“ANNEXURE- H” MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Autoriders International Limited, a leading and well established organization providing Car Rental Services having started operations in 1994. An ISO 9001 certified company having an all India presence with branches in 20 cities.

The company is continued to focus on sustainable growth by enhancing service standards, technology and fleet upgradation and human resources development resulting in seamless travel experience and satisfaction to the customers.

The company achieved Gross Revenue of over Rupees 87.07 crores and profit Before Tax of Rupees 11.28 Crores. Also, the company is looking at various revenue enhancement and cost containment measures so as to improve its profit.

1. Industry Structure and Development

Travel & Tourism Industry in India plays a significant role in India's economic growth, reflecting as a major contributor to GDP and foreign exchange reserves. Tourism in India has gained prominence as it has a multiplying effect of repaid economic expansion and job creation. It drives growth in Service sector of airlines, hotel and transportation businesses. Tourism in India represents a large market with growing population in major cities and development of other many small cities. Apart from domestic tourists, it is huge market for international tourists in the form of adventure, leisure, Culture, medical, wellness, eco, wildlife and religious tourism. Travel and Tourism is a major foreign exchange earner for India. Travel and tourism necessitates infrastructure development of roadways, water transport, Airports and Construction businesses resulting in inclusive growth, regional and rural development. It also helps small and auxiliary businesses directly and indirectly supporting travel and tourism. Tourism has put India on the global map promoting cultural diplomacy, friendship and co-operation with other countries.

Car rental market in India has registered a significant upswing in recent years as evidenced by robust growth in volume and profits. There is a shift from an unorganized to organized sector through the development of online booking, wide spectrum of fleet structure and offering flexible transport solutions to varied customers.

To fuel and be part of the growth, it is imperative to invest in most modern fleet, innovative reservations and payment system and software, mobile applications and vehicle tracking technology which enables seamless booking, remote vehicle tracking and monitoring, improved fleet management and security etc., all ultimately resulting in enhanced efficiency and convenience contributing to customer satisfaction and loyalty.

2. Opportunities

Car rental industry in India has seen upward growth in recent years driven by favorable economic environment for expansion. Rapid urbanization the country leading to infrastructure development aided growth of car rental business especially in the corporate sector. A significant push for growth of car rental industry comes from tourism both domestic and international, which is flourishing in India. Preference of the corporate business houses to utilize car rental services rather than maintaining their own fleet of vehicle which is more flexible and economical is a major fillip to car rental business. A growing middle class and

changing social attitude can be a boost to car rental services ensuring road travel more efficient and convenient to the user in comparison to public transportation. The car rental industry can enhance growth with introduction of innovative business models involving new technology applications and its upgradation. Better growth is expected for car leasing and car sharing business in the coming years. By systematic fleet management introducing of new fleet considering the current and future market trends and operating system upgradation, company is hopeful of improving its business in terms of revenue and margins.

3. Segment-wise or product-wise performance

The Company has a single segment reporting during the year. The performance of the product is quite satisfactory during the financial year.

4. Outlook

The future outlook of travel and car rental industry look quite positive as reflected by sustainable growth in volume and margin. Asia-Pacific is the fastest-growing market, attributed to rapid urbanization, rising disposable incomes, and the expansion of international travel. India is witnessing significant growth in car rental services supported by growing middle class and increased business travel. It also depend on the other economic, social and political environment prevailing in the country as well as globally.

5. Threats, Risk and Concerns

Car rental business face several challenges, significant being high cost of maintenance of fleet, fluctuation in fuel prices , scarcity of chauffeur services, regulatory hurdles etc. despite the positive outlook. Occurrence of any pandemic type of situations in future will adversely affect the industry in general and Covid-19 had showcased the vulnerability of travel industry effecting the car rental market.

The increase in competition and the input costs could put pressure on the margin. However the company is hopeful of maintaining its margin by taking appropriate measures of monitoring and analyzing various aspects in operations and management, receivable management, human resources and other functional areas to that effect.

Also, the deteriorating relationship between countries and terrorist activities would negatively impact the industry globally. However, constructive dialogue between various nations to defuse tension and steps taken by the governments all over the world to counter terrorism would improve the situation.

6. Internal Control Systems

The Company has an internal control system in place which is commensurate with the size and nature of its business. The internal control system ensures that all the assets of the Company are safeguarded from loss, damage or disposition. Checks and controls are in place to ensure that transactions are adequately authorized and recorded and that they are reported correctly. The internal control system is supplemented by an extensive programme of internal audit by a firm of independent Chartered Accountants and external statutory audit which is periodically reviewed by the management and Audit Committee.

Report on the Audit of Standalone Financial Statements

Opinion

We have audited the accompanying financial statements of AUTORIDERS INTERNATIONAL LIMITED ("the Company"), which comprises Balance Sheet as at 31st March, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of changes in Equity and Cash Flow statement for the year ended 31st March 2025, including summary of significant accounting policies and other explanatory information (herein after referred to as financial statements.)

In our opinion and to the best of our information and according to the explanations given to me, the financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the company as at 31st March 2025, and Profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Financial Statements.

Emphasis of Matters

The company had granted unsecured loan of Rs. 300 Lakhs to a group company which has ceased to be going concern. However, in the opinion of management the same is good for recovery being a loan given to company within group. (Refer Note No. 34 of Notes forming part of accounts)

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our reports.

Revenue Recognition

The Company derives revenue primarily from activities of giving Car on Rent.

Income from car rental is recognized when service rendered and in accordance with the terms of respective agreement wherever applicable and other income is accounted on accrual basis. Insurance claims are accounted for on the basis of claims admitted / expected to be admitted and to the extent that there is no uncertainty in receiving the claims.

Revenue is recognized on satisfaction of performance obligation upon completion of services to customers in an amount that reflects the consideration the company expects to receive in exchange for those Services.

AUTORIDERS INTERNATIONAL LIMITED

Revenue is measured based on transaction price which is fair value of the consideration received or receivable, after deduction of any discounts, and any taxes or duties collected on behalf of the government such as goods and services tax etc. Revenue is only recognized to the extent that it is highly probable a significant reversal will not occur.

Interest income is recognized using Effective Interest Rate (EIR) method.

Principal Audit Procedures Performed

As part of our audit, we assessed the Company's revenue recognition policies, particularly for income derived from car rentals. We examined a sample of rental agreements to ensure that revenue was recognized accurately and in accordance with the terms of the agreements. Our procedures included testing the accuracy and timing of revenue recognition to confirm that it occurred when services were rendered and performance obligations were satisfied. We also reviewed other income recognized on an accrual basis, ensuring that it was recorded only when earned, and verified that insurance claims were accounted for when admitted or expected to be admitted. Furthermore, we evaluated the transaction price to confirm that it reflected the fair value of the consideration received, with appropriate deductions for discounts and taxes. We performed cut-off procedures to ensure that revenue was recognized in the correct accounting period, and we verified the accuracy of interest income recognized using the Effective Interest Rate (EIR) method. Finally, we reviewed the related disclosures in the financial statements to ensure they were complete, accurate, and compliant with applicable accounting standards

Information other than the financial statements and Auditors report thereon ('Other information')

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and auditor's report thereon.

Our Opinion on the financial statements does not cover the information and we do not express any form of assurance or conclusions thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work We have performed, we conclude that there is a material misstatement of the other information, We are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including Other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

AUTORIDERS INTERNATIONAL LIMITED

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure "A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

AUTORIDERS INTERNATIONAL LIMITED

ANNEXURE “B” TO INDEPENDENT AUDITORS’ REPORT

Report on the internal financial controls under clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 (“the act”)

We have audited the internal financial controls over financial reporting of AUTORIDERS INTERNATIONAL LIMITED (“the Company”) as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s responsibility for internal financial controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of internal financial controls over financial reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that:

- 1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

AUTORIDERS INTERNATIONAL LIMITED

2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

29	Significant accounting policies
	Autoriders International Limited is a company domiciled in India and limited by shares (CIN :L70120MH1985PLC037017) . The shares of the company are publicly traded on the Bombay Stock Exchange of India Limited. The address of the Company's registered office is 4A, Vikas Centre, S.V.Road, Santacruz West, Mumbai 400056. The Company is primarily engaged in the business of Rent A Car providing services to majorly corporate business houses for the past 3 decades.
A	Basis of preparation
	The Financial Statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 ("Act") read with Companies (Indian Accounting Standards) Rules,2015; and other relevant provisions of the Act and Rules thereunder. The financial statements have been prepared under historical cost convention basis except for certain financial assets and financial liabilities measured at fair value. Authorization of Financial Statements: The Financial Statements were authorized for issue in accordance with a resolution of the directors on 30thMay 2025. All the assets and liabilities have been classified as current or non- current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Act. Based on the nature of products and services and their realization of cash and cash equivalent, the Company has ascertained the operating cycle to be 12 months. The financial statements are presented in Indian Rupees, the functional currency rounded off to 2 decimal places.
B	Use of Estimates and judgments.
	The preparation of financial statements in accordance with Ind AS requires use of estimates and assumptions for some items, which might have an effect on their recognition and measurement in the balance sheet and statement of profit and loss. The actual amounts realised may differ from these estimates.
C	Determination of the estimated useful lives of the Property Plant and Equipments
	Useful lives of property plant and equipments are based on life prescribed in Schedule II of the Companies Act,2013.
D	Recognition and measurement of the defined benefit obligations
	The obligation arising from defined benefit plan is determined on the basis of actuarial assumptions. Key actuarial assumption include discount rate, trends in salary escalation, actuarial rates and life expectancy. The discount rate is determined by the reference to market yields at the end of the reporting period on government bonds. The period of maturity of the underlying bonds correspond to the probable maturity of the post-employment benefit obligation.
E	Recognition of deferred tax assets
	Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets to the extent that profit will be available against which the temporary differences and the carry forward unused tax credits and unused tax losses that can be utilized.
F	Recognition and measurement of provisions
	Provisions are recognized when the Company has a present obligation as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of obligation. Provisions are not discounted to present value and are determined based on best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

G	Property, Plant and Equipment. Property, plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by the management. Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with expenditure will flow to the asset. The residual values and useful lives of property, plant and equipment are reviewed at regular intervals and changes, if any, are accounted in line with revisions to accounting estimates. Capital Work in Progress include cost of Property, Plant and equipment under installation/development as on the Balance Sheet date. Any gain or loss on disposal of an item of property, plant and equipment is recognized in profit or loss. The cost property, plant and equipment's as on 1st April 2016, the Company's date of transition to Ind AS, was determined to its carrying value at that date.										
H	Depreciation Depreciation on Plant, Property and Equipment has been provided on the straight-line method based on the useful life of the assets as prescribed in Schedule II to the Companies Act, 2013. Depreciation methods, useful lives and residual values are reviewed at each reporting date. Subsequent expenditure relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in the statement of profit and loss when incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or disposition of assets and the resultant gains or losses are recognised in the statement of profit or loss. The estimated useful lives of assets are as follows: <table border="1" data-bbox="245 1157 1422 1312"> <tbody> <tr> <td>Computer Equipment</td><td>3 Years</td></tr> <tr> <td>Office Equipment</td><td>5 Years</td></tr> <tr> <td>Furniture & Fixtures</td><td>10 Years</td></tr> <tr> <td>Vehicles</td><td>6 Years</td></tr> <tr> <td>Office Premises</td><td>60 Years</td></tr> </tbody> </table>	Computer Equipment	3 Years	Office Equipment	5 Years	Furniture & Fixtures	10 Years	Vehicles	6 Years	Office Premises	60 Years
Computer Equipment	3 Years										
Office Equipment	5 Years										
Furniture & Fixtures	10 Years										
Vehicles	6 Years										
Office Premises	60 Years										
I	Intangible assets and it's amortization Intangible assets are stated at cost less accumulated amortization and impairment. The intangible assets are amortized at their estimated useful lives from the date they are available for use. Advances paid towards acquisition of intangible asset are classified as capital advances under other noncurrent assets in balance sheet. Software are amortized over their estimated useful lives not exceeding 36 months on a straight-line basis from the date they are available for use. The cost of Intangible assets as at 1st April 2016, the Company's date of transition to Ind AS, was determined with reference of its carrying value at that date.										
J	Financial Instruments The carrying amount of financial assets and liabilities measured at amortized cost in the financial statements are a reasonable approximation of their fair value since the Company does not anticipate that the carrying amounts would be significantly different from the values that would be eventually be received or settled.										
K	Financial Assets Initial recognition and measurement All financial assets (not measured subsequently at fair value through profit or loss) are recognized initially at										

AUTORIDERS INTERNATIONAL LIMITED

	fair value plus transaction costs that are attributable to the acquisition of financial asset.
	Subsequent measurement
	Subsequent measurement is determined with reference to the classification of the respective financial assets. The Company classifies financial assets as subsequently measured at amortized cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.
	Derecognition
	The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition under Ind AS 109.
	Impairment of financial assets
	In accordance with Ind-AS 109, the Company applies Expected Credit Loss ("ECL") model for measurement and recognition of impairment loss on the financial assets measured at amortized cost.
	Loss allowances on trade receivables are measured following the 'simplified approach' at an amount equal to the lifetime (ECL) at each reporting date. Trade receivable are tested for impairment on a specific basis after considering the allowed credit period, security deposit collected and expectation about future cash flows.
L	Financial Liabilities
	Initial recognition and measurement
	All financial liabilities are recognized initially at fair value net of transaction costs that are attributable to the respective liabilities.
	Subsequent measurement
	Subsequent measurement is determined with reference to the classification of the respective financial liabilities. The Company classifies all financial liabilities as subsequently measured at amortized cost except for financial liabilities at fair value through profit or loss except for financial liabilities at fair value through profit or loss.
	After initial recognition, financial liabilities other than those which are classified as fair value through profit or loss are subsequently measured at amortized cost using the effective interest rate method("EIR).
	Amortized cost is calculated by taking into account any discount or premium on acquisition and fee or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit & Loss.
	Derecognition
	A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit & Loss.
	Offsetting of financial instruments
	Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, or to realize the assets and settle the liabilities simultaneously.
	Cash & Cash Equivalents
	The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents Cash and cash equivalents comprise cash on hand and in banks and demand deposits with banks which can be withdrawn at any time without prior notice or penalty on the principal. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

AUTORIDERS INTERNATIONAL LIMITED

M	Employee Benefits:
	Short Term Employee Benefits
	All employee benefits payable within twelve months of rendering the service are recognised in the period in which the employee renders the related service
	Post Employment/Retirement Benefits.
	➤ Defined Contribution Plans
	Contribution to Defined Contribution Plans such as Provident Fund, ESIC, etc., are charged to the statement of Profit and Loss as incurred.
	➤ Defined Benefit Plans
	Defined Benefit Plans: The present value of the obligation under such plans, is determined based on an actuarial valuation by an independent actuary at the end of each year, using Projected Unit Credit Method.
	In the case of gratuity, which is funded, the fair value of the plan asset is reduced from gross obligation under the defined benefit plans, to recognize the obligation on net basis.
	Re-measurement of net defined benefit liability, which comprises actuarial gains and losses, and return on plan assets(excluding interest) and the effect of the asset ceiling (if any excluding interest) are recognized immediately in other comprehensive income
	Gratuity – Rs.1775646/- Acturial Gain/(Loss) - Rs.(2638984/-)
N	Compensated Absences.
	The company has provided for liability in respect Leave Encashment payable to Employees on their retirement based on actuarial valuation as required under Ind AS 19 on Accounting for Retirements benefits as issued by ICAI.
O	Foreign Currency Transactions:
	Transactions in foreign currency are recorded at the exchange rate prevailing on the date of the transaction. In case of liabilities incurred for the acquisition of fixed assets, the loss or gain on conversion (at the rate prevailing at the year-end) is recognized as income or expenses in the statement of profit and loss. Current assets and liabilities (other than those relating to fixed assets) are restated at the rate prevailing at the year end. The difference between the year-end rate and the exchange rate at the date of the transaction is recognized as income or expense in the statement of profit and loss.
P	Borrowing Costs:
	Borrowing costs that are attributable to the acquisition or construction of qualifying assets (i.e. an asset that necessarily takes a Substantial period of time to get ready for its intended use) are capitalized as a part of such assets. All other borrowing costs are charged to the Statement of Profit & Loss.
Q	Recognition of Income and Expenditure
	Revenue is recognized to the extent it is probable that the economic benefits will flow to the company and the revenue can be reliably measured, regardless of when the payment is being made. The company derives revenue from Car Rentals.
	Effective April 1 2018, the company has applied Ind AS 115: Revenue from contracts with customers which establishes a comprehensive framework for determining whether how much and when revenue is to be recognized. Ind AS 115 replaces AS 18 Revenue. The impact of the adoption of the standard on the financial statements of the company is insignificant.
	Revenue is recognized on satisfaction of performance obligation upon completion of services to customers in an amount that reflects the consideration the company expects to receive in exchange for those services. The performance obligation in our contracts are fulfilled at the time of completion of service.
	Revenue is measured based on transaction price which is fair value of the consideration received or receivable, after deduction of any discounts, and any taxes or duties collected on behalf of the government such as goods and services tax etc. Revenue is only recognized to the extent that it is highly probable a significant reversal will not occur.

AUTORIDERS INTERNATIONAL LIMITED

	Dividend income is recognized in statement of Profit and Loss Account only when the right to receive payment is established. Interest income is recognized using Effective Interest Rate (EIR) method.
R	Cash and cash equivalents. The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents comprise cash on hand and in banks and demand deposits with banks which can be withdrawn at any time without prior notice or penalty on the principal. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.
S	Taxation Income tax expense comprises current tax expenses and the net change in the deferred tax asset or liability during the year. Current and deferred tax are recognized in the statement of profit and loss except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity, respectively. i. Current Tax Current income tax for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable income for that period. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted by the balance sheet date. Current tax assets and liabilities are offset only if, the Company: • has a legally enforceable right to set off the recognized amounts; and • intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. ii. Deferred Income Tax Deferred tax is recognized for the future tax consequences of deductible temporary differences between the carrying values of assets and liabilities and their respective tax bases at the reporting date, using the tax rates and laws that are enacted or substantively enacted as on reporting date. Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses and credits can be utilized. Deferred tax assets and liabilities are offset only if: • Entity has a legally enforceable right to set off current tax assets against current tax liabilities; and • Deferred tax assets and the deferred tax liabilities relate to the income taxes levied by the same taxation authority.
T	Provisions, Contingent Assets and Contingent liabilities: i) Provisions Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. Provisions are not discounted to present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. ii) Contingent Liabilities A contingent liability is a possible obligation that arises from past events whose existence will be confirmed

AUTORIDERS INTERNATIONAL LIMITED

	Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation as follows.		
		31 st March, 2025	31 st March, 2024
		Increase	Decrease
	Discount rate (1% movement)	893629	691853
	Future salary growth (1% movement)	792500	665718
	Rate of employee turnover (1% movement)	1418	22454
	COMPENSATED ABSENCES: The sensitivity analysis above have been determined based on a method that extrapolates the impact on defined benefit obligation as a result of reasonable changes in key assumptions occurring at the end of the reporting period.		
	The Compensated Absences is payable to all eligible employees for each day of accumulated leave on death or on resignation. Compensated Absences debited to Statement of Profit and Loss during the year amounts to Rs.14.61 lakhs (Previous year Rs.13.19 lakhs) and is included in Note 22 - 'Employee benefits expenses'. Accumulated non- current provision for leave encashment aggregates to 35.15 lakhs (Previous year 25.99 lakhs) and current provision aggregates 5.96 lakhs (Previous year Rs.4.84 lakhs).		
39	In accordance with Ind AS 108-opearting segment, the company has evaluated the criteria for determination of operating segments. The Chief operating officer monitor the performance of the company as a single business segment, ie., Car rental with Chauffeur. Further, the operations of the company are within India and hence no geographical segment disclosure is required.		
40	Financial Risk Management. The Company's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include trade and other receivables and cash and cash equivalents that derive directly from operations, security and other deposits. The Company's operations expose it to credit risk and liquidity risk. The Company's focus is to reduce volatility in financial statements		
	1. Credit risk Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations and arises principally from the Company's trade and other receivables and other bank balances.To manage this, the Company periodically assesses financial reliability of customers, taking into account the financial condition, current economic trends and analysis of the historical bad debts and ageing accounts receivable. The maximum exposure of credit risk in the case of all the financial instruments covered below is restricted to their respective carrying amount. Credit risk in respect of trade and other receivables is managed through credit approvals, establishing credit limits and monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The company has used expected credit loss (ECL) model for assessing the impairment loss. For the purpose the company used a provision matrix to compute the expected credit loss amount. The provision matrix taken into account external and internal risk factors and historical data of credit losses from various customers.		
	(a) Trade and other receivables from customers Ageing details of trade and other receivables is shown in Note No.5
