Dear Sirs

Sub: Presentation to Analysts

Ref: BSE: 500002 / NSE: ABB

In continuation to our letter dated April 28, 2023, we are enclosing herewith a copy of presentation which will be made at the Analysts Call scheduled on May 5, 2023, for information of the Stock Exchanges.

The said presentation is also being uploaded on the Company's website.

Thanking you

Yours faithfully For ABB India Limited

Trivikram Guda Company Secretary and Compliance Officer ACS 17685

Encl: as above

May 5, 2023

Solid start to the year with robust orders and profitability

ABB India Analyst Call | Q1 CY2023

Important notices

This presentation includes forward-looking information and statements including statements concerning the outlook for our businesses. These statements are based on current expectations, estimates and projections about the factors that may affect our future performance, including global economic conditions, and the economic conditions of the regions and industries that are major markets for ABB India Ltd. These expectations, estimates and projections are generally identifiable by statements containing words such as "expects," "believes," "estimates," "targets," "plans," "outlook," "on track," "framework" or similar expressions.

There are numerous risks and uncertainties, many of which are beyond our control, that could cause our actual results to differ materially from the forward-looking information and statements made in this presentation and which could affect our ability to achieve any or all of our stated targets. The important factors that could cause such differences include, among others:

- business risks associated with the volatile global economic environment and political conditions
- costs associated with compliance activities
- market acceptance of new products and services
- changes in governmental regulations and currency exchange rates, and
- such other factors as may be discussed from time to time in ABB India Ltd's filings with the Securities and Exchange Board of India (SEBI), including its Annual Report
- Impact of ongoing pandemic

Although ABB India Ltd believes that its expectations reflected in any such forward-looking statement are based upon reasonable assumptions, it can give no assurance that those expectations will be achieved.

Further, Information shared herein inter-alia contains some key financials pertaining to ABB India. ABB India being a listed entity is obliged by law not to share the said information to any one (other than those who are involved in the process and who are bound by Insider Trading Regulation) unless and until the financials are considered and approved by ABB India Board and thereafter announced to stock exchanges as per the listing obligations entrusted upon ABB India. Therefore, privy to this presentation should kindly ensure strict confidentiality of the information shared and discussed herein.

ABB at a glance

ABB is a technology leader in electrification and automation, enabling a more sustainable and resource-efficient future. The company's solutions connect engineering know-how and software to optimize how things are manufactured, moved, powered and operated. Building on more than 130 years of excellence, ABB's ~105,000 employees are committed to driving innovations that accelerate industrial transformation.

ABB has been present in India for over a century and manufacturing for more than 70 years.

Business highlights

Q1 2023 highlights

1. Strong start to the year

Orders +36%¹, revenues +22%¹
Highest ever order growth in Q1 in last 5 years
Operational EBITA margin 11.4%, +290 bps YoY
PBT (before exception) up by 66% YoY, PAT up by 65% on a like to like basis²
Robust cash position at INR 3,942 crore

2. First Integrated Report for 2022 published highlighting purpose and strategy

Highlights progress made in-line with the strategy Demonstrates value-creation for stakeholders

3. Sustainability goals

Green power utilization and RE100 progressed well CO₂ emissions down across locations
Greater discipline in waste management and water recyclability

1. YoY comparable2.Q1 2022 included exceptional item from sale of turbocharger business

Positive market momentum

Short-cycle

Strong growth across most business areas

Services

Orders +37%1 and revenues +33%1

Discrete

Continued momentum in automotive, electronics

Process

Power handling, motors and drives packages for metal, cement, oil & gas majors

Transport

Uptick in railways and metro with high value orders

Order backlog grew +37%¹ to INR 7,170 crore

(+36%) (+26%) (+26%) 2767 2634 2243 2291 1825 1689 1909

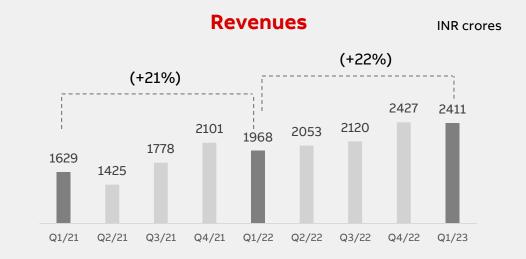

Q1/22

Q2/22

Q3/22

Q3/21

Q4/21

Proven capabilities leading to significant wins

System drives for a diversified metals major, gas company and oil rig solutions

Power handling systems for a spundyed specialty fiber and paints conglomerate

Intelligent motor control center for metal major

Traction technology for Bhopal and Indore metros and Indian Railways

Power distribution solutions for data center major and IT majors

Robotics solutions for painting of EV cars

Gas distribution solutions covering 7 NE States, Sikkim and West Bengal

SCADA automation, RTU, AI/ML for jetty pipeline

Diverse businesses growing in leading segments

Growth

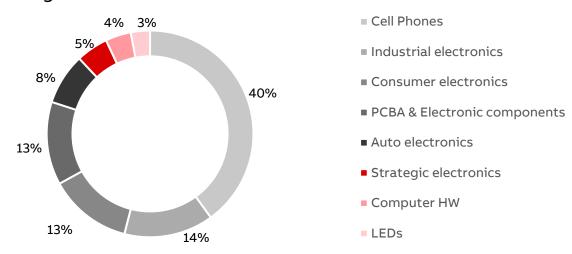

Theme for the quarter

Electronics: a deep-dive

Segment Insights

- Indian electronics market is expected to grow at CAGR of 30% to reach \$300bn by FY26
- Segmentation of Indian electronics market

ABB's offerings include LV & MV Switchgear, Building Automation, Switches, Distribution Boards, Digital Power Train, Robots

Key Drivers

- Make in India and Digital India initiatives by Govt. of India
- Semicon India Program for setting up Semiconductor Fabs,
 Display Fabs, Compound Semiconductors, OSAT/ ATMP, Design Linked Incentive
- Schemes for Promotion of Electronics Manufacturing: PLI for Large Scale Electronics Manufacturing and IT Hardware, SPECS, EMC 2.0
- Rollout of 5G and Industrial use of IoT technology
- Large consumer base with increasing penetration of electronic products
- Third largest startup ecosystem in India

PLI: Production Linked Incentive; SPECS: Scheme for Promotion of Manufacturing of Electronic Components and Semiconductors; EMC 2.0: Modified Electronics Manufacturing Clusters Scheme Source: PIB PR

Education

- Learning improvement program for >10k students from 98 govt. schools
- Education & IT skilling for youth

Diversity & Inclusion

- Holistic skilling & scholarship for women to pursue higher education in STEM
- Nurturing 200 children with special needs

Communities & Environment

- Continued support towards patient management and equipment procurement to Sri Shankara cancer foundation 2023 program underway
- ABB HelpAge's Mobile Healthcare facilities
- Public infrastructure upgrade Peenya Phase 2 and Nashik

Financial highlights

 Revenue growth, price realization, operational efficiencies and cost optimization resulted in better profitability

Electrification

Orders Received

- Growth across major segments and channels
- Major orders from diverse sectors metals, data centers, and IT majors

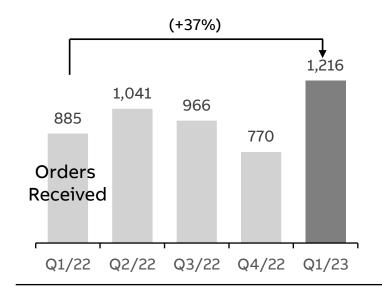

Revenues

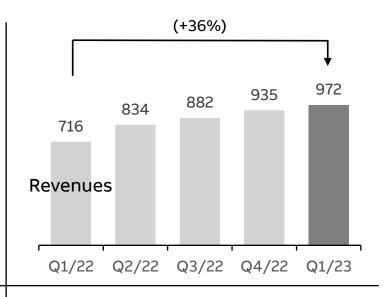

Seamless operations and delivery, visibility of execution

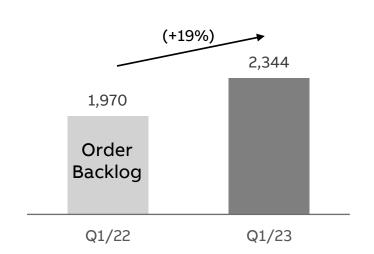

PBIT

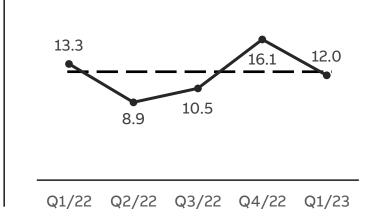

- Higher contribution from volume growth
- Better product mix and superior price realization
- Efficient capacity utilization

Motion INR crores

PBIT %

Orders Received

- Strong contribution momentum of channel partners
- Segment focus drove growth across sectors like railways, metals, cement, F&B and oil and gas
- High value wins in transportation Railways and Metro
- System Drives business bagged a high value packaging order

Revenues

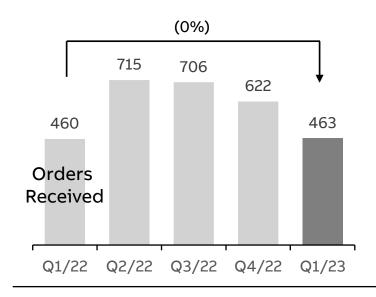

- Stronger order backlog execution
- Continuous customer engagement and penetration to Tier II & III cities

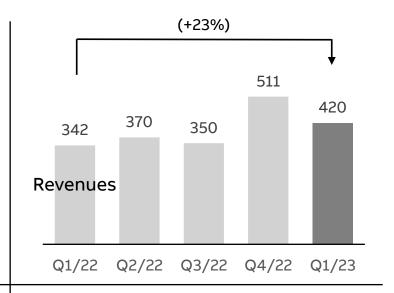

PBIT

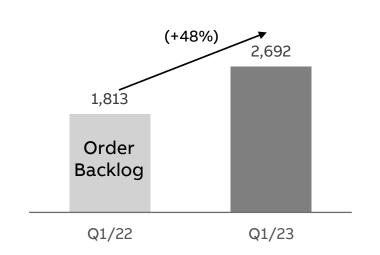

- Superior price realization
- Higher contribution from better volumes offset by the one-off warranty cost provision in traction converters

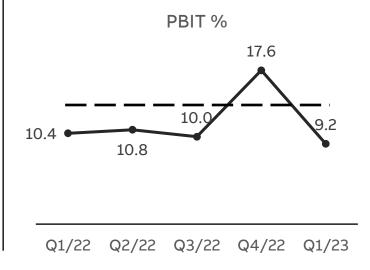

Process Automation

Orders Received

 Orders wins from city gas distribution, terminal automation, life sciences, metals and energy exports

Revenues

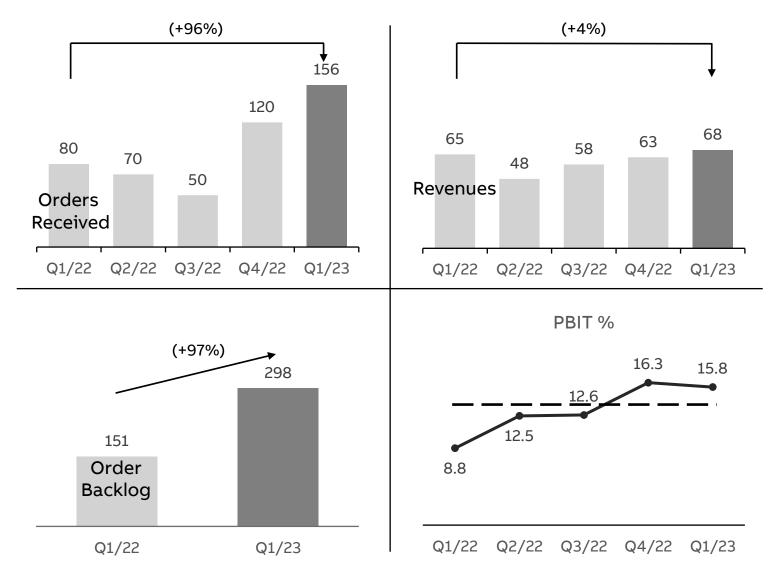

- Successful milestone achieved in project execution
- Sustained backlog conversion across all businesses
- Higher revenues from Energy industry business

PBIT

- Higher contribution from system revenues
- Q4'22 had higher mix of services and volume impact

Robotics and Discrete Automation

INR crores

Orders Received

- Solid inflow in paint orders from large Indian conglomerates
- Large automotive orders
- Electronics market looking to gain momentum

Revenues

Higher book & bill revenues and service revenues

PBIT

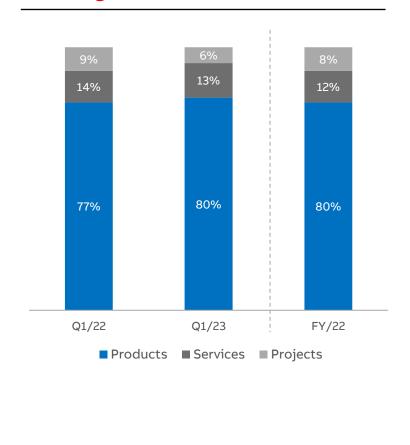

Superior margins from service and electronics revenues

Well-structured, diversified business model

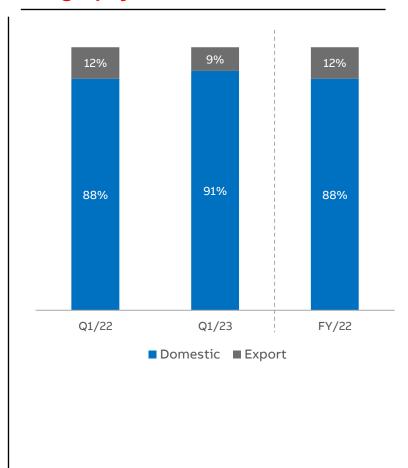

Channels 3% 3% 4% 6% 7% 7% 12% 9% 12% 33% 34% 34% 36% 34% 32% Q1/22 Q1/23 FY/22 ■ Direct Sales **■** Distributors **■** EPCs ■ OEMs ■ Panel Builders
