ISSUE OF CONVERTIBLE EQUITY WARRANTS ON PREFERENTIAL BASIS TO STRATEGIC INVESTORS NOT FORMING PART OF PROMOTERS GROUP:

The Board of Directors of the Company at their meeting held on 19/01/2017 discussed the future plans of the Company and possible growth options. The present paid-up capital of the Company is only Rs. 12.60 crore. The Company proposes to expand its manufacturing facilities at the present Nani Daman unit, for which substantial funds is required. The proposed preferential issue will benefit the Company in the long run as the promoter and/or non-promoter are bringing the funds at a premium, which will benefit the Company as well as other shareholders of the Company. The proposed funds will give leverage to the Company to expand its manufacturing facilities, which can give better return on investment. It was also felt that the present capital is too small for the growth & investment activities, which Company intend to undertake in future. Based on the above discussions, the Board in order to raise resources to fund the expansion plans of its present manufacturing facilities, to invest in wholly owned subsidiaries; to repay any loans/ICD taken, to meet working capital requirements and for general corporate purposes, thought it prudent to infuse fresh equity capital in the Company by issue and allotment of 1800000 (Eighteen Lacs only) Convertible Equity Warrants of face value of Rs. 10/- (Rupees Ten Only) each at a Issue Price of Rs. 181/- (including premium amount of Rs. 171/-) per Convertible Equity Warrants aggregating to Rs. 325800000/- (Rupees Thirty-Two Crores Fifty-Eight Lacs Only), or at such higher prices as may be determined in compliance with Chapter VII of the SEBI (ICDR) Regulations, 2009 on Preferential Basis to the Strategic Investors, not forming part of the Promoter Group of the Company.

In view of the above it was decided to issue 18,00,000 convertible Equity warrants of face value of Rs. 10/- each at an Issue price of Rs.181/- per convertible Equity warrant (including premium of Rs. 171/- per share warrant) on preferential basis to the Strategic Investors, not forming part of the Promoter Group of the Company and for which members approval has been obtained in the Extra Ordinary General Meeting held on 18/02/2017. In this connection, the Company has complied with the Companies Act, 2013 as well as Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 and other applicable laws.

25% of the value of the Warrants (advance payment) shall become payable on the date of their allotment. Hence on 11/03/2017, the Board of Directors of the Company has allotted 18,00,000 convertible Equity warrants on preferential basis to the group of Strategic Investors not forming part of the promoters group.

The balance amount is payable at the time of conversion of Warrants into Equity Shares. The said advance payment of 25% shall be kept by the Company as a deposit to be adjusted and appropriated against the price of the Equity shares payable by the warrant holder at the time of exercising the option. Upon receipt of the requisite payment, as above the Board shall allot one equity share against each warrant by appropriating Rs. 10/- per equity shares towards equity share capital (Rs. 10/-).

Further on 29/03/2017, 7,00,000 equity warrants were converted in to 7,00,000 equity shares of face value of Rs. 10/- each @ Rs.181/- per share (including premium of Rs. 171/- per share) after receiving balance 75% of exercise amount. Out of 18,00,000 convertible equity warrants only 7,00,000 equity warrants converted into 7,00,000 Equity shares and balance 11,00,000 equity warrants to be converted within 18 months from the date of issue of warrants.

A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles. And that receipts and expenditures of the company are being made only in accordance with authorities of management and directors of the company; and (3) provide

reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management overrides of controls, materials misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedure may deteriorate.

Opinion

In our opinion, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
