FINANCIAL PERFORMANCE Q3FY21

- For the first time in the history for Navneet; that Schools did not open till November and there after only few grades started slowly in December and that impacted sales of Print Publishing (NEL and Indiannica), Digital product (eSense) and Domestic stationery.
- More than 80% attendance is now seen in grade 9th to 12th from January and grades 5th to 8th also announced to be starting from February. Accordingly company has started seeing good demand for 5th to 12th grade products in the 4th quarter. Of course, the total business can not be recouped in just 4th quarter but substantial business seems to coming back.
- At Indiannica; 80% of the Business is achieved in the 4th Quarter hence it's a crucial one. We are confident that as the Schools across the country will start opening we will achieve good Business now.
- This was one of the poor year in the history of Navneet but now management is very confident that the whole education system will come back to normal in the next academic year and your company will be continue to grow as usual.

Publications

Publication Business will be normal going forward and with the introduction of NEP, many new subjects and also change in curriculum with help Navneet to Grow rapidly.

eSense (E-Learning)

On Digital front, Navneet group has started focussing more aggressively. Apart from organic growth in terms of additional products for the schools, Navneet will start focussing B2C markets with various Apps. and Platforms for different Age groups. Most of them will be introduced during next academic year.

Stationery & Exports

On stationery front, we have started receiving inquiries from many new customers. No doubt the effect of Pandemic is still severe in many part of the world, but management is very confident that it will grow in mid double digit for many years and accordingly , Navneet has started investing in creating world class infrastructure to match international standards.
