EXPLANATORY STATEMENT

Pursuant to Section 102(1) of the Companies Act, 2013

Item No. 4

Shri N.Krupakar Reddy was re-appointed as Whole-time Director of the Company by the Board of Directors for a further period of 3 years from 07.06.2017 to 06.06.2020, as per Sections 196, 197, 203 and any other applicable provisions of the Companies Act, 2013 on remuneration as mentioned in the resolution.

The said re-appointment was made keeping in view the vast knowledge and experience of Shri N.Krupakar Reddy which will be of immense value and benefit to the Company.

As per the provisions of Schedule V of the Companies Act, 2013 approval of shareholders through special resolution is required for re-appointment of the Whole-time Director. The Remuneration Committee at their meeting held on 16.05.2017 has approved the remuneration payable to Shri N.Krupakar Reddy.

The Board of Directors recommends the special resolution for your approval.

None of the Directors/Key Managerial Personnel of the Company or their relatives is, in any way, concerned or interested, financially or otherwise, in this resolution.

Item No. 5

Pursuant to Section 149(13) of Companies Act 2013, the independent directors are not liable to retire by rotation. Further Section 152 (6) stipulates that 2/3rd of the total number of directors of the public company should be liable to retire by rotation and out of such directors, 1/3rd should retire by rotation at every Annual General Meeting of the company.

To meet the requirement of the Companies Act, 2013, Company has to modify the relevant articles of its Articles of Association, which restrict the retirement of Managing Director (MD) by rotation. Accordingly Article 121 is proposed to be amended to provide that MD / WTD will also be liable to retire by rotation (save as otherwise provided in a contract in terms of provisions of the Act or Rules made hereunder or in a resolution passed by Board or Shareholders of the Company).

Item No. 6

The resolution contained in the AGM Notice relates to a proposal by the Company to create, offer, issue and allot Securities through further public offerings, preferential allotments, qualified institutions placements, issuance of Global Depository Receipts, American Depository Receipts and such other Securities in such manner as stated in there solution. The Company intends to issue Securities for a value of up to US\$ 50 million. Subject to applicable laws and regulations, the Company intends to use the net proceeds of the Issue primarily for making acquisition,

expansion and modernization of existing facilities, working capital requirements and general corporate purpose.

The Special Resolution also seeks to empower the Board of Directors to undertake a qualified institutions placement with qualified institutional buyers as defined by SEBI (ICDR) Regulations. The Board of Directors may in their discretion adopt this mechanism as prescribed under Chapter VIII of the SEBI (ICDR) Regulations for raising the funds for the expansion plans of the company, without the need for fresh approval from the shareholders. In case of an issuance of Securities to qualified institutional buyers, whether or not such investors are existing members of the Company, through a qualified institutions placement under Chapter VIII of the SEBI (ICDR) Regulations, the final price at which the Securities will be offered will be subject to investor response and prevailing market conditions, and computed in accordance with the relevant provisions of Chapter VIII of the SEBI (ICDR) Regulations. Furthermore, a discount of 5% to the floor price of the Equity Shares, or such other discount as may be permitted under Chapter VIII of the SEBI (ICDR) Regulations may also be contemplated at the time of issuance, for which authorization is being taken from the shareholders of the Company through this Special Resolution. The detailed terms and conditions of the issue as and when made will be determined by the Board of Directors in consultation with the Merchant Bankers, Lead Managers, Advisors and other experts in accordance with the applicable provisions of law.

The Special Resolution seeks to give the Board powers to issue Securities in one or more tranche or tranches, at such time or times, at such price or prices and to such person(s) including institutions, incorporated bodies or otherwise as the Board in its absolute discretion deem fit. The consent of the Shareholders is being sought pursuant to the provisions of Section 62(1)(c) and Section 42 of the Companies Act, 2013 and other applicable provisions and rules of the Companies Act, 2013, to the extent notified and in force, and in terms of the provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 executed by the Company with the Stock Exchanges where the Equity Shares of the Company are listed i.e. BSE Limited and National Stock Exchange of India Limited. Section 62(1)(c) of the Companies Act, 2013 provides, inter-alia, that when it is proposed to increase the issued capital of the Company by allotment of further shares, such further shares shall be offered to the existing shareholders of the Company in accordance with the Act unless the shareholders in a general meeting decide otherwise. The special resolution seeks the consent and authorization of the members to the Board to make the proposed issue of Securities and in the event it is decided to issue Securities convertible into Equity Shares, to issue to the holders of such convertible Securities in such

manner and such number of Equity Shares on conversion as may be required to be issued in accordance with the terms of the issue.

The Board of Directors believe that the issue of Securities to investors who are/ are not Shareholders of the Company is in the interest of the Company and therefore recommends the resolution for your approval.

None of the Directors / Key Managerial Personnel of the Company / their relatives is, in any way, concerned or interested, financially or otherwise, in this resolution.

Item No. 7

The Board of Directors, on recommendation of the Audit committee, at their meeting held on 18.05.2017 has approved the appointment and remuneration of the M/s. BVR & Associates, Cost Accountants in practice, as Cost Auditors of the Company to conduct the audit of the cost records of the Company for the financial year ending 31.03.2018 on a remuneration of Rs. 25,000/- (Twenty Five Thousand Only).

In accordance with the provisions of Section 148 of the Act read with the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditors has to be ratified by the shareholders of the Company. Accordingly, consent of the members is sought for passing an Ordinary Resolution as set out at Item No. 07 of the Notice for ratification of the remuneration payable to the Cost Auditors for the financial year ending 31.03.2018.

The Board of Directors recommends the Ordinary Resolution for your approval.

None of the Directors / Key Managerial Personnel of the Company / their relatives is, in any way, concerned or interested, financially or otherwise, in this resolution.

MANAGEMENT DISCUSSION AND ANALYSIS

COMPANY'S OVERVIEW

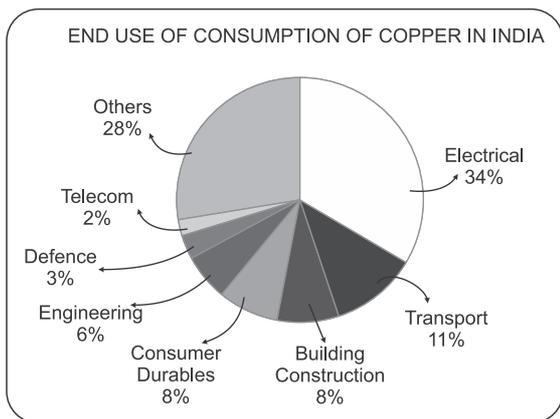

Bhayanagar India Ltd (BIL) was incorporated in the year 1985, a flagship Company of Surana Group. BIL is among the oldest and largest companies producing copper products in India. Over the years the organisation has diversified into telecom products, solar products and non-conventional energy (wind power). BIL believes its industry knowledge, proactive research and specialized technology helps provide customers with improved products. The Company has steadily grown over the years with a continued focus on customer satisfaction, evolving itself into country's one of the most promising mid cap Companies.

PERFORMANCE OF KEY INDUSTRY SEGMENTS

1. Copper products

Introduction:

Copper is an important non-ferrous metal used in various forms for different applications. Copper is a vital and positive contributor to humankind and has improved our quality of life for centuries. Copper is essential for modern living. Copper's chemical, physical and aesthetic properties make it a material of choice in a wide range of domestic, industrial and high technology applications. By using copper for circuitry in silicon chips, microprocessors are able to operate at higher speeds, using less energy. Copper is used in construction industry as plumbing, taps, valves and fittings components. In Transportation industry copper is used in various components. It is used in a number of consumer products such as coinage, utensils, fixtures etc. Today, renewable sources provide nearly one-quarter of the world's power and copper play an important role in making it as efficient as possible, with minimal impact on the environment. Copper is essential for use in sustainable energy systems that harness wind, hydro, thermal and solar power. Over the years the use of copper has witnessed growth in electrical, transport, Consumer durables, engineering, construction, telecommunication etc. sectors.

Global Business Scenario:

While 2015 was rough for copper, demand rebounded last year 2016, with global copper demand growing from 0.9% to 1.8% year over year. A 2.5% increase in apparent Chinese demand put the global refined copper market in a 50,000 mt deficit in 2016. At the end of 2016 there was a clear rebound of prices related to the overall change in the outlook for the entire commodity market and the acceleration of a global economy. World copper mine production had grown by 6% in 2016, aided by new and expanded capacities that came online in Mexico and Peru. Also, the frequency of supply disruptions at mines had witnessed significant decline in 2016, when compared with the year before.

Global copper mine production last year grew an estimated 5%, or 1 million mt, to 20.15 million mt, with concentrate production increasing by 7% and SX-EW declining by 2%. The main contributor to growth in world refined production was China (increase of 6%, or 470,000 mt), followed by the United States and Japan, where production increased by 7% and 5%, respectively, and by Mexico (16%) where expanded SX-EW capacity contributed to refined production growth.

According to ICSG, world apparent refined usage of the metal is expected to increase by nearly 2% in 2017 and 2018. The overall world copper mine production is expected to increase marginally by 1%, mainly on account of anticipated 5% year-over-year decline in SX-EW output. The refined copper output from scrap is expected to surge by 5% during the year. The production from scrap is likely to witness growth during the year. The increased availability of scrap will boost secondary refined production in 2018. China will continue to remain as the key contributor to refined production growth in 2017 and 2018.

As per ICSG Report, after growth of almost 6% in 2016, world mine production after adjusting for historical disruption factors, is expected to decline by 1% in 2017 and remain essentially unchanged in 2018. World refined copper market is likely to end in deficit of around 150,000 metric tonnes in 2017. The deficit is likely to increase further to 170,000 metric tonnes in 2018.

Indian Copper Industry and Demand Outlook:

India has limited copper ore reserve contributing about 2% of world reserves. Only 20,000 sq.km.area explored out of a potential 60,000 sq.km. Reserve to Production and Reserve to Resource ratio very low. Mining production is just 0.2% of world's production. Whereas refined copper production is about 4% of world's production. India has 4th global ranking in smelter production and 8th in refined consumption. Indian Refining capacity higher than local demand-net exporter of refined copper. There is an opportunity to increase ore production through expansion and green field exploration.

The decline in domestic coal prices in India was a major relief. Falling prices of copper in international markets

would also benefit India, as it is one of the world's biggest importers of the metal, alongside China, Japan, South Korea and Germany. As a consequence, volatility in prices of the metal on the LME has a significant bearing on Indian copper trading. India has a huge growth potential in copper consumption for the next 20-25 years as the government increases focus on smart cities, rapid urbanization and investments in infrastructure. India is expected to be the 6th largest copper market by 2020 with major consumption sectors being – Electrical, Transport and Telecommunications. Moreover, domestic production too remained strong, driven by higher production by the domestic custom smelters. It is a strategic sector where copper demands is and will be from smart cities, power, transmission and defence. This is expected to spur copper demand as the electrical and power sectors account for nearly one-third of the refined copper consumption. Demand from other industries such as transport, consumer and electronic goods and industrial machinery is also expected to remain strong on the back of increased end user demand and increasing investments.

Business outlook:

With the good macro-economic situation of our country we are expecting this year to be a very good year. The situation post GST introduction looks very favourable for our company and the company will have much higher competitiveness against our competition in territories like Silvasa, Baddi etc. New value added products introduced by the company is getting good traction from OEM customers across various sectors such as Automobile, Electrical Switch Gears, Heaters etc. The company always has exposure to foreign exchange against our imports. The macroeconomic factors and the stability in the rupee parity also augurs very well for the company.

2. Non-Conventional Energy - Wind Power:

Wind power generation capacity in India has significantly increased in recent years. A record level of 5,400 MW of wind power capacity added in 2016-17. With the addition of 5,400 MW, the country's wind power capacity stands at 31,177 MW mainly spread across the South, West and North regions. With 31 GW, India has the fourth highest wind installations in the world after China (145,362 MW), US (74,470 MW) and Germany (44,947 MW). The government aims to see 60,000 MW by 2022. The highest installations are likely to come from Andhra Pradesh, around 2,500 MW, Sarvesh Kumar said. Gujarat (around 1,000 MW) and Karnataka (700 MW) were the bigger markets this year. India wind power tariff follows solar route, falls to record low. Wind power tariffs fell to a record low in a 1 gigawatt (GW) tender by state-run Solar Energy Corporation of India (SECI), potentially placing India at the tipping point on the renewable energy front. Solar power tariffs had hit new lows at an auction earlier this month. The government plans to achieve 175 GW of renewable energy capacity by 2022 as part of its commitments to the Paris climate change agreement. The price gap between electricity generated from thermal, solar and wind projects has been narrowing. This is primarily due to costs of solar modules and wind turbine generators falling by 80% and 20%, respectively, over the past five years.

The Government of India has announced a laudable Renewable Energy target of 175GW by 2022 out of which 60GW will be coming from wind power. The Wind Potential in India was first estimated by National Institute of Wind Energy (NIWE) at 50m hub-height i.e. 49 GW but according to the survey at 80m hub height, the potential grows as much as 102 GW. Further a new study by NIWE at 100m height has estimated a potential 302GW. Ministry of New and Renewable Energy (MNRE) has launched Scheme for setting up of 1000 MW Wind Power Project connected to transmission network of Central Transmission Utility (CTU) with an objective to facilitate supply of wind power to the non-windy states at a price discovered through transparent bidding process.

One of the major advantages of wind energy is its inherent strength to support rural employment and uplift of rural economy. Further, unlike all other sources of power, wind energy does not consume any water-which in itself will become a scarce commodity.

OUTLOOK:

The Indian government has committed to a target of 175 GW of renewable energy by 2022, including 100 GW of solar capacity and 60 GW of cumulative wind power capacity. The government has also indicated its support for rapidly growing the power sector, renewables being a core part of this strategy. The government in its latest budget announcement for FY 2016-17 reduced the AD from 80% to 40%. Further, the Generation Based Incentive will come to an end in 2017. These two factors will likely contribute to a rush for installations of wind farms that could result in installations during the Indian fiscal year 2016-2017 of 4,000 MW. The current manufacturing capacity in the country is around 9,500 MW.

RISKS AND CONCERNS

Inadequate risk management is a primary cause of concern indicated by most organizations in India. To be in a position to have fully identified all risks associated with a project and have a response plan for each; that is clearly a benchmark most organizations acknowledge, nevertheless, do little about it. Risk Management by its very nature is flawed because it only identifies the things project managers know; it fails to appreciate the "unknown", "unknowns", the "un-controllable". That said, the more risks identified and planned for, the better position the project team is in to deliver a successful project. Risk Management has been identified as a best practice by most respondents. Moreover, there is a growing concern among Organizations about inaccurate risk identification. The project will yield continuous flow of revenue for the Company.

INTERNAL CONTROL SYSTEM AND ITS ADEQUACY

The Company has adequate Internal Control Systems and Procedures with regard to purchase of Stores, Raw Materials including Components, Plant and Machinery, equipment, sale of goods and other assets. The company has clearly defined roles and responsibilities for all managerial positions and all operating parameters are monitored and controlled. The Company designs and maintains accounting and

internal control systems to provide reasonable assurance at reasonable cost that assets are safeguarded against loss from unauthorized use or disposition, and that the financial records are reliable for preparing financial statements and maintaining accountability for assets. These systems are augmented by written policies, an organizational structure providing division of responsibilities, careful selection and training of qualified personnel and a program of internal audits. The company has an Internal Audit System commensurate with its size and nature of business. M/s Luharuka & Associates, a firm of Chartered Accountants, are acting as Internal Auditors of the Company. Periodic reports of Internal Auditors are reviewed in the meeting of the Audit Committee of the Board. Compliance with laws and regulations is also ensured and confirmed by the Internal Auditors of the Company. Standard operating procedures and guidelines are issued from time to time to support best practices for internal control.

INDEPENDENT AUDITORS' REPORT

To The Members of

Bhayanagar India Limited

Report on the Financial Statements

We have audited the accompanying financial statements of Bhagyangar India Limited ("the Company"), which comprise the Balance Sheet as at 31 March 2017, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the management as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company, as at March 31, 2017, and its profit and its cash flows for the year ended on that date.

Annexure B to the Auditor's Report:

Report on the Internal Financial Controls under the Clause (i) of sub section 3 of Section 143 of the Companies Act, 2013('the Act')

We have audited the internal financial controls financial reporting of Bhagyangar India Limited ("the Company") as of 31 March 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls base on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013("the Act").

Auditors' Responsibility:

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of the internal financial controls over the financial reporting included obtaining an understanding of the internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatements of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls systems over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of the financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of the Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. Significant Accounting Policies

i. Basis of Preparation of Financial Statements

The financial statements of Bhagyanagar India Limited ('the company') have been prepared under the historical cost convention on the accrual basis with the generally accepted accounting principles in India and the provisions of the Companies Act, 2013.

ii. Use of Estimates

The Preparation of Financial Statements requires estimates and assumptions to be made that effect the reported amount of assets and liabilities on the date of financial statements and reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known / materialized.

iii. Own Fixed Assets

Fixed Assets are stated at cost net of modvat / cenvat / value added tax, less accumulated depreciation and impairment loss, if any. Any costs, including financing costs till commencement of commercial production, net charges on foreign exchange contracts and adjustments arising from exchange rate variations to the fixed assets are capitalized.

iv. Leased Assets

Premium Paid on Leased Assets is amortized over the lease period and the annual lease rentals are charged to Profit and Loss Account in the year it accrues.

v. Deferred Revenue Expenditure

Expenses which in the opinion of the management will give a benefit beyond three years are Deferred Revenue Expenditure and amortized over 3 to 5 years.

vi. Depreciation

With effect from 01.04.2014, in accordance with part A of schedule II of the Companies Act 2013, the Company has reassessed the remaining life of the fixed assets and charged the depreciation under SLM Method. Accordingly, adjustments have been made in the fixed assets schedule.

vii. Impairment of Assets

An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value. An impairment loss is charged to the Profit and Loss account in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

viii. Investments

Current Investments are carried at the lower of cost and quoted / fair value, computed category wise. Long Term Investments are stated at cost less any permanent diminution in value, determined separately for each individual investment. Provision for diminution in the value of long-term investments is made only if such decline is other than temporary in the opinion of the management.

ix. Inventories

Items of Inventories are measured at lower of cost or net realizable value, after providing for obsolescence, if any. Cost of inventories comprises of all cost of purchase including duties and taxes other than credits under CENVAT and is arrived on First in First out basis. Semi Finished goods are valued at cost or net realizable value whichever is lower. Finished goods are valued at cost including excise duty payable or net releasable value whichever is lower. Cost includes Direct Material, Labour cost and appropriate overheads.

x. Foreign Currency Transactions

- Gains and Losses on account of exchange differences existing out of reporting of long term foreign currency monetary items at rates different from those at which they were initially recorded during the period or reported in previous financial statements, in so far as they relate to the acquisition of a depreciable capital asset can be added or deducted from the cost of asset and shall be depreciated over the balance life of asset and in other cases, it can be accumulated in a "foreign currency monetary item transaction Difference Account" in the enterprises financial statements and amortized over the balance period of such long asset/liability.
- In respect of Purchases / Sales in normal course of business, the Gain / Loss is charged to Profit and Loss Account.

xi. Employee Retirement / Terminal Benefits

The employees of the company are covered under Group Gratuity Scheme of Life Insurance Corporation of India. The premium paid thereon is charged to Profit and Loss Account. Leave Encashment liability is provided on the basis of actuarial valuation on actual entitlement of eligible employees at the end of the year.

xii. Provision, Contingent Liabilities and Contingent Assets :

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past event and it is probable that there will be an outflow of resources. Contingent Liabilities which are not recognized are disclosed in notes. Contingent Assets are neither recognized nor disclosed in Statements.

xiii. Turnover

Turnover includes sale of goods, services, sales tax, service tax and adjusted for discounts (net). Inter-Unit sales are excluded in the Main Profit and Loss account.

xiv. Revenue Recognition

Dividend income is recognized when the unconditional right to receive the income is established. Income from sale of VER is accounted as and when sold to customers.

xv. Government Grants

Grants received against capital items carrying cost of asset is adjusted against the cost of the asset on actual receipt of the money from the government.

Assets received as grant free of cost are recorded at nominal value of Rs.1 transfer of possession.

Compensation / Reimbursement of specific revenue items are adjusted in the year of receipt against the respective revenue items on receipt basis.

xvi. Segment Reporting

Company's operating Businesses, organized & Managed unit wise, according to the nature of the products and services provided, are recognized in segments representing one or more strategic business units that offer products or services of different nature and to different Markets.

Inter-Segment transfers are done at cost.

Company's Operations could not be analyzed under geographical segments in considering the guiding factors as per Accounting Standard-17 (AS-17) issued by the Ministry of Corporate Affairs.

xvii. Provision for Taxation

Provision is made for Income Tax, estimated to arise on the results for the year, at the current rate of tax, in accordance with the Income Tax Act, 1961. Taxation deferred as a result of timing difference, between the accounting & taxable profits, is accounted for on the liability method, at the current rate of tax, to the extent that the timing differences are expected to crystallize. Deferred tax asset is recognized only to the extent there is reasonable certainty of realization in future. Deferred tax assets are reviewed, as at each Balance Sheet date to re-assess realization.

xviii. Prior Period Expenses / Income

Prior period items, if material are separately disclosed in Profit & Loss Account together with the nature and amount. Extraordinary items & changes in Accounting Policies having material impact on the financial affairs of the company are disclosed.

xix. Sundry Debtors, Loans and Advances

Doubtful Debts/Advances are written off in the year in which those are considered to be irrecoverable.

xx. Borrowing Costs

Borrowing Costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets in accordance with Accounting Standard-16 (AS-16) prescribed under Rule 7 of Accounting Standard Rules, 2014. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. Borrowing cost are ceased to be capitalized when the asset is ready for its intended use or there is cessation of development for the extended period and charged to Profit & Loss Account.

xxi. Earnings per Share

The Company reports basic and diluted earnings per share in accordance with Accounting Standard-20 (AS-20) prescribed under Rule 7 of Accounting Standard Rules, 2014. Basic earnings per share are computed by dividing the net Profit or Loss for the year by the Weighted Average number of equity share outstanding during the year. Diluted earnings per share is computed by dividing the net profit or loss for the year by weighted average number of equity shares outstanding during the year as adjusted for the effects of all dilutive potential equity shares, except where the results are anti-dilutive.

Note: 2.30**Retirement and other Employee Benefits**

- The Company's employee benefits primarily cover provident fund, gratuity and leave encashment.
- Provident fund is a defined contribution scheme and the company has no further obligation beyond the contribution made to the fund. Contributions are charged to the Profit & Loss Account in the year in which they accrue.
- Gratuity liability is a defined benefit obligation and is based on the actuarial valuation done by the Life Insurance Corporation. The gratuity liability and the net periodic gratuity cost is actually determined after considering discount rates, expected long-term return on plan assets and increase in compensation level. All actuarial gain/Losses are immediately charged to the Profit & Loss Account and are not deferred.
- The company has an overfunded position for its gratuity plans and accordingly, no provision has been made as at 31.03.2017

The following Table sets out the status of the gratuity plan as required under AS-15.

INDEPENDENT AUDITORS' REPORT

To The Members of

Bhayanagar India Limited**Report on the Consolidated Financial Statements**

We have audited the accompanying consolidated financial statements of Bhayanagar India Limited ("hereinafter referred to as "the Holding Company"), its subsidiaries, (the Holding company and its subsidiaries together referred as the Group") which comprise the Consolidated Balance Sheet as at 31 March 2017, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Financial Statements

The Holding Company's Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 ("the Rules") (particularly Accounting Standard 21 - Consolidated Financial Statements). The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the management as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2017, and its consolidated profit and its consolidated cash flows for the year ended on that date.

Report on other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act, we report, to the extent applicable, that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The consolidated Balance Sheet, the consolidated Statement of Profit and Loss, and consolidated Cash Flow Statement

dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of consolidated financial statements.

- d. In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e. On the basis of written representations received from the directors as on 31st March, 2017, taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2017, from being appointed as a director in terms of Section 164(2) of the Act.
- f. With respect to the adequacy of the Internal Financial Controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- g. With respect to the other matters included in the Auditor's Report and in accordance with Rule 11 of Companies (Audit and Auditors) Rules, 2014 and in our opinion and to the best of our information and explanations given to us:
 - i. The holding Company has disclosed the impact of pending litigations on its consolidated financial position in its consolidated financial statements – Refer Note 2.29 to the consolidated financial statements and also included in the Emphasis of matter paragraph above;
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company, its subsidiaries and its associates.
 - iv. The company has provided requisite disclosures in Note 2.36 of its financial statements as to holdings as well as dealings in Specified Bank Notes during the period 8th November 2016 to 30th December 2016 and the disclosures are in accordance with the books of accounts maintained by the company.

Annexure A to the Auditor's Report:

Report on the Internal Financial Controls under the Clause (i) of sub section 3 of Section 143 of the Companies Act, 2013('the Act)

In conjunction with our audit of the consolidated financial statements of Bhagyangar India Limited ("the Holding Company") as of and for the year ended 31 March 2017, we have audited the internal financial controls over financial reporting of the Holding Company and its subsidiary companies incorporated in India as of that date.

Management's responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the Holding Company and its subsidiary companies incorporated in India considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility:

Our responsibility is to express an opinion on the Holding Company and its subsidiary companies incorporated in India, internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of the internal financial controls over the financial reporting included obtaining an understanding of the internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatements of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and audit evidence obtained by other auditor in terms of their report referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company and its subsidiary company incorporated in India, internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of the financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of the Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the holding Company and its subsidiary companies incorporated in India, has in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Retirement and other Employee Benefits

- The Company's employee benefits primarily cover provident fund, gratuity and leave encashment.
- Provident fund is a defined contribution scheme and the company has no further obligation beyond the contribution made to the fund. Contributions are charged to the Profit & Loss Account in the year in which they accrue.
- Gratuity liability is a defined benefit obligation and is based on the actuarial valuation done by the Life Insurance Corporation. The gratuity liability and the net periodic gratuity cost is actually determined after considering discount rates, expected long-term return on plan assets and increase in compensation level. All actuarial gain/Losses are immediately charged to the Profit & Loss Account and are not deferred.
- The company has an overfunded position for its gratuity plans and accordingly, no provision has been made as at 31.03.2017
The following Table sets out the status of the gratuity plan as required under AS-15.
