

HIMADRI SPECIALITY CHEMICAL LTD Q2 & H1 FY17 Result Update Presentation November 2016

Disclaimer

This presentation and the accompanying slides (the "Presentation"), which have been prepared by Himadri Speciality Chemical Limited (the "Company") solely for information purposes and do not constitute any offer, recommendation or invitation to purchase or subscribe for any securities, and shall not form the basis or be relied on in connection with any contract or binding commitment what so ever. No offering of securities of the Company will be made except by means of a statutory offering document containing detailed information about the Company.

This Presentation has been prepared by the Company based on information and data which the Company considers reliable, but the Company makes no representation or warranty, express or implied, whatsoever, and no reliance shall be placed on, the truth, accuracy, completeness, fairness and reasonableness of the contents of this Presentation. This Presentation may not be all inclusive and may not contain all of the information that you may consider material. Any liability in respect of the contents of, or any omission from, this Presentation is expressly excluded.

Certain matters discussed in this Presentation may contain statements regarding the Company's market opportunity and business prospects that are individually and collectively forward-looking statements. Such forward-looking statements are not guarantees of future performance and are subject to known and unknown risks, uncertainties and assumptions that are difficult to predict. These risks and uncertainties include, but are not limited to, the performance of the Indian economy and of the economies of various international markets, the performance of the industry in India and world-wide, competition, the company's ability to successfully implement its strategy, the Company's future levels of growth and expansion, technological implementation, changes and advancements, changes in revenue, income or cash flows, the Company's market preferences and its exposure to market risks, as well as other risks. The Company's actual results, levels of activity, performance or achievements could differ materially and adversely from results expressed in or implied by this Presentation. The Company assumes no obligation to update any forward-looking information contained in this Presentation. Any forward-looking statements and projections made by third parties included in this Presentation are not adopted by the Company and the Company is not responsible for such third party statements and projections.

Company Overview

 One of few integrated Speciality Carbon Chemical companies in the world with global leadership position

> Largest producer of Coal Tar Pitch in India with ~70% market share

 One of the few global manufacturers to produce Zero Quinolene Insoluble (QI) impregnating Coal Tar Pitch

Diversified Product Portfolio with Presence across Carbon Value Chain & wide array of high demand specialized products

 Eight 'zero discharge' strategically located manufacturing facilities spread across India in West Bengal, Gujarat, **Odhisa, Andhra Pradesh and Chhattisgarh**

Journey So Far

Business Overview

Coal Tar Pitch

Complex speciality chemical with 22 chemical and physical properties obtained through coal tar distillation

Carbon Black

One of most important industrial chemicals in world with applications in rubber, plastics, coating, inks and batteries

Key Strengths

Compelling Competitive Position

- Engaged in producing a wide range of carbon products - Coal Tar Pitch, Chemical oils, Carbon Black, Naphthalene, Corrosion protection, Sulfonated Naphthalene Formaldehyde (SNF) and clean green Power
- One of few global manufacturers to produce Zero Quinolene Insoluble (QI) impregnating Coal Tar Pitch

Storage & Distribution

- Plants well-connected through various transportation modes (like railways and roads)
- Raw material storage capacity of around 1,00,000 MT
- Liquid Pitch Capability
- Largest dedicated fleet of specially-designed 125 tankers in India
- Only company in India having Liquid Pitch terminal for exports

Strategic Sourcing Advantages

- Long-term relationships with all major Indian raw material suppliers
- Strategically imports raw materials based on prevalent global, economical and demand-supply dynamics, thereby optimizing costs
- Largest purchaser of Coal Tar in India
- Highest share of Coal Tar from nearly all domestic steel plants
- Capability to source Coal Tar globally to take advantage of global price movement

Fungible & Strategically-located 'Zero discharge' Facilities

- Eight manufacturing facilities spread across India in West Bengal, Gujarat, Odhisa Andhra Pradesh & Chhattisgarh
- Coal Tar Distillation, Carbon Black and SNF capacities of 400,000, 120,000 and 68,000 TPA, respectively
- Plants certified with ISO 9001:2008 and ISO 14001:2004
- Flexible manufacturing plants capable of switching between any type and quality of raw material

R&D Centre at Mahistikry unit - recognized by the Government of India

Research and Development

- Experienced R&D team with international experts
- Introduction of new value added speciality chemicals, specialized testing of coal tar pitch and carbon black to maintain best in-class quality

Premier Global Customer Base

- Serves aluminium and graphite, lithium-ion battery, tyre and rubber and infrastructure industries
- Strong clientele including BALCO, Hindalco, Nalco, Vedanta, Graphite India, HEG and SGL Carbon SA and other aluminium and graphite players
- Strong relationships and supply contracts with customers globally

Strategic Outlook

Key Growth Drivers

- Maintaining domestic leadership in Coal Tar Pitch
- □ Leverage significant demand for Carbon Black in tyre and speciality segments
- Expand product basket for construction chemicals and admixtures
- Prudent selection of products and focus on enduser industry
- Focus on value-added products and develop appropriate products and markets
- Growth to be supported by greenfield and brownfield aluminium smelters

Strategic Objectives

- Be amongst top three producers of Coal Tar products globally
- Become lowest cost producer of Coal Tar products in the world
- Adequate capacities provide flexibility & opportunity to capture expected demand growth
- Create strong customer base and serve niche speciality market for carbon black
- Improve operational efficiency, strengthening order book & win businesses from existing & new clients
- Setting up of integrated speciality carbon chemical complex
