Auditor's Report

The Auditors in their Audit Report on the standalone financial statements have invited the attention of the Shareholders towards non-provisioning against (i) diminution in the value of investment in its Subsidiary Company, Shakumbhari Sugar and Allied Industries Limited (SSAIL) amounting to ₹ 54.28 Crores, and (ii) Inter Corporate Deposits and advances amounting to ₹103.69 Crores. The Auditors in their Audit Report on the standalone and consolidated financial statements have also invited the attention of the Shareholders towards Corporate Guarantee extended by the Company amounting to ₹108.45 Crores on behalf of SSAIL against outstanding amount of Financial Institutions and Banks. The Company has already provided its clarification as contained in note no. 33(A) of the standalone financial statements i.e. considering the intrinsic value of the investee assets, long term nature of investment and filing of TEV (Technical Evaluation Study) report, and revival scheme by the Operating Agency (OA) i.e. IDBI Bank Ltd. so appointed as directed by the Hon'ble Board for Industrial and Financial Reconstruction (BIFR), no provision at this stage is considered necessary by the management against investments made in above stated subsidiary namely SSAIL. Also, as contained in note no 33 (A) of the standalone financial statement read with note no. 34 of the consolidated financial statement, Central

Bank of India (CBOI) vide its letter dated 28th May, 2014 had issued a notice under Section 13(2) of SARFAESI Act, 2002 to SSAIL and the Company. The said notice was replied by SSAIL and the Company challenging the legality of issuance of such notices. CBOI, thereafter, on 11th September, 2014 had issued another notice under Section 13(4) of SARFAESI on SSAIL and the Company, which has been challenged at DRT, Lucknow. As per the legal opinion, the notice issued by the CBOI is not valid since SSAIL is registered with BIFR as sick industrial Company. Meanwhile, BIFR vide its order dated 24th September, 2015 has rejected the appeal of CBOI for seeking recovery certificate. Against the said order of BIFR, CBOI has filed an appeal before Appellate Authority for Industrial and Financial Reconstruction (AAIFR) which is pending. Accordingly, the Company is confident that amount is considered good and fully recoverable and no provision there against & also against Corporate Guarantee extended by the Company on behalf of SSAIL is considered necessary by the management.

The Auditors in their report on standalone financial statements have also invited the attention of the Shareholders towards non-provisioning by the Company against total exposure amounting to ₹ 147.75 Crores in its 100% subsidiary Company IGL Finance Limited (IGLFL) and towards the non-provisioning of ₹ 144.44 Crores in its report on consolidated financial statements. The Company has also provided its clarification as contained in Note no. 33 (B) of the standalone financial statements and Note no. 32 of the consolidated financial statements i.e. the Company has total exposure of ₹ 147.75 Crores (including Investment in capital of ₹ 1.25 Crores) in IGLFL. IGLFL in earlier year had invested funds for short term in commodity financing contracts offered by National Spot Exchange Ltd. (NSEL). NSEL had defaulted in settling the contracts on due dates, for which IGLFL has initiated legal and other action and in turn IGLFL did not pay due amount to the Company. Accordingly, considering the prudence, no interest on above ICD has been accrued for the period from 1st September, 2013 onwards. Further considering the arrangement of merger of NSEL with Financial Technologies (India) Limited (FTIL) and other measure which have so far been taken for and pending before the Government and other authorities, the management and IGLFL is confident for recovery of dues from NSEL over a period of time. Considering above no provision has been considered necessary at this stage against total exposure in IGLFL of ₹ 147.75 Crores (including Investment in capital of ₹1.25 Crores) and the same is considered good and fully recoverable by the management.

Further, the Auditors in their report on standalone financial statements have also invited the attention of the Shareholders regarding letters received by the Company dated 30th October, 2014 and 5th May, 2015 from National Stock Exchange of India Ltd. (NSE), wherein the Company has been advised to reinstate its financial statement

w.r.t. qualification raised for the years FY 2012-13 by the statutory auditor on investments and loans to SSAIL and suitably rectify the qualification raised for the year FY 2013-14 by the statutory auditor w.r.t. investment and loan to IGLFL respectively. Based on the legal advice, the Company has made submissions before the SEBI/NSE and provided clarification on the same (note no 33 (C)). Thereafter, no further communication has been received by the Company in the matter.

The Auditors in their report on the consolidated financial statements have invited the attention of the Shareholders towards the non-provisioning of interest amounting to ₹ 20.80 Crores (excluding penal interest, charges etc. amount unascertained) and pending confirmation of secured loans, related with a subsidiary company i.e. SSAIL. Also, preparation of financial statements of SSAIL on going concern basis. The Company has also provided its clarification as contained in Note no. 47(b) (iii) of the consolidated financial statements i.e. Interest on borrowings (which has been categorised as NPA) from Bank ₹ 20.80 Crore (including previous year ₹ 9.78 Crores) has not been provided as rehabilitation scheme with Operating Agency (OA) are in process. The Company has also provided its clarification as contained in Note no. 47(a) of the consolidated financial statements i.e. SSAIL had been incurring cash losses due to which its net worth has been completely eroded and its current liabilities are far in excess of its current assets. Accordingly, in the Year 2012-13, SSAIL had filed application with the Board for Industrial and Financial Reconstruction (BIFR). The BIFR vide its order dated 4th April, 2013 has declared SSAIL as a sick industrial company in terms of Sec 3(1)(o) of Sick Industrial Companies (Special Provisions) Act, 1985. Further, BIFR has appointed IDBI as the Operating Agency (OA) with directions to prepare a revival scheme for SSAIL and also SSAIL has filed draft rehabilitation scheme with BIFR in the year 2013-14. Further, SSAIL is looking and evaluating other business opportunities, considering this and continuous support from the holding company, the management considers it appropriate to prepare these financial statements of SSAIL on Going Concern basis despite the negative net worth on the balance sheet date.

The Auditors in their report on the consolidated financial statements have further invited the attention of the Shareholders towards non provision against impairment loss on the fixed assets of the subsidiary company i.e. SSAIL. The Company has also provided its clarification as contained in Note no. 44 i.e. in accordance with the Accounting Standard (AS-28) on "Impairment of Assets" issued by the Institute of Chartered Accountants of India, in view of the management with respect to SSAIL, no impairment loss on its Fixed Assets (including Capital Work in Progress and Capital Advance) is considered necessary at this stage, as its expected recoverable value is more than its carrying value.

Management Discussion & Analysis Report

PRODUCTS

INDIA GLYCOLS LIMITED is one of the leading manufacturer of Glycols, Ethylene Oxide Derivatives, Ethyl Alcohol (Potable), Natural Gum & Derivatives and Industrial Gases. Our belief in providing the desired products with the help of the best technology is reflected in our state-of-the-art integrated manufacturing facilities. The manufacturing building blocks are represented:

The Company has organised its business into chemicals and other segments.

- A. Chemical segments comprises :-
- Glycols (MEG, DEG, TEG and Heavy Glycols)
 - Ethylene Oxide Derivatives (EODs)
- B. Ethyl Alcohol (Potable) and Extra Neutral Alcohol
- C. Others includes High Sulphur Alcohol, Hydro Chloric Acid, Natural Gum, Industrial Gases etc.

The segment wise business share is indicated as follows:-

Segment	Sales Value 2015-16 (₹ In Crores) (Domestic + Exports)	% Share
A. CHEMICALS	2,006	62
B. ETHYL ALCOHOL (POTABLE)	1,163	36
C. OTHERS	70	2
TOTAL	3,239	100

CHEMICAL SEGMENT

Sales in the Chemical segment have decreased from ₹ 2,309 Crores in FY 2014-15 to ₹ 2,006 Crores in FY 2015-16. This segment is highest contributor at 62% to the total sales value of the Company. Decrease in value is on account of depressed global economic situation

which has resulted in reduction of commodity demand including Guargum and its derivatives demand. Company has regulated its domestic sales as it was not feasible to market MEG using expensive Ethanol.

	2013-14	2014-15	2015-16
Chemical Sales Value (₹ in Crores)	2,710	2,309	2,006

GLYCOLS

Sales of Glycols [Monoethylene Glycol (MEG), Diethylene Glycol (DEG), Triethylene Glycol (TEG) and Heavy Glycols] has increased from 90,140 MT in FY 2014-15 to 94,268 MT in FY 2015-16. However, due to low international prices of the Glycols, the sales value decreased from ₹ 706 Crores to ₹ 700 Crores, respectively.

In view of higher feedstock cost, the focus has been on sales of Bio-MEG for exports, as realisation is higher compared to domestic sales of MEG where we are regulating the supplies.

ETHYLENE OXIDE DERIVATIVES (EODs)

Sales under Ethylene Oxide Derivatives (EOD) business decreased to 95,000 MT in FY 2015-16 from 99,034 MT during previous year and resultantly, the sales value also decreased from ₹ 1,109 Crores to ₹ 974 Crores, respectively. As a prudent measure, the sales to China market was restricted in view of the very low realizations.

The Ethylene Oxide Derivatives produced by the Company are used by diverse industries like Textile, Agrochemicals, Detergents, Pharmaceuticals & Personal Care, Oil Field and Automotive industry, Paint & Coating industry etc.

The Company aims to increase its business by developing new products and applications especially in areas of textile chemicals, oil field chemicals, paper chemicals, home care & personal care applications.

The thrust would be in line with the strategy to maximise EOD business in view of increasing the usage of EO for EO Derivatives for improved margins.

BIO-ETHOXYLATES

We have initiated promotion of Bio-Ethoxylates in the international market which is gaining acceptability and can be a good opportunity for better realisation in the niche market segments.

OPPORTUNITIES & CHALLENGES

MEG consumption for polyester industry for 2015-16 has been around 2.8 million tonnes. New capacities namely Sparsh Industry & Vacmet added during the last financial year despite falling prices and low market sentiments. The limiting factor in the growth was the falling crude prices and lower demand in the market resulting in overall growth of 5-6%.

Domestic production of MEG was around 1.2 million tonnes primarily from Reliance & IOC and balance demand has been met by imports. Overall demand supply balance have been favorable for MEG producers in the world market in 2015-16 but the market witnessed steep prices drop from 950\$ to 600\$ per MT during the financial year.

IGL, in its long term strategy, is shifting from commodity to niche markets and speciality products and would divert EO molecule for Bio-MEG and EO Derivative/ Speciality products which will give us a much better returns.

We are promoting our Glycols as Bio/ Green MEG to potential customers interested in meeting their objective of using environment friendly chemicals made from natural renewable resources. We have converted this concept into a good business opportunity which will enable full capacity utilisation with better realisation.

Moreover, the niche markets of Bio-MEG in the packaged water, automobile, personal care & cosmetics are going to give us better margins.

ETHYL ALCOHOL (POTABLE) AND EXTRA NEUTRAL ALCOHOL

During the year, your Company registered total sales value of ₹ 1150 Crores as compared to ₹ 691 Crores last year in the Ethyl Alcohol (Potable) division. During the year thrust was given on the export of high quality Extra Neutral Alcohol (ENA) and IGL has gained the position of premium quality ENA suppliers in the international markets.

	2013-14	2014-15	2015-16
ENA Sales Value (₹ in Crores)	657	691	1,150

INDUSTRIAL GASES

During the year under review, the Company produced 21235 MT of Oxygen and 1074 MT of Nitrogen. Both Oxygen and Nitrogen were sold in the market and also used for in house requirement. In addition, Argon of 3100 MT was also produced and its sales were 3096 MT.

Industrial Gas Division also produced Beverage and Industrial Grade Liquid Carbon Di-oxide (LCO₂) at Kashipur. During the year, your Company has produced 27095 MT of LCO₂ and its sale was 27474 MT.

Your Company also produced ETO (Ethylene Oxide & Carbon Dioxide Gas Mixtures) under the trade name IGL-STERI GAS at its Kashipur Plant. It is suitable for sterilization of Disposable Surgical & Medical Devices, spices and packing substances like rubber plastic etc. The Company has in house facility for production of EO and LCO₂ which are also used in production of ETO and as such it is the only plant in India to have such manufacturing facility, which gives us a distinct edge over other suppliers in the market. During the year, the Company has sold 928 MT of Steri Gas as compared to 913 MT in the last year.

Further, the Industrial Gases segment registered total sales of all gases of ₹ 38 Crores which was same during the last year.

	2013-14	2014-15	2015-16
Sales Value (₹ In Crores)	40	38	38

EXPORTS

Company has identified exports as a key future growth driver. It has already established itself as a major domestic speciality ethoxylates company and with the increased capacities, the scope for exports would be explored for higher growth.

During the year under review, your Company has achieved total export sales value of ₹ 873 Crores as compared to ₹ 1,030 Crores during last year. The decline in exports can be attributed to strategic cut down on the sales of Glycol Ether & Acetates in view of low operating price in China market.

The future thrust would be in the area of marketing Bio-MEG & Bio-Ethoxylates to niche markets for achieving better contribution.

	2013-14	2014-15	2015-16
Exports Sales Value (₹ in Crores)	1,195	1,030	873

The major export markets are the South East Asia, Middle East and China as we have logistic advantage in these region. We export our chemical products to more than 40 countries worldwide and the thrust for exports would be to other regions in Europe, USA, Japan & Latin America for promotion of Bio-MEG and Bio-EODs.

FINANCIAL REVIEW

During the FY 2015-16 on a standalone basis, your Company recorded a total revenue of ₹ 2,329 Crores as compared to ₹ 2,601 Crores in FY 2014-15, a decrease of about 10.46%. The Loss after depreciation, exceptional items and tax for FY 2015-16 was ₹ 34 Crores as compared to loss of ₹ 61 Crores incurred during the FY 2014-15. The performance of the Company remained weak on account of lower Monoethylene Glycol (MEG) prices due to reduced crude oil prices. Also, the demand for Guar Gum remained low due to sluggish demand from the major consuming sector which is US shale. The performance was further affected as domestic prices of our feedstock viz. molasses and alcohol, were high on account of poor availability of ethanol and diversion of ethanol towards the implementation of Ethanol Blending with Petrol (EBP) Program of Government of India at an unrealistic and exorbitant price resulting in a sharp increase in the prices of ethanol locally.

During the year under review, the Gross Fixed Assets has increased to ₹ 1,881 Crores in FY 2015-16 from ₹ 1,811 Crores in FY 2014-15.

Despite the adverse economic scenario, the Company has been regular in meeting its obligations towards timely payment of principal/interest to Financial Institutions/Banks/Debentures holders/Fixed Deposit holders.

We have audited the internal financial controls over financial reporting of India Glycols Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, read with the matters described below under Emphasis of Matters, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Emphasis of Matter

Attention is drawn to:

According to the information and explanations given to us, the company has adequate internal financial controls system over financial reporting, however, the company needs to further strengthen its internal control system over financial reporting regarding balance confirmation (Read

with note no. 36) to be made the same commensurate with size and nature of business and our comments under 'Basis of Qualification' in our main report.

Our opinion is not modified in respect of matter stated above.

We have considered the weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the March 31st, 2016 financial statements of the Company, and these weaknesses do not affect our opinion on the 2016 financial statements of the Company.

- 31.** In the earlier years, the State Government of Uttar Pradesh (UP) had imposed a levy of license fee on transfer of alcohol from the distillery to the chemical plant. The levy was challenged by the Company in the Hon'ble Supreme Court and on October 18, 2006 the matter was finally decided by The Hon'ble Supreme Court in favour of the Company. Accordingly, Company had filed an application for refund of amount paid of ₹ 507.05 Lacs (Previous Year ₹ 507.05 Lacs) (shown as recoverable under the head Short Term Loans and Advances) with State Government of Uttarakhand, which is still pending for refund of the amount.
- 32.** In the earlier years, the State Government of Uttarakhand had levied Export Pass Fee on ENA/R.S. export outside India. The matter is finally disposed of by Hon'ble High Court of Uttarakhand vide its Order dated 9th January, 2012 and has declared the levy of said fee as unsustainable and irrecoverable. Subsequently, on June 8, 2012, vide Uttarakhand Excise (Amendment) Act, 2012, Uttarakhand Government retrospectively revived old notification relating to imposition of export fee on ENA and R.S. The Company filed Writ Petition challenging the above said notification and vide order dated September 12, 2012 the Hon'ble High Court of Uttarakhand has granted stay and restrained State from imposing export fee. Amount of ₹ 106.15 Lacs (Previous Year ₹ 106.15 Lacs) paid under protest is shown as recoverable from State Govt. of Uttarakhand, under the head Short Term Loans and Advances.
- 33.** (A) (i) Company has investment of ₹ 5,427.50 Lacs (Previous Year ₹ 5,427.50 Lacs) in equity share capital and 10% cumulative redeemable preference share capital in a subsidiary company Shakumbari Sugar and Allied Industries Limited (SSAIL) whose net worth has been fully eroded and SSAIL has also been declared sick industrial undertaking as per the provision of Sick Industrial Companies Act, 1985. Considering the intrinsic value of the investee assets, long term nature of investment and filing of TEV (Technical Evaluation Study) report, and revival scheme by the operating agency (OA- IDBI) so appointed as directed by the Hon'ble Board for Industrial and Financial Reconstruction (BIFR), no provision at this stage is considered necessary by the management against investments made in above stated subsidiary namely SSAIL.

- (ii) Loans and advances includes Inter corporate deposit with SSAIL amounting to ₹ 1,915.13 Lacs (Previous Year ₹ 1,915.13 Lacs) (including interest thereon) and advances of ₹ 8,453.81 Lacs (Previous Year ₹ 8,453.81 Lacs), where management is confident about recoverability/ realisability of the same. Accordingly, considering the facts as stated in Para (i) above and read with comment in Para (iii) below, amount is considered good and fully recoverable and no provision there against and also against corporate guarantee extended read with note no 28 A (iii) of ₹ 10,845.38 Lacs (Previous year ₹ 12,045.43 Lacs) (excluding penal interest, penalty etc) is considered necessary by the management.
- (iii) Central Bank of India (CBI) vide its letter dated 28.05.2014 had issued a notice under Section 13(2) of SARFAESI Act 2002 to SSAIL and IGL. The said notice was replied by SSAIL and IGL has challenged the legality of issuance of such notices. CBI, thereafter, on 11.09.2014 had issued another notice under Section 13(4) of SARFAESI on SSAIL and IGL, which has been challenged at DRT, Lucknow. As per the legal opinion, the notice issued by the CBI is not valid since SSAIL is registered with BIFR as sick industrial Company. Meanwhile BIFR vide its order dated 24.09.2015 has rejected the appeal of CBI for seeking recovery certificate, against the order of BIFR, CBI has filed an appeal before Appellate Authority for Industrial and Financial Reconstruction (AAIFR) which is pending.
- (B) (i) Short term loans and advances to related party includes Inter Corporate Deposit (ICD) amounting to ₹14,649.64 Lacs (Previous Year ₹ 14,649.64 Lacs) given to IGL Finance Ltd. (IGLFL), a 100% subsidiary of the company. IGLFL in earlier year had invested funds for short term in commodity financing contracts offered by National Spot Exchange Ltd. (NSEL). NSEL had defaulted in settling the contracts on due dates, for which IGLFL has initiated legal and other action and in turn IGLFL did not pay due amount to the company. Accordingly considering the prudence no interest on above ICD has been accrued for the period from 01-09-2013 onwards. Further considering the arrangement of merger of NSEL with Financial Technologies (India) Limited (FTIL) and other measure which have so far been taken for and pending before the Govt. and other authorities, the management and IGLFL is confident for recovery of dues from NSEL over a period of time.
- (ii) Considering above no provision has been considered necessary at this stage against total exposure in IGLFL of ₹ 14,774.64 Lacs (Previous Year ₹ 14,774.64 Lacs) (including Investment in capital of ₹125.00 Lacs), and the same is considered good and fully recoverable, by the management.

Against this in P.Y. ₹ 348.64 Lacs (since Balance Sheet Date the Company has also received ₹ 748.80 Lacs) has been received and balance of ₹ 2,680.99 Lacs being receivable from the Insurance Company is shown under short term loans & advances, where management is confident about recovery of full amount and hence considered good.
36. (a) Other current liabilities includes provision amounting to ₹ 14,167.57 Lacs (till Previous Year ₹ 13,421.55 Lacs) made against special discount allowed to an overseas party (Refer Note No. 47(c)), pending receipt of approval of RBI.

Annexure-A of the Auditors' Report

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the Consolidated financial statements of the Company as of and for the year ended 31 March 2016, we have audited the internal financial control over financial reporting of **India Glycols Limited** ("the Holding Company") and its subsidiary companies (**the Holding company and its subsidiaries** (incorporated in India) together referred to as "**the Group**"), and joint venture, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding company and its subsidiary Companies, which are incorporated in

India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

We did not audit the financial statements of the one subsidiary company namely, M/s IGL Finance Limited and one Joint venture namely M/s Kashipur Infrastructure and Freight Terminal Pvt. Ltd., whose financial statements have been audited by other auditors, whose reports have been furnished to us by the Management and our opinion, in respect of these subsidiaries under sub section (3) and (11) of section 143 of the Act, in so far as it relates to the aforesaid subsidiaries as at 31st March 2016, is based solely on the report of other auditors.

Meaning of Internal Financial Controls Over Financial Reporting

A Group's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Group's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Group; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in

accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the Group (Holding company, its subsidiaries and joint venture, which are companies incorporated in India) ; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Group's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting (IFCoFR), including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, read with the matters described below under Emphasis of Matters, the Holding Company and its subsidiary companies and joint venture, which are companies incorporated in India have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Emphasis of Matter

Attention is drawn to:

- (i) According to the information and explanations given to us, the company has adequate internal financial controls system over financial reporting, however, the company needs to further strengthen its internal control system over financial reporting regarding balance confirmation (Read with note no. 37) to be made the same commensurate with size and nature of business and our comments under 'Basis of Qualification' in our main report.
- (ii) In respect of subsidiary SSAIL - The Company IFCoFR needs to be strengthen w.r.t. processes/assessment of impact of (a) confirmation/reconciliation of balances of receivables, payables, banks (including fixed deposits with banks), loans & advances (including capital advances), current liabilities and provision (note no. 45); (b) verification and updation of certain fixed assets records (note no. 43(i)(a)) and assessment of impairment loss on Fixed Assets (Read with note no. 44).

Our opinion is not modified in respect of matter stated above. We have considered the weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the March 31st, 2016 consolidated financial statements of the Company, and these weaknesses do not affect our opinion on the 2016 consolidated financial statements of the Company.
