5. The Register of Members of the Company and the Shares Transfer Books of the Company will remain closed from Friday, September 19, 2025 to Thursday, September 25, 2025 (both days inclusive). The book closure dates have been intimated to the Stock Exchange (BSE). Pursuant to the provisions of Section 94 and all other applicable provisions of the Companies Act, 2013, if any, the Company hereby informs that the register of members and index of members register and copies of all annual returns prepared, together with the copies of certificates and documents required to be annexed thereto under Sections 92 of the Act are kept at the registered office of the Company's Registrar and Share Transfer Agents M/s Ankit Consultancy Private Limited ("RTA"), situated at, 60, Electronic Complex, Pardeshipura, Indore, Madhya Pradesh 452010. The Registers, Indexes, Returns, documents etc. as aforesaid shall be kept open for inspection between 2.00 P.M. (IST) and 4.00 P.M. (IST) on any working day of the RTA except when the Registers and Books are closed.
6. Members are advised to avail themselves of nomination facility as per Section 72 of the Companies Act, 2013 for which Nomination Form can be availed from the RTA.
7. Section 20 of the Companies Act, 2013 ("the Act") permits service of documents on members by a company through electronic mode. In accordance with the Act read with the rules framed thereunder and the applicable Circulars, the Notice and Annual Report for the year 2024-25 is being sent through email only to those members whose email addresses are registered with the Company/RTA/Depository Participant(s). Further, the Notice and Annual Report will also be available on the website of the Company at: <https://libord.com/libord-finance-ltd/investor-relations/reg-46-2l-ii-annual-reports/> and also at the website of the Stock Exchange at [www.bseindia.com](http://www.bseindia.com) and website of National Securities Depository Limited (NSDL) at [www.evoting.nsdl.com](http://www.evoting.nsdl.com). Further, SEBI Circular dated 03.10.2024, has relaxed the applicability of Regulation 36(1)(b) of the LODR Regulations. In view of the above, the Company will not be printing physical copies of the Annual Report. Members who would like to obtain pdf copy of the Annual Report may write an email to [investorrelations@libord.com](mailto:investorrelations@libord.com). The web-link to the Annual Report shall be published in the Notice of the AGM by advertisement in terms of Regulation 47 of the LODR Regulations so as to enable the shareholders to have access to the full Annual Report in due compliance to the said Circular.
8. In terms of Section 152 of the Companies Act, 2013, Mr. Nawal Agrawal (DIN: 01753155), Director of the Company, who retires by rotation at the Meeting and being eligible, offers himself for re-appointment. A brief profile of Mr. Agrawal is given in below and forms part of the Notice. The Board of Directors of the Company commends his re-appointment.

9. An Explanatory Statement pursuant to Section 102(1) of the Act and Regulation 36(5) of the LODR Regulations relating to the Special Business to be transacted with respect to Item No. 3 at the AGM is annexed below and forms part of the Notice.
10. Members who have not registered their e-mail address with the Company can now register the same with M/s Ankit Consultancy Private Limited (Registrar & Share Transfer Agents of the Company) or with the investor relations department of the Company. The Notice of the Annual General Meeting (AGM) of the Company, inter alia, indicating the process and manner of e-Voting can be downloaded from the link [www.evoting.nsdl.com](http://www.evoting.nsdl.com) and from the website of the Company at <https://libord.com/libord-finance-ltd/investor-relations/reg-46-2l-iiannual-reports/>.
11. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (LODR) Regulations, 2015 (as amended), read with the aforesaid Circulars, the Company is providing facility of e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorised e-Voting agency. The facility of casting votes by a member using remote e-Voting as well as the e-Voting system on the date of the AGM will be provided by NSDL. In this regard, your Demat Account/Folio Number has been enrolled by the Company for your participation in e-Voting on all the resolutions placed by the Company on the e-voting system.
12. The voting rights of members shall be in proportion to their shares of the paid-up equity share capital of the Company as on the cut-off date of Thursday, September 18, 2025. Any person, who acquires shares of the Company and becomes member of the Company after dispatch of the AGM Notice and holding shares as on the cut-off date i.e., Thursday, September 18, 2025, may obtain the login ID and password by sending a request to [evoting@nsdl.com](mailto:evoting@nsdl.com) or [investor@ankitonline.com](mailto:investor@ankitonline.com).
13. To prevent fraudulent transactions, Members are advised to notify any change in address etc., as soon as possible and not to leave their demat account(s) dormant for a long time. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified from time to time.
14. Pursuant to SEBI Master Circular dated June 23, 2025 and the subsequent circulars on the subject, it shall be mandatory for physical shareholders to furnish their PAN, Contact Details (Postal Address with PIN and Mobile number), Bank A/c Details and Specimen signature for their corresponding folio numbers in the SEBI prescribed forms for lodging any grievance or availing any service request from the RTA and for receiving any payment including dividend, interest or redemption payment in respect of such folios only through electronic mode with effect from April 1, 2024.  
  
Further, pursuant to SEBI Circular no. SEBI/HO/MIRSD/MIRSD-PoD/P/CIR/2025/97 dated July 02, 2025, a special window has been opened only for re-lodgment of transfer deeds which were lodged prior to the deadline of April 01, 2019, by the investors who purchased them and such transfer deeds were rejected/returned/not attended due to deficiency in the documents/process/or otherwise. This special window has been opened for a period of six months from July 07, 2025 till January 06, 2026. During this period, the securities that are re-lodged for transfer (including those requests that are pending with the Company / RTA, as on date) shall be issued only in demat mode after compliance with applicable procedures for such transfer-cum-demat requests.
15. The Annual General Meeting shall be deemed to be held at B 524-526, Chintamani Plaza, Andheri Kurla Road, Andheri (East), Mumbai-400099. Since the Meeting will be held through VC/OAVM, the Route Map is not annexed to this Notice.

**DIRECTORS' REPORT**

To  
The Members,  
**Libord Finance Limited**

Your Directors have pleasure in presenting the 31<sup>st</sup> Annual Report along with the audited standalone financial statements of the Company for the year ended March 31, 2025.

**1. FINANCIAL PERFORMANCE**

A summary of the financial performance of your Company for the financial year ended March 31, 2025, is as under:  
(Rs. in Lakhs)

Particulars	For the Year Ended	
	2024-25	2023-24
Total Income	<b>126.93</b>	122.48
Profit before Finance Cost & Depreciation, Amortisation and Impairment	<b>(26.92)</b>	47.02
Finance Cost	<b>6.17</b>	2.82
Depreciation, Amortisation and Impairment	<b>21.76</b>	18.32
Profit before Taxes	<b>(54.85)</b>	25.88
Current Tax	-	5.83
Tax effect of Earlier Year	<b>(0.10)</b>	(0.27)
Deferred Tax	<b>(0.58)</b>	0.42
Profit/(Loss) after Taxation	<b>(54.17)</b>	19.90

Net Gain/(Loss) on Equity Instruments measured at Fair Value through OCI	<b>11.53</b>	29.84
Total Comprehensive Income	<b>(42.64)</b>	49.74

**2. REVIEW OF OPERATIONS**

The total income on standalone basis during the year was Rs. 126.93 lakhs (Previous Year - Rs. 122.48 lakhs). The Company's turnover has increased by about 3.63% due to increase in interest income in this Financial Year. The net loss after tax was Rs. 54.17 lakhs (Previous Year net profit- Rs.19.90 lakhs) due to increase in operational loss.

**3. OUTLOOK & PROSPECTS**

As per the Provisional Estimates (PE) of Gross Domestic Product (GDP) released by the National Statistical Office (NSO), the Indian economy has continued to perform impressively amid several challenges posed to it in the domestic as well as global economy. The real GDP or GDP at constant prices is estimated to attain a level of ₹187.97 lakh crore in FY 2024-25, against the First Revised Estimates (FRE) of GDP for the FY 2023-24 of ₹176.51 lakh crore, registering a growth rate of 6.5%. On the other hand, the nominal GDP (i.e. GDP at Current Prices) in the year 2024-25 is estimated to attain a level of ₹330.68 lakh crore in the FY 2024-25, against ₹301.23 lakh crore in FY 2023-24, showing a growth rate of 9.8%.

The Reserve Bank of India, in its Monetary Policy Statement (April 2025), has observed that the outlook for domestic economic activity has been resilient on the back of strong domestic demand and improved macroeconomic fundamentals. According to the Indian Meteorological Department, India is likely to receive above average monsoon rains in 2025, at around 106 percent of long-term average. This is going to benefit the disinflationary fiscal and monetary pursuits in India.

An update to the World Economic Outlook (April 2025) released by the International Monetary Fund (IMF), has raised India's GDP growth forecast by 30 bps to 6.8 percent for the financial year 2025 reflecting continuing strength in domestic demand and a rising working-age population. Besides, the world economy is projected to continue growing at 3.2 percent during 2025 and 2026, at the same pace as in 2024. Global inflation is forecast to decline steadily, from 6.8 percent in 2024 to 5.9 percent in 2025 and 4.5 percent in 2026, with advanced economies returning to their inflation targets sooner than emerging markets and developing economies. Core inflation is generally projected to decline more gradually.

The global economy has been surprisingly resilient, despite significant central bank interest rate hikes to restore price stability and prolonged geopolitical conflicts in the affected countries. In conclusion, the Indian economy has demonstrated a good deal of resilience. The Company anticipates a favourable economic environment in the current financial year.

**4. SHARE CAPITAL**

During the year under review, there was no change in the authorised and paid-up share capital of the Company. The Company has not issued shares with differential voting rights nor granted stock options nor sweat equity.

**5. DIVIDEND**

Your Directors do not recommend any dividend for the financial year 2024-25.

**6. TRANSFER TO RESERVES**

The Company has transferred loss of Rs.54.17 lakhs to the Profit & Loss Account under Reserves & Surplus. Further, a sum of Rs. 18.00 lakhs have been transferred to the Reserves and Surplus on account of reversal of provision made for NPA under ECL and Rs. 2.16 lakhs have been transferred to the Reserves and Surplus on account of reversal of Provision made for interest under ECL.

**7. DEPOSITS**

Your Company has not accepted any deposits within the meaning of Section 73 of the Companies Act, 2013 and the Companies (Acceptance of Deposits) Rules, 2014.

**8. MAINTENANCE OF COST RECORDS**

The Maintenance of Cost Records pursuant to Section 148(1) of the Companies Act, 2013 is not required by the Company and accordingly such accounts and records are not made and maintained by the Company.

**9. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY**

The Company has an Internal Control System commensurate with the size and nature of its operations. During the year, controls were tested and no material weakness in design and operation were observed. These have been designed to ensure the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets from unauthorised use, the prevention and detection of frauds and errors, ensuring accuracy and completeness of the accounting records, timely preparation of financial information and compliance with applicable statutes.

**10. DIRECTORS & KEY MANAGERIAL PERSONNEL**

In accordance with the applicable provisions of the Companies Act, 2013, Mr. Nawal Agrawal (DIN: 01753155), Director of the Company will be retiring by rotation at this 31<sup>st</sup> Annual General Meeting (AGM) of the Company and is eligible for re-appointment.

## Form No. MR-3

## Secretarial Audit Report

(For the Financial year ended March 31, 2025)

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,  
The Members,  
**Libord Finance Limited**  
104, M.K. Bhawan,  
300 Shahid Bhagat Singh Road,  
Fort Market, Mumbai 400001

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Libord Finance Limited (hereinafter called the 'Company'). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorised representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering financial year ended on March 31, 2025, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Libord Finance Limited is a limited company domiciled and incorporated in India and its shares are publicly traded on the Bombay Stock Exchange Ltd. (BSE). The Company is presently classified as a Non-Banking Financial Company duly registered with the Reserve Bank of India. The Company is engaged into the business of financial services, working capital loans, project finance, syndication of loans, corporate advisory services, financial consultancy etc.

This Management Discussion and Analysis Report contains forward-looking statements which are based on certain assumptions, risks, uncertainties and expectations of future events. The actual results, performance or achievements can differ materially from those projected in any such statements depending on various factors including: the demand supply conditions, change in government regulations, tax regimes, economic development within the country and abroad and such other incidental factors over which, the Company does not have any direct control. The Company assumes no responsibility to publicly amend, modify or revise any forward-looking statements on basis of any subsequent developments, information or events.

This Report is framed in compliance with the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("LODR Regulations").

### INDUSTRY STRUCTURE AND DEVELOPMENT

Non-Banking Financial Companies play a vital role in the financial sector of our economy along with other financial institutions. They largely extend support to the Micro, Small and Medium Enterprises (MSMEs) which get benefitted due to their strategic operational techniques coupled with lower costs of delivery, lower restrictions on customers etc. Over the years, NBFCs have emerged as an alternate choice and at times the first choice for several customers who need short term/ medium term financing. The NBFCs work under strict regulations of the RBI and reach out to even those sectors which the Banks cannot reach.

Non-Banking Finance Companies (NBFCs) are an integral part of the Indian financial ecosystem. NBFCs reach out to millions of individuals and Micro, Small and Medium Enterprises across the country having no or limited access to secured and unsecured credit lines by commercial banks and other development financial institutions. NBFCs integrate such people and firms with the financial mainstream of our economy. NBFCs are able to develop a ground-level understanding of their customers' profile and their credit needs and provide innovative and customised products to satisfy their clients' needs and so they are a preferred source of credit line compared to traditional banks. They have a niche particularly in the low income/asset segment of individuals and corporates and also among the first-time seekers of credit who have not borrowed from any financial institution in the past. NBFCs thrive well in those areas too where banking and institutional credit financial services have limited ground presence.

### OPPORTUNITIES

There are many structural shifts that are reshaping the global economy, including growing fragmentation in trade, rapid technological disruption, ongoing climate change and protracted geopolitical hostilities. The Indian economy and the financial system, however, continue to exhibit resilience, aided by strong macroeconomic fundamentals and a robust financial system. Despite a broad deceleration in bank credit growth, the share of credit to the micro, small and medium enterprises (MSME) sector in total non-food bank credit has been growing steadily and its growth has outpaced that in other sectors during 2024-25 at 17.7 percent, which is extraordinarily strong and indicates a promising prospect for rising output and employment in the nation.

The government's credit guarantee schemes improved flow of credit to the MSME sector, especially vulnerable enterprises, with approximately Rs. 6.28 lakh crore guaranteed under two flagship schemes, viz., the Credit Guarantee Fund for Micro Units (CGFMU) and the Emergency Credit Line Guarantee Scheme (ECLGS). The NPA ratio in both schemes remains contained despite the riskiness of borrowers.

Consumer segment loans grew at a CAGR of 20.4 per cent between March 2021 and March 2025 compared to 14.6 per cent growth in the overall loans. Additionally, capital expenditure is estimated to increase by 10.1% over the revised estimate of 2024-25, which is expected to give boost to the Indian economy this year. Besides, as per the Union Budget 2025-26, the credit guarantee cover has to increase: (i) from five crore rupees to Rs 10 crore for micro and small enterprises, (ii) from Rs 10 crore to Rs 20 crore for start-ups, and (iii) up to Rs 20 crore for exporter MSMEs. Investment and turnover limits for classification of MSMEs are projected to be doubled.

### THREATS

The announcement of large tariffs by the US administration in April, 2025 has set in motion a new paradigm in trade and economic policy. Besides, geopolitical risks remain elevated. Against this backdrop, near-term global financial stability risks have increased. Globally, risks associated with elevated public debt and possibilities of further corrections in asset prices remain high.

According to the Financial Stability Report of the RBI (June, 2025), policy uncertainty and unpredictability may continue to influence global growth. International agencies, including the IMF, the OECD and the World Bank, have revised their respective growth projections downwards. The World Economic Outlook (WEO) released by the International Monetary Fund (IMF) in April, 2025 also indicates that a series of new tariff measures by the United States and countermeasures by its trading partners have brought the effective tariff rates to levels not seen in a century. This on its own is a major negative shock to growth.

The unpredictability of the tariff measures has had a negative impact on economic activity and the outlook. Given the complexity and fluidity of the current moment, the IMF has projected that the global growth may drop to 2.8 percent in 2025 and around 3 percent in 2026 (at a reference date of April 4, 2025) which is lower than 3.3 percent projected earlier for both years in the January 2025 WEO Update.

### SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE

The Company operates in single business segment i.e. NBFC. As the Company is only in one line of business, product wise disclosure of performance is not required to be made.

### OUTLOOK

The market turbulence in the month of April was a stark reminder of how existing vulnerabilities in the global financial system are amplified by sudden shocks. Though financial markets have stabilised after this episode, they remain volatile and highly sensitive to economic and geopolitical developments.

There are many structural shifts that are reshaping the global economy, including growing disparity of tariffs in trade, technological disruptions, climate change concerns and prolonged geopolitical hostilities. They make economic forecasts difficult and policy interventions challenging. However, in this global turmoil, the Indian economy continues to be a key driver of global growth. Growth momentum is buoyed by strong domestic growth drivers, sound macroeconomic fundamentals and prudent policies. According to the April 2025 edition of the IMF's World Economic Outlook, India's economy is expected to grow by 6.2 per cent in 2025 and 6.3 per cent in 2026, maintaining a solid lead over global and regional peers.

The Management of the Company is looking for a steady growth of the Company and aims at maximising the shareholders' wealth by way of earning maximum profits at low investment costs. The Company is cautiously optimistic in its outlook for the year 2025-26. The outlook for the business of the Company is also discussed in the Directors' Report.

#### **RISKS AND AREAS OF CONCERN**

The Company is providing financial, corporate and management consultancy and undertakes wide spectrum of activities and therefore has a well-diversified portfolio of services provided. Currently, there are no risks faced by the Company.

#### **INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY**

The Company has an Internal Control System commensurate with the size and nature of its operations. During the year, controls were tested and no material weakness in design and operation were observed. These have been designed to ensure the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets from unauthorised use, the prevention and detection of frauds and errors, ensuring accuracy and completeness of the accounting records, timely preparation of financial information and compliance with applicable statutes.

#### **DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE**

A detailed discussion on financial performance with respect to operational performance has been presented in the Directors' Report.

#### **HUMAN RESOURCE DEVELOPMENT**

The Company regards its human resources as amongst its most valuable assets and proactively reviews policies and processes by creating a work environment that encourages initiative, provides challenges and opportunities and recognises the performance and potential of its employees attracting and retaining the best manpower available by providing high degree of motivation. Your Company believes in trust, transparency & teamwork to improve employee's productivity at all levels.

#### **DETAILS OF KEY FINANCIAL RATIOS**

The details of the applicable key financial ratios are given in Notes to the Financial Statements.

#### **DISCLOSURE OF ACCOUNTING TREATMENT**

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time). The details of accounting treatment are given in Significant Accounting policies at note no. 1 & 2 of the Financial Statements.

## REPORT ON CORPORATE GOVERNANCE

This report is prepared in accordance with the provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, and the report contains the details of Corporate Governance systems and processes at Libord Finance Limited (LFL).

### I. Genesis of Corporate Governance

#### Corporate Governance

Corporate Governance is a mechanism for promoting fairness, transparency, accountability, commitment to values and ethical business conduct. It represents the value framework, principles, rules, practices by which a company conducts its business activities. Corporate Governance essentially involves balancing the interests of many stakeholders in a company which include its shareholders, management, customers, suppliers, financiers, government and the community.

#### Philosophy of LFL on Corporate Governance

We, at LFL, strive for conducting our day to day business activities in an ethical manner in order to achieve high levels of accountability and trust for all our stakeholders. We uphold our commitment to adhere to timely disclosures, transparent accountability policies and independent Board and other practices as stipulated in various Legislations and Regulations viz., Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (hereinafter referred to as "the LODR Regulations"), the Companies Act, 2013 (hereinafter referred to as "the Act") and all other applicable rules and regulations.

#### Roles and Responsibilities

The Company has put in place an internal governance system with defined roles and responsibilities of every constituent of the system. Shareholders appoint Board of Directors and entrust them necessary powers. The Board leads strategic management and appoints various Committees to handle specific areas of responsibilities. The Executive Management and the Committees take up specific responsibilities and day to day affairs as set by the Board. The Company Secretary assists the Managing Director in management of the Board's administrative activities such as meetings, schedules, agendas, communication and documentation.

#### Mission

We, at LFL strive to achieve the highest standards of performance in our pursuit to give utmost satisfaction to our valued stakeholders and develop enduring relationships with them.

#### Vision

Our vision is to position LFL as a full-fledged financial services super-house offering one stop financial solutions to our clients for their varied needs and requirements.

#### Values

We have always sought to be a value-driven organisation aiming at ethical conduct in all our pursuits towards growth and success of the Company. Ethics is fundamental to our business. Our adherence to high standards of moral and ethical principles is reflected in our dealings with clients, fellow colleagues and whatever it takes to be good corporate citizens. Our reputation is earned due to our consistent commitment for achieving high standards of integrity and we cherish it always.

## INDEPENDENT AUDITOR'S REPORT

To

**The Members of  
Libord Finance Limited**

### **Report on the Audit of the Standalone Financial Statements**

#### **Opinion**

We have audited the accompanying Standalone Ind AS Financial Statements of **Libord Finance Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2025 and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the Standalone Ind AS financial statements, including a summary of significant accounting policies and other explanatory information for the year ended on that date.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, the loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements section of our Report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Ind AS financial statements under the provision of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the year ended March 31, 2025. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters in our audit of the Company for the year ended March 31, 2025.

#### **Fair Value of Investment**

The Company's investments (other than investment in Group Companies) are measured at fair value at each reporting date.

#### **Auditor's Response**

We have assessed the Company's process to compute the fair value of various investments. For quoted instruments, we have independently obtained market quotations and the fair valuation thereof.

#### **Information Other than the Standalone Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Director's Report (including annexures), but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### **Responsibility of Management and Those Charged with Governance for the Standalone Ind AS Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our Report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a Director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act as amended in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 read with Schedule V of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i) The Company does not have any pending litigations which would impact its financial position except as stated otherwise.
  - ii) The Company does not have any long-term contracts including derivative contracts, as such the question of commenting on any material foreseeable losses thereon does not arise.
  - iii) There has not been an occasion in case of the Company during the year under report to transfer any sums to the Investor Education and Protection Fund. The question of delay in transferring such sums does not arise.

- iv) According to the information and explanations given by the management and to the best of our belief, we report that:
- (i) No funds have been advanced or loaned or invested by the Company to or in any other person(s) or entities, including foreign entities ("Intermediaries"), with the understanding that the intermediary shall whether directly or indirectly lend or invest in other persons or entities identified in any manner by or on behalf of the Company (Ultimate Beneficiaries) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
  - (ii) No funds have been received by the Company from any person(s) or entities, including foreign entities ("Funding Parties"), with the understanding that the Company shall whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or provide guarantee, security or the like on behalf of the Ultimate Beneficiaries.
  - (iii) Based on the audit procedure performed, we report that nothing has come to our notice that has caused us to believe that the representation given under sub-clause (i) & (ii) by the management contains any material mis-statement.
- v) The Company has not declared or paid any dividend during the year.
- vi) The Company is maintaining books of accounts using accounting software which has a feature of recording audit trail (edit log) facility in pursuance to Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with at transactions level and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of section 143 of the Companies Act, 2013

**To**  
**The Members of Libord Finance Limited**

We have audited the internal financial controls over financial reporting of Libord Finance Limited ("the Company") as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls Over Financial Reporting**

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## NOTES FORMING PART OF FINANCIAL STATEMENTS

**Note 1 Corporate Information**

Libord Finance Limited ("the Company") is a limited company domiciled and incorporated in India and its shares are publicly traded on the Bombay Stock Exchange (BSE) in India since 1994. The registered office of the Company is situated at 104, M.K. Bhawan, 300, Shahid Bhagat Singh Road, Fort, Mumbai- 400001.

The Company is presently classified as Non-Deposit taking Non-Systemically Important NBFC duly registered with Reserve Bank of India. The Company is engaged in the business of Financial Services, Working Capital Loans, Project Finance, Syndication of Loans, Corporate Advisory Services, Financial Consultancy etc.

The Standalone Financial Statements for the year ended March 31, 2025 were authorised for issuance in accordance with resolution of the Board of Directors in their meeting held on May 28, 2025.

**Note 2 Basis of Preparation and Presentation****2.1 Basis of Preparation**

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and applicable read with Section 133 of the Companies Act, 2013 (the "Act") and guidelines issued by the Reserve Bank of India.

The Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity are prepared and presented in the format prescribed in Division III of Schedule III to the Act. The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash Flows".

Amounts in the financial statements are presented in Indian Rupees in hundreds rounded off to two decimal places as permitted by Schedule III to the Act which is the Company's functional and presentation currency. Per share data are presented in Indian Rupee to two decimal places.

**2.2 Basis of Measurement**

The Financial Statements have been prepared on going concern basis and on an accrual method of accounting using historical cost convention except for certain financial assets and liabilities which are measured at fair value at the end of each reporting period as explained in accounting policies below.

**2.3 Significant Accounting Judgements, Estimates and Assumptions**

The Preparation of the Financial Statements in conformity with Ind AS requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year.

Accounting estimates could change from period to period. The estimates and judgements used are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Revision to accounting estimates are recognised prospectively. The management believes that the estimates used in the preparation of Financial Statements are prudent and reasonable.

Key sources of estimation of uncertainty at the date of the financial statements which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year is in respect of fair valuation of unquoted equity investments, impairment of financial instruments, impairment of property, plant & equipment, useful lives of property, plant & equipment, provisions and contingent liabilities.

**2.4 Significant Accounting Policies****1. Property, Plant and Equipment**

Property, plant and equipment are carried at cost less accumulated depreciation and accumulated impairment losses, if any. Cost includes purchase price and any cost directly attributable to bringing the asset to its working condition for its intended use. Depreciation on the property, plant and equipment is provided using straight line method over the useful life of assets as specified in Schedule II to the Companies Act, 2013. Depreciation on property, plant and equipment which are added /disposed of during the year, is provided on pro-rata basis with reference to the date of addition / deletion. The assets' residual values, useful lives and method of depreciation are reviewed at each financial year end and are adjusted prospectively, if appropriate.

The estimated useful lives of Property, Plant and Equipment are as stated below:

Property, Plant and Equipment	Useful Life
Furniture	8 years
Motor Vehicles	8 years
Office Equipment	5 years
Computer Hardware	3 years

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

**2. Intangible Assets**

Intangible assets are stated at acquisition cost, net of accumulated amortisation and accumulated impairment losses, if any. The estimated useful lives of Intangible Assets are as stated below:

Intangible Assets	Useful Life
Computer Software	3 years

Gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between the disposal proceeds and the carrying amount of the asset and are recognised as income or expense in the Statement of Profit and Loss.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in the Statement of Profit and Loss when the asset is derecognised.

## NOTES FORMING PART OF FINANCIAL STATEMENTS

**3. Impairment of Non – Financial Assets**

The Company assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. For the purposes of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the Balance Sheet date there is an indication that previously assessed impairment loss no longer exists or may have decreased, the recoverable amount is reassessed and the asset is reflected at the recoverable amount.

**4. Financial Instruments Classification**

A Financial instrument is any contract that gives rise to a financial asset of one entity and financial liability or equity instruments of another entity.

Financial assets, other than equity, are classified into, financial assets at Fair Value through Other Comprehensive Income (FVOCI) or Fair Value through Profit and Loss Account (FVTPL) or at amortised cost. Financial assets that are equity instruments are classified as FVTPL or FVOCI. Financial liabilities are classified as amortised cost category and FVTPL.

**Business Model Test / Assessment**

An assessment of business model for managing financial assets is fundamental to the classification of a financial asset. The Company determines the business model at a level that reflects how financial assets are managed together to achieve a particular business objective.

The Company's business model does not depend on management's intentions for an individual instrument; therefore, the business model assessment is performed at a higher level of aggregation rather than on an instrument-by-instrument basis.

The Company considers all relevant information and evidence available when making the business model assessment such as the distribution of the financial assets held within the business model is evaluated in relation to the risks associated to its performance and its management. The performance of the financial assets held within that business model are evaluated and reported to the Company's key management personnel.

At initial recognition of a financial asset, the Company determines whether newly recognised financial assets are part of an existing business model or whether they reflect a new business model. The Company reassesses its business model at each reporting period to determine whether the business model has changed since the preceding period.

**Initial Recognition**

Financial Assets and Financial Liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial Assets and Financial Liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

**Subsequent Measurement****Financial Assets at Amortised Cost**

Financial assets having contractual terms that give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding and that are held within a business model whose objective is to hold such assets in order to collect such contractual cash flows are classified in this category. Subsequently these are measured at amortised cost using effective interest method less any impairment losses.

**Fair Value through Profit and Loss Account**

Financial assets are measured at FVTPL unless it is measured at amortised cost or at FVOCI on initial recognition. The transaction costs directly attributable to the acquisition of financial assets at fair value through profit or loss are immediately recognised in profit or loss.

**Fair Value through Other Comprehensive Income (FVOCI)**

These include financial assets that are equity instruments as defined in Ind AS 32 "Financial Instruments: Presentation" and are not held for trading and where they are irrevocably designated as equity instruments at FVOCI upon initial recognition. Subsequently, these are measured at fair value and changes therein are recognised directly in other comprehensive income (OCI), net of applicable income taxes.

Gains and losses on these equity instruments are never recycled to profit or loss.

Dividends from these equity investments are recognised in the Statement of Profit and Loss when the right to receive the payment has been established.

**Investments in Group Companies**

Investments in group companies are carried at cost less accumulated impairment losses, if any, as per Ind AS 27. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in group companies, the difference between net disposal proceeds and the carrying amounts are recognised in the Statement of Profit and Loss.

**Debt Instruments at FVOCI**

Debt instruments that are measured at FVOCI have contractual terms that give rise on specified dates to cash flows that are solely payments of principal and interest on principal outstanding and that are held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets. These instruments largely comprise long-term investments made by the Company. FVOCI debt instruments are subsequently measured at fair value with gains and losses arising due to changes in fair value recognised in OCI. Interest income and gains and losses are recognised in profit or loss in the same manner as for financial assets measured at amortised cost. On derecognition, cumulative gains or losses previously recognised in OCI are reclassified from OCI to profit or loss.

## NOTES FORMING PART OF FINANCIAL STATEMENTS

### Financial Liabilities and Equity Instruments

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

### Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

### Other Financial Liabilities

These are measured at amortised cost using effective interest rate.

### Derecognition of Financial Assets and Financial Liabilities

The Company derecognises a financial asset only when the contractual rights to the cash flows from the asset expires or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or it expires.

### Impairment of Financial Assets

The Company recognises a loss allowance for expected credit losses on a financial asset that is at amortised cost or fair value through OCI. Loss allowance in respect of financial assets is measured based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

### Reclassification of Financial Assets

The Company does not re-classify its financial assets subsequent to their initial recognition, apart from the exceptional circumstances when the Company changes its business model for managing such financial assets. The Company does not re-classify its financial liabilities.

## 5. Determination of Fair Value

The Company maintains procedures to value financial assets or financial liabilities using the best and most relevant data available. The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following methods and assumptions were used to estimate the fair values:

- i) Fair value of trade receivable, cash and cash equivalents, other bank balances, trade payables, loans, borrowings, deposits and other financial assets and liabilities are approximate at their carrying amounts largely due to the short-term maturities of these instruments.
- ii) The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.
- iii) Fair values of quoted financial instruments are derived from quoted market prices in active markets.

## 6. Fair Value Hierarchy

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1: Quoted market prices in active markets for identical assets or liabilities.
- Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

## 7. Employee Benefits

**Defined Benefit Plans:** The present value of the obligation under such plan is determined based on an actuarial valuation using the Projected Unit Credit Method. Actuarial gains and losses arising on such valuation are recognised immediately in the other comprehensive income. In case of funded defined benefit plans, the fair value of the plan assets is reduced from the gross obligation under the defined benefit plans, to recognise the obligation on net basis.

## 8. Provisions and Contingent Liabilities

Provisions are recognised when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material). The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

## 9. Revenue Recognition

### Interest Income

The Company normally gives working capital loans. The rate of interest for the borrower is decided by the Chief Operating Decision Maker on the basis of risk appetite and internal rating.

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS

### Investment Income

Dividend income from investments is recognised when the Company's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of dividend income can be measured reliably).

Income from interest on deposits and interest-bearing securities is recognised on the time proportionate method taking into account the amount outstanding and the rate applicable.

Income from derivatives / equity trading are accounted on accrual basis.

### Consultancy Income

The Company raises bills on case-to-case basis. There is no contractual agreement for the respective parties. The bill is raised as and when services are rendered.

### 10. Exceptional Items

When items of income and expense within profit or loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period, the nature and amount of such items is disclosed separately as Exceptional items.

### 11. Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116 with effective date of April 1, 2019. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease. The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for portfolio of leases with similar characteristics.

### 12. Taxes on Income

#### Current Tax

Current tax assets and liabilities for the current and prior years are measured at the amount expected to be recovered from, or paid to, the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted, or substantively enacted, by the reporting date in the countries where the Company operates and generates taxable income.

Current tax assets and liabilities are offset only if, the Company:

- has a legally enforceable right to set off the recognised amounts; and
- intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

#### Deferred Tax

Deferred tax is recognised for the future tax consequences of deductible temporary differences between the carrying values of assets and liabilities and their respective tax bases at the reporting date, using the tax rates and laws that are enacted or substantively enacted as on the reporting date.

Deferred tax assets are recognised to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses and credits can be utilised.

Deferred tax assets and liabilities are offset only if:

- Entity has a legally enforceable right to set off current tax assets against current tax liabilities; and
- Deferred tax assets and the deferred tax liabilities relate to the income taxes levied by the same taxation authority.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

### 13. Cash and Cash Equivalents

Cash and cash equivalent in the Balance Sheet comprise cash at banks, cash on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the Statement of Cash Flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

### 14. Segment Reporting

The Company engaged primarily in the business of financial services and accordingly there are no separate reportable segments dealing with Segment Reporting. The Company's business is not subject to seasonal variation.

### 15. Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

**Note 33 Fair Value Hierarchy**

The Company uses the following hierarchy for determining and disclosing the Fair Value of financial instruments by valuation techniques:

Level 1 : Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2 : The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Level 3 : If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3. The Company's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.
