Members holding shares in physical form can submit their PAN details to the Company/ Registrar and Share Transfer Agents (M/s. Aarathi Consultants Pvt. Ltd)
9. As a measure of austerity, copies of the annual report will not be distributed at the Annual General Meeting. Members are therefore, requested to bring their copies of the Annual Report to the Meeting.
10. With a view to using natural resources responsibly, we request shareholders to update their email address with their Depository Participants to enable the Company to send communications electronically.
11. Members holding shares in the same name under different ledger folios are requested to apply for consolidation of such folios and send the relevant share certificates to M/s. Aarathi Consultants Pvt. Ltd., Share Transfer Agents of the Company for doing the needful.
12. Since securities of the Company are traded compulsorily in dematerialized form as per SEBI mandate, members holding shares in physical form are requested to get their shares dematerialized at the earliest.
13. Members are requested to send their queries at least 10 days before the date of meeting so that information can be made available at the meeting.
14. In respect of shares held in physical mode, all shareholders are requested to intimate changes, if any, in their registered address immediately to the registrar and share transfer agent of the company and correspond with them directly regarding share transfer/transmission /transposition, Demat / Remat, change of address, issue of duplicate shares certificates, ECS and nomination facility.
15. In terms of Section 72 of the Companies Act, 2013, a member of the company may nominate a person on whom the shares held by him/her shall vest in the event of his/her death. Members desirous of availing this facility may submit nomination in prescribed Form-SH-13 to the company/RTA in case shares are held in physical form, and to their

SPRING FIELDS INFRAVENTURES LIMITED

respective depository participant, if held in electronic form.

16. Electronic copy of the Annual Report for 2018-2019 is being sent to all the members whose email IDs are registered with the Company/Depository Participants(s) for communication purposes unless any member has requested for a hard copy of the same. For members who have not registered their email address, physical copies of the Annual Report for 2018-2019 is being sent in the permitted mode.
17. Members may also note that the Notice of the 25th Annual General Meeting and the Annual Report for 2018-2019 will also be available on the Company's website for their download. The physical copies of the aforesaid documents will also be available at the Company's Registered Office for inspection during normal business hours on working days. Even after registering for e-communication, members are entitled to receive such communication in physical form, upon making a request for the same, by post free of cost. For any communication, the shareholders may also send requests to the Company's investor email id: infospringfieldssec@gmail.com
18. SEBI has decided that securities of the listed companies can be transferred only in dematerialized form which effective from 05.12.2018. In view of the above and to avail various benefits of dematerialization, members are advised to dematerialize shares held by them in physical form.

19. Voting through electronic means:

In compliance with provisions of Section 108 of the Companies Act, 2013, Rule 20 of the Companies (Management and Administration) Rules, 2014 as amended by the Companies (Management and Administration) Amendment Rules, 2015 and Regulation 44 of SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015, and Secretarial Standard on General Meetings (SS2) issued by the Institute of Company Secretaries of India, the Company is pleased to provide members facility to exercise their right to vote on resolutions proposed to be considered at the Annual General Meeting (AGM) by electronic means and the business may be transacted through e-Voting Services. Management Discussion and Analysis Report**1. (a) Industry structure and developments:**

Infrastructure sector is a key driver for the Indian economy. The sector is highly responsible for propelling India's overall development and enjoys intense focus from Government for initiating policies that would ensure time-bound creation of world class infrastructure in the country.

Over the five years to 2017, competing trends have defined the Global Computer Hardware Manufacturing industry's performance. Rising income levels throughout the world and the ubiquity of computer technology have increased demand for industry products, particularly in emerging markets. Conversely, growing competition from tablet devices and mobile phones has eroded demand for traditional PCs worldwide. Over the next five years, the industry will benefit from broad economic growth and greater market acceptance of digital information. Furthermore, product innovations and growing demand for information technology in emerging markets will fuel revenue growth in these regions...

The Indian construction equipment industry is reviving after a gap of four years and is expected to grow to US\$ 5 billion by FY2019-20 from current size of US\$ 2.8 billion. Foreign Direct Investment (FDI) received in Construction Development sector (townships, housing, built up infrastructure and construction development projects) from April 2000 to December 2016 stood at US\$ 24.3 billion, according to the Department of Industrial Policy and Promotion (DIPP).

(b) Opportunities and Threats.

Proliferating domestic and offshore infrastructure funds target the Indian infrastructure market, driven by strong demand from the transport, power, urban infrastructure and irrigation segments.

There is the opportunity for the domestic industry to become more organised, with the creation of more large firms through organic growth and acquisitions. This would improve overall construction quality.

Strong population growth and a growing economy is fuelling demand for infrastructure.

The government is looking to attract private companies to invest in infrastructure through PPPs.

India's government is keen to facilitate private sector participation in

infrastructure.

Growing demand in emerging markets will provide the industry with a platform for growth. Computer hardware manufacturing activity in Asia is growing rapidly, due to cost benefits. Lower unit selling prices will bolster volume demand, but lower prices could affect revenue.

(c) **Segment-wise or product-wise performance.**

During the year under review, the Company has recorded revenue of Rs. 613.99 Lakhs and made a profit of Rs. 8.75 Lakhs against revenue of Rs. 79.94 Lakhs and net loss of Rs.0.47 Lakhs in the previous financial year 2017-18.

(d) **Outlook**

The management is doing its best to forge relations with other companies and take the company forward in the new business lines. However, the outlook of the management is cautious in view of the competitive nature of the market.

(e) **Risks and concerns.**

- There are low levels of domestic expertise, stemming from a shortage of skilled project managers and engineers.
- There is low mechanisation and limited use of modern technological equipment.
- Limited long-term borrowing capability on the domestic banking sector due to an immature bond market.

Risks of damage to a firm's reputation, brand, and image and risks to the network, security, and privacy of a firm as well as loss of intellectual property were the top ranking risk concerns for firms in the hardware sector. Other top ranking risk factors in this sector were supply chain vendor and product recall risks, business Interruption, changes in economic conditions, risks associated with partnerships with vendors and other strategic alliances, and potential changes in the legislative, corporate governance, regulatory environment. Our survey also found that access to capital and risks of failure to attract and retain key talent as among the top ten risk factors for firms in hardware sector.

(f) **Internal control systems and their adequacy.**

The system of internal control has been established to provide reasonable assurance of safeguarding assets and maintenance of proper Accounting Records and its accuracy. The business risks and its control procedures are reviewed frequently. Systems audit is also

SPRING FIELDS INFRAVENTURES LIMITED

conducted regularly to review the systems with respect to Security and its Adequacy. Reports are prepared and circulated to Senior Management and action taken to strengthen controls where necessary.

(g) Discussion on financial performance with respect to operational performance.

During the year under review, the Company has recorded revenue of Rs. 613.99 Lakhs and made a profit of Rs. 8.75 Lakhs against revenue of Rs. 79.94 Lakhs and net loss of Rs.0.47 Lakhs in the previous financial year 2017-18.

(h) Material developments in Human Resources / Industrial Relations front, including number of people employed:

Your company continues to have cordial relations with its employees and other stakeholders.

2. Disclosure of Accounting Treatment: The Company has not carried out any treatment different from that prescribed in Accounting Standards.

SPRING FIELDS INFRAVENTURES LIMITED

Independent Auditors' Report

To
The Members,
SPRING FIELDS INFRAVENTURES LIMITED

Report on the Ind AS financial statements

We have audited the accompanying Ind AS financial statements of M/S.SPRING FIELDS INFRAVENTURES LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March, 2019, the Statement of Profit and Loss (Including other comprehensive income), the Statement of cash flows and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein referred to as 'Ind AS financial statements').

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in Equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read with relevant rules issued there under. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

SPRING FIELDS INFRAVENTURES LIMITED

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risk's of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the financial position of the Company as at 31st March, 2019, and its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of section 143(11) of the Act, we give in the Annexure –A a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of

SPRING FIELDS INFRAVENTURES LIMITED

our audit.

- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss, the statement of Cash flows and the changes in Equity dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, relevant rules issued there under.
- (e) On the basis of the written representations received from the directors as on 31st March, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in “Annexure B”; and
- (g) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

SPRING FIELDS INFRAVENTURES LIMITED

Annexure - B to the Independent Auditors' Report:

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of M/S SPRING FIELDS INFRAVENTURES LIMITED ("the Company") as of 31st March 2019 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial

controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. Significant Accounting Policies & Notes annexed to and forming part of the financial Statements

1.1. Basis for preparation of financial statements:

a) Compliance with Indian Accounting Standards (IndAs)

The financial statements have been prepared in accordance with Indian Accounting Standards (IndAs) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under section 133 of the Companies Act, 2013.

b) Use of estimates and judgment

In preparing these financial statements, management has made judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized prospectively.

1.2. Property, Plant and Equipment & Depreciation

Items of Property, Plant and Equipment are stated at cost less accumulated depreciation.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labor, any other costs directly attributable to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss.

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's

carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units).

Depreciation on the fixed assets has been provided based on useful lives as prescribed under part C of the schedule II of the companies act, 2013.

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate.

Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (upto) the date on which asset is ready for use (disposed of).

1.3 Impairment of non-financial assets

The Company's non-financial assets, other than deferred tax assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognised in the statement of profit and loss. Impairment loss recognised in respect of a CGU is allocated first to reduce the carrying amount of any goodwill allocated to the CGU, and then to reduce the carrying amounts of the other assets of the CGU (or group of CGUs) on a pro rata basis.

1.4 Intangible assets

Intangible assets are amortized over the estimated useful lives and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method are reviewed at least at each financial year end.

SPRING FIELDS INFRAVENTURES LIMITED

Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset is accounted for by changing the amortization period or method, as appropriate, and are treated as change in accounting estimates. The amortization expense on intangible assets with finite useful lives is recognized in profit or loss.

1.5 Inventory

Cost of inventories have been computed to include all costs of purchases (including materials), cost of conversion and other costs incurred, as the case may be, in bringing the inventories to their present location and condition.

Stores and consumables are valued at cost arrived at on FIFO basis or net realisable value, whichever is lower

1.6 Foreign currencies transactions and translations

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date.

The gain or loss on decrease/increase in reporting currency due to fluctuations in foreign exchange rates, in case of monetary current assets and liabilities in foreign currency, are recognised in the Statement of Profit and Loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of the transaction.

1.7 Provisions

A provision is recognised when the Company has a present legal or constructive obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions (other than employee benefits) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

1.8 Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable.

Interest Income

Interest income from a financial asset is recognised using effective interest rate method. However, in respect of certain financial assets where it is not probable that the economic benefits associated with the transaction will flow to the entity and amount of revenue cannot be measured reliably, in such cases interest income is not recognised.

1.9 Dividend Income

Dividends will be recognised when the company's right to receive has been established

1.10 Employee benefits

1.10.1 Short term employee benefits

The undiscounted amount of short term employee benefits are expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

1.10.2 Defined benefit plans

a) Provident fund

Eligible employees receive benefits from a provident fund, which is a defined contribution plan. Aggregate contributions along with interest thereon is paid at retirement, death, incapacitation or termination of employment. Both the employee and the Company make monthly contributions to the Regional Provident Fund Commissioner equal to a specified percentage of the covered employee's salary.

b) Employee State Insurance Fund

Eligible employees (whose gross salary is less than 21000 per month) are entitled to receive benefit under employee state insurance fund scheme. The employer makes contribution to the scheme at a predetermined rate (presently 4.75%) of employee's gross salary. The Company has no further obligations under the plan beyond its monthly contributions. These contributions are made to the fund administered and managed by the Government of India. Monthly contributions are charges to income in the year it is incurred.

1.11 Tax Expenses

The tax expense for the period comprises current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or

equity.

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax is also recognised in respect of carried forward tax losses and tax credits.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset is realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period.

1.12 Leases

Leases are classified as finance lease whenever the terms of the lease, transfers substantially all the risks and rewards of ownership to the lessee. Leases in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Payments made under operating leases are charged to the Statement of Profit and Loss on a straight line basis over the period of the lease.

1.13 Borrowing costs

Borrowing costs incurred for obtaining assets which takes substantial period to get ready for their intended use are capitalized to the respective assets wherever the costs are directly attributable to such assets and in other cases by applying weighted average cost of borrowings to the expenditure on such assets. Other borrowing costs are treated as

expense for the year.

Transaction costs in respect of long-term borrowings are amortized over the tenor of respective loans using effective interest method.

1.14 Earnings per equity share

(i) Basic earnings per share

Basic earnings per share are calculated by dividing:

- The profit attributable to owner of the company.
- By the weighted number of equity shares outstanding during the financial year

(ii) **Diluted earnings per share**

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of share outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

1.15 Financial Instruments

i. Financial assets

A. Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition.

a) Financial assets carried at amortized cost (AC)

A financial asset is measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial assets at fair value through profit or loss (FVTPL)

A Financial asset which is not classified as AC or FVOCI are measured at FVTPL e.g. investments in mutual funds. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss is recognised in profit or loss and presented net in the Statement of Profit and Loss within other gains/(losses) in the period in which it arises.

c) Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

B. Investments in subsidiaries

The Company has accounted for its investments in subsidiaries at cost and not adjusted to fair value at the end of each reporting period. Cost represents amount paid for acquisition of the said investments.

ii. Financial Liabilities

A. Initial recognition

All financial liabilities are recognized at fair value.

B. Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Independent Auditors' Report

To

The Members,

SPRING FIELDS INFRAVENTURES LIMITED

Report on the Consolidated Ind AS financial statements

We have audited the accompanying Consolidated Ind AS financial statements of SPRING FIELDS INFRAVENTURES LIMITED ('the Holding Company'), and its subsidiaries (collectively referred to as "the Group") which comprise the consolidated Balance Sheet as at March 31, 2019, the Statement of Profit and Loss (including other comprehensive income), the consolidated Statement of Cash Flows and the consolidated Statement of Changes in Equity for the year then ended and a summary of the significant accounting policies and other explanatory information (herein after referred to as "consolidated Ind AS financial statements")

Management's Responsibility for the Consolidated Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Consolidated Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, and cash flows and changes in Equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read with relevant rules issued there under. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Consolidated Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Consolidated Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Consolidated Ind AS, of the financial position of the Company as at 31st March, 2019, and its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, the statement of Cash flows and the changes in Equity dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid Consolidated Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, relevant rules issued there under.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in “Annexure A”; and
 - (g) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Other Matter

(a) The accompanying consolidated financial statements include total assets of Rs. 26,23,67,284/- as at March 31, 2019, and total revenues Rs. 46,31,13,896/- for the year ended on that date, in respect of 2 subsidiaries, which have been audited by other auditors, which financial statements, other financial information and auditor's reports have been furnished to us by the management. Our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries is based solely on the reports of such other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements above, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements and other financial information certified by the Management.

Annexure - A to the Independent Auditors' Report:

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of SPRING FIELDS INFRAVENTURES LIMITED ("the Company") as of 31st March 2019 in conjunction with our audit of the Consolidated Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial

SPRING FIELDS INFRAVENTURES LIMITED

controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. Significant Accounting Policies & Notes annexed to and forming part of the Consolidated Financial Statements

1.1. Basis for preparation of financial statements:

a) Compliance with Indian Accounting Standards (Ind As)

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind As) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under section 133 of the Companies Act, 2013. Up to the year ended March 31, 2017, the Group prepared financial statements in accordance with the requirements of previous GAAP, which includes Standards notified under the Companies (Accounting Standards) Rules, 2006.

These are the Group Second Ind As financial statements. The date of transition to Ind As is April 1, 2016.

b) Basis of consolidation

The consolidated financial statements comprise the financial statements of the Company and its subsidiaries as at 31 March 2019. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee.

Specifically, the Group controls an investee if and only if the Group has:

- Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee)
- Exposure, or rights, to variable returns from its involvement with the investee, and
- The ability to use its power over the investee to affect its returns The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control.

Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary. The acquisition accounting is used by the group to account for business combinations.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar

SPRING FIELDS INFRAVENTURES LIMITED

circumstances. If a member of the group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that group member's financial statements in preparing the consolidated financial statements to ensure conformity with the group's accounting policies.

The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent company, i.e., year ended on 31 March.

Consolidation procedure

- i. Combine like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognised in the consolidated financial statements at the acquisition date.
- ii. Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary.
- iii. Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the group (profits or losses resulting from intragroup transactions that are recognised in assets, such as inventory and fixed assets, are eliminated in full). Intragroup losses may indicate an impairment that requires recognition in the consolidated financial statements. Ind AS 12 Income Taxes applies to temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions.

d) Use of estimates and judgment

In preparing these financial statements, management has made judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized prospectively.

1.2. Property, Plant and Equipment & Depreciation

Items of Property, Plant and Equipment are stated at cost less accumulated depreciation.

Cost of an item of property, plant and equipment comprises its purchase

SPRING FIELDS INFRAVENTURES LIMITED

price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labor, any other costs directly attributable to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss.

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units).

Depreciation on the fixed assets has been provided based on useful lives as prescribed under part C of the schedule II of the companies act, 2013.

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate.

Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (upto) the date on which asset is ready for use (disposed of).

1.3 Impairment of non-financial assets

The Group non-financial assets, other than deferred tax assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each

SPRING FIELDS INFRAVENTURES LIMITED

CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognised in the statement of profit and loss. Impairment loss recognised in respect of a CGU is allocated first to reduce the carrying amount of any goodwill allocated to the CGU, and then to reduce the carrying amounts of the other assets of the CGU (or group of CGUs) on a pro rata basis.

1.4 Intangible assets

Intangible assets are amortized over the estimated useful lives and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method are reviewed at least at each financial year end. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset is accounted for by changing the amortization period or method, as appropriate, and are treated as change in accounting estimates. The amortization expense on intangible assets with finite useful lives is recognized in profit or loss.

1.5 Inventory

Cost of inventories have been computed to include all costs of purchases (including materials), cost of conversion and other costs incurred, as the case may be, in bringing the inventories to their present location and condition.

Stores and consumables are valued at cost arrived at on FIFO basis or net realizable value, whichever is lower

1.6 Foreign currencies transactions and translations

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date.

SPRING FIELDS INFRAVENTURES LIMITED

The gain or loss on decrease/increase in reporting currency due to fluctuations in foreign exchange rates, in case of monetary current assets and liabilities in foreign currency, are recognised in the Statement of Profit and Loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of the transaction.

1.7 Provisions

A provision is recognized when the Group has a present legal or constructive obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions (other than employee benefits) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

1.8 Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable.

Interest Income

Interest income from a financial asset is recognised using effective interest rate method. However, in respect of certain financial assets where it is not probable that the economic benefits associated with the transaction will flow to the entity and amount of revenue cannot be measured reliably, in such cases interest income is not recognised.

1.9 Dividend Income

Dividends will be recognized when the Group right to receive has been established

1.10 Employee benefits

1.10.1 Short term employee benefits

The undiscounted amount of short term employee benefits are expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

1.10.2 Defined benefit plans

a) Gratuity

In accordance with the Payment of Gratuity Act, 1972, Group provides for gratuity, a defined retirement plan (the "Gratuity Plan") covering the eligible employees. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee salary and the tenure of employment. Liability with regard to the Gratuity Plan are determined by actuarial valuation as of the balance sheet date, based upon which, the Group contributes the ascertained liabilities to Insurer.

b) Provident fund

Eligible employees receive benefits from a provident fund, which is a defined contribution plan. Aggregate contributions along with interest thereon is paid at retirement, death, incapacitation or termination of employment. Both the employee and the Group make monthly contributions to the Regional Provident Fund Commissioner equal to a specified percentage of the covered employee's salary.

c) Employee State Insurance Fund

Eligible employees (whose gross salary is less than 21,000 per month) are entitled to receive benefit under employee state insurance fund scheme. The employer makes contribution to the scheme at a predetermined rate (presently 4.75%) of employee's gross salary. The Group has no further obligations under the plan beyond its monthly contributions. These contributions are made to the fund administered and managed by the Government of India. Monthly contributions are charges to income in the year it is incurred.

1.11 Tax Expenses

The tax expense for the period comprises current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or

substantively enacted by the reporting date.

Current tax assets and current tax liabilities are off set only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax is also recognised in respect of carried forward tax losses and tax credits.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset is realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period.

1.12 Leases

Leases are classified as finance lease whenever the terms of the lease, transfers substantially all the risks and rewards of ownership to the lessee. Leases in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Payments made under operating leases are charged to the Statement of Profit and Loss on a straight line basis over the period of the lease.

1.13 Borrowing costs

Borrowing costs incurred for obtaining assets which takes substantial period to get ready for their intended use are capitalized to the respective assets wherever the costs are directly attributable to such assets and in other cases by applying weighted average cost of borrowings to the expenditure on such assets. Other borrowing costs are treated as expense for the year.

Transaction costs in respect of long-term borrowings are amortized over the tenor of respective loans using effective interest method.

1.14 Earnings per equity share

(i) Basic earnings per share

Basic earnings per share is calculated by dividing:

- The profit attributable to owner of the Group.

SPRING FIELDS INFRAVENTURES LIMITED

- By the weighted number of equity shares outstanding during the financial year

(ii) Diluted earnings per share

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of share outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

1.15 Financial Instruments

i. Financial assets

A. Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition.

a) Financial assets carried at amortized cost (AC)

A financial asset is measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial assets at fair value through profit or loss (FVTPL)

A Financial asset which is not classified as AC or FVOCI are measured at FVTPL e.g. investments in mutual funds. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss is recognised in profit or loss and presented net in the Statement of Profit and Loss within other gains/(losses) in the period in which it arises.

c) Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose Objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

SPRING FIELDS INFRAVENTURES LIMITED

B. Investments in subsidiaries

The Group has accounted for its investments in subsidiaries at cost and not adjusted to fair value at the end of each reporting period. Cost represents amount paid for acquisition of the said investments.

ii. Financial Liabilities

A. Initial recognition

All financial liabilities are recognized at fair value.

B. Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.
