**Commenting on the overall performance of the Company, Mr. Aditya N Rao Vice Chairman & Managing Director, Pennar Industries Limited, said, “Q1 FY26 showcased steady operational and financial performance, supported by firm demand across key customer segments. The PEB business continued to scale up, supported by the Raebareli plant and new project wins. Margins remained strong on the back of productivity gains and disciplined cost control. Growth momentum is expected to continue, driven by a solid domestic order book and a steadily expanding global presence. Strategic priorities remain centred on leveraging operational capabilities, widening market reach, and advancing innovation-led solutions to capture emerging opportunities.”**

**About Pennar Industries Limited:**

Pennar Industries (NSE: PENIND, BSE: 513228) is India's leading value-added engineering products and solutions company. Pennar Industries is a diversified engineering firm with presence in the Automotive, Rail & Aerospace and Infrastructure sectors. The company provides design/detailing, manufacturing and project execution services to its customers in India, USA and Europe. The company believes in sustainable profitability, liquid and growth. The primary growth verticals for the company in the next few years are Metal Buildings, Tubes, Boilers and Process Equipment, Hydraulics and Industrial Components and Engineering Services.

**DISCLAIMER:** This release contains statements that contain "forward looking statements" including, but without limitation, statements relating to the implementation of strategic initiatives, and other statements relating to Pennar's future business developments and economic performance. While these forward looking statements indicate our assessment and future expectations concerning the development of our business, a number of risks, uncertainties and other unknown factors could cause actual developments and results to differ materially from our expectations. These factors include, but are not limited to, general market, macroeconomic, governmental and regulatory trends, movements in currency exchange and interest rates, competitive pressures, technological developments, changes in the financial conditions of third parties dealing with us, legislative developments, and other key factors that could affect our business and financial performance. Pennar undertakes no obligation to publicly revise any forward-looking statements to reflect future / likely events or circumstances.
