About Adani Enterprises Ltd

Adani Enterprises Limited (AEL) is the flagship company of Adani Group, one of India's largest business organisations. Over the years, Adani Enterprises has focused on building emerging infrastructure businesses, contributing to nation-building and divesting them into separate listed entities. Having successfully built unicorns like Adani Ports & SEZ, Adani Energy Solutions, Adani Power, Adani Green Energy, Adani Total Gas and Adani Wilmar, the company has contributed significantly to make the country self-reliant with our portfolio of robust businesses. This has also led to significant returns to our shareholders over 3 decades.

The next generation of its strategic business investments are centered around green hydrogen ecosystem, airport management, data center, roads and primary industry like copper and petrochem all of which have significant scope for value unlocking.
