**RESOLVED FURTHER THAT** the Board of Directors of the Company be and is hereby authorised to do all acts, and to take such steps as may be necessary, proper and expedient to give effect to this resolution."

**By Order of the Board**  
**For, Gujarat Gas Limited**  
**Rajeshwari Sharma**  
**Company Secretary**

**Date: 20th August, 2018**

**Place: Ahmedabad**

**IMPORTANT NOTES:**

- (A) **A MEMBER ENTITLED TO ATTEND AND VOTE AT THE ANNUAL GENERAL MEETING (MEETING) IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE INSTEAD OF HIMSELF/HERSELF AND THE PROXY NEED NOT BE A MEMBER OF THE COMPANY.** The proxy form duly completed and signed, should be lodged with the Company, at its registered office at least 48 hours before the time of the meeting.

In terms of Section 105 of the Companies Act, 2013, and rules thereunder, a person can act as a proxy on behalf of members not exceeding fifty and holding in the aggregate not more than ten percent of the total share capital of the Company. A member holding more than ten percent of the total share capital of the Company may appoint a single person as proxy and such other person shall not act as a proxy for any other person or member. Proxies submitted on behalf of the limited companies, societies etc. must be supported by appropriate resolution/authority, as applicable.

- (B) The relative Explanatory Statement, pursuant to Section 102 of the Companies Act, 2013, in respect of the special business under item no. 5 and item no. 6 is annexed hereto. The particulars of qualifications, experience and other Directorships etc. of the Director proposed to be appointed / reappointed is given in the Annexure forming part of this Notice.
- (C) The Register of Members and Share Transfer Books of the Company will remain closed from Friday, 21<sup>st</sup> September, 2018 to Thursday, 27<sup>th</sup> September, 2018 (both days inclusive) for the purpose of payment of dividend and for the Annual General Meeting. The dividend, if declared at the Annual General Meeting will be paid on or after 5<sup>th</sup> October, 2018, to those members of the Company whose names appears (a) as beneficial owners as at the close of business hours on 20<sup>th</sup> September, 2018, as per the list to be furnished by the Depositories in respect of the shares held in electronic form; and (b) as Members in the Register of Members of the Company as on 20<sup>th</sup> September, 2018, after giving effect to all valid share transfers in physical form received on or before 20<sup>th</sup> September, 2018.
- (D) Registrar and Share Transfer Agents

Your Company has appointed Karvy Computershare Private Limited ("Karvy") as the Share Transfer Agent for physical segment. Karvy also acts as the depository registrar for establishing connectivity with NSDL and CDSL for demat segment. Karvy uses computerized share transfer system for processing transfer of equity shares.

Shareholders are requested to send their share transfer and all other requests and complaints to Karvy Computershare Private Limited at the following address:

Karvy Computershare Private Limited, Unit: GUJARAT GAS LIMITED, Karvy Selenium Tower B, Plot No. 31-32, Gachibowli, Financial District, Nanakramguda, Serilingampally Mandal, Hyderabad - 500032. Phone Number: 040-67161500 and 040-67161753, Fax Number: 040-67161791.

- (E) Dematerialisation of shares and liquidity

Equity shares of your Company are regularly traded on the BSE Limited and the National Stock Exchange of India Limited. 39.11% equity shares of the Company are held by non-promoter shareholders.

Equity shares of your Company can be traded in electronic form only by all the investors. Your Company has established connectivity with both the depositories viz. NSDL and CDSL through its Share Transfer Agent. Equity shares of the Company are under compulsory demat trading by all investors. Considering the advantage of scripless trading, members are encouraged to consider dematerialisation of their shareholding so as to avoid inconvenience in future.

It is informed to the Shareholders that SEBI had issued Circular dated 20<sup>th</sup> April, 2018, with respect to Strengthening the Guidelines and Raising Industry standards for RTA, Issuer Companies and Banker to an Issue, in view of which your Company had issued two reminder letters dated 28<sup>th</sup> May, 2018 and 29<sup>th</sup> June, 2018, respectively vide registered post and third reminder letter dated 1<sup>st</sup> August, 2018, vide ordinary post for mandatory updation of PAN and bank details by the shareholders holding shares in physical mode, who had not updated the said details.

It is also informed to the Shareholders that Securities and Exchange Board of India had issued SEBI (Listing Obligations and Disclosure Requirements) (Fourth Amendment) Regulations, 2018 vide Notification dated 8<sup>th</sup> June, 2018, whereby, it has amended Regulation 40 – Transfer or Transmission or Transposition of Securities and has mandated that transfer of securities would be carried out in dematerialized form only w.e.f 5<sup>th</sup> December, 2018 and except in case of transmission or transposition of securities, requests for effecting transfer of securities shall not be processed unless the securities are held in the dematerialized form with a depository.

In order to implement the aforementioned Amendment in the Regulation and as advised by SEBI, the Company is sending letter to the holders of physical share certificates intimating them about the amendment and sensitising them about the impact of the regulation on the transfer of shares held by them in physical form w.e.f 5<sup>th</sup> December, 2018. The Company has also placed information on its website intimating the investors about the proposed change and has provided appropriate guidance on how to dematerialize their shares.

- (F) Correspondence with the Company

Shareholders are requested to correspond with the Company through e-mail to get faster response. Address for correspondence:

Gujarat Gas Limited, 2, Shantisadan Society, Nr. Parimal Garden, Ellis Bridge, Ahmedabad - 380006, India. Telephone Numbers: +91-79-26462980, +91-79-26460095, Fax: +91-79-26466249.

E-mail address of the Company Secretary and Compliance officer is: rajeshwari.sharma@gujaratgas.com. Shareholders may lodge their complaints and requests on this email address.

- (G) The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market failing which the demat account / folio no. would be suspended for trading. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participant with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Company or its RTA.
- (H) All documents referred to in the notice and the explanatory statement requiring the approval of the Members at the Meeting and other statutory registers shall be available for inspection by the Members at the registered office of the Company during office hours on all working days between 10.30 a.m. and 1.00 p.m. on all days except Saturdays, Sundays and public holidays, from the date hereof, up to the date of the Annual General Meeting.
- (I) The erstwhile Gujarat Gas Company Limited and erstwhile Gujarat Gas Financial Services Limited had paid dividends to its shareholders and pursuant to the Companies Act, 2013, the amount of such dividends pertaining to CY 2010, that was unclaimed/ unpaid have been transferred to the Investor Education and Protection Fund (IEPF) of the Government. Members who have not encashed their dividend warrants pertaining to CY 2011 to FY 2016-17, may approach the Company or its Registrar & Share Transfer Agent for obtaining payment thereof mentioning the relevant folio number or DPID/ Client ID, for issuance of duplicate / revalidated dividend warrant(s).

Pursuant to the provisions of Section 124 of the Companies Act, 2013 read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, the Company has transferred all the Shares in respect of which Dividend has not been paid or claimed by the Shareholders for seven consecutive years or more to the Demat account of the Investor Education and Protection Fund Authority (IEPF).

The Company has been sending reminders to those members having unpaid/unclaimed dividends before transfer of such dividend(s) to IEPF. The Company has uploaded full details (Name, Folio no/DP id/Client id) of such shareholders on its website [www.gujaratgas.com](http://www.gujaratgas.com). Members who have not encashed their dividend pertaining to the CY 2011 till FY 2016-17 are advised to write to the Company or Karvy Computershare Pvt. Ltd. (Karvy), the Registrar and Share Transfer Agent, at Selenium Tower B, Plot 31 - 32, Gachibowli, Financial District, Nanakramguda, Hyderabad - 500 032, Tel: 040 67161500, Fax: 040 67161791, e-mail: [einward.ris@karvy.com](mailto:einward.ris@karvy.com), [sanghi.sandeep@karvy.com](mailto:sanghi.sandeep@karvy.com) immediately for obtaining payment thereof mentioning the relevant Folio number or DP ID and Client ID, for issuance of duplicate/revalidated dividend warrant(s).

The aforesaid Rules provides for the manner of transfer of the unpaid and unclaimed dividends to IEPF and the manner of transfer of shares in case any dividend has not been encashed by the shareholders on such shares during the last seven years to the designated demat account of the IEPF Authority. As per the requirement, the Company had sent information to all the shareholders who had not claimed/encashed dividends in the last seven years intimating, amongst other things, the requirements of the aforesaid rules with regard to transfer of shares and that in the event those shareholders do not claim any unclaimed/unpaid dividends for the past seven years, the Company will be required to transfer the respective shares to the IEPF demat Account by the due date prescribed as per the aforesaid rules and as amended from time to time. The Company also publishes notice in the leading newspaper in English and regional language having wide circulation and uploads on the "Investors Section" of the Website of the Company viz. [www.gujaratgas.com](http://www.gujaratgas.com) giving details of such shareholders and shares due to be transferred. In case valid claim is not received, the respective shares will be credited to the demat account of the IEPF Authority. In view of the aforesaid your Company transferred 258805 equity shares to IEPF.

- (J) The Board of Directors, in its meeting held on 11th May 2018, had declared a Dividend of Rs. 4 per Share of the face value of Rs. 10/- each, on the paid-up Equity Share Capital of the Company, which if approved by the Members at the said Annual General Meeting, will be paid on or after 5th October, 2018.
- (K) Members desirous of obtaining any information on any item of business of this meeting are requested to forward the same at least 10 days before the date of the Annual General Meeting to Company Secretary at the Corporate Office of the Company at Gujarat Gas Limited, 2, Shantisadan Society, Near Parimal Garden, Ellis Bridge, Ahmedabad 380006, India, so that the same may be attended to, appropriately.
- (L) Members holding shares in physical form, may avail of the facility of nomination in terms of Section 72 of the Companies Act, 2013, by nominating in the Form-SH 13, as prescribed in the Companies (Share Capital & Debenture) Rules, 2014, any person to whom their shares in the Company shall vest on occurrence of events stated in the Form. Those holding shares in physical form may obtain Form-SH 13 from the Company or the RTA and send the same in duplicate to the RTA. In case of Shares held in dematerialised form, the nomination has to be lodged with the respective DP.
- (M) Members holding physical shares in multiple folios in identical names are requested to send their share certificate to Company's Registrar and Share Transfer Agent, M/s Karvy Computershare Private Ltd. for consolidation. Shareholders are requested to update their addresses, bank account details, signatures, email id's and ECS details with the depositories, if shares are held in demat form and with the Registrar and Share Transfer Agent if shares are held in physical mode.
- (N) Pursuant to section 101 and 136 of the Companies Act, 2013 read with Companies (Management and Administration) Rules, 2014, Annual Report of the Company is being sent through email to those members whose email ID is registered with the Company / Depository. In case any member wants a physical copy of the Annual Report, he may send a request to the

Company Secretary at the Corporate Office / RTA. Those members who have not registered their email ID are requested to write to the RTA / their Depository Participant for registering the same.

The Annual Report for F.Y. 2017-2018 as circulated to the members of the Company is also available on the website of the Company [www.gujaratgas.com](http://www.gujaratgas.com).

The Ministry of Corporate Affairs ("MCA") through its "Green Initiative in the Corporate Governance" has allowed paperless compliances by the Companies vide its Circulars No. 17/2011 dated 21/04/2011 and No. 18/2011 dated 29/04/2011 and has their by permitted the circulation through email of the Annual Reports to the shareholder who have registered their email id as required under the Companies Act, 2013.

MCA has already taken appreciable steps towards Go-Green Initiative to ensure the protection of environment. Your Company is committed towards Green Initiative and therefore, we hereby further solicit your valuable cooperation and support in our endeavour to contribute our bit to the environment.

We request the shareholders who have not registered their email id with the Company/RTA/DP till now to register their email id with the Company/RTA/DP, so that the Company is not required to send the physical copies of Annual Report to such shareholders. This will save the consumption of lots of papers by the Company to print and dispatch hard copies of the Annual Reports to its shareholders.

- (O) Pursuant to Section 139(5) read with Section 142 of the Companies Act, 2013, the Comptroller & Auditor General (C&AG) of India will appoint the Statutory Auditors of the Company for FY 2018-19 and their remuneration is to be fixed by the Company in the Annual General Meeting. The members may authorise the Board to fix up an appropriate remuneration of Auditors for FY 2018-19.
- (P) Voting through Electronic Means:

- I. In compliance with provisions of Section 108 of the Companies Act, 2013, Rule 20 of the Companies (Management and Administration) Rules, 2014 including any modifications and amendments, if any, and Regulation 44 of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 and Secretarial Standards on General Meetings (SS2) issued by The Institute of Company Secretaries of India, the Company is providing facility to the Members to exercise their right to vote by electronic means in respect of the Resolution(s) contained in this Notice. The Company has engaged the services of Karvy Computershare Pvt. Ltd as the Authorised Agency or the Service Provider to provide remote e-voting facility (i.e. the facility of casting votes by a Member by using an electronic voting system from a place other than the venue of the General Meeting).
- II. The Company shall also provide facility for voting through polling paper which shall be available at the Meeting and Members attending the Meeting, who have not already casted their vote by remote e-voting shall be able to exercise their right to vote at the Meeting.
- III. The cut-off date for the purpose of voting (including remote e-voting) is 20th September, 2018. A person, whose name is recorded in the Register of Members or in the Register of beneficial owners maintained by the Depositories at the close of business hours on 20th September, 2018 shall be entitled to avail the facility of voting through Remote E-voting/polling paper. The voting rights of the Members shall be in proportion to the paid-up value of their Shares in the Equity Capital of the Company as on the cut-off date i.e. 20th September, 2018.
- IV. The Members who have casted their vote by remote e-voting prior to the Meeting may also attend the Meeting but shall not be entitled to cast their vote again.
- V. The Board of Directors have appointed CS Manoj Hurkat & Associates, Practising Company Secretary (Membership No FCS 4287) as the Scrutinizer, for conducting the voting / poll and remote e-voting process in a fair and transparent manner.
- VI. The remote e-voting facility will be available during the following period after which the portal shall forthwith be blocked and shall not be available:

Commencement of remote e-voting	09.00 A.M. (IST) on Monday, 24th September, 2018
End of remote e-voting	05.00 P.M. (IST) on Wednesday, 26th September, 2018

**The Members desiring to vote through remote e-voting are requested to refer to the detailed procedure and instructions for e-voting given hereinafter:**

- A. In case a Member receiving an email of the AGM Notice from Karvy [for members whose email IDs are registered with the Company/ Depository Participant(s)]:
- i) Launch internet browser by typing the URL: <https://evoting.karvy.com>.
  - ii) Enter the login credentials. Event No. followed by Folio No. / DP ID-Client ID will be your User ID, Password will be mentioned in the email. However, if you are already registered with Karvy for e-voting, you can use your existing User ID and password for casting your vote.
  - iii) After entering these details appropriately, Click on "LOGIN".
  - iv) You will now reach password change Menu wherein you are required to mandatorily change your password. The new password shall comprise of minimum 8 characters with at least one upper case (A-Z), one lower case (a-z), one

numeric value (0-9) and a special character (@,#,\$, etc.). The system will prompt you to change your password and update your contact details like mobile number, email ID, etc. on first login. You may also enter a secret question and answer of your choice to retrieve your password in case you forget it. It is strongly recommended that you do not share your password with any other person and that you take utmost care to keep your password confidential.

- v) You need to login again with the new credentials.
  - vi) On successful login, the system will prompt you to select the "EVENT" i.e. Gujarat Gas Limited.
  - vii) On the voting page, enter the number of shares (which represents the number of votes) as on the Cut off Date under "FOR/AGAINST" or alternatively, you may partially enter any number in "FOR" and partially in "AGAINST" but the total number in "FOR/AGAINST" taken together should not exceed your total shareholding as mentioned therein. You may also choose the option ABSTAIN. If the shareholder does not indicate either "FOR" or "AGAINST" it will be treated as "ABSTAIN" and the shares held will not be counted under either head.
  - viii) Shareholders holding multiple folios/demat accounts shall choose the voting process separately for each folios/demat accounts.
  - ix) Voting has to be done for each item of the Notice separately. In case you do not desire to cast your vote on any specific item it will be treated as abstained.
  - x) You may then cast your vote by selecting an appropriate option and click on "Submit".
  - xi) A confirmation box will be displayed. Click "OK" to confirm else "CANCEL" to modify. Once you confirm, you will not be allowed to modify your vote. During the voting period, Members can login any numbers of times till they have voted on the resolutions.
  - xii) Corporate/Institutional Members (i.e. other than Individuals, HUF, NRI, etc.) are also required to send scanned certified true copy (PDF Format) of the Board Resolution/Authority Letter, etc. together with attested specimen signature(s) of the duly authorized representative(s), to the Scrutinizer at e-mail ID: manojhurkat@hotmail.com with a copy marked to evoting@karvy.com. The scanned image of the above mentioned documents should be in the naming format "Corporate Name\_ EVENT NO."
  - xiii) In case a person has become the Member of the Company after the dispatch of AGM Notice but on or before the cut-off date i.e. 20th September, 2018, may write to Karvy on the email Id: evoting@karvy.com or to Mr. Sandeep Sanghi, Contact No. 040-67161753, at [Unit: Gujarat Gas Limited], Karvy Computershare Private Limited, Karvy Selenium Tower B, Plot 31 - 32, Gachibowli, Financial District, Nanakramguda, Hyderabad - 500 032, requesting for the User ID and Password. After receipt of the above credentials, please follow all the steps from Sr. No.(i) to (xii) as mentioned in (A) above, to cast the vote.
- B. In case of Members receiving physical copy of the AGM Notice by Post/Courier [for Members whose email IDs are not registered with the Company/Depository Participant(s)]:
- i) User ID and initial password as provided in the letter accompanying the annual report.
  - ii) Please follow all steps from Sr. No. (i) to (xii) as mentioned in (A) above, to cast your vote.
- C. The remote e-voting period commences on 09.00 A.M. (IST) on 24th September, 2018 and ends on 05.00 P.M. (IST) on 26th September, 2018. During this period, the Members of the Company holding shares in physical form or in dematerialized form, as on the cut-off date being 20th September, 2018, may cast their vote by electronic means in the manner and process set out hereinabove.
- The remote e-voting module shall be disabled for voting thereafter. Once the vote on a resolution is cast by the Member, the Member shall not be allowed to change it subsequently. Further, the Members who have casted their vote electronically shall not vote by way of poll, if held at the Meeting.
- D. In case of any query pertaining to remote e-voting, please visit Help & FAQ's section of <https://evoting.karvy.com>. (Karvy's website).
- (Q) Poll at the Meeting:
- After the items of the Notice have been discussed, the Chairman will order Poll in respect of the items. Poll will be conducted under the supervision of the Scrutinizer appointed for remote e-voting and Poll as stated above. A person, whose name is recorded in the Register of Members or in Register of beneficial owners maintained by the Depositories as on the cut-off date of 20th September, 2018, and who have not casted their vote by remote e-voting, and being present in the Annual General Meeting, either personally or through proxy, only shall be entitled to vote at the Annual General Meeting.
- (R) The Scrutinizer shall after the conclusion of voting at the Annual General Meeting, first count the votes cast at the Meeting and thereafter unblock the vote cast through remote e-voting in the presence of at least two (2) witnesses not in the employment of the Company and will make, within forty eight hours of conclusion of its Annual General Meeting i.e. on or before 29th September, 2018 (3:30 p.m.), a consolidated Scrutinizer's Report of the total votes cast in favour or against, if any, forthwith to the Chairman of the Company or a person authorised by him, who shall declare the result forthwith.

- (S) The Results declared along with the Scrutinizer's Report shall be placed on the Company's website [www.gujaratgas.com](http://www.gujaratgas.com) and on the website of Karvy Computershare Pvt. Ltd. immediately after the Result is declared and shall be simultaneously communicated to the BSE Limited (BSE) and National Stock Exchange of India Limited (NSE), where the Shares of the Company are listed.
- (T) The Resolutions will be deemed to be passed on the Annual General Meeting date subject to receipt of requisite number of votes in favour of the Resolutions.
- (U) All documents referred to in the accompanying Notice and the Explanatory Statement shall be open for inspection at the Registered Office of the Company during normal business hours (10.30 A.M. to 6.30 P.M.) on all working days up to and including the date of Annual General Meeting of the Company.
- (V) This Notice is also being sent with Annual Report along with attendance slip, proxy form and route map of the venue of the Meeting.
- (W) MEMBERS HOLDING EQUITY SHARES IN ELECTRONIC FORM, AND PROXIES THEREOF, ARE REQUESTED TO BRING THEIR DP ID AND CLIENT ID FOR IDENTIFICATION.**

Your Directors wish to place on record, their appreciation for the services rendered by them as the Directors of the Company.

Shri Milind Torawane, IAS, had been appointed as the Additional Director by the Board of Directors in its Meeting held on 10th August, 2017, the appointment had been further regularized by the shareholders in its 5th Annual General Meeting held on 29th September, 2017. He will retire by rotation and it is proposed to reappoint him as the Director of the Company in the ensuing 6th Annual General Meeting.

Prof Piyush Kumar Sinha and Prof Vishal Gupta had been appointed as the Independent Directors of the Company for the tenure of 2 years by the Board of Directors vide Circular Resolution with effect from 16th August, 2017. Their appointment was subsequently approved by the Shareholders in its 5th Annual General Meeting held on 29th September, 2017.

It is also informed to the Shareholders that Shri Raj Gopal, IAS had been appointed as the Additional Director by the Board of Directors vide Circular Resolution effective from 16th August, 2018 and it is proposed to regularize his appointment in the ensuing 6th Annual General Meeting.

A brief resume of the Director to be appointed at the ensuing Annual General Meeting, nature of expertise in specific functional areas and details regarding the Companies in which the Directorships are held together with the Membership / Chairmanship of Committees of the Board is given in the Explanatory Statement forming part of the Notice of the 6th Annual General Meeting.

#### DIRECTORS INDEPENDENCE

Pursuant to the provisions of Section 149 (6) of the Companies Act, 2013, the Independent Directors of the Company have given confirmation/declaration to the Board that they meet with the criteria of Independence and are Independent in terms of Section 149 (6) of the Companies Act, 2013.

#### BOARD EVALUATION

Pursuant to the provisions of the Companies Act, 2013, the performance evaluation of individual Directors for FY 2017-18 was carried out as per the terms and conditions of their appointment based on the various parameters.

#### MEETINGS OF THE BOARD OF DIRECTORS

The Board meets at regular intervals to discuss and decide on Company / business policy and strategy apart from other Board business. The Board / Committee Meetings are pre-scheduled to enable the Directors to plan their schedule and to ensure meaningful participation in the Meetings. However, in case of a special and urgent business need, the approval is taken by passing resolutions through circulation to the Directors, as permitted by law, which are noted in the subsequent Board/Committee Meetings.

During the period beginning from 1st April, 2017 up to 20th August, 2018, Eight (8) Board Meetings were convened and held, the details of which are given in the Corporate Governance Report. The intervening gap between the Meetings was within the period prescribed under the Companies Act, 2013.

#### AUDITORS (STATUTORY & CAG AUDIT)

As your Company is a Government Company, the Statutory Auditors are appointed by the Comptroller & Auditor General of India (CAG). Accordingly, the CAG had appointed M/s. S R Goyal & Co., Chartered Accountants as the Statutory Auditors of the Company

## BOARD'S REPORT

for the Financial Year 2017 - 18. The CAG has carried out supplementary audit of your Company pursuant to provisions of Section 143 (6) of the Companies Act, 2013. The CAG has issued the Nil Comments Certificate on the Financial Statements of the Company for FY 2017 - 18.

### SECRETARIAL AUDITOR

Pursuant to the provisions of Section 204 of the Companies Act, 2013 and The Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Board of Directors of the Company had appointed M/s Manoj Hurkat & Associates, Practising Company Secretaries to conduct the Secretarial Audit of the Company for the Financial Year 2017 - 18. The Report of Secretarial Auditor on Company's Secretarial Audit for the Financial Year 2017 - 18 is enclosed herewith as Annexure - 3 to this Report. The Secretarial Audit Report is self explanatory in nature.

### COST AUDITOR

Your Company is required to carry out Cost Audit pursuant to Section 148 of the Companies Act, 2013, read with the Companies (Cost Records and Audit) Rules, 2014. Accordingly, the Cost Auditor M/s Kailash Sankhlecha & Associates, Cost Accountants, has carried out the Cost Audit for the Financial Year 2017 - 18. The Cost Audit Report for FY 2017 - 18 has been submitted to the Central Government in the prescribed format within stipulated time period.

Further, the Board of Directors has on the recommendation of the Audit Committee, appointed M/s Kailash Sankhlecha & Associates, Cost Accountants, as the cost auditor to audit the Cost Accounts of the Company for financial year 2018 - 19 on remuneration of Rs. 1,50,000/- (Rupees One Lakh Fifty Thousand Only) plus GST and out of pocket expenses.

As required under the Companies Act, 2013, the remuneration payable to the Cost Auditor is required to be placed before the Members in General Meeting for their ratification. Accordingly, the necessary resolution seeking Member's ratification for the remuneration payable to the Cost Auditors for FY 2018 - 19 is included in the Notice convening the 6th Annual General Meeting.

### ANNUAL ACCOUNTS

The Audit Committee at its Meeting held on 11th May, 2018, approved the Financial Statements for the Financial Year ended on 31st March, 2018 and recommended the same for approval of the Board which had been subsequently approved by the Board of Directors at its meeting held on 11th May, 2018.

### RISK MANAGEMENT AND INTERNAL CONTROL SYSTEM

#### Risk Management

The Company has a well-defined Risk Management Framework for reviewing the major Risks and has adopted a Business Risk Management Policy. Further, pursuant to the requirement of Regulation 21 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company has voluntarily constituted a Risk Management Committee inter-alia to monitor the Risk Management Plan of the Company.

#### Internal Control System

The Company has a proper and adequate system of Internal Controls commensurate with its size of operations and nature of business. These are routinely tested and certified by Auditors. Significant audit observations of audit team and follow up actions thereon are reported to the Audit Committee. The details about the identification of elements of Risk and Internal Control Systems are provided in detail in the Management Discussion & Analysis Report forming part of this Board's Report.

#### Internal Financial Controls

The Company has in place adequate internal financial controls, with reference to financial statement. The internal financial controls have been documented in the business processes. Such controls have been assessed during the year under review and were operating effectively.

### WHISTLE BLOWER POLICY/VIGIL MECHANISM

The Company has established a Whistle Blower Policy/Vigil Mechanism for Directors, Stakeholders and Employees to report their genuine concerns, details of which have been given in the Corporate Governance Report forming part of this Boards' Report.

### HEALTH, SAFETY AND ENVIRONMENT (HSE)

Health, Safety and Environment (HSE) is a core value in Gujarat Gas Limited (GGL), a GSPC Group Company. GGL believes that all injuries are preventable. We recognize that HSE is everyone's responsibility and each of us has a duty to intervene and prevent unsafe actions and to reinforce safe behaviours.

## BOARD'S REPORT

GGL has established its Quality, Occupational Health, Safety & Environment (QHSE) management system with reference to international standards ISO 9001:2015, ISO 14001:2015 & OHSAS 18001:2007 and has been certified by a third party certification body after rigorous audit. The certificates demonstrate our commitment to quality, health, safety and environment management and customer satisfaction which is the key to sustainable business performance. GGL ensures that all management decisions reflect its Quality, Health Safety & Environment (QHSE) intentions and QHSE management systems reflect best industry practices and are properly resourced. GGL aims to be an industry leader in City Gas Distribution business through its QHSE performance.

GGL recognizes that the protection of the health and safety of all those involved in its operation and public at large and protection of the environment is an integral part of the company's business performance and the prime responsibility of management at every level. GGL assets have been designed, constructed, commissioned and are operated and maintained, such that the risks to personnel are reduced to as low as reasonably practicable (ALARP). GGL operations are driven by the goal of zero injuries, with the aim to ensure that every employee working for and on behalf of the company returns home safely at the end of each working day.

We conduct our business in a safe and responsible manner and ensure compliance with the legal and regulatory requirements. We check the compliance by conducting various internal and external audits. The safe delivery of our projects and safe operations of our assets is a critical success factor for our business. We set HSE targets and closely monitor it to achieve continual improvement in our performance.

We recognize that leadership commitment is fundamental for continual improvement in HSE performance. GGL management team members review HSE performance on regular basis in monthly/quarterly review meetings. The team regularly carries out HSE tour at different worksites to engage and involve site staff in HSE processes, to reinforce best HSE practices and to understand their HSE related concerns. In FY 2017 - 18, compliance to 'HSE tour plan' was more than 90%.

GGL is committed to protect safety, health and well-being of people working for the organisation. Lost Time Injury Frequency (LTIF) is the industry standard key indicator which is used to measure GGL's occupational safety performance. For the FY 2017 - 18, GGL has achieved Lost Time Injury Free Man-hours – 20.93 Million Man-hours against Total of 21.75 Million Man-hours. Lost Time Injury Frequency is 0.0459 for the FY 2017 - 18.

GGL is committed for protection of the Environment. One of our focus area is to reduce Natural Gas (NG) emission. GGL has achieved the target of more than 3 percent reduction in NG emission for FY 2017 - 18 as compared to FY 2016 - 17.

GGL has a well-developed and certified Emergency Response and Disaster Management Plan for each Geographical Areas. GGL conducts mock-drills at defined intervals to check adequacy of emergency preparedness across all locations. In FY 2017 - 18, GGL carried out 70 Onsite mock-drills and 04 Off-site mock drills.

GGL has defined Lifesavers rules for all the critical activities and monitor lifesaver compliance. In FY 2017 - 18, GGL has achieved 90.5% compliance to GGL lifesavers.

To improve HSE performance, various HSE initiatives and programs are implemented as part of HSE improvement plan. In FY 2017 - 18, GGL has achieved 91% compliance to HSE improvement plan.

GGL always ensures that safety training programs are conducted regularly for employees and contractor staff which includes basic safety, practical fire fighting, first aid, defensive driving and other technical competency trainings.

GGL encourages participation and involvement of its employees and contractor staff in HSE related activities through HSE committee meetings, Hazard Near miss reporting, online monthly quiz, risk assessment and numerous safety awareness programs. GGL organises various Natural Gas safety awareness programs for its customers and general public at large to make them aware for safe use of PNG and CNG.

GGL cares about the health of all its employees and its family members. GGL has completed annual medical check-up for all of its employees in FY 2017 - 18.

GGL, being a prudent organization, is actively participating in various events & celebrations like National Safety Week, Road Safety Week and World Environment Day to make the society a cleaner, greener and safer place.

### MANAGEMENT DISCUSSION & ANALYSIS

The Management Discussion & Analysis is as under:

#### 1. INDUSTRY STRUCTURE AND DEVELOPMENTS

Natural Gas is naturally occurring mixture of hydrocarbons consisting primarily of Methane. It can exist either as a gas or in solution with crude oil, where producers can then separate the two in the production process. Natural Gas is the cleanest and most efficient of the fossil fuels. It is the only fossil fuel whose share of the primary energy mix is expected to grow, as it has the

## BOARD'S REPORT

potential to play an important role in the world's transition to a cleaner, more affordable and secure energy future due to its high energy content, which results in lower emissions of carbon and volatile organic compounds (VOCs) at combustion, relative to coal and oil. These characteristics of gas provide substantial environmental benefits such as improved air quality, and reduced CO<sub>2</sub> emissions.

Natural Gas consumption had been declining in India from 2010-11 till 2014-15 due to reduction in domestic gas production coupled with availability of RLNG at higher prices compared to domestic rates. However, thereafter the volume has again started peaking up as shown in the chart albeit with increasing dependence on imported RLNG. City Gas Distribution (CGD) sector is prominent in driving the growth of natural gas usage in India.

As always the case with the energy sector, crude oil has been at the forefront of creating dynamic global energy market. All other energy commodities including natural gas are directly or indirectly linked to global crude market and prices. For the last few years the story is revolving around the global crude oil price fall that started back in year 2014. The prices bottomed out in January of 2016, falling to the lowest level in over a decade. Uncertainty over the health of the global economy as well as the feared economic slowdown in China that began in mid-2015, led to a decline in global demand and consumption of oil. Oil producers continued output desperately trying to gain precious market share from others in the sector, even as prices continued to fall. An agreement to freeze production between major oil producers, spearheaded by Saudi Arabia and Russia, finally came to fruition in late November of 2016, which caused oil prices to rally at the end of 2016 into 2017-2018.

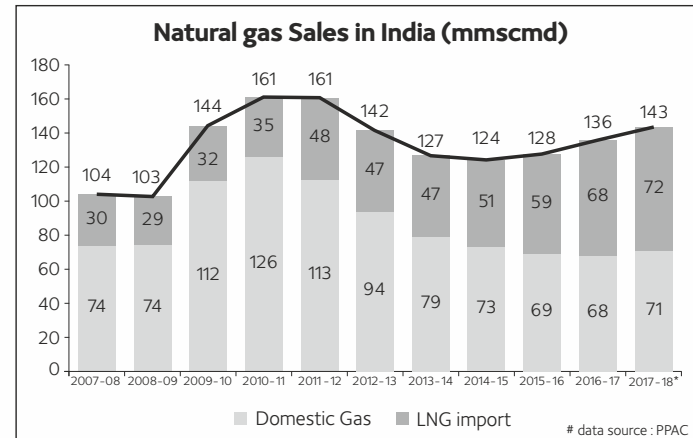

The macroeconomic parameters in India have generally shown improvement with lower volatility. India has also improved its global competitiveness position and ease of doing business rank due to reform focus of the government. As per a report of the United Nations titled "World Economic Situation and Prospects 2018", the outlook for India remains largely positive, underpinned by robust private consumption and public investment as well as on-going structural reforms. GDP growth is projected to accelerate from 6.6% in 2017-18 to 7.4% in 2018-19<sup>1</sup>.

The CGD sector could sustain the growth, in spite of several hick-ups to economy and imbalanced oil and gas industry. The CGD business in India is still at its nascent stage. However, it has attracted policy makers and associated stakeholders towards tapping the immense growth potential due to commitment of Government of India towards climate change. The priorities of the Government, as outlined by Prime Minister are Energy Access, Energy Efficiency, Energy Sustainability and Energy Security. Towards achieving this, several initiatives have been taken for increasing production and exploitation of all domestic petroleum resources. Further, to have a gas based economy and enhance the share of gas in the energy basket, the Government has envisaged developing additional 15,000 km of gas pipeline network. At present, the natural gas grid in the country predominantly connects the western, northern and south-eastern gas markets with major gas sources. As a commitment to provide the clean energy in the Eastern part of the country, the Government has approved a capital grant of 5,176 Crore (40% of the estimated capital cost of Rs. 12,940 crore) under Pradhan Mantri Urja Ganga.

## 2. OPPORTUNITIES AND THREATS

The Government is promoting the usages of clean and green fuel, i.e. PNG and CNG by expanding the coverage of CGD network in the country. In order to promote the natural gas usage in the country, the Government has issued guidelines for making available domestic gas to the CGD entities for meeting the entire requirement of CNG for transport segments and PNG for Domestic. At present, 36 CGD companies are developing CGD networks in 91 Geographical Areas (GAs) in 21 State(s)/UTs,

1. RBI Monetary Policy Report – April 2018

**BOARD'S REPORT**

which are supplying clean cooking fuel in the form of PNG to about 42 lakhs households in the country. Further, Government has envisaged expanding the coverage of CGD networks across the country in synchronisation with the gas availability and pipeline connectivity. Few of the initiatives<sup>2</sup> implemented by Government are as follows:

- i. MoPNG has accorded priority to PNG (Domestic) and CNG (Transport) segments of CGD sector in domestic gas allocation.
- ii. State Governments have been advised
  - a) To standardize the Road Restoration/ permission charges along with time bound permission for development of CGD networks.
  - b) To earmark land plot for development of CNG Stations in their Master Plan.
  - c) Relevant modification in building bye-laws for providing gas pipeline infrastructure in residential & commercial buildings at architectural design stage.
- iii. CGD networks have been provided the status of "Public Utility" under the Industrial Dispute Act, 1947.
- iv. Efforts are underway to develop an online portal in consultation with State Government to streamline the process of permissions to develop CGD network.

Government has envisaged to connect one crore households with PNG supplies for cooking purpose by 2020<sup>2</sup>. It has also been envisaged to expand the coverage of CGD networks in additional 174 districts in coming years.

For expansion of CGD networks, PNGRB has come up with the 9th CGD Bid Round with 86 geographical areas tendered for bid. This is largest ever CGD Bid Round covering 174 districts in 20 states and 2 union territories of the country. Your Company has evaluated new opportunities to expand network in contiguous areas and also evaluated opportunities to diversify its existing business into new markets organically and inorganically.

Government of Gujarat has recently launched "PNG Sahay Yojna" to supplement Government of India's "Ujjwala Yojna" and shall cover urban AAY (Antyodaya Anna Yojana) and BPL (below poverty line) category households. Under the scheme, piped natural gas shall be supplied to AAY and BPL households. Your Company is aiming to connect at least 35,000 household under the said government scheme.

Similar to any other business, the Company faces challenges in the form of stiff competition from other conventional fossil fuels due to the abundance, accessibility and availability. The fuel also faces threat in the form of disparity in the tax structure compared to alternate fuels as PNG and CNG are still out of GST ambit. Notwithstanding these, your Company shall continue to focus placing environmentally clean natural gas to affordable markets for sustainable growth.

**3. SALES AND MARKET PERFORMANCE**

Your Company has total 18 CGD licenses spread across 22 districts which accounts to almost 20% of total CGD licenses issued by PNGRB in India and 1 pipeline license. Your Company has an expanse of around 96,000 square kilometres of licensed area under its umbrella and continues to hold the leadership position of being the largest City Gas Distribution Company in the Country catering to more than 12.5 lakh residential consumers, over 13,440 commercial customers, dispensing CNG from 291 CNG stations for vehicular consumers and providing clean energy solutions to over 3,300 industrial units through its wide spread operations with around 21,640 kilometres of natural gas pipeline network.

Despite the dynamic business environment and intensely competitive energy market, your Company has been resilient to connect around 250 new industrial units and around 690 new commercial establishments during the year. Your Company has recorded a robust growth of around 17% in industrial

## BOARD'S REPORT

volume compared to previous year. The volume in commercial segment has also grown by around 9% during the fiscal. Your Company has continued its focused efforts for developing and growing PNG (Domestic) and CNG business. GGL added more than 90,200 residential customers and erected / commissioned 46 new CNG stations during the year. Your Company has been able to sustain the volumes with growth of around 7% in the residential sector and around 10% in CNG (transport) sector. Your Company is aggressively planning for penetration in PNG (domestic), PNG (commercial) and CNG (transport) sector which is comparatively less volatile.

### 4. OUTLOOK

The year 2017 was marked by a number of key structural initiatives to build strength across macro-economic parameters for sustainable growth in the future. The growth in the first half of the year suffered despite global tailwinds. However, the weakness seen at the beginning of 2017 seems to have bottomed out as 2018 sets in. Currently, the economy seems to be on the path to recovery, with indicators of industrial production, stock market index, auto sales and exports having shown some uptick. India's economic outlook is expected to remain promising and would strengthen further in FY 18-19.

India's natural gas supply and demand outlook is changing. The Government of India (GoI) wants to make India, a gas-based economy by boosting domestic production and buying cheap LNG. India has set a target to raise the share of gas in its primary energy mix to 15% by 2022. To improve the share of natural gas and promote a gas-based and clean fuel economy, the GoI has adopted a systematic approach to focus on all aspects of the gas sector viz upstream, midstream and downstream including CGD network development.

Your Company has been continuously growing and expanding its horizon by venturing into new geographic areas and is committed to reach every possible natural gas users across its licensed expanse of around 96,000 square kilometres through its ever growing pipeline network spread across 22 districts. Your Company shall continue to focus on growing the penetration in the current operating areas by increasing the PNG connections and additional CNG stations while tapping the untapped potential by expeditious rollout of distribution network in the newly acquired geographic areas as well. With this focused endeavour, GGL shall continue its efforts in providing clean fuel solutions across all operational area to augment an energetic top-line and bottom-line in coming years.

### 5. RISKS AND CONCERNS

The world runs on energy. Conventional fuels such as petrol and diesel have been in use for transportation for decades. But the current demand-supply gap in energy, depletion of oil-based fuels and environmental constraints have created a necessity for alternate energy resources which are cleaner and environment friendly. Natural gas is being considered as the fuel for today, and is being looked as transportation as well as a domestic fuel. CGD is a growing business sector and it aims to provide uninterrupted supply of gas to domestic, commercial and industrial customers in the form of pipelined natural gas (PNG) and compressed natural gas (CNG). Natural Gas Distribution or CGD system is a pipeline system for transport of gas and their distribution among consumers. The distribution system includes gas distribution mains and service lines. The pressure is regulated in the system and is usually designed as closed ring or loop systems, in order to ensure uninterrupted gas supply. The sector has attracted many engineers, managers and practitioners. The CGD sector has seen a tremendous growth over the past few decades, but as the sector is still in the development stage, especially in India, many challenges are being faced by all the stakeholders of the CGD sector. Challenges and issues are now discussed in many forums and corrective actions are being taken. In CGD sector most of the issues are complex and the mechanism for combating the same are jointly worked out by the government and CGD entities.

CGD business like any other business is also exposed to inherent business risks due to internal and/ or external factors. To name a few, the risks could vary from continuous availability of economic gas supplies, pipeline connectivity for expansion in unconnected areas, abundant availability of economical alternate fuels, global economic downturn, crude market volatility, delay in permissions from various statutory bodies for laying the infrastructure, etc. . While some of these risks may be beyond the mitigation capability of any company or industry, as a prudent and responsible Company, all possible measures are being taken to safe guard the interest of the Company from being impacted due to the above listed risks and concerns. Your Company has adequate internal control procedure for assessing various business risks, which, the Company is likely to face in near to mid-term future and also prepares mitigation measures.

### INTERNAL CONTROL SYSTEM AND ADEQUACY

The Company has a proper and adequate system of Internal Controls commensurate with its size of operations and nature of business. The Company's Internal Control Systems are further supplemented by extensive programs of audits, i.e. Internal Audit, Proprietary Audit by the Comptroller & Auditor General of India (CAG) and Statutory Audit by Statutory Auditors appointed by the

## BOARD'S REPORT

CAG. The Internal Control System is designed to ensure that all financial and other records are reliable for preparing financial statements and other data and for maintaining accountability of assets and compliance with statutory requirements. The Company has mapped a number of business processes on to SAP system, thereby leading to significantly improved controls and transparency. Your Company also continues to invest in Information Technology to support various business processes.

### FINANCIAL AND OPERATIONAL PERFORMANCE

Your Company has been continuously growing and expanding its horizon by venturing into new geographic areas and is committed to reach every possible natural gas users across its licensed expanse of around 96,000 square kilometres through its ever growing pipeline network spread across 22 districts.

The stand-alone net profit after tax (Total Comprehensive Income) for the current year 2017-18 increased to Rs 251.24 Crores from Rs. 176.83 Crores in the previous year. The Company had healthy net cash flows from operations of Rs 782.92 crores during the year 2017-18. Investments were made in extension of pipeline network to reach new areas and in reinforcements and upgradation of existing network as required. Investments were also made to connect residential customers and augmenting the CNG infrastructure. Investments were also made to upgrade the IT infrastructure and integrate SAP to enhance reliability and enable scalability. Appropriate provisions have been made in the accounts wherever necessary for contingencies, bad debts and diminution in value of investments. No amount has been transferred to the General Reserve during the year.

### HUMAN RELATIONS AND PARTICULARS OF EMPLOYEES

Your Company employed 1096 employees as on 31st March 2018. Your Company has a focus on building capabilities and developing competencies of its employees. The Company believes that training and development is of vital importance to create a climate where people maximize their technical skills and inner potential which can help the Company in capitalizing the emerging business opportunities through their involvement. During the year, employees were sent for various training programs and seminars to enhance their skills/knowledge. Your Company has in place an attractive policy of performance linked incentive to encourage and reward employee performance.

There was no strike or lock-out during the year under review.

### DISCLOSURE UNDER THE SEXUAL HARASSMENT OF WOMEN AT WORKPLACE (PREVENTION, PROHIBITION AND REDRESSAL) ACT, 2013

Your Company has always believed that appropriate standard of conduct should be maintained by the employees in their conduct and that there should be a safe, non-discriminatory and harassment-free (including free of sexual harassment) work environment for every individual working in the Company. The Company has in place, the Policy on Prevention of Sexual Harassment at workplace, as a part of its Human Resource Policy. It aims at prevention of harassment of employees and lays down the guidelines for reporting and prevention of sexual harassment. During the year ended 31st March, 2018, no complaint has been received pertaining to sexual harassment.

### COMPLIANCES OF APPLICABLE SECRETARIAL STANDARDS

The Company has complied with applicable Secretarial Standards during the year under review.

### DIVIDEND DISTRIBUTION POLICY

The dividend payout is in accordance with the Company's Dividend Distribution Policy.

### CORPORATE GOVERNANCE

The Company believes that good governance can deliver continuous good business performance. The particulars on Corporate Governance as required under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, is incorporated as a part of this Board's Report at **Annexure - 1**.

### EXTRACT OF ANNUAL RETURN

The details forming part of the extract of the Annual Return in Form MGT - 9 is enclosed herewith as **Annexure - 5**.

### CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO

The details about conservation of energy, technology absorption, foreign exchange earnings and outgo is attached at **Annexure - 6**.

The Company has incurred expenditure in Foreign Exchange to the extent of ₹ 0.60 Crores during FY 2017-18 (Previous year FY 2016-17 was ₹ 0.07 Crores) and the Foreign Exchange Earnings during FY 2017-18 was ₹ NIL (Previous year FY 2016-17 was ₹ Nil).

## BOARD'S REPORT

### SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS OR COURTS

There are no significant material orders passed by the Regulators / Courts during the year, which would impact the going concern status of the Company.

### DIRECTORS' RESPONSIBILITY STATEMENT

To the best of their knowledge and belief and according to the information and explanations obtained by them, your Directors make the following statements in terms of Section 134(3)(c) of the Companies Act, 2013:

- a. that in the preparation of the annual accounts, financial statements for the year ended 31st March 2018, the applicable accounting standards have been followed and no material departures have been made from the same;
- b. that accounting policies have been selected and applied consistently and judgment and estimates have been made that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at 31st March 2018 and of the profit of the Company for the year ended on that date;
- c. that proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013, for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- d. that the annual financial statements have been prepared on a going concern basis;
- e. that proper internal financial controls were in place and that the financial controls were adequate and were operating effectively;
- f. that systems to ensure compliance with the provisions of all applicable laws were in place and were adequate and operating effectively.

### ACKNOWLEDGEMENTS

The Directors place on record their deep appreciation to employees of the Company at all levels for their hard work, dedication and commitment. The Directors are extremely grateful for all the support given by the Government of Gujarat at all levels. The Directors place on record their sincere thanks to the Promoters, Shareholders, Suppliers, Lenders and Customers for their valuable support, trust and confidence reposed in the Company.

**For and on behalf of the Board of Directors**

**Dr. J. N. Singh, IAS**

**Chairman**

**Date: 20th August, 2018**

**Place: Gandhinagar**

## ANNEXURE – 1

### A REPORT ON CORPORATE GOVERNANCE

The Directors present the Company's Report on Corporate Governance as on 20th August, 2018.

#### 1. GGL's philosophy on Corporate Governance

Your Company believes that Corporate Governance is driven by the core values of the Company. Your Company promotes the values of customer orientation, team work, commitment, growth and trust. These reflect the Company's approach to all its stakeholders in the course of carrying out its business. The Company's values are portrayed in a set of strong Business Principles. These Business Principles are continuously communicated and reinforced with employees and contractors. The Company seeks to comply with all applicable legal, regulatory and license requirements and strives to work constructively with regulatory bodies.

#### 2. Board of Directors

The Board has nine (9) Directors, all of whom are Non-Executive Directors (NEDs). Five (5) of these are Independent Directors including one Woman Independent Director, which is in compliance with Regulation 17 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The details of composition of the Board as on 20th August, 2018, category as well as their Directorships on Board and Memberships in committees of companies, are given below:

Sr. No.	Name of Director	Position/Category	*No. of Directorship including Gujarat Gas Ltd.	No. of Membership/ Chairmanship in Board Committees in which Chairman / Member**	
				+Membership	Chairmanship
1	Dr. J. N. Singh, IAS	Promoter and Non-Executive Director	8	1	0
2	Dr. T. Natarajan, IAS		10	4	0
3	Mr. Milind Torawane, IAS		9	2	0
4	Mr. Raj Gopal, IAS		9	0	0
5	Mr. Jal Patel	Non-Executive and Independent Director	6	2	5
6	Mr. K.D.Chatterjee		2	2	1
7	Dr. Manjula Shroff		10	3	0
8	Prof. Piyush Kumar Sinha		8	0	0
9	Prof. Vishal Gupta		1	0	0

\* Including Directorship held in Private Limited Companies, Foreign Companies and Section 8 Companies.

\*\* The above details represent Membership/ Chairmanship of Audit Committee and Stakeholders Relationship Committee as per Regulation 18 and 20 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (including details of GGL).

+ Membership does not include Chairmanship.

The details of attendance of the Directors at the Board Meetings for the Period from 1st April, 2017 up till 20th August, 2018 and at the last Annual General Meeting is given below:

Sr. No.	Names of the Directors	Number of Board Meetings held while holding office	Number of board meetings attended	Attendance at the last AGM
1	Dr. J. N. Singh, IAS (appointed w.e.f. 25th April, 2016)	8	8	Yes
2	Dr. T. Natarajan, IAS (appointed w.e.f. 11th August, 2016)	8	8	No
3	Mr. Jal Patel (re-appointed w.e.f. 21/04/2017)	8	7	Yes
4	Mr. K. D. Chatterjee (re-appointed w.e.f. 21/04/2017)	8	8	Yes
5	Dr. Manjula Shroff (re-appointed w.e.f. 21/04/2017)	8	6	No
6	Mr. Milind Torawane, IAS (appointed w.e.f. 10th August, 2017)	6	4	No
7	Prof. Piyush Kumar Sinha (appointed w.e.f. 16th August, 2017)	5	5	No
8	Prof. Vishal Gupta (appointed w.e.f. 16th August, 2017)	5	4	No
10	Mr. Raj Gopal, IAS	0	0	N.A.
11	Mr. Ajit Kapadia (upto 20th April, 2017)	1	1	N. A.
12	Prof. Pradip Khandwalla (upto 20th April, 2017)	1	1	N. A.
13	Mr. Sanjeev Kumar, IAS (upto 27th June, 2017)	2	1	No
14	Mr. Sujit Gulati, IAS (upto 17th July, 2018)	7	6	No

**Note:**

1. None of the Directors are related inter se except the Promoter – Directors.
2. No Shares are held by Non Executive Directors.
3. Weblink for familiarization programme: <http://www.gujaratgas.com/corporate-governance/familiarisation-programme/>

The Board Meetings are generally held in Gandhinagar. The Board meets at regular intervals to discuss and decide on various issues including strategy related matters pertaining to the business/Company. The Board meets at least once a quarter with a gap between two meetings not exceeding 120 days. It has remained the practice of the Company to place before the Board, all the matters listed in Part A of Schedule II of Regulation 17 (7) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The board agenda papers and other explanatory notes are circulated to the Directors in advance. The draft minutes of the meetings of the Board of Directors and its Committees are circulated to the Directors for their comments before being recorded in the Minute Books. Apart from this, approval of the Board is obtained through circulation of resolution to all the Directors in case some urgent/special situation arises. Such Circular Resolution is also noted in the next Board Meeting. The Directors also have access to all the information about the Company and are free to recommend inclusion of any matter in the agenda for discussion. Senior Management Personnel are invited to attend the Board Meetings to provide clarifications as and when required by the Board.

The Board Meetings were held as follows:-

Sr No.	Date of Board Meeting
1	13th April, 2017
2	24th May, 2017
3	10th August, 2017
4	6th November, 2017
5	2nd February, 2018
6	19th April, 2018
7	11th May, 2018
8	30th July, 2018

**Disclosure regarding appointment/ reappointment of Director(s)**

Information as required under Regulation 36 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and as per Secretarial Standards of ICSI, is annexed to the Notice of the Annual General Meeting.

**3. Audit Committee**

The composition of the Audit Committee on 20th August, 2018 is as follows:-

1.	Mr. Jal Patel	Chairman
2.	Dr. T. Natarajan, IAS	Member
3.	Mr. Milind Torawane, IAS	Member
4.	Mr. K. D. Chatterjee	Member
5.	Dr. Manjula Shroff	Member

Rajeshwari Sharma, Company Secretary acts as the Secretary of the Audit Committee. All the members of the Committee are Non-executive Directors. Mr. Jal Patel, Dr Manjula Shroff and Mr. K. D. Chatterjee are Independent Directors. All the members of the Committee are qualified professionals and have accounting or related financial management expertise. The quorum of the Committee is three (3) members.

Terms of reference / scope of Audit Committee are in line with the provisions of section 177 of the Companies Act, 2013 and further the Audit Committee acts in accordance with the terms of reference, as specified in writing by the Board, which inter alia, includes:

- (i) The recommendation for appointment, remuneration and terms of appointment of auditors of the company;
- (ii) Review and monitor the auditor's independence and performance, and effectiveness of audit process;
- (iii) Examination of the financial statement and the auditor's report thereon;
- (iv) Approval or any subsequent modification of transactions of the Company with related parties;
- (v) Scrutiny of inter-corporate loans and investments;
- (vi) Valuation of undertakings or assets of the company, wherever it is necessary;
- (vii) Evaluation of internal financial controls and risk management systems;
- (viii) Monitoring the end use of funds raised through public offers and related matters.

Details of meetings of Audit Committee during the period from 1st April, 2017 up to 20th August, 2018 and attendance is as under:

Sr.No.	Date of Meeting	Number of Members	Attendance
1	13th April, 2017	5	3
2	23rd May, 2017	5	3
3	10th August, 2017	4	4
4	6th November, 2017	5	4
5	28th December, 2017	5	4
6	2nd February, 2018	5	4
7	17th April, 2018	5	4
8	11th May, 2018	5	4
9	30th July, 2018	5	4

#### 4. Nomination and Remuneration Committee

The composition of the Nomination and Remuneration Committee (NRC) as on 20th August, 2018 is as follows:-

1.	Mr. K. D. Chatterjee	Chairman
2	Dr. T. Natarajan, IAS	Member
3	Mr. Jal Patel	Member
4	Dr. Manjula Shroff	Member

Rajeshwari Sharma, Company Secretary acts as Secretary of the Nomination and Remuneration Committee.

All the members of the Committee are Non-executive Directors. Mr. K. D. Chatterjee, Dr. Manjula Shroff and Mr. Jal Patel are Independent Directors. All the members of the Committee are qualified professionals. The quorum of the Committee is three (3) members.

The scope of this Committee is as under:

1. Formulation of the criteria for determining qualifications, positive attributes and independence of directors;
2. Formulation of criteria for evaluation of Independent Directors and the Board;
3. Devising a policy on Board diversity;
4. Identifying persons who are qualified to become directors and who may be appointed in senior management in accordance with the criteria laid down;
5. Recommend to the Board policy relating to remuneration of directors, KMP and other employees;
6. Recommend to the Board appointment and removal of Directors and senior management.

The performance evaluation criteria of Independent Director is in accordance with the Nomination and Remuneration Policy.

Details of meetings of NRC are as below:

Sr.No.	Date of Meeting	Number of Members	Attendance
1	13th April, 2017	6	6
2	24th May, 2017	5	3
3	10th August, 2017	5	5
4	11th May, 2018	5	5
5	30th July, 2018	4	4

The Nomination and Remuneration Policy of the Company is framed pursuant to requirements of Section 178 of the Companies Act, 2013 read along with the applicable rules thereto and Regulation 19 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

#### 5. Board Evaluation

Pursuant to the provisions of the Companies Act, 2013, the performance evaluation of individual Directors for FY 2017-18 was carried out as per the terms and conditions of their appointment based on the various parameters.

**6. Sitting fees**

Sitting fees of Rs. 7500/- per meeting are paid to the Directors for attending meetings of the Board of Directors and its Committees. The sitting fees for the Promoter-Directors is deposited in to the treasury of the State Government.

During the Financial Year 2017-2018 sitting fees of Rs. 8,70,000/- had been paid to Directors for meeting of Board or its Committees.

**7. Stakeholders Relationship Committee**

The Stakeholders Relationship Committee (SRC) has been constituted to approve share transfers, transmissions, consolidation, sub-division, etc. and for redressal of complaints/requests received from the shareholders.

The Company had received 161 letters of various types of requests, inquiries and complaints during the FY 2017-18. All the complaints were resolved to the satisfaction of the shareholders.

The composition of this Committee as on 20th August, 2018, is as under:

1.	Mr. K. D. Chatterjee	Chairman
2.	Mr. Milind Torawane, IAS	Member
3.	Dr. Manjula Shroff	Member
4.	Mr. Jal Patel	Member

Details of meetings of SRC are as below:

Sr.No.	Date of Meeting	Number of Members	Attendance
1	10/08/2017	4	3
2	06/11/2017	4	3
3	02/02/2018	4	3
4	11/05/2018	4	3
5	30/07/2018	4	3

Rajeshwari Sharma, Company Secretary acts as the Compliance Officer. The quorum of the Committee is two (2) members.

**8. Business Responsibility Report (BRR) and BR Committee**

The SEBI vide its Circular dated 4th November, 2015, had mandated that the Annual Report shall contain a Business Responsibility Report (BRR) describing the initiatives taken by the Company from an Environmental, Social and Governance perspective, in the format as specified by SEBI in the aforesaid Circular. Accordingly, the BRR containing the general information about the Company, financial details of the Company, other details like BR information, principle-wise performance, etc. forms part of this Annual Report. The Board of Directors have constituted the Business Responsibility Committee comprising of the below members for matters pertaining to the Business Responsibility:

- 1 Dr. Manjula Shroff, Member
- 2 Mr. K. D. Chatterjee, Member
- 3 Mr. Jal Patel, Member

Any two (2) Directors shall form the Quorum of the Committee.

The Company Secretary acts as the Secretary of the Committee.

**9. General Body Meetings**

Location and time of last three AGMs.

**Annual General Meeting**

Date	Time	Venue
28th September, 2017	12.00 P.M.	Seminar Hall-2 (SR-2), Gate No.-1, Mahatma Mandir, Gandhinagar, Gujarat
29th September, 2016	12.00 P.M.	Town Hall, Nr. Gh-4 Circle, Sector-17, Gandhinagar- 382017, Gujarat
28th December, 2015	12.00 P.M.	Seminar Hall-2 (SR-2), Gate No.-1, Mahatma Mandir, Gandhinagar, Gujarat

In the last three Annual General Meetings, the following special resolutions were passed as per details given below:

**Annual General Meeting held on 28th September, 2017**

- (1) Re-appointment of Mr. Jal Patel as an Independent Director for the second term of 5 years w.e.f. 21/04/2017.
- (2) Re-appointment of Mr. K. D. Chatterjee as an Independent Director for the second term of 5 years w.e.f. 21/04/2017.
- (3) Re-appointment of Dr. Manjula Shroff as an Independent Women Director for the second term of 5 years w.e.f. 21/04/2017.
- (4) Appointment of Prof. Piyush Kumar Sinha as an Independent Director for the first term of 2 years w.e.f. 16/08/2017.
- (5) Appointment of Prof. Vishal Gupta as an Independent Director for the first term of 2 years w.e.f. 16/08/2017.
- (6) To approve enhancement of the Borrowing Powers of the Board under Section 180(1)(c) of the Companies Act, 2013.

**Annual General Meeting held on 29th September, 2016**

No Special Resolution was passed at the Annual General Meeting held on 29th September, 2016.

**Annual General Meeting held on 28th December, 2015**

A Special Resolution was passed for approval of amendment of the Articles of Association of the Company.

**Postal Ballot Resolutions**

The Company has not passed any resolution through postal ballot in FY 2017-18 and no resolution is proposed to be passed by postal ballot at the ensuing 6<sup>th</sup> AGM.

**10. Disclosures**

There are certain transactions with Related Parties which have been disclosed at the relevant place in the Notes to the Financial Statements. No such Related Party Transactions may have potential conflict with the interests of the Company at large. There is no non-compliance on any capital market related matter for FY 2017-18 on Stock Exchanges. Further, no penalty has been imposed either by SEBI or Stock Exchanges or any Statutory Authority on any capital market related matter during the last three years.

**11. Means of Communication**

The Quarterly and Annual Financial Results of the Company are normally published in one National newspaper (English) and one Regional newspaper. ### ANNEXURE – 3 SECRETARIAL AUDIT REPORT

**[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]**

To,

The Members of

**GUJARAT GAS LIMITED**

**(Formerly known as GSPC Distribution Networks Limited)**

Gujarat Gas CNG Station,

Sector 5/C, Gandhinagar - 382006 (Gujarat)

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **GUJARAT GAS LIMITED** (hereinafter called the "**Company**"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on our verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit. We hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2018 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2018 according to the provisions of:

- I. The Companies Act, 2013 (the Act) and the Rules made thereunder;
- II. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made thereunder;
- III. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- IV. The Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- V. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') to the extent applicable to the Company:-
  - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
  - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
  - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
  - d) The Securities and Exchange Board of India (Share Based Employee Benefits), Regulations, 2014;
  - e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
  - f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
  - g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
  - h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;

We have also examined compliance with the applicable clauses of the following:

- I. Secretarial Standards issued by The Institute of Company Secretaries of India;
- II. The SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015;

We hereby report that during the period under review, the Company has complied with the applicable provisions of the Act, Rules, Regulations, Guidelines, Standards etc. mentioned above subject to the following observations:

The Board of Directors of the Company was duly constituted with proper balance of Non-Executive Directors and Independent Directors as required under Regulation 17(1)(b) of SEBI (LODR) Regulations, 2015 except for the period from 21st April, 2017 to 26th June, 2017 wherein the number of Independent Directors remained below one – half of the total number of the Directors on the Board of the Company due to cessation of two Directors upon expiry of their term on 20th April, 2017. The Company has made representations to the Government of Gujarat for the appointment of Independent Directors from time to time as required under the Companies Act, 2013.

VI. We further report that having regard to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof, on test-check basis, the Company has complied with the following laws applicable specifically to the Company:

- a) The Petroleum and Natural Gas Regulatory Board Act, 2006
- b) The Petroleum Act, 1934
- c) The Explosives Act, 1884
- d) The Inflammable Substances Act, 1952

We further report that:

- a) The Board of Directors of the Company was duly constituted with proper balance of Executive Directors, Non Executive Directors and Independent Directors (subject to the observation supra). The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
- b) Adequate notice is given to all Directors to schedule the Board Meetings at least seven days in advance. Agenda and detailed notes on agenda were also sent to all the Directors and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- c) Majority decision is carried through while the dissenting members' views, if any are captured and recorded as part of the minutes.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period, the following event/action has taken place, which have major bearing on the affairs of the Company:

Gujarat State Petronet Ltd (GSPL) has acquired/purchased 3,91,06,328 Equity Shares (i.e., 28.41% of the fully Paid-Up Equity Share Capital of Gujarat Gas Limited [GGL] from Gujarat State Petroleum Corporation Limited (GSPC), by way of an inter-se promoter transfer in accordance with Regulation 10(1)(a)(iii) of the SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 2011.

Subsequent to the same, GSPL now holds 54.16% of the fully paid-up Equity Share Capital of GGL and accordingly in terms of the provisions of Section 2(46) of the Companies Act, 2013 GSPL has become holding Company of GGL.

Barring this, during the audit period, no other events/actions has taken place which have major bearing on the affairs of the Company in pursuance of the above referred laws, rules, regulations, guidelines, standards etc.:

## CORPORATE GOVERNANCE COMPLIANCE CERTIFICATE

To,  
The Members  
**GUJARAT GAS LIMITED**  
**(Formerly known as GSPC Distribution Networks Limited)**  
Gujarat Gas CNG Station,  
Sector 5/C, Gandhinagar - 382006 (Gujarat)

We have examined all relevant records of GUJARAT GAS LIMITED (Earlier Know as GSPC Distribution Networks Limited) ("Company") for the purpose of certifying compliance of the conditions of Corporate Governance as prescribed under the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("the Listing Regulations") for the financial year ended 31st March, 2018. We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of certification.

The compliance of the conditions of Corporate Governance is the responsibility of the management. Our examination was limited to the procedure and implementation thereof.

On the basis of our examination of the records produced, explanations and information furnished, we certify that the Company has complied with all the mandatory conditions of the Corporate Governance, as stipulated in Regulations 17 to 27 and clauses (b) to (i) of Regulation 46 (2) and Paragraphs C, D and E of Schedule V of the Listing Regulations, during the year ended 31st March, 2018 subject to following observation:

The Board of Directors of the Company was duly constituted with proper balance of Non-Executive Directors and Independent Directors as required under Regulation 17(1)(b) of SEBI(LODR) Regulations, 2015 except for the period from 21st April, 2017 to 26th June, 2017 wherein the number of Independent Directors remained below one – half of the total number of the Directors on the Board of the Company due to cessation of two Directors upon expiry of their term on 20th April, 2017. The Company made representations to the Government of Gujarat for the appointment of Independent Directors from time to time.

This certificate is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

**Chief Executive Officer**

**Place: Ahmedabad**  
**Date: 20th July, 2018**

## BUSINESS RESPONSIBILITY REPORT Financial Year 2017-18

### Section A: General Information about the Company

- 1. Corporate Identity Number (CIN) of the Company:**  
L40200GJ2012SGC069118
- 2. Name of the Company:**  
Gujarat Gas Limited
- 3. Registered Address:**  
Gujarat Gas CNG Station, Sector 5/C, Gandhinagar – 382006, Gujarat.
- 4. Website:**  
www.gujaratgas.com
- 5. E-mail id:**  
contactbrr@gujaratgas.com
- 6. Financial Year Reported:**  
Financial Year 2017 - 18
- 7. Sector(s) that the Company is engaged in (industrial activity code-wise)**  
The NIC Code is 3520. The Company is engaged in City Gas Distribution including sale, purchase, supply, distribution, transport, trading in Natural Gas, CNG, LNG, LPG & other Gaseous form through Pipelines, Trucks/Trains or such other suitable mode for transportation/distribution of Natural Gas, CNG, LNG, LPG & other Gaseous Form.
- 8. List three key products/services that the Company manufactures/provides (as in balance sheet)**  
Natural Gas
- 9. Total number of locations where business activity is undertaken by the Company:**  
The Company operates in 20 districts of the state of Gujarat, 2 districts of the state of Maharashtra and is also operating in the Union Territory of Dadra & Nagar Haveli.
- 10. Markets served by the Company – local/state/national/international:**  
The Company operates its business in the States of Gujarat, Maharashtra and also in the UT of Dadra & Nagar Haveli.

### Section B: Financial Details of the Company

- 1. Paid Up Capital (INR)** ₹ 137.68 Crores
- 2. Total Turnover (INR)** ₹ 6339.35 Crores
- 3. Total Profit after Taxes (INR)** ₹ 291.36 Crores
- 4. Total Spending on Corporate Social Responsibility (CSR) as percentage of Profit after Tax (%)** ₹ 8.14 Crores  
(2.79 % of PAT)
- 5. List of activities in which the expenditure in 4 above has been incurred.**
  1. Contribution to Chief Minister Relief fund
  2. Contribution in providing gas to Crematoriums across operating locations

6	Any other reason (please specify)									

**3. Governance related to BR**

**a) Indicate the frequency with which the Board of Directors, Committee of the Board or CEO to assess the BR performance of the Company. Within 3 months, 3-6 months, Annually, More than 1 year.**

BR related performance is reviewed annually by the Board of Directors of GGL.

**b) Does the Company publish a BR or a Sustainability Report? What is the hyperlink for viewing this report? How frequently it is published?**

The BR report is being published along with our Annual Report for FY 2017 - 18. Hyperlink [www.gujaratgas.com/corporate-governance/policies/](http://www.gujaratgas.com/corporate-governance/policies/)

**Section E: Principle Wise Performance**

**Principle 1: Businesses should conduct and govern themselves with Ethics, Transparency and Accountability**

**1. Does the policy relating to ethics, bribery and corruption cover only the company? Yes/ No. Does it extend to the Group/Joint Ventures/ Suppliers/Contractors/NGOs /Others?**

Yes, the policy relating to ethics, bribery and corruption covers only GGL and currently it is not extended to the Group/Joint Ventures/ Suppliers/Contractors.

**2. How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management? If so, provide details thereof, in about 50 words or so.**

The Company had received 161 letters of various types of request, inquiries and complaints from its equity shareholders during FY 2017 - 18, which had been resolved and settled to the satisfaction of the shareholders.

The Company strives to resolve any complaint received from its stakeholders.

**Principle 2: Businesses should provide goods and services that are safe and contribute to sustainability throughout their life cycle**

**1. List up to 3 products or services whose design has incorporated social or environmental concerns, risks, and/or opportunities.**

GGL is engaged in "Natural Gas" distribution to Domestic, Commercial, Industrial and Transport customers. Natural Gas being inherently a cleaner fuel is an environmental friendly fuel.

**2. For each product, provide the following details in respect of resources (energy, water, raw material etc.) per unit of product.**

**(i) Reduction during sourcing/production/ distribution achieved since the previous year throughout the value chain?**

**(ii) Reduction during usage by consumers (energy, water) has been achieved since the previous year?**

GGL always encourages and aggressively promotes to the community to use PNG and CNG over conventional energy resources which generates high GHG emission.

**3. Does the company have procedures in place for sustainable sourcing (including transportation)? If yes, what percentage of your inputs was sourced sustainably? Provide details thereof, in about 50 words or so.**

Natural gas reduces around 50% greenhouse gas (GHG) emissions compared to coal used in various industrial applications including ceramic and tiles industry. It can also be transported through pipelines to various places replacing the carbon footprint generated by transporting liquid fuel/coal through roads. In FY 17-18, GGL grew its natural gas supply by over 17% in the industrial segment replacing carbon emitting fuels like coal, Furnace Oil, etc. GGL wants to play a leading role in supplying natural gas to industry through pipeline thereby helping industries to produce responsibly.

GGL has also started replacing its diesel driven CNG transport vehicles with CNG (Compressed Natural Gas) as a fuel.

**4. Has the company taken any steps to procure goods and services from local & small producers, including communities surrounding their place of work?**

**If yes, what steps have been taken to improve their capacity and capability of local and small vendors?**

GGL considers "Local" as PAN India and believes in providing equal opportunity to all suppliers/vendors across India. To avoid any discrimination in awarding the project, we hire all our contractors through our online bidding process. This ensures that selection is totally on the basis of merit.

**5. Does the company have mechanism to recycle products and waste? If yes, what is the percentage of recycling waste and products?**

GGL is solely involved in services of distribution of Natural Gas through network of pipelines designated as PNG and also in compressed form for use in transport sector designated as CNG. These services generally do not have significant waste generation.

However, GGL has established, implemented and maintained a system of proper Waste Management:

- to avoid, reduce or control (separately or in combination) the creation or discharge of any type of waste in order to reduce adverse environmental impacts
- to reuse, refurbishing, recycle and dispose the waste
- to handle the waste from generation to disposal stage effectively in order to
- to comply with legal & statutory requirements and
- to protect the environment

Waste generated in form of used batteries, electronic waste, used oil at GGL are sent to pollution control board approved vendors for either recycling or environment friendly disposal.

**Principle 3: Businesses should promote the wellbeing of all employees**

**1. Please indicate the total number of employees-**

Total number of employees as on 31st March, 2018 is 1096.

**2. Please indicate the total number of employees hired on temporary/ contractual/casual basis –**

No temporary or contractual employees were hired by GGL.

**3. Please indicate the number of permanent women employees –**

Total number of permanent women employees as on 31st March, 2018 is 66.

**4. Please indicate the number of permanent employees with disability –**

Total number of permanent employees with disability as on 31st March, 2018 is 6.

**5. Do you have an employee association that is recognized by management?**

GGL believes in providing the freedom of association to the employees and the same is done through two of our management recognized unions, GGL Staff Union and GGL Employees Union.

**6. What percentage of your permanent employees are a member of this recognized employee association?**

About 20% of the employees are members of the above mentioned association.

**7. Please indicate the Number of complaints relating to child labour, forced labour, involuntary labour, sexual harassment in the last financial year and pending, as on the end of the financial year.**

GGL has a policy on prevention of sexual harassment under which a Committee is formed that is dedicated to cases against sexual harassment in the Company. Due to stringent mechanisms in place for prevention and addressing issues related to sexual harassment, there have been "NO" complaints received on the same during FY 2017-18.

Similarly, all the work orders issued to contractors have clear instructions regarding compliance to all labour laws, including the prohibition of child labour. As a result of this, there have been "NO" complaints related to forced labour and child labour.

**8. What percentage of your under mentioned employees were given safety & skill up-gradation training in the last year?**

GGL has incorporated various safety practices in its premises and always tries to convey these safety instructions via sign boards.

GGL has programmes on various safety training for its new joining employees. The Company also tries to upgrade skills of its existing employees through organizing various skill up-gradation programmes.

**Principle 4: Businesses should respect the interests of, and be responsive to the needs of all stakeholders, especially those who are disadvantage vulnerable, and marginalized.**

**1. Has the company mapped its internal and external stakeholders? Yes/No**

GGL has identified and mapped all its stakeholders and same are mentioned below;

- a) Employees
- b) Shareholders
- c) Customers
- d) Vendors/Suppliers/ Contractors
- e) Government/ Statutory authorities
- f) Banks (Lenders)
- g) Community

**2. Out of the above, has the company identified the disadvantaged, vulnerable & marginalized stakeholders?**

GGL has identified its disadvantaged, vulnerable and marginalized stakeholders and same are mentioned below;

- a) Women
- b) Youth
- c) Rural Communities

**3. Are there any special initiatives taken by the company to engage with the disadvantaged, vulnerable, and marginalized stakeholders? If so, provide details thereof, in about 50 words or so.**

GGL has taken special initiatives for its identified disadvantaged, vulnerable and marginalized stakeholders, few such initiatives are mentioned below;

**a) For Women in rural areas**

GGL has supported the government initiative for providing natural gas supply in rural areas as burning of wood and coal affects the health of women and causes health issues such as lung cancer, asthma and others. Under this initiative, GGL has gone the extra mile for implementation of PNG in rural areas of Gujarat state and has covered more than 700 villages successfully.

**b) For Youth in rural areas**

GGL has identified various locations in the state of Gujarat for implementation of CNG stations for vehicles and successfully installed them. This activity has helped the local youth on employment issues faced by them previously.

**Principle 5: Businesses should respect and promote human rights**

**1. Does the policy of the company on human rights cover only the company or extend to the Group/Joint Ventures/Suppliers/Contractors/NGOs/Others?**

GGL has Human Rights Policy in place which covers all its employees and business associates.

**2. How many stakeholder complaints have been received in the past financial year and what percent was satisfactorily resolved by the management?**

The Company has not received any complaints from stakeholders with respect to violation of human rights.

**Principle 6: Business should respect, protect, and make efforts to restore the environment**

**1. Does the policy related to Principle 6 cover only the company or extends to the Group/Joint Ventures/Suppliers/Contractors/NGOs/others.**

The policy related to Principle 6 covers the Company and its contractors.

**2. Does the company have strategies/ initiatives to address global environmental issues such as climate change, global warming, etc? Y/N. If yes, please give hyperlink for webpage etc.**

GGL, as a responsible organization, recognizes and understands the various global challenges with respect to environmental degradation and climate change. Building awareness among the employees and community about these challenges is an effective way of addressing these challenges. We attempt to do so through the following initiatives:

**Celebration of Environmental Day**

Every year GGL celebrates this day by conducting various activities like tree plantation drives as well as awareness programs throughout the entire organization.

**Fuel Conservation Awareness**

As part of this campaign, GGL carries out a program where PUC certifications of its vehicles are certified. Awareness regarding regular and proper maintenance is also given due importance through awareness activities.

**Dial Before Dig Campaign**

In this campaign, GGL provides counseling to stakeholders who undertake digging activities. This is done to stress the importance of the release of Natural gas which can occur as a result of damaging GGL's natural gas pipelines during the digging operations. The stakeholders are urged to dial in to GGL to confirm the location prior to starting any digging/excavation activities so that damage to Natural gas pipeline network can be prevented.

**3. Does the company identify and assess potential environmental risks? Y/N**

GGL has developed its environmental management system in line with ISO 14001:2015 standard and got the same certified by third party certification body. GGL has identified Environmental aspects related to each of the business activities / processes and assessed Environmental Impacts related to these aspects.

GGL has developed Environmental Aspect-Impact register which covers the environmental risks arising from our operations and few impacts covered in this register are mentioned below:

- a) Air pollution
- b) Water pollution
- c) Noise pollution
- d) Land contamination
- e) Health effects
- f) Others

**4. Does the company have any project related to Clean Development Mechanism? If so, provide details thereof, in about 50 words or so. Also, if Yes, whether any environmental compliance report is filed?**

GGL has not undertaken any projects related to Clean Development Mechanism.

**5. Has the company undertaken any other initiatives on – clean technology, energy efficiency, renewable energy, etc. Y/N. If yes, please give hyperlink for webpage etc.**

GGL takes every effort possible to reduce the impact of its operations on the environment. Some of our key initiatives taken in this regard are:

*Solar panel at CNG station*

- a) Application of Digital technology to reduce paper waste generation
- b) Utilization of energy efficient lighting
- c) Utilizing renewable sources of energy – GGL has commissioned a Solar Panel to generate power sufficient to run a CNG station.

**6. Are the Emissions/Waste generated by the company within the permissible limits given by CPCB/SPCB for the financial year being reported?**

Yes. Environment monitoring activities are carried out at all relevant installations by SPCB approved agencies and compliance to permissible limits given by SPCB are closely monitored and ensured. All the emissions and waste generated by GGL are within the permissible limits of CPCB and SPCB. The reports of the same are regularly submitted to SPCB.

**7. Number of show cause/ legal notices received from CPCB/SPCB which are pending (i.e. not resolved to satisfaction) as on end of Financial Year.**

GGL has not received any such show cause or legal notices as on 31st March 2018, the end of the financial year 2017-18.

**Principle 7: Businesses, when engaged in influencing public and regulatory policy, should do so in a responsible manner**

**1. Is your company a member of any trade and chamber or association? If Yes, Name only those major ones that your business deals with:**

GGL is member of Confederation of Indian Industry (CII).

**2. Have you advocated/lobbied through above associations for the advancement or improvement of public good? Yes/No; if yes specify the broad areas ( drop box: Governance and Administration, Economic Reforms, Inclusive Development Policies, Energy security, Water, Food Security, Sustainable Business Principles, Others)**

CII being a national body, from time to time takes up various initiatives of public good. GGL supports such initiatives.

**Principle 8: Businesses should support inclusive growth and equitable development**

**1. Does the company have specified programmes/initiatives/projects in pursuit of the policy related to Principle 8? If yes details thereof.**

GGL has undertaken many initiatives in the field of community development, especially along the lines of skill up-gradation. While keeping the activities aligned to the priorities identified by the Government of India, the relevance of the activities to the business is also considered.

Indigenous people around the areas of our operations are trained and taken on as contractors which not only helps the Company in achieving lower attrition rates of workers but also provides them a means of livelihood.

**2. Are the programmes/projects undertaken through in-house team/own foundation/external NGO/government structures/any other organization?**

Based on the type of program and the feasibility of its execution, implementation is carried out in multiple forms like engaging with NGOs, hiring external agencies, or making use of in-house capabilities as well.

**3. Have you done any impact assessment of your initiative?**

Prior to beginning any activity, the relevance and the need for it is assessed by one or more employees who visits the location and gauges the need of the community. In this manner, the Company can select the best programs for execution which would be relevant and effective.

**4. What is your company's direct contribution to community development projects Amount in INR and the details of the projects undertaken.**

GGL has incurred a total expenditure of INR 8.14 Crores for its CSR activities. Details of these activities is mentioned below:

**a) Contribution in providing gas to Crematoriums across operating locations - ₹ 1,14,22,763/-**

GGL provides gas to crematoriums across its operating locations in Gujarat. Since the company is in the business of environment friendly fuel, this helps in preserving the environment by discouraging use of firewood and thereby protecting forests. Environment being one of the core area identified under the company's CSR policy the company provides free gas to the crematoriums.

**b) Contribution to Chief Minister Relief Fund- ₹ 7,00,00,000/-**

In wake of the natural disaster due to floods in the state of Gujarat, huge relief operations in various flood-hit areas of Gujarat was being undertaken by the Government of Gujarat. It was felt that the Company could also contribute funds, with a view to support the Government in helping the flood affected people through the relief operations and an amount of Rs. 7 crs was donated by the Company to the Chief Minister's Relief Fund of the Government of Gujarat with a view to support the Government in helping the flood affected people through the relief operations.

**5. Have you taken steps to ensure that this community development initiative is successfully adopted by the community? Please explain in 50 words, or so.**

The initiatives by GGL are based upon identification of the needs and so the Company provides free gas to the crematoriums. The Company is providing gas to Crematoriums across its operating locations in Gujarat. Thus, the Company is supporting the community through this initiative.

**Principle 9: Businesses should engage with and provide value to their customers and consumers in a responsible manner**

**1. What percentage of customer complaints/consumer cases are pending as on the end of financial year.**

The pending complaints in all customer segments for disposal is 1,633 of overall 78,707 i.e. 2.08% as on 31st March 2017 as per the requirements of the SLA under the Quality of Services obligations of the Petroleum and Natural Gas Regulatory Board.

**2. Does the company display product information on the product label, over and above what is mandated as per local laws? Yes/No/N.A./Remarks(additional information)**

GGL as a service provider holds a special responsibility inherently on providing proper and correct information of the services to its customers from various sectors including Industries, Domestic, Commercial and Transport.

In regards to this GGL always discloses the details of its services to its customer through documents such as "Registration forms" for domestic customers, and "Gas Sale Agreement (GSA)" for Industrial and commercial customers before providing the services. The basic concept behind these documents is to provide all the details of services by GGL to its customers and brief content of the same is provided below;

- a) Applicable laws
- b) Facilities to customer
- c) Contract and its details
- d) Delivery point
- e) Metering point
- f) Title and Risk
- g) Contracted quantity details
- h) Expiry date
- i) Health, Safety, Security and Environmental norms
- j) Intellectual property
- k) Price
- l) Applicable taxes

**3. Is there any case filed by any stakeholder against the company regarding unfair trade practices, irresponsible advertising and/or anti-competitive behavior during the last five years and pending as on end of financial year. If so, provide details thereof, in about 50 words or so.**

NIL.

**4. Did your company carry out any consumer survey/ consumer satisfaction trends?**

GGL assures its customers the best available services in the market and to ensure this, the company has a well-defined customer satisfaction survey process which is performed periodically.

Top management of GGL also regularly conducts customer meets with its key customers. During such meetings, the issues faced by the customers are highlighted and GGL tries to rectify them and resolve them at the earliest.

## DIVIDEND DISTRIBUTION POLICY

**The Dividend Distribution Policy is being disclosed in the Annual Report as per the requirements of Regulation 43A of the SEBI (Listing Obligations and Disclosure Requirements), Regulations 2015**

### INTRODUCTION:

The Board of Directors of Gujarat Gas Limited approved this policy in its Meeting held on 11th August, 2016 as per the requirements under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2016.

### KEY PARAMETERS:

**The following parameters to be considered while Distribution of Dividend by Gujarat Gas Limited:**

- (a) The circumstances under which the shareholders of Gujarat Gas Limited may or may not expect dividend;
- (b) The financial parameters that shall be considered while declaring dividend;
- (c) Internal and external factors that shall be considered for declaration of dividend;
- (d) Policy as to how the retained earnings shall be utilized; and
- (e) Parameters that shall be adopted with regard to various classes of shares.

The Board may consider following factors before making any recommendations for the dividend (including interim dividend):

- Profits earned during the financial year and retained earnings of previous years;
- Cash flow position;
- Outstanding Debt and its repayment terms, Cost of raising funds from alternate sources;
- Consistency of Dividends in proportion to Earnings;
- Future Earnings growth;
- Future organic and inorganic expansion plans;
- Capital structure position;
- Legal requirements;
- Industry outlook and Regulatory commitments.

The Board may choose not to declare any dividend in case of loss or inadequacy of profits during the year or based on above factors and the retained earnings may be utilized by the Company for payout of dividend, reinvestment in the business or issue of bonus shares.

# Standalone financial statements

**REPORT OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA****COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) OF THE COMPANIES ACT, 2013 ON THE STANDALONE FINANCIAL STATEMENTS OF GUJARAT GAS LIMITED FOR THE YEAR ENDED 31 MARCH 2018**

The preparation of Standalone financial statements of **Gujarat Gas Limited** for the year ended 31 March 2018 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the Management of the Company. The Statutory Auditors appointed by the Comptroller and Auditor General of India under Section 139(5) of the Act are responsible for expressing opinion on the financial statements under Section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under Section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 11 May 2018.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit under Section 143(6)(a) of the Act of the financial statements of **Gujarat Gas Limited** for the year ended 31 March 2018. This supplementary audit has been carried out independently without access to the working papers of the Statutory Auditors and is limited primarily to inquiries of the Statutory Auditors and Company personnel and a selective examination of some of the accounting records. On the basis of my audit nothing significant has come to my knowledge which would give rise to any comment upon or supplement to Statutory Auditors' Report.

**For and on behalf of the  
Comptroller and Auditor General of India**

**(H. K. Dharmadarshi)  
Pr. Accountant General (E&RSA), Gujarat**

**Place: Ahmedabad  
Date : 13/07/2018**

## INDEPENDENT AUDITOR'S REPORT

**To**  
**The Members of**  
**Gujarat Gas Limited**  
**(Formerly Known as GSPC Distribution Networks Limited)**  
**Gandhinagar**  
**Report on the Standalone Ind AS Financial Statements**

We have audited the accompanying standalone Ind AS financial statements of **Gujarat Gas Limited** ('the Company'), which comprise the Balance Sheet as at 31st March 2018, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended and a summary of significant accounting policies and other explanatory information (herein after referred to as 'Standalone Ind AS Financial Statements').

### **Management's Responsibility for the Standalone Ind AS Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

### **Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, of the state of affairs (financial position) of the Company as at 31st March 2018, and its profit (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of section 143 (11) of the Act, we give in the "Annexure – A", a statement on the matters specified in the paragraph 3 and 4 of the order, to the extent applicable.

## INDEPENDENT AUDITOR'S REPORT

2. As required by Section 143 (3) of the Act, we report that:
- We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - The Balance Sheet, the Statement of Profit and Loss, the Cash Flow Statement and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
  - In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act read with relevant rule issued thereunder.
  - As the company is a Government Company, in terms of notification no. G.S.R. 463(E) dated 5th June 2015, issued by the Ministry of Corporate Affairs, the sub-section (2) of section 164 is not applicable to the company.
  - With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "**Annexure – B**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting
  - With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - The Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS financial statements. Refer Note 40 to the standalone Ind AS financial statements;
    - The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
    - There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company; and
3. In terms of section 143 (5) of the Act, we give our report (refer to our separate report in "**Annexure – C**") by taking into consideration the information, explanations and written representations received from the management on the matters specified in the directions and sub directions issued under the aforesaid section by the Comptroller and Auditor General of India.

**INDEPENDENT AUDITOR'S REPORT****ANNEXURE – A****TO INDEPENDENT AUDITOR'S REPORT**

(Referred to in paragraph 1 under "Report on Other Legal and Regulatory Requirements" section of our Independent Auditor's Report, of even date, to the members of Gujarat Gas Limited (Formerly known as GSPC Distribution Networks Limited) on Standalone Ind AS Financial Statements for the year ended 31 st March 2018)

- (i) (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of fixed assets.
- (b) The fixed assets are physically verified by the Management according to a phased programme designed to cover all the items, other than underground gas pipelines which are not physically verifiable, over a period of 3 years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the fixed assets has been physically verified by the Management during the year and no material discrepancies have been noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company except in respect of the following freehold land as on 31 st March 2018.

Sr. No.	Asset description	Book value (Amount in ₹)
1	Survey No. 306-A-/1 paiki 3, Post-Hazira, Taluka Choryasi, District-Surat 13,057 Sq. Mtrs	₹ 15.88 Crores
2	Survey No. 150 Mora village District-Surat 13,557 Sq. Mtrs	₹ 1/-

- (ii) The inventory has been physically verified by the Management during the year. The discrepancies noticed on physical verification of inventory as compared to book records were not material.
- (iii) The Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liabilities Partnerships or other parties covered in the register maintained under Section 189 of the Act. Therefore, the provisions of Clause 3 (iii) [(a) to (c)] of the said Order are not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, with respect to the loans and investments made.
- (v) In our opinion and according to the information and explanations given to us, the Company has not accepted deposits within the meaning of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed there under. According to the information and explanations given to us, no order has been passed by the Company Law Board or the National Company Law Tribunal or the Reserve Bank of India or any Court or any other Tribunal.
- (vi) We have broadly reviewed the books of account maintained by the Company in respect of products (Natural Gas) where, pursuant to the rules made by the Central Government of India, the maintenance of cost records has been prescribed under sub-section (1) of Section 148 of the Act, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- (vii) (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is regular in depositing the undisputed statutory dues, including provident fund, income tax, goods and services tax (GST), sales tax, wealth tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, have generally been regularly deposited with the appropriate authorities though there has been slight delay in few cases.

According to the information and explanations given to us and the records of the Company examined by us, in our opinion, no undisputed amounts payable were in arrears as at 31 st March 2018 for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us and the records of the Company examined by us, there are no dues of provident fund, goods and services tax (GST), sales tax, wealth tax, duty of customs, value added tax, cess and other material statutory dues, as applicable which have not been deposited on account of any dispute.

The particulars of dues of service tax, duty of excise and income tax as at 31 st March 2018 which have not been deposited on account of a dispute, are as follows:

## INDEPENDENT AUDITOR'S REPORT

Sr. No.	Name of statute	Nature of dues	Amount (in Crs.)	Period to which the amount relates	Forum where the dispute is pending

11	Central Excise Act, 1944	Service Tax and Duty of Excise	1.17	May'10 (2010-11) to Feb-2016 (up to 02.02.2016)	Excise & Service Tax Commissioner
12	Central Excise Act, 1944	Service Tax and Duty of Excise	0.18	2006-07 & 2007-08	The Customs, Excise and Service Tax Appellate Tribunal
13	Finance Act, 1994	Service Tax and Duty of Excise	0.10	2006-07 to 2009-10	The Customs, Excise and Service Tax Appellate Tribunal
14	Finance Act, 1994	Service Tax and Duty of Excise	37.66	2005-06 to 2012-13	The Customs, Excise and Service Tax Appellate Tribunal
15	Finance Act, 1994	Service Tax and Duty of Excise	2.24	2013-14	The Customs, Excise and Service Tax Appellate Tribunal
16	Finance Act, 1994	Service Tax and Duty of Excise	0.59	2006-07 to 2011-12	The Customs, Excise and Service Tax Appellate Tribunal

- (viii) The Company has not defaulted in repayment of loans or borrowing dues to financial institution or bank or dues to debenture holders.
- (ix) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year. During the year money raised from term loans were applied for the purpose for which they were raised.

**INDEPENDENT AUDITOR'S REPORT**

- (x) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, no fraud by the Company or on the Company by its officers or employees has been, noticed or reported during the year, nor we have been informed of any such case by the Management.
- (xi) The Company has not paid or provided managerial remuneration during the year. Therefore, the provisions of Clause 3 (xi) of the said Order are not applicable to the Company.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and Company being a government company, transactions with other government companies are exempt for the compliance of Section 188 of the Act, in terms of notification no. G.S.R 463(E) dated 5th June 2015, issued by Ministry of Corporate Affairs. Details of such transactions have been disclosed in the financial statements as required by the applicable Indian Accounting Standards.
- (xiv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with them. Accordingly, paragraph 3(xv) of the Order is not applicable.
- (xvi) According to the information and explanations given to us and based on our examination of the records of the Company, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

## INDEPENDENT AUDITOR'S REPORT

### ANNEXURE - B

#### TO INDEPENDENT AUDITOR'S REPORT

#### REPORT ON THE INTERNAL FINANCIAL CONTROLS

(Referred to in paragraph 2 (f) under "Report on Other Legal and Regulatory Requirements" section of our Independent Auditor's Report, of even date, to the members of Gujarat Gas Limited (Formerly known as GSPC Distribution Networks Limited) on Standalone Ind AS Financial Statements for the year ended 31st March 2018)

#### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **GUJARAT GAS LIMITED (Formerly known as GSPC Distribution Networks Limited) ("the Company")**, as of 31st March 2018 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## INDEPENDENT AUDITOR'S REPORT

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**Notes to Standalone Financial statements for the year ended 31st March, 2018****Note 1 – Corporate Information****1. Corporate Information**

- a) Gujarat Gas Limited (GGL or "Company") (CIN : L40200GJ2012SGC069118) formerly known as GSPC Distribution Networks Limited (GDNL) is a public limited company domiciled in India and incorporated under the provisions of the Companies Act, 1956. GGL is a Government Company u/s 2(45) of Companies Act 2013. Its shares are listed on Bombay Stock Exchange and National Stock Exchange in India.

The registered office is located at Block No. 15, 3rd Floor, Udyog Bhavan, Sector-11, Gandhinagar - 382 011 Gujarat, India.

The Company is engaged in Natural Gas Business in India. Natural gas business involves distribution of gas from sources of supply to centres of demand and to the end customers.

The scheme of amalgamation and arrangement was sanctioned by the Hon'ble Gujarat High Court at Ahmedabad vide its order dated 30th March 2015 between the following transferors companies -

1. GSPC Gas Company Limited (GSPC Gas)
  2. Gujarat Gas Company Limited (GGCL)
  3. Gujarat Gas Financial Services Limited (GFSL)
  4. Gujarat Gas Trading Company Limited (GTCL)
- (Collectively called Transferor Companies)

with Gujarat Gas Limited (formerly known as GSPC Distribution Networks Limited-GDNL) (the transferee) under the Scheme of Amalgamation and Arrangement with an appointed date of 1st April, 2013. Subsequently, the company's name has been changed from GSPC Distribution Networks Limited to Gujarat Gas Limited (GGL) with effect from 15th May 2015.

**b) Authorization of financial statements**

The Standalone Financial Statements were approved and authorized for issue in accordance with a resolution passed in meeting of Board of the Directors held on 11th May 2018.

**c) Functional and Presentation Currency**

The financial statements are presented in Indian rupee (₹), which is the functional and presentation currency of the Company.

**Note 2 Significant Accounting Policies**

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

**Basis of Preparation****(i) Statement of Compliance with Ind AS**

The standalone financial statements has been prepared in accordance and comply in all material aspects with Indian Accounting Standards (Ind AS) notified and applicable under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act and read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

Effective date 1st April, 2016 with 1st April 2015 as transition date, the company had adopted all the Ind AS standards and the adoptions was carried out in accordance with Ind AS 101 First time adoption of Indian Accounting Standards including clarification issued by Ind AS Transition Facility (ITFG) on various issues. The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

**(ii) Historical cost convention**

The financial statements are prepared on accrual basis of accounting under historical cost convention, except for the following:

- certain financial assets and liabilities measured at fair value;

- defined benefit plans – plan assets measured at fair value; and
- Share based payments

**Use of estimates and judgements**

The presentation of the financial statements are in conformity with the Ind AS which requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities, revenues and expenses and disclosure of contingent liabilities. Such estimates and assumptions are based on management's evaluation of relevant facts and circumstances as on the date of financial statements. The actual outcome may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to the accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment within the next financial year are included in the following notes:

Note 3 – Useful lives of property, plant and equipment and intangible assets

Note 16 – Recognition and measurement of unbilled gas sales revenue

Note 24 & 25 – Recognition and measurement of other provisions

Note 37 – Current/deferred tax expense

Note 40 – Contingent liabilities and assets

Note 42 – Expected credit loss for receivables

Note 42 – Fair valuation of unlisted securities

Note 45 – Measurement of defined benefit obligations

**(a) Property, Plant and Equipment**

Property plant and equipment are stated at their cost of acquisition / construction less depreciation and impairment, if any. The cost comprises of the purchase price and any attributable cost for bringing the asset to its working condition for its intended use; like freight, duties, taxes and other incidental expenses, net of CENVAT or Goods and service tax (GST) credit.

The Company capitalises to project assets all the cost directly attributable and ascertainable, to completing the project. These costs include expenditure of pipelines, plant and machinery, cost of laying of pipeline, cost of survey, commissioning and testing charge, detailed engineering and interest on borrowings attributable to acquisition of such assets. The gas distribution networks are treated as commissioned when supply of gas commences to the customer(s).

Subsequent expenditures, including replacement costs where applicable, incurred for an item Property plant and equipment are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is de-recognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Component accounting of assets: If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment. The Company has identified, reviewed, tested and determined the componentisation of the significant assets.

Assets installed at customer premises, including meters and regulators where applicable, are recognised as property plant and equipment if they meet the definition provided under Ind AS 16 subject to materiality as determined by the management and followed consistently.

Any item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is charged to revenue in the income statement when the asset is derecognised.

The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset.

**Capital work in Progress:**

Capital Work in Progress includes expenditure incurred on assets, which are yet to be commissioned and capital inventory, which comprises stock of capital items/construction materials at respective city gas network.

All the directly identifiable and ascertainable expenditure, incidental and related to construction incurred during the period of

construction on a project, till it is commissioned, is kept as Capital work in progress (CWIP) and after commissioning the same is transferred / allocated to the respective "fixed assets".

Further, advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date are classified as capital advances under other non-current assets.

**(b) Investment Properties**

Investment properties comprises of free hold or lease hold land that are held for rental yield and/or capital appreciation.

Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed as and when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognised.

**(c) Intangible Assets**

Intangible Assets includes amount paid towards obtaining the Right of Use (ROU) of land and Right of Way (ROW) permissions for laying the gas pipeline network and cost of developing software for internal use. The Company capitalises software as Intangible Asset where it is expected to provide future enduring economic benefits. Cost associated with maintaining software programmes are recognised as expenses as and when incurred.

On the acquisition of an undertaking, the difference between the purchase consideration and the value of the net assets acquired is recognized as goodwill / reserve.

Any item of intangible assets is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the intangible asset (calculated as the difference between the net disposal proceeds and the carrying amount of the intangible asset) is charged to revenue in the income statement when the intangible asset is derecognised.

**(d) Depreciation and amortisation methods, estimated useful lives and residual values**

Depreciation is calculated to systematically allocate the cost of property, plant and equipment, intangible asset and investment property net of the estimated residual values over the estimated useful life. Freehold land is not depreciated. Depreciation is computed using Straight Line Method (SLM) over the useful lives of the assets as specified in Schedule II to the Companies Act, 2013, read with the following notes:

- i. The Schedule specifies useful life of Pipelines as 30 years for those used in exploration, production and refining of oil and gas. The Company has considered the useful life of 30 years for the pipelines used in city gas distribution business.
- ii. City gas stations, skids, pressure regulating stations, meters and regulators are estimated to have useful life of 18 years based on technical assessment made by technical expert and management.
- iii. Cost of mobile phones, are expensed off in the year of purchase.

The management believes that these useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used. The useful lives are reviewed by the management at each financial year end and revised, if appropriate. In case of a revision, the unamortised depreciable amount (remaining net value of assets) is charged over the revised remaining useful lives.

Based on management estimate, residual value of 5% is considered for respective tangible assets except for the Pipeline Network assets where the residual value is considered to be NIL as the said assets technically and commercially not feasible to extract from underground.

The residual values, useful lives and methods of depreciation of property, plant and equipment (PPE) are reviewed at the end of each financial year and adjusted prospectively if appropriate.

Component accounting of assets: If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment and accordingly depreciated at the useful lives specified as above.

Depreciation on items of property, plant and equipment acquired / disposed off during the year is provided on pro-rata basis with reference to the date of addition / disposal.

Investment properties, if any are depreciated based on the useful life prescribed in Schedule II to the Companies Act, 2013.

Intangible assets are amortized over their individual estimated useful lives on a Straight Line basis, commencing from the year in which the same are available to the company for its intended use. The useful lives as estimated by the management for the intangible assets are as follows:

- I. Right of Way (ROW) Permissions 30 Years  
(Considered more than 10 years as inextricably linked and dependent on the useful life of pipeline networks as

referred above for which the Right of Way has been obtained).

- II. Software 6 Years.

Cost of lease-hold land is amortized equally over the period of lease.

No amortisation is charged on Right of Use (RoU) of land being perpetual in nature. The same is tested for impairment based on principles of Ind AS 36 discussed subsequently.

The Company has constructed / installed CNG stations' buildings and machineries, on land taken on lease from various lessor under lease deed for periods ranging from 35 years to 99 years. However, assets constructed / installed on such land have been depreciated at useful lives as referred above, as the management does not foresee non-renewal of the above lease arrangements by the lessor.

Capital assets / facilities installed at the customers' premises on the land of the customers/CNG franchisee whose ownership is not with the company have been depreciated at the useful lives specified as above.

**(e) Impairment of Non-Financial Assets**

In accordance with Ind AS 36 on "Impairment of Assets" at the balance sheet date, non-financial assets are reviewed for impairment losses whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit. If any such indication exists, an estimate of the recoverable amount of the asset/cash generating unit is made. Assets whose carrying value exceeds their recoverable amount are written down to the recoverable amount. Recoverable amount is higher of an asset's or cash generating unit's net selling price and its value in use. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognized for an asset in prior accounting periods may no longer exist or may have decreased.

Impairment losses of continuing operations, including impairment on inventories, are recognised in the statement of profit and loss, except for properties previously revalued with the revaluation surplus taken to Other Comprehensive Income (OCI). For such properties, the impairment is recognised in OCI up to the amount of any previous revaluation surplus.

**(f) Revenue Recognition**

Revenue is measured at fair value of the consideration received or receivable. The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company and no significant uncertainty exists regarding the amount of consideration that will be derived from the sale of goods /services and regarding its collection. The Company bases its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each arrangement.

Sale of Natural Gas is recognized on supply of gas to customers by metered/assessed measurements as no significant uncertainty exists regarding the measurability or collectability of the sale consideration. Sales are billed bi-monthly for domestic customers, monthly/fortnightly for commercial and non-commercial customers and fortnightly for industrial customers as the timing of the transfer of risks and rewards varies depending on the individual terms of the sales agreement. Revenue on sale of Compressed Natural Gas (CNG) is recognized on sale of gas to consumers from retail outlets.

The amount recognised as revenue is stated inclusive of excise duty and exclusive of sales tax /value added tax (VAT) and Goods and service tax (GST) and is net of trade discounts or quantity discounts.

Unbilled revenue is recognised towards supply of natural gas already occurred for the period from the end of the last billing date to the Balance Sheet date based on the previous average consumption.

Gas transmission income is recognized in the same period in which the related volumes of gas are delivered to the customers.

Commitments (take or pay charges) income from customers for gas sales and gas transmission is recognized on accrual basis and establishment of certainty of receipt of consideration from its customers.

The amounts charged from customers for initial gas connections are accounted based on the terms of the underlying contract with customers when the performance obligation is satisfied. The performance obligation is considered to be satisfied on completion of the connection which is separate from supply of gas. Such revenue is accounted as Connection, Service and Fitting Income under other operating revenue.

The amounts collected towards connection charges from certain domestic customers are "non-refundable charges". Accordingly, the same are recognized as revenue as and when the Company commences the supply of gas to the customers and such amount is charged to customers. Until then, the amounts so collected are shown as "Advances received from customers" in the balance sheet. The company has provided the instalments facility to certain domestic customers towards "connection charges" which are non-refundable, the total amount of such instalments are recognized as revenue as and when the company commences the supply of gas to the customers.

The amounts collected from certain domestic customers which includes amount "refundable" in nature. Accordingly, the same are recognized as a liability under head "Deposit from Customers" in the balance sheet.

Revenue in respect of interest/ late payment charges on delayed realizations from customers and cheque bounce charges, if any, is recognized on grounds of prudence and on the basis of certainty of collection.

Liquidated damages, if any are recognized at the time of recording the purchase of materials in books of accounts and the matter is considered settled by the management.

Interest income is recognized on time proportion basis taking into account the amount outstanding and the rate applicable.

Dividend income is recognised, when the right to receive the dividend is established by the reporting date.

Investment property rental income is recognised as revenue on accrual basis as per the terms of the underlying contract with customers.

Other operating income and misc. income are accounted on accrual basis as and when the right to receive arises.

**Ind AS 115- Revenue from Contract with Customers:**

On March 28, 2018, Ministry of Corporate Affairs ("MCA") has notified the Ind AS 115, Revenue from Contract with Customers. The core principle of the new standard is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. This Standard permits two possible methods of transition, i.e. retrospective approach and modified retrospective method.

The effective date for the adoption of Ind AS 115 is financial periods beginning on or after April 1, 2018. The Company will adopt the standard on April 1, 2018.

The company has started assessment of significant impacts on transition to Ind AS 115. Based on nature of company's business and preliminary assessment of terms of contract with customers, the company does not expect any significant impacts on transition. However impact would be finalized based on a detailed assessment which has been initiated to identify the key impacts along with evaluation of appropriate transition options to be considered.

**(g) Borrowing**

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowing - interest bearing loans are subsequently measured at amortised cost by using the effective interest method (EIR method). Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of borrowing using the effective interest method (EIR). The EIR Amortization is included as Finance Costs in the statement of profit and loss.

Fees paid on the establishment of loan facilities are recognised as transaction costs of loan to the extent that it is probable that some or all the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is deferred as a payment for liquidity services and amortised over the period of the facility to which it relates.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other income or other expenses as well as through the EIR amortization process.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long term loan arrangement on or before the end of reporting period with the effect that the liability becomes payable on demand on the reporting date, the Company does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statement for issue, not to demand payment as a consequence of the breach.

**(h) Borrowing Cost**

The Company is capitalising general and specific borrowing costs that are directly attributable to the acquisition or construction of qualifying asset up to the date of commissioning. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. The Expenses incurred in connection with the arrangement of specific borrowings are capitalized over the period of the borrowing and every year such cost is apportioned to assets based on the actual amount borrowed during the year. All other borrowing costs are recognized as expense in the period in which they are incurred and charged to the statement of profit and loss.

Investment income earned on the temporary investment of specific borrowing pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

**(i) Investment in Associate**

The Company accounts for the investment in associate at cost.

**(j) Financial Instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

**Financial Asset****Initial Recognition**

A financial asset or a financial liability is recognised in the balance sheet only when, the Company becomes party to the contractual provisions of the instrument.

**Initial Measurement**

At initial recognition, the Company measures a financial asset or financial liability at its fair value plus or minus, in the case of a financial asset or financial liability not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition or issue of the financial asset or financial liability.

**Subsequent Measurement**

For purpose of subsequent measurement, financial assets are classified into:

- Financial assets measured at amortised cost;
- Financial assets measured at fair value through profit or loss (FVTPL); and
- Financial assets measured at fair value through other comprehensive income (FVTOCI).

The Company classifies its financial assets in the above mentioned categories based on:

- The Company's business model for managing the financial assets, and
- The contractual cash flows characteristics of the financial asset.

A financial assets is measured at amortised cost if both of the following conditions are met:

- The financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
- The contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

Financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

A financial asset is measured at fair value through other comprehensive income if both of the following conditions are met:

- The financial asset is held within a business model whose objective is achieved by both collecting the contractual cash flows and selling financial assets and
- The assets contractual cash flows represent SPPI.

A financial asset is measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income. In addition, the Company is elected to designate a financial asset, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

**Equity Investments:**

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company has made an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to statement of profit and loss, even on sale of investment. However, the Company is transferred the cumulative gain or loss within equity. Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Profit and Loss.

**De-recognition**

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

1. The contractual rights to the cash flows from the financial asset have expired, or
2. The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either
  - i) The Company has transferred substantially all the risks and rewards of the asset, or
  - ii) The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

#### **Embedded foreign currency derivative**

Embedded foreign currency derivatives are not separated from the host contract if they are closely related. Such embedded derivatives are closely related to the host contract, if the host contract is not leveraged, does not contain any option feature and requires payments in one of the following currencies:

- the functional currency of any substantial party to that contract,
- the currency in which the price of the related good or service that is acquired or delivered is routinely denominated in commercial transactions around the world,
- a currency that is commonly used in contracts to purchase or sell non-financial items in the economic environment in which the transaction takes place (i.e. relatively liquid and stable currency).

Foreign currency embedded derivatives which do not meet the above criteria are separated and the derivative is accounted for at fair value through profit and loss. The Company currently does not have any such derivatives which are not closely related.

#### **Impairment of Financial Assets**

The Company assesses impairment based on expected credit loss (ECL) model to the following:

- Financial assets measured at amortised cost
- Financial assets measured at fair value through other comprehensive income

#### **Expected credit losses are measured through a loss allowance at an amount equal to:**

- The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- Full time expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables or contract revenue receivables. Under the simplified approach, the Company is not required to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs together with appropriate management estimates for credit loss at each reporting date, right from its initial recognition.

The Company uses a provision matrix to determine impairment loss allowance on the portfolio of trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit and loss. This amount is reflected under the head 'other expenses' in the statement of Profit and Loss. The balance sheet presentation for various financial instruments is described below:

- Financial assets measured as at amortised cost and contractual revenue receivables - ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the company does not reduce impairment allowance from the gross carrying amount.
- Financial assets measured at FVTOCI - Since financial assets are already reflected at fair value, impairment allowance is not further reduced from its value. Rather, ECL amount is presented as accumulated impairment amount in the OCI.

For assessing increase in credit risk and impairment loss, the Company combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

The Company does not have any purchased or originated credit-impaired (POCI) financial assets, i.e., financial assets which are credit impaired on purchase/ origination.

#### **Financial Liabilities**

##### **Initial Recognition and Measurement**

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loan and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

##### **Subsequent Measurement**

- Financial liabilities measured at amortised cost
- Financial liabilities subsequently measured at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to Profit and Loss. However, the Company is transferred the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss. The Company has not designated any financial liability as at fair value through profit and loss.

##### **Financial Guarantee Contracts**

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

##### **Loan and Borrowings**

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

##### **Derecognition**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

#### **(k) Offsetting Financial Instruments**

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the group or the counterparty.

#### **(l) Fair Value Measurement**

The Company measures certain financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as under, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Company's management determines the policies and procedures for both recurring fair value measurement, such as unquoted financial assets measured at fair value, and for non-recurring measurement, such as assets held for distribution in discontinued operations. The management comprises of the Managing Director/Chief Executive Officer and Chief Financial Officer.

External valuers are involved for valuation of significant assets, such as unquoted financial assets. Involvement of external valuers is decided upon annually by the Valuation Committee after discussion with and approval by the management. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained. Valuers are normally rotated every three years. The management decides, after discussions with the Company's external valuers, which valuation techniques and inputs to use for each case.

At each reporting date, the management analyses the movements in the values of assets and liabilities which are required to be re-measured or re-assessed as per the Company's accounting policies. For this analysis, the management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation.

The management, in conjunction with the Company's external valuers, also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes. (refer note 42)

1. Disclosures for valuation methods, significant estimates and assumptions.
2. Quantitative disclosures of fair value measurement hierarchy.
3. Investment in unquoted equity shares.
4. Financial instruments (including those carried at amortised cost).

**(m) Inventories**

Inventory of Gas (including inventory in pipeline and CNG cascades) is valued at lower of cost and net realizable value. Cost is determined on weighted average cost method.

Stores, spares and consumables are valued at lower of cost and net realizable value. Cost is determined on moving weighted average basis.

Inventories of Project materials (capital Inventory) are valued at cost on moving weighted average basis.

**(n) Non-current Assets held for sale and Discontinued Operation**

Non-current assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and a sale is considered highly probable. They are measured at the lower of their carrying

amount and fair value less costs to sell, except for assets such as deferred tax assets, assets arising from employee benefits, financial assets and contractual rights under insurance contracts, which are specifically exempt from this requirement.

An impairment loss is recognised for any initial or subsequent write-down of the asset to fair value less costs to sell. A gain is recognised for any subsequent increases in fair value less costs to sell of an asset, but not in excess of any cumulative impairment loss previously recognised. A gain or loss not previously recognised by the date of the sale of the non-current asset (or disposal group) is recognised at the date of de-recognition.

Non-current assets are not depreciated or amortised while they are classified as held for sale. Non-current assets classified as held for sale are presented separately from the other assets in the balance sheet.

A discontinued operation is a component of the Company that has been disposed of or is classified as held for sale and that represents a separate major line of business or geographical area of operations, is part of a single co-ordinated plan to dispose of such a line of business or area of operations, or is a subsidiary acquired exclusively with a view to resale. The results of discontinued operations are presented separately in the statement of profit and loss.

**(o) Foreign Currency Transactions**

**(i) Functional and Presentation Currency**

Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is the functional and presentation currency of the Company.

**(ii) Transactions and balances**

Foreign currency transactions are translated into the functional currency using the exchange rates at the date of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at the year-end exchange rates are generally recognised in profit or loss.

All foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other income or other expenses.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss.

**(p) Employee Benefits**

Employees Benefits are provided in the books as per Ind AS - 19 on "Employee Benefits" in the following manner:

**A. Post-Employment Benefit Plans**

**I. Defined Contribution Plan**

Contribution towards provident fund for eligible employees are accrued in accordance with applicable statutes and deposited with the regulatory provident fund authorities (Government administered provident fund scheme). The Group does not carry any other obligation apart from the monthly contribution.

The Company's contribution is recognised as an expenses in the statement of Profit and Loss during the period in which the employee renders the related service.

**II. Defined Benefit Plan**

The company provides for gratuity, a defined benefit plan covering eligible employees in accordance with the Payment of Gratuity Act, 1972, through an approved Gratuity Fund. The Gratuity Fund is separately administered through a Trust/Scheme. Contributions in respect of gratuity are made to the approved Gratuity Fund.

The Company's liability is actuarially determined by qualified actuary (using the Projected Unit Credit method) at the end of each year and is recognized in the Balance sheet as reduced by the fair value of Gratuity Fund. Actuarial losses/ gains are recognized in the Statement of Other Comprehensive Income in the year in which they arise.

**III. Long Term Employee Benefits**

The liability in respect of accrued leave benefits which are expected to be availed or en-cashed beyond 12 months from the end of the year, is treated as long term employee benefits.

The Company's liability is actuarially determined by qualified actuary at balance sheet date by using the Projected Unit Credit method. Actuarial losses/ gains are recognized in the Statement of Other Comprehensive Income in the year in which they arise.

**B. Other Long Term Service Benefits****● Long Service Award (LSA):**

On completion of specified period of service with the company, employees are rewarded with Cash Reward of different amount based on the duration of service completed.

The Company's liability is actuarially determined by qualified actuary at balance sheet date at the present value of the amount payable for the same. Actuarial losses/ gains are recognized in the Statement of profit and loss in the year in which they arise.

**C. Short Term Employee Benefits**

The undiscounted amount of short term employee benefits expected to be paid in exchange for services rendered by employees is recognized during the period when the employee renders the services. Short term employee benefits includes salary and wages, bonus, incentive and ex-gratia and also includes accrued leave benefits, which are expected to be availed or en-cashed within 12 months from the end of the year.

**D. Employee Stock Option Plan**

Share-based compensation benefits are provided to employees via Employee Stock Option Plan. For the stock options granted, the fair value as of the date of grant of option is recognised as employee benefit expenses with a corresponding increase in Stock Options Outstanding Account. The total expense is recognised on straight line basis over the vesting period, which is the period over which all of the specified vesting conditions are to be satisfied

**(q) Leases**

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

For arrangements entered into prior to 1 April 2015, the Company has determined whether the arrangement contain lease on the basis of facts and circumstances existing on the date of transition.

**As a Lessee****Finance Lease**

Lease of property, plant and equipment where the Company, as lessee, has substantially all the risks and rewards incidental to ownership are classified as finance leases.

At the commencement of the lease term, the Company recognises finance leases as assets in its balance sheet at amounts equal to the fair value of the leased property or, if lower, the present value of the minimum lease payments, each determined at the inception of the lease. The corresponding rental obligations, net of finance charges, are included in borrowings or other financial liabilities as appropriate. The discount rate used in calculating the present value of the minimum lease payments is the interest rate implicit in the lease, if this is practicable to determine. If not, the Company's incremental borrowing rate is used. Any indirect costs of the Company are added to the amount recognised as an asset.

Minimum lease payments is apportioned between the finance charge and the reduction of the outstanding liability. The finance cost is charged to the profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

**Operating Lease**

Leases in which a significant portion of the risks and rewards incidental to ownership is not transferred to the Company as lessee are classified as operating leases. Lease payments under an operating lease are recognised as an expenses on a straight-line basis over the lease term unless either:

- another systematic basis is more representative of the time pattern of the user's benefit even if the payments to the lessors are not on that basis; or
- the payments to the lessor are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases. If payments to the lessor vary because of factors other than general inflation, then this condition is not met.

**As a Lessor****Finance Lease**

When substantially all of the risks and rewards of ownership transfer from the Company to the lessee then it is classified as finance lease. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net

investment outstanding in respect of the lease.

#### **Operating Lease**

Lease income from operating lease (excluding amount for services such as insurance and maintenance) is recognised in the statement of profit or loss on a straight-line basis over the lease term, unless either:

- another systematic basis is more representative of the time pattern of the user's benefit even if the payments to the Company are not on that basis; or
- the payments to the Company are structured to increase in line with expected general inflation to compensate for the Company's expected inflationary cost increases. If payments to the Company vary because of factors other than general inflation, then this condition is not met.

#### **(r) Taxation**

Income tax expenses comprises current tax (i.e. amount of tax for the period determined in accordance with the Income Tax Law) and deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the period). Income tax expenses are recognised in statement of profit or loss except tax expenses related to items recognised directly in reserves (including statement of other comprehensive income) which are recognised with the underlying items.

#### **Income Taxes**

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period i.e. as per the provisions of the Income Tax Act, 1961, as amended from time to time. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Advance taxes and provisions for current income taxes are presented in the balance sheet after off-setting advance tax paid and income tax provision arising in the same tax jurisdiction for relevant tax paying units and where the Company is able to and intends to settle the asset and liability on a net basis.

#### **Deferred Taxes**

Deferred tax is provided in full on temporary difference arising between the tax bases of the assets and liabilities and their carrying amounts in financial statements at the reporting date. Deferred tax are recognised in respect of deductible temporary differences being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods, the carry forward of unused tax losses and the carry forward of unused tax credits.

Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets are not recognised for temporary differences between the carrying amount and tax bases of investments in subsidiaries, branches and associates and interest in joint arrangements where it is not probable that the differences will reverse in the foreseeable future and taxable profit will not be available against which the temporary differences can be utilised.

Deferred tax liabilities are not recognised for temporary differences between the carrying amount and tax bases of investments in subsidiaries, branches and associates and interest in joint arrangements where it is probable that the differences will not reverse in the foreseeable future.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

Any tax credit available including Minimum Alternative Tax (MAT) under the provision of the Income Tax Act, 1961 is recognised as deferred tax to the extent that it is probable that future taxable profit will be available against which the unused tax credits

can be utilised. The said asset is created by way of credit to the statement of profit and loss and shown under the head deferred tax asset.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

**(s) Earnings Per Share**

**Basic Earnings Per Share**

Basic earnings per share is calculated by dividing the profit attributable to owners of the Company by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the company's earnings per share is the net profit for the period after deducting preference dividends, if any, and any attributable distribution tax thereto for the period.

**Diluted earnings per share**

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account the after income tax effect of interest and other financing costs associated with dilutive potential equity shares and the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

**(t) Provisions, Contingent Liabilities and Contingent Assets**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provision for contractual obligation is disclosed based on management's assessment of the probable outcome with reference to the available information supplemented by experience of similar transactions. When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

Provision in respect of loss contingencies relating to claims, litigation, assessment, fines, penalties etc. are recognised when it is probable that a liability has been incurred and the amount can be estimated reliably.

Provisions are not recognised for future operating losses. Provisions for restructuring are recognised by the Company when it has developed a detailed formal plan for restructuring and has raised a valid expectation that the Company will carry out the restructuring by starting to implement the plan or announcing its main features to those affected by it.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period and are not discounted to present value. The estimates of outcome and financial effect are determined by the judgment of the management, supplemented by experience of similar transactions and, in some cases, reports from independent experts.

The measurement of provision for restructuring includes only direct expenditures arising from the restructuring, which are both necessarily entailed by the restructuring and not associated with the ongoing activities of the Company.

**Contingent liability is disclosed in the case of:**

1. A present obligation arising from the past events, when it is not probable that an outflow of resources will be required to settle the obligation;
2. A present obligation arising from the past events, when no reliable estimate is possible;
3. A possible obligation arising from the past events, unless the probability of outflow of resources is remote.

Contingent liabilities are not provided for and if material, are disclosed by way of notes to financial statements.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity.

Contingent assets are not recognised in financial statements since this may result in the recognition of income that may never be realised. However, Contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

A contingent asset is disclosed by way of notes to financial statements, where an inflow of economic benefits is probable.

Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

**(u) Segment Reporting**

The Company primarily operates in the segment of Natural Gas Business. Natural gas business involves distribution of gas from sources of supply to centres of demand and to the end customers. The Managing Director/ Chief Executive Officer of the Company allocate resources and assess the performance of the Company, thus are the Chief Operating Decision Maker (CODM). The CODM monitors the operating results of the business as a single segment, hence no separate segment needs to be disclosed.

**(v) Cash and Cash Equivalents**

Cash and cash equivalents comprise cash and deposits with banks and corporations. The Company considers all highly liquid investments with original maturities of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions and other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

**(w) Statement of Cash Flows**

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

**(x) Dividends**

The Company recognises a liability for dividends to equity holders of the Company when the dividend is authorised and the dividend is no longer at the discretion of the Company. As per the corporate laws in India, a dividend is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

**(y) Insurance Claims**

The company accounts for insurance claims when there is certainty that the claims are realizable and acknowledged by insurance company and amount recognized in books of accounts is as under:

- In case of loss of asset /goods by transferring, either the carrying cost of the relevant asset / goods or insurance value (subject to deductibles), whichever is lower under the head "Claims Recoverable-Insurance".
- In case insurance claim is, less than carrying cost the difference is charged to Profit and Loss statement. As and when claims are finally received from insurer, the difference, if any, between Claims Recoverable-Insurance and claims received is adjusted to Profit and Loss statement.

**(z) Events occurring after the Reporting Date**

Adjusting events (that provides evidence of condition that existed at the balance sheet date) occurring after the balance sheet date are recognized in the financial statements. Material non adjusting events (that are inductive of conditions that arose subsequent to the balance sheet date) occurring after the balance sheet date that represents material change and commitment affecting the financial position are disclosed in the Directors' Report.

**(aa) Exceptional Items**

Certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Company is such that its disclosure improves the understanding of the performance of the Company, such income or expense is classified as an exceptional item and accordingly, disclosed in the notes accompanying to the financial statements.

**(ab) Prior Period Adjustments and Pre-Paid Expenses.**

In respect of the transactions pertaining to the one or more prior periods, the expenditure / (income) relating to prior period as a result of errors or omission in the preparation of financial statements, the Company has specified the limit of transaction upto ₹ 0.05 crore in each case for items pertaining to prior period and prepaid items and same is recognised to Statement of Profit and Loss as and when incurred.

**(ac) Rounding Off**

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Crores as per the requirements of Schedule III, unless otherwise stated.

Particulars	As at 31st March 2018	As at 31st March 2017
Rental Income	0.14	0.31
<b>Profit from investment properties</b>	<b>0.14</b>	<b>0.31</b>

**(ii) Contractual Obligations**

The Company has no contractual obligations to purchase, construct or develop investment property or for its repair, maintenance or enhancements.

**(iii) Leasing Arrangements**

The investment property is leased to tenants under long term operating leases with rentals payable annually. The lease period is 10 years (extendable as mutually agreed). Either party can terminate the agreement by giving 6 months notice (Non cancellable period). The future minimum lease payments receivables for 6 months can not be determined as the amount of rent is dependent on various other factors.

**(iv) Fair Value****(₹ in Crores)**

Particulars	As at 31st March 2018	As at 31st March 2017
Investment Properties	2.40	2.40

**Estimation of Fair Value**

The Company obtains independent valuations for its investment properties once in every three years. The best evidence of fair value is current prices in an active market for similar properties. Where such information is not available, the Company consider information from a variety of sources including:

1. Current prices in an active market for properties of different nature or recent prices of similar properties in less active markets, adjusted to reflect those differences
2. Discounted cash flow projections based on reliable estimates of future cash flows.
3. Capitalised income projections based upon a property's estimated net market income, and a capitalisation rate derived from an analysis of market evidence

The fair values of investment properties have been determined by based on independent valuer's valuation certificate. The main inputs used are the rental growth rates, jantry value guideline and sales comparison approach based on comparable transactions and industry data. All resulting fair value estimates for investment properties are included in level 3.

**(v) Security Pledge:** Refer to Note 21 on borrowings for details in terms of pledge of assets as security.

- (vi) There is no restriction on the title and realisability of investment property or remittance of income and proceeds of disposals.

**Note 5.1.1. Right of Way (ROW) Permissions:** The useful lives of Right of Way (ROW) Permissions as estimated by the management for the amortization is 30 years. The useful lives of ROW Permission are inextricably linked with the pipeline networks being laid, which corresponds with the useful life of 30 years of Plant and Machinery - Pipelines network for which the Right of Way (ROW) Permission has been obtained. The Useful life of 30 years of the Right of Way (ROW) Permissions is dependent on the useful life of Plant and Machinery - Pipelines i.e. Pipeline network of the company.

**Note 5.1.2 Right of Use (ROU):** The company acquires the 'right of use' (hereinafter referred to as 'ROU') for the purpose of laying and maintenance of the underground pipeline and vests in the company and the company has the right to use the same in the manner for which it has been acquired. The acquisition of ROU is governed by the legal process as per the Act, the company has paid the compensation / consideration of the ROU -land determined by the competent authority under the Act and any person authorised by the company, have unrestricted right of entry and lay pipeline or do any other act necessary for the purpose of laying of pipeline. The company has disclosed the cost incurred for acquisition of ROU as 'Right of Use' in the Intangible Asset schedule. Since the ROU does not have a defined life, it is perpetual in nature. Accordingly based on requirements of Ind AS 38 - Intangible Assets, the same is tested for impairment and not amortised.

**Note 5.1.3 Impairment of Assets:** There is no impairment of any assets in terms of Ind AS - 36 on "Impairment of Assets". Based on the review, the management is of the opinion that there are no impairment indicators that necessitate any adjustments to the carrying value of intangible assets.

**Note 5.1.4 Borrowing Cost:** Additions to the intangible assets during the current year includes borrowing costs capitalized ₹ 0.03 Crores (Previous Year ₹ 0.09 Crores) pertaining to borrowings for qualifying assets as per the requirements of Ind AS - 23 "Borrowing Costs".

**Note 5.1.5 Security Pledge of Assets:** Refer to Note 20 on borrowings for details in terms of pledge of assets as security.

**Note 5.1.6** Refer to note 40 for disclosure of contractual commitments for the acquisition of intangible assets.

**Note 5.1.7** There is no restriction on the title of intangible assets.

Government of Gujarat	89,95,462	6.53%	89,95,462	6.53%

**Note 18.6 Details of Bought back of shares, Bonus Shares and Shares issue without payment being received in Cash:**

The company has not bought back any equity shares, has not allotted any shares as fully paid up pursuant to contracts without payment being received in cash and has not allotted bonus shares, for the period of five years immediately preceding March 31, 2018.

**Note 18.7 Proposed Dividend:**

The Board of Directors, in its meeting on 11th May 2018, have proposed a final dividend of ₹ 4 per equity share for the financial year ended on 31st March, 2018. The proposal is subject to the approval of shareholders at the Annual General Meeting and if approved would result in a cash outflow of approximately ₹ 66.39 crore including corporate dividend tax of ₹ 11.32 crores.

**Nature and purpose of reserves:****General reserve**

The general reserve is used from time to time to transfer profits from retained earnings for appropriation purpose. As the general reserve is created by transfer from one component of equity to another and is not an item of other comprehensive income, items included in the general reserve will not be reclassified subsequently to profit and loss.

**Amalgamation and Arrangement Reserve**

The "Amalgamation and Arrangement Reserve" created pursuant to scheme of amalgamation and arrangement is treated as free reserve based on the judgment of Honorable Gujarat High Court dated 18th April 2015 read with relevant other court decisions.

**Debenture redemption reserve**

The Company had issued Non convertible debentures and as per the provisions of the Companies Act, 2013, had created debenture redemption reserve out of the profits of the company available for payment of dividend. The Non convertible debentures had been redeemed in April 2016 hence balance of debenture redemption reserve transferred to retained earnings.

**Notes to Standalone financial statements for the year ended 31st March 2018****Employees Stock Options Outstanding**

The Employee stock options outstanding account is used to recognise the grant date fair value of options issued to employees under Employee stock option plan.

**Equity instrument through OCI**

The Company has elected to recognise changes in the fair value of certain investments in equity securities in other comprehensive income. These changes are accumulated within the Equity instrument through OCI reserve within equity.

The company offsets tax assets and liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority.

Significant management judgment is required in determining provision for income tax, deferred income tax assets and liabilities and recoverability of deferred income tax assets. The recoverability of deferred income tax assets is based on estimates of taxable income by each jurisdiction in which the relevant entity operates and the period over which deferred income tax assets will be recovered.

**Note 39 Earning per Share -(EPS)****Earnings per equity share- Face Value of ₹ 10 each****The following reflects the income and share data used in the basic and diluted EPS computations:**

Particulars	For the year ended 31st March, 2018	For the year ended 31st March, 2017
Profit for the year (Profit attributable to equity shareholders ( ₹ in Crores)	291.36	219.50
Weighted average number of ordinary equity shares for Basic EPS (in Nos.)	13,76,78,025	13,76,78,025
Weighted average number of ordinary equity shares for Diluted EPS (in Nos.)	13,76,78,025	13,76,78,025
Face Value of equity share ( ₹)	10.00	10.00
Basic EPS ( ₹)	21.16	15.94
Diluted EPS ( ₹)	21.16	15.94

**Note**

Basic EPS amounts are calculated by dividing the profit for the year attributable to equity holders of the Company by the weighted average number of Equity shares outstanding during the year. Diluted EPS amounts are calculated by dividing the profit attributable to equity holders of the Company by the weighted average number of Equity shares outstanding during the year plus the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity shares.

**Notes to Standalone financial statements for the year ended 31st March 2018****Note 40 CONTINGENT LIABILITIES & CONTINGENT ASSETS****(A) CONTINGENT LIABILITIES****(₹ in Crores)**

<b>Contingent liabilities and commitments (to the extent not provided for)</b>	<b>As at 31st March 2018</b>	<b>As at 31st March 2017</b>
<b>Contingent Liabilities</b>		
(a) Contingent Liabilities - Statutory claims (Refer Note 40.1)	90.77	161.96
(b) Claims against the Group not acknowledged as debt (Refer Note 40.2)	404.93	192.97
(c) Contingent Liabilities - Stamp duty on amalgamation (Refer Note 40.3)	18.53	18.53
<b>Total (A)</b>	<b>514.23</b>	<b>373.46</b>
<b>Commitments</b>		
(a) Estimated amount of contracts remaining to be executed on capital account and not provided for	515.87	692.01
(b) Estimated amount of contracts remaining to be executed on Revenue account and not provided for	330.79	345.92
<b>Total (B)</b>	<b>846.66</b>	<b>1,037.94</b>
<b>TOTAL (A+B)</b>	<b>1,360.90</b>	<b>1,411.40</b>

The Company has reviewed all its pending claims, litigations and proceedings and has adequately provided for where provisions are required and disclosed as contingent liabilities where applicable, in its financial statements. The company does not expect the outcome of these claims, litigations and proceedings to have a materially adverse effect on its financial position.

**Note 40.1 - Contingent Liabilities - Statutory claims****(₹ in Crores)**

<b>Particulars</b>	<b>As at 31st March 2018</b>	<b>As at 31st March 2017</b>
Disputed statutory dues in respect of which Appeals are filed against / by company :		
(a) Excise Duty	17.48	16.38
(b) Income Tax	32.70	105.12
(c) Service Tax	40.59	40.46
<b>TOTAL</b>	<b>90.77</b>	<b>161.96</b>

The company is contesting the demands and the management including its advisors believe that its position is likely to be upheld in the appellate process. No tax expense has been accrued in the financial statements for the tax demand raised. The management believes that the ultimate outcome of these proceedings will not have a material adverse effect on the company's financial position and results of operations.

**Note 40.2 - Claims against the company not acknowledged as debt**

- (i) UPL Limited (UPL) a customer of erstwhile Gujarat Gas Company Limited (now known as Gujarat Gas Limited) filed a complaint before Petroleum and Natural Gas Regulatory Board (PNGRB) against erstwhile GGCL alleging charging of tariff illegally under the City Gas Network Distribution Agreement entered into between the Parties. The matter was decided against the company by PNGRB. The company has preferred an appeal at Appellate Tribunal for Electricity (APTEL) against the PNGRB Order. The company has also sought an interim stay on the PNGRB order which was granted by APTEL. The APTEL has in its order stated that it is an interim order without considering the merits of the case. The company has submitted bank guarantee of ₹ 40 Crores in favour of UPL.
- (ii) Erstwhile Gujarat Gas Company Limited and Erstwhile GSPC Gas Company Limited (Now collectively known as Gujarat Gas Limited "GGL") had signed Gas supply agreement with Gujarat State Petroleum Corporation Limited (GSPCL) for purchase of Regasified liquefied natural gas (RLNG). As per the provision of said agreement, GGL has to pay interconnectivity charges to GSPCL for the supply and purchase of RLNG at Delivery point which is charged to GSPCL by their supplier i.e. PLL Off takers (GAIL India, BPCL, IOCL).

PGNRB had vide its orders dated 13.09.2011 of Chairman and dated 10.10.2011 of the majority members (three member panel of Board) unanimously held that GAIL had adopted Restrictive Trade Practices by blocking off direct connectivity to GSPC and further, directed Respondents to immediately give direct connectivity to GSPC at Dahej Terminal. The PLL Offtakers (GAIL) filed appeals against the said PNGRB orders before the Appellate Tribunal for Electricity (APTEL). On 23-February-2012 APTEL had issued an interim order for shifting the Delivery Point from GAIL-GSPL Delivery Point to GSPL-PLL Delivery Point. On 18-December-2013 APTEL issued its judgment and required GSPCL to pay the amount of the difference between ₹ 8.74/MMBTU (exclusive of Service Tax) - earlier connectivity charges and ₹ 19.83/MMBTU (Exclusive of Service Tax) - HVJ/DVPL Zone-1 tariff to GAIL for the period from 20th November 2008 to 29th February 2012.

**Notes to Standalone financial statements for the year ended 31st March 2018**

GSPCL has filed an appeal against the APTEL's above referred judgment before Hon'ble Supreme Court of India (GSPCL vs. GAIL & Others, Civil Appeal No. 2473-2476 of 2014) and the Hon'ble Supreme Court of India had passed the Interim Order on 28th February 2014. The Court has stated that the ends of justice would be met if as a matter of interim arrangement, the appellant is directed to pay interconnectivity charges at the rate of ₹ 12.00 per MMBTU (exclusive of Taxes). The Company has already provided and paid interconnectivity charges at the rate of ₹ 12.00 per MMBTU (exclusive of Taxes).

- (iii) One of the gas suppliers of the Company has submitted a claim of ₹ 134.90 Crores (P. Y. ₹ 108.44 Crores), for overdrawn use of gas against demand in earlier years. The company has refuted this erroneous claim contending that no contractual provisions of the agreement executed with GGL allow such claim. The management is of the firm view that the company is not liable to pay any such claim. The company has already taken up the matter with concerned party/authorities to withdraw the claim.
- (iv) During this year, the company has initiated an arbitration proceeding against one of the franchisees claiming compensation for loss of revenue. While replying to the claim, the said franchisee has also filed a counter claim of ₹ 177.14 Crores against the company claiming compensation for various losses. The company has filed necessary rejoinder to the counter claim strongly refuting the same mainly on the grounds that the claims are wrong and as are not flowing from the same agreement under which the arbitral tribunal has been constituted the tribunal does not have any jurisdiction to adjudicate the claim.

**Note 40.3 - Contingent Liabilities - Stamp duty on amalgamation**

The office of superintendent of stamp has issued demand of stamp duty of ₹ 43.53 crores for the transaction of scheme of amalgamation and arrangement. The Company has filed the appeal before Chief Controlling Revenue Authority - CCRA on 20.12.2016 by paying 25% of demand of ₹ 10.88 crores. The Company has already provided the liability of ₹ 25 crores in the books of accounts for the financial year 2015 - 16.

**(B) CONTINGENT ASSETS**

The Company is having certain claims, litigations and proceedings which are pursuing through legal processes. The management believe that probable outcome in all such claims, litigations and proceedings are uncertain. Hence, the disclosure of such claims, litigations and proceedings is not required in the financial statements.

**Note 41 Disclosure as required by the Micro, Small and Medium Enterprises Development Act, 2006 (₹ in Crores)**

Sr. No.	Particulars	As at 31st March 2018	As at 31st March 2017
1	The principal amount outstanding as at the end of accounting year.	13.07	14.74
2	Principal amount due and remaining unpaid as at the end of accounting year.	-	-
3	Interest paid by the company in terms of section 16 of the Micro, Small and Medium Enterprises Development Act, 2006, along with the amount of the payment made to the supplier beyond the appointed day during accounting year	-	-
4	Interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the Micro, Small and Medium Enterprises Development Act, 2006	-	-
5	Interest accrued and remaining unpaid at the end of accounting year (Refer Note below)	0.01	0.01
6	Further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise, for the purpose of disallowance as a deductible expenditure under section 23 of the Micro, Small and Medium Enterprises Development Act, 2006.	-	-

**Note:** No interest has been paid by the Company to the enterprises covered under Micro, Small and Medium Enterprises Development Act, 2006 according to the terms agreed with the enterprises.

Investment in equity accounted investee i.e. Guj Info Petro Limited (GIPL) carried at cost.

# Fair value of financial assets and liabilities which are measured at amortised cost is not materially different from the carrying value (ie. amortised cost).

**Level 1:** Level 1 hierarchy includes financial instruments measured using quoted prices. This includes mutual funds that have quoted price. The mutual funds are valued using the closing NAV.

**Level 2:** The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

**Level 3:** If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities included in level 3.

**Notes to Standalone financial statements for the year ended 31st March 2018****B. Measurement of fair values****i) Valuation techniques and significant unobservable inputs**

The following tables show the valuation techniques used in measuring Level 2 and Level 3 fair values, as well as the significant unobservable inputs used.

**Financial instruments measured at fair value – FVTOCI in unquoted equity shares**

Valuation technique	Significant unobservable inputs	Inter-relationship between significant unobservable inputs and fair value measurement
<p><b>Market comparison technique:</b> The valuation model is based on three approaches:-</p> <p><b>1. Market approach :</b> This approach uses information generated by market transactions of the Company being valued or the transactions of comparable companies. The following market-linked information may be used for determining valuation under this approach.</p> <ul style="list-style-type: none"> <li>● Quoted price of the company being valued,</li> <li>● Past transaction value of the company being valued,</li> <li>● Listed comparable companies' trading multiples like price to earning ratio, enterprise value to earning before interest, tax, depreciation and amortisation, enterprise value to sales etc.</li> <li>● Transactions multiples for investment / M &amp; A transaction of comparable companies.</li> </ul> <p>The valuation arrived at based on the market approach reflects the current value of the Company perceived in the active market. However, as the valuation arrived at using market multiples is based on the past/current transaction or traded values of comparable companies/businesses, it may not reflect the possible changes in future trend of cash flows being generated by a business.</p>	<p>Comparable unobservable entity has been taken as a base for the valuation of unquoted equity shares and its management's own assumptions for arriving at a fair value such as projected cash flows used to value a business etc.</p> <p>As stated , highest priority is given to unadjusted quoted price of listed entities and lowest priority to non-market linked inputs such as future cash flows used in income approach.</p>	<p>The estimated fair value would increase (decrease) if:</p> <p>There is a change in pricing multiple owing to change in earnings of the entity.</p> <p>Considering the diverse asset and investment base of the Company with differing risk/return profiles, a sum of the parts approach has been adopted for the valuation. Under this method, the value of each distinct business/ asset/investment has been arrived at separately and total value estimate for the Company presented as the sum of all its business / investments/assets.</p>
<p><b>2. Income approach :</b> The income approach reflects present value of future cash flows. For valuing a business, the discounted cash flow (DCF) methodology is used under this approach. This methodology works on the premise that the value of a business is measured in terms of future cash flow streams, discounted to the present time at an appropriate discount rate. This method is used to determine the present value of business on a going concern assumption. The DCF technique recognizes the time value of money.</p> <p>The value of the firm is arrived at by estimating the Free Cash Flow to Firm (FCFF) and discounting the same at the Weighted Average Cost of Capital (WACC). FCFF is estimated by forecasting free cash flows available to the firm (which are derived on the basis of the likely future earnings of the company).</p>		
<p><b>3. Cost approach -</b> The cost approach essentially estimates the cost of replacing the tangible assets of the business. The replacement cost takes into account the market value of various assets or the expenditure required to create the infrastructure exactly similar to that of a company being valued.</p>		

**ii) Transfers between Levels 1 and 2**

There have been no transfers between Level 1 and Level 2 during the reporting periods

**Notes to Standalone financial statements for the year ended 31st March 2018****iii) Level 3 fair values**

Movements in the values of unquoted equity instruments for the period ended 31st March 2018, 31st March 2017 is as below:

(₹ in Crores)	
Particulars	Amount
<b>As at 1 April 2016</b>	<b>120.44</b>
Acquisitions/ (disposals)	-
Gains/ (losses) recognised in other comprehensive income	(52.19)
Gains/ (losses) recognised in statement of profit or loss	-
<b>Closing Balance as at 31 March 2017</b>	<b>68.25</b>
Acquisitions / (disposals)	-
Gains / (losses) recognised in other comprehensive income	(52.19)
Gains / (losses) recognised in statement of profit or loss	-
<b>Closing Balance as at 31 March 2018</b>	<b>16.06</b>

**Transfer out of Level 3**

There were no movement in level 3 in either directions during the year ended 31st March 2018 and the year ended 31st March 2017. Ind AS 101 allows an entity to designate certain investments in equity instruments as fair valued through the OCI on the basis of the facts and circumstances at the transition date to Ind AS. The Company has elected to apply this exemption for its investment in equity shares.

**Sensitivity analysis**

Based on the valuation report for investments in unquoted shares, the sensitivity as as 31st March 2018 is provided below.

(₹ in Crores)		
Significant observable inputs	31-March18	31-March17
	OCI	OCI
	Decrease	Decrease
<b>Equity securities in unquoted investments measured through OCI</b>		
Forecast gas trading margin 25% decrease	15.90	17.01

**C. Financial risk management**

The Company has exposure to the following risks arising from financial instruments:

- Credit risk;
- Liquidity risk; and
- Market risk

**i. Risk management framework**

The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework.

The Company has a well-defined Risk Management framework for reviewing the major risks and has adopted a Business Risk Management Policy which also takes care of all the financial risks. Further, pursuant to the requirement of Regulation 21 of SEBI (Listing obligation and disclosure Requirements) Regulation, 2015, the company has constituted a Risk Management Committee inter - alia to monitor the Risk Management Plan of the Company.

The Group Heads Committee supported by Chief Financial Officer oversees the management of these risks. The Company's senior management is supported by Risk Management Committee that advises on financial risk and appropriate financial risk governance framework for the Company. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The audit committee oversees how management monitors compliance with the company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee. The Board of Directors reviews and agrees policies for managing each of these risks.

**Notes to Standalone financial statements for the year ended 31st March 2018****Note 42 Financial instruments – Fair values and risk management (continued)****ii. Credit risk**

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investments in debt securities.

The carrying amount of following financial assets represents the maximum credit exposure:

**(a) Other financial assets**

The company maintains its Cash and cash equivalents and Bank deposits with banks having good reputation, good past track record and high quality credit rating and also reviews their credit-worthiness on an on-going basis.

**(b) Trade and other receivables**

The Company's exposure to credit Risk is the exposure that Company has on account of goods sold or services rendered to a contractual counterparty or counterparties, whether with collateral or otherwise for which the contracted consideration is yet to be received. The Company's customer base are Industrial, Commercial-Non Commercial, Domestic and CNG.

The Commercial and Marketing department has established a credit policy for each category of customer viz. industrial, domestic and commercial.

The Company raises the invoice for quantities sold based on periodicity as per the agreement. Sales are subject to security deposit and/or bank guarantee clauses to ensure that in the event of non-payment the company's receivables are secured. In case of short/non receipt of security deposit/or bank guarantee, the Company is exposed to credit risk to that extent.

For sales to domestic customers for household purposes like cooking, geyser application, etc., invoices are raised periodically. Security deposits along with connection deposits are taken for mitigation of potential credit risk arising in the event of non-payment of invoices. Company is exposed to credit risk beyond the value of deposits.

CNG sales made through operators of the CNG stations owned by the Company and CNG Franchises outlet are exposed to credit risk as amounts so collected is deposited/transferred in company bank account on next working day. Bank Guarantee / Security Deposit is taken to mitigate the credit risk. In case of short/non receipt of security deposit/or bank guarantee, the Company is exposed to credit risk to that extent.

For CNG sales made through Oil Marketing Companies (OMCs), the Company raises the invoice for quantities sold based on periodicity as per the agreement. The OMCs are well established companies viz. HPCL, BPCL, IOC, Essar Oil Ltd. where no significant credit risk is anticipated.

The Company provides for allowance for impairment that represents its estimate of expected losses in respect of trade and other receivables.

A default on a financial asset is when the counter party fails to make contractual payment within 180 days of when they fall due. This definition of default is determine by considering the business environment in which the company operates and other macro economic factors.

Assets are written off when there are no reasonable expectation of recovery such as debtor declaring bankruptcy or failing to engage in a repayment plan with group. Where receivables have been written off the company continues to engage in enforcement activity to attempt to recover the receivables. where recoveries are made, these are recognised in profit and loss.

**The maximum exposure to credit risk for trade and other receivables by geographic region was as follows:****(₹ in Crores)**

Particulars	Carrying amount	
	31st March 2018	31st March 2017
India	397.14	352.89
Other regions	-	-
<b>Total</b>	<b>397.14</b>	<b>352.89</b>

**Expected credit loss for Trade receivables under Simplified Approach****(₹ in Crores)**

Past due 91-180 days	2.43	2.34
Past due 181 to 1085 days	6.30	8.19
Greater than 1085 days	4.33	1.91
	397.14	352.89
Less: Expected credit losses (Allowance for bad and doubtful)	5.43	5.38
<b>Carrying amount of Trade Receivable (net of impairment)</b>	<b>391.71</b>	<b>347.51</b>

**Notes to Standalone financial statements for the year ended 31st March 2018****Movement in Allowance for bad and doubtful Trade receivable****(₹ in Crores)**

Particulars	31st March, 2018	31st March, 2017
Opening Allowance for bad and doubtful Trade receivable	5.38	4.43
Provision during the year	0.05	0.95
Write off during the year	-	-
<b>Closing Allowance for bad and doubtful Trade receivable</b>	<b>5.43</b>	<b>5.38</b>

The impairment provisions above are based on management judgment / assumptions about risk of default and expected loss rates. The Company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on the company's past history as well as forward looking estimates at the end of each reporting period.

**(c) Loans and deposits - security deposits**

Company has given security deposit to various government authorities (like Municipal corporation, Nagarpalika, Grampanchayat, Road & building division and Irrigation department -of Govt. of Gujarat etc. ) for the permission related to work of executing / laying pipeline network in their premises / jurisdiction. Being government authorities the Companies are not exposure to any credit risk.

**Movement in Allowance for bad and doubtful Security deposits-Project authority****(₹ in Crores)**

Particulars	31st March, 2018	31st March, 2017
Opening Allowance for bad and doubtful Security deposits	10.28	7.07

Recovery/Adjustment during the year	(2.85)	(0.37)
Write off during the year	(0.01)	-
<b>Closing Allowance for bad and doubtful Security deposits</b>	<b>10.80</b>	<b>10.28</b>

The impairment provisions for financial assets - Loan and advances - Security Deposit as disclosed above are based on management judgment / assumptions about risk of performance default. The Company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on the company's past history as well as forward looking estimates at the end of each reporting period.

**iii. Liquidity risk**

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

**The Company maintains the following lines of credit outstanding:**

- (a) Term loans from banks and financial institution of ₹ 2326.94 crores (Previous year: ₹ 2351.60 crores) that is secured by First pari - passu charge on all Present and future fixed assets & Property, plant, equipment (PPE)(Movable & Immovable) of the the Company and Second pari -passu charge on Present & Future Current Assets (financial and non financial assets) of the Company. Interest rate payable varying from 8% - 8.35%.

**Financing arrangement**

The Company had access to the following undrawn borrowing facilities at the end of the reporting period.

**(₹ in Crores)**

Particulars	31st March, 2018	31st March, 2017
<b>Floating rate</b>		
Expiring within one year (term loans, bank overdraft and other facilities)	240.00	490.00
Expiring beyond one year (term loans, bank overdraft and other facilities)	-	-
<b>Total</b>	<b>240.00</b>	<b>490.00</b>

**Notes to Standalone financial statements for the year ended 31st March 2018****Exposure to liquidity risk**

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements.

(₹ in Crores)

31st March, 2018	Carrying amount	Contractual cash flows				
		Total	Less than 12 months	1-2 years	2-5 years	More than 5 years
<b>Non-derivative financial liabilities</b>						
Non current borrowings	2,212.99	2,212.99	-	297.84	730.60	1,184.55
Non current financial liabilities	-	-	-	-	-	-
Current financial liabilities	1.28	1.28	1.28	-	-	-
Trade and other payables	293.09	293.09	293.09	-	-	-
Other current financial liabilities	1,154.85	1,154.85	1,154.85	-	-	-
	<b>3,662.21</b>	<b>3,662.21</b>	<b>1,449.22</b>	<b>297.84</b>	<b>730.60</b>	<b>1,184.55</b>

Other current financial liabilities include customer deposits which are considered repayable on demand and hence current. These were classified as non-current under the previous GAAP.

(₹ in Crores)

31st March, 2017	Carrying amount	Contractual cash flows				
		Total	Less than 12 months	1-2 years	2-5 years	More than 5 years
<b>Non-derivative financial liabilities</b>						
Non current borrowings	2,291.41	2,291.41	-	123.89	525.36	1,642.16
Non current financial liabilities	-	-	-	-	-	-
Current financial liabilities	7.28	7.28	7.28	-	-	-
Trade and other payables	313.97	313.97	313.97	-	-	-
Other current financial liabilities	989.63	989.63	989.63	-	-	-
	<b>3,602.29</b>	<b>3,602.29</b>	<b>1,310.88</b>	<b>123.89</b>	<b>525.36</b>	<b>1,642.16</b>

The gross inflows/(outflows) disclosed in the above table represent the contractual undiscounted cash flows relating to non-derivative financial liabilities held for risk management purposes and which are not usually closed out before contractual maturity.

**iv. Market risk**

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits and FVTOCI investments.

**a) Currency risk**

The functional currency of the Company is Indian Rupee. The Company's transactions are majorly denominated in ₹ and the quantum of the foreign currency transactions being immaterial, the company is not exposed to currency risk on account of payables and receivables in foreign currency. The company does not have any exports. Import amount to 0.002% (Previous Year 0.01%) of total consumption, this is not perceived to be a major risk.

**b) Interest rate risk**

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates.

On period under review the Company do not have any borrowings at fixed rate and has not entered into interest rate swaps for its exposure to long term borrowings at floating rate.

(₹ in Crores)

Variable-rate instruments	31st March, 2018	31st March, 2017
Non current - Borrowings	2,212.99	2,291.41
Current portion of Long term borrowings	113.95	60.19
<b>Total</b>	<b>2,326.94</b>	<b>2,351.60</b>

**Notes to Standalone financial statements for the year ended 31st March 2018****Sensitivity analysis**

Profit or loss is sensitive to higher/lower interest expense from borrowings as a result of change in interest rates

The Company does not account for any fixed-rate financial assets or financial liabilities at fair value through profit or loss, and the Company does not have any designate derivatives (interest rate swaps). Therefore, a change in interest rates at the reporting date would not affect profit or loss.

A reasonably possible change of 100 basis points in interest rates at the reporting date would have increased (decreased) Equity and Profit or Loss by the amount shown below:

Particulars	Profit or (Loss)		Equity (net of tax)	
	100 bp Increase	100 bp decrease	100 bp Increase	100 bp decrease
<b>31st March 2018</b>				
Non current - Borrowings	(22.13)	22.13	(14.47)	14.47
Current portion of Long term borrowings	(1.14)	1.14	(0.75)	0.75
<b>Total</b>	<b>(23.27)</b>	<b>23.27</b>	<b>(15.22)</b>	<b>15.22</b>
<b>31st March 2017</b>				
Non current - Borrowings	(22.91)	22.91	(14.98)	14.98
Current portion of Long term borrowings	(0.60)	0.60	(0.39)	0.39
<b>Total</b>	<b>(23.52)</b>	<b>23.52</b>	<b>(15.38)</b>	<b>15.38</b>

**c) Commodity Price Risk**

Risk arising on account of fluctuations in prices of natural gas is managed through long term purchase contracts entered with the respective parties. The company monitors the movements in the prices closely while entering into new contracts.

**d) Equity Price Risk**

The Company do not have any investment in quoted equity shares hence not expose to equity price risk.

**Note 43 Capital Management**

The Company's objectives when managing capital are to:

- Safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- Maintain an optimal capital structure to reduce the cost of capital.

The Board of Directors seeks to maintain a balance between the higher returns that might be possible with higher levels of borrowings and the advantages and security afforded by a sound capital position. The Company has achieved a return on capital 16%; in March 31, 2018 (Previous year: 13%). The weighted-average interest expense on interest-bearing borrowings (excluding liabilities with imputed interest) is 8.07%.(Previous year: 9.04%).

The Company monitors capital using a ratio of 'adjusted net debt' to 'adjusted equity'. For this purpose, adjusted net debt is defined as total liabilities, comprising interest-bearing loans and borrowings, less cash and cash equivalents. Adjusted equity comprises all components of equity.

**The Company's adjusted net debt to equity ratio is as follows.**

Particulars	₹ in Crores)	
	31st March 2018	31st March 2017
Borrowings	2,326.94	2,351.60
Total equity	1,846.41	1,644.88
<b>Debt equity ratio</b>	<b>1.26</b>	<b>1.43</b>
Interest bearing borrowings	2,326.94	2,351.60
Less : Cash and bank balances	136.30	60.82
Adjusted net debt	2,190.64	2,290.78
<b>Adjusted net debt to adjusted equity ratio</b>	<b>1.19</b>	<b>1.39</b>

## Notes to Standalone financial statements for the year ended 31st March 2018

### Note 44–Employee Stock Option Plan:

The erstwhile GSPC Gas Company Limited ('e-GSPC'), erstwhile Gujarat Gas Company Limited ('e-GGCL'), erstwhile Gujarat Gas Financial Services Limited ('e-GFSL') and erstwhile Gujarat Gas Trading Company Limited ('e-GTCL') merged with and into GSPC Distribution Network Limited ('GDNL') under the Composite Scheme of Amalgamation and Arrangement (the "Scheme of Amalgamation"). The effective date of Scheme of Amalgamation was 14 May 2015. Upon the Scheme of Amalgamation becoming effective, the name of GDNL has been changed to Gujarat Gas Limited ('GGL') as per the provisions of the Companies Act.

Pursuant to the Scheme of Amalgamation, the Addendum Gujarat Gas Limited Employee Stock Option Plan 2016 ("ESOP 2016") being supplementary to the Gujarat Gas Company Limited Employee Stock Option Plan 2008 ("ESOP 2008") has been formulated for the limited purpose of adopting the ESOP 2008 in the Company.

The e-GGCL had formulated the above ESOP 2008, whereby Stock Options had been granted by e-GGCL to its employees. The ESOP 2008 has been effective from 1 November 2008 for a tenure of 8 years. As on the effective date of the Scheme of Amalgamation, certain employees of e-GGCL to whom Options had been Granted and Vested under the ESOP 2008, have not Exercised the said Options and hence as per the Scheme of Amalgamation, they are the Eligible Employees for the purpose of the ESOP 2016 as follows:

- (1) Revised Grants have been made to them with effect from the effective date under the Scheme of Amalgamation of 13000 equivalent number of Options-I under the ESOP 2016, against the equivalent number of Options Granted and Vested in them pursuant to the ESOP 2008, which were not Exercised by them on the effective date under the Scheme of Amalgamation.
- (2) The above Revised Grants of Options-I has been on the basis of the Share Exchange Ratio of 1 (one) equity share of ₹10/- each of GGL, for every 1 (one) equity share of ₹ 2/- each of e-GGCL, pursuant to the Scheme of Amalgamation.
- (3) The Options-I bear the Exercise Price as per the ESOP 2008. The Exercise Price payable for Options-I under ESOP 2016 is based on the Exercise Price payable by such Eligible Employees under the ESOP 2008 that has been adjusted after taking into account the effect of the Share Exchange Ratio of 1:1 as mentioned above.
- (4) Upon such Revised Grant of Options-I to the Eligible Employees the Options Granted under the ESOP 2008 stand cancelled and the Eligible Employees shall continue to be bound by all the terms and conditions of the ESOP 2008 in addition to this ESOP 2016.

The Gujarat Gas Company Limited Employee Welfare Stock Option Trust ("ESOP 2008 Trust"), which has been formed and created vide execution of the Deed of Gujarat Gas Company Limited Employee Welfare Stock Option Trust dated 4 November 2008 has been renamed as Gujarat Gas Limited Employee Welfare Stock Option Trust ("ESOP 2016 Trust"). The ESOP 2016 Trust is an irrevocable Trust that functions for the limited purpose of adopting the ESOP 2008 and ESOP 2016 and to hold the existing share inventory of the ESOP 2008 Trust for the benefit of Eligible Employees under ESOP 2016 and the balance to be appropriated in line with the SEBI Regulations.

The ESOP 2016 and the ESOP 2016 Trust are governed by the provisions of the Companies Act 1956 or the Companies Act 2013, as may be applicable and the SEBI (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 or the SEBI (Share Based Employee Benefits) Regulation, 2014, as may be applicable.

The ESOP 2008 Trust had purchased out of the funds advanced by the Company, the shares equivalent to the number of options granted. IDBI Trusteeship Services Limited are the Trustees. The Trustees can sell the shares in the market as per the approved scheme and for the year ended on 31st March 2018, there are no purchases from the market.

The exercise price is calculated at 10% discount to the closing price of the shares on record date, being the date on which the grant of options were approved as per ESOP 2008. The graded vesting of options granted, over a period of 4 years from the date of grant is as follows:

% of Option Vested	Cumulative	Vesting Date
25%	25%	on expiry of two years from their Grant date ("First Vesting Date")
50%	75%	on expiry of three years from their Grant date ("Second Vesting Date")
25%	100%	on expiry of four years from their Grant date ("Third Vesting Date")

The options are to be exercised within a maximum period of 2 years from the date of vesting. Within the exercise period, the employee would have the option to either purchase the shares from the trust at the exercise price or to give a mandate of sale to the trust at the best available market price, in which event the difference between the net price realized on sale after taxes and charges and the Exercise Price will accrue as gains to the employee.

**Notes to Standalone financial statements for the year ended 31st March 2018**

Details of movement under the Stock option plan for the year ended 31 March, 2018 is as follows:

Particulars	Year ended		Year ended	
	31-03-2018		31-03-2017	
	Number of options	Weighted average exercise price (in ₹)	Number of options	Weighted average exercise price (in ₹)
Options outstanding at the beginning of the year	-	-	13,000	332
Add: Options granted during the year	-	-	-	-
Less: Options forfeited during the year	-	-	-	-
Less: Options expired during the year	-	-	-	-
Less: Options exercised during the year	-	-	13,000	332
<b>Options outstanding at end of the year</b>	-	-	-	-

The employee share based payment plans have been accounted based on the Fair value method of accounting using the Black-Scholes Option Pricing Formula. There are no options outstanding as on 31 March 2018 and 31 March 2017.

The Company has adjusted gain of ₹ Nil (Previous year ₹ 0.17 Crores) to General Reserve as the difference between the cost incurred by the ESOP Trust for the purchase of shares and the exercise price of those options which have been exercised by the employees.

**Notes to Standalone financial statements for the year ended 31st March 2018****Note 45 Disclosure Of Employee Benefits**

The Company has implemented Ind AS - 19 on "Employee Benefits".

**(a) Provident Fund - Defined Contribution Plan**

All employees are entitled to provident fund benefits and amount charged to Statement of Profit and Loss during the period of 12 months ended is ₹ 7.94 Crores (Previous year ₹ 7.32 Crores).

**(b) Gratuity and Leave Encashment - Defined Benefit Plans (payable in future)**

Provision has been made for gratuity and leave encashment as per actuarial valuation. The principal assumptions used in actuarial valuation and necessary disclosures are as below:

(₹ in Crores)

Assumptions	Gratuity	Leave	Gratuity	Leave
	31st March 2018	Encashment 31st March 2018	31st March 2017	Encashment 31st March 2017
<b>A.</b> Discount rate	7.65%	7.65%	7.25%	7.25%

<b>C. Long Service Award</b>					
Present value of Defined Benefit Obligation	0.83	0.94	1.43	-	-
Actuarial (Gain) / Loss on Plan Obligation	-	-	-	-	-

**(d) Sensitivity analysis**

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below.

Particulars	31st March 2018			
	Increase		Decrease	
	Gratuity	Leave Encashment	Gratuity	Leave Encashment
Discount rate (0.5% movement)	44.18	31.01	49.67	35.55
Salary growth rate (0.5% movement)	49.60	35.50	44.21	31.04

Particulars	31st March 2017			
	Increase		Decrease	
	Gratuity	Leave Encashment	Gratuity	Leave Encashment
Discount rate (0.5% movement)	39.64	28.56	44.84	33.06
Salary growth rate (0.5% movement)	44.77	33.00	39.68	28.59

**(e) Gratuity Benefits Plan:**

The benefit is governed by the Payment of Gratuity Act, 1972. The Key features are as under:

Features of the defined benefit plan	Remarks
Benefit offered	15 / 26 × Salary × Duration of Service
Salary definition	Basic Salary including Dearness Allowance (if any)
Benefit ceiling	No ceiling
Vesting conditions	5 years of continuous service (Not applicable in case of death / disability)
Benefit eligibility	Upon Death or Resignation / Withdrawal or Retirement
Retirement age	60 years

**(i) Entity's responsibilities for the governance of the plan****Risk to the Plan**

Following are the risk to which the plan exposes the entity:

**A Actuarial Risk:**

It is the risk that benefits will cost more than expected. This can arise due to one of the following reasons:

Adverse Salary Growth Experience: Salary hikes that are higher than the assumed salary escalation will result into an increase in Obligation at a rate that is higher than expected.

Variability in mortality rates: If actual mortality rates are higher than assumed mortality rate assumption than the Gratuity benefits will be paid earlier than expected. Since there is no condition of vesting on the death benefit, the acceleration of cash flow will lead to an actuarial loss or gain depending on the relative values of the assumed salary growth and discount rate.

Variability in withdrawal rates: If actual withdrawal rates are higher than assumed withdrawal rate assumption than the Gratuity benefits will be paid earlier than expected. The impact of this will depend on whether the benefits are vested as at the resignation date.

**Notes to Standalone financial statements for the year ended 31st March 2018****B Investment Risk:**

For funded plans that rely on insurers for managing the assets, the value of assets certified by the insurer may not be the fair value of instruments backing the liability. In such cases, the present value of the assets is independent of the future discount rate. This can result in wide fluctuations in the net liability or the funded status if there are significant changes in the discount rate during the inter-valuation period.

**C Liquidity Risk:**

Employees with high salaries and long durations or those higher in hierarchy, accumulate significant level of benefits. If some of such employees resign / retire from the company there can be strain on the cash flows.

**D Market Risk:**

Market risk is a collective term for risks that are related to the changes and fluctuations of the financial markets. One actuarial assumption that has a material effect is the discount rate. The discount rate reflects the time value of money. An increase in discount rate leads to decrease in Defined Benefit Obligation of the plan benefits & vice versa. This assumption depends on the yields on the corporate / government bonds and hence the valuation of liability is exposed to fluctuations in the yields as at the valuation date.

**E Legislative Risk:**

Legislative risk is the risk of increase in the plan liabilities or reduction in the plan assets due to change in the legislation / regulation. The government may amend the Payment of Gratuity Act thus requiring the companies to pay higher benefits to the employees. This will directly affect the present value of the Defined Benefit Obligation and the same will have to be recognized immediately in the year when any such amendment is effective.

- (ii) The company has participated in Group Gratuity Scheme Plan with Life Insurance Corporation of India (LIC), Reliance & HDFC life insurance co. Ltd through Gratuity Trust to meet its gratuity liability. The present value of the plan assets represents the balance available at the end of the year. The total value of plan assets is as certified by the LIC, Reliance, HDFC life insurance co. Ltd and SBI life insurance co. Ltd.

## (a) Composition of the plan assets

Particulars	31st March, 2018	31st March, 2017	31st March, 2016
Bank balance	0.12%	0.11%	0.11%
Policy of insurance	99.85%	98.89%	98.85%
Others	0.03%	1.00%	1.04%

- (b) The trustees of the plan have outsourced the investment management of the fund to an insurance company. The insurance company in turn manages these funds as per the mandate provided to them by the trustees and the asset allocation which is within the permissible limits prescribed in the insurance regulations. Due to the restrictions in the type of investments that can be held by the fund, it may not be possible to explicitly follow an asset-liability matching strategy to manage risk actively in a conventional fund.

## (c) Expected benefit payments as on 31 March 2018.

Particulars	1-3 years	4-5 years	6 year & Above
Cash flow ( ₹ in Crores)	4.70	7.77	128.96
Distribution ( in %)	3.40%	5.50%	91.10%

**(f) Expected benefit payments as on 31 March 2018 for Privilege Leave encashment benefits.**

Particulars	1-3 years	4-5 years	6 year & Above
Cash flow ( ₹ in Crores)	2.84	4.17	111.74
Distribution ( in %)	2.40%	3.50%	94.10%

**(g) Other Notes:**

- (i) The expected rate of return on Plan Assets is determined considering several applicable factors, mainly the composition of Plan Assets held, assessed risks, historical results of return on Plan Assets and the Company's policy for the Plan Assets management.
- (ii) The actuarial valuation takes into account the estimates of future salary increases, inflation, seniority, promotion and other relevant factors such as supply and demand in the employment market. The management has relied on the overall actuarial valuation conducted by the actuary.
- (iii) The company has provided long service award benefits to its employees who completed 15/20/25 Years of employment with company. Accordingly company has provided ₹ 0.83 Crores (Previous year ₹ 0.94 crores) on account of Long service award benefit. Current Liability as at 31st March 2018 is ₹. 0.13 Crores(Previous year ₹ 0.17 Crores) and Non- Current Liability is ₹ 0.70 Crores(Previous year ₹ 0.77 Crores).

# Consolidated financial statements

**REPORT OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA****COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) READ WITH SECTION 129(4) OF THE COMPANIES ACT, 2013 ON THE CONSOLIDATED FINANCIAL STATEMENTS OF GUJARAT GAS LIMITED FOR THE YEAR ENDED 31 MARCH 2018**

The preparation of Consolidated financial statements of **Gujarat Gas Limited** for the year ended 31 March 2018 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the Management of the Company. The Statutory Auditors appointed by the Comptroller and Auditor General of India under Section 139(5) read with section 129(4) of the Act are responsible for expressing opinion on the financial statements under Section 143 read with section 129(4) of the Act based on independent audit in accordance with the standards on auditing prescribed under Section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 11 May 2018.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit under Section 143(6)(a) read with section 129(4) of the Act of the consolidated financial statements of **Gujarat Gas Limited** for the year ended 31 March 2018. We conducted a supplementary audit of the financial statements of **Gujarat Gas Limited**, but did not conduct supplementary audit of the financial statements of **Guj Info Petro Limited** for the year ended on that date. Further, section 139(5) and 143(6)(b) of the Act are not applicable to **Gujarat Gas Limited Employees Welfare Stock Option Trust** being private entity, for appointment of their Statutory Auditor nor for conduct of supplementary audit. Accordingly, C&AG has neither appointed the Statutory Auditors nor conducted the supplementary audit of this company. This supplementary audit has been carried out independently without access to the working papers of the Statutory Auditors and is limited primarily to inquiries of the Statutory Auditors and Company personnel and a selective examination of some of the accounting records.

On the basis of my audit nothing significant has come to my knowledge which would give rise to any comment upon or supplement to Statutory Auditors' Report.

## INDEPENDENT AUDITOR'S REPORT

To

**The Members of  
Gujarat Gas Limited  
(Formerly known as GSPC Distribution Networks Limited)  
Gandhinagar**

### **Report on the Consolidated Ind AS Financial Statements**

We have audited the accompanying consolidated Ind AS financial statements of **Gujarat Gas Limited** (Formerly known as GSPC Distribution Networks Limited) ("the Holding Company") and Guj Info Petro Limited (associate of the holding company) and Gujarat Gas Limited Employee Stock Option Welfare Trust (Controlled Trust) (collectively referred to as "the Group"), comprising of the Consolidated Balance Sheet as at 31st March 2018, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated Ind AS financial statements").

### **Management's Responsibility for the Consolidated Ind AS Financial Statements**

The Holding Company's Board of Directors is responsible for the preparation of the consolidated Ind AS financial statements in terms of the requirements of the Companies Act, 2013 ("the Act") that give a true and fair view of the consolidated state of affairs (financial position), consolidated profit or loss (financial performance including other comprehensive income), consolidated cash flows and consolidated statement of changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Companies Act, 2013 (hereinafter referred to as "the Act") read with the Companies (Indian Accounting Standards) Rules, 2015 as amended.

The respective Board of Directors of the Companies and entities included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Board of Directors of the Holding Company, as aforesaid.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on the consolidated Ind AS financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

## INDEPENDENT AUDITOR'S REPORT

### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, of the consolidated state of affairs (financial position), of the Group as at 31st March 2018, and their consolidated profit or loss (financial performance including other comprehensive income), their consolidated cash flows and their consolidated statement of changes in equity for the year ended on that date.

### Other Matters

We did not audit the financial statement of associate company and controlled trust,

- a. from which the share of total comprehensive income of ₹ 1.29 Crores being share for the financial year 2017-18 and share of accumulated retained earnings of ₹ 23.36 Crores upto 31st March 2017 of the financial statement of Guj Info Petro Limited (associate of the holding company), have been considered in the consolidated Ind AS financial statements, and
- b. whose financial statement reflect total assets of ₹ 3.82 Crores as at 31st March 2018, total revenues of ₹ 0.18 Crore and net cash inflows amounting to ₹ 0.14 Crores for the year ended on that date of the financial statement of Gujarat Gas Limited Employee Stock Option Welfare Trust (Controlled Trust), as considered in the consolidated Ind AS financial statements.

The financial statement of the associate company and controlled trust have been audited by other auditors whose reports have been furnished to us by the Management, and our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of the associate company and controlled trust and our report in terms of sub-section (3) of section 143 of the Act, insofar as it relates to the aforesaid associate company, is based solely on the report of other auditor.

Our opinion on the Consolidated Ind AS Financial Statement, and our report on Other Legal and Regulatory Requirement below, is not modified in respect of the above matters with respect to our reliance on the work done and the report of the other auditors.

### Report on Other Legal and Regulatory Requirements

1. As required by sub-section 3 of Section 143 of the Act, we report, to the extent applicable, that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated Ind AS financial statements.
  - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books.
  - c) The consolidated balance sheet, the consolidated statement of profit and loss, the consolidated cash flow statement and consolidated statement of changes in equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated Ind AS financial statements.
  - d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act read with relevant rules issued thereunder.
  - e) As the Holding Company is a Government Company, in terms of notification no. G.S.R 463(E) dated 5th June 2015, issued by Ministry of Corporate Affairs, the sub-section (2) of section 164 of the Act is not applicable. Based on the report of the Statutory Auditor of the associate company, none of the directors of the associate company, is disqualified as on 31st March 2018 from being appointed as a director in terms of Section 164(2) of the Act.
  - f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our report in "Annexure – A", which is based on the auditor's reports of the Holding company and associated company incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
  - g) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The consolidated Ind AS financial statements disclose the impact of pending litigations on consolidated financial position of the Group in its consolidated Ind AS financial statements. Refer Note 40 to the consolidated Ind AS financial statements.

### INDEPENDENT AUDITOR'S REPORT

- ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the by the Holding Company and associate company incorporated in India.

## INDEPENDENT AUDITOR'S REPORT

### ANNEXURE – A

#### TO THE INDEPENDENT AUDITOR'S REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

(Referred to in paragraph 1 (f) under "Report on Other Legal and Regulatory Requirements" section of our Independent Auditor's Report, of even date, to the members of Gujarat Gas Limited (Formerly known as GSPC Distribution Networks Limited) on Consolidated Ind AS Financial Statements for the year ended 31 st March 2018)

#### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31 st March 2018, we have audited the internal financial controls over financial reporting of **Gujarat Gas Limited** (Formerly known as GSPC Distribution Networks Limited) ("**the Holding Company**") and its **Associate Company, Guj Info Petro Limited (GIPL)** which is company incorporated in India, as of that date.

#### **Management's Responsibility for Internal Financial Controls**

The Respective Board of Directors of the Holding Company and its Associate company, which is company incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor in terms of their report referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that-

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## INDEPENDENT AUDITOR'S REPORT

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Holding Company and its associate company, which is company incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

### **Other Matters**

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to its associate company, which is a Company incorporated in India, is based on the corresponding report of the auditor of such company incorporated in India.

**Notes to Consolidated Financial Statements for the year ended 31 st March, 2017****Note 1 Corporate Information****1. Corporate Information**

- a) Gujarat Gas Limited (GGL or "Company") (CIN : L40200GJ2012SGC069118) formerly known as GSPC Distribution Networks Limited (GDNL) is a public limited company domiciled in India and incorporated under the provisions of the Companies Act, 1956. GGL is a Government Company u/s 2(45) of Companies Act 2013. Its shares are listed on Bombay Stock Exchange and National Stock Exchange in India.

The registered office is located at Block No. 15, 3rd Floor, Udyog Bhavan, Sector- 11, Gandhinagar - 382 011 Gujarat, India.

The Company is engaged in Natural Gas Business in India. Natural gas business involves distribution of gas from sources of supply to centres of demand and to the end customers.

The scheme of amalgamation and arrangement was sanctioned by the Hon'ble Gujarat High Court at Ahmedabad vide its order dated 30th March 2015 between the following transferors companies -

1. GSPC Gas Company Limited (GSPC Gas)
2. Gujarat Gas Company Limited (GGCL)
3. Gujarat Gas Financial Services Limited (GFSL)
4. Gujarat Gas Trading Company Limited (GTCL)

(Collectively called Transferor Companies)

with Gujarat Gas Limited (formerly known as GSPC Distribution Networks Limited-GDNL) (the transferee) under the Scheme of Amalgamation and Arrangement with an appointed date of 1st April, 2013. Subsequently, the company's name has been changed from GSPC Distribution Networks Limited to Gujarat Gas Limited (GGL) with effect from 15th May 2015.

**b) Authorization of financial statements**

The Consolidated Financial Statements were approved and authorized for issue in accordance with a resolution passed in meeting of Board of the Directors held on 11 th May 2018.

**c) Functional and Presentation Currency**

The Consolidated financial statements are presented in Indian rupee (₹), which is the functional and presentation currency of the Group.

**Note 2 Significant Accounting Policies**

This note provides a list of the significant accounting policies adopted in the preparation of these Consolidated financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

**Basis of Preparation****(i) Statement of Compliance with Ind AS**

The consolidated financial statements has been prepared in accordance and comply in all material aspects with Indian Accounting Standards (Ind AS) notified and applicable under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act and read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

Effective date 1st April, 2016 with 1st April 2015 as transition date, the group had adopted all the Ind AS standards and the adoptions was carried out in accordance with Ind AS 101 First time adoption of Indian Accounting Standards including clarification issued by Ind AS Transition Facility (ITFG) on various issues. The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP.

All assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

**(ii) Historical cost convention**

The financial statements are prepared on accrual basis of accounting under historical cost convention, except for the following:

- certain financial assets and liabilities measured at fair value;

- defined benefit plans – plan assets measured at fair value; and
- Share based payments

### (iii) Principles of consolidation and equity accounting

The consolidated Financial Statements of the group represents consolidation of its Financial Statements with Gujarat Gas Limited Employees Welfare Stock Option Trust, a subsidiary and Guj Info Petro Limited (GIPL), an associate company (collectively referred to as 'the Group').

Name of the Undertaking	Relationship	Country of Incorporation	Proportionate beneficial ownership interest/voting power
Gujarat Gas Limited Employees Welfare Stock Option Trust	100% Sole beneficiary	India	100%
Guj Info Petro Limited (GIPL)	Associate	India	49.94%

### Subsidiaries

Subsidiaries are all entities (including structured entities) over which the group has control. The group controls an entity when the group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the group. They are deconsolidated from the date that control ceases.

The group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been aligned where necessary.

### Associates

Investment in associate has been accounted for using Equity Method in accordance with Ind AS 28 – Investments in Associates and Joint Ventures. Under the equity method of accounting, the investments are initially recognised at cost and adjusted thereafter to recognise the group's share of the post-acquisition profits or losses of the investee in profit and loss, and the group's share of other comprehensive income of the investee in other comprehensive income. Dividends received or receivable from associates and joint ventures are recognised as a reduction in the carrying amount of the investment.

Any excess / short of the amount of Investment in an associate over the cost of acquisition at the date of Investment is considered as Capital Reserve and has been included in carrying amount of Investment and disclosed separately. The carrying amount of Investment is adjusted thereafter for the post acquisition changes in the Share of net Asset of associate.

When the group's share of losses in an equity-accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, the group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the other entity.

Unrealised gains on transactions between the group and its associates are eliminated to the extent of the group's interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of equity accounted investees have been changed where necessary to ensure consistency with the policies adopted by the group.

The financial statements of associates are prepared up to the same reporting date as that of the company i.e. 31 st March 2018 for the current year, 31 st March 2017 for the comparative year.

### Use of estimates and judgements

The presentation of the financial statements are in conformity with the Ind AS which requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities, revenues and expenses and disclosure of contingent liabilities. Such estimates and assumptions are based on management's evaluation of relevant facts and circumstances as on the date of financial statements. The actual outcome may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to the accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment

within the next financial year are included in the following notes:

Note 3 - Useful lives of property, plant and equipment and intangible assets

Note 16 - Recognition and measurement of unbilled gas sales revenue

Note 24 & 25 - Recognition and measurement of other provisions

Note 37 - Current/deferred tax expense

Note 40 - Contingent liabilities and assets

Note 42 - Expected credit loss for receivables

Note 42 - Fair valuation of unlisted securities

Note 45 - Measurement of defined benefit obligations

**(a) Property, Plant and Equipment**

Property plant and equipment are stated at their cost of acquisition / construction less depreciation and impairment, if any. The cost comprises of the purchase price and any attributable cost for bringing the asset to its working condition for its intended use; like freight, duties, taxes and other incidental expenses, net of CENVAT or Goods and service tax (GST) credit.

The Company capitalises to project assets all the cost directly attributable and ascertainable, to completing the project. These costs include expenditure of pipelines, plant and machinery, cost of laying of pipeline, cost of survey, commissioning and testing charge, detailed engineering and interest on borrowings attributable to acquisition of such assets. The gas distribution networks are treated as commissioned when supply of gas commences to the customer(s).

Subsequent expenditures, including replacement costs where applicable, incurred for an item Property plant and equipment are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is de-recognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Component accounting of assets: If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment. The Company has identified, reviewed, tested and determined the componentisation of the significant assets.

Assets installed at customer premises, including meters and regulators where applicable, are recognised as property plant and equipment if they meet the definition provided under Ind AS 16 subject to materiality as determined by the management and followed consistently.

Any item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is charged to revenue in the income statement when the asset is derecognised.

The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset.

**Capital Work in Progress:**

Capital Work in Progress includes expenditure incurred on assets, which are yet to be commissioned and capital inventory, which comprises stock of capital items/construction materials at respective city gas network.

All the directly identifiable and ascertainable expenditure, incidental and related to construction incurred during the period of construction on a project, till it is commissioned, is kept as Capital work in progress (CWIP) and after commissioning the same is transferred / allocated to the respective "fixed assets".

Further, advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date are classified as capital advances under other non-current assets.

**(b) Investment Properties**

Investment properties comprises of free hold or lease hold land that are held for rental yield and/or capital appreciation.

Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed as and when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognised.

**(c) Intangible Assets**

Intangible Assets includes amount paid towards obtaining the Right of Use (ROU) of land and Right of Way (ROW) permissions for laying the gas pipeline network and cost of developing software for internal use. The Company capitalises software as Intangible Asset where it is expected to provide future enduring economic benefits. Cost associated with maintaining software programmes are recognised as expenses as and when incurred.

On the acquisition of an undertaking, the difference between the purchase consideration and the value of the net assets acquired is recognized as goodwill / reserve.

Any item of intangible assets is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the intangible asset (calculated as the difference between the net disposal proceeds and the carrying amount of the intangible asset) is charged to revenue in the income statement when the intangible asset is derecognised.

**(d) Depreciation and Amortisation methods, estimated useful lives and residual values**

Depreciation is calculated to systematically allocate the cost of property, plant and equipment, intangible asset and investment property net of the estimated residual values over the estimated useful life. Freehold land is not depreciated. Depreciation is computed using Straight Line Method (SLM) over the useful lives of the assets as specified in Schedule II to the Companies Act, 2013, read with the following notes:

- i. The Schedule specifies useful life of Pipelines as 30 years for those used in exploration, production and refining of oil and gas. The Company has considered the useful life of 30 years for the pipelines used in city gas distribution business.
- ii. City gas stations, skids, pressure regulating stations, meters and regulators are estimated to have useful life of 18 years based on technical assessment made by technical expert and management.
- iii. Cost of mobile phones, are expensed off in the year of purchase.

The management believes that these useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used. The useful lives are reviewed by the management at each financial year end and revised, if appropriate. In case of a revision, the unamortised depreciable amount (remaining net value of assets) is charged over the revised remaining useful lives.

Based on management estimate, residual value of 5% is considered for respective tangible assets except for the Pipeline Network assets where the residual value is considered to be NIL as the said assets technically and commercially not feasible to extract from underground.

The residual values, useful lives and methods of depreciation of property, plant and equipment (PPE) are reviewed at the end of each financial year and adjusted prospectively if appropriate.

Component accounting of assets: If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment and accordingly depreciated at the useful lives specified as above.

Depreciation on items of property, plant and equipment acquired / disposed off during the year is provided on pro-rata basis with reference to the date of addition / disposal.

Investment properties, if any are depreciated based on the useful life prescribed in Schedule II to the Companies Act, 2013.

Intangible assets are amortized over their individual estimated useful lives on a Straight Line basis, commencing from the year in which the same are available to the company for its intended use. The useful lives as estimated by the management for the intangible assets are as follows:

- |                                   |          |
|-----------------------------------|----------|
| I. Right of Way (ROW) Permissions | 30 Years |
|-----------------------------------|----------|

(Considered more than 10 years as inextricably linked and dependent on the useful life of pipeline networks as referred above for which the Right of Way has been obtained).

- |              |          |
|--------------|----------|
| II. Software | 6 Years. |
|--------------|----------|

Cost of lease-hold land is amortized equally over the period of lease.

No amortisation is charged on Right of Use (RoU) of land being perpetual in nature. The same is tested for impairment based on principles of Ind AS 36 discussed subsequently.

The Company has constructed / installed CNG stations' buildings and machineries, on land taken on lease from various lessor under lease deed for periods ranging from 35 years to 99 years. However, assets constructed / installed on such land have been depreciated at useful lives as referred above, as the management does not foresee non-renewal of the above lease arrangements by the lessor.

Capital assets /facilities installed at the customers' premises on the land of the customers/CNG franchisee whose ownership is not with the company have been depreciated at the useful lives specified as above.

**(e) Impairment of non-financial assets**

In accordance with Ind AS 36 on "Impairment of Assets" at the balance sheet date, non-financial assets are reviewed for impairment losses whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit. If any such indication exists, an estimate of the recoverable amount of the asset/cash generating unit is made. Assets whose carrying value exceeds their recoverable amount are written down to the recoverable amount. Recoverable amount is higher of an asset's or cash generating unit's net selling price and its value in use. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognized for an asset in prior accounting periods may no longer exist or may have decreased.

Impairment losses of continuing operations, including impairment on inventories, are recognised in the statement of profit and loss, except for properties previously revalued with the revaluation surplus taken to Other Comprehensive Income (OCI). For such properties, the impairment is recognised in OCI up to the amount of any previous revaluation surplus.

**(f) Revenue recognition**

Revenue is measured at fair value of the consideration received or receivable. The Group recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company and no significant uncertainty exists regarding the amount of consideration that will be derived from the sale of goods /services and regarding its collection. The Group bases its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each arrangement.

Sale of Natural Gas is recognized on supply of gas to customers by metered/assessed measurements as no significant uncertainty exists regarding the measurability or collectability of the sale consideration. Sales are billed bi-monthly for domestic customers, monthly/fortnightly for commercial and non-commercial customers and fortnightly for industrial customers as the timing of the transfer of risks and rewards varies depending on the individual terms of the sales agreement. Revenue on sale of Compressed Natural Gas (CNG) is recognized on sale of gas to consumers from retail outlets.

The amount recognised as revenue is stated inclusive of excise duty and exclusive of sales tax /value added tax (VAT) and Goods and service tax (GST) and is net of trade discounts or quantity discounts.

Unbilled revenue is recognised towards supply of natural gas already occurred for the period from the end of the last billing date to the Balance Sheet date based on the previous average consumption.

Gas transmission income is recognized in the same period in which the related volumes of gas are delivered to the customers.

Commitments (take or pay charges) income from customers for gas sales and gas transmission is recognized on accrual basis and establishment of certainty of receipt of consideration from its customers.

The amounts charged from customers for initial gas connections are accounted based on the terms of the underlying contract with customers when the performance obligation is satisfied. The performance obligation is considered to be satisfied on completion of the connection which is separate from supply of gas. Such revenue is accounted as Connection, Service and Fitting Income under other operating revenue.

The amounts collected towards connection charges from certain domestic customers are "non-refundable charges". Accordingly, the same are recognized as revenue as and when the Company commences the supply of gas to the customers and such amount is charged to customers. Until then, the amounts so collected are shown as "Advances received from customers" in the balance sheet. The company has provided the instalments facility to certain domestic customers towards "connection charges" which are non-refundable, the total amount of such instalments are recognized as revenue as and when the company commences the supply of gas to the customers.

The amounts collected from certain domestic customers which includes amount "refundable" in nature. Accordingly, the same are recognized as a liability under head "Deposit from Customers" in the balance sheet.

Revenue in respect of interest/ late payment charges on delayed realizations from customers and cheque bounce charges, if any, is recognized on grounds of prudence and on the basis of certainty of collection.

Liquidated damages, if any are recognized at the time of recording the purchase of materials in books of accounts and the matter is considered settled by the management.

Interest income is recognized on time proportion basis taking into account the amount outstanding and the rate applicable.

Dividend income is recognised, when the right to receive the dividend is established by the reporting date.

Investment property rental income is recognised as revenue on accrual basis as per the terms of the underlying contract with customers.

Other operating income and misc. income are accounted on accrual basis as and when the right to receive arises.

**Ind AS 115- Revenue from Contract with Customers:**

On March 28, 2018, Ministry of Corporate Affairs ("MCA") has notified the Ind AS 115, Revenue from Contract with Customers. The core principle of the new standard is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. This Standard permits two possible methods of transition, i.e. retrospective approach and modified retrospective method.

The effective date for the adoption of Ind AS 115 is financial periods beginning on or after April 1, 2018. The Company will adopt the standard on April 1, 2018.

The company has started assessment of significant impacts on transition to Ind AS 115. Based on nature of company's business and preliminary assessment of terms of contract with customers, the company does not expect any significant impacts on transition. However impact would be finalized based on a detailed assessment which has been initiated to identify the key impacts along with evaluation of appropriate transition options to be considered.

**(g) Borrowing**

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings –interest bearing loans are subsequently measured at amortised cost by using the effective interest method (EIR method). Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of borrowing using the effective interest method (EIR). The EIR Amortization is included as Finance Costs in the statement of profit and loss.

Fees paid on the establishment of loan facilities are recognised as transaction costs of loan to the extent that it is probable that some or all the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is deferred as a payment for liquidity services and amortised over the period of the facility to which it relates.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other income or other expenses as well as through the EIR amortization process.

Borrowings are classified as current liabilities unless the Group has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long term loan arrangement on or before the end of reporting period with the effect that the liability becomes payable on demand on the reporting date, the Company does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statement for issue, not to demand payment as a consequence of the breach.

**(h) Borrowing Cost**

The Group is capitalising general and specific borrowing costs that are directly attributable to the acquisition or construction of qualifying asset up to the date of commissioning. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. The Expenses incurred in connection with the arrangement of specific borrowings are capitalized over the period of the borrowing and every year such cost is apportioned to assets based on the actual amount borrowed during the year. All other borrowing costs are recognized as expense in the period in which they are incurred and charged to the statement of profit and loss.

Investment income earned on the temporary investment of specific borrowing pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

**(i) Financial Instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

**Financial Asset**

**Initial Recognition**

A financial asset or a financial liability is recognised in the balance sheet only when, the Company becomes party to the contractual provisions of the instrument.

**Initial Measurement**

At initial recognition, the Company measures a financial asset or financial liability at its fair value plus or minus, in the case of a

financial asset or financial liability not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition or issue of the financial asset or financial liability.

#### **Subsequent Measurement**

For purpose of subsequent measurement, financial assets are classified into:

- Financial assets measured at amortised cost;
- Financial assets measured at fair value through profit or loss (FVTPL); and
- Financial assets measured at fair value through other comprehensive income (FVTOCI).

The Company classifies its financial assets in the above mentioned categories based on:

- The Company's business model for managing the financial assets, and
- The contractual cash flows characteristics of the financial asset.

A financial assets is measured at amortised cost if both of the following conditions are met:

- The financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
- The contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

Financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

A financial asset is measured at fair value through other comprehensive income if both of the following conditions are met:

- The financial asset is held within a business model whose objective is achieved by both collecting the contractual cash flows and selling financial assets and
- The assets contractual cash flows represent SPPI.

A financial asset is measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income. In addition, the Company is elected to designate a financial asset, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

#### **Equity Investments:**

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company has made an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to statement of profit and loss, even on sale of investment. However, the Company is transferred the cumulative gain or loss within equity. Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Profit and Loss.

#### **De-recognition**

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

1. The contractual rights to the cash flows from the financial asset have expired, or
2. The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either
  - i) The Company has transferred substantially all the risks and rewards of the asset, or
  - ii) The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company

also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

#### **Embedded foreign currency derivative**

Embedded foreign currency derivatives are not separated from the host contract if they are closely related. Such embedded derivatives are closely related to the host contract, if the host contract is not leveraged, does not contain any option feature and requires payments in one of the following currencies:

- the functional currency of any substantial party to that contract,
- the currency in which the price of the related good or service that is acquired or delivered is routinely denominated in commercial transactions around the world,
- a currency that is commonly used in contracts to purchase or sell non-financial items in the economic environment in which the transaction takes place (i.e. relatively liquid and stable currency).

Foreign currency embedded derivatives which do not meet the above criteria are separated and the derivative is accounted for at fair value through profit and loss. The Group currently does not have any such derivatives which are not closely related.

#### **Impairment of Financial Assets**

The Company assesses impairment based on expected credit loss (ECL) model to the following:

- Financial assets measured at amortised cost
- Financial assets measured at fair value through other comprehensive income

Expected credit losses are measured through a loss allowance at an amount equal to:

- The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- Full time expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables or contract revenue receivables. Under the simplified approach, the Company is not required to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs together with appropriate management estimates for credit loss at each reporting date, right from its initial recognition.

The Company uses a provision matrix to determine impairment loss allowance on the portfolio of trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit and loss. This amount is reflected under the head 'other expenses' in the statement of Profit and Loss. The balance sheet presentation for various financial instruments is described below:

- Financial assets measured as at amortised cost and contractual revenue receivables - ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the company does not reduce impairment allowance from the gross carrying amount.
- Financial assets measured at FVTOCI - Since financial assets are already reflected at fair value, impairment allowance is not further reduced from its value. Rather, ECL amount is presented as accumulated impairment amount in the OCI.

For assessing increase in credit risk and impairment loss, the Company combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

The Company does not have any purchased or originated credit-impaired (POCI) financial assets, i.e., financial assets which are credit impaired on purchase/ origination.

#### **Financial Liabilities**

##### **Initial recognition and measurement**

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loan and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

#### **Subsequent measurement**

- Financial liabilities measured at amortised cost
- Financial liabilities subsequently measured at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to Profit and Loss. However, the Company is transferred the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss. The Company has not designated any financial liability as at fair value through profit and loss.

#### **Financial guarantee contracts**

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

#### **Loan and borrowings**

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

#### **Derecognition**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

#### **(j) Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the group or the counterparty.

#### **(k) Fair Value Measurement**

The Company measures certain financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to

measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as under, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Company's management determines the policies and procedures for both recurring fair value measurement, such as unquoted financial assets measured at fair value, and for non-recurring measurement, such as assets held for distribution in discontinued operations. The management comprises of the Managing Director/Chief Executive Officer and Chief Financial Officer.

External valuers are involved for valuation of significant assets, such as unquoted financial assets. Involvement of external valuers is decided upon annually by the Valuation Committee after discussion with and approval by the management. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained. Valuers are normally rotated every three years. The management decides, after discussions with the Company's external valuers, which valuation techniques and inputs to use for each case.

At each reporting date, the management analyses the movements in the values of assets and liabilities which are required to be re-measured or re-assessed as per the Company's accounting policies. For this analysis, the management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation.

The management, in conjunction with the Company's external valuers, also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes. (refer note 42)

1. Disclosures for valuation methods, significant estimates and assumptions.
2. Quantitative disclosures of fair value measurement hierarchy.
3. Investment in unquoted equity shares.
4. Financial instruments (including those carried at amortised cost).

#### **(l) Inventories**

Inventory of Gas (including inventory in pipeline and CNG cascades) is valued at lower of cost and net realizable value. Cost is determined on weighted average cost method.

Stores, spares and consumables are valued at lower of cost and net realizable value. Cost is determined on moving weighted average basis.

Inventories of Project materials (capital Inventory) are valued at cost on moving weighted average basis.

#### **(m) Non-current assets held for sale and discontinued operation**

Non-current assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and a sale is considered highly probable. They are measured at the lower of their carrying amount and fair value less costs to sell, except for assets such as deferred tax assets, assets arising from employee benefits, financial assets and contractual rights under insurance contracts, which are specifically exempt from this requirement.

An impairment loss is recognised for any initial or subsequent write-down of the asset to fair value less costs to sell. A gain is recognised for any subsequent increases in fair value less costs to sell of an asset, but not in excess of any cumulative impairment loss previously recognised. A gain or loss not previously recognised by the date of the sale of the non-current asset (or disposal group) is recognised at the date of de-recognition.

Non-current assets are not depreciated or amortised while they are classified as held for sale. Non-current assets classified as held for sale are presented separately from the other assets in the balance sheet.

A discontinued operation is a component of the Company that has been disposed of or is classified as held for sale and that represents a separate major line of business or geographical area of operations, is part of a single co-ordinated plan to dispose of such a line of business or area of operations, or is a subsidiary acquired exclusively with a view to resale. The results of discontinued operations are presented separately in the statement of profit and loss.

**(n) Foreign Currency Transactions**

**(i) Functional and Presentation Currency**

Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is the functional and presentation currency of the Group.

**(ii) Transactions and balances**

Foreign currency transactions are translated into the functional currency using the exchange rates at the date of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at the year-end exchange rates are generally recognised in profit or loss.

All foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other income or other expenses.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss.

**(o) Employee Benefits**

Employees Benefits are provided in the books as per Ind AS - 19 on "Employee Benefits" in the following manner:

**A. Post-employment benefit plans**

**I. Defined Contribution Plan**

Contribution towards provident fund for eligible employees are accrued in accordance with applicable statutes and deposited with the regulatory provident fund authorities (Government administered provident fund scheme). The Group does not carry any other obligation apart from the monthly contribution.

The Company's contribution is recognised as an expenses in the statement of Profit and Loss during the period in which the employee renders the related service.

**II. Defined benefit plan**

The company provides for gratuity, a defined benefit plan covering eligible employees in accordance with the Payment of Gratuity Act, 1972, through an approved Gratuity Fund. The Gratuity Fund is separately administered through a Trust/Scheme. Contributions in respect of gratuity are made to the approved Gratuity Fund.

The Company's liability is actuarially determined by qualified actuary (using the Projected Unit Credit method) at the end of each year and is recognized in the Balance sheet as reduced by the fair value of Gratuity Fund. Actuarial losses/ gains are recognized in the Statement of Other Comprehensive Income in the year in which they arise.

**III. Long term employee benefits**

The liability in respect of accrued leave benefits which are expected to be availed or en-cashed beyond 12 months from the end of the year, is treated as long term employee benefits.

The Company's liability is actuarially determined by qualified actuary at balance sheet date by using the Projected Unit Credit method. Actuarial losses/ gains are recognized in the Statement of Other Comprehensive Income in the year in which they arise.

**B. Other Long Term Service benefits**

**• Long Service Award (LSA):**

On completion of specified period of service with the company, employees are rewarded with Cash Reward of different amount based on the duration of service completed.

The Company's liability is actuarially determined by qualified actuary at balance sheet date at the present value of the amount payable for the same. Actuarial losses/ gains are recognized in the Statement of profit and loss in the year in which they arise.

**C. Short term employee benefits**

The undiscounted amount of short term employee benefits expected to be paid in exchange for services rendered by employees is recognized during the period when the employee renders the services. Short term employee benefits includes salary and wages, bonus, incentive and ex-gratia and also includes accrued leave benefits, which are expected to be availed or en-cashed within 12 months from the end of the year.

**D. Employee Stock Option Plan**

Share-based compensation benefits are provided to employees via Employee Stock Option Plan. For the stock options granted, the fair value as of the date of grant of option is recognised as employee benefit expenses with a corresponding increase in Stock Options Outstanding Account. The total expense is recognised on straight line basis over the vesting period, which is the period over which all of the specified vesting conditions are to be satisfied

**(p) Leases**

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

For arrangements entered into prior to 1 April 2015, the Company has determined whether the arrangement contain lease on the basis of facts and circumstances existing on the date of transition.

**As a Lessee****Finance Lease**

Lease of property, plant and equipment where the Company, as lessee, has substantially all the risks and rewards incidental to ownership are classified as finance leases.

At the commencement of the lease term, the Company recognises finance leases as assets in its balance sheet at amounts equal to the fair value of the leased property or, if lower, the present value of the minimum lease payments, each determined at the inception of the lease. The corresponding rental obligations, net of finance charges, are included in borrowings or other financial liabilities as appropriate. The discount rate used in calculating the present value of the minimum lease payments is the interest rate implicit in the lease, if this is practicable to determine. If not, the Company's incremental borrowing rate is used. Any indirect costs of the Company are added to the amount recognised as an asset.

Minimum lease payments is apportioned between the finance charge and the reduction of the outstanding liability. The finance cost is charged to the profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

**Operating lease**

Leases in which a significant portion of the risks and rewards incidental to ownership is not transferred to the Company as lessee are classified as operating leases. Lease payments under an operating lease are recognised as an expenses on a straight-line basis over the lease term unless either:

- another systematic basis is more representative of the time pattern of the user's benefit even if the payments to the lessors are not on that basis; or
- the payments to the lessor are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases. If payments to the lessor vary because of factors other than general inflation, then this condition is not met.

**As a Lessor****Finance Lease**

When substantially all of the risks and rewards of ownership transfer from the Company to the lessee then it is classified as finance lease. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

**Operating Lease**

Lease income from operating lease (excluding amount for services such as insurance and maintenance) is recognised in the statement of profit or loss on a straight-line basis over the lease term, unless either:

- another systematic basis is more representative of the time pattern of the user's benefit even if the payments to the Company are not on that basis; or
- the payments to the Company are structured to increase in line with expected general inflation to compensate for the

Company's expected inflationary cost increases. If payments to the Company vary because of factors other than general inflation, then this condition is not met.

**(q) Taxation**

Income tax expenses comprises current tax (i.e. amount of tax for the period determined in accordance with the Income Tax Law) and deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the period). Income tax expenses are recognised in statement of profit or loss except tax expenses related to items recognised directly in reserves (including statement of other comprehensive income) which are recognised with the underlying items.

**Income Taxes**

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period i.e. as per the provisions of the Income Tax Act, 1961, as amended from time to time. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Advance taxes and provisions for current income taxes are presented in the balance sheet after off-setting advance tax paid and income tax provision arising in the same tax jurisdiction for relevant tax paying units and where the Company is able to and intends to settle the asset and liability on a net basis.

**Deferred Taxes**

Deferred tax is provided in full on temporary difference arising between the tax bases of the assets and liabilities and their carrying amounts in financial statements at the reporting date. Deferred tax are recognised in respect of deductible temporary differences being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods, the carry forward of unused tax losses and the carry forward of unused tax credits.

Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets are not recognised for temporary differences between the carrying amount and tax bases of investments in subsidiaries, branches and associates and interest in joint arrangements where it is not probable that the differences will reverse in the foreseeable future and taxable profit will not be available against which the temporary differences can be utilised.

Deferred tax liabilities are not recognised for temporary differences between the carrying amount and tax bases of investments in subsidiaries, branches and associates and interest in joint arrangements where it is probable that the differences will not reverse in the foreseeable future.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

Any tax credit available including Minimum Alternative Tax (MAT) under the provision of the Income Tax Act, 1961 is recognised as deferred tax to the extent that it is probable that future taxable profit will be available against which the unused tax credits can be utilised. The said asset is created by way of credit to the statement of profit and loss and shown under the head deferred tax asset.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

**(r) Earnings Per Share****Basic Earnings Per Share**

Basic earnings per share is calculated by dividing the profit attributable to owners of the Company by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Group's earnings per share is the net profit for the period after deducting preference dividends, if any, and any attributable distribution tax thereto for the period.

**Diluted Earnings Per Share**

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account the after income tax effect of interest and other financing costs associated with dilutive potential equity shares and the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

**Treasury Share**

Treasury shares are not treated as outstanding ordinary equity shares and are therefore deducted from the number of equity shares outstanding during the period in consolidated financial statements.

**(s) Provisions, Contingent Liabilities and Contingent Assets**

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provision for contractual obligation is disclosed based on management's assessment of the probable outcome with reference to the available information supplemented by experience of similar transactions. When the Group expects some or all of a provision to be reimbursed, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

Provision in respect of loss contingencies relating to claims, litigation, assessment, fines, penalties etc. are recognised when it is probable that a liability has been incurred and the amount can be estimated reliably.

Provisions are not recognised for future operating losses. Provisions for restructuring are recognised by the Group when it has developed a detailed formal plan for restructuring and has raised a valid expectation that the Company will carry out the restructuring by starting to implement the plan or announcing its main features to those affected by it.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period and are not discounted to present value. The estimates of outcome and financial effect are determined by the judgment of the management, supplemented by experience of similar transactions and, in some cases, reports from independent experts.

The measurement of provision for restructuring includes only direct expenditures arising from the restructuring, which are both necessarily entailed by the restructuring and not associated with the ongoing activities of the Group.

Contingent liability is disclosed in the case of:

1. A present obligation arising from the past events, when it is not probable that an outflow of resources will be required to settle the obligation;
2. A present obligation arising from the past events, when no reliable estimate is possible;
3. A possible obligation arising from the past events, unless the probability of outflow of resources is remote.

Contingent liabilities are not provided for and if material, are disclosed by way of notes to financial statements.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity.

Contingent assets are not recognised in financial statements since this may result in the recognition of income that may never be realised. However, Contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

A contingent asset is disclosed by way of notes to financial statements, where an inflow of economic benefits is probable.

Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

**(t) Segment Reporting**

The Company primarily operates in the segment of Natural Gas Business. Natural gas business involves distribution of gas from sources of supply to centres of demand and to the end customers. The Managing Director/ Chief Executive Officer of the Company allocate resources and assess the performance of the Company, thus are the Chief Operating Decision Maker (CODM). The CODM monitors the operating results of the business as a single segment, hence no separate segment needs to be disclosed.

**(u) Cash and Cash Equivalents**

Cash and cash equivalents comprise cash and deposits with banks and corporations. The Group considers all highly liquid investments with original maturities of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions and other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

**(v) Statement of Cash Flows**

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Group are segregated.

**(w) Dividends**

The Company recognises a liability for dividends to equity holders of the Company when the dividend is authorised and the dividend is no longer at the discretion of the Company. As per the corporate laws in India, a dividend is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

**(x) Insurance Claims**

The company accounts for insurance claims when there is certainty that the claims are realizable and acknowledged by insurance company and amount recognized in books of accounts is as under:

- In case of loss of asset /goods by transferring, either the carrying cost of the relevant asset / goods or insurance value (subject to deductibles), whichever is lower under the head "Claims Recoverable-Insurance".
- In case insurance claim is, less than carrying cost the difference is charged to Profit and Loss statement. As and when claims are finally received from insurer, the difference, if any, between Claims Recoverable-Insurance and claims received is adjusted to Profit and Loss statement.

**(y) Events occurring after the Reporting Date**

Adjusting events (that provides evidence of condition that existed at the balance sheet date) occurring after the balance sheet date are recognized in the financial statements. Material non adjusting events (that are inductive of conditions that arose subsequent to the balance sheet date) occurring after the balance sheet date that represents material change and commitment affecting the financial position are disclosed in the Directors' Report.

**(z) Exceptional Items**

Certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Company is such that its disclosure improves the understanding of the performance of the Company, such income or expense is classified as an exceptional item and accordingly, disclosed in the notes accompanying to the financial statements.

**(aa) Prior Period Adjustments and Pre-paid Expenses**

In respect of the transactions pertaining to the one or more prior periods, the expenditure / (income) relating to prior period as a result of errors or omission in the preparation of financial statements, the Company has specified the limit of transaction upto ₹ 0.05 crore in each case for items pertaining to prior period and prepaid items and same is recognised to Statement of Profit and Loss as and when incurred.

**(ab) Rounding off**

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Crores as per the requirements of Schedule III, unless otherwise stated.

**(i) Amount recognised in profit and loss for investment properties****(₹ in Crores)**

<b>Particulars</b>	<b>As at 31st March 2018</b>	<b>As at 31st March 2017</b>
Rental Income	0.14	0.31
<b>Profit from investment properties</b>	<b>0.14</b>	<b>0.31</b>

**(ii) Contractual Obligations**

The Company has no contractual obligations to purchase, construct or develop investment property or for its repair, maintenance or enhancements.

**(iii) Leasing Arrangements**

The investment property is leased to tenants under long term operating leases with rentals payable annually. The lease period is 10 years (extendable as mutually agreed). Either party can terminate the agreement by giving 6 months notice (Non cancellable period). The future minimum lease payments receivables for 6 months can not be determined as the amount of rent is dependent on various other factors.

**(iv) Fair Value****(₹ in Crores)**

<b>Particulars</b>	<b>As at 31st March 2018</b>	<b>As at 31st March 2017</b>
Investment Properties	2.40	2.40

**Estimation of Fair Value**

The Company obtains independent valuations for its investment properties once in every three years. The best evidence of fair value is current prices in an active market for similar properties. Where such information is not available, the Company consider information from a variety of sources including:

1. Current prices in an active market for properties of different nature or recent prices of similar properties in less active markets, adjusted to reflect those differences
2. Discounted cash flow projections based on reliable estimates of future cash flows
3. Capitalised income projections based upon a property's estimated net market income, and a capitalisation rate derived from an analysis of market evidence

The fair values of investment properties have been determined by based on independent valuer's valuation certificate. The main inputs used are the rental growth rates, jantry value guideline and sales comparison approach based on comparable transactions and industry data. All resulting fair value estimates for investment properties are included in level 3.

**(v) Security Pledge:** Refer to Note 20 on borrowings for details in terms of pledge of assets as security.

(vi) There is no restriction on the title and realisability of investment property or remittance of income and proceeds of disposals.

**Note 5.1.1. Right of Way (ROW)** Permissions: The useful lives of Right of Way (ROW) Permissions as estimated by the management for the amortization is 30 years. The useful lives of ROW Permission are inextricably linked with the pipeline networks being laid, which corresponds with the useful life of 30 years of Plant and Machinery - Pipelines network for which the Right of Way (ROW) Permission has been obtained. The Useful life of 30 years of the Right of Way (ROW) Permissions is dependent on the useful life of Plant and Machinery - Pipelines i.e. Pipeline network of the company.

**Note 5.1.2 Right of use (ROU):** The company acquires the 'right of use' (hereinafter referred to as 'ROU') for the purpose of laying and maintenance of the underground pipeline and vests in the company and the company has the right to use the same in the manner for which it has been acquired. The acquisition of ROU is governed by the legal process as per the Act, the company has paid the compensation / consideration of the ROU - land determined by the competent authority under the Act and any person authorised by the company, have unrestricted right of entry and lay/pipeline or do any other act necessary for the purpose of laying of pipeline. The company has disclosed the cost incurred for acquisition of ROU as 'Right of Use' in the Intangible Asset schedule. Since the ROU does not have a defined life, it is perpetual in nature. Accordingly based on requirements of Ind AS 38 - Intangible Assets, the same is tested for impairment and not amortised."

**Note 5.1.3- Impairment of Assets:** There is no impairment of any assets in terms of Ind AS - 36 on "Impairment of Assets". Based on the review, the management is of the opinion that there are no impairment indicators that necessitate any adjustments to the carrying value of intangible assets.

**Note 5.1.4 - Borrowing Cost :** Additions to the intangible assets during the current year includes borrowing costs capitalized ₹ 0.09 Crores (Previous Year ₹ 0.09 Crores) pertaining to borrowings for qualifying assets as per the requirements of Ind AS - 23 "Borrowing Costs".

**Note 18.3****Terms/ rights attached to equity shares**

The Company has only one class of equity shares having a face value of ₹ 10 per share. Each holder of equity shares is entitled to one vote per share. The company declares and pays dividends in Indian rupees. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting. In the event of liquidation of the company, the holders of equity shares will be entitled to receive residual assets of the company. The distribution will be in proportion to the number of equity shares held by the shareholders.

**Note 18.4 Share holding by prescribed entities**

Out of Equity shares issued by the company, shares held by its holding company and their subsidiaries and associates are as under:

**Nature and purpose of reserves:****General reserve**

The general reserve is used from time to time to transfer profits from retained earnings for appropriation purpose. As the general reserve is created by transfer from one component of equity to another and is not an item of other comprehensive income, items included in the general reserve will not be reclassified subsequently to profit and loss.

**Amalgamation and Arrangement Reserve**

The "Amalgamation and Arrangement Reserve" created pursuant to scheme of amalgamation and arrangement is treated as free reserve based on the judgment of Honorable Gujarat High Court dated 18th April 2015 read with relevant other court decisions.

**Debenture redemption reserve**

The Company had issued Non convertible debentures and as per the provisions of the Companies Act, 2013, had created debenture redemption reserve out of the profits of the company available for payment of dividend. The Non convertible debentures had been redeemed in April 2016 hence balance of debenture redemption reserve transferred to retained earnings.

**Notes to Consolidated financial statements for the year ended 31st March 2018****Employees Stock Options Outstanding**

The Employee stock options outstanding account is used to recognise the grant date fair value of options issued to employees under Employee stock option plan.

**Equity instrument through OCI**

The Company has elected to recognise changes in the fair value of certain investments in equity securities in other comprehensive income. These changes are accumulated within the Equity instrument through OCI reserve within equity.

**Treasury Shares:**

The shares of the company held by the Gujarat Gas Limited Employees Welfare Stock Option Trust (ESOP Trust) have been accounted as treasury shares and presented as a part of statement of changes in equity in accordance with IND AS.

The company offsets tax assets and liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority.

Significant management judgment is required in determining provision for income tax, deferred income tax assets and liabilities and recoverability of deferred income tax assets. The recoverability of deferred income tax assets is based on estimates of taxable income by each jurisdiction in which the relevant entity operates and the period over which deferred income tax assets will be recovered.

(b) Estimated amount of contracts remaining to be executed on Revenue account and not provided for	330.79	345.92
<b>Total (B)</b>	<b>846.66</b>	<b>1,037.94</b>
<b>TOTAL (A+B)</b>	<b>1,363.93</b>	<b>1,414.59</b>

\*Refer note no 49 for details of group's shares in contingent liabilities of associate company.

The Group has reviewed all its pending claims, litigations and proceedings and has adequately provided for where provisions are required and disclosed as contingent liabilities where applicable, in its financial statements. The Group does not expect the outcome of these claims, litigations and proceedings to have a materially adverse effect on its financial position.

**Note 40.1 - Contingent Liabilities - Statutory claims****(₹ in Crores)**

<b>Particulars</b>	<b>As at 31st March 2018</b>	<b>As at 31st March 2017</b>
Disputed statutory dues in respect of which Appeals are filed against / by Group :		
(a) Excise Duty	17.48	16.38
(b) Income Tax	33.27	105.84
(c) Service Tax	40.59	40.46
<b>TOTAL</b>	<b>91.34</b>	<b>162.68</b>

The Group is contesting the demands and the management including its advisors believe that its position is likely to be upheld in the appellate process. No tax expense has been accrued in the financial statements for the tax demand raised. The management believes that the ultimate outcome of these proceedings will not have a material adverse effect on the group's financial position and results of operations.

**Note 40.2 - Claims against the Group not acknowledged as debt**

- (i) UPL Limited (UPL) a customer of erstwhile Gujarat Gas Company Limited (now known as Gujarat Gas Limited) filed a complaint before Petroleum and Natural Gas Regulatory Board (PNGRB) against erstwhile GGCL alleging charging of tariff illegally under the City Gas Network Distribution Agreement entered into between the Parties. The matter was decided against the company by PNGRB. The company has preferred an appeal at Appellate Tribunal for Electricity (APTEL) against the PNGRB Order. The company has also sought an interim stay on the PNGRB order which was granted by APTEL. The APTEL has in its order stated that it is an interim order without considering the merits of the case. The company has submitted bank guarantee of ₹40 Crores in favour of UPL.
- (ii) Erstwhile Gujarat Gas Company Limited and Erstwhile GSPC Gas Company Limited (Now collectively known as Gujarat Gas Limited "GGL") had signed Gas supply agreement with Gujarat State Petroleum Corporation Limited (GSPCL) for purchase of Regasified liquefied natural gas (RLNG). As per the provision of said agreement, GGL has to pay interconnectivity charges to GSPCL for the supply and purchase of RLNG at Delivery point which is charged to GSPCL by their supplier i.e. PLL Off takers (GAIL India, BPCL, IOCL).

PGNRB had vide its orders dated 13.09.2011 of Chairman and dated 10.10.2011 of the majority members (three member panel of Board) unanimously held that GAIL had adopted Restrictive Trade Practices by blocking off direct connectivity to GSPC and further, directed Respondents to immediately give direct connectivity to GSPC at Dahej Terminal. The PLL Offtakers (GAIL) filed appeals against the said PNGRB orders before the Appellate Tribunal for Electricity (APTEL). On 23-February-2012 APTEL had issued an interim order for shifting the Delivery Point from GAIL-GSPL Delivery Point to GSPL-PLL Delivery Point. On 18-December-2013 APTEL issued its judgment and required GSPCL to pay the amount of the difference between ₹ 8.74/MMBTU (exclusive of Service Tax) - earlier connectivity charges and ₹ 19.83/MMBTU (Exclusive of Service Tax) - HVJ/DVPL Zone-1 tariff to GAIL for the period from 20th November 2008 to 29th February 2012.

**Notes to Consolidated financial statements for the year ended 31st March 2017**

GSPCL has filed an appeal against the APTEL's above referred judgment before Hon'ble Supreme Court of India (GSPCL vs. GAIL & Others, Civil Appeal No. 2473-2476 of 2014) and the Hon'ble Supreme Court of India had passed the Interim Order on 28th February 2014. The Court has stated that the ends of justice would be met if as a matter of interim arrangement, the appellant is directed to pay interconnectivity charges at the rate of ₹ 12.00 per MMBTU (exclusive of Taxes). The Company has already provided and paid interconnectivity charges at the rate of ₹ 12.00 per MMBTU (exclusive of Taxes).

- (iii) One of the gas suppliers of the Company has submitted a claim of ₹ 134.90 Crores (P. Y. ₹ 108.44 Crores), for overdrawn use of gas against demand in earlier years. The company has refuted this erroneous claim contending that no contractual provisions of the agreement executed with GGL allow such claim. The management is of the firm view that the company is not liable to pay any such claim. The company has already taken up the matter with concerned party/authorities to withdraw the claim.
- (iv) During this year, the company has initiated an arbitration proceeding against one of the franchisees claiming compensation for loss of revenue. While replying to the claim, the said franchisee has also filed a counter claim of ₹ 177.14 Crores against the company claiming compensation for various losses. The company has filed necessary rejoinder to the counter claim strongly refuting the same mainly on the grounds that the claims are wrong and as are not flowing from the same agreement under which the arbitral tribunal has been constituted the tribunal does not have any jurisdiction to adjudicate the claim.

**Note 40.3 - Contingent Liabilities - Stamp duty on amalgamation**

The office of superintendent of stamp has issued demand of stamp duty of ₹ 43.53 crores for the transaction of scheme of amalgamation and arrangement. The Company has filed the appeal before Chief Controlling Revenue Authority - CCRA on 20.12.2016 by paying 25% of demand of ₹ 10.88 crores. The Company has already provided the liability of ₹ 25 crores in the books of accounts for the financial year 2015-16.

**(B) CONTINGENT ASSETS**

The Group is having certain claims, litigations and proceedings which are pursuing through legal processes. The management believe that probable outcome in all such claims, litigations and proceedings are uncertain. Hence, the disclosure of such claims, litigations and proceedings is not required in the financial statements.

**Note 41 Disclosure as required by the Micro, Small and Medium Enterprises Development Act, 2006 (₹ in Crores)**

Sr. No.	Particulars	As at 31st March 2018	As at 31st March 2017
1	The principal amount outstanding as at the end of accounting year.	13.07	14.74
2	Principal amount due and remaining unpaid as at the end of accounting year.	-	-
3	Interest paid by the company in terms of section 16 of the Micro, Small and Medium Enterprises Development Act, 2006, along with the amount of the payment made to the supplier beyond the appointed day during accounting year	-	-
4	Interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the Micro, Small and Medium Enterprises Development Act, 2006	-	-
5	Interest accrued and remaining unpaid at the end of accounting year (Refer Note below)	0.01	0.01
6	Further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise, for the purpose of disallowance as a deductible expenditure under section 23 of the Micro, Small and Medium Enterprises Development Act, 2006.	-	-

**Note:** No interest has been paid by the Company to the enterprises covered under Micro, Small and Medium Enterprises Development Act, 2006 according to the terms agreed with the enterprises.

# Fair value of financial assets and liabilities which are measured at amortised cost is not materially different from the carrying value (ie..amortised cost).

**Level 1:** Level 1 hierarchy includes financial instruments measured using quoted prices. This includes mutual funds that have quoted price. The mutual funds are valued using the closing NAV.

**Level 2:** The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

**Level 3:** If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities included in level 3.

**Notes to Consolidated financial statements for the year ended 31st March 2018****B. Measurement of fair values**

i) Valuation techniques and significant unobservable inputs

The following tables show the valuation techniques used in measuring Level 2 and Level 3 fair values, as well as the significant unobservable inputs used.

**Financial instruments measured at fair value – FVTOCI in unquoted equity shares**

Valuation technique	Significant unobservable inputs	Inter-relationship between significant unobservable inputs and fair value measurement
<p><b>Market comparison technique:</b> The valuation model is based on three approaches:</p> <p><b>1. Market approach :</b> This approach uses information generated by market transactions of the Company being valued or the transactions of comparable companies. The following market-linked information may be used for determining valuation under this approach.</p> <ul style="list-style-type: none"> <li>● Quoted price of the company being valued,</li> <li>● Past transaction value of the company being valued,</li> <li>● Listed comparable companies' trading multiples like price to earning ratio, enterprise value to earning before interest, tax, depreciation and amortisation, enterprise value to sales etc.</li> <li>● Transactions multiples for investment / M &amp; A transaction of comparable companies.</li> </ul> <p>The valuation arrived at based on the market approach reflects the current value of the Company perceived in the active market. However, as the valuation arrived at using market multiples is based on the past/current transaction or traded values of comparable companies/businesses, it may not reflect the possible changes in future trend of cash flows being generated by a business.</p>	<p>Comparable unobservable entity has been taken as a base for the valuation of unquoted equity shares and its management's own assumptions for arriving at a fair value such as projected cash flows used to value a business etc.</p> <p>As stated, highest priority is given to unadjusted quoted price of listed entities and lowest priority to non-market linked inputs such as future cash flows used in income approach.</p>	<p>The estimated fair value would increase (decrease) if: There is a change in pricing multiple owing to change in earnings of the entity.</p> <p>Considering the diverse asset and investment base of the Company with differing risk/return profiles, a sum of the parts approach has been adopted for the valuation. Under this method, the value of each distinct business/asset/investment has been arrived at separately and total value estimate for the Company presented as the sum of all its business / investments/assets.</p>
<p><b>2. Income approach :</b> The income approach reflects present value of future cash flows. For valuing a business, the discounted cash flow (DCF) methodology is used under this approach. This methodology works on the premise that the value of a business is measured in terms of future cash flow streams, discounted to the present time at an appropriate discount rate. This method is used to determine the present value of business on a going concern assumption. The DCF technique recognizes the time value of money.</p> <p>The value of the firm is arrived at by estimating the Free Cash Flow to Firm (FCFF) and discounting the same at the Weighted Average Cost of Capital (WACC). FCFF is estimated by forecasting free cash flows available to the firm (which are derived on the basis of the likely future earnings of the company).</p>		
<p><b>3. Cost approach -</b> The cost approach essentially estimates the cost of replacing the tangible assets of the business. The replacement cost takes into account the market value of various assets or the expenditure required to create the infrastructure exactly similar to that of a company being valued.</p>		

**ii) Transfers between Levels 1 and 2**

There have been no transfers between Level 1 and Level 2 during the reporting periods.

**Notes to Consolidated financial statements for the year ended 31st March 2018****iii) Level 3 fair values**

Movements in the values of unquoted equity instruments for the period ended 31st March 2018, 31st March 17 is as below:

(₹ in Crores)	
Particulars	Amount
<b>As at 1 April 2016</b>	<b>120.44</b>
Acquisitions/ (disposals)	-
Gains/ (losses) recognised in other comprehensive income	(52.19)
Gains/ (losses) recognised in statement of profit or loss	-
<b>Closing Balance as at 31 March 2017</b>	<b>68.25</b>
Acquisitions / (disposals)	-
Gains / (losses) recognised in other comprehensive income	(52.19)
Gains / (losses) recognised in statement of profit or loss	-
<b>Closing Balance as at 31 March 2018</b>	<b>16.06</b>

**Transfer out of Level 3**

There were no movement in level 3 in either directions during the year ended 31st March 2018 and the year ended 31st March 2017. Ind AS 101 allows an entity to designate certain investments in equity instruments as fair valued through the OCI on the basis of the facts and circumstances at the transition date to Ind AS. The Company has elected to apply this exemption for its investment in equity shares.

**Sensitivity analysis**

Based on the valuation report for investments in unquoted shares, the sensitivity as as 31st March 2018 is provided below.

(₹ in Crores)		
Significant observable inputs	31-March18	31-March17
	OCI	OCI
	Decrease	Decrease
<b>Equity securities in unquoted investments measured through OCI</b>		
Forecast gas trading margin 25% decrease	15.90	17.01

**C. Financial risk management**

The Company has exposure to the following risks arising from financial instruments:

- Credit risk;
- Liquidity risk; and
- Market risk

**i. Risk management framework**

The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework.

The Company has a well-defined Risk Management framework for reviewing the major risks and has adopted a Business Risk Management Policy which also takes care of all the financial risks. Further, pursuant to the requirement of Regulation 21 of SEBI (Listing obligation and disclosure Requirements) Regulation, 2015, the company has constituted a Risk Management Committee inter - alia to monitor the Risk Management Plan of the Company.

The Group Heads Committee supported by Chief Financial Officer oversees the management of these risks. The Company's senior management is supported by Risk Management Committee that advises on financial risk and appropriate financial risk governance framework for the Company. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The audit committee oversees how management monitors compliance with the company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee. The Board of Directors reviews and agrees policies for managing each of these risks.

**Notes to Consolidated financial statements for the year ended 31st March 2018****Note 42 Financial instruments – Fair values and risk management (continued)****ii. Credit risk**

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investments in debt securities.

The carrying amount of following financial assets represents the maximum credit exposure:

**(a) Other financial assets**

The company maintains its Cash and cash equivalents and Bank deposits with banks having good reputation, good past track record and high quality credit rating and also reviews their credit-worthiness on an on-going basis.

**(b) Trade and other receivables**

The Company's exposure to credit Risk is the exposure that Company has on account of goods sold or services rendered to a contractual counterparty or counterparties, whether with collateral or otherwise for which the contracted consideration is yet to be received. The Company's customer base are Industrial, Commercial-Non Commercial, Domestic and CNG.

The Commercial and Marketing department has established a credit policy for each category of customer viz. industrial, domestic and commercial.

The Company raises the invoice for quantities sold based on periodicity as per the agreement. Sales are subject to security deposit and/or bank guarantee clauses to ensure that in the event of non-payment the company's receivables are secured. In case of short/non receipt of security deposit/or bank guarantee, the Company is exposed to credit risk to that extent.

For sales to domestic customers for household purposes like cooking, geyser application, etc., invoices are raised periodically. Security deposits along with connection deposits are taken for mitigation of potential credit risk arising in the event of non-payment of invoices. Company is exposed to credit risk beyond the value of deposits.

CNG sales made through operators of the CNG stations owned by the Company and CNG Franchises outlet are exposed to credit risk as amounts so collected is deposited/transferred in company bank account on next working day. Bank Guarantee / Security Deposit is taken to mitigate the credit risk. In case of short/non receipt of security deposit/or bank guarantee, the Company is exposed to credit risk to that extent. For CNG sales made through Oil Marketing Companies (OMCs), the Company raises the invoice for quantities sold based on periodicity as per the agreement. The OMCs are well established companies viz. HPCL, BPCL, IOC, Essar Oil Ltd. where no significant credit risk is anticipated.

The Company provides for allowance for impairment that represents its estimate of expected losses in respect of trade and other receivables.

A default on a financial asset is when the counter party fails to make contractual payment within 180 days of when they fall due. This definition of default is determine by considering the business environment in which the company operates and other macro economic factors.

Assets are written off when there are no reasonable expectation of recovery such as debtor declaring bankruptcy or failing to engage in a repayment plan with group. Where receivables have been written off the company continues to engage in enforcement activity to attempt to recover the receivables. where recoveries are made, these are recognised in profit and loss.

**The maximum exposure to credit risk for trade and other receivables by geographic region was as follows:****(₹ in Crores)**

Particulars	Carrying amount	
	31st March 2018	31st March 2017
India	397.14	352.89
Other regions	-	-
<b>Total</b>	<b>397.14</b>	<b>352.89</b>

**Expected credit loss for Trade receivables under Simplified Approach****(₹ in Crores)**

Particulars	Carrying amount	
	31st March 2018	31st March 2017
Neither past due nor impaired	340.91	296.12
Past due 1-90 days	43.17	44.33
Past due 91-180 days	2.43	2.34
Past due 181 to 1085 days	6.30	8.19
Greater than 1085 days	4.33	1.91
	397.14	352.89
Less: Expected credit losses (Allowance for bad and doubtful)	5.43	5.38
<b>Carrying amount of Trade Receivable (net of impairment)</b>	<b>391.71</b>	<b>347.51</b>

**Notes to Consolidated financial statements for the year ended 31st March 2018****Movement in Allowance for bad and doubtful Trade receivable****(₹ in Crores)**

Particulars	31st March, 2018	31st March, 2017
Opening Allowance for bad and doubtful Trade receivable	5.38	4.43
Provision during the year	0.05	0.95
Write off during the year	-	-
<b>Closing Allowance for bad and doubtful Trade receivable</b>	<b>5.43</b>	<b>5.38</b>

The impairment provisions above are based on management judgment / assumptions about risk of default and expected loss rates. The Company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on the company's past history as well as forward looking estimates at the end of each reporting period.

**(c) Loans and deposits - security deposits**

Company has given security deposit to various government authorities (like Municipal corporation, Nagarpalika, Grampanchayat, Road & building division and Irrigation department -of Govt. of Gujarat etc. ) for the permission related to work of executing / laying pipeline network in their premises / jurisdiction. Being government authorities the Companies are not exposure to any credit risk.

**Movement in Allowance for bad and doubtful Security deposits-Project authority****(₹ in Crores)**

Particulars	31st March, 2018	31st March, 2017
Opening Allowance for bad and doubtful Security deposits	10.28	7.07
Provision during the year	3.38	3.58
Recovery/Adjustment during the year	(2.85)	(0.37)
Write off during the year	(0.01)	-
<b>Closing Allowance for bad and doubtful Security deposits</b>	<b>10.80</b>	<b>10.28</b>

The impairment provisions for financial assets - Loan and advances - Security Deposit as disclosed above are based on management judgment / assumptions about risk of performance default. The Company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on the company's past history as well as forward looking estimates at the end of each reporting period.

**iii. Liquidity risk**

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

**The Company maintains the following lines of credit outstanding:**

- (a) Term loans from banks and financial institution of ₹ 2326.94 crores (Previous year: ₹ 2351.60 crores) that is secured by First pari - passu charge on all Present and future fixed assets & Property, plant, equipment (PPE)(Movable & Immovable) of the the Company and Second pari -passu charge on Present & Future Current Assets (financial and non financial assets) of the Company. Interest rate payable varying from 8% - 8.35%.

**Financing arrangement**

The Company had access to the following undrawn borrowing facilities at the end of the reporting period.

**(₹ in Crores)**

Particulars	31st March, 2018	31st March, 2017
<b>Floating rate</b>		
Expiring within one year (term loans, bank overdraft and other facilities)	240.00	490.00
Expiring beyond one year (term loans, bank overdraft and other facilities)	-	-
<b>Total</b>	<b>240.00</b>	<b>490.00</b>

**Notes to Consolidated financial statements for the year ended 31st March 2018****Exposure to liquidity risk**

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements.

(₹ in Crores)

31st March, 2018	Carrying amount	Contractual cash flows				
		Total	Less than 12 months	1-2 years	2-5 years	More than 5 years
<b>Non-derivative financial liabilities</b>						
Non current borrowings	2,212.99	2,212.99	-	297.84	730.60	1,184.55
Non current financial liabilities	-	-	-	-	-	-
Current financial liabilities	1.28	1.28	1.28	-	-	-
Trade and other payables	296.53	296.53	296.53	-	-	-
Other current financial liabilities	1,154.85	1,154.85	1,154.85	-	-	-
	<b>3,665.65</b>	<b>3,665.65</b>	<b>1,452.66</b>	<b>297.84</b>	<b>730.60</b>	<b>1,184.55</b>

Other current financial liabilities include customer deposits which are considered repayable on demand and hence current. These were classified as non-current under the previous GAAP.

(₹ in Crores)

31st March, 2017	Carrying amount	Contractual cash flows				
		Total	Less than 12 months	1-2 years	2-5 years	More than 5 years
<b>Non-derivative financial liabilities</b>						
Non current borrowings	2,291.41	2,291.41	-	123.89	525.36	1,642.16
Non current financial liabilities	-	-	-	-	-	-
Current financial liabilities	7.28	7.28	7.28	-	-	-
Trade and other payables	317.41	317.41	317.41	-	-	-
Other current financial liabilities	989.63	989.63	989.63	-	-	-
	<b>3,605.73</b>	<b>3,605.73</b>	<b>1,314.32</b>	<b>123.89</b>	<b>525.36</b>	<b>1,642.16</b>

The gross inflows/(outflows) disclosed in the above table represent the contractual undiscounted cash flows relating to non-derivative financial liabilities held for risk management purposes and which are not usually closed out before contractual maturity.

**iv. Market risk**

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits and FVTOCI investments.

**a) Currency risk**

The functional currency of the Company is Indian Rupee. The Company's transactions are majorly denominated in INR and the quantum of the foreign currency transactions being immaterial, the company is not exposed to currency risk on account of payables and receivables in foreign currency. The company does not have any exports. Import amount to 0.002% (Previous Year 0.01%) of total consumption, this is not perceived to be a major risk.

**b) Interest rate risk**

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates.

On period under review the Company do not have any borrowings at fixed rate and has not entered into interest rate swaps for its exposure to long term borrowings at floating rate.

(₹ in Crores)

Variable-rate instruments	31st March, 2018	31st March, 2017
Non current - Borrowings	2,212.99	2,291.41
Current portion of Long term borrowings	113.95	60.19
<b>Total</b>	<b>2,326.94</b>	<b>2,351.60</b>

**Notes to Consolidated financial statements for the year ended 31st March 2018****Sensitivity analysis**

Profit or loss is sensitive to higher/lower interest expense from borrowings as a result of change in interest rates.

The Company does not account for any fixed-rate financial assets or financial liabilities at fair value through profit or loss, and the Company does not have any designate derivatives (interest rate swaps). Therefore, a change in interest rates at the reporting date would not affect profit or loss.

A reasonably possible change of 100 basis points in interest rates at the reporting date would have increased (decreased) Equity and Profit or Loss by the amount shown below:

(₹ in Crores)

Particulars	Profit or (Loss)		Equity (net of tax)	
	100 bp Increase	100 bp decrease	100 bp Increase	100 bp decrease
<b>31st March 2018</b>				
Non current - Borrowings	(22.13)	22.13	(14.47)	14.47
Current portion of Long term borrowings	(1.14)	1.14	(0.75)	0.75
<b>Total</b>	<b>(23.27)</b>	<b>23.27</b>	<b>(15.22)</b>	<b>15.22</b>
<b>31st March 2017</b>				
Non current - Borrowings	(22.91)	22.91	(14.98)	14.98
Current portion of Long term borrowings	(0.60)	0.60	(0.39)	0.39
<b>Total</b>	<b>(23.52)</b>	<b>23.52</b>	<b>(15.38)</b>	<b>15.38</b>

**c) Commodity Price Risk**

Risk arising on account of fluctuations in prices of natural gas is managed through long term purchase contracts entered with the respective parties. The company monitors the movements in the prices closely while entering into new contracts.

**d) Equity Price Risk**

The Company do not have any investment in quoted equity shares hence not expose to equity price risk.

**Note 43 Capital Management**

The Company's objectives when managing capital are to

- Safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- Maintain an optimal capital structure to reduce the cost of capital.

The Board of Directors seeks to maintain a balance between the higher returns that might be possible with higher levels of borrowings and the advantages and security afforded by a sound capital position. The Company has achieved a return on capital 16%; in March 31, 2018 (Previous year: 13%). The weighted-average interest expense on interest-bearing borrowings (excluding liabilities with imputed interest) was 8.07%.(Previous year: 9.04%).

The Company monitors capital using a ratio of 'adjusted net debt' to 'adjusted equity'. For this purpose, adjusted net debt is defined as total liabilities, comprising interest-bearing loans and borrowings, less cash and cash equivalents. Adjusted equity comprises all components of equity.

**The Company's adjusted net debt to equity ratio is as follows.**

Particulars	(₹ in Crores)	
	31st March 2018	31st March 2017
Borrowings	2,326.94	2,351.60
Total equity	1,866.38	1,663.72
<b>Debt equity ratio</b>	<b>1.25</b>	<b>1.41</b>
Interest bearing borrowings	2,326.94	2,351.60
Less : Cash and bank balances	140.12	64.50
Adjusted net debt	2,186.82	2,287.10
<b>Adjusted net debt to adjusted equity ratio</b>	<b>1.17</b>	<b>1.37</b>

## Notes to Consolidated financial statements for the year ended 31st March 2018

### Note 44-Employee Stock Option Plan:

The erstwhile GSPC Gas Company Limited ('e-GSPC'), erstwhile Gujarat Gas Company Limited ('e-GGCL'), erstwhile Gujarat Gas Financial Services Limited ('e-GFSL') and erstwhile Gujarat Gas Trading Company Limited ('e-GTCL') merged with and into GSPC Distribution Network Limited ('GDNL') under the Composite Scheme of Amalgamation and Arrangement (the "Scheme of Amalgamation"). The effective date of Scheme of Amalgamation was 14 May 2015. Upon the Scheme of Amalgamation becoming effective, the name of GDNL has been changed to Gujarat Gas Limited ('GGL') as per the provisions of the Companies Act.

Pursuant to the Scheme of Amalgamation, the Addendum Gujarat Gas Limited Employee Stock Option Plan 2016 ("ESOP 2016") being supplementary to the Gujarat Gas Company Limited Employee Stock Option Plan 2008 ("ESOP 2008") has been formulated for the limited purpose of adopting the ESOP 2008 in the Company.

The e-GGCL had formulated the above ESOP 2008, whereby Stock Options had been granted by e-GGCL to its employees. The ESOP 2008 has been effective from 1 November 2008 for a tenure of 8 years. As on the effective date of the Scheme of Amalgamation, certain employees of e-GGCL to whom Options had been Granted and Vested under the ESOP 2008, have not Exercised the said Options and hence as per the Scheme of Amalgamation, they are the Eligible Employees for the purpose of the ESOP 2016 as follows:

- (1) Revised Grants have been made to them with effect from the effective date under the Scheme of Amalgamation of 13000 equivalent number of Options-I under the ESOP 2016, against the equivalent number of Options Granted and Vested in them pursuant to the ESOP 2008, which were not Exercised by them on the effective date under the Scheme of Amalgamation.
- (2) The above Revised Grants of Options-I has been on the basis of the Share Exchange Ratio of 1 (one) equity share of ₹ 10/- each of GGL, for every 1 (one) equity share of ₹ 2/- each of e-GGCL, pursuant to the Scheme of Amalgamation.
- (3) The Options-I bear the Exercise Price as per the ESOP 2008. The Exercise Price payable for Options-I under ESOP 2016 is based on the Exercise Price payable by such Eligible Employees under the ESOP 2008 that has been adjusted after taking into account the effect of the Share Exchange Ratio of 1:1 as mentioned above.
- (4) Upon such Revised Grant of Options-I to the Eligible Employees the Options Granted under the ESOP 2008 stand cancelled and the Eligible Employees shall continue to be bound by all the terms and conditions of the ESOP 2008 in addition to this ESOP 2016.

The Gujarat Gas Company Limited Employee Welfare Stock Option Trust ("ESOP 2008 Trust"), which has been formed and created vide execution of the Deed of Gujarat Gas Company Limited Employee Welfare Stock Option Trust dated 4 November 2008 has been renamed as Gujarat Gas Limited Employee Welfare Stock Option Trust ("ESOP 2016 Trust"). The ESOP 2016 Trust is an irrevocable Trust that functions for the limited purpose of adopting the ESOP 2008 and ESOP 2016 and to hold the existing share inventory of the ESOP 2008 Trust for the benefit of Eligible Employees under ESOP 2016 and the balance to be appropriated in line with the SEBI Regulations.

The ESOP 2016 and the ESOP 2016 Trust are governed by the provisions of the Companies Act 1956 or the Companies Act 2013, as may be applicable and the SEBI (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 or the SEBI (Share Based Employee Benefits) Regulation, 2014, as may be applicable.

The ESOP 2008 Trust had purchased out of the funds advanced by the Company, the shares equivalent to the number of options granted. IDBI Trusteeship Services Limited are the Trustees. The Trustees can sell the shares in the market as per the approved scheme and for the year ended on 31st March 2018, there are no purchases from the market.

The exercise price is calculated at 10% discount to the closing price of the shares on record date, being the date on which the grant of options were approved as per ESOP 2008. The graded vesting of options granted, over a period of 4 years from the date of grant is as follows:

% of Option Vested	Cumulative	Vesting Date
25%	25%	on expiry of two years from their Grant date ("First Vesting Date")
50%	75%	on expiry of three years from their Grant date ("Second Vesting Date")
25%	100%	on expiry of four years from their Grant date ("Third Vesting Date")

The options are to be exercised within a maximum period of 2 years from the date of vesting. Within the exercise period, the employee would have the option to either purchase the shares from the trust at the exercise price or to give a mandate of sale to the trust at the best available market price, in which event the difference between the net price realized on sale after taxes and charges and the Exercise Price will accrue as gains to the employee.

**Notes to Consolidated financial statements for the year ended 31st March 2018**

Details of movement under the Stock option plan for the year ended 31 March, 2018 is as follows:

Particulars	Year ended		Year ended	
	31-03-2018		31-03-2017	
	Number of options	Weighted average exercise price (in ₹)	Number of options	Weighted average exercise price (in ₹)
Options outstanding at the beginning of the year	-	-	13,000	332
Add: Options granted during the year	-	-	-	-
Less: Options forfeited during the year	-	-	-	-
Less: Options expired during the year	-	-	-	-
Less: Options exercised during the year	-	-	13,000	332
<b>Options outstanding at end of the year</b>	-	-	-	-

The employee share based payment plans have been accounted based on the Fair value method of accounting using the Black-Scholes Option Pricing Formula. There are no options outstanding as on 31 March 2018 and 31 March 2017.

The Company has adjusted gain of ₹ Nil (Previous year ₹ 0.17 Crores) to General Reserve as the difference between the cost incurred by the ESOP Trust for the purchase of shares and the exercise price of those options which have been exercised by the employees.

**Notes to Consolidated financial statements for the year ended 31st March 2018****Note 45 Disclosure Of Employee Benefits**

The Company has implemented Ind AS - 19 on "Employee Benefits".

**(a) Provident Fund - Defined Contribution Plan**

**(d) Sensitivity analysis**

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below.

Particulars	31st March 2018			
	Increase		Decrease	
	Gratuity	Leave Encashment	Gratuity	Leave Encashment
Discount rate (0.5% movement)	44.18	31.01	49.67	35.55
Salary growth rate (0.5% movement)	49.60	35.50	44.21	31.04

Particulars	31st March 2017			
	Increase		Decrease	
	Gratuity	Leave Encashment	Gratuity	Leave Encashment
Discount rate (0.5% movement)	39.64	28.56	44.84	33.06
Salary growth rate (0.5% movement)	44.77	33.00	39.68	28.59

**(e) Gratuity Benefits Plan:**

The benefit is governed by the Payment of Gratuity Act, 1972. The Key features are as under:

Features of the defined benefit plan	Remarks
Benefit offered	15 / 26 × Salary × Duration of Service
Salary definition	Basic Salary including Dearness Allowance (if any)
Benefit ceiling	No ceiling
Vesting conditions	5 years of continuous service (Not applicable in case of death / disability)
Benefit eligibility	Upon Death or Resignation / Withdrawal or Retirement
Retirement age	60 years

**(i) Entity's responsibilities for the governance of the plan****Risk to the Plan**

Following are the risk to which the plan exposes the entity:

**A Actuarial Risk:**

It is the risk that benefits will cost more than expected. This can arise due to one of the following reasons: Adverse Salary Growth Experience: Salary hikes that are higher than the assumed salary escalation will result into an increase in Obligation at a rate that is higher than expected. Variability in mortality rates: If actual mortality rates are higher than assumed mortality rate assumption than the Gratuity benefits will be paid earlier than expected. Since there is no condition of vesting on the death benefit, the acceleration of cash flow will lead to an actuarial loss or gain depending on the relative values of the assumed salary growth and discount rate. Variability in withdrawal rates: If actual withdrawal rates are higher than assumed withdrawal rate assumption than the Gratuity benefits will be paid earlier than expected. The impact of this will depend on whether the benefits are vested as at the resignation date.

**Notes to Consolidated financial statements for the year ended 31st March 2018****B Investment Risk:**

For funded plans that rely on insurers for managing the assets, the value of assets certified by the insurer may not be the fair value of instruments backing the liability. In such cases, the present value of the assets is independent of the future discount rate. This can result in wide fluctuations in the net liability or the funded status if there are significant changes in the discount rate during the inter-valuation period.

**C Liquidity Risk:**

Employees with high salaries and long durations or those higher in hierarchy, accumulate significant level of benefits. If some of such employees resign / retire from the company there can be strain on the cash flows.

**D Market Risk:**

Market risk is a collective term for risks that are related to the changes and fluctuations of the financial markets. One actuarial assumption that has a material effect is the discount rate. The discount rate reflects the time value of money. An increase in discount rate leads to decrease in Defined Benefit Obligation of the plan benefits & vice versa. This assumption depends on the yields on the corporate / government bonds and hence the valuation of liability is exposed to fluctuations in the yields as at the valuation date.

**E Legislative Risk:**

Legislative risk is the risk of increase in the plan liabilities or reduction in the plan assets due to change in the legislation / regulation. The government may amend the Payment of Gratuity Act thus requiring the companies to pay higher benefits to the employees. This will directly affect the present value of the Defined Benefit Obligation and the same will have to be recognized immediately in the year when any such amendment is effective.

- (ii) The company has participated in Group Gratuity Scheme Plan with Life Insurance Corporation of India (LIC), Reliance & HDFC life insurance co. Ltd through Gratuity Trust to meet its gratuity liability. The present value of the plan assets represents the balance available at the end of the year. The total value of plan assets is as certified by the LIC, Reliance, HDFC life insurance co. Ltd & SBI life insurance co. Ltd.

## (a) Composition of the plan assets

Particulars	31st March, 2018	31st March, 2017	31st March, 2016
Bank balance	0.12%	0.11%	0.11%
Policy of insurance	99.85%	98.89%	98.85%
Others	0.03%	1.00%	1.04%

- (b) The trustees of the plan have outsourced the investment management of the fund to an insurance company. The insurance company in turn manages these funds as per the mandate provided to them by the trustees and the asset allocation which is within the permissible limits prescribed in the insurance regulations. Due to the restrictions in the type of investments that can be held by the fund, it may not be possible to explicitly follow an asset-liability matching strategy to manage risk actively in a conventional fund.

## (c) Expected benefit payments as on 31 March 2018.

Particulars	1-3 years	4-5 years	6 year & Above
Cash flow ( ₹ in Crores)	4.70	7.77	128.96
Distribution ( in %)	3.40%	5.50%	91.10%

**(f) Expected benefit payments as on 31 March 2018 for Privilege Leave encashment benefits.**

Particulars	1-3 years	4-5 years	6 year & Above
Cash flow ( ₹ in Crores)	2.84	4.17	111.74
Distribution ( in %)	2.40%	3.50%	94.10%

**(g) Other Notes:**

- (i) The expected rate of return on Plan Assets is determined considering several applicable factors, mainly the composition of Plan Assets held, assessed risks, historical results of return on Plan Assets and the Company's policy for the Plan Assets management.
- (ii) The actuarial valuation takes into account the estimates of future salary increases, inflation, seniority, promotion and other relevant factors such as supply and demand in the employment market. The management has relied on the overall actuarial valuation conducted by the actuary.
- (iii) The company has provided long service award benefits to its employees who completed 15/20/25 Years of employment with company. Accordingly company has provided ₹ 0.83 Crores (Previous year ₹ 0.94 crores) on account of Long service award benefit. Current Liability as at 31st March 2018 is ₹ 0.13 Crores(Previous year ₹ 0.17 Crores) and Non- Current Liability is ₹ 0.70 Crores(Previous year ₹ 0.77 Crores).
