The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
- 4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
- 5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
- 6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.warrentea.com The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and Calcutta Stock Exchange of India Limited at www.bseindia.com and www.bseindia.co
- 7. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020, 10/2022 dated December 28, 2022 and 9/2023 dated September 25, 2023.
- 8. In continuation to this Ministry's **General Circular No. 20/2020**, dated 5th May, 2020, 10/2022 dated December 28, 2022 and 9/2023 dated September 25, 2023 and after due examination, it has been decided to allow companies whose AGMs were due to be held in the year 2023, or become due in the year 2024, to conduct their AGMs on or before 30.09.2024, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 as per MCA circular no. 02/2021 dated January,13,2021. The Securities And Exchange Board of India vide its Circular dated May 12, 2020, January 15, 2021, May 13, 2022, January 5, 2023, SEBI/HO/CFD-PoD-2/P/CIR/2023/167 dated October 7, 2023 and SEBI/HO/CFD-PoD-2/P/CIR/2024/133 dated 3rd October, 2024 ('SEBI Circulars') have permitted the holding of the Annual General Meeting ('AGM') through video conferencing (VC) or other audio visual means (OAVM) on or before 30th September, 2025 without the physical presence of the Members at a common venue.

THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOININGVIRTUAL MEETINGSARE AS UNDER:

Step 1 : Access through Depositories CDSL/NSDLe-Voting system in case of individual shareholders holding shares in demat mode.

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physicalmode and non-individual shareholders in demat mode.

- (i) The voting period begins on 29th August, 2025 and ends on 1st September, 2025 During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date 26th August, 2025 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- **Step 1** : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Your Company has disposed off and exited from the tea plantation business. Efforts are continuing to consolidate its financial position including containment and optimization of liabilities and to improve the overall performance. Further efforts are being made with the professional services to enter into new area of business i.e.

- i) Tea marketing in selected districts as well as
- ii) To carry on tea business as Merchant Exporters.

However due to border skirmish aggravating to war in between Ukraine and Russia and in the West Asia alongwith consequent fallout in and around the region, the company's merchant exporting plans are put on hold . The Company has been looking into logistics, guidelines issued anew by food safety authority, identifying quality tea producers, engaging with service venders for warehousing, transportation, packeting, labeling, etc. , besides brand promotion work , which have taken its toll , as the Company is foraying into newer channels of retail marketing . This entailed most of the year under review. The Company meanwhile stayed afloat with revenue from interest on its inter corporate deposits , term deposits with banks, mutual funds .

Delisting of Equity Shares

During the year under review, The Board of Directors of the Company at its Meeting held on March 12, 2025, have considered and approved the voluntary delisting of equity shares of the Company from the Calcutta Stock Exchange Limited only, in compliance with Regulation 6 of the Securities & Exchange Board of India (Delisting of Equity Shares) Regulations 2021 and subsequent amendment thereto ("SEBI Delisting Regulations"). However, the Company would continue to remain listed on the Stock Exchange which has nationwide trading terminal i.e. Bombay Stock Exchange Limited.

As per the SEBI delisting Regulations, Company's securities can be delisted from Calcutta Stock Exchange Limited as the equity shares of the Company are listed and will continued to be listed at Stock Exchange having nationwide trading terminal i.e. Bombay Stock Exchange Limited. Since there is no trading in the equity shares of the Company listed on the Calcutta Stock Exchange Limited for several years and hence the benefits accruing to the investors by keeping the equity shares listed on the Calcutta Stock Exchange Limited do not commensurate with the cost incurred by the Company for the continued listing on Calcutta Stock Exchange Limited. The Shareholders of the Company will not suffer due to its delisting from the Calcutta Stock Exchange Limited as equity shares of the Company will remain to be listed on Bombay Stock Exchange Limited.

Since the equity shares of the Company would remain to be listed on Stock Exchange having nationwide trading terminal i.e. Bombay Stock Exchange Limited, therefore no Exit opportunity is required to be given to the Shareholders of the Company as per SEBI Delisting Regulations. A Public Notice published in the newspapers namely, Financial Express - English (All editions), Jansata - Hindi (All editions) and in Arthik Lipi - Bengali duly approved by the Board to give effect to the abovementioned delisting with respect to

voluntary delisting of equity shares of the Company from Calcutta Stock Exchange Limited without giving exit opportunity to the shareholders and shall continue to be listed at Bombay Stock Exchange Limited which is a nationwide trading terminal.

The application has been made to The Calcutta Stock Exchange Limited and the final approval from them regarding the delisting of the Company from the Official List of the Exchange is pending as on date of this Report.

As informed, since the equity shares of the Company would remain to be listed on Stock Exchange having nationwide trading terminal, i.e. BSE Limited, therefore no exit opportunity has been given to the shareholders of the Company as per the SEBI Delisting Regulations.

Change of Registered Office

Further to approval of shareholder of the Company at the Annual General Meeting held on 12th September, 2023, the Company has received on 18th June, 2024, a communication from the Ministry of Corporate Affairs (Registrar of Companies, Kolkata) approving the shifting of Registered Office of the Company from 'The State of Assam' at Deohall Tea Estate, P.O. Hoogrijan, Dist. Tinsukia, Assam 786 601 to 'The State of West Bengal' at Johar Building, 8th floor, P-1, Hide Lane, Kolkata 700 073.

In accordance with the revised Certificate of Incorporation dated 18th June, 2024, the location of the new Registered Office of the Company is now Johar Building, 8th floor, P-1, Hide Lane, P.S.: Bowbazar, P.O. Bowbazar, Kolkata 700 073 with effect from 18th June, 2024.

Subsidiaries, Associates or Joint Venture

As on March, 31, 2025, Company does not have any Subsidiary/Joint Ventures.

There were no companies which have become/ceased to be Subsidiaries, Joint Ventures and Associate Companies during the year.

The Company as on 31^{st} March, 2025 has one associate company namely, Maple Hotels & Resorts Limited.

During the year under review, the travel and tourism industry continued to exhibit healthy growth, which had a positive impact on the hospitality sector overall. Your Company benefitted from this trend, with turnover increasing to INR 2471.52 lakhs in FY 2024-25 compared to INR 2082.19 lakhs in the previous year - a growth of 18.7%.

This improvement was driven by the addition of two new properties during FY2023-24, Vesta Avatar Resort, Pushkar, and Vesta Grand Central, Udaipur. Further, the newly launched roof-top lounge bar, LOFT, at Vesta Grand Central Udaipur further added to the enhanced revenues during the year. FY 2024-25 marked the first full year of operations for these properties, and these are still in the process of gaining visibility and establishing strong brand awareness in their respective markets. As a result, their performance is expected to grow substantially in the upcoming fiscal.

Consequently despite the increase in topline, the Total Comprehensive income saw a marginal decline from INR 249.40 lakhs in FY 2023-24 to INR 242.39 lakhs in FY 2024-25 primarily due to the operational ramp up of the newly added assets.

Pursuant to the provisions of Section 129(3) of the Companies Act, 2013 Consolidated Financial Statements together with a statement containing the salient features of the Financial Statements of Maple Hotels & Resorts Limited in AOC - 1 forms a part of this Annual Report.

Corporate Governance

The Company has complied with the Corporate Governance requirements under the Act and as stipulated under Regulation 17 to Regulation 27 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. A separate Report on Corporate Governance in terms of Regulation 34(3) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 is also provided in **Annexure C** to this Report.

Management Discussions and Analysis Report

In order to avoid duplication between the Director's Report and Management Discussions & Analysis, your Directors give a composite summary of the business and functions of the Company in the following pages.

Regulation 34 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 stipulates disclosure under specific heads which are given in the following paragraphs and which continue to be followed in the usual course of the Company's business over the years in discussion amongst the Directors and Senior Management Personnel.

1. (a) Industry Structure and Developments

Tea being a seasonal Industry, plantation activities is subject to the vagaries of nature. The crop yield depends on the climatic condition to a very large extent. For increasing the crop yields implementation of necessary improved agricultural practice are required which is very essential for the growth and betterment of the Industry. Tea has established itself as a wellness and life-style beverage and several varieties of teas are emerging in the market opening up the new avenue. The last two/three financial years were very challenging while the world economies were trying to recover from the aftermath of Covid Pandemic recession and financial instabilities hit many countries hard due to the ongoing Ukraine and Russia

war conflict in Middle East and other region sanction imposed on current and natural calamities added to woes. Substantial increase in labour wages, high social cost, over most other tea producing countries, high infrastructure cost and increasing energy and other input costs remain the main problem in Indian tea industry. This is coupled with imports of teas from Sri Lanka and Nepal and substitution of quality teas with less acclaimed quality that brings volume but affects fame of Indian teas abroad. However, inspite of this scenario, outlook of tea industry is positive due to its increase in demand, consumption and acceptance of the same as a wellness drink globally.

The Company's main business operations will be retail marketing of teas in the domestic market as well as merchant exporting of teas to select Gulf countries and CIS countries. During last financial year your Company have decided to venture into new areas of tea business i.e. (i) Retail/Consumer Marketing in selected district in Northern India(ii) To carry on tea business as a Merchant Exporters to Gulf/CIS/Eastern European Countries.

(b) Opportunities and threats

The Company looks forward to continue to sell quality teas in the domestic as well as overseas markets, because the demand for tea is growing in leaps and bounds. Though tea production has increased in the country, tea prices in retail quality tea segment have remained firm by and large, giving assured returns. The Company will be having additional leverage from its expertise drawn from over the years in production, domestic geographical markets with varying tastes, buyers and sellers, available selling platforms and less overheads.

Cost of production of black tea has increased manifold. It is essential to look out for teas containing harmful ingredients such as germicides, pesticides and weedicides that do not comply with government guidelines but are unscrupulously used. Consistently good quality teas are difficult to find as most of the buyers who grow quality teas sell them to major buyers on forward contracts. Identifying retail buyers with sound financial background is important to realise sale proceeds in due time and to avoid blockade of working capital. The food safety authority also has put more stringent guidelines for tea producers. Brand promotion would call for building awareness in select teas in select states.

(c) Segment-wise or Product-wise Performance

The Company does not have any separate primary business segment.

(d) Outlook

The tea industry has enormous development potential, thanks to exciting new kinds and environmental measures, making it a favorite among consumers worldwide. It is one among the world's most popular beverages. Furthermore, rising health consciousness and disposable income have supported the tea market's growth. Other factors driving the market's growth include the introduction of additional beneficial components in tea by various market players.

(e) Risks & Concerns

The Company has to purchase the good quality of teas. Other risks will include identifying buyers and setting up logistics and maintain the foray in a largely unorganized retail sector.

(f) Internal Control Systems & their Adequacy

The Company's internal control system are commensurate with its size and it ensures operational efficiency, accuracy in financial reporting and compliance of applicable laws and regulations. These are reviewed from time to time and improved upon, where required. The internal audit is carried out by external firms of Chartered Accountants besides checks carried out by the Secretarial Auditors and the Statutory Auditors during the course of their respective audits.

(g) Financial Discussion on Performance with respect to Operational Performances

The disclosures under financial performance with respect to operational performance are covered by the sections.

Financial summary, highlights and state of the Company's Affairs and Resume of Performance respectively under the "Directors Report".

In the financial year 2022-23, the Company disposed off all of its tea estates to consolidate and strengthen its financial position and improving the overall performance of the Company. The Company has repaid all borrowings from banks as part of working capital and has received NOC from the banks.

Subsequent to the disposal of all tea estates of the Company, it has been decided by the Board of Directors that the Company shall be venturing into new areas of tea business i.e. (i) Retail/Consumer Marketing in selected district in Northern India(ii) To carry on tea business as a Merchant Exporters to Gulf/CIS/Eastern European Countries.

However due to border skirmish aggravating to war in between Ukraine and Russia and in the West Asia alongwith consequent fallout in and around the region, the company's merchant exporting plans are put on hold. The Company has been looking into logistics, guidelines issued anew by food safety authority, identifying quality tea producers, engaging with service venders for warehousing, transportation, packeting, labeling, etc., besides brand promotion work, which have taken its toll, as the Company is foraying into newer channels of retail marketing. This entailed most of the year under review. The Company meanwhile stayed afloat with revenue from interest on its inter corporate deposits, term deposits with banks, mutual funds. The Company during the year under review has earned an amount of Rs. 445.76 lacs from interest earned on deposits with banks, mutual funds, etc.

(h) Material Developments in Human Resources/Industrial Relations Front including number of people employed

Human resources are the most valuable assets of the Company and thus adequate care is taken by the Company for their development and well being.

Your Company deeply appreciates the performance and cooperation of the employees during the year and look forward to maintain cordial relations in the years to come.

INDEPENDENT AUDITOR'S REPORT

To the Members of **WARREN TEA LIMITED**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **WARREN TEA LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including other comprehensive income), the Cash Flow statement and the statement of changes in equity for the year then ended and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2025, its **profit** including and other Comprehensive Income, its cash flows and the Changes in Equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the standards on auditing (SAs) as specified under section 143 (10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Emphasis of Matter

We draw attention to Note 25(14) of the financial statements, which states that certain balances of trade receivables, trade payables, loans and advances, and other financial assets/liabilities as at the balance sheet date are subject to confirmation and reconciliation, if any. The management has represented those necessary adjustments, if any, will be made upon receipt/reconciliation of such confirmations. Our opinion is not modified in respect of this matter.

We draw attention to Note 25(19) of the accompanying financial statements, which describes a related party transaction wherein the Company has paid a security deposit to a related party in respect of office premises. The amount of the security deposit is significant, exceeding 10% of the Company's net worth as at the balance sheet date. As disclosed in the said note, this transaction has been conducted at arm's length and has been duly approved by the Board of Directors.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and informing our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter

Balance confirmations

As disclosed in Note 25(14) to the financial statements, several balances including trade receivables, trade payables, loans and advances, and other financial assets/liabilities remain subject to confirmation from respective parties as at the balance sheet date. The final outcome of such confirmations may result in adjustments, if any.

This was considered a key audit matter due to the materiality of such balances and the potential risk of misstatement in the absence of direct confirmations from counterparties.

How our audit addressed the key audit matter

We have had detailed discussions with those charged with governance relating to the write back of these provisions and our audit approach inter alia covered the following issues:

- Performed alternative audit procedures including matching transactions, subsequent settlements, and reconciliation with subsidiary records where confirmations were not received.
- Evaluate the adequacy of management's disclosures regarding the matter.

Security Deposit

The company had paid differential security deposit of Rs. 6.30 Lakhs during the year to a related party in respect of office premises taken on lease. The transaction was reviewed during the financial year.

The matter was considered significant to our audit due to the regulatory compliance requirements applicable to related party transactions, and the governance implications arising.

We performed the following principal audit procedures in relation to payment of security deposit to the related party of the company:

- a) Examined the Board meeting minutes and supporting documentation for the proposed transaction in FY 2022–23.
- b) Verified the payment of the security deposit made during the current year.
- c) Assessed the disclosures in the financial statements relating to the related party transaction and governance compliance.

Evaluation of uncertain tax positions

The Company has material uncertain tax positions including matters under dispute which involves significant judgment to determine the possible outcome of these disputes.

Our procedure included, amongst others, appropriateness assessina the management's assumptions and estimates in relation to uncertain tax positions, challenging those assumptions and considering advice received by management from external parties to support their position. We have involved our tax specialists to consider management's assessment of the tax positions and related provision/liability accruals when necessary. We concur with management estimates and the outcome of procedures to determine the relevant provision/liability.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the standalone Financial Statements

The Company's Board of Directors of the Company are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the act') with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including comprehensive income and cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (IND AS) specified under Section 133 of the Act, read with companies (Indian Accounting Standards) rules, 2015, as amended. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether
 due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
 evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting
 a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may
 involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the financial year ended March 31, 2025 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure a statement on the matters Specified in paragraphs 3 and 4 of the Order.
- 2. As required by section 143(3) of the Act, we further report that:
 - a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;

- iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (c)Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. Based on our examination, the company, has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility except in respect of property, plant and equipment records wherein the accounting software did not have the audit trail feature enabled throughout the year.
 - Further, the audit trail facility has been operated throughout the financial year. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. Based on the information and explanation given to us the company had changed its accounting system during the year and transitioned from oracle package to Tally and audit trail has been enabled since transition only.

The company has preserved the audit trail as per the statutory requirements for record retention as per proviso to Rule 3(1) of the Companies (Accounts)Rules, 2014 as applicable from April 1, 2023 reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules 2014.

vi. The Company has not declared or paid any dividend during the year ended 31 March 2025.

Annexure A referred to in paragraph 2(f) under heading Report on Other Legal and Regulatory Requirements of our Report of even date to the members of Warren Tea Limited on the financial statements of the Company for the year ended 31st March, 2025

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of ('the Company') as of 31st March, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to Standalone Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2025 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

Note 25

1. Company Overview

At the Board Meeting of the Company held on 21st November, 2022, the Company decided to exit the Plantation and Manufacturing of Tea Business in Assam and to concentrate on retail consumer marketing of teas as well as to remain active merchant exporters of tea to CIS / Eastern Europe / Gulf Countries. The Company sold all its remaining four Tea Estates during the period under review.

The Company is listed on the Bombay and Calcutta Stock Exchanges.

The Standalone Ind AS Financial Statements were approved and authorised for issue in accordance with the resolution of the company's Board of Directors an on 20th May, 2025.

2. Statement of Compliance with Ind AS

These financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) as contained in Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 and other relevant provisions of the Companies Act, 2013 (the Act).

3. Significant Accounting Policies

3.1 Classification of Current and Non-Current Assets and Liabilities

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1. The Company has ascertained its operating cycle as twelve months for the purpose of classification of current and non-current assets and liabilities.

3.2 Historical Cost Conventions

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention, except for the following:

- i) certain financial assets and liabilities that are measured at fair value;
- ii) plan assets relating to defined benefit plans that are measured at fair value;
- iii) biological assets (including un-plucked green leaves) measured at fair value less cost to sell though there is no green leaf at end of the year.

Historical cost is generally based on the fair value of the consideration received in exchange for goods and services.

Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

The preparation of financial statements in conformity with Ind AS requires management to make estimates based on its judgements, and assumptions that affect the application of the accounting policies and the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period; they are recognised in the period of the revision as well as for future periods if the revision affects both current and future periods.

3.3 Sales and Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of sales returns and trade discounts

Revenue from sale of goods is recognized when the Company transfers the control of goods to the customer as per the terms of contract. The Company considers whether there are other promises in the contract that are separate performance obligations to which a portion of the transaction price needs to be allocated. In determining the transaction price, the Company considers the effects of variable consideration, the existence of significant financing component, non-cash considerations and consideration payable to the customer (if any).

Exports entitlements are recognised when the right to receive credit as per the terms of the schemes is established in respect of the exports made by the Company and when there is no significant uncertainty regarding the ultimate collection of the relevant export proceeds.

Rental income is accounted on accrual basis as per the agreements/ arrangements with the concerned parties.

Interest Income is recognised on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income from debt instruments is recognised using the effective interest rate method.

Dividend income is recognised in the statement of profit and loss only when the right to receive payment is established, which is generally when shareholders approve the dividend

3.4 Exceptional Item

Exception items include income or expense that are considered to be part of ordinary activities, however, are of such significance and nature that separate disclosure enables the user of Financial Statements to understand the impact in a more meaningful manner. Exceptional items are identified by virtue of either their size or nature so as to facilitate comparison with prior periods and to assess underlying trends in the financial performance of the Company.

3.5 Foreign Currency

Functional and presentation Currency

The Ind AS financial statements are presented in INR, which is the Company's functional currency. Foreign currency transactions are initially recorded at functional currency spot rates at the date the transaction first qualifies for recognition.

Transaction and balances

Transactions in foreign currencies are initially recorded by the Company at their respective functional currency spot rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences arising on the settlement or translation of monetary items are recognized in the Statement of Profit and Loss in the period in which they arise.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss, respectively)

3.6 Government Grants/ Assistance

Government Grants/ Assistance (Grant) are recognised at their fair value where there is a reasonable assurance that the Grant will be received and the Company will comply with the conditions attached to them.

Grants relating to income are recognised in profit or loss on a systematic basis over the periods in which the Company recognises as expenses the related costs for which the Grants are intended to compensate.

Grants relating to assets are presented as deferred income in the Balance Sheet and are recognised in profit or loss on a systematic basis over the useful life of the related assets.

3.7 Property, Plant and Equipment

(i) Bearer Plants

Bearer Plants have been recognised on 1st April, 2016 as an item of Property, Plant and Equipment in accordance with previous GAAP, on which depreciation has been provided. Expenses on replanting and young tea maintenance of Bearer Plants are considered as Capital Work-in-Progress. Depreciation on Bearer Plants is charged on estimated useful life of 77 years ascertained upon technical evaluation. Depreciation on Bearer Plants is recognised so as to write off its cost over useful lives, using the straight-line method. In accordance with Ind AS, Bearer Plants are stated at cost less accumulated depreciation and accumulated impairment losses, if any.

(ii) Items Other than Bearer Plants

Freehold land is carried at historical cost. All other items are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the construction or acquisition of the items of the related property, plant and equipment.

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Depreciation of these assets, are on the same basis as other property assets, and commences when the assets are ready for their intended use.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to profit and loss during the reporting period in which they are incurred.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from its use. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

Items of Property, Plant and Equipment are depreciated in a manner that amortises the cost of the assets net of its residual value, over their useful lives on a straight line basis. For additions/disposals of items during the course of the year, depreciation/amortisation is recognised on a pro-rata basis. Estimated useful lives of the assets are considered as specified in Schedule II of the Companies Act 2013.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period and the effect of any changes in estimate is accounted for on a prospective basis.

Compensation receivable for acquisition of Assets of the Company is accounted for upon acceptance of the Company's claim by the appropriate authorities.

Impairment of Assets

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised in profit or loss for the amount by which the asset's carrying amount exceeds its recoverable amount. Assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

3.8 Intangible Assets

Intangible Assets of the Company are recognised when it is an identifiable non-monetory asset without physical substance. An Asset is recognised when it is expected to provide future economic benefits to flow to the Company. These assets are capitalised at the price what would be received to sale an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Useful life is determined as the period over which an asset is expected to be available for use by the Company. Depreciation on Intangible Assets is recognised so as to write-off its cost over the useful life.

Capital Work in Progress

Capital Work-in-progress is stated at cost which includes expenses incurred during construction period, interest on amount borrowed for acquisition of qualifying assets and other expenses incurred in connection with project implementation in so far as such expenses relate to the period prior to the commencement of commercial production.

3.9 Financial Instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the relevant instrument and are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issues of financial assets and financial liabilities (other than financial assets and financial liabilities measured at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial assets or financial liabilities. Purchase or sale of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date when the Company commits to purchase or sell the asset.

(i) Financial Assets Recognition and Classification

The financial assets are classified at initial recognition in the following measurement categories as:

- those subsequently measured at amortised cost.
- $those \ to \ be \ subsequently \ measured \ at \ fair \ value \ [either \ through \ other \ comprehensive \ income \ (OCI), \ or \ through \ profit \ or \ loss]$

Subsequent Measurement

- Financial assets measured at amortised cost -

Financial assets which are held within the business model of collection of contractual cash flows and where those cash flows represent payments solely towards principal and interest on the principal amount outstanding are measured at amortized cost. A gain or loss on a financial asset that is measured at amortised cost is recognised in profit or loss when the asset is derecognised or impaired.

Note 25 (continued)

- Financial assets measured at fair value through other comprehensive income

- Financial assets that are held within a business model of collection of contractual cash flows and for selling and where the assets' cash flow represents solely payment of principal and interest on the principal amount outstanding are measured at fair value through OCI. Movements in carrying amount are taken through OCI, except for recognition of impairment gains or losses.

When a financial asset, other than investment in equity instrument, is derecognized, the cumulative gain or loss previously recognised in OCI is reclassified from equity to statement of profit and loss.

Classification of equity instruments, not being investments in subsidiaries, associates and joint arrangements, depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through OCI. When investment in such equity instrument is derecognised, the cumulative gains or losses recognised in OCI is transferred within equity on such derecognition.

- Financial assets measured at fair value through profit or loss

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. Movements in fair value of these instruments are taken in profit or loss.

Impairment of financial assets

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Impairment losses are recognised in the profit or loss where there is an objective evidence of impairment based on reasonable and supportable information that is available without undue cost or effort. The Company recognises loss allowances on trade receivables when there is objective evidence that the Company will not be able to collect all the due amounts depending on product categories and the payment mechanism prevailing in the industry.

Income recognition on financial assets

Interest income from financial assets is recognised in profit or loss using effective interest rate method, where applicable. Dividend income is recognized in profit or loss only when the Company's right to receive payments is established and the amount of dividend can be measured reliably.

(ii) Financial Liabilities

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts.

Financial liabilities are classified according to the substance of the contractual arrangements entered into. Financial liabilities are classified, at initial recognition, as subsequently measured at amortized cost unless they fulfill the requirement of measurement at fair value through profit or loss. Where the financial liability has been measured at amortised cost, the difference between the initial carrying amount of the financial liabilities and their redemption value is recognized in the statement of profit and loss over the contractual terms using the effective interest rate method.

Financial liabilities at fair value through profit or loss are carried at fair value with changes in fair value recognized in the finance income or finance cost in the statement of profit or loss.

(iii) Derecognition of financial assets and financial liabilities

Financial assets are derecognized when the rights to receive benefits have expired or been transferred, and the Company has transferred substantially all risks and rewards of ownership of such financial asset. Financial liabilities are derecognized when the liability is extinguished, that is when the contractual obligation is discharged, cancelled or expires.

(iv) Offsetting of financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously.

3.10 Employee Benefits

a) Short Term Employee Benefits

These are recognised at the undiscounted amount as expense for the year and are expensed as the related service is provided.

b) Other Long term employment benefits

The cost of providing long-term employee benefits is determined using Projected Unit Credit Method with actuarial valuation being carried out at each Balance Sheet date. Actuarial gains and losses and past service cost are recognised immediately in the Statement of Profit and Loss for the period in which they occur. Long term employee benefit obligation recognised in the Balance Sheet represents the present value of related obligation.

c) Post Employment Benefits

Contributions under Defined Contribution Plans payable in keeping with the related schemes are recognised as expenditure for the year.

In case of Defined Benefit Plans, the cost of providing the benefit is determined using the Projected Unit Credit Method with actuarial valuation being carried out at each Balance Sheet date. Actuarial gains and losses are recognised in full in the Other Comprehensive Income for the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested, and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, if any, and as reduced by the fair value of plan assets, where funded. Any asset resulting from this calculation is limited to the present value of any economic benefit available in the form of refunds from the plan or reductions in future contributions to the plan.

- (i) The Company operates defined Contribution Schemes of Provident Funds and makes regular contributions to Provident Funds which are fully funded and administered by the Trustees and are independent of the Company's finance. Such contributions are recognised in the Accounts on accrual basis. Interest accruing to the Fund administered by the Trustees are credited to respective members' accounts based on the rates stipulated by the Government and shortfall if any, recognized on the basis of actuarial valuation report in this regard, is borne by the Company.
- (ii) The Company operates defined benefit Superannuation and Gratuity Schemes administered by the Trustees, which are independent of the Company's finance. Such obligations are recognised in the Accounts on the basis of actuarial valuation applying Projected Unit Credit Method including gains and losses at the year-end.
- (iii) The Company operates Additional Retiral Benefit for certain categories of employees for which obligations are recognised in the Accounts based on actuarial valuation applying Projected Unit Credit Method including gains and losses at the year-end.

Note 25 (continued)

3.11 Inventories

Inventories are valued at the lower of cost and net realisable value.

Costs incurred in bringing each product to its present location and condition are accounted for as follows:

Raw materials in the form of harvested tea leaves, produced from own gardens are measured at fair value for the purpose of valuation of made tea.

Stores & Spare parts, Finished Goods stated at the lower of cost and estimated net realisable value. Provision is made for obsolete and slow Cost moving inventories whenever necessary in the Accounts. Cost comprises expenditure incurred in the normal course of business in bringing such inventories to their present location and condition and includes appropriate overheads (in case of Finished Goods). Cost is determined on weighted average basis. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold are at or above cost.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale although there is no inventory during the year.

3.12 Biological Assets

The Company recognises biological assets when, and only when, the Company controls the assets as a result of past events. It is probable that future economic benefits associated with such assets will flow to the Company and the fair value or cost of the assets can be measured reliably. Expenditure incurred on biological assets are measured on initial recognition and at the end of each reporting period at its fair value less costs to sell. The gain or loss arising from a change in fair value less costs to sell of biological assets are included in statement of profit and loss for the period in which it arises.

3.13 Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

Right-of-use asset

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use).

Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any re-measurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, deferred lease components of security deposits and lease payments made at or before the commencement date less any lease incentives received.

Lease liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees.

3.14 Trade Receivables

Trade receivables are recognised at Fair Value less provision for impairment if any.

3.15 Provision and Contingent Liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking in to account the risks and uncertainties surrounding the obligation.

Contingent Liabilities are disclosed when there is a possible obligation which may arise from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or reliable estimate of the amount cannot be made.

3.16 Borrowing Cost

Borrowing costs directly attributable to the acquisition, construction or production that necessarily takes a substantial period of time to get ready for its intended use are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they incur. Borrowing costs consists of interest and other costs that an entity incurs in connection with the borrowing of funds. Other borrowing costs are recognized as an expense in the period in which they are incurred.

Cash and Cash Equivalents

Cash and cash equivalent comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

Trade Receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment, if any

3.17 Taxes on Income

Taxes on income comprises of current taxes and deferred taxes. Current Tax in the statement of profit and loss is determined as the amount of income-tax payable/recoverable in respect of the taxable income for the current period using tax rates and tax laws enacted during the period, together with any adjustment to tax payable in respect of previous years.

Deferred Tax is recognised on temporary differences between the carrying amount of assets and liabilities and the corresponding tax bases used in the computation of taxable profit.

Deferred Tax Assets are recognised subject to the consideration of prudence only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. Such deferred tax assets and liabilities are not recognized if the temporary differences arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity net of tax respectively.

Note 25 (continued)

3.18 Earnings per Share

Basic Earnings per Share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

4. Financial Instruments and Related Disclosures

Capital Management

The Company's objective is to have a strong capital base in order to maximise the shareholders' wealth and to ensure the continuity of the business from its internal resources and if found necessary, from a judicious use of borrowing facilities to fund requirements for meeting operational requirement as well as for comprehensive growth of the Company.

5. Financial risk management objectives

The Company's faces a variety of financial risks, including market risk, credit risk and liquidity risk. The Company continues to focus on business risk management. The Company management seeks to enable the early identification, evaluation and effective management of key risks facing the business. The Company has strong internal control systems resting on policies and procedures issued by appropriate authorities, process of regular audits and monitoring of risks.

a) Market risk

The Company's business, primarily agricultural in nature, future cash flows will fluctuate because of adverse weather conditions and lack of future markets. The Company closely monitors the changes in market conditions and select the sales strategies to mitigate its exposure to risk.

b) Foreign currency risk

The Company undertakes transactions denominated in foreign currency which results in exchange rate fluctuations. Such exchange rate risk primarily arises from transactions made in foreign exchange. A significant portion of these transactions are in US Dollar and Euro.

c) Foreign currency sensitivity

The impact of sensitivity analysis arising on account of outstanding foreign currency denominated assets and liabilities is insignificant.

d) Interest rate risk

Interest rate risk refers to the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The objective of the Company is to lessen the impact of adverse interest rate movements on its earnings and cash flows and to minimise counter party risks.

The Company is exposed to interest rate volatilities primarily with respect to its borrowings from banks.

e) Interest rate sensitivity

Since the borrowings are all short / medium term in nature, the volatility in the interest rate is minimal.

f) Liquidity risk

Liquidity risk is the risk that the Company may encounter difficulty including seasonality in meeting its obligations. The Company mitigates its liquidity risks by ensuring timely collections of its trade receivables, close monitoring of its credit cycle and ensuring optimal movements of its inventories.

g) Credit risk

Credit risk is the risk that counter party will not meet its obligations leading to a financial loss. The Company has its policies to limit its exposure to credit risk arising from outstanding receivables. Management regularly assess the credit quality of its customers. The credit risk of the Company is relatively low as the Company also sells largely its teas through the auction system which is on cash and carry basis and through exports which are mostly backed by letter or credit or on advance basis.

6. Fair value measurements

Fair value hierarchy

Fair value of the financial instruments is classified in various fair value hierarchies based on the following three levels:

Level 1: Quoted prices in active market for identical assets or liabilities

Level 2: Inputs other than quoted price including within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Level 3: Inputs for the assets or liabilities that are not based on observable market data. If one or more of the significant inputs is not based on observable market data, the fair value is determined using generally accepted pricing models based on a discounted cash flow analysis, with the most significant input being the discount rate that reflects the credit risk of counterparty. This is the case with listed instruments where market is not liquid and for unlisted instruments.

The management consider that the carrying amounts of financial assets (other than those measured at fair values) and liabilities recognized in the financial statements approximate their fair value as on March 31, 2025 and March 31, 2024.

There has been no change in the valuation methodology for Level 3 inputs during the year. There were no transfers between Level 1 and Level 2 during the year.

Note 25 (Continued)

- 7 The Company further, having exited tea plantation business, looked forward to preparing itself to venture into merchant exporting of teas to Gulf / West Asia / CIS countries. But due to border skirmish aggravating to war in between Ukraine and Russia and consequent fallout in and around the region, the company's merchant exporting plans are put on hold. Besides, the company has also been trying to venture into retail selling of teas and therefore looking into logistics, guidelines that entailed most of the year under review. The Company meanwhile could barely earn revenue from interest on its inter corporate deposits, term deposits with banks and from investments in mutual funds.
- i) At the Meeting held on 28th July, 2023, the Board recommended shifting of Registered Office of the Company from Tinsukia in Assam to Kolkata in West Bengal. The Company has got approval from its shareholders at the Annual General Meeting held on 12th September, 2023. Order dated 19th February, 2024 has been issued by the Office of the Regional Director (NER) in the matter u/s 13(4) of the Companies Act, 2013 for proceeding on this matter. The Registered Office of the company is now at Kolkata under Order dated 18th June, 2024 of the Registrar Of Companies, Kolkata.
 - ii) The Company has filed an application with The Calcutta Stock Exchange for voluntary delisting of its equity shares. The process of delisting is currently ongoing and subject to necessary approval and compliance with applicable laws and regulations including SEBI (Delising of Equity Shares) Regulations, 2021.
- It has been decided by the Company that Retirement Scheme in operation as signed between the Management of Warren Tea Limited and the erstwhile General Secretary, ACKS, Central Office at Dibrugarh needs to be discontinued due to the several impediments faced by the Company in its business operation and the ensuing wreckage caused to the financial health of the Company in the past few years due to various uncontrollable and enforceable events transpired in the tea market and tea industry.

Notice by the Company in this regard was given vide Section 9-A of the I.D. Act to all concerned in the month of February, 2022. The matter is subjudice. The Company to act as per the Laws of the Land.

10 The management observed in its board meeting held on 28th March 2024 that since the last four financial years post COVID, owing to difficulty from increasing cost of production / incessant rains from climate change / pest attacks / fall outs from pandemic and significant changes in the market scenario all of which had remained largely uncontrollable and thus had significant impact on company's profitability, the Company to combat such adverse situations had to dispose of all its remaining tea estates to consolidate and strengthen its financial performance and as a concrete step towards improvement of its overall performance. Various cost reduction steps have already been taken considering the current situation. The executive staff including the substaff are encouraged / allowed to avail of the leave as permissible and the practice of leave encashment shall be withdrawn in line with the resolution of the board of directors at its meeting held on 13th August 2020. The matter has been discussed threadbare by the board of directors at its meeting held on 28th March 2024 and hence it has been resolved that the Board at its sole discretion shall forfeit leave encashment for all employees of the Company at any level, whose name appear on the payroll of the Company as at 1st January 2019, including the Executive Chairman, all management staff either at Kolkata corporate office and or at the tea estates, be it staff, substaff, daily rated workers, peons. Leave encashment is hence withdrawn and hence employees are encouraged to avail leave as is permissible from accumulated leave balance and fresh accruals.

In the same meeting the Company has held that the Additional Retiral Benefit for executives of the Company both at Kolkata and its tea estates would be withdrawn whose name appear on the payroll of the Company as at 1st January, 2019. The provision for additional retiral benefit liability has since been withdrawn this year in the books of accounts.

INDEPENDENT AUDITOR'S REPORT

To the Members of

WARREN TEA LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **WARREN TEA LIMITED** ("the Company"), and its associate company which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including other comprehensive income), the Cash Flow statement and the statement of changes in equity for the year then ended and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company and its associate company as at 31st March 2025, its **profit** including and other Comprehensive Income, its cash flows and the Changes in Equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the standards on auditing (SAs) as specified under section 143 (10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Emphasis of Matter

We draw attention to Note 25(14) of the consolidated financial statements, which states that certain balances of trade receivables, trade payables, loans and advances, and other financial assets/liabilities as at the balance sheet date are subject to confirmation and reconciliation, if any. The management has represented those necessary adjustments, if any, will be made upon receipt/reconciliation of such confirmations.

Our opinion is not modified in respect of this matter.

We draw attention to Note 25(19) of the accompanying consolidated financial statements, which describes a related party transaction wherein the Company has paid a security deposit to a related party in respect of office premises. The amount of the security deposit is significant, exceeding 10% of the Company's net worth as at the balance sheet date. As disclosed in the said note, this transaction has been conducted at arm's length and has been duly approved by the Board of Directors. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and informing our opinion

thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter

Balance confirmations

As disclosed in Note 25(14) to the consolidated financial statements, several balances including trade receivables, trade payables, loans and advances, and other financial assets/liabilities remain subject to confirmation from respective parties as at the balance sheet date. The final outcome of such confirmations may result in adjustments, if any.

This was considered a key audit matter due to the materiality of such balances and the potential risk of misstatement in the absence of direct confirmations from counterparties.

How our audit addressed the key audit matter

We have had detailed discussions with those charged with governance relating to the write back of these provisions and our audit approach inter alia covered the following issues:

- Performed alternative audit procedures including matching transactions, subsequent settlements, and reconciliation with subsidiary records where confirmations were not received.
- Evaluate the adequacy of management's disclosures regarding the matter.

Security Deposit

The company had paid differential security deposit of Rs. 6.30 Lakhs during the year to a related party in respect of office premises taken on lease. The transaction was reviewed during the financial year.

The matter was considered significant to our audit due to the regulatory compliance requirements applicable to related party transactions, and the governance implications arising.

We performed the following principal audit procedures in relation to payment of security deposit to the related party of the company:

- a) Examined the Board meeting minutes and supporting documentation for the proposed transaction in FY 2022–23.
- b) Verified the payment of the security deposit made during the current year.
- Assessed the disclosures in the consolidated financial statements relating to the related party transaction and governance compliance.

Evaluation of uncertain tax positions

The Company has material uncertain tax positions including matters under dispute which involves significant judgment to determine the possible outcome of these disputes.

Our procedure included, amongst others, assessing the appropriateness of management's assumptions and estimates in relation to uncertain tax positions, challenging those assumptions and considering advice received by management from external parties to support their position. We have involved our tax specialists to consider management's assessment of the tax positions and related provision/liability accruals when necessary. We concur with management estimates and the outcome of their procedures to determine the relevant provision/liability.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's

Report, Business Responsibility Report but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the consolidated Financial Statements

The Company's Board of Directors of the Company are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the act') with respect to the preparation of these consolidated financial statements that give a true and fair view of the financial position, financial performance including comprehensive income and cash flows and changes in equity of the Company and its associate in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (IND - AS) specified under Section 133 of the Act, read with companies (Indian Accounting Standards) rules, 2015, as amended. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Board of Directors of the company and its associate are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of directors of the company and its associates are also responsible for overseeing the financial reporting process of the company and its associates.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether
 due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
 evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting
 a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may
 involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are

also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company and its associate ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company and its associate to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company and its associate to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the consolidated financial statements of the company or business activities included in the Consolidated Financial Statements of which we are the independent auditors. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the financial year ended March 31, 2025 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of its Associate company, whose financial statements reflect net profit of Rs. 242.39 Lakhs (including other comprehensive income) for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion, in so far as it relates to the amounts and disclosures included in respect of these subsidiary, is based solely on those reports. Our opinion is not modified in respect of these matters.

Report on Other Legal and Regulatory Requirements

- 1. As required by section 143(3) of the Act, we further report that:
 - a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c) the Consolidated Balance Sheet, Consolidated Statement of Profit and Loss including other comprehensive income, the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - d) in our opinion, the aforesaid financial statements comply with the applicable Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules 2014;
 - e) on the basis of written representations received from the directors of the company and its associate as on March 31, 2025, and taken on record by the Board of Directors, none of the directors of the company and its associate is disqualified as on March 31, 2025, from being appointed as a director in terms of Section 164(2) of the Act;
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting;
 - g) In our opinion the managerial remuneration for the year ended March 31, 2025 has been paid/ provided by the company to its directors is in accordance with the provisions of section 197 read with schedule V of the Act;
 - h) In our opinion and to the best of our information and according to the explanations given to us, we report as under with respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014:
 - The Company & its associates has disclosed the impact of pending litigations on its financial position in its Ind AS Financial Statements – Refer Note 32 Sub note 12 to the Ind AS Financial Statements.
 - ii. The Company & its associate did not have any long-term contracts including derivative contracts; as such the question of commenting on any material foreseeable losses thereon does not arise;
 - iii. There is no requirement of transferring amounts to the investor's education and protection fund by the company & its associates.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding,

whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c)Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v. Based on our examination, the company, has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility except in respect of property, plant and equipment records wherein the accounting software did not have the audit trail feature enabled throughout the year.

Further, the audit trail facility has been operated throughout the financial year. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. Based on the information and explanation given to us the company had changed its accounting system during the year and transitioned from oracle package to Tally and audit trail has been enabled since transition only.

The company has preserved the audit trail as per the statutory requirements for record retention as per proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 as applicable from April 1, 2023 reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules 2014.

vi. The Company & its associates has not declared or paid any dividend during the year ended 31 March 2025.

Annexure A referred to in paragraph 2(f) under heading Report on Other Legal and Regulatory Requirements of our Report of even date to the members of Warren Tea Limited on the financial statements of the Company for the year ended 31st March, 2025

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Warren Tea Limited and its associate company as of 31st March, 2025 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the company and its associate company are responsible for establishing and maintaining internal financial controls. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company and its associate company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note 25

1. Company Overview

At the Board Meeting of the Company held on 21st November, 2022, the Company decided to exit the Plantation and Manufacturing of Tea Business in Assam and to concentrate on retail consumer marketing of teas as well as to remain active merchant exporters of tea to CIS / Eastern Europe / Gulf Countries. The Company sold all its remaining four Tea Estates during the period under review.

The Company is listed on the Bombay and Calcutta Stock Exchanges.

The Standalone Ind AS Financial Statements were approved and authorised for issue in accordance with the resolution of the company's Board of Directors and 20th May, 2025.

2. Statement of Compliance with Ind AS

These financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) as contained in Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 and other relevant provisions of the Companies Act, 2013 (the Act).

3. Significant Accounting Policies

3.1 Classification of Current and Non-Current Assets and Liabilities

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1. The Company has ascertained its operating cycle as twelve months for the purpose of classification of current and non-current assets and liabilities.

3.2 Historical Cost Conventions

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention, except for the following:

- i) certain financial assets and liabilities that are measured at fair value;
- ii) plan assets relating to defined benefit plans that are measured at fair value;
- iii) biological assets (including un-plucked green leaves) measured at fair value less cost to sell though there is no green leaf at end of the year.

Historical cost is generally based on the fair value of the consideration received in exchange for goods and services.

Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

The preparation of financial statements in conformity with Ind AS requires management to make estimates based on its judgements, and assumptions that affect the application of the accounting policies and the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period; they are recognised in the period of the revision as well as for future periods if the revision affects both current and future periods.

3.3 Sales and Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of sales returns and trade discounts.

Revenue from sale of goods is recognized when the Company transfers the control of goods to the customer as per the terms of contract. The Company considers whether there are other promises in the contract that are separate performance obligations to which a portion of the transaction price needs to be allocated. In determining the transaction price, the Company considers the effects of variable consideration, the existence of significant financing component, non-cash considerations and consideration payable to the customer (if any).

Exports entitlements are recognised when the right to receive credit as per the terms of the schemes is established in respect of the exports made by the Company and when there is no significant uncertainty regarding the ultimate collection of the relevant export proceeds.

Rental income is accounted on accrual basis as per the agreements/ arrangements with the concerned parties.

Interest Income is recognised on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income from debt instruments is recognised using the effective interest rate method.

Dividend income is recognised in the statement of profit and loss only when the right to receive payment is established, which is generally when shareholders approve the dividend

3.4 Exceptional Item

Exception items include income or expense that are considered to be part of ordinary activities, however, are of such significance and nature that separate disclosure enables the user of Financial Statements to understand the impact in a more meaningful manner. Exceptional items are identified by virtue of either their size or nature so as to facilitate comparison with prior periods and to assess underlying trends in the financial performance of the Company.

3.5 Foreign Currency

Functional and presentation Currency

The Ind AS financial statements are presented in INR, which is the Company's functional currency. Foreign currency transactions are initially recorded at functional currency spot rates at the date the transaction first qualifies for recognition.

Transaction and balances

Transactions in foreign currencies are initially recorded by the Company at their respective functional currency spot rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences arising on the settlement or translation of monetary items are recognized in the Statement of Profit and Loss in the period in which they arise

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively)

3.6 Government Grants/ Assistance

Government Grants/ Assistance (Grant) are recognised at their fair value where there is a reasonable assurance that the Grant will be received and the Company will comply with the conditions attached to them.

Grants relating to income are recognised in profit or loss on a systematic basis over the periods in which the Company recognises as expenses the related costs for which the Grants are intended to compensate.

Grants relating to assets are presented as deferred income in the Balance Sheet and are recognised in profit or loss on a systematic basis over the useful life of the related assets.

3.7 Property, Plant and Equipment

(i) Bearer Plants

Bearer Plants have been recognised on 1st April, 2016 as an item of Property, Plant and Equipment in accordance with previous GAAP, on which depreciation has been provided. Expenses on replanting and young tea maintenance of Bearer Plants are considered as Capital Work-in-Progress. Depreciation on Bearer Plants is charged on estimated useful life of 77 years ascertained upon technical evaluation. Depreciation on Bearer Plants is recognised so as to write off its cost over useful lives, using the straight-line method. In accordance with Ind AS, Bearer Plants are stated at cost less accumulated depreciation and accumulated impairment losses. If any.

(ii) Items Other than Bearer Plants

Freehold land is carried at historical cost. All other items are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the construction or acquisition of the items of the related property, plant and equipment.

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Depreciation of these assets, are on the same basis as other property assets, and commences when the assets are ready for their intended use

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to profit and loss during the reporting period in which they are incurred.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from its use. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

Items of Property, Plant and Equipment are depreciated in a manner that amortises the cost of the assets net of its residual value, over their useful lives on a straight line basis. For additions/disposals of items during the course of the year, depreciation/amortisation is recognised on a pro-rata basis. Estimated useful lives of the assets are considered as specified in Schedule II of the Companies Act 2013.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period and the effect of any changes in estimate is accounted for on a prospective basis.

Compensation receivable for acquisition of Assets of the Company is accounted for upon acceptance of the Company's claim by the appropriate authorities.

Impairment of Assets

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised in profit or loss for the amount by which the asset's carrying amount exceeds its recoverable amount. Assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

3.8 Intangible Assets

Intangible Assets of the Company are recognised when it is an identifiable non-monetory asset without physical substance. An Asset is recognised when it is expected to provide future economic benefits to flow to the Company. These assets are capitalised at the price what would be received to sale an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Useful life is determined as the period over which an asset is expected to be available for use by the Company. Depreciation on Intangible Assets is recognised so as to write-off its cost over the useful life.

Capital Work in Progress

Capital Work-in-progress is stated at cost which includes expenses incurred during construction period, interest on amount borrowed for acquisition of qualifying assets and other expenses incurred in connection with project implementation in so far as such expenses relate to the period prior to the commencement of commercial production.

3.9 Financial Instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the relevant instrument and are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issues of financial assets and financial liabilities (other than financial assets and financial liabilities measured at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial assets or financial liabilities. Purchase or sale of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date when the Company commits to purchase or sell the asset.

(i) Financial Assets Recognition and Classification

The financial assets are classified at initial recognition in the following measurement categories as:

- those subsequently measured at amortised cost
- those to be subsequently measured at fair value [either through other comprehensive income (OCI), or through profit or loss]

Subsequent Measurement

- Financial assets measured at amortised cost -

Financial assets which are held within the business model of collection of contractual cash flows and where those cash flows represent payments solely towards principal and interest on the principal amount outstanding are measured at amortized cost. A gain or loss on a financial asset that is measured at amortised cost is recognised in profit or loss when the asset is derecognised or impaired.

Note 25 (continued)

- Financial assets measured at fair value through other comprehensive income

- Financial assets that are held within a business model of collection of contractual cash flows and for selling and where the assets' cash flow represents solely payment of principal and interest on the principal amount outstanding are measured at fair value through OCI. Movements in carrying amount are taken through OCI, except for recognition of impairment gains or losses.

When a financial asset, other than investment in equity instrument, is derecognized, the cumulative gain or loss previously recognised in OCI is reclassified from equity to statement of profit and loss.

Classification of equity instruments, not being investments in subsidiaries, associates and joint arrangements, depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through OCI. When investment in such equity instrument is derecognised, the cumulative gains or losses recognised in OCI is transferred within equity on such derecognition.

- Financial assets measured at fair value through profit or loss

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. Movements in fair value of these instruments are taken in profit or loss.

Impairment of financial assets

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Impairment losses are recognised in the profit or loss where there is an objective evidence of impairment based on reasonable and supportable information that is available without undue cost or effort. The Company recognises loss allowances on trade receivables when there is objective evidence that the Company will not be able to collect all the due amounts depending on product categories and the payment mechanism prevailing in the industry.

Income recognition on financial assets

Interest income from financial assets is recognised in profit or loss using effective interest rate method, where applicable. Dividend income is recognized in profit or loss only when the Company's right to receive payments is established and the amount of dividend can be measured reliably.

(ii) Financial Liabilities

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial quarantee contracts.

Financial liabilities are classified according to the substance of the contractual arrangements entered into. Financial liabilities are classified, at initial recognition, as subsequently measured at amortized cost unless they fulfill the requirement of measurement at fair value through profit or loss. Where the financial liability has been measured at amortised cost, the difference between the initial carrying amount of the financial liabilities and their redemption value is recognized in the statement of profit and loss over the contractual terms using the effective interest rate method.

Financial liabilities at fair value through profit or loss are carried at fair value with changes in fair value recognized in the finance income or finance cost in the statement of profit or loss.

(iii) Derecognition of financial assets and financial liabilities

Financial assets are derecognized when the rights to receive benefits have expired or been transferred, and the Company has transferred substantially all risks and rewards of ownership of such financial asset. Financial liabilities are derecognized when the liability is extinguished, that is when the contractual obligation is discharged, cancelled or expires.

(iv) Offsetting of financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously.

3.10 Employee Benefits

a) Short Term Employee Benefits

These are recognised at the undiscounted amount as expense for the year and are expensed as the related service is provided.

b) Other Long term employment benefits

The cost of providing long-term employee benefits is determined using Projected Unit Credit Method with actuarial valuation being carried out at each Balance Sheet date. Actuarial gains and losses and past service cost are recognised immediately in the Statement of Profit and Loss for the period in which they occur. Long term employee benefit obligation recognised in the Balance Sheet represents the present value of related obligation.

c) Post Employment Benefits

Contributions under Defined Contribution Plans payable in keeping with the related schemes are recognised as expenditure for the year.

In case of Defined Benefit Plans, the cost of providing the benefit is determined using the Projected Unit Credit Method with actuarial valuation being carried out at each Balance Sheet date. Actuarial gains and losses are recognised in full in the Other Comprehensive Income for the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested, and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, if any, and as reduced by the fair value of plan assets, where funded. Any asset resulting from this calculation is limited to the present value of any economic benefit available in the form of refunds from the plan or reductions in future contributions to the plan.

- (i) The Company operates defined Contribution Schemes of Provident Funds and makes regular contributions to Provident Funds which are fully funded and administered by the Trustees and are independent of the Company's finance. Such contributions are recognised in the Accounts on accrual basis. Interest accruing to the Fund administered by the Trustees are credited to respective members' accounts based on the rates stipulated by the Government and shortfall if any, recognized on the basis of actuarial valuation report in this regard, is borne by the Company.
- (ii) The Company operates defined benefit Superannuation and Gratuity Schemes administered by the Trustees, which are independent of the Company's finance. Such obligations are recognised in the Accounts on the basis of actuarial valuation applying Projected Unit Credit Method including gains and losses at the year-end.
- (iii) The Company operates Additional Retiral Benefit for certain categories of employees for which obligations are recognised in the Accounts based on actuarial valuation applying Projected Unit Credit Method including gains and losses at the year-end.

Note 25 (continued)

3.11 Inventories

Inventories are valued at the lower of cost and net realisable value.

Costs incurred in bringing each product to its present location and condition are accounted for as follows:

Raw materials in the form of harvested tea leaves, produced from own gardens are measured at fair value for the purpose of valuation of made tea.

Stores & Spare parts, Finished Goods stated at the lower of cost and estimated net realisable value. Provision is made for obsolete and slow Cost moving inventories whenever necessary in the Accounts. Cost comprises expenditure incurred in the normal course of business in bringing such inventories to their present location and condition and includes appropriate overheads (in case of Finished Goods). Cost is determined on weighted average basis. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold are at or above cost.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale although there is no inventory during the year.

3.12 Biological Assets

The Company recognises biological assets when, and only when, the Company controls the assets as a result of past events. It is probable that future economic benefits associated with such assets will flow to the Company and the fair value or cost of the assets can be measured reliably. Expenditure incurred on biological assets are measured on initial recognition and at the end of each reporting period at its fair value less costs to sell. The gain or loss arising from a change in fair value less costs to sell of biological assets are included in statement of profit and loss for the period in which it arises.

3.13 Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

Right-of-use asset

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use).

Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any re-measurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, deferred lease components of security deposits and lease payments made at or before the commencement date less any lease incentives received.

Lease liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees.

3.14 Trade Receivables

Trade receivables are recognised at Fair Value less provision for impairment if any.

3.15 Provision and Contingent Liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking in to account the risks and uncertainties surrounding the obligation.

Contingent Liabilities are disclosed when there is a possible obligation which may arise from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or reliable estimate of the amount cannot be made.

3.16 Borrowing Cost

Borrowing costs directly attributable to the acquisition, construction or production that necessarily takes a substantial period of time to get ready for its intended use are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they incur. Borrowing costs consists of interest and other costs that an entity incurs in connection with the borrowing of funds. Other borrowing costs are recognized as an expense in the period in which they are incurred.

Cash and Cash Equivalents

Cash and cash equivalent comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

Trade Receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment, if any

3.17 Taxes on Income

Taxes on income comprises of current taxes and deferred taxes. Current Tax in the statement of profit and loss is determined as the amount of income-tax payable/recoverable in respect of the taxable income for the current period using tax rates and tax laws enacted during the period, together with any adjustment to tax payable in respect of previous years.

Deferred Tax is recognised on temporary differences between the carrying amount of assets and liabilities and the corresponding tax bases used in the computation of taxable profit.

Deferred Tax Assets are recognised subject to the consideration of prudence only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. Such deferred tax assets and liabilities are not recognized if the temporary differences arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity net of tax respectively.

Note 25 (continued)

3.18 Earnings per Share

Basic Earnings per Share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

4. Financial Instruments and Related Disclosures

Capital Management

The Company's objective is to have a strong capital base in order to maximise the shareholders' wealth and to ensure the continuity of the business from its internal resources and if found necessary, from a judicious use of borrowing facilities to fund requirements for meeting operational requirement as well as for comprehensive growth of the Company.

5. Financial risk management objectives

The Company's faces a variety of financial risks, including market risk, credit risk and liquidity risk. The Company continues to focus on business risk management. The Company management seeks to enable the early identification, evaluation and effective management of key risks facing the business. The Company has strong internal control systems resting on policies and procedures issued by appropriate authorities, process of regular audits and monitoring of risks.

a) Market risk

The Company's business, primarily agricultural in nature, future cash flows will fluctuate because of adverse weather conditions and lack of future markets. The Company closely monitors the changes in market conditions and select the sales strategies to mitigate its exposure to risk.

b) Foreign currency risk

The Company undertakes transactions denominated in foreign currency which results in exchange rate fluctuations. Such exchange rate risk primarily arises from transactions made in foreign exchange. A significant portion of these transactions are in US Dollar and Euro.

c) Foreign currency sensitivity

The impact of sensitivity analysis arising on account of outstanding foreign currency denominated assets and liabilities is insignificant.

d) Interest rate risk

Interest rate risk refers to the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The objective of the Company is to lessen the impact of adverse interest rate movements on its earnings and cash flows and to minimise counter party risks.

The Company is exposed to interest rate volatilities primarily with respect to its borrowings from banks.

e) Interest rate sensitivity

Since the borrowings are all short / medium term in nature, the volatility in the interest rate is minimal.

f) Liquidity risk

Liquidity risk is the risk that the Company may encounter difficulty including seasonality in meeting its obligations. The Company mitigates its liquidity risks by ensuring timely collections of its trade receivables, close monitoring of its credit cycle and ensuring optimal movements of its inventories.

g) Credit risk

Credit risk is the risk that counter party will not meet its obligations leading to a financial loss. The Company has its policies to limit its exposure to credit risk arising from outstanding receivables. Management regularly assess the credit quality of its customers. The credit risk of the Company is relatively low as the Company also sells largely its teas through the auction system which is on cash and carry basis and through exports which are mostly backed by letter or credit or on advance basis.

Fair value measurements

Fair value hierarchy

Fair value of the financial instruments is classified in various fair value hierarchies based on the following three levels:

Level 1: Quoted prices in active market for identical assets or liabilities

Level 2: Inputs other than quoted price including within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Level 3: Inputs for the assets or liabilities that are not based on observable market data. If one or more of the significant inputs is not based on observable market data, the fair value is determined using generally accepted pricing models based on a discounted cash flow analysis, with the most significant input being the discount rate that reflects the credit risk of counterparty. This is the case with listed instruments where market is not liquid and for unlisted instruments.

The management consider that the carrying amounts of financial assets (other than those measured at fair values) and liabilities recognized in the financial statements approximate their fair value as on March 31, 2025 and March 31, 2024.

There has been no change in the valuation methodology for Level 3 inputs during the year. There were no transfers between Level 1 and Level 2 during the year.

Note 25 (Continued)

- The Company further, having exited tea plantation business, looked forward to preparing itself to venture into merchant exporting of teas to Gulf / West Asia / CIS countries. But due to border skirmish aggravating to war in between Ukraine and Russia and consequent fallout in and around the region, the company's merchant exporting plans are put on hold. Besides, the company has also been trying to venture into retail selling of teas and therefore looking into logistics, guidelines that entailed most of the year under review. The Company meanwhile could barely earn revenue from interest on its inter corporate deposits, term deposits with banks and from investments in mutual funds.
- At the Meeting held on 28th July, 2023, the Board recommended shifting of Registered Office of the Company from Tinsukia in Assam to Kolkata in West Bengal. The Company has got approval from its shareholders at the Annual General Meeting held on 12th September, 2023. Order dated 19th February, 2024 has been issued by the Office of the Regional Director (NER) in the matter u/s 13(4) of the Companies Act, 2013 for proceeding on this matter. The Registered Office of the company is now at Kolkata under Order dated 18th June, 2024 of the Registrar Of Companies, Kolkata.
 - ii) The Company has filed an application with The Calcutta Stock Exchange for voluntary delisting of its equity shares. The process of delisting is currently ongoing and subject to necessary approval and compliance with applicable laws and regulations including SEBI (Delising of Equity Shares) Regulations, 2021.
- 9 It has been decided by the Company that Retirement Scheme in operation as signed between the Management of Warren Tea Limited and the erstwhile General Secretary, ACKS, Central Office at Dibrugarh needs to be discontinued due to the several impediments faced by the Company in its business operation and the ensuing wreckage caused to the financial health of the Company in the past few years due to various uncontrollable and enforceable events transpired in the tea market and tea industry.

Notice by the Company in this regard was given vide Section 9-A of the I.D. Act to all concerned in the month of February, 2022. The matter is subjudice. The Company to act as per the Laws of the Land.

10 The management observed in its board meeting held on 28th March 2024 that since the last four financial years post COVID, owing to difficulty from increasing cost of production / incessant rains from climate change / pest attacks / fall outs from pandemic and significant changes in the market scenario all of which had remained largely uncontrollable and thus had significant impact on company's profitability, the Company to combat such adverse situations had to dispose of all its remaining tea estates to consolidate and strengthen its financial performance and as a concrete step towards improvement of its overall performance. Various cost reduction steps have already been taken considering the current situation. The executive staff including the substaff are encouraged / allowed to avail of the leave as permissible and the practice of leave encashment shall be withdrawn in line with the resolution of the board of directors at its meeting held on 13th August 2020. The matter has been discussed threadbare by the board of directors at its meeting held on 28th March 2024 and hence it has been resolved that the Board at its sole discretion shall forfeit leave encashment for all employees of the Company at any level, whose name appear on the payroll of the Company as at 1st January 2019, including the Executive Chairman, all management staff either at Kolkata corporate office and or at the tea estates, be it staff, substaff, daily rated workers, peons. Leave encashment is hence withdrawn and hence employees are encouraged to avail leave as is permissible from accumulated leave balance and fresh accurals.

In the same meeting the Company has held that the Additional Retiral Benefit for executives of the Company both at Kolkata and its tea estates would be withdrawn whose name appear on the payroll of the Company as at 1st January, 2019. The provision for additional retiral benefit liability has since been withdrawn this year in the books of accounts.
