REPORT ON CORPORATE GOVERNANCE

I. Company's Philosophy on Corporate Governance

The Company has always focused on good corporate practices, which are key drivers of sustainable growth and long-term value creation for its shareholders. The Company believes that corporate governance is not limited to merely creating checks and balances. It is more about creating organizational excellence leading to increase in employee and customer satisfaction and long term shareholders' value without compromising on ethical standards.

II. BOARD OF DIRECTORS

The composition of the Board of Directors is governed by the Companies Act, 2013, the SEBI (LODR) Regulations, 2015 ("Listing Regulations") and the Articles of Association of the Company. As on March 31, 2019, Board of Directors comprises of a Managing Director, two independent Directors and two non-executive Directors. The composition of Board of Directors is diverse optimum and balanced in terms of specialisation in one or more areas. The Board of Directors takes into account the interest of all stakeholders while discharging its responsibilities and provides leadership and guidance to the Company's management. Moreover, the Board of Directors while discharging its fiduciary responsibilities very well ensures that the management adheres to the high standards of ethics, transparency and disclosures.

The Non-Executive Directors bring objective and independent perspective in Board deliberations and decisions as they have a wider view of external factors affecting the Company and its business. These Directors make a constructive contribution to the Company by ensuring fairness and transparency while considering the business plans devised by the management team.

Memberships or Chairmanships of the stipulated Board Committees held by all Directors are within the limit specified under Regulation 26 (1) of the Listing Regulations. Further, none of the Directors hold Directorships in more than 20 Companies including 10 Public Companies pursuant to the provisions of Section 165 of the Companies Act, 2013. Further, the other directorships held by all Directors including Independent Directors are within the limit.

All the Independent Directors have requisite knowledge of business, in addition to the expertise

in their area of specialization. They fulfil criteria of independence pursuant to Section 149(7) of the Companies Act, 2013 and Regulation 25(8) (Listing Regulations). The Company has received declaration from each of the Independent Directors confirming that he meets the criteria of independence as defined under Section 149(7) of the Companies Act, 2013 and Regulation 16 (1) (b) of (Listing Regulations). The Company has issued letters of appointment to the Independent Directors and the terms and conditions of their appointment have been uploaded on the website of the Company.

During the year under review, based on the recommendation of Nomination and Remuneration Committee, Mr. Sanjeev Aggarwal has been appointed as an Independent Director w.e.f. 28th September 2018, for a period of 5 years. Mr. Prakash Matai has been regularized as (Independent) Director by members of the Company at their 32nd Annual General Meeting held on 27th September, 2018.

During the year Mr. Praveen Bansal, Independent director resigned from the Board w.e.f. 27.08.2018, due to his pre-occupancy, before the expiry of his term. It is being confirmed that there is no other material reason for his resignation.

The brief resume and other requisite details of the Director proposed to be re-appointed is given in the notice convening the ensuing AGM.

III. Meetings and Attendance

The Meetings of the Board are generally held at the Head Office of the Company at Plot No. 12, Sector B-1, Vasant Kunj, Local Shopping Complex, New Delhi-110070. The Board meetings are scheduled in a manner that it coincides with the announcement of quarterly/annual financial results. In case of urgency, additional Board meetings are convened. As and when required, the resolutions are also passed by circulation as permitted by law.

During the financial year ended 31st March 2019 six Board Meetings were held on 01st May 2018, 30th May 2018, 14th August 2018, 28th September 2018, 14th November 2018 and 02nd February 2019

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Global Economy

The global economy slowed to 3.6% in 2018 (Source: IMF) from 3.8% in 2017 as the Eurozone economies weakened, crude prices became volatile, commodity prices remained subdued, uncertainty around Brexit persisted and the ongoing US-China trade tensions heightened the rhetoric around protectionism. The US witnessed strong economic growth of 2.9% in 2018 (2.2% in 2017) owing to strengthening dollar, neutral unemployment and minimal inflation. Growth in the Eurozone dipped to 1.8% due to sluggish domestic demand while China remained squeezed between issues at home and abroad. The US, however, bucked the trend, growing at 2.9% in 2018 (2.2% in 2017) on the back of a stronger US dollar, neutral unemployment and low inflation.

The International Monetary Fund (IMF) expects the global economy to slow down further in 2019 before stabilising at 3.6% in 2020.

INDIAN ECONOMY

The Indian economy retained its tag of the fastest growing major economy in the world in 2018-19. However, overall growth for 2018-19 slumped to a five-year low of 6.8% compared with 7% projected in the second advance estimates released in February. A few factors that have helped India in maintaining its status quo as the fastest growing nation are Policy reforms, such as increased FDI limits, Goods and Services Tax (GST), etc. led to creation of jobs and bringing more businesses into the organised sector. Improvement in infrastructure is also recognised as a key driver for the economy of any nation, the infrastructure sector has enjoyed a lot of focus of the Government. Further Government has been campaigning actively for showcasing the nation as a sensible investment destination. Government campaign such as 'Make in India' and 'Start-up-India' have been helping India to Position itself as a manufacturing hub and promoting entrepreneurship.

INDUSTRY STRUCTURE AND DEVELOPMENTS

India's financial services sector plays a critical role in driving the country's economic growth by providing a wide spectrum of financial and allied services to a large consumer cross-section. In India, the market for financial services sector is still largely untapped. Digital technology, which has transformed the way business is conducted across the world, is projected to be one of the major drivers for the growth of this sector in India as well. Greater use of digital technology is helping the sector to lower

transaction cost, generate higher productivity and reach unexplored markets in the financial ecosystem.

In the current situation where the Government seeks to reduce the economy's dependence on cash, the increased focus on technology acceptance promises to take the sector on a path of rapid growth. The Government's monetary policy initiatives to rationalise interest rates, licence to foreign reinsurance, Investment on Infrastructure Sector and focus on micro and SME finance in rural markets are likely to have a positive impact for the sector.

Non-Banking Financial Companies (NBFC) are an integral part of the Indian Financial system, augmenting competition and diversification in the financial sector and complementing the banking system. The Indian NBFC sector has been providing credit to customers in the underserved and unbanked areas. Their channeling the savings and investments of customers and the subsequent capital formation is necessary for India's economic growth and development. Their ability to innovate products in conformity with the needs of their clients is well established.

India's diversified financial sector is undergoing rapid expansion. The sector comprises of commercial banks, non-banking financial companies, co-operatives, pension funds, insurance companies, mutual funds and other financial entities. A fast-growing economy, rising income levels, higher financial savings, greater propensity to spend and improving life expectancy rates are some of the encouraging factors that are likely to boost growth in the sector in the coming years. Over the past few years, the Reserve Bank of India (the RBI) has been steadily implementing technology to deepen and broaden financial services in India. Innovative steps like introduction of small finance banks and specialised payment banks have been implemented.

OPPORTUNITIES, THREATS & RISKS

Company is a holding Company, having investment in group companies, which are strategic investments and exposed to risk associated with the performance of the group companies. Although, there is a lackluster performance of stock market, however, Company at present not having investment in equity shares other than investment in group companies. The company is confident to improve its performance on the strength of its long experience and its strong emphasis on the fundamentals.

The Company is also exposed to interest risk and credit

risk. However prudent business and risk management practices followed by a company over the years helps it to manage the normal industry risk factors, which *inter-alia* includes economic / business cycle, besides the interest rate volatility and credit risk.

The Company is confident of managing these risks by observing a conservative approach in lending and investments.

The sheer unpredictable nature of the markets makes investments a risky proposition. Hence, Company had shifted its investments to debt based mutual funds in place of equity investments.

PERFORMANCE

During the year, the company has earned total income of Rs. 480 lakhs mainly from Interest income and redemption of mutual funds. But due to higher provision on diminution in the value of investments, the company incurred net loss of Rs. 889.54 Lakhs as compared to Loss of Rs. 878.98 Lakhs in the previous year.

FUTURE PROSPECTS AND OUTLOOK

Indian Economy

The Indian economy is expected to grow at 7.4% in 2019-20 on account of steady improvement in major sectors as government and private consumption remains robust and investment is steadily picking up. One of the main factors - domestic consumption, which drives 60% of the GDP growth is expected to grow up to USD 6 trillion by 2030, supported by a 1.4 billion population. In the longer term, however, India's growth is expected to reflect the benefits of its structural reforms and its growing workforce. But to unlock India's massive economic potential, the nation will need to accelerate and sustain its continuing upward trajectory on key human development indicators and aim for a more inclusive growth.

The RBI has been tightening regulations to manage the risk in the sector and has been proposing higher capital and provisioning requirements. It has also been stressing on higher disclosures to safeguard public money and prevent systemic shocks. In addition, the RBI has taken rapid preventive actions in addressing specific issues to manage systemic risk. It has issued an ombudsman scheme for NBFCs, offering a grievance redressal mechanism for their customers.

OUTLOOK OF THE SECTOR

The expected reforms and drive towards various core sectors will provide more opportunities to the NBFCs to create significant financial inclusion and employment opportunities across the country. The year 2018 was a year

of crisis for some of the NBFCs. To occupy the space vacated by Public Sector Banks (PSBs), certain NBFCs went into a frenzy of credit expansions without considering the asset-liability scenario. This resulted in huge defaults on the part of such companies and intensified fears that the funding cost for NBFCs will zoom and result in a sharp deterioration of their margins. However, the government took several quick measures not letting this crisis turn into a contagion and spilling over to other sectors. These measures making relevant changes in the risk management framework. Though outlook for NBFCs for 2019 seems weak, a gradual improvement in the liquidity situation indicates that there could be stabilisation in the coming days.

OUTLOOK OF THE COMPANY

Outlook of the Company is coming years will better as the Company has already made provision in diminution in the value of investment in the group companies. Future outlook/ performance of the group companies is relatively better. Due to revision in interest rate, it is expected that return in debt based mutual funds will be better in the current fiscal.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The Company has an adequate and effective system of internal controls for its various business processes, with regard to operations, financial reporting, compliance with applicable laws and regulations, etc. Clearly defined roles and responsibility for all managerial positions gives strength to the internal control system of the organisation. Internal audits are done at regular intervals to ensure that responsibilities are executed effectively. Audit Committee of the Board of Directors on quarterly basis reviews the adequacy and effectiveness of internal control systems and suggests measures for improvement of the existing control system and strengthen the control in view of changing business needs and safe guarding the assets of the Company against significant misuse or Loss from time to time.

The company regularly conducts internal audits and checks to ensure that the responsibilities are executed effectively and that adequate systems are in place. The audit findings are reported on a quarterly basis to the Audit committee of the Board headed by a non-executive independent Director.

INDEPENDENT AUDITORS' REPORT

To the Members of Consolidated Finvest & Holdings Limited

Report on the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Consolidated Finvest & Holdings Limited (the Company), which comprise the Balance Sheet as at 31 March 2019, the Statement of Profit and Loss, the Statement of Cash Flows and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as 'standalone financial statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the Act) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India specified under Section 133 of the Act, of the state of affairs (financial position) of the Company as at 31 March, 2019, and its loss, its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statement in accordance with the Standards on Auditing specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statement of the current period. These matters were addressed in the context of our audit of the standalone financial statement as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined

that there are no key audit matters to communicate in our report.

Emphasis of Matter

We draw attention to Note 29 a in the standalone financial statements. The company had given a loan of Rs 5.00 crores to Spentex Industries Limited which has turned into doubtful assets during the year and thereby the company had made 100% provision as per NBFC- NDSI (Reserve Bank) Directions, 2016.

We wish to draw further attention to Note no 30 in the standalone financial statements. On the basis of valuation of shares of Jindal India Thermal Power Limited by SEBI Registered Category 1 Merchant Bankers, the company has made provision of Rs 853.76 Lacs (Earlier year Rs 1364.16 Lacs) net of fair value adjustment and is shown under exceptional item.

We further wish to draw attention to Note 31 in the standalone financial statements. During the year under review, company has invested in 0% optionally convertible preference shares amounting to Rs 20.92 crores. These may be converted in equity shares at any time on face value or fair value whichever is higher. These may be redeemed at option of the holder at face value at any time after one month from the date of allotment.

Information Other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility report, Corporate Governance and shareholder's information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance or conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to materially misstate.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information,

we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, cash flows in accordance with the accounting principles generally accepted in India.

This responsibility also includes the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise

professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, international omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with the governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosures about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2016 ('the Order') issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the Order.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

Independent Auditor's Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of Consolidated Finvest & Holdings Limited ('the Company') as of 31 March 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit

of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial

control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of the management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal

financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2019

1. Corporate Information

Consolidated Finvest & Holding Limited ('the Company') is a Systemically Important Non- Deposit taking Non-Banking Financial Company Registered with Reserve Bank Of India, Kanpur. The shares of the Company are listed at National Stock Exchange .The Company is engaged in the business of investments and to provide loans.

2. Basis of Preparation

The financial statements of the Company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements in compliance with the Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006, (as amended) and the relevant provisions of the Companies Act, 2013.

3. SIGNIFICANT ACCOUNTING POLICIES

A) Basis of Accounting

The financial statements are prepared under historical cost convention, on accrual basis of accounting in accordance with the provisions of Companies Act, 2013 and in compliance with the Accounting Standards issued by the Institute of Chartered Accountants of India and referred to in Section 133 of the Companies Act, 2013, read with rule 7 of the Companies (Accounts) Rules, 2014. There is no change in the Accounting policies during the Current Financial Year. The accounting policies adopted in the preparation of the financial statements are consistent with those of previous year.

B) Fixed Assets

Fixed assets are stated at cost less depreciation. Cost of acquisition and fabrication or construction are inclusive of freight,duties and other incidental expenses during construction period. Incidental expenses includes establishment expenses,interest on fund used for Capital expenditure and other Administrative expenses.

Consideration is given at each balance sheet date to determine whether there is any indication of impairment of the carrying amount of the company's fixed assets. If any indication exists, an asset's recoverable amount is estimated. An impairment loss is recognized whenever the carrying amount of an asset exceeds its recoverable amount.

C) Depreciation

Depreciation on tangible assets has been provided on Straight Line Method at the rates prescribed in Schedule II of the Companies Act, 2013. In respect of leased out assets, the cost of the same is being amortized fully during the primary period of lease.

D) Revenue Recognition

- i) All revenues, costs, duties, assets & liabilities are accounted for on accrual basis.
- ii) Income from investment is credited to revenue in the year in which it accrues. Income is stated in full with the tax thereon being accounted for under income Tax deducted at source.Dividend income when the owner `s right to receive its investments payment in shares established.

E) Borrowing Costs

Borrowing costs attributable to the acquisition and construction of asset are capitalised as part of the cost of such asset upto the date when such asset is ready for its intended use. Other borrowing costs are treated as revenue/deferred revenue expenditure as considered appropriate by the Management.

F) Investments

Investments are classified as non-current or current, based on the Management intention at the time of purchase. Non-current investments are valued at their acquisition cost. Current investments are stated at lower of cost or net realisable value. The provision for diminution in the value of non-current investments is

Consolidated Finvest & Holdings Limited

made only if such a decline is other than temporary in the opinion of the management. Investment in the units of Mutual funds are valued at cost or market value whichever is lower, depreciation, if any is fully provided for and appreciation if any is ignored.

G) Employee Benefits

i) Short term Employees benefits

All employee benefits payable only within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, Wages etc, and the expected cost of bonus, ex gratia, incentives are recognized in the period during which the employee renders the related service.

ii) Post employment and other long term employees benefits are recognised as an expense in the profit and loss account for the year in which the employee has rendered services. The expense is recognised at the present value of the amount payable is determined using actuarial valuation techniques. Actuarial gains and losses in respect of post employment and other term benefits are charges to the profit and loss account.

h) Taxation

The Current tax payable in respect of taxable income for the year has been charged to revenue. Deferred tax is recognised, subject to the consideration of prudence, on timing differences, being the differences between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent previous periods. Deferred tax assets are recognised on unabsorbed depreciation and carry forward of losses based on virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised.

INDEPENDENT AUDITORS' REPORT

To the Members of Consolidated Finvest & Holdings Limited

Report on the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Consolidated Finvest & Holdings Limited (the parent Company) and its subsidiary and associates (collectively referred to as 'the Company' or 'the Group'), which comprise the Consolidated Balance Sheet as at 31 March 2019, the Consolidated Statement of Profit and Loss and the Consolidated Statement of Cash Flows for the year then ended and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as 'the consolidated financial statements').

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate financial statements/consolidated financial statements and on the other financial information of the associates, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (Act) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, specified under Section 133 of the Act read with the Companies Rules, 2015, of the consolidated state of affairs (consolidated financial position) of the Group, as at 31 March 2019 and its consolidated profit & loss and its consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit of the consolidated financial statement in accordance with the Standards on Auditing specified under Section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment and based on the consideration of the reports of the other auditors on separate financial statements/ consolidated financial statements and on the other financial information of the subsidiary and associates were most significant in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to be communicated in our report.

Emphasis of Matter

We draw attention to Note 33 a in the consolidated financial statements. The company had given a loan of Rs 5.00 crores to Spentex Industries Limited which has turned into doubtful assets during the year and thereby the company had made 100% provision as per NBFC- NDSI (Reserve Bank) Directions, 2016.

We wish to draw further attention to Note no 34 in the consolidated financial statements. On the basis of valuation of shares of Jindal India Thermal Power Limited by SEBI Registered Category 1 Merchant Bankers, the company has made provision of Rs 3131 Lacs (Earlier year Rs 4892 Lacs) net of fair value adjustment and is shown under exceptional item.

Further attention is drawn to Note no. 35 in the consolidated financial statements. During the year, company has disposed off long term investments in shares resulting loss of Rs 35.34 Crores which is shown under exceptional item in Profit and Loss a/c.

We further wish to draw attention to Note 36 in the consolidated financial statements. During the year under review, company has invested in 0% optionally convertible preference shares amounting to Rs 33.02 crores. These may be converted in equity shares at any time on face value or fair value whichever is higher. These may be redeemed at option of the holder at face value at any time after one month from the date of allotment.

Information Other than the Consolidated Financial Statements and Auditor's Report thereon

The Parent's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's

Report, Business Responsibility report, Corporate Governance and shareholder's information, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance/ conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information, compare with the financial statements of the associates audited by the other auditors, to the extent it relates to these entities and, in doing so, place reliance on the work of the other auditors and consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. Other information so far as it relates to the associates is traced from their financial statements audited by the other auditors.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Parent's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India prescribed under Section 133 of the Act read with relevant rules issued thereunder. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of

the Parents, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the Company's financial reporting process of the group.

Auditors' Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities or business activities included in the consolidated financial statements of which we are the independent auditors. For the other entities or business activities included in the consolidated financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work ; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with the governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to

communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosures about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The consolidated financial results also include the Group's share of loss after tax of Rs 10711.36 Lacs for the year ended 31st March 2019. This financial statements/ financial information are audited/ unaudited and have been furnished to us by the Management and our opinion on the Statement, in so far as it relates to the amounts and disclosures included in respect of these associates, is based solely on such audited/ unaudited financial statements/financial information.

Our opinion on the consolidated financial Statement is not modified in respect of the above matters with respect to our reliance on the financial statements / financial information certified by the Management.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory requirements below, is not modified in respect of the above matter with respect to our reliance on the financial statement/ financial information certified by the management.

Report on Other Legal and Regulatory Requirements

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the Act')

In conjunction with our audit of the consolidated financial statements of the Group as of and for the year ended 31 March 2019, we have audited the internal financial controls over financial reporting of Consolidated Finvest & Holdings Limited ('the Parent Company') and its subsidiary and associates companies which is company incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the subsidiary/

associates Company, which is company incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and

efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the Guidance Note) issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies

and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary / associates companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2019

1. Corporate Information

Consolidated Finvest & Holding Limited (the Company) is a Systemically Important Non- Deposit taking Non-Banking Financial Company Registered with Reserve Bank Of India, Kanpur. The shares of the Company are listed at National Stock Exchange .The Company is engaged in the business of investments and to provide loans.

2. Basis of Preparation

The financial statements of the Company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements in compliance with the Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006, (as amended) and the relevant provisions of the Companies Act, 2013.

3. SIGNIFICANT ACCOUNTING POLICIES TO CONSOLIDATED ACCOUNTS

A) Basis of Accounting

The financial statements are prepared under historical cost convention, on accrual basis of accounting in accordance with the provisions of Companies Act, 2013 and in compliance with the Accounting Standards issued by the Institute of Chartered Accountants of India and referred to in Section 133 of the Companies Act, 2013, read with rule 7 of the Companies (Accounts) Rules, 2014. There is no change in the Accounting policies during the Current Financial Year. The accounting policies adopted in the preparation of the financial statements are consistent with those of previous year.

B) Basis of Consolidation

The Consolidated Financial Statements relates to The Consolidated Finvest and Holdings Ltd. (the Company) its Subsidiary Companies, Associate Companies as at 31st March, 2019. The Company and its Subsidiaries constitute the Group". The Consolidated Financial Statements have been prepared on the following basis:

- The financial statements of the Company and its subsidiary companies have been combined on a line-by-line basis by adding together the book values of like item of assets, liabilities, income and expenses, after fully eliminating intra- group balance, intra group transaction and unrealised profits or losses as per Accounting Standard 21 'Consolidated Financial Statements' issued by the Institute of Chartered Accountants of India, (ICAI).
- Investment in Associate companies have been accounted for under the equity method as per Accounting Standard 23 Accounting for Investments in Associates in Consolidated Financial Statements' issued by the ICAI.
- The excess of cost to the company of its investments in the subsidiary companies and Associate over the Company's portion of equity is recognised in the financial statements as Goodwill.
- The excess of Company's portion of equity of the Subsidiaries and associate as at the date of its investments is treated as Capital Reserve.
- Goodwill/Capital Reserve arising on investments in Associate Companies are retained/adjusted under the head " Investments in Associates Companies" and are disclosed separately.
- Goodwill arising out of consolidation is not amortised.
- Minority Interest in the net assets of Subsidiaries consists of:
 - i) the amount of equity attributable to the minorities at the date on which investment in a Subsidiary is made; and
 - ii) the minorities' share of movements in equity since the date of parent-sub subsidiary relationship came into existence.

C) Fixed Assets

Fixed assets are stated at cost less depreciation. Cost of acquisition and fabrication or construction are inclusive

of freight, duties and other incidental expenses during construction period. Incidental expenses includes establishment expenses, interest on fund used for Capital expenditure and other Administrative expenses.

Consideration is given at each balance sheet date to determine whether there is any indication of impairment of the carrying amount of the company's fixed assets. If any indication exists, an asset's recoverable amount is estimated. An impairment loss is recognized whenever the carrying amount of an asset exceeds its recoverable amount.

D) Depreciation

Depreciation on tangible assets has been provided on Straight Line Method at the rates prescribed in Schedule XIV of the Companies Act, 1956. In respect of leased out assets, the cost of the same is being amortized fully during the primary period of lease.

E) Revenue Recognition

- i) All revenues, costs, duties, assets & liabilities are accounted for on accrual basis.
- ii) Income from investment is credited to revenue in the year in which it accrues. Income is stated in full with the tax thereon being accounted for under income Tax deducted at source. Dividend income when the owner's right to receive its investments payment in shares established.

F) Borrowing Costs

Borrowing costs attributable to the acquisition and construction of asset are capitalised as part of the cost of such asset upto the date when such asset is ready for its intended use. Other borrowing costs are treated as revenue/deferred revenue expenditure as considered appropriate by the Management.

G) Investments

Investments are classified as long term or current, based on the Management intention at the time of purchase. Long term investments are valued at their acquisition cost. Current investments are stated at lower of cost or net realisable value. The provision for diminution in the value of long-term investments is made only if such a decline is other than temporary in the opinion of the management. Investment in the units of Mutual funds are valued at cost or market value whichever is lower, depreciation, if any is fully provided for and appreciation if any is ignored.

H) Employee Benefits

- i) Short term Employees benefits
All employee benefits payable only within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, Wages etc, and the expected cost of bonus, ex gratia, incentives are recognized in the period during which the employee renders the related service.
- ii) Post employment and other long term employees benefits are recognised as an expense in the profit and loss account for the year in which the employee has rendered services. The expense is recognised at the present value of the amount payable determined using actuarial valuation techniques. Actuarial gains and losses in respect of post employment and other term benefits are charges to the profit and loss account.

I) Taxation

The Current tax payable in respect of taxable income for the year has been charged to revenue.

Deferred tax is recognised, subject to the consideration of prudence, on timing differences, being the differences between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent previous periods. Deferred tax assets are recognised on unabsorbed depreciation and carry forward of losses based on virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised.
