NOTICE

Notice is hereby given that the 49th Annual General Meeting (AGM) of IST Limited, will be held on Friday, the 26th day of September, 2025 at 11:30 A.M. at the Registered Office of the Company at Dharuhera Industrial Complex, Delhi – Jaipur Highway No. 8, Kapriwas, Dharuhera, Rewari – 123106 (Haryana), to transact the following business:

1. To consider and adopt the audited financial statement including the audited consolidated financial statement of the Company for the financial year ended 31st March 2025 and Reports of the Board of Directors and Auditors thereon and in this regard, to give your assent or dissent to the following **ORDINARY RESOLUTION**:

“RESOLVED THAT the Audited Financial Statement, including the Audited Consolidated Financial Statement of the Company for the financial year ended 31st March, 2025 and the reports of the Board of Directors and Auditors thereon, as laid before the meeting, be and are hereby considered and adopted.”

2. To appoint a director in place of **Mr. Gaurav Gupta (DIN: 00047372)**, who retires by rotation and being eligible, offers himself for re-appointment, and in this regard, to give your assent or dissent to the following **ORDINARY RESOLUTION**:

“RESOLVED THAT pursuant to the provisions of Section 152 and other applicable provisions of the Companies Act, 2013, Mr. Gaurav Gupta (DIN: 00047372) who retires by rotation at this meeting and being eligible has offered himself for re-appointment, be and is hereby re-appointed as a Director of the Company, liable to retire by rotation.”

3. To appoint a director in place of **Col. (Retd.) Satchit Kumar Basu (DIN: 08969146)**, who retires by rotation and being eligible, offers himself for re-appointment, and in this regard, to give your assent or dissent to the following **ORDINARY RESOLUTION**:

“RESOLVED THAT pursuant to the provisions of Section 152 and other applicable provisions of the Companies Act, 2013, Col. (Retd.) Satchit Kumar Basu (DIN: 08969146), who retires by rotation at this meeting and being eligible has offered himself for re-appointment, be and is hereby re-appointed as a Director of the Company, liable to retire by rotation.”

SPECIAL BUSINESS

4. **To consider, and if thought fit, pass the following resolution as an ORDINARY RESOLUTION:**

To appoint **M/s. Vinod Kumar & Co.**, Practising Company Secretaries as **Secretarial Auditors** and fix their remuneration

“RESOLVED THAT pursuant to the provisions of Regulation 24A & other applicable provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”) read with Circulars issued thereunder from time to time and Section 204 and other applicable provisions of the Companies Act, 2013, if any read with Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 (“the Act”), M/s Vinod Kumar & Co, Practising Company Secretaries (CP No. 5740 and M. No. FCS 5740) be and is hereby appointed as Secretarial Auditors of the Company for a period of 5 consecutive years, from April 1, 2025 to March 31, 2030 (‘the Term’), on such terms & conditions, including remuneration as may be determined by the Board of Directors (hereinafter referred to as the ‘Board’ which expression shall include any Committee thereof or person(s) authorized by the Board).

RESOLVED FURTHER THAT approval of the Members is hereby accorded to the Board to avail or obtain from the Secretarial Auditor, such other services or certificates or reports which the Secretarial Auditor may be eligible to provide or issue under the applicable laws at a remuneration to be determined by the Board.

RESOLVED FURTHER THAT the Board be and is hereby authorized to do all such acts, deeds, matters and things as may be considered necessary, desirable or expedient to give effect to this resolution and for matters connected therewith or incidental thereto.”

IST LIMITED

5. To consider, and if thought fit, pass the following resolution as an **SPECIAL RESOLUTION**:

To appoint **Mr. Vijay Vardhan Daga (DIN: 11265545)** as Independent Director

“RESOLVED THAT pursuant to the provisions of Section 161 and all other applicable provisions, if any, of the Companies Act, 2013 (the Act) and the Rules made thereunder, as amended from time to time and the Article 64 of Articles of Association of the Company, **Mr. Vijay Vardhan Daga (DIN: 11265545)**, who was appointed as an Additional Director in the capacity of Independent Director by the Board of Directors on the recommendations of Nomination & Remuneration Committee w.e.f. 28th August, 2024 and who holds the office up to the date of this Annual General Meeting, be and is hereby appointed as a Director of the Company.

“RESOLVED FURTHER THAT pursuant to the provisions of Section 149, 150, 152 and all other applicable provisions, if any, of the Companies Act, 2013 (the Act) and the Rules made thereunder, as amended from time to time read with Schedule IV of the Act and Regulation 17 of the Listing Regulations, **Mr. Vijay Vardhan Daga (DIN: 11265545)**, appointed as an Director and who has given a declaration that he meets the criteria of independence as provided in sub-section (6) of Section 149 of the Act and qualifies for being appointed as an Independent Director and in respect of whom the Company has received a notice in writing from a member, under Section 160 of the Companies Act, 2013, proposing his candidature for the office of Director, be and is hereby appointed as an Independent Director of the Company, not liable to retire by rotation, for a first term of 5 (five) consecutive years with effect from the 28th August, 2025 upto 27th August, 2030.

RESOLVED FURTHER THAT the Board of Directors of the Company be and is hereby authorised to do all acts and take all such steps as may be necessary, proper and expedient to give effect to the aforesaid resolution.”

By Order of the Board of Directors
Bhupinder Kumar
Company Secretary
A-15871

Place: New Delhi
Dated: 28.08.2025

Notes:

1. The Explanatory Statement as required under section 102 of the Companies Act, 2013 is annexed hereto. Further, Additional information, pursuant to Regulation 36 of the Listing Regulations, in respect of the directors seeking appointment / reappointment at the AGM, forms part of this Notice.
2. **A Member entitled to attend and vote at the Meeting is entitled to appoint another person as a Proxy to attend and vote on a Poll on his/her behalf. A Proxy need not be a Member of the Company. However, proxies in order to be effective must be received at the Registered Office of the Company not less than 48 hours before the Annual General Meeting.** A person can act as a proxy on behalf of members holding in the aggregate not more than ten percent of the total share capital of the Company carrying voting rights. A member holding more than ten percent of the total share capital of the Company carrying voting rights may appoint a single person as proxy and such person shall not act as a proxy for any other person or shareholder.
3. The Instrument of Proxy in Form MGT 11 (Proxy Form) prescribed under Companies (Management and Administration) Rules, 2014 pursuant to Section 105(6) of the Companies Act, 2013, is given separately in the Annual Report.
4. Corporate members intending to send their authorized representatives to attend the Meeting are requested to send to the Company a certified copy of the Board Resolution authorizing their representative to attend and vote on their behalf at the Meeting.
5. Notice of AGM is also available on the Company's website www.istindia.com and websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com.
6. In case of joint holders attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote.
7. Members are requested to bring the Attendance Slip duly filled in along with their copy of Annual Report to the Meeting.
8. The Register of Members and Share Transfer Books of the Company will remain closed from 20.09.2025 to 26.09.2025 (both days inclusive) for the purpose of the Annual General Meeting.
9. As per Regulation 40 of the SEBI Listing Regulations, except in case of transmission or transposition of securities, requests for effecting transfer of securities shall not be processed unless the securities are held in the dematerialized form with a depository. Members of the Company who hold securities in physical form and intend to transfer their securities after 1st April 2019, can do so only in dematerialized form. Therefore, Members holding shares in physical form are requested to consider converting their holding to dematerialized form to eliminate all risks associated with physical shares for ease of portfolio management as well as for ease of transfer, if required. In view of the same and to avail the in-built advantages of NECS payment, nomination facility and other advantages, the shareholders are requested to dematerialize their shares. Members can contact the Company or RTA for assistance in this regard.
10. SEBI has mandated the submission of Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their Demat accounts. Further, in accordance with SEBI Circular No. SEBI/HO/MIRSD/ DOP1/CIR/P/2018/73 dated 20th April 2018, all Members holding shares in physical form are requested to register their PAN and bank account details by submitting their self-attested copy PAN Card (including that of the joint holders also) and an original cancelled cheque or submit copy of bank passbook / statement of the holder attested by the bank to the Registrar and Share Transfer Agent (RTA) of the Company.
11. The Members are requested to contact the Company's Registrars and Share Transfer Agents, MAS Services Limited for all their queries, transmission and transposition requests etc. and / or for any other matter relating to their shareholding in the Company as per their following contact details:
Mas Services Limited,
T-34, 2nd Floor, Okhla Industrial Area,
Phase-II, New Delhi – 110020;
Phone: 011-26387281-83;
Fax : 011-26387384; email: info@masserv.com
12. As per the provisions of Section 72 of the Act, the facility of making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. Members are requested to submit the said details to their respective DP in

IST LIMITED

case the shares are held by them in electronic form and to the Company / RTA, in case the shares are held in physical form.

13. Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company / RTA, the details of such folios together with the share certificates for consolidating their holdings in one folio. A consolidated share certificate will be issued to such members after making requisite changes. In case of joint holders, the Members whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.
14. Members are requested to (i) quote their Registered Folio Numbers / DP ID & Client ID Nos. in all correspondences with the Company / with the Registrars and Share Transfer Agents; and (ii) promptly notify any change in their address to the Registrars and Share Transfer Agents, in case they still hold the Equity Shares in physical form.
15. Members, who have not registered their e-mail addresses so far, are requested to register their e-mail id for receiving all communication including Annual Report, Notices, Circulars etc. from the Company electronically, with the Company's Registrars and Share Transfer Agents.
16. Electronic copy of the Annual Report for financial year 2024-25 along with the Notice of the 49th Annual General Meeting of the Company (including Attendance Slip and Proxy Form) is being sent to all the members whose email IDs are registered with the Registrar/Depository Participants(s) with their consent for communication purposes unless any member has requested for a hard copy of the same.
17. For members who have not registered their email address, physical copies of the Annual Report for the financial year 2024-25 along with Notice of the 49th Annual General Meeting of the Company *inter alia* indicating the process and manner of e-voting

along with Attendance Slip and Proxy Form is being sent by other permissible modes.

18. Members may also note that the Notice of the 49th Annual General Meeting and the Annual Report for 2024-25 will also be available on the Company's website: www.istindia.com for their download. The physical copies of the aforesaid documents will also be available at the Company's Registered Office for inspection during 11:00 A.M. to 5:00 P.M. on any working day, excluding Saturday, Sunday and Public Holiday. Even after registering for e-communication, members are entitled to receive such communication in physical form, upon making a request for the same.
19. For any communication, the shareholders may also send requests to the Company's investor email id: cs@istindia.com.
20. To prevent fraudulent transactions, members are advised to exercise due diligence and notify the Company of any change in address or demise of any member as soon as possible. Members are also advised not to leave their Demat Account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified.

VOTING THROUGH ELECTRONIC MEANS

21. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the (Companies Management and Administration) Rules, 2014, as amended by the Companies (Management and Administration) Amendment Rules, 2015 and Regulation 44 of SEBI (LODR) Regulations, 2015, the Company is providing remote e-voting facility to enable the members to cast their votes electronically on all the resolutions set forth in the Notice convening the 49th Annual General Meeting. The Company has engaged the services of National Securities Depository Limited (NSDL) to provide the remote e-voting facilities. The instructions for remote e-voting are provided below. Members are advised to read the instructions carefully before exercising their vote.

THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING ARE AS UNDER:-

The remote e-voting period begins on 23.09.2025 at 09:00 A.M. and ends on 25.09.2025 at 05:00 P.M. The remote e-voting module shall be disabled by NSDL for voting thereafter. The Members, whose names appear in the Register of Members / Beneficial Owners as on the record date (cut-off date) i.e. 13.09.2025, may cast their vote electronically. The voting right of shareholders shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date, being 13.09.2025.

How do I vote electronically using NSDL e-Voting system?

The way to vote electronically on NSDL e-Voting system consists of "Two Steps" which are mentioned below:

Step 1: Access to NSDL e-Voting system

A) Login method for e-Voting for Individual shareholders holding securities in demat mode

In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Login method for Individual shareholders holding securities in demat mode is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in demat mode with NSDL.	- Existing IDeAS user can visit the e-Services website of NSDL Viz. https://eservices.nsdl.com either on a Personal Computer or on a mobile. On the e-Services home page click on the "Beneficial Owner" icon under "Login" which is available under 'IDeAS' section, this will prompt you to enter your existing User ID and Password. After successful authentication, you will be able to see e-Voting services under Value added services. Click on "Access to e-Voting" under e-Voting services and you will be able to see e-Voting page. Click on company name or e-Voting service provider i.e. NSDL and you will be re-directed to e-Voting website of NSDL for casting your vote during the remote e-Voting period. If you are not registered for IDeAS e-Services, option to register is available at https://eservices.nsdl.com. Select "Register Online for IDeAS Portal" or click at https://eservices.nsdl.com/SecureWeb/IdeasDirectReg.jsp - Visit the e-Voting website of NSDL. Open web browser by typing the following URL: https://www.evoting.nsdl.com/ either on a Personal Computer or on a mobile. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholder/Member' section. A new screen will open. You will have to enter your User ID (i.e. your sixteen digit demat account number hold with NSDL), Password/OTP and a Verification Code as shown on the screen. After successful authentication, you will be redirected to NSDL Depository site wherein you can see e-Voting page. Click on company name or e-Voting service provider i.e. NSDL and you will be redirected to e-Voting website of NSDL for casting your vote during the remote e-Voting period. - Shareholders/Members can also download NSDL Mobile App "NSDL Speede" facility by scanning the QR code mentioned below for seamless voting experience. NSDL Mobile App is available on  
Individual Shareholders holding securities in demat mode with CDSL	Users who have opted for CDSL Easi / Easiest facility, can login through their existing user id and password. Option will be made available to reach e-Voting page without any further authentication. The users to login Easi /Easiest are requested to visit CDSL website www.cdslindia.com and click on login icon & New System Myeasi Tab and then user your existing my easi username & password.

	2. After successful login the Easi / Easiest user will be able to see the e-Voting option for eligible companies where the evoting is in progress as per the information provided by company. On clicking the evoting option, the user will be able to see e-Voting page of the e-Voting service provider for casting your vote during the remote e-Voting period. Additionally, there is also links provided to access the system of all e-Voting Service Providers, so that the user can visit the e-Voting service providers' website directly. 3. If the user is not registered for Easi/Easiest, option to register is available at CDSL website www.cdslindia.com and click on login & New System Myeasi Tab and then click on registration option. 4. Alternatively, the user can directly access e-Voting page by providing Demat Account Number and PAN No. from a e-Voting link available on www.cdslindia.com home page. The system will authenticate the user by sending OTP on registered Mobile & Email as recorded in the Demat Account. After successful authentication, user will be able to see the e-Voting option where the evoting is in progress and also able to directly access the system of all e-Voting Service Providers.
Individual Shareholders (holding securities in demat mode) login through their depository participants	You can also login using the login credentials of your demat account through your Depository Participant registered with NSDL/CDSL for e-Voting facility. upon logging in, you will be able to see e-Voting option. Click on e-Voting option, you will be redirected to NSDL/CDSL Depository site after successful authentication, wherein you can see e-Voting feature. Click on company name or e-Voting service provider i.e. NSDL and you will be redirected to e-Voting website of NSDL for casting your vote during the remote e-Voting period.

Important note: Members who are unable to retrieve User ID/ Password are advised to use Forget User ID and Forget Password option available at abovementioned website. **Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. NSDL and CDSL.**

Login type	Helpdesk details
Individual Shareholders holding securities in demat mode with NSDL	Members facing any technical issue in login can contact NSDL helpdesk by sending a request at evoting@nsdl.co.in or call at 022 - 4886 7000 and 022 - 2499 7000
Individual Shareholders holding securities in demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at toll free no. 1800 22 55 33

B) Login Method for e-Voting for shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode. How to Log-in to NSDL e-Voting website?

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
2. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholder/Member' section.
3. A new screen will open. You will have to enter your User ID, your Password/OTP and a Verification Code as shown on the screen.

Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

4. Your User ID details are given below :

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.
b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12***** then your user ID is 12*****.
c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***

5. Password details for shareholders other than Individual shareholders are given below:

- If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
 - If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
 - How to retrieve your 'initial password'?
 - If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf (ii) file contains your 'User ID' and your 'initial password'.
 - If your email ID is not registered, please follow steps mentioned below in **process for those shareholders whose email ids are not registered.**
6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
- Click on "**Forgot User Details/Password?**" (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
 - Physical User Reset Password?** (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
 - Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
8. Now, you will have to click on "Login" button.
9. After you click on the "Login" button, Home page of e-Voting will open.

Step 2: Cast your vote electronically on NSDL e-Voting system.

How to cast your vote electronically on NSDL e-Voting system?

- After successful login at Step 1, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle is in active status.

2. Select "EVEN" of company for which you wish to cast your vote during the remote e-Voting period.
3. Now you are ready for e-Voting as the Voting page opens.
4. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
5. Upon confirmation, the message "Vote cast successfully" will be displayed.
6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/ JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to fcsvinod@gmail.com with a copy marked to evoting@nsdl.co.in. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) can also upload their Board Resolution / Power of Attorney / Authority Letter etc. by clicking on "**Upload Board Resolution / Authority Letter**" displayed under "**e-Voting**" tab in their login.
2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the "Forgot User Details/Password?" or "Physical User Reset Password?" option available on www.evoting.nsdl.com to reset the password.
3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on : 022 - 4886 7000 and 022 - 2499 7000 or send a request to Mr. Rakesh Mehta at evoting@nsdl.co.in

Process for those shareholders whose email ids are not registered with the depositories for procuring user id and password and registration of e mail ids for e-voting for the resolutions set out in this notice:

1. In case shares are held in physical mode please provide Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) by email to cs@istindia.com.
2. In case shares are held in demat mode, please provide DPID-CLID (16 digit DPID + CLID or 16 digit beneficiary ID), Name, client master or copy of Consolidated Account statement, PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) to cs@istindia.com. If you are an Individual shareholders holding securities in demat mode, you are requested to refer to the login method explained at **step 1 (A) i.e. Login method for e-Voting for Individual shareholders holding securities in demat mode**.
3. Alternatively shareholder/members may send a request to evoting@nsdl.co.in for procuring user id and password for e-voting by providing above mentioned documents.
4. In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are required to update their mobile number and email ID correctly in their demat account in order to access e-Voting facility.

The declared Results, along with the Scrutinizer's Report, will be available forthwith on the Company's corporate website www.istindia.com and will also be forwarded to BSE Limited, where the Company's shares are listed.

STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013 (THE ACT), THE FOLLOWING EXPLANATORY STATEMENT SETS OUT ALL MATERIAL FACTS RELATING TO BUSINESS MENTIONED UNDER ITEM NO. 4 AND 5 OF THE ACCOMPANYING NOTICE

Attached to the Notice convening the 49th Annual General Meeting of IST Limited to be held on Friday, the 26th day of September, 2025

Item No. 4

Appointment of M/s. Vinod Kumar & Co, Practicing Company Secretaries as Secretarial Auditors

Pursuant to the Regulation 24A & other applicable provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") read with provisions of Section 204 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 and other applicable provisions of the Companies Act, 2013, if any ("the Act"), the Audit Committee and the Board of Directors at their respective meetings held on 29th day of May, 2025 have approved subject to approval of Members, appointment of M/s. Vinod Kumar & Co., a Peer Reviewed Firm of Company Secretaries in Practice (CP No. 5740 and M. No. FCS 5740) as Secretarial Auditors for a term of 5 (Five) consecutive years from April 1, 2025 till March 31, 2030.

M/s Vinod Kumar and Company has given their consent to act as secretarial auditors of the company and confirmed that their aforesaid appointment (if approved) would be within the limits specified by Institute of Company Secretaries of India. Furthermore, in terms of the amended regulations, the secretarial auditors have provided a confirmation that they have subjected themselves to the peer review process of the Institute of Company Secretaries of India and hold a valid peer review certificate.

The proposed remuneration to be paid to the Secretarial Auditors for secretarial audit services for the financial year ending 31st March, 2026, is 45,000/- (Rupees Forty-Five Thousand) plus applicable taxes and out-of-pocket expenses. Besides the secretarial audit services, the Company may also obtain certifications from M/s Vinod Kumar & Co. under various statutory regulations and certifications required by banks, statutory authorities, audit related services and other permissible non-secretarial audit services as may be required from time to time, for which they will be remunerated separately on mutually agreed terms, as approved by the Board of Directors in consultation with the Audit Committee.

The above fee excludes the proposed remuneration to be paid for the purpose of secretarial audit of subsidiaries, if any.

The Board of Directors and the Audit Committee shall approve revisions to the remuneration of MMJC for the remaining part of the tenure.

The Board of Directors, in consultation with the Audit Committee, may alter and vary the terms and conditions of appointment, including remuneration, in such manner and to such extent as may be mutually agreed with MMJC.

Brief Profile of the Secretarial Auditor:

Mr. Vinod Kumar, Proprietor of M/s. Vinod Kumar & Co., (CP No. 5740 and M. No. FCS 5740), a qualified Company Secretary in whole time practice since 2002. His expertise includes, but not limited to, Secretarial Audit, Corporate laws & taxation, SEBI Regulations, Securities law including Corporate Governance & CSR, Capital markets, FEMA, RBI, etc.

Over the years, M/s Vinod Kumar & Co. has built a diverse client base including various Large Corporate Groups, Listed and unlisted Companies, Multinational Companies, LLP's, MSMEs and firms.

The expertise and experience commensurate with the requirement of the Company.

M/s. Vinod Kumar & Co., has been the Secretarial Auditors of the Company from last many years and as part of their Secretarial audit they have demonstrated their expertise and proficiency in handling Secretarial audits of the Company till date. The previous appointment as the Secretarial Auditors of the Company is not considered as a term of Appointment of Secretarial Auditors as per Regulation 24A of the SEBI Listing Regulations.

None of the Directors and Key Managerial Personnel of the Company and their respective relatives are concerned or interested, financially or otherwise, in passing the proposed Resolution.

The Board of Directors recommends the Ordinary Resolution set out at item no. 4 of the accompanying Notice for the approval of the Members.

Item No. 5

Appointment of Mr. Vijay Vardhan Daga (DIN: 11265545) as Independent Director

Mr. Vijay Vardhan Daga (DIN: 11265545) has been appointed as an Additional Director in the capacity of Independent Director of the Company with effect from 28th August, 2025 pursuant to the provisions of Section 161 of the Companies Act, 2013, and the Article 64 of the Articles of Association of the Company. As such, Mr. Vijay Vardhan Daga holds office up to the date of the forthcoming Annual General Meeting and is eligible for appointment as a Director.

As per the provisions of Section 149 of the Act, an Independent Director shall hold office for a term upto five consecutive years on the Board of the Company and is not liable to retire by rotation. Mr. Vijay Vardhan Daga has consented to act as Director of the Company and has given declaration to the Board that he meets the criteria of independence as provided under Section 149 of the Companies Act, 2013 and Regulation 16 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Mr. Vijay Vardhan Daga has diverse and accomplished career spanning multiple industries, He started his carrier as commercial advisor and gained handful experience import-export, licensing and related regulatory compliances and developed strong knowledge of trade policy. Later, he ventured into financial market and started his own stock broking firm and gained in-depth knowledge of stock market, portfolio management, risk management, investment advisory and market research. He also established distribution business and managed robust distribution network for leading FMCG brands.

His versatile carrier reflects a strong foundation in international trade, financial markets, and FMCG distribution, backed by decades of hands-on experience in building and managing business ventures successfully.

In the opinion of the Board, Mr. Vijay Vardhan Daga fulfils the conditions specified in the Companies Act, 2013 and Rules made thereunder read with Listing Regulations (LODR) for appointment as an Independent Director of the Company. While appointing as Independent Director, the Board take into consideration the skills, expertise and competencies required in context of the business segment(s) of the Company and its future business plans. The Board is of the opinion that Mr. Vijay Vardhan Daga possess the core skills, expertise and competencies fundamental for effective functioning of his role as an Independent Director and his association would be of immense benefit to the Company. The brief resume of Mr. Vijay Vardhan Daga is given in the Annexure to the notice under the head 'Brief profile of the Director(s) seeking appointment / re-appointment'

Accordingly, the Board, based on the recommendation of the Nomination and Remuneration Committee, recommends his appointment as an Independent Director for a period of five years commencing from 28th August, 2025 till 27th August, 2030, subject to the approval of the Shareholder through Special Resolution. Further, as he has attained the age of 75, pursuant to regulation 17.16 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, his appointment should be carried through Special Resolution of the shareholders. Considering the rich experience of Mr. Vijay Vardhan Daga of over 50 years, he meets the skills and capabilities required for the role of Independent Director of the Company.

Consent of the Members is required for appointment of Mr. Vijay Vardhan Daga, in terms of Section 149 of the Act read with Schedule IV of the Act. The terms and conditions of appointment of Mr. Vijay Vardhan Daga, pursuant to Schedule IV of the Act, shall be open for inspection at the registered office of the Company by any Member during business hours on any working day of the Company.

None of the Directors or Key Managerial Personnel and their respective relatives, except Mr. Vijay Vardhan Daga, is concerned or interested (financially or otherwise) in this Resolution.

The Board recommends the resolution set out at Item No. 5 of the Notice for approval of the Members.

- a) that in the preparation of the annual accounts for the financial year ended 31st March, 2025, the applicable accounting standards have been followed along with proper explanation relating to material departures, if any;
- b) that the Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year 31st March, 2025 and of the profit and loss of the Company for that period;
- c) that proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- d) that the annual accounts have been prepared on a going concern basis;
- e) that proper internal financial controls were laid down and that such internal financial controls are adequate and were operating effectively; and
- f) that proper systems to ensure compliance with the provisions of all applicable laws were in place and that such systems were adequate and operating effectively.

Board of Directors

The composition of the Board is in conformity with the requirement of Regulation 17 of the Listing Regulations, Section 149 and other applicable provisions of Companies Act, 2013. The Board of Directors consists of Seven (7) Directors consisting of 2 non independent Executive Directors, 2 non-independent non-executive directors and 3 Independent directors including one independent woman director with independent director being the Chairman of the Board. The Board of your Company possesses the appropriate expertise and experience, in the general corporate management, varied industrial knowledge, diversity and integrity, which enables them to contribute effectively and efficiently, in the best interest of the Company.

In accordance with the provisions of Section 152 of the Companies Act 2013 and the Articles of Association of the Company, Gaurav Gupta (DIN: 00047372), Director and Mr. Satchit Kumar Basu (DIN: 08968146), Whole Time Director designated as Director (Technical) will retire by rotation at the ensuing 49th Annual General Meeting and being eligible have offered themselves for re-appointment, subject to approval of the shareholders. The Board of Directors recommends the appointment of Mr. Gaurav Gupta and Mr. Satchit Kumar Basu at the forthcoming annual general meeting.

On recommendation of the Nomination and Remuneration Committee and the Board of Directors the Shareholders at their meeting held on 25th September, 2024 had approved the appointment of Mr. Gopal Krishan Sharma (DIN: 10706388) and Mr. Neeraj Kumar Aggarwal (DIN: 00438271) independent directors of the Company, for the first term of 5 years.

The brief detail of Directors seeking appointment / re-appointment at the ensuing general meeting is furnished in the explanatory statement to the notice of the AGM under the head "Directors Seeking Appointment / Re-appointment at this Annual General Meeting".

Independent Director's Declaration

In terms of Section 149(7) of the Companies Act, 2013 read with Regulation 16(1) of the Listing Regulations, the Independent Directors of the Company as on March 31, 2025 have submitted a declaration that each of them meet the criteria of Independence as laid down under Section 149(6) of the Act read with Rules framed thereunder and Regulation 16 of the Listing Regulations and that they are not aware of the circumstances or situation, which might exist or is anticipated, that could impair their ability to discharge their duties with an objective of independent judgment and without any external influence as required under Regulation 25 of the Listing Regulation. Further, all the Directors have confirmed that they have complied with the Company's code of conduct.

Board Evaluation

Pursuant to the provisions of the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Board has carried out Annual Performance Evaluation of its own performance, each of Director individually and that of its Committees. The performance was evaluated by the Board after seeking inputs from all the Directors and other members (if any) on the basis of criteria such as the composition and structure, effectiveness of processes, information flow and functioning etc.

Further, Board has also carried out an Annual evaluation of Independent Directors. The Performance Evaluation was based on their contribution to Company's objectives and plans, efficient discharge of their responsibilities, participation in Board/Committee meetings, adherence to the Code of Conduct and other relevant parameters.

The nomination and remuneration committee also reviewed the evaluation criteria for the Board, its Committee, Executive and non-executive Directors and Chairman of the Board, considering qualification, expertise, attributes and various parameters based on which evaluation of the Board as a whole and its members individually has been carried out.

During the year, a separate meeting of Independent Directors was held to assess the performance of Non-Independent Directors of the Company. While evaluating the performance of any member, the views of executive directors and non-executive directors were also taken into consideration.

Familiarization Program for Independent Directors

In terms of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company apprises the Directors at the meetings about the changes and updates in the regulatory and business environment to enable them to get familiarized with the Company's procedure and practices. Separate session(s) on the recent changes in various Laws, Rules and Regulation applicable on the Company are also conducted from time to time. The Independent Directors are also made aware of their roles and responsibilities through these familiarization programs. These familiarization programs are conducted as and when required or on the specific request of a Director, which also includes visit to manufacturing unit and other facility(ies), meeting with senior and middle level management to make them understand the in-depth about the financials and operations of the Company. The detail of familiarization programs conducted by the Company is available on the website of the Company at https://istindia.com/data/CodeOfConductAndPolicies/1747370412code_of_conduct_and_policies.pdf.

Number of Meetings of the Board

During the year under review, the board of the directors of the Company met 4 times. The details of such meetings have been provided in Corporate Governance Report that form part of the Annual Report. The intervening gap between any two meetings was within the period prescribed under the Companies Act, 2013 and Listing Regulations. Apart from the above, a separate meeting of Independent Directors was held on 10.02.2025. For more information

regarding the dates and attendance of the members of the Board, you may refer to relevant portion of the Corporate Governance Report forming part of the Annual Report.

ANNEXURE – D

Information pursuant to Section 197(12) of the Companies Act, 2013 read with Rule 5(1) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014

- Ratio of the remuneration of each Director to the median remuneration of the employees of the Company for the financial year and the percentage increase in remuneration of each Director, Chief Financial Officer, Chief Executive Officer, Company Secretary or Manager, if any in the financial year:

Name of Director	Designation	Ratio of remuneration to median remuneration of all employees	% increase/(Decrease) in remuneration in the Financial Year 2024-25
Independent Directors			
Air Marshal D. Keelor (Retd.) [@]	Director	N.A.	N.A.
Mr. Subhash Chander Jain [#]	Director	N.A.	N.A.
Mrs. Gurpreet Kaur	Director	N.A.	N.A.
Mr. Gopal Krishan Sharma	Director	N.A.	N.A.
Mr. Neeraj Kumar Aggarwal	Director	N.A.	N.A.
Whole Time Directors / Executive Directors			
Mr. S.C. Jain	Executive Director	12.24	-16.07
Col. (Retd.) Satchit Kumar Basu	Director (Technical)	6.69	8.77
Non-Executive Directors			
Mr. Mayur Gupta	Director	N.A.	N.A.
Mr. Gaurav Gupta	Director	N.A.	N.A.
Key Managerial Personnel's (KMP's)			
Deoki Nandan Tulshyan	Chief Financial Officer	6.67	5.60
Bhupinder Kumar	Company Secretary	9.00	8.37

[@] Ceases to be director w.e.f. 28/08/2024 due to demise

[#] Retired from the Directorship w.e.f. 25/09/2024 on completion of tenure

- The percentage increase in median remuneration of employees in the financial year: 8.78%
- The number of permanent employees on the roll of the Company: 194
- Average percentile increase already made in the salaries of employees other than the managerial personnel in the last financial year and its comparison with the percentile increase in the managerial remuneration and justification thereof and point out if there are any exceptional circumstances for increase in the managerial remuneration:

The salary and wages of the employees other than the managerial personnel has increased by approximately 23.81%. The increase is due to increase in number of employees as well as due to annual increments of employees during the year. The managerial remuneration paid during the year 2024-25 amounts to Rs. 41.76 Lacs as against Rs. 45.74 Lacs during the year 2023-24. The decrease of 8.70% in the managerial remuneration is because of payment of leave encashment and other variable benefits during the year 2023-24, which were not due for payment in the year 2024-25. The remuneration paid to the managerial personnel are within the limits as prescribed under the Companies Act, 2013 and as approved by the Shareholders.

No additional / exceptional benefits were paid during the year.

CORPORATE GOVERNANCE REPORT

1. COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE

The report states the compliance with the principles of Corporate Governance as prescribed under SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, hereinafter collectively referred to as the 'Listing Regulations'.

Good corporate governance is essential for achieving sustainable growth and enhance long term value of the enterprise and its stakeholders. The Company always endeavors to maintain a valuable relationship and trust with all stakeholders. We consider stakeholders as partners and always remain committed in enhancing value to stakeholders, be it shareholders, employees, suppliers, customers, investors, communities or policy makers.

The Company also consider it imperative to abide by the laws and regulations of the land in letter and spirit and is committed to the highest standards of corporate behaviors. In this pursuit, your Company's philosophy of Corporate Governance is aimed at assisting the management of the Company in the efficient conduct of its business and to continuously strive to attain efficient levels of business practices, ensure accountability, transparency, responsibility and fairness in all aspects of its operations. Your Company continues to lay great emphasis on broad principles of Corporate Governance and ethical standards.

Your Company, with a view to achieve these objectives, has adopted practices as mandated in SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and had established corporate strategies and prudent business plans, which are monitored by the management on an ongoing basis.

2. BOARD OF DIRECTORS

The Board of Directors is responsible for the management, direction and performance of the Company and plays a pivotal role in overseeing how the management serves the objectives and interests of the stakeholders, while achieving the corporate goals. Being in the fiduciary relationship the Board ensures that the rights of all stakeholders are protected. The Board consists of optimum combination of executive, non-executive and independent directors to maintain the independence of the Board and integrity in conducting the affairs. Board diversity is also necessary for achieving sustainable and balanced development as well as ensuring good Corporate Governance.

Further, Independent Directors also plays important role in Board decision processes by imparting their independent views on the matters placed before the Board. All the Independent Directors have confirmed that they meet the criteria of independence, as mentioned under Regulation 16(1)(b) of the Listing Regulations read with Section 149(6) of the Act and have been appointed as per the provisions of the Companies Act, 2013.

The dates for meetings of the Board of Directors and its Committees are scheduled well in advance and is communicated to Directors to enable them to make it convenient to attend the meeting and to ensure their effective participation. Additional meetings are convened wherever necessary. In case of urgent matters, resolutions are passed through circulation and the Board take note of the same in the subsequent Board meeting. Decisions are taken on the basis of consensus between the Board members after detailed discussion. Every Board member is welcomed to express their opinion on every matter placed before the Board.

To enable the Board to take informed decisions, all relevant material information(s) are circulated to the directors well in advance before the meeting, including minimum information required to be made available to the Board as prescribed under Regulation 17(7) read with Part A of Schedule II of the Listing Regulations. The information of the nature of unpublished price sensitive information is circulated to the Board before the commencement of the Board meeting. The Executive Director and the Chief Financial Officer of the Company make presentation to the Board on the matters including but not limited to the Company's performance, operations, plans, budgets etc. The Board is also kept informed of major events / items and approvals are taken wherever necessary. Follow-up action taken report(s) are submitted to the Board, wherever advised.

The minutes of the meeting of the Board / Committee are given to respective Directors in compliance with the Secretarial Standards issued by ICSI and are tabled for noting at the subsequent Board / Committee meeting respectively.

Composition of the Board

The composition of the Board is in conformity with the requirement of Regulation 17 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter refer to as '**Listing Regulations**'), Section 149 and other applicable provisions of Companies Act, 2013.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

a) Global economic view and outlook

After a succession of adverse shocks in the recent years, the global economy is facing another substantial headwind, with increased trade tension and heightened policy uncertainty. This is contributing to a deterioration in prospects across most of the world's economies. The ongoing trade tensions as a result of US tariffs and potential retaliatory response by its trading partners, which have led to uncertain global economic growth forecasts compared with the previous year. The world economy is also expected to experience elevated market uncertainties due to the volatile geopolitical conditions and macroeconomic conditions, such as impacts from the Middle East conflicts, the prolonged Ukraine-Russia war and potential inflationary effects arising from tariffs and international trade and supply chain disruptions. Growth continue weakening with lower rate at 2.3 percent in 2025 which is weakest performance in the past 17 years and far below the 10 years average of 3.1 percent. It is expected to marginally improves to 2.5 percent in 2025-26. Global trade has fallen from an average of 5.1 percent in the 2000s to 4.6 percent in the 2010s to 2.6 percent in the present decade. Weighted Global headline inflation generally remains elevated at 2.9 percent, majorly influenced by trade restrictions and is expected to remain in higher trajectory. (Source: <https://worldbank.org>)

According to the 'Global Trade Update' released by UNCTAD's in March, 2025, the value of global merchandise trade hits a record \$33 trillion, growing at 3.7 percent. Most region except Europe and Central Asia experienced positive growth. The trade in services maintained growth at 9% during the year 2024 adding \$700 billion (nearly 60% of the total growth). However, growth in both sectors slowed in the second half of 2024, with services growing just 1% and goods less than 0.5% in the fourth quarter. Trade has remained stable in 2025 but uncertainty looms due to mounting geo-economic tensions, protectionist policies and trade disputes. Recent shipping trends also suggest a slowdown. Falling freight indices indicating weaker industrial activity, particularly in supply chain-dependent sectors. (Source: <https://unctad.org>)

According to 'World Economic Outlook' released by International Monetary Fund (IMF), July'25 edition, the Global growth is projected at 3.0 percent in 2025 and 3.1 percent in 2026. Global headline inflation is expected to fall to 4.2 percent in 2025 and 3.6 percent in 2026. Inflation is expected to remain above target in the US subdued in other large economies. Geopolitical tension could disrupt global supply chains and could push commodity prices up. Larger fiscal deficits or increased risk aversion could raise long-term interest rates and tighten global financial conditions. On the upside, global growth could be lifted if trade negotiations lead to a predictable framework and to a decline in tariffs. Policies need to bring confidence, predictability, and sustainability by calming tensions, preserving price and financial stability, restoring fiscal buffers, and implementing much-needed structural reforms

Global GDP Growth and Forecasts

Particulars	2023	2024	2025	2026
			Projections

b) Indian Economy

India continue to be one of the fastest-growing major economy in the world with steady economic growth rate outpacing other major global economies. Projected with an overall GDP growth of 6.20 to 6.8 percent for the year 2025, it is expected to surpass Japan to become the forth largest economy by the end of this year. The Private final consumption grew at 7.2% which is well ahead of the overall GDP growth. Strong domestic demand, policy reforms, and strategic initiatives like “Aatmanirbhar Bharat” (self-reliant India) are key drivers to India’s success. The current account deficit has also shrunk, indicating improved external trade health. Exports have significantly increased over the past decade, particularly in engineering goods, electronics, and pharmaceuticals. Cumulative FDI inflows have reached a trillion US dollars, with a notable increase in equity inflows in the first nine months of 2025. These are the few key indicators depicting India’s economic growth.

The Indian economy is expected to close 2025 on a stronger note with Industrial sector estimated to grow by 6.2 per cent in 2024-25. Strong growth rates in construction activities and electricity, gas, water supply and other utility services are expected to support industrial expansion. Growth in the Services sector is expected to remain robust at 7.2 per cent, driven by healthy activity in financial, real estate, professional services, public administration, defense, and other services. The overall the economic performance in India is encouraging with all sector baring few outperforming forecast of Economic Survey 2024. (Source: *Economic Survey 2024-25*)

c) Industry Review

Your Company is engaged in the following business streams:

- a) Manufacturing of Auto Components
- b) Development and operating IT/ITES SEZ

Auto component industry

With India becoming one of the fastest-growing economy in the world, the automobile Industry in India is witnessing higher pace in growth. India has become third largest Automobile market in the world. Growing working population coupled with expanding middle class and rising income remains the key driver for the robust demand. Boost in infrastructure spending coupled with various government incentive schemes has accelerated automobile industry. With the growth in the Automobile Industry, the Auto Component Industry is also witnessing a steep growth ahead and is expected to attract Rs. 25 to 30 thousand Crores for capacity expansion in the year to come following an estimated investment of Rs. 15-20 thousand crores in the 2024-25.

The automobile component industry turnover stood at Rs. 6.14 lakh crore (US\$ 74.1 billion) during FY24, registering a revenue growth of 9.8% as compared to FY23. Domestic OEM supplies contributed ~54% to the industry’s turnover, followed by domestic aftermarket (~10%) and exports (~18%), in FY24. The component sales to OEMs in the domestic market grew by 8.9% to Rs. 5.18 lakh crore (US\$ 62.4 billion). The aftermarket for auto components grew by 10.0% during FY24 reaching Rs. 9.38 lakh crore (US\$ 11.3 billion). Over FY16 to FY24, the automotive components industry registered a CAGR of 8.63%, reaching US\$ 74.1 billion in FY24.

The auto components industry accounted for 2.3% of India’s GDP and provided direct employment to more than 1.5 million people. By 2026, the automobile component sector will contribute 5-7% of India’s GDP. The Automotive Mission Plan (2016-26) projects to provide direct incremental employment to 3.2 million by 2026. The industry experienced a 11% YoY growth, reaching Rs. 3.32 lakh crore (US\$ 38.4 billion) in the first half of FY25.

Significant demand for automobiles also led to the emergence of more original equipment and auto components manufacturers. As a result, India developed expertise in automobiles and auto components, which helped boost international demand for Indian automobiles and auto components. India is emerging as a global hub for auto component sourcing is around 25% of its capacity production is exported. The auto component export has risen from Rs. 63,181 Crores (US\$ 7.4 billion) in 2020-21 to Rs. 1,09,286 crores (US\$ 12.8 billion) in 2023-24 with is a sharp surge of around 73%. The auto component export is expected to reach US\$ 80 billion by 2026. India’s auto component industry aims for Rs. 8,42,500 crores (US\$ 100 billion) in exports within 7-8 years, driven by significant recovery and growth strategies. (Source: www.ibef.org; ACMA)

Development of Infrastructure for IT / ITES Sector:

India is the topmost offshoring destination for IT companies across the world. The Indian IT industry now has global presence with delivery centers across the globe. IT & BPM industry is well diversified across verticals such as BFSI, telecom and retail. Having proven its capabilities in delivering both on-shore and off-shore services to global clients, emerging technologies now offer an entire new gamut of opportunities for top IT firms in India. Driven by rapid digitization and the IT industry's timely transition to remote working environments that helped to keep up the industry's growth intact.

With economies across the globe showing signs of stability and improved economic activities, the technology spending worldwide registered significant growth of 10.8 percent in the year 2024. Indian IT sector also witnessed the industry strengthening its position as the global technology and innovation hub. This is reflected in the fact that despite uncertainties due to elections in several countries, the industry is expected to witness resilient growth in FY25 with revenue (including hardware) estimated to reach \$283 billion (5.1% y-o-y growth), an addition of nearly \$14 billion over last year. Exports are expected to cross the \$200 billion mark growing 4.6% y-o-y to \$224 billion. Domestic technology sector is trailing towards the \$60 billion mark, growing at 7.0% y-o-y to reach \$58.2 billion.

The Indian IT industry's revenue touched US\$ 227 billion in 2021-22, a 15.5% YoY growth and was estimated to have touched US\$ 245 billion in 2022-23. The Indian IT industry is likely to hit the US\$ 350 billion mark by 2026 and contribute 10% towards the country's gross domestic product. By 2025, the Indian software product industry is projected to hit Rs. 8,62,000 crore (US\$ 100 billion) as companies seek to expand globally. India's IT and business services market is projected to reach Rs. 1,71,796 crore (US\$ 19.93 billion) by 2025. The IT spending in India is estimated to record a double-digit growth of 11.1% in 2024, totaling Rs. 11,89,560 crore US\$ 138.6 billion up from Rs. 10,74,914 crore (US\$ 124.7 billion) last year.

With improving market conditions, the industry's net hiring this year increased to 126K employees, taking the total employee base to 5.80 Million (2.2% y-o-y growth). India's abundant skilled workforce and favorable business environment have driven global firms to actively establish and expand their global capability center (GCC) operations. Notably, office leasing by GCCs surged to an impressive 29.2 million sq. ft. in 2024, marking a 29% year-over-year expansion. Bengaluru and Hyderabad stood at the forefront of this growth, solidifying their positions as preeminent destinations for multinational corporations. (*Source NASSCOM*)

d) Opportunities and Threat and Future Outlook

Auto Component Industry

The core business of your company is the manufacturing of High Precision Components for Auto Industry. Over the last few years, the Auto Component Industry has seen a rapid growth driven by strong growth in the domestic market and increasing exports. Despite geopolitical disorder, supply chain disruption and other challenges, the Automobile sector remained stable backed by demand, both domestic and international, Government initiatives and policies, infrastructure development initiatives, upgradation of technology etc. With government's Make in India campaign and ease of doing business initiative, India has become favorable destination for various Global players.

The rapid globalization is opening up newer avenues for the industry, especially while it makes a shift towards alternate source of fuel like Compressed Natural Gas (CNG), electric, electronic and hybrid cars are also being promoted worldwide. Over the next decade, this will lead to newer verticals and opportunities for auto-component manufacturers and the industry would need to adapt to the change via systematic research and development, continual technology upgradation etc. The Indian auto-components industry is set to become the third largest in the world by 2025. This brings in tremendous opportunities to the industry both in the domestic as well as Overseas Markets.

The rapid growth in the Industry also brings in stiff competition both from the domestic and International manufacturers who have the potential for the large scale production and give price competition. New technology coming-in through the global players and large domestic companies, makes the environment challenging for smaller size companies. Further, tightening money supply, volatility in the price of raw materials and other inputs, currency fluctuations, stringent emission norms are other major threats faced by the Industry.

Disturbance in Europe due to ongoing Russia-Ukraine war, Palestine conflict, supply chain disruption to the Sector at large. Despite all odds the auto component sector in India set to grow at a faster pace in the coming years. Due to leveraging cost advantages and quality standards, the industry has the potential to serve as a key sourcing hub for global automakers. Although the uncertainty prevails in the short term, the sector is optimistic in the medium and long term and the prospects are encouraging for the Indian Automobile Component Segment.

Development and operation of Infrastructure for IT / ITES Sector

Large number of Skilled, English Speaking workforce, cost effectiveness and favorable time zone are few of the strengths of India's IT / ITES sector. Increased economic activities globally, companies in US, Europe and other developed economies are opening up opportunities for the IT Industry in India. Leveraging new digital economy technologies such as Artificial Intelligence (AI), machine learning, and blockchain are few of the new opportunities. Expanding services in cloud computing is a significant growth area. Expansion of the digital economy and e-commerce presents vast opportunities for growth. Recent regulatory flexibility allowing a hybrid work model for SEZ units can help reduce operational costs and real estate expenses. This also increases employee flexibility and morale. With all these positive attributes, India has the potential to become global leader in the digital economy through the development of new products and services.

As US is one the major market for Indian IT Industry, any policy change with respect to out-sourcing of work by the US government may adversely affect the IT industry in India. Current adverse situation in Europe due to ongoing Ukraine crisis may impact the IT sector in India. India's IT/ITES industry faces growing competition from rival hubs in countries like the Philippines and China, which may offer even lower costs. Since SEZ companies are heavily export-dependent, any economic slowdown in key global markets, like the U.S. or Europe, can significantly impact their revenue and growth.

e) Operational Performance

Company's primary business segment is manufacturing of High Precision Components for auto and consumer industry. During the year under review, the gross revenue stood at Rs. 6,277.23.00 Lacs and profit after tax stood at Rs. 3,346.115 Lacs. The earning per share was at Rs. 28.69 per share.

The wholly owned subsidiary of the Company engaged in Development and operations of IT & ITES SEZ continue to have good performance. The gross revenue of Rs. 15,974.57 Lacs and the net profit after tax was Rs. 10,614.06 Lacs. The earning per share was at Rs. 10,614.06 per share.

f) Risk and Concerns and its Management

Stiff competition both from domestic and overseas auto component manufactures, uncertainty arising from currency volatility, rise in input cost, low-priced imports and counterfeit auto parts available at cheap price are some of the external risks associated with the business. Operational risks like shortage of power which leads to increase in cost of production. Continues upgradation of technology due to existence major international players, rapid technological advancements are few major concern for the business. In addition, the growth of the Company is dependent on the automobile sector which makes the market uncertain at times. General economic conditions also effect the performance of the Company. Change in regulatory environment always and government policy may also impact the Industry.

The industry efforts to mitigate the above risks along with policy measures of the government would determine the impact of the above risks on the industry going forward.

Risk Management is a process of identifying the risks, analysis of its effect on the business operations of the Company, measures to be taken to mitigate such risks. As a business enterprise, the Company is exposed to various risks, some of which are identifiable and can be mitigated through defined Internal Control Mechanism. However, there are certain risks which cannot be predicated and are unascertainable at a given point of time. These can be mitigated through the experience inherited by the Company and its management over the period. The Company has inherent system for identifying and mitigating the Risk associated. The senior management meets periodically to discuss various operational matters and risks involved therein.

g) Internal Control and their Adequacy

Internal Control Systems inherent in the Company are adequate and commensurate with the size and nature of the business. The inherent systems ensure that the resources of the Company are used efficiently and effectively, all assets are safeguarded and protected against loss from unauthorized use or disposition and the transactions are authorised, recorded and reported correctly, financial and other data are reliable for preparing financial information and other data and for maintaining accountability of assets. The ever improving Internal Control Systems are well complemented with the internal audit system, documented policies, guidelines and procedures and are reviewed by the management on regular basis. This ensures timely detection of any irregularities and early remedial steps being taken by the Company.

h) Human Resource

The Company believes that the Human Resources are one of its biggest assets and strives to achieve maximum employee satisfaction. It is believed that the health, safety and security of everyone who works for the Company is critical to the success of the business operations. Constant Human Resource training and development is important for the growth of the Company. Employees relations continue to be harmonious and positive.

i) Cautionary Statement

Certain representations and statements made under the 'Management Discussion and Analysis' are based on the Company's views about the industry, present market conditions, expectations / predictions, objectives, etc. and may be forward looking statement within the meaning of applicable laws and regulations. Actual results may differ from those expressed or implied in these statements. Your Company's operations may, inter-alia, be affected by the supply and demand situations, input prices and availability, changes in government regulations, tax laws, government or court decisions and other factors such as industry relations and economic developments etc. in the Country. The Investors should bear the above in mind.

**INDEPENDENT AUDITOR'S REPORT****TO THE MEMBERS OF IST LIMITED****Report on the Audit of the Standalone Financial Statements****Opinion**

We have audited the accompanying Standalone Financial Statements of **IST LIMITED** ("the Company"), which comprise the Standalone Balance Sheet as at 31st March 2025, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including summary of material accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2025, and its profit including other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditors' Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	Auditor's Response
Investments as on 31st March 2025 <i>(Refer to Note no.10 and 14 to the notes to the standalone financial statements)</i>	
The Investments of the company forms significant portion of its total assets. The Company has investments in various Government Bonds, quoted and unquoted Securities and Mutual Funds. Investments also includes investment in wholly owned subsidiary and associate company. The valuation of investments is based on a range of inputs. Many of the inputs required can be obtained from readily available liquid market prices and rates. Where observable market data is not available, estimates must be developed based on the most appropriate source data and are subject to a higher level of judgment. Accordingly, investments was determined to be a key audit matter in our audit of standalone financial statements.	Our audit procedure included the following: - Obtaining an understanding from the management, assessing and testing whether controls in respect of the valuation process are operating properly and assessing whether the valuation process is appropriately designed and captures relevant valuation inputs for the material investments. - Evaluating the Company's process regarding impairment assessment and fair valuation by involving independent assessment for assessing the appropriateness of the valuation. - Assessed the carrying value / fair value calculation of all individual material investments, to determine whether the valuation performed by the Company were within an acceptable range determined by us. - Assessing the availability of quoted prices in liquid markets. - We also assessed whether the Company's disclosures in relation to the valuation of investments are compliant with the relevant accounting requirements. Based on the above procedure performed, we did not identify any significant exceptions in the management's assessment in relation to the carrying value of investments.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements and our auditors' report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations.

Responsibilities of Management and those charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our

opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss including Other Comprehensive Income, the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - e) On the basis of the written representations received from the directors as on 31st March 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to the standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report.

- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts, which were required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (c) Based on such audit procedures that the we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
 - v. The Company has neither declared nor paid any dividend during the year, hence compliance to Section 123 of the Act is not applicable.
 - vi. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account for the financial year ended 31st March 2025, which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.
3. With respect to the other matters to be included in the Auditors' Report under section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

Annexure referred to in Paragraph "1" under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the members of IST LIMITED on the Standalone Financial Statements for the year ended 31st March 2025

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we report that:

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) According to the explanations given to us, Company has a plan to verify the items of property, plant and equipment in phased manner, some of the items of property, plant and equipment have been physically verified by the management at reasonable intervals having regard to the size of the Company and the nature of its assets. No material discrepancy was noticed on such verification as compared to book records.
- (c) According to the information and explanation given to us, the title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the Company, except the title deeds in respect of sub lease of three commercial properties at Noida as disclosed under the head "Investment Property" as under: -

- (d) According to the information and explanation given to us, the Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets during the year. Accordingly, paragraph 3(i)(d) of the Order is not applicable to the Company.
- (e) According to the information and explanation given to us, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder. Accordingly, paragraph 3(i)(e) of the Order is not applicable to the Company.
- (ii) (a) According to information and explanation given to us, inventories have been physically verified by the management during the year. In our opinion, the coverage and procedure of such verification is appropriate. No discrepancies of 10% or more in aggregate for each class of inventory were noticed.
- (b) In our opinion and according to the information and explanation given to us, the Company has not been sanctioned working capital limits in excess of rupees five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. Accordingly, paragraph 3(ii)(b) of the Order is not applicable to the Company.
- (iii) (a) The Company has not provided loan or given advance in the nature of loan, or stood guarantee, or provided security to any other

Description of Property	Gross carrying value (Rs. in Lakhs)	Held in Name of	Whether Promoter, director or their relative or employee	Period held since	Reason for not being held in name of Company

- entity. Accordingly, paragraph 3(iii)(a) of the Order is not applicable to the Company.
- (b) According to the information and explanation given to us, the Company has not provided any guarantee, not given security, and not granted loan and advances in the nature of loan. Further Investments made are not prejudicial to the Company's interest.
- (c) The Company has not given loan and advances in the nature of loan to any other entity. Accordingly, paragraph 3(iii)(c), (d), (e) and (f) of the Order are not applicable to the Company.
- (iv) In our opinion and according to the information and explanation given to us, the Company has not granted any loans or made any investments or provide any guarantees or security to the parties covered under section 185 of the Act. The Company has complied with the provisions of section 186 of the Act, with respect to the investments made, as applicable.
- (v) Based on our audit procedures and according to the information and explanation given to us, the Company has not accepted any deposits or amount which are deemed to be deposits within the meaning of the Act and the directives issue by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Act and the rules framed there under. Accordingly, paragraph 3(v) of the Order is not applicable to the Company.
- (vi) The Central Government has not prescribed the maintenance of cost records by the Company under section 148(1) of the Act. Accordingly, paragraph 3(vi) of the Order is not applicable to the Company.
- (vii)(a) According to the information and explanations given to us and the records of the Company examined by us, the Company is regular in depositing undisputed statutory dues including Goods and Services Tax, provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and any other applicable statutory dues with the appropriate authorities. According to the information and explanations given to us and on our examination, there are no arrears of outstanding statutory dues as on 31st March 2025 for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us, there are no statutory dues referred to sub-clause(a), which have not been deposited with the appropriate authorities on account of any dispute.
- (viii) According to the information and explanations given to us and in our opinion, there were no such transactions which have not been recorded in the books of account and have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961). Accordingly, paragraph 3(viii) of the order is not applicable to the company.
- (ix) (a) Based on our audit procedures and as per the information and explanations given to us, the Company has not defaulted in repayment of loans or other borrowings or in payment of interest thereon to any lender.
- (b) According to the information and explanations given to us, the company is not a declared wilful defaulter by any bank or financial institution or other lender.
- (c) According to the information and explanations given to us and the records of the Company examined by us, there were no term loans taken by the Company. Accordingly, paragraph 3(ix)(c) of the Order is not applicable to the Company.
- (d) According to the information and explanations given to us and the records of the Company examined by us, we report that no funds raised on short term basis have been used for long-term purposes by the Company.
- (e) According to the information and explanations given to us and the records of the Company examined by us, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary and associate. The Company does not have any joint venture.
- (f) According to the information and explanations given to us and the records of the Company examined by us, the Company has not raised loans during the year on the pledge of securities held in its subsidiary or associate companies. Accordingly, paragraph 3(ix)(f) of the Order is not applicable to the Company.
- (x) (a) The Company has not raised any money by way of initial public offer or further public offer

- (including debt instruments) during the year. Accordingly, paragraph 3(x)(a) of the Order is not applicable to the Company.
- (b) The Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Accordingly, paragraph 3(x)(b) of the Order is not applicable to the Company.
- (xi) (a) According to the information and explanations given to us, we report that no fraud by the Company or on the Company has been noticed or reported during the year.
- (b) According to the information and explanations given to us and to the best of our knowledge, no report under sub-section (12) of section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) According to the information and explanations given to us, we report that no whistle blower complaints were received during the year by the Company.
- (xii) According to the information and explanations given to us and in our opinion, the Company is not a Nidhi Company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with section 177 and 188 of the Act, where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable Accounting Standards.
- (xiv) (a) In our opinion and according to the information and explanations given to us, the Company has an internal audit system commensurate with the size and nature of its business.
- (b) We have considered the reports of the Internal Auditors for the period under audit.
- (xv) According to the information and explanations given to us, the Company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the order is not applicable to the company.
- (xvi) (a) According to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of Reserve Bank of India Act, 1934 (2 of 1934). Accordingly, paragraph 3(xvi)(a) of the Order is not applicable to the Company.
- (b) In our opinion and according to the information and explanations given to us, the Company has not conducted any Non-Banking Financial or Housing Finance activities. Accordingly, paragraph 3(xvi)(b) of the Order is not applicable to the Company.
- (c) According to the information and explanations given to us, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, paragraph 3(xvi)(c) of the Order is not applicable to the Company.
- (d) In our opinion and according to the information and explanations given to us, the Company does not have any Core Investment Companies (CICs) as a part of its Group. Accordingly, paragraph 3(xvi)(d) of the Order is not applicable to the Company.
- (xvii) In our opinion and according to the information and explanations given to us, the Company has not incurred cash losses in the current financial year and in the immediately preceding financial year. Accordingly, paragraph 3(xvii) of the Order is not applicable to the Company.
- (xviii) There has been no resignation of the statutory auditors during the year. Accordingly, paragraph 3(xviii) of the Order is not applicable to the Company.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an

assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.

- (xx) (a) According to the information and explanations given to us, the company has not transferred the amount remaining unspent Rs.2.01 lakhs in respect of other than ongoing projects, to a Fund specified in Schedule VII to the Act till the date of our report. However, the time period for such transfer i.e. six months of the expiry of the financial year as permitted under

the second proviso to sub-section (5) of section 135 of the Act, has not elapsed till the date of our report.

- (b) The company does not have any amount remaining unspent under sub section (5) of section 135 of the Act, pursuant to any ongoing project. Accordingly, paragraph 3(xx)(b) of the Order is not applicable to the Company.
- (xxi) The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of standalone financial statements. Accordingly, no comment in respect of the said clause has been included in this report.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

Annexure referred to in Paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the members of IST LIMITED on the Standalone Financial Statements for the year ended 31st March 2025

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to standalone financial statements of **IST LIMITED** ("the Company") as at 31st March 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was

established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets

that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of

compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and according to the information and explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2025 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Standalone Financial Statements for the year ended 31st March, 2025

Summary of material accounting policies and other explanatory information

1. Corporate information

IST Limited ("the Company") [CIN : L33301HR1976PLC008316] is a public limited company domiciled in India and having its registered office at Dharuhera Industrial Complex, Delhi-Jaipur Highway no. 8, Kapriwas, Dharuhera, Rewari 123106 and was incorporated under the provisions of the Companies Act, 1956 on 31 August, 1976. The Company is primarily engaged in the business of manufacturing of high precision engineering components / assemblies including auto components.

These Standalone Financial Statements were authorized for issue by Board of Directors on **29.05.2025**.

2. Basis of preparation and material accounting policies

a. Compliance with Ind AS

The Standalone Financial Statements are prepared on going concern basis following accrual basis of accounting and comply in all material aspects with accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 under Section 133 of the Companies Act, 2013 (the "Act") and other relevant provisions of the Act.

b. Basis of measurement/use of Estimates

- (i) The Standalone Financial Statements have been prepared on accrual and going concern basis under the historical cost convention except certain financial instruments and plan assets, which is measured at fair value. The accounting policies are applied consistently to all the periods presented in the financial statements.
- (ii) All assets and liabilities have been classified as current or non-current according to the Company's operating cycle and other criteria set out in the Act. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current or non-current classification of assets and liabilities
- (iii) The preparation of Standalone Financial Statements requires judgments, estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the Standalone Financial Statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/materialized. Major Estimates are discussed in **note 4**.

c. New Standards/ Amendments and Other Changes adopted Effective 1 April 2024 or thereafter

- (i) **Ind AS 117 Insurance contracts:** On August 12, 2024, the MCA has notified Ind AS 117, Insurance contracts. Ind AS 117 replaced the interim standard Ind AS 104, Insurance contracts, and come into the effect for annual reporting starting on or after 1 April 2024. This Ind AS is relevant not only to insurance companies but also to any entity into contract which are considered to be insurance contracts. This standard sets out principles for accounting for such contract. The Company has reviewed the new pronouncements & based on its evaluation has determined that it does not have any material impact in its Standalone Financial Statements.
 - (ii) **Ind AS 116 Lease (Sale and Leaseback transaction amendment):** On September 9 2024, the MCA introduced the Companies (Indian Accounting Standards) second amendment rules, 2024, which specifically address the accounting for sale and leaseback transactions under Ind AS 116 leases. The Company has adopted the amendment and there is no material impact on its Standalone Financial Statements
- d. Recent Accounting Pronouncements:** During the year no new standard or modifications in existing standards have been notified which will be applicable from 1 April 2025 or thereafter.

e. Functional and presentation currency:

The Standalone Financial Statements are presented in Indian Rupees (INR), which is the Company's functional currency. All financial information presented in INR has been rounded to the nearest Lakhs (up to two decimals), except as stated otherwise.

3. Material accounting policies

A summary of the material accounting policies applied in the preparation of the Standalone Financial Statements are as given below. These accounting policies have been applied consistently to all periods presented in the Standalone Financial Statements.

a. Revenue recognition

Revenue arises mainly from the sale of manufactured goods. To determine whether to recognise revenue, the Company follows a 5-step process:

1. Identifying the contract with a customer
2. Identifying the performance obligations
3. Determining the transaction price
4. Allocating the transaction price to the performance obligations
5. Recognising revenue when/as performance obligation(s) are satisfied.

Revenue from contracts with customers is recognized on transfer of control of promised good or services to a customer at an amount that reflects the consideration to which the Company is expected to be entitled to in exchange for those goods or services.

Revenue towards satisfactions of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract. This variable consideration is estimated based on the expected value of outflow. Revenue (net of variable consideration) is recognized only to the extent that it is highly probable that the amount will not be subject to significant reversal when uncertainty relating to its recognition is resolved.

The following specific recognition criteria must also be met before revenue is recognised:

Sale of goods or products

Revenue from sale of goods is recognised when the control of goods is transferred to the buyer as per the terms of the contract, in an amount that reflects the consideration the Company expects to be entitled to in exchange for those goods. Control of goods refers to the ability to direct the use of and obtain substantially all of the remaining benefits from goods.

Rendering of services

Revenue from services is recognised as and when the services are rendered and on the basis of contractual terms with the parties.

Interest

Interest income is recognised on time proportion basis taking into account the amount outstanding and rate applicable. For all financial assets measured at amortised cost, interest income is recorded using the effective interest rate (EIR) i.e. the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial assets. The future cash flows include all other transaction costs paid or received, premiums or discounts if any, etc.

Dividend income

Dividend are recognised in statement of profit and loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

**Rental income**

Rental income is recognized on a straight-line basis over the terms of the lease, except for contingent rental income which is recognized when it arises and where scheduled increase in rent compensates the lessor for expected inflationary costs. In all the leases escalation is less than inflation and hence no Straight lining has been done.

b. Inventories

Inventories of finished goods, work in progress, raw material, stores, spares and components (including tools & equipments) are valued at lower of cost and net realisable value. Cost of inventory has been arrived at by using the weighted average cost formula. Cost of inventory comprises all costs of purchase, duties, taxes (other than those subsequently recoverable from tax authorities) & all other costs incurred to bring the inventories to their present condition and location. Tools and instruments are valued at cost less depletion in value. Stock of scrap is valued at estimated realizable value. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

c. Income taxes

Tax expense recognised in the statement of profit and loss comprises the sum of deferred tax and current tax not recognised in Other Comprehensive Income (OCI) or directly in equity.

Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-Tax Act, 1961. Current tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit and loss (i.e. in OCI or equity depending upon the treatment of underlying item).

Deferred tax liabilities are generally recognised in full for all taxable temporary differences. Deferred tax assets are recognised to the extent that it is probable that the underlying tax loss, unused tax credits or deductible temporary difference will be utilised against future taxable income. This is assessed based on the Company's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss or credit. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognised outside the statement of profit and loss is recognised outside statement of profit and loss (i.e. in OCI or equity depending upon the treatment of underlying item).

Current & deferred tax assets and liabilities are offset when there is legally enforceable right to offset current and deferred tax assets and liabilities and when the company intends to settle its current and deferred tax assets & liabilities on net basis.

d. Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and cash on hand and short-term deposits with original maturities of three months or less, that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

e. Foreign currency transactions

The financial statements are presented in Indian Rupee ('INR' or 'Rs.') which is also the functional currency of the Company.

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in statement of profit or loss.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statement of profit and loss, within finance costs. All other foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other income/expenses, as the case maybe.

f. Financial instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs, except for those carried at fair value through profit and loss which are measured initially at fair value. Subsequent measurement of financial assets and financial liabilities is described below:

Non-derivative financial assets

Subsequent measurement

- i. **Financial assets carried at amortised cost** – A financial asset is measured at the amortised cost, if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

- ii. **Fair value through OCI-A** financial asset is measured at FVOCI if both of the following conditions are met:

- The Company's business model objective for managing the financial asset is achieved both by collecting contractual cash flows and selling the financial assets, and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

- iii. **Fair value through profit and loss** – Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit and loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit and loss and is not part of a hedging relationship is recognised in profit and loss and presented net in the statement of profit and loss within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets. ECL is the weighted-average of difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive, discounted at the original effective interest rate, with the respective risks of default occurring as the weights. When estimating the cash flows, the Company is required to consider:

- All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets.
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

Trade receivables: In respect of trade receivables, the Company applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

Other financial assets: In respect of its other financial assets, the Company assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Company measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

When making this assessment, the Company uses the change in the risk of a default occurring over the expected life of the financial asset. To make that assessment, the Company compares the risk of a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition. The Company assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date.

De-recognition of financial assets

A financial asset is primarily de-recognised when the contractual rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

Non-derivative financial liabilities

Subsequent measurement

Subsequent to initial recognition, all non-derivative financial liabilities are measured at amortised cost using the effective interest method.

De-recognition of financial liabilities

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

g. Fair value of financial instruments

In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis, available quoted market prices and dealer quotes. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized. For financial assets and liabilities maturing within one year from the Balance Sheet date and which are not carried at fair value, the carrying amounts approximate fair value due to the short maturity of these instruments.

h. Property, plant and equipment ('PPE')

Recognition and initial measurement

Property, plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, taxes (non-recoverable), borrowing cost if capitalisation criteria are met and other expenses directly attributable to cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and definition of asset is met. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred.

IST LIMITED

In case an item of property, plant and equipment is acquired on deferred payment basis, interest expenses included in deferred payment is recognised as interest expense and not included in cost of asset.

Subsequent measurement (depreciation and useful lives)

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation on property, plant and equipment is provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

De-recognition

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

i. Investment properties

Recognition and initial measurement

Investment properties are properties held to earn rentals or for capital appreciation, or both. Investment properties are measured initially at their cost of acquisition. The cost comprises purchase price, borrowing cost, if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognized in statement of profit and loss as incurred.

Subsequent measurement (depreciation and useful lives)

Investment properties are subsequently measured at cost less accumulated depreciation and impairment losses. Depreciation on investment properties is provided on the straight-line method, computed on the basis of useful lives (as set-out below) prescribed in Schedule II to the Companies Act, 2013:

Asset Category	Useful Life (in years)
Buildings and related equipments	60

The residual values, useful lives and method of depreciation are reviewed at the end of each financial year.

De-recognition

Investment properties are de-recognized either when they have been disposed off or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognized in the statement of profit and loss in the period of de-recognition.

j. Intangible assets

Recognition and initial measurement

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any.

Subsequent measurement (depreciation and useful lives)

Amortisation on intangible assets has been provided on the straight-line method on useful life of 6 years. The estimated useful life of the intangible assets and the amortization period are reviewed at the end of each financial year and the amortization period is revised to reflect the changed pattern, if any.

De-recognition

An item of intangible assets and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

k. Capital work-in progress

Cost of material consumed and erection charges thereon along with other direct cost incurred by the Company for the projects are shown as capital work-in-progress until capitalisation. Claims for price variation / exchange rate variation in case of contracts are accounted for on acceptance / receipt of claim.

l. Impairment of non-financial assets

At each reporting date, the Company assesses whether there is any indication based on internal/external factors, that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. The recoverable amount is higher of an asset's fair value less costs of disposal and value in use. For this purpose, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash generating units). If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount and the reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If at the balance sheet date, there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost and the same is accordingly reversed in the statement of profit and loss.

m. Borrowing costs

Borrowing costs directly attributable to the acquisitions, construction or production of a qualifying asset are capitalised during the period of time that is necessary to complete and prepare the asset for its intended use or sale. Other borrowing costs are expensed in the period in which they are incurred and reported in finance costs.

A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. Capitalisation of borrowing costs is suspended in the period during which the active development is delayed due to, other than temporary, interruption.

n. Provisions, contingent liabilities and contingent assets

Provisions are recognised when present obligations as a result of a past event will probably lead to an outflow of economic resources and amounts can be estimated reliably. Timing or amount of the outflow may still be uncertain. A present obligation arises when there is a presence of a legal or constructive commitment that has resulted from past events, for example, legal disputes or onerous contracts. Provisions are not recognised for future operating losses.

Provisions are measured at the estimated expenditure required to settle the present obligation, based on the most reliable evidence available at the reporting date, including the risks and uncertainties associated with the present obligation. Provisions are discounted to their present values, where the time value of money is material.

Any reimbursement that the Company can be virtually certain to collect from a third party with respect to the obligation is recognised as a separate asset. However, this asset may not exceed the amount of the related provision.

All provisions are reviewed at each reporting date and adjusted to reflect the current best estimate.

In those cases where the outflow of economic resources as a result of present obligations is considered improbable or remote, no liability is recognised.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are not recognised. However, when inflow of economic benefits is probable, related asset is disclosed.

o. Employee benefits

Expenses and liabilities in respect of employee benefits are recorded in accordance with Indian Accounting Standard 19- Employee Benefits. Employee benefits include provident fund, employee state insurance, gratuity, compensated absences etc. The Company's contribution to provident fund and employee state insurance are considered as defined contribution plans and gratuity and compensated absences are considered defined benefit plans.

Defined benefit plans

Gratuity

The Company operates one defined benefit plan for its employees, viz. gratuity. The cost of providing benefits under this plan is determined on the basis of actuarial valuation at each year-end using the projected unit credit method and is recognised in the financial statements. Actuarial gain and loss for the defined benefit plan is recognized in full in the period in which they occur in other comprehensive income.

Other long term benefits

Compensated absences or accumulated leave expected to be carried forward beyond twelve months, is treated as long term employee benefits. Such long term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the year end and is recognised in the financial statements. Accumulated leave, which is expected to be utilised within the next 12 months, is treated as short term employee benefit.

Liability under continuity linked key resource and deferred salary schemes is provided for on actuarial valuation basis, which is done as per the projected unit credit method at the end of each financial period.

Defined contribution plans

Provident Fund

The Company makes contribution to statutory provident fund in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952. The plan is a defined contribution plan and contribution paid or payable is recognised as an expense in the period in which services are rendered by the employee.

Short-term employee benefits

Expense in respect of other short term benefits is recognised on the basis of the amount paid or payable for the period during which services are rendered by the employee.

p. Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events including a bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

q. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting done to the chief operating decision maker. The Company operates in a single operating segment and geographical segment.

r. Investment in Subsidiary and Associate Companies

The Company has elected to recognize its investments in subsidiary and associate companies at cost in accordance with the option available in Ind AS 27, 'Separate Financial Statements'.

s. Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

a) Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

b) Lease liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments or a change in the assessment of an option to purchase the underlying asset.

Lease liability and ROU assets have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

c) Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

The Company as a lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases. When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the ROU asset arising from the head lease. For operating leases, rental income is recognized on a straight-line basis over the term of the relevant lease.

4. Material accounting judgements, estimates and assumptions

In preparation of the financial statements, management undertakes a number of judgments, estimates and assumptions about recognition and measurement of items of assets, liabilities, income and expenses.

The actual results are likely to differ from the judgments, estimates and assumptions made by management, and will seldom equal the estimated results.

Information about significant judgments, estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities, income and expenses are discussed below:

Significant judgements:

(i) Evaluation of indicators for impairment of non-financial assets

The evaluation of applicability of indicators of impairment of non-financial assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

(ii) Recognition of deferred tax assets

The extent to which deferred tax assets can be recognised is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilised. The recognition of deferred tax assets and reversal thereof is also dependent upon management decision relating to timing of availment of tax holiday benefits available under the Income Tax Act, 1961 which in turn is based on estimates of future taxable profits.

Sources of estimation uncertainty:

(i) Provisions

At each balance sheet date, basis the management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding warranties and guarantees. However, the actual future outcome may be different from management's estimates.

(ii) Fair valuation of financial instruments

Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.

* Buildings include commercial property at Noida, Uttar Pradesh amounting of Rs. 4694.79 lakhs (31 March 2024: Rs. 4694.79 lakhs), whose registration is pending.

(i) Amount recognised in profit and loss for investment properties

Particulars	31 March, 2025	31 March, 2024
Rental income	619.27	691.36
Less: Direct operating expenses that generated rental income	7.35	26.28
Less: Direct operating expenses that did not generate rental income	0.18	0.60
Profit from leasing of investment properties	611.74	664.48
Less: Depreciation for the year	94.61	94.61
Profit after depreciation	517.13	569.87

(ii) Fair value of investment properties

Particulars	31 March, 2025	31 March, 2024
Fair value	6,429.15	6,345.67

Fair value hierarchy and valuation technique

The Company has obtained valuations from a registered valuer as defined under rule 2 of companies (Registered valuer and valuation) Rules, 2017, for its investment properties at least annually. The best evidence of fair value is current prices in an active market for similar properties. Where such information is not available, the valuer considers information from a variety of sources including current prices in an active market for investment properties of different nature or recent price of similar investment properties in less active market, adjusted to reflect those differences.

All resulting fair value estimates for investment properties are included in level 3.

(iii) Leasing arrangements

The aforementioned investment property is leased under long term operating lease agreements with rentals payable monthly. Minimum payments expected to be received under non-cancellable subleases at the balance sheet date is as under:

Particulars	31 March, 2025	31 March, 2024
Not later than one year	715.56	699.45
Later than one year but not later than five years	2,555.64	2,818.46

43 Lease related disclosures

(i) In case of assets given on lease (refer note no. 8)

(ii) In case of assets taken on lease

The Company has taken factory building , guest house and office building on leases. With the exception of short-term leases and leases of low-value underlying assets, each lease is reflected on the balance sheet as a right-of-use asset and a lease liability as a borrowings. Variable lease payments which do not depend on an index or a rate are excluded from the initial measurement of the lease liability and right of use assets.

Each lease generally imposes a restriction that, unless there is a contractual right for the Company to sublease the asset to another party, the right-of-use asset can only be used by the Company. Some leases contain an option to extend the lease for a further term. The Company is prohibited from selling or pledging the underlying leased assets as security. For leases over office buildings and other premises the Company must keep those properties in a good state of repair and return the properties in their original condition at the end of the lease. The disclosures related to leases are as under:-

A Total cash outflows for leases are as follows:-

Particulars	For the year ended 31 March, 2025	For the year ended 31 March, 2024
Payment of principal portion of lease liabilities	83.31	90.20
Interest paid on lease liabilities	34.29	23.80
Net cash outflow in financing activities	117.60	114.00

B Amount recognised in the statement of profit and loss:

Particulars	For the year ended 31 March, 2025	For the year ended 31 March, 2024
Interest on lease liabilities	34.29	23.80
Depreciation recognised	94.10	95.54
Total expenses related to leases	128.39	119.34

C The Company has Nil commitment for short-term leases as at 31 March, 2025 (31 March, 2024: Nil)

D Maturity of lease liabilities

The details regarding the contractual maturities of lease liabilities are as follows:

Particulars	As at 31 March 2025	As at 31 March 2024
Less than one year	90.48	54.51
One to five years	270.49	175.31
More than five years	—	—
Total	360.97	229.82

E Variable lease payments are expensed in the period they are incurred. Expected future cash outflow as at 31 March, 2025 is Nil (31 March, 2024: Nil).

Notes to the Standalone Financial Statements for the year ended 31 March, 2025

(All amounts in rupees lakhs unless otherwise stated)

F Information about extension and termination options:-

Right of use assets	Number of leases	Range of remaining term	Average remaining lease term	Number of leases with extension option	Number of leases with purchase option	Number of leases with termination option
Factory building	1	2.75 years	2.75 years	2 terms with 5 year each	0	0
Office building	1	2 years	2 years	1 term with 3 years	0	0
Guest house	1	2 years	2 years	1 term with 3 years	0	0

G The movement in lease liabilities during the year are as follows:

Particulars	For the year ended 31 March, 2025	For the year ended 31 March, 2024
Balance at the beginning	229.82	320.02
Additions	214.46	—
Deletions	—	—
Interest/ Finance cost accrued during the period	34.29	23.80
Payment of lease liabilities	(117.60)	(114.00)
Balance at the end	360.97	229.82

H The break up of current & non-current lease liabilities are as follows:-

Particulars	As at 31 March 2025	As at 31 March 2024
Current lease liabilities	90.48	54.51
Non- current lease liabilities	270.49	175.31
Total	360.97	229.82

44 Fair value disclosures

(i) Fair values hierarchy

Financial assets and financial liabilities measured at fair value in the statement of financial position are classified into three levels of a fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: Quoted prices (unadjusted) in active markets for financial instruments.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data rely as little as possible on entity specific estimates.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

(ii) Financial assets measured at fair value - recurring fair value measurements

Financial Assets	31 March 2025	31 March 2024	Level	Valuation techniques and key inputs
Investment in equity instruments (Quoted) (measured at FVTPL)	6,424.46	3,687.62	Level 1	Fair value of equity instruments have been determined using the quoted market price & NAV from active market.
Investment in mutual funds (measured at FVTPL)	5,547.20	4,426.72	Level 1	Net asset value (NAV) obtained from an active market.
Investment in trust securities (Quoted) (measured at FVTPL)	2,088.35	2,776.63	Level 1	Fair value of trust securities/Invit have been determined using the quoted market price.
Investment in government securities/ debentures/ bonds (Quoted) (measured at amortised cost)	1,642.92	1,642.92	Level 1	Fair value of quoted government securities, debentures and bonds have been determined using the market observable inputs such as using the implicit interest on respect securities.
Investment in government securities/ debentures/ bonds (Unquoted) (measured at amortised cost)	2,852.93	2,852.79	Level 2	Fair value of unquoted government securities, debentures and bonds have been determined using the market observable inputs such as using the implicit interest on respect securities.
Investment in preference shares (measured at FVTPL)	1,712.62	2,163.76	Level 3	Fair value of non-cumulative, non-convertible redeemable preference shares have been determined using discounted cash flow analysis. This method involves the projection of a series of cash flows from the project. To this projected cash flow series, a market-derived discount rate is applied to establish the present value of the income stream associated with the project.
Total	20,268.48	17,550.44		

Notes to the Standalone Financial Statements for the year ended 31 March, 2025

(All amounts in rupees lakhs unless otherwise stated)

(iii) The following table summarises the quantitative information about the significant unobservable inputs used in level 3 fair value measurements and sensitivity analysis if a change to such inputs was made keeping other variables constant:

Particulars	Discount rate	As at 31 March 2025	As at 31 March 2024
Investment in preference shares			
IST Steel and Power Ltd	Increase by 0.50%	(17.49)	(28.04)
	Decrease by 0.50%	18.10	29.09
Subham Infra developers Pvt Ltd	Increase by 0.50%	(26.18)	(29.56)
	Decrease by 0.50%	27.19	30.75

(iv) The following table presents the changes in level 3 items for the year ended 31 March, 2025 and 31 March, 2024:

Particulars	Preference shares
As at 1 April, 2023	2,682.10
Acquisition/ (Redemption)	(531.44)
Gain/ (loss) recognised in statement of profit and loss	13.10
As at 31 March, 2024	2,163.76
Acquisition/ (Redemption)	(440.00)
Gain/ (loss) recognised in statement of profit and loss	(11.14)
As at 31 March, 2025	1,712.62

(v) Categories of financial instruments

Particulars	As at 31 March 2025		As at 31 March 2024	
	Carrying value	Fair value	Carrying Value	Fair value
Financial assets				
Investments*	20,268.48	20,345.21	17,550.44	17,667.18
Trade receivables	509.90	509.90	499.59	499.59
Other financial assets	90.35	90.35	86.65	86.65
Cash and cash equivalents	163.63	163.63	65.54	65.54
Financial assets	21,032.36	21,109.09	18,202.22	18,318.96
Trade payables	72.40	72.40	96.49	96.49
Lease liabilities	360.97	360.97	229.83	229.83
Other financial liabilities	283.00	283.00	309.13	309.13
Financial liabilities	716.37	716.37	635.45	635.45

*Investment in equity instrument of subsidiary and associate have been accounted at cost in accordance with Ind AS 27, not presented here.

The management assessed that cash and cash equivalents, trade receivables, other receivables, trade payables and other current financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments. Other non-current financial assets and liabilities bear a market interest rate and hence their carrying amounts are also considered a reasonable approximation of their fair values.

ii) Risk Management

The Company's activities expose it to market risk, liquidity risk and credit risk. The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

A) Credit risk

Credit risk is the risk that a counterparty fails to discharge an obligation to the company. The company is exposed to this risk for various financial instruments, for example by granting loans and receivables to customers, placing deposits, etc. The company's maximum exposure to credit risk is limited to the carrying amount of following types of financial assets. - cash and cash equivalents, - trade receivables, - loans & receivables carried at amortised cost, and- deposits with banks

a) Credit risk management

The Company assesses and manages credit risk based on internal credit rating system, continuously monitoring defaults of customers and other counterparties, identified either individually or by the company, and incorporates this information into its credit risk controls. Internal credit rating is performed for each class of financial instruments with different characteristics. The Company assigns the following credit ratings to each class of financial assets based on the assumptions, inputs and factors specific to the class of financial assets.

A: Low

B: Medium

C: High

Assets under credit risk –

Credit rating	Particulars	As at 31 March 2025	As at 31 March 2024
A: Low	Investments*	20,268.49	17,550.45
	Trade receivables	509.90	499.59
	Other financial assets	90.35	86.65
	Cash and cash equivalents	163.63	65.54

*Investment in equity instrument of subsidiary and associate have been accounted at cost in accordance with Ind AS 27, not presented here.

Notes to the Standalone Financial Statements for the year ended 31 March, 2025

(All amounts in rupees lakhs unless otherwise stated)

Trade receivables

The Company provides loss allowance on trade receivables using life time expected credit loss and as per simplified approach.

Summary of loss allowance measured using simplified approach

Particulars	As at 31 March, 2025	As at 31 March, 2024
Opening allowances	30.59	—
Provided during the year	19.94	30.59
Utilisation during the year	—	—
Closing allowances	50.53	30.59

Other financial assets measured at amortised cost

Other financial assets measured at amortized cost includes advances to employees and security deposits. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system in place ensure the amounts are within defined limits.

Cash & cash equivalents and bank deposits

Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits and accounts in different banks.

B) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Company maintains flexibility in funding by maintaining availability under committed facilities. Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates. In addition, the Company's liquidity management policy involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

Maturities of financial liabilities

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

As at 31 March 2025	Less than 1 year	1-5 year	More than 5 years	Total

C) Market risk

Price risk

Exposure

The Company's exposure to price risk arises from investments held and classified as FVTPL. To manage the price risk arising from investments in mutual funds and equity investment, the Company diversifies its portfolio of assets.

Sensitivity

Below is the sensitivity of profit or loss and equity to changes in fair value of investments, assuming no change in other variables:

Particulars	As at 31 March, 2025	As at 31 March, 2024
Price sensitivity		
Price increase by 5%	788.63	652.74
Price decrease by 5%	(788.63)	(652.74)

46 Capital management

The Company's capital management objectives are

- to ensure the company's ability to continue as a going concern
- to provide an adequate return to shareholders

Management assesses the company's capital requirements in order to maintain an efficient overall financing structure. This takes into account the subordination levels of the company's various classes of debt. The company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets.

Particulars	As at 31 March, 2025	As at 31 March, 2024
Total Debt (lease liabilities)	360.97	229.82
Total Shareholders Equity	27,933.35	24,591.24
Total debt to equity ratio %	1.29%	0.93%

47 Disclosure as per Ind AS 115 revenue from contracts with customers

51 Employee benefit obligations

The details of employee benefit obligations towards gratuity and compensated absences as on balance sheet date are as under:-

Particulars	As at 31 March 2025		As at 31 March 2024	
	Current	Non-current	Current	Non-current
Gratuity	145.83	63.00	119.51	66.71
Compensated absences	65.89	50.46	47.61	35.74
Total	211.72	113.46	167.12	102.45

A Gratuity

Every employee who has completed five years or more of service gets a gratuity on departure at 15 days salary (last drawn salary) for each completed year of service.

The following tables summarize the components of net benefit expense recognised in the Statement of Profit and Loss and amounts recognised in the balance sheet for the respective plans.

(i) Amount recognised in the statement of profit and loss is as under:

Description	For the year ended 31 March 2025	For the year ended 31 March 2024
Current service cost	12.95	11.02
Net interest cost	13.46	12.12
Actuarial loss/(gain) recognised during the year*	5.34	0.05
Return on plan assets	—	—
Amount recognised in the statement of profit and loss	31.75	23.19

*Recognised in other comprehensive income/(loss)

(ii) Movement in the present value of defined benefit obligation recognised in the balance sheet is as under:

Description	As at 31 March 2025	As at 31 March 2024
Present value of defined benefit obligation as at the start of the year	186.22	164.22
Current service cost	12.95	11.02
Net interest cost	13.46	12.12
Actuarial loss/(gain) on obligation	5.34	0.05
Benefits paid	(9.14)	(1.19)
Present value of defined benefit obligation as at the end of the year	208.83	186.22

(iii) Breakup of actuarial (gain)/loss:

Description	For the year ended 31 March 2025	For the year ended 31 March 2024
Actuarial (gain)/loss from change in financial assumption	2.17	0.67
Actuarial (gain)/loss from experience adjustment	3.17	(0.62)
Total actuarial (gain)/loss	5.34	0.05

IST LIMITED

Notes to the Standalone Financial Statements for the year ended 31 March, 2025

(All amounts in rupees lakhs unless otherwise stated)

(iv) Actuarial assumptions

Description	As at 31 March 2025	As at 31 March 2024
Discount rate	6.79%	7.23%
Future Basic salary increase	6.00%	6.00%
Mortality table	100% of IALM (2012- 14)	100% of IALM (2012- 14)
Attrition at Ages	Withdrawal age (%)	
- Upto 30 years	3.00%	3.00%
- From 31 to 44 years	2.00%	2.00%
- Above 44 years	1.00%	1.00%
Retirement age	58.00	58.00

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

(v) Sensitivity analysis for gratuity liability

Description	For the year ended 31 March 2025	For the year ended 31 March 2024
Impact of the change in discount rate		
- Impact due to increase of 0.50 %	(2.53)	(2.22)
- Impact due to decrease of 0.50 %	2.72	2.38
Impact of the change in salary increase		
- Impact due to increase of 0.50 %	2.73	2.40
- Impact due to decrease of 0.50 %	(2.56)	(2.26)

The above sensitivity analysis are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied which was applied while calculating the defined benefit obligation liability recognised in the balance sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to prior period.

(vi) Maturity profile of defined benefit obligation

Description	As at 31 March 2025	As at 31 March 2024
Within next 12 months	145.83	119.51
Between 1-5 years	27.24	36.59
More than 5 years	35.76	30.13

B Compensated absences

The earned leave liability arises on retirement, withdrawal, resignation and death-in-service of an employee. The actuary has used projected unit cost (PUC) actuarial method to assess the plan's liabilities of employees.

Notes to the Standalone Financial Statements for the year ended 31 March, 2025

(All amounts in rupees lakhs unless otherwise stated)

(i) Amount recognised in the statement of profit and loss is as under:

Description	Earned Leave	
	For the year ended 31 March 2025	For the year ended 31 March 2024
Current service cost	18.23	10.82
Net interest cost	6.03	5.69
Actuarial loss/(gain) recognised during the year	18.82	4.85
Amount recognised in the statement of profit and loss	43.08	21.36

(ii) Movement in the present value of defined benefit obligation recognised in the balance sheet is as under:

Description	Earned Leave	
	As at 31 March 2025	As at 31 March 2024
Present value of defined benefit obligation as at the start of the year	83.35	77.07
Current service cost	18.23	10.82
Net interest cost	6.03	5.69
Actuarial loss/(gain) on obligation	18.82	4.85
Benefits paid	(10.08)	(15.08)
Present value of defined benefit obligation as at the end of the year	116.35	83.35

(iii) Actuarial assumptions

Description	As at 31 March 2025	As at 31 March 2024
Discount rate	6.79%	7.23%
Future Basic salary increase	6.00%	6.00%
Mortality table	100% of IALM (2012- 14)	100% of IALM (2012- 14)
Attrition at Ages	Withdrawal rate (%)	
- Upto 30 years	3.00%	3.00%
- From 31 to 44 years	2.00%	2.00%
- Above 44 years	1.00%	1.00%
Leave		
- Leave Availment Rate	2.00%	2.00%
- Leave Lapse rate while in service	—	—
- Leave Lapse rate on exit	—	—
- Leave encashment Rate while in service	5.00%	5.00%

Notes:

- The discount rate is based on the prevailing market yields of Indian Government securities as at the balance sheet date for the estimated term of obligations.
- The estimates of future salary increases considered takes into account the inflation, seniority, promotion and other relevant factors on long term basis.

C Provident fund and Employee State Insurance scheme

The Company makes contributions to Provident Fund and Employee State Insurance Scheme which are defined contribution plans, for qualifying employees. Under the Schemes, the Company is required to contribute a specified percentage of the payroll costs to fund the benefits. The Company has made following contributions during the year which has been recognised in the Statement of Profit and Loss:-

IST LIMITED

INDEPENDENT AUDITORS' REPORT

To the members of IST LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements of **IST LIMITED** (hereinafter referred to as the "Holding Company") and its subsidiary (the Holding Company and its subsidiary together referred to as the "Group") and its associate company, which comprise the consolidated Balance Sheet as at 31st March 2025, and the consolidated Statement of Profit and Loss (including Other Comprehensive Income), the consolidated Statement of Changes in Equity and the consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including summary of material accounting policies (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its associate company as at 31st March 2025, and its consolidated profit including other comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group and its associate company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matters to be communicated in our report.

Key Audit Matter	Auditor's Response
Investments as on March 31, 2025 <i>(Refer to Note no. 10 and 15 to the notes to the consolidated financial statements)</i>	
The Investments of the group forms significant portion of its total assets. The group has investments in various Government Bonds, quoted and unquoted Securities and Mutual Fund. The valuation of investments is based on a range of inputs. Many of the inputs required can be obtained from readily available liquid market prices and rates. Where observable market data is not available, estimates must be developed based on the most appropriate source data and are subject to a higher level of judgement. Accordingly, investment was determined to be a key audit matter in our audit of consolidated financial statements.	Our audit procedure included the following: - Obtain an understanding from the management, assessing and testing whether controls in respect of the valuation process are operating properly and assessing whether the valuation process is appropriately designed and captures relevant valuation inputs for the material investments. - Evaluate the group's process regarding impairment assessment and fair valuation by involving independent assessment for assessing the appropriateness of the valuation - Assessed the carrying value / fair value calculation of all individual material investments, to determine whether the valuation performed by the group were within an acceptable range determined by us. - Assessing the availability of quoted prices in liquid markets. - We also assessed whether the group's disclosures in relation to the valuation of investments are compliant with the relevant accounting requirements. Based on the above procedure performed, we did not identify any significant exceptions in the management's assessment in relation to the carrying value of investments

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Holding Company's Annual Report, but does not include the consolidated financial statements and our auditor's report thereon. The Holding Company's Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated.

When we read the Holding Company's Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations.

Responsibilities of Management and those charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance (including other comprehensive income), consolidated changes in equity and consolidated cash flows of the Group and its associate company in accordance with the Ind AS and other accounting principles generally accepted in India.

The respective Board of Directors of the companies included in the Group and of its associate company are responsible for maintenance of the adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the each entity and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associate company are responsible for assessing the ability of the Group and of its associate company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associate company are responsible for overseeing the financial reporting process of the Group and of its associate company.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the holding company, its subsidiary company and its associate company, which are companies incorporated in India, have adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associate company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associate company to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements/financial information of the subsidiary company, whose financial statements/financial information reflect total assets of Rs. 1,25,345.18 lakhs as at 31st March 2025, total income of Rs. 15,974.57 lakhs, total net profit after tax of Rs. 10,614.06 lakhs and total comprehensive income of Rs. 12,616.81 lakhs and net cash inflows amounting to Rs.27.17 lakhs for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net profit after tax of Rs.32.54 lakhs and total comprehensive income of Rs.122.35 lakhs for the year ended 31st March 2025, as considered in the consolidated financial statements, in respect of an associate company, whose financial statements/financial information have not been audited by us. These financial statements/financial information have been audited by the other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the subsidiary company and the associate company and our report in terms of sub-sections (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary company and associate company, is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements above, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiary company and associate company, as noted in the 'other matters' paragraph above, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - e) On the basis of the written representations received from the directors of the Holding Company as on 31st March 2025 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary company and associate company, which are companies incorporated in India, none of the directors of the Group and its associate company is disqualified as on 31st March 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of internal financial controls with reference to the financial statements of the Holding Company, its subsidiary company and associate company incorporated in India and the operating effectiveness of such controls, refer to our separate report in "Annexure A".
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. There were no pending litigations which would impact the consolidated financial position of the Group and its associate.
 - ii. The Group and its associate company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts, which were required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary company and associate company incorporated in India.
 - iv.
 - (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Group to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Group from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Group shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (c) Based on such audit procedures that the we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material mis-statement.
- v. The Company has not declared any dividend during the previous year and during the current year and hence compliance to Section 123 of the Act is not applicable.
- vi. Based on our examination which included test checks and that performed by the respective auditors of the subsidiary and, associates which are companies incorporated in India whose financial statements have been audited under the Act, the company, subsidiaries and associates have used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.
2. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government in terms of sub-section (11) of section 143 of the Companies Act, 2013, to be included in the Auditor's report, on the basis of examination of the available CARO report given by the Other Auditors of the Subsidiary Company and Associate Company included in the Consolidated Financial Statements, the auditors have not given any qualified/adverse remarks.
3. With respect to the other matters to be included in the Auditors' Report under section 197(16) of the Act, as amended, based on our audit and on the consideration of the reports of the other auditors on separate financial statements of the subsidiary company and associate company, we report that, the remuneration paid by the Holding Company, subsidiary company and associate company to their respective directors during the year is in accordance with the provisions of section 197 of the Act.

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S

Annexure referred to in Paragraph "1(f)" under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the members of IST LIMITED on the Consolidated Financial Statements for the year ended 31st March 2025

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31st March 2025, we have audited the internal financial controls over financial reporting of **IST LIMITED** (hereinafter referred to as "the Company" or the "Holding Company") and its subsidiary company and its associate company, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, its subsidiary company and its associate company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls with reference to the financial statements based on the criteria established by the respective Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to the financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require

that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to the financial statements and their operating effectiveness. Our audit of internal financial controls with reference to the financial statements included obtaining an understanding of internal financial controls with reference to the financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary company and associate company, which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system with reference to the financial statements.

Meaning of Internal Financial Controls with reference to the Financial Statements

A Company's internal financial control with reference to the financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3)

provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to the Financial Statements

Because of the inherent limitations of internal financial controls with reference to the financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the financial statements to future periods are subject to the risk that the internal financial controls with reference to the financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and according to the information and explanations given to us, the Holding Company, its

subsidiary company and its associate company, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2025 based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to the financial statements in so far as it relates to subsidiary company and associate company, which are companies incorporated in India, is based solely on the corresponding reports of the other auditors. Our opinion is not modified in respect of this matter.

Notes to the Consolidated Financial Statements for the year ended 31st March, 2025 Summary of material accounting policies and other explanatory information

1. Group information

The consolidated financial statements comprise financial statements of IST Limited ("the Company" or "the Holding Company"), its subsidiary company namely Gurgaon Infospace Limited and associate company namely IST Steel and Power Limited (collectively referred to as the 'the Group') for the year ended 31 March 2025.

IST Limited (CIN: L33301HR1976PLC008316) is a public limited company domiciled in India and having its registered office at Dharuhera Industrial Complex, Delhi-Jaipur Highway no. 8, Kapriwas, Dharuhera, Rewari 123106 and was incorporated under the provisions of the Companies Act, 1956 on 31 August, 1976. The Group and its associate company are engaged in the manufacturing of precision engineering components/ assemblies, SEZ Developers and trading activities. Further, details about the business operations are provided in Note No.46-Segment Information.

These Consolidated Financial Statements were authorized for issue by Board of Director on 29.05.2025.

2. Basis of preparation and material accounting policies

a. Compliance with Ind AS

The Consolidated Financial Statements are prepared on going concern basis following accrual basis of accounting and comply in all material aspects with accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 under Section 133 of the Companies Act, 2013 (the "Act") and other relevant provisions of the Act.

b. Basis of measurement/use of estimates

- (i) The Consolidated Financial Statements has been prepared on accrual and going concern basis under the historical cost convention except certain financial instruments and plan assets, which is measured at fair value. The accounting policies are applied consistently to all the periods presented in the financial statements.
- (ii) All assets and liabilities have been classified as current or non-current according to the Group's operating cycle and other criteria set out in the Act. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Group has ascertained its operating cycle as twelve months for the purpose of current or non-current classification of assets and liabilities
- (iii) The preparation of Consolidated Financial Statements requires judgments, estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the Consolidated Financial Statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/ materialized. Major Estimates are discussed in **note 4**.

c. New Standards/ Amendments and Other Changes adopted Effective 1 April 2024 or thereafter

- (i) **Ind AS 117 Insurance contracts:** On August 12, 2024, the MCA has notified Ind AS 117, Insurance contracts. Ind AS 117 replaced the interim standard Ind AS 104, Insurance contracts, and come into the effect for annual reporting starting on or after 1 April 2024. This Ind AS is relevant not only to insurance companies but also to any entity into contract which are considered to be insurance contracts. This standard sets out principles for accounting for such contract. The Group has reviewed the new pronouncements & based on its evaluation has determined that it does not have any material impact in its Consolidated Financial Statements.
- (ii) **Ind AS 116 Lease (Sale and Leaseback transaction amendment):** On September 9 2024, the MCA introduced the Companies (Indian Accounting Standards) second amendment rules, 2024, which specifically address the accounting for sale and leaseback transactions under Ind AS 116 leases. The Group has adopted the amendment and there is no material impact on its Consolidated Financial Statements.

Notes to the Consolidated Financial Statements for the year ended 31st March, 2025 Summary of material accounting policies and other explanatory information

- d. **Recent Accounting Pronouncements:** During the year no new standard or modifications in existing standards have been notified which will be applicable from 1 April 2025 or thereafter.

e. **Functional and presentation currency**

The Consolidated Financial Statements are presented in Indian Rupees (INR), which is the Group's functional currency. All financial information presented in INR has been rounded to the nearest Lakhs (up to two decimals), except as stated otherwise.

f. **Basis of consolidation**

Subsidiary company is an entity over which the holding company has control. The holding company controls subsidiary when the holding company is exposed to, or has rights to, variable returns from its involvement with its subsidiary and has the ability to affect those returns through its power to direct the relevant activities of the subsidiary. Subsidiary is fully consolidated from the date on which control is transferred to the holding company and it is deconsolidated from the date when control ceases. Profit/(loss) and OCI ('OCI') of subsidiary acquired or disposed of during the period are recognised from the effective date of acquisition, or up to the effective date of disposal, as applicable. The consolidated subsidiary has a consistent reporting date of 31 March 2025.

The Group combines the financial statements of the holding company and its subsidiary line by line adding together like items of assets, liabilities, other equity, income and expenses. Inter-company transactions, balances and unrealized gains on transactions between Group companies are eliminated. Unrealized losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiary company has been changed where necessary to ensure consistency with the policies adopted by the Group.

Non-controlling interests, presented as part of equity, represent the portion of a subsidiary's statement of profit and loss and net assets that is not held by the Group. Profit/(loss) and each component of OCI are attributed to the equity holders of the holding company and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance. The Group attributes total comprehensive income or loss of the subsidiary between the owners of the holding company and the non-controlling interests, if any, based on their respective ownership interests.

The Group treats transactions with non-controlling interests that do not result in a loss of control as transactions with equity owners of the Group. Such a change in ownership interest results in an adjustment between the carrying amounts of the controlling and non-controlling interests to reflect their relative interests in the subsidiary. Any difference between the amount of the adjustment to non-controlling interests and any consideration paid or received is recognised within equity.

Investment in associate has been accounted under the Equity Method as per Ind AS 28- Investment in Associates.

3. Material accounting policies

A summary of the material accounting policies applied in the preparation of the Consolidated Financial Statements are as given below. These accounting policies have been applied consistently to all periods presented in the Consolidated Financial Statements.

a. **Revenue recognition**

Revenue arises mainly from the sale of manufactured goods and revenue from SEZ operations. To determine whether to recognise revenue, the Group follows a 5-step process:

1. Identifying the contract with a customer
2. Identifying the performance obligations
3. Determining the transaction price
4. Allocating the transaction price to the performance obligations
5. Recognising revenue when/as performance obligation(s) are satisfied.

Notes to the Consolidated Financial Statements for the year ended 31st March, 2025 Summary of material accounting policies and other explanatory information

Revenue from contracts with customers is recognized on transfer of control of promised good or services to a customer at an amount that reflects the consideration to which the Company is expected to be entitled to in exchange for those goods or services.

Revenue towards satisfactions of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Group as part of the contract. This variable consideration is estimated based on the expected value of outflow. Revenue (net of variable consideration) is recognized only to the extent that it is highly probable that the amount will not be subject to significant reversal when uncertainty relating to its recognition is resolved. The following specific recognition criteria must also be met before revenue is recognised:

Sale of goods or products

Revenue from sale of goods is recognised when the control of goods is transferred to the buyer as per the terms of the contract, in an amount that reflects the consideration the Group expects to be entitled to in exchange for those goods. Control of goods refers to the ability to direct the use of and obtain substantially all of the remaining benefits from goods.

Rendering of services

Revenue from services is recognised as and when the services are rendered and on the basis of contractual terms with the parties.

Interest

Interest income is recognised on time proportion basis taking into account the amount outstanding and rate applicable. For all financial assets measured at amortised cost, interest income is recorded using the effective interest rate (EIR) i.e. the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial assets. The future cash flows include all other transaction costs paid or received, premiums or discounts if any, etc.

Dividend

Dividend are recognised in statement of profit and loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Group, and the amount of the dividend can be measured reliably.

Rental Income

Rental income is recognized on a straight-line basis over the terms of the lease, except for contingent rental income which is recognized when it arises and where scheduled increase in rent compensates the lessor for expected inflationary costs.

Unbilled receivables

Unbilled receivables represent:

- Balance on account of straight lining of rental income over the rent-free period.

b. Inventories

Inventories of finished goods, work in progress, raw material, stores, spares and components (including tools & equipments) are valued at lower of cost and net realisable value. Cost of inventory has been arrived at by using the weighted average cost formula. Cost of inventory comprises all costs of purchase, duties, taxes (other than those subsequently recoverable from tax authorities) & all other costs incurred to bring the inventories to their present condition and location. Tools and instruments are valued at cost less depletion in value. Stock of scrap is valued at estimated realizable value. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

**Notes to the Consolidated Financial Statements for the year ended 31st March, 2025**
Summary of material accounting policies and other explanatory information**c. Income taxes**

Tax expense recognised in the statement of profit and loss comprises the sum of deferred tax and current tax not recognised in Other Comprehensive Income (OCI) or directly in equity.

Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-Tax Act, 1961. Current tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit and loss (i.e. in OCI or equity depending upon the treatment of underlying item).

Deferred tax liabilities are generally recognised in full for all taxable temporary differences. Deferred tax assets are recognised to the extent that it is probable that the underlying tax loss, unused tax credits or deductible temporary difference will be utilised against future taxable income. This is assessed based on the Group's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss or credit. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognised outside the statement of profit and loss is recognised outside statement of profit and loss (i.e. in OCI or equity depending upon the treatment of underlying item).

Current & deferred tax assets and liabilities are offset when there is legally enforceable right to offset current and deferred tax assets and liabilities and when the company intends to settle its current and deferred tax assets & liabilities on net basis.

Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the respective Group company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Group company will pay normal income tax during the specified period.

d. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and cash on hand and short-term deposits with original maturities of three months or less, that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

e. Foreign currency transactions

The financial statements are presented in Indian Rupee ('INR' or 'Rs.') which is also the functional currency of the Group.

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in statement of profit and loss.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statement of profit and loss, within finance costs. All other foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other income/expenses, as the case may be.

f. Financial instruments*Initial recognition and measurement*

Financial assets and financial liabilities are recognized when the Group becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs,

Notes to the Consolidated Financial Statements for the year ended 31st March, 2025
Summary of material accounting policies and other explanatory information

except for those carried at fair value through profit and loss which are measured initially at fair value. Subsequent measurement of financial assets and financial liabilities is described below:

Non-derivative financial assets*Subsequent measurement*

- i. **Financial assets carried at amortised cost** – a financial asset is measured at the amortised cost, if both the following conditions are met:
 - The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
 - Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.
- ii. **Fair value through OCI**– A financial assets measured at FVOCI if both of the following conditions are met:
 - The Group's business model objectives for managing the financial assets is achieved both by collecting contractual cash flows and selling the financial assets, and
 - The contractual terms of the financial assets given raise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- iii. **Fair value through profit and loss** – Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit and loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit and loss and is not part of a hedging relationship is recognised in profit and loss and presented net in the statement of profit and loss within other gains/ (losses) in the period in which it arises. Interest income from these financial assets is included in other income.

Further, the Group, through an irrevocable election at initial recognition, has measured certain investments in equity instruments at FVOCI/ FVTPL. The Group has made such election on an instrument by instrument basis. These equity instruments are neither held for trading nor are contingent consideration recognized under a business combination. Pursuant to such irrevocable election, subsequent changes in the fair value of such equity instruments are recognized in OCI. However, the Group recognizes dividend income from such instruments in the Consolidated Statement of Profit and Loss.

Impairment of financial assets

In accordance with Ind AS 109, the Group applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets. ECL is the weighted-average of difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the Group expects to receive, discounted at the original effective interest rate, with the respective risks of default occurring as the weights. When estimating the cash flows, the Group is required to consider:

- All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets.
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

Trade receivables: In respect of trade receivables, the Group applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

Other financial assets: In respect of its other financial assets, the Group assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased

Notes to the Consolidated Financial Statements for the year ended 31st March, 2025 Summary of material accounting policies and other explanatory information

significantly since initial recognition, the Group measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

When making this assessment, the Group uses the change in the risk of a default occurring over the expected life of the financial asset. To make that assessment, the Group compares the risk of a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition. The Group assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date.

De-recognition of financial assets

A financial asset is primarily de-recognised when the contractual rights to receive cash flows from the asset have expired or the Group has transferred its rights to receive cash flows from the asset.

Non-derivative financial liabilities

Subsequent measurement

Subsequent to initial recognition, all non-derivative financial liabilities are measured at amortised cost using the effective interest method.

De-recognition of financial liabilities

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

g. Fair value of financial instruments

In determining the fair value of its financial instruments, the Group uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis, available quoted market prices and dealer quotes. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized. For financial assets and liabilities maturing within one year from the Balance Sheet date and which are not carried at fair value, the carrying amounts approximate fair value due to the short maturity of these instruments.

h. Property, plant and equipment ('PPE')

Recognition and initial measurement

Property, plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, taxes (non-recoverable) borrowing cost if capitalisation criteria are met and other expenses, directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and definition of asset is met. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred.

In case an item of property, plant and equipment is acquired on deferred payment basis, interest expenses included in deferred payment is recognised as interest expense and not included in cost of asset.

Notes to the Consolidated Financial Statements for the year ended 31st March, 2025
Summary of material accounting policies and other explanatory information*Subsequent measurement (depreciation and useful lives)*

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation on property, plant and equipment is provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

De-recognition

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

i. Investment properties*Recognition and initial measurement*

Investment properties are properties held to earn rentals or for capital appreciation, or both. Investment properties are measured initially at their cost of acquisition. The cost comprises purchase price, borrowing cost, if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group. All other repair and maintenance costs are recognized in statement of profit and loss as incurred.

Subsequent measurement (depreciation and useful lives)

Investment properties are subsequently measured at cost less accumulated depreciation and impairment losses. Depreciation on investment properties is provided on the straight-line method, computed on the basis of useful lives (as set-out below) prescribed in Schedule II to the Companies Act, 2013:

Assets category	Useful life (in years)
Buildings and related equipments	60

The residual values, useful lives and method of depreciation are reviewed at the end of each financial year.

De-recognition of Investment properties

Investment properties are de-recognized either when they have been disposed off or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognized in the statement of profit and loss in the period of de-recognition.

j. Intangible assets*Recognition and initial measurement*

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any.

Subsequent measurement (amortised and useful lives)

Amortisation of intangible assets has been provided on the straight-line method on useful life of 6 years. The estimated useful life of the intangible assets and the amortization period are reviewed at the end of each financial year and the amortization period is revised to reflect the changed pattern, if any.

De-recognition

An item of intangible assets and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

Notes to the Consolidated Financial Statements for the year ended 31st March, 2025 Summary of material accounting policies and other explanatory information

k. Capital work-in progress

Cost of material consumed and erection charges thereon along with other direct cost incurred by the Group for the projects are shown as capital work-in-progress until capitalisation. Claims for price variation / exchange rate variation in case of contracts are accounted for on acceptance / receipt of claim.

l. Impairment of non-financial assets

At each reporting date, the Group assesses whether there is any indication based on internal/external factors, that an asset may be impaired. If any such indication exists, the Group estimates the recoverable amount of the asset. The recoverable amount is higher of an asset's fair value less costs of disposal and value in use. For this purpose, assets are Grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or Group of assets (cash generating units). If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount and the reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If at the balance sheet date, there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost and the same is accordingly reversed in the statement of profit and loss.

m. Borrowing costs

Borrowing costs directly attributable to the acquisitions, construction or production of a qualifying asset are capitalised during the period of time that is necessary to complete and prepare the asset for its intended use or sale. Other borrowing costs are expensed in the period in which they are incurred and reported in finance costs.

A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. Capitalisation of borrowing costs is suspended in the period during which the active development is delayed due to, other than temporary, interruption.

n. Provisions, contingent liabilities and contingent assets

Provisions are recognised when present obligations as a result of a past event will probably lead to an outflow of economic resources and amounts can be estimated reliably. Timing or amount of the outflow may still be uncertain. A present obligation arises when there is a presence of a legal or constructive commitment that has resulted from past events, for example, legal disputes or onerous contracts. Provisions are not recognised for future operating losses.

Provisions are measured at the estimated expenditure required to settle the present obligation, based on the most reliable evidence available at the reporting date, including the risks and uncertainties associated with the present obligation. Provisions are discounted to their present values, where the time value of money is material.

Any reimbursement that the Group can be virtually certain to collect from a third party with respect to the obligation is recognised as a separate asset. However, this asset may not exceed the amount of the related provision.

All provisions are reviewed at each reporting date and adjusted to reflect the current best estimate.

In those cases where the outflow of economic resources as a result of present obligations is considered improbable or remote, no liability is recognised.

Contingent liability is disclosed for:

- § Possible obligations which will be confirmed only by future events not wholly within the control of the Group or
- § Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Notes to the Consolidated Financial Statements for the year ended 31st March, 2025
Summary of material accounting policies and other explanatory information

Contingent assets are not recognised. However, when inflow of economic benefits is probable, related asset is disclosed.

o. Employee benefits

Expenses and liabilities in respect of employee benefits are recorded in accordance with Indian Accounting Standard 19- Employee Benefits. Employee benefits include provident fund, employee state insurance, gratuity, compensated absences etc. The Group's contribution to provident fund and employee state insurance are considered as defined contribution plans and gratuity and compensated absences are considered defined benefit plans.

Defined benefit plans*Gratuity*

The Group operates one defined benefit plan for its employees, viz. gratuity. The cost of providing benefits under this plan is determined on the basis of actuarial valuation at each year-end using the projected unit credit method and is recognized in the financial statements. Actuarial gain and loss for the defined benefit plan is recognized in full in the period in which they occur in other comprehensive income.

Other long-term benefits

Compensated absences or accumulated leave expected to be carried forward beyond twelve months, is treated as long term employee benefit. Such long term compensated absences are provided for based on the actuarial valuation using the projected unit credit method and is recognized in the financial statements. Accumulated leave, which is expected to be utilised within the next 12 months, is treated as short term employee benefit.

Liability under continuity linked key resource and deferred salary schemes is provided for on actuarial valuation basis, which is done as per the projected unit credit method at the end of each financial period.

Defined contribution plans**Provident Fund**

The Group makes contribution to statutory provident fund in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952. The plan is a defined contribution plan and contribution paid or payable is recognised as an expense in the period in which services are rendered by the employee.

Short-term employee benefits

Expense in respect of other short-term benefits is recognised on the basis of the amount paid or payable for the period during which services are rendered by the employee.

p. Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events including a bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

q. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting done to the chief operating decision maker. The chief operating decision maker is responsible for allocating resources and assessing performance of the operating segments of the Group.

r. Leases

The Group assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Notes to the Consolidated Financial Statements for the year ended 31st March, 2025 Summary of material accounting policies and other explanatory information

Company as a lessee

The Group applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

a) Right-of-use assets

The Group recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

b) Lease liabilities

At the commencement date of the lease, the Group recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Group and payments of penalties for terminating the lease, if the lease term reflects the Group exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Group uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments or a change in the assessment of an option to purchase the underlying asset.

c) Short-term leases and leases of low-value assets

The Group applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

The Company as a lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases. When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the ROU asset arising from the head lease. For operating leases, rental income is recognized on a straight-line basis over the term of the relevant lease.

4. Material accounting judgments, estimates and assumptions.

When preparing the consolidated financial statements, management undertakes a number of judgments, estimates and assumptions about recognition and measurement of assets, liabilities, income and expenses.

The actual results are likely to differ from the judgments, estimates and assumptions made by management, and will seldom equal the estimated results.

Notes to the Consolidated Financial Statements for the year ended 31st March, 2025 Summary of material accounting policies and other explanatory information

Information about significant judgments, estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities, income and expenses are discussed below:

Significant judgments:

(i) Evaluation of indicators for impairment of non-financial assets

The evaluation of applicability of indicators of impairment of non-financial assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

(ii) Recognition of deferred tax assets

The extent to which deferred tax assets can be recognised is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilised. The recognition of deferred tax assets and reversal thereof is also dependent upon management decision relating to timing of availment of tax holiday benefits available under the Income Tax Act, 1961 which in turn is based on estimates of future taxable profits.

Sources of estimation uncertainty:

(i) Provisions

At each balance sheet date, basis the management judgment, changes in facts and legal aspects, the Group assesses the requirement of provisions against the outstanding warranties and guarantees. However, the actual future outcome may be different from management's estimates.

(ii) Fair valuation of financial instruments

Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.

IST LIMITED

Notes to the Consolidated Financial Statements as at 31st March, 2025

(All amounts in rupees lakhs unless otherwise stated)

(i) Amount recognised in profit and loss for investment properties

Particulars	31 March, 2025	31 March, 2024
Rental income	850.16	1,037.75
Less: Direct operating expenses that generated rental income	9.55	28.65
Less: Direct operating expenses that did not generate rental income	3.03	3.07
Profit from leasing of investment properties	837.58	1,006.03
Less: Depreciation for the year	157.80	157.75
Profit after depreciation	679.78	848.28

(ii) Fair value of investment properties

Particulars	31 March, 2025	31 March, 2024
Fair Value	28,268.13	23,596.18

Fair value hierarchy and valuation technique

The Group has obtained valuations from a registered valuer as defined under rule 2 of companies (Registered valuer and valuation) Rules, 2017, for its investment properties at least annually. The best evidence of fair value is current prices in an active market for similar properties. Where such information is not available, the valuer considers information from a variety of sources including current prices in an active market for investment properties of different nature or recent price of similar investment properties in less active market, adjusted to reflect those differences.

All resulting fair value estimates for investment properties are included in level 3.

(iii) Leasing arrangements

The aforementioned investment property is leased under long term operating lease agreements with rentals payable monthly. Minimum payments expected to be received under non-cancellable subleases at the balance sheet date is as under:

Particulars	31 March, 2025	31 March, 2024
Not later than one year	9,547.00	9,527.04
Later than one year but not later than five years	40,638.49	41,115.94
Later than five years	1,534.30	779.43

Notes to the Consolidated Financial Statements as at 31st March, 2025

(All amounts in rupees lakhs unless otherwise stated)

	As at 31 March 2025	As at 31 March 2024
22 Other equity		
Reserves and Surplus		
General reserve		
Opening balance	11,080.04	11,080.04
Movement during the year	—	—
Closing balance	<u>11,080.04</u>	<u>11,080.04</u>
The general reserve is created from, time to time by way of transfer of profits from retained earnings. As general reserve is created by transfer from one component of equity to another and is not an item of other comprehensive income, items included in general reserve will not be reclassified subsequently to the profit and loss.		
Securities premium		
Opening balance	60.59	60.59
Movement during the year	—	—
Closing balance	<u>60.59</u>	<u>60.59</u>
Securities premium reserve represents premium received on issue of shares. It can be utilised in accordance with the provisions of the Companies Act, 2013.		
Retained Earnings		
Opening balance	1,10,529.36	97,555.76
Add: profit for the year	13,992.71	12,602.08
Add: Items of other comprehensive income/(loss)		
Remeasurement income/ (loss) on defined benefit plans (net of tax)	(3.75)	1.57
Share of other comprehensive income of associate accounted for using the equity method	89.81	369.95
Closing balance	<u>1,24,608.13</u>	<u>1,10,529.36</u>
Retained earnings are the accumulated profits earned by the group till date, less any transfers to general reserve, dividends or other distributions paid to shareholders.		
Reserve for equity instruments through other comprehensive income		
Opening balance	8,986.48	1,661.92
Add: Change in FVOCI equity instruments	2,343.75	8,290.20
Add/Less: tax impact on above	(341.25)	(965.64)
Closing balance	<u>10,988.98</u>	<u>8,986.48</u>
Total other equity	<u>1,46,737.74</u>	<u>1,30,656.47</u>

The subsidiary company of the group has elected to recognise change in fair value of equity investments in other comprehensive income. These changes are accumulated within the "Reserve for equity instruments through other comprehensive income". The amounts from this reserve is transferred to retained earning when the relevant equity investments are derecognized.

- (ii) The Group has two reportable segments as per the requirements of Ind AS 108 – "Operating Segments". One is manufacturing segment and other is SEZ segment. Majority of revenue from external customers of Rs. 1,949.37 lakhs (31 March 2024 : Rs. 1,620.46 lakhs) of manufacturing segment is derived from two external customers and Rs. 6,389.85 lakhs (31 March 2024: Rs. 6,558.27 lakhs) of SEZ segment is derived from five external customers.

Notes to the Consolidated Financial Statements as at 31st March, 2025

(All amounts in rupees lakhs unless otherwise stated)

47 Lease related disclosures

(i) In case of assets given on lease (refer note no. 8)

(ii) In case of assets taken on lease

The Group has taken factory building, guest house, office space and office building on lease. With the exception of short-term leases and leases of low-value underlying assets, each lease is reflected on the balance sheet as a right-of-use asset and a lease liability as a borrowings. Variable lease payments which do not depend on an index or a rate are excluded from the initial measurement of the lease liability and right of use assets.

Each lease generally imposes a restriction that, unless there is a contractual right for the Group to sublease the asset to another party, the right-of-use asset can only be used by the Group. Some leases contain an option to extend the lease for a further term. The Group is prohibited from selling or pledging the underlying leased assets as security. For leases over office buildings and other premises the Group must keep those properties in a good state of repair and return the properties in their original condition at the end of the lease. The disclosures related to leases are as under:-

A Total cash outflow for leases are as follows:-

Particulars	For the year ended 31 March 2025	For the year ended 31 March 2024
Payment of principal portion of lease liabilities	147.18	152.54
Interest paid on lease liabilities	55.62	46.66
Net cash outflow in financing activities	202.80	199.20

B Amount recognised in the statement of profit and loss:

Particulars	For the year ended 31 March 2025	For the year ended 31 March 2024
Interest on lease liabilities	55.62	46.66
Depreciation recognised	157.30	158.68
Total expenses related to leases	212.92	205.34

C The Group has Nil commitment for short-term leases as at 31 March 2025 (31 March, 2024 Nil).

D Maturity of lease liabilities

The details regarding the contractual maturities of lease liabilities are as follows:

Particulars	As at 31 March 2025	As at 31 March 2024
Less than one year	168.31	103.60
One to five years	427.89	377.07
More than five years	—	—
Total	596.20	480.67

E Variable lease payments are expensed in the period they are incurred. Expected future cash outflow as at 31 March 2025 Nil (31 March 2024 Nil)

48 Fair value disclosures

(i) Fair values hierarchy

Financial assets and financial liabilities measured at fair value in the statement of financial position are classified into three Levels of a fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: Quoted prices (unadjusted) in active markets for financial instruments.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data rely as little as possible on entity specific estimates.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

(ii) Financial assets measured at fair value - recurring fair value measurements

Financial Assets:	31 March 2025	31 March 2024	Level	Valuation techniques and key inputs
Investment in equity instruments (Quoted) (measured at FVTPL)	6,424.46	3,687.62	Level 1	Fair value of equity instruments have been determined using the quoted market price & NAV from active market.
Investment in equity instruments (Quoted) (measured at FVOCI)	20,962.18	18,191.23	Level 1	Fair value of equity instruments have been determined using the quoted market price & NAV from active market.
Investment in mutual funds (measured at FVTPL)	37,973.86	29,643.76	Level 1	Net asset value (NAV) obtained from an active market.
Investment in trust securities (Quoted) (measured at FVTPL)	9,555.60	10,261.50	Level 1	Fair value of trust securities/Invit have been determined using the quoted market price.
Investment in government securities/ debentures/ bonds (Quoted) (measured at amortised cost)	5,307.20	6,955.21	Level 1	Fair value of quoted government securities, debentures and bonds have been determined using the market observable inputs such as using the implicit interest on respect securities.
Investment in government securities/ debentures/ bonds/others (Unquoted) (measured at amortised cost)	20,008.63	19,328.44	Level 2	Fair value of unquoted government securities, debentures and bonds have been determined using the market observable inputs such as using the implicit interest on respect securities.
Investment in equity instruments (Unquoted) (measured at FVOCI)	9,130.39	6,904.54	Level 2	Fair value of unquoted equity instruments have been determined using the market observable inputs.
Investment in preference shares (measured at FVTPL)	1,712.62	2,163.76	Level 3	Fair value of non-cumulative, non -convertible redeemable preference share have been determined using, discounted cash flow analysis. This method involves the projection of a series of cash flow from the project. To this projected cash flow series, a market- derived discounted rate is applied to establish the present value of the income stream associated with the project.
Total	1,11,074.94	97,136.05

Notes to the Consolidated Financial Statements as at 31st March, 2025

(All amounts in rupees lakhs unless otherwise stated)

(iii) The following table summarises the quantitative information about the significant unobservable inputs used in level 3 fair value measurements and sensitivity analysis if a change to such inputs was made keeping other variables constant:

Particulars	Discount rate	31 March 2025	31 March 2024
Investment in preference shares			
IST Steel and Power Ltd.	Increase by 0.50%	(17.49)	(28.04)
	Decrease by 0.50%	18.10	29.09
Subham Infra developers Pvt. Ltd.	Increase by 0.50%	(26.18)	(29.56)
	Decrease by 0.50%	27.19	30.75

(iv) The following table presents the changes in level 3 items for the year ended 31 March, 2025 and 31 March, 2024:

Particulars	Preference shares
As at 1 April, 2023	2,732.80
Acquisition/ (Redemption)	(582.14)
Gain/(loss) recognized in statement of profit and loss	13.10
As at 31 March, 2024	2,163.76
Acquisition/ (Redemption)	(440.00)
Gain/(loss) recognized in statement of profit and loss	(11.14)
As at 31 March, 2025	1,712.62

(v) Categories of financial instruments

Particulars	As at 31 March 2025		As at 31 March 2024	
	Carrying value	Fair value	Carrying value	Fair value
Financial assets				
Investments	1,11,074.94	1,10,911.90	97,136.05	97,424.15
Trade receivables	1,977.04	1,977.04	2,068.25	2,068.25
Loans	7,304.62	7,304.62	7,250.66	7,250.66
Other financial assets	117.63	117.63	219.03	219.03
Cash and cash equivalents	769.95	769.95	644.69	644.69
Total financial assets	1,21,244.18	1,21,081.14	1,07,318.68	1,07,606.78
Borrowings	0.07	0.07	—	—
Trade payables	72.40	72.40	96.49	96.49
Lease liabilities	596.20	596.20	480.68	480.68
Other financial liabilities	3,733.15	3,733.15	3,377.36	3,377.36
Total financial liabilities	4,401.82	4,401.82	3,954.53	3,954.53

The management assessed that cash and cash equivalents, trade receivables, other receivables, trade payables and other current financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments. Other non-current financial assets and non-current borrowings bear a market interest rate and hence their carrying amounts are also considered a reasonable approximation of their fair values.

Notes to the Consolidated Financial Statements as at 31st March, 2025

ii) Risk Management

The Group's activities expose it to market risk, liquidity risk and credit risk. Board of directors of respective entities has overall responsibility for the establishment and oversight of risk management framework. This note explains the sources of risk which the group is exposed to and how the group manages the risk and the related impact in the financial statements.

A) Credit risk

Credit risk is the risk that a counterparty fails to discharge an obligation to the group. The group is exposed to this risk for various financial instruments, for example by granting loans and receivables to customers, placing deposits, etc. The group's maximum exposure to credit risk is limited to the carrying amount of following types of financial assets.

- cash and cash equivalents,
- trade receivables,
- loans & receivables carried at amortized cost, and
- deposits with banks

a) Credit risk management

The Group assesses and manages credit risk based on internal credit rating system, continuously monitoring defaults of customers and other counterparties, identified either individually or by the group, and incorporates this information into its credit risk controls. Internal credit rating is performed for each class of financial instruments with different characteristics. The Group assigns the following credit ratings to each class of financial assets based on the assumptions, inputs and factors specific to the class of financial assets.

A: Low

B: Medium

C: High

Assets under credit risk –

Credit rating	Particulars	As at 31 March 2025	As at 31 March 2024
A: Low	Loans	7,304.62	7,250.66
	Investments	1,11,074.95	97,136.06
	Trade receivables	1,977.04	2,068.25
	Other financial assets	117.63	219.03
	Cash and cash equivalents	769.95	644.69

IST LIMITED

Notes to the Consolidated Financial Statements as at 31st March, 2025

(All amounts in rupees lakhs unless otherwise stated)

Trade receivables

The Company provides loss allowance on trade receivables using life time expected credit loss and as per simplified approach.

Summary of loss allowance measured using simplified approach

Particulars	Loss allowance on trade receivable measured using simplified approach	Loss allowance on advance for capital goods measured at 12 months expected losses	Loss allowance on Loan measured at 12 months expected losses	Loss allowance on other advance measured at 12 months expected losses
Loss allowance on April 1, 2023	30.59	200.00	363.98	200.00
Add (Less): Changes in loss allowances	19.94	—	—	—
Loss allowance on March 31, 2024	50.53	200.00	363.98	200.00
Add (Less): Changes in loss allowances	—	—	—	—
Loss allowance on March 31, 2025	50.53	200.00	363.98	200.00

Other financial assets measured at amortized cost

Other financial assets measured at amortized cost includes advances to employees and security deposits. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system in place ensure the amounts are within defined limits.

Cash & cash equivalents and bank deposits

Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits and accounts in different banks.

B) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Group maintains flexibility in funding by maintaining availability under committed facilities. Management monitors rolling forecasts of the Group's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Group takes into account the liquidity of the market in which the group operates. In addition, the Group's liquidity management policy involves projecting cash flows and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

Maturities of financial liabilities

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

As at 31 March 2025	Less than 1 year	1-5 year	More than 5 years	Total
Borrowings	0.07	—	—	0.07
Trade payables	72.40	—	—	72.40
Other financial liabilities (Security Deposits)	545.36	877.52	3,411.22	4,834.10
Lease liabilities	168.30	427.89	—	596.19
Other financial liabilities	858.56	148.94	—	1,007.50
Total	1,644.69	1,454.35	3,411.22	6,510.26

Notes to the Consolidated Financial Statements as at 31st March, 2025

(All amounts in rupees lakhs unless otherwise stated)

As at 31 March 2024	Less than 1 year	1-5 year	More than 5 years	Total
Borrowings	—	—	—	—
Trade payables	95.47	1.02	—	96.49
Other financial liabilities (Security Deposits)	456.94	1,325.72	3,805.02	5,587.68
Lease liabilities	103.60	377.07	—	480.67
Other financial liabilities	238.29	147.81	—	386.10
Total	894.30	1,851.62	3,805.02	6,550.94

C) Market risk

Price risk

Exposure

The Group's exposure to price risk arises from investments held and classified as FVTPL and FVOCI. To manage the price risk arising from investments in mutual funds and equity investment, the Group diversifies its portfolio of assets.

Sensitivity

Below is the sensitivity of profit or loss and equity to changes in fair value of investments, assuming no change in other variables:

Particulars	Impact on Profit & Loss		Impact on other comprehensive of equity	
	31 March 2025	31 March 2024	31 March 2025	31 March 2024
Price sensitivity				
Price increase by 5%	2,783.33	2,287.84	1,504.63	1,254.79
Price decrease by 5%	(2,783.33)	(2,287.84)	(1,504.63)	(1,254.79)

50 Capital management

The Group's capital management objectives are

- to ensure the Group's ability to continue as a going concern
- to provide an adequate return to shareholders

Management assesses the Group's capital requirements in order to maintain an efficient overall financing structure. This takes into account the subordination levels of the Group's various classes of debt. The Group manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets.

Particulars	31 March, 2025	31 March, 2024
Total debts (includes borrowings and Lease Liabilities (current & Non-Current))	596.27	480.67
Total Shareholders equity	1,47,322.42	1,31,241.15
Total debt to equity ratio %	0.40%	0.37%

55 Employee benefit obligations

The details of employee benefit obligations towards gratuity and compensated absences as on balance sheet date are as under:-

Particulars	As at 31 March 2025		As at 31 March 2024	
	Current	Non-current	Current	Non-current
Gratuity	166.25	81.17	139.90	80.89
Compensated absences	86.51	58.87	64.10	42.28
Total	252.76	140.04	204.00	123.17

A Gratuity

Every employee who has completed five years or more of service gets a gratuity on departure at 15 days salary (last drawn salary) for each completed year of service. The following tables summarize the components of net benefit expense recognized in the consolidated statement of profit and loss and amounts recognized in the consolidated balance sheet for the respective plans.

(i) Amount recognized in the consolidated statement of profit and loss is as under:

Description	For the year ended 31 March 2025	For the year ended 31 March 2024
Current service cost	14.84	12.41
Net interest cost	15.96	14.67
Actuarial loss/(gain) recognized during the year*	4.98	(2.22)
Return on plan assets	—	—
Amount recognized in the consolidated statement of profit and loss	35.78	24.86

*Reconciled in other comprehensive income/(loss)

(ii) Movement in the present value of defined benefit obligation recognized in the consolidated balance sheet is as under:

Description	As at 31 March 2025	As at 31 March 2024
Present value of defined benefit obligation as at the start of the year	220.79	199.07
Current service cost	14.84	12.41
Net interest cost	15.96	14.67
Actuarial loss/(gain) on obligation	4.98	(2.22)
Benefits paid	(9.14)	(3.14)
Present value of defined benefit obligation as at the end of the year	247.43	220.79

(iii) Breakup of actuarial (gain)/loss:

Description	As at 31 March 2025	As at 31 March 2024
Actuarial (gain)/loss from change in financial assumption	1.81	(1.60)
Actuarial (gain)/loss from experience adjustment	3.17	(0.62)
Total actuarial (gain)/loss	4.98	(2.22)

Notes to the Consolidated Financial Statements as at 31st March, 2025

(All amounts in rupees lakhs unless otherwise stated)

(iv) Actuarial assumptions

Description	As at 31 March 2025	As at 31 March 2024
Discount rate	6.79%	7.23%
Future Basic salary increase	6.00%	6.00%
Mortality table	100% of IALM (2012- 14)	100% of IALM (2012- 14)
Attrition at Ages	Withdrawal age (%)	
- Upto 30 years	3.00%	3.00%
- From 31 to 44 years	2.00%	2.00%
- Above 44 years	1.00%	1.00%
Retirement age	58	58

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

(v) Sensitivity analysis for gratuity liability

Description	For the year ended 31 March 2025	For the year ended 31 March 2024
Impact of the change in discount rate		
- Impact due to increase of 0.50 %	(3.55)	(3.08)
- Impact due to decrease of 0.50 %	3.82	3.31
Impact of the change in salary increase		
- Impact due to increase of 0.50 %	2.90	2.48
- Impact due to decrease of 0.50 %	(2.73)	(2.35)

The above sensitivity analysis are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied which was applied while calculating the defined benefit obligation liability recognized in the consolidated balance sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to prior period.

(vi) Maturity profile of defined benefit obligation

Description	As at 31 March 2025	As at 31 March 2024
Within next 12 months	166.25	139.90
Between 1-5 years	28.90	37.90
More than 5 years	52.27	43.00

B Compensated absences

The earned leave liability arises on retirement, withdrawal, resignation and death-in-service of an employee. The actuary has used projected unit cost (PUC) actuarial method to assess the plan's liabilities of employees.

IST LIMITED

(All amounts in rupees lakhs unless otherwise stated)

(i) Amount recognized in the consolidated statement of profit and loss is as under:

Description	Earned leave	
	For the year ended 31 March 2025	For the year ended 31 March 2024
Current service cost	20.86	12.53
Net interest cost	7.71	7.63
Actuarial loss/(gain) recognized during the year	20.51	0.57
Amount recognized in the consolidated statement of profit and loss	49.08	20.73

(ii) Movement in the present value of defined benefit obligation recognised in the balance sheet is as under:

Description	Earned leave	
	As at 31 March 2025	As at 31 March 2024
Present value of defined benefit obligation as at the start of the year	106.38	103.51
Current service cost	20.86	12.53
Net interest cost	7.71	7.63
Actuarial loss/(gain) on obligation	20.51	0.57
Benefits paid	(10.08)	(17.86)
Present value of defined benefit obligation as at the end of the year	145.38	106.38

(iii) Actuarial assumptions

Description	As at 31 March 2025	As at 31 March 2024
Discount rate	6.79%	7.23%
Future Basic salary increase	6.00%	6.00%
Mortality table	100% of IALM (2012- 14)	100% of IALM (2012- 14)
Attrition at Ages	Withdrawal rate (%)	
- Upto 30 years	3.00%	3.00%
- From 31 to 44 years	2.00%	2.00%
- Above 44 years	1.00%	1.00%
Leave		
- Leave Availment Rate	2.00%	2.00%
- Leave Lapse rate while in service	—	—
- Leave Lapse rate on exit	—	—
- Leave encashment Rate while in service	5.00%	5.00%

Notes:

- The discount rate is based on the prevailing market yields of Indian Government securities as at the balance sheet date for the estimated term of obligations.
- The estimates of future salary increases considered takes into account the inflation, seniority, promotion and other relevant factors on long term basis.
