14. SEBI vide its Circular No. SEBI/HO/MIRSD/POD-1/P/CIR/2023/70 ('Circular') dated May 17, 2023 has provided common and simplified norms for processing investor's service request by RTA's and norms for furnishing PAN, KYC and Nomination details. As per the said Circular, it is mandatory for the shareholders holding securities in physical form to *inter-alia* furnish PAN, KYC and Nomination details. Physical folios wherein the PAN, KYC and Nomination details are not available are liable to be frozen by the RTA on or after 1st October, 2023. Holders of such frozen folios shall be eligible to lodge their grievance or avail service request from the RTA only after furnishing the complete documents / details. Similarly, the holders of such frozen folios shall be intimated in case of any payment including dividend, interest or redemption stating that such payment is due and shall be made electronically upon furnishing complete documents / details.

Pursuant to the said Circular, the Company has sent individual letters to all the Members holding shares of the Company in physical form for furnishing their PAN, KYC details (i.e., Postal Address with Pin Code, email address, mobile number, bank account details) and Nomination details through Form ISR-1. The said Form ISR-1 can be downloaded from the website of the RTA at <https://nichetechpl.com/downloads/> and also from <https://easuncapitalmarkets.com/financial/forms>.

15. Members may please note that SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD\_RTAMB/P/CIR/2022/8 dated 25<sup>th</sup> January, 2022 has mandated the Listed Companies to issue securities in demat form only while processing service requests viz., issue of duplicate securities certificate, claim from Unclaimed Suspense Account, renewal/exchange of securities certificate, endorsement, sub-division/splitting of securities certificate, consolidation of securities certificates/folios, transmission and transposition. Accordingly, Members are requested to make service requests by submitting a duly filled and signed Form ISR-4, the format of which is available on the website of the RTA at <https://nichetechpl.com/downloads/> and also at <https://easuncapitalmarkets.com/financial/forms>. Members holding equity shares of the Company in physical form are requested to kindly get their equity shares converted into demat/electronic form since transfer of equity shares/issuance of equity shares in physical form have been disallowed by SEBI.
16. Shareholders holding shares in physical form are requested to notify to the Company's Registrar and Share Transfer Agent [*M/s. Niche Technologies Private Limited, 3A, Auckland Place, 7<sup>th</sup> Floor, Room No. 7A & 7B, Kolkata – 700017*], quoting their folio number, any change in their registered address with PIN CODE/mandate/bank details and in case the shares are held in dematerialized form, this information should be passed on to their respective Depository Participants.

17. As per the provisions of the Companies Act, 2013, the facility for making/varying/cancelling nominations is available to individuals holding shares in the Company. Nominations can be made in Form SH-13 and any variation/cancellation thereof can be made by giving notice in Form SH-14, prescribed under the Companies (Share capital and Debentures) Rules, 2014 for the purpose. The Forms can be obtained from the RTA at <https://nichetechpl.com/downloads/>. The Members holding shares in demat form may contact their respective depository participant(s) for making such nominations.

**18. VOTING THROUGH ELECTRONIC MEANS**

In compliance with provisions of Section 108 of the Companies Act, 2013, Rule 20 of the Companies (Management and Administration) Rules, 2014 as amended by the Companies (Management and Administration) Amendment Rules, 2015 and Regulation 44 of the SEBI (LODR), Regulations, 2015 and the revised Secretarial Standard on General Meeting (SS-2) issued by ICSI read with MCA Circulars the Company is providing members the facility to exercise their right to vote on resolutions proposed to be considered at the AGM by electronic means and the business may be transacted through e-Voting Services. The remote e-voting facility will be provided by Central Depository Services (India) Limited (CDSL), the authorized e-Voting agency.

The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM through VC or OAVM will be provided by CDSL. The members who have not cast their vote by remote e-voting shall be able to exercise their right at the meeting through e-voting system. The members who have cast their vote by remote e-voting prior to the AGM may also attend the AGM but shall not be entitled to cast their vote again.

**STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 AND REGULATION 36 OF THE SECURITIES AND EXCHANGE BOARD OF INDIA (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015**

**Item No. 3 –**

Appointment of M/s. Rajan Singh & Co., Practising Company Secretaries as the Secretarial Auditor of the Company and to fix their Remuneration:

Pursuant to the provisions of Section 204 and other applicable provisions of the Act, if any, read with Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, as amended from time to time, every listed company is required to annex with its Board's Report, a Secretarial Audit Report given by a Company Secretary in Practice. Further, pursuant to the amended provisions of Regulation 24A of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations'), every listed entity shall undertake Secretarial Audit by a Secretarial Auditor who shall be a Peer Reviewed Company Secretary and the appointment of such Secretarial Auditor shall be approved by the Members of the Company at the Annual General Meeting.

In view of the above, after evaluating and considering various factors such as industry experience, competence and efficiency in conduct of audit, independent assessment and in fulfilment of the eligibility criteria and qualification prescribed under the SEBI Listing Regulations and circulars, the Audit Committee and the Board of Directors of the Company at their respective meetings held on July 7, 2025 and August 30, 2025 have approved and recommended to the Members of the Company, the appointment of M/s. Rajan Singh & Co., Practising Company Secretaries, since 2014 (COP Number: 13599), a peer reviewed firm as Secretarial Auditor of the Company for a term of 5 (five) consecutive financial years commencing from Financial Year 2025-26 till financial Year 2029-30 to conduct Secretarial Audit of the Company.

In addition to issuing the Secretarial Audit Report, the Secretarial Auditor shall also issue to the Company (i) the Secretarial Compliance Report pursuant to Regulation 24A(2) of the Listing Regulations, if required and (ii) any other certificates or reports which can be issued by the Secretarial Auditor under applicable laws.

The Company has received the consent & eligibility letter from M/s. Rajan Singh & Co., Practising Company Secretaries for their appointment. They have confirmed that their appointment will be in accordance with Section 204 of Companies Act, 2015 read with SEBI (LODR) Regulations, 2015. They have further confirmed that they did not incur any of the disqualifications as specified under Regulation 24A of the Listing Regulations and that they have no conflict of interest. Further they are eligible for such appointment.

The remuneration proposed to be paid shall be reasonable and commensurate with their audit experience and hence, the same is recommended by the Audit Committee and the Board of Directors for approval of Members of the Company.

Additional fees, if any for statutory certifications and other professional services will be determined separately by the management in consultation with the Secretarial Auditor, and will be subject to approval by the Board of Directors and/ or the Audit Committee. The Board of Directors may alter and vary the terms and conditions of appointment, including remuneration, in such manner and to such extent as may be mutually agreed with the Secretarial Auditor.

None of the Directors, Key Managerial Personnel of the Company and their relatives are, in any way, concerned or interested, financially or otherwise, in the Resolutions set out at Item No. 3 of the Notice.

The Board recommends the Ordinary Resolution set out in the Notice under Item No. 3 for approval by the Members of the Company.

## **MANAGEMENT DISCUSSION & ANALYSIS REPORT (MDAR)**

### **OVERVIEW**

As per RBI's 'Scale Based Regulations' (SBR), implemented to enhance governance, risk management, and operational stability, your Company belongs to Base Layer, and is classified as a Non-Systematically Important Non-Deposit Accepting NBFC. The Company is listed with the Bombay Stock Exchange and the Calcutta Stock Exchange. We invested in mutual funds, perpetual bonds, NCD's, equity shares of quoted and unquoted companies & fixed deposits and also provide loan and advance to other entities. In navigating the complexities of the global market landscape, our commitment remains steadfast in delivering sustainable value and preserving shareholder interests. Our investment strategies emphasize diversification with a balanced approach to capitalize on emerging trends while safeguarding against potential risks. The management views on various factors and the Company's comparative position is discussed in this report.

### **INDUSTRY STRUCTURE AND DEVELOPMENTS**

The global economy demonstrated flexibility through 2024-25, despite moderating activity, policy uncertainty and geopolitical tensions. The International Monetary Fund (IMF) projected global GDP growth at steady but moderate expansion. In emerging market and developing economies, growth is expected to slow down to 3.7% in 2025 and 3.9% in 2026. Global headline inflation is expected to decline, reaching 4.3% in 2025 and 3.6% in 2026, with notable upward revisions for advanced economies and slight downward revisions for developing economies in 2025.

Overall economic growth remained steady during the year, large economies showing resilience, high interest rate and other contingencies. Further strict financial measures have also impacted the global business development and industrial production in this financial year. Global trade is expected to be heavily effected by new US tariffs and countermeasures from trading partners, which may negatively impact economic growth projections. The global landscape is expected to change as countries are bound to re-align their priorities and policies in response to these new developments.

As per IMF, global financial conditions remain largely accommodative, again with some differentiation across jurisdictions. Equities in advanced economies have rallied on expectations of more business-friendly policies in the United States. In emerging market and developing economies, equity valuations have been more subdued, and a broad-based strengthening of the US dollar, driven primarily by expectations of new tariffs and higher interest rates in the United States, has kept financial conditions tighter. The swift escalation of trade tensions and extremely high levels of policy uncertainty are expected to have a significant impact on global economic activity. Global growth is projected to drop significantly to 2.8% in 2025 and 3% in 2026.

### **INDIAN ECONOMIC SCENARIO**

India remained one of the fastest-growing major economy. The IMF expects India to become a \$5 trillion economy by FY28 and reach \$6.3 trillion by FY30. In the face of persistent global uncertainties and escalating geopolitical tensions, Indian economy continued to demonstrate flexibility and dynamism. According to the Reserve Bank of India's March 2025 bulletin, India's macroeconomic fundamentals remain strong, buoyed by domestic demand, policy stability, and structural reforms. The Reserve Bank of India (RBI) projected real GDP growth at 6.5% for FY26, mirroring FY25 levels, supported by robust investments, and increasing propensity to spend.

India's financial services sector started FY2024-25 on a strong footing, marked by consistent credit growth, improved asset quality, rapid digital adoption, and proactive regulatory oversight. The sector remains a core to India's broader economic objectives, including inclusive growth, capital market deepening, and enhanced financial access. Institutional resilience, public-private digital infrastructure, and strong consumer demand pushed the momentum. During the first half of FY25, NBFC sector credit growth moderated to 16% year-on-year, compared to 18.5% in FY24, following the Reserve Bank of India's (RBI) decision to raise risk weights on certain categories of unsecured consumer credit.

In India, GDP growth is projected to be at 6.5% in 2025-26. In the monetary policy of April 2025 - RBI did a Repo Rate cut of 25 bps to 6%, changing its stance to 'accommodative', reflecting a comfortable inflation outlook. This provides confidence to the stakeholders on the economic and credit growth. The recent amendment of GST will definitely affect positively to the finance sector with realigned business matrix.

- ☐ The outlook for the Indian economy remains bright, underpinned by strengthening macroeconomic fundamentals, robust financial and corporate sectors, and a resilient external sector.
- ☐ The government's continued thrust on capex and fiscal consolidation, along with consumer and business optimism, bode well for investment and consumption demand.
- ☐ The prospects for agriculture and rural activity appear favorable, with the expected above-normal southwest monsoon and government initiatives to support the agriculture sector.
- ☐ Emerging sectors like renewable energy and semi-conductors are expected to advance rapidly, supported by government initiatives and budget allocations.
- ☐ The service sector showing increasing potential to become a global hub.

A refined corporate governance framework forms the foundation for consistent business performance. By nurturing transparency, accountability, and ethical practices, such governance structures instil confidence helping attract affordable capital. This influx of capital fuels growth, enabling the organization to invest in innovation and expansion thereby enhancing its competitiveness in the market. As a result, a robust ecosystem emerges characterised by the symbiotic relationship between the organisation and its stakeholders. Thus, better governance not only drives consistent performance but cultivates growth and prosperity over the long term. India is an example of the same.

Non-Banking Finance Companies (NBFCs) are an integral part of the country's financial system, catering to a large market of niche customers, and have emerged as one of the major patron to the retail and SME credit in India. It is a heterogeneous group of institutions performing financial intermediation in a variety of ways, such as accepting deposits, making loans and advances, providing leasing/hire purchase services, among others. NBFCs serve an important role in developing countries, such as India, where access to bank finance continues to be a challenge for a large chunk of the population and businesses. Nonbanking financial institutions, including NBFCs in India, serve market segments to which commercial banks do not offer services because of higher risk and lower returns. Because of their inherent characteristics, NBFCs are an indispensable part of an economy's financial sector. Your company is proud to mark its contribution in the field.

### **Your company's position**

Your Company remains embedded to its core values and conventional investing and financing. Risk minimisation and wealth creation is the focus of the management. The activities are primarily focused on investing and acquiring shares, stocks, debentures, and/or other securities issued by any Government, incorporated bodies or authority, which have the potential of remunerative returns and wealth prospect.

As a trusted and customer-centric, one-stop financial services provider, the Company caters to the diverse needs of corporate customers, across various areas of business. Providing financial assistance and accommodation to other group entities is the recurring source of income for the company. We prefer risk minimisation rather than aggressive outlay.

### **OPPORTUNITIES AND THREATS**

NBFCs continue to play a vital role in driving financial inclusion and supporting economic growth by offering customised financial services to underserved customer segments. Today's NBFCs face competitiveness through lean operations, rapid digital adoption, the use of artificial intelligence (AI) and data analytics to improve efficiency and risk management.

FY2025-26 will likely see further segmentation within NBFCs: larger, well-capitalised players are aligning more closely with banks under RBI's scale-based regulation, while smaller NBFCs face margin compression and funding constraints. Co-lending models between banks and NBFCs are gaining traction, helping manage risk while extending credit

reach. The regulatory push is toward stronger governance, better provisioning, and systemic stability.

### **Opportunities**

India's financial services sector remains a key engine of economic growth, supported by favourable demographics, rising disposable incomes and a growing culture of savings and investment. Rapid adoption of digital channels — including mobile banking, wallets and UPI — has widened financial inclusion, while government initiatives promoting a cashless economy and other innovation have accelerated this transformation.

### **Expanding MSME Credit Market**

MSMEs contribute nearly 30% of India's GDP, with the government aiming to increase this to 50% by 2030. Despite the sector's importance, a significant credit gap of approximately INR 103 trillion exists, primarily due to the lack of formal documentation and credit history. With only 25 million of 63 million MSMEs accessing formal credit, there is a substantial opportunity for NBFCs to fill this void by offering tailored credit solutions through innovative underwriting models.

### **Co-Lending Framework**

The RBI's co-lending framework allows NBFCs to partner with banks to jointly lend to priority sectors, enabling NBFCs to reach a wider customer base while sharing credit risk. This approach not only improves capital efficiency for NBFCs but also leverages the larger balance sheets of banks to offer more competitive lending rates.

### **Supportive Government Initiatives**

Unlocking the full potential of the sector will require continued investment, greater financial literacy together with agile and transparent regulatory practices. Multiple Government Programs have made credit accessible to the grass root sectors. These programs provide NBFCs a strong base to expand reach and impact.

### **Threats**

#### **Credit Rating and Cost of Capital**

The borrowing costs and access to the debt capital markets depend significantly on the credit ratings of India and the Company. Any downgrade in either could lead to reduced access to capital markets or higher borrowing costs, which may adversely impact the ability of the Company to raise additional financing.

#### **Intensifying Competition**

The lending segment is attracting heightened competition from banks and new-age NBFCs. While the market is large and underpenetrated, maintaining a competitive edge will require continuous investment, updating and customer service excellence.

#### **Macroeconomic and Market Volatility**

Economic slowdowns, rising interest rates, or global uncertainties could dampen investor sentiment. A downturn in the Indian economy could impact loan performance and increase delinquency levels, affecting the profitability and asset quality of NBFCs.

#### **Regulatory and Policy Risks**

NBFCs are subject to evolving regulatory frameworks. Recent changes, such as increased risk weights on bank exposures to NBFCs, have affected borrowing costs. Unexpected regulatory interventions or compliance requirements may also constrain growth strategies or raise operational costs. In addition, global macroeconomic challenges, including inflationary pressures, monetary policy shifts and geopolitical uncertainties, could impact credit demand and investment flows.

#### **Tariff changes**

The Tariff war, wedged by America, is bound to change political alignments and counter-measures. It may adversely affect the spending pattern, resulting in lower cash flow for servicing.

## **Strengths**

### **Strong Client Base**

The Company enjoys a very strong and loyal customer base which has shown un-wavering loyalty time and again. The company has been able to leverage its base to grow its businesses, build relationships and attract and retain talented individuals.

### **Experienced top management**

The promoters, are professionally qualified persons with gamut of experience each in the financial services industry. The top management team comprises qualified and experienced professionals, with a successful track record. The company believes that its management's entrepreneurial spirit, strong technical expertise, leadership skills, insight into the market and customer needs provide it with a competitive strength, which will help to implement its business strategies.

### **Strong risk management**

Risk exposure is monitored and controlled through a robust financial, credit, operational, compliance and legal reporting systems. Risk management department analyses this data in conjunction with the company's risk management policies and takes appropriate action where necessary to minimize risk.

### **Financial prudence**

The Company's operating margins continue to remain stable despite the fluctuations in market volumes and revenues due to ~~our~~ robust business model that can withstand the cyclical fluctuations in business volumes and simultaneously capture the opportunities provided by the structural growth of India.

## **SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE**

The company is primarily engaged in the single business of Financing and Investment.

## **RISKS AND CONCERNS**

The Company is exposed to market risk and credit risk. The Company's senior management oversees the management of these risks and is supported by professionals who advises on risk control and minimisation with appropriate financial risk governance framework for the Company. The Audit Committee and Risk Management Committee oversee risk management policies and procedures. It reviews credit and operational risks and investment strategy and other risks like interest rate risk and liquidity risk. It provides assurance to the Company's senior management that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and mitigated in accordance with the Company's policies and risk objectives. It is the Company's policy that no trading in derivatives for speculative purposes can be undertaken. The Board of Directors reviews and agrees policies for managing each of these risks which are summarized under Note No. 41(C) of the attached Financial Statements.

## **INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY**

Internal Control System are implemented in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting and the Standards on Auditing issued by ICAI to safeguard the Company's assets from loss or damage, to keep a constant check on the cost structure, to prevent revenue leakages, to provide adequate financial and accounting controls and implement accounting standards. **M/s Chaudhuri, Ray & Associates**, Chartered Accountants, have conducted the Internal Audit of the Company. The report thereof is placed before the Audit Committee for evaluation of internal financial controls and risk management systems.

The Management continuously reviews the Internal Control Systems and procedures for the efficient conduct of the Company's business. The Company adheres to the prescribed guidelines with respect to the transactions, financial reporting and ensures that all its assets are safeguarded and protected against losses.

The Compliance Officer of the Company is designated as the Chief Investor Relations Officer ("CIRO") to ensure that fairness and transparency is maintained while dealing with unpublished price sensitive information.

Your Board is of the opinion that the Internal Financial Controls, affecting the Financial Statements of your Company are adequate and are operating effectively.

#### **OUTLOOK OF THE COMPANY**

Dun & Bradstreet India's surveys revealed waning optimism among large and medium enterprises about domestic growth in Q1 2025 vs. Q4 2024, while small firms remained relatively positive. Concerns over high borrowing costs and softening export demand dampened medium firms' capital-expenditure (CapEx) plans, though large firms regained confidence as global inflation eased and potential monetary easing on the horizon. Small enterprises showed modest CapEx optimism but remained wary of financial risks.

India's goal of attaining high-income status by 2047 requires inclusive growth that benefits the entire population. Reforms focused on growth need to be accompanied by the creation of quality jobs that keep up with the influx of new entrants into the labour market. As we look forward, our strategic priorities remain firmly centred around scalable growth, technology-led innovation, prudent risk management, and delivering superior value to all stakeholders. We are committed to deepening our presence in existing segments while selectively exploring new avenues for expansion that align with our long-term vision. Your Directors are optimistic that it shall also translate into a better performance vis-à-vis the year gone by for most of the leading financial services institutions including NBFCs.

#### **MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED**

Business landscape across the world is marked by fast evolving dynamics. These demand agile responses while keeping the long term focus intact. Your Company is led by highly experienced and successful business leaders with proven track record of delivering sustainable growth in demanding business environment. As of March 31, 2025, your Company has complied with requirement of KMP and Directors during the year and other statutes to the extent applicable with a robust team competing on the strength of our people, all of us are bonded together by core values of Pride, Integrity, Discipline and Ambition. We thrive in this climate of 'Right People for Right Culture'. Your Company has consciously built an entrepreneurial and empowering culture of 'Results, Not Reasons'. Our culture emphasises on having a workforce that is diverse, agile, eager to learn and driven to succeed. We have modelled ourselves as a learning organization -by focusing on 'Stretch - Learn and Grow' with Theme Respect for all with parameters like Capacity Building performance management.

#### **SIGNIFICANT CHANGES IN KEY FINANCIAL RATIOS AND FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE**

An analysis of key analytical ratios have been made in Note 43 of the attached Financial Statements including the % of variance of such ratios with respect to ratios of the previous financial year as at March 31, 2025. As outlined, there is no material variance in the Capital to Risk Weighted Assets Ratio (CRAR).

We strive to achieve market leadership in scale and profitability, wherever we compete.

## INDEPENDENT AUDITOR'S REPORT

TO  
THE MEMBERS OF EASUN CAPITAL MARKETS LIMITED  
Report on the audit of the financial statements

### *Opinion*

We have audited the accompanying Financial Statements of **EASUN CAPITAL MARKETS LIMITED** ("the Company"), which comprise the Balance Sheet as at **31st March, 2025**, and the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2025, and its Profit and its Cash Flows for the year ended on that date.

### *Basis for Opinion*

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### *Information Other than the Financial Statement and Auditor's Report Thereon*

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the, Board's Report including Annexures to Board's Report, and Shareholder's Information, but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statement, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

## ***Responsibility of Management and Those Charged with Governance for the Financial Statements***

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance and Cash Flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

## ***Auditor's Responsibility for the Audit of Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on

the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

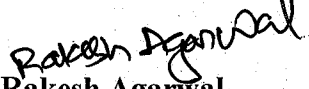

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Companies Act, 2013, we give in the "Annexure – A" a statement on the matters specified in paragraphs 3 & 4 of the Order to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - b) In our opinion, proper books of accounts as required by law have been kept by the Company so far as appears from our examination of those books;
  - c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
  - d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - e) On the basis of the written representations received from the directors as on 31st March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure –B"; and
  - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company does not have any pending litigations as at 31<sup>st</sup> March 2025 which would impact its financial position.
    - ii. The Company does not have any long term contracts including derivative contract for which there were any material foreseeable losses.

- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The company has neither declared nor paid any dividend during the financial year. Hence compliance in accordance with section 123 of the Companies Act, 2013 is not applicable.
- vi. Based on our examination, which included test checks, the Company has used an accounting software for maintaining its books of account for the year ended 31st March 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that no audit trail has been enabled at the application level and database level to log any direct data changes.
- Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with, in respect of accounting software for the period for which the audit trail feature was operating. As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from 1st April 2023, reporting under Rule 11 (g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the year ended 31st March 2025

## **ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

**(Referred to Paragraph (f) of Report on Other Legal and Regulatory Requirements of our Report of even date)**

We have audited the internal financial controls over financial reporting of **EASUN CAPITAL MARKETS LIMITED** ("the Company") as of 31<sup>st</sup> March, 2025 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

## Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

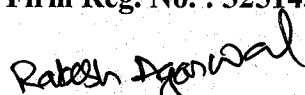

## Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**1. Corporate Information**

Easun Capital Markets Limited (the Company) having CIN No.-L51109WB1982PLC034938 and its registered office 7, Chittaranjan Avenue, 3rd Floor, KOLKATA WB 700072, India is a Public Limited Company incorporated and domiciled in India.

**2.1 Basis of Preparation**

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (the Rules).

All the Ind AS issued and notified by the Ministry of Corporate Affairs under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) till the financial statements are approved for issue by the Board of Directors has been considered in preparing these financial statements.

The financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities which have been measured at fair value as described in accounting policies regarding financial instruments.

**Estimates**

The Company has exercised the option to measure investment in equity instruments, not held for trading at FVTOCI in accordance with Ind AS 109. It has exercised this irrevocable option for its class of unquoted equity shares. The option renders the equity instruments elected to be measured at FVTOCI non reclassifiable to Statement of Profit & Loss.

**2.2. Summary of Significant Accounting Policies**

**Basis of classification of Current and non-current**

Assets and liabilities in the Balance Sheet have been classified as either current or non-current based upon the requirements of Schedule III to the Companies Act, 2013.

An asset has been classified as current if (a) it is expected to be realized in, or is intended for sale or consumption in the Company's normal operating cycle; or (b) it is held primarily for the purpose of being traded; or (c) it is expected to be realized within twelve months after the reporting date; or (d) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date. All other assets have been classified as non-current.

A liability has been classified as current when (a) it is expected to be settled in the Company's normal operating cycle; or (b) it is held primarily for the purpose of being traded; or (c) it is due to be settled within twelve months after the reporting date; or (d) the Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. All other liabilities have been classified as non-current.

An operating cycle is the time between the acquisition of assets for processing and their realization in cash or cash equivalents. The Company has considered its operating cycle to be 12 months.

**EASUN CAPITAL MARKETS LIMITED**  
**NOTES ON FINANCIAL STATEMENTS AS AT 31ST MARCH 2025**

***Fair value measurement***

The Company measures certain financial instruments at fair value at each reporting date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- ▶ In the principal market for the asset or liability, or
- ▶ In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

***Revenue Recognition***

Revenue, if any, from sale of goods will be recognized upon passage of title to the customers which would generally coincide with delivery thereof. Claims, due to uncertainty in realization, are accounted for on acceptance/cash basis. Dividend income on investments is accounted for when the right to receive the payment is established. Interest income, if any, will be recognized on a time proportion basis taking into account the amount outstanding and rate applicable. Profit on sale of investments is recorded on transfer of title from the Company and is determined as the difference between sale price, carrying value of Investment and other incidental expenses. Rental Income is recognised on an accrual basis in accordance with the terms of the relevant agreement.

***Operating Leases***

***Company as Lessee***

Leases where the lessor effectively retains substantially all the risks and benefits of the ownership of the leased assets, are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit & Loss on a straight line basis over the leased term.

***Company as Lessor***

Leases in which the Company does not transfer substantially all the risks and benefits of ownership of the asset are classified as operating leases. Assets subject to operating leases are included in fixed assets. Lease income on an operating lease is recognized in the statement of profit and loss on a straight-line basis over the lease term. Costs, including depreciation, are recognized as an expense in the statement of profit and loss. Initial direct costs such as legal costs, brokerage costs, etc. are recognized immediately in the statement of profit and loss.

***Retirement Benefits and other employee benefits***

Retirement benefit in the form of Gratuity is a defined contribution scheme and the contributions are charged to the Statement of Profit and Loss of the year when an employee renders the related service. There are no obligations other than the contributions payable to the respective trusts / funds.

Short term Employee Benefits are recognised at the undiscounted amount as expense for the year in which the related service is rendered.

***Borrowing Costs***

Borrowing costs (including other ancillary borrowing cost) directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

***Taxation***

Provision for current Income Tax is made on the taxable income using the applicable tax rules and tax laws. Deferred Tax, if any, arising on account of timing difference and which are capable of reversal in one or more subsequent period is recognized using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets, if any, subject to consideration of prudence are recognized and carried forward only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

**EASUN CAPITAL MARKETS LIMITED**  
**NOTES ON FINANCIAL STATEMENTS AS AT 31ST MARCH 2025**

**Earnings Per Share**

Earnings per share is calculated by dividing the net profit or loss before OCI for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit or loss before OCI for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

**Property, Plant and Equipment**

Property, Plant and Equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Cost comprises of purchase price and any attributable cost of bringing the asset to its working condition for its intended use. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives.

Under the previous GAAP (Indian GAAP), property, plant and equipment were carried in the balance sheet on cost. The Company has elected to regard those values as deemed cost at the date of transition.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognised.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

**Depreciation on Tangible Property, Plant and Equipment**

Depreciation on Property, Plant and Equipment is provided on Written down value method and manner specified in Schedule II of the Companies Act, 2013.

The Company has used Useful lives as specified in Schedule-II of Companies Act, 2013.

Depreciation on Property, Plant and Equipment added/disposed off during the year is provided on pro-rata basis with reference to the date of addition/disposal thereof.

**Impairment of non-financial assets**

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or Company's assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered as impaired and is written down to its recoverable amount.

Impairment losses are recognised in the statement of profit and loss.

**Provisions**

**General**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted at a current pre-tax rate that reflects the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

**Financial instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

**Financial assets**

**Initial recognition and measurement**

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

**EASUN CAPITAL MARKETS LIMITED**  
**NOTES ON FINANCIAL STATEMENTS AS AT 31ST MARCH 2025**

***Subsequent measurement***

For purposes of subsequent measurement, financial assets are classified in three categories:

- (a) Debt instruments at amortised cost
- (b) Debt instruments, derivatives, equity instruments and mutual fund investments at fair value through profit or loss (FVTPL)
- (c) Equity instruments measured at fair value through other comprehensive income (FVTOCI)

***Debt instruments at amortised cost***

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- (a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- (b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in interest income in the profit or loss.

***Debt instruments, derivatives, equity instruments and mutual fund investments at fair value through profit or loss (FVTPL)***

All derivatives and mutual fund investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit & Loss.

***Equity instruments measured at fair value through other comprehensive income (FVTOCI)***

For all equity instruments other than the ones classified as at FVTPL, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to Profit & Loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity

***Derecognition***

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the balance sheet) when the rights to receive cash flows from the asset have expired.

***Impairment of financial assets***

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

***Financial liabilities***

***Initial recognition and measurement***

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, financial guarantee contract payables, or derivative instruments.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

***Subsequent measurement***

The measurement of financial liabilities depends on their classification, as described below:

***Financial liabilities at fair value through profit or loss***

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term.

Gains or losses on liabilities held for trading are recognised in the statement of profit or loss.

## **EASUN CAPITAL MARKETS LIMITED**

### **NOTES ON FINANCIAL STATEMENTS AS AT 31ST MARCH 2025**

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss. The Company has not designated any financial liability as at fair value through profit and loss.

#### ***Loans and borrowings***

This is the category most relevant to the Company. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

#### ***Offsetting of financial instruments***

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

#### ***Cash and Cash equivalents***

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

#### ***Contingent Liabilities***

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

**(B) Fair Value Hierarchy**

The following table provides the fair value measurement hierarchy of the Company's assets and liabilities. The financial instruments are categorized into three levels based on the inputs used to arrive at fair value measurements as described below:

**Quoted prices in an active market (Level 1):** Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period.

**Valuation techniques with observable inputs (Level 2):** The fair value of financial instruments that are not traded in an active market (for example over-the counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

**Valuation techniques with significant unobservable inputs (Level 3):** If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unquoted preference shares and unquoted equity shares (rights) carried at FVTPL and unquoted equity securities carried at FVTOCI included in level 3.

**41. Financial Instruments and related disclosures (continued)**

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values:

- 1) The fair values of the quoted equity shares are based on price quotations at the reporting date or the last quoted price as available on the reporting date.
- 2) The valuation of unquoted preference shares and unquoted debentures requires management to make certain assumptions about the model inputs, including forecast of cash flows, discount rate, credit risk and volatility. The probabilities of the various estimates within the range can be reasonably assessed and are used in management's estimate of fair value for these unquoted preference shares and bonds. In case of instruments having option to convert with the Company, the management has assigned probable likelihood of conversion depending on equity stake in the target entity, domain of operation and liquidity. Wherever, the probability is low, valuation has been done based on redemption assumptions.
- 3) Investment in units of mutual funds are measured based on their published net asset value (NAV), taking into account redemption and/or other restrictions. Such instruments are generally Level 1. Equity instruments in non-listed entities are initially recognised at transaction price and re-measured (to the extent information is available) and valued on a case-by case and classified as Level 3.

**(C) Financial risk management objectives and policies**

The Company's principal financial assets include Loans, Investments at Fair Value, Inventory and Cash and Cash Equivalents.

The Company is exposed to market risk and credit risk. The Company's senior management oversees the management of these risks and is supported by professional manager who advises on financial risks and assist in preparing the appropriate financial risk governance framework for the Company. It provides assurance to the Company's senior management that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. It is the Company's policy that no trading in derivatives for speculative purposes can be undertaken. The Board of Directors reviews and agrees policies for managing each of these risks which are summarized below:

**(a) Market risk**

Market risk is the risk when the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate-risk, currency risk and other price risk, such as equity price risk and commodity price risk. Financial instruments affected by market risk include borrowings, deposits, derivative financial instruments, FVTPL Investments, etc.

**Interest Rate Risk:** Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates. The Company manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings.

**Currency Risk:** Currency risk is the risk that the future cash flows of a financial instrument will change because of changes in currency rates. During the period under review, the company did not face currency risk.

**Price Risk:** Equity price risk is related to change in market reference price of investments in equity securities held by the Company. The fair value of quoted investments held by the Company exposes the Company to equity price risks. In general, these investments are not held for trading purposes. The fair value of quoted investments in equity, classified as fair value through Other Comprehensive Income as at March 31, 2025 is Rs. 173.97 Lakh (March 31, 2024: Rs. 3.61 Lakh).

An 1% change in prices of these equity instruments held as at March 31, 2025 and March 31, 2024 would result in an impact of Rs. 1.74 Lakh and Rs. 0.04 Lakh respectively.

**(b) Liquidity Risk**

Liquidity risk is the risk that the Company does not have sufficient financial resources to meet its obligations as they fall due, or will have to do so at an excessive cost. This risk arises from mismatches in the timing of cash flows which is inherent in all finance driven organisations and can be affected by a range of Company-specific and market-wide events.

**(c) Credit risk**

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration risks. Pledge obligation risk is the risk that may occur in case of default on part of Pledgee company which may immediately amount to loss of assets of Company. The Company has adopted a policy of only dealing with creditworthy counterparties to mitigating the risk of financial loss from defaults. Company's credit risk arises principally from loans and cash & cash equivalents.
