Notice

Notice is hereby given that the Twenty Sixth Annual General Meeting (AGM) of the Members of MADHAV INFRA PROJECTS LIMITED will be held on Monday, the 30th day of September, 2019 at 04.30 P.M. at Baroda Management Association, Anmol Plaza, 2nd Floor, Old Padra Road, Vadodara - 390005 to transact the following businesses:

ORDINARY BUSINESS

1. To receive, consider and adopt:
The audited financial statements (Including the Consolidated Financial Statements) of the Company for the financial year ended March 31, 2019, together with the reports of Directors and Auditors thereon;

SPECIAL BUSINESS

2. Appointment of Mr. Ashok M. Khurana, as an Director of the Company and in this regard to consider and if thought fit, to pass with or without modification (s), the following resolution as a **Ordinary Resolution**:

“RESOLVED THAT pursuant to the provisions of Sections 152, 161 and other applicable provisions, if any, of the Companies Act, 2013 (“the Act”) and the Companies (Appointment and Qualification of Directors) Rules, 2014 (including any statutory modification (s) or re-enactment thereof, for the time being in force), Mr. Ashok Madhavdas Khurana (DIN: 00003617), who was appointed as an Additional Director by the Board of Directors of the Company with effect from February 14, 2019 and who holds office as such up to the date of this Annual General Meeting be and is hereby appointed as a Director of the Company, liable to retire by rotation.”

3. Change of Directorship and Continuation of Directorship of Shri Ashok M. Khurana (DIN: 00003617) and if thought fit, to pass with or without modification (s), the following resolution as **Special Resolution**:

“RESOLVED THAT pursuant to Regulation 17(1A) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), other applicable provisions, if any, of the Companies Act, 2013 and the applicable Rules made thereunder, including any amendment(s), statutory modification(s) and/or re-enactment thereof for the time being in force, approval of the Members of the Company be and is hereby granted to Shri Ashok M. Khurana (DIN: 00003617), who has attained the age of seventy five (75) years, to continue to be a Non-Executive Director of the Company, shall liable to retire by rotation, even though he attained the age of 75 years.”

RESOLVED FURTHER THAT the Board of Directors of the Company or any Key Managerial Personnel of the Company for the time being are hereby severally authorised to do all acts, deeds, matters or things and take such steps as may be necessary, expedient or desirable in this regard.”

4. Appointment of Mr. Amit A. Khurana, as Managing Director of the Company and in this regard to consider and if thought fit, to pass with or without modification (s), the following resolution as a **Ordinary Resolution**:

“RESOLVED THAT pursuant to the provisions of Sections 196, 197 and other applicable provisions, if any, of the Companies Act, 2013, (“Act”), read with Schedule V to the Act and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, as amended from time to time, the Company hereby approves the appointment and terms of remuneration of Mr. Amit A. Khurana (DIN 00003626), as Managing Director of the Company for a period of five years with effect from February 14, 2019 upon the terms and conditions set out in the Explanatory Statement annexed to the Notice convening this Annual General Meeting, (including the remuneration to be paid in the event of loss or inadequacy of profits in any financial year during the tenure of his appointment) with authority to the Board of Directors to alter and vary the terms and conditions of the said appointment in such manner as may be agreed to between the Board of Directors and Mr. Amit A. Khurana.”

RESOLVED FURTHER THAT the Board of Directors of the Company (which term shall be deemed to include any Committee of the Board constituted to exercise its powers, including the powers conferred by this Resolution) be and is hereby authorised to take all such steps as may be necessary, proper and

expedient to give effect to this Resolution.”

5. Ratification of Remuneration to Cost Auditors and in this regard to consider and if thought fit, to pass with or without modification (s), the following resolution as a **Ordinary Resolution**:

“**RESOLVED THAT** pursuant to the provisions of Section 148 and all other applicable provisions of the Companies Act, 2013 read with Companies (Audit and Auditors) Rules, 2014 (including any statutory modification (s) or re-enactment thereof, for the time being in force), the Remuneration payable to M/s. Mitesh Suvagya & Co., Cost Accountant (Firm Registration No. 101470) appointed as cost auditors of the Company by the Board of Directors of the Company to conduct audit of cost records of the Company for the financial year 2018-19, amounting Rs.40,000 (Rupees Forty Thousand Only), be and is hereby ratified and confirmed.”

6. Ratification and approval of Related Party Transactions of the Company and in this regard to consider and if thought fit, to pass with or without modification (s), following resolution as a **Special Resolution**:

“**RESOLVED THAT** pursuant to provisions of Regulation 23 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time, and subject to such other approvals, consents, sanctions and permissions of any authorities as may be necessary, the members of the Company do hereby confirm, ratify and approve the material related party transactions as detailed below entered/to be entered into by the Company and authorise the Audit Committee and the Board of Directors of the Company to enter into the material related party transactions and finalize all such terms, condition(s), modification(s) and alteration(s) as it may deem fit within the limits mentioned below:

NOTES:

1. **A MEMBER ENTITLED TO ATTEND AND VOTE AT THE MEETING IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE ON A POLL INSTEAD OF HIMSELF/ HERSELF. A PROXY NEED NOT BE A MEMBER OF THE COMPANY.** A person can act as proxy on behalf of members not exceeding Fifty (50) and holding in the aggregate not more than ten percent of the total share capital of the Company. Provided that a member holding ten per cent of the total share capital of the Company carrying voting rights may appoint a single person as proxy and such person shall not act as proxy for any other person or any other shareholder. Proxies, in order to be effective, must be received by the Company at its registered office, not less than 48 hours before the meeting. A proxy so appointed shall not have any right to speak at the meeting. A body corporate being a member shall be deemed to be personally present at the meeting if represented in accordance with the provisions of Section 113 of the Companies Act, 2013. The representative so appointed, has a right to appoint a proxy.
2. Corporate members intending to send their authorized representatives to attend the Meeting are requested to send to the Company a certified true copy of the Board Resolution authorizing their representative to attend and vote on their behalf at the Meeting.
3. Members are requested to bring their attendance slip along with their copy of Annual Report to the Meeting.
4. A Statement pursuant to Section 102(1) of the Companies Act, 2013, relating to the Special Business to be transacted at the Meeting is annexed hereto.
5. Pursuant to regulation 36 of the SEBI (Listing Obligations and Disclosures Requirements) Regulations 2015, in respect of the directors seeking appointment/ re-appointment at the Annual General Meeting, as furnished as annexure to the Notice. The Directors have furnished consent/ declaration for their appointment/ re-appointment as required under the Companies Act, 2013 and the Rules thereunder.
6. **Trading / Transfer in the shares of the Company shall compulsorily be done in dematerialized form only w.e.f. April 01, 2019.** Pursuant to SEBI Press Release No. 12/2019 dated 27th March, 2019, SEBI had clarified that the investors may continue to hold such shares in physical form even after the 1st April, 2019 subject to condition that investor who is desirous of transferring shares (which are held in physical form) after April 01, 2019 can do so only after the shares are dematerialized. Shareholders are therefore advised to dematerialize your physical shareholding at the earliest, if not yet already done. Dematerialization would facilitate paperless trading through state-of-the-art technology, quick transfer of corporate benefits to members and avoid inherent problems of bad deliveries, loss in postal transit, theft and mutilation of share certificate and will not attract any stamp duty. It also substantially reduces the risk of fraud. Hence, we request all those members who have still not dematerialized their shares to get their shares dematerialized at the earliest.
7. The Register of Members and Share Transfer Books of the Company will remain closed from **Monday, September 23, 2019 to Monday, September 30, 2019 (both days inclusive).**
8. The Annual Report of the Company, circulated to the Members of the Company, will be made available on the Company's website at www.madhavcorp.com
9. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant (s) in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participant (s). Members holding shares in physical form shall submit their PAN details to the Company/RTA. Satellite Corporate Services Private Limited is the Registrar & Share Transfer Agent (R&T Agent) of the Company. All Investor related communications may be addressed to Satellite Corporate Services Private Limited at the following address:

Satellite Corporate Services Private Limited
Unit No. 49, Bldg No. 13-A-B, 2nd Floor, Samhita Commercial Co-Op. Soc. Ltd.,
Off. Andheri Kurla Road, MTNL Lane, Sakinaka, Mumbai—400 072
Ph. No. 022-28520461/462
10. The Annual Report and Notice of 26th Annual General Meeting along with the attendance Slip and Proxy Form, is being sent by electronic mode to all members whose email addresses are registered with the Registrar/ Depository Participant (s) unless a member has requested for the hard copy of the same. For members who have not registered their email addresses, physical copies of aforesaid documents are sent by the permitted mode. Members may also note that Notice and Annual Report 2018-19 will be available on the Company's website: www.madhavcorp.com.

VOTING THROUGH ELECTRONIC MEANS

1. In compliance with Section 108 of the Companies Act, 2013 Rule 20 of Companies (Management and Administration) Rules, 2014 as substituted by the Companies (Management and Administration) Amendment Rules, 2015 and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Slandered on General Meetings (SS2) issued by the Institute of Company Secretaries of India, the Company is pleased to provided its members facility to exercise their right to vote on resolutions proposed to considered at the 26th Annual General Meeting (AGM) by electronic means and the business may be transacted through e-voting services. The Facility of casting the Votes by the member using an electronic voting system from a place other than venue of the AGM (“remote e-voting”) will be provided by National Securities Depository Limited (NSDL).
2. The facility for voting through ballot paper shall be made available at the AGM and the members attending the meeting who have not cast their vote by remote e-voting shall be able to exercise their right at the meeting through ballot paper.
3. The members who have cast their vote by remote e-voting prior to the AGM may also attend the AGM but shall not be entitled to cast their vote again.
4. The remote e-voting period commences on September 26, 2019 (9:00 am) and ends on September 29, 2019 (5:00 pm). During this period members’ of the Company, holding shares either in physical form or in dematerialized form, as on the **cut-off date of September 22, 2019**, may cast their vote by remote e-voting. The remote e-voting module shall be disabled by NSDL for voting thereafter. Once the vote on a resolution is cast by the member, the member shall not be allowed to change it subsequently.
5. A person who is a member as on the Cut-off date should treat this Notice for Information purpose only.
6. **The process and manner for remote e-voting are as under:**

Step 1 : Log-in to NSDL e-Voting system at <https://www.evoting.nsdl.com/>
 Step 2 : Cast your vote electronically on NSDL e-Voting system.

Details on Step 1 is mentioned below:

How to Log-in to NSDL e-Voting website?

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
2. Once the home page of e-Voting system is launched, click on the icon “Login” which is available under ‘Shareholders’ section.
3. A new screen will open. You will have to enter your User ID, your Password and a Verification Code as shown on the screen.
Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.
4. Your User ID details are given below:

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.
b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12***** then your user ID is 12*****.
c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***

5. Your password details are given below:
 - a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
 - b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
 - c) How to retrieve your 'initial password'?
 - (i) If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
 - (ii) If your email ID is not registered, your 'initial password' is communicated to you on your postal address.
6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
 - a) Click on "**Forgot User Details/Password?**" (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
 - b) **Physical User Reset Password?** (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address.
7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
8. Now, you will have to click on "Login" button.
9. After you click on the "Login" button, Home page of e-Voting will open.

Details on Step 2 is mentioned below:

How to cast your vote electronically on NSDL e-Voting system?

1. After successful login at Step 1, you will be able to see the Home page of e-Voting. Click on e-Voting. Then, click on Active Voting Cycles.
2. After click on Active Voting Cycles, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle is in active status.
3. Select "EVEN" of company for which you wish to cast your vote.
4. Now you are ready for e-Voting as the Voting page opens.
5. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
6. Upon confirmation, the message "Vote cast successfully" will be displayed.
7. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
8. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to _____ <Please mention the e-mail ID of Scrutinizer> with a copy marked to evoting@nsdl.co.in.

2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the “Forgot User Details/Password?” or “Physical User Reset Password?” option available on www.evoting.nsdl.com to reset the password.
 3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on toll free no.: 1800-222-990 or send a request at evoting@nsdl.co.in
7. The voting rights of members shall be in proportion to their shares of the paid up equity share capital of the Company as on the cut-off date of September 22, 2019.
 8. Any person, who acquires shares of the Company and become member of the Company after dispatch of the notice and holding shares as of the cut-off date, may obtain the login ID and password by sending a request at evoting@nsdl.co.in or Issuer/RTA. However, if you are already registered with NSDL for remote e-voting then you can use your existing user ID and password for casting your vote. If you forgot your password, you can reset your password by using “Forgot User Details/Password” option available on www.evoting.nsdl.com or contact NSDL at the following toll free no.: 1800-222-990.
 9. A person, whose name is recorded in the register of members or in the register of beneficial owners maintained by the depositories as on the cut-off date only shall be entitled to avail the facility of remote e-voting as well as voting at the AGM through ballot paper.
 10. Mr. Hemant Valand, Practicing Company Secretary (CP No. 8904), Partner of M/s. K H & Associates (Practicing Company Secretaries), Vadodara has been appointed for as the Scrutinizer for providing facility to the members of the Company to scrutinize the voting and remote e-voting process in a fair and transparent manner.
 11. The Scrutinizer shall after the conclusion of voting at the general meeting, will first count the votes cast at the meeting and thereafter unblock the votes cast through remote e-voting in the presence of at least two witnesses not in the employment of the Company and shall make, not later than three days of the conclusion of the AGM, a consolidated scrutinizer’s report of the total votes cast in favour or against, if any, to the Chairman or a person authorized by him in writing, who shall countersign the same and declare the result of the voting forthwith.
 12. The Results declared along with the report of the Scrutinizer shall be placed on the website of the Company www.madhavcorp.com and on the website of NSDL immediately after the declaration of result by the Chairman or a person authorized by him in writing. The results shall also be immediately forwarded to the BSE Limited, Mumbai.

EXPLANATORY STATEMENT UNDER SECTION 102(1) OF THE COMPANIES ACT, 2013

Item No. 2 & 3

The Board of Directors has appointed Mr. Ashok M. Khurana as an Additional Director of the Company with effect from February 14, 2019, on the recommendation of the Nomination and Remuneration Committee. As per the provisions of Section 161(1) of the Act, he holds office of Additional Director only up to the date of this Annual General Meeting of the Company, and is eligible for appointment as Director. The Company has received a notice under Section 160(1) of the Act proposing his candidature for the office of Director of the Company, along with the requisite deposit.

Mr. Ashok M. Khurana relinquished his position as the Chairman of the Company with effect from February 14, 2019 on his appointment as Executive Chairman of the Madhav Infra Projects Limited. He was nominated as the Chairman of the Board of Directors of the Company from the same date. He having a vast knowledge and pioneer of the Company and its Group. Now upon nomination he shall be appointed as non executive chairman of the Company.

Further to that, As the Members are aware, pursuant to the Regulation 17(1A) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred to as “the Listing Regulations”), effective from April 1, 2019, no listed entity shall appoint a person or continue the directorship of any person as a non-executive director who has attained the age of seventy five (75) years unless a special resolution is passed to that effect and the explanatory statement annexed to the notice proposing such appointment or continuation specifies the justification for such appointment or continuation, as the case may be.

Annual Report 2018 - 2019

Shri Ashok M. Khurana have already attained the age of seventy five (75) years, however now the Company needs to comply with these norms including amended Regulation 17(1A) of the Listing Regulations. Thus, pursuant to Regulation 17(1A) of the Listing Regulations, the Special Resolutions for continuation of their directorships from the date of attainment of age of seventy five years, will be required to be passed. The Board of Directors, at its meeting held on August 05, 2019, has unanimously decided the continuation of directorship of Shri Ashok M. Khurana considering their contribution in the upliftment of the Company.

Shri Ashok M. Khurana is founder promoter of the Company. He is looking all the administrative and financial affairs of the Company including expansion of business, material management and overall business operations. His immense experience is also a guiding factor for young leadership of the Company.

As per Secretarial Standard 2, details relating to the appointment or re-appointment or continuation of appointment as Directors is provided as an Annexure to this Notice.

None of the Directors, (except Mr Ashok Khurana, Mr. Amit Khurana and their relatives, to the interest of their shareholding interest, if any) Key Managerial Personnel of the Company and their relatives, are in any way concerned or interested in the said Resolution.

The resolution as set out in item No. 2 and 3 of this Notice is accordingly commended for your approval.

Item No. 4

As the members are aware that, Shri Amit A. Khurana, Managing Director of the Company appointed for period of 5 (five) years of his tenure w.e.f. February 14, 2019. The Nomination and Remuneration Committee recommended and subject to approval of the Members of the Company and the approval of the Central Government, if required. The Board has approved the revision in remuneration payable to Shri Amit A. Khurana, Managing Director of the Company.

The Terms of their remuneration approved by the Members at inter alia included payment of "Minimum Remuneration" to the said Managing Directors in the event of inadequacy or absence of profits, in any financial year or years during the currency of their tenure, comprising basic salary, performance linked incentive, contribution to Provident and other funds, perquisites, allowances and benefits etc., as under, subject to requisite approvals under the Act :

- A. Salary and Perquisites: Within the maximum permissible remuneration as per Schedule V of the Companies Act, 2013 in case of no profits/inadequate profits pursuant to the approval of the shareholders.
- B. Other Terms:
 1. He shall be entitled to re-imburement of actual out of pocket expenses incurred in connection with the business of the Company.
 2. He shall be entitled to re-imburement of entertainment expenses incurred for the business of the Company.
 3. As long as he functions as Chairman and Managing Director, he shall not be paid any sitting fees to attend any meeting of the Board and/or Committee thereof.
 4. In the event of inadequacy or absence of profits in any financial year, he will be entitled to the payment of salary and perquisites, as set out under point (A) above, as minimum remuneration, subject to necessary approvals, if required notwithstanding the fact that it may exceed the limits prescribed under Section 196, 197 of the Companies Act, 2013, along with the perquisites stated under point (B) above which are not included in the computation of limits for the remuneration or perquisites aforesaid.
 5. He shall be entitled to earned/privileged leave as per the Rules of the Company.

He shall be entitled for telephone facility as per Company's policy.

Further, pursuant to the provisions of Sections 117(3), 197, Schedule V as applicable and other applicable provisions, if any, of the Companies Act, 2013, the said terms & conditions of remuneration shall be placed for the approval of the Shareholders in the Annual General Meeting.

As per Secretarial Standard 2, details relating to the appointment or re-appointment or continuation of appointment as Directors is provided as an Annexure to this Notice.

None of the Directors, (except Mr Ashok Khurana, Mr. Amit Khurana and their relatives, to the interest of their shareholding interest, if any) Key Managerial Personnel of the Company and their relatives, are in any way concerned or interested in the said Resolution.

The resolution as set out in item No. 4 of this Notice is accordingly commended for your approval.

Item No. 5

In accordance with the provisions of Section 148 of the Companies Act, 2013 (the Act) and the Companies (Audit and Auditors) Rules, 2014 (the Rules), the Company is required to appoint a cost auditor to audit the cost records of Company and the remuneration payable to the Cost Auditor is to be ratified by the Members of the Company.

The Board of Directors of the Company on the recommendation of the Audit Committee, approved the appointment of M/s. Mitesh Suvagya & Co., Cost Accountant (Firm Registration No. 101470) as Cost Auditor to conduct the audit of the cost records of the Company for the financial year 2018-19 at a remuneration of Rs. 40,000 (Rupees Forty Thousand Only). In view of the requirement of the Act as set out above, the approval of members are required to ratify the remuneration payable to the Cost Audit for the financial year 2018-19 and hence being placed for approval of members.

The Board of Directors have decided to transfer the net profit after tax and adjustment for FY 2018-19 in the General Reserve account.

3. OPERATION AND PERFORMANCE REVIEW

Standalone Results

The Company recorded revenues of Rs. 302.28 in the year under review as against Rs. 318.93 Crore in the previous year. The Company took several initiatives during the last financial year, such as strengthening its presence across the present operating areas, capitalize on new opportunities that helped in achieving and consolidating growth. The growth in revenues was negative on y-o-y basis due to implication of GST. The EBIDTA for the year was Rs. 64.75 Crore as compared to Rs. 68.81 Crore in the previous year. The Profit after tax was Rs. 3.27 crore against Rs. 6.99 Crore for the previous year. The Company's net worth touched Rs. 136.30 Crore as on March 31, 2019 from Rs. 133.04 Crore as on March 31, 2018.

Consolidated Results

The Company recorded revenues of Rs. 329.06 Crore in the year under review as against Rs. 399.73 Crore in the previous year. The Company took several initiatives during the last financial year, such as strengthening its presence across the present operating areas, capitalize on new opportunities that helped in achieving and consolidating growth. The growth in revenues was negative on y-o-y basis. The EBIDTA for the year was Rs. 68.47 Crore as compared to Rs. 111.33 Crore in the previous year. The Profit after tax was Rs. 5.14 crore against Rs. 7.80 Crore for the previous year. The Company's consolidated net worth touched Rs. 127.16 Crore as on March 31, 2019 from Rs. 125.69 Crore as on March 31, 2018.

Deferred Tax (refer to note no. 7 of the financial statements and point no. 7 of the Auditors Report)

Company has declared unaccounted income before Income tax Settlement Commission ("ITSC") for the Block period (6 year period) ended in FY 2016-17 of Rs.25.81 crore and has paid tax of Rs.5.64 crore, by recovery from Tax refund against excess of TDS Deducted over tax payable of the company. The Income was declared pursuant to action u/s 132 against the company in FY 2016-17. However the declared income, net of tax paid thereon, has not been accounted for in its books of accounts till FY 2019, due to un-concluded proceedings before ITSC, which are yet to reach their finality and are expected to be concluded in FY 2019-20.

The management has decided to account for such declared income net of tax disclosed in the accounts of the company only in the year of settlement and subsequent assessment proceedings.

The carry forward of deferred tax asset/liability, shall also be impacted on account of the unaccounted income declared before tax authorities and its finalisation thereof and hence the final figure of deferred tax asset shall be ascertainable with certainty only after finalisation of undeclared income and tax thereon on conclusion of proceedings in ITSC and assessment thereafter. Hence the management has neither ascertained nor provided for deferred tax asset or liability for the financial year ended 31/03/2019.

4. DIVIDEND

Your Directors feel that it is prudent to plough back the profits for future growth of the Company and do not recommend any dividend for the year ended March 31, 2019.

Your Directors have not recommended dividend for the period ended March 31, 2019.

5. TRANSFER TO THE INVESTOR EDUCATION AND PROTECTION FUND

In terms of Section 125 of the Companies Act, 2013, there is no unclaimed dividend due for remittance to the Investor Education and Protection Fund established by the Central Government.

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO

Information as required under Section 134 of the Companies Act, 2013 read with the Companies (Accounts) Rules, 2014 is set out hereunder.

1) CONSERVATION OF ENERGY

a) Steps taken for conservation of energy

Utilization of energy is the one of the core area used during the construction. Total cost of construction includes large part of energy consumption. Energy conservation continues to be the key focus area of your Company. The Company is making continuous effort for energy conservation. Effective measures have been taken to monitor consumption of energy during the process of construction. Continuous monitoring and awareness amongst employees has helped to avoid wastage of energy. Major steps taken for energy conservation for FY 2018-19 including some of the proposed steps are as under:

- Your company's head office, corporate office and toll booths are so well constructed which required minimum power consumption during daylight.
- Your company has acquired highly efficient machinery/equipment which gives maximum output by using optimum resources.
- Continuously we take necessary activities to educate and encourage employees to establish energy efficient practices.

b) Steps taken by the Company for Utilizing alternative source of energy

Solar panels turn energy from the sun's rays directly into useful energy that can be used in homes and businesses. There are two main types: solar thermal and photovoltaic, or PV. Solar thermal panels use the sun's energy to heat water that can be used in washing and heating. PV panels use the photovoltaic effect to turn the sun's energy directly into electricity, which can supplement or replace a building's usual supply.

Your Company has set up solar panel at your corporate office which generate photovoltaic electricity from sunlight/sun heat.

c) The capital investment on energy conservation equipment

Your Company has invested Rs. 49.16 lakhs towards energy conservation equipment up to March, 2019.

2) TECHNOLOGY ABSORPTION

a) Efforts made towards technology absorption

Your Company has made efforts towards utilization of best technology available in the market to curb cost. Your Company lays considerable emphasis on quality maintenance and product enhancement. Your Company has spent money towards technology absorption as when required.

b) Expenditure on R & D

Your Company has not been spend any money towards research and development.

3) FOREIGN EXCHANGE EARNINGS AND OUTGO

(INR in Lakhs)

Particulars	2018-19	2017-18
a) Total Foreign Exchange Used in Import	0.15	339.23
b) Total Foreign Exchange Earned from Export	Nil	Nil

SECRETARIAL AUDIT REPORT

(For the Financial year ended on March 31, 2019)

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
MADHAV INFRA PROJECTS LIMITED

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practice by **MADHAV INFRA PROJECTS LIMITED** (hereinafter called “the Company”). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing our opinion thereon.

Based on our verification of the Company’s books, papers, minutes books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2019, complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company, for the financial year ended on 31st March, 2019, according to the provisions of:

1. The Companies Act, 2013 (the Act) and the rules made thereunder.
2. The Securities Contracts (Regulation) Act, 1956 (‘SCRA’) and the rules made thereunder;
3. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
4. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment and Overseas Direct Investment and External Commercial Borrowings. - Not Applicable to the Company during the Audit period;
5. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (‘SEBI Act’).
 - A. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - B. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;
 - C. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009. - Not Applicable to the Company during the Audit Period;

CORPORATE GOVERNANCE CERTIFICATE

To
The Members of
Madhav Infra Projects Limited

We have examined the compliance of the conditions of Corporate Governance by The Madhav Infra Projects Limited ('the Company') for the year ended on March 31, 2019, as stipulated under Regulations 17 to 27, clauses (b) to (i) of sub-regulation (2) of Regulation 46 and para C, D & E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations").

The compliance of the conditions of Corporate Governance is the responsibility of the management. Our examination was limited to the review of procedures and implementation thereof, as adopted by the Company for ensuring compliance with conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, and the representations made by the Directors and the management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the SEBI Listing Regulations for the year ended on March 31, 2019.

We state that in respect of investor grievances received during the year ended March 31, 2019, no investor grievance is pending against the Company, as per the records maintained by the Company and presented to the Stakeholders Relationship Committee.

We further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company

Management Discussion & Analysis

1. FORWARD-LOOKING STATEMENTS

This Report contains statements that constitute 'forward looking statements' including, without restraint, statements relating to the expectations, projections and implementation of strategic initiatives and other statements relating to the future business growth/ developments and economic performance. This statements based on certain expectations, believes, projections and future expectations concerning, the development of strategic growth, market risks, uncertainties and other factors depends on the management's thoughts. It could be differ from actual performance and results, to differ significantly from Management's thoughts / expectations.

2. INDUSTRY STRUCTURE AND DEVELOPMENTS

The Indian economy is the bright spot in the global landscape, becoming one of the fastest-growing big emerging market economies in the world. The Indian infrastructure Research report provides a realistic estimate of investment opportunity in infrastructure amid the stiff challenges facing the sector. Infrastructure is the second largest economic activity in India after agriculture, and has been growing rapidly. The production of industrial machinery has also been on the rise - and the increasing flow of goods has spurred increases in rail, road and port traffic, necessitating further infrastructure improvements.

The government's policy to increase private sector participation has proved to be a boon for the infrastructure industry with a large number of private players entering the business through the public-private partnership (PPP) model. The Government permitting 100 per cent foreign direct investment (FDI) in the road sector, several foreign companies have formed partnerships with Indian players to capitalise on the sector's growth. MAIF 2 become the first largest foreign investment in Indian roads sector under TOT mode worth Rs 9,681.5 crore (US\$ 1.50 billion). The total amount of investments* are estimated to reach Rs 1.58 trillion (US\$ 2.25 billion) in FY19. The length of national highways constructed reached 6,715 km at a pace of 24.42 kms per day between April-December 2018. The Government of India aims to construct 65,000 km of national highways at the cost of Rs 5.35 lakh crore (US\$ 741.51 billion) by 2022.

(a) Road Infrastructure

Road Infrastructure is vital to India's economy. Roads are a major mode of Transportation in India today. India has the second largest road network in the world at 5.5 million km. This network transports more than 64.5 per cent of all goods in the country and 90 per cent of India's total passenger traffic. Road movement has gradually increased over the years with the improvement in connectivity between cities, towns and villages in the country.

The private sector has emerged as a key player in the development of road infrastructure in India. Increased industrial activities, along with increasing number of two and four wheelers have supported the growth in the road transport infrastructure projects. The government's policy to increase private sector participation has proved to be a boon for the infrastructure industry with a large number of private players entering the business through the public-private partnership (PPP) model.

The construction of highways reached 9,829 km during FY18 which was constructed at an average of 26.93 km per day. The Government of India has set a target for construction of 10,000 km national highway in FY19. Total length of roads constructed under Prime Minister's Gram Sadak Yojana (PMGSY) was 47,447 km in 2017-18.

The government, through a series of initiatives, is working on policies to attract significant investor interest. A total of 200,000 km national highways are expected to be completed by 2022. The Ministry of Road Transport and Highways has fixed an overall target to award 15,000 km projects and construction of 10,000 km national highways in FY19. A total of about 295 major projects including bridges and roads are expected to be completed during the same period. In March 2019, National Highway projects worth Rs 1,10,154 crore were inaugurated.

(b) Solar Energy

Power generation from renewable energy sources in India reached 101.84 billion units in FY18 and 126.76 billion units during April 2018-March 2019. As of April 2019, total renewable power installed capacity (excluding large hydro) in the country stood at 79.03 GW. Overall, India added 8.62 GW of grid interactive renewable energy capacity in FY19.

In 2018, India was the third largest solar market in the world behind China and the United States with 8.3 GW of solar PV capacity installed in the year. India's solar capacity addition is set for a record in 2019. New installations this year will reach nearly 14 gigawatts (GW), which is about 50% more than the capacity added last year, according to a report by an Energy Consultancy Firm. The new capacity addition will take India's installed solar capacity to about 38 GW by the end of the year. Overall, the country is estimated to add nearly 16 GW of clean energy capacity in 2019, driven by large-scale solar projects.

In 2019, renewable energy in India is expected to add 10-15 GW capacity, out of which most is expected to come from solar. Government of India is focusing on rooftop solar power growth of about 40% more than year 2018.

The Ministry of New and Renewable Energy, Government of India, has formulated an action plan to achieve a total capacity of 60 GW from hydro power and 175 GW from other RES by March, 2022, which includes 100 GW of Solar power, 60 GW from wind power, 10 GW from biomass power and 5 GW from small hydro power. This has been proving to be the major thrust for the sector in India as the market players have sufficient incentives to move to clean source. The Ministry of New and Renewable Energy (MNRE) has decided to provide custom and excise duty benefits to the solar rooftop sector, which in turn will lower the cost of setting up as well as generate power, thus boosting growth. The Indian Railways is taking increased efforts through sustained energy efficient measures and maximum use of clean fuel to cut down emission level by 33 per cent by 2030.

Government of India is aiming to achieve 225 GW of renewable energy capacity by 2022, much ahead of its target of 175 GW as per the Paris Agreement. Under Union Budget 2018-19, Rs 3,762 crore (US\$ 581.09 million) has been allocated for grid-interactive renewable energy schemes and projects. The Government of India allocated Rs 3,004.90 crore (US\$ 416.48 million) in the interim budget 2019-20 for development of solar power projects including both grid-interactive and off-grid and decentralized categories.

The industry has witnessed rapid growth over the past few years and is projected to grow further in future. As India is blessed with ample solar radiation and most part of the country receives 300 to 330 sunny days in a year. India today receives solar energy equivalent to more than 5,000 Trillion kWh per year, which is far more than its total annual energy consumption. India's geographical location, large population and government support are assisting it to become one of the most rapidly emerging solar energy markets in the world.

3. OPPORTUNITIES

In order to keep pace with the expected trade growth, the demand for the provision of power, transportation and logistics will grow likewise. The infrastructure sector has become the biggest focus area of the Government of India. Under Union Budget 2019-20, US\$ 63.20 billion was allocated to the sector India's national highway network is expected to cover 50,000 kilometres by 2019. National highway construction in India has increased by 20 per cent year-on-year in 2017-18. In the road's sector, the government's policy to increase private sector participation has proved to be a boon for the infrastructure industry with a large number of private players entering the business through the public-private partnership (PPP) model. India is expected to become the third largest construction market globally by 2022. India has a requirement of investment worth Rs 50 trillion (US\$ 777.73 billion) in infrastructure by 2022 to have sustainable development in the country.

Foreign Direct Investment (FDI) received in Construction Development sector (townships, housing, built up infrastructure and construction development projects) from April 2000 to March 2019 stood at US\$ 25.05 billion, according to the Department of Industrial Policy and Promotion (DIPP). The logistics sector in India is growing at a CAGR of 10.5 per cent annually and is expected to reach US\$ 215 billion in 2020.

4. THREATS

Factors, which can threaten the business model and the Company's market standing, emerge from changes in government policies, safety and security concerns and so on. Some possible threats include:

- **Market competition:** The Company competes with a number of Indian and international infrastructure operators in acquiring concessions for both new and existing road projects. The competition, which had increased manifold in the past decade, has now eased out relatively in the last two years with market players turning cautious, leading to more rational bids. For NHAI bids, 2015 saw 3-4 bidders vying for BOT highway projects, compared to 20 bidders in 2011. Considering the ever-changing market competition, the Company adapts its policies and procedures to ensure a sustained business model. With the government keen on promoting EPC contracts, the duplicity of participants in both the EPC and the PPP sector are expected to reduce considerably, with very few and established players remaining in the PPP sector. There are also giant companies in the competition with highly technological equipment which make hurdles to your Company to get tender at best price.
- Our profitability and result of operations may be adversely affected in the event of increases in the prices of raw materials, sub-contracting costs, and costs of consumables and spares or other inputs, or a delay in the supply of raw materials.
- Working capital cycle has been lengthened mainly due to overextended receivables, which has affected the cash flow position of companies in the sector. The Sector continues to face rising material and labor costs. High inflations have diminished private sector investments in capital expenditure. These along with the high interest rates have led to drops in margins.
- Infrastructure financing has been a major problem particularly in the roads sector and banks need to make modifications to meet financing needs of road sector. Long-term funding has been a problem for banks as it has to borrow short-term to lend long-term projects. Funds are required and so is innovation. Long term market instability and uncertainty may damage the opportunities and prevent the expansion.

5. OUTLOOK

The history of infrastructure Industry in India has witnessed higher growth and will continue to be so because of the following reasons. Sectors like power transmission, roads & highways and renewable energy will drive the investments in the coming years. New models of infrastructural development such as HAM will be beneficial by bringing together both private and public participants. India has a requirement of investment worth 50 trillion (US\$ 777.73 billion) in infrastructure by 2022 to have sustainable development in the country. Thus, the speed of infrastructural development needs to be amped up for bridging the demand-supply gap.

6. FINANCIAL PERFORMANCE

An overview of the financial performance is given in the Directors' Report. The Audit Committee constituted by the Board of Directors periodically reviews the financial performance and reporting systems.

7. SUBSIDIARIES COMPANY

The Company having mainly three Subsidiaries at the end of the Financial year March 31, 2019.

- ***S. J. Green Park Energy Private Limited***

The Company is engaged in generating power and established its business in the state of Gujarat in Surendranagar for generation of energy through solar plant having capacity of 5 MW have entered in to PPA with Gujarat Urja Vikas Nigam Limited. The Madhav Infra Projects Limited acquired this Company by way of Invocation of Shares against loan given by the Company.

- ***Badi Baktara Toll Private Limited***

The Company is engaged in the business of the strengthening, construction, Operation, Maintenance and Transfer of Badi- Baktara-Shahganj (SH-15) Road under OMT Basis in the state of Madhya Pradesh.

- ***MI Solar (I) Private Limited***

The Company is engaged in generating power and trading, purchasing, marketing, selling, importing, exporting, producing, manufacturing, transmitting, commissioning, distributing, supplying, exchanging or otherwise dealing in all aspects of thermal, Hydro, Nuclear, Solar, Solar Rooftop, Wind power and for installation, maintenance of solar power plant, roof tops and any kind of equipment system related to solar and to provide services for maintenance, renovation and modernization of all kinds of equipment required for Solar Power and Renewable Energy.

During the previous year the due to change in definition of subsidiary vide the word 'total share capital' substituted with the 'total voting power' in Companies Amended Act, 2017 with effect from May 07, 2018 upon that the Company viz. *Madhav (Sehora Silodi Corridor) Highways Private Limited and Madhav (Phoolsagar Niwas Shahpura Corridor) Highways Private Limited* is not considered as subsidiary company and other companies viz. *Madhav Infracon (BK Corridor) Private Limited, Khalghat Manawar Toll Private*

Limited, Sarangpur Agar Road Private Limited and Madhav Solar (J) Private Limited, excluded due to Company has made disinvestment through sale of shares. Profit on sale of shares included in other income.

In connection with the *MSK Projects (India) (JV) Limited*, the Company is Amalgamated with its Holding Company viz. Madhav Infra Projects Limited vide NCLT, Ahmedabad Bench order dated 31st August, 2017. The form is yet pending for approval with the Registrar of Companies, Ahmedabad.

8. RISK AND CONCERNS

The Company's main business is the construction of Infrastructure Projects. In every projects there are various type of Risk involved, such as non-availability/ shortage of Resources viz., raw material, steals, and cements etc., Projects not completed in time due to various reasons viz., cost overruns, force majeure etc., sometime legal encumbrances and technical problems. Your Company has employee focus in the sense that it provides fulfillment, stretch and opportunity for development of its employees at all levels. It is because of the considerable skill and motivation of the employees, that your Company is able to deliver performance satisfaction. Your Board would like to express its sincere appreciation and gratitude to all employees on behalf of the stakeholders of your Company, who getting benefit from their hard work.

10. INTERNAL CONTROLS AND THEIR ADEQUACY

Your Company has adequate internal control systems to monitor business processes, financial reporting and compliance with applicable regulations. It has documented procedures covering all financial, operating and management functions. These controls have been designed to provide a reasonable assurance with regard to maintaining proper accounting controls, monitoring of operations, protecting assets from unauthorized use or losses, compliances with regulations and for ensuring reliability of financial reporting. The Company has continued its efforts to align all its processes and controls with best practices in these areas as well. The systems are periodically reviewed for identification of control deficiencies and formulation of time bound action plans to improve efficiency at all the levels.

The Audit committee of the Board reviews internal control systems and their adequacy, significant risk areas, observations made by the internal auditors on control mechanism and the operations of the company, recommendations made for corrective action and the internal audit reports. The committee reviews with the statutory auditors and the management, key issues, significant processes and accounting policies. The company continues its efforts in strengthening internal controls to enable better management and controls over all processes.

11. CAUTIONARY STATEMENT

Some of the statements in this Management Discussion and Analysis, describing the Company's objectives, projections, estimates and expectations may be 'forward looking statements' within the meaning of applicable Laws and Regulations. Actual results might differ substantially from those expressed or implied. Important developments that could affect Company's Operations include changes in economic conditions affecting demand, supply and price movements in the domestic and overseas markets in which your Company operates, changes in the Government regulations, Tax Laws and other Statutes or other incidental factors. Market data and products information contained in this Report have been based on information accumulated from various published and unpublished reports and their accuracy, reliability and completeness cannot be assured. The Company assumes no responsibility in respect of forward looking statements which may be amended or modified in future.

Report on Corporate Governance

1. CORPORATE GOVERNANCE PHILOSOPHY

The fundamental principle of Corporate Governance is achieving sustained growth ethically and in the best interest of all stakeholders. Effective corporate governance practices constitute the strong foundation on which successful commercial enterprises are built to last. The Company's philosophy on corporate governance oversees business strategies and ensures fiscal accountability, ethical corporate behaviour and fairness to all stakeholders comprising regulators, employees, customers, vendors, investors and the society at large.

The Company has a strong legacy of fair, transparent and ethical governance practices and it believes that good Corporate Governance is essential for achieving long-term corporate goals and to enhance stakeholders' value.

The Company has adopted a Code of Conduct (COC) for its employees in all matters relating to business. This is further strengthened by the adoption of COC for its employees, including the Managing Director. In addition, the Company has adopted a COC for its Non-Executive Directors including COC for Independent Directors which suitably incorporates the duties of Independent Directors as laid down in the Companies Act, 2013 ('the Act'). The Company's Corporate Governance philosophy is also reinforced through adoption of the Code of Conduct for Prevention of Insider Trading, Code of Corporate Disclosure Practices and the Tata Business Excellence Model. The Company has also adopted the Guidelines on Board Effectiveness to fulfill its responsibilities towards its stakeholders.

The Company has adhered to the requirements stipulated under Regulations 17 to 27 read with Para C and D of Schedule V and clauses (b) to (i) of Corporate Governance Report sub-regulation (2) of Regulation 46 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations') as applicable, with regard to Corporate Governance.

2. BOARD OF DIRECTORS

(a) Composition

The Board of Directors of the Company is the highest governance authority within the management structure of the Company. Further, the Board of Directors of the Company is totally committed to the best practices for effective Corporate Governance. The Board of your Company consists of 5 (five) Directors as on March 31, 2019, out of which 2(Two) are Executive Directors and 3 (three) are Non-executive Directors including the woman director. The Chairman of the Board is an Executive Director and 2/3rd of the Board consists of Independent Directors.

The Composition of the Board is in compliance with Section 149 of the Companies Act 2013 read with Regulation 17 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations') along with Listing Agreement as amended, entered into with Stock Exchanges.

None of the Directors on the Board is a Member of more than 10 Committees and Chairperson of more than 5 Committees (Committees being Audit Committee and Stakeholders Relationship Committee, as per Regulation 26(1) of the Listing Regulations), across all public companies in which he/she is a Director. The necessary disclosures regarding committee positions have been made by all the Directors.

None of the Directors hold office in more than 20 companies and in more than 10 public companies as prescribed under Section 165(1) of the Act. No Director holds Directorships in more than 8 listed companies and none of the Independent Directors ('ID') served as ID in more than 7 listed companies as per Regulations 17A of the SEBI (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018. The Managing Directors did not serve as an Independent Director in any listed company.

(i) Share Transfer System

Trading in equity shares of the Company through recognized Stock Exchanges can be done only in dematerialized form. In case of shares held in physical form, the transferred share certificates duly endorsed are dispatched within 15 days from the date of receipt of documents, provided documents are valid and complete in all respects. In compliance of the relevant provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the share transfer system of the Company is audited every six months by a Practicing Company Secretary and a certificate to that effect is issued by him/her.

Trading / Transfer in the shares of the Company shall compulsorily be done in dematerialized form only w.e.f. April 01, 2019. Pursuant to SEBI Press Release No. 12/2019 dated 27th March, 2019, SEBI had clarified that the investors may continue to hold such shares in physical form even after the 1st April, 2019 subject to condition that investor who is desirous of transferring shares (which are held in physical form) after April 01, 2019 can do so only after the shares are dematerialized. Shareholders are therefore advised to dematerialize your physical shareholding at the earliest, if not yet already done. Dematerialization would facilitate paperless trading through state-of-the-art technology, quick transfer of corporate benefits to members and avoid inherent problems of

bad deliveries, loss in postal transit, theft and mutilation of share certificate and will not attract any stamp duty. It also substantially reduces the risk of fraud. Hence, we request all those members who have still not dematerialized their shares to get their shares dematerialized at the earliest.

In case of request for dematerialization of shares, confirmation of dematerialization is sent to the respective depository *i.e.* National Securities Depository Limited (NSDL) or Central Depository Services (India) Limited (CDSL), expeditiously.

(j) Distribution of Shareholding as on March 31, 2019

As per Regulation 30 of the SEBI (LODR) Regulations, the Company has adopted a Policy on Determination of Materiality for Disclosures.

(g) Code of Conduct for Prevention of Insider Trading:

The Company has adopted the Code of Conduct for Prevention of Insider Trading under the SEBI (Prohibition of Insider Trading) Regulations, 2015 ('Code'). The Code lays down guidelines for procedures to be followed and disclosures to be made by insiders while trading in the securities of the Company.

During the year under review, both the above Codes were amended to align them with the amendments to SEBI (Prohibition of Insider Trading) Regulations, 2015. As per the revised Code, the Company has also adopted Policy on Enquiry in case of leak or suspected leak of Unpublished Price Sensitive Information and Policy for Determination of Legitimate Purposes. The Code of Corporate Disclosure Practices along with the Policy for Determination of Legitimate Purposes is also available on the website of the Company.

(h) Reconciliation of Share Capital Audit Report

Pursuant to Regulation 76 of the Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018 and SEBI Circular No D&CC / FITTC/ Cir- 16/2002 dated December 31, 2002, A qualified practicing Company Secretary carried out a share capital audit to reconcile the total admitted equity share capital with the National Securities Depository Limited ("NSDL") and the Central Depository Services (India) Limited ("CDSL") and the total issued and listed equity share capital. The audit report confirms that the total issued / paid-up capital is in agreement with the total number of shares in physical form and the total number of dematerialized shares held with NSDL and CDSL.

(i) CEO/CFO Certification:

The Managing Director as CEO has certified to the Board in accordance with Regulation 17(8) read with Part B of Schedule II to the Listing Regulations pertaining to CEO/ CFO certification for the financial year ended 31st March, 2019. The Company has appointed CFO with effect from April 20, 2019.

(j) Disclosure of compliance of regulation 17 to 27 and clauses (b) to (i) of sub regulation (2) of regulation 46

The Company has complied with all the mandatory requirements specified in Regulations 17 to 27 and clauses (b) to (i) of sub-regulation (2) of Regulation 46 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

(k) Disclosures with respect to Demat suspense account/ unclaimed suspense account

The Company does not have any shares in the Demat suspense account or unclaimed suspense account.

(l) Compliance certificate from either the auditors or practicing company secretaries regarding compliance of conditions of corporate governance

The Certificate from the practicing company secretaries, regarding compliance of conditions of corporate governance is annexed with the Directors' Report and forms an integral part of the Annual Report.

Independent Auditor's Report

Standalone

To the Members of MADHAV INFRA PROJECTS LIMITED

Report on the Audit of the Financial Statements

1. Opinion

We have audited the standalone financial statements of MADHAV INFRA PROJECTS LIMITED ("the Company"), which comprise the standalone Balance Sheet as at March 31, 2019 and the standalone Statement of Profit and Loss (including other comprehensive income), standalone statement of changes in equity and the standalone statement of cash flows for the year ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules as amended:

- a) In the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2019;
- b) In the case of the Statement of Profit and Loss, of the Profit for the year ended on that date; and
- c) In the case of the Cash Flow Statement, of the Cash Flows for the year ended on that date.

2. Basis for Qualified Opinion

- I. Consequent to action under section 132 of the Income Tax Act in Madhav Group of Company during Nov. 2016, searches/surveys was carried out at various places. The searches resulted in seizure /impounding of documents.

Based on survey, department issued notices for filing returns from the year 2010-2011 to 2015-16, accordingly returns for the above year were filed. Subsequently, the Company has filed application to Hon'ble Income Tax Settlement Commission disclosing additional / unaccounted income of Rs. 25.85 crores for the above years on which tax and interest liability is Rs. 5.64 crores (after some adjustments). The Hon'ble Income Tax Settlement Commission has admitted the application u/s 245D (1) of the Income Tax Act. The case is pending before Hon'ble Income Tax Settlement Commission. (refer Note No. 48)

Effect of the said disclosure and tax liability is not given in the books of accounts.

- II. Non-ascertainment and Non-Provision of Deferred Tax Liability as required under Ind AS -12 'Income Tax' (refer Note No. 43).
- III. None disclosure of the required information as required under Ind AS - 11 (Construction Contracts) regarding Construction Contracts.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

3. Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. We have determined that there are no key audit matters to be communicated in our report.

4. Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act, with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

5. Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, if applicable, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical

requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

6. Report on other Legal and Regulatory Requirements

- I. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of sub-section (11) of section 143 of the Act, and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure "A" a statement on the matters specified in the paragraph 3 and 4 of the said Order, to the extent applicable.
- II. As required by section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law except for the effects of the matters described in the Basis for Qualified Opinion section of our report have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss and Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) The standalone Balance sheet, the Standalone Statement of Profit and Loss including Other Comprehensive Income, the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flow dealt with by this report are in agreement with the relevant books of account.
 - e) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - f) On the basis of written representations received from the directors as on 31 March, 2019, taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2019, from being appointed as a director in terms of Section 164(2) of the Act.
 - g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in 'Annexure B' and
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended in our opinion and to the best of our information and according to the explanations given to us, remunerations paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - i) In our opinion and to the best of our information and according to the explanations given to us, we report as under with respect to the other matters included in the Auditor's Report in accordance with the Rule 11 of the Companies (Audit and Auditors) Rules, 2014:
 - I. The Company does not have any pending litigations which would impact its financial position.
 - II. The Company did not have any long-term contracts including derivative contracts as such the question of commenting on any material foreseeable losses thereon does not arise.
- III. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE A TO INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 6 under the heading of "Report on other legal and regulatory requirements" of our report of even date)

1. a) The Company has maintained proper records showing full particulars including quantitative details and situation of its fixed assets.
- b) Major portion of fixed assets has been physically verified during the year by the management in accordance with a program of verification, which, in our opinion provides for physical verification of all the fixed assets at reasonable interval. No material discrepancies were noticed on such physical verification.
- c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
2. As explained to us, the inventories were physically verified by the management at reasonable intervals during the year and no material discrepancies were noticed on such verification.
3. The Company has granted interest free Unsecured Loan to the Companies covered in the register maintained under section 189 of the Companies Act, 2013.
 - a) The terms and conditions of grant of such loan are not prejudicial to the company's interest except non charging of interest on the loan granted.
 - b) There is no stipulation for the repayment of principal amount and interest is not charged on the loan. The principal amount outstanding is Rs.1,22,69,079 as on 31/03/19.
4. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Act, with respect to the loans and investments made and guarantees given except interest free loan to its Companies in which Director (s) of the Company is interested.
5. The Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable to the Company.
6. The Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Act, for any of the product manufactured by the Company.
7. a) According to the information and explanation given to us and on the basis of our examination of the records of the Company, amount deducted / accrued in the books of account in respect of un-disputed statutory dues including provident fund, employees' state insurance, income-tax, service tax, duty of custom, duty of excise, value added tax, cess and other material statutory dues have been generally regularly deposited during the year by the Company with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of such statutory dues were in arrears as at 31st March 2019 for the period of more than six months from the date they became payable.
- b) According to information and explanation given to us, there are no disputed income tax, sales tax, excise duty, service tax and Goods and Service Tax which have not been deposited on any account of dispute.
8. The Company has not defaulted in repayment of any loans or borrowings from any financial institution, banks, government or debenture holders during the year. Accordingly, provision of Clause 3(viii) of the Companies (Auditor's Report) order 2016, is not applicable to the Company.
9. The Company has not raised money by way of further public offer (including debt instruments) and money raised by way of term loan were applied for the purposes for which they were raised.
10. According to the information and explanation given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.
11. According to the information and explanation given to us and based on our examination of the records of the Company, remuneration has been paid to the Managerial persons in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act, 2013.

12. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, provision of Clause 3(xii) of the Companies (Auditor's Report) order 2016, is not applicable to the Company.
13. According to the information and explanation given to us and based on our examination of the records of the Company, transaction with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
14. According to the information and explanation given to us and based on our examination of the records of the Company, the Company has not made preferential allotment during the year.
15. According to the information and explanation given to us and based on our examination of the records of the Company, the Company has not entered in to non-cash transactions with directors or persons connected with him. Accordingly, provision of Clause 3(xv) of the Companies (Auditor's Report) order 2016, is not applicable to the Company.
16. The Company is not required to be registered under Section 45 -IA of the Reserve Bank of India Act 1934.

ANNEXURE-B TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **MADHAV INFRA PROJECTS LIMITED** ("the Company") as of March 31, 2019 in conjunction with our audit of the financial statements for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2019

Statement of Significant Accounting Policies for the year ended March 31, 2019

GENERAL INFORMATION

Madhav Infra Projects Limited (the Company) is a public limited company incorporated in India (CIN: L45200GJ1992PLC018392) having its registered office in Vadodara. The Company is engaged in the business of Infrastructure Development & Solar Power generation.

These standalone financial statements for the year ended March 31, 2019 were approved for issue by the Board of Directors vide its resolution dated August 05, 2019.

1. SIGNIFICANT ACCOUNTING POLICIES

1.1 STATEMENT OF COMPLIANCE

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) Rules, 2016.

1.2 BASIS OF PREPARATION

The financial statements have been prepared on a historical cost basis except for certain financial assets and financial liabilities (including financial instruments) which have been measured at fair value at the end of each reporting period as explained in the accounting policies stated below.

1.3 CURRENT VS NON - CURRENT CLASSIFICATION

The Company has classified all its assets and liabilities under current and non-current as required by Ind AS 1- Presentation of Financial Statements. The asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle;
- Held primarily for purpose of trading;
- Expected to be realized within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

All liabilities are current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

1.4 REVENUE RECOGNITION

All revenue and expenses are accounted for on accrual basis except to the extent stated otherwise. The Company follows the percentage completion method, based on the stage of completion at the Balance sheet date taking in to account the contractual price and revision thereto by estimating total revenue and total cost till completion of the contract and profit so determined has been accounted for proportionate to the percentage of the actual work done.

In the case of lump-sum contract revenue is recognized on the completion of milestone as specified in the contract or as identified by the management. Foreseeable losses are accounted for as and when they are determined except to the extent they are expected to be recovered through claims presented or to be presented to be customer or in arbitration.

Amount due in receipt of the price escalation claim and/ or variation in contract work approved by the customers are recognized as revenue only when there are conditions stipulated in the contracts for such claims or variation and/ or the same are evidenced inter alia by way of confirmation of the same are accepted by the customers.

Disputed amount under the contract works are recognized as revenue when the same are settled and amounts are received.

Liquidated damages payable, if any, as per the terms of contract, for the delays, if any, are accounted only when such delay is attributable to the company.

Dividend

Dividend income is recognized when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

Interest Income

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the

expected life of the financial asset to that asset's net carrying amount on initial recognition.

1.5 FOREIGN CURRENCY TRANSACTION

Transactions in foreign currency are recorded at the exchange rate prevailing on the date of the transaction. Foreign currency denominated monetary assets and liabilities at the Balance Sheet date are translated at the exchange rate prevailing on the date of Balance Sheet.

Exchange rate differences resulting from foreign currency transactions settled during the period including year-end translation of assets and liabilities are recognized in the Statement of Profit and Loss.

Non-monetary assets, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the initial transaction.

Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognized in OCI or Statement of Profit and Loss are also recognized in OCI or Statement of Profit and Loss, respectively).

1.6 GOVERNMENT GRANTS

Monetary government grants are recognized where there is reasonable assurance that the grant will be received and all attached conditions will be complied with.

The grant related to an expense item is recognized as income in the year in which it is received. Grant in the form of cash benefit is recognized in the Balance Sheet as deferred income and it is transferred to Statement of Profit and Loss over the useful life of the concerned asset.

1.7 EMPLOYEE BENEFITS

Short Term Employee Benefits:

A liability is recognised for benefits accruing to employees in respect of short term employee benefits in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

A liability is recognised for benefits accruing to employees in respect of other long term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by the employees up to the reporting date.

1.8 TAX EXPENSES

Current Tax

Current tax payable is calculated based on taxable profit for the year. Current tax is recognized based on the amount expected to be paid to or recovered from the tax authorities based on applicable tax laws that have been enacted or substantively enacted by the balance sheet date. Management periodically evaluates positions taken in the tax return with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities are generally recognized for all taxable temporary timing difference. Deferred tax assets are recognized for deductible temporary differences to the extent that they are probable that taxable profit will be available against which the deductible temporary difference can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and adjusted to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted on the reporting date.

Current and deferred tax for the year are recognized in profit or loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively.

Minimum Alternate Tax (MAT) Credit

Minimum Alternate Tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The Company recognises MAT credit available as a deferred tax asset only to the extent that there is reasonable certainty that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. The MAT credit to the extent there is reasonable certainty that the Company will utilise the credit is recognised in the Statement of profit and loss and corresponding debit is done to the Deferred Tax Asset as unused tax credit.

1.9 PROPERTY, PLANT AND EQUIPMENT

Freehold Land is stated at historical cost

All other items of property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably. When significant parts of plant and equipment are required to be replaced at intervals, the company depreciates them separately based on their specific useful lives. All other repairs and maintenance costs are recognized as expense in the statement of profit and loss account as and when incurred.

Expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre - operative expenses and disclosed under Capital Work- in- Progress.

Cost of the assets less its residual value (estimated at 5% of the cost) is depreciated over its useful life. Depreciation is provided using written down value method on depreciable amount. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013 except in respect of the following assets, where useful life is different than those prescribed in Schedule II;

Particulars	Depreciation
Plant & Machinery of Solar Power Generation Plant	25 Years

The management believes that the estimated useful lives are realistic and reflects fair approximation of the period over which the assets are likely to be used. At each financial year end, management reviews the residual values, useful lives and method of depreciation of property, plant and equipment and values of the same are adjusted prospectively where needed.

1.10 INTANGIBLE ASSETS

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses. Internally generated intangibles are not capitalized and the related expenditure is reflected in the statement of profit or loss in the period in which the expenditure is incurred.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortization period or method, as appropriate, and are treated as changes in accounting estimates. The amortization expense on intangible assets with finite lives is recognized in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

Intangible assets with indefinite useful lives are not amortized, but are tested for impairment annually, either individually or at the cash-generating unit level. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit or loss when the asset is derecognized.

1.11 BORROWING COST

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are considered as a part of cost of such assets less interest earned on the temporary investment. A qualifying asset is one that necessarily takes substantial period of time to get ready for the intended use. All other borrowing costs are charged to Statement of Profit & Loss in the year in which they are incurred.

1.12 IMPAIRMENT OF ASSETS

The Company assesses at each reporting date as to whether there is any indication that any property, plant and equipment and intangible assets or group of assets, called cash generating units (CGU) may be impaired. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

An impairment loss is recognized in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

1.13. INVENTORY

- i. Inventory is valued at lower of cost and net realizable value. Cost is determined on FIFO basis
- ii. Unbilled cost are carried as construction work in progress which is valued considering the stage of completion and for sea-ble losses in accordance with the Indian Accounting Standard - 11.
- iii. Stores and spares are written off in the year of purchase.

1.14. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions

Provisions are recognized when the company has present obligation (legal or constructive) as a result of past event and it is probable that outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense related to a provision is presented in the statement of profit and loss net of any reimbursement/contribution towards provision made.

If the effect of the time value of money is material, estimate for the provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent Liability

- When there is a possible obligation which could arise from past event and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or;
- A present obligation that arises from past events but is not recognized as expense because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or;
- The amount of the obligation cannot be measured with sufficient reliability.

Commitments

Commitments include the value of the contracts for the acquisition of the assets net of advances

Contingent Assets

Contingent asset is disclosed in case a possible asset arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date.

Onerous Contract

A provision for onerous contracts is measured at the present value of the lower expected costs of terminating the contract and the expected cost of continuing with the contract. Before a provision is established, the Company recognizes impairment on the assets with the contract.

1.15. LEASES

A lease that transfers substantially all the risks and rewards incidental to ownership to the lessee is classified as a finance lease. All other leases are classified as operating leases.

Company as a lessee-

Finance leases are recognized at the commencement of the lease at the inception date fair value of the leased property or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognized in profit or loss as finance costs, unless they are directly attributable to qualifying assets, in which case they are recognized in accordance with the Company's general policy on the borrowing costs. Contingent rentals are recognized as expenses in the periods in which they are incurred.

Operating lease payments are generally recognized as an expense in the profit or loss on a straight-line basis over the lease term. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases, such increases are recognized in the year in which such benefits accrue. Contingent rentals arising under operating leases are also recognized as expenses in the periods in which they are incurred.

Company as a lessor-

Rental income from operating lease is generally recognized on a straight-line basis over the term of the relevant lease. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the Company's expected inflationary cost increases, such increases are recognized in the year in which such benefits accrue. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognized over the lease term on the same basis as rental income. Contingent rents are recognized as revenue in the period in which they are earned.

Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the Company's net investment outstanding in respect of the leases.

1.16. FINANCIAL INSTRUMENTS

The Company recognizes financial assets and financial liabilities when it becomes party to the contractual provision of the instrument.

i. Financial Assets

Initial recognition and measurement:

Financial assets are initially measured at its fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets (other than financial assets at fair value through profit or loss) are added to or deducted from the fair value of the concerned financial assets, as appropriate, on initial recognition. Transaction costs directly attributable to acquisition of financial assets at fair value through profit or loss are recognized immediately in profit or loss. However, trade receivable that do not contain a significant financing component are measured at transaction price.

Subsequent measurement:

For subsequent measurement, the Company classifies financial asset in following broad categories:

- Financial asset carried at amortized cost.
- Financial asset carried at fair value through other comprehensive income (FVTOCI)
- Financial asset carried at fair value through profit or loss (FVTPL)

Financial asset carried at amortized cost (net of any write down for impairment, if any):

Financial assets are measured at amortized cost when asset is held within a business model, whose objective is to hold assets for collecting contractual cash flows and contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest. Such financial assets are subsequently measured at amortized costs using Effective Interest Rate (EIR) method less impairment, if any. The losses arising from impairment are recognized in the statement of profit or loss. Cash and bank balances, trade receivables, loans and other financial asset of the Company are covered under this category.

Under the EIR method, the future cash receipts are exactly discounted to the initial recognition value using EIR. The cumulative amortization using the EIR method of the difference between the initial recognition amount and maturity amount is added to the initial recognition value (net of principal repayments, if any) of the financial asset over the relevant period of the financial asset to arrive at amortized cost at each reporting date. The corresponding effect of the amortization under EIR method is recognized as interest income over the relevant period of the financial asset. The same is included under "other income" in the statement of profit or loss. The amortized cost of the financial asset is also adjusted for loss allowance, if any.

Financial asset carried at FVTOCI:

Financial asset under this category are measured initially as well as at each reporting date at fair value, when asset is held with a business model whose objective is to hold asset for both collecting contractual cash flows and selling financial assets. Fair value movements are recognized in the other comprehensive income.

Financial asset carried at FVTPL:

Financial asset under this category are measured initially as well as at each reporting date at fair value. Changes in fair value are recognized in the statement of profit or loss.

Investment in subsidiaries:

The Company has accounted for its investments in subsidiaries at cost.

Other Equity Investments:

All other equity investments are measured at fair value, with value changes recognized in Statement of Profit and Loss.

Derecognition:

A financial asset is primarily derecognized when rights to receive cash flows from the asset have expired or the Company has transferred its contractual rights to receive cash flows of the financial asset and has substantially transferred all the risk and reward of the ownership of the financial asset.

Impairment of financial asset:

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original effective interest rate.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial asset. 12-month ECL are a portion of the lifetime ECL which result from default events that are possible within 12 months from the reporting date.

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognized from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables.

At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the Statement of Profit and Loss under the head 'Other expenses'.

ii. Financial liabilities:

Initial recognition and measurement:

The Company recognizes a financial liability in its Balance Sheet when it becomes party to the contractual provisions of the instrument. The Company classifies all financial liabilities as subsequently measured at amortised cost or FVTPL.

All financial liabilities are recognized initially at fair value and in the case of loans, borrowings and payables, net of directly attributable transaction costs. Financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and derivative financial instruments.

Subsequent measurement:

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Interest-bearing loans and borrowings are subsequently measured at amortized cost using the Effective Interest Rate (EIR) method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR.

The EIR amortization is included as finance costs in the statement of profit and loss.

Derecognition of financial liabilities:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss

iii. Derivative financial instrument:

Company uses derivative financial instruments such as forward currency contracts to mitigate its foreign currency fluctuation risks. Such derivative financial instruments are initially recognized at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value at each reporting date. Gain or loss arising from changes in the fair value of heading instrument is recognized in the Statement of Profit or Loss.

Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Derecognition:

On derecognition of hedged item, the unamortized fair value, of the hedging instrument adjusted to the hedged items is recognized in the Statement of Profit or Loss.

iv. Fair value:

The Company measures financial instruments at fair value in accordance with the accounting policies mentioned above. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability or;
- In the absence of a principal market, in the most advantageous market for the asset or liability.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy that categorizes into three levels, described as follows, the inputs to valuation techniques used to measure value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and the lowest priority to unobservable inputs (Level 3 inputs).

Level 1 — quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

Level 3 — inputs that are unobservable for the asset or liability

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

1.17. EARNING PER SHARE (EPS)

The Company presents basic and diluted earnings per share (“EPS”) data for its equity shares. Basic EPS is calculated by dividing the profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential ordinary shares, which includes all stock options granted to employees.

1.18. ADVANCES, PROGRESS PAYMENTS AND RETENTIONS

Advance received from customers in respect of contracts are treated as liability. Progress payments received are adjusted against receivables from customers in respect of the contract work performed.

Amount (s) retained by the customers until the satisfactory completion of the contract are recognized in the final statement as receivables. Where such retention has been released by the customers against submission of bank guarantee the amount so released is adjusted against receivables from the customers and value of Bank Guarantees is disclosed as contingent liability under bank guarantees outstanding.

1.19. CASH AND CASH EQUIVALENTS

Cash and Cash Equivalents comprise of cash on hand and cash at bank including fixed deposit/highly liquid investments with original maturity period of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

1.20. CASH FLOW STATEMENT

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flow from operating, investing and financing activities of Company is segregated

1.21. EXPENDITURE IN RESPECT OF BUILD, OPERATE & TRANSFER PROJECT

Expenditure incurred on construction (net of corresponding interest income incurred on deployment or other wise of fund attributable to the project) of build, Operate and Transfer (BOT) Project which does not represent Company's own assets is classified as "BOT PROJECT EXPENDITURE" (Lease collection Right) and shown under the head 'Intangible Assets'.

1.22. INVESTMENT IN THE NATURE OF EQUITY IN SUBSIDIARIES AND ASSOCIATES

The Company has elected to recognise its investments in equity instruments in subsidiaries and associates at cost in the separate financial statements in accordance with the option available in Ind AS 27, 'Separate Financial Statements'

1.23. DIVIDEND DISTRIBUTION

Dividend distribution to the Company's equity holders is recognized as a liability in the Company's annual accounts in the year in which the dividends are approved by the Company's equity holders.

1.24. SEGMENT REPORTING

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The chief operating decision maker of the Company is responsible for allocating resources and assessing performance of the operating segments and accordingly is identified as the chief operating decision maker.

1.25. KEY ACCOUNTING JUDGEMENTS; ESTIMATES AND ASSUMPTIONS :

The preparation of the Company's financial statements requires the management to make judgments', estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below:

A) INCOME TAXES AND DEFERRED TAX ASSETS :

The Company's tax jurisdiction is India. Significant judgments are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions. Deferred tax asset is recognised for all the deductible temporary differences to the extent that it is probable that taxable profit will be available against which the deductible temporary difference can be utilized. The management assumes that taxable profit will be available while recognizing the deferred tax assets.

B) DEPRECIATION / AMORTISATION AND USEFUL LIVES OF PROPERTY, PLANT AND EQUIPMENT / INTANGIBLE ASSETS :

Property, Plant and Equipment / Intangible Assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.

C) INTANGIBLE ASSETS

Internal technical or user team assesses the remaining useful lives of Intangible assets. Management believes that assigned useful lives are reasonable.

D) IMPAIRMENT OF NON FINANCIAL ASSETS

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units (CGU's) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or a group of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

Annual Report 2018 - 2019

E) IMPAIRMENT OF FINANCIAL ASSETS

The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

F) CONTINGENCIES

Management judgment is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy

G) PROVISIONS

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgment to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

H) ALLOWANCES FOR UNCOLLECTED TRADE RECEIVABLE AND ADVANCES

Trade receivables do not carry any interest and are stated at their normal value as reduced by appropriate allowances for estimated amounts which are irrecoverable. Individual trade receivables are written off when management deems them not collectible. Impairment is made on the expected credit losses, which are the present value of the cash shortfall over the expected life of the financial assets. The impairment provisions for financial assets are based on assumption about risk of default and expected loss rates. Judgment in making these assumptions and selecting the inputs to the impairment calculation are based on past history, existing market condition as well as forward looking estimates at the end of each reporting period.

36. FAIR VALUE HIERARCHY

This section explains the judgments and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, it has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

(INR in Lakhs)

PARTICULARS	AS AT 31-03-2019		
	Level 1	Level 2	Level 3
Financial assets and liabilities measured at fair value on a recurring basis at the end of each reporting period			
Financial Assets			
Investments :-			
In Equity Instruments (Quoted)	1.71	-	-
In Equity Instruments (Unquoted)	-	-	55.11

PARTICULARS	AS AT 31-03-2018		
	Level 1	Level 2	Level 3
Financial assets and liabilities measured at fair value on a recurring basis at the end of each reporting period			
Financial Assets			
Investments :-			
In Equity Instruments (Quoted)	1.18	-	-
In Equity Instruments (Unquoted)	-	-	55.11

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities included in level 3.

The investments included in Level 3 of fair value hierarchy have been valued using the cost approach to arrive at their fair value. The cost of unquoted investments approximates the fair value because there is wide range of possible fair value measurements and the costs represents estimate of fair value within that range.

The Management considers that the carrying amount of financial assets and financial liabilities carried at amortised cost approximates their fair values.

37. FINANCIAL RISK MANAGEMENT

The Company's activities expose it to a variety of financial risks, including market risk, credit risk and liquidity risk. The Company's risk management assessment and policies and processes are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities.

Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investments in debt securities. The carrying amount of following financial assets represents the maximum credit exposure:

a) Trade and Receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However credit risk with regards to trade receivable is almost negligible in case of its business it does not handover possession till entire outstanding is received. No impairment is observed on the carrying value of trade receivables.

Credit risk from balances with banks and financial institutions is managed by the Company's treasury department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. Counterparty credit limits are reviewed by the Board. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments. **(INR in Lakhs)**

Particulars	As at 31-03-2019	As at 31-03-2018
Financial assets for which loss allowances is measured using the expected credit loss		
Trade receivables		
less than 180 days	9,383.24	6,184.18
180 - 365 days	516.53	396.49
beyond 365 days	1,046.89	183.61

Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure as far as possible that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed condition, without incurring unacceptable losses or risking damage to the Company's reputation. The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of surplus funds, bank overdrafts, bank loans, debentures and inter-corporate loans.

The Company assessed the concentration of risk with respect to refinancing its debt and concluded it to be low. The Company has access to a sufficient variety of sources of funding.

The company has un-utilised working capital lines from bank of Rs. 3,271.01 lakh as on March 31, 2019, Rs. 3,001.87 lakh as on March 31, 2018.

The table below provides details regarding the contractual maturities of significant financial liabilities :

(INR in Lakhs)

Particulars	Less than 1 year	1-3 years	More than 3 years	As at 31-03-2019
Borrowings	4,766.98	5,026.08	12,732.29	22,525.35
Trade payables	8,529.54	-	-	8,529.54
Other financial liabilities	3,991.69	-	-	3,991.69
Total	17,288.21	5,026.08	12,732.29	35,046.58

Particulars	Less than 1 year	1-3 years	More than 3 years	As at 31-03-2018
Borrowings	3,202.59	7,072.16	11,511.59	21,786.34
Trade payables	9,056.06	-	-	9,056.06
Other financial liabilities	3,656.77	-	-	3,656.77
Total	15,915.43	7072.16	11,511.59	34,499.17

Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices (such as interest rates, foreign currency exchange rates and commodity prices) or in the price of market risk-sensitive instruments as a result of such adverse changes in market rates and prices. Market risk is attributable to all market risk-sensitive financial instruments, all foreign currency receivables and payables and all short term and long-term debt. The Company is exposed to market risk primarily related to foreign exchange rate risk, interest rate risk and the market value of its investments.

Foreign exchange risk

The Company's foreign exchange risk arises from foreign currency borrowings (primarily in US Dollars) As a result, if the value of the Indian rupee appreciates relative to these foreign currencies, the Company's expenses measured in Indian rupees may decrease or increase and vice-versa.

- a) **Significant foreign currency risk exposure relating to trade receivables, cash and cash equivalents, borrowings and trade payables**

(INR in Lakhs)

Total	1,005.03	1.94	11.26

b) Sensitivity

For the years ended March 31, 2019 and March 31, 2018, every 5% strengthening in the exchange rate between the Indian rupee and the respective currencies for the above mentioned financial liabilities would decrease the Company's loss and increase the Company's equity by approximately Rs. Nil. And Rs.50,25,160 respectively. A 5% weakening of the Indian rupee and the respective currencies would lead to an equal but opposite effect. In management's opinion, the sensitivity analysis is unrepresentative of the inherent foreign exchange risk because the exposure at the end of the reporting period does not reflect the exposure during the year.

Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates.

38. CAPITAL MANAGEMENT

The company's objectives when managing capital are to:

- > Safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- > Maintain an optimal capital structure to reduce the cost of capital.

The Company monitors capital on the basis of the carrying amount of debt less cash and cash equivalents as presented on the face of the financial statements. The Company's objective for capital management is to maintain an optimum overall financial structure.

Consistent with others in the industry, the group monitors capital on the basis of the following gearing ratio:

(INR in Lakhs)

Particulars	As at	As at
	31-03- 2019	31-03- 2018
Gross Debt (includes non current, current borrowings and current maturities of long term debt)	26,497.69	25,432.78
Less: -		
Cash and Cash Equivalent	761.18	375.32
Other Bank Balance	3,051.78	3,744.31
Net debt (A)	22,684.73	21,313.14
Total Equity (B)	13,630.40	13,303.50
Net debt to equity ratio	1.66	1.60

39. The Company is a partner in M/s. Aarav Developer, the details of the partners, their share in profit / loss and total capital of the partners of the firm as on 31-03-2019 are as under.

(a)

Sr. No.	Name of Partners	Share (%)
i	Subhash Mewaldas Khurana	23.50
ii	Hemal Hareshkumar Shah	24.00
iii	Manju Ashok Khurana	10.00
iv	M/s. Madhav Infra Projects Ltd.	37.50
v	Rakesh Hasmukhbhai Vakal	5.00

(b) The total Capital of the Partners is Rs.22,470,000/-

(c) The above details about investment and names of partners are based on the information, certified by a partner.

(d) As the accounts of the said firm for the year ended 31st March, 2018 are yet to be finalised. No entry has been passed in respect of profit or loss as the case may be, in the books of accounts.

40. LEASE

(a) The company has taken on operating lease certain assets. The total lease rent paid on the same amounting to Rs.900,000/- (Previous year Rs.900,000/-) is included under the head Rent. The minimum future lease rentals payable in respect thereof are as follows:

Particulars	(INR in Lakhs)	
	Amount 2018-19	Amount 2017-18
Not later than one year	9.00	9.00
Later than one year but not later than five years	36.00	36.00
Later than Five years	84.75	93.75

(b) The Company has obtained the Lease contract of Chambal Hydel Project (3 x 600 kW) in Morena district of Madhya Pradesh, on " as is where is basis" for its operation and maintenance from Madhya Pradesh Madhya Kshetra Vidyut Vitaran Company Ltd.

In terms of the contract the ownership of the said property vests in the government immediately. Under the contract the company is entitled to Fixed amount of Lease, every month from commercial operation date i.e 13-03-2015, till the end of Lease period i.e. March'2045.

The Company has completed construction of said project during the earlier year. Having regard to the accounting policy followed by the company the entire expenditure incurred till the commencement of commercial operation is treated as BOT project expenditure. and proportionate amount of Rs.53,27,427/- is amortised during the year.

41. In respect of construction contract, the Company follows the percentage completion method for recognising profit/loss but no provision is made for contingencies in respect of contract in progress, consistent with the practice of the Company. Ind AS 11 Construction Contracts require that an appropriate allowance be made for future unforeseeable factors. In the opinion of the Company, such a provision is not required and has no financial effect.

42. The Company has in earlier year issued 5,12,52,600 Non-Cumulative preference Shares of Rs.10/- each fully paid up.

Subsequently the terms of the said preference Share are varied as under

"1% Non-Cumulative, non-voting Compulsorily convertible preference share of Rs.10 per Share, The Compulsorily convertible preference share holders shall have the right to exercise the option in writing at any time, in one or more tranches, to convert in to Equity, after 2 years but not later than 20 years from date of issue."

The said change/variance of terms are approved by the Board of Directors of the Company but subject to approval by the Share holders in Annual General Meeting.

The said variance shall be intimated to ROC after approved by Share holder in Annual General Meeting.

43. Deferred Tax Liabilities is neither ascertained nor provided, Hence effect of the same is not reflected in Current year Account.

44. In respect of MSK Projects India (JV) Ltd. Amalgamated with the Company.

(a) The Company has not accounted the claim of approx. Rs.1055.34 Lacs (Net of counter claim of Rs.354.75 Lacs for incomplete work), which has been awarded Arbitral Tribunal after the matter was referred by the Supreme Court to them for reconsideration of earlier award of Rs.723.53 Lacs being amount receivable from the Government of Rajasthan in respect of Loss of Toll Collection in connection with construction of Bye pass for Bhartpur connecting Mathura Road to Jaipur Road. Now again the Government of Rajasthan has referred the matter to the District Court under section 34 of Arbitration Act.

(b) The company has not accounted Claim of Rs.292.97 Lacs being amount receivable from the Government of Rajasthan as per the Order of Honourable District Court in respect of loss suffered in Toll Collection in connection with construction of Road from

Annual Report 2018 - 2019

Widening, Strengthening and Improvement of Nasirabad Kekri Road (SH 26) Km. 1 to 25 on B.O.T. Basis as the same is disputed by the Government of Rajasthan and same has been referred to the High Court for consideration.

- (c) The company has not accounted Claim of Rs.749.30 Lacs being amount receivable from the Government of Rajasthan as per the Order of Honorable Arbitral Tribunal in respect of loss suffered in Toll Collection in connection with construction of Road from Construction of Sikar Bypass on "Built, Operate and Transfer (BOT)" Basis as the same is disputed by the Government of Rajasthan.

45. SEGMENT REPORTING

The company is engaged in development , construction as well as operation & maintenance of Infrastructure Projects. The Company undertakes infrastructure developments projects directly or indirectly through Special Purpose Vehicle (SPVs), in terms of the concessional agreements. The company also engaged in the business of Power Generation Business i.e. solar & Hydro. In this business, the revenue was less than 10% of the main segment. Hence the activity of the Company relates to One segment.

46. Confirmations of certain parties for amounts due from them as per accounts of the company are not obtained. Amount due from customers include amounts due/with held on account of various claims. The claims will be verified and necessary adjustments, if any, shall be made in the year of settlement. Subject to this, company is confident of recovering the dues and accordingly they have been classified as "debt considered good" and therefore no provision is consider necessary, there against.
47. Under the Micro, Small and Medium Enterprise Development Act, 2006 ("MSMED Act") which came into force effective from 2nd October, 2006, certain disclosures relating to amounts due to micro, small and medium enterprises and remained unpaid after the appointed date etc. of principal and interest amounts are required to be made. The Company is in the process of compiling the relevant information. As the relevant information is not yet readily available and / or not given or confirmed by such enterprises, it is not possible to give required information in the accounts. However, in view of the management, the impact of interest, if any, which may subsequently become payable to such enterprise in accordance with the provisions of the Act, would not be material and the same, if any, would be disclosed in the year of payment of interest.

In the absence of the necessary information with the Company relating to the registration status of the suppliers under the Micro, Small and Medium Enterprises Development Act' 2006, the information required under the said Act could not be compiled and disclosed.

48. Consequent to action under section 132 of the Income Tax Act in Madhav Group on 09/11/2016, searches/surveys was carried out at various places. The searches resulted in seizure /impounding of documents.
Based on survey, department issued notices for filling returns from the year 2010-2011 to 2015-16, accordingly returns for the above year were filled. Subsequently, during the year the Company has filled application to Hon'ble Income Tax Settlement Commission disclosing additional / unaccounted income of Rs. 25.85 crores for the above years on which tax liability is Rs.5.64 crores. The Hon'ble Income Tax Settlement Commission has admitted the application u/s 245D(1) of the Income Tax Act. The case is pending before Hon'ble Income Tax Settlement Commission
Effect of the said disclosure and tax liability is not given in the books of accounts.

55. Provision for Gratuity has not been made as none of employees has completed the minimum qualified period of Five years.

56. USE OF ESTIMATES AND JUDGEMENTS

The preparation of the Company's financial statements requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements is included in the following notes:

1. Fair value measurement of Financial Instruments

When the fair values of financial assets and financial liabilities recorded in the financial statements cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques which involve various judgments and assumptions.

2. lives of property, plant and equipment and intangible assets

Property, plant and equipment and intangible assets represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation and amortisation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of Company's assets are determined by the management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technical or commercial obsolescence arising from changes or improvements in production or from a change in market demand of the product or service output of the asset.

Independent Auditor's Report

Consolidated

To
The Board of Directors of
Madhav Infra Projects Ltd.

1. Opinion

We have audited the accompanying Consolidated Financial Statements of Madhav Infra Projects Limited (hereinafter referred to as "the Holding Company"), and its Subsidiaries (together referred to as "the Group"), its Associates & joint ventures comprising of the Consolidated Balance Sheet as at 31 March 2019, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement, the Consolidated Statement of Changes in Equity for the year then ended and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us except for the effect of the matters described on the basis for qualified opinion paragraph, and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries, its associates and joint ventures, the aforesaid Consolidated Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended;

- A) in the case of the Consolidated Balance Sheet, of the consolidated statement of affairs of the Group, its associates and its joint ventures as at March 31, 2019;
- B) in the case of the Statement of Profit and Loss, of the Profit of the Group, its associates and its joint ventures for the year ended on that date;
- C) in the case of the Consolidated Cash Flow Statement, of the cash flows of the Group, its associates and its joint ventures for the year ended on that date; and
- D) in the case of Consolidated Statement of Changes in Equity, of the changes in the equity of the Group, its associates and its joint ventures for the year ended on that date.

2. Basis for Qualified Opinion

- A) Consequent to action under section 132 of the Income Tax Act in Madhav Group on 09/11/2016, searches/surveys was carried out at various places. The searches resulted in seizure /impounding of documents.

Based on searches, department issued notices for filling returns from the year 2010-2011 to 2015-16, accordingly returns for the above year were filled. Subsequently, the Company and its subsidiaries have filled application to Hon'ble Income Tax Settlement Commission disclosing additional / unaccounted income of Rs. 30.79 crores for the above years on which tax and interest liability is Rs. 5.64 crores (after some adjustments). The Hon'ble Income Tax Settlement Commission has admitted the application u/s 245D (1) of the Income Tax Act. The case is pending before Hon'ble Income Tax Settlement Commission.

Effect of the said disclosure and tax liability is not given in the books of accounts.

- B) The Company has not made disclosure of the required information as required by Ind AS - 11 (Construction Contracts) regarding Construction Contracts.
- C) Non-ascertainment and non-provision of Deferred Tax Liability as required under Ind AS 12 'Income Tax'.

3. Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Consolidated financial statements of the current period. We have determined that there are no key audit matters to be communicated in our report.

4. Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these Consolidated Financial Statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the Consolidated Financial Position, Consolidated Financial Performance (including Other Comprehensive Income), Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity of the Group including its associates and its joint ventures in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standard) Rules, 2015, as amended.

The respective Board of Directors of the companies included in the Group, its associates and its joint ventures are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group, its associates and its joint ventures and for preventing and detecting the frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of presentation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associates and joint venture companies are responsible for assessing the ability of the Group and of its associates and joint venture companies to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so. The respective Board of Directors of the companies included in the Group and of its associates and joint venture companies are responsible for overseeing the financial reporting process of the Group and of its associate and joint venture companies.

5. Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, if applicable, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

6. Other Matters

We have relied on the audited financial statement of three subsidiary companies, which are audited by the other auditors whose financial statements reflect total assets of Rs. 23.10 Crore as at 31st March, 2019, total revenue of Rs. 26.51 crore for the year then ended and total Net Profit of Rs. 1.80 Crore for the year ended 31st March, 2019. These financial statements as approved by the Board of Directors of the respective Company have been furnished to us by the management and our report in so far as it relates to amounts included in respect of the subsidiary is based solely on such approved audited financial statements.

We have relied upon the unaudited financial statements of two Associates wherein Group's share of loss after tax is Rs. 0.41 crore for the year ended March 31, 2019. These unaudited financial statements as approved by the board of Directors of the Associates have been furnished to us by the management and our opinion on the Statement in so far as it relates to the amounts and disclosures included in respect of this Associates is based solely on such approved unaudited financial statements.

We have relied on the unaudited financial statements of four joint ventures whose financial statements reflect profit after tax is Rs. .54 Crores for the year ended March 31, 2019. These unaudited financial statements as approved by the board of Directors of the joint venture have been furnished to us by the management and our opinion on the Statement in so far as it relates to the amounts and disclosures included in respect of this joint venture is based solely on such approved unaudited financial statements.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the Management.

7. Report on other Legal and Regulatory Requirements

As required by Section 143 (3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiaries, its associates and joint ventures, as referred in the 'Other Matters' paragraph, we report, to the extent applicable, that:

- a. We have sought and except for matters described in the basis for qualified opinion paragraph, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- b. Except for the possible effects of the matters described in the basis for qualified opinion paragraph above, in our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books and reports of the other auditors;
- c. The Consolidated Balance Sheet, Consolidated Statement of Profit and Loss (including the Statement of Other Comprehensive Income), the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the Consolidated Financial Statements;
- d. Except for the possible effects of the matter described in the basis for qualified opinion paragraph, in our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standard) Rules, 2015, as amended;
- e. On the basis of the written representations received from the directors of the Holding Company as on March 31, 2019 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors who are appointed under Section 139 of the Act, of its subsidiaries, its associates and joint ventures incorporated in India, none of the directors of the Group's companies, its associates and its joint ventures is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
- f. With respect to the adequacy and the operating effectiveness of the internal financial controls over financial reporting of the Holding Company, its subsidiaries, its associates and joint ventures incorporated in India, refer to our separate report in "Annexure A" to this report;

- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements as also the other financial information of the subsidiaries, its associates and joint ventures, as noted in the 'Other Matters' paragraph:
- i) The consolidated financial statements disclose the impact of pending litigations and commitments on the consolidated financial position of the Group (Refer Note no. to the Consolidated Financial Statements);
 - ii) Provision has been made in the Consolidated Financial Statements, as required under the applicable law or Indian accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - iii) There has been no delay in transferring the amount required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiaries companies and joint ventures incorporated in India.

ANNEXURE-A TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the Consolidated Financial Statements of the Madhav Infra Projects Limited as of and for the year ended March 31, 2019, we have audited the internal financial controls over financial reporting of Madhav Infra Projects Limited (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), its associates and its jointly controlled entities incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effective-

ness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2019

Statement of Significant Accounting Policies for the year ended March 31, 2019

GENERAL INFORMATION

Madhav Infra Projects Limited (the Company) is a public limited company incorporated in India (CIN: L45200GJ1992PLC018392) having its registered office in Vadodara. The Company is engaged in the business of Infrastructure Development & Solar Power generation.

These standalone financial statements for the year ended March 31, 2019 were approved for issue by the Board of Directors vide its resolution dated August 05, 2019.

1. SIGNIFICANT ACCOUNTING POLICIES

1.1 STATEMENT OF COMPLIANCE

The Consolidated Financial Statements of the Group have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015, as amended by the Companies (Indian Accounting Standards) Rules, 2016, read with section 133 of the Companies Act, 2013 and the other relevant provisions of the Companies Act, 2013 (as amended time to time).

1.2 BASIS OF PREPARATION

The financial statements have been prepared on a historical cost basis except for certain financial assets and financial liabilities (including financial instruments) which have been measured at fair value at the end of each reporting period as explained in the accounting policies stated below.

1.3 PRINCIPLES OF CONSOLIDATION

Consolidation Procedure:

a. The Consolidated Financial Statements have been prepared by the Company in accordance with the requirements of Indian Accounting Standard -110 (Consolidated Financial Statements) & Indian Accounting Standard -28 (Investments in Associates and Joint Ventures) issued by the Institute of Chartered Accountants of India. The Consolidated Financial Statements have been prepared on the following basis.

- i. The Financial Statements of the Company and its Subsidiary Companies are combined on a line by line basis by adding together the book value of the like item of assets, liabilities, income and expenses after fully eliminating intra group balances and intra group transactions resulting in unrealised profit.
- ii. Investment in Joint Ventures has been accounted under the Equity Method as per Ind AS 28 - Investments in Associates and Joint Ventures.
- iii. The difference between the Company's cost of investments in the subsidiaries over its position of equity at the time of acquisition of the shares is recognised in the Consolidated Financial Statement as Goodwill or Capital Reserves as the case may be.
- iv. The Consolidated Financial Statements are prepared by adopting uniform accounting policies for like transactions and other events in similar circumstances and presented to the extent possible, in the financial statements.

b. The subsidiary Companies considered in the consolidated financial statements are :

Name of the Company	Country Of Incorporation	% of Ownership interest as on 31 st March, 2019
S. J. Green Park Energy Private Limited	India	99.62%
Badi Baktara Toll Private Limited	India	99.99%

37. FAIR VALUE HIERARCHY

This section explains the judgments and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, it has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the

(INR in Lakhs)

PARTICULARS	AS AT 31-03-2019		
	Level 1	Level 2	Level 3
Financial assets and liabilities measured at fair value on a recurring basis at the end of each reporting period			

Financial Assets			
Investments :-			
In Equity Instruments (Quoted)	23.79	-	-
In Equity Instruments (Unquoted)	-	-	55.11

PARTICULARS	AS AT 31-03-2018		
	Level 1	Level 2	Level 3
Financial assets and liabilities measured at fair value on a recurring basis at the end of each reporting period			
Financial Assets			
Investments :-			
In Equity Instruments (Quoted)	7.78	-	-
In Equity Instruments (Unquoted)	-	-	55.11

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities included in level 3.

The investments included in Level 3 of fair value hierarchy have been valued using the cost approach to arrive at their fair value. The cost of unquoted investments approximates the fair value because there is wide range of possible fair value measurements and the costs represents estimate of fair value within that range.

The Management considers that the carrying amount of financials assets and financial liabilities carried at amortized cost approximates their fair values.

38. FINANCIAL RISK MANAGEMENT

The Company's activities expose it to a variety of financial risks, including market risk, credit risk and liquidity risk. The Company's risk management assessment and policies and processes are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities.

A) Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investments in debt securities. The carrying amount of following financial assets represents the maximum credit exposure:

a) Trade and Other Receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However credit risk with regards to trade receivable is almost negligible in case of its business it does not handover possession till entire outstanding is received. No impairment is observed on the carrying value of trade receivables.

Credit risk from balances with banks and financial institutions is managed by the Company's treasury department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. Counterparty credit limits are reviewed by the Board. The limits are set to minimize the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

(INR in Lakhs)

PARTICULARS	As At 31-03-2019	As At 31-03-2018
Financial assets for which loss allowances is measured using the expected credit loss		
Trade receivables		
less than 180 days	9,323.33	6,280.23
180 - 365 days	517.27	396.50
beyond 365 days	1,166.26	183.61

Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure as far as possible that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed condition, without incurring unacceptable losses or risking damage to the Company's reputation. The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of surplus funds, bank overdrafts, bank loans, debentures and inter-corporate loans.

Annual Report 2018 - 2019

The Company assessed the concentration of risk with respect to refinancing its debt and concluded it to be low. The Company has access to a sufficient variety of sources of funding.

The company has unutilised working capital lines from bank of Rs.32,71,00,792 as on March 31, 2019, Rs. 30,05,59,218 as on March 31, 2018.

The table below provides details regarding the contractual maturities of significant financial liabilities : (INR in Lakhs)

Particulars	Less than 1 year	1-3 years	More than 3 years	As At 31-03-2019
Borrowings	4,921.81	5,532.37	14,607.65	25,061.83
Trade payables	8,606.07	-	-	8,606.07
Other financial liabilities	4,275.14	-	-	4,275.14
Total	17,803.02	5,532.37	14,607.65	37,943.04

Particulars	Less than 1 year	1-3 years	More than 3 years	As At 31-03-2018
Borrowings	4,366.61	10,564.22	26,030.89	40,961.73
Trade payables	9,315.72	-	-	9,315.72
Other financial liabilities	6,018.82	-	-	6,018.82
Total	19,701.16	10,564.22	26,030.89	56,296.27

Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices (such as interest rates, foreign currency exchange rates and commodity prices) or in the price of market risk-sensitive instruments as a result of such adverse changes in market rates and prices. Market risk is attributable to all market risk-sensitive financial instruments, all foreign currency receivables and payables and all short term and long-term debt. The Company is exposed to market risk primarily related to foreign exchange rate risk, interest rate risk and the market value of its investments.

Foreign exchange risk

The Company's foreign exchange risk arises from foreign currency borrowings (primarily in US Dollars) As a result, if the value of the Indian rupee appreciates relative to these foreign currencies, the Company's expenses measured in Indian rupees may decrease or increase and vice-versa.

a) Significant foreign currency risk exposure relating to trade receivables, cash and cash equivalents, borrowings and trade payables

(INR in Lakhs)

Particulars	As At 31-03-2019	As At 31-03-2019	As At 31-03-2019
	INR	US Dollar	Euro
Financial assets			
Trade receivables	-	-	-
Cash and cash equivalents	-	-	-
Financial liabilities			
Borrowings	-	-	-
Trade payables	-	-	-
Total	-	-	-

(INR in Lakhs)

Particulars	As At 31-03-2018	As At 31-03-2018	As At 31-03-2018
	INR	US Dollar	Euro
Financial assets			
Trade receivables	-	-	-
Cash and cash equivalents	-	-	-
Financial liabilities			
Borrowings	20.72	3.17	-
Trade payables	984.31	1.62	11.26
Total	1,005.03	1.93	11.26

b) Sensitivity

For the years ended March 31, 2019, and March 31, 2018 every 5% strengthening in the exchange rate between the Indian rupee and the respective currencies for the above mentioned financial liabilities would decrease the Company's loss and increase the Company's equity by approximately Rs. Nil and Rs.50,25,160 respectively. A 5% weakening of the Indian rupee and the respective currencies would lead to an equal but opposite effect. In management's opinion, the sensitivity analysis is unrepresentative of the inherent foreign exchange risk because the exposure at the end of the reporting period does not reflect the exposure during the year.

Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates.

39. CAPITAL MANAGEMENT

The company's objectives when managing capital are to:

- > Safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- > Maintain an optimal capital structure to reduce the cost of capital.

The Company monitors capital on the basis of the carrying amount of debt less cash and cash equivalents as presented on the face of the financial statements. The Company's objective for capital management is to maintain an optimum overall financial structure.

Consistent with others in the industry, the group monitors capital on the basis of the following gearing ratio:

(INR in Lakhs)

Particulars	As At 31-03-2019	As At 31-03-2018
Gross Debt (includes non current, current borrowings and current maturities of long term debt)	29,303.89	46,965.18
Less: -		
Cash and Cash Equivalent	808.43	1,937.22
Other Bank Balance	3,390.78	4,958.37
Net debt (A)	25,104.68	40,069.59
Total Equity (B)	12,716.20	12,569.32
Net debt to equity ratio	1.97	3.19

40. The Company is a partner in M/s. Aarav Developer, the details of the partners, their share in profit / loss and total capital of the partners of the firm as on 31-03-2019 are as under.

(a)

Sr. No.	Name of Partners	Share (%)
i	Subhash Mewaldas Khurana	23.50
ii	Hemal Hareshkumar Shah	24.00
iii	Manju Ashok Khurana	10.00
iv	M/s. Madhav Infra Projects Ltd.	37.50
v	Rakesh Hasmukhbhai Vakal	5.00

(b) The total Capital of the Partners is Rs.2,24,70,000.

(c) The above details about investment and names of partners are based on the information, certified by a partner.

41. LEASE

- a The company has taken on operating lease certain assets. The total lease rent paid on the same amounting to Rs.900,000/- (Previous year Rs.900000/-) is included under the head Rent. The minimum future lease rentals payable in respect thereof are as follows:

(INR in Lakhs)

PARTICULARS	2018-19	2017-18
Not later than one year	9.00	9.00
Later than one year but not later than five years	36.00	36.00
Later than Five years	84.75	93.75

Annual Report 2018 - 2019

- b** The Company has obtained the Lease contract of Chambal Hydel Project (3 x 600 kW) in Morena district of Madhya Pradesh, on " as is where is basis" for its operation and maintenance from Madhya Pradesh Madhya Kshetra Vidyut Vitaran Company Ltd.
- In terms of the contract the ownership of the said property vests in the government immediately. Under the contract the company is entitled to Fixed amount of Lease, every month from commercial operation date i.e 13-03-2015, till the end of Lease period i.e. March'2045.
- The Company has completed construction of said project during the earlier year. Having regard to the accounting policy followed by the company the entire expenditure incurred till the commencement of commercial operation is treated as BOT project expenditure. and proportionate amount of Rs.53,86,092/- is amortized during the year.
- 42.** The Company has obtained the contract on Operation, Maintenance and Transfer (OMT) basis from Madhya Pradesh Road Development Corporation Limited for development of Badi-Baktara-Shahganj Road.
- In terms of the contract the ownership of the said property vests in the government immediately. Under the contract the company is entitled to collect Toll charges during the concession period of 10 years commencing from COD date. i.e. June'2026.
- The company has completed construction of said project during the current year. Having regard to the accounting policy followed by the company the entire expenditure incurred thereon is classified as Intangible Assets.
- 43.** In respect of construction contract, the Company follows the percentage completion method for recognising profit/loss but no provision is made for contingencies in respect of contract in progress, consistent with the practice of the Company. Ind AS 11 Construction Contracts require that an appropriate allowance be made for future unforeseeable factors. In the opinion of the Company, such a provision is not required and has no financial effect.
- 44.** The Company has in earlier year issued 5,12,52,600 Non-Cumulative preference Shares of Rs.10/- each fully paid up.
- Subsequently the terms of the said preference Share are varied as under
- " 1% Non-Cumulative, non-voting Compulsorily convertible preference share of Rs.10 per Share, The Compulsorily convertible preference share holders shall have the right to exercise the option in writing at any time, in one or more tranches, to convert in to Equity, after 2 years but not later than 20 years from date of issue."
- The said change/variance of terms are approved by the Board of Directors of the Company but subject to approval by the Share holders in Annual General Meeting.
- The said variance shall be intimated to ROC after approved by Share holder in Annual General Meeting.
- 45.** Deferred Tax Liabilities is neither ascertained nor provided, Hence effect of the same is not reflected in Current year Account.
- 46.** In respect of MSK Projects India (JV) Ltd. Amalgamated with the Company.
- a** The Company has not accounted the claim of approx. Rs.1055.34 Lacs (Net of counter claim of Rs.354.75 Lacs for incomplete work), which has been awarded Arbitral Tribunal after the matter was referred by the Supreme Court to them for reconsideration of earlier award of Rs.723.53 Lacs being amount receivable from the Government of Rajasthan in respect of Loss of Toll Collection in connection with construction of Bye pass for Bhartpur connecting Mathura Road to Jaipur Road. Now again the Government of Rajasthan has referred the matter to the District Court under section 34 of Arbitration Act.
- b** The company has not accounted Claim of Rs.292.97 Lacs being amount receivable from the Government of Rajasthan as per the Order of Honourable District Court in respect of loss suffered in Toll Collection in connection with construction of Road from Widening, Strengthening and Improvement of Nasirabad Kekri Road (SH 26) Km. 1 to 25 on B.O.T. Basis as the same is disputed by the Government of Rajasthan and same has been referred to the High Court for consideration.
- c** The company has not accounted Claim of Rs.749.30 Lacs being amount receivable from the Government of Rajasthan as per the Order of Honourable Arbitral Tribunal in respect of loss suffered in Toll Collection in connection with construction of Road from Construction of Sikar Bypass on "Built, Operate and Transfer (BOT)" Basis as the same is disputed by the Government of Rajasthan.
- 47. SEGMENT REPORTING**
- The company is engaged in development, construction as well as operation & maintenance of Infrastructure Projects. The Company undertakes infrastructure developments projects directly or indirectly through Special Purpose Vehicle (SPVs), in terms of the concessional agreements. The company also engaged in the business of Power Generation Business i.e. solar & Hydro. In this business, the revenue was less than 10% of the main segment. Hence the activity of the Company relates to One segment.
- 48.** Confirmations of certain parties for amounts due from them as per accounts of the company are not obtained. Amount due from customers include amounts due/with held on account of various claims. The claims will be verified and necessary adjustments, if any, shall be made in the year of settlement. Subject to this, company is confident of recovering the dues and accordingly they have been classified as "debt considered good" and therefore no provision is consider necessary, there against.
- 49.** Under the Micro, Small and Medium Enterprise Development Act, 2006 ("MSMED Act") which came into force effective from 2nd October, 2006, certain disclosures relating to amounts due to micro, small and medium enterprises and remained unpaid after the appointed date etc. of principal and interest amounts are required to be made. The Company is in the process of compiling the relevant information. As the relevant information is not yet readily available and / or not given or confirmed by such enterprises, it is not possible to give required information in the accounts. However, in view of the management, the impact of interest, if any, which may subsequently become payable to such enterprise in accordance with the provisions of the Act, would not be material and the same, if any, would be disclosed in the year of payment of interest.

In the absence of the necessary information with the Company relating to the registration status of the suppliers under the Micro, Small and Medium Enterprises Development Act' 2006, the information required under the said Act could not be compiled and disclosed.

50. Consequent to action under section 132 of the Income Tax Act in Madhav Group on 09/11/2016, searches/surveys was carried out at various places. The searches resulted in seizure /impounding of documents.

Based on survey, department issued notices for filling returns from the year 2010-2011 to 2015-16, accordingly returns for the above year were filled. Subsequently, during the year the Company has filled application to Hon'ble Income Tax Settlement Commission disclosing additional / unaccounted income of Rs. 30.81 crores for the above years on which tax liability is Rs.5.64 crores (after some adjustments). The Hon'ble Income Tax Settlement Commission has admitted the application u/s 245D(1) of the Income Tax Act. The case is pending before Hon'ble Income Tax Settlement Commission.

Effect of the said disclosure and tax liability is not given in the books of accounts.

58. USE OF ESTIMATES AND JUDGEMENTS

The preparation of the Company's financial statements requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements is included in the following notes:

1. Fair value measurement of Financial Instruments

When the fair values of financial assets and financial liabilities recorded in the financial statements cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques which involve various judgments and assumptions.

2. lives of property, plant and equipment and intangible assets

Property, plant and equipment and intangible assets represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation and amortization is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of Company's assets are determined by the management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technical or commercial obsolescence arising from changes or improvements in production or from a change in market demand of the product or service output of the asset.
