Important Communication to Members

The Ministry of Corporate Affairs has taken a “Green Initiative in the Corporate Governance” by allowing paperless compliance by the companies, and has issued circulars stating that service of notice/documents including Annual Report can be sent by email to its members. To support this green initiative of the Government in full measure, members who have not registered their email addresses, so far, are requested to register their email addresses. Members are requested to fill the appropriate columns in the members feedback form (refer page no. 73 of Annual Report) and send it to the Company’s Registered office.

The practice of distributing copies of the Annual Report at the Annual General Meeting has been discontinued. You are, therefore, requested to bring your copy of the Annual Report to the Meeting.

The facility of casting the votes by the members using an electronic voting system from a place other than venue of the AGM (“e-Voting”) will be provided by National Securities Depository Limited (NSDL).
 2. The facility for voting through ballot paper shall be made available at the AGM and the members attending the meeting who have not cast their vote by e-Voting shall be able to exercise their right of voting at the meeting through ballot paper.
 3. The members who have cast their vote by e-Voting prior to the AGM may also attend the AGM but shall not be entitled to cast their vote again.
 4. The e-Voting period commences on 17th August, 2019 (9:00 am) and ends on 19th August, 2019 (5:00 pm). The e-Voting module shall be disabled by NSDL for voting thereafter. During this period, members of the Company holding shares as on the cut-off date of 13th August, 2019, may cast their vote by e-Voting. Once a vote on a resolution is cast by a member, the member shall not be allowed to change it subsequently.

Bombay Oxygen Investments Ltd.

(Formerly known as Bombay Oxygen Corporation Ltd.)

5. The process and manner for e-voting is as under :

The way to vote electronically on NSDL e-Voting system consists of “Two Steps” which are mentioned below :

Step 1: Log-in to NSDL e-Voting system at <https://www.evoting.nsdl.com/>

Step 2: Cast your vote electronically on NSDL e-Voting system.

Details on Step 1 is mentioned below :

How to Log-in to NSDL e-Voting website?

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
2. Once the home page of e-Voting system is launched, click on the icon “Login” which is available under ‘Shareholders’ section.
3. A new screen will open. You will have to enter your User ID, your Password and a Verification Code as shown on the screen.

Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

4. Your User ID details are given below :

1. After successful login at Step 1, you will be able to see the Home page of Voting. Click on e-Voting. Then, click on Active Voting Cycles.
2. After click on Active Voting Cycles, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle is in active status.
3. Select "EVEN" of the Company for which you wish to cast your vote.
4. Now you are ready for e-Voting as the Voting page opens.
5. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
6. Upon confirmation, the message "Vote cast successfully" will be displayed.
7. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
8. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders :

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to sanjayrd65@yahoo.com with a copy marked to evoting@nsdl.co.in.
 2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the "Forgot User Details/Password?" or "Physical User Reset Password?" option available on www.evoting.nsdl.com to reset the password.
 3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on toll free no.: 1800-222-990 or send a request at evoting@nsdl.co.in.
6. A member may participate in the AGM even after exercising his vote through e-Voting but shall not be allowed to vote again at the AGM.
 7. A person, whose name is recorded in the register of members as on the cut-off date only shall be entitled to avail the facility of e-Voting as well as voting at the AGM through ballot paper.
 8. Mr. Sanjay R. Dholakia, Practicing Company Secretary (Membership No. F 2655) has been appointed as Scrutinizer to scrutinize the voting and e-Voting process in a fair and transparent manner.
 9. The Chairman shall, at the end of discussion on the resolutions on which voting is to be held, allow voting with the assistance of scrutinizer, by use of "Ballot Paper" for all those members who are present at the AGM but have not cast their votes by availing the e-Voting facility.

Bombay Oxygen Investments Ltd.

(Formerly known as Bombay Oxygen Corporation Ltd.)

10. The Scrutinizer shall after conclusion of voting at the Annual General Meeting, will count the votes cast at the meeting in the presence of at least two witnesses not in employment of the Company and shall make a consolidated scrutinizer's report, not later than two days of the conclusion of the AGM, of the total votes cast in favour or against, if any, to the Chairman or a person authorized by him, who shall countersign the same and declare the result of the voting forthwith.
11. The Results of the voting with the report of the Scrutinizer shall be placed on the website of the Company www.bomoxy.com and on the website of NSDL immediately after declaration of the results by the Chairman or a person authorized by him. The results shall also be immediately forwarded to the BSE Limited, Mumbai.

Bombay Oxygen Investments Ltd.

(Formerly known as Bombay Oxygen Corporation Ltd.)

MANAGEMENT DISCUSSION AND ANALYSIS :

(i) Industry Structure and Developments :

The demand for bulk industrial gases fluctuated in the market but since we are only carrying out cylinder filling operations there was no impact on our working.

(ii) Opportunities, Threats, Risks and Concerns :

The cost of production and logistics costs have been continually increasing which are not getting covered in the increase in the sale price due to stiff competition.

(iii) Segment wise product wise performance :

The Company is primarily engaged in the filling and sale of Oxygen and Nitrogen industrial gases.

(iv) Outlook :

The uses of Industrial gases are gradually improving in the country.

(v) Internal Control Systems and their adequacy :

The Senior Management periodically reviews factors and issues that influence the Company's business and takes appropriate decisions to ensure that the Company's interest and that of the stakeholders is protected. The Company has an inbuilt system of internal checks and controls.

The Audit Committee of the Board of Directors reviews the Internal Controls and matters connected therewith.

(vi) Financial and Operational performance :

	For the year ended 31st March, 2019 (₹ in lakhs)	For the year ended 31st March, 2018 (₹ in lakhs)
Sales	123.69	158.78
Other Income	1,017.39	1,299.63
Profit before depreciation and tax	766.35	948.88
Depreciation	28.51	20.86
Taxes (Including Deferred tax) (Net)	(70.72)	44.96
Profit after depreciation and taxes	808.56	883.06

(vii) Material developments in Human Resources/Industry relations front, including number of people employed :

The Company continues to give utmost importance to Human Resources Development and keeps relations cordial.

(viii) Cautionary Statement :

Company's projections and estimates will vary from actual results, which depend on a variety of factors over which the Company does not have any control.

DIRECTORS' RESPONSIBILITY STATEMENT :

INDEPENDENT AUDITOR'S REPORT

To the Members Bombay Oxygen Investments Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **Bombay Oxygen Investments Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2019, and the statement of Profit and Loss (Including Other Comprehensive Income), Statement of Cash Flows and Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2019, and its profit (Financial performance including Other Comprehensive Income), its Cash Flows and changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

1. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
2. We have determined that there are no key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the management discussion and analysis Board's Report, Report on Corporate Governance and Business Responsibility report but does not included in the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and accounting principles generally accepted in India, including the accounting Standards / IND AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate

Bombay Oxygen Investments Ltd.

(Formerly known as Bombay Oxygen Corporation Ltd.)

accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

1. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
2. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
3. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
4. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
5. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1 As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure A statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2 As required by Section 143(3) of the Act, we report that :
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The financial statements dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards / IND AS as specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the Directors as on 31st March, 2019 taken on record by the Board of Directors, none of the Directors is disqualified as on 31st March, 2019 from being appointed as a Director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us :
 - i. The Company has disclosed the impact of pending litigations if any, on its financial position in its financial statements (Refer Note 31 of the Ind AS Financial Statements).
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There have been no delays in transferring amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

- (iv) In our opinion and according to the information and explanation given to us, Section 185 of the Companies Act, 2013 is not applicable, since the Company has not granted any loan during the year. With regards to investments in securities of other body corporates, the Company has complied with the provisions of section 186 of the Companies Act, 2013.
- (v) The Company has not accepted any deposits from the public in accordance with the provisions of sections 73 to 76 of the Act and the rules framed there under.
- (vi) The Central Government has not prescribed the maintenance of cost records under Section 148 (i) of the Act, for the Company.
- (vii) (a) Accordingly to the records of the Company, the undisputed statutory dues including Provident Fund, Employees’ State Insurance, Income Tax, Sales Tax, Service Tax, duty of Customs, duty of Excise, Value Added Tax, Cess, Goods and Service Tax and other statutory dues wherever applicable have regularly been deposited with the appropriate authorities. There are no undisputed amount payable in respect of such statutory dues which have remained outstanding as at 31st March, 2019 for a period more than six months from the date they became payable.
- (b) According to the information and explanations given to us, dues of income tax, sales tax, value added tax, service tax, duty of customs, duty of excise, Goods and Service Tax which have not been deposited on account of any dispute with the relevant authorities are as under :

Nature of Liability	Amount (₹ In Lakhs)	Period to which the matter pertains	Forum at which the dispute is pending
Income Tax	37.85	2009-10	CIT (A) Mumbai
Income Tax	139.31	2010-11	CIT (A) Mumbai
Income Tax	14.20	2011-12	CIT (A) Mumbai
Income Tax	0.33	2016-17	CIT (A) Mumbai

- (viii) As the Company does not have any loans or borrowings from any financial institution or bank or Government, nor has it issued any debentures, as at the Balance Sheet date the provisions of Clause 3(viii) of the Order are not applicable to the Company.

Bombay Oxygen Investments Ltd.

(Formerly known as Bombay Oxygen Corporation Ltd.)

- (ix) The Company has not raised any money by way of initial public offer, further public offer (including debt instruments) and term loans during the year. Accordingly, the provisions of Clause 3(ix) of the Order are not applicable to the Company.
- (x) According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.
- (xi) According to the information and explanation given to us and based on our examination of the records of the Company, the Company has paid / provided for managerial remuneration in accordance with requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- (xiii) According to the information and explanations given to us and based on our examinations of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act, where applicable. The details of such related party transactions have been disclosed in the Ind AS financial statements as required by applicable accounting standards.
- (xiv) According to the information and explanations given to us and based on our examination of the records, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.
- (xv) According to the information and explanations given to us and based on our examination of the records, the Company has not entered into non-cash transactions with Directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.
- (xvi) In our opinion and according to the information and explanation given to us, the Company has applied for the NBFC (Non-deposit accepting) registration under Section 45 – IA of the Reserve Bank of India, 1934.

(Formerly known as Bombay Oxygen Corporation Ltd.)

ANNEXURE “B” to the Independent Auditor’s Report of even date on the Ind AS financial statements of Bombay Oxygen Investments Limited (Formerly known as Bombay Oxygen Corporation Limited) for the year ended 31st March 2019.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the (“the Act”)

We have audited the internal financial controls over financial reporting of **Bombay Oxygen Investments Limited (Formerly known as Bombay Oxygen Corporation Limited)** (“the Company”) as of 31st March, 2019 in conjunction with our audit of the Ind AS standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (“the Act”).

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial control system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and Directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company’s assets that could have a material effect on the Ind AS standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Bombay Oxygen Investments Ltd.

(Formerly known as Bombay Oxygen Corporation Ltd.)

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Bombay Oxygen Investments Ltd.

(Formerly known as Bombay Oxygen Corporation Ltd.)

Summary of significant accounting policies and other explanatory information for the year ended 31st March, 2019

Note 1. Corporate Information

Bombay Oxygen Investments Limited (Formerly known as Bombay Oxygen Corporation Limited) ("the Company") is a listed public company domiciled in India and is incorporated on 3rd October, 1960 under the provisions of the Companies Act applicable in India. The Company is listed on BSE Ltd. The Company is a manufacturer and supplier of Industrial gases like oxygen, nitrogen and argon.

The financial statements of the Company for the year ended 31st March, 2019 were authorized for issue in accordance with resolution of the Board of Directors passed on 30th May, 2019.

Note 2. Significant Accounting Policies

i Basis of Preparation

The financial statements of the Company have been prepared to comply in all material respects with the Indian Accounting Standards ("Ind AS") notified under the Companies (Accounting Standards) Rules, 2015.

The financial statements have been prepared under the historical cost convention with the exception of certain financial assets and liabilities which have been measured at fair value, on an accrual basis of accounting.

All the assets and liabilities have been classified as current and non-current as per normal operating cycle of the Company and other criteria set out in Schedule III to the Act. Based on nature of services, the Company ascertained its operating cycle as 12 months for the purpose of current and non-current classification of asset and liabilities.

The Company's financial statements are reported in Indian Rupees, which is also the Company's functional currency, and all values are rounded to the nearest lakhs (INR '00,000), except when otherwise indicated.

ii Accounting Estimates

The preparation of the financial statements, in conformity with the Ind AS, requires the management to make estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

Estimates and assumptions

The Company has based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements. The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below :

Deferred tax assets

In assessing the realisability of deferred income tax assets, management considers whether some portion or all of the deferred income tax assets will not be realised. The ultimate realization of deferred income tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Management considers the scheduled reversals of deferred income tax liabilities, projected future taxable income, and tax planning strategies in making this assessment. Based on the level of historical taxable income and projections for future taxable income over the periods in which the deferred income tax assets are deductible, management believes that the Company will realise the benefits of those deductible differences. The amount of the deferred income tax assets considered realisable, however, could be reduced in the near term if estimates of future taxable income during the carry forward period are reduced.

Defined benefit plans

The cost and present value of the gratuity obligation and compensated absences are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, attrition rate and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Bombay Oxygen Investments Ltd.

(Formerly known as Bombay Oxygen Corporation Ltd.)

Summary of significant accounting policies and other explanatory information for the year ended 31st March, 2019

iii Property, Plant and Equipment

Property, Plant and Equipment are stated at cost of acquisition including attributable interest and finance costs, if any, till the date of acquisition/installation of the assets less accumulated depreciation and accumulated impairment losses, if any. Subsequent expenditure relating to Property, Plant and Equipment is capitalised only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the Statement of Profit and Loss as incurred. The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognised in the Statement of Profit and Loss.

iv Depreciation/Amortization

Depreciation/ amortization is provided

Depreciation on tangible assets is provided on straight line basis considering the useful lives prescribed in Schedule II to the Act on a pro-rata basis. Depreciation on additions and deletions made during the year is provided on pro-rata basis from and upto the date of additions and deletions of the assets respectively.

v Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity :

a) Financial Assets

Initial Recognition

In the case of financial assets, not recorded at Fair Value Through Profit or Loss (FVTPL), financial assets are recognised initially at fair value plus transaction costs that are directly attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent Measurement

For purposes of subsequent measurement, financial assets are classified in following categories :

Financial Assets at Amortized Cost

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Interest income from these financial assets is included in finance income using the Effective Interest Rate ("EIR") method. Impairment gains or losses arising on these assets are recognised in the Statement of Profit and Loss.

Financial Assets Measured at Fair Value

Financial assets are measured at fair value through OCI if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the Statement of Profit and Loss.

Financial asset not measured at amortised cost or at fair value through OCI is carried at FVTPL.

Impairment of Financial Assets

In accordance with Ind AS 109, the Company applies the Expected Credit Loss ("ECL") model for measurement and recognition of impairment loss on financial assets and credit risk exposures.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. Simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition.

Bombay Oxygen Investments Ltd.

(Formerly known as Bombay Oxygen Corporation Ltd.)

Summary of significant accounting policies and other explanatory information for the year ended 31st March, 2019

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

ECL is the difference between all contractual cash flows that are due to the group in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/expense in the Statement of Profit and Loss.

De-recognition of Financial Assets

The Company de-recognizes a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognize the financial asset and also recognises a collateralised borrowing for the proceeds received.

b) Equity Instruments and Financial Liabilities

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments which are issued for cash are recorded at the proceeds received, net of direct issue costs. Equity instruments which are issued for consideration other than cash are recorded at fair value of the equity instrument.

Financial Liabilities

1) Initial Recognition

Financial liabilities are classified, at initial recognition, as financial liabilities at FVTPL, loans and borrowings and payables as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

2) Subsequent Measurement

The measurement of financial liabilities depends on their classification, as described below :

Financial liabilities at FVTPL

Financial liabilities at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVTPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognized in the Statement of Profit and Loss.

Bombay Oxygen Investments Ltd.

(Formerly known as Bombay Oxygen Corporation Ltd.)

Summary of significant accounting policies and other explanatory information for the year ended 31st March, 2019

Financial liabilities at amortized cost

After initial recognition, interest-bearing loan and borrowings are subsequently measured at amortized cost using the Effective Interest Rate ("EIR") method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognized over the term of the borrowings in the Statement of Profit and Loss.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the Statement of Profit and Loss.

3) De-recognition of Financial Liabilities

Financial liabilities are de-recognized when the obligation specified in the contract is discharged, cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as de-recognition of the original liability and recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

c) Offsetting Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis to realise the assets and settle the liabilities simultaneously.

vi Employee Benefits

a Defined Contribution Plan

Contributions to defined contribution schemes such as provident fund, employees' state insurance, labour welfare are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. The above benefits are classified as Defined Contribution Schemes as the Company has no further obligations beyond the monthly contributions.

b Defined Benefit Plan

The Company also provides for gratuity which is a defined benefit plan, the liabilities of which is determined based on valuations, as at the balance sheet date, made by an independent actuary using the projected unit credit method. Re-measurement, comprising of actuarial gains and losses, in respect of gratuity are recognized in the OCI, in the period in which they occur. Re-measurement recognised in OCI are not reclassified to the Statement of Profit and Loss in subsequent periods. Past service cost is recognized in the Statement of Profit and Loss in the year of plan amendment or curtailment. The classification of the Company's obligation into current and non-current is as per the actuarial valuation report.

c Leave entitlement and compensated absences

Accumulated leave which is expected to be utilised within next twelve months, is treated as short-term employee benefit. Leave entitlement, other than short term compensated absences, are provided based on a actuarial valuation, similar to that of gratuity benefit. Re-measurement, comprising of actuarial gains and losses, in respect of leave entitlement are recognized in the Statement of Profit and Loss in the period in which they occur.

d Short-term Benefits

Short-term employee benefits such as salaries, wages, performance incentives etc. are recognized as expenses at the undiscounted amounts in the Statement of Profit and Loss of the period in which the related service is rendered. Expenses on non-accumulating compensated absences is recognized in the period in which the absences occur.

e Termination benefits

Termination benefits are recognized as an expense as and when incurred.

Bombay Oxygen Investments Ltd.

(Formerly known as Bombay Oxygen Corporation Ltd.)

Summary of significant accounting policies and other explanatory information for the year ended 31st March, 2019

vii Inventories

Finished goods produced or purchased are valued at lower of cost and net realisable value. Stores and Spare parts are valued at landed cost determined on first-in-first-out (FIFO) basis. Plant components are valued at cost.

viii Cash and Cash Equivalents

Cash and cash equivalents in the Balance Sheet comprises of cash at banks and on hand and short-term deposits with an original maturity of three month or less, which are subject to an insignificant risk of changes in value.

ix Borrowing Costs

Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds. Also, the EIR amortization is included in finance costs.

Borrowing costs relating to acquisition, construction or production of a qualifying asset which takes substantial period of time to get ready for its intended use are added to the cost of such asset to the extent they relate to the period till such assets are ready to be put to use. All other borrowing costs are expensed in the Statement of Profit and Loss in the period in which they occur.

x Foreign Exchange Translation and Accounting of Foreign Exchange Transaction

a Initial Recognition

Foreign currency transactions are initially recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

b Conversion

Monetary assets and liabilities denominated in foreign currencies are reported using the closing rate at the reporting date. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

c Treatment of Exchange Difference

Exchange differences arising on settlement/ restatement of short-term foreign currency monetary assets and liabilities of the Company are recognised as income or expense in the Statement of Profit and Loss except those arising from investment in Non Integral operations. Premium or discount in respect of forward contracts is accounted over the period of the contract.

xi Revenue Recognition

a Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Sales comprise, invoiced value of goods sold and services rendered, and are net of value added tax, central sales tax, goods & service tax, trade discount & returns and rebates.

b Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the Statement of Profit and Loss.

c Dividend income is recognized when the company's right to receive dividend is established.

xii Income Tax

Income tax comprises of current and deferred income tax. Income tax is recognised as an expense or income in the Statement of Profit and Loss, except to the extent it relates to items directly recognised in equity or in OCI.

a Current Income Tax

Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Bombay Oxygen Investments Ltd.

(Formerly known as Bombay Oxygen Corporation Ltd.)

Summary of significant accounting policies and other explanatory information for the year ended 31st March, 2019

b Deferred Income Tax

Deferred tax is determined by applying the Balance Sheet approach. Deferred tax assets and liabilities are recognized for all deductible temporary differences between the financial statements' carrying amount of existing assets and liabilities and their respective tax base. Deferred tax assets and liabilities are measured using the enacted tax rates or tax rates that are substantively enacted at the Balance Sheet date. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in the period that includes the enactment date. Deferred tax assets are only recognized to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilized. Such assets are reviewed at each Balance Sheet date to reassess realization.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

c Minimum Alternative Tax ("MAT")

Minimum Alternative Tax ("MAT") credit is recognized as an asset only when and to the extent it is probable that the Company will pay normal income tax during the specified period.

xiii Leases

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership over the leased term, are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term except where the lease payments are structured to increase in line with expected general inflation. In respect of assets given on operating lease, income is recognized on straight line basis over the lease term. Assets acquired on finance lease are capitalized at fair value or present value of minimum lease payment at the inception of the lease, whichever is lower.

xiv Impairment of Non-Financial Assets

As at each Balance Sheet date, the Company assesses whether there is an indication that a non-financial asset may be impaired and also whether there is an indication of reversal of impairment loss recognized in the previous periods. If any indication exists, or when annual impairment testing for an asset is required, the Company determines the recoverable amount and impairment loss is recognized when the carrying amount of an asset exceeds its recoverable amount.

Recoverable amount is determined :

- In case of an individual asset, at the higher of the assets' fair value less cost to sell and value in use; and
- In case of cash generating unit (a group of assets that generates identified, independent cash flows), at the higher of cash generating unit's fair value less cost to sell and value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specified to the asset. In determining fair value less cost to sell, recent market transaction are taken into account. If no such transaction can be identified, an appropriate valuation model is used.

Impairment losses of continuing operations, including impairment on inventories, are recognized in the Statement of Profit and Loss, except for properties previously revalued with the revaluation taken to OCI. For such properties, the impairment is recognized in OCI up to the amount of any previous revaluation.

When the Company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognized, then the previously recognized impairment loss is reversed through the Statement of Profit and Loss.

xv Trade receivables

A receivable is classified as a 'trade receivable' if it is in respect of the amount due on account of goods sold or services rendered in the normal course of business. Trade receivables are recognized initially at fair value and subsequently measured at amortized cost using the Effective Interest Rate method, less provision for impairment.

Bombay Oxygen Investments Ltd.

(Formerly known as Bombay Oxygen Corporation Ltd.)

Summary of significant accounting policies and other explanatory information for the year ended 31st March, 2019

xvi Trade payables

A payable is classified as a 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. These amounts are unsecured and are usually settled as per the payment terms stated in the contract. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortized cost using the Effective Interest Rate method.

xvii Non-current assets held for sale and discontinued operations

Non-current assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and a sale is considered highly probable. They are measured at the lower of their carrying amount and fair value less costs to sell, except for assets such as deferred tax assets, assets arising from employee benefits, financial assets, etc., which are specifically exempt from this requirement.

Non-current assets classified as held for sale are presented separately from the other assets in the Balance Sheet.

A discontinued operation is a component of the Company that has been disposed of or is classified as held for sale and that represents a separate major line of business or geographical area of operations, is part of a single coordinated plan to dispose of such a line of business or area of operations, or is a subsidiary acquired exclusively with a view to resale. The results of discontinued operations are presented separately in the statement of Profit and Loss.

xviii Earnings Per Share

Basic earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources.

Diluted earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company and weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares).

xix Provisions, Contingent Liabilities and Contingent Assets

A provision is recognized when the Company has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made of the amount of obligation. Provisions (excluding gratuity and compensated absences) are determined based on management's estimate required to settle the obligation at the Balance Sheet date. In case the time value of money is material, provisions are discounted using a current pre-tax rate that reflects the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. A contingent liability also arises, in rare cases, where a liability cannot be recognized because it cannot be measured reliably.

Note 33. Segment Reporting as required under Indian Accounting Standard 108, "Operating Segments" :

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker ("CODM") of the Company. The CODM, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Manager and Chief Finance Officer of the Company. The Company operates only in one Business Segment i.e. manufacture and supply of Industrial Gases, hence does not have any reportable Segments as per Ind AS 108 "Operating Segments". The performance of the Company is mainly driven by sales made locally and hence, no separate geographical segment is identified.

The Company has not disclosed the fair values for financial instruments for other financial assets (current and non current), trade receivables, cash and cash equivalents and bank balances other than cash and cash equivalents, trade payables, other current financial liabilities because their carrying amounts are reasonably approximation of fair value.

Note 37.2 Fair value hierarchy

Fair value hierarchy explains the judgement and estimates made in determining the fair values of the financial instruments that are :

- I. Recognized and measured at fair value.
- II. Measured at amortized cost and for which fair values are disclosed in the financial statements.

To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard.

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).
