#### CHAIRMAN'S COMMENTS

**Commenting on the performance for Q2 & H1 FY 2014-15, Mr. A. B. Godrej, Chairman, Godrej Industries Limited, said:**

*"I am happy to report that our Agri business continues to do well, despite a challenging environment in terms of volatile commodity prices and erratic weather conditions. Animal feed, Oil Palm and Agri Input businesses have shown significant growth. Our strategy in the Animal feed business of strengthening presence in Cattle and Layer feed segments is paying well. The new Shrimp and Fish feed facility in Andhra Pradesh has commenced production which will strengthen our presence in this space. Our future prospects for our agri business remain robust and I am confident that we will continue to deliver good results.*

*We are pleased with the performance of Godrej Properties Limited in H1 FY 2014-15. The response to our new project launches across the country has been excellent. We believe that Godrej Properties Limited is in a position to deliver an even stronger performance in H2 FY 2014-15.*
