Explanatory Statement in respect of Item Nos. 4 to 6 : Re-appointment of Managing Director and Executive Directors

At the 30th Annual General Meeting of the Company held on 28th September 2016, Shri Jai Kishan Garg (DIN: 00596709) & Shri Navneet Garg (DIN: 00176350) were re-appointed as Managing Director and Executive Director respectively, for a period of three years i.e. from 1st May 2016 to 30th April 2019. At the same Annual General Meeting Shri Ramnik Garg (DIN: 00188843) was re-appointed as Executive Director for a period of three years i.e. from 1st July 2016 to 30th June 2019.

The Annual General Meeting of the Company for the calendar year 2019 is required to be held latest by 30th September 2019 whereas the tenure of appointment of the Managing Director and the above Executive Directors will end much before that date. Accordingly, it is proposed to seek shareholders' approval to their re-appointment in the ensuing Annual General Meeting for the calendar year 2018. Under Section 196 of the Companies Act, 2013, these re-appointments can be made upto one year in advance.

Performance evaluation of these Directors was done by the Nomination & Remuneration Committee which in its meeting held on 28th July 2018, recommended to the Board re-appointment of these directors as Managing/Executive Director(s) (as the case may be) for a further period of three years for the same fixed part of the remuneration which they were already drawing as on that date, after rounding it off to nearest multiple of one hundred rupees.

Accepting these recommendations, the Board of Directors of the Company in their Meeting held on 28th July 2018 had re-appointed (subject to the shareholders' approval by Special Resolutions) Shri Jai Kishan Garg as Managing Director; Shri Navneet Garg, as Executive Director and Shri Ramnik Garg as Executive Director, for further period of three years commencing from the day immediately following the last day of their aforesaid term [i.e. from 1st May, 2019 to 30th April, 2022 in case of Shri Jai Kishan Garg and Shri Navneet Garg; and from 1st July, 2019 to 30th June, 2022 in case of Shri Ramnik Garg], for the fixed part of remuneration as recommended by the Nomination & Remuneration Committee and as mentioned in the proposed Special Resolutions.

In accordance with Remuneration Policy of the Company, the remuneration of key managerial personnel (which term includes managing director and executive directors) is divided into two parts: fixed and variable. In addition to the fixed remuneration mentioned in the proposed special resolutions, the key managerial personnel are entitled to variable incentive pay and other monetary and non-monetary benefits. Details of these monetary and non-monetary benefits and terms & conditions of their employment, as contained in the Remuneration Policy, are given below:

1. Incentive Pay @ 0.5% of the net profits of the Company calculated as per Section 198 of the Companies Act, 2013; provided that such incentive will not be less than 10% and will not be more than 25% of the fixed pay. Incentive pay will be payable annually, after adoption of the annual accounts in the Annual General Meeting.
2. Besides incentive pay, the aforesaid appointees will not be entitled to any bonus, stock options or pension;
3. Annual increments as recommended by the Nomination & Remuneration Committee;
4. Special Allowance not exceeding six months' salary in a year, to cover housing, conveyance, medical, electricity, gas, water and other personal expenses;
5. Chauffeur driven car, subsidized health care insurance/medical, mobile phone and telephone at residence and gratuity as per law;
6. One month's paid leave during a financial year or encashment in lieu thereof;
7. Leave Travel Concession (or encashment in lieu thereof) for self and family members once during a block of four years, subject to the condition that such concession shall not exceed one month's fixed pay;
8. Severance pay calculated @ half month's pay for each completed year of service, provided that he puts in a minimum of 15 years of continuous service in the Company from his initial appointment, any part of the year exceeding 182 days being treated as full year. 10. The service is terminable by giving three months' notice in writing from either side;
11. Notwithstanding anything contained elsewhere, the total remuneration payable to the appointees shall not exceed the limits prescribed by law.

The total annual remuneration of the above key managerial personnel, after taking into consideration all aspects of monetary and non monetary benefits at annual profit level of the financial year 2017-18, will be Rs. 1,06,40,720 in case of Shri J.K. Garg, Managing Director and Rs. 71,10,000 each in case of Shri Ramnik Garg and Shri Navneet Garg, Executive Directors, which is well within the limits laid down by law.

III: OTHER INFORMATION:

- (a) Reasons for loss or inadequate profits : During the year under report, the Company earned an operating profit of Rs. 821.54 lakh (net profit Rs. 536.40 lakh), after paying the existing remuneration to all the wholtime directors. There continues to be tough competition from coated fabrics being imported from China and also from coated fabrics being produced by un-organised sector/small players. Instead of appointing non-directors (whose remuneration may not have attracted provisions of law relating to 'managerial remuneration') as functional heads in each division, the Company has made these appointments at executive director level, to ensure continuity and sense of belongingness, which is the crux of the Remuneration Policy recommended by the Nomination & Remuneration Committee and adopted by the Board.
- (b) Steps taken or proposed to be taken for improvement: The Company is in the process of increasing the length of the oven/heaters used for manufacturing PVC coated fabrics. In this direction, the Company is in the process of obtaining ISO 14001:2015 certification relating to environment, which the buyer in Automotive Sector insist upon before placing any order. New products development and innovations is also expected to enable the Company to produce quality products at higher speed and low cost and higher profit margin.
- (c) Expected increase in productivity and profits in measurable terms: The Management has budgeted a net sales figure of Rs. 150 crores (excluding GST) in the financial year 2018-19 against the budgeted gross sales of Rs. 140 crores (including the then Central Excise Duty) during the financial year under report. (PURSUANT TO REGULATION 34(2) OF THE LISTING REGULATIONS)

DISCLAIMER / CAUTIONARY STATEMENT

Statement in this Report, which describe the company's plans, projections, estimates, expectations or predictions, are based on certain assumptions and expectations of future events which may or may not happen. Total	13400.16	100 %	11647.56	100 %

INDUSTRY STRUCTURE AND DEVELOPMENT

Synthetic Leather Industry in India is mostly in small and medium scale sector and somewhat concentrated in Northern India & Western India. It has not been able to achieve its full potential due to tough competition from imported material from china, Taiwan, Hong Kong & Korea, where there are very large units enjoying benefits of economies of scale and availability of local raw material at very competitive price.

Your company has been able to withstand competition both domestic and from abroad, as it is also an integrated player with in house manufacturing facility for PU Resin, which is the main raw material for PU coated Fabrics. Further, the company is continuously upgrading its technology and modernizing plant & machinery to maintain competitive edge in the market. It also manufactures PU Resin using surplus capacity available for selling to outside parties for adhesive & coating applications.

OPPORTUNITIES AND THREATS

Development of new types of high quality PU resins and coated fabric, particularly breathable ones, presents fresh opportunities, because there is less competition in these fields. Obsolescence of technology of coated fabrics poses a threat but through foreign technical experts, the company is continuously upgrading its technology. Most of Artificial Leather Units in India manufacture only PVC Leather and Jasch Industries Limited is the only significant manufacturer of PU Synthetic Leather. The fortune of Electric Gauge Division are linked with the revival of domestic and international economies. The performance of Electronic Gauges Division depends upon investment in user industries and may get adversely affected whenever there is slowdown in domestic and international economies.

SEGMENT – WISE PERFORMANCE

During the year under Report, the segment –wise performance of the company had been as follows:

A. COATED FABRICS / PU RESIN

(₹ in lakh)

	2017-2018	2016-2017

Segment assets	6848.20	5962.00

B. ELECTRONIC GAUGES

Segment profits/(loss) before interest and other common un-allocable expenditure	582.23	570.04
Segment assets	3101.94	2909.10

OUTLOOK

The Company is continuously upgrading its technology and modernizing plant & machinery to maintain competitive edge in the market. Despite tough competition in the market, its sales are growing every year. For some time now, the company has been concentrating on PU resin and PU Synthetic Leather, where competition is somewhat less. The company has recently modified its production lines, which has resulted in development of some new products with significant saving in power and fuel. These measures are expected to give some measurable boost to Company's profit margins.

RISKS AND CONCERNS

Risk is an integral part of any business and Jasch industries Ltd is no exception. A brief evaluation of business risk of the Company, as perceived by the management, is as under: -

1. Business Segment Risk**A. User Industry concentration**

PVC /PU Synthetic Leather is used across a wide spectrum of industries . The company's products are mostly used in footwear Industry. Therefore, in the fortunes of the company are invariably inter linked with that of footwear Industry . Any downward trend in footwear industry results in significant impact on the company. With vigorous efforts, the Company has now been able to diversify usage of its products in other industries such as automobile & general purpose upholstery, Sports Goods and Garment Industries to the extent of 40%.

Electronic gauges are classified as capital goods. These are generally bought by paper, plastic, steel and galvanizing industry. Revenues and consequent profits from industrial gauges, depend on growth of these industries. In case of a downward trend in the economy, investment in capital goods is the last priority of an enterprise.

B. Customer & Geographical concentration

Excessive exposure to a few large clients has the potential to adversely affect the sales and profitability in view of failure/shift of clients to other manufactures. Fortunately, the company's customers and dealers are fairly spread out across the country both in respect of Coated Fabrics & Electronics Gauges and further efforts are underway to enlarge presence in eastern and southern market.

C. Technological Obsolescence

Right from the beginning, the company has been engaged in its own Research & Development activity with a view to improve upon/ modify the process and product to suit Indian tropical conditions and usage practices. Over the years, the company has been able to develop many new product/ applications. The company had entered into technical collaboration agreement with DUKSUNG COMPANY LTD., Korea. This collaboration had been quite successful in updating technology and development of new products and saving in cost of inputs.

The Company has developed the technology in – house for the design and manufacture of Nucleonic and X- ray Thickness Gauging System which is being further upgraded continuously. Hence, in this segment there is no threat of obsolescence in near future.

FINANCIAL RISK**(a) Currency Fluctuation Risk**

The currency risk emerges from the potential or downward fluctuation in foreign currency. The Company's foreign exchange spending including custom duty by way of import of raw materials and consumables currently constitutes about 50% of landed cost of raw material and consumables. The Thickness Gauging System has large export potential, which provides some cushion by way of natural hedge on foreign exchange transactions.

(Referred to in our report of even date)

REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER SECTION 143(3)(i) OF THE COMPANIES ACT, 2013 ("THE ACT")

We have audited the internal financial controls with reference to financial statements of Jasch Industries Limited ("the Company") as of 31 March 2018 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal controls with reference to financial statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143 (10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements, included obtaining and understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system with reference to financial statements.

MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and disposition of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial control system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31 March 2018, based on the internal controls with reference to financial statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note issued by ICAI.

NOTES TO THE STANDALONE INDIAN ACCOUNTING STANDARDS (IND AS) FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2018**Note : 30 - First-time Adoption of Ind AS**

The company has prepared its first Financial Statements in accordance with Ind AS for the year ended 31st March 2018. For periods up to and including the year ended 31st March 2017, the Company prepared its financial statements in accordance with Indian GAAP, including accounting standards notified under the Companies (Accounting Standards) Rule, 2006 (as amended). The effective date for Company's Ind AS Opening Balance Sheet is 1st April 2016 (the date of transition to Ind AS).

The accounting policies set out in Note have been applied in preparing the financial statements for the year ended 31st March 2018, the comparative information presented in these financial statements for the year ended 31st March, 2017 and in the preparation of an opening Ind AS Balance Sheet as at 1st April, 2016 (the Company's date of transition). According to Ind AS 101, the first Ind AS Financial Statements must use recognition and measurement principles that are based on standards and interpretations that are effective at 31st March, 2018, the date of first-time preparation of Financial Statements according to Ind AS. These accounting principles and measurement principles must be applied retrospectively to the date of transition to Ind AS and for all periods presented within the first Ind AS Financial Statement.

Any resulting differences between carrying amounts of assets and liabilities according to Ind AS 101 as of 1 April 2016 compared with those presented in the Indian GAAP Balance Sheet as at 31st March 2016, are recognized in equity under retained earnings within the Ind AS Balance Sheet.

An explanation of how the transition from previous GAAP to Ind AS has affected the company's financial position, financial performance and cash flow is set out in the following tables and notes.

Optional exemptions availed and mandatory exceptions.

In the Ind AS Opening Balance Sheet as at 1st April 2016, the carrying amounts of assets and liabilities from the Indian GAAP as at 31st March, 2016 are generally recognized and measured according to Ind AS in effect as on 31st March, 2018. For certain individual cases, however, Ind AS 101 provides for optional exemptions and mandatory exceptions to the general principles of retrospective application of Ind AS. The Company has made use of the following exemptions and exceptions in preparing its Ind AS Opening Balance Sheet :

I Property, plant and equipment & Intangible assets

Ind AS 101 permits a first-time adopter to elect to continue with the carrying value for all of its property, plant and equipment as recognised in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition after making necessary adjustments for de-commissioning liabilities. This exemption can also be used for intangible assets covered by Ind AS 38, Intangible Assets.

Accordingly, the company has elected to measure all of its property, plant and equipment and intangible assets at their previous GAAP carrying value.

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT – 31st MARCH, 2018 on the Consolidated IND AS Financial Statements.

(Referred to in paragraph (f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Jasch Industries Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

In conjunction with audit of the consolidated financial statements of the Company as of the year ended March 31, 2018, we have audited the internal financial controls over financial reporting of Jasch Industries Limited (herewith referred to as 'the Company') and its subsidiary companies, which are incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('the ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company and its subsidiary companies, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedure selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide basis for our audit opinion on the internal financial controls system over financial reporting of the company and its subsidiary companies, which are companies incorporated in India.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purpose in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Jasch Industries Ltd and all the above entities are collectively referred to as "Group". Financial statements of all these entities, when consolidated, are referred to as "Consolidated Financial Statements"

Basis of preparation of financial statements

These consolidated financial statements are prepared in accordance with Indian Accounting Standards (Ind AS), under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ('the Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter. Effective April 1, 2016, the Group has adopted all the Ind AS standards and the adoption was carried out in accordance with Ind AS 101, First-time adoption of Indian Accounting Standards, with April 1, 2015 as the transition date. The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP. Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The financial statements of the Group companies are consolidated on a line-by-line basis and intra-group balances and transactions including unrealized gain / loss from such transactions are eliminated upon consolidation. These financial statements are prepared by applying uniform accounting policies in use at the Group. Non-controlling interests, which represent part of the net profit or loss and net assets of subsidiaries that are not, directly or indirectly, owned or controlled by the Company, are excluded, if any.

Recent accounting pronouncements

Appendix B to Ind AS 21, Foreign currency transactions and advance consideration : On March 28, 2018, the Ministry of Corporate Affairs (MCA) has notified the Companies (Indian Accounting Standards) Amendment Rules, 2018 containing Appendix B to Ind AS 21, Foreign currency transactions and advance consideration, which clarifies the date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income, when an entity has received or paid advance consideration in a foreign currency. This amendment will come into force from April 1, 2018. The Group has evaluated the effect of this on the consolidated financial statements and the impact is not material.

NOTES TO THE CONSOLIDATED INDIAN ACCOUNTING STANDARDS (IND AS) FINANCIAL STATEMENTS
--

Goodwill**Accounting Policy**

The difference between the cost of investment in the subsidiaries, over the net assets at the time of acquisition of shares in the subsidiaries is recognized in the financial statements as Goodwill or Capital Reserve as the case may be.

Other intangible assets**Accounting policy**

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition, and other economic factors (such as the stability of the industry and known technological advances). Amortization methods and useful lives are reviewed periodically including at each financial year end.

In case of foreign subsidiaries, being non-integral foreign operations, revenue items are consolidated at the average rate prevailing during the year. All assets and liabilities are converted at rates prevailing at the end of the year. Any exchange difference arising on consolidation is recognized in the exchange fluctuation reserve.

Other Significant Accounting Policies

These are set out under "Significant Accounting Policies and Practices" as given in the Company's separate standalone financial statements.

Re-grouping / Re-classification of previous years' figures:

The Previous years figures have been regrouped / reclassified, wherever necessary to conform to the current year presentation.

Financial assets for which loss allowance is measured using 12 month expected credit losses

The company has assets where the counter-parties have sufficient capacity to meet the obligations and where the risk of default is very low. Hence based on historic default rates, the Company believes that, no impairment allowance is necessary in respect of above mentioned financial assets.
