Spread across acres of lush landscaped gardens that the Captain himself took an interest in, a long driveway hemmed with palm groves, cascading waterfalls, and a lotus fountain, the hotel is an oasis of tranquility amidst a bustling metropolis. In the early years the hotel received the National Tourism Award from the Ministry of Tourism for 5 consecutive years from 1996 – 2000 along with many other awards for its environmental programmes.

The hotel has hosted a number of celebrities and dignitaries like His Holiness The Dalai Lama, Late Baroness Margaret Thatcher, Former Prime Minister of United Kingdom, Queen Sofia of Spain, Pierce Brosnan and many more.

We have completed 30 glorious years since the grand opening of The Leela Mumbai. The chain has kept alive the tradition of modern luxury and extending its warmth across its 9 luxurious hotels, palaces and resorts.

CHAIRMAN'S STATEMENT

Dear Shareholders,

It is my privilege to present to you on behalf of the Board of Directors of Hotel Leelaventure Limited the 36th Annual Report and Financial Statements for the year ended March 31, 2017.

30 years ago in April 1987, our Founder Capt C.P. Krishnan Nair, with the help of family and well-wishers opened The Leela Mumbai, a 5-star hotel in North Mumbai, laying the foundation and vision for one of the most respected names in hospitality worldwide. The hotel since its opening has been the winner of many awards and has hosted a number of celebrities and dignitaries like His Holiness The Dalai Lama, Late Baroness Margaret Thatcher, the Former Prime Minister of United Kingdom, Princess Anne of the United Kingdom, Pierce Brosnan the actor and many others. Over the years, we have added 8 more luxurious hotels to the group and today The Leela Palaces, Hotels and Resorts is a leading player in the luxury hotels business, focusing on building and delivering superior guest experiences that bring us closer to them. Our understanding of the industry has evolved in terms of consumer trends and technological innovations and we aim to be the preferred brand.

Leela could soon become an international brand, as we have signed MOU for managing two hotels overseas. Also, in line with our asset-light strategy, we have secured several

new management contracts and expect our current portfolio of 9 hotels to grow to 15 in next 6 years.

I am pleased to inform you that our properties continue to garner accolades and recognition from leading domestic and international agencies. For the second year in a row, The Leela Palaces, Hotels and Resorts has been voted amongst the 'Top 15 Hotel Brands in the World' by the readers of Travel + Leisure USA in the 2017 World's Best Awards survey. In the same survey, The Leela Palace Udaipur has been ranked Number 7 among the 'Top 10 Best Resort Hotels of Asia' and Number 34 in the 'Top 100 Best Hotels in the World' category. The awards are a result of a worldwide Readers Poll conducted by Travel + Leisure USA, in which travellers, among other things, hand-pick and rate the world's most exceptional hotels on key parameters - quality, location, service, restaurants and value. Closer home, The Leela Palace Udaipur was awarded the 'Favourite Indian Hotel Spa' and a 'Favourite Indian Leisure Hotel' by the Condé Nast Traveller India, Readers' Travel Awards 2016.

Additionally, our Hotels also received top rankings in TripAdvisor 2016 Travellers' Choice™. Most notably, The Leela Palace New Delhi has been named among 'Top 25 Hotels in India,' 'Top 25 Luxury Hotels in India,' and 'Top 25 Hotels for Service in India.' The Leela Palace Udaipur has been named among the 'Top 25 Luxury Hotels in India.' The awards are determined based on the millions of reviews and opinions collected in a single year from travellers worldwide by TripAdvisor, the world's largest travel website. The hallmarks of Travellers' Choice winners are remarkable service, quality and value.

Outlook

Tourism in India accounts for over 9% of GDP and is the third largest foreign exchange earner in the country. The Indian hospitality industry

continues to be one of the key drivers of growth among the services sector in India and also a potentially large employment generator. Positive growth has been registered in both Domestic and Foreign Tourists visit during 2017.

There has been a growth of 55.3% in Foreign Tourist arrivals on e-Visa in 2017 over 2016. More and more tourists are availing of the e-Visa facilities as the Government has also launched several initiatives such as providing pre-loaded SIM cards to foreign tourists arriving in India on e-Visa. The initiative will help foreign tourists communicate with their acquaintances immediately after arriving in India. In order to simplify and speed up the procedure of obtaining visas for tourists coming to India on medical purposes, the Government of India has extended the facility of e-medical Visa with an extension of duration of stay for up to 6 months (to be granted on a case-to-case basis). More tourists bode for better business for hotels. We hope to continue to see a demand for hotel rooms for more reasons than one.

I would like to take this opportunity to thank the Board, Management and Staff - for their invaluable contribution and deep commitment in delivering excellent services to all our guests. I look forward to their continued support to surpass all expectations in the coming years. I also thank all our esteemed shareholders and valued partners for their loyalty and their support.

6. Opportunities, Threats, Risks and Concerns

On the social sustainability front, The Leela continued its involvement with nurturing underprivileged communities, conducting donation drives for children as part of charitable giving and continuing skill-based training for the youth.

Each property further strengthened partnerships with local NGOs for charitable donations, including, daily meals, clothing, shoes and books to underprivileged children. Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of Hotel Leelaventure Limited ("the Company"), which comprise the Balance Sheet as at 31 March 2017, the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134 (5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that shall give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with provisions of the Act for safeguarding of the assets of the Company and preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirement and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2017 and its loss and its cash flows for the year ended on that date.

Emphasis of Matter

We draw attention to the following matters in the Notes to the standalone financial statements:

- i. Note 29.1(c) relating to non-provision of Sacrifice amount, interest and penal interest payable to Asset Reconstruction Companies (ARCs) amounting ₹ 73,327 lakhs for the year (Previous Year ₹ 72,704 lakhs), cumulatively amounting to ₹ 2,24,272 lakhs. (Previous Year ₹ 1,50,945 lakhs.)
- ii. Note 29.2(a) relating to enhancement in rentals and unilateral termination of lease agreement of the Mumbai Hotel by Airports Authority of India (AAI) and eviction proceedings initiated by them which the Company is contesting. No provision is made for enhanced rent amounting ₹ 1,657 lakhs (Previous year ₹ 1,615 lakhs) and cumulatively amounting ₹ 3,898 lakhs (Previous Year ₹ 2,241 lakhs). Further, the accounts are prepared on the assumption that the lease would be renewed and no provision is made for losses on account of such eviction, if any, which is not ascertainable.
- iii. Note 29.2(b) relating to non-provision of disputed amounts to AAI amounting to ₹ 28,538 lakhs towards 11,000 sq. meters of land at Mumbai and the additional cost the Company may have to incur towards restoration of FSI, which is not ascertainable.
- iv. If interest and other costs as notified by the Asset Reconstruction Companies and disputed payments of AAI referred above were provided for in the books, the loss for the year would have been higher by ₹ 1,03,522 lakhs (Previous Year ₹ 74,319 lakhs), liabilities and negative net worth would have been higher by another ₹ 2,56,708 lakhs (Previous Year ₹ 1,53,186 lakhs). Further, losses and negative net worth will increase to the extent of cost that the Company may have to incur on account of termination of lease agreement of Mumbai Hotel and cost of vacating 11,000 sq.meters of land at Mumbai
- v. The above issues raises question on whether the Company can be considered as a "Going Concern". However, as the Company is hopeful of a viable restructuring package and favourable judgement / settlement relating to AAI disputes, as explained by them in the notes, it has prepared the financial statements on a going concern basis.

Report on Other Legal and Regulatory Requirements

- 1 As required by the Companies (Auditor's Report) Order, 2016 issued by the Central Government of India in terms of subsection (11) of Section 143 of the Act, (hereinafter referred to as the "Order") and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

 - (f) On the basis of the written representations received from the directors as on March 31st, 2017, taken on record by the Board of Directors. None of the directors is disqualified as on March 31st, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (g) With respect to the adequacy of the internal finance controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in “ Annexure B” and
 - (h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements- Refer Note 29.2 to the standalone financial statements;

Annexure - B TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Hotel Leelaventure Limited ("the Company") as of 31 March 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management Responsibility for Internal Financial Controls

Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the guarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI deemed to be prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their rating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting of the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control and financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Note 1 Significant Accounting Policies

a) Convention

The financial statements are prepared under the historical cost convention in accordance with the applicable Accounting Standards and the provisions of the Companies Act, 2013

b) Use of estimates

The preparation of financial statements require the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to the contingent liabilities as at the date of the financial statements and the reported amount of income and expenses during the year. Examples of such estimates include provisions for doubtful debts, employee benefits, provision for income taxes, useful life of depreciable fixed assets and provision for impairment.

c) Fixed assets

Fixed assets are stated at cost (or valuation as applicable) less depreciation. Cost includes expenses incidental to the installation of the assets and attributable borrowing costs. Cost also includes exchange differences arising on reporting of long term foreign currency monetary items at rates different from those at which they were initially recorded during the period or reported in previous financial statements, in so far as they relate to acquisition of a depreciable capital asset.

Revalued fixed assets are stated based on the revaluation and all other fixed assets are stated at cost. Additions on account of valuation are credited to Revaluation Reserve.

d) Depreciation and amortisation

Effective 1st April 2014, the Company depreciates its fixed assets over the useful life in the manner prescribed in Schedule II of the Companies Act, 2013.

Based on technical evaluation, the useful life of continuous process plant other than windmill has been estimated as 15 years (on a single shift basis), which is different from that prescribed in Schedule II of the Act.

Depreciation on additions / deletions during the year are provided on pro-rata basis. Assets purchased / installed during the year costing less than ₹ 5,000 each are fully depreciated.

Premium and other capitalised cost relating to leasehold land is amortised over the period of lease.

Buildings constructed on leasehold land are depreciated at the applicable rate on the assumption that the lease would be renewed in the normal course.

Depreciation on Computer Software is provided over a period of six years. License fee and Franchise fee are amortised over five years.

e) Investments

Current investments are carried at lower of cost and quoted / fair value. Long-term investments are carried at cost. However provision for diminution is made to recognise a decline, other than temporary, in the value of investments, such reduction being determined and made for each investment individually.

f) Inventories

Inventories are valued at lower of cost (weighted average basis) or net realisable value.

g) Employee benefit

i) Post-employment benefit plans

Contribution to defined contributory retirement benefit schemes are recognised as an expense when employees have rendered services entitling them to contributions.

For defined benefit schemes, the cost of providing benefits is determined using the Project Unit Credit Method, with actuarial valuation being carried out at each balance sheet date. Actuarial gains and losses are recognized in full in the profit and loss account for the period in which they occur. Past service cost is recognized immediately to the extent that the benefits are already vested, and otherwise amortized on straight-line basis over the average period until the benefits become eligible for being vested.

ii) Short-term employee benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees is recognised during the period when the employee renders the service.

iii) Long-term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognized as a liability at the present value of the defined benefit obligation at the balance sheet date.

h) Recognition of income and expenditure

Revenue/incomes and Costs/expenditures are accounted on accrual.

i) Borrowing costs

Borrowing costs that are directly attributable to the acquisition and construction of qualifying assets are capitalised. A qualifying asset is an asset that necessarily takes substantial period of time to get ready for its intended use.

j) Taxation

(i) Provision for current taxation has been made in accordance with the Income Tax laws applicable to the assessment year.

(ii) Deferred tax is recognized on timing difference being the difference between taxable income and accounting income that originates in one period and is capable of reversal in one or more subsequent periods. Where there is unabsorbed depreciation, or carry forward losses, deferred tax assets are recognised only if there is virtual certainty of realisation of such assets.

(iii) Minimum Alternate Tax ("MAT") credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each balance sheet date and the carrying amount is written down to the extent there is no longer a convincing evidence that the Company will be liable to pay normal income tax during the specified period.

k) Impairment of assets

The carrying amounts of assets are reviewed at each balance sheet date, to assess any indication of impairment. If any such indication exists, the recoverable amount of such assets is estimated. An impairment loss is recognized wherever the carrying amount of the assets exceed its recoverable amount. The recoverable amount is greater of the net selling price or value in use. In assessing value in use, the estimated future cash flows are discounted to their present value, based on an appropriate discounting factor.

After impairment, depreciation is provided on the revised carrying amount of the assets over its remaining useful life. A previously recognized impairment loss is increased or reversed depending on changes in circumstances. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment.

l) Foreign currency transaction

Foreign currency transactions are recorded at the rates of exchange prevailing on the date of the transactions.

In line with the option given by the Ministry of Corporate Affairs vide Notification No G.S.R.225 (E) dated 31st March 2009, the exchange differences arising on reporting of long term foreign currency monetary items at rates different from those at which they were initially recorded during the period, or reported in previous financial statements, in so far as they relate to acquisition of a depreciable capital asset, are added to or deducted from the cost of the asset and will be depreciated over the balance life of the asset, and in other cases are accumulated in 'Foreign Currency Monetary Item Translation Difference Account' and amortized over the balance period of such long-term asset/liability but not beyond 31st March 2020, by recognising income or expense in each of the periods except the exchange differences which are regarded as adjustment to interest costs in terms of paragraph 4(e) of Accounting Standard AS (16) Borrowing costs.

All other monetary assets and liabilities in foreign currency as at balance sheet date are translated at rates prevailing at the year-end and the resultant net gains or losses are recognized as income or expense in the year in which they arise.

m) Assets taken on lease

In respect of operating lease transactions, the assets are not capitalised in the books of the Company and the lease payments are charged to the profit and loss account.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS (Contd.)

n) Accounting for provisions, contingent liabilities and contingent assets

A provision is recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to present value and are determined as best estimates required to settle the obligation at the balance sheet date. Contingent Liability is disclosed in case of

- A present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle that obligation;
- A present obligation when no reliable estimate is possible; and
- A possible obligation arising from past events where the probability of outflow of resources is remote.

Contingent Assets are not recognized in the financial statements.

o) Government Grants

Revenue Grants are recognized in the profit and loss account in accordance with the related scheme and in the period in which these are accrued.

Note 29 Additional information to the Financial Statements

29.1 Debt Restructuring

- The Corporate Debt Restructuring (CDR) Empowered Group, in their meeting held on 28th June 2014 declared that the account of the Company stands exited from CDR system on account of failure. Pursuant thereto, on 30th June 2014, 14 of the erstwhile CDR lenders with exposure of about 95.6 % of the CDR debt assigned their debt to JM Financial Asset Reconstruction Company Limited (JMFARC) (formerly JM Financial Asset Reconstruction Company Private Limited) and 1 lender with exposure of about 1% of the CDR debt, to Phoenix ARC Private Limited.
- The total amount assigned by the erstwhile CDR lenders to Asset Reconstruction Companies (ARCs) was ₹ 415014 lakhs, which included Sacrifice amount of ₹ 26315 lakhs. The Company has not accounted the

Sacrifice amount, as it reflects the difference in the NPV between the cash flows as per the contracted terms and the cash flows agreed by the lenders as per the CDR Package, for the duration of the loan.

- The Company is pursuing with the ARC for a viable restructuring package, with certain concessions in interest and repayment terms and pending consideration of the same, has classified the debt as Non-current Liability in the Balance Sheet and has not provided for interest. The ARCs have notified the Company that the interest and penal interest are applicable as per the rates contracted prior to admission to CDR and that the debt amount is ₹ 523140 lakhs (previous year ₹ 460696 lakhs) and the impact of the non-provision is understatement of finance cost for the year to the extent of ₹ 73327 lakhs (previous year ₹ 72704 lakhs). The total finance cost not provided upto 31st March, 2017 is ₹ 224272 lakhs (previous year ₹ 150945 lakhs).
- The Company has been evaluating various options for reduction of debt, including sale / monetisation of non-core assets, sale of hotels and getting an equity partner for infusion of equity and refinancing of debt.
- The net worth of the Company, after excluding revaluation reserves is negative to the extent of ₹ 25793 lakhs as on 31st March 2017. Even though the net worth is negative, the same could again become positive, when the financial restructuring materialises.

29.2 Disputes with Airports Authority of India (AAI)

- The lease agreement with AAI relating to the Mumbai hotel was valid till 11th July 2012 and vide letter dated 31st March, 2011, AAI had offered to extend the lease by another 30 years, subject to revised terms, which the Company had accepted. Pending execution of the lease agreement, AAI had been provisionally extending the lease for 3 to 6 months at a time and the latest extension was till 11th January, 2016. AAI has arbitrarily increased the lease rental payable for the Mumbai hotel and for the adjacent land, effective from 1st October 2014 which increases the rental by ₹ 3898 lakhs for the period upto 31st March 2017 (upto 31st March 2016 ₹ 2241 lakhs). The Company has objected to this increase and has not provided for the same. AAI during the current year has unilaterally terminated the lease and commenced eviction proceedings and the Company is legally contesting the same. Depreciation on Mumbai hotel building is provided at the applicable rate on the assumption that the lease will be renewed.
- The Company invoked arbitration with respect to the Agreement for 11,000 sq. mts of land in Mumbai on the ground that the Supplementary Agreement setting out the minimum Royalty amounts payable to AAI became impossible of performance. The Sole Arbitrator by his award dated 29th August, 2012 declared that the Minimum Guaranteed Royalty stipulated in the Supplemental Agreement became impossible of performance with effect from 1st June, 2008. AAI challenged the Award before the single judge of Delhi High Court, which set aside the award. On appeal by the company, the Division Bench also reaffirmed the setting aside of the award. The Company has filed a Special Leave Petition before the Supreme Court and the matter is yet to come up for hearing. The amount in dispute according to AAI is ₹ 28,538 lakhs and no provision has been made because the dispute is pending. Further, the Company has vide its letter dated 6th April 2017 requested AAI to take immediate physical possession of the land, pending restoration of FSI. No provision has been made for the FSI, as the cost is not ascertainable.
- The Company is confident of favourable judgement / settlement.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2017, and their consolidated loss and their consolidated cash flows for the year ended on that date.

Emphasis of Matter

We draw attention to the following matters in the Notes to the consolidated financial statements:

- i. Note 29.1 (c) relating to non-provision of Sacrifice amount, interest and penal interest payable to Asset Reconstruction Companies (ARCs) amounting ₹ 73,327 Lakhs for the year (Previous Year ₹ 72,704 lakhs), cumulatively amounting to ₹ 2,24,272 lakhs. (Previous Year ₹ 1,50,945 lakhs.)
- ii. Note 29.2 (a) relating to enhancement in rentals and unilateral termination of lease agreement of the Mumbai Hotel by Airports Authority of India (AAI) and eviction proceedings initiated by them which the Company is contesting. No provision is made for enhanced rent amounting ₹ 1,657 lakhs (Previous year ₹ 1,615 lakhs) and cumulatively amounting ₹ 3,898 lakhs (Previous Year ₹ 2,241 lakhs). Further, the accounts are prepared on the assumption that the lease would be renewed and no provision is made for losses on account of such eviction, if any, which is not ascertainable.
- iii. Note 29.2 (b) relating to non-provision of disputed amounts to AAI amounting to ₹ 28,538 lakhs towards 11,000 sq. meters of land at Mumbai and the additional cost the Company may have to incur towards restoration of FSI, which is not ascertainable.
- iv. If interest and other costs as notified by the Asset Reconstruction Companies and disputed payments of AAI referred above were provided for in the books, the loss for the year would have been higher by ₹ 1,03,522 lakhs (Previous Year ₹ 74,319 lakhs), liabilities and negative net worth would have been higher by another ₹ 2,56,708 lakhs (Previous Year ₹ 1,53,186 lakhs). Further, losses and negative net worth will increase to the extent of cost that the Company may have to incur on account of termination of lease agreement of Mumbai Hotel and cost of vacating 11,000 sq. meters of land at Mumbai

- v. The above issues raises question on whether the Group can be considered as a “Going Concern”. However, as the Group is hopeful of a viable restructuring package and favourable judgement / settlement relating to AAI disputes, as explained by them in the notes, it has prepared the financial statements on a going concern basis.

Other Matters

Financial statement of a subsidiary, audited by us, which has not commenced commercial operations, reflects a net worth of ₹ 5,728 lakhs as on 31st March 2017.

ANNEXURE - A TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Hotel Leelaventure Limited ("the Holding Company") and its subsidiary company as of 31 March 2017 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiary company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our Responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Group has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

For defined benefit schemes, the cost of providing benefits is determined using the Project Unit Credit Method, with actuarial valuation being carried out at each balance sheet date. Actuarial gains and losses are recognized in full in the profit and loss account for the period in which they occur. Past service cost is recognized immediately to the extent that the benefits are already vested, and otherwise amortized on straight-line basis over the average period until the benefits become eligible for being vested.

ii) Short-term employee benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees is recognised during the period when the employee renders the service.

(iii) Minimum Alternate Tax ("MAT") credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each balance sheet date and the carrying amount is written down to the extent there is no longer a convincing evidence that the Company will be liable to pay normal income tax during the specified period.

n) Impairment of assets

The carrying amounts of assets are reviewed at each balance sheet date, to assess any indication of impairment. If any such indication exists, the

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS (Contd.)

recoverable amount of such assets is estimated. An impairment loss is recognized wherever the carrying amount of the assets exceed its recoverable amount. The recoverable amount is greater of the net selling price or value in use. In assessing value in use, the estimated future cash flows are discounted to their present value, based on an appropriate discounting factor.

After impairment, depreciation is provided on the revised carrying amount of the assets over its remaining useful life. A previously recognized impairment loss is increased or reversed depending on changes in circumstances. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment.

o) Foreign Currency Transaction

Provisions are not discounted to present value and are determined as best estimates required to settle the obligation at the balance sheet date.

Contingent Liability is disclosed in case of

- a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle that obligation;
- a present obligation when no reliable estimate is possible; and
- a possible obligation arising from past events where the probability of outflow of resources is remote.

Contingent Assets are not recognized in the financial statements.

r) Government Grants

Note 29 Additional information to the Financial Statements

29.1 Debt Restructuring

- The Corporate Debt Restructuring (CDR) Empowered Group, in their meeting held on 28th June 2014 declared that the account of the Company stands exited from CDR system on account of failure. Pursuant thereto, on 30th June 2014, 14 of the erstwhile CDR lenders with exposure of about 95.6 % of the CDR debt assigned their debt to JM Financial Asset Reconstruction Company Limited (JMFARC) (formerly JM Financial Asset Reconstruction Company Private Limited) and 1 lender with exposure of about 1% of the CDR debt, to Phoenix ARC Private Limited.
- The total amount assigned by the erstwhile CDR lenders to Asset Reconstruction Companies (ARCs) was ₹ 415014 lakhs, which included Sacrifice amount of ₹ 26315 lakhs. The Company has not accounted the Sacrifice amount, as it reflects the difference in the NPV between the cashflows as per the contracted terms and the cashflows agreed by the lenders as per the CDR Package, for the duration of the loan.
- The Company is pursuing with the ARC for a viable restructuring package, with certain concessions in interest and repayment terms and pending consideration of the same, has classified the debt as Non-current Liability in the Balance Sheet and has not provided for interest. The ARCs have notified the Company that the interest and penal interest are applicable as per the rates contracted prior to admission to CDR and that the debt amount is ₹523140 lakhs (previous year ₹460696 lakhs) and the impact of the non-provision is understatement of finance cost for the year to the extent of ₹73327 lakhs (previous year ₹72704 lakhs). The total finance cost not provided upto 31st March, 2017 is ₹224272 lakhs (previous year ₹150945 lakhs).
- The Company has been evaluating various options for reduction of debt, including sale / monetisation of non-core assets, sale of hotels and getting an equity partner for infusion of equity and refinancing of debt.

- The net worth of the Company, after excluding revaluation reserves is negative to the extent of ₹ 25793 lakhs as on 31st March 2017. Even though the net worth is negative, the same could again become positive, when the financial restructuring materialises.

29.2 Disputes with Airports Authority of India (AAI)

- The lease agreement with AAI relating to the Mumbai hotel was valid till 11th July 2012 and vide letter dated 31st March, 2011, AAI had offered to extend the lease by another 30 years, subject to revised terms, which the Company had accepted. Pending execution of the lease agreement, AAI had been provisionally extending the lease for 3 to 6 months at a time and the latest extension was till 11th January, 2016. AAI has arbitrarily increased the lease rental payable for the Mumbai hotel and for the adjacent land, effective from 1st October 2014 which increases the rental by ₹ 3898 lakhs for the period upto 31st March 2017 (upto 31st March 2016 ₹ 2241 lakhs). The Company has objected to this increase and has not provided for the same. AAI during the current year has unilaterally terminated the lease and commenced eviction proceedings and the Company is legally contesting the same. Depreciation on Mumbai hotel building is provided at the applicable rate on the assumption that the lease will be renewed.
- The Company invoked arbitration with respect to the Agreement for 11,000 sq. mts of land in Mumbai on the ground that the Supplementary Agreement setting out the minimum Royalty amounts payable to AAI became impossible of performance. The Sole Arbitrator by his award dated 29th August, 2012 declared that the Minimum Guaranteed Royalty stipulated in the Supplemental Agreement became impossible of performance with effect from 1st June, 2008. AAI challenged the Award before the single judge of Delhi High Court, which set aside the award. On appeal by the company, the Division Bench also reaffirmed the setting aside of the award. The Company has filed a Special Leave Petition before the Supreme Court and the matter is yet to come up for hearing. The amount in dispute according to AAI is ₹ 28538 lakhs and no provision has been made because the dispute is pending. Further, the Company has vide its letter dated 6th April 2017 requested AAI to take immediate physical possession of the land, pending restoration of FSI. No provision has been made for the FSI, as the cost is not ascertainable.
- The Company is confident of favourable judgment / settlement

EXPLANATORY STATEMENT

As required by Section 102 (1) of the Companies Act, 2013, in respect of the items of Special Business mentioned in the Notice

Item No. 4

Approval for increase in subscribed capital of the Company caused by the exercise of option attached to the loan raised to convert such loan into shares

The Company and certain public sector banks, which later formed part of Corporate Debt Restructuring ("CDR Lenders") had entered into the Master Restructuring Agreement dated 28th September, 2012 ("MRA") in accordance with the restructuring package approved at the CDR empowered group meeting held in September, 2012.

The MRA, inter alia, provided for an option in favour of the CDR Lenders and/or the assignees thereof for conversion of the whole or part of the outstanding dues into fully paid-up equity shares of the Company.

The members of the Company had passed special resolutions, through postal ballot on March 28, 2013, inter alia, approving, (i) the corporate debt restructuring scheme for restructuring of the existing debt facilities availed by the Company from the CDR Lenders, and issuance of equity shares or any other securities to the CDR Lenders and/or conversion of loans into equity (along with the terms of such conversion), which had been embodied in the terms of the MRA executed by the Company; and (ii) allotment of equity shares, in terms of the CDR Package (as defined in the Shareholder Resolutions), each to the CDR Lenders /Security Trustee / Monitoring Institution (together with their successors and assigns), upon the exercise of the rights of the CDR Lenders /Security Trustee /Monitoring Institution to convert their outstanding loans into equity shares in accordance with the MRA and as per applicable provisions of the erstwhile Companies Act, 1956 ("1956 Act") (the resolutions hereinafter referred to as the "Special Resolutions").

JM Financial Asset Reconstruction Company Limited ("JMFARC"), the assignee of the outstanding dues, vide a letter dated April 10, 2017, called upon the Company to convert part of the existing outstanding dues into equity shares. Accordingly, the Board of the Company has decided to issue and allot upto 16,39,43,459 fully paid up equity shares of face value of Rs. 2 (Rupees Two) each at a conversion price of Rs. 16.78 per equity share aggregating upto Rs. 275.09 Crore, in two or more tranches. The conversion price of Rs. 16.78 per share mentioned in the conversion letter is determined based on the pricing guidelines prescribed under Regulation 76(1)(b) of SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2009 as on the date of the conversion letter dated April 10, 2017.

The members may note that the present allotment of shares to JMFARC is on account of conversion of loan to equity in terms of the MRA, which embodies the terms of the CDR Package, pursuant to Section 62(3) of the Companies Act, 2013 ("2013 Act") and other applicable laws. The same is exempt from the provisions relating to the preferential allotment of securities provided under the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 ("ICDR Regulations"), as per Regulation 70(1)(a), which provides that the provisions relating to preferential allotment (i.e., Chapter VII), including the pricing guidelines do not apply where the preferential issue of equity shares is made pursuant to conversion of loan into shares in terms of sub-section (3) of section 62 of the 2013 Act.

The members may further note that the Special Resolutions were passed validly under the 1956 Act. However, it is to be noted that pursuant to the enactment of the 2013 Act, the provisions relating to the conversion of loans into equity by lenders have been set out under Section 62(3) of the 2013 Act which provides that the terms of the loan containing the option to convert such loan into shares is to be approved by a special resolution passed by a company in general meeting. The members would be aware that the Special Resolutions clearly indicated, in the body of the resolution and in the explanatory statement, that the resolutions were for the purpose of approving the terms of a loan, including terms for the conversion of such loans into equity shares in future. Further, the members may note that the relevant explanatory statement as annexed thereto, and forming part of the notice to the postal ballot dated February 7, 2013 stated that the intent of the special resolutions was to approve the term giving the right to the CDR Lenders to convert the loans into equity shares at a future date. In this regard, it is relevant to note that the explanatory statement to the Special Resolutions specifically stated that "The above resolutions proposed to be passed by way of postal ballot shall also be deemed to be an authorisation by the shareholders of the Company: (i) of the CDR Package; and (ii) of the allotment of equity shares to the CDR Lenders / Security Trustee/ Monitoring Institution upon conversion of the outstanding loans into such equity shares...".

As such, although the members of the Company had passed the Special Resolutions approving the conversion of loan into equity shares at a future date (along with the terms of such conversion), and for the issuance of shares to the CDR lenders (together with their successors and assigns) arising out of the exercise of their right to convert their loan into equity shares, the Company, as a matter of prudence, good governance practices and abundant caution, is seeking the approval of its members in terms of Section 62(3) of the 2013 Act, which approval shall be in furtherance and in continuation of the Special Resolutions passed earlier.

Hence, the Board recommends passing of the special resolution at item no. 4 of the notice.

None of the Directors and Key Managerial Personnel of the Company and/or their relatives may be deemed to be interested / concerned in this resolution,

except to the extent of their respective shareholdings in the Company. Further, the promoters, directors or key management personnel of the Company shall not be allotted any shares pursuant to the conversion of loan into equity shares.
