IMPORTANT COMMUNICATION TO MEMBERS

The Ministry of Corporate Affairs has taken a "Green Initiative in the Corporate Governance" by allowing paperless compliances by the companies and has issued circulars stating that the service of notice/documents including Annual Report can be sent by e-mail to its members. To support this green initiative of the Government in full measure, members who have not registered their e-mail addresses, so far, are requested to register their e-mail addresses, in respect of electronic holdings with the Depository through their concerned Depository Participants. Members who hold shares in physical form are requested to register the same with Karvy Computershare Private Limited.

DIRECTORS' REPORT

To
The Shareholders,

Your Directors have immense pleasure in presenting their Twentieth Annual Report together with the Audited Accounts for the financial year ended 31st March, 2013. Your company has achieved highest ever turnover of Rs. 64,803.77 lacs and before tax profit of Rs. 4,414.81 lacs and profit after tax of Rs. 3,019.15 lacs for the year.

FINANCIAL PERFORMANCE:

(Rs. in Lacs)

	2012-13	2011-12
Profit/(Loss) before Interest, Depreciation & Tax	5,250.52	4,717.86
Interest	337.33	314.44
Depreciation	498.38	400.42

Shrimp Feed	1,02,988	59,838
Fish Feed	405	3,647
PROCESSING DIVISION :		
Production (MTs)	2713	1,966
Export Sales :		
Direct (MTs)	2551	2,102

The profit for the year under consideration i.e. 2012-13, before depreciation, interest and tax is Rs. 5,250.52 lacs as compared to a profit of Rs.4,717.86 lacs in the previous financial year. The profit for the year after tax is Rs.3,019.15 lacs as against a profit of Rs.2,807.02 lacs during the previous financial year.

For the third consecutive year, there was an overall increase in the shrimp culture both in terms of water spread area and stocking density of shrimp culture mainly because of success of Vannamei shrimp culture many farmers converted from Black Tiger shrimp cultivation to Vannamei shrimp cultivation. Remunerative international prices for shrimps has also encouraged new farmers in taking up the shrimp cultivation. Your directors are glad to inform that your company's Shrimp Feed sales grew by 72%. Your Company's high quality of shrimp feed and technical support to the farmers by educating them with best culture practices has made our feed one of the most preferred by the farmers. The year 2012-13 ended with shrimp feed sales at 1,02,988 MT, an increase of 43,150 MT as compared to previous financial year .

The shrimp processing and export division sales recorded export of 2551 MT as against 2102 MT in the previous year, registering an increase of 21%. During the first quarter of the year under consideration, renovation of processing plant was undertaken and higher capacity IQF machine was installed and commissioned.

The four windmills of your Company located in Karnataka State with a total capacity of 3.2 MW have generated 62.14 lac units as against 64.65 lac units generated during the previous year and power generated was sold to Karnataka Power Transmission Corporation Limited under PPA.

DIVIDEND:

Your Directors are pleased to recommend a dividend of Re.6.50 per equity share of Rs.10/- each for the financial year 2012-13 aggregating to Rs.590.40 lacs on 90,83,042 equity shares. The dividend if approved at the ensuing Annual General Meeting, will be paid to those shareholders whose name appears on the register of members of the Company on 22nd of July,2013.

CONSOLIDATED FINANCIAL STATEMENTS:

In accordance with the Accounting Standard AS-21 on Consolidated Financial Statements read with Accounting Standard AS-23 on Accounting for Investments in Associates and AS-27 on Financial Reporting of Interest in Joint Ventures, the audited Consolidated Financial Statements are provided in the Annual Report.

SUBSIDIARIES:

In accordance with the general circular No.2/2011 and Notification No. 51/12/2007-CL-III issued by the Ministry of Corporate Affairs, Government of India, the Balance Sheet, Profit and Loss Account and other documents of the subsidiary company is not attached with the Balance Sheet of the Company. The Company will make available the Annual Accounts of the subsidiary company and the related detailed information to any member of the Company who may be interested in obtaining the same. The annual accounts of the subsidiary company will also be kept open for inspection at the Registered Office of the Company. The Consolidated Financial Statements presented by the Company include the financial results of its subsidiary company.

DIRECTORS:

During the year under review, Mrs. C. Mariamma, nominee of APIDC was appointed as a Director in place of Mr. M. Venkateswara Rao on 18.08.2012 as per APIDC's letter dt.16/17.08.2012. Subsequently Mrs. Anita Rajendra, IAS was appointed as a Director in place of Mrs. C. Mariamma on 25.05.2013 as per APIDC's letter dt. 10.05.2013.

In terms of Article 105 and 106 of the Articles of Association of the Company, Mr. M.S.P. Rao and Mr. K.Ramamohana Rao retire by rotation at the ensuing Annual General Meeting and being eligible offer themselves for re-appointment. Ordinary resolutions to that effect is propounded for the consideration and passing by the shareholders in ensuing AGM.

AUDITORS:

The Auditors M/s. Karvy & Co., Chartered Accountants will retire at the conclusion of the forthcoming Annual General Meeting and are eligible for reappointment. Members are requested to consider their reappointment for the financial year ending 31st March, 2014 on a remuneration to be decided by the Board of Directors.

COST AUDIT:

In pursuance of Section 233(B) of the Companies Act and Notification dated 3rd June, 2011 of Ministry of Corporate Affairs, the Board of Directors have appointed M/s Sagar Associates, Chartered Accountants, Hyderabad to certify the compliance report in respect of the cost records for the year 2011-12. The cost Audit compliance report for the year ended 31st Mach, 2012 duly certified by the cost accountant was filed with the Central Government within the stipulated time. The cost auditors (represented by Sri E. Vidyasagar) attended the Audit Committee Meeting where cost audit compliance report was discussed.

The Board of Directors appointed M/s Sagar Associates, Cost Accountants, Hyderabad as Cost auditors to carry out the Audit of cost accounts of the company for the year 2012-13. The due date for filing the Cost Audit Report for the financial year 2012-13 is September, 30, 2013.

REPORT ON THE CORPORATE GOVERNANCE

Pursuant to Clause 49 of the Listing Agreement, a Report on Corporate Governance is given below:

Mandatory Requirements

1. Company's Philosophy on Code of Governance:

The Company believes that good Corporate Governance is an intrinsic part of its fiduciary responsibility as a responsible corporate citizen. Corporate Governance is about commitment to values and ethical business conduct. The Company's philosophy on Corporate Governance envisages achievement of highest level of transparency, accountability and equity, in all facets of its operations, and in all its interactions with its stakeholders, including shareholders, lenders and the Government. Timely and accurate disclosure of information regarding the financial situation, performance, ownership and governance of the Company is an important part of Corporate Governance. The Company's Board extends its fiduciary responsibilities in the widest sense of the term and also endeavors to enhance long term shareholder value by serving and protecting the interests of all the stakeholders.

The Company has set up during 2011-12, an internal Risk & Compliance Department headed by a Chartered Accountant having 15 years of experience in the relevant field. The department is responsible to ensure compliance of all the statutory requirements by the company. This department is also responsible for internal audit and periodical risk appraisal, internal as well as external, of all the functional departments in the organization. On the basis of the appraisal, potential risks are identified and preventive measures are initiated depending on the perceived gravity of the risk.

The shrimp feed production plants at Kovvur and Vemuluru in West Godavari District of Andhra Pradesh are ISO 9001:2008 certified. Company's Gujarat plant is also in the process of implementing ISO 9001 standards. The Shrimp Processing & Export Division of the Company has implemented systems complying with BRC Global Standard for food, ISO 22000:2005 and Best Aqua Culture Practice Certified.

2. Board of Directors:

The Company's policy is to have optimum combination of Executive and Non-Executive Directors, to ensure independent functioning of the Board. The Board consists of both promoter and external Directors.

The functions, responsibility, role and accountability of the Board are well defined. The detailed reports of the Company activities and performances are periodically placed before the Board for effective decision making.

The day-to-day management of the Company is conducted by the Managing Director and the Joint Managing Director, subject to the overall supervision and control of the Board of Directors.

(i) The details of the composition of the Board of Directors as at 31st March, 2013 is given below:

AUDITORS' CERTIFICATE ON CORPORATE GOVERNANCE

To
THE MEMBERS OF
AVANTI FEEDS LIMITED

We have examined the compliance of conditions of Corporate Governance by Avanti Feeds Limited, (the Company), for the year ended 31st March, 2013 as stipulated in clause 49 of the Listing Agreement of the said company with the Stock Exchanges in India.

The Compliance of the conditions of Corporate Governance is the responsibility of the management. Our examination was limited to procedures and implementation thereof, adopted by the company for ensuring the compliance of the conditions of corporate governance. It is neither an audit nor an expression of opinion on the financial statements of the company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the company has complied with the conditions of corporate governance as stipulated in the above-mentioned listing agreement.

We further state that such compliance is neither an assurance as to the future viability of the company nor of the efficiency or effectiveness with which the management has conducted the affairs of the company.

MANAGEMENT'S DISCUSSION AND ANALYSIS

CAVEAT:

This section of Annual Report has been included in adherence to the spirit enunciated in the code of Corporate Governance approved by the Securities and Exchange Board of India. Though, utmost care has been taken to ensure that the opinions expressed by the Management herein contain its perceptions on most of the important trends having a material impact on the company's operations, no representation is made that the following presents an exhaustive coverage on and of all issues related to the same. Further, the discussion following herein reflects the perceptions on major issues as on date and the opinions expressed here are subject to change without notice. The Company undertakes no obligation to publicly update or revise any of the opinions or statements expressed in this report, consequent to new information, future event, or otherwise.

INDUSTRY OVERVIEW:

Indian seafood product exports during 2012-13 recorded an increase of about 10.69% over previous year in terms of value and about 3.51% in terms of quantity. During 2012-13, 8.92 lacs tones of seafoods valued at Rs. 18,372 crores were exported. The value of exports of frozen shrimp constituted as much as 52.21% in terms of value amounting to Rs.9,608 crores though in terms of quantity, shrimp exports constitute 25.32%. The share of Frozen Shrimp in the exports of marine food during 2012-13 increased to 52% in rupee value and 52% in dollar value terms as compared to 49% and 50% respectively in the earlier year. In terms of quantity shrimp exports accounted for 2.26 lac tons as compared to 1.89 lac tons during the previous year.

The major export market has been USA, Europe, Japan and South East Asia during 2012-13 for shrimp exports.

It is heartening to note that for the third consecutive year the shrimp culture industry registered growth during 2012-13. The growth in shrimp culture is due to continued changeover from Black Tiger shrimp cultivation to Vannamei Shrimp Culture supported by remunerative export prices during the year 2012-13. This trend is being continued during the current year also.

In order to ensure sustained growth of shrimp culture, with specific emphasis on Vannamei shrimp culture, the Government of India has initiated stringent regulatory measures such as mandatory approvals for setting up hatcheries, import of brood stock from specified approved overseas suppliers and continuous surveillance of Vannamei hatchery operations, mandatory approval of Vannamei farms, EIA Certification of shrimps at the time of harvest, etc., In a significant development, the MPEDA has successfully implemented indigenous Brood Stock Multiplication Centre at Visakhapatnam and commenced sale of vannamei brood stock to hatcheries, which is an import substitute. These measures would go a long way in long term success of Indian Shrimp Culture Industry.

STRENGTHS, WEAKNESS, OPPORTUNITIES AND THREATS:

STRENGTHS:

The Company has been in the field of aqua culture industry engaged in manufacturing high quality feed for shrimps, fish, operating Vannamei hatchery and processing & export of shrimps. The Company has also well trained technical team to provide technical support to the farmers and assisting farmers with information and knowledge of global standard aquaculture practices and also updating developments in culture methods and processes. Presence of strong dealership net work, farmer base and committed work force stands in good stead in sustained growth of company's business. Added to this, the company has strong

technical and marketing tie up with THAI UNION Group of Thailand to strengthen company's capabilities in the field of aqua culture. The global shrimp consumption is also expected to increase in future, assuring consistent market. The domestic market is also expected to grow in future with parity of shrimp prices with any other comparable products such as meat and poultry products.

The Company is operating a Vannamei hatchery on a leasehold hatchery producing Vannamei seed for supply of good quality Vannamei seed to the farmers. The company has been planning to set-up a state-of-art Vannamei hatchery in South India with technical expertise of THAI UNION for which the company has been scouting for an appropriate location and a suitable land.

In order to meet the significant increase in demand for shrimp feed the Company is setting up a 50,000 MT per annum shrimp manufacturing facility at the existing plant at Kovvur. Company has already acquired land to the extent of 5.97 acres adjacent to the existing factory and project implementation work is in progress. It is expected that the project will commence operations by January'14.

WEAKNESS:

Notwithstanding the fact of significant growth in shrimp production as well as shrimp exports during 2012-13, the shrimp culture industry is continued to be concerned about inadequate infrastructure facilities, particularly inadequate power supply to aquaculture farmers and inadequate cold store chain which are matter of great concern. Though, it is similar to agriculture in many respects, the recognition of aquaculture on par with agriculture is evading government's approval in order to avail some of the benefits available to agriculture.

OPPORTUNITIES:

The demand for sea food is increasing all over the world, particularly Indian Seafood exports as could be seen from the increase in exports during 2012-13. One of the reasons being, seafood is considered as healthier compared to other meat. India is gifted with long coast line ideally suited for development of seafood industry. A planned development would provide abundant opportunities for seafood industry. The successful adoption of Vannamei Species culture is poised for a significant increase in the shrimp production and export. Increase in production of shrimps in the country is also expected to increase domestic consumption of shrimps due to competitive prices compared to other meat products.

THREATS:

The aqua culture activity is dependent on climatic conditions prevailing during season to season, which is unpredictable. Natural calamities like floods, cyclones, during the culture season can have serious impact on the prospects of successful culture. In spite of technical advancement and development of Specific Pathogen Free (SPF) seed, the possibilities of the shrimps getting affected by virus and diseases cannot be ruled out.

Volatility of international prices of shrimps and fluctuating foreign exchange rates, US anti-dumping duty and US Countervailing Duty continues to be the major areas of threat for the industry.

However, development of domestic market to support exports, strict adherence of traceability, scientific pond management, a judicious approach on prices and forex management is expected to reduce the impact of threats to a great extent.

OUTLOOK:

Feed Market:

Vannamei culture with higher stocking densities compared to Black Tiger species and increase in area of aquaculture is expected to increase the consumption of shrimp feed manifold. Remunerative export prices for shrimps and gradual increase in the domestic market, the production of shrimps is expected to grow significantly resulting in increased demand for shrimp feed in future.

Processing & Export of Shrimp:

Similarly, with predominance of Vannmei shrimp culture, the volume of shrimp production will be increased significantly with higher utilization of processing capacity and increase in exports. The development of domestic market would also support exports in the long run. The cost of production of Vannamei shrimps is lower than the Black Tiger shrimps, which will have both export market as well as domestic market.

POWER :

The Company has investment in the following power projects :

- (a) The 3.2 MW Wind Mill Project in Chitradurg, Karnataka State is operational and has generated 62.14 lac units during the year.
- (b) Srivathsa Power Projects Pvt Ltd, a 17.2 MW gas based independent power project in which company holds 50% shares, is operational and has generated positive cash flows. The company generated 410.17 lac units yielding a gross sales income of Rs.1518.00 lacs and net profit of Rs.122.00 lacs after charging off interest, depreciation & tax. In the year 2012-13 company declared dividend of 10% and your company got Rs.166.94 lacs as dividend income.

The GAIL, at par with other customers, has drastically reduced gas supply w.e.f. February,2012 resulting in significant fall in power generated by the Company from 1057.70 lac units in 2011-12 to 410.17 lac units in 2012-13 units. However, Company is looking for possible alternate source of gas availability through ONGC isolated wells, RLNG, etc., for long term sustenance.

- (c) Patikari Power Private Limited, the 16 MW Hydel Power Project in Himachal Pradesh with our investment of 25.88% as a joint venture project, was commissioned in February'08. During 2012-13 this project generated 704.90 lacs salable energy units, yielding a gross sales income of Rs.1,358.98 lacs and net loss of Rs.82.26 lacs after charging interest and depreciation.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The company has a proper and adequate system of internal controls to ensure that all assets are safeguarded and protected against loss from unauthorized use or disposition and that all transactions are properly authorized, recorded and reported correctly. Further, the internal control system is designed to ensure that all the financial and other records are periodically verified by internal as well as external auditors for preparing financial statements and for maintaining accountability of the assets.

In addition, Company has set up a Risk & Compliance Department headed by a Chartered Accountant having 15 years of experience in the relevant field. The department is responsible to ensure compliance of all the statutory requirements by the company. This department is also responsible for internal audit and periodical risk appraisal, internal as well as external. On the basis of the appraisal, potential risks are identified and preventive measures are initiated depending on the perceived gravity of the risk.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE:

The financial statements have been prepared in compliance with the requirement of the Companies Act, 1956 and Generally Accepted Accounting Principles (GAAP) in India. In the year under consideration, your company reported profit of Rs. 4414.81 lacs before tax adjustments as compared to profit of Rs.4003.00 lacs in the previous year.

INDEPENDENT AUDITOR'S REPORT

To
The Members of
M/s. AVANTI FEEDS LIMITED.

Report on the Financial Statements

We have audited the accompanying financial statements of Avanti Feeds Limited ("the Company") which comprise the Balance Sheet as at March 31, 2013, and the Statement of Profit and Loss and the Cash Flow Statement for the year ended March 31, 2013 and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("the Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) In the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2013;
- (b) in the case of the Statement of Profit and Loss, of the profit for the year ended on that date; and
- (c) In the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2003 ("the Order"), issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.
2. As required by section 227(3) of the Act, we report that:
 - a. we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c. the Balance Sheet, Statement of Profit and Loss and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - d. in our opinion, the Balance Sheet, Statement of Profit and Loss and Cash Flow Statement comply with the Accounting Standards referred to in subsection (3C) of section 211 of the Companies Act, 1956; and
 - e. on the basis of written representations received from the directors as on March 31, 2013 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2013 from being appointed as a director in terms of clause (g) of sub-section (1) of section 274 of the Companies Act, 1956.

Annexure to the Auditors' Report

The Annexure referred to in our report to the members of Avanti Feeds Limited ('the Company') for the year ended March 31, 2013. We report that:

i. In respect of its fixed assets:

- (a) The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.
- (b) A substantial portion of the fixed assets have been physically verified by the management during the year and in our opinion frequency of verification is reasonable having regard to the size of the Company and the nature of its assets. The discrepancies noticed on physical verification of fixed assets as compared to the books of account were not material and have been properly dealt with in the books of accounts.
- (c) In our opinion, fixed assets disposed off during the year were not substantial and therefore do not affect the going concern assumption.

ii. In respect of its inventories:

- (a) The inventories have been physically verified during the year by the management. In our opinion, the frequency of verification is reasonable.
- (b) In our opinion and according to the information and explanations given to us, the procedures of physical verification of inventory followed by the management are reasonable and adequate in relation to the size of the Company and the nature of its business.
- (c) In our opinion and according to the information and explanations given to us and on the basis of our examination of the records of inventory, the Company is maintaining proper records of inventory. The discrepancies noticed on physical verification of inventory as compared to the books of account were not material and have been properly dealt with in the books of accounts.

- iii.**
- (a) According to the information and explanations given to us, during the year the Company has not granted any loans to companies covered in the register maintained under Section 301 of the Companies Act, 1956. Accordingly, clauses 4 (iii) (a) to 4 (iii) (d) of the Order are not applicable.
 - (b) According to the information and explanations given to us, the Company has not taken any unsecured loan from a Company covered in the register maintained under Section 301 of the Companies Act, 1956.

iv. In our opinion and according to the information and explanations given to us, there are adequate internal control systems commensurate with the size of the Company and nature of its business with regard to the purchase of inventory and fixed assets and also for the sale of goods and services. During the course of our audit, no major weakness has been noticed in the internal controls.

v. According to the information and explanations given to us, contracts or arrangements which need to be entered, during the period, in the register to be maintained under Section 301 of the Companies Act, 1956 have been so entered.

vi. The Company has not accepted deposits from the public within the meaning of Section 58A and 58AA of the Companies Act, 1956 and the rules framed there under.

vii. In our opinion, the Company has an internal audit system commensurate with the size and the nature of its business.

- viii.** We have broadly reviewed the books of account maintained by the Company pursuant to the Rules made by the Central Government of India for the maintenance of cost records prescribed under clause (d) of sub-section (1) of Section 209 of the Companies Act, 1956 in respect of production and processing activities of the Company and are of the opinion that prima facie, the prescribed accounts and records have been maintained. We have not, however made a detailed examination of the records with a view to determine whether they are accurate or complete.
- ix. In respect of Statutory dues:**
- (a) According to the books and records as produced and examined by us and also based on the Management representations, it was found that there were no undisputed statutory dues in respect of Provident Fund, Investor Education and Protection Fund, Employees' State insurance, Income tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Cess and other statutory dues to the extent applicable to be deposited with the appropriate authorities during the year. According to the information and explanations given to us, no undisputed amounts payable in respect of the above were in arrears as at March 31, 2013 for a period of more than six months from the date on which they became payable.
- (b) According to the information and explanations given to us, there are disputed amounts in respect of Service Tax amounting to Rs.8.26 Lacs, at the forum of CESTAT, Bangalore, in respect of MP VAT, amounting to Rs.29.22 Lacs, at the forum of The Hon'ble High Court of Madhya Pradesh and in respect of Electricity Duty, amounting to Rs 3.64 Lacs, at the forum of The Hon'ble High Court of Andhra Pradesh; which have not been deposited with the appropriate authorities as on March 31st 2013. Except for what has been stated, there are no other amounts in respect of income tax, sales-tax, Service-tax, customs duty, wealth-tax, excise duty and Cess, that have not been deposited with the appropriate authorities on account of any dispute.
- x.** The Company does not have accumulated losses at the end of the financial year. The Company has not incurred cash losses during the current financial year and in the previous financial year.
- xi.** Based on our audit procedures and on the basis of information and explanations given by the management, we are of the opinion that the Company has not defaulted in the repayment of dues to banks and financial institutions. The Company did not have any debentures outstanding as at the Balance Sheet date.
- xii.** According to the information and explanations given to us, the Company has not granted any loans and advances on the basis of security by way of pledge of shares, debentures and other securities. Accordingly, clause 4 (xii) of the Order is not applicable to the Company.
- xiii.** In our opinion, the Company is not a Chit fund or a Nidhi/ Mutual Benefit fund/ Society. Accordingly, Clause 4 (xiii) of the Order is not applicable to the Company.
- xiv.** In our opinion, the Company is not dealing in or trading in Shares, Securities, debentures and other investments. Accordingly, Clause 4 (xiv) of the Order is not applicable to the Company.
- xv.** The Company has pledged its investment in equity share of M/s.Patikari Power Private Limited to the extent of 42.50 Lacs equity shares of Rs.10 each with respect to a loan availed by M/s.Patikari Power Private Limited from consortium of banks led by State Bank of India. However, the terms and conditions thereof are not prejudicial to the interest of the Company.

- xvi.** In our opinion, and according to the information and explanations given to us, the term loans have been utilised, on an overall basis, for the purposes for which they were obtained.
- xvii.** According to the information and explanations given to us and overall examination of the balance sheet of the Company, we are of the opinion that there are no funds raised on short-term basis that have been used for long term investment.
- xviii.** The Company has not made any preferential allotment of shares to parties and companies covered in the register maintained under Section 301 of the Act, during the period.
- xix.** According to the information and explanations given to us and the records examined by us, no debentures were issued by the Company. Accordingly, Clause 4 (xix) of the Order is not applicable to the Company.
- xx.** The Company has not raised any money by public issues during the year.
- xxi.** In our opinion and according to the information and explanations given to us, no material fraud on or by the Company has been noticed or reported during the year.

NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2013

1) SIGNIFICANT ACCOUNTING POLICIES

Basis of preparation

The financial statements of the Company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the accounting standards notified under the Companies (Accounting Standards) Rules, 2006, (as amended) and the relevant provisions of the Companies Act, 1956. The financial statements have been prepared on an accrual basis and under the historical cost convention. The accounting policies adopted in the preparation of financial statements are consistent with those of previous year, except for the change in accounting policy as discussed in para 2.1(a) below.

Summary of Significant Accounting Policies

A Presentation and disclosure of financial statements

During the previous year ended March 31, 2012, the revised schedule VI notified under the Companies Act 1956, has become applicable to the Company, for preparation and presentation of its financial statements. The adoption of revised schedule VI does not impact recognition and measurement principles followed for preparation of financial statements. However, it has significant impact on presentation and disclosures made in the financial statements.

B. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported value of assets and liabilities on the date of the financial statements and reported amount of revenue and expenditure for the year. Actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in the current and future periods.

C. Tangible Fixed Assets

Fixed assets are stated at cost, net of accumulated depreciation. The cost comprises of purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Subsequent expenditure related to an item of fixed asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the year during which such expenses are incurred.

Assets individually costing less than Rs. 5,000 are fully depreciated in the year of acquisition.

D. Depreciation on Tangible Fixed Assets

Depreciation on fixed assets is calculated on a straight-line basis using the rates arrived at based on the useful lives estimated by the management, or those prescribed under the Schedule XIV to the Companies Act, 1956, whichever is higher.

E. Intangible Assets

Software acquired is measured at cost less accumulated amortisation and is amortised using the straight line method over a period of six years.

F. Expenditure incurred during construction period

Expenditure directly relating to construction activity is capitalized. Indirect expenditure incurred during construction period is capitalized as part of the indirect construction cost to the extent to which the expenditure is related to construction or is incidental thereto.

G. Impairment of tangible and intangible fixed assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

The Company bases its impairment calculation on detailed budgets and forecast calculations which are prepared separately for each of the Company's cash-generating units to which the individual assets are allocated. These budgets and forecast calculations are generally cover a period of five years. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

H. Government Grants

Government grants and subsidies are recognised when there is reasonable assurance that the company will comply with the conditions attached to them and the grants/subsidy will be received. Government grants received for capital expenditure are reduced from the carrying value of the asset are presented by deducting them from the carrying value of the assets. Other government grants towards expenditures of revenue nature are reduced from the respective expenditure head.

I. Investments

Long term investments are stated at cost and provision for diminution is made if the decline in value is other than temporary in nature.

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

J. Inventories

- I. Raw Materials, Packing Materials and Stores & Spares are stated at weighted average cost.
- ii. Work in process is valued at cost.
- iii. Stock in Transit is valued at lower of cost or net realizable value.
- iv. Finished goods are stated at lower of cost or net realizable value.

K. Revenue Recognition

Revenue is recognized to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Revenue from sales

Revenue from sales is recognised on dispatch to customers and is recorded net of trade discount and returns.

Dividend and interest income

Dividend is recognised when the unconditional right to receive the income is established. Income from deposits, loans and interest bearing securities is recognised on the time proportionate method.

L. Retirement Benefits

Retirement benefit in the form of provident fund is a defined contribution scheme. The contributions to the provident fund are charged to the statement of profit and loss for the year when the contributions are due. The Company has no obligation, other than the contribution payable to the provident fund.

The Company operates defined benefit plan for its employees towards gratuity and leave encashment. The cost of providing benefits under these plans are determined on the basis of actuarial valuation at each year-end. Actuarial valuation is carried out for the plans using the projected unit credit method. Actuarial gains and losses for the defined benefit plan is recognized in full in the period in which it occurs in the statement of profit and loss.

Gratuity and Accumulated leave, which are expected to become payable as a result of staff turnover within the next 12 months, is treated as short-term employee benefit. The Company measures the expected cost of such staff turnover on the basis of past experiences.

M. Foreign Currency Transactions / Exchange Fluctuations:

1. Transactions denominated in foreign currency are normally recorded at the exchange rate prevailing at the time of the transaction.
2. Any income or expense on account of exchange difference either on settlement or on transaction is recognized in the statement of profit and loss except in cases where they relate to acquisition of fixed assets in which case they are adjusted to the carrying cost of such assets.
3. In case of monetary items, which are covered by forward exchange contracts, the difference between the exchange rate on the date of such contracts and the year-end rate is recognized in the Statement of Profit and Loss. Any profit/loss arising on cancellation of forward exchange contract is recognized as Income or Expense of the year. Premium/Discount arising on such forward exchange contracts is amortized as Income/Expense over the life of contract.

N. Income Taxes

Provision for current tax is made after taking into consideration benefits admissible under the provisions of the Income-tax Act, 1961. Deferred tax resulting from “timing difference” between taxable and accounting income is accounted for using the tax rates and laws that are enacted or substantively enacted as on the balance sheet date. Deferred tax asset is recognised and carried forward only to the extent that there is a virtual certainty that the asset will be realised in future.

O. Earnings per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

P. Provisions

A provision is recognized when the Company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Q. Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

R. Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

S. Amalgamation

The amalgamation has been accounted for under the “Pooling Interest Method” as prescribed by Accounting Standard (AS-14) “Accounting for Amalgamation” issued by the Institute of Chartered Accountants of India.

T. Previous Year figures have been re-grouped/re-classified, wherever necessary to confirm to the current year presentation.

2. SHARE CAPITAL

(Rs. in lacs)

	As at 31st March, 2013	As at 31 st March, 2012

32. Exceptional Items

(Rs. in Lacs)

	For the Year Ended 31st March, 2013	For the Year Ended 31st March, 2012
Impairment of assets	-	52.71
Anti-dumping Duty	111.53	-
Total	111.53	52.71

32.1 Department of Commerce of USA carried out review and determined Anti-Dumping Duty (ADD) at 3.23% on shrimp exports made to USA during the period from 01.02.2011 to 31.01.2012. Company had paid ADD @ 1.69% at the time of export. The differential duty payable is Rs.111.53 lacs.

32.2 Company had set up Shrimp Shell Manufacturing plant in the year 2000 to process the waste

generated from shrimp processing unit. Shrimp Shell Meal was used as a raw material for manufacturing shrimp feed. However, with the high cost of Furnace Oil, the processing of shrimp waste became unviable. The plant is idle since 2007 and there is no possibility of reviving it in future. The initial investment in Plant & Machinery was Rs.180.56 lacs in the year 2000 and the depreciated value was Rs.52.71 lacs in the year 2011-12 and was written off as impairment in the year 2011-12.

33. Earning Per Share

(Rs. in Lacs)

	For the Year Ended 31st March, 2013	For the Year Ended 31st March, 2012
Profit for the year (Rs. In Lacs)	3,019.15	2,807.02
Weighted Average number of Equity Shares outstanding during the year (in Numbers)	9,083,042	9,083,042
Basic & diluted earnings per share - Face Value of Rs.10/- each (in Rs.)	33.24	30.90

34. Commitments

Estimated amount of contracts remaining to be executed on capital account and not provided for Rs.934.00 lacs (Previous Year Rs.79.06 lacs) net of capital advances Rs.367.76 lacs (Previous Year Rs.21.28 lacs).

35. Contingent Liabilities Not Provided For

(Rs. in Lacs)

	For the Year Ended 31st March, 2013	For the Year Ended 31st March, 2012
Service Tax Demand	8.26	8.26
MP VAT demand for soya transactions in 2005-06	29.22	29.22
Electricity Duty	3.64	-

35.1 The Customs and Central Excise Department levied penalty of Rs.8.26 lacs for delay in payment of Service Tax on royalty for the period April 1, 2006 to September 30, 2008 paid to Thai Union Feed Mill Co. Ltd. This levy of penalty is being contested by the Company at CESTAT, Bangalore.

35.2 Company purchased soya bean in the year 2004-05, converted the same in to DOC in 2005-06 and used part for own consumption in manufacturing of shrimp feed and rest was exported. The resultant soya oil was sold locally. The Commercial Tax Act pertaining to soya bean processing and soya oil sale was amended with effect from 13.12.2004 and Commercial Tax department took the view that the soya bean purchased prior to 13.12.2004 will attract tax at old rates and a demand for Rs.29.22 lacs was raised. This is being contested by the Company in the High Court of Madhya Pradesh.

35.3 Company approached High Court of Andhra Pradesh against levy and collection of Electricity Duty on self generated power from DG sets. Honble High Court granted stay on recovery of the same and the matter is pending for final hearing.

36. Dues To Micro And Small Enterprises

There are no Micro and Small Enterprises, to whom the Company owes dues, which are outstanding for more than 45 days as at 31st March, 2013. This information as required to be disclosed under the

Micro, Small and Medium Enterprises Development Act, 2006 has been determined to the extent such parties have been identified on the basis of information available with the Company.

37. Segmental Information

I. Primary Segment

The Company's business is organized into three main business segments mainly Shrimp Feed, Shrimp Exports and Wind Mills. Segments have been identified and reported taking into account the nature of products, the differing risk and returns, the organization structure, and the internal financial reporting system.

Shrimp Feed is manufactured & marketed to the farmers, which is used in Aqua culture to grow shrimp.

In Shrimp processing division, shrimp are purchased from the farmers and are processed and exported to various countries.

Company had installed four windmills of 3.2MW at Chitradurga, Karnataka Power generated from windmills is sold to BESCO under Power Purchase agreement.

Segment Revenue & Results

All segment revenues & expenses that are directly attributable to the segments are reported under the respective segment. The revenues and expenses that are not directly attributable to any segments are shown as unallocated expenses.

Segment Assets and Liabilities

Segment assets include all operating assets used by the business segment and consist principally Fixed Assets, Debtors and Inventories. Segment liabilities primarily include creditors and other liabilities. Assets and Liabilities that cannot be allocated between the segments are shown as a part of unallocated assets and liabilities respectively.

II. Secondary Segment:

Geographical Segment:

Based on the Revenue attributable to the individual customers located in various parts of the world, the company's business is organized into three key geographic segments, viz., India, USA and Rest of World.

INDEPENDENT AUDITOR'S REPORT

To
The Board of Directors of
Avanti Feeds Limited

We have audited the accompanying consolidated financial statements of Avanti Feeds Limited ("the Company") and its subsidiary (collectively referred to as "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2013, and the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement for the year ended March 31, 2013 and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India including Accounting Standards referred to in Section 211(3C) of the Companies Act, 1956 ("the Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Group's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the consolidated financial statements give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Consolidated Balance Sheet, of the state of affairs of the Group as at March 31, 2013;
- (b) in the case of the Consolidated Statement of Profit and Loss, of the profit of the Group for the year ended on that date; and
- (c) in the case of the Consolidated Cash Flow Statement, of the cash flows of the Group for the year ended on that date.

NOTES ON CONSOLIDATED FINANCIAL STATEMENTS AT THE YEAR ENDED 31ST MARCH, 2013

1. SIGNIFICANT ACCOUNTING POLICIES

Basis of preparation

The financial statements of the Company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the accounting standards notified under the Companies (Accounting Standards) Rules, 2006, (as amended) and the relevant provisions of the Companies Act, 1956. The financial statements have been prepared on an accrual basis and under the historical cost convention. The accounting policies adopted in the preparation of financial statements are consistent with those of previous year, except for the change in accounting policy as discussed in para 2.1(a) below.

Summary of significant accounting policies

a) Change in accounting policy

Presentation and disclosure of financial statements

During the previous year ended March 31, 2012, the revised schedule VI notified under the Companies Act 1956, has become applicable to the Company, for preparation and presentation of its financial statements. The adoption of revised schedule VI does not impact recognition and measurement principles followed for preparation of financial statements. However, it has significant impact on presentation and disclosures made in the financial statements.

b) Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported value of assets and liabilities on the date of the financial statements and reported amount of revenue and expenditure for the year. Actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in the current and future periods.

c) Tangible fixed assets

Fixed assets are stated at cost, net of accumulated depreciation. The cost comprises of purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Subsequent expenditure related to an item of fixed asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the year during which such expenses are incurred.

Assets individually costing less than Rs. 5,000 are fully depreciated in the year of acquisition.

d) Depreciation on tangible fixed assets

Depreciation on fixed assets is calculated on a straight-line basis using the rates arrived at based on the useful lives estimated by the management, or those prescribed under the Schedule XIV to the Companies Act, 1956, whichever is higher.

e) Intangible assets

Software acquired is measured at cost less accumulated amortisation and is amortised using the straight line method over a period of six years.

f) Expenditure incurred during construction period

Expenditure directly relating to construction activity is capitalized. Indirect expenditure incurred during construction period is capitalized as part of the indirect construction cost to the extent to which the expenditure is related to construction or is incidental thereto.

g) Impairment of tangible and intangible fixed assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

The Company bases its impairment calculation on detailed budgets and forecast calculations which are prepared separately for each of the Company's cash-generating units to which the individual assets are allocated. These budgets and forecast calculations are generally covering a period of five years. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

h) Government Grants

Government grants and subsidies are recognised when there is reasonable assurance that the company will comply with the conditions attached to them and the grants/subsidy will be received. Government grants received for capital expenditure are reduced from the carrying value of the asset are presented by deducting them from the carrying value of the assets. Other government grants towards expenditures of revenue nature are reduced from the respective expenditure head.

i) Investments

Long term investments are stated at cost and provision for diminution is made if the decline in value is other than temporary in nature.

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

j) Inventories

- i. Raw Materials, Packing Materials and Stores & Spares are stated at weighted average cost.
- ii. Work in process is valued at cost.
- iii. Stock in Transit is valued at lower of cost or net realizable value.
- iv. Finished goods are stated at lower of cost or net realizable value.

k) Revenue recognition

Revenue is recognized to the extent it is probable the economic benefits will flow to the Company and the revenue can be reliably measured.

Revenue from sales

Revenue from sales is recognised on dispatch to customers and is recorded net of trade discount and returns.

Dividend and Interest income

Dividend is recognised when the unconditional right to receive the income is established. Income from deposits, loans and interest bearing securities is recognised on the time proportionate method.

l) Retirement benefits

Retirement benefit in the form of provident fund is a defined contribution scheme. The contributions to the provident fund are charged to the statement of profit and loss for the year when the contributions are due. The Company has no obligation, other than the contribution payable to the provident fund.

The Company operates defined benefit plan for its employees towards gratuity and leave encashment. The cost of providing benefits under these plans are determined on the basis of actuarial valuation at each year-end. Actuarial valuation is carried out for the plans using the projected unit credit method. Actuarial gains and losses for the defined benefit plan is recognized in full in the period in which it occurs in the statement of profit and loss.

Gratuity and Accumulated leave, which are expected to become payable as a result of staff turnover within the next 12 months, is treated as short-term employee benefit. The Company measures the expected cost of such staff turnover on the basis of past experiences.

m) Foreign Currency Transactions / Exchange Fluctuations:

1. Transactions denominated in foreign currency are normally recorded at the exchange rate prevailing at the time of the transaction.
2. Any income or expense on account of exchange difference either on settlement or on transaction is recognized in the statement of profit and loss except in cases where they relate to acquisition of fixed assets in which case they are adjusted to the carrying cost of such assets.
3. In case of monetary items, which are covered by forward exchange contracts, the difference between the exchange rate on the date of such contracts and the year-end rate is recognized in the Statement of Profit and Loss. Any profit/loss arising on cancellation of forward exchange contract is recognized as Income or Expense of the year. Premium/Discount arising on such forward exchange contracts is amortized as Income/Expense over the life of contract.

n) Income taxes

Provision for current tax is made after taking into consideration benefits admissible under the provisions of the Income-tax Act, 1961. Deferred tax resulting from "timing difference" between taxable and

accounting income is accounted for using the tax rates and laws that are enacted or substantively enacted as on the balance sheet date. Deferred tax asset is recognised and carried forward only to the extent that there is a virtual certainty that the asset will be realised in future.

o) Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

p) Provisions

A provision is recognized when the Company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

q) Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

r) Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

s) Amalgamation

The amalgamation has been accounted for under the "Pooling Interest Method" as prescribed by Accounting Standard (AS-14) "Accounting for Amalgamation" issued by the Institute of Chartered Accountants of India.

t) Previous Year figures have been re-grouped/re-classified, wherever necessary to confirm to the current year presentation.

2. Share Capital

(Rs. in lacs)

	As at 31 st March, 2013	As at 31 st March, 2012

Total	850.86	1,312.40

32. Exceptional Items

(Rs. in Lacs)

	For the year ended 31 st March 2013	For the year ended 31 st March 2012
Impairment of assets	-	52.71
Anti-dumping Duty	111.53	-
Total	111.53	52.71

32.1 32.1 Department of Commerce of USA carried out review and determined Anti-Dumping Duty (ADD) at 3.23% on shrimp exports made to USA during the period from 01.02.2011 to 31.01.2012. Company had paid ADD @ 1.69% at the time of export. The differential duty payable is Rs.111.53 lacs.

32.2 Company had set up Shrimp Shell Manufacturing plant in the year 2000 to process the waste

generated from shrimp processing unit. Shrimp Shell Meal was used as a raw material for manufacturing shrimp feed. However, with the high cost of Furnace Oil, the processing of shrimp waste became unviable. The plant is idle since 2007 and there is no possibility of reviving it in future. The initial investment in Plant & Machinery was Rs.180.56 lacs in the year 2000 and the depreciated value was Rs.52.71 lacs in the year 2011-12 and was written off as impairment in the year 2011-12.

	For the year ended 31 st March 2013	For the year ended 31 st March 2012
Profit for the year (Rs. In Lacs)	3,018.07	2,805.30
Weighted Average number of Equity Shares outstanding during the year (in Numbers)	9,083,042	9,083,042
Basic & diluted earnings per share - Face Value of Rs.10/- each (in Rs.)	<u>33.23</u>	<u>30.89</u>

34. Commitments

Estimated amount of contracts remaining to be executed on capital account and not provided for Rs.934.00 lacs (Previous Year Rs.79.06 lacs) net of capital advances Rs.367.76 lacs (Previous Year Rs.21.28 lacs).

35. Contingent Liabilities Not Provided For

(Rs. in Lacs)

	As at 31 st March, 2013	As at 31 st March, 2012
Service Tax Demand	8.26	8.26
MP VAT demand for soya transactions in 2005-06	29.22	29.22
Electricity Duty	3.64	-

35.1 The Customs and Central Excise Department levied penalty of Rs.8.26 lacs for delay in payment of Service Tax on royalty for the period April 1, 2006 to September 30, 2008 paid to Thai Union Feed Mill Co. Ltd. This levy of penalty is being contested by the Company at CESTAT, Bangalore.

35.2 Company purchased soya bean in the year 2004-05, converted the same in to DOC in 2005-06 and used part for own consumption in manufacturing of shrimp feed and rest was exported. The resultant soya oil was sold locally. The Commercial Tax Act pertaining to soya bean processing and soya oil sale was amended with effect from 13.12.2004 and Commercial Tax department took the view that the soya bean purchased prior to 13.12.2004 will attract tax at old rates and a demand to Rs.29.22 lacs was raised. This is being contested by the Company in the High Court of Madhya Pradesh.

35.3 Company approached High Court of Andhra Pradesh against levy and collection of Electricity Duty on self generated power from DG sets. Hon'ble High Court granted stay on recovery of the same and the matter is pending for final hearing.

36. Dues To Micro And Small Enterprises

There are no Micro and Small Enterprises, to whom the Company owes dues, which are outstanding for more than 45 days as at 31st March, 2013. This information as required to be disclosed under the Micro, Small and Medium Enterprises Development Act, 2006 has been determined to the extent such parties have been identified on the basis of information available with the Company.

37. SEGMENTAL INFORMATION

I. Primary Segment

The Company's business is organized into three main business segments mainly Shrimp Feed, Shrimp Exports and Wind Mills. Segments have been identified and reported taking into account the nature of products, the differing risk and returns, the organization structure, and the internal financial reporting system.

Shrimp Feed is manufactured & marketed to the farmers, which is used in Aqua culture to grow shrimp.

In Shrimp processing division, shrimp are purchased from the farmers and are processed and exported to various countries.

Company had installed four windmills of 3.2MW at Chitradurga, Karnataka. Power generated from windmills is sold to BESCO under Power Purchase agreement.

Segment Revenue & Results

All segment revenues & expenses that are directly attributable to the segments are reported under the respective segment. The revenues and expenses that are not directly attributable to any segments are shown as unallocated expenses.

Segment Assets and Liabilities

Segment assets include all operating assets used by the business segment and consist principally Fixed Assets, Debtors and Inventories. Segment liabilities primarily include creditors and other liabilities. Assets and Liabilities that cannot be allocated between the segments are shown as a part of unallocated assets and liabilities respectively.

II. Secondary Segment:

Geographical Segment:

Based on the Revenue attributable to the individual customers located in various parts of the world, the company's business is organized into three key geographic segments, viz., India, USA and Rest of World.
