## 2. Business Operations Review And Future Prospects

During the year under review, your Company has made sales income of Rs. 2,50,255.41 lakhs against Rs. 8,15,727.61 lakhs for the previous year. The Company has earned profit/ (Loss) of Rs. (22,841.35) lakhs as compared to profit of Rs. 7,534.60 lakhs in the previous year.

The networth of the Company decreased to Rs 77,346.91 lakhs as compared to Rs. 1,00,112.80 lakhs in the previous year.

Prices of base metals dropped sharply in 2015 and hit multi-year lows at the start of 2016 but gathered momentum in the latter half of 2016. The biggest trigger for rise in base metal prices

was the credit-fuelled construction boom that underpinned demand in China and the probability of US President Donald Trump's announcement of a big push to infrastructure spending. The Company has been suffering from the downturn in the commodity markets. Due to the uncertainty in the market the Company faced delays in payment from customers. This resulted in elongation of working capital cycle. Delays in payments started from October 2015. This added further stress on the Company and led to decrease in sales.

There has been no material changes and commitments, affecting the financial position of the Company which have occurred between the end of the financial year of the Company to which the financial statements relates and the date of this Boards' Report.

The Company at regular intervals monitors various risk to the Company. There is no major risk which in the opinion of the Board may threaten the existence of the Company.

During the year under review, there has been no change in the nature of the business of the Company. Further, there were no significant and material order passed by the regulators or courts or tribunals impacting the going concern status and Company's operations in future. The internal financial controls with reference to the financial statements are adequate.

There was no change in nature of business of the Company, during the year under review.

### 3. Performance During The Year

#### (i) Power Sector

The Company has its windmills in five states i.e. Tamil Nadu, Rajasthan, Karnataka, Gujarat and Maharashtra. The details of the Company projects are as below :-

Date of Installation	Location	No. of WEG's	Installed Capacity	Investments (Rs. in Lakh)
29/03/2005	Tamil Nadu 2	2	1.60 MW	807.47
29/03/2006	Rajasthan	3	2.40 MW	1178.48
29/03/2006	Karnataka	2	1.60 MW	785.65
30/03/2007	Gujarat 1	2	1.60 MW	740.00
10/07/2007	Gujarat 2	4	3.20 MW	1480.00
26/09/2009	Tamil Nadu 3	6	9.90 MW	6090.00
27/11/2010	Maharashtra	4	8.00 MW	4900.00
	<b>Total</b>	<b>23</b>	<b>28.30 MW</b>	<b>15981.60</b>

\* The Slump sale of 9.9 MW of Tamil Nadu, 8.00 MW of Maharashtra and 1.6 MW of Karnataka was approved by the Board of Directors at its meeting held on 31st March, 2017 and the Company is in the process of getting requisite approvals.

#### (ii) Steel Sector

Steel Industry is currently under stress. It is mainly due to rise of import in the country, higher cost of production for steel sector in India and technological advancement in other countries. In order to reduce imports & boost domestic steel manufacturing industry, the central Government extended the minimum import price (MIP) and anti dumping duty on several of steel products.

Due to sector downturn most of the steel producers are facing stress due to delays from customers.

Also there is downturn in construction and infrastructure sector and hence the circular effect is faced by overall industry value chain.

#### 4. Dividend

In view of the losses of the Company and its need for resources, your Directors do not recommend any dividend on Equity Shares of the Company for the financial year ended 31st March, 2017.

During the year 2016-17, unclaimed Dividend of Rs. 1,07,369/- was transferred to the Investor Education and Protection Fund, as required under the Investor Education and Protection Fund (Awareness and Protection of Investor) Rules, 2001. The said amount represents Dividend for the year 2008 – 09 which remain unclaimed for a period of 7 years from its due date of payment.

#### 5. Transfer to Reserves

The Company proposes to transfer an amount of Rs. Nil to the General Reserves and an amount of Rs. 35,888.43 Lakhs is proposed to be retained in the Statement of Profit and Loss.

#### 6. Consolidated Financial Statements

The Consolidated Financial Statements of the Company and its subsidiaries are prepared in accordance with applicable provisions of the Companies Act, 2013, Accounting Standard (AS-21) and other Accounting Standards issued by the Institute of Chartered Accountants of India as well as the SEBI (LODR) Regulations, 2015 together with Auditors' Report thereon form part of this Annual Report.

#### 7. Share Capital

### 23. Explanation To Auditor's Remarks

The remark contained under basis of Qualified Opinion of the Auditors Report are explained as below:-

1. Interest payable aggregating to Rs. 113.48 crores on various credit facilities has not been provided, due to ongoing restructuring/revival options under discussion with the consortium banks.

Management is of the view that the Interest charged by Banks after NPA date is taken into consideration under Restructuring Plan submitted to Joint Lenders Forum which is pending for approval. Hence, not accounted for.

2. Confirmations not obtained as of March 31, 2017 in respect of certain financial assets and allowance for expected credit loss not recognized on certain financial assets even though indications of increase in credit risk were observed. Consequential impact on financial results is not ascertained by the Company.

Management is of the view that substantial debtors have confirmed their balances, we are in the process of obtaining confirmation from the remaining debtors. Based on the ongoing discussions with them, credit risk for such Financial Assets in our view, which is not material and thus expected credit loss is not provided for.

There is no qualification, reservation or adverse remark made by secretarial auditor in its Audit Report for the financial year ended 31st March, 2017.

### 25. Management Discussion And Analysis

#### Forward Looking Statements:

This section contains forward-looking statements, which may be identified by their use of words, like 'plans', 'expects', 'wills', 'anticipates', 'believes', 'intends', 'projects', 'estimates', or other words of similar meaning. All statements that address expectations or projections about the future, including but not limited to statements about the company's strategy for growth, product development, market position, expenditures and financial results are forward-looking statements. Forward-Looking statements are based on certain assumptions and expectations of future events. The Company cannot guarantee that these assumptions are accurate or will be realized. The Company's actual results, performance or achievements could thus differ materially from those projected in any such forward looking statements. The company assumes no responsibility to

publicly amend, modify or revise any forward looking statements, on the basis of any subsequent developments, information or events.

#### **a. Industry Structure and Development**

Our business is trading in ferrous and non ferrous metals. As developed economies especially the U.S. made a gradual recovery, the global economy also registered a moderate growth. Overall global growth is expected to witness slow but steady revival over the next few years. Also the growth in the global economy remains irregular with the euro region still vulnerable and the slowdown in China due to lower investment by the government on fixed capital formation.

Indian economy has also led to steady revival, backed by a very determined government focused on clearing fundamental hurdles and increasing the ease of doing business. Further, Indian economy is poised to return to its high growth path, thanks to lower fiscal and current account deficits, falling inflation cost of capital and structure reforms to boost investments.

Further, almost stable currency market as compared to the previous year, contributed to stability in international Trade. "Make in India" initiative of the Indian Government is also expected to boost not only the growth of domestic industry but of the International trade as well. Looking ahead, there is ample optimism about the international trade to grow to high trajectory.

Trading activities have undergone seesaw changes in the last few years. Changes have been fast & revolutionary. It is mainly because of opening of global economy that every trading activity is influenced by global development & technique, patterns and size of business transactions.

There have also been increases in third country trade, high seas trade & future trade through commodity exchanges worldwide. Commodity exchanges also provide option of hedging mechanism to cover the potential risk in future trading. One has to remain updated in knowing global trends in trading patterns to retain relevance which requires continuous research besides need to collect on continuous basis information to diversify / expand and add products, markets and procurement centres.

#### **b. Opportunities and Threats**

With the reform oriented and business friendly government at the center and India developing at a growth rate which is ahead of all other developing economies of the world, the opportunities for the company appears to be endless. However, the trading industry may face the risk of imposition of a ban on import/export of a commodity by the government of any country, decrease in consumer demand, price war among key competitors.

#### **c. Segment-Wise or Product-Wise Performance**

The Company is primarily engaged in "Metal Trading" business and there is no other reportable segment as required by Accounting Standard - 17 Segment Reporting.

The Company was stressed due to non receipt of payments from its customers owing to the market conditions.

The power division performed fairly well. There was an improvement in generation due to improved Grid availability and power evacuation infrastructure.

**d. Outlook**

With the global economy appearing to be on the path of revival and with the high income economies showing signs of firm recovery after year of low growth and / or recession, the outlook for the International trading Industry in particular and trading industry in general appears to be bright. With the formation of the new stable Government at the centre and its focus on the development of the power generation sector and with the rising demand for the power industry the outlook for the Power generation sector appears to be bright. In view of the aforesaid the outlook of the Company also appears to be bright.

**e. Risk, Threats and Concerns**

The Company has comprehensive risk management system where the senior management team sets the overall tone and risk culture of the organisation through defined and communicated corporate values and a risk management model which promotes out-of-the box thinking for converting potential risk to potential business opportunities. The Company regularly scans the macro economy and industry for risks which it believes would affect its performance and prospects. The Company ensures that all such foreseeable risks are analysed in detail and appropriate measures are taken to mitigate these or limit their effect to minimal.

**Exchange Rate Risks**

The industry is exposed to inherent risk of exchange rate fluctuations. The year 16-17 witnessed some wild fluctuations. Rupee has depreciated to the level of 67-68 per US\$ during last year, rupee stabilized around level of 65 toward the year end. The import centric nature of the trade, acts as a natural hedge for the company. The Company has a sound foreign exchange policy and experienced personnel constantly monitor the exchange rate movements. This ensures that the exchange rate fluctuations have no adverse impact on the margins of the Company.

**f. Internal Control Systems and their Adequacy**

The Company has an Internal Control System, commensurate with the size, scale and complexity of its operations. The scope and authority of the Internal Audit (IA) function is defined in the Internal Audit Charter. To maintain its objectivity and independence, the Internal Audit function reports to the Chairman of the Audit Committee of the Board. The Company monitors and evaluates the efficacy and adequacy of internal control system in the Company, its compliance with operating systems, accounting procedures and policies at all locations of the Company. Based on the report of internal audit function, process owners undertake corrective action in their respective areas and thereby strengthen the controls.

**g. Discussions on financial Performance with respect to Operational Performance**

The adverse market conditions affected the financial performance with respect to the operational performance during the year. The Company is on recovery path & the Company has taken a proactive financing strategy to revive its growth plans.

**h. Material Development in Human Resources / Industrial Relations Front, including number of people employed**

The Company prides in its people-centric principle in guiding its relationship with its employees. Employees are a key facet to the Company and the Company acknowledges that their contribution has played a key role in its growth and success. The Company ensures that safe working conditions are provided both in the manufacturing plants as well as offices of the Company. The Company regularly updates their skills with training and development programmes, which take place at all levels. The Company pursues a culture of rewarding of excellence and commitment and encouraging bonding and team work. The Company believes

in creating positive, proactive and professional work environments where talents are nurtured and careers are advanced.

**i. Material Financial and Commercial Transactions with Related Party**

During the financial year under review, there are no materially significant financial and commercial transactions with the related parties conflicting with the interest of the Company.

**26. Energy Conservation, Technology Absorption And Foreign Exchange Earnings And Outgo**

In terms of Rule 8(3) of the Companies (Accounts) Rules, 2014, your Directors wish to state that as the Company is not carrying on any manufacturing activity and does not consume power the question of conservation of energy and absorption of technology does not arise. The figures of foreign exchange earnings and outflow are as follows :

Foreign Exchange Earning and Outgo:

Foreign Exchange Earnings/Outgo	Rs. in Lakhs
Foreign Exchange Earned	1,07,951.42
Foreign Exchange Outgo	88,618.33

Particulars of Employees are required in terms of Rule 5(2) and 5(3) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 are given in Annexure "C" of the Boards' Report.

**29. Human Resources**

The relations of the employees of the Company have been cordial during the year. Employees are considered to be team members being one of the most critical resources in the business which maximize the effectiveness of the Organization. Human resources build the Enterprise and the sense of belonging would inculcate the spirit of dedication and loyalty amongst them towards strengthening the Company's Polices and Systems. The Company maintains healthy, cordial and harmonious relations with all personnel and thereby enhancing the contributory value of the Human Resources.

**30. Environment And Safety**

The Company is conscious of the importance of environmentally clean and safe operations. The Company's policy requires conduct of operations in such a manner, so as to ensure safety of all concerned, compliances of environmental regulations and preservation of natural resources.

**31. Enhancing Shareholders Value**

Your Company believes that its Members are among its most important stakeholders. Accordingly, your Company's operations are committed to the pursuit of achieving high levels of operating

performance and cost competitiveness, consolidating and building for growth, enhancing the productive asset and resource base and nurturing overall corporate reputation. ## Policy For Determining "Remuneration"

### Preamble

The Remuneration Policy of Ushdev International Limited (the "Company") is designed to attract, motivate, improve productivity and retain manpower, by creating a congenial work environment, encouraging initiatives, personal growth and team work, and inculcating a sense of belonging and involvement, besides offering appropriate remuneration packages and superannuation benefits. The policy reflects the Company's objectives for good corporate governance as well as sustained long term value creation for members.

This Remuneration Policy applies to directors, senior management including its Key Managerial Personnel (KMP) and other employees of the Company.

### Guiding Principle

The guiding principle is that the remuneration and the other terms of employment should effectively help in attracting and retaining committed and competent personnel.

While designing remuneration packages, industry practices and cost of living are also taken into consideration.

### Directors

As per the Policy followed by the Company since inception the non-executive directors are paid remuneration in the form of sitting fees for attending Board and Committee meetings as fixed by the Board of Directors from time to time subject to statutory provisions.

Remuneration of Whole Time Directors including Managing Director reflects the overall remuneration philosophy and guiding principle of the Company. When considering the appointment and remuneration of Whole Time Directors, the Nomination & Remuneration Committee (NRC) considers pay and employment conditions in the industry, merit and seniority of the person and the paying capacity of the Company.

The NRC while designing the remuneration package considers the level and composition of remuneration to be reasonable and sufficient to attract, retain and motivate the person to ensure the quality required to run the company successfully.

The NRC while considering a remuneration package ensures a balance between fixed and performance linked variable pay reflecting short and long term performance objectives appropriate to the working of the company and its goals.

The NRC considers that a successful Remuneration Policy must ensure that some part of the remuneration package is linked to the achievement of corporate performance targets and a strong alignment of interest with stakeholders.

The term of office and remuneration of Whole Time Directors are subject to the approval of the Board of Directors, shareholders and the limits laid down under the Companies Act from time to time.

### Reward Principles and Objectives

The Company's Remuneration Policy is guided by a reward framework and set of principles and objectives as more fully and particularly envisaged under section 178 of the Companies Act 2013, inter alia principles pertaining to determining qualifications, positive attributes, integrity and independence etc.

### Reward Policies

Remuneration packages for Whole Time Directors are designed subject to the limits laid down under

the Companies Act, 2013 to remunerate them fairly and responsibly. The Whole Time Directors' remuneration comprises of salary, perquisites and performance based commission/ reward apart from retirement benefits like P.F., Superannuation, Gratuity, etc as per Rules of the Company.

Remuneration also aims to motivate personnel to deliver Company's key business strategies, create a strong performance-oriented environment and reward achievement of meaningful targets over the short and long-term.

The Whole Time Directors are entitled to customary non-monetary benefits such as company cars, furnished accommodation, health care benefits, leave travel, communication facilities, etc. Their terms of appointment provide for severance payments as per the Companies Act.

### **Key Managerial Personnel and Senior Management**

Appointment of KMP & senior management and cessation of their service are subject to the approval of the NRC and the Board of Directors. Remuneration of KMP and other senior management personnel is decided by the Chairperson on the recommendation of the Managing Director, where applicable, broadly based on the Remuneration Policy. Total remuneration comprises of:

1. A fixed base salary - set at a level aimed at attracting and retaining executives with professional and personal competence, showing good performance towards achieving Company goals.
2. Perquisites - in the form of house rent allowance/ accommodation, reimbursement of medical expenses, conveyance, telephone, leave travel, etc.
3. Retirement benefits - contribution to PF, superannuation, gratuity, etc as per Company Rules.
4. Motivation/Reward - A performance appraisal is carried out annually and promotions/ increments/ rewards are decided by Chairperson based on the appraisal and recommendation of the concerned Whole Time Director, where applicable.
5. Severance payments - in accordance with terms of employment, and applicable statutory requirements, if any.

### **Other Employees**

The remuneration of other employees is fixed from time to time as per the guiding principles outlined above and considering industry standards and cost of living. In addition to basic salary they are also provided perquisites and retirement benefits as per schemes of the Company and statutory requirements, where applicable. Policy of motivation/ reward/ severance payments are applicable to this category of personnel as in the case of those in the management cadre.

### **Disclosure of Information**

Information on the total remuneration of members of the Company's Board of Directors, Whole Time Directors and KMP/ senior management personnel may be disclosed in the Company's annual financial statements as per statutory requirements.

### **Application of the Remuneration Policy**

This Remuneration Policy shall continue to guide all present and future employment of Directors, Company's Senior Management including Key Managerial Personnel and other employees.

Any departure from the policy can be undertaken only with the approval of the Board of Directors.

### **Dissemination**

The Company's Remuneration Policy shall be published on its website.

# Corporate Governance Report

Under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 For The Financial Year 31st March, 2017

The Directors' Report on the compliance of the Corporate Governance Code is given below.

## 1. Corporate Governance

### 1.1 Company's Philosophy on Corporate Governance

The Company's philosophy on Corporate Governance is to strive for attaining the optimum level of transparency and accountability in all facets of its operations and all dealings with shareholders, employees, lenders, creditors, customers and the government. The Company's philosophy on Corporate Governance is embedded in the rich legacy of ethical governance practices, most of which were implemented before they were mandatorily prescribed. The Board of Directors by considering itself the trustee of its Shareholders aims at maximizing shareholders value and protecting interests of other stakeholders. The corporate governance policies and the code of conduct are reviewed periodically to ensure their continuing relevance, effectiveness and responsiveness to the needs of our stakeholders. The Company's Code of Conduct, its well structured internal control systems which are subjected to regular assessment for its effectiveness, reinforces integrity of Management and fairness in dealing with the Company's stakeholders. This, together with meaningful CSR activities and sustainable development policies followed by the Company has enabled your Company to earn the trust and goodwill of its investors, business partners, employees and the communities in which it operates. Your Company is fully compliant with the mandatory requirements of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The Company places great emphasis on values such as empowerment and integrity of its employees, safety of the employees & communities surrounding our plants, place of work, transparency in decision making process, fair & ethical dealings with all, pollution free clean environment and last but not the least, accountability to all the stakeholders. These practices being followed since the inception have contributed to the Company's sustained growth. The Company also believes that its operations should ensure that the precious natural resources are utilized in a manner that contributes to the "Triple Bottom Line".

A Report on compliance with the principles of Corporate Governance as prescribed by The Securities and Exchange Board of India (SEBI) in Chapter IV read with Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred to as "SEBI Regulations") is given below:

### 1.2 The Governance Structure

Ushdev's Governance structure broadly comprises the Board of Directors and the Committees of the Board at the apex level and the Management structure at the operational level. This layered structure brings about a harmonious blend in governance as the Board sets the overall corporate objectives and gives direction and freedom to the management to achieve these corporate objectives within a given framework, thereby bringing about an enabling environment for value creation through sustainable profitable growth.

- a. **Board of Directors** - The Ushdev Board plays a pivotal role in ensuring that the Company runs on sound and ethical business practices and that its resources are utilized for creating sustainable growth and societal wealth. The Board operates within the framework of a well defined responsibility matrix which enables it to discharge its fiduciary duties of safeguarding the interest of the Company; ensuring fairness in the decision making process, integrity and transparency in the Company's dealing with its Members and other stakeholders.
- b. **Committee of Directors** - With a view to have a more focused attention on various

facets of business and for better accountability, the Board has constituted the following committees viz. Audit Committee, Stakeholders' Relationship Committee, Nomination and Remuneration Committee, Corporate Social Responsibility Committee. Each of these Committees has been mandated to operate within a given framework.

- c. **Management Structure** - Management structure for running the business as whole is in place with appropriate delegation of powers and responsibilities to the functional heads. Chair Person and Managing Director is in overall control and responsible for day-to-day working of the Company. They give strategic direction, lay down policy guidelines and ensure implementation of the Board of Directors and its various committees.

## 2. Board of Directors

### 2.1 Composition and Category of Directors

As on 31st March, 2017, the Board consists of 6 (six) Directors, out of which 3 (three) are Independent Directors. Composition of the Board and category of Directors are as follows:

# Independent Auditor's Report

## Independent Auditor's Report

To the Members of Ushdev International Limited

### 1. Report on the Standalone Ind AS Financial Statements

We have audited the accompanying standalone Ind AS financial statements of **Ushdev International Limited** ("the Company"), which comprise the Balance Sheet as at 31st March 2017, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

### 2. Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance (including Other Comprehensive Income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act, read with Companies (Indian Accounting Standard Rules 2015).

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### 3. Auditor's Responsibility

- 3.1 Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.
- 3.2 We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
- 3.3 We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
- 3.4 An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

3.5 We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### 4. *Basis for Qualified Opinion*

4.1 *We invite attention to note no 33(II) of the standalone Ind AS financial statements wherein interest payable aggregating to Rs 11,347.78 lakhs, on various credit facilities has not been provided for, by the company.*

4.2 *Confirmations not obtained as of 31st March, 2017 in respect of certain trade receivables and loans & advances. Consequently, allowances for expected credit loss not recognized thereon, even though indications of increase in credit risk were observed. In absence of sufficient appropriate evidence, consequential impact on the financial statements has not been ascertained by the company.*

#### 5. *Qualified Opinion*

*In our opinion and to the best of our information and according to the explanation given to us, except for the effect and possible effects of the matters described in the Basis for Qualified Opinion paragraph above, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs (financial position) of the Company as at 31st March, 2017 and its loss (financial Performance including other comprehensive income), its cash flow and changes in equity for the year ended on that date.*

#### 6. *Emphasis of Matter*

We refer to Note 42 of the standalone Ind AS financial statements of the company regarding the preparation of these standalone Ind AS financial statements by the Company based on the management's assumption of going concern.

These assumptions are based on the ongoing revival & restructuring plans of the company submitted to the bank and the bankers agreement for 'Holding on Operations', that prima facie entitles the company to resume operations.

Our audit opinion is not modified in this aspect.

#### 7. *Report on Other Legal and Regulatory Requirements*

(i) As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, a statement on the matters specified in the paragraph 3 and 4 of the order is given in Annexure A.

(ii) As required by sub-section (3) of section 143 of the Act, we report that :

(a) *We have sought and except for the matters described in the Basis of Qualified Opinion paragraph, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;*

(b) *Except for the effects of the matter described in the Basis of Qualified Opinion paragraph, in our opinion, proper books of account as required by law have been kept by the company so far as it appears from our examination of those books.*

(c) The Balance Sheet, Statement of Profit and Loss including Other Comprehensive

Income, Cash Flow Statement & Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;

- (d) *Except for the effects of the matter described in the Basis for Qualified Opinion paragraph above, in our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.*
  - (e) *The matter described in the Basis for Qualified Opinion paragraph above, in our opinion, may have an adverse effect on the functioning of the Company.*
  - (f) On the basis of written representations received from the Directors as on 31st March 2017 and taken on record by the Board of Directors, in its meeting held on 29th May, 2017 none of the directors is disqualified as on 31st March, 2017, from being appointed as a director in terms of Section 164(2) of the Act.
  - (g) *The qualification relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion paragraph above.*
  - (h) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate modified report in "Annexure B"; and
- (iii) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- (i) The Company has disclosed the impact of pending litigations in its financial statements.  
- Refer note 40 of financial statements.;
  - (ii) The Company does not have any long term contracts, including derivative contracts outstanding as at March 31, 2017. Accordingly, no provision for material foreseeable losses is required.
  - (iii) There were no delays in transferring amounts to the Investor Education and Protection Fund during the year by the Company.
  - (iv) The Company has provided requisite disclosures in Note no 45 in the financial statements as to holdings as well dealings in Specified Bank Notes during the period from November 8, 2017 to December 30, 2016. Based on audit procedures and relying on the management representation, we report that the disclosures are in accordance with books of account maintained by the Company and as produced to us by the Management.

# Annexure A To the Independent Auditors' Report

Refer to in paragraph 5 (i) of our report of even date

- i)
  - a) The Company is maintaining proper records showing full particulars, including quantitative details and situation of all fixed assets.
  - b) The Management has conducted physical verification of major fixed assets during the year. We are informed that no material discrepancies were noticed on such verification.
  - c) According to the information and explanations given to us title deeds of immovable properties, classified as fixed assets, are in the name of the company. except title deeds in case of one leasehold land (Gross Block Rs.208.94 lakhs and Net Block Rs.195.45 lakhs), in the name of the Company, that is subject to obtaining approval from the requisite authorities.
- ii) Since, the Company did not hold any inventory as at the end of the year; these clauses do not apply to the company.
- iii)
  - a) The Company has granted unsecured loans aggregating to Rs. 666.38 lakhs to three parties covered in the Register maintained u/s 189 of The Companies Act, 2013. Based on the information and explanations furnished to us, we are of the opinion that interest free, unsecured loans aggregating to Rs.438.29 lakhs granted to two parties covered in the register maintained u/s 189 of the Companies Act, 2013 seem prima facie prejudicial to the interest of the company.
  - b) The schedule of principal repayment and interest payment has been stipulated, except in case of two parties to whom unsecured interest free loans have been given.

# Annexure B To the Independent Auditors' Report

Refer to in paragraph 5 (ii) (f) of our report of even date

## Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Ushdev International Limited ("the Company") as of 31st March, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation

of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and

3. provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Basis for Qualified Opinion**

*In our opinion, according to the information and explanations given to us and based on our audit procedures performed, following material weakness in operating effectiveness of the company's Internal Control Over Financial Reporting as at 31st March 2017 with respect to:*

- *controls over managing liquidity risk, especially providing interest payable on various credit facilities, since the account has been classified as Non-Performing Asset by the consortium bankers.*
- *obtaining confirmations from trade receivables and providing adequate for allowances for expected credit losses have been identified as at 31st March 2017.*

*Absence of the aforesaid manner of managing liquidity risk, obtaining confirmations from trade receivables and making adequate provisions thereon could potentially result in a material mis-statement of Finance Costs, Allowances for Expected Credit Loss and consequential impact on loss for the year.*

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

### Qualified Opinion

In our opinion, except for effects and possible effects of the material weaknesses identified above, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have considered the material weakness identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the standalone financial statements of the Company as at and for the year ended 31 March 2017, and the material weakness has affected our opinion on the standalone financial statements of the Company and we have issued a qualified audit opinion on the standalone financial statements.

### 32 Significant Accounting Policies

#### General Information

Ushdev International Limited (“the Company”) is a public limited company, which is domiciled and incorporated in the Republic of India with its registered office situated at New Harileela House, 6th Floor, Mint Road, Mumbai - 400 001. The Company was incorporated under the Companies Act, 1956 on May 18, 1994. The Company is one of India’s largest Companies in the Metal trading sector with its core businesses in Metal Trading and Wind Power Generation.

#### Significant Accounting Policies

##### 1. Compliance with Ind AS

The Company’s financial statements have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time.

These financial statements include the balance sheet, the statement of profit and loss, the statement of changes in equity and the statement of cash flows and notes, comprising a summary of significant accounting policies and other explanatory information—and comparative information in respect of the preceding period.

Up to the year ended March 31, 2016, the Company prepared its financial statements in accordance with the requirements of generally accepted accounting principles (GAAP) in compliance with Accounting Standards as specified in the Companies (Accounting Standards) Rules, 2006 read with Rule 7(1) of the Companies (Accounts) Rules, 2014 issued by the Ministry of Corporate Affairs in respect of Section 133 of the Companies Act, 2013. These are the Company’s first Ind AS financial Statements. The date of transition to Ind AS is April 1, 2015.

The company has adopted all the Ind AS and the adoption was carried out in accordance with Ind AS 101 First-time Adoption of Indian Accounting Standards.

Refer Note 46 for the details of first time adoption exemptions availed by the Company.

##### 2. Basis of Accounting

The Company maintains its accounts on accrual basis following the historical cost convention except certain financial instruments that are measured at fair values in accordance with Ind AS.

Fair value measurements are categorized into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level I inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that entity can access at measurement date
- Level II inputs are inputs, other than quoted prices included in Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level III inputs are unobservable inputs for the asset or liability

##### 3. Presentation of financial statements

The financial statements (except Statement of Cash-flow) are prepared and presented in the format prescribed in Division II – IND AS Schedule III (“Schedule III”) to the Companies Act, 2013.

# Notes

## forming part of the Financial Statements

The Statement of Cash Flow has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash flows".

Disclosure requirements with respect to items in the financial statements, as prescribed in Schedule III to the Act, are presented by way of notes forming part of accounts along with the other notes required to be disclosed under the notified Accounting Standards.

Amounts in the financial statements are presented in Indian Rupees in Lakhs in line with the requirements of Schedule III. Per share data are presented in Indian Rupees to two decimal places.

#### 4. Key estimates and assumptions

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates and assumptions that impact the reported amount of assets, liabilities, income, expenses and disclosure of contingent liabilities as at the date of the financial statements. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as on the date of the financial statements. Actual results may differ from the estimates and assumptions used in preparing the accompanying financial statements. Difference between the actual and estimates are recognised in the period in which they actually materialise or are known. Any revision to accounting estimates is recognised prospectively. Management believes that the estimates used in preparation of Financial Statements are prudent and reasonable.

#### 5. Foreign Currency

##### Functional and presentation currency

The financial statements of the Company are presented using Indian Rupee (INR) i.e. currency of the primary economic environment in which the entity operates ('the functional currency').

##### Transactions and balances

Foreign currency transactions are translated into the respective functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognised in profit or loss.

Premium/Discount in respect of forward contracts is accounted over the period of contract

#### 6. Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. Escalation and other claims, which are not ascertainable/acknowledged by customers, are not taken into account. Revenue is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

Criteria for recognition of revenue are as under:

a) Sale of Goods

Revenue from the sale of goods is recognised when the goods are delivered and titles have passed, at which time all the following conditions are satisfied:

i. significant risks and rewards of ownership of the goods are transferred to the buyer;

# Notes

## forming part of the Financial Statements

- ii. Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
- iii. it is probable that economic benefits associated with transaction will flow to the Company; and
- iv. amount of revenue can be measured reliably;
- b) In cases where trade contracts provide for crystallization of price or for price adjustment on a subsequent date, corresponding purchase and sales are recognized on the basis of expected settlement price and any differential determined subsequently is accounted for at the time of final settlement.
- c) Income from sale of electricity is recognized as per the terms and conditions of the agreement with the Customer. Renewable Energy Credit Income is recognized when realized.
- d) Interest income is recognized on a time proportion basis taking into account amount outstanding and applicable interest rate.
- e) Dividend is recognised when the company's right to receive the payment is established, which is generally when shareholders approve the dividend.

### 7. Property, Plant and Equipment (PPE)

PPE is recognized when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. Freehold land is carried at historical cost. All other items of PPE are stated at cost net of tax/duty credits availed, if any, less accumulated depreciation and cumulative impairment. Cost includes expenditure that is directly attributable to the acquisition and installation of such assets

PPE not ready for the intended use on the date of the Balance Sheet is disclosed as "capital work-in-progress".

Assets having individual cost of less than Rs 5000/- are fully depreciated in the year of Acquisition.

#### Depreciation methods, estimated useful lives and residual value

Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives specified in schedule II to the Companies Act, 2013 and useful life is as under:

#### Type of Asset with Useful Life

Type of Asset	Life
Leasehold Land	Over the Lease Period
Building	60 Years
Office Premises	60 Years
Plant and Machinery used in windpower generation	22 Years
Office Equipment	5 Years
Computer Equipment's	3 Years
Furniture and Fixtures	10 Years

# Notes

## forming part of the Financial Statements

Electrical Fittings	10 Years
Vehicle	8 Years

### 8. Intangible Assets

Intangible assets are recognized when it is probable that the future economic benefits that are attributable to the assets will flow to the Company and the cost of the asset can be measured reliably. Intangible assets acquired by the Company are measured at cost less accumulated amortisation and any accumulated impairment losses. Cost includes expenditure that is directly attributable to the acquisition and installation of such assets.

#### Amortisation

Amortisation is calculated to write off the cost of intangible assets less their estimated residual values using the straight-line method over their estimated useful lives.

The intangible assets are amortised over the estimated useful lives as given below:

Type of Asset	Life
Computer software	5 years

### 9. Impairment of Non Financial Assets

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use.

### 10. Non-current assets held for sale/ distribution to owners and discontinued operations

The Company classifies non-current assets and disposal groups as 'Held For Sale' if their carrying amounts will be recovered principally through a sale rather than through continuing use. Actions required to complete the sale indicate that it is unlikely that significant changes to the sale will be made or that the decision to sell will be withdrawn.

Non-current assets held for sale and disposal groups are measured at the lower of their carrying amount and the fair value less costs to sell. Assets and liabilities classified as held for sale are presented separately in the balance sheet.

Property, plant and equipment and intangible assets once classified as held for sale are not depreciated or amortised.

### 11. Inventories

Inventory is valued at cost or net realizable value whichever is lower. Cost includes all non refundable taxes and expenses incurred to bring the inventory to the present location. Cost is determined using the FIFO (first-in-first-out) method of valuation.

### 12. Borrowing Costs

Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

# Notes

## forming part of the Financial Statements

Other borrowing costs are expensed in the period in which they are incurred.

### 13. Provisions & Contingencies

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events for which it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated as at the balance sheet date.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but will probably not, require an outflow of resources. Information on contingent liabilities is disclosed in the notes to financial statements unless the possibility of an outflow of resources embodying economic benefit is remote.

A contingent asset is not recognised but disclosed in the financial statements where an inflow of economic benefit is probable.

### 14. Leases

Leases where the lessor effectively retains substantially all the risks and benefits of ownership over the lease term are classified as operating lease. Lease payments for assets taken on operating lease are recognised as an expense in the Profit and Loss Account on a straight-line basis over the lease term.

### 15. Income Tax

Income tax expense for the period is the tax payable on the current period's taxable income based on the applicable income tax rate and changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses. The current income tax charge is calculated in accordance with the provisions of the Income Tax Act 1961.

Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted at the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax liabilities are recognised for all taxable temporary differences and deferred tax assets are recognised for all deductible temporary differences and brought forward losses only if it is probable that future taxable profit will be available to realise the temporary differences.

Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

### 16. Employee Benefits

#### a) Short-term Obligations

All employee benefits falling due wholly within twelve months of rendering the service are classified as short term employee benefits. These are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

# Notes

## forming part of the Financial Statements

- b) Post-employment obligations i.e.
  - Defined benefit plans and
  - Defined contribution plans.

### Defined benefit plans:

The Company's net obligation in respect of defined benefit plans is calculated by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets. The calculation of defined benefit obligations is performed annually by a qualified actuary using the projected unit credit method.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. Remeasurements are not reclassified to profit or loss in subsequent periods.

### Defined contribution plans:

The Company pays provident fund contributions to publicly administered provident funds as per local regulations. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due.

## 17. Share Based Payments

Share based compensation benefits are provided to employees via Ushdev Stock Option Scheme 2014. The cost of equity-settled transactions is determined by using fair value at the date when the grant is made using an appropriate valuation model in accordance with Ind AS 102 - Share Based Payments.

The fair value of options granted under the Ushdev Stock Option Scheme 2014 is recognised as an employee benefits expense with a corresponding increase in share-based payment (SBP) reserves in other equity, over the period in which the performance and/or service conditions are fulfilled in employee benefits expense.

## 18. Financial Instruments

### Initial Recognition

Financial instruments i.e. Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial instruments are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial instruments (other than financial instruments at fair value through profit or loss) are added to or deducted from the fair value of the financial instruments, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial instruments assets or financial liabilities at fair value through profit or loss are recognised in profit or loss.

### Subsequent Measurement

#### **Financial Assets**

All recognised financial assets are subsequently measured at amortized cost except financial assets carried at fair value through Profit and loss (FVTPL) or fair value through other comprehensive income (FVOCI).

# Notes

## forming part of the Financial Statements

a) Equity investments (other than investments in subsidiaries, associates and joint venture)

All equity investments falling within the scope of Ind-AS 109 are mandatorily measured at Fair Value Through Profit and Loss (FVTPL) with all fair value changes recognized in the Statement of Profit and Loss.

The Company has an irrevocable option of designating certain equity instruments as FVOCI. Option of designating instruments as FVOCI is done on an instrument-by-instrument basis. The classification made on initial recognition is irrevocable.

If the Company decides to classify an equity instrument as FVOCI, then all fair value changes on the instrument are recognized in Statement of Other Comprehensive Income (SOI). Amounts from SOI are not subsequently transferred to profit and loss, even on sale of investment.

b) Derecognition

A financial asset is primarily derecognized when the rights to receive cash flows from the asset have expired, or the Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a pass-through arrangement; and with that a) the Company has transferred substantially all the risks and rewards of the asset, or b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

c) Impairment of financial assets

The Company applies the expected credit loss model for recognising allowances for expected credit loss on financial assets measured at amortised cost.

### Financial Liabilities

#### Classification

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

#### Subsequent Measurement

Loans and borrowings are subsequently measured at Amortised costs using Effective Interest Rate (EIR), except for financial liabilities at fair value through profit or loss. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. Amortisation is included as a part of Finance Costs in the Statement of Profit and Loss

Financial liabilities recognised at FVTPL, including derivatives, shall be subsequently measured at fair value.

a) Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

#### Derivatives financial instruments

The Company uses derivative financial instruments, such as forward currency contracts to mitigate its foreign currency risks. Such derivative financial instruments are initially recognised at fair value

# Notes

## forming part of the Financial Statements

on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

### **Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

### **Re-classification of financial instruments**

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest. The Company has not reclassified any financial asset during the current year or previous year.

### Valuation technique used to determine fair value

Investments included in Level 1 of Fair Value Hierarchy are based on prices quoted in stock exchange and/or NAV declared by the Funds.

Investments included in Level 2 of Fair Value Hierarchy have been valued based on inputs from banks and other recognised institutions such as FIMMDA/FEDAI.

Investments included in Level 3 of Fair Value Hierarchy have been valued using acceptable valuation techniques such as Net Asset Value and/or Discounted Cash Flow Method.

### B. Financial Risk Management

The Company has exposure to the following risks arising from financial instruments:

- Credit risk;
- Liquidity risk ; and
- Market risk

#### Risk management framework

The Company's activities expose it to a variety of financial risks such as credit risk, market risk and liquidity risk. The Company's primary focus is to foresee the unpredictability of financial markets and to minimize potential adverse effects on its financial performance. The primary market risk is foreign exchange risk and Interest risk. The company uses derivative financial instruments to mitigate foreign exchange related risks.

# Notes

### I. Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and loans and advances.

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer and the geography in which it operates. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

The maximum exposure to credit risk for trade and other receivables by type of counterparty was as follows :

(Rs. in Lakhs)

Particulars	Notes	Carrying Amount		
		March 31, 2017	March 31, 2016	April 01, 2015
<b>Financial Assets (Non-current)</b>

#### a) Trade receivable

The company individually monitors the sanctioned credit limits as against the outstanding balances.

The Company establishes an allowance for impairment that represents its estimate of expected losses in respect of trade receivables. The Company uses a provision matrix to compute the expected credit loss for trade receivables. The Company has developed this matrix based on historical data as well as forward looking information pertaining to assessment of credit risk.

An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The calculation is based on exchange losses historical data. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in note 9. The Company does not hold collateral as security. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdiction and Industries and operate largely in Independent markets.

#### b) Concentration of credit risk

## II. Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

"During the F.Y. 2016-17, the Company faced liquidity problems in realisation of amounts due from debtors. This has resulted in the company facing liquidity issues and being unable to service its debt obligation. The Company has been classified as non performing asset (NPA) by Consortium Bankers. The Company has submitted a restructuring plan to the Joint lenders forum, which is pending for approval. The Company believes that the chances of the plan being approved are strong and hence, interest charged aggregating to Rs. 11347.78 Lacs by the banks after the date on which the accounts became NPA has not been provided for. Since the Company has been classified as non performing asset by Consortium Bankers, the

### III. Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: Interest rate risk, currency risk and other price risk such as equity price risk and commodity risk.

#### a) Currency Risk

The company operates internationally and portion of the business is transacted in USD currencies and consequently the company is exposed to foreign exchange risk through its sales in overseas market and purchases from overseas suppliers in foreign currency. Foreign currency exchange rate exposure is partly balanced by purchasing of goods and services in the respective currencies and through derivative instruments.

The company evaluates exchange rate exposure arising from foreign currency transactions and the company follows established risk management policies, including the use of derivatives like foreign exchange forward contracts to hedge exposure to foreign currency risk.

#### (i) Exposure to Currency Risk

The summary quantitative data about the Company's exposure to currency risk as reported to the management of the Company is as follows.

### b) Commodity Risk

The Company is effected by the price volatility of certain commodities that are traded on the London Metal Exchange (LME). Since the Company enters into purchase contract based on LME prices only if there is a committed sales contract of the same commodities in identical quantities that one traded in LME. The risk of price fluctuations in commodities is mitigated.

### c) Interest Rate Risk

The Company manages its Interest rate risk by having a balanced portfolio of Interest bearing and Interest free loans and borrowings.

#### i. Exposure To Interest Rate Risk

The interest rate profile of the Company's interest-bearing financial instruments as reported to the management of the company is as follows.

### 35 Provisions

#### Provision for employee benefit obligation

The Company contributes to the following post-employment plans in India.

# Notes

## forming part of the Financial Statements

### “Defined Contribution Plans:

The Company pays provident fund contributions to publicly administered provident funds as per local regulations and are recognised as expense in the Statement of Profit and Loss during the period in which the employee renders the related service. There are no further obligations other than the contributions payable to the appropriate authorities.”

The Company recognised 11.38 Lakhs for the year ended March 31, 2017 (March 31, 2016 Rs. 13.66 lakhs) towards provident fund contribution.

### Defined Benefit Plan:

The Company’s gratuity scheme is defined benefit plan. The Company’s liability for the defined benefit scheme is actuarially determined based on the projected unit credit method. The Company’s net obligations in respect of such plans is calculated by estimating the amount of future benefit that the employees have earned in return for their services and the current and prior periods that benefit is discounted to determine its present value and the fair value of the plan asset is deducted. Actuarial gains and losses are recognised in Other Comprehensive Income.

“In accordance with the provisions of the Payment of Gratuity Act, 1972, the Company has a defined benefit plan which provides for gratuity payments. The plan provides a lump sum gratuity payment to eligible employees at retirement or termination of their employment. The amounts are based on the respective employee’s last drawn salary and the years of employment with the Company. Liabilities in respect of the gratuity plan are determined by an actuarial valuation, based upon which the Company makes the provision.”

The most recent actuarial valuation of the defined benefit obligation along with the fair valuation of the plan assets in relation to the gratuity scheme was carried out as at March 31, 2017. The present value of the defined benefit obligations and the related current service cost and past service cost, were measured using the Projected Unit Credit Method.

Based on the actuarial valuation obtained in this respect, the following table sets out the details of the employee benefit obligation and the plan assets as at balance sheet date:

### 46 First time adoption of Ind AS

#### Transition to Ind AS

Pursuant to the Companies (Indian Accounting Standard) Rules, 2015, Company has adopted March 31, 2017 as reporting date for first time adoption of Indian Accounting Standard (Ind-AS) and consequently April 1, 2015 as the transition date for preparation of financial statements. The financial statements for the year ended March 31, 2017, are the first financials, prepared in accordance with Ind-AS. Upto the Financial year ended March 31, 2016, Company prepared

# Notes

## forming part of the Financial Statements

its financial statements in accordance with the Accounting Standards notified under the Section 133 of the Companies Act, 2013, read together with Companies (Accounts) Rules 2014 (Previous GAAP). For preparing these financial statements, opening balance sheet was prepared as at April 01, 2015 i.e. the date of transition to Ind-AS. The figures for the previous periods and for the year ended March 31, 2016 have been restated, regrouped and reclassified, wherever required to comply with Ind-AS and Schedule III to the Companies Act, 2013 and to make them comparable.

This note explains the principal adjustments made by Company in restating its financial statements prepared in accordance with the Previous GAAP, including the balance sheet as at April 01, 2015 and the financial statements as at March 31, 2016 and for the year ended March 31, 2016.

### A. Exemptions and exceptions availed

"Set out below are the applicable Ind AS 101 optional exemptions and mandatory exceptions applied in the transition from previous GAAP to Ind AS."

#### A.1 Ind AS optional exemptions

##### A.1.1 Share Based Payments

"The Company is allowed to apply Ind AS 102, Share-Based Payment, to equity instruments that remain unvested as of transition date. The Company has elected to avail itself of this exemption and apply the requirements of Ind AS 102 to all such grants under the 2015 Plan (formerly 'the 2011 Plan'). Accordingly, these options have been measured at fair value as against intrinsic value previously under IGAAP. The excess of stock compensation expense measured using fair value over the cost recognized under IGAAP using intrinsic value has been adjusted in 'Share Option Outstanding Account', with the corresponding impact taken to the retained earnings as on the transition date."

##### A.1.2 Derecognition of financial assets and financial liabilities

The Company has elected to apply derecognition requirements for financial assets and financial liabilities in Ind AS 109 prospectively for transactions occurring on or after the date of transition to Ind AS.

##### A.1.3 Classification and measurement of financial assets

The Company has classified the financial assets in accordance with Ind AS 109 on the basis of facts and circumstances that exist at the date of transition to Ind AS.

##### A.1.4 Use of Deemed cost

The Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at April 01, 2015 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

The Company has elected to continue with the carrying value of all of its intangible assets recognised as at April 01, 2015 measured as per the previous GAAP and use that carrying value as the deemed cost of intangible assets.

### A.2 Ind AS mandatory exceptions

The company has applied the following exceptions from full retrospective application of Ind AS as mandatorily required under Ind AS 101:

# Notes

## forming part of the Financial Statements

### A.2.1 Estimates

"An entity's estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error. Ind AS estimates as at April 01 2015 are consistent with the estimates as at the same date made in conformity with previous GAAP. The company made estimates for following items in accordance with Ind AS at the date of transition as these were not required under previous GAAP:

- 1) Investment in equity instruments carried at FVPL or FVOCI;
- 2) Impairment of financial assets based on expected credit loss model."

### B Reconciliations between previous GAAP and Ind AS

Ind AS 101 requires an entity to reconcile equity, total comprehensive income and cash flows for prior periods. The following tables represent the reconciliations from previous GAAP to Ind AS.

## C Notes to first-time adoption

### 1 Investment

Investment in Equity Instruments and Mutual Funds are carried at fair value through PL in Ind AS, as compared to being carried at cost under IGAAP

# Notes

## forming part of the Financial Statements

### 2 Trade Receivables

The Provision has been made for Expected Credit Losses under Ind AS, as compared to being carried at cost under IGAAP

### 3 Derivatives

Under previous GAAP, unrealised gain or loss on foreign exchange forward contracts, if any, as each Balance Sheet date is provided for. Under Ind AS, foreign exchange forward contracts are mark-to-market as at each Balance Sheet date and unrealised net gain or loss is recognised. Derivative assets and derivative liabilities are presented on gross basis.

### 4 Reversal of Proposed dividend

Under the Previous GAAP, dividends proposed by the board of directors after the balance sheet date but before the approval of the financial statements were considered as adjusting events. Accordingly, provision for proposed dividend including dividend distribution tax was recognised as a liability. Under Ind AS, such dividends are recognised when the same is approved by the shareholders in the general meeting. Accordingly, the liability for proposed dividend including dividend distribution tax included under provisions has been reversed with corresponding adjustment in other equity.

### 5 Re-measurement of post-employment benefit obligations

Under Ind AS, re-measurements i.e. actuarial gains and losses and the return on plan assets, excluding amounts included in the net interest expense on the net defined benefit liability are recognised in other comprehensive income instead of profit or loss. Under the Previous GAAP, these re-measurements were forming part of the profit or loss for the year.

### 6 Employee stock option expense

Under the previous GAAP, the cost of equity-settled employee share-based plan were recognised using the intrinsic value method. Under Ind AS, the cost of equity settled share-based plan is recognised based on the fair value of the options as at the grant date. Consequently, the amount recognised in share option outstanding account decreased by Rs. 6.58 Lakhs. The profit for the year ended March 31, 2016 increased by Rs. 6.58 Lakhs. There is no impact on total equity.

## Independent Auditor's Report

To the Members of Ushdev International Limited

### 1. Report on the Consolidated Ind AS Financial Statements

We have audited the accompanying consolidated Ind AS financial statements of **Ushdev International Limited** ("the Holding Company") and its subsidiaries, (Holding company and subsidiaries hereinafter referred to as "the Group)", comprising of the Consolidated Balance Sheet as at March 31, 2017, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated statement of changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information hereafter referred to as consolidated Ind AS financial statements.

### 2. Management's responsibility for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated Ind AS financial statements of the Group that give a true and fair view of the consolidated financial position, financial performance including Other Comprehensive Income, Consolidated Cash Flows and Consolidated Changes in Equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Companies (Indian Accounting Standard Rules, 2015).

The respective Board of Directors of the Companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act, for safeguarding of the assets of the respective companies, for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of Consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

### 3. Auditor's Responsibility

- 3.1 Our responsibility is to express an opinion on these consolidated Ind AS financial statements based on our audit.
- 3.2 We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.
- 3.3 We have conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those auditing Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated Ind AS financial statements are free from material misstatement.
- 3.4 An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the

consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding company's preparation of the consolidated Ind AS financial statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Holding Company's Directors, as well as evaluating the overall presentation of the consolidated Ind AS financial statements.

- 3.5 We believe that the audit evidence obtained by us read with the note on 'Other Matters' is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

#### **4. Basis of Qualified Opinion**

- 4.1 *We invite attention to note no 33(II) of the consolidated Ind AS financial statements wherein interest payable aggregating to Rs 11,347.78 lakhs, on various credit facilities has not been provided for, by the Holding company, due to ongoing restructuring / revival options under discussion with the Consortium Bankers.*
- 4.2 *Confirmations not obtained as of 31st March, 2017 in respect of loans & advances, trade receivables and allowance for expected credit loss not recognized thereon, even though indications of increase in credit risk were observed. In absence of sufficient appropriate evidence, consequential impact on the Consolidated financial statements has not been ascertained by the Holding Company.*

#### **5. Qualified Opinion**

*In our opinion and to the best of our information and according to the explanation given to us, except for the effect and possible effects of the matters described in the Basis for Qualified Opinion paragraph above, the aforesaid consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs (financial position) of the Group as at 31st March, 2017 and its consolidated loss (financial performance including other comprehensive income), its consolidated cash flow and consolidated changes in equity for the year ended on that date.*

#### **6. Emphasis of Matter**

We refer to Note 42 of the consolidated Ind AS financial statements regarding the preparation of these consolidated Ind AS financial statements by the Holding Company based on the Holding company's management's assumption of going concern.

These assumptions are based on the ongoing revival & restructuring plans of the Holding Company submitted to the bank and the bankers agreement for 'Holding on Operations', that prima facie entitles the Holding Company to resume operations.

Our audit opinion is not modified in this aspect.

#### **7. Other Matters**

We did not audit the financial statements of two subsidiaries, Vijay Devraj Gupta Foundation & Hobli Property Management Pvt. Ltd, included in the consolidated Ind AS financial results, whose financial statement reflect total assets of Rs. 217.35 lakhs as at March 31, 2017 and total expenditure of Rs. 0.38 lakhs for the year then ended. The financial statements of these

subsidiaries have been audited by other auditors, whose reports have been furnished to us, and our opinion, on the consolidated Ind AS financial statements, in so far as it relates to amounts & disclosures included in respect of such subsidiaries & our report in terms of Section 143 (3) & (11) of the Act, in so far as it relates to subsidiaries, is based solely on the report of other auditors.

## 8. Report on Other Legal and Regulatory Requirement

- (i) As required by section 143(3) of the Companies Act 2013, based on our audit of the Holding company, we report that:
- a. We have sought and, *except for the possible effect of the matters described in paragraph 4 of the Basis for Qualified Opinion above, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated Ind AS financial statements;*
  - b. In our opinion, *except for the effect of the matters described in in paragraph 4 of Basis for Qualified Opinion paragraph above, proper books of account as required by law, relating to preparation of the aforesaid consolidated Ind AS financial statements have been kept by the Group so far as it appears from our examination of those books and the reports of the other auditors.*
  - c. The Consolidated Balance Sheet, Consolidated Statement of Profit and Loss, Consolidated Cash Flow Statement and Consolidated statements of changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated Ind AS financial statements.
  - d. In our opinion, *except for the matter described in paragraph 4 of the Basis for Qualified Opinion paragraph above, aforesaid financial statements comply with Indian Accounting Standard specified under Section 133 of the Companies Act, 2013 read with read with Companies (Indian Accounting Standard Rules, 2015).*
  - e. *The matters described in the Basis of Qualified Opinion paragraph above, in our opinion, may have an adverse effect on the functioning of the holding company.*
  - f. On the basis of written representations received from the directors of the Holding Company in its meeting held on May 29, 2017 and taken on records by Board of Directors of Holding Company and by placing reliance on the reports of statutory auditors of the subsidiary companies, none of the directors of the Holding Company or its subsidiaries are disqualified as on March 31, 2017, from being appointed as a director of the respective company in terms Section 164 (2) of the Act.
  - g. With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate modified report in "Annexure A";
- (ii) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and by placing reliance of the audit reports on the separate financial statements of the company and its subsidiaries:
- (i) Consolidated Ind AS financial statements disclose the impact of pending litigations on the consolidated financial position of the Group. - Refer note 40 to the consolidated Ind AS financial statements;

- (ii) The Group does not have any long term contracts including derivative contracts outstanding at as March 31, 2017. Based on the information & explanations provided to us, the Holding Company was not required to make any provisions for material foreseeable losses.
- (iii) There were no delays in transferring amounts to the Investor Education and Protection Fund during the year by the Company.
- (iv) The Group has provided requisite disclosures in Note no 45 in the financial statements as to holdings as well dealings in Specified Bank Notes during the period from November 8, 2017 to December 30, 2016. Based on audit procedures, relying on management representations & audit reports issued by auditors of subsidiary companies, we report that these disclosures are in accordance with books of account maintained by the respective companies.

# Annexure A to the Independent Auditors' Report

Refer to in paragraph 5 (i) of our report of even date

## Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated Ind AS financial statements of the Company as of and for the year ended 31 March 2017, we have audited the internal financial controls over financial reporting of Ushdev International Limited ("the Holding Company") and its subsidiary companies (Holding company and subsidiaries hereinafter referred to as "the Group"), as of that date.

### Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective companies policies, the safeguarding of their assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditors' Responsibility

Our responsibility is to express an opinion on these internal financial controls over financial reporting based on our audit. We have placed reliance on the audit reports issued by auditors of subsidiary companies, referred to, in the paragraph on 'Other Matters' stated below and on the basis of such reliance, we have conducted our audit in accordance with the Guidance Note issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system over financial reporting and their operating effectiveness. An audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor in terms of their reports referred to in the paragraph on 'Other Matters' below, is sufficient and appropriate to provide a basis for our audit opinion on the Groups internal financial control system over financial reporting.

### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A

company's internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Basis for Qualified Opinion**

*In our opinion, according to the information and explanations given to us and based on our audit procedures performed, following material weakness in operating effectiveness of the Holding Company's Internal Control Over Financial Reporting as at 31st March 2017 with respect to:*

- *controls over managing liquidity risk, especially providing interest payable on various credit facilities, since the account has been classified as Non-Performing Asset by the consortium bankers.*
- *obtaining confirmations from trade receivables and providing adequate for allowances for expected credit losses have been identified as at 31st March 2017.*

*Absence of the aforesaid manner of managing liquidity risk, obtaining confirmations from trade receivables and making adequate provisions thereon could potentially result in a material mis-statement of Finance Costs, Allowances for Expected Credit Loss and consequential impact on loss for the year.*

*A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis*

### **Qualified Opinion**

*In our opinion, except for effects and possible effects of the material weaknesses identified above in the Basis of Qualified Opinion paragraph, the Group has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2017, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.*

*We have considered the material weakness identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the consolidated Ind AS financial statements of the Company as at and for the year ended 31 March 2017, and the material weakness has affected our opinion on the Consolidated Ind AS financial statements of the Group and we have issued a qualified audit opinion on the Consolidated Ind AS financial statements.*

#### **Other Matter**

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to the two subsidiary company, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies.

### 32 Significant Accounting Policies

#### General Information

Ushdev International Limited (“the Group”) is a public limited company, which is domiciled and incorporated in the Republic of India with its registered office situated at New Harileela House, 6th Floor, Mint Road, Mumbai - 400 001. The Group was incorporated under the Companies Act, 1956 on May 18, 1994. The Group is one of India’s largest Companies in the Metal trading sector with its core businesses in Metal Trading and Wind Power Generation.

#### Significant Accounting Policies

##### 1. Basis of preparation of consolidated financial statements

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the ‘Ind AS’) as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 (‘Act’) read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

These financial statements for the year ended 31 March, 2017 are the first financials with comparatives, prepared under Ind AS. For all previous periods including the year ended 31 March, 2016, the Group had prepared its financial statements in accordance with the accounting standards notified under companies (Accounting Standard) Rules, 2006 (as amended) and other relevant provisions of the Act (hereinafter referred to as ‘Previous GAAP’) used for its statutory reporting requirement in India.

The accounting policies are applied consistently to all the periods presented in the financial statements, including the preparation of the opening Ind AS Balance Sheet as at 1 April, 2015 being the date of transition to Ind AS. These financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies stated out below.

#### Principles of consolidation and equity accounting

The consolidated financial statements incorporate the financial statements of Ushdev International Limited and entities controlled by Ushdev International Limited and its subsidiaries.

Control exists when the parent has power over the entity, is exposed, or has rights, to variable returns from its involvement with the entity and has the ability to affect those returns by using its power over the entity. Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity’s returns. Subsidiaries are consolidated from the date control commences until the date control ceases.

The financial statements are consolidated on a line-by-line basis and intra-group balances and transactions including unrealized gain / loss from such transactions are eliminated upon consolidation. These financial statements are prepared by applying uniform accounting policies in use at the Group.

Non-controlling interests in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and balance sheet respectively.

The consolidated financial statements incorporate the financial statements of the Company and its subsidiaries (as listed in the table below).

# Consolidated Notes

## forming part of the Financial Statements

Name of the subsidiaries	Principal Place of business	Proportion of Interest (including beneficial interest) / Voting Power (either directly / indirectly or through Subsidiaries)
Hobli Property Management Private Limited	India	100.00
Vijay Devraj Gupta Foundation	India	49.00

### 2. Compliance with Ind AS

The Group's financial statements have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time.

These financial statements include the balance sheet, the statement of profit and loss, the statement of changes in equity and the statement of cash flows and notes, comprising a summary of significant accounting policies and other explanatory information—and comparative information in respect of the preceding period.

Up to the year ended March 31, 2016, the Group prepared its financial statements in accordance with the requirements of generally accepted accounting principles (GAAP) in compliance with Accounting Standards as specified in the Companies (Accounting Standards) Rules, 2006 read with Rule 7(1) of the Companies (Accounts) Rules, 2014 issued by the Ministry of Corporate Affairs in respect of Section 133 of the Companies Act, 2013. These are the Group's first Ind AS financial Statements. The date of transition to Ind AS is April 1, 2015.

The Group has adopted all the Ind AS and the adoption was carried out in accordance with Ind AS 101 First-time Adoption of Indian Accounting Standards.

Refer Note 46 for the details of first time adoption exemptions availed by the Group.

### 3. Basis of Accounting

The Group maintains its accounts on accrual basis following the historical cost convention except certain financial instruments that are measured at fair values in accordance with Ind AS.

Fair value measurements are categorized into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level I inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that entity can access at measurement date
- Level II inputs are inputs, other than quoted prices included in Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level III inputs are unobservable inputs for the asset or liability

### 4. Presentation of financial statements

The financial statements (except Statement of Cash-flow) are prepared and presented in the format prescribed in Division II – IND AS Schedule III ("Schedule III") to the Companies Act, 2013.

The Statement of Cash Flow has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash flows".

# Consolidated Notes

## forming part of the Financial Statements

Disclosure requirements with respect to items in the financial statements, as prescribed in Schedule III to the Act, are presented by way of notes forming part of accounts along with the other notes required to be disclosed under the notified Accounting Standards.

Amounts in the financial statements are presented in Indian Rupees in Lakhs in line with the requirements of Schedule III. Per share data are presented in Indian Rupees to two decimal places.

### 5. Key estimates and assumptions

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates and assumptions that impact the reported amount of assets, liabilities, income, expenses and disclosure of contingent liabilities as at the date of the financial statements. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as on the date of the financial statements. Actual results may differ from the estimates and assumptions used in preparing the accompanying financial statements. Difference between the actual and estimates are recognised in the period in which they actually materialise or are known. Any revision to accounting estimates is recognised prospectively. Management believes that the estimates used in preparation of Financial Statements are prudent and reasonable.

### 6. Foreign Currency

#### Functional and Presentation Currency

The financial statements of the Group are presented using Indian Rupee (INR) i.e. currency of the primary economic environment in which the entity operates ('the functional currency').

#### Transactions and Balances

Foreign currency transactions are translated into the respective functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognised in profit or loss.

Premium/Discount in respect of forward contracts is accounted over the period of contract.

### 7. Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured. Escalation and other claims, which are not ascertainable/acknowledged by customers, are not taken into account. Revenue is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

Criteria for recognition of revenue are as under:

#### a) Sale of Goods

Revenue from the sale of goods is recognised when the goods are delivered and titles have passed, at which time all the following conditions are satisfied:

- i. significant risks and rewards of ownership of the goods are transferred to the buyer;
- ii. Group retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
- iii. it is probable that economic benefits associated with transaction will flow to the Group; and

# Consolidated Notes

## forming part of the Financial Statements

- iv. amount of revenue can be measured reliably;
- b) In cases where trade contracts provide for crystallization of price or for price adjustment on a subsequent date, corresponding purchase and sales are recognized on the basis of expected settlement price and any differential determined subsequently is accounted for at the time of final settlement.
- c) Income from sale of electricity is recognized as per the terms and conditions of the agreement with the Customer. Renewable Energy Credit Income is recognized when realized.
- d) Interest income is recognized on a time proportion basis taking into account amount outstanding and applicable interest rate.
- e) Dividend is recognised when the Group's right to receive the payment is established, which is generally when shareholders approve the dividend.

### 8. Property, Plant and Equipment (PPE)

PPE is recognized when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can measured reliably. Freehold land is carried at historical cost. All other items of PPE are stated at cost net of tax/duty credits availed, if any, less accumulated depreciation and cumulative impairment. Cost includes expenditure that is directly attributable to the acquisition and installation of such assets.

PPE not ready for the intended use on the date of the Balance Sheet is disclosed as "capital work-in-progress".

Assets having individual cost of less than Rs 5000/- are fully depreciated in the year of Acquisition.

#### Depreciation methods, estimated useful lives and residual value

Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives specified in schedule II to the Companies Act, 2013 and useful life is as under:

#### Type of Asset with Useful Life

Type of Asset	Life
Leasehold Land	Over the Lease Period
Building	60 Years
Office Premises	60 Years
Plant and Machinery used in windpower generation	22 Years
Office Equipment	5 Years
Computer Equipment's	3 Years
Furniture and Fixtures	10 Years
Electrical Fittings	10 Years
Vehicle	8 Years

### 9. Intangible Assets

Intangible assets are recognized when it is probable that the future economic benefits that are

# Consolidated Notes

## forming part of the Financial Statements

attributable to the assets will flow to the Group and the cost of the asset can be measured reliably. Intangible assets acquired by the Group are measured at cost less accumulated amortisation and any accumulated impairment losses. Cost includes expenditure that is directly attributable to the acquisition and installation of such assets.

### Amortisation

Amortisation is calculated to write off the cost of intangible assets less their estimated residual values using the straight-line method over their estimated useful lives.

The intangible assets are amortised over the estimated useful lives as given below:

Type of Asset	Life
Computer software	5 years

### 10. Impairment of Non Financial Assets

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use.

### 11. Non-current assets held for sale/ distribution to owners and discontinued operations

The Group classifies non-current assets and disposal groups as 'Held For Sale' if their carrying amounts will be recovered principally through a sale rather than through continuing use. Actions required to complete the sale indicate that it is unlikely that significant changes to the sale will be made or that the decision to sell will be withdrawn.

Non-current assets held for sale and disposal groups are measured at the lower of their carrying amount and the fair value less costs to sell. Assets and liabilities classified as held for sale are presented separately in the balance sheet.

Property, plant and equipment and intangible assets once classified as held for sale are not depreciated or amortised.

### 12. Inventories

Inventory is valued at cost or net realizable value whichever is lower. Cost includes all non refundable taxes and expenses incurred to bring the inventory to the present location. Cost is determined using the FIFO (first-in-first-out) method of valuation.

### 13. Borrowing Costs

Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Other borrowing costs are expensed in the period in which they are incurred.

### 14. Provisions & Contingencies

Provisions are recognised when the Group has a present legal or constructive obligation as a result of past events for which it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated as at the balance sheet date.

# Consolidated Notes

## forming part of the Financial Statements

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but will probably not, require an outflow of resources. Information on contingent liabilities is disclosed in the notes to financial statements unless the possibility of an outflow of resources embodying economic benefit is remote.

A contingent asset is not recognised but disclosed in the financial statements where an inflow of economic benefit is probable.

### 15. Leases

Leases where the lessor effectively retains substantially all the risks and benefits of ownership over the lease term are classified as operating lease. Lease payments for assets taken on operating lease are recognised as an expense in the Profit and Loss Account on a straight-line basis over the lease term.

### 16. Income tax

Income tax expense for the period is the tax payable on the current period's taxable income based on the applicable income tax rate and changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses. The current income tax charge is calculated in accordance with the provisions of the Income Tax Act 1961.

Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted at the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax liabilities are recognised for all taxable temporary differences and deferred tax assets are recognised for all deductible temporary differences and brought forward losses only if it is probable that future taxable profit will be available to realise the temporary differences.

Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

### 17. Employee Benefits

#### a) Short-term Obligations

All employee benefits falling due wholly within twelve months of rendering the service are classified as short term employee benefits. These are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Group has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

#### b) Post-employment obligations i.e.

- Defined benefit plans and
- Defined contribution plans.

Defined benefit plans:

# Consolidated Notes

## forming part of the Financial Statements

The Group's net obligation in respect of defined benefit plans is calculated by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets. The calculation of defined benefit obligations is performed annually by a qualified actuary using the projected unit credit method.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. Remeasurements are not reclassified to profit or loss in subsequent periods.

### Defined contribution plans:

The Group pays provident fund contributions to publicly administered provident funds as per local regulations. The Group has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due.

## 18. Share Based Payments

Share based compensation benefits are provided to employees via Ushdev Stock Option Scheme 2014. The cost of equity-settled transactions is determined by using fair value at the date when the grant is made using an appropriate valuation model in accordance with Ind AS 102 - Share Based Payments.

The fair value of options granted under the Ushdev Stock Option Scheme 2014 is recognised as an employee benefits expense with a corresponding increase in share-based payment (SBP) reserves in other equity, over the period in which the performance and/or service conditions are fulfilled in employee benefits expense.

## 19. Financial Instruments

### Initial Recognition

Financial instruments i.e. Financial assets and financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instruments. Financial instruments are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial instruments (other than financial instruments at fair value through profit or loss) are added to or deducted from the fair value of the financial instruments, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial instruments assets or financial liabilities at fair value through profit or loss are recognised in profit or loss.

### Subsequent Measurement

#### **Financial Assets**

All recognised financial assets are subsequently measured at amortized cost except financial assets carried at fair value through Profit and loss (FVTPL) or fair value through other comprehensive income (FVOCI).

#### a) Equity investments (other than investments in subsidiaries, associates and joint venture)

All equity investments falling within the scope of Ind-AS 109 are mandatorily measured at Fair Value Through Profit and Loss (FVTPL) with all fair value changes recognized in the Statement of Profit and Loss.

The Group has an irrevocable option of designating certain equity instruments as FVOCI. Option of designating instruments as FVOCI is done on an instrument-by-instrument basis.

# Consolidated Notes

## forming part of the Financial Statements

The classification made on initial recognition is irrevocable.

If the Group decides to classify an equity instrument as FVOCI, then all fair value changes on the instrument are recognized in Statement of Other Comprehensive Income (SOI). Amounts from SOI are not subsequently transferred to profit and loss, even on sale of investment.

b) Derecognition

A financial asset is primarily derecognized when the rights to receive cash flows from the asset have expired, or the Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a pass-through arrangement; and with that a) the Group has transferred substantially all the risks and rewards of the asset, or b) the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

c) Impairment of financial assets

The Group applies the expected credit loss model for recognising allowances for expected credit loss on financial assets measured at amortised cost.

### Financial Liabilities

#### Classification

Financial liabilities and equity instruments issued by the Group are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

#### Subsequent Measurement

Loans and borrowings are subsequently measured at Amortised costs using Effective Interest Rate (EIR), except for financial liabilities at fair value through profit or loss. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. Amortisation is included as a part of Finance Costs in the Statement of Profit and Loss

Financial liabilities recognised at FVTPL, including derivatives, shall be subsequently measured at fair value.

a) Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

#### Derivatives financial instruments

The Group uses derivative financial instruments, such as forward currency contracts to mitigate its foreign currency risks. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

## forming part of the Financial Statements

### Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

### Re-classification of financial instruments

The Group determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Group's senior management determines change in the business model as a result of external or internal changes which are significant to the Group's operations. Such changes are evident to external parties. A change in the business model occurs when the Group either begins or ceases to perform an activity that is significant to its operations. If the Group reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Group does not restate any previously recognised gains, losses (including impairment gains or losses) or interest. The Group has not reclassified any financial asset during the current year or previous year.

### Valuation technique used to determine fair value

Investments included in Level 1 of Fair Value hierarchy are based on prices quoted in stock exchange and/or NAV declared by the Funds.

Investments included in Level 2 of Fair Value Hierarchy have been valued based on inputs from banks and other recognised institutions such as FIMMDA/FEDAI.

Investments included in Level 3 of Fair Value hierarchy have been valued using acceptable valuation techniques such as Net Asset Value and/or Discounted Cash Flow Method.

### B. Financial Risk Management

The Group has exposure to the following risks arising from financial instruments:

- Credit risk;
- Liquidity risk ; and
- Market risk

#### Risk management framework

The Group's activities expose it to a variety of financial risks such as credit risk, market risk and liquidity risk. The Group's primary focus is to foresee the unpredictability of financial markets and to minimize potential adverse effects on its financial performance. The primary market risk is foreign exchange risk and Interest risk. The Group uses derivative financial instruments to mitigate foreign exchange related risks.

### I. Credit Risk

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Group's receivables from customers and loans and advances.

The Group's exposure to credit risk is influenced mainly by the individual characteristics of each customer and the geography in which it operates. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Group grants credit terms in the normal course of business.

The maximum exposure to credit risk for trade and other receivables by type of counterparty was as follows :

(Rs. in Lakhs)

Particulars	Notes	Carrying Amount		
		March 31, 2017	March 31, 2016	April 01, 2015
<b>Financial Assets (Non-current)</b>

<b>Total</b>		<b>359,731.03</b>	<b>362,528.56</b>	<b>445,155.04</b>

#### a) Trade receivable

The Group individually monitors the sanctioned credit limits as against the outstanding balances.

The Group establishes an allowance for impairment that represents its estimate of expected losses in respect of trade receivables. The Group uses a provision matrix to compute the expected credit loss for trade receivables. The Group has developed this matrix based on historical data as well as forward looking information pertaining to assessment of credit risk.

An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The calculation is based on exchange losses historical data. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in note 9. The Group does not hold collateral as security. The Group evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdiction and Industries and operate largely in Independent markets.

#### b) Concentration of credit risk

Group has a geographic concentration of trade receivables which is given below :

### II. Liquidity risk

Liquidity risk is the risk that the Group will encounter difficulty in meeting the obligations associated with its financial liabilities. The Group's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Group's reputation.

"During the F.Y. 2016-17, the Holding Company faced liquidity problems in realisation of amounts due from debtors. This has resulted in the holding company facing liquidity issues and being unable to service its debt obligation. The Holding Company has being classified as non performing asset (NPA) by Consortium Bankers. The Holding Company has submitted a restructuring plan to the Joint lenders forum, which is pending for approval. The Holding Company believes that the chances of the plan being approved are strong and hence, interest charged aggregating to Rs. 11347.78 Lacs by the banks after the date on which the accounts became NPA has not been provided for. Since the Holding Company has been classified as non performing asset by Consortium Bankers, the holding company also faces the risk of penal interest."

### III. Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: Interest rate risk, currency risk and other price risk such as equity price risk and commodity risk.

#### a) Currency Risk

The Group operates internationally and portion of the business is transacted in USD currencies and consequently the Group is exposed to foreign exchange risk through its sales in overseas market and purchases from overseas suppliers in foreign currency. Foreign currency exchange rate exposure is partly balanced by purchasing of goods and services in the respective currencies and through derivative instruments.

The Group evaluates exchange rate exposure arising from foreign currency transactions and the Group follows established risk management policies, including the use of derivatives like foreign exchange forward contracts to hedge exposure to foreign currency risk.

#### (i) Exposure to Currency Risk

The summary quantitative data about the Group's exposure to currency risk as reported to the management of the Group is as follows.

## Note on Foreign Currency exposure on assets and liabilities

During the year Group has entered into foreign exchange contracts, being derivative instruments to mitigate foreign currency risk, to establish the amount of currency in Indian Rupees required or available at the settlement date of certain payables and receivables.

The following are the outstanding foreign currency forward contracts entered into by Group:

(USD in Lakhs)

Particulars	Buy / Sell	March 31, 2017	March 31, 2016	April 01, 2015	Cross Currency
USD	Sell	-	1,831.00	2,558.93	INR
USD	Buy	-	1,823.71	3,441.32	INR

## (ii) Sensitivity analysis

A reasonably possible strengthening (weakening) of the Indian Rupee against all other currencies at March 31 would have affected the measurement of financial instruments denominated in a foreign currency and affected equity and profit or loss by the amounts shown below. This analysis

### b) Commodity Risk

The Group is effected by the price volatility of certain commodities that are traded on the London Metal Exchange (LME). Since the Group enters into purchase contract based on LME prices only if there is a committed sales contract of the same commodities in identical quantities that one traded in LME. The risk of price fluctuations in commodities is mitigated.

### c) Interest Rate Risk

The Group manages its Interest rate risk by having a balanced portfolio of Interest bearing and Interest free loans and borrowings.

#### i. Exposure To Interest Rate Risk

The interest rate profile of the Group's interest-bearing financial instruments as reported to the management of the Group is as follows.

(Rs. in Lakhs)

### 35 Provisions

#### Provision for employee benefit obligation

The Group contributes to the following post-employment plans in India.

# Consolidated Notes

## forming part of the Financial Statements

### “Defined Contribution Plans:

The Group pays provident fund contributions to publicly administered provident funds as per local regulations and are recognised as expense in the Statement of Profit and Loss during the period in which the employee renders the related service. There are no further obligations other than the contributions payable to the appropriate authorities.

The Group recognised 11.38 Lakhs for the year ended March 31, 2017 (March 31, 2016 Rs. 13.66 lakhs) towards provident fund contribution.

### Defined Benefit Plan:

The Group’s gratuity scheme is defined benefit plan. The Group’s liability for the defined benefit scheme is actuarially determined based on the projected unit credit method. The Group’s net obligations in respect of such plans is calculated by estimating the amount of future benefit that the employees have earned in return for their services and the current and prior periods that benefit is discounted to determine its present value and the fair value of the plan asset is deducted. Actuarial gains and losses are recognised in Other Comprehensive Income.

“In accordance with the provisions of the Payment of Gratuity Act, 1972, the Group has a defined benefit plan which provides for gratuity payments. The plan provides a lump sum gratuity payment to eligible employees at retirement or termination of their employment. The amounts are based on the respective employee’s last drawn salary and the years of employment with the Group. Liabilities in respect of the gratuity plan are determined by an actuarial valuation, based upon which the Group makes the provision.”

The most recent actuarial valuation of the defined benefit obligation along with the fair valuation of the plan assets in relation to the gratuity scheme was carried out as at March 31, 2017. The present value of the defined benefit obligations and the related current service cost and past service cost, were measured using the Projected Unit Credit Method.

Based on the actuarial valuation obtained in this respect, the following table sets out the details of the employee benefit obligation and the plan assets as at balance sheet date:

### 42 Going Concern

During the previous year, due to payments from Debtors not materializing, the Holding Company's account with the consortium banks has become irregular and many banks have classified the account as NPA. The payments from the holding company's debtors had been held up since we were unable to fulfill our contractual commitments for supplies of materials both in the domestic and international markets, leading to a significant decline in sales. The Holding Company has submitted its short term and long term revival plan to the lenders. The objective of the short term business plan is to keep the operations of the holding Company running till the approval of the proposed long term restructuring package by the lenders by availing Holding on Operations (HOO). The Long Term Revival Plan covers the aspects of revival of operations to full extent and meeting the dues of lenders on approval of the restructuring plan by the lenders. Based on the revival plans, the holding company is confident of resuming operations and hence, accounts are prepared on a going concern basis.

#### (a) Ushdev Stock Option Scheme 2014

In the annual general meeting held on 5th September, 2014, the shareholders approved the issue of employee stock options under the Scheme titled "Ushdev Stock Option Scheme 2014" in two tranches i.e. 3,664,500 and 178,510 Employee Stock Options under Tranche one and Tranche two respectively.

The scheme allows the issue of options to employees of the Company and its subsidiaries (whether in India or abroad). Each option comprises one underlying equity share.

As per the Scheme, the Remuneration / Compensation Committee grants the options to the employees deemed eligible. The options granted vest over a period of 3 years from the date of the grant in proportions specified in the Scheme. Options may be exercised within 3 years of vesting.

Set out below is a summary of options granted under the plan:

### 46 First time adoption of Ind AS

#### Transition to Ind AS

Pursuant to the Companies (Indian Accounting Standard) Rules, 2015, Group has adopted March 31, 2017 as reporting date for first time adoption of Indian Accounting Standard (Ind-AS) and consequently April 1, 2015 as the transition date for preparation of financial statements. The financial statements for the year ended March 31, 2017, are the first financials, prepared in accordance with Ind-AS. Upto the Financial year ended March 31, 2016, Group prepared its financial statements in accordance with the Accounting Standards notified under the Section 133 of the Companies Act, 2013, read together with Companies (Accounts) Rules 2014 (Previous GAAP). For preparing these financial statements, opening balance sheet was prepared as at April 01, 2015 i.e. the date of transition to Ind-AS. The figures for the previous periods and for the

year ended March 31, 2016 have been restated, regrouped and reclassified, wherever required to comply with Ind-AS and Schedule III to the Companies Act, 2013 and to make them comparable.

This note explains the principal adjustments made by Group in restating its financial statements prepared in accordance with the Previous GAAP, including the balance sheet as at April 01, 2015 and the financial statements as at March 31, 2016 and for the year ended March 31, 2016.

### A. Exemptions and exceptions availed

"Set out below are the applicable Ind AS 101 optional exemptions and mandatory exceptions applied in the transition from previous GAAP to Ind AS."

#### A.1 Ind AS optional exemptions

##### A.1.1 Share Based Payments

"The Group is allowed to apply Ind AS 102, Share-Based Payment, to equity instruments that remain unvested as of transition date. The Group has elected to avail itself of this exemption and apply the requirements of Ind AS 102 to all such grants under the 2015 Plan (formerly 'the 2011 Plan'). Accordingly, these options have been measured at fair value as against intrinsic value previously under IGAAP. The excess of stock compensation expense measured using fair value over the cost recognized under IGAAP using intrinsic value has been adjusted in 'Share Option Outstanding Account', with the corresponding impact taken to the retained earnings as on the transition date."

##### A.1.2 Derecognition of financial assets and financial liabilities

The Group has elected to apply derecognition requirements for financial assets and financial liabilities in Ind AS 109 prospectively for transactions occurring on or after the date of transition to Ind AS.

##### A.1.3 Classification and measurement of financial assets

The Group has classified the financial assets in accordance with Ind AS 109 on the basis of facts and circumstances that exist at the date of transition to Ind AS.

##### A.1.4 Use of Deemed cost

"The Group has elected to continue with the carrying value of all of its property, plant and equipment recognised as at April 01, 2015 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

The Group has elected to continue with the carrying value of all of its intangible assets recognised as at April 01, 2015 measured as per the previous GAAP and use that carrying value as the deemed cost of intangible assets."

##### A.1.5. Business combination and Goodwill

In accordance with Ind AS 101 provisions related to first time adoption, the Group has elected to apply Ind AS accounting for business combinations prospectively from April 01, 2015. As such, Indian GAAP balances relating to business combinations entered into before that date, including goodwill, have been carried forward. The same first time adoption exemption is also used for associates and joint ventures

### A.2 Ind AS mandatory exceptions

The Group has applied the following exceptions from full retrospective application of Ind AS as mandatorily required under Ind AS 101:

#### A.2.1 Estimates

"An entity's estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error. Ind AS estimates as at April 01 2015 are consistent with the estimates as at the same date made in conformity with previous GAAP. The Group made estimates for following items in accordance with Ind AS at the date of transition as these were not required under previous GAAP:

- 1) Investment in equity instruments carried at FVPL or FVOCI;
- 2) Impairment of financial assets based on expected credit loss model."

### B Reconciliations between previous GAAP and Ind AS

Ind AS 101 requires an entity to reconcile equity, total comprehensive income and cash flows for prior periods. The following tables represent the reconciliations from previous GAAP to Ind AS.

### 3 Derivatives

Under previous GAAP, unrealised gain or loss on foreign exchange forward contracts, if any, as each Balance Sheet date is provided for. Under Ind AS, foreign exchange forward contracts are mark-to-market as at each Balance Sheet date and unrealised net gain or loss is recognised. Derivative assets and derivative liabilities are presented on gross basis.

### 4 Reversal of Proposed dividend

Under the Previous GAAP, dividends proposed by the board of directors after the balance sheet date but before the approval of the financial statements were considered as adjusting events. Accordingly, provision for proposed dividend including dividend distribution tax was recognised as a liability. Under Ind AS, such dividends are recognised when the same is approved by the shareholders in the general meeting. Accordingly, the liability for proposed dividend including dividend distribution tax included under provisions has been reversed with corresponding adjustment in other equity.

### 5 Re-measurement of post-employment benefit obligations

Under Ind AS, re-measurements i.e. actuarial gains and losses and the return on plan assets, excluding amounts included in the net interest expense on the net defined benefit liability are recognised in other comprehensive income instead of profit or loss. Under the Previous GAAP, these re-measurements were forming part of the profit or loss for the year.

### 6 Employee stock option expense

Under the previous GAAP, the cost of equity-settled employee share-based plan were recognised using the intrinsic value method. Under Ind AS, the cost of equity settled share-based plan is recognised based on the fair value of the options as at the grant date. Consequently, the amount recognised in share option outstanding account decreased by Rs. 6.58 Lakhs. The profit for the year ended March 31, 2016 increased by Rs. 6.58 Lakhs. There is no impact on total equity.
