Sub:- Unaudited financial results with limited review for the second quarter and half year ended on 30th Sept., 2018.

Dear Sir,

As per the requirement of Clause 33 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, we forward herewith a copy of unaudited financial results after limited review for the 2nd quarter and half year ended on 30th Sept., 2018 duly adopted in the meeting of the Board of Directors held on **22<sup>nd</sup> Oct. 2018**.

The Board has also approved special interim dividend of 1000% i.e Rs. 20 per share of Rs. 2 each for the financial year 2018-19. The record date for the interim dividend is 31<sup>st</sup> Oct. 2018.

We also forward herewith a copy of limited review report issued by the Statutory Auditors on the unaudited financial result for the 2nd quarter and half year ended on 30<sup>th</sup> Sept., 2018.

Copy of press release issued is attached for information.

Thanking you,

Yours faithfully,  
For Hindustan Zinc Limited,

(R. Pandwal)  
Company Secretary  
Encl: As above.

**NOTES:**

- The above results for the quarter ended September 30, 2018 have been reviewed by Audit Committee and approved by the Board of Directors in its meeting held on October 22, 2018.
- Exceptional item in FY 2017-18 includes gain of Rs 291 Crore representing reversal of royalty provision related to District Mineral Foundation pursuant to Supreme Court ruling as reduced by past service cost of Rs 51 Crore pursuant to change in Gratuity limit.
- Ind AS 115 'Revenue from Contracts with Customers' has been recently introduced effective April 1, 2018 and its application did not have any significant impact on recognition and measurement of revenue and related items in the financial results for the quarter and half year ended September 30, 2018 including the retained earnings as at April 1, 2018.
- Figures for previous year, half year and quarter end have been revised or reclassified, wherever necessary, for consistency.
- The Board of Directors have declared special interim dividend of 1000% i.e. Rs. 20 per share, with the record date of October 31, 2018.

By Order of the Board

Sunil Duggal  
CEO & Whole-time Director

Date: Oct 22, 2018

**Limited Review Report**

Review Report to  
The Board of Directors  
Hindustan Zinc Limited

1. We have reviewed the accompanying statement of unaudited financial results of Hindustan Zinc Limited ('the Company') for the quarter ended September 30, 2018 and year to date from April 1, 2018 to September 30, 2018 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('the Regulation'), read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016 ('the Circular').
2. The preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS) 34 "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of Companies (Indian Accounting Standards) Rules, 2015, as amended, read with the Circular is the responsibility of the Company's management and has been approved by the Board of Directors of the Company. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with recognition and measurement principles laid down in the applicable Indian Accounting Standards prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of the Regulation, read with the Circular, including the manner in which it is to be disclosed, or that it contains any material misstatement.

## **Hindustan Zinc Limited**

**Results for the Second Quarter and Half Year Ended September 30, 2018**

---

*Record silver production of 172 MT;  
Board declares Special Interim dividend of 1000%;  
Ranks 1<sup>st</sup> globally in Environment category by DJSI*

### **Highlights for the quarter**

- Mined metal production at 232kt, up 6% y-o-y; Underground mined metal production at 232kt, up 44% y-o-y
- Record refined silver production at 172 MT, up 23% y-o-y
- Refined lead production at 49kt, up 30% y-o-y
- Interim dividend of Rs. 20 per share (1000%) declared

### **H1 Highlights**

- Mined metal production at 444kt, down 2%; Underground mined metal at 444kt, up 27%
- Refined lead at 91kt, up 25%
- Refined silver at 310 MT, up 22%

**Udaipur, October 22, 2018:** Hindustan Zinc Limited today announced its results for the second quarter and half year ended September 30, 2018.

**Mr. Agnivesh Agarwal, Chairman –**

*“I am delighted to report that Hindustan Zinc has been ranked globally 1<sup>st</sup> in Environment and 5<sup>th</sup> in overall sustainability in Metal & Mining sector in Dow Jones Sustainability Index. Our improved global ranking reflects increasing usage of technology, digitisation & innovation in our operations and care towards environment and communities. I am also pleased to note the Special interim dividend of 1000%”*

(1) Excluding captive consumption of 1,799 tonnes in Q2 FY2019 vs 1,634 tonnes in Q2 FY2018, 1,778 tonnes in Q1 FY2019

(2) Excluding captive consumption of 9.2 tonnes in Q2 FY2019 vs. 8.8 tonnes in Q2 FY2018, 9.4 tonnes in Q1 FY2019

(3) Silver occurs in Lead & Zinc ore and is recovered in the smelting and silver-refining processes.

(4) Numbers may not add up due to rounding off.

## Operational Performance

Mined metal production from underground mines for Q2 FY2019 was at an all-time high of 232kt, up 10% sequentially and 44% y-o-y driven by 33% y-o-y increase in ore production. Total mined metal production increased by 10% sequentially and 6% y-o-y after the closure of open-cast operations last year.

Mined metal production from underground mines for H1 was 444kt, 27% higher from a year ago even as the closure of open-cast operations caused total mined metal production to decline 2% y-o-y.

Integrated metal production was 212kt, flat sequentially and down 8% from a year ago. Integrated zinc production was down 5% sequentially and 16% y-o-y to 162kt due to temporary mismatch in zinc mined metal availability even as mine production ramped up towards the latter half of the quarter. Integrated lead production jumped by 17% sequentially and 30% y-o-y to 49kt. The pyro metallurgical smelter was retrofitted to produce more lead metal considering the higher availability of lead mined metal leading to higher lead production. Integrated silver production was a record 172 MT, up 25% sequentially and 23% y-o-y on account of higher lead production and higher Sindesar Khurd mine production & better silver grades.

Integrated metal production for H1 was 425kt, down 7% y-o-y. Integrated lead and silver production were at 91kt and 310 MT, higher by 25% y-o-y and 22% y-o-y respectively driven by higher lead mined metal production and better silver grades. Integrated zinc production at 334kt was lower y-o-y by 13% in line with the availability of zinc mined metal.

### **Financial Performance**

Revenue from operations during the quarter was Rs. 4,777 Crore, a decrease of 10% y-o-y and sequentially primarily due to lower metal prices and lower zinc metal volume, partly offset by higher lead & silver volumes and rupee depreciation. For the six-month period, revenues were marginally higher by 2% y-o-y on account of higher lead & silver volumes, zinc LME and rupee depreciation, offset by lower zinc volume.

The cost of production before royalty (COP) for zinc during the quarter was \$1,034 (Rs. 72,449), up 5% y-o-y (14% in Rs) and down 1% (up 4% in Rs) from previous quarter. For the six-month period, COP was higher by 6% (13% in Rs) at \$1039 (Rs. 71,211). The y-o-y increases were primarily on account of lower volume, higher mine development and steep increase in commodity prices, partly offset by higher acid credits.

The resultant EBITDA for the quarter was Rs. 2,315 Crore, down 24% y-o-y and down 17% q-o-q while YTD EBITDA decreased by 7% y-o-y to Rs. 5,100 Crore.

Net Profit for the quarter was Rs. 1,815 Crore, down 30% y-o-y and 5% q-o-q while for YTD net profit was down by 17% y-o-y to Rs. 3,733 Crore. The decline is in line with EBITDA and higher depreciation, partly offset by lower tax rate.

### **Outlook**

Mined metal and refined zinc-lead production in H2 FY 2019 are expected to be significantly higher than that in H1 with the continued ramp-up of underground mines and the overall production in FY 2019 will be slightly higher than that of last year, as guided earlier.

The guidance of silver production to be in the range of 650 to 700 MT is reiterated. COP before royalty is projected to be in the range of USD 950 to 975 per MT in H2 FY 2019. The project capex for the year will be around US\$400 - US\$450 million.

## Expansion Projects

### Update on ongoing expansion projects

The announced mining projects are progressing in line with the expectation of reaching 1.2 million tonnes per annum of mined metal capacity in FY2020.

Capital mine development remained unchanged y-o-y at 9.8 km during the quarter and increased by 9% to 20.2 km in H1.

**Rampura Agucha** underground mine continued to maintain a high total development rate at 5.3 km during the quarter. It is gratifying to note that mined metal production increased by 94% y-o-y and 35% sequentially to 96kt. Mid shaft loading system was commissioned at the end of quarter, allowing waste hoisting to be done through shaft ahead of schedule. This will help to improve volumes until the off shaft is fully commissioned. Off shaft development is on track and commercial production from main shaft is expected to start from Q4 FY 2019.

**Sindesar Khurd** mine achieved 5.2 km total development during the quarter. The production shaft work is progressing well with winders commissioned in manual mode and material hoisting from shaft is expected to start in the current quarter. The new 1.5 mtpa mill is expected to be commissioned in the current quarter.

At **Zawar**, civil & erection works of the new 2 mtpa mill is on track and expected to commission by Q4 FY2019. **Rajpura Dariba** mine has received Environment Clearance by the Ministry of Environment, Forest & Climate Change to increase ore production from 0.9 to 1.08 mtpa and regulatory approval for further expansion to 2.0 mtpa is under process.

The **Fumer project** at Chanderiya is expected to commission in the current quarter.

Planning for the next phase of expansion from 1.2 to 1.35 mtpa mined metal capacity announced in April 2018 is underway.

## Interim Dividend

## **About Hindustan Zinc**

Hindustan Zinc (NSE & BSE: HINDZINC) is the one of the largest integrated producers of zinc-lead with a capacity of 1.0 million MT per annum and a leading producer of silver. The Company is headquartered in Udaipur, Rajasthan in India and has zinc-lead mines at Rampura Agucha, Sindesar Khurd, Rajpura Dariba, Zawar and Kayad; primary smelter operations at Chanderiya, Dariba and Debari, all in the state of Rajasthan; and finished product facilities in the state of Uttarakhand.

Hindustan Zinc has a world-class resource base with a mine life of over 25 years.

The Company is self-sufficient in power with an installed base of 474 MW coal-based captive power plants. Additionally, it has green power capacity of 324 MW including 274 MW of wind power, 16 MW of solar power and 35 MW of waste heat power. The Company has an operating workforce of nearly 17,600 including contract workforce.

Hindustan Zinc is a subsidiary of the BSE and NSE listed Vedanta Limited (formerly known as Sesa Sterlite Limited; ADRs listed on the NYSE), a part of Vedanta Resources plc, a global diversified natural resources company.

### **Disclaimer**

This press release contains "forward-looking statements" – that is, statements related to future, not past, events. In this context, forward-looking statements often address our expected future business and financial performance, and often contain words such as "expects," "anticipates," "intends," "plans," "believes," "seeks," "should" or "will." Forward-looking statements by their nature address matters that are, to different degrees, uncertain. For us, uncertainties arise from the behaviour of financial and metals markets including the London Metal Exchange, fluctuations in interest and or exchange rates and metal prices; from future integration of acquired businesses; and from numerous other matters of national, regional and global scale, including those of a political, economic, business, competitive or regulatory nature. These uncertainties may cause our actual future results to be materially different than those expressed in our forward-looking statements. We do not undertake to update our forward-looking statements.
