STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013, AS AMENDED ('ACT').

The following Statement sets out all material facts relating to Item No. 3 of the accompanying Notice.

Item No. 3 - The Shareholders at the 54th AGM of the Company held on September 08, 2017, had approved the appointment of M/s. Prasad Kumar & Co., Chartered Accountants, (Firm Registration Number 008816C, as the Statutory Auditors of the Company, to hold office till the conclusion of the 59th AGM of the Company to be held in the year 2022. The Audit Committee, of the Company considering Prasad Kumar & Co.'s performance as auditors of the Company during their present tenure and after due deliberation and discussion, recommended to the Board the re-appointment of Prasad Kumar & Co. as statutory auditors of the Company for a second term of five years to hold office from the conclusion of the 59th AGM till the conclusion of the 64th AGM of the Company to be held in the year 2027.

Based on recommendations of the Audit Committee, the Board of Directors at their meeting held on May 30, 2022, approved the re-appointment of Prasad Kumar & Co., as the Statutory Auditors of the Company for a second term of 5 (five) years i.e. from the conclusion of 59th AGM till the conclusion of 64th AGM to be held in the year 2027. The re-appointment is subject to approval of the shareholders of the Company.

The audit fees including the limited review

fees to M/s. Prasad Kumar & Co. for the financial year ended March 31, 2022 is Rs. 57,500.

Besides the audit services, the Company has not availed any other services from Prasad Kumar & Co.

The Audit Committee and the Board of Directors considered the following factors in recommending the reappointment of Prasad Kumar & Co. as the statutory auditors of the Company:

- Competence of the leadership and the audit team of the firm in auditing the financial statements of the Company; and
- Ability of the firm to seamlessly scale and understand the Company's operations, systems and processes.

Prasad Kumar & Co. has consented to their appointment as Statutory Auditors and have confirmed that if appointed, their appointment will be in accordance with Section 139 read with Section 141 of the Act. The remuneration to be paid to Statutory Auditors shall be mutually agreed between the Board of Directors and the Statutory Auditors, from time to time. None of the Director(s) and Key Managerial Personnel of the Company or their respective relatives are concerned or interested in the Resolution mentioned at Item No. 3 of the Notice. The Board recommends the resolution set forth in Item No. 3 for the approval of the Members.

Item No – 4

The shareholders of the Company had passed a resolution approving the payment of remuneration to executive Directors including Managerial Personnel and Executive Directors who are Promoters or members of Promoter Group of the Company at the 56th Annual General Meeting of the members of the Company held on September 30, 2019. The Company has two (2) Executive Directors belonging to the Promoters or Promoter Group i.e. Mr. Rajeev Singh Dugal and Ms. Upneet Dugal.

Pursuant to the resolution passed, the Company can pay remuneration to its executive Directors including Managerial Personnel and Executive Directors who are Promoters or members of Promoter Group exceeding limits prescribed under Regulation 17(6)(e) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, and second proviso to Sub-Section (1) of Section 197 of the Companies Act, 2013 ("the Act") and other applicable provisions of the Companies Act, 2013

The resolution passed was valid and effective till the expiry of respective term of such Executive Directors. The term of Mr. Rajeev Singh Dugal completed on 22nd July, 2020 and he was reappointed as the Managing Director of the Company by the members of the Company for a period of five (5) years at the 57th Annual General Meeting held on December 29, 2020.

Ms. Upneet Dugal is retiring by rotation at the ensuing Annual General Meeting and

being eligible, is being reappointed as a Director of the Company.

Pursuant to the approval of the Nomination & Remuneration Committee, the approval of the members of the Company is being taken for payment of remuneration exceeding limits of Section 197 of the Companies Act, 2013 ("the Act") and Regulation 17 (6)(e) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations')

Pursuant to the provisions of Section 197 of the Companies Act, 2013 ("the Act") the overall managerial remuneration to Directors shall not exceed 11 per cent (11%) of the net profits of the Company calculated in accordance with Section 198 of the Act ("Net Profit") and should be within the sub-limits as prescribed under the second proviso to Sub-Section (1) of Section 197 of the Act. However, Companies can pay remuneration in excess of the above limits by obtaining approval of the shareholders of company by means of a special resolution.

Further, as required under Regulation 17 (6)(e) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 the fees or compensation payable to executive directors who are promoters or members of the promoter group of the listed entity, shall be subject to the approval of the shareholders by special resolution in general meeting, if –

(i) Annual remuneration payable to such executive director exceeds Rs. 5 Crore or 2.5 per cent (2.5%) of the net profits of the

listed entity, whichever is higher; or

(ii) Where there is more than one such director, the aggregate annual remuneration to such directors exceeds 5 per cent (5%) of the net profits of the listed entity.

The approval of the shareholders under the said Regulation shall be valid only till the expiry of the terms of the respective Directors.

In view of the above and in order to have a flexibility for payment of annual remuneration to the Managerial Personnel and the Executive Director(s) who are Promoter(s) or Member(s) of Promoter Group in excess of the limits as mentioned in Regulation 17 (6)(e) of the Listing Regulations and Sec 197 of the Companies Act, 2013, till the expiry of respective term of such Executive Directors, it is necessary to obtain the approval of shareholders by way of Special Resolution.

Further, the total managerial remuneration payable by the Company along with its subsidiaries to its Executive Directors, including Managing Director, Whole-time Director or manager, if any, shall not exceed Rs. 10 lakhs per month on an individual

basis in respect of any Financial Year.

Accordingly, approval of the Members is being sought for the Special Resolution as set out under Item No. 4 of the Notice for payment of remuneration to Directors in excess of sub-limits prescribed under the provisions of Section 197 of the Act and Regulation 17(6)(e) of the SEBI Listing Regulations.

Mr. Rajeev Singh Dugal, Ms. Upneet Dugal and Mrs. Kawaljeet Kaur Dugal are deemed to be concerned or interested in the Special Resolution as set out under Item No. 4 of the Notice.

The Board recommends the Special Resolution as set out at Item No. 4 of the Notice for approval by the Members.

NOMINATION AND REMUNERATION POLICY

This Nomination and Remuneration Policy is being formulated in compliance with Section 178 of the Companies Act, 2013 read along with the applicable rules thereto and Regulation 19 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. This policy on nomination and remuneration of Directors, Key Managerial Personnel and Senior Management has been formulated by the Nomination and Remuneration Committee (NRC or the Committee) and has been approved by the Board of Directors.

DEFINITIONS:

“Remuneration” means any money or its equivalent given or passed to any person for services rendered by him and includes perquisites as defined under the Income-tax Act, 1961;

“Key Managerial Personnel” means:

- i) Managing Director, or Chief Executive Officer or Manager and in their absence, a Whole-time Director;
- ii) Chief Financial Officer;
- iii) Company Secretary; and
- iv) such other officer as may be prescribed.

“Senior Managerial Personnel” mean the personnel of the company who are members of

its core management team excluding Board of Directors. Normally, this would comprise all members of management of rank equivalent to General Manager and above, including all functional heads.

OBJECTIVE:

The objective of the policy is to ensure that :-

- To lay down criteria and terms and conditions with regard to identifying persons who are qualified to become Directors (Executive and Non-Executive) and persons who may be appointed in Senior Management and Key Managerial positions.
- To determine remuneration based on the Company's size and financial position and trends and practices on remuneration prevailing in peer companies.
- the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors of the quality required to run the company successfully;
- to retain, motivate, promote talent and to ensure long term sustainability of talented managerial persons and create competitive advantage.
- relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and

- remuneration to directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

APPOINTMENT AND REMOVAL OF DIRECTOR, KEY MANAGERIAL PERSONNEL AND SENIOR MANAGEMENT

- a) The Committee shall identify and ascertain the integrity, qualification, expertise and experience of the person for appointment as Director, KMP or at Senior Management level and recommend his / her appointment, as per Company's Policy.
- b) A person should possess adequate qualification, expertise and experience for the position he / she is considered for appointment. The Committee has authority to decide whether qualification, expertise and experience possessed by a person is sufficient / satisfactory for the position.
- c) Appointment of Independent Directors is subject compliance of provisions of section 149 of the Companies Act, 2013, read with schedule IV and rules there under.
- d) The Company shall not appoint or continue the employment of any person as Whole-time Director who has attained the age of seventy years. Provided that the term of the person holding this position may be extended beyond the age of seventy years with the approval of shareholders by passing a special resolution.
- e) The Director, KMP and Senior Management Personnel shall retire as per the applicable provisions of the Regulations and the prevailing policy of the Company. The Board will have the discretion to retain the Director, KMP, Senior Management Personnel in the same position / remuneration or otherwise even after attaining the retirement age, for the benefit of the Company.

TERM / TENURE

a) Managing Director/Whole-time Director:

- i. The Nomination and Remuneration Committee shall identify a person according to the requirements of the Company for the above position and recommend their appointment to the Board including the terms of appointment and remuneration.
- ii. The Board shall consider the recommendation of the NRC and accordingly approve the appointment and remuneration. The appointment of MD, JMD, WTD shall be subject to the approval of the Shareholders.
- iii. Appointment of other employees will be made in accordance with the Company's HR Policy.

The Company shall appoint or re-appoint any person as its Executive Chairman, Managing Director or Executive Director for a term not exceeding five years at a time. No re-appointment shall be made earlier than one year before the expiry of term.

b) Independent Director:

An Independent Director shall hold office for a term up to five consecutive years on the Board of the Company and will be eligible for re-appointment on passing of a special resolution by the Company and disclosure of such appointment in the Board's report.

No Independent Director shall hold office for more than two consecutive terms of upto maximum of 5 years each, but such Independent Director shall be eligible for appointment after expiry of three years of ceasing to become an Independent Director.

Provided that an Independent Director shall not, during the said period of three years, be appointed in or be associated with the Company in any other capacity, either directly or indirectly.

At the time of appointment of Independent Director it should be ensured that number of Boards on which such Independent Director serves is restricted to seven listed companies as an Independent Director and three listed companies as an Independent Director in case such person is serving as a Whole-time Director of a listed company or such other number as may be prescribed under the Act.

EVALUATION

The Committee shall carry out evaluation of performance of Director, KMP and Senior Management Personnel yearly or at such intervals as may be considered necessary.

REMOVAL

The Committee may recommend with reasons recorded in writing, removal of a Director, KMP or Senior Management Personnel subject to the provisions and compliance of the Companies Act, 2013, rules and regulations and the policy of the Company or by the Board on its own if the person commits a breach of the duties, functions and responsibilities or obligations on any reason prescribed by the law or AOA or the Listing Agreement or for reason of poor performance as measured as a result of performance evaluation.

POLICY FOR REMUNERATION TO DIRECTORS/ KMP/ SENIOR MANAGEMENT PERSONNEL**1) Remuneration to Managing Director:**

- a) The Managing Director shall be eligible for remuneration as may be approved by the Shareholders of the Company on the recommendation of the Committee and the Board of Directors. The Remuneration/ Commission etc. to be paid to Managing Director shall be governed as per provisions of the Companies Act, 2013 and rules made there under or any other enactment for the time being in force and the approvals obtained from the Members of the Company.
- b) The Nomination and Remuneration Committee shall make such recommendations to the Board of Directors, as it may consider appropriate with regard to remuneration to Managing Director.

2) Remuneration to Non- Executive / Independent Directors:

- a) The Non-Executive / Independent Directors may receive sitting fees for attending meeting of the Board and the committee and such other remuneration as permissible under the provisions of Companies Act, 2013. The amount of sitting fees shall be such as may be recommended by the Nomination and Remuneration Committee and approved by the Board of Directors.
- b) The profit-linked Commission shall be paid within the monetary limit approved by the Shareholders of the Company subject to the same not exceeding 1% of the net profits of the Company computed as per the applicable provisions of the Regulations.
- c) An Independent Director shall not be eligible to get Stock Options and also shall not be eligible to participate in any share based payment schemes of the Company. Non-Executive Directors are eligible for Stock Options as approved by the shareholders.
- d) Any remuneration paid to Non- Executive/ Independent Directors for services rendered which are of professional in nature shall not be considered as part of the remuneration for the purposes of clause (b) above if the following conditions are satisfied:
 - i) The Services are rendered by such Director in his capacity as the professional; and

- ii) In the opinion of the Committee, the director possesses the requisite qualification for the practice of that profession.

Any incidental expense incurred by the Directors with relation to the participation in the meetings of the Board and other Sub Committees shall be reimbursed.

3) Remuneration to Executive Directors, Key Managerial Personnel and Senior Management:

- a) The remuneration to Key Managerial Personnel and Senior Management shall consist of fixed pay and incentive pay, in compliance with the provisions of the Companies Act, 2013 and in accordance with the Company's Policy.
- b) Remuneration of Executive Directors, Key Managerial Personnel and Senior Management is determined and recommended by the Nomination & Compensation Committee and approved by the Board. Remuneration of Executive Directors is also subject to the approval of the shareholders.
- c) The Incentive pay shall be decided based on the balance between performance of the Company and performance of the Key Managerial Personnel and Senior Management, to be decided annually or at such intervals as may be considered appropriate.

IMPLEMENTATION

- The Committee may issue guidelines, procedures, formats, reporting mechanism and manuals in supplement

and for better implementation of this policy as considered appropriate.

The Committee may Delegate any of its powers to one or more of its members.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

1. OVERVIEW

The Management Discussion and Analysis Report (MDA) is an integrated part of Company's annual financial statements. The purpose of the MDA is to provide a narrative explanation, through the eyes of management, of how the Company has performed in the past, its financial condition, and its future prospects. This report contains a description of the year gone by and some of the key factors that influenced the business of the Company during the year, as well as a fair and unbiased overview of the Company's past, present, and future. There are forward looking statements mentioned in this report which may involve risks and uncertainties, including but not limited to the risk inherent to the Company's growth strategy, change in regulatory norms, economic conditions and other incidental factors. Actual results could differ materially from those expressed or implied.

2. GLOBAL ECONOMY

The global economy grew at a strong 5.9% in FY21, after a de-growth of 3.1% in the pandemic infected FY20. This remarkable rebound was helped by easing of pandemic-related restrictions and lockdowns and the accelerated vaccination drive across countries. Robust consumer spending and an uptick in investments also boosted this recovery. Global trade saw a sequential recovery all through 2021, not merely with respect to goods but also services, with the latter reaching pre-pandemic levels during Q4 FY21. Overall, the value of global trade reached a record \$28.5 trillion in FY21, registering a 25%

increase vis-à-vis FY20 and 13% increase vis-à-vis the pre-pandemic level of FY19.

A tentative recovery in 2021 has been followed by increasingly gloomy developments in 2022 as risks began to materialize. Global output contracted in the second quarter of this year, owing to downturns in China and Russia, while US consumer spending undershot expectations. Several shocks have hit a world economy already weakened by the pandemic: higher-than-expected inflation worldwide—especially in the United States and major European economies—triggering tighter financial conditions; a worse-than-anticipated slowdown in China, reflecting COVID-19 outbreaks and lockdowns; and further negative spillovers from the war in Ukraine.

The baseline forecast is for growth to slow from 6.1 percent last year to 3.2 percent in 2022, 0.4 percentage point lower than in the April 2022 World Economic Outlook. In China, further lockdowns and the deepening real estate crisis have led growth to be revised down by 1.1 percentage points. Global inflation has been revised up due to food and energy prices as well as lingering supply-demand imbalances, and is anticipated to reach 6.6 percent in advanced economies and 9.5 percent in emerging market and developing economies this year.

3. INDIAN ECONOMY

The financial year 2022 was quite eventful when the Indian economy started witnessing green shoots of recovery post the first wave of Covid19 pandemic, the second wave of Covid struck hard right from the beginning of FY 22. Unlike the nationwide lockdown during the first wave in FY 21, state level localised lockdowns and targeted containment strategy had a less pronounced impact on the economy. Rapid vaccination programme roll-out and Governmental support, led to upticks across a range of indicators, including the mobility index, direct tax collections, and electricity demand, reflect positive levels of economic growth. While demand is yet to fully recover to pre-covid levels, consumer prices continue to increase steeply registering a CPI inflation and WPI inflation at 6.95% and 14.55% respectively in March 2022. The pressure on consumer prices is expected to continue in FY 23, with surging commodity

prices, disruptions in global supply chains and rising freight costs. RBI has revised its inflation forecast upwards for FY 23 to 6.7% from earlier estimate of 5.7%.

Further, India has emerged as the fastest growing major economy in the world and is expected to be one of the top three economic powers in the world over the next 10 to 15 years, backed by its robust democracy and strong partnerships. According to the International Monetary Fund, India's real GDP will grow at 7.4% in 2022 and 6.1% in 2023, making it the world's fastest growing major economy for all years.

According to the NSO second advance estimates, the Indian economy could grow by 8.9% in FY 2021-22. Given the forecast for inflation and growth, uncertainty related to global events and the unprecedented impact of COVID-19, the

Reserve Bank of India (RBI) believes that continued policy assistance is required for the economy. The proposals in the Union Budget for FY 2022-23 to develop public infrastructure through higher capital spending are expected to boost growth and attract private investment via a high multiplier effect. However, persistent supply-side bottlenecks, steadily rising international crude oil prices and increasing raw material costs have added the concerns. Returning consumer confidence, improving business conditions across the manufacturing sector, robust financial markets, strengthening demand, and improved market circumstances are leading to improved growth in the economy.

India's prospects for FY 2022-23 are boosted by forecast improvements in credit growth, investment, and consumption, which would be aided by the financial sector's better-than-expected performance. Widespread vaccine coverage, gains from supply-side reforms and regulatory ease, sustained export growth, and the availability of budgetary space to ramp up capital spending will contribute to a 7.5% growth in FY 2022-23 (Source: RBI Survey Report).

The year ahead looks promising for private sector investment, with the banking system in a strong position to help the economy recover. The Economic Survey 2021-22 expects recovery of the economy with India's real GDP estimated to record 8.0%-8.5% growth in FY 2022-23.

4. INDUSTRY STRUCTURE

The country's financial services sector consists of capital markets, insurance sector and non-banking financial companies (NBFCs). According to Goldman Sachs, investors have been pouring money into India's stock market, which is likely to

reach USD 5 trillion, surpassing the UK, and become the fifth largest stock market worldwide by 2024. The long-term growth perspective of the Indian economy remains positive due to its young population and corresponding low dependency ratio, healthy savings, and investment rates, increasing globalisation in India and integration into the global economy. The Finance Minister has provided the much-required relief to the pandemic-hit Indian economy with the tax proposals and have endeavored to make India a more attractive destination for investments. India's non-bank financial institutions (NBFI) face renewed asset quality and liquidity risks amid a second wave of coronavirus infections. It is believed that authorities have gained experience in balancing the trade-off between tighter restrictions and maintaining economic activity over the past year. Consumers and businesses are also likely to better adapt their economic activity to the second wave of restrictions, as seen in other countries. Regulators appear keenly aware of the credit and liquidity implications of any broad, extended movement curbs, while NBFIs' day-to-day operations are also likely to be able to continue under the latest rules.

The NBFC sector has a significant role in bringing efficiency and diversity in the financial system. It has evolved extensively in terms of its operations, technology, profitability and asset quality and entered into newer areas of financial services and products. NBFCs are now deeply interconnected with the entities in the financial sector, on both sides of their balance sheets. Being financial entities, they are exposed to risks arising out of counterparty failures, funding and asset concentration, interest rate movement and risks pertaining to liquidity and solvency, as any other financial sector player.

The Company is an NBFC and in the business of making long term investments in equity shares and other money market instruments for value creation for the stakeholders. Accordingly, the financial performance of the Company is dependent of that of the stock market.

The Indian equity markets remained highly volatile during the financial year. The country witnessed biggest single day fall of market indices in two years on February 24, 2022 as the Sensex was down 2,702.15 points at 54,529.91 points and Nifty by 815.30 points at 16,248 points. The market indices saw huge volatility during the last quarter of the F.Y. 2021-22 due to uncertain global cues and worsening inflation and a correction is expected in coming times.

5. OUTLOOK OF NBFCs

India's gross domestic product growth is forecasted to expand at 7.4% in the current fiscal year ending in March 2023, with the risk tilted more to the downside from the escalating Russia-Ukraine war, according to the FICCI economic outlook survey. While the threat from the pandemic remains on fore, the continuation of Russia-Ukraine conflict is posing a significant challenge to global recovery. The hit to the global economy is still not completely clear as yet, and the overall situation remains volatile, and outlook is uncertain with risks amplified to the downside. Rising international commodity prices are the biggest risk emanating from the ongoing conflict as Russia and Ukraine are global suppliers of key commodities. Prolonging this conflict will further hit supplies of major raw materials, including crude oil, natural gas, food, fertilisers, and metals. Moreover, the COVID-19 pandemic is still causing shutdowns in major economies such as China, and a new wave could

undo the progress and easing global supply chain blockages. The participants believed that inflation continues to be the most significant risk for India as well. The tense global geopolitical situation and the consequent elevated commodity prices impart considerable uncertainty to the domestic inflation outlook. The restrictions on wheat exports should improve the domestic supplies but the shortfall in the rabi production due to the heat wave could be an offsetting risk. The forecast of a normal south-west monsoon augurs well for the kharif agricultural production and the food price outlook. Edible oil prices remain under pressure on adverse global supply conditions, notwithstanding some recent correction due to the lifting of export ban by a major supplier.

Consequent to the recent reduction in excise duties, domestic retail prices of petroleum products have moderated. International crude oil prices, however, remain elevated, with risks of further pass-through to domestic pump prices. There are also upside risks from revisions in the prices of electricity. Early results from manufacturing, services and infrastructure sector firms polled in the Reserve Bank's surveys expect further input and output price pressures going forward. Taking into account these factors, and on the assumption of a normal monsoon in 2022 and average crude oil price (Indian basket) of USD 105 per barrel, inflation is now projected at 6.7% in 2022-23, with first quarter at 7.5 %; second quarter at 7.4 %; third quarter at 6.2 %; and fourth quarter at 5.8 %, with risks evenly balanced.

6. OPPORTUNITIES & THREATS

Your Company is a Core Investment Company. The unpredictability in the stock market

represents both opportunity as well as challenges for the Company. There are external risks as well, such as a more extreme slowdown in the global economy than anticipated. The Impact of the Covid pandemic on the corporate sector and investor confidence altogether will delay the pace of development for countries whose markets are at an earlier stage of development.

The sentiment in the Indian financial market has changed considerably over the past few years; the economic growth, though subdued for last couple of years, is likely to show positive momentum over the coming years.

As various factors are posing constant threats and high volatility in the Capital Markets, it appears beneficial to diversify the portfolio to reduce the risk and insulate from the vagaries of stock-market. Mutual Funds help to reduce risk through diversification and professional management. Therefore, the Company invests its surplus funds in debt/ equity oriented Mutual Funds. One of the biggest advantages of Mutual Fund investment is Liquidity. Open end funds provide option to redeem on demand, which is beneficial during rising or falling markets. The management is exploring other avenues of business.

STANDALONE FINANCIAL STATEMENTS

INDEPENDENT AUDITOR'S REPORT

To the Members of RSD Finance Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of RSD Finance Limited ("the Company"), which comprise the balance sheet as at 31st March 2022, the statement of profit and loss (including other comprehensive income), Statement of Changes in Equity and statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its total comprehensive income (comprising of profit and comprehensive loss) , change in equity, its profit/loss and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those

Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the

Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance, change in equity and cash flows of the Company in accordance with the accounting principles generally

accepted in India, including the Indian accounting Standards (IND AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable

assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements

represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters.

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's

Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income),

The Statement Changes of Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

- d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is

disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164(2) of the Act.

f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “**Annexure B**”.

g) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

(i). The Company does not have any pending litigations which would impact its financial position.

(ii). The Company has made provision, as required under the applicable law or Indian accounting standards (IND AS), for material foreseeable losses, if any, on long term contracts including derivative contracts.

(iii). There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

(iv). The management has represented that, to the best of its knowledge and belief, no funds have been

advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:

- directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Company or

- provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.

(v). The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall:

- directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Funding Party or

- provide any guarantee, security or like from or on behalf of the Ultimate Beneficiaries; and

(vi). Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub – clause (iv) and (v) contain any material misstatement.

(vii). The Company has not declared any dividend during the year hence the compliance of Section 123 of the Companies Act 2013 is not required.

“Annexure B” to the Auditors’ Report

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (‘the Act’)

We have audited the internal financial controls over financial reporting of **RSD Finance Limited** (‘the Company’) as of 31 March 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the ‘Guidance Note’) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based

on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or

timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes forming Integral part of the Standalone Financial Statements

Note-1

Corporate Information

RSD Finance Limited (the "Company") is a public limited company incorporated under the provisions of the Erstwhile Companies Act, 1956. The Company is engaged in fund-based activities like providing loans and advances, inter-corporate deposits, loans against securities and investments in shares and securities. The Company also carries out job work activities. The shares of the Company are listed on The Calcutta Stock Exchange Limited and Bombay Stock Exchange. The Company holds a certificate of registration from the Reserve Bank of India ("RBI") to carry on the business of Non-Banking Financial Institution ("NBFI") under the category of Non-Deposit taking Company.

Note-2

Summary of Significant Accounting Policies

2.1. Statement of compliance:

The financial statements have been prepared as a going concern in accordance with Indian Accounting Standards (Ind AS) notified under the Section 133 of the Companies Act, 2013 ("the Act") read with the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act.

2.2. Accounting Policies:

The financial statements have been prepared and presented in accordance with Ind AS under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair value

at the end of each reporting period, as explained in the accounting policies mentioned below. Historical cost is generally based on the fair value of the consideration given in exchange of goods or services. The Company complies with the Accounting Standards issued by the Institute of Chartered Accountants of India and the relevant provisions of the Companies Act, 2013, to the extent applicable and directions prescribed by the Reserve Bank of India. The financial statements are presented in Indian rupees.

2.3. Use of estimates and judgments:

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amount of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amount of revenues and expenses for the years presented.

Actual results may differ from the estimates. Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods affected.

2.4. Revenue Recognition:

The applicability of Ind AS 115, Revenue Recognition provides for a single model of accounting revenue from contracts with customers based on the identification and satisfaction of performance obligations.

Income and expenditure are accounted for on accrual basis, wherever ascertainable.

Dividend are recognised only when the right to receive is established.

Interest Income is recognised as and when they become accrued.

2.5. Trade receivables:

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost less provision for impairment, if any.

2.6. Cash and cash equivalents:

Cash and Cash equivalents includes cash on hand, cheques and drafts in hand, balances with bank and deposits held at call with financial institutions. These do not include bank balances earmarked / restricted for specific purposes.

2.7. Investments and other financial assets:

(i) Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in

equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income. The Company reclassifies debt investments when and only when its business model for managing those assets changes.

(ii) Measurement

Financial assets are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets (other than financial assets at fair value through profit or loss) are added to financial assets, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

-Debt Instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the group classifies its debt instruments:

Amortised cost:

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in other gain or loss using the effective interest rate method.

Fair value through other comprehensive income (FVOCI):

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income FVOCI. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses and interest revenue are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised under other income. Interest income from these financial assets is included in other gain or loss using the effective interest rate method.

Fair value through profit or loss (FVPL):

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss is recognised in profit or loss and presented in the statement of profit and loss under other gain or loss in the period in which it arises. Interest or dividend income, if any from these financial assets is separately included in other gain or loss.

-Equity investments (other than investments in subsidiaries)

The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments continue to be recognised in profit or loss as other income when the Company's right to receive

payments is established. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in other gain or loss in the statement of profit and loss.

-Equity Investments (in subsidiaries)

Investments in subsidiaries, associates and joint venture are carried at cost less accumulated impairment losses, if any.

(iii) Derecognition

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognized.

Derivative financial instruments

The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

2.8. Financial liabilities

Classification: Financial liabilities and equity instruments issued by the Company are

classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Initial Recognition and Measurement:

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss.

Derecognition: A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

2.9. Property, plant and equipment:

Property, plant and equipment are carried at cost of acquisition or construction less accumulated depreciation. The cost of fixed assets comprises of purchase price and all other attributable costs of bringing the assets to working condition for intended use.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying

amount of the asset and is recognised in the statement of profit and loss.

Transition to Ind-AS

On transition to IND AS, the company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at April 1, 2018 measured as per the previous GAAP and use that carrying value as deemed cost of the property, plant and equipment.

2.10. Depreciation:

On fixed assets, depreciation is provided on written down Value method. The rates of depreciation prescribed in Schedule II to the Companies Act, 2013, are considered as minimum rates.

Leasehold Land is not depreciated or amortized.

2.11. Trade and other payables:

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial period which are unpaid. They are recognised at their fair value.

2.12. Impairment of non-financial assets:

At the end of each reporting period, the Company reviews the carrying amounts of its assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the statement of Profit and Loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the statement of Profit and Loss.

2.13. Employee benefits:

(i) Short-term employee benefits:

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. These benefits include salary, wages and bonus. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognised during the period of rendering of service by the employee.

(ii) Post-employment benefits:

Defined contribution plans:

The Company has defined contribution plans for post-employment benefits namely Provident Fund which are recognised by the income tax authorities. The Company contributes to a Government administered provident fund on behalf of its employees and has no further obligation beyond making its contribution. The Company makes contributions to state plans namely Employee's State Insurance Fund and has no further obligation beyond making the payment to them. The Company's contributions to the above funds are charged to the Statement of Profit and Loss every year.

2.14. Provisions and contingencies:

Provisions: Provisions are recognised when there is a present obligation or constructive obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation.

Contingent Liabilities: Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

2.15. Earnings per share:

Basic EPS is computed by dividing the net profit attributable to shareholders by the weighted average number of equity shares outstanding during the year.

Diluted EPS is computed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the year-end, except where the results would be anti-dilutive.

2.16 Borrowings:

Borrowing Cost that are directly attributable to the acquisition/ construction of the qualifying asset are capitalised until the time all the substantial activities necessary to prepare such assets for the intended use are complete. All other borrowing costs are recognised as expenditure during the period in which they are incurred.

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed is recognised in profit or loss.

2.17. Foreign exchange transactions

The Company during the year did not have foreign exchange transaction.

2.18. Taxation

Income tax expense comprises current tax (i.e. amount of tax for the period determined in accordance with Income Tax Act, 1961) and deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the period). The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or

substantively enacted by the balance sheet date.

Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is a virtual certainty of realization of such assets. Deferred tax assets are reviewed as at each balance sheet date and written down or written up to reflect the amount that is reasonably / virtually certain (as the case may be) to be realised.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognised as deferred tax asset in the balance sheet when the asset can be measured reliably, and it is probable that the future economic benefit associated with asset will be realised.

Current and deferred tax expense is recognised in the Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

2.19. The Company has not accepted any Public Deposits during the year under review and the Board of Directors have passed resolution to the effect that the Company has neither accepted Public Deposit nor would accept any public Deposit during the year.

Note-27**Risk Management**

Whilst risk is inherent in the Company's activities, it is managed through an integrated risk management framework including ongoing identification, measurement and monitoring, subject to risk limits and other controls. This process of risk management is critical to the Company's continuing profitability and each individual within the Company is accountable for the risk exposures relating to his or her responsibilities. The Company is mainly exposed to market risk, liquidity risk and credit risk. It is also subject to various operating and business risks.

The Board of Directors are responsible for the overall risk management approach and for approving the risk management strategies and principles.

The Company has a robust Risk management framework to identify, evaluate business risk and opportunities. This framework seeks to create transparency, minimize adverse impact on the business objectives and enhance the competitive advantage. The framework has a different risk model which helps in identifying risk trends, exposure and potential impact analysis at a company level.

a. Market Risk

The Company's Financial Instruments are exposed to market changes as are summarised below:

Foreign currency risk

The Company does not have any exposure to foreign currency. Hence, any fluctuations on account of foreign currency has not arisen.

Equity price risk

The Company is exposed to equity price risk arising from its investments in equity instruments. Equity price risk is related to the change in market reference price of the investment in equity securities.

Interest rate risk

The Company is not exposed to interest rate risk as it has borrowings at fixed rate of interest. There are no long term borrowings at floating interest rate which would affect the profitability of the Company due to fluctuation in interest rate.

b. Liquidity Risk

Liquidity risk is the risk that the Company does not have sufficient financial resources to meet its obligations as they fall due, or will have to do so at an excessive cost. This risk arises from mismatches in the timing of cash flows which is inherent in all finance driven organisations and can be affected by a range of Company-specific and market-wide events.

CONSOLIDATED FINANCIAL STATEMENTS

INDEPENDENT AUDITOR'S REPORT

To the Members of RSD Finance Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the consolidated financial statements of RSD Finance Limited (herein refer to as the "Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group") which comprise the Consolidated Balance Sheet as at 31st March 2022, the Consolidated Statement of Profit and Loss (including other comprehensive income), Consolidated Statement of Changes in Equity and Consolidated Statement of Cash Flows for the year then ended, and notes to the Consolidated financial statements, including a summary of significant accounting policies and other explanatory information (herein referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Ind AS financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2022, and its consolidated total comprehensive income (comprising of profit and comprehensive loss) , consolidated change in equity, its consolidated profit/loss and its consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the

Group, its associates and jointly controlled entities in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be

materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these Consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated change in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the accounting Standards (IND AS) specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associates and

jointly controlled entities is responsible for assessing the ability of the Group and of its associates and jointly controlled entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities is responsible for overseeing the financial reporting process of the Group and of its associates and jointly controlled entities.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to

provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and of its associates and jointly controlled entities to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and of its associates and jointly controlled entities to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial

statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group of which we are the independent auditors, to express an opinion on the consolidated Ind AS financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit

matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our audit report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

1. Annexure A to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of **RSD Finance Limited** (herein referred to as the "the Holding Company") as of 31 March 2022 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal

Financial Controls Over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to

provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with Ind AS. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with Ind AS and that receipts and expenditures of the Company are being made only in accordance with authorizations of the Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial

control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

2.0. Principles of Consolidation:

The Consolidated Financial statements consist of RSD Finance Limited ("the Company") and its subsidiary company (collectively referred to as "the Group"). The consolidated financial statements have been prepared on the following basis:

- The financial statements of the company and its subsidiary company have been combined on a line-by-line basis by adding together the book values (measures at fair value as per IND AS) of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances and intra-group transactions resulting in unrealised profits or losses as per IND AS 110 - "Consolidated financial statements" notified by companies (Indian accounting standards) Rules, 2015, as amended.

- The financial statements of the subsidiary used in the consolidation are drawn up to the same reporting date as that of the company i.e. 31st march, 2022

The List of Subsidiary Company which is included in the consolidation and the Group Holdings therein are as under.

Name of the Company / Body Corporate	Precision Automotive Pvt Ltd	SRP OIL Pvt Ltd	Sigma HTS LLP	
Ownership in %	2021-22	100	52.55	65
	2020-21	100	52.55	65
Country of Incorporation	India	India	India	

2.1. Statement of compliance:

The financial statements have been prepared as a going concern in accordance with Indian Accounting Standards (Ind AS) notified under the Section 133 of the Companies Act, 2013 ("the Act") read with the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act.

2.2. Accounting Policies:

The financial statements have been prepared and presented in accordance with Ind AS under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair value at the end of each reporting period, as explained in the accounting policies mentioned below. Historical cost is generally based on the fair value of the consideration given in exchange of goods or services. The Company complies with the Indian Accounting Standards issued by the Institute of Chartered Accountants of India and the relevant provisions of the Companies Act, 2013, to the extent applicable and directions prescribed by the Reserve Bank of India. The financial statements are presented in Indian rupees.

2.3. Use of estimates and judgments:

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amount of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amount of revenues and expenses for the years presented. Actual results may differ from the estimates.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods affected.

2.4. Revenue Recognition:

The applicability of Ind AS 115, Revenue Recognition provides for a single model of accounting revenue from contracts with customers based on the identification and satisfaction of performance obligations.

Income and expenditure are accounted for on accrual basis, wherever ascertainable.

Dividend are recognised only when the right to receive is established

Interest Income is recognised as and when they become accrued.

2.5. Trade receivables:

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost less provision for impairment, if any.

2.6. Cash and cash equivalents:

Cash and Cash equivalents include cash on hand, cheques and drafts in hand, balances with bank and deposits held at call with financial institutions. These do not include

bank balances earmarked / restricted for specific purposes.

2.7. Investments and other financial assets:

(i) Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income. The Company reclassifies debt investments when and only when its business model for managing those assets changes.

(ii) Measurement

Financial assets are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets (other than financial assets at fair value through profit or loss) are added to financial assets, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets at fair value through profit or loss are

recognised immediately in the Statement of Profit and Loss.

-Debt Instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the group classifies its debt instruments:

Amortised cost:

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in other gain or loss using the effective interest rate method.

Fair value through other comprehensive income (FVOCI):

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income FVOCI. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses and interest revenue are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised under other income. Interest income from these financial assets is included in other gain or loss using the effective interest rate method.

Fair value through profit or loss (FVPL):

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss is recognised in profit or loss and presented in the statement of profit and loss under other gain or loss in the period in which it arises. Interest or dividend income, if any from these financial assets is separately included in other gain or loss.

-Equity investments (other than investments in subsidiaries)

The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments continue to be recognised in profit or loss as other income when the Company's right to receive payments is established. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in other gain or loss in the statement of profit and loss.

-Equity Investments (in subsidiaries)

Investments in subsidiaries, associates and joint venture are carried at cost less accumulated impairment losses, if any.

(iii) Derecognition

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the

risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset. If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognized.

Derivative financial instruments

The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

2.8. Financial liabilities

Classification: Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Initial Recognition and Measurement: Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss.

Derecognition: A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

2.9. Property, plant and equipment:

Property, plant and equipment are carried at cost of acquisition or construction less accumulated depreciation. The cost of fixed assets comprises of purchase price and all other attributable costs of bringing the assets to working condition for intended use.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the statement of profit and loss.

Transition to Ind-AS

On transition to IND AS, the company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at April 1, 2018 measured as per the previous GAAP and use that carrying value as deemed cost of the property, plant and equipment.

2.10 Depreciation:

On fixed assets, depreciation is provided on written down Value method. The rates of depreciation prescribed in Schedule II to the Companies Act, 2013, are considered as minimum rates.

Leasehold Land is not depreciated or amortized.

2.11. Trade and other payables:

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial period which are unpaid. They are recognised at their fair value.

2.12. Impairment of non-financial assets

At the end of each reporting period, the Company reviews the carrying amounts of its assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the statement of Profit and Loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the statement of Profit and Loss.

2.13. Employee benefits:

(i) Short-term employee benefits:

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. These benefits include salary, wages and bonus. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognised during the period of rendering of service by the employee.

(ii) Post-employment benefits:

Defined contribution plans

The Company has defined contribution plans for post-employment benefits namely Provident Fund which are recognised by the income tax authorities. The Company contributes to a Government administered provident fund on behalf of its employees and has no further obligation beyond making its contribution. The Company makes contributions to state plans namely Employee's State Insurance Fund and has no further obligation beyond making the payment to them. The Company's contributions to the above funds are charged to the Statement of Profit and Loss every year.

2.14 Provisions and contingencies:

Provisions: Provisions are recognised when there is a present obligation or constructive obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation.

Contingent Liabilities: Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain

future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

2.15. Earnings per share:

Basic EPS is computed by dividing the net profit attributable to shareholders by the weighted average number of equity shares outstanding during the year.

Diluted EPS is computed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the year-end, except where the results would be anti-dilutive.

2.16 Borrowings:

Borrowing Cost that are directly attributable to the acquisition/ construction of the qualifying asset are capitalised until the time all the substantial activities necessary to prepare such assets for the intended use are complete. All other borrowing costs are recognised as expenditure during the period in which they are incurred.

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed is recognised in profit or loss.

2.17. Foreign exchange transactions

The Company during the year did not have foreign exchange transaction.

2.18. Taxation

Income tax expense comprises current tax (i.e. amount of tax for the period determined in accordance with Income Tax Act, 1961) and deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the period). The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantively enacted by the balance sheet date.

Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is a virtual certainty of realization of such assets. Deferred tax assets are reviewed as at each balance sheet date and written down or written up to reflect the amount that is reasonably / virtually certain (as the case may be) to be realised.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognised as deferred tax asset in the balance sheet when the asset can be measured reliably, and it is probable that the future economic benefit associated with asset will be realised.

Current and deferred tax expense is recognised in the Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

2.19. The Company has not accepted any Public Deposits during the year under review and the Board of Directors have passed resolution to the effect that the Company has neither accepted Public Deposit nor would accept any public Deposit during the year.
