IMPORTANT NOTES :

(Forming part of the Notice convening the said 34th Annual General Meeting)

Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 ('the Act'), which sets out details relating to Special Business (being considered unavoidable by the Board of Directors) at the meeting, is attached with this Notice of 34th Annual General Meeting ('AGM').

In terms of Section 152 of the Companies Act, 2013, Mrs. Shipra Dey, whole-time Director, retires by rotation at the AGM and being eligible, offers herself for re-appointment. The Nomination and Remuneration Committee and the Board of Directors of the Company recommended her re-appointment.

Details of Director seeking appointment/re-appointment in AGM pursuant to Secretarial Standard on General Meetings (SS-2) and Regulation 36(3) of the SEBI LODR regulations are annexed to this Notice of AGM.

A. General instructions for accessing and participating in the 34th AGM through VC/OAVM Facility and voting through electronic means including remote e-voting

1. The Ministry of Corporate Affairs ('MCA') vide its General Circular Nos. 14/2020, 17/2020, 20/2020, 02/2021, 21/2021, 10/2022, 9/2023 and 09/2024 dated April 8, 2020, April 13, 2020, May 5, 2020, January 13, 2021, December 14, 2021, December 28, 2022, September 25, 2023 and September 19, 2024 respectively ('MCA Circulars'), read with SEBI Circulars dated 12.05.2020 and subsequent circulars issued in this regard, the latest being Circular dated 03.10.2024 ('SEBI Circulars') had permitted to hold AGM through Video Conferencing ('VC')/ Other Audio Visual Means ('OAVM') facility without the physical presence of the Members at a common venue. In compliance with the Circulars, the relevant provisions of the Companies Act, 2013 (as amended) (the "Act") and the rules made thereunder and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) (the "Listing Regulations"), 34th AGM of the Company is being held through VC/OAVM facility.

In compliance with the applicable provisions of the Act, SEBI Listing Regulations, MCA Circulars and SEBI Circulars, the 34th AGM of the Company will be held through VC/OAVM on Monday, 22.09.2025 at 11.30 a.m. (IST). The proceedings of the AGM will be deemed to be conducted at the Registered Office of the Company situated at 6, Tottee Lane, Kolkata-700 016.

2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 ("the Act") read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars, the Company is providing facility of remote e-voting to its Members in respect of the businesses to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e- voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
3. The Members can join the 34th AGM of the Company in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the 34th AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the 34th AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the 34th AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since AGM is being held pursuant to MCA Circulars through VC/OAVM facility, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the proxy form, attendance slip and rout map are not annexed to this Notice.

6. In line with the MCA Circulars and the SEBI Circulars, the Notice of AGM along with Annual Report for the Financial Year, 2024-25 is being sent only through electronic mode to those whose email addresses are registered with the company/depositories. Members may note that the Notice and Annual Report have been uploaded on the website of the Company at www.sreeleathers.com. C. THE INSTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:

- i. The voting period begins on 19th September, 2025 at 09.00 a.m. and ends on 21st September, 2025 at 5.00 p.m. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date 15th September, 2025 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020 under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- iv. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Explanatory Statement relating to the business mentioned in Item No. 3, of the accompanying Notice of the Annual General Meeting (AGM) is given below:

Item no. 3: Appointment of Secretarial Auditor

This explanatory statement is provided in accordance with Regulation 36(5) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"). In accordance with the provisions of Section 204 and other applicable provisions of the Companies Act, 2013, read with Rule 9 of the Companies (Appointment & Remuneration of Managerial Personnel) Rules, 2014 (including any statutory modification(s) or re-enactment(s) thereof, for the time being in force) ("the Act"), every listed company and certain other prescribed categories of companies are required to annex a Secretarial Audit Report, issued by a Practicing Company Secretary, to their Board's report, prepared under Section 134(3) of the Act. Furthermore, pursuant to recent amendments to Regulation 24A of the SEBI Listing Regulations, every listed entity is required to conduct a Secretarial Audit and annex the Secretarial Audit Report to its annual report.

The amendments introduced by the SEBI (Listing Obligations and Disclosure Requirements) (Third Amendment) Regulations, 2024, notified on 12.12.2024, now require every listed company to appoint or re-appoint secretarial auditor, with the approval of its shareholders in its annual general meeting.

Accordingly, based on the recommendation of the Audit Committee, the Board of Directors has approved the appointment of M/s. S.A. & Associates), Company Secretaries, as the Secretarial Auditors of the Company for a period of five years, commencing from Financial Year 2025-26 to F.Y. 2029-30. The appointment is subject to shareholders' approval at the Annual General Meeting.

While recommending S.A. & Associates for appointment, the Board and the Audit Committee evaluated various factors, including the firm's capability to handle a diverse and complex business environment, its existing experience in the Company's business segments, its industry standing, the clientele it serves, and its technical expertise. M/s. S.A. & Associates was found to be well-equipped to manage the scale, diversity, and complexity associated with the Secretarial Audit of the Company. S.A. & Associates is a peer reviewed and a well-established firm of Practicing Company Secretaries, registered with the Institute of Company Secretaries of India, New Delhi.

Accordingly, the consent of the shareholders is sought for the appointment of S.A. & Associates as the Secretarial Auditors of the Company on such terms and conditions and at a remuneration as may be fixed by the Board of Directors and Audit Committee from year to year in consultation with the Secretarial Auditors. The Board of Directors recommends the resolution for approval by the Members, as set out at Item No. 3 of the Notice.

None of the Directors, Key Managerial Personnel (KMP), or their relatives have any financial or other interest in the proposed resolution.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Your Directors have pleasure in presenting the management discussion and analysis report for the year ended on March 31, 2025.

(A) INDUSTRY STRUCTURE AND DEVELOPMENTS

The Indian Leather, Leather products and footwear industry holds a prominent place in Indian economy. The sector is known for its consistency in high export earnings and it is among top ten foreign exchange earners for the country.

The industry is bestowed with an affluence of raw materials as India is endowed with 20% of world cattle and buffalo and 10% of world goat & sheep population. Added to this are the strengths of skilled manpower, innovative technology, increasing industry compliance to international environmental standards, and the dedicated support of the allied industries.

The leather industry is undergoing significant transformation, driven by growing focus on sustainability, technical advancement and evolving consumer preferences.

(B) OPPORTUNITIES, THREATS AND CONCERNS

The Indian leather industry holds a significant position on the global stage, being the second largest producer of footwear and leather garments and a major exporter of leather goods with a robust workforce, and inherent advantages, it presents numerous opportunities.

India has a strong and expanding domestic market for leather and footwear. Rising disposable incomes, urbanization, exposure to international fashion trends, and a growing preference for premium products are driving significant domestic demands. India is the second largest consumer of footwear globally.

The Indian Government is actively promoting the leather and footwear sector through various schemes.

Despite abundant raw materials, prices of hides and skins can be volatile due to supply chain disruptions, changing demand patterns, raw material costs can account for up to 70% of production costs, impacting profitability.

The increasing acceptance and improvement in quality of synthetic leathers (PU, PVC) and novel bio-based alternatives pose a significant threat. These alternatives are often cheaper, marketed as cruelty-free and increasingly adopted by environmentally conscious consumers and brands, eroding leather's traditional market share.

(C) OUTLOOK

The overall outlook for the leather goods market remains positive with consistent growth projected in the coming years.

The global leather goods market is expected to grow from approx. USD 404.81 billion in 2024 to USD 435.96 billion in 2025, at compounded Annual Growth Rate (CAGR) of 7.7%. This strong growth is anticipated to continue with projections reaching USD 590.48 billion by 2029 at a CAGR of 7.9%.

(D) RISKS AND CONCERNS AND CONTINGENT LIABILITIES

The increasing quality, aesthetic appeal and sustainability claims of synthetic and bio-based leather alternatives pose a direct threat to the market share of traditional leather, especially in segments where cost or animal welfare is a primary concern.

The philosophical and ethical stances against animal products are gaining momentum, potentially reducing the overall demand for genuine leather in the long term.

A lack of continuous investment in R&D can hinder the industry's ability to innovate in terms of sustainable processes new product functionalities and competitive designs, putting it at a disadvantage against more agile competitors or alternative material producers.

During the normal course of its business operations, your Company has been subjected to litigations in connection with or incidental thereto. These litigations include civil cases, excise and customs related cases, etc. filed by and against the Company. These cases are being pursued with due importance and in consultation with legal experts in respective areas. Your Board believes that the outcome of these cases is unlikely to cause a materially adverse effect on the Company's profitability or business performance. Your Company has a Contingent Liability of Rs.120.82 lakh as on March 31, 2025 and same to Rs. 120.82 lakh as on March 31, 2024. In view of the present status and based on legal advice obtained from time to time, your Board is of the opinion that no provision is required to be made against these Contingent Liabilities.

(E) CORPORATE VALUES

Hardly a few companies can claim the position that our company has won for itself in the hearts of millions of consumers, with its corporate values of Excellence, Quality and Trust.

o Excellence

We believe in achieving excellence in all we do. Be it crafting world-class quality products, implementing best industry practices or delivering delightful service experience, the quest for excellence is integral to the Company.

A name that has earned the trust and respect of its consumers, employees, business partners and all relevant stakeholders throughout its journey is a manifestation of the organizational values of Excellence, Quality & Trust. Having created world-class pioneering innovations, Company have not just stayed relevant but has consistently commanded a leadership position. Over the decades, company have spread its wings from a single-product focus into a multiproduct business comprising Footwear, Accessories (Belt, Wallet & Bags), etc.

(F) INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The Company has engaged the services of an independent Chartered Accountant Firm to carry out the internal audit and ensure that recording and reporting are adequate and proper, the internal controls exist in the system and that sufficient measures are taken to update the internal control system. The system also ensures that all transactions are appropriately authorized, recorded and reported. Exercises for safe-guarding assets and protection against unauthorized use are undertaken from time to time. All these measures are continuously reviewed by the management and as and when necessary improvements are effected.

(G) FORWARD LOOKING STATEMENT

The statements made in this Management Discussion and Analysis Report regarding the Company's objectives, projections, estimates, expectations, or predictions may constitute 'forward-looking statements' as defined by applicable securities laws and regulations. It's important to note that actual results could vary significantly from those expressed or implied in these statements. Several crucial factors could impact the Company's operations, including the availability and pricing of raw materials, cyclical demand and pricing trends in its primary markets, alterations in government regulations and tax regimes, economic developments in India and other related factors.

(H) DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

The financial performance during the year under reference is satisfactory in terms of sales.

(I) CORPORATE SOCIAL RESPONSIBILITY

The management of your company is of the opinion that the company's contribution to the society should be the top priority of the company. Hence, the company has contributed funds in accordance with Schedule VII of the Companies Act, 2013 and the Company's CSR policy. The details have been provided in the "Annual Report on CSR Activities" as attached to the Board's Report. Also, the Corporate Social Responsibility committee formed by the Board is continuously looking forward for projects in which your company can make a contribution.

(J) MATERIAL DEVELOPMENTS IN HUMAN RESOURCES/INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED

INDEPENDENT AUDITORS' REPORT

To The Members of Sreeleathers Limited

Report on the Audit of the Standalone Financial Statements

Opinion

1. We have audited the accompanying standalone financial statements of Sreeleathers Limited ("the Company"), which comprise the Standalone Balance Sheet as at March 31, 2025, the Standalone Statement of Profit and Loss (including other comprehensive income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows for the year then ended and notes to the standalone financial statements including material accounting policy information and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards (IndAS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2025, and its profit (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Completeness, existence and accuracy of Revenue Recognition	
Key Audit Matters	How the matter was addressed in our audit
The Company's major part of revenue relates to retail and wholesale sales which comprises of high volumes of small transactions recorded in the books through journals. Revenue from the sale of goods is recognized when the Company performs its obligation to its customers and the amount of revenue can be measured reliably and recovery of the consideration is probable. The timing of such recognition in case of sale of goods is when control over the same is transferred to the customer, which is mainly upon delivery.	In view of the significance of the matter we applied the following audit procedures in this area, among others to obtain sufficient appropriate audit evidence: a) Obtaining an understanding of and assessing the design, implementation and operating effectiveness of management's key internal controls relating to the recognition of revenue, including those related to the reconciliation of sales records to cash / credit card / online receipts, preparation, posting and approval of manual journal entries relating to revenue recognition. b) Testing the accuracy of retail revenue recorded during the year by examining that the sale of goods transactions are in agreement with the cash / credit card / online receipts and deposit of cash amounts recorded in daily cash reports with bank remittances, on sample basis.

Completeness, existence and accuracy of Revenue Recognition	
Key Audit Matters	How the matter was addressed in our audit
The timing of revenue recognition is relevant to the reported performance of the Company. The management considers revenue as a key measure for evaluation of performance. Since revenue comprises of high volumes of individually small transactions, the process of summarizing and recording sales revenue is critical with regard to the completeness, existence and accuracy of retail sales revenue.	c) Testing whether the sales have been recorded in the correct period by selecting samples of reconciliation between sales transactions and cash / credit card / online and agreeing those reconciliations through supporting documentation. d) Obtaining reconciliation of retail sales as per books of account with the sales as per Indirect tax records and inquire about reasons for differences, if any. e) Performing an analysis of the manual journal entries passed during the year.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

5. The company's Board of Directors is responsible for the other information. The other information comprises the information included in the Company's Annual Report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

6. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act, with respect to the preparation of these standalone financial statements that give a true and fair view of the standalone financial position, standalone financial performance including other comprehensive income, changes in equity and standalone cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes the maintenance of adequate accounting records in accordance with the provisions of the act for safeguarding the assets of the company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgment and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
7. In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
8. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of Standalone Financial Statements

9. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatements of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
12. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

13. As required by the Companies (Auditor's Report) Order, 2020, ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure I", a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.
14. As required by section 143(3) of the Act, based on our audit, to the extent applicable, we report that:
- a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books; except for the matters stated in the paragraph h(vi) below on reporting under Rule 11(g) of the Companies (Audit & Auditors) Rules, 2014 (as amended);

- c. the Standalone Balance Sheet, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and Standalone Statement of Cash Flows dealt with by this report are in agreement with the books of account;
- d. in our opinion, the aforesaid standalone financial Statement comply with the Accounting Standards specified under section 133 of the Act;
- e. on the basis of written representations received from the directors as on March 31, 2025, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of section 164(2) Act, .
- f. The reservation relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph 14(b) above on reporting under section 143(3)(b) of the Act and paragraph 14(h)(vi) below on reporting under Rule 11(g) of the Companies(Audit and Auditors) Rules, 2014 (as amended);
- g. With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the company and the operating effectiveness of such controls, we give our separate reports in "Annexure II".
- h. With respect to the other matters to be included in the auditor's report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014,(as amended) in our opinion and to best of our information and according to the explanation given to us:
 - i. The company has disclosed the impact of pending litigation, if any, on its financial position as at 31st March, 2025 in its Standalone financial statement.

**ANNEXURE I TO AUDITOR'S REPORT
Companies (Audit Report) Order, 2020**

Referred to in paragraph 13 of the Independent Auditors' Report of even date to the Members of Sreeleathers Limited on the standalone financial statements as of and for the year ended 31st March, 2025

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit, to the best of our knowledge and belief, we report that:

- i. (a) (A) In our opinion and according to the information and explanations given to us, the Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment, right of use assets.

(B) In our opinion and according to the information and explanations given to us, the Company has maintained proper records showing full particulars of intangible assets.
- (b) In our opinion and according to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its Property, Plant and Equipment by which all Property, Plant and Equipment (including right of use asset) are verified in a phased manner over a period of three years. In accordance with this programme, certain property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) In our opinion and according to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in note 2b to the standalone financial statements are held in the name of the Company.
- (d) In our opinion and according to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year.
- (e) In our opinion and according to information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) and rules made thereunder.
- ii. (a) In our opinion and according to information and explanations given to us, the management has conducted physical verification of inventory at reasonable intervals during the year, except for goods-in-transit and stocks lying with third parties. There was no stock lying with third parties at the year end and for goods-in-transit subsequent evidence of receipts has been linked with inventory records. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were more than 10% in the aggregate of each class of inventory.
- (b) In our opinion and according to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. Accordingly, clause 3(ii) (b) of the Order is not applicable to the Company.
- iii. In our opinion and according to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any investments, provided guarantee or security or granted any advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties covered. - ix. (a) In our opinion and according to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company did not have any loans or borrowings from any lender during the year. Accordingly, clause 3(ix)(a) of the Order is not applicable .
- (b) In our opinion and according to the information and explanations given to us including representations received from management of the Company, and on the basis of our audit procedures, we report that the Company has not been declared a wilful defaulter by any bank or financial institution or government or any government authority .
- (c) In our opinion and according to the information and explanations given to us by the management, during the year the company has not obtained any term loan. Accordingly, clause 3(ix)(c) of the Order is not applicable.
- (d) In our opinion and according to the information and explanations given to us, the Company has not raised any funds on short term basis during the year. Accordingly, reporting under clause 3(ix)(d) of the Order is not applicable to the Company.

- (e) In our opinion and according to the information and explanations given to us and on an overall examination of the financial statements of the Company, the Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on clause 3(ix) (e) of the Order is not applicable to the Company.
- (f) In our opinion and according to the information and explanations given to us the Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on clause 3(ix) (f) of the Order is not applicable to the Company.
- x. (a) In our opinion and according to the information and explanations given to us the Company has not raised any money by way of initial public offer or further public offer (including debt instruments), during the year. Accordingly, reporting under clause 3(x)(a) of the Order is not applicable to the Company.
- (b) In our opinion and according to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or (fully, partially or optionally) convertible debentures during the year. Accordingly, reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- xi. (a) In our opinion and according to the information and explanations given to us, to the best of our knowledge, no material fraud by the Company or on the Company has been noticed or reported during the period covered by our audit nor have we been informed of any such case by the management.
- (b) In our opinion and according to the information and explanations given to us including the representation made to us by the management of the Company, no report under subsection 12 of section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014, with the Central Government for the period covered by our audit.
- (c) In our opinion and according to the information and explanations given to us including the representation made to us by the management of the Company, there are no whistleblower complaints received by the Company during the year.
- xii. The Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, reporting under clause 3(xii) of the Order is not applicable to the Company.
- xiii. In our opinion and according to the information and explanations given to us, all transactions entered into by the Company with the related parties are in compliance with Sections 177 and 188 of the Act, where applicable. Further, the details of such related party transactions have been disclosed in the standalone financial statements, as required under Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified in Companies (Indian Accounting Standards) Rules 2015 as prescribed under Section 133 of the Act.

ANNEXURE II TO INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 14(g) of the Independent Auditors' Report of even date to the members of **Sreeleathers Limited** on the standalone financial statements for the year ended March 31, 2025.

Report on the Internal Financial Controls with reference to Standalone Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Act.

1. We have audited the internal financial controls with reference to standalone financial statements of Sreeleathers Limited ("the Company") as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the Internal Control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate Internal Financial Controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by ICAI prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements and the internal financial control Guidance Note issued by the ICAI. Those standards and the internal financial control Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to standalone financial statements.

Meaning of Internal Financial Controls with reference to standalone financial statements

6. A company's internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to standalone financial statements includes those policies and procedures that:
 - (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with reference to standalone financial statements

7. Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial controls with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at March 31, 2025, based on the internal financial control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the IFC Guidance Note issued by ICAI.

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025

CORPORATE INFORMATION

Sreeleathers Limited (the Company) (CIN: L67190WB1991PLC050656) is a public limited company incorporated and domiciled in India. The Company's shares are listed on the Bombay Stock Exchange (BSE), National Stock Exchange (NSE) and Calcutta Stock Exchange. The registered office of the Company is located at 6 Tottee Lane, Kolkata - 700016.

The Company is primarily engaged in the business of trading in footwear and accessories through its retail and wholesale network.

NOTE 1 : MATERIAL ACCOUNTING POLICIES FOLLOWED BY THE COMPANY

The material accounting policies adopted by the company in preparation of its standalone financial statements are listed below. Such accounting policies have been applied consistently to all the years presented in these standalone financial statements, unless otherwise stated.

a. Basis of preparation

These standalone financial statements ('financial statements') are prepared in accordance with Indian Accounting Standards (Ind AS) and guidelines issued by the Securities and Exchange Board of India (SEBI) under the historical cost convention on the accrual basis except for the following:

Items	Measurement Basis
Defined Benefit Plan	Plan assets measured at fair value
Derivative instruments	Fair value

The Ind AS are prescribed under Section 133 of the Companies Act 2013 (the Act) read with Rules of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

b. Classification of assets and liabilities as current and noncurrent

All Assets and Liabilities have been classified as Current or Non-Current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of product & activities of the Company and their realisation in cash and cash equivalent, the Company has determined its operating cycle as twelve months for the purpose of Current and Non-Current classification of assets and liabilities.

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Rs. in lakhs as per requirement of schedule III, except per share data and unless otherwise stated.

c. Dividends

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

d. Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole-

Level 1: Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 : MATERIAL ACCOUNTING POLICIES FOLLOWED BY THE COMPANY (Contd.)

Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above. This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

e. Revenue Recognition

The Company earns revenue from sale of leather footwear and other accessories.

Revenue is recognised upon transfer of control of promised goods or services to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those products or services.

Revenue from sales of goods is recognised on output basis measured by units delivered, number of transactions etc.

Revenue from the sale of goods is recognised at the point in time when control is transferred to the customer which coincides with the performance obligation under the contract with the customer.

Revenue from services is recognized in accordance with the terms of contract when the services are rendered and the related costs are incurred.

Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts, price concessions and incentives, if any, as specified in the contract with the customer. Revenue also excludes taxes collected from customers.

Revenue from related party is recognised based on transaction price which is at arm's length.

Use of significant judgments in revenue recognition :-

The Company's contracts with customers could include promises to transfer multiple products and services to a customer. The Company assesses the products / services promised in a contract and identifies distinct performance obligations in the contract. Identification of distinct performance obligation involves judgments to determine the deliverables and the ability of the customer to benefit independently from such deliverables.

Judgment is also required to determine the transaction price for the contract. The transaction price could be either a fixed amount of customer consideration or variable consideration with elements such as volume discounts, price concessions and incentives. No significant element of financing is deemed present as the sales are made with a general credit term of less than 30 days, which is consistent with market practice. Any consideration payable to the customer is adjusted to the transaction price, unless it is a payment for a distinct product or service from the customer. The estimated amount of variable consideration is adjusted in the transaction price only to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognized will not occur and is reassessed at the end of each reporting period. The Company allocates the elements of variable considerations to all the performance obligations of the contract unless there is observable evidence that they pertain to one or more distinct performance obligations.

Contract assets are recognised when there is excess of revenue earned over billings on contracts. Contract assets are classified as unbilled receivables (only act of invoicing is pending) when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms.

Unearned and deferred revenue ("contract liability") is recognised when there is billings in excess of revenues.

f. Exceptional Items

Exceptional items are disclosed separately in the financial statements where it is necessary to do so to provide further understanding of the financial performance of the Company. These are material items of income or expense that have to be shown separately due to the significance of their nature or amount.

g. Intangible Assets

Intangible assets acquired separately are recorded at cost at the time of initial recognition. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in profit or loss in the period in which the expenditure is incurred.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 : MATERIAL ACCOUNTING POLICIES FOLLOWED BY THE COMPANY (Contd.)

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets is recognised in the standalone statement of profit and loss.

The Company amortises computer software over the period of five years.

Goodwill is an asset representing the future economic benefits arising from other assets acquired in a business combination that are not individually identified and separately recognized. Goodwill is initially measured at cost, being the excess of the consideration transferred over the net identifiable assets acquired and liabilities assumed, measured in accordance with Ind AS 103, 'Business Combinations'.

Goodwill is considered to have indefinite useful life and hence is not subject to amortization but tested for impairment at least annually. After initial recognition, goodwill is measured at cost less any accumulated impairment losses.

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its intangible assets recognised as at April 1, 2015, measured as per the previous GAAP, and use that carrying value as the deemed cost of such intangible assets.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the standalone statement of profit or loss when the asset is derecognised.

The Company capitalises intangible asset under development for a project in accordance with the accounting policy. Initial capitalisation of costs is based on management's judgement that technological and economic feasibility is confirmed, usually when a product development project has reached a defined milestone according to an established project management model.

h. Property, plant and Equipment

Freehold land is carried at historical cost.

Capital Work in Progress, Plant and Equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such Cost includes the cost of replacing part of the plant and equipment and borrowing costs for long term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in profit or loss as incurred. No decommissioning liabilities are expected to be incurred on the assets of plant and equipment. Depreciation is calculated on a straight line basis over the estimated useful lives of the assets. Leasehold improvements are amortised over the period of lease or estimated useful life, whichever is lower.

An item of Property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any Gain or Loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and carrying amount of the asset) is included in the income statement when the asset is derecognized.

Useful life considered for calculation of depreciation for various assets class are as follows:

Sl. No.	Particulars	Useful Life (in years)
1	Building	60
2	Air conditioner/Refrigerator/Security system	15
3	Office equipment/mobile phone/water cooler	5
4	Furniture Fixture/Electrical Installation/Television	10
5	Motor Vehicle	8
6	Computer	3
7	Elevator/camera/fire alarm system	15

NOTES TO FINANCIAL STATEMENTS

NOTE 1 : MATERIAL ACCOUNTING POLICIES FOLLOWED BY THE COMPANY (Contd.)

i. Inventories

Inventories are valued as under:

- | | |
|----------------------------------|--|
| a. Raw Materials | At Cost or Net Realisable Value whichever is lower |
| b. Finished Products | At Cost or Net Realisable Value whichever is lower |
| c. Stores, Spares and Components | At Cost |
| d. Stock in process | At Raw material Cost plus estimated cost of conversion up to the stage of completion or Net Realisable Value whichever is lower. |
| e. Stock-in-trade | At Cost or Net Realisable Value whichever is lower. |

Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

Inventories are valued on FIFO basis. Variation, if any, between books and physical stocks detected on physical verification, obsolete & slow moving stocks are adjusted in accounts as found appropriate.

j. Financial instruments

1. Initial recognition

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit or loss are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

2. Subsequent measurement

a. Non-derivative financial instruments

i) Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii) Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company has made an irrevocable election for its investments which are classified as equity instruments to present the subsequent changes in fair value in other comprehensive income based on its business model. Further, in cases where the Company has made an irrevocable election based on its business model, for its investments which are classified as equity instruments, the subsequent changes in fair value are recognized in other comprehensive income.

iii) Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

iv) Financial liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest method, except for contingent consideration recognized in a business combination which is subsequently measured at fair value through profit and loss. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

v) Investment in subsidiaries

Investment in subsidiaries is carried at cost in the separate financial statements.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 : MATERIAL ACCOUNTING POLICIES FOLLOWED BY THE COMPANY (Contd.)

b. Derivative financial instruments

The Company holds derivative financial instruments such as foreign exchange forward and option contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. The counterparty for these contracts is generally a bank.

Financial assets or financial liabilities, at fair value through profit or loss

This category has derivative financial assets or liabilities which are not designated as hedges. Although the company believes that these derivatives constitute hedges from an economic perspective, they may not qualify for hedge accounting under Ind AS 109, Financial Instruments. Any derivative that is either not designated a hedge, or is so designated but is ineffective as per Ind AS 109, is categorized as a financial asset or financial liability, at fair value through profit or loss.

Derivatives not designated as hedges are recognized initially at fair value and attributable transaction costs are recognized in net profit in the Statement of Profit and Loss when incurred. Subsequent to initial recognition, these derivatives are measured at fair value through profit or loss and the resulting exchange gains or losses are included in other income. Assets/ liabilities in this category are presented as current assets/current liabilities if they are either held for trading or are expected to be realized within 12 months after the balance sheet date.

3. De-recognition of financial instruments

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under IndAS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

Impairment of Assets

a. Financial assets

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in profit or loss.

b. Non-financial assets

Property, plant and equipment

Property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the CGU to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

k. Income Taxes

Income tax expense comprises current and deferred income tax. Income tax expense is recognized in net profit in the statement of profit and loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income.

Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 : MATERIAL ACCOUNTING POLICIES FOLLOWED BY THE COMPANY (Contd.)

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. Deferred income taxes are not provided on the undistributed earnings of subsidiaries and branches where it is expected that the earnings of the subsidiary or branch will not be distributed in the foreseeable future. The company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. The income tax provision for the interim period is made based on the best estimate of the annual average tax rate expected to be applicable for the full financial year. Tax benefits of deductions earned on exercise of employee share options in excess of compensation charged to income are credited to share premium.

I. Provisions and Contingent Liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not recognised for future operating losses. The expense relating to any provision is presented in the standalone statement of profit and loss, net of any reimbursement. Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as part of finance costs.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events but is not recognised because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or a amount of obligation cannot be measured with sufficient reliability.

The Company does not recognise a contingent liability but discloses its existence in the Financial Statements.

m. Investments

Long term investments being Investment in Equity Shares are stated at fair value through other comprehensive income.

n. Foreign Currency Transactions

Functional and presentation currency

The Company's financial statements are presented in INR, which is also the Company's functional and presentation currency.

Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognised in profit or loss.

o. Leases

Company 'as a' lessee

The Company's lease asset classes primarily consist of leases for buildings taken for warehouses, offices and retail stores. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: the contract involves the use of an identified asset, the Company has right to obtain substantially all of the economic benefits from use of the asset through the period of the use and the Company has the right to direct the use of the identified asset.

At the date of commencement of the lease, the Company recognises a right-of-use asset (ROU) and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the term of the lease.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 : MATERIAL ACCOUNTING POLICIES FOLLOWED BY THE COMPANY (Contd.)

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities include these options when it is reasonably certain that they will be exercised.

The ROU assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, which is generally the case for the company, using the incremental borrowing rate, being the rate that the individual lessee would have to pay to borrow the funds necessary to obtain an asset of similar value of ROU asset in a similar economic environment with similar terms, security and conditions.

Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Variable lease payments that depend on sales are recognised in profit or loss in the period which the condition that triggers those payment occurs.

p. Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. The amounts are unsecured and are usually paid within 90 days of recognition except for outstanding dues to micro enterprises and small enterprises where the due date is within 45 days. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

q. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand.

For the purpose of the standalone statement of cash flows, cash and cash equivalents consist of cash at banks and on hand.

r. Earnings per equity share

The Company presents basic and diluted earnings per share.

Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Company.
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year.

Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares.
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

s. Employee benefits

a. Short Term Employment Benefits

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

b. Post-Employment Benefits:

Defined contribution plans are employee state insurance scheme and Government administered pension fund scheme for all applicable employees and superannuation scheme for eligible employees.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 : MATERIAL ACCOUNTING POLICIES FOLLOWED BY THE COMPANY (Contd.)

The Company recognizes contribution payable to a defined contribution plan as an expense in the Statement of Profit and Loss when the employees render services to the Company during the reporting period. If the contributions payable for services received from employees before the reporting date exceed the contributions already provided, the deficit payable is recognized as a liability after deducting the contribution already provided. If the contribution already provided exceeds the contribution due for services received before the reporting date, the excess is recognized as an asset to the extent that the prepayment will lead to, for example, a reduction in future payments or a cash refund.

t. Government Grants

Export benefits in the form of Duty Drawback, Duty Entitlement Pass Book (DEPB) and other schemes are recognized in the Statement of profit and loss when the right to receive credit as per the terms of the scheme is established in respect of exports made and when there is no significant uncertainty regarding the ultimate collection of the relevant export proceeds and/or the company will comply with all attached conditions.

Government grants relating to the purchase of property, plant and equipment are included in noncurrent liabilities as deferred income and are credited to the statement of Profit and Loss on a straight - line basis over the expected lives of related assets and presented within other income.

u. Non-current assets held for sale

Non-current assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and a sale is considered highly probable. They are measured at the lower of their carrying amount and fair value less costs to sell, except for assets such as deferred tax assets, assets arising from employee benefits, financial assets and contractual rights under insurance contracts, which are specifically exempt from this requirement.

Non-current assets are not depreciated or amortised while they are classified as held for sale.

v. Trade receivables

Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business and reflects company's unconditional right to consideration (that is, payment is due only on the passage of time). Trade receivables of the Company, are recognised initially at the transaction price as they do not contain significant financing components. The company holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance.

w. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the standalone balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously

x. Critical estimates and judgements

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the Company's accounting policies.

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

This note provides detailed information of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed.

The areas involving critical estimates or judgements are:

i. Contingent liabilities

Contingent liabilities may arise from the ordinary course of business in relation to claims against the Company, including legal and other claims. By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence, and potential quantum, of contingencies inherently involves the exercise of significant judgement and the use of estimates regarding the outcome of future events.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 : MATERIAL ACCOUNTING POLICIES FOLLOWED BY THE COMPANY (Contd.)

ii Defined benefit plans

The cost of the defined benefit gratuity plan and other post-employment defined benefits are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation. The underlying bonds are further reviewed for quality.

The mortality rate is based on publicly available mortality tables for the specific countries. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates.

Further details about gratuity obligations are given in Note 33 in the standalone financial statements.

iii. Determination of lease term

In determining the lease term, management considers all facts and circumstances that create an economic incentive to exercise an extension option, or not exercise a termination option. Extension options (or periods after termination options) are only included in the lease term if the lease is reasonably certain to be extended (or not terminated).

For leases of warehouses, retail stores and equipment, the following factors are normally the most relevant:

- If there are significant penalty payments to terminate (or not extend), the Company is typically reasonably certain to extend (or not terminate).
- If any leasehold improvements are expected to have a significant remaining value, the Company is typically reasonably certain to extend (or not terminate).
- Otherwise, the Company considers other factors including the costs and business disruption required to replace the leased asset.

iv. Useful lives of property, plant and equipment and intangible assets:

Useful life is determined by the management based on a technical evaluation considering nature of asset, past experience, estimated usage of the asset, vendor's advice etc and same is reviewed at each financial year end.

v. Net Realisable Value of inventory

The Company has defined policy for provision on inventory based on obsolete, damaged and slow moving inventories. The Company provides provision based on policy, past experience, current trend and future expectations of these materials depending on the category of goods.

New and amended standards

Amendments to standards adopted by the Company

The Ministry of Corporate Affairs vide notification dated 9th September 2024 and 28th September 2024 notified the Companies (Indian Accounting Standards) Second Amendment Rules, 2024 and Companies (Indian Accounting Standards) Third Amendment Rules, 2024, respectively, which amended/ notified certain accounting standards (see below), and are effective for annual reporting periods beginning on or after 1st April 2024:

- Insurance contracts - Ind AS 117; and
- Lease Liability in Sale and Leaseback – Amendments to Ind AS 116

These amendments did not have any material impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.

NOTES TO FINANCIAL STATEMENTS

NOTE 3 : INVESTMENTS (Contd.)

A) Financial risk management objectives and policies

The Company's activities expose it to market risk, liquidity risk and credit risk. The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

B) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risks: interest rate risk, currency risk and other price risk. Financial instruments affected by market risk includes borrowings, investments, trade payables, trade receivables, loans and derivative financial instruments.

- (i) **Interest rate risk** -is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. At present the company has no borrowing and accordingly the exposure to risk of changes in market interest rates is minimal. The Company has not used any interest rate derivatives.
- (ii) **Foreign currency risk**- is the risk that the fair value or future cash flows of an exposure will fluctuate due to changes in foreign exchange rates. The Company does not have any foreign exchange transactions or any derivative instruments for trading or speculative purposes. So foreign currency risk is nil.
- (iii) **Other price risk**- is the risk that the fair value of a financial instrument will fluctuate due to changes in market traded price. Other price risk arises from financial assets such as investments in mutual funds ,bonds ,equity instruments etc. The Company is exposed to price risk arising mainly from investments in mutual funds recognised at FVTOCI. As at 31st March, 2025, the carrying value of mutual funds recognised at FVTOCI amounts to Rs. 31,473.67 lakhs (Previous year Rs 26,383.36 lakhs).

The Company is mainly exposed to change in market rates of its investments in equity investments recognised at FVTOCI. A sensitivity analysis demonstrating the impact of change in market prices of these instruments from the prices existing as at the reporting date is given below:

If the equity prices had been higher/lower by 5% from the market prices existing as at 31st March, 2025, Other Comprehensive Income for the year ended 31st March, 2025 would increase/(decrease) by Rs.1573.68 Lakhs (2023-24 Rs.1319.17 lakhs) with a corresponding increase/decrease in total equity of the Company as at 31st March, 2025. 5% represents management's assessment of reasonably possible change in equity prices as the company has basically invested in Debt oriented Mutual Funds.

C) Credit Risk

Credit risk refers to risk that a counter party will default on its contractual obligations resulting in financial loss to the Company. Credit risk arises primarily from financial assets such as trade receivables, derivative financial instruments, other balances with banks, loans and other receivables. To manage this, the Company periodically assesses financial reliability of customers and other counter parties, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of financial assets. Individual risk limits are set and periodically reviewed on the basis of such information.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis through each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forward-looking information such as:

- i) Actual or expected significant adverse changes in business,
- ii) Actual or expected significant changes in the operating results of the counterparty,
- iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations,
- iv) Significant increase in credit risk on other financial instruments of the same counterparty,
- v) Significant changes in the value of the collateral supporting the obligation or in the quality of the third-party guarantees or credit enhancements.

Financial assets are written off when there is no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Company. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized as income in the statement of profit and loss.

NOTE 3 : INVESTMENTS (Contd.)

C) Credit Risk (Contd.)

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. To manage this, the Company periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends, forward looking macroeconomic information, analysis of historical bad debts and ageing of accounts receivables. Individual risk limits are set accordingly. The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer including the default risk of the industry and country in which the customer operates also has an influence on credit risk assessment.

The expected credit loss rates are based on the payment profiles of sales over a period of 36 months before the reporting date and the corresponding historical credit losses experienced within this period. The historical loss rates are adjusted to reflect current and forward-looking information on macro-economic factors affecting the ability of the customers to settle the receivables. The Company recognises lifetime expected losses for all trade receivables and contract assets that do not constitute a financing component.

D) Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or other financial assets.

The company is exposed to liquidity risk as there are outstanding related to trade and other payables. The company measures risk by forecasting cash flows.

The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due without incurring unacceptable losses or risking damage to the Company's reputation. The Company ensures that it has sufficient fund to meet expected operational expenses, servicing of financial obligations.

NOTE 33 : EMPLOYEE BENEFIT PLANS (Contd.)

Gratuity: (Contd.)

Risk Exposures for defined benefit obligation - Gratuity

Interest Rate risk : The plan exposes the Company to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability.

Liquidity Risk : This is the risk that the Company is not able to meet the short-term gratuity payouts. This may arise due to non availability of enough cash / cash equivalent to meet the liabilities or holding of illiquid assets not being sold in time.

Salary Escalation Risk : The present value of the defined benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability

Demographic Risk : The Company has used certain mortality and attrition assumptions in valuation of the liability. The Company is exposed to the risk of actual experience turning out to be worse compared to the assumption.

Regulatory Risk : Gratuity benefit is paid in accordance with the requirements of the Payment of Gratuity Act, 1972 (as amended from time to time). There is a risk of change in regulations requiring higher gratuity payouts (e.g. Increase in the maximum limit on gratuity).
