CORPORATE SOCIAL RESPONSIBILITY (CSR) ACTIVITIES

REFURBISHMENT OF KEM HOSPITAL

As part of our CSR commitment to strengthening healthcare infrastructure, Gandhi Special Tubes Ltd., under the leadership of Chairman Mr. Manhar Gandhi, contributed towards the renovation of the Registration Area at KEM Hospital, Mumbai, one of India's largest public hospitals serving thousands of patients daily. The refurbished area now offers a cleaner, more organised, and patient-friendly environment, aligning with our mission to enhance community well-being.

KEY IMPROVEMENTS INCLUDE:

- 1** Installation of six comfort chairs in the Heerkani Kaksh
- 2** Creation of a mezzanine floor for the MJPJY office and storage
- 3** Expansion of registration counters to improve patient flow

Through this initiative, we have contributed to reducing patient waiting times and improving the overall healthcare experience for the community, reflecting our commitment to sustainable and meaningful CSR efforts.

JAIPUR FOOT PROJECT

Aligned with our commitment to inclusive healthcare and social responsibility, Gandhi Special Tubes Ltd. supported the Jaipur Foot Project. This initiative provides high-quality prosthetic limbs free of cost to individuals who have lost a limb due to accidents, illness, or congenital conditions, helping restore their mobility, independence, and dignity. This reflects our ongoing focus on healthcare accessibility and impactful community support within our CSR framework.

MANAGEMENT DISCUSSION AND ANALYSIS

1. Economic OVERVIEW

a. Global Economy

In Financial Year 2024–25, the global economy faced mixed trends. Growth slowed down in many developed countries due to high interest rates and inflation, while some emerging markets showed resilience. Supply chain issues eased compared to previous years, but geopolitical tensions and energy price fluctuations continued to affect trade flows. These headwinds dampened consumer sentiment and disrupted trade flows, with global GDP growth estimated to slow to 2.3 percent from 2.7 percent in the previous year. The US economy remained resilient, supported by strong services growth and a robust labor market, while Europe grappled with energy cost pressures and the impact of the Ukraine conflict. China's recovery lagged expectations due to a real estate downturn and weak industrial activity. In contrast, the Asia-Pacific region remained a key growth driver, supported by steady consumption and a manufacturing rebound.

The global automotive industry faced a challenging environment, with high interest rates and tighter credit conditions curbing demand, particularly in the mass-market segments across the US and Europe. Furthermore, geopolitical tensions, elevated vehicle prices, and new tariffs, especially by the US on automotive imports, continue to pose risks to a full recovery. The industry remains focused on electrification and improving supply chain resilience to navigate volatility and drive long-term growth.

The current geopolitical and economic landscape is challenging, with persistent headwinds across continents. Yet, India stands uniquely poised to emerge as a global manufacturing powerhouse. With its growing infrastructure, young workforce, and favorable policies, India's opportunity to lead the world in manufacturing has never been greater. This environment offers opportunities for Gandhi Special Tubes Limited (GSTL) to focus on operational efficiencies, exploring alternate markets and deliver high-quality products to meet the steady demand from automotive and engineering customers while carefully managing risks in a volatile global landscape.

b. Indian Economy

The Indian economy continued its growth momentum in Financial Year 2024–25. Inflation remained moderate and within the RBI's comfort range, while private consumption and government capital expenditure supported economic activity across sectors. The industrial sector, including manufacturing and construction, saw stable growth, while services remained resilient with strong demand. Agricultural output recovered due to favourable conditions, aiding rural sentiment. Export performance remained steady, and foreign exchange reserves stayed healthy, reflecting macroeconomic stability. While global uncertainties and high interest rates posed challenges, India's domestic demand, infrastructure push, and ongoing policy reforms helped sustain growth, providing a supportive environment for manufacturing and engineering industries during the year.

Tractor Industry

The tractor industry is a vital part of India's rural economy, supporting the transformation of agriculture and sustaining nearly half of the nation's workforce. After a relatively subdued performance in Financial Year 2023–24, the industry saw a

turnaround in Financial Year 2024–25. The Indian tractor industry recorded annual sales of 9.39 lakh units in Financial Year 2024–25, marking a growth of 7.3 percent over the previous year. This growth was supported by a timely monsoon, healthy reservoir levels, and improved crop procurement at higher minimum support prices. Government initiatives promoting farm mechanisation and rural infrastructure further strengthened demand. However, this growth was partly offset by a slowdown in international farm markets impacting exports.

CV Industry

Financial Year 2024–25 was a mixed year for the CV industry, with volumes marginally lower than Financial Year 2023–24. The industry faced headwinds from erratic monsoons, subdued fleet utilization, and slower infrastructure execution. Nevertheless, the latter half of the year saw a gradual recovery, driven by resumed construction and mining activity and festive season demand. These green shoots indicate a more stable and positive trajectory in Financial Year 2025–26, especially with continued government push on infrastructure and logistics.

Commodity Prices

In Financial Year 2024–25, commodity prices displayed a mixed trend amid global growth uncertainties, trade tensions, and weak manufacturing activity. Agricultural prices were shaped by strong rabi production and varied weather conditions across regions. Policy uncertainties, supply build-ups, and the potential for economic slowdowns may continue to influence commodity prices going forward. GSTL remains focused on cost optimization through value engineering, strategic supplier negotiations, prudent inventory management, and long-term price contracts.

Steel Industry

The Indian steel industry recorded stable growth in Financial Year 2024–25, supported by strong domestic demand from infrastructure, construction, and automotive sectors. Government-led infrastructure projects, urbanization, and resilient housing demand continued to drive steel consumption during the year. However, the industry faced challenges from rising raw material costs and increased Chinese steel imports, which exerted pressure on domestic prices and producer margins. China's slower-than-expected economic recovery resulted in excess steel being diverted to export markets, including India, impacting domestic market dynamics. In response, the Indian government introduced safeguard duties on certain steel imports to protect local manufacturers and align with the broader goal of promoting self-reliance, enhancing local production, and improving the global competitiveness of the steel sector. While these measures aim to support domestic producers, it remains important to balance industry support with broader economic considerations, including managing inflation and ensuring affordability for end-users.

2. COMPANY OVERVIEW AND BUSINESS DESCRIPTION

Your Company delivers innovative and reliable tubular solutions to a diverse range of industries & niche markets in core sectors such as automotive and commercial vehicles, hydraulic systems and general engineering. Our team manufactures tailor-made seamless steel tubes, high-pressure tubes, welded tubes, and coupling nuts to meet the specific needs of our clients. We blend our advanced technical expertise with

uncompromising standards to provide the highest quality with utmost accuracy.

These products are mainly supplied to the Original Equipment Manufacturers (OEMs) of the automotive sector, Farm Equipment manufacturers, Construction equipment manufacturers and other Engineering Industries.

3. STRENGTH, OPPORTUNITIES AND THREAT

Strengths

- ❖ **Integrated Manufacturing Setup** - Only integrated facility in India for small diameter cold drawn seamless steel tubes, providing end-to-end quality control and operational efficiency.
- ❖ **Deep Market Understanding** - Drawing upon a rich legacy of 40 years, the Company has developed an intimate understanding of diverse customer expectations across industries.
- ❖ **Established OEM Relationships** - Over 30 years of strong partnerships with top customers and OEMs, ensuring consistent demand and trust.
- ❖ **Superior Delivery and Customization Capabilities** - Capability to fulfil orders of any quantity faster than local peers, offering superior operational flexibility to customers.
- ❖ **Preferred Supplier to Leading OEMs** - The only local player of scale and quality approved by a majority of the leading local and global OEMs.
- ❖ **Robust Financial Position** - Strong financials reflect GSTL's potential to generate long-term value for shareholders, customers, and stakeholders.
- ❖ **Operational Efficiency and Cost Leadership** - Focus on value engineering, cost optimization, and efficient supply chain management supports competitive pricing and healthy margins.
- ❖ **Experienced Management Team** - A stable leadership team with low staff turnover ensures prudent strategic direction and operational execution.

Opportunities

- ❖ **Monsoon** - The India Meteorological Department has forecast above-normal rainfall for the upcoming monsoon season. An early and well-distributed monsoon is expected to boost rural sentiment and aid agricultural productivity, supporting stable demand during the year.
- ❖ **Union Budget 2025** - Government investments and increased spending in roads, railways, logistics, and housing will drive steel tubes and commercial vehicle demand.
- ❖ **Export Market Diversification** - Global supply chain diversification opens export opportunities, particularly in the US, Europe, and ASEAN.
- ❖ **Industry 4.0** - By investing in artificial intelligence, automation, and Robotics, GSTL can enhance its production processes, improve productivity, reduce costs, and increase operational flexibility.
- ❖ **Easing Inflation** - A moderation in inflation can improve consumer purchasing power and enhance rural and

urban sentiment. This supports higher demand across automotive, farm, and infrastructure sectors.

- ❖ **Favourable Interest Rates** - Lower interest rates reduce borrowing costs for both businesses and consumers. This can drive capital investments in infrastructure and manufacturing while encouraging vehicle and equipment purchases, positively impacting demand for GSTL's precision steel tubes.
- ❖ **Recovery in International Markets** - A gradual recovery in global markets, supported by stabilising supply chains and improved demand in key economies, presents export growth opportunities for GSTL.

Threats

- ❖ **Raw Material Price Volatility** - Fluctuations in the prices of key raw materials such as steel, crude oil, and natural gas can significantly impact production costs and profitability.
- ❖ **Trade Policy and Geopolitical Risks** - Tariffs, trade wars, and shifting global alliances can affect export viability, disrupt supply chains, and increase input costs, posing challenges for GSTL's global competitiveness.
- ❖ **Global Economic Slowdown** - Fears of a global recession, coupled with persistent geopolitical tensions, may dampen demand across end-user industries, impacting production volumes and profitability.
- ❖ **Logistics Disruptions and Rising Freight Costs** - Ongoing supply chain disruptions and high shipping costs can affect timely delivery and increase operational expenses.
- ❖ **Currency Fluctuations** - Volatile foreign exchange rates can impact the cost of imported inputs and the realization from exports, affecting margins.

4. PRODUCT WISE PERFORMANCE

More than 80% of the company's revenue comes from the production of seamless steel tubes, while the remaining revenue is generated from other products such as welded tubes and cold-formed coupling nuts.

5. BUSINESS OUTLOOK

Farm Sector

The outlook for the Indian farm and tractor industry in Financial Year 2025–26 remains positive. Expectations of a normal monsoon, improving crop price realization, and positive rural sentiment are likely to drive demand for tractors and farm machinery. Government initiatives through the Union Budget continue to prioritize agriculture, rural development, and infrastructure investment, creating an enabling environment for growth in farm mechanization. Enabling trends such as farm diversification, higher cropping intensity, and institutional credit access further support long-term sectoral growth.

Monsoon

A normal and well-distributed monsoon is vital for sustaining rural demand, which directly impacts the tractor and automotive sectors. The India Meteorological Department has forecast above-normal rainfall for the upcoming monsoon season. Timely onset and distribution of rainfall will be critical

factors, as disruptions caused by uneven rainfall could impact rural cash flows and consequently, demand for our products. An early and well-distributed monsoon is expected to boost rural sentiment and aid agricultural productivity, supporting stable demand during the year.

Protectionism and Geopolitics

As we step into Financial Year 2025-26, the outlook is cautiously optimistic. The global landscape for Financial Year 2025-26 remains volatile. Rising protectionism, trade wars, and shifting geopolitical dynamics are reshaping global commerce. A growing wave of economic nationalism is challenging established trade networks and disrupting supply chains. We are seeing a realignment of geopolitical alliances and the formation of new regional trade blocs. These changes bring challenges such as commodity price volatility, supply chain disruptions, and rising input costs. However, they also create opportunities for India to position itself as a reliable alternative in global supply chains. As globalization evolves into a multi-polar, regionally collaborative structure, India's stable democracy and trusted partner status place it well to benefit from this transition.

Shifting Trade Dynamics

Amid shifting global trade dynamics, India has the opportunity to strengthen its position as a manufacturing and supply chain hub. Restrictions on Chinese exports and high tariffs on competing countries could open new markets for Indian goods, provided there is a focused push on manufacturing competitiveness and private sector investment. Speed and agility will be key to leveraging this opportunity, as other countries such as Vietnam and the Philippines also position themselves as alternative hubs. This environment calls for proactive adaptation, innovation, and investment in manufacturing and R&D to capture emerging opportunities in global trade realignment.

What to Expect from 2025?

India's economic outlook for Financial Year 2025-26 remains cautiously optimistic, with strong domestic drivers balanced against global uncertainties. With stimulus provided by the Union Budget and RBI monetary policy measures to increase liquidity in the economy, the India consumption story is expected to remain strong to deliver on its growth target for Financial Year 2025-26. Consumer spending is expected to gain momentum, supported by an improved agricultural outlook, rising incomes, and positive rural sentiment. Government investments in infrastructure, including roads, housing, logistics, and railways, alongside growth in services sectors such as hospitality, healthcare, real estate, and education, are likely to drive capacity creation and employment. Inflation is expected to moderate closer to the RBI's target, allowing room for a gradual easing of interest rates, while financial stability remains strong with low bad loan ratios and healthy forex reserves. However, risks persist, with private investment likely to remain cautious amid geopolitical tensions, uneven domestic demand, and oversupply from China. Rising global commodity prices and ongoing logistics disruptions may drive input cost inflation. Merchandise exports may face challenges due to weak global demand and trade tensions, while services exports are expected to remain resilient, despite evolving global financial market risks. Overall, India is positioned to remain the fastest-growing major economy,

reflecting a stable outlook supported by domestic momentum and ongoing structural reforms aimed at boosting investment, manufacturing, and job creation.

In a scenario with so many moving parts, it is difficult to predict outcomes. Hence, GSTL remains confident yet mindful as we step into Financial Year 2025-26. Your Company will continue to focus on cost leadership, value engineering, and efficient supply chain management. These priorities will help us mitigate inflationary pressures and manage input cost volatility. Our well-defined product strategy and customer-centric approach position us to capture demand while maintaining financial discipline. We aim to sustain profitable growth, strengthen our domestic leadership, and expand our presence in global markets. GSTL is well positioned to leverage India's growth momentum and navigate evolving global dynamics.

6. RISK AND CONCERNS

The Company's business is constantly exposed to various internal and external risks. GSTL has implemented robust systems and review mechanisms to actively monitor, manage, and mitigate these risks to protect its business continuity and stakeholder value.

A. Industry and Macroeconomic Risks

Operating in a cyclical and volatile industry, GSTL's performance is closely linked to macroeconomic trends, government policies, and regulatory changes in India and globally. Adverse movements in these areas can impact demand, revenue, profitability, and liquidity.

B. Foreign Exchange Risks

GSTL imports steel and consumables while exporting finished tubes, exposing it to fluctuations in foreign exchange rates. Volatility in currency markets can directly affect raw material costs, export realization, and overall profitability.

C. Raw Material Price Volatility

Fluctuations in the price of key raw materials such as steel and natural gas can impact production costs and margins. Global supply chain disruptions, geopolitical tensions, and commodity market volatility can exacerbate these risks.

D. Energy Price Fluctuations

Volatility in gas and electricity prices can impact the Company's production costs, especially as the Company's processes are energy-intensive.

E. Monsoon Dependence

A normal monsoon is critical for the health of India's agriculture and rural economy, directly influencing demand in the tractor and automotive sectors. Unpredictable or uneven monsoon patterns can reduce rural incomes and dampen demand, posing a significant business risk. An untimely or unevenly distributed monsoon could adversely impact sales and overall business performance.

F. Environmental and Regulatory Compliance

The Company's operations are subject to environmental laws and evolving compliance requirements. Non-compliance or changes in environmental regulations could lead to increased costs, operational restrictions, or

reputational risks.

G. Legal and Taxation Risks

The Company operates within a dynamic legal and regulatory environment, subject to various direct and indirect tax laws, compliance requirements, and evolving policy frameworks. Frequent changes in tax structures, interpretations, and regulations require continuous monitoring and timely adaptation to ensure compliance, avoid penalties, and manage potential litigation risks. The Company has robust processes in place to address these changes proactively and to safeguard its operations and financial health.

H. Cybersecurity and IT Risks

As GSTL continues its digital initiatives, it faces risks related to cyber threats and data breaches, which could disrupt operations, compromise sensitive data, and harm its reputation. Your Organization has undertaken Cybersecurity assessments during the Financial Year 24-25 to identify gaps and mitigate the same. Your Organization has also invested in various security tools and adopted best practices to ensure the confidentiality, integrity and availability of Information remains unscathed.

I. Trade Policy and Geopolitical Risks

Tariffs, trade wars, and geopolitical developments can impact GSTL's export competitiveness, input costs, and supply chain stability. Increasing protectionism globally could lead to higher duties on imports and exports, affecting operations.

J. Competition and Technological Disruption

GSTL faces competition from domestic and international players. Technological advancements, customer preferences for new materials, or substitutes can impact the demand for seamless tubes. GSTL continues to invest in technology and operational efficiency to remain competitive.

K. Credit and Customer Concentration Risks

Dependency on key OEM customers can expose GSTL to credit risk and demand fluctuations if any major customer reduces orders, delays payments, or faces financial stress.

7. INTERNAL CONTROL SYSTEMS

Your Company has a well-established internal control system in place which is commensurate with the size and nature of its business. The internal control system ensures that all the assets of the Company are safeguarded from loss, damage or disposition. Checks and controls are in place to ensure that transactions are adequately authorized and recorded and that they are reported correctly. The internal control system is supplemented by an internal audit by a firm of independent Chartered Accountants and statutory audit which is periodically reviewed by the management and Audit Committee.

No material issues in relation to the adequacy of Company's control systems were reported during the year.

The Audit Committee of the Board regularly reviews compliance with the Company's policies, procedures and statutory requirements in consultation with the Statutory Auditors and the Internal Auditors, who also attend the Audit Committee meetings.

8. FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

During the year, Net Sales escalated by approximately 1.32 % and Net Profit escalated by 5.57%.

Major Financial Ratios:

| Sr. No. | Ratio Description | FY 2025 | FY 2024 | Change (%) |
|---------|-------------------------------------|---|---------|------------|
| 1 | Debtors Turnover (in days)* | 47 | 42 | 11% |
| 2 | Inventory Turnover Ratio* (in days) | 95 | 91 | 5% |
| 3 | Interest Coverage Ratio | Not Applicable in the absence of interest payment | | |
| 4 | Current Ratio | 7.81 | 6.79 | 15% |
| 5 | Debt Equity Ratio | Not Applicable in the absence of any debt | | |
| 6 | Operating Profit Margin (%) | 41.61 | 40.02 | 4% |
| 7 | Net Profit Margin (%) | 31.81 | 30.33 | 5% |
| 8 | Return on Net Worth | 22.11 | 24.80 | -11% |

- **Debtors Turnover:** The above ratio is used to quantify a Company's effectiveness in collecting its receivables or money owed by customers. The ratio shows how well a Company uses and manages the credit it extends to customers and how quickly that short-term debt is collected or is paid. It is calculated by dividing turnover by average trade receivables.
- **Inventory Turnover:** Inventory Turnover is the number of times a Company sells and replaces its inventory during a period. It is calculated by dividing turnover by average inventory.
- **Current Ratio:** The Current Ratio is a liquidity ratio that measures a Company's ability to pay short-term obligations or those due within one year. It is calculated by dividing the current assets by current liabilities.
- **Operating Profit Margin (%):** Operating Profit Margin is a profitability or performance ratio used to calculate the percentage of profit a Company produces from its operations. It is calculated by dividing the EBIT by turnover.
- **Net Profit Margin (%):** The net profit margin is equal to how much net income or profit is generated as a percentage of revenue. It is calculated by dividing the profit for the year by turnover.
- **Return on Net Worth:** Return on Net Worth (RoNW) is a measure of profitability of a Company expressed in percentage. It is calculated by dividing total comprehensive income for the year by capital employed during the year.

Capital Investment of Rs. 400 Lakhs was made during the year. The entire capital investment has been made out of the Company's internal cash accruals.

9. HUMAN RESOURCES AND INDUSTRIAL RELATIONS

The Company believes that nurturing and strengthening the human resource is vital in creating a unique organizational structure consisting of harmonious relationships. The Company also considers its human capital a critical factor to its success. The Company also provides suitable environment for development of leadership skills which enables it to recruit and retain quality professionals in all the fields. The attrition rate is lower than the rate prevailing in the automotive sector. The Company has drawn up a comprehensive human resource strategy, which addresses key aspects of human resource development such as:

The code of conduct and fair business practices;

Evolution of performance based compensation packages to attract and retain talent.

Skill development of all Blue collared workforce to enable them to effectively meet the productivity and quality deliverables.

There were total 385 number of employees (including contractual employees) under the payroll of the Company.

10. SAFETY, HEALTH AND ENVIRONMENT (SHE) MANAGEMENT

Your Company continues to adopt the best safety practices that have reduced the accident and severity rate. The initiation of new personnel in Safety, Health and Environment (SHE) Management practices, before their deployment to the shop floor, contributed to a significant reduction in unsafe practices. Constant upgradations in technology, safety equipment provisions and regular safety inspections of the plant and machinery are also carried out to mitigate any hazards. This is progressively taking the Company towards achieving the target of Zero Accidents.

11. CAUTIONARY STATEMENT

Statements made in this Management Discussion and Analysis describing your Company's objectives, projections, estimates and expectations are "forward looking statements" within the meaning of applicable laws and regulations. Actual results might differ materially from those either expressed or implied.

The Management is confident that your Company with its quality products, enduring relations with OEM and commitment of staff will continue to sustain its growth and pay out by way of dividend to the shareholders in the year 2025-2026

ANNEXURE II

PARTICULARS OF CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNING AND OUTGO REQUIRED UNDER THE COMPANIES (ACCOUNTS) RULES, 2014

A. CONSERVATION OF ENERGY

The Company is constantly striving to have high degree of optimization, conservation of energy and absorption of technology. Major initiatives taken by the Company during the financial year 2024-2025 are listed below:

I. The following initiatives have been implemented for energy conservation

- Achieved a 10% reduction in overall power and fuel consumption across the plant through multiple energy efficiency measures.
- Optimized furnace utilization to reduce natural gas usage.
- Converted furnaces from LPG to CNG using air-gas manifolds, enhancing energy efficiency and reducing fuel costs.
- Installed Variable Frequency Drives (VFDs) in compressors, decoilers, and draw benches to lower electricity consumption.
- Fitted transparent roof sheets to maximize daylight usage and reduce daytime lighting needs.
- Deployed CPCB IV+ compliant DG sets with Retrofit Emission Control Devices (RECDs) to minimize emissions of PM, CO, NOx, and HC.

II. The steps taken by the Company for utilising alternate sources of energy:

- The 2.0 MW rooftop solar power plant installed at the factory generated approximately 17 lakh units of electricity during Financial Year 2024-25, meeting nearly one-third of the Company's total electricity requirement.
- Off-site captive windmills situated in Gujarat contributed an additional one-third of the Company's power needs. Together, renewable energy sources supplied nearly two-thirds of the Company's total electricity consumption, significantly reducing carbon footprint and operational energy costs.

III. Sustainability Initiatives

- Sewage Treatment Plant (STP) to treat wastewater and prevent groundwater contamination.
- Optimized Surface Treatment Plant operations to conserve water, power, and natural gas.
- Adopted rainwater harvesting systems and implemented reduce-reuse-recycle strategies.
- Planted numerous trees under afforestation initiatives to support carbon sequestration and improve the local ecosystem.
- The manufacturing facility is equipped with a Zero Liquid Discharge (ZLD) plant, enabling high-efficiency water recovery through an advanced Effluent Treatment Plant (ETP). Treated water is reused for inland gardening and process applications, significantly reducing freshwater consumption and supporting our water conservation goals.

- Reduced plastic packaging and promoted responsible plastic waste disposal, including awareness initiatives for employees.
- Installed a 10,000-liter RO plant for clean water supply

CORPORATE GOVERNANCE REPORT

1. COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

The Company's philosophy on Corporate Governance ensures transparency in its affairs and the functioning of the Management and the Board and accountability towards its stakeholders. The Company acknowledges that corporate governance is not only a guiding principle but also a fundamental aspect of its behaviour and organizational culture. The Company's philosophy ensures that it creates sustainable value for shareholders while fulfilling social obligations and complying with regulatory requirements.

The Company's dealings with its stakeholders are guided by recognized standards of fairness and justice. The Company's approach to corporate governance includes creating a culture of openness, establishing a system that encourages employees to voice their concerns openly and without fear or inhibition. Corporate governance of the Company is further strengthened through the Code of Conduct, and the Company's Code of Conduct for Prevention of Insider Trading. The Company also has in place an Information Security Policy that ensures proper utilization of IT resources.

The Company has complied with requirements of Corporate Governance set forth in Regulation 17 to 27, as well as Schedule V and clauses (b) to (i) and (t) of sub-regulation (2) of Regulation 46 and para C, D and E of Schedule V of the Securities and Exchange Board of India ("SEBI") (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), as applicable.

2. BOARD OF DIRECTORS

A. Composition

The Board of Directors of the Company comprises of an optimum combination of Executive and Non-Executive Directors, including one (1) woman Director which is in conformity with the Companies Act, 2013 ("the Act") and the SEBI Listing Regulations as amended from time to time. As of the year ended 31 March 2025, the Board consisted of six (6) Directors comprising one (1) Executive Director, two (2) Non-Executive Directors and three (3) Independent Directors. The Chairman of the Board is an Executive Director.

During the year under review, the following change took place in the composition of the Board of Directors:

- a. As per the terms of her appointment, Mrs. Bhavi Koradia (DIN 07004836) completed her second term as an Independent Director on 30 October 2024 and accordingly ceased to be an Independent Director and Member of the Board of Directors of the Company. The Board of Directors place on record their deep appreciation for the knowledge and guidance provided by Mrs. Bhavi Koradia during her tenure.

The Shareholders of the Company have approved her appointment by resolution passed through postal ballot by remote e-voting process on 29 November 2024.

B. Board Process and Board Meeting

The Board meets at regular intervals to discuss and decide on the business policy and strategy of the Company apart from other Board business. A tentative date of the Board and committee meetings is circulated to the directors well in advance to facilitate them to plan their schedule and to ensure meaningful participation in the meetings. However, in case of a special and urgent business need, the Board's approval is taken by passing resolutions by circulation, as permitted by law, which are noted and confirmed in the subsequent Board meeting.

The notice of Board meeting is given well in advance to all Directors. Usually, meetings of the Board are held at Registered Office of the Company. The agenda and pre-reads are circulated well in advance before each meeting, to all Directors, for facilitating meaningful discussion and effective decision making. Considerable time is spent by the Directors on discussions and deliberations at the Board meetings.

The Company Secretary & Compliance Officer is responsible for preparation of the agenda including the background papers and convening of the Board and Committee meetings. The Company Secretary & Compliance Officer attends all meetings of the Board and its Committees, advises/assures the Board on compliance and governance principles and ensures appropriate recording of minutes of the meetings.

In addition to the formal meetings, interactions outside the Board meetings also take place between the Chairman and the Independent Directors and with other Directors.

During the financial year ended on 31 March 2025, four Board Meetings were held on 28 May 2024, 12 August 2024, 28 October 2024 and 10 February 2025

The maximum interval between any two meetings was well within the maximum allowed gap of one hundred and twenty days. The 39th Annual General Meeting (AGM) of the Company was held on 12 August 2024 through Video Conferencing (VC) / Other Audio Visual Means (OAVM) in accordance with the relevant circulars issued by the MCA and SEBI.

INDEPENDENT AUDITORS' REPORT

To the Members of
GANDHI SPECIAL TUBES LIMITED

Report on the Audit of Financial Statements

Opinion

We have audited the accompanying Financial Statements of **GANDHI SPECIAL TUBES LIMITED** ("the Company"), which comprise the Balance Sheet as at 31 March 2025, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and the Cash Flow Statement for the year then ended and notes to the Financial Statements, including a summary of the material accounting policy information and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March, 2025, its Profit and total comprehensive income, changes in equity and its cash flow for the year ended on that date.

Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our Report.

Information other than Annual Financial Statements and Auditor's Report thereon

The Board of Directors are responsible for the other information. The other information comprises the information

included in the Company's annual report but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements, does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing as applicable matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee

that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system with reference to Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the Financial Statements made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our Auditors' Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our Report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Government of India in terms of Section 143(11) of the Act and on the basis of such checks of the books and records of the Company as we consider appropriate and according to the information and explanation given to us; we give in the Annexure "A" a statement on the matters specified in Paragraphs 3 and 4 of the Order, to the extent applicable.
2. With respect to the matters to be included in the Auditor's Report in accordance with requirement of Section 197(16) of the Act, as amended.
3. In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid during the current year by the Company to its directors is in accordance with the provisions of Section 197 of the Act.

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in the paragraph (vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014;
- (c) The Balance Sheet, Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity, the Statement of Cash Flow and notes to the Financial Statements dealt with by this Report are in agreement with the books of account;

- (d) In our opinion, the aforesaid Financial Statements comply with Ind AS specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended;
- (e) On the basis of the written representations received from the Directors as on 31 March, 2025 and taken on record by the Board of Directors, none of the Directors is disqualified as on 31 March, 2025 from being appointed as a Director in terms of Section 164(2) of the Act;
- (f) The modification relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph (b) above on reporting under section 143(3) (b) of the Act and paragraph (vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
- (g) With respect to the adequacy of the internal financial controls with reference to financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure "B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its Financial Statements - Refer Note 33 to the Financial Statements;
 - ii. The Company has not entered into any long-term contracts including derivative contracts for which there were any material foreseeable losses as required under the applicable law or accounting standards;
 - iii. There has been no delay in transferring the amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (b) The Management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"),

with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Parties or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) as provided in (a) and (b) above, contain any material misstatement.

- v. The dividend declared or paid during the year by the Company, is in compliance with Section 123 of the Act.
- vi. The reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is applicable from 01 April 2023.

Based on our examination, which included test checks carried out on the software application and review of information and explanations given to us, except as mentioned below, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the accounting software.

- (a) The audit trail feature does not record updates/ changes made in master data.
- (b) The feature of recording audit trail (edit log) was not enabled at the database level to log any direct changes in databases of the accounting application used for maintaining books of accounts. However, as per representation made by the management, since the database is managed and controlled by the accounting application vendor, the company does not have direct access to databases and thus no direct updates/changes could be made by any employees of the company to the data in the database.

Further, for FY 2024-25 where the audit trail feature at the application level was enabled and operated throughout the year, we did not come across any instance of the said audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

Annexure “A” to The Independent Auditor’s Report

(Referred to in Point No. 1 under the heading of “Report on Other Legal and Regulatory Requirements” of our report of even date)

- (i) a) A)The Company has maintained proper records showing full particulars, including quantitative details and situation of its Property, Plant and Equipment;
- B)The Company has maintained proper records showing full particulars of Intangible Assets.
- b) The Company has programme of verification of Property, Plant and Equipment’s so as to cover all the items over a period of three years which in our opinion, is at reasonable interval having regard to the size of the Company and the nature of its assets. Pursuant to the programme, certain items of Property, Plant and Equipment’s were physically verified by the management during the year. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
- c) According to the information and explanations given to us and on the basis of records examined by us, the title deeds of immovable properties (other than immovable properties where Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial Statement are held in the name of the Company.
- d) According to the information and explanations given to us and on the basis of records examined by us, the Company has neither revalued any of its Property, Plant and Equipment (including Right-of-use Assets) nor its Intangible Assets during the year. Accordingly, reporting under Clause 3(i)(d) of the Order is not applicable.
- e) According to the information and explanation given to us, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988, as amended and rules made thereunder. Accordingly, reporting under Clause 3(i)(e) of the Order is not applicable.
- (ii) a) Physical verification of the inventories has been conducted by the Management during the year which, in our opinion, is at reasonable intervals. In our opinion and according to the information and explanations given to us, the coverage and procedure of such verification by the Management is appropriate having regard to the size of the Company and the nature of its operations. No discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories, when compared with books records.
- b) According to the information and explanations given to us, at any point of time of the year, the Company has not been sanctioned any working capital facility from banks or financial institutions and hence reporting under Clause 3(ii)(b) of the Order is not applicable.

- (iv) In our opinion and according to information and explanations given to us and based on the audit procedures performed, the Company has complied with the provisions of Section 186 of the Companies Act, 2013 in respect of investments. The Company has not granted any loans, made investments or provided guarantees or securities to parties covered under Sections 185 and 186 of the Companies Act, 2013.
- (v) The Company has not accepted any deposit or amounts which are deemed to be deposits. Accordingly, reporting under Clause 3(v) of the Order is not applicable.
- (vi) The maintenance of cost records for the Company has been specified by the Central Government under Section 148(1) of the Companies Act, 2013 for the manufacturing activities as also in respect of generation of power through Windmills. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended, prescribed by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013, and are of the opinion that prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) a) According to the information and explanations given to us and on the basis of the records examined by us, in our opinion, the Company is generally regular in depositing undisputed statutory dues including Provident Fund, Investor Education & Protection Fund, Employees’ State Insurance, Income Tax, Goods and Service Tax, Cess and other material statutory

dues as applicable with the appropriate authorities. There were no Statutory Dues in arrears as at 31 March 2025 for the period of more than six months from the date they become payable.

- b) The disputed statutory dues aggregating to ₹. 36.21 Lakhs, that have not been deposited on account of disputed matters pending before appropriate authorities are as under:

(₹. in Lakhs)

| Name of the Statute | Nature of Dues | Amount under dispute not yet deposited | Period to which the amount relates | Forum where the dispute is pending |

Annexure “B” to The Independent Auditor’s Report

(Referred to in Paragraph 3 (f) under the heading of “Report on Other Legal and Regulatory Requirements” of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”).

We have audited the internal financial controls with reference to Financial Statements of **GANDHI SPECIAL TUBES LIMITED** (“the Company”) as of 31 March 2025 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls with reference to Financial Statements based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guiding Note”) issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note issued by ICAI and the Standards on Auditing prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls with reference to Financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Financial Statements included obtaining an understanding of internal financial controls with reference to Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to Financial Statements.

Meaning of Internal Financial Controls Over Financial Reporting

A Company’s internal financial control with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles.

A Company’s internal financial control with reference to Financial Statements includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company’s assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls with reference to Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be

detected. Also, projections of any evaluation of the internal financial controls with reference to Financial Statements to future periods are subject to the risk that the internal financial control with reference to Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to Financial Statements and such internal financial controls with reference to Financial Statements were operating effectively as at 31 March 2025 based on the criteria for internal financial control with reference to Financial Statements established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025**1 Notes forming Part of the Financial Statements****1.1 Corporate Information**

Gandhi Special Tubes Limited ("the Company") is engaged in manufacture of Seamless and Welded Steel Tubes, Nuts and generation of Wind Power.

The Company is a public limited company incorporated and domiciled in India and has its registered office at 201-204, Plaza, 2nd Floor Near Dharam Palace, 55 Hughes Road, Mumbai - 400004. The equity shares of the Company are listed on Bombay Stock Exchange Limited (BSE) and National Stock Exchange of India Limited (NSE).

The financial statements for the year ended 31 March 2025 are approved by the Company's Board of Directors on 28 May, 2025

1.2 Basis of Preparation

These financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Companies Act, 2013 (the 'Act') read with the Companies (Indian Accounting Standard) Rules as amended from time to time.

These financial Statements are prepared on an accrual basis under the historical cost convention or amortised cost, except for the following assets and liabilities, which have been measured at fair value :

- i) Certain financial assets and liabilities that are measured at fair value
- ii) Defined Benefit Obligations – as per actuarial valuation

These financial statements are presented in Indian Rupees (INR), which is also the Company's functional currency and all amounts are rounded off, except when otherwise indicated.

1.3 Critical Accounting Judgements and Key Sources of Estimation Uncertainty

The preparation of the financial statements requires the management to make judgements, estimates and assumptions in the application of accounting policies and that have the most significant effect on reported amounts of assets, liabilities, income and expenses, and accompanying disclosures, and the disclosure of contingent liabilities. The estimates and associated assumptions are based on historical experience and

other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

1.4 Key estimates, assumptions and judgements

The key assumptions concerning the future and other major sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below:

a) Property, Plant and Equipment/Intangible Assets

Property, Plant and Equipment/ Other Intangible Assets are depreciated/amortised over their estimated useful lives, after taking into account estimated residual value. The useful lives and residual values are based on the Company's historical experience with similar assets and taking into account anticipated technological changes or commercial obsolescence. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation/amortisation to be recorded during any reporting period. The depreciation/amortisation for future periods is revised, if there are significant changes from previous estimates and accordingly, the unamortised/depreciable amount is charged over the remaining useful life of the assets.

b) Leased Assets

Identification of a lease requires significant judgment in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease. The lease payments are discounted

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025

using the interest rate implicit in the lease or, if not readily determinable, using the RBI lending rates increased by 2%.

c) Fair Value measurements of Financial Instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets (Net Assets Value in case of units of Mutual Funds), their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

d) Employee Benefit Plans

The cost of the defined benefit gratuity plan and other-post employment benefits and the present value of gratuity obligations and compensated absences is/ are determined based on actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, attrition and mortality rates. Due to the complexities involved in the valuation and its long-term nature, these liabilities are highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The mortality rate is based on publicly available mortality tables. Those mortality tables tend to change only at interval in response to demographic changes. Further salary increases and gratuity increases are based on expected future inflation rates.

e) Impairment of Assets

The Company has used certain judgements and estimates to work out future projections and discount rates to compute value in use of cash generating unit and to access impairment. In case of certain assets independent external valuation has been carried out to compute recoverable values of these assets.

f) Impairment of Financial Assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgement in making

these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

The Company reviews its carrying value of investments carried at amortised cost annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for.

g) Income taxes

Significant judgements are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions as also to determine the amount of deferred tax that can be recognised, based upon the likely timing and the level of future taxable profits. Also refer Note No.32.

1.5 Property, Plant and Equipment (PPE)

PPE is recognised when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. PPE (other than Freehold Land) are stated at cost less accumulated depreciation and impairment losses, if any. The initial cost of an asset comprises its purchase price, non- refundable purchase taxes and any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management, the initial estimate of any decommissioning obligation, if any.

Freehold land is carried at historical cost.

The carrying amount of an item of PPE is derecognised upon disposal or when no future economic benefit is expected to arise from its continued use. Any gain or loss arising on the derecognition of an item of PPE is determined as the difference between the net disposal proceeds and the carrying amount of the item and is recognised in Statement of Profit and Loss.

Depreciation :

Depreciation on Property, Plant and Equipment, Leasehold Assets (other than freehold land) is provided on the Straight-Line Method as per the useful life prescribed under Schedule II to the Companies Act, 2013, except for Wind Mill, which is provided on Written Down value Method.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025

reporting period, with the effect of any change in estimate accounted for on a prospective basis.

1.6 Leases

The Company's lease asset classes primarily consist of lease for Land on which windmill has been installed for power generation. The Company assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. At the date of commencement of the lease, the Company recognises a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short term leases) and leases of low value assets. For these short term and leases of low value assets, the Company recognises the lease payments as an operating expense on a straight line basis over the term of the lease. The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. The lease liability is initially measured at the present value of the future lease payments. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made. A lease liability is remeasured upon the occurrence of certain events such as a change in the lease term or a change in an index or rate used to determine lease payments. The remeasurement normally also adjusts the leased assets. Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

1.7 Intangible Assets

Intangible assets are initially recognised at cost. Intangible assets are amortised over estimated useful life of three years on straight-line basis.

1.8 Impairment of non-financial assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such

indication exists, the recoverable amount, which is the higher of the value in use or fair value less cost to sell, of the asset or cash-generating unit, as the case may be, is estimated and impairment loss (if any) is recognised and the carrying amount is reduced to its recoverable amount.

In assessing the value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash generating unit to which the asset belongs.

An impairment loss is recognised immediately in the Statement of Profit and Loss. When an impairment subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but upto the amount that would have been determined, had no impairment loss been recognized for that asset or cash generating unit. A reversal of an impairment loss is recognised immediately in the Statement of Profit and Loss.

1.9 Current versus Non-current classification

The Company presents assets and liabilities in the Balance Sheet based on current / non-current classification. An asset is treated as current when it is :

- i) Expected to be realised or intended to be sold or consumed in normal operating cycle
 - ii) Held primarily for the purpose of trading
 - iii) Expected to be realised within twelve months after the reporting period, or
 - iv) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period
- All other assets are classified as non-current.
- All liability is current when :
- i) It is expected to be settled in normal operating cycle
 - ii) It held primarily for the purpose of trading
 - iii) It is due to be settled within twelve months after the reporting period, or
 - iv) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The company classifies all other liabilities as non-current.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025

Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current / non-current classification of assets and liabilities.

1.10 Inventories

Inventories comprise all costs of purchase, conversion and other costs incurred in bringing the inventories to their present location and condition.

Raw materials, fuels, stores and spares are valued at lower of cost and net realisable value. Cost is determined on the basis of the FIFO method. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost.

Work-in-progress and finished goods are valued at lower of cost and net realisable value. Cost includes direct materials, labour, other direct cost and a proportion of manufacturing overheads based on normal operating capacity.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

1.11 Provisions, Contingent liabilities and Contingent Assets

Provision is recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation. Provision is not recognised for future operating losses.

Provision is measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. If the effect of the time value of money is material, the amount of provision is discounted using an appropriate pre-tax rate that reflects current market assessments of the time value of money and, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

A Contingent liability is disclosed in case of a present obligation arising from past events, when it is either not probable that an outflow of resources will be required to settle the obligation, or a reliable estimate of the amount cannot be made. A Contingent Liability is also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

Contingent Assets are not recognised but where an inflow of economic benefits is probable, contingent assets are disclosed in the financial statements.

1.12 Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

a) Sale of Goods

Revenue from sale of goods is recognised upon transfer of significant risk and rewards of ownership of the goods to the customer which generally coincides with dispatch of goods to customer. Sales exclude Goods and Service Tax (GST). It is measured at fair value of consideration received or receivable, net of returns, rebates and discounts.

Income from Wind Power is recognised at the point of generation.

b) Rendering of Services

Revenue from services are recognised as and when the services are rendered on stage of completion method.

c) Interest Income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of that financial asset.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025**d) Dividends**

Dividend income from investments is recognised when the Company's right to receive dividend is established, which is generally when the shareholders approve the dividend.

1.13 Employee Benefits

Employee benefits include Provident Fund, Employee State Insurance Scheme, Gratuity Fund, Leave Encashment.

a) Short-Term and Other Long-term Employee Benefits

A liability is recognised for benefits accruing to employees in respect of short-term employee benefits in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service. A liability is recognised for benefits accruing to employees in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by the employees up to the reporting date.

b) Defined Contribution Plan

The Company's contribution to Provident Fund and Employee State Insurance Scheme are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

c) Defined Benefit Plan**i) Gratuity**

In accordance with applicable Indian laws, the Company provides for gratuity, a defined benefit retirement plan ("Gratuity Plan") covering all employees. The Gratuity Plan provides a lump sum payment to vested employees, at retirement or termination of employment, an amount based on the respective employee's last drawn salary and the years of employment with the Company. Liability with regard to Gratuity Plan is accrued based on actuarial valuation at the Balance Sheet date, carried out by an independent actuary.

Payment for present liabilities of future payment of gratuity for all employees other than Managing Director is being made to approved gratuity fund managed by Life Insurance Corporation of India (LIC).

Re-measurement, comprising actuarial gains and losses, is reflected immediately in the Balance Sheet with a charge or credit recognised in Other Comprehensive Income in the period in which they occur. Re-measurement recognised in Other Comprehensive Income is reflected immediately in retained earnings and is not reclassified to Profit and Loss. Past service cost is recognised in the Statement of Profit and Loss immediately for both vested and the non-vested portion.

ii) Compensated Absences

The Company provides for the encashment of absence or absence with pay based on policy of the Company in this regard. The employees are entitled to accumulate such absences subject to certain limits, for the future encashment or absence. The Company records an obligation for compensated absences in the period in which the employee renders the services that increases this entitlement. The Company measures the expected cost of compensated absences as the additional amount that the Company expects to pay as a result of the unused entitlement that has accumulated at the Balance Sheet date on the basis of an independent actuarial valuation.

1.14 Taxes on Income

Income tax expense represents the sum of the tax currently payable and deferred tax.

a) Current Tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using applicable tax rates that have been enacted or substantively enacted by the end of the reporting period and the provisions of the Income Tax Act, 1961 and other tax laws, as applicable.

b) Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

c) Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

1.15 Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends, if any, and attributable taxes) by the weighted average number of equity shares outstanding during the period.

1.16 Foreign Currency Transactions

Transaction in foreign currencies are initially recorded in the functional currency, using the spot exchange rate at the date of the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences that arise on settlement of monetary items recognised in statement of Profit and Loss. Non monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the initial transactions.

1.17 Financial Instruments

a) Initial Recognition and Measurement

Financial assets and financial liabilities are recognised

when the Company becomes a party to the contractual provisions of the instruments.

At initial recognition, financial assets and financial liabilities are initially measured at fair value or at amortised cost. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at Fair Value through Profit or Loss are recognised in the Statement of Profit and Loss.

b) Financial Assets

i) Subsequent measurement

All recognised financial assets are subsequently measured in its entirety at either amortised cost or fair value, depending on the classification of the financial assets.

c) Financial Liabilities and Equity Instruments

i) Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received.

ii) Financial Liabilities

All financial liabilities (other than derivative financial instruments) are measured at amortised cost using effective interest method at the end of reporting periods.

d) Derecognition of Financial Assets and Liabilities

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire or when the Company transfers the contractual rights to receive the cash flows of the financial asset in which substantially all the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all the risks and rewards of ownership of the financial asset and does not retain control of the financial asset. The Company derecognises a financial liability (or a part of financial liability) when the contractual obligation is discharged, cancelled or expires.

d) Sensitivity Analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below.

| Particulars | As at 31 March 2025 | | | | As at 31 March 2024 | | | |
|------------------------------------|---------------------|----------|---------------------|----------|---------------------|----------|---------------------|----------|
| | Gratuity Funded | | Gratuity Non Funded | | Gratuity Funded | | Gratuity Non Funded | |

Although the analysis does not take into account full distribution of cash flows expected under the plan, it does provide an approximation of sensitivity of assumptions. The estimated of future increase in compensation levels, considered in the actuarial valuation, have been taken on account of inflation, seniority, promotion and other relevant factors such as supply and demand in the employment market.

The expected contributions for Defined Benefit plan for the next financial year will be in line with FY 2024-25.

e) Leave Encashment:

Company's employees are entitled for compensated absences which are allowed to be accumulated and encashed as per Company's rule. The liability of compensated absences, which is non-funded, has been provided based on report of independent actuary using "Projected Unit Credit Method".

43 CAPITAL MANAGEMENT

For the purpose of the Company's Capital Management, Capital includes issued Equity Capital and all Other Reserves (including Capital Redemption Reserve created on buy back of Equity Shares) attributable to the Equity shareholders of the Company. The Primary objective of the Company's Capital Management is to maximise the shareholders' value. The Company's Capital Management objectives are to maintain equity including all reserves to protect economic viability and to finance any growth opportunities that may be available in future so as to maximise shareholder's value.

44 FINANCIAL INSTRUMENTS - FAIR VALUES AND RISK MANAGEMENT

A Fair value measurements

i) Fair value of financial assets and liabilities that are measured at fair value on a recurring basis

Fair value of the financial assets and liabilities are defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between the market participants at the measurement date.

Valuation

The Fair values of investments in units of mutual fund units is based on the net asset value ('NAV') as stated by the issuers of these mutual fund units in the published statements as at the Balance Sheet date. NAV represents the price at which the issuer will issue further units of mutual fund and the price at which issuers will redeem such units from the investors.

The Fair values of investments in Bonds which are quoted, are based on the quoted price of those bonds on the measurement date.

Fair Value measurement hierarchy

The fair value of financial instruments as referred below have been classified into three categories depending on the method used in the valuation technique.

The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025

measurements) and lowest priority to unobservable inputs (Level 3 measurements).

The categories used are as follows:

Level 1: Quoted prices for identical instruments in an active market;

Level 2: Directly or indirectly observable market inputs, other than Level 1 inputs; and

Level 3: Inputs which are not based on observable market data.

The following table gives information about how the fair values of these financial assets and financial liabilities are determined (in particular, the valuation technique(s) and input used)

(₹ in Lakhs)

| Particulars | Fair Value | | Fair Value Hierarchy | Valuation technique(s) and key input(s) |
|---------------------------|--------------------------|--------------------------|----------------------|---|
| | As at 31 March 2025 ₹ | As at 31 March 2024 ₹ | | |
| Investments | | | Level 1 | Level 1 hierarchy includes financial instruments measured using quoted prices. This includes mutual funds that have quoted price. The InvITs and Mutual Funds are valued using the closing NAV. |
| - InvITs | 1,787.20 | - | | |
| - Long Term Mutual Funds | 13,489.72 | 11,609.59 | | |
| - Short Term Mutual Funds | 502.43 | 356.21 | | |

ii) Financial Instruments measured at amortised cost :

The carrying amount of financial assets and financial liabilities measured at amortised cost in the financial statements are a reasonable approximation of their fair value since the Company does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.

| Particulars | Amortised Cost | |

B Financial Risk Management and Policies

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The risk management policy is approved by the Company's Board. The Company's principal financial liabilities comprise of trade and other payables. These financial liabilities form part of the Company's working capital. The Company's principal financial assets include trade and other receivables, and cash and cash equivalents that derive directly from its operations and investments. The Company is exposed to market risk, credit risk, liquidity risk, etc. The objective of the Company's financing policy are to secure solvency, limit financial risks and optimise the cost of capital, if any. The Company's capital structure is managed using only equity as part of the Company's financial planning.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025

Company has exposure to following risk arising from financial instruments:

Credit risk
Liquidity risk
Market risk

a) Credit Risk

Credit risk refers to risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk arises primarily from financial assets such as trade receivables, investments in units of mutual funds, other balances with banks, deposits and other receivables.

i) Trade Receivable

Customer credit risk managed by Company's established policy, procedure and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored. Management believes that the unimpaired amounts that are past due by more than 60 days are still collectables in full, based on historical payment behaviours and analysis of customer credit risk.

ii) Financial instruments

The Company limits its exposure to credit risk by investing mainly in units of debt funds issued by mutual funds and that too have higher credit rating. The Company monitors changes in credit risk by tracking published external credit ranking.

b) Liquidity risk

Liquidity risk is the risk that Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses. Company's objective is to, at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. Company closely monitors its liquidity position and deploys a robust cash management system. Working capital requirements are adequately addressed by internally generated funds. Trade receivables are kept within manageable levels. The Company has no outstanding bank borrowings. The Company believes that the working capital is sufficient to meet its current requirements.

The Company aims to maintain the level of its cash and cash equivalents and other highly marketable debt investments at an amount in excess of expected cash outflows on financial liabilities. The ratio of cash and cash equivalents and other investments to outflow is 1.36 times as at 31 March 2025 and 1.03 times as at 31 March 2024.

The maturity of all financial liabilities of the Company is less than one year or on demand.

c) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk. Financial instruments affected by market risk include loans and borrowings, deposits, investments and derivative financial instruments. The Company does not have any loan or borrowing. The Company has designed risk management frame work to control various risks effectively to achieve the business objectives. This includes identification of risk, its assessment, control and monitoring at timely intervals.

DIVIDEND RELATED INFORMATION:

14. The dividend of ₹15/- per fully paid-up share of face value ₹5.00/- each (i.e., 300%) for financial year ended 31 March 2025, if declared at the AGM, will be paid, subject to Tax Deduction at Source ('TDS'), on or before Wednesday, 10 September 2025, as under:
 - i. Shareholders/Members holding shares – in demat mode, based on the list of beneficial owners to be received from NSDL and CDSL as at the close of business hours on Monday, 4 August 2025 being the record date.
 - ii. Shareholders/Members holding shares in physical form, if the names appear in the Company's Register of Members as on Monday, 4 August 2025, being the record date

15. According to the Finance Act, 2020, dividend income will be taxable in the hands of the Members w.e.f. 1 April 2020, and the Company is required to deduct from the dividend paid to the Members at prescribed rates in the Income Tax Act, 1961 ('the IT Act'). In general, to enable compliance with TDS requirements, Members are requested to complete and/or update their Residential Status, PAN and Category as per the IT Act with their Depository Participants ('DPs') or in case shares are held in physical form, with the Company at <https://ris.kfintech.com/form15> by Friday, 1 August 2025 (upto 5:00 pm) to enable the Company to determine the appropriate TDS/withholding tax rate applicable, verify the documents and provide exemption.

a. For Resident Members: Tax at source shall be deducted under Section 194 of the Income Tax Act, 1961 at 10% on the amount of dividend declared and paid by the Company during financial year 2024-25, subject to PAN details registered/updated by the Member.

If PAN is not registered/updated in the demat account/folio as on the cut-off date, TDS would be deducted @20% as per Section 206AA of the Income Tax Act, 1961.

No tax at source is required to be deducted, if during the financial year, the aggregate dividend paid or likely to be paid to an individual member does not exceed Rs. 10,000 (Rupees Ten Thosuan Only).

Further, in cases where the shareholder provides Form 15G (applicable to any person other than a Company or a Firm)/Form 15H (applicable to an Individual above the age of 60 years), provided that the eligibility conditions are being met, no TDS shall be deducted.

Notwithstanding the above, in case PAN of any Member falls under the category of 'Specified Person', the Company shall deduct TDS @20% as per Section 206AB of the Income Tax Act 1961.

b. For Non-Resident Members: Tax at source shall be deducted under Section 195 of the Income-tax Act, 1961 at the applicable rates. As per the relevant provisions of the Income-tax Act, 1961, the withholding tax shall be at the rate of 20% (plus applicable surcharge and cess) on the amount of dividend payable to non-resident Members. As per Section 90 of the Income Tax Act, 1961, Members may be entitled to avail lower TDS rate as per Double Taxation Avoidance Agreement (DTAA). To avail the Tax Treaty benefits, the non-resident Member will have to provide the following:

- Self-attested copy of Tax Residency Certificate (TRC) obtained from the tax authorities of the country of which the Member is a resident.
- Self-declaration in Form 10F if all the details required in this form are not mentioned in the TRC.
- Self-attested copy of the Permanent Account Number (PAN Card) allotted by the Indian Income Tax authorities, if any.
- Self-declaration, certifying the following points:

i. Member is and will continue to remain a tax resident of the country of its residence during the financial year 2025-2026

- ii. Member is eligible to claim the beneficial DTAA rate for the purposes of tax withholding on dividend declared by the Company;
- iii. Member has no reason to believe that its claim for the benefits of the DTAA is impaired in any manner;
- iv. Member is the ultimate beneficial owner of its shareholding in the Company and dividend receivable from the Company; and
- v. Member does not have a taxable presence or a permanent establishment in India during the financial year 2024-25

Notwithstanding the above, in case PAN falls under the category of 'Specified Person', Member is mandatorily required to submit a declaration providing status of Permanent Establishment in India for financial year 2025-2026. As per Section 206AB of the Income Tax Act 1961, if the said declaration is not furnished, the Company shall deduct tax at source at twice the applicable rate referred above.

The Company shall not be obligated to apply the beneficial DTAA rates at the time of tax deduction/ withholding on dividend amounts. Application of beneficial DTAA Rate shall depend upon the completeness and satisfactory review by the Company of the documents submitted by the Non-Resident Member.

16. Members holding shares in demat mode are hereby informed that bank particulars registered with their respective DPs, with whom they maintain their demat accounts, will be used by the Company for the payment of dividend. I) Login method for remote e-voting for shareholders other than individual shareholders holding securities in demat mode and shareholders holding securities in physical mode.

- Initial password is provided in the body of the e-mail.
- Launch internet browser and type the URL: <https://evoting.kfintech.com> in the address bar.
- Enter the login credentials i.e. User ID and password mentioned in your e-mail. Your Folio No./DP ID Client ID will be your User ID. However, if you are already registered with KFin for e-voting, you can use your existing User ID and password for casting your votes.
- After entering the correct details, click on LOGIN.
- You will reach the password change menu wherein you are required to mandatorily change your password. The new password shall comprise minimum 8 characters with at least one upper case (A-Z), one lower case (a-z), one numeric value (0-9) and a special character (@, #, \$, etc.). It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- You need to login again with the new credentials.
- On successful login, the system will prompt you to select the EVENT i.e. XXXXXXXXXXXXXXXX.
- On the voting page, the number of shares (which represents the number of votes) held by you as on the cut-off date will appear. If you desire to cast all the votes assenting/dissenting to the resolution, enter all shares and click 'FOR'/'AGAINST' as the case may be or partially in 'FOR' and partially in 'AGAINST', but the total number in 'FOR' and/or 'AGAINST' taken together should not exceed your total shareholding as on the cut-off date. You may also choose the option 'ABSTAIN', in which case, the shares held will not be counted under either head.
- Members holding multiple folios/demat accounts shall choose the voting process separately for each folio/demat account.
- Cast your votes by selecting an appropriate option and

click on 'SUBMIT'. A confirmation box will be displayed. Click 'OK' to confirm, else 'CANCEL' to modify. Once you confirm, you will not be allowed to modify your vote subsequently. During the voting period, you can login multiple times till you have confirmed that you have voted on the resolution.

- Corporate/institutional members (i.e. other than individuals, HUF, NRI, etc.) are required to send scanned image (PDF/JPG format) of certified true copy of relevant board resolution/authority letter etc. together with attested specimen signature of the duly authorised signatory(ies) who is/are authorised to vote, to the Scrutinizer through email at scrutinizer@dholakia-associates.com and may also upload the same in the e-voting module in their login. The scanned image of the above documents should be in the naming format 'GSTL_EVENT No.'
- In case of any queries/grievances, you may refer the Frequently Asked Questions (FAQs) for members and e-voting User Manual available at the 'download' section of <https://evoting.kfintech.com> or call KFin on 1800 309 4001 (toll free).

EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013

Explanatory Statement relating to the businesses mentioned in Item No. 4 to 7 in the accompanying Notice of the Annual General Meeting ("AGM"), pursuant to Section 102 of the Companies Act, 2013, is given below:

Item No.4

The Board of Directors at the it meeting held on 28 May 2025, based on the recommendation of Nomination and Remuneration Committee, appointed Mrs. Nishita Chheda, as an Additional Director (in the capacity of Woman Independent Director) of the Company, with effect from 1 August 2025 for a term of five consecutive years i.e. upto 30 July 2030

Pursuant to Regulation 17(1C) of Listing Regulations, for appointment of Mrs. Nishita Chheda on the Board, the Nomination and Remuneration Committee took into consideration her rich and varied experience in the financial and legal services. Further, the Nomination and Remuneration Committee also noted that skills, expertise and competencies possessed by Mrs. Chheda were in alignment with the skills and expertise, identified by the Committee and the Board, for the Directors of the Company.

In the opinion of the Board, Mrs. Nishita Chheda fulfils the conditions as set out in Section 149(6) and Schedule IV of the Act and Listing Regulations and is thereby eligible for appointment as an Independent Director. The requisite details and information pursuant to Regulation 36(3) of the Listing Regulations, the Act and Secretarial Standards, as on the date of Notice, are provided in the "Annexure" to this Notice. A copy of the draft Letter of Appointment for Independent Directors is available for inspection as per the procedure of inspection details provided in point no. 12 of the Notes to this Notice. The

remuneration payable to Mrs. Nishita Chheda shall be linked to the factors like chairmanship of committees, membership of committees etc. as per the Remuneration Policy of the Company.

Mrs. Nishita Chheda, being the appointee, is interested in this resolution. Further, her relatives are also deemed to be interested in the resolution, to the extent of their shareholding, if any, in the Company. Save and except the above, none of the Directors, Key Managerial Personnel and their relatives are in anyway, concerned or interested, financially or otherwise, in the proposed resolution.

The Board firmly believes that Mrs. Nishita Chheda's innate knowledge and her vast experience, will undoubtedly be beneficial to the Company. The Board of Directors based on the recommendation of the Nomination and Remuneration Committee considers the appointment of Mrs. Nishita Chheda as an Independent Director in the interest of the Company and recommends the Special Resolution for approval of Members

Item No.5

The provisions of Section 188(1)(f) of the Companies Act, 2013 require prior approval of the shareholders by way of an Ordinary Resolution for appointment of a related party to any office or place of profit in the company where the remuneration exceeds ₹ 30,00,000 /- per annum .

Mr. Rahul Gandhi was appointed as Finance Manager of the Company with effect from 1 February 2023. He is relative of Key Managerial Personnel, Mr. Jayesh M Gandhi.
