements in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the revised standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the revised standalone financial statements under the provisions of the Act and Rules thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the revised standalone financial statements.

Emphasis of Matter

We draw attention to Note 1 and Note 32 of the revised standalone financial statements, which describes the basis of preparation and the Composite Scheme of Arrangement ("the Scheme") amongst Umang Dairies Limited ("UDL" or the "Demerged Company"), Bengal & Assam Company Limited ("BACL" or the "Resulting Company 2"), and Panchmahal Properties Limited ("PPL" or the "Resulting Company 1"), a wholly-owned subsidiary of BACL, pursuant to the provisions of Sections 230 and 232 of the Companies Act, 2013. The Scheme involves the demerger of the Dairy Business Undertaking of UDL and its transfer to and vesting into PPL and the amalgamation of the residual undertaking of UDL with and into BACL with effect from the appointed date, i.e., April 1, 2023.

The Scheme has been sanctioned by the Hon'ble National Company Law Tribunal (NCLT) Benches at Kolkata and Allahabad, vide orders dated May 22, 2025 and May 26, 2025 respectively. Certified copies of the orders were filed with the respective Registrar of Companies on June 17, 2025, upon which the Scheme became effective. Accordingly, the standalone financial statements for the year ended March 31, 2025 have been prepared after giving effect to the Scheme from the Appointed Date.

As per the requirements of Appendix C to Ind AS 103 "Business Combination", the merger has been given effect to as if it has occurred from the beginning of the preceding period (i.e April 1, 2023) in the revised standalone financial statements.

We issued a separate auditor's report dated May 29, 2025 on these standalone financial statements to the members of the Company. The aforesaid petition having been approved subsequently, the Company has now prepared revised standalone financial statements incorporating the impact of the merger from April 1, 2023. In accordance with the provisions of Standard on Auditing 560 (Revised) 'Subsequent Events' issued by The Institute of Chartered Accountants of India, our audit procedures, in so far as they relate to the revision to the standalone financial statements have been carried out solely on this matter and no additional procedures have been carried out for any other events occurring after May 29, 2025 (being the date of our earlier audit report on the earlier standalone financial statements). Our earlier audit report dated May 29, 2025 on the earlier standalone financial statements is superseded by this revised report on the standalone financial statements.

Our opinion is not modified in respect above matters

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the revised standalone financial statements for the financial year ended March 31, 2025. These matters were addressed in the context of our audit of the revised standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

KEY AUDIT MATTER	RESPONSE TO KEY AUDIT MATTER
<p>Valuation of Investments</p> <p>Refer Note No. 5 to the revised standalone financial statements.</p> <p>As at March 31, 2025, the total carrying amount of investments were Rs. 1,21,731.92 Lakhs. Investments include quoted and unquoted equity shares, unquoted preference shares, and mutual funds. Fair valuation of unquoted investments involves significant estimation uncertainty, subjective assumptions and the application of significant judgment. This was an area of focus for our audit and the area where significant audit effort was directed.</p>	<p>Our audit approach was a combination of test of internal controls and substantive procedures which included the following:</p> <ul style="list-style-type: none">• Understanding of the processes employed by the Company for accounting and valuing the investments.• Reviewed year end confirmation of investments in dematerialized / depository form and physically verified share certificate of investments which are not in dematerialized format.• We have verified that the recorded ownership of all investments in the name of the company.• Our audit procedures included reviewing valuation of all Investments held at March 31, 2025, to assess impairment. <p>Based on the audit procedures performed we are satisfied with existence and valuation of investment.</p>

Information Other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information, such as Directors' Report And Management Discussion and Analysis, Corporate Governance Report, Business Responsibility & Sustainability Report included in the Annual Report, but does not include the revised standalone financial statements and our revised auditor's report thereon. Our opinion on the revised standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the revised standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the revised standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the applicable laws and regulations.

Management's and Board of Directors' Responsibility for the Revised Standalone Financial Statements

The Company's Management and the Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these revised standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity, and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the revised standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the revised standalone financial statements, the Management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operation, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Revised Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the revised standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these revised standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the revised standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to revised standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the revised standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the revised standalone financial statements, including the disclosures, and whether the revised standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The standalone financial statements of the Company for the year ended March 31, 2024 were audited by predecessor auditor who expressed unmodified opinion vide their report dated May 30, 2024, as adjusted for impact of the scheme of amalgamation, as referred in "Emphasis of Matter" which has been audited by us. Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

(1) As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in "**Annexure A**", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

(2) A. As required by section 143(3) of the Act, based on our audit we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in paragraph 2B(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014;

- e. On the basis of the written representations received from the directors as on March 31, 2025, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of section 164(2) of the Act;
- f. With respect to the adequacy of the internal financial controls with reference to revised standalone financial statements of the Company and the operating effectiveness of such controls, we give our separate report in "Annexure B".
- g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

(2) B. With respect to the other matters to be included in the Revised Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- a. The Company has disclosed the impact of pending litigations on its financial position in its revised standalone financial statements – Refer Note 33 to the revised standalone financial statements;
- b. The Company did not have any long-term contracts including derivative contracts. Hence, the question of any material foreseeable losses does not arise;
- c. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- d. (i) The Management has represented that, to the best of its knowledge and belief as disclosed in note 50(e)(i) No funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(ii) The Management has represented, that, to the best of its knowledge and belief as disclosed in note 50(e)(ii), No funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(iii) Based on the audit procedures, we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) contain any material misstatement.

- e. The final dividend paid by the Company during the year in respect of the same declared for the previous year is in accordance with section 123 of the Companies Act 2013 to the extent it applies to payment of dividend.

As stated in Note 36 to the revised standalone financial statements, the Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend declared is in accordance with section 123 of the Act to the extent it applies to declaration of dividend.

- f. Based on our examination which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the accounting software. Further, during the course of audit we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail has been preserved by the company as per the statutory requirements for record retention.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditor's Report of even date to the members of Bengal & Assam Company Limited on the revised standalone financial statements for the year ended March 31, 2025]

To the best of our information and according to the information, explanations, and written representation provided to us by the Company and the books of accounts and other records examined by us in the normal course of audit, we report that:

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment and details of investment property.
(B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) The property, plant and equipment, and investment property have been physically verified by the management during the year and no material discrepancies were noticed on such verification. In our opinion, the frequency of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
- (c) The title deeds of immovable properties included in investment properties [Note No. 9 to the revised standalone financial statements] are held in the name of the Company except as stated in the footnote of Note No. 09 of the revised standalone financial statements, which is not transferred in the name of the company.
- (d) The Company has not revalued its Property, Plant and Equipment or intangible assets or both during the year.
- (e) No proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made there under. Accordingly, reporting under clause 3(i)(e) of the Order is not applicable to the Company.
- (ii) According to the information and explanations provided to us and based on our examination of the books of the account of Company:
 - (a) The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were more than 10% in the aggregate of each class of inventory.
 - (b) The Company has not been sanctioned working capital limits in excess of ₹ 5 crore by banks or financial institutions on the basis of security of current assets during any point of time of the year. Accordingly, reporting under clause 3(ii)(b) of the Order is not applicable to the Company.
- (iii) According to the information and explanations provided to us and based on our examination of the books of the account of Company:
 - (a) The Company has not provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, Limited Liability Partnerships (LLPs) or any other parties during the year. However, the Company has made investments during the year. Accordingly, reporting under clauses 3(iii)(a), 3(c), 3(d), 3(e), and 3(iii)(f) of the Order is not applicable to the Company.
 - (b) The Company has not provided any guarantee or given any security during the year. The investments made are not, prima facie, prejudicial to the interest of the Company.
- (iv) In our opinion and according to the information and explanations given to us, the Company has no transaction with respect to loan given, guarantee and security provided as covered under section 185 and 186 of the Companies Act, 2013 during the year. The Company is a non-banking financial company, due to which its investments are exempted under Section 186(11)(b). The Company has not made investments through more than two layers of investment companies in accordance with the provisions of Section 186(1) of the Act. Accordingly, the Company has complied with the provisions of Sections 186 of the Act, as applicable.
- (v) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits and there are no amounts which have been considered as deemed deposit within the meaning of sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, reporting under clause 3(v) of the Order is not applicable to the Company.

(vi) According to the information and explanations given to us, the Central Government has not specified maintenance of cost records under sub-section (1) of section 148 of the Act, in respect of Company's products/business activity. Accordingly, reporting under clause 3(vi) of the Order is not applicable.

(vii) (a) In our opinion, and according to the information and explanations given to us, the Company is regular in depositing undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, with the appropriate authorities.

Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us, there are no statutory dues referred in sub-clause (a) which have not been deposited with the appropriate authorities on account of any dispute except for the following: -

Name of the statute	Nature of dues	Period to which the amount relates	Amount Disputed (Rs. In lacs)	Amount paid under protest	Forum where dispute is pending

Income Tax Act, 1961	Income Tax in respect of enhancement of Income	F.Y 2017-18	9.43	-	CIT (Appeals)

(viii) According to the information and explanations given to us and as represented by the management, no transactions were surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 which have not been recorded in the books of accounts.

(ix) (a) According to the information and explanations given to us, the Company has not defaulted in repayment of its loans or borrowings or in the payment of interest thereon to any lender.

(b) According to the information and explanations given to us including confirmations received from banks and other lenders and written representation received from the management of the Company, and on the basis of our audit procedures, we report that the Company has not been declared a willful defaulter by any bank or financial institution or other lender.

(c) In our opinion and according to the information and explanations given to us, Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year. Accordingly, reporting under clause 3(ix)(c) of the Order is not applicable to the Company.

(d) According to records examined by us, since the company has not raised any funds on short-term basis thus reporting of its use for long term purpose does not arise. Accordingly, reporting under clause 3(ix)(d) of the Order is not applicable to the Company.

(e) On an overall examination of the revised standalone financial statements of the Company and explanations given to us, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures. Accordingly, reporting under clause 3(ix)(e) of the Order is not applicable to the Company.

(f) According to the information and explanations given to us, the Company has not raised any loans during the year on the pledge of securities held in its subsidiaries, associates or joint ventures. Accordingly, reporting under clause 3(ix)(f) of the Order is not applicable to the Company.

(x) (a) According to the information and explanations given to us, the Company has not raised any money by way of initial public offer or further public offer (including debt instruments), during the year. Accordingly, reporting under clause 3(x)(a) of the Order is not applicable to the Company.

- (b) According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or (fully, partially or optionally) convertible debentures during the year. Accordingly, reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- (xi) (a) During the course of our examination of books and records of the Company carried out in accordance with generally accepted auditing practices in India, and according to the information and explanation given to us, we have neither come across any instance of fraud by the Company or on the Company noticed or reported during the year, nor have we been informed of any such cases by the management.
- (b) According to the information and explanations given to us and based on our examination of the books and records of the Company, no report under sub-section (12) of section 143 of the Act in the Form ADT – 4, as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 (as amended from time to time) has been filed with the Central Government. Accordingly, reporting under clause (xi)(b) of the Order is not applicable to the Company.
- (c) According to the information and explanations given to us including the written representation made to us by the management of the Company, there are no whistle-blower complaints received by the Company during the year.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, reporting under clause 3(xii) of the Order is not applicable to the Company.
- (xiii) In our opinion and according to the information and explanations given to us, all transactions entered into by the Company with the related parties are in compliance with sections 177 and 188 of the Act, where applicable. Further, the details of such related party transactions have been disclosed in the revised standalone financial statements, as required under Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified in Companies (Indian Accounting Standards) Rules 2015 as amended as prescribed under section 133 of the Act.
- (xiv) (a) In our opinion and according to the information and explanations given to us, the Company has an internal audit system as required under section 138 of the Act which is commensurate with the size and nature of its business.
- (b) We have considered the reports issued by the Internal Auditors of the Company till date for the period under audit.
- (xv) According to the information and explanation given to us, the Company has not entered into any non-cash transactions with its directors or persons connected with them and during the year hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company. Accordingly, reporting under clause 3(xv) of the Order is not applicable to the Company.
- (xvi) (a) According to the information and explanations given to us, the Company is engaged in the business of Non-Banking Financial Institution and has obtained the certificate of registration under section 45-IA of the Reserve Bank of India Act, 1934.
- (b) According to the information and explanations given to us, the company has conducted non-banking financial activities being Core Investment Company (CIC) and accordingly the Company is duly registered under section 45-1A of the Reserve Bank of India Act, 1934, However the company has not conducted any Housing Finance activities during the year. Accordingly, reporting under clause, clause 3 (xvi) (b) of the Order is not applicable to the Company.
- (c) The Company is a Core Investment Company (CIC) as defined in the regulations made by the RBI. According to the information and explanations given to us, the Company is registered with RBI and it continues to fulfil the criteria of a CIC.
- (d) According to the representation given to us, there are two CICs which are registered with the Reserve Bank of India. We have not, however, separately evaluated whether the information provided by the management is accurate and complete.
- (xvii) Based on our audit procedures and according to the information and explanations given to us, the Company has not incurred any cash loss in the current as well as the immediately preceding financial year.

- (xviii) There has been no resignation of statutory auditors during the year. Accordingly, reporting under clause 3 (xviii) of the Order is not applicable to the Company.
- (xix) According to the information and explanations provided to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the revised standalone financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) In our opinion and according to the information and explanations given to us, the requirement of Corporate Social Responsibility (CSR) in terms of Section 135 of the Companies Act, 2013 and the rules made thereunder is not applicable to the Company, since the Company's main source of income is dividend from CSR compliant companies. Accordingly, reporting under clause 3 (xx) of the Order is not applicable to the Company.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 2(A)(f) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditor's Report of even date to the members of Bengal & Assam Company Limited on the revised standalone financial statements for the year ended March 31, 2025]

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Bengal & Assam Company Limited ("the Company")** as of March 31, 2025 in conjunction with our audit of the revised standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal The Company's management is responsible for establishing and maintaining internal financial controls with reference to the revised standalone financial statements based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to revised standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing specified under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to revised standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to revised standalone financial statements included obtaining an understanding of internal financial controls with reference to revised standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the revised standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to revised standalone financial statements.

Meaning of Internal Financial Controls Over Financial Reporting with reference to revised Standalone Financial Statements

A company's internal financial control with reference to revised standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of revised standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to revised standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of revised standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the revised standalone financial statements.

Inherent Limitations of Internal Financial Controls with reference to Revised Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to revised standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to revised standalone financial statements to future periods are subject to the risk that the internal financial control with reference to revised standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to revised standalone financial statements and such internal financial controls with reference to revised standalone financial statements were operating effectively as at March 31, 2025, based on the internal control with reference to revised standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

As a Core Investment Company, the Company is holding investments in its subsidiaries, other group companies, money market mutual funds and carries out only such activities as are permitted under the guidelines issued by RBI for NBFCs. Equity Shares of the Company are listed on BSE Limited (BSE), India.

During the year, with the approval of RBI, the company has commenced the trading of various product such as Paper and Paper Products, Tyre, Tubes and related products, rubber and polymer products, Cement, Building Material alongwith other value added products, textiles and Yarn Products and rendering services.

The revised standalone financial statements are authorised for issue by the Board of Directors of the Company at their meeting held on 13th August 2025. The earlier standalone revised financial statements of the Company for the year ended 31st March 2025 were first approved by the Board of Directors on 29th May 2025. The earlier standalone revised financial statements of the Company are being revised pursuant to an approved Scheme of Arrangement, the details of which are stated in Note No 32.

1.2 Basis of Preparation and measurement

(i) Basis of Preparation

These revised standalone financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 ('the Act') read together with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time and other relevant provisions of the Act and the RBI guidelines/regulations to the extent applicable.

All accounting policies and applicable Ind AS have been applied consistently for all periods presented.

The revised standalone financial statements have been prepared on accrual basis and under the historical cost convention except for the items that have been measured at fair value as required by relevant Ind AS.

The revised financial statements are presented in INR, which is also the Company's functional currency and all values are rounded to the nearest lakh (INR 00,000), except when otherwise stated.

(ii) Fair value measurement

Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non- financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy in which they fall.

(iii) Financial/ Non- Financial assets and liabilities

Division III to Schedule III requires all items in the balance sheet of a NBFC to be classified as either financial or non-financial and be reflected as such. Further, para 54 of Ind AS 1 also specifies a requirement of presenting financial assets and financial liabilities as line items on the balance sheet separately from other items.

(iv) Use of Estimates

The preparation of the revised financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the revised financial statements and reported amounts of revenues and expenses during the period. Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these revised financial statements have been disclosed in Note 1.4.11.

NOTES FORMING PART OF THE REVISED STANDALONE FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2025

Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the revised financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the revised financial statements.

1.3 Material Accounting Policies**1.3.1 Financial Instruments****A. Investment in subsidiary and associates**

The Company has accounted for its investment in subsidiaries and associates at cost.

B. Other Investments and financial assets**(i) Classification**

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income (FVTOCI), or through profit or loss(FVTPL)), and
- those measured at amortised cost.

The classification is done depending upon the Company's business model for managing the financial assets and the contractual terms of the cash flows.

For assets classified as 'measured at fair value', gains and losses will either be recorded in profit or loss or other comprehensive income, as elected. For assets classified as 'measured at amortised cost', gain and losses will be recorded in profit or loss.

(ii) Measurement**Initial Measurement**

Financial assets are initially recognised on the trade date, i.e., the date that the Company becomes a party to the contractual provisions of the instrument. At initial recognition, the Company measures a financial asset (except trade receivable) at its fair value including, in the case of 'a financial asset not at fair value through profit or loss', transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at 'fair value through profit or loss' are expensed in profit or loss. Trade receivable are measured at their transaction price unless it contains a significant financing component in accordance with Ind AS 115 for pricing adjustments amended in the contract.

Subsequent Measurement

Subsequent measurement of financial assets depends on the Company's business model for managing the financial asset and the cash flow characteristics of the financial asset. There are three measurement categories into which the Company classifies its financial instruments:

At amortised cost

Financial assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost e.g. Preference Shares. A gain or loss on a financial asset that is subsequently measured at amortised cost is recognised in the Statement of Profit and Loss when the asset is derecognised or impaired. Interest income from these financial assets is included in investment income using the effective interest rate method.

At fair value through profit or loss

Financial assets that do not meet the criteria for amortised cost, are measured at fair value through profit or loss e.g. investments in mutual funds. A gain or loss on a financial asset that is subsequently measured at fair value through profit or loss is recognised in profit or loss and presented net in the Statement of Profit and Loss within other gains/(losses) in the period in which it arises.

At fair value through other comprehensive income

The Company's management has elected to classify irrevocably some of its equity investments as equity instruments at FVTOCI. Gains and losses on these equity instruments are never recycled to Statement of Profit and Loss. Dividends are recognised in Statement of Profit and Loss as dividend income when the right of the payment has been established, except when the Company benefits from such proceeds as a recovery of part of the cost of the instrument, in which case, such gains are recorded in OCI. Equity instruments at FVTOCI are not subject to an impairment assessment.

NOTES FORMING PART OF THE REVISED STANDALONE FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2025

Business model assessment

The Company considers all relevant information available while making the business model assessment. The Company takes into account all relevant evidence available such as:

- how the performance of the business model and the financial assets held within that business model are evaluated and reported to the entity's key management personnel
- the risks that affect the performance of the business model (and the financial assets held within that business model) and in particular, the way in which those risks are managed; and
- how managers of the business are compensated (e.g. whether the compensation is based on the fair value of the assets managed or on the contractual cash flow collected).

The Company reassess its business models each reporting period to determine whether the business models have changed since the preceding period. For the current and prior reporting period the Company has not identified a change in its business models.

The SPPI test (Solely Payments of Principal and Interest)

As a second step of its classification process the Company assesses the contractual terms of financial assets to identify whether they meet the SPPI test.

'Principal' for the purpose of this test is defined as the fair value of the financial assets at initial recognition and may change over the life of the financial asset.

The most significant elements of interest within a lending arrangement are typically the consideration for the time value of money and credit risk.

(iii) Reclassification of financial assets

The Company does not reclassify its financial assets subsequent to their initial recognition.

(iv) Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure :

- Financial assets that are debt instruments and are measured at amortized cost e.g. loans, debt-securities, deposits, trade receivables and bank balance.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12 month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12 month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12 month ECL is a portion of the lifetime ECL which results from default events on a financial instrument that are possible within 12 months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive (i.e. all cash shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider :

- All contractual terms of the financial instrument (including prepayment, extension, call and similar options) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the Company is required to use the remaining contractual term of the financial instrument.
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

NOTES FORMING PART OF THE REVISED STANDALONE FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2025

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income / expense in the statement of profit and loss

(v) Derecognition of Financial Assets

A Financial Asset is primarily derecognized when:

- The right to receive cash flows from asset has expired, or
- The Company has transferred its right to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party and either:
 - a) The Company has transferred substantially all the risks and rewards of the asset, or
 - b) The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset."

1.3.2 Investment property and depreciation**A. Investment Property**

Property that is held for long-term rentals yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property includes land and building. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalized to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognized.

B. Depreciation

Investment properties (buildings) are depreciated on Straight line method over their estimated useful lives as specified in Schedule II to Companies Act, 2013. Leasehold Land is being amortized over the lease period.

Residual lives, useful lives and depreciation method of investment properties are reviewed, and adjusted on prospective basis as appropriate, at each financial year end. The effects of any revision are included in the Statement of Profit and Loss when the changes arise.

1.3.3 Revenue recognition

The Company recognises revenue (including rent, etc.) on accrual basis to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. However, where the ultimate collection of revenue lacks reasonable certainty, revenue recognition is deferred.

(i) Interest income

Interest on loans and advances/deposits are accounted on accrual basis. Overdue interest on lease rentals, loans & advances is accounted for on actual receipt basis. For all financial instruments measured at amortized cost, interest income is recorded using effective interest rate (EIR), which is the rate that exactly discounts the estimated future cash payments or receipts through the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount of the financial asset.

(ii) Net Gain/ Loss on Fair Value Changes

Any differences between the fair values of the investment in mutual funds classified as fair value through the profit or loss, held by the Company on the balance sheet date is recognised as an unrealised gain/loss in the Statement of Profit and Loss. In cases there is a net gain in aggregate, the same is recognised in "Net gains or fair value changes" under revenue from operations and if there is a net loss the same is disclosed "Expenses", in the statement of profit and loss.

(iii) Dividends

Dividends are recognised in the Statement of Profit and Loss only when the right to receive payment is established, and it is probable that the economic benefits associated with the dividend will flow to the Company and that the amount of the dividend can be measured reliably.

(iv) Sale of Products

Revenue is recognised upon transfer of control of promised goods or services to customers at transaction price (net of taxes and duties), arrived at by determining the fair value of the consideration received or receivable after adjusting returns, allowances, trade discounts, volume discounts etc. in exchange of goods or services.

NOTES FORMING PART OF THE REVISED STANDALONE FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2025

For applying above principle, the Company adopts five step model, which are: a) Identify the contract(s) with customer(s); b) Identify the performance obligations under the contract(s); c) Determine the transaction price; d) Allocate the transaction price to the performance obligations in the contract(s); e) recognise revenue.

Contract Liabilities are recognised when there is an entity's obligation to transfer goods or services to a customer for which, the entity has received consideration from the customer. Revenue in excess of invoicing are classified as contract assets.

Revenue from the sale of goods is recognised at the point in time when control is transferred to the customer. Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation.

(v) Other Income

Other operational revenue represents income earned from the activities incidental to the business and is recognised when the right to receive the income is established as per the terms of the contract.

1.3.4 Financial liabilities

(i) Classification as debt or equity

Debt and equity instruments issued by a company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

(ii) Initial recognition and measurement

All financial liabilities are recognised initially at fair value and in case of loans net of directly attributable cost. Fees of recurring nature are directly recognised in profit or loss as finance cost.

(iii) Subsequent measurement

Financial liabilities are carried at amortised cost using the effective interest method. Other financial liabilities maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

(iv) Reclassification of financial liabilities

The Company does not reclassify its financial liabilities subsequent to their initial recognition.

(v) Derecognition of financial liabilities

Financial liabilities are derecognised when the Company's obligations are discharged, cancelled or have expired.

1.3.5 Taxes on Income

A. Current Tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, in accordance with the Income Tax Act, 1961 and the Income Computation and Disclosure Standards prescribed therein.

The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate. Current tax items are recognised in correlation to the underlying transaction either in other comprehensive income or directly in equity.

B. Deferred Tax

Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. The carrying amount of deferred tax assets and liabilities are reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset or deferred tax liabilities to be utilized. Unrecognized deferred tax assets/ deferred tax liabilities are reassessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset/ deferred tax liabilities to be recovered.

NOTES FORMING PART OF THE REVISED STANDALONE FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2025

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax items are recognized in correlation to the underlying transaction either in other comprehensive income or directly in equity.

1.3.6 Finance Costs

The finance costs includes interest on loans and borrowings from banks and financial institutions, interest on loans from group companies and interest on financial liabilities measured at amortised cost. The interest on financial liabilities is calculated as per the effective interest method.

1.4 Other Accounting Policies**1.4.1 Property, plant and equipment and depreciation****A. Property, plant and equipment**

- (i) Property, plant and equipment are stated at cost of acquisition or construction as the case may be, less accumulated depreciation and amortisation. For this purpose, cost includes deemed cost which represents the carrying value of property, plant and equipment recognised as at 1st April, 2018 measured as per the previous Generally Accepted Accounting Principles (GAAP). Cost includes expenses directly attributable to bringing the asset to their location and conditions necessary for it to be capable of operating in the manner intended by the management.

Subsequent cost are included in the asset's carrying amount or recognized as separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

- (ii) Property, plant and equipment not ready for the intended use on the date of the Balance Sheet are disclosed as "capital work in progress". Capital work-in-progress are carried at cost, less any recognised impairment loss.
- (iii) Property, Plant and Equipment are eliminated from financial statement, either on disposal or when retired from active use. Losses arising in the case of retirement of property, plant and equipment and gains or losses arising from disposal of property, plant and equipment are recognized in Statement of Profit and Loss in the year of occurrence.

B. Intangible assets

Intangible Assets (Other than Goodwill) acquired separately are stated at cost less accumulated amortization and impairment loss, if any. Intangible assets are amortized on straight line method basis over their useful life estimated by the management. Software is amortised over a period of 4 years.

Amortisation methods, useful lives and residual values are reviewed in each financial year end and changes, if any, are accounted for prospectively.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset are recognised in the Statement of Profit & Loss when the asset is derecognised.

C. Depreciation

Depreciation is calculated using the Written Down Value (WDV) method to allocate their cost, net of their residual values, over their estimated useful lives as specified in Schedule II to Companies Act, 2013.

Depreciation on additions is being provided on pro rata basis from the date of such additions.

Depreciation on assets sold, discarded or demolished during the year is being provided up to the dates till which such assets are sold, discarded or demolished.

The assets' residual values, useful lives and methods of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate.

1.4.2 Impairment of property, plant and equipment

An assessment is done at each balance sheet date as to whether there are any indications that an asset may be impaired. If any such indication exists, an estimate of the recoverable amount of the asset/Cash Generating Unit (CGU) is made. Where the carrying value of the asset/CGU exceeds the recoverable amount, the carrying value is written down to the recoverable amount.

NOTES FORMING PART OF THE REVISED STANDALONE FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2025

1.4.3 Cash and Cash Equivalents

Cash and Cash Equivalents includes cash in hand, deposits with Banks, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

1.4.4 Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement. If the effect of the time value of money is material, provisions are discounted using a current pre tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liability is disclosed in the case of:

- A present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation.
- A present obligation arising from past events, when no reliable estimate is possible:
- A possible obligation arising from past events, unless the probability of outflow of resources is remote.

Provisions, contingent liabilities & contingent assets are reviewed at each balance sheet date.

1.4.5 Employee benefits

(i) Defined Contribution Plan

Contributions to the Employees' Provident Fund, Superannuation Fund and Employees' Pension Scheme are recognized as defined contribution plan and charged as expenses during the period in which the employees perform the services.

(ii) Defined Benefit Plan

The Company's liabilities on account of gratuity and earned leave on retirement of employees are determined at the end of each financial year on the basis of actuarial valuation certificates obtained from Registered Actuary in accordance with the measurement procedure as per Indian Accounting Standard (Ind AS)-19., 'Employee Benefits' gratuity liability is funded on year-to-year basis by contribution to fund. The costs of providing benefits under these plan are also determined on the basis of actuarial valuation at each year end. Actuarial gains and losses for defined benefit plans are recognized through OCI in the period in which they occur. Re-measurements are not reclassified to Statement of Profit or Loss in subsequent periods.

Defined benefit plan can be short term or long terms which are defined below:

(a) Short-term employee benefits

All employees' benefits payable wholly within twelve months rendering services are classified as short term employee benefits. Benefits such as salaries, wages, short-term compensated absences, etc are recognized during the period in which the employee renders related service.

(b) Long-term employee benefits

Compensated absences which are not expected to occur within 12 months after the end of the period in which the employee renders the related services are recognized as a liability at the present value of the defined benefit obligation at the balance sheet date.

(iii) Termination benefits

Termination benefits are recognized as an expense in the period in which they are incurred. The Company shall recognise a liability and expense for termination benefits at the earlier of the following dates:

- (a) When the entity can no longer withdraw the offer of those benefits; and
- (b) When the entity recognises costs for a restructuring that is within the scope of Ind AS 37 and involves the payment of termination benefits.

1.4.6 Leases**A. Company as a lessee**

The Company assesses if a contract is or contains a lease at inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period time in exchange for consideration.

The Company assesses if a contract is or contains a lease at inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period time in exchange for consideration.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease, or, if not readily determinable, the incremental borrowing rate specific to the country, term and currency of the contract.

Lease payments can include fixed payments, variable payments that depend on an index or rate known at the commencement date, as well as any extension or purchase options, if the Company is reasonably certain to exercise these options. The lease liability is subsequently measured at amortized cost using the effective interest method and remeasured with a corresponding adjustment to the related right-of-use asset when there is a change in future lease payments in case of renegotiation, changes of an index or rate or in case of reassessments of options.

The right-of-use asset comprises, at inception, the initial lease liability, any initial direct costs and, when applicable, the obligations to refurbish the asset, less any incentives granted by the lessors. The right-of-use asset is subsequently depreciated, on a straight-line basis, over the lease term, if the lease transfers the ownership of the underlying asset to the Company at the end of the lease term or, if the cost of the right-of-use asset reflects that the lessee will exercise a purchase option, over the estimated useful life of the underlying asset. Right-of-use assets are also subject to testing for impairment if there is an indicator for impairment. Variable lease payments not included in the measurement of the lease liabilities are expensed to the statement of operations in the period in which the events or conditions which trigger those payments occur. In the statement of financial position right-of-use assets and lease liabilities are classified respectively as part of property, plant and equipment and short-term/long-term debt.

B. Company as a lessor

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease shall not be straight-lined, if escalation in rentals is in line with expected inflationary cost. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income.

Contingent rentals are recognised as revenue in the period in which they are earned.

1.4.7 Statement of Cash Flows

Statement of cash flows is prepared segregating the cash flows into operating, investing and financing activities. Cash flow from operating activities is reported using indirect method adjusting the net profit for the effects of:

- i) changes during the period in operating receivables and payables transactions of a non-cash nature;
- ii) non-cash items such as depreciation, provisions, deferred taxes, unrealised gains and losses; and
- iii) all other items for which the cash effects are investing or financing cash flows.

Cash and cash equivalents (including bank balances) shown in the Statement of Cash Flows exclude items which are not available for general use as on the date of Balance Sheet.

1.4.8 Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period.

The weighted average number of equity shares outstanding during the period and all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of share outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

NOTES FORMING PART OF THE REVISED STANDALONE FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2025

1.4.9 Dividends paid on equity shares

The Company recognises a liability to make cash distributions to equity holders of the company when the distribution is authorised and the distribution is no longer at the discretion of the Company. As per the corporate laws in India, a distribution is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

1.4.10 Standards issued but not yet effective

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

1.4.11 Significant accounting judgements, estimates and assumptions

The preparation of the Company's revised financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

A. Judgement

In the process of applying the Company's accounting policies, management has made the following estimates, assumptions and judgements, which have the most significant effect on the amounts recognised in the revised financial statements:

(i) Contingencies

Contingent liabilities may arise from the ordinary course of business in relation to claims against the Company, including legal, contractual, land access and other claims. By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence and potential quantum of contingencies inherently involves the exercise of significant judgement and the use of estimates regarding the outcome of future events.

B. Estimates and assumptions

The key assumptions concerning the future and other key sources of estimating the uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

(i) Taxes

Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

(ii) Defined benefit plans and other long term benefit plan (gratuity benefits and leave encashment)

The cost and present value of the defined benefit gratuity plan and leave encashment (other long term benefit plan) are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation and other long term benefits are highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the management considers the market yield on government bonds in currencies consistent with the currencies of the post-employment benefit obligation.

The mortality rate is based on publicly available mortality tables. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates for the respective countries.

(iii) Fair value measurement of financial instruments.

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changing in assumptions about these factors could affect reported fair value of financial instruments.

Estimation of fair value

The best evidence of fair value is current prices in an active market for similar properties. Investment properties leased out by the Company are cancellable leases. The market rate for sale/purchase of such premises are representative of fair values. Company's investment properties are at a location where active market is available for similar kind of properties. Hence in financial year 2022-23, fair value is ascertained on the basis of market rates prevailing for similar properties in those location determined by an independent registered valuer. Management estimates that there is no major change in fair valuation as on March 31, 2025 and March 31, 2024.

NOTES FORMING PART OF THE REVISED STANDALONE FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2025

(f) Sensitivity analysis

(All amount in ₹ Lakhs, except otherwise stated)

Particulars	Change in Assumptions	Increase/(decrease) in Gratuity Obligations March 31, 2025
Discount rate	+0.50%	(0.66)
	-0.50%	0.69
Salary Growth rate	+0.50%	0.69
	-0.50%	(0.67)

The above sensitivity analysis is based on change in an assumption while holding all other assumption constant in practice, this is unlikely to occur, and change in some of the assumption may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumption the same method [projected unit credit method] has been applied as when calculating the defined benefit obligation recognized within the balance sheet.

(g) Estimate of expected benefit payments

Particulars	As at 31 st March, 2025	As at 31 st March, 2024

2-5 Years	40.35	33.63
more than 5 Years	2.19	1.61

42 (A) Fair valuation techniques

The Company maintains policies and procedures to value financial assets or financial liabilities using the best and most relevant data available. The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following methods and assumptions were used to estimate the fair values

- Fair value of cash and bank, loans and other financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.
- Fair value of borrowings from banks and other financial liabilities, are estimated by discounting future cash flows using rates currently available for debt on similar terms and remaining maturities.
- Fair value of investments in associates and subsidiaries are measured at cost hence not disclosed in above table.

42 **(B) Fair Value hierarchy**

All financial assets and liabilities for which fair value is measured in the revised financial statements are categorised within the fair value hierarchy, described as follows

Level 1 - Quoted prices in active markets

Level 2 - Inputs other than quoted prices included within Level 1 that are observable, either directly or indirectly

Level 3 - Inputs that are not based on observable market data.

The following table presents the fair value measurement hierarchy of financial assets and liabilities, which have been measured subsequent to initial recognition at fair value as at 31st March, 2025 and 31st March 2024

Particulars	As at 31 st March, 2025		
	Level 1	Level 2	Level 3
Financial Assets			
Investment in mutual funds	10,638.37	-	-
Investment in Equity Shares	-	-	1,998.51
Financial Liabilities	-	-	-

Particulars	As at 31 st March, 2024		
	Level 1	Level 2	Level 3
Financial Assets			
Investment in mutual funds	6,204.69	-	-
Investment in Equity Shares			2,005.39
Financial Liabilities			-

During the year ended 31st March, 2025 and 31st March, 2024, there were no transfers between Level 1 and Level 2 fair value measurements, and no transfer into and out of Level 3 fair value measurements.

Fair value of quoted investments are based on quoted market price at the reporting date. Fair value of unquoted mutual funds are based on net assets value (NAV) at the reporting date. The fair value of unquoted investments in preference shares are estimated by discounting future cash flows using rates currently available for debt on similar terms, credit risk and remaining maturities. The fair value of unquoted investments in equity shares are estimated on net assets basis.

43 Financial risk management objectives and Policies

The Company's activities are exposed to a variety of financial risks from its operations. The key financial risks include market risk (including interest rate risk and foreign currency risk), credit risk and liquidity risk. The Company's overall risk management policy seeks to minimize potential adverse effects on Company's financial performance.

- (i) **Market risk:** Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk includes interest rate risk and foreign currency risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.
 - (a) **Interest Rate Risk:** Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Any change in the interest rates environment may impact future rates of borrowing. The Company mitigates this risk by regularly assessing the market scenario, finding appropriate financial instruments, interest rate negotiation with the lenders for ensuring the cost effective method of financing.
 - (b) **Foreign Currency Risk:** Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company has long term investment in foreign group Company. Therefore Company's exposure to foreign currency risk is limited.

- (ii) **Credit risk:** The Company being an investment company, credit risk refers to the risk that a counterparty may default on its contractual obligations leading to a financial loss to the Company. Credit risk primarily arises from cash equivalents, financial assets measured at amortised cost and financial assets measured at fair value through profit or loss.

Credit risk arises primarily from financial assets such as loans and other receivables and other balances with banks. The major investments of the Company is in the group companies which includes investment in subsidiary Companies and associates. The Company has also made investments in quoted equity shares and units of mutual funds on the basis of risk and returns of the respective equity shares and mutual fund scheme.

The Company applies expected credit losses (ECL) model for measurement and recognition of loss allowance on financial assets measured at amortised cost

- (iii) **Liquidity Risk:** Liquidity risk is the risk, where the company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when due. The table below summarizes the maturity profile of Company's financial liabilities based on contractual undiscounted payments :-

NOTES FORMING PART OF THE REVISED STANDALONE FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2025

- (iv) **Price risk:** The Company's exposure to equity securities risk arises from investments held by the Company and classified in the Balance Sheet as fair value through OCI / valued at cost. The Company's exposure to securities price risk arises from investments held in mutual funds and classified in the balance sheet at fair value through profit or loss. NAV of these investments are available from the mutual fund houses. To manage its price risk arising from such investments, the company diversifies its portfolio.

44 Capital risk management

The Company operates as an Investment Company and consequently is registered as a Non-Banking Financial Institution – Core investment Company -Non deposit taking- systemically important (NBFC-CIC-ND-SI) with Reserve Bank of India (RBI). The Company's policy is to maintain an adequate capital base so as to have market confidence and to sustain future development. Capital includes issued capital, share premium and all other equity reserves attributable to equity holders. The primary objective of the Company's capital management is to maintain an optimal structure so as to maximize the shareholder's value. In order to strengthen the capital base, the Company may use appropriate means to enhance or reduce capital, as the case may be.

The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. Net Debt is calculated as borrowings less cash and cash equivalents.

REVISED INDEPENDENT AUDITOR'S REPORT

To the Members of BENGAL & ASSAM COMPANY LIMITED

Report on the Audit of the Revised Consolidated Financial Statements

This Report supersedes our report on consolidated financial statements dated May 29, 2025.

Opinion

We have audited the accompanying revised consolidated financial statements of Bengal & Assam Company Limited ("the Holding") and its subsidiaries, (the Holding Company and its subsidiaries together referred to as the "Group") which includes the Group's share of profit/(loss) in its associates, which comprise the revised consolidated balance sheet as at March 31, 2025 and the revised consolidated statements of profit and loss (including other comprehensive income), the revised consolidated statement of changes in equity and the revised consolidated statement of cash flows for the year ended on that date and notes to the revised consolidated financial statements, including Summary of material accounting policies and other explanatory information (hereinafter referred to as "the revised consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements of such subsidiaries, as were audited by the other auditors and in case of entities referred to in the other matters section of our report below, based on consideration of management certified statements the aforesaid revised consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2025, the consolidated profit (including other comprehensive income), the consolidated changes in equity and consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Revised consolidated financial statements section of our report. We are independent of the Group and its associates in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the revised consolidated financial statements under the provisions of the Act and the rules made thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us along with the consideration of reports of the other auditors referred to in "other matters" paragraph below is sufficient and appropriate to provide a basis for our opinion on the revised consolidated financial statements.

Emphasis of Matter

We draw attention to Note 1 and Note 32 of the revised consolidated financial statements, which describes the basis of preparation and the Composite Scheme of Arrangement ("the Scheme") amongst Umang Dairies Limited ("UDL" or the "Demerged Company"), Bengal & Assam Company Limited ("BACL" or the "Resulting Company 2"), and Panchmahal Properties Limited ("PPL" or the "Resulting Company 1"), a wholly-owned subsidiary of BACL, pursuant to the provisions of Sections 230 and 232 of the Companies Act, 2013. The Scheme involves the demerger of the Dairy Business Undertaking of UDL and its transfer to and vesting into PPL and the amalgamation of the residual undertaking of UDL with and into BACL with effect from the appointed date, i.e., April 1, 2023.

The Scheme has been sanctioned by the Hon'ble National Company Law Tribunal (NCLT) Benches at Kolkata and Allahabad, vide orders dated May 22, 2025 and May 26, 2025 respectively. Certified copies of the orders were filed with the respective Registrar of Companies on June 17, 2025, upon which the Scheme became effective. Accordingly, the consolidated financial statements for the year ended March 31, 2025 have been prepared after giving effect to the Scheme from the Appointed Date.

As per the requirements of Appendix C to Ind AS 103 "Business Combination", the merger has been given effect to as if it has occurred from the beginning of the preceding period (i.e April 1, 2023) in the revised consolidated financial statements.

We issued a separate auditor's report dated May 29, 2025 on these consolidated financial statements to the members of the Company. The aforesaid petition having been approved subsequently, the Company has now prepared revised consolidated financial statements incorporating the impact of the merger from April 1, 2023. In accordance with the provisions of Standard on Auditing 560 (Revised) 'Subsequent Events' issued by The Institute of Chartered Accountants of India, our audit procedures, in so far as they relate to the revision to the consolidated financial statements, have been carried out solely on this matter and no additional procedures have been carried out for any other events occurring after May 29, 2025 (being the date of our earlier audit report on the earlier consolidated financial statements). Our earlier audit report dated May 29, 2025 on the earlier consolidated financial statements is superseded by this revised report on the consolidated financial statements.

Our opinion is not modified in respect above matters.

NOTES FORMING PART OF THE REVISED CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2025

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the revised consolidated financial statements for the financial year ended March 31, 2025. These matters were addressed in the context of our audit of the revised consolidated financial statements as a whole and in forming our opinion thereon and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report. The results of audit procedures performed by us and by other auditors of components not audited by us, as reported by them in their audit reports furnished to us by the management, including those procedures wherever performed to address the matters below, provide the basis for our audit opinion on the accompanying revised consolidated financial statements.

KEY AUDIT MATTER	RESPONSE TO KEY AUDIT MATTER
<p>Revenue From Operation (JK Agri Genetics Limited)</p> <p>As disclosed in Note 1.3 (x) to the standalone financial statements, revenue is measured based on transaction price, which is the consideration, after deduction of estimated sales returns, discounts and indirect taxes. Estimation of sales returns involves significant judgement and estimates. The estimation is dependent on various internal and external factors. These factors include, for example, the length of time when a sale is made and when the sales return takes place, some of which are beyond the control of the Company.</p> <p>We identified the evaluation of accrual for sales returns and discounts as a key audit matter because: The recognition and measurement of discounts involves significant judgement and estimates, particularly the expected level of claims of each of the customers. Assumption of level of customer wise claims for discounts relates to estimating which of the Company's customers will ultimately be subject to a related discount. Evaluating the assumption of expected returns based on experience and level of customer wise claims for discounts underlying the estimate of accrual involves challenging auditor judgment.</p>	<p><u>Principle Audit Procedures</u></p> <p>Our audit procedures included following:</p> <ul style="list-style-type: none"> • Understanding the process followed by the Company to determine the amount of accrual of sales returns and discounts; • Evaluating the accounting policies of the Company regarding accounting for sales returns and discounts and its compliance with the applicable financial reporting framework; • Performing substantive testing by checking underlying inputs used for estimating sales return accruals. Performing substantive testing by selecting samples of discounts recorded during the year as well as period end discounts and matching the parameters used in the computation with the relevant source documents; • Comparing actual returns and discounts post year-end to the estimated accruals to assess the historical accuracy of management's estimates. • Assessing the adequacy of the related disclosures in the financial statements
<p>Inventory (JK Agri Genetics Limited)</p> <p>Various procedures are involved in validating inventory quantities across locations. The provisions are made as per policy which requires significant judgement. Given the level of judgement involved and the potential financial impact, we identified this area as a key audit matter.</p>	<p><u>Principle Audit Procedures</u></p> <p>Our audit approach was a combination of test of internal controls and substantive procedures which included the following:</p> <ul style="list-style-type: none"> • Assessed and tested the design and operating effectiveness of key controls over inventory management and valuation. • Identified and assessed slow moving material for valuation and the process of revalidation to identify obsolescence. • Item wise Inventory reconciliation considering opening & closing stock, purchases, sales, revalidation losses and provisions. • Reviewed the policy of physical verification of inventory by the management and its operational implementation. • Independent and signed confirmations from Carrying & Forwarding agents, other third parties for confirmation of inventory in their possession. • Assessed the appropriateness and completeness of the related disclosure.

Information other than the Revised Consolidated Financial Statements and Revised Auditor's report thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information, such as Directors' Report And Management Discussion and Analysis, Corporate Governance Report, Business Responsibility & Sustainability Report included in the Annual Report, but does not include the revised consolidated financial statements and our revised auditor's report thereon. The annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the revised consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the revised consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the revised consolidated financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the applicable laws and regulations.

Management's and Board of Directors' Responsibilities for the Revised Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these revised consolidated financial statements that give a true and fair view of the revised consolidated financial position, revised consolidated financial performance including other comprehensive income, revised consolidated statements of changes in equity and consolidated cash flows of the Group and of its associates in accordance with Ind AS and other accounting principles generally accepted in India. The respective Boards of Directors and Management of the Companies included in the Group and its associates are responsible for the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its associates and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the Companies included in the Group and its associates are responsible for assessing the ability of the Group and its associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Boards of Directors either intends to liquidate their respective entities or to cease operations, or have no realistic alternative but to do so.

The respective Boards of Directors of the Companies included in the Group and its associates are also responsible for overseeing the financial reporting process of the Group and its associates.

Auditor's Responsibilities for the Audit of the Revised Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the revised consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these revised consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the revised consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to revised consolidated financial statements in place and the operating effectiveness of such controls.

NOTES FORMING PART OF THE REVISED CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2025

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the revised consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the revised consolidated financial statements, including the disclosures and whether the revised consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group and its associates to express an opinion on the revised consolidated financial statements, of which we are the independent Auditors. We are responsible for the direction, supervision and performance of the audit of the financial information of such entities. For the other entities included in the revised consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in the section titled "Other Matters" in this audit report.

Materiality is the magnitude of misstatements in the revised consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the revised consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the revised consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the revised consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the revised consolidated financial statements for the financials year ended March 31, 2025 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- a. We did not audit the financial statements of four subsidiaries and six step- down subsidiaries whose standalone/consolidated financial statements reflect total assets of Rs. 2,49,786.45 Lakhs as at March 31 2025, total revenue of Rs. 1,97,901.86 Lakhs, total net profit after tax of Rs. 19,948.53 Lakhs, total comprehensive income of Rs. 19,489.21 Lakhs for the year ended March 31, 2025 respectively and net cash inflow of Rs. 4,317.77 Lakhs for the year ended on that date, as considered in the revised consolidated financial statements. The revised consolidated financial statements also includes the Group's share of profit after tax of Rs.45,641.49 Lakhs and total comprehensive income of Rs. 41,035.05 Lakhs for the quarter and year ended March 31, 2025, respectively, as considered in the revised consolidated financial statements, in respect of ten associates whose standalone/consolidated financial statements have not been audited by us. These standalone/ consolidated financial statements have been audited by other auditors, whose reports have been furnished to us by the Board of Directors and our opinion on the revised consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and associates, is based solely on the report of such auditors and the procedures performed by us are as stated under Auditor's Responsibilities for the Audit of the Revised Consolidated Financial Statements section above.
- b. We did not audit the financial statements of one step down subsidiary incorporated outside India, whose unaudited financial statements reflect total assets of Rs. 9,271.06 Lakhs as at March 31, 2025, total revenue of Rs.17,222.87 Lakhs, total net profit after tax Rs. 280.54 Lakhs, total comprehensive income of Rs.243.89 Lakhs for the year ended March 31, 2025

respectively and net cash flows Rs. 419.43 Lakhs for the year ended on that date, as considered in the revised consolidated financial statements. These financial statements have been certified by its management as per applicable accounting standards of its country of incorporation and The Holding Company's management converted the financial statements of the subsidiary located outside India from accounting principles generally accepted in the country of incorporation to accounting principles generally accepted in India. These financial statements are unaudited and our opinion on the revised consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of said subsidiary, is based solely on such unaudited financial statements. In our opinion and according to the information and explanations given to us by the management, these financial statements are not material to the Group.

- c. The comparative financial information of the Company for the year ended March 31, 2024 in these consolidated financial statements, are based on the previously issued consolidated financial statements prepared in accordance with the Indian Accounting Standards referred in section 133 of the Companies Act'2013 audited by the predecessor auditor whose report for the year ended March 31, 2024 dated May 30, 2024 respectively expressed an unmodified opinion on those consolidated financial statements., as adjusted for impact of the scheme of amalgamation, as referred in "Emphasis of Matter" which has been audited by us. Our opinion is not modified in respect of this matter.

Our opinion on the revised consolidated financial statements and our report on Other Legal and Regulatory Requirements below, is not modified in respect of above matter with respect to our reliance on the work done and the report of the other auditor.

Report on Other Legal and Regulatory Requirements

- (ii) The Holding Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
- (iii) There has been no delay in transferring amounts to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies, associate companies incorporated in India.
- (iv)
 - a. The respective management of the Holding Company and its subsidiaries and associates, which are companies incorporated in India, have represented to us that to the best of their knowledge and belief that No funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company and its subsidiaries and associates to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company and its subsidiaries and associates ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - b. The respective management of the Holding Company and its subsidiaries and associates, which are companies incorporated in India, have represented to us to the best of their knowledge and belief that no funds (which are material either individually or in the aggregate) have been received by the Holding Company and its subsidiaries and associates from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company and its subsidiaries and associates shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - c. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances and based on audit reports of other auditors, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- (v) With respect to Dividend:
 - a. The final dividend proposed in the previous year, declared and paid by the Holding Company, its subsidiary companies and three associate companies, whose audit reports have been provided to us, during the year is in accordance with Section 123 of the Act, as applicable.
 - b. The interim dividend declared and paid by a subsidiary company whose audit reports have been provided to us, is in compliance with Section 123 of the Act.
 - c. The Preference dividend paid by a associate company whose audit reports have been provided to us, for the year 2024-25 to Preference Shareholders is in compliance with Section 123 of the Act.
 - d. The Board of Directors of the Holding Company and the Board of Directors of a subsidiary company and three associate companies whose audit reports have been provided to us, have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting of the respective companies. The amount of dividend proposed is in accordance with Section 123 of the Act, as applicable.
- (vi) Based on our examination, which included test checks, and that performed by the respective auditors of the subsidiary companies, step-down subsidiary companies, and associate companies incorporated in India whose financial statements/ financial information have been audited under the Act, the Holding Company, its subsidiary companies, step-down subsidiary companies, and associate company have used accounting software for maintaining their books of account which has a feature of recording audit trail (edit log) facility, and the same has been operated throughout the year for all transactions recorded in the accounting software, and the audit trail feature has not been tampered with, except for the instances mentioned below:
 - a. In case of a subsidiary company and a step-down subsidiary of subsidiary company, the feature of recording audit trail (edit log) facility was not enabled for (i) direct changes made to data in the underlying database level and (ii) in the application when using certain privileged access rights.
 - b. In case of a subsidiary company, the feature of recording audit trail (edit log) facility was not operate throughout the year at the database level and the application level, where not all relevant data tables were enabled to track changes.
 - c. In case of a subsidiary company, the accounting softwares for maintaining its books of account which has a feature of recording audit trail (edit log) facility and has operated throughout the year for all relevant transactions recorded in the respective software, except in respect of software used for recording of milk procurement where feature of recording audit trail (edit log) facility was not enabled at the database level to log any direct data changes.

- d. In case of two step-down subsidiaries of subsidiary company, the accounting software Tally Prime for maintaining its books of accounts for the financial year ended March 31, 2025 which has a feature of recording audit trail (edit log) facility except audit trail functionality at the database level due to inherent limitations of the software and the same has operated throughout the year for all relevant transactions recorded in the accounting software systems.
 - e. In case of a associate company, the PPE (Property, Plant, and Equipment) software used by the company did not have an audit trail feature enabled, consequently, there was no audit trail maintained for transactions recorded within this particular software for the whole year.

Annexure B to Independent Auditor's Report of even date to the members of Bengal & Assam Company Limited on the Consolidated Financial Statements as of and for the year ended on March 31, 2025 (refer to in paragraph 2(A)(g) of our report on other legal and regulatory requirements)

Report on the internal financial controls with reference to the revised consolidated financial statements under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the revised consolidated financial statements of the Company as at and for the year ended March 31, 2025, we have audited the internal financial controls with reference to revised consolidated financial statements of Bengal & Assam Company Limited (hereinafter referred to as "the holding company") and its subsidiary companies (the holding company and its subsidiaries together referred to as 'the Group') and associate companies, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Group and its associate companies which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal financial controls over the financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('Guidance Note') issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to revised consolidated financial statements of the Group and its associate companies which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the ICAI prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to revised consolidated financial statements and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to revised consolidated financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to revised consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to revised consolidated financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the revised consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to revised consolidated financial statements of the Group and its associate companies as aforesaid.

Meaning of Internal Financial Controls with reference to Revised Consolidated Financial Statements

A Company's internal financial controls with reference to revised consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and Directors of the company and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the revised consolidated financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls with reference to revised consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to revised consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to revised consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, based on the information provided to us, the explanations given, and the reports of other auditors referred to in the “Other Matters” paragraph, the Group, its associate companies which are companies incorporated in India have, in all material respects, adequate internal financial controls with reference to revised consolidated financial statements. These controls were operating effectively as of March 31, 2025, based on the criteria established by the respective companies, considering the essential components of internal control as stated in the Guidance Note issued by the ICAI.

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to revised consolidated financial statements, in so far as it relates to three direct subsidiary companies, five step-down subsidiary of subsidiary companies and six associate companies, which are companies incorporated in India, is based on the corresponding reports of the auditors of such Companies incorporated in India. Our opinion is not modified in respect of the above matter.

NOTES FORMING PART OF THE REVISED CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2025

1.1 The Group overview:

Bengal & Assam Company Limited is a Public Limited Company Incorporated under the Companies Act, 2013 having its Registered Office at 7, Council House Street, Kolkata, West Bengal-700001. The Company is a Core Investment Company-Non Deposit Taking-Systemically Important (CIC-ND-SI) registered with the Reserve Bank of India (RBI). As a Core Investment Company, the Company is holding investments in its subsidiaries, other group companies, money market mutual funds and carries out only such activities as are permitted under the guidelines issued by RBI for NBFC. Equity Shares of the Company are listed on BSE Limited (BSE), India.

The revised consolidated financial statements comprise financial statements of Bengal & Assam Company Limited (the 'Company'), its subsidiary, associates and joint venture (collectively, the 'Group') for the year ended 31st March, 2025.

The revised consolidated financial statements are authorised for issue by the Board of Directors of the Company at their meeting held on 13th August 2025. The earlier consolidated financial statements of the Company for the year ended 31st March 2025 were first approved by the Board of Directors on 29th May 2025. The earlier consolidated financial statements of the Company are being revised pursuant to an approved Scheme of Arrangement, the details of which are stated in Note No 33.

1.2 Basis of Preparation and consolidation

(i) Basis of Preparation

These revised consolidated financial statements of the Group have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 ('the Act') read together with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time and other relevant provisions of the Act and the RBI guidelines/regulations to the extent applicable.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. The financial statements are presented in INR and all values are rounded to the nearest INR Lakhs, except when otherwise indicated.

(ii) Basis of Consolidation

- a) The Financial Statements of the parent company and its subsidiaries have been consolidated on a line by line basis by adding together the book value of like items of assets, liabilities, income and expenses, after eliminating Intra-group balances, Intra-group transactions and unrealised profits or losses in accordance with Ind AS 110 – "Revised Consolidated Financial Statements". The deferred tax to be recognised for temporary differences arises from elimination of profits and losses resulting from intra group transactions. Information have been disclosed to the extent available from component companies' audited financial statements.
- b) Non-controlling Interest represents the equity in a subsidiary not attributable, directly or indirectly to a Parent. Non-controlling interest in the net assets of the subsidiaries being consolidated is identified and presented in the consolidated Balance Sheet separately from the equity attributable to the Parent's shareholders and liabilities. Profit or loss and each component of other comprehensive income are attributed to Parent and to the non-controlling interest.
- c) In case of associates, where Company holds directly or indirectly through subsidiaries 20% or more equity or/and exercises significant influence, Investments are accounted for by using equity method in accordance with Ind AS 28 – "Investments in Associates and Joint Ventures".
- d) Post-acquisition, the Company accounts for its share in the change in net assets of the associates (after eliminating unrealised profits and losses resulting from transactions between the Company and its associates to the extent of its share), through its statement of profit and loss, other comprehensive income and through its reserves for the balance.
- e) The difference between the cost of investment and the share of net assets at the time of acquisition of shares in the subsidiaries and associates is identified in the financial statements as Goodwill or Capital Reserve as the case may be. However, for associates, Goodwill is not separately recognised but included in the value of investments.
- f) In case of foreign subsidiaries, revenue items are consolidated at the average exchange rate during the year. All assets and liabilities are translated at year end exchange rate. The resulting exchange differences are recognised as Other Comprehensive Income/(Loss) and disclosed accordingly.
- g) The revised Consolidated Financial Statements comprise of the financial statements of Bengal & Assam Company Limited (Parent Company) and the following as on 31st March 2025:

BENGAL & ASSAM COMPANY LIMITED

NOTES FORMING PART OF THE REVISED CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2025

- h) **Subsidiaries:** The Control in subsidiary is gained when the Company is exposed, or has rights, to variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. Generally, there is a presumption that a majority of voting rights result in control. To support this presumption and when the Company has less than a majority of the voting or similar rights, it considers all relevant facts and circumstances in assessing the control including the contractual arrangements, potential voting rights, right to direct relevant activities of entity.

(iii) Basis of Measurement

The revised consolidated financial statements have been prepared on accrual basis and under the historical cost convention except for the items that have been measured at fair value as required by relevant Ind AS.

(iv) Fair value measurement

Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

BENGAL & ASSAM COMPANY LIMITED

NOTES FORMING PART OF THE REVISED CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2025

(All amount in ₹ Lakhs, except otherwise stated)

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non- financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy in which they fall.

(v) Financial/ Non- Financial assets and liabilities

Division III to Schedule III requires all items in the balance sheet of a NBFC to be classified as either financial or non-financial and be reflected as such. Further, para 54 of Ind AS 1 also specifies a requirement of presenting financial assets and financial liabilities as line items on the balance sheet separately from other items.

(vi) Use of Estimates

The preparation of the revised consolidated financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed in notes to the financial statements.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the revised consolidated financial statements.

1.3 Material accounting policies:

The material accounting policies to prepare consolidated financial statements are in uniformity with the standalone financial statements of the Company and subsidiaries. Following are the additional policies specifically considered for preparation of consolidated financial statements.

Business Combination:

Business Combinations are accounted for using the acquisition method. The cost of acquisition is measured at the aggregate of the fair values at the date of exchange of assets given, liabilities incurred or assumed and equity instruments issued by the Company in exchange for control of the acquiree. The acquiree's identifiable assets, liabilities and contingent liabilities that meet the recognition criteria are stated at their fair values at the acquisition date except certain assets and liabilities required to be measured as per the applicable standard.

The interest of non-controlling shareholders in the acquiree is initially measured at the non-controlling shareholders' proportionate share of the acquiree's identifiable net assets.

The following methods and assumptions were used to estimate the fair values

- Fair value of cash and bank, trade receivables, trade payables, loans and other financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.
- Fair value of borrowings from banks and other financial liabilities, are estimated by discounting future cash flows using rates currently available for debt on similar terms and remaining maturities.
- Fair value of Investments in quoted Equity Shares/mutual funds are based on quoted market price/NAV at the reporting date.
- Fair value of investments in associates are measured at cost.

48. (B) Fair Value hierarchy

All financial assets and liabilities for which fair value is measured in the financial statements are categorised within the fair value hierarchy, described as follows

Level 1 - Quoted prices / net assets values in active markets

Level 2 - Inputs other than quoted prices included within Level 1 that are observable, either directly or indirectly

Level 3 - Inputs that are not based on observable market data.

The following table presents the fair value measurement hierarchy of financial assets and liabilities, which have been measured subsequent to initial recognition at fair value as at 31st March, 2025 and 31st March 2024:

Particulars	As at 31st March, 2025

Investment in Bonds		4,486.91	
Investment in Preference Shares	-	-	11,805.15
Investment in Equity Shares	-	-	2,005.39

During the year ended 31st March, 2025, there were no transfers between Level 1 and Level 2 fair value measurements, and no transfer into and out of Level 3 fair value measurements. There is no transaction / balance under level 3.

Fair value of quoted investments are based on quoted market price at the reporting date. Fair value of unquoted mutual funds are based on net assets value (NAV) at the reporting date. The fair value of unquoted investments in preference shares are estimated by discounting future cash flows using rates currently available for debt on similar terms, credit risk and remaining maturities. The fair value of unquoted investments in equity shares are estimated on net assets basis.

49 Financial risk management objectives and Policies

The Group's activities are exposed to a variety of financial risks from its operations. The key financial risks include market risk (including interest rate risk and foreign currency risk), credit risk and liquidity risk. The Group's overall risk management policy seeks to minimize potential adverse effects on Group's financial performance.

- (i) **Market risk:** Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices.

Market risk includes interest rate risk and foreign currency risk: The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

- (a) **Interest Rate Risk:** Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Any change in the interest rates environment may impact future rates of borrowing. The Group mitigates this risk by regularly assessing the market scenario, finding appropriate financial instruments, interest rate negotiation with the lenders for ensuring the cost effective method of financing.

Interest Rate Sensitivity: The following table demonstrates the sensitivity to a reasonable possible change in interest rate on financial assets affected. With all other variable held constant, the Group's profit before tax is affected through the impact on finance cost with respect to our borrowing, as follows:

A change in 50 basis points in interest rates would have following impact on profit before tax

Particulars	For the year ended on 31 st March, 2025	For the year ended on 31 st March, 2024
Change in basis point	+50	+50
Effect on profit before tax	(165.86)	(130.57)
Change in basis point	-50	-50
Effect on profit before tax	165.86	130.57

- (b) **Foreign Currency Risk:** Foreign Currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Group has obtained foreign currency borrowings and has foreign currency trade payables and receivables and is therefore, exposed to foreign exchange risk. After taking cognisance of the natural hedge, the Group takes appropriate hedges to mitigate its risk resulting from fluctuations in foreign currency exchange rate(s).

(All amount in ₹ Lakhs, except otherwise stated)

Foreign Currency Sensitivity: The following table demonstrates the sensitivity to a reasonably possible change in foreign currencies with all other variables held constant. The impact on group's profit before tax due to changes in the foreign exchange rate is as follows:

Currencies	Change in currency exchange ratio (bps)	Effect on Profit before tax for the year ended 31.03.2025	Effect on Profit before tax for the year ended 31.03.2024
USD	+25	29.92	42.44
	-25	(29.92)	(42.44)
Euro	+25	1.52	3.05
	-25	(1.52)	(3.05)
GBP	+25	0.02	0.10
	-25	(0.02)	(0.10)
RUB	+25	-	5.94
	-25	-	(5.94)

- (ii) **Credit risk:** The parent company being an investment company, credit risk refers to the risk that a counterparty may default on its contractual obligations leading to a financial loss to the Company. Credit risk primarily arises from trade receivables and other receivables, cash equivalents, financial assets measured at amortised cost and financial assets measured at fair value through profit or loss.

In case of subsidiary companies, Credit risk is the risk that counterparty might not honor its obligations under a financial instrument or customer contract, leading to a financial loss. The company is exposed to credit risk from its operating activities (primarily trade and other receivables).

The major investments of the Group is in the group companies which includes investment in associates. The Group has also made investments in quoted equity shares and units of mutual funds on the basis of risk and returns of the respective equity shares and mutual fund scheme.

Trade and other Receivables: Customer credit risk is managed based on company's established policy, procedures and controls. The company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors. Credit risk is reduced by receiving pre-payments and export letter of credit to the extent possible. The Company has a well defined sales policy to minimize its risk of credit defaults. Outstanding customer receivables are regularly monitored and assessed. Impairment analysis is performed based on historical data at each reporting date on an individual basis. However a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively.

The Group applies expected credit losses (ECL) model for measurement and recognition of loss allowance on financial assets measured at amortised cost, wherever required.

- (iii) **Liquidity Risk:** Liquidity risk is the risk, where the Group will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Group's approach is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Group's reputation. The table below summarizes the maturity profile of Group's financial liabilities based on contractual undiscounted payments :-

50 Capital risk management

The Group's objective to manage its capital is to ensure continuity of business while at the same time provide reasonable returns to its various stakeholders but keep associated costs under control. In order to achieve this, requirement of capital is reviewed periodically with reference to operating and business plans that take into account capital expenditure and strategic investments. Apart from internal accrual, sourcing of capital is done through judicious combination of equity and borrowing, both short term and long term. Net debt (total borrowings less cash & cash equivalents) to equity ratio is used to monitor capital. No changes were made to the objectives, policies or processes for managing capital during the years.
