MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The Management's views on the Company's performance and outlook are discussed below:

Overview

During the fiscal year 2013, the economic environment remained challenging with growth slowing down globally. Global Gross Domestic Product (GDP) is expected to expand about 2.2% in 2013 and to grow at 3.0% and 3.3% in 2014 and 2015 respectively as per the World Bank report. Risks from advanced economies have eased and growth is firming up, despite ongoing contraction in the Euro area. However, global economic growth is expected to be muted in current year, led by developing world.

On domestic front, the Indian economy slowed down considerably during the year with GDP growth at 5% for FY 13 - lowest in a decade, as per the latest estimate of Central Statistical Organisation (CSO). This is mainly on account of poor performance of manufacturing, agriculture and services sector. India is expected to record 6.5% GDP growth in the current fiscal. The growth is expected to increase further to 6.7% in FY15, according to the World Bank's latest report.

India's 'twin deficit' challenge also came under the spotlight during the year. The current account deficit widened to an all-time high of 6.7% during the third quarter of the year and has boiled down to 4.8% of GDP during 2012-13, mainly contributed by high oil prices, subdued merchandise exports and a marginal decline in net services exports. On the other hand, the fiscal deficit, which seemed like heading towards 6% of GDP in the middle of the year, was reined in by the Government to 5.1% of GDP through aggressive compression in expenditure. Deteriorating current account deficit and fiscal deficit with weak domestic growth and excessive domestic credit expansion would further put pressure on depreciating currency.

Among other, several policy measures were announced by the Government during the year including the new Companies Bill, Land Acquisition Bill and power tariff revision. These coupled with seamless execution and resilience in overcoming all challenges, the Company continues delivering in its focus areas of **Resources, Logistics and Energy**.

❖ Resources

Natural Resources are essential for rapid growth and development of a nation. Presently, India faces an acute thermal coal deficit to cater to the demand of the power stations and resorted to imported coal to meet the internal deficit scenario. The Company is focused on this sector of national importance and strategically placed to help overcome those challenges through developing and operating mines in India, Indonesia and Australia as well as importing coal and providing end to end solution to the customer.

➤ Coal Mining

Our coal mining business involves mining, processing, acquisition, exploration and development of mining assets.

☐ Coal Mining in Indonesia.

Our wholly owned step down Indonesian subsidiaries have been awarded coal mining concessions in Bunyu island, Indonesia. The Bunyu Mines has a Joint Ore Reserves Committee (JORC) compliant resource of 269 Million Metric Tonnes (MMT) of coal. Production during the year FY 13 has been 4 MMT.

☐ Coal Mining in Australia

Our wholly owned step down subsidiaries in Australia have 100% interest in the Carmichael Coal Mine in the Galilee Basin in Queensland, Australia. During the year under review, the Company has undertaken an extensive exploration program. The Carmichael Coal Mine has a Joint Ore Reserves Committee (JORC) compliant resource of 10.15 billion tonnes of coal. The mine is being developed for producing 100 MMT/PA of coal at peak capacity.

☐ Domestic Coal Mining Operations

In India, as part of the public private partnership model, Government sector companies, which are allotted coal blocks, appoint a Mine Developer and Operator ("MDO") to undertake all activities relating to the development and operations of a coal block allotted.

❑ Parsa East and Kanta Basan Coal Block

Rajasthan Rajya Vidyut Utpadan Nigam Limited ("RRVUNL") has been allocated the Parsa East and Kanta Basan coal blocks at Chhattisgarh. To undertake the MDO operations, the Company entered into a joint venture agreement with RRVUNL to form Parsa Kente Collieries Limited ("PKCL"), wherein the Company owns 74% equity interest.

The project has started Mining Operations and dispatches of coal to Thermal Power stations of RRVUNL in FY13.

This entails development and operation of the Parsa Captive Coal Block and transportation of coal upto End-use Thermal Power Station located at Marwa, Chhattisgarh.

❑ Chendipada Coal Block

The Company has been selected as Mine Developer and Operator (MDO), by UCM Coal Company Limited, a Joint Venture of Uttar Pradesh Rajya Vidyut Utpadan Nigam Limited (UPRVUNL), Chhattisgarh Mineral Development Corporation Limited (CMDC) and Maharashtra State Power Generation Company Limited (MAHAGENCO) for development and operation of the Chendipada and Chendipada II coal block in the District Angul, State of Orissa. The Company will undertake development and operation of the Chendipada coal block, which includes mining, beneficiation of coal, arranging transportation and delivery of washed coal to end power projects of UPRVUNL, CMDC and MAHAGENCO. The environment and other approvals are expected in due course.

➤ Coal Trading

The Company remains the largest procurer of thermal coal in India. As India's primary power generating capacity is still coal based, the country is expected to remain increasingly dependent on imported thermal coal to bridge the demand-supply gap in future.

The Company provides multiple services of procurement and logistics for its customers. The major coal sourcing is from suppliers in Indonesia and South Africa, and supply it to various state utilities in India. The Company, through its subsidiaries, has entered into long-term arrangement for uninterrupted supply of imported coal with some of the biggest suppliers in Indonesia.

Coal demand is expected to increase substantially in the coming years, which will strengthen the Company's presence in this segment. The Company also continues to improve coal trading business by cost effective shipping & logistics management and expanding its sourcing network.

➤ **Edible oil and Agro-commodities trading**

We benefit from, and our capacities are higher because of, the deep drafts at our facilities, which allow us to accommodate larger ships that can handle larger volumes of cargo. We have recently expanded our facilities at the Mundra Port to accommodate larger ships, including the recent commissioning of Container Terminal 3, fourth berth at the Coal Bulk Terminal and Multi-purpose Terminal-III, at the Mundra Port.

➤ **Cargo and Service Mix**

The three broad categories of cargo handled are bulk (consisting primarily of coal cargo), container and crude oil cargo. Our cargo volume handled continues to increase as we expand the capacities and utilizations at the Mundra Port, the Dahej Port and the Hazira Port, and as we commence operations at our terminals at the Mormugao Port, the Vizag Port and the Kandla Port.

The port services include marine, intra-port transport, storage and handling, other value-added and evacuation services for a diverse range of customers, primarily terminal operators, shipping lines and agents, exporters, importers and other port users. In addition to port services, we provide value-added, evacuation and other logistics services to our customers. Our ability to maintain a diverse mix of cargo handled and other services performed allows us to diversify our income sources, reduce financial risk and compete more effectively.

Execution of utility infrastructures like Common Effluent Treatment Plant (CETP), water desalination plant has also been completed. Work for doubling of Mundra-Adipur rail line is completed. These multi-modal connectivities are expected to attract more investments in the coming years.

The Co-developers of the SEZ have provided various social infrastructure facilities such as Housing, Hospital and School in the SEZ. MPSEZ Utilities Pvt. Ltd. (MUPL), a 100% subsidiary of Adani Port and approved Co-developer, had developed electricity distribution network and is distributing electricity at competitive rate in the SEZ. MUPL has also been approved as co-developer of the Free Trade Warehousing Zone (FTWZ) SEZ to provide infrastructure facilities/utilities. 48 Pursuant to Accounting Standard (AS 27) – Financial Reporting of Interests in Joint Venture, the disclosures relating to the Joint Ventures are as follows :

(a) Jointly Controlled Assets

The Company jointly with other parties to joint venture, having been awarded two onshore oil & gas blocks at Palej and Assam by Government of India through NELP-VI bidding round, has entered in to Production Sharing Contracts (PSC) with Ministry of Petroleum and Natural Gas for exploration of oil and gas in the aforesaid blocks. Naftogaz India Pvt. Ltd.(NIPL) being one of the parties to consortium was appointed as operator of the blocks vide Joint Operating Agreements (JOAs) entered into between parties to consortium. The expenditures related to the activities in the blocks were incurred by Adani Group, Welspun or through its joint venture Adani Welspun Exploration Ltd.

The details of the blocks are stated below:

Jointly Controlled Assets	Company's Participating Interest %	Other Partners	Other Partner's Participating Interest %
CB-ONN-2004/5 Block Palej	55%	Welspun Natural Resources Ltd. NAFTOGAZ India Pvt. Ltd.	35% 10%
AA-ONN - 2004/4 Block Assam	55%	Welspun Natural Resources Ltd. NAFTOGAZ India Pvt. Ltd.	35% 10%

During the current financial year, Government of India has issued a notice intimating the termination of the Production Sharing Contracts(PSCs) in respect of the Assam and Palej blocks purportedly due to misrepresentation made by the operator of the blocks- NIPL. The Company has contested the termination and in accordance with the provisions of the PSC has urged the Government to allow it to continue the activities in respect of blocks. Furthermore, DGH has invoked the bank guarantees issued in respect of the Blocks for the work program for the year 2012-13. The Company has taken strong exception to the invocation by DGH and feels that such action is not legally tenable.

The financial statements of the company reflect its share of Assets and Liabilities of the jointly controlled assets which are accounted on a line to line basis with similar items in the Company's accounts to the extent of participating interest of the company as per the various joint venture agreements, in compliance of AS-27.
