ANNUAL REPORT
2017 - 2018

CREATING WEALTH FOR INDIA BY ALWAYS PUTTING THE CLIENT FIRST

CHAIRMAN'S MESSAGE

Dear Shareholders,

I am delighted to present before you the 26th Annual Report of your Company. As we traverse through this wonderful journey, we take pride in fulfilling needs and aspirations of Indians from every part of the country, ethnicity, gender and background people residing in large cities and small towns, salaried and self-employed, the young and the wise, people of determination and everyone in between. Our philosophy of providing fair and sound researched based advice and enabling our clients in making sound financial decisions has successfully helped us create wealth of our clients.

In the current scenario, the post-demonetization era, there has been a fundamental change in behavior of Indians with household savings increasingly shifting from physical assets to financial assets. In FY 2018, India witnessed record demat account openings, many first-time investors have chosen to invest in the stock market through mutual funds, which have seen record flows and new investor registrations.

India's economy maintained its strong growth in FY 2018 as GDP expanded to 7.4% as compared to 7.6% in the previous year. With “One Nation, One Tax” GST regime being implemented, GST collections crossed Rs. 1 trillion figure in April 2018. However, in the previous Union Budget, the government re-introduced LTCG tax on stocks. Investors will have to now pay 10 per cent tax on profit exceeding Rs. 1 lakh made from the sale of shares or equity mutual fund schemes held for over one year.

India today is on the cusp of a transformation - an India more vibrant and dynamic. In this backdrop, equities markets have also transformed. Experienced Investors now understand how difficult it is to “beat” or “outperform” the market on a consistent basis. Hence it is apt that investors lay their emphasis on proper planning, asset allocation and tax efficiency - all factors that have delivered success over time and all within every investor's control. We, at Arihant, recognize and acknowledge these changing times and are realigning our business strategy, business processes and honing our team skills to keep ourselves ahead of the curve.

I am pleased to inform you that during the financial year, your Company's consolidated income crossed Rs. 100 crores, a testimony of our relentless work. The total income for the previous year stood at Rs. 102.44 crore and your company reported a profit after tax of Rs. 20.66 crore.

Today, thanks to technology, reaching out to people and making the markets available to them has become much easier. On the technological front, we have completely revamped our mobile trading application for our clients and introduced E-KYC, paperless onboarding in 2018. We recognize that in the current era, trading and accessing client information via mobile devices is extremely important and hence we are betting big on it in the future. We are humbled at the opportunity to lead Arihant forward in this new “smart” age by innovating and simplifying our technological infrastructure and offerings.

I've always believed in the power of investing. With the right financial provider and active engagement, investors can make better decisions that bring greater value to their financial lives. From day one our goal has been to provide a platform for investors to build wealth, focus on long-term value rather than short-term profits and always offer professional objective advice.

I will close where I started-with a sincere thank you. Thank you to our valued clients, our shareholders and all the stakeholders who have helped us to accomplish our goals. Your trust and confidence in Arihant have helped us build a remarkable company, that is set to make a positive impact in the lives of every Indian. I truly believe the best is yet to come.

**“With our vision and strategy
in the right direction,
the value is yet to unlock
and we are poised for
the growth in the future”**

INDEPENDENT AUDITORS' REPORT

TO,
THE MEMBERS
ARIHANT CAPITAL MARKETS LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of ARIHANT CAPITAL MARKETS LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March, 2018, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2018, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

- I. As required by the Companies (Auditor's Report) Order, 2016 ("the order") issued by the Central Government of India in terms of sub-section (11) 143 of the act, we give in the Annexure "A", a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion the aforesaid financial statements comply with the accounting standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014
- (e) On the basis of the written representations received from the directors as on 31st March, 2018 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2018 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial control over financial reporting of the company and the operating effectiveness of such control, refer to our separate report in Annexure "B"; and
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements as referred to in Note 28 to the Financial Statements.
 - ii. The Company did not have any long-term contracts including derivative contracts; as such the question of commenting on any material foreseeable losses thereon does not arise.

ANNEXURE "B" AS REFERRED TO IN PARAGRAPH 2(f) UNDER THE HEADING OF "REPORT ON LEGAL AND REGULATORY REQUIREMENTS" OF OUR REPORT OF EVEN DATE TO THE MEMBERS OF ARIHANT CAPITAL MARKETS LIMITED ON THE ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2018

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Arihant Capital Market Limited ("the Company") as of March 31, 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over

financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company;
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes Forming Part of Standalone Financial Statements for the year ended 31st March, 2018

NOTE I: STATEMENT ON SIGNIFICANT ACCOUNTING POLICIES

(i) (a) BASIS OF PREPARATION

The financial statements have been prepared to comply with applicable accounting principles in India, the Accounting Standards issued by the Institute of Chartered Accountants of India and the relevant provisions of the Companies Act, 2013. The accounts are prepared on historical cost basis and on the principle of going concern. Accounting policies not specifically referred to are in consonance with prudent and generally accepted accounting practices. The accounting policies have been consistently applied unless otherwise stated.

(b) USE OF ESTIMATES

The preparation of financial statements is in conformity with generally accepted accounting principles which require the management of the company to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and results of operations during the reporting periods. Although these estimates are based upon the management's best knowledge of current events & actions, actual results could differ from those estimates. Difference between the actual results and estimates are recognized in the period in which the results are known / materialized.

(ii) REVENUE RECOGNITION

- a) Company recognizes Brokerage Income on accrual on the basis of the date of trade settlement, of respective stock exchanges.
- b) Other Income is accounted for on accrual basis.
- c) The Annual Maintenance Charges in respect of Account Holders of the Depository Division of the Group are accounted at the time of opening of account or completion of the year irrespective of the period they pertain to.
- d) Incentive on primary market subscription – mobilization is accounted on the basis of intimation received by the Company.

(iii) VALUATION OF INVENTORIES

Securities shown as Inventories are valued scrip wise at Weighted Average Cost of the day or Market Value whichever is lower. Cost includes direct expenses.

(iv) FIXED ASSETS

Fixed assets are stated at historical cost less accumulated depreciation. Historical cost comprises the purchase price and all direct cost attributable to bring the asset to its working condition for intended use.

(v) DEPRECIATION

Depreciation on tangible assets is provided on the straight-line method over the useful lives of assets as mentioned and envisaged under Schedule II of the Companies Act, 2013. Depreciation for assets purchased / sold during a period is proportionately charged. Intangible assets are amortized over their respective individual estimated lives on a straight-line basis, commencing from the date the asset is available to the Company for its use.

(vi) IMPAIRMENT OF ASSETS

Impairment loss, if any, is provided to the extent the carrying amount of assets exceeds their recoverable amount. Recoverable amount is higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life.

(vii) INVESTMENTS

Investments are classified into current investments and non-current investments. Investments which are intended to be held for more than one year are classified as non-current investments and investments which are intended to be held for less than one year are classified as current investments. Investments are accounted at cost and any decline in the carrying value other than temporary in nature is provided for.

(viii) CASH & CASH EQUIVALENTS

Cash comprises of cash in hand and balances with banks. Cash equivalents are short term, highly liquid investments that are readily convertible into cash and which are subject to insignificant risks of changes in value.

(ix) FOREIGN EXCHANGE TRANSACTIONS

- (a) Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction or that approximates the actual rate at the date of the transaction.
- (b) Monetary items denominated in foreign currencies at the year end are restated at year end rates. In case of items which are covered by forward exchange contracts, the difference between the year end rate and rate on the date of the contract is recognized as exchange difference and the premium paid on forward contracts is recognized over the life of the contract.
- (c) Any income or expense on account of exchange difference either on settlement or on translation is recognized in the Profit and Loss account except in case of long term liabilities, where they relate to acquisition of fixed assets, in which case they are adjusted to the carrying cost of such assets.

(x) EARNING PER SHARE

The Company reports Basic and Diluted Earning Per Share in accordance with Accounting Standard –20, “Earning Per Share” issued by The Institute of Chartered Accountants of India. Basic Earning Per Share is computed by dividing net profit after tax by the weighted average number of equity shares outstanding for the period. Diluted Earning Per Share is computed using the weighted average number of equity shares and dilutive potential equity shares outstanding during the period.

(xi) TAXATION

- a) Current corporate tax is provided on the results for the year after considering applicable tax rates and laws.
- b) Deferred Tax is provided on timing differences between tax and accounting treatments that originate in one period and are expected to be reversed or settled in subsequent periods. Deferred tax assets and liabilities are measured using the enacted / substantially enacted tax rates and laws for continuing operations. Deferred tax assets, in the event of unabsorbed depreciation and carry forward losses under tax laws, that exceed the deferred tax liability, are recognized only where there is virtual certainty of realization. Deferred tax assets on other accounts are recognized only to the extent there is reasonable certainty of realization. The carrying amount of deferred tax assets is reviewed at each balance sheet date to reassess realization.
- c) Minimum Alternative Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the profit and loss account and shown as MAT Credit Entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that the Company will pay normal Income Tax during the specified period.

(xii) RETIREMENT BENEFITS

- i. Gratuity liability is a defined benefit obligation and is wholly unfunded. The Company accounts for liability for future gratuity benefits based on actuarial assumptions.
- ii. Provident fund is a defined contribution scheme and the contributions as required by the statute are charged to the Profit and Loss Account as incurred.

(xiii) EQUITY INDEX/ STOCK FUTURES

- a) “Initial Margin – Equity Derivative Instrument”, representing the initial margin paid for entering into contracts for equity index/stock futures which are released on final settlement/squaring-up of underlying contracts, are disclosed under Other Current Assets.
- b) Equity index/stock futures for arbitrage purposes are marked-to-market on a daily basis. Debit or credit balance disclosed under Other Current Assets or Other Current Liabilities, respectively, in the “Mark-to-Market Margin – Equity Index/Stock Futures Account”, represents the net amount paid or received on the basis of movement in the prices of index/ stock futures till the Balance Sheet date.

- c) As on the Balance Sheet date, profit/loss on open positions in equity index/ stock futures is accounted for as follows:
 - 1. Credit balance in the "Mark-to-Market Margin – Equity Index/Stock Futures Account", being the anticipated profit, is ignored and no credit for the same is taken in the Profit and Loss Account.
 - 2. Debit balance in the "Mark-to-Market Margin – Equity Index/Stock Futures Account", being anticipated loss, is adjusted in the Profit and Loss Account.
- d) On final settlement or squaring-up of contracts for equity index/stock futures, the profit or loss is calculated as the difference between the settlement/squaring-up price and the contract price. Accordingly, debit or credit balance pertaining to the settled/squared-up contract in "Mark-to-Market Margin – Equity Index/ Stock Futures Account" after adjustment of provision for anticipated losses is recognized in the Profit and Loss Account.
- e) When more than one contract in respect of the relevant series of equity index/ stock futures contract to which the squared-up contract pertains is outstanding at the time of the squaring-up of the contract, the contract price of the contract so squared-up is determined using the weighted average cost method for calculating the profit/loss on squaring-up.

(xiv) EQUITY INDEX/ STOCK OPTIONS

- a) "Initial Margin Equity Derivative Instrument" representing the initial margin paid, and "Margin Deposit", representing the additional margin paid over and above the initial margin, for entering into contracts for equity index/ stock options, which are released on final settlement/squaring-up of the underlying contracts, are disclosed under Other Current Assets.
- b) "Equity Index/Stock Option Premium Account" represents the premium paid or received for buying or selling the options, respectively.
- c) As at the Balance Sheet date, in the case of long positions, provision is made for the amount by which the premium paid for those options exceeds the premium prevailing on the Balance Sheet date, and in the case of short positions, for the amount by which the premium prevailing on the Balance Sheet date exceeds the premium received for those options, and is reflected in "Provision for Loss on Equity Index/ Stock Option Account".
- d) When the options are squared up before expiry of the options, the premium prevailing in "Equity Index/Stock Option Premium Account" on that date is recognized in the Profit and Loss Account. If more than one option contract in respect of the same index/stock with the same strike price and expiry date to which the squared-up contract pertains is outstanding at the time of squaring-up of the contract, the weighted average method is followed for determining the profit or loss. On the expiry of the contracts and on exercising the options, the difference between the final settlement price and the strike price is transferred to the Profit and Loss Account. In both the above cases, the premium paid or received for buying or selling the option, as the case may be, is recognized in the Profit and Loss Account for all squared-up/settled contracts.

(xv) PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions are recognized for present obligations, of uncertain timing or amount, arising as a result of a past event where a reliable estimate can be made and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation. Where it is not probable that an outflow of resources embodying economic benefits will be required or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability unless the possibility of outflow of resources embodying economic benefits is remote.

Possible obligations, whose existence will only be confirmed by the occurrence or non-occurrence of one or more uncertain future events, are also disclosed as contingent liabilities unless the possibility of outflow of resources embodying economic benefits is remote.

INDEPENDENT AUDITORS' REPORT

To
The Members,
Arihant Capital Markets Limited

Report On the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of ARIHANT CAPITAL MARKETS LIMITED ("the Holding Company"), and its subsidiaries (collectively referred to as "the Company" or "the Group") which comprise the Consolidated Balance Sheet as at March 31, 2018, the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of the appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatements. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation and presentation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the consolidated financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting policies generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2018, and its consolidated profit and its consolidated cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

- I. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of the aforesaid consolidated financial statements.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement

(d) In our opinion, the aforesaid financial statements comply with the accounting standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

(e) On the basis of the written representations received from the directors of the holding company as on 31st March, 2018 taken on record by the Board of Directors of the holding company and the report of the subsidiary companies, none of the directors is disqualified as on 31st March, 2018 from being appointed as a director in terms of Section 164 (2) of the Act.

(f) With respect to the adequacy of the internal financial control over financial reporting of the company and the operating effectiveness of such control, refer to our separate report in Annexure "A"; and

(g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements as referred to in Note 29 to the Consolidated Financial Statements.
- ii. The Company did not have any long-term contracts including derivative contracts; as such the question of commenting on any material foreseeable losses thereon does not arise.
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and subsidiary companies..

ANNEXURE “A” AS REFERRED TO IN PARAGRAPH 2(f) UNDER THE HEADING OF “REPORT ON LEGAL AND REGULATORY REQUIREMENTS” OF OUR REPORT OF EVEN DATE TO THE MEMBERS OF ARIHANT CAPITAL MARKETS LIMITED ON THE CONSOLIDATED ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2018

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the Group as of and for the year ended 31st March 2018, we have audited the internal financial controls over financial reporting of Arihant Capital Markets Limited (“the Holding Company”) and its subsidiary companies, as of that date.

Management's Responsibility for Internal Financial Controls

The respective management of the holding company and its subsidiaries companies are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to group's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Group's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company;
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial

Notes Forming Part of Consolidated Financial Statements for the year ended 31st March, 2018

NOTE I: STATEMENT ON SIGNIFICANT ACCOUNTING POLICIES

A. BASIS OF ACCOUNTING

The financial statements have been prepared to comply with applicable accounting principles in India, the Accounting Standards issued by the Institute of Chartered Accountants of India and the relevant provisions of the Companies Act, 2013. The accounts are prepared on historical cost basis and on the principle of going concern. Accounting policies not specifically referred to are in consonance with prudent and generally accepted accounting practices. The accounting policies have been consistently applied unless otherwise stated.

B. USE OF ESTIMATES

The preparation of financial statements is in conformity with generally accepted accounting principles which require the management of the company to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and results of operations during the reporting periods. Although these estimates are based upon the management's best knowledge of current events & actions, actual results could differ from those estimates. Difference between the actual results and estimates are recognized in the period in which the results are known / materialized.

C. REVENUE RECOGNITION

- i. Group recognises Brokerage Income and Profit/ (Loss) from Trading of Securities on the basis of the date of trade of settlement, of respective stock exchanges.
- ii. Income from interest on Loans is recognized on accrual basis.
- iii. Other Income is accounted for on accrual basis.
- iv. The Annual Maintenance Charges in respect of Account Holders of the Depository Division of the Group are accounted at the time of opening of account or completion of the year irrespective of the period they pertain to.

D. FIXED ASSETS

Fixed assets are stated at historical cost less accumulated depreciation. Historical cost comprises the purchase price and all direct cost attributable to bring the asset to its working condition for intended use.

E. DEPRECIATION

Depreciation on tangible assets is provided on the straight-line method over the useful lives of assets as mentioned and envisaged under Schedule II of the Companies Act, 2013. Depreciation for assets purchased / sold during a period is proportionately charged. Intangible assets are amortized over their respective individual estimated lives on a straight-line basis, commencing from the date the asset is available to the Company for its use.

F. INVESTMENTS

Investments are classified into long term investments and current investments. Investments which are intended to be held for more than one year are classified as long term investments and investments which are intended to be held for less than one year are classified as current investments. Investments are accounted at cost and any decline in the carrying value other than temporary in nature is provided for.

G. STOCK INTRADE

Securities Shown as Inventories are valued scrip wise at Weighted Average Cost of the day or Market Value whichever is lower. Cost includes direct expenses.

Inventories (Land) are valued at Cost or Market Value whichever is lower. Cost includes direct expenses.

H. CASH & CASH EQUIVALENTS

Cash comprises cash in hand and balances with banks. Cash equivalents are short term, highly liquid investments that are readily convertible into cash and which are subject to insignificant risks of changes in value.

Notes Forming Part of Consolidated Financial Statements for the year ended 31st March, 2018

I. RETIREMENT BENEFITS

- i. Gratuity liability is a defined benefit obligation and is wholly unfunded. The Group accounts for liability for future gratuity benefits based on actuarial valuation.
- ii. Provident fund is a defined contribution scheme and the contributions as required by the statute are charged to the Profit and Loss Account as incurred.

J. EQUITY INDEX/ STOCK FUTURES

- (a) "Initial Margin – Equity Derivative Instrument", representing the initial margin paid for entering into contracts for equity index/stock futures which are released on final settlement/squaring-up of underlying contracts, are disclosed under Loans and Advances.
- (b) Equity index/stock futures for arbitrage purposes are marked-to-market on a daily basis. Debit or credit balance disclosed under Loans and Advances or Current Liabilities, respectively, in the "Mark-to-Market Margin – Equity Index/Stock Futures Account", represents the net amount paid or received on the basis of movement in the prices of index/ stock futures till the Balance Sheet date.
- (c) As on the Balance Sheet date, profit/loss on open positions in equity index/ stock futures are accounted for as follows:
 - Credit balance in the "Mark-to-Market Margin – Equity Index/Stock Futures Account", being the anticipated profit, is ignored and no credit for the same is taken in the Profit and Loss Account.
 - Debit balance in the "Mark-to-Market Margin – Equity Index/Stock Futures Account", being anticipated loss, is adjusted in the Profit and Loss Account.
- (d) On final settlement or squaring-up of contracts for equity index/stock futures, the profit or loss is calculated as the difference between the settlement/squaring-up price and the contract price. Accordingly, debit or credit balance pertaining to the settled/squared-up contract in "Mark-to-Market Margin – Equity Index/ Stock Futures Account" after adjustment of provision for anticipated losses is recognised in the Profit and Loss Account.

When more than one contract in respect of the relevant series of equity index/ stock futures contract to which the squared-up contract pertains is outstanding at the time of the squaring-up of the contract, the contract price of the contract so squared-up is determined using the weighted average cost method for calculating the profit/loss on squaring-up.

K. EQUITY INDEX/ STOCK OPTIONS

- (a) "Initial Margin Equity Derivative Instrument" representing the initial margin paid, and "Margin Deposit", representing the additional margin paid over and above the initial margin, for entering into contracts for equity index/ stock options, which are released on final settlement/squaring-up of the underlying contracts, are disclosed under Loans and Advances.
- (b) "Equity Index/Stock Option Premium Account" represents the premium paid or received for buying or selling the options, respectively.
- (c) As at the Balance Sheet date, in the case of long positions, provision is made for the amount by which the premium paid for those options exceeds the premium prevailing on the Balance Sheet date, and in the case of short positions, for the amount by which the premium prevailing on the Balance Sheet date exceeds the premium received for those options, and is reflected in "Provision for Loss on Equity Index/ Stock Option Account".
- (d) When the options are squared up before expiry of the options, the premium prevailing in "Equity Index/Stock Option Premium Account" on that date is recognised in the Profit and Loss Account. If more than one option contract in respect of the same index/stock with the same strike price and expiry date to which the squared-up contract pertains is outstanding at the time of squaring-up of the contract, the weighted average method is followed for determining the profit or loss.

On the expiry of the contracts and on exercising the options, the difference between the final settlement price and the strike price is transferred to the Profit and Loss Account.

In both the above cases, the premium paid or received for buying or selling the option, as the case may be, is recognised in the Profit and Loss Account for all squared-up/settled contracts.

L. TAXES ON INCOME

- a) Current corporate tax is provided on the results for the year after considering applicable tax rates and laws.

Notes Forming Part of Consolidated Financial Statements for the year ended 31st March, 2018

- b) Deferred Tax is provided on timing differences between tax and accounting treatments that originate in one period and are expected to be reversed or settled in subsequent periods. Deferred tax assets and liabilities are measured using the enacted / substantively enacted tax rates and laws for continuing operations. Deferred tax assets, in the event of unabsorbed depreciation and carry forward losses under tax laws, that exceed the deferred tax liability, are recognized only where there is virtual certainty of realization. Deferred tax assets on other accounts are recognized only to the extent there is reasonable certainty of realization. The carrying amount of deferred tax assets is reviewed at each balance sheet date to reassess realization.
- c) Minimum Alternative Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the profit and loss account and shown as MAT Credit Entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that the Company will pay normal Income Tax during the specified period.

M. EARNING PER SHARE

The Group reports Basic and Diluted Earning Per Share in accordance with Accounting Standard –20, “Earning Per Share” issued by The Institute of Chartered Accountants of India. Basic Earning Per Share is computed by dividing net profit after tax by the weighted average number of equity shares outstanding for the period. Diluted Earning Per Share is computed using the weighted average number of equity shares and dilutive potential equity shares outstanding during the period.

N. FOREIGN CURRENCY TRANSACTIONS

- (a) Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction or that approximates the actual rate at the date of the transaction.
- (b) Monetary items denominated in foreign currencies at the year end are restated at year end rates. In case of items which are covered by forward exchange contracts, the difference between the year end rate and rate on the date of the contract is recognised as exchange difference and the premium paid on forward contracts is recognised over the life of the contract.
- (c) Any income or expense on account of exchange difference either on settlement or on translation is recognised in the Profit and Loss account except in case of long term liabilities, where they relate to acquisition of fixed assets, in which case they are adjusted to the carrying cost of such assets.

O. IMPAIRMENT OF ASSETS

Impairment loss, if any, is provided to the extent the carrying amount of assets exceeds their recoverable amount. Recoverable amount is higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life.

P. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions are recognized for present obligations, of uncertain timing or amount, arising as a result of a past event where a reliable estimate can be made and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation. Where it is not probable that an outflow of resources embodying economic benefits will be required or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability unless the possibility of outflow of resources embodying economic benefits is remote.

Possible obligations, whose existence will only be confirmed by the occurrence or non-occurrence of one or more uncertain future events, are also disclosed as contingent liabilities unless the possibility of outflow of resources embodying economic benefits is remote.

Q. BASIS OF CONSOLIDATION

The financial statements of the subsidiary companies used in the consolidation are drawn up to the same reporting date as of the Company.

Notes Forming Part of Consolidated Financial Statements for the year ended 31st March, 2018

The consolidated financial statements have been prepared on the following basis:

- a) The financial statements of the Company and its subsidiary companies have been combined on a line-by line basis by adding together like items of assets, liabilities, income and expenses. Inter-company balances and transactions and unrealised profits or losses have been fully eliminated.
- b) The excess of cost to the Company of its investments in subsidiary companies over its share of the equity of the subsidiary companies at the dates on which the investments in the subsidiary companies are made, is recognised as 'Goodwill' being an asset in the consolidated financial statements. Alternatively, where the share of equity in the subsidiary companies as on the date of investment is in excess of cost of investment of the Company, it is recognised as 'Capital Reserve' and shown under the head 'Reserves and Surplus', in the consolidated financial statements.
- c) Minority interest in the net assets of consolidated subsidiaries consists of the amount of equity attributable to the minority shareholders at the dates on which investments are made by the Company in the subsidiary companies and further movements in their share in the equity, subsequent to the dates of investments.
- d) The difference between the proceeds from disposal of investment in subsidiaries and the carrying amount of its assets less liabilities as of the date of disposal is recognized in the consolidated Profit and Loss Statement being the profit or loss on disposal of investment in subsidiary.
- e) Minority Interest's share of net profit of consolidated subsidiaries for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders of the Company.
- f) Minority Interest's share of net assets of consolidated subsidiaries is identified and presented in the consolidated balance sheet separate from liabilities and the equity of the Company's shareholders.
